March 26, 2019

The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

SUCCESSOR MEMORANDUM OF UNDERSTANDING FOR BARGAINING UNIT 401 PLANT OPERATING ENGINEERS ALL DISTRICTS (4 VOTES)

SUBJECT

Approve the successor Memorandum of Understanding (MOU) for Bargaining Unit (BU) 401 Plant Operating Engineers.

IT IS RECOMMENDED THAT THE BOARD:

1. Approve the accompanying successor MOU between the County and the International Union of Operating Engineers (I.U.O.E.), Local 501, AFL-CIO for BU 401 Plant Operating Engineers.
2. Instruct the Auditor-Controller to make all payroll system changes necessary to implement the recommendations contained herein.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

BACKGROUND

Successor Memoranda (MOUs) for most Safety and SEIU BUs were approved by the Board on October 16, 2018, November 20, 2018, February 12, 2019, February 19, 2019, February 26, 2019 and March 5, 2019. This MOU provides for salary increases totaling seven percent (7%) over a 3-year period. In conjunction with the successor MOUs, the Board approved corresponding salary movements for non-represented employees.

Successor MOU Amendments

The successor MOU provides for the terms and conditions for BU 401 for three (3) years - October 1, 2018 through September 30, 2021.

We are requesting your approval of the successor MOU with general salary increases for BU 401, as follows:

- 8 levels (approximately 2%) effective October 1, 2018
- 10 levels (approximately 2.5%) effective October 1, 2019
- 10 levels (approximately 2.5%) effective October 1, 2020

Finally, we are adjusting the special pay practices (shift differentials), established reimbursement of professional licenses and work-boot reimbursement applicable to represented employees of this bargaining unit.

Implementation of Strategic Plan Goals

The actions recommended in this Board letter promote the County's Strategic Plan Goal of Fiscal Sustainability by providing a wage and benefit structure that is financially responsible.

FISCAL IMPACT/FINANCING

The provisions of the successor MOUs have been ratified by the union and are within the parameters established by the Board of Supervisors. The County's pension actuary, Cheiron, Inc., has advised that the proposed compensation adjustment roughly equals the amounts assumed under the current actuarial valuation of the retirement plan. They do not anticipate a material increase to the unfunded actuarial accrued liability, nor a material reduction in the funded ratio, as a result of the negotiated salary increases.

The salary movement for the term of the aforementioned contract has been accounted into the County budget for Fiscal Year 2018-2019.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Successor MOUs provide for a seven percent (7%) salary increase over three years.

The accompanying successor MOUs have been approved as to form by the County Counsel.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

No impact on current services.

The Honorable Board of Supervisors

3/26/2019

Full-time permanent employees in this Unit who are below the top step of the salary range and who are eligible for an annual step advance will be granted a step advance only when a competent or better performance evaluation has been filed by the employee's department head. The performance evaluation shall be filed at least one month prior to the employee's step advance anniversary date and within a period which does not exceed one year prior to that date.
- B. If no performance review is filed as defined in Section 2.A above or if an employee receives an improvement needed performance evaluation, the employee's step advance will not be granted on the date due.

Where no performance evaluation is issued in accordance with Paragraph A above, the employee may request his department head in writing to issue a performance evaluation. The department head shall issue a performance evaluation within five (5) days of the employee request. If said evaluation is competent or better, the employee shall be granted a step advance effective to his step advance anniversary date.

1. Where no performance evaluation has been issued in accordance with Paragraph B. above, the employee may file a grievance with the Department of Human Resources. 3. Grievance based on an improvement needed performance evaluation shall be filed within ten (10) days of issuance with the department head or his designated representative who shall respond to the grievance within ten (10) days.

Appeals from a department head decision shall be processed in accordance with Civil Service Commission Rules.

During the term of this agreement should any changes be made in the existing categories of performance evaluation which adversely impacts the application of this Section, the parties agree to meet and renegotiate this Section. The arbitrator shall issue an award on the step advances as affected by the changes in existing categories of performance evaluations.

Section 3.

The parties having jointly reviewed and considered all available salary and wage information and data, agree that the recommended salaries set forth herein were negotiated in good faith and mutually agreed to by the parties.

Further, the parties agree that said salaries were negotiated in compliance with Government Code Section 53248 and determined independently of race, gender, age or national origin. To the extent that the County has any legal duty to determine the comparability of the value of work performed by an employee or group of employees covered by this agreement, the parties agree that the County has performed such duty. - A. The County will pay overtime for all hours worked in excess of forty (40) in one week. "Hours worked" will be calculated as provided for by the Fair Labor Standard Act, 29 U.S.C. 201 et seq. Hours worked do not include time for which persons are compensated but do not actually work, including but not limited to, sick leave and vacation pay, with the exception that those hours paid during a workweek for a regular County holiday will be counted in calculating hours worked for overtime purposes.

The County will pay employees for any overtime worked at a rate of one and one-half (1 ½) times his/her regular rate of pay. Regular rate of pay shall be calculated as provided for by the Fair Labor Standards Act.

Section 2. Distribution of Overtime

On matters that do not directly concern or involve the interpretation or application of the specific terms and provisions of the Memorandum of Understanding, the written decision of the department head or his designated representative shall be final except for those matters which may be submitted for hearing under provisions adopted by the Los Angeles County Civil Service Commission.

Section 8. Arbitration

- A. Within thirty (30) days from the receipt of the written decision of the department head or his designated representative, the Union may request that the grievance be submitted to arbitration as provided hereinafter.
- B. Only those grievances which directly concern or involve the interpretation or application of the specific terms and provisions of this Memorandum of Understanding may be submitted to arbitration hereunder. In no event shall such arbitration extend to:

1. The interpretation, application, merits or legality of any state or local law or ordinance adopted by County's Board of Supervisors unless the arbitrator, in his discretion, finds it necessary to interpret or apply such State or local law in order to resolve the grievance which has been submitted to the arbitrator;
2. The interpretation, application, merits or legality of any or all of the County of Los Angeles Civil Service Commission Rules, nor matters under the jurisdiction of said Civil Service Commission for which said Commission has established procedures or processes by which employees or employee organizations may appeal to, or request review by, said Civil Service Commission including, but not limited to discharges, reductions, suspensions, transfers, classification actions, performance evaluations and similar matters within the jurisdiction of said Civil Service Commission; nor
3. The interpretation, application, merits or legality of the rules or regulations of the department head, the Department of Personnel, or any other County department, agency or commission unless the arbitrator, in his discretion, finds it necessary to interpret or apply such rules or regulations in order to resolve the grievance which has been submitted to the arbitrator.
4. Grievance on competent or better performance evaluations which do not meet the guidelines set forth at the Employee Relations Commission meeting of December 19, 1986.

C. In the event the Union desires to request that a grievance, which meets the requirements of Paragraph B hereof, be submitted to arbitration, he shall, within the time requirements set forth above, send a written request to County's Employee Relations Commission, with a copy thereof simultaneously transmitted to County's Chief Administrative Officer and to the County department head or officer affected, which request shall:

1. Set forth the specific grievances as originally filed and processed through the grievance procedure;
2. State with particularity those portions of the grievance which have not been satisfactorily resolved by said department head in his written decision resulting from Step 3 of the grievance procedure and concerning which arbitration is requested; and
3. Request that said Employee Relations Commission, pursuant to its applicable rules and regulations, appoint an arbitrator for the purpose of conducting arbitration concerning such grievances as provided for herein.

- D. Arbitration of grievances hereunder will be limited to the formal written grievances as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved. Arbitration hereunder shall be conducted in accordance with applicable rules and procedures adopted or specified by County's Employee Relations Commission unless the parties hereto mutually agree to other rules or procedures for the conduct of such arbitration. The fees and expenses of the arbitrator shall be shared equally by the parties involved, it being understood and agreed that all other expenses including, but not limited to, fees for witnesses, transcripts, and similar costs incurred by the parties during such arbitration will be the responsibility of the individual party involved.
- E. The decision of the arbitrator shall be binding upon the Union. To the extent the decision and award of the arbitrator does not require legislative action by the Board of Supervisors, such decision and award shall be binding upon the County. If within 60 days of receiving notice of a decision and award requiring legislative action by the Board of Supervisors, such legislative action is not taken, the arbitrator's decision and award shall have no force or effect whatsoever.

The Union may then resort to a court of competent jurisdiction to pursue whatever other legal remedies are available to it under the provisions of this Memorandum of Understanding.

ARTICLE 23 GRIEVANCES - GENERAL IN CHARACTER

In order to provide an effective mechanism whereby disagreements between Local 501 and Management concerning the interpretation or application of any of the provisions of this Memorandum of Understanding affecting the right of the parties or the working conditions of a significantly large number of employees in the Unit may be effectively resolved, the following procedures are agreed upon.

- A. Where Local 501 has reason to believe that Management is not correctly interpreting or applying any of the provisions of this Memorandum of Understanding, Local 501 may request in writing that a meeting be held with the authorized representatives of the County who have the authority to make effective recommendations for the resolution of the matter. Such a written request shall set forth in detail the facts giving rise to the request for the meeting and shall set forth the proposed resolution sought.

Within fifteen (15) business days of receipt of the request for such a meeting, Management's designate(s) and Local 501's representative(s) will meet for the purpose of discussing and attempting to resolve the disagreement.

- B. Within fifteen (15) business days of such meeting, and in the event the matter is not satisfactorily resolved, Local 501 shall have the right to meet with the principal representative(s) of the County who have authority to resolve the matter.

For purposes of this provision, Management's principal representative(s) shall mean County department or district head(s) or his authorized representative(s) including the Chief Administrative Officer or his authorized representative who has authority to resolve the matter.

- C. Within thirty (30) business days after the meeting provided in (B) above, if the matter is not satisfactorily resolved, and if the disagreement meets the requirements of Section 8, Subsection 2, of ARTICLE 22, the disagreement may be submitted to arbitration in accordance with the provisions of Section 8 of ARTICLE 22 of this Memorandum of Understanding.

It is further understood that this ARTICLE is not intended as a substitute or alternative for the grievance procedures set forth in ARTICLE 22 of this Memorandum of Understanding. Instead, this ARTICLE is intended to provide a procedure to resolve disagreements affecting the rights of the parties or disagreements arising from the application of the terms of this Memorandum of Understanding affecting the working conditions of a significantly large number of employees in the Unit, as distinguished from the rights of individual employees.

Accordingly, the parties agree that the procedures set forth herein shall not be implemented where the dispute or complaint involved is or could be effectively brought by an employee or employees and otherwise processed through the grievance procedures set forth in ARTICLE 22 hereof.

ARTICLE 24 EXPEDITED ARBITRATION

1. This is an alternate to the procedure set forth in Section 8, Arbitration, of Article 22, Grievance Procedure and will only be utilized upon mutual written agreement of the parties.

2. A joint submission setting forth the issue(s) to be determined will be prepared prior to the hearing by the parties. If the parties cannot agree to a submission statement, the expedited arbitration procedure will not be utilized.

3. Only those grievances which directly concern or involve the interpretation or application of the specific terms and provisions of this Memorandum of Understanding may be submitted to arbitration hereunder. In no event shall such arbitration extend to:
 - a. The interpretation, application, merits or legality of any state or local law or ordinance, including specifically all ordinances adopted by County's Board of Supervisors; unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such state or local law in order to resolve the grievance which has been submitted to the arbitrator.

- b. The interpretation, application, merits or legality of any or all of the County of Los Angeles Civil Service Rules, nor matters under the jurisdiction of the Civil Service Commission for which said Commission has established procedures or processes by which employees or employee organizations may appeal to, or request review by, said Civil Service Commission, including, but not limited to, discharges, reductions, and discrimination; nor
 - c. The interpretation, application, merits or legality of the rules or regulations of the department head, the Chief Administrative Office, or any other County department, agency, or Commission, unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such rules or regulations in order to resolve the grievance which has been submitted to the arbitrator.
 - d. Grievances on competent or better performance evaluations which do not meet the guidelines set forth at the Employee Relations Commission meeting of December 19, 1986.
4. The parties shall select an arbitrator from the panel of arbitrators previously agreed to by the parties and established for the purpose of conducting expedited arbitration proceedings:

- a. The arbitrator will be compensated at the contracted for flat daily rate. The cost of the arbitrator shall be borne equally by the parties. In addition, each party shall pay for all fees and expenses incurred by the party on its behalf, including but not limited to witness fees.
- b. The parties agree that: 1) no stenographic record of the hearing will be made; 2) there will be no representation by outside counsel; and 3) there will be no post hearing briefs.
- c. The arbitrator selected shall hear the grievance(s) within 10 working days of his/her selection and may hear multiple cases during the course of the day. However, six (6) hours of hearings will constitute one day.
- d. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved.
- e. The arbitrator shall issue a “bench” decision at the conclusion of the parties’ testimony. Only by mutual agreement of the parties and the arbitrator will a written decision be issued.
- f. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this Memorandum of Understanding.

5. The decision of the arbitrator shall be binding upon the Union. To the extent the decision and award of the arbitrator does not require legislative action by the Board

ARTICLE 28 MANAGEMENT RIGHTS

It is understood and agreed that Management reserves and retains all its inherent managerial rights, powers, functions and authorities, as defined in Section 5 of the Employee Relations Ordinance of the County of Los Angeles, which Management had prior to entering in this Memorandum, unless and only to the extent that the provisions of this Memorandum specifically curtail or limit such rights, powers, and authority, subject to the right of an employee to grieve the practical consequences of a Management Rights' decision on wages, hours and other terms and conditions of employment.

It is the intent of the parties during the term of this MOU to comply with the June 21st and April 4th, 1995 Board Policy on workforce reductions.

If the County determines that workforce reductions are necessary, it will reduce to the greatest extent feasible the planned number of County personnel to be demoted or laid off by:

- a. discontinuing non-County contracted temporary personnel (Government Code Section 31000 et seq.) who perform functions comparable to County Positions subject to demotion or layoff, and

Permanent or temporary County employees laid off, will not be replaced by a contract employee.

Section 2. Department of Human Resources

The Department of Human Resources shall coordinate with Department management to implement Board Policy on workforce reductions on a County-wide basis and enhance the County's on-going efforts to find alternative placement for employees subject to layoff or demotion due to workforce reductions. Management shall factor in attrition, implement transfers of qualified employees to available vacancies, recommend to the Board and/or CEO to reduce or discontinue departmental personnel services contracts and allow voluntary demotions before laying off any members of a bargaining unit.

Section 3. Notice Provisions for Layoffs and Demotions

To the greatest extent feasible the Department of Human Resources and/or Departmental Management will give ten (10) business days notice prior to any layoff, demotion, or involuntary transfer of a permanent County employee.

ARTICLE 36 PERSONNEL FILES

An employee, or his/her certified representative, with the written consent of the employee, may inspect that employee's personnel file with the exception of all material obtained from other employers and agencies at the time that employee was hired. A reasonable number of employee reviews can occur on County time.

An employee shall be advised of, and entitled to read, and receive a copy if requested, any written statement by the employee's supervisor or departmental Management regarding his/her work performance or conduct if such statement is to be placed in his/her personnel file. The employee shall acknowledge that he/she has read such material by affixing his/her signature on the copy to be filed, with the understanding that such signature merely signifies that he/she has read the material to be filed but does not necessarily indicate agreement with its content. If the employee refuses to sign, the supervisor shall note his/her refusal on the copy to be filed along with the supervisor's signature and the signature of a witness to the employee's refusal to sign.

The employee may file a grievance regarding any such document within the prescribed time limits of the grievance procedure. If the employee fails to file a grievance within the designated time limits, the document becomes part of the official file. If the employee does file a grievance within the designated time limits, said document will not be placed in the official file until the grievance procedure or civil service appeal rights have been exhausted.

Grievances filed under this provision shall not be subject to the Arbitration provisions of the Grievance Procedure unless they involve violation of a specific provision of this agreement.

Management agrees that no properly used paid sick leave taken in the twelve months immediately prior to an Appraisal of Promotability or a Performance Evaluation will be referenced on an Appraisal of Promotability or a Performance Evaluation or attached to such forms.

On reviewing his/her personnel file, an employee may request and have any written warnings issued more than one (1) year prior placed in an envelope and sealed in his/her personnel file except as such may be a part of an official permanent record. On the face of the sealed envelope it shall read "The contents herein shall be disclosed only upon written consent of the subject employee or by subpoena or other legal process from a public body of competent jurisdiction." The date that the contents of the sealed envelope will be destroyed shall also appear on the face of the envelope. That date shall be two (2) years from the date of issuance of the document(s) in the sealed envelope.

On reviewing his/her personnel file, an employee may request and have any written warnings issued more than two (2) years prior removed from his/her personnel file except as such may be a part of an official permanent record.

If the department takes disciplinary action against an employee, the department, upon request of the employee, will furnish the employee copies of any documents or written statements used by the department as a basis for its action.

No non-related work material will be introduced.

ARTICLE 37 NEW EMPLOYEE ORIENTATION

Management shall provide a ten (10) day notice of hiring a new employee from the date of hiring to I.U.O.E. Local 501 and shall provide a face-to-face meeting with authorized I.U.O.E. Local 501 Representative(s), including Union Stewards, on County time with new employee(s) for a maximum uninterrupted time of up to sixty (60) minutes and in a location away from the employee(s) work area (e.g. training area, conference room, in an empty office) and absent from other distractions, including management, Human Resources, and other Union Representatives being present. The I.U.O.E. Local 501 Representative(s) may provide the new employee(s) any information or materials about I.U.O.E. Local 501, it's programs, benefits and becoming a member and membership card.

ARTICLE 38 EMPLOYEE RIGHTS CONTRACTING OUT/TRANSFER
OF FUNCTIONS

In the event the County enters into any agreement with another public employer or private entity which involves the transfer of functions now being performed by employees in this representation unit or the law provides for the transfer of functions now being performed by employees in this unit to another public or private agency, the County will advise such public or private entity of the existence and terms of this Memorandum of Understanding and will immediately advise the Union of such agreement or law. In addition, the County will consult with the employer absorbing a County function to encourage utilization of affected employees by the new employer. When a request for proposal or other contract solicitation documents are approved and issued, the Employee Relations Division of the Chief Administrative Office will arrange to meet with representatives of the Union to advise them of this action within five (5) business days.

Prior to the release of a Request for Proposal (RFP) the Department shall provide a copy of the RFP to the Union and in coordination with the Chief Executive Office Employee Relations Division offer to meet and consult with the Union within ten (10) business days.

When advance knowledge of the impact of pending changes in function, organization, or operations is available which will result in the abolishment of positions or when there is any major reassignment of functions from one department to another or to another agency,

Management will make an intensive effort to either reassign or transfer affected employees to other positions for which they qualify, or train affected employees for new positions in order to retain their services. It is understood and agreed that Management shall have no obligation to negotiate the decision of any reorganization by the County during the life of this agreement.

Management acknowledges an obligation to negotiate the impact on wages, hours and working conditions of the employees in this bargaining unit insofar as such subjects have not already been negotiated.

IN WITNESS WHEREOF, the parties hereto have caused their duly authorized representatives to execute this Memorandum of Understanding the day, month and year first above written.
