CIO RECOMMENDATION: (X) APPROVE

SUBJECT

This letter recommends approval of a five-year Contract with Mythics, Inc. to provide Oracle PeopleSoft Support Services for Oracle PeopleSoft Human Capital Management (HCM), PeopleSoft Financial and Supply Chain Management (FSCM), and merging the PeopleSoft Human Resources Management System (HRMS) support in years two through five, to consolidate into one contract for both the PeopleSoft HRMS and HCM-FSCM License and Maintenance Support Services for the Los Angeles County Development Authority (LACDA).

IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that the approval of a Contract with Mythics, Inc. (Mythics) for Oracle PeopleSoft support services is not subject to the California Environmental Quality Act (CEQA) because it is not defined as a project under CEQA and does not have the potential for causing a significant effect on the environment.

3. Authorize the Executive Director, or her designee, to execute any necessary amendments to the Contract to update terms and conditions or amend the scope of work, and if necessary, terminate for convenience, with Mythics.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of this action is to purchase the Oracle PeopleSoft support services through Mythics to meet the LACDA's HRMS and HCM-FSCM needs. The cost of this contract represents a 6% increase over the expiring current five-year contract.

The LACDA is currently running Oracle PeopleSoft version 9.2 for Human Capital Management (HCM), PeopleSoft Financial and Supply Chain Management (FSCM), and PeopleSoft Human Resources Management System (HRMS). The objective is for the license support to be maintained with the latest version available from Oracle, which includes:

- Tax, legal, and regulatory updates
- Assistance with service requests 24 hours per day, 7 days a week
- Program updates, fixes, security alerts, and critical patch updates created during Oracle's Premier Support period and Oracle's Extended Support period if Extended Support is purchased.
- Access to major product releases, which includes general maintenance releases, selected functionality releases, and documentation updates

FISCAL IMPACT/FINANCING

There is no impact on the County General Fund. The Contract will be funded with \$143,114.82 in LACDA General Funds to be incorporated as needed into the LACDA's approved FY 2019-20 Budget. Funds for future years will be included in the annual budget approval process. A ten percent contingency of \$98,139.44 is being set aside for unforeseen costs as needed.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

This Contract will become effective July 1, 2019, after Board approval and will continue for a five-year term until June 30, 2024.

The Chief Information Office (CIO) has reviewed this request and recommends approval. The CIO Analysis is attached (Attachment A). The Contract and Statement of Work have been reviewed by County Counsel and are attached in substantially final form (Attachment B). The National Intergovernmental Purchasing Alliance (National IPA) – The Cooperative Purchasing Network (TCPN), Oracle Products and Services, Contract Number R141801 contains terms and conditions applicable to the software licenses as well as the terms and conditions applicable to information technology professional services. Those terms and conditions are attached to the Contract and expressly made a part of this Contract and incorporated by reference.

The Contract contains all latest applicable Board mandated provisions, including those pertaining to contractor responsibility and debarment, Child Support program, consideration of hiring qualified GAIN/GROW participants, the Safely Surrendered Baby Law, Compliance with County of Los Angeles Policy of Equity, Zero Tolerance Human Trafficking, and Fair Chance Employment Practice.

ENVIRONMENTAL DOCUMENTATION

The proposed activities are exempt from the National Environmental Policy Act pursuant to 24 Code of Federal Regulations, Part 58, Section 58.35 (b)(3), because they involve activities that will not have a physical impact on or result in any physical changes to the environment. These activities are not subject to the provisions of CEQA pursuant to State CEQA Guidelines 15060(c)(3) and 15378, because they are not defined as a project under CEQA and do not have the potential for causing a significant effect on the environment.

CONTRACTING PROCESS

The Oracle PeopleSoft support services will be purchased under the National Intergovernmental Purchasing Alliance (National IPA) – The Cooperative Purchasing Network (TCPN), Oracle Products and Services, Contract Number R141801, and per Oracle's authorized Public Sector Customers Reseller Support Partner. The LACDA requested quotes from the authorized Oracle renewal partners, and Mythics was awarded based on the lowest, most responsive and responsible bidder.

The National IPA conducted a formal Request for Proposals led by The Cooperative Purchasing Network and awarded in January 1, 2015 to offer the lowest prices possible for state and local governments to acquire Oracle Products and Services. The LACDA reviewed the procurement process performed by the National IPA and determined compliance with the LACDA's procurement requirements and 24 CFR 85.36 known as the "Common Rule" for U.S. Department of Housing and Urban Development (HUD) funded projects and services.

IMPACT ON CURRENT SERVICES AND PROJECTS

The purchase of the Oracle PeopleSoft upgrade and support services will improve the efficiency of LACDA business processes and maximize the return on the LACDA's technology investments. The Oracle PeopleSoft support services will meet the LACDA's core business requirements for Human Resources, Finance, Human Capital Management, and Procurement.

SUBJECT:

Approval of Contract With Mythics, Inc. for Oracle PeopleSoft Support Services

CONTRACT TYPE:

☒ New Contract ☒ Sole Source ☐ Amendment to Contract #: Enter contract #.

SUMMARY:

Description: The Los Angeles County Development Authority (LACDA) is seeking approval of a Contract with Mythics, Inc. (Mythics) to provide Oracle PeopleSoft (PeopleSoft) Support Services for the following LACDA-licensed software: PeopleSoft Human Capital Management (HCM), PeopleSoft Financial and Supply Chain Management (FSCM), and, in Years 2 through 5, PeopleSoft Human Resources Management System (HRMS). These software support services entitle the Authority to remain current on the latest versions of software and fixes and to access support services 24 hours a day, 7 days a week. LACDA uses PeopleSoft software for its Enterprise Resource Planning (ERP) systems.

The PeopleSoft Support Services are delivered by Oracle PeopleSoft, and Mythics is an authorized reseller of Oracle PeopleSoft. LACDA will be utilizing a competitively bid contract (R141801) that was solicited by the Intergovernmental Purchasing Alliance – The Cooperative Purchasing Network. LACDA requested quotations from the authorized Oracle resellers on R141801 and Mythics was the lowest cost, most responsive and responsible bidder per LACDA.

The Authority has an expiring 5-year contract for these services, also with Mythics as the reseller. The existing contract expires on June 30, 2019.

LACDA is also asking for Delegated Authorities to amend the Contract, terminate the Contract if necessary, and to utilize up to an additional 10 percent for PeopleSoft support services. The Agency is also asking the Board to find that the Contract is not subject to the California Environmental Quality Act.

Notes:		
¹ HRMS/PDI = PeopleSoft Human Resources Management System/PeopleSoft Directory Interface		
² The HRMS/PDI support services will be added beginning in Year 2.		
³ HCM/FSCM = PeopleSoft Human Capital Management/Financial and Supply Chain Management		
⁴ LACDA indicates that the comparable amounts for the previous Contract (FY 2014-2019) were \$919,430.14. The new Contract (FY 2019-2024) is 6 percent higher. As these support contracts typically increase in cost year over year, a net increase of 6 percent is a reasonable increase between the expiring and proposed contracts.		
RISKS:		
1. Term of the Contract – The 5-year term of the Contract is appropriate given LACDA’s use of PeopleSoft as its strategic ERP platform, and the Agency has no current plans to change to a different platform. LACDA contemplated annually renewing the support services in this Contract, however OCIO recommended that the Agency consider a multi-year contract to

avoid the administrative overhead of having to renew the term each year. The services are invoiced a year at a time. The Contract contains provisions for non-appropriation of funds, for budget reductions, and for Termination for Convenience, reducing the risk of a long term contract in the event of a change in strategic direction or funding decreases.

2. **Information Security Review** – The Contract was reviewed by LACDA's Information Security Officer and a County Deputy Information Security Officer. They assessed that these services are low risk, especially since the processing is done locally at LACDA's data center. No information security concerns were raised.

The Contractor, its employees and subcontractors acknowledge and certify receipt and understanding of the CPOE. Failure of the Contractor, its employees or its subcontractors to uphold the LACDA's expectations of a workplace free from harassment and discrimination, including

inappropriate conduct based on a protected characteristic, may subject the Contractor to termination of the Contract as well as civil liability.

8.8 Compliance with County's Zero Tolerance Policy on Human Trafficking

8.8.1 Contractor acknowledges that the LACDA has established a Zero Tolerance Policy on Human Trafficking prohibiting contractors from engaging in human trafficking.

8.8.2 If a Contractor or member of Contractor's staff is convicted of a human trafficking offense, the LACDA shall require that the Contractor or member of Contractor's staff be removed immediately from performing services under the Contract. LACDA will not be under any obligation to disclose confidential information regarding the offenses other than those required by law.

8.8.3 Disqualification of any member of Contractor's staff pursuant to this paragraph shall not relieve Contractor of its obligation to complete all work in accordance with the terms and conditions of this Contract.

8.9 Compliance with Fair Chance Employment Practices

Contractor shall comply with fair chance employment hiring practices set forth in California Government Code Section 12952, Employment Discrimination: Conviction History. Contractor's violation of this paragraph of the Contract may constitute a material breach of the Contract. In the event of such material breach, LACDA may, in its sole discretion, terminate the Contract.

8.10 Compliance with Jury Service Program

8.10.1 Jury Service Program

This Contract is subject to the provisions of the County ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code, a copy of which is attached as Exhibit H and incorporated by reference into and made a part of this Contract.

8.10.2 Written Employee Jury Service Policy

1. Unless the Contractor has demonstrated to the LACDA's satisfaction either that the Contractor is not a "Contractor" as

defined under the Jury Service Program (Section 2.203.020 of the County Code) or that the Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), the Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.

2. For purposes of this sub-paragraph, "Contractor" means a person, partnership, corporation or other entity which has a contract with the LACDA or a subcontract with a Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more LACDA contracts or subcontracts. "Employee" means any California resident who is a full-time employee of the Contractor. "Full-time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the LACDA, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If the Contractor uses any Subcontractor to perform services for the LACDA under the Contract, the Subcontractor shall also be subject to the provisions of this sub-paragraph. The provisions of this sub-paragraph shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the subcontract agreement.
3. If the Contractor is not required to comply with the Jury Service Program when the Contract commences, the Contractor shall have a

continuing obligation to review the applicability of its “exception status” from the Jury Service Program, and the Contractor shall immediately notify the LACDA if the Contractor at any time either comes within the Jury Service Program’s definition of “Contractor” or if the Contractor no longer qualifies for an exception to the Jury Service Program. In either event, the Contractor shall immediately implement a written policy consistent with the Jury Service Program. The LACDA may also require, at any time during the Contract and at its sole discretion, that the Contractor demonstrate to the LACDA’s satisfaction that the Contractor either continues to remain outside of the Jury Service Program’s definition of “Contractor” and/or that the Contractor continues to qualify for an exception to the Jury Service Program.

4. Contractor’s violation of this sub-paragraph of the Contract may constitute a material breach of the Contract. In the event of such material breach, LACDA may, in its sole discretion, terminate the Contract and/or bar the Contractor from the award of future LACDA contracts for a period of time consistent with the seriousness of the breach.

8.11 Conflict of Interest

8.11.1 No LACDA employee whose position with the LACDA enables such employee to influence the award of this Contract or any competing Contract, and no spouse or economic dependent of such employee, shall be employed in any capacity by the Contractor or have any other direct or indirect financial interest in this Contract. No officer or employee of the Contractor who may financially benefit from the performance of work hereunder shall in any way participate in the LACDA’s approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence the LACDA’s approval or ongoing evaluation of such work.

8.11.2 The Contractor shall comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of

this Contract. The Contractor warrants that it is not now aware of any facts that create a conflict of interest. If the Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it shall immediately make full written disclosure of such facts to the LACDA. Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this subparagraph shall be a material breach of this Contract.

8.12 Consideration of Hiring LACDA Employees Targeted for Layoff or Re-Employment List

Should the Contractor require additional or replacement personnel after the effective date of this Contract to perform the services set forth herein, the Contractor shall give first consideration for such employment openings to qualified, permanent LACDA or County employees who are targeted for layoff or qualified, former LACDA or County employees who are on a re-employment list during the life of this Contract.

8.13 Consideration of Hiring GAIN-GROW Participants

8.13.1 Should the Contractor require additional or replacement personnel after the effective date of this Contract, the Contractor shall give consideration for any such employment openings to participants in the County's Department of Public Social Services ("DPSS") Greater Avenues for Independence ("GAIN") Program or General Relief Opportunity for Work ("GROW") Program who meet the Contractor's minimum qualifications for the open position. For this purpose, consideration shall mean that the Contractor will interview qualified candidates. The LACDA will refer GAIN/GROW participants by job category to the Contractor. Contractors shall report all job openings with job requirements to: GAINGROW@DPSS.LACOUNTY.GOV and BSERVICES@WDACS.LACOUNTY.GOV and DPSS will refer qualified GAIN/GROW job candidates.

8.13.2 In the event that both laid-off LACDA and County employees and GAIN/GROW participants are available for hiring, LACDA and County employees shall be given first priority.

8.14 Contractor's Acknowledgement of LACDA's Commitment to the Safely Surrendered Baby Law

8.14.1 The Contractor acknowledges that the LACDA places a high priority on the implementation of the Safely Surrendered Baby Law. The contractor understands that it is the LACDA's policy to encourage all LACDA contractors to voluntarily post the County's "Safely Surrendered Baby Law" poster, in Exhibit I, in a prominent position at the contractor's place of business. The Contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor's place of business. Information and posters for printing are available at www.babysafela.org.

8.14.2 Notice to Employees Regarding the Safely Surrendered Baby Law

The Contractor shall notify and provide to its employees, and shall require each subcontractor to notify and provide to its employees, information regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The information is set forth in Exhibit I, Safely Surrendered Baby Law of this Contract. Additional information is available at www.babysafela.org.

8.15 Contractor Responsibility and Debarment

8.15.1 Responsible Contractor

A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the LACDA's policy to conduct business only with responsible Contractors.

8.15.2 Chapter 2.202 of the County Code

The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the LACDA acquires information concerning the performance of the Contractor on this or other contracts which indicates that

the Contractor is not responsible, the LACDA may, in addition to other remedies provided in the Contract, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on LACDA contracts for a specified period of time, which generally will not exceed five years but may exceed five years or be permanent if warranted by the circumstances, and terminate any or all existing Contracts the Contractor may have with the LACDA.

8.15.3 Non-Responsible Contractor

The LACDA may debar a Contractor if the Board finds, in its discretion, that the Contractor has done any of the following: (1) violated a term of a contract with the LACDA or a nonprofit corporation created by the LACDA, (2) committed an act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a contract with the LACDA, any other public entity, or a nonprofit corporation created by the LACDA, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the LACDA or any other public entity.

8.15.4 Contractor Hearing Board

1. If there is evidence that the Contractor may be subject to debarment, the LACDA will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.
2. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the

debarment. The Contractor and the LACDA shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board.

3. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board shall be presented to the Board. The Board shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.
4. If a Contractor has been debarred for a period longer than five (5) years, that Contractor may after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The LACDA may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the LACDA.
5. The Contractor Hearing Board will consider a request for review of a debarment determination only where (1) the Contractor has been debarred for a period longer than five (5) years; (2) the debarment has been in effect for at least five (5) years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This

hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

6. The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Commissioners. The Board of Commissioners shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

8.15.5 Subcontractors of Contractor

These terms shall also apply to Subcontractors of LACDA Contractors.

8.16 Contractor's Warranty of Adherence to LACDA's Child Support Compliance Program

- 8.16.1 The Contractor acknowledges that the LACDA has established a goal of ensuring that all individuals who benefit financially from the LACDA through Contract are in compliance with their court-ordered child, family and spousal support obligations in order to mitigate the economic burden otherwise imposed upon the LACDA and its taxpayers.
- 8.16.2 As required by the County's Child Support Compliance Program (County Code Chapter 2.200) and without limiting the Contractor's duty under this Contract to comply with all applicable provisions of law, the Contractor warrants that it is now in compliance and shall during the term of this Contract maintain in compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and shall implement all lawfully served Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child, Family or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

8.17 Counterparts and Electronic Signatures

This Contract may be executed in two or more counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same Contract. The facsimile, email or other electronically delivered signature of the Parties shall be deemed to constitute original signatures, and facsimile or electronic copies hereof shall be deemed to constitute duplicate originals.

8.18 Intentionally Omitted

8.19 Employment Eligibility Verification

8.19.1 The Contractor warrants that it fully complies with all Federal and State statutes and regulations regarding the employment of aliens and others and that all its employees performing work under this Contract meet the citizenship or alien status requirements set forth in Federal and State statutes and regulations. The Contractor shall obtain, from all employees performing work hereunder, all verification and other documentation of employment eligibility status required by Federal and State statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986, (P.L. 99-603), or as they currently exist and as they may be hereafter amended. The Contractor shall retain all such documentation for all covered employees for the period prescribed by law.

8.19.2 The Contractor shall indemnify, defend, and hold harmless, the LACDA, its agents, officers, and employees from employer sanctions and any other liability which may be assessed against the Contractor or the LACDA or both in connection with any alleged violation of any Federal or State statutes or regulations pertaining to the eligibility for employment of any persons performing work under this Contract.

8.20 Executive Order 11246 and 11375, Equal Opportunity in Employment

8.20.1 The Contractor shall comply with Executive Order 11246 and 11375, Equal Opportunity in Employment, which requires that during the performance of this Contract, the Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex or national origin. The Contractor will take affirmative action to ensure that applicants

are employed, and that employees are treated fairly during employment, without regard to their race, color, religion, sex or national origin. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of the non-discrimination clause.

- 8.20.2 The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex or national origin.
- 8.20.3 The Contractor will send to each labor union or representative of workers with which he has a collective bargaining Contract or other contract or understanding, a notice to be provided by the agency of the Contractor's commitments under Section 202 of Executive Order No. 11246 of September 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment. The Contractor will comply with all provisions of Executive Order No. 11246 of September 24, 1965, and of the rules, regulations and relevant orders of the Secretary of Labor.
- 8.20.4 The Contractor will furnish all information and reports required by the Executive Order and by the rules, regulations and orders of the Secretary of Labor, or pursuant thereto, and will permit access to its books, records, and accounts by the LACDA and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations and orders.
- 8.20.5 In the event of Contractor's noncompliance with the non-discrimination clauses of this Contract or with any of such rules, regulations or orders, this Contract may be canceled, terminated or suspended in whole or in part and

the Contractor may be declared ineligible for further Government contracts in accordance with procedures authorized in the Executive Orders and such other sanctions may be imposed and remedies invoked as provided in the Executive Order or by rule, regulation or order of the Secretary of Labor, or as otherwise provided by law.

8.20.6 The Contractor will include the provisions of these paragraphs in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to Section 204 of the Executive Order No. 11246 of September 24, 1965, that such provisions will be binding upon each subcontractor or vendor. The Contractor will take such actions with respect to any subcontract or purchase order as the LACDA may direct as a means of enforcing such provisions including sanctions for noncompliance, provided however, that in the event the Contractor becomes involved in, or is threatened with litigation by a subcontractor or vendor as a result of such direction by the LACDA, the Contractor may request the United States to enter into such litigation to protect the interests of the United States.

8.21 Facsimile Representations

8.21.1 The LACDA and the Contractor hereby agree to regard facsimile representations of original signatures of authorized officers of each Party, when appearing in appropriate places on the Amendments prepared pursuant to paragraph 8.1, and received via communications facilities, as legally sufficient evidence that such original signatures have been affixed to Amendments to this Contract, such that the Parties need not follow up facsimile transmissions of such documents with subsequent (non-facsimile) transmission of “original” versions of such documents.

8.22 Fair Labor Standards

8.22.1 The Contractor shall comply with all applicable provisions of the Federal Fair Labor Standards Act and shall indemnify, defend, and hold harmless the LACDA and its agents, officers, and employees from any and all liability, including, but not limited to, wages, overtime pay, liquidated

damages, penalties, court costs, and attorneys' fees arising under any wage and hour law, including, but not limited to, the Federal Fair Labor Standards Act, for work performed by the Contractor's employees for which the LACDA may be found jointly or solely liable.

8.23 Federal Lobbyist Requirements

8.23.1 The Contractor is prohibited by the Department of Interior and Related Agencies Appropriations Act, known as the Byrd Amendments, and HUD's 24 CFR Part 87, from using federally appropriated funds for the purpose of influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, loan or cooperative Contract, and any extension, continuation, renewal, amendment or modification of said documents.

8.23.2 The Contractor must certify in writing on the Federal Lobbyist Requirements Certification form that they are familiar with the Federal Lobbyist Requirements and that all persons and/or subcontractors acting on behalf of the Contractor will comply with the Lobbyist Requirements.

8.23.3 Failure on the part of the Contractor or persons/subcontractors acting on behalf of the Contractor to fully comply with the Federal Lobbyist Requirements may be subject to civil penalties.

8.24 Intentionally Omitted

8.25 Governing Law, Jurisdiction, and Venue

8.25.1 This Contract shall be governed by, and construed in accordance with, the laws of the State of California. The Contractor agrees and consents to the exclusive jurisdiction of the courts of the State of California for all purposes regarding this Contract and further and consents that venue of any action brought hereunder shall be exclusively in the County of Los Angeles.

8.26 Indemnification

The Contractor shall indemnify, defend and hold harmless the LACDA, County, and its Special Districts, elected and appointed officers, employees, agents and

volunteers (“LACDA Indemnitees”) from and against any and all liability, including but not limited to demands, claims, actions, fees, costs and expenses (including attorney and expert witness fees), arising from and/or relating to this Contract, except for such loss or damage arising from the sole negligence or willful misconduct of the LACDA Indemnitees.

8.27 Independent Contractor Status

8.27.1 This Contract is by and between the LACDA and the Contractor and is not intended, and shall not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or association, as between the LACDA and the Contractor. The employees and agents of one party shall not be, or be construed to be, the employees or agents of the other party for any purpose whatsoever.

8.27.2 The Contractor shall be solely liable and responsible for providing to, or on behalf of, all persons performing work pursuant to this Contract all compensation and benefits. The LACDA shall have no liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability benefits, Federal, State, or local taxes, or other compensation, benefits, or taxes for any personnel provided by or on behalf of the Contractor.

8.27.3 The Contractor understands and agrees that all persons performing work pursuant to this Contract are, for purposes of Workers' Compensation liability, solely employees of the Contractor and not employees of the LACDA. The Contractor shall be solely liable and responsible for furnishing any and all Workers' Compensation benefits to any person as a result of any injuries arising from or connected with any work performed by or on behalf of the Contractor pursuant to this Contract.

8.27.4 The Contractor shall adhere to the provisions stated in sub-paragraph 7.5 - Confidentiality.

8.28 Intentionally Omitted

8.29 Most Favored Public Entity

If the Contractor's prices decline, or should the Contractor at any time during the term of this Contract provide the same goods or services under similar quantity and delivery conditions to the State of California or any county, municipality, or district of the State at prices below those set forth in this Contract, then such lower prices shall be immediately extended to the LACDA.

8.30 Nondiscrimination and Affirmative Action

8.30.1 The Contractor certifies and agrees that all persons employed by it, its affiliates, subsidiaries, or holding companies are and shall be treated equally without regard to or because of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable Federal and State anti-discrimination laws and regulations.

8.30.2 The Contractor shall certify to, and comply with, the provisions of Exhibit D - Contractor's EEO Certification.

8.30.3 The Contractor shall take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable Federal and State anti-discrimination laws and regulations. Such action shall include, but is not limited to: employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

marital status, or political affiliation, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract.

8.30.6 The Contractor shall allow LACDA representatives access to the Contractor's employment records during regular business hours to verify compliance with the provisions of Paragraph 8.30 when so requested by the LACDA.

8.30.7 If the LACDA finds that any provisions of this Paragraph 8.30 have been violated, such violation shall constitute a material breach of this Contract upon which the LACDA may terminate or suspend this Contract. While the LACDA reserves the right to determine independently that the anti-discrimination provisions of this Contract have been violated, in addition, a determination by the California Fair Employment and Housing Commission or the Federal Equal Employment Opportunity Commission that the Contractor has violated Federal or State anti-discrimination laws or regulations shall constitute a finding by the LACDA that the Contractor has violated the anti-discrimination provisions of this Contract.

8.30.8 The Parties agree that in the event the Contractor violates any of the anti-discrimination provisions of this Contract, the LACDA shall, at its sole option, be entitled to the sum of Five Hundred Dollars (\$500) for each such violation pursuant to California Civil Code Section 1671 as liquidated damages in lieu of terminating or suspending this Contract.

8.31 Non Exclusivity

Nothing herein is intended nor shall be construed as creating any exclusive arrangement with the Contractor. This Contract shall not restrict LACDA and its divisions from acquiring similar, equal or like goods and/or services from other entities or sources.

8.32 Notice of Delays

Except as otherwise provided under this Contract, when either party has knowledge that any actual or potential situation is delaying or threatens to delay the timely

performance of this Contract, that party shall, within one (1) business day, give notice thereof, including all relevant information with respect thereto, to the other party.

8.33 Notice of Disputes

The Contractor shall bring to the attention of the LACDA's Project Manager any dispute between the LACDA and the Contractor regarding the performance of services as stated in this Contract. If the LACDA's Project Manager is not able to resolve the dispute, the Division Director, or designee shall resolve it.

8.34 Notice to Employees Regarding the Federal Earned Income Credit

The Contractor shall notify its employees, and shall require each Subcontractor to notify its employees, that they may be eligible for the Federal Earned Income Credit under the federal income tax laws. Such notice shall be provided in accordance with the requirements set forth in Internal Revenue Service Notice No. 1015.

8.35 Notices

All notices or demands required or permitted to be given or made under this Contract shall be in writing and shall be hand delivered with signed receipt or mailed by first class registered or certified mail, postage prepaid, addressed to the parties as identified in Exhibits E - LACDA's Administration and F - Contractor's Administration. Addresses may be changed by either party giving ten (10) days' prior written notice thereof to the other party. The (Division Director, or his/her designee) shall have the authority to issue all notices or demands required or permitted by the LACDA under this Contract.

8.36 Prohibition Against Inducement or Persuasion

Notwithstanding the above, the Contractor and the LACDA agree that, during the term of this Contract and for a period of one year thereafter, neither party shall in any way intentionally induce or persuade any employee of one party to become an employee or agent of the other party. No bar exists against any hiring action initiated through a public announcement.

8.37 Public Records Act

8.37.1 Any documents submitted by the Contractor; all information obtained in connection with the LACDA's right to audit and inspect the Contractor's

documents, books, and accounting records pursuant Section 8.40 - Record Retention and Inspection/Audit Settlement of this Contract; as well as those documents which were required to be submitted in response to the solicitation used for this Contract, become the exclusive property of the LACDA. All such documents become a matter of public record and shall be regarded as public records. Exceptions will be those elements in the California Government Code Section 6250 et seq. (Public Records Act) and which are marked “trade secret”, “confidential”, or “proprietary”. The LACDA shall not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.

8.37.2 In the event the LACDA is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a bid marked “trade secret”, “confidential”, or “proprietary”, the Contractor agrees to defend and indemnify the LACDA from all costs and expenses, including reasonable attorney’s fees, in action or liability arising under the Public Records Act.

8.38 Publicity

8.38.1 The Contractor shall not disclose any details in connection with this Contract to any person or entity except as may be otherwise provided hereunder or required by law. However, in recognizing the Contractor’s need to identify its services and related clients to sustain itself, the LACDA shall not inhibit the Contractor from publishing its role under this Contract within the following conditions:

1. The Contractor shall develop all publicity material in a professional manner; and
2. During the term of this Contract, the Contractor shall not, and shall not authorize another to, publish or disseminate any commercial advertisements, press releases, feature articles, or other materials using the name of the LACDA without the prior written consent of

the LACDA's Project Manager. The LACDA shall not unreasonably withhold written consent.

8.38.2 The Contractor may, without the prior written consent of LACDA, indicate in its bids and sales materials that it has been awarded this Contract with the LACDA, provided that the requirements of this Section 8.38 shall apply.

8.39 Quality Assurance Plan

8.39.1 The LACDA or its agent(s) will monitor the Contractor's performance under this Contract on not less than an annual basis. Such monitoring will include assessing the Contractor's compliance with all Contract terms and conditions and performance standards. Contractor deficiencies which the LACDA determines are significant or continuing and that may place performance of the Contract in jeopardy if not corrected will be reported to the Board and listed in the appropriate LACDA reports. The report to the Board will include improvement/corrective action measures taken by the LACDA and the Contractor. If improvement does not occur consistent with the corrective action measures, the LACDA may terminate this Contract or impose other penalties as specified in this Contract.

8.39.2 A performance review will be conducted no later than ninety (90) days prior to the end of the first and second years of this Contract to evaluate the performance of the Contractor. Based on the assessment of the performance review, as determined by the LACDA in its sole discretion, written notification will be given to the Contractor whether this Contract will be terminated at the end of the current year or will be continued into the next contract year.

8.40 Record Retention and Inspection/Audit Settlement

The Contractor shall maintain accurate and complete financial records of its activities and operations relating to this Contract in accordance with generally accepted accounting principles. The Contractor shall also maintain accurate and complete employment and other records relating to its performance of this Contract. The Contractor agrees that the LACDA, or its authorized representatives, shall have access to and the right to examine, audit, excerpt, copy, or transcribe any pertinent

transaction, activity, or record relating to this Contract. All such material, including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, and proprietary data and information, shall be kept and maintained by the Contractor and shall be made available to the LACDA during the term of this Contract and for a period of five (5) years thereafter unless the LACDA's written permission is given to dispose of any such material prior to such time. All such material shall be maintained by the Contractor at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then, at the LACDA's option, the Contractor shall pay the LACDA for travel, per diem, and other costs incurred by the LACDA to examine, audit, excerpt, copy, or transcribe such material at such other location.

8.40.1 In the event that an audit of the Contractor is conducted specifically regarding this Contract by any Federal or State auditor, or by any auditor or accountant employed by the Contractor or otherwise, then the Contractor shall file a copy of such audit report with the LACDA within thirty (30) days of the Contractor's receipt thereof, unless otherwise provided by applicable Federal or State law or under this Contract. Subject to applicable law, the LACDA shall make a reasonable effort to maintain the confidentiality of such audit report(s).

8.40.2 Failure on the part of the Contractor to comply with any of the provisions of this Section 8.40 shall constitute a material breach of this Contract upon which the LACDA may terminate or suspend this Contract.

8.40.3 If, at any time during the term of this Contract or within five (5) years after the expiration or termination of this Contract, representatives of the LACDA conduct an audit of the Contractor regarding the work performed under this Contract, and if such audit finds that the LACDA's dollar liability for any such work is less than payments made by the LACDA to the Contractor, then the difference shall be either: a) repaid by the Contractor to the LACDA by cash payment upon demand or b) at the sole option of the LACDA, deducted from any amounts due to the Contractor from the

LACDA, whether under this Contract or otherwise. If such audit finds that the LACDA's dollar liability for such work is more than the payments made by the LACDA to the Contractor, then the difference shall be paid to the Contractor by the LACDA by cash payment, provided that in no event shall the LACDA's maximum obligation for this Contract exceed the funds appropriated by the LACDA for the purpose of this Contract.

8.41 Recycled Bond Paper

Consistent with the Board's policy to reduce the amount of solid waste deposited at the County landfills, the Contractor agrees to use recycled-content paper to the maximum extent possible on this Contract.

8.42 Intentionally Omitted

8.43 Subcontracting

8.43.1 The requirements of this Contract may not be subcontracted by the Contractor without the advance approval of the LACDA. Any attempt by the Contractor to subcontract without the prior consent of the LACDA may be deemed a material breach of this Contract.

8.43.2 If the Contractor desires to subcontract, the Contractor shall provide the following information promptly at the LACDA's request:

1. A description of the work to be performed by the Subcontractor;
2. A draft copy of the proposed subcontract; and
3. Other pertinent information and/or certifications requested by the LACDA.

8.43.3 The Contractor shall indemnify and hold the LACDA harmless with respect to the activities of each and every Subcontractor in the same manner and to the same degree as if such Subcontractor(s) were the Contractor employees.

8.43.4 The Contractor shall remain fully responsible for all performances required of it under this Contract, including those that the Contractor has determined to subcontract, notwithstanding the LACDA's approval of the Contractor's proposed subcontract.

8.43.5 The LACDA's consent to subcontract shall not waive the LACDA's right to prior and continuing approval of any and all personnel, including

Subcontractor employees, providing services under this Contract. The Contractor is responsible to notify its Subcontractors of this LACDA right.

8.43.6 The LACDA's Project Manager is authorized to act for and on behalf of the LACDA with respect to approval of any subcontract and Subcontractor employees. After approval of the subcontract by the LACDA, Contractor shall forward a fully executed subcontract to the LACDA for their files.

8.43.7 The Contractor shall be solely liable and responsible for all payments or other compensation to all Subcontractors and their officers, employees, agents, and successors in interest arising through services performed hereunder, notwithstanding the LACDA's consent to subcontract.

8.43.8 The Contractor shall obtain certificates of insurance, which establish that the Subcontractor maintains all the programs of insurance required by the LACDA from each approved Subcontractor. The Contractor shall ensure delivery of all such documents to the individual identified in Paragraph 8.35 (Notices) before any Subcontractor employee may perform any work hereunder.

8.44 Time Off For Voting

The Contractor shall notify its employees, and shall require each subcontractor to notify and provide to its employees, information regarding the time off for voting law (Elections Code Section 14000). Not less than 10 days before every statewide election, every Contractor and subcontractors shall keep posted conspicuously at the place of work, if practicable, or elsewhere where it can be seen as employees come or go to their place of work, a notice setting forth the provisions of Elections Code Section 14000.

8.45 Validity

If any provision of this Contract or the application thereof to any person or circumstance is held invalid, the remainder of this Contract and the application of such provision to other persons or circumstances shall not be affected thereby.

8.46 Waiver

No waiver by the LACDA of any breach of any provision of this Contract shall constitute a waiver of any other breach or of such provision. Failure of the LACDA

to enforce at any time, or from time to time, any provision of this Contract shall not be construed as a waiver thereof. The rights and remedies set forth in this Paragraph 8.40 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.47 Warranty Against Contingent Fees

8.47.1 The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon any Contract or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business.

8.47.2 For breach of this warranty, the LACDA shall have the right to terminate this Contract and, at its sole discretion, deduct from the Contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

8.48 Warranty of Compliance with County's Defaulted Property Tax Reduction Program

8.48.1 Contractor acknowledges that LACDA has established a goal of ensuring that all individuals and businesses that benefit financially from LACDA through contract are current in paying their property tax obligations (secured and unsecured roll) in order to mitigate the economic burden otherwise imposed upon LACDA and its taxpayers.

8.48.2 Unless Contractor qualifies for an exemption or exclusion, Contractor warrants and certifies that to the best of its knowledge it is now in compliance, and during the term of this Contract will maintain compliance, with Los Angeles County Code Chapter 2.206.

8.49 Termination for Breach of Warranty to Maintain Compliance with County's Defaulted Property Tax Reduction Program

Failure of Contractor to maintain compliance with the requirements set forth in Paragraph 8.48 "Warranty of Compliance with County's Defaulted Property Tax Reduction Program" shall constitute default under this contract. Without limiting

the rights and remedies available to LACDA under any other provision of this contract, failure of Contractor to cure such default within 10 days of notice shall be grounds upon which LACDA may terminate this Contract and/or pursue debarment of Contractor, pursuant to County Code Chapter 2.206.

9.0 INSURANCE

Without limiting Contractor's indemnification of LACDA Indemnitees, and in the performance of this Contract and until all of its obligations pursuant to this Contract have been met, Contractor shall provide and maintain at its own expense insurance coverage satisfying the requirements specified in Section 9 this Contract. These minimum insurance coverage terms, types and limits (the "Required Insurance") also are in addition to and separate from any other contractual obligation imposed upon Contractor pursuant to this Contract. The LACDA in no way warrants that the Required Insurance is sufficient to protect the Contractor for liabilities which may arise from or relate to this Contract.

9.1 Insurance Coverage

9.1.1 **Commercial General Liability Insurance** (providing scope of coverage equivalent to ISO policy form CG 00 01), naming The LACDA, its Special Districts, Elected Officials, Officers, Agents, Employees and Volunteers (collectively "LACDA and its Agents") as an additional insured, with limits of not less than:

- 9.2.2 Renewal Certificates shall be provided to LACDA not less than ten (10) days prior to Contractor's policy expiration dates. The LACDA reserves the right to obtain complete, certified copies of any required Contractor and/or Sub-Contractor insurance policies at any time.
- 9.2.3 Certificates shall identify all Required Insurance coverage types and limits specified herein, reference this Contract by name or number, and be signed by an authorized representative of the insurer(s). The Insured party named on the Certificate shall match the name of the Contractor identified as the contracting party in this Contract.
- 9.2.4 Certificates shall provide the full name of each insurer providing coverage, its National Association of Insurance Commissioners ("NAIC") identification number, its financial rating, the amounts of any policy deductibles or self-insured retentions exceeding fifty thousand (\$50,000.00) dollars, and list any LACDA required endorsement forms.
- 9.2.5 Neither the LACDA's failure to obtain, nor the LACDA's receipt of, or failure to object to a non-complying Certificate or endorsement, or any other insurance documentation or information provided by the Contractor, its insurance broker(s) and/or insurer(s), shall be construed as a waiver of any of the Required Insurance provisions.
- 9.2.6 Certificates and copies of any required endorsements shall be sent to:
Los Angeles County Development Authority
Administrative Services Division/Information Technology Unit
700 W. Main Street, Alhambra, CA 91801
Attention: Maryann Robles, Information Technology Analyst

9.3 Notices of Injury or Damage or Destruction

Contractor also shall promptly report to LACDA any injury or property damage accident or incident, including any injury to a Contractor employee occurring on LACDA property, and any loss, disappearance, destruction, misuse, or theft of LACDA property, monies or securities entrusted to Contractor. Contractor also shall promptly notify LACDA of any third party claim or suit filed against Contractor or any of its sub-contractors which arises from or relates to this Contract,

and could result in the filing of a claim or lawsuit against Contractor and/or LACDA.

9.4 Additional Insured Status and Scope of Coverage

The LACDA and its Agents shall be provided additional insured status under Contractor's General Liability policy with respect to liability arising out of Contractor's ongoing and completed operations performed on behalf of the LACDA. LACDA and its Agents additional insured status shall apply with respect to liability and defense of suits arising out of the Contractor's acts or omissions, whether such liability is attributable to the Contractor or to the LACDA. The full policy limits and scope of protection also shall apply to the LACDA and its Agents as an additional insured, even if they exceed the LACDA's minimum Required Insurance specifications herein. Use of an automatic additional insured endorsement form is acceptable providing it satisfies the Required Insurance provisions herein.

9.5 Cancellation of or Change to Maintain Insurance

Contractor shall provide LACDA with, or Contractor's insurance policies shall contain a provision that LACDA shall receive, written notice of cancellation or any change in Required Insurance, including insurer, limits of coverage, term of coverage or policy period. The written notice shall be provided to LACDA at least ten (10) days in advance of cancellation for non-payment of premium and thirty (30) days in advance for any other cancellation or policy change. Failure to provide written notice of cancellation or any change in Required Insurance may constitute a material breach of the Contract, in the sole discretion of the LACDA, upon which the LACDA may suspend or terminate this Contract.

9.6 Failure to Maintain Insurance

Contractor's failure to maintain or to provide acceptable evidence that it maintains the Required Insurance shall constitute a material breach of the Contract, upon which LACDA immediately may withhold payments due to Contractor, and/or suspend or terminate this Contract. LACDA, at its sole discretion, may obtain damages from Contractor resulting from said breach. Alternatively, the LACDA may purchase the Required Insurance, and without further notice to Contractor,

deduct the premium cost from sums due to Contractor or pursue Contractor reimbursement.

9.7 Contractor's Insurance Shall Be Primary

Contractor's insurance policies, with respect to any claims related to this Contract, shall be primary with respect to all other sources of coverage available to Contractor. Any LACDA maintained insurance or self-insurance coverage shall be in excess of and not contribute to any Contractor coverage.

9.8 Insurance Specifics

9.8.1 Waivers of Subrogation

To the fullest extent permitted by law, the Contractor hereby waives its rights and its insurer(s)' rights of recovery against LACDA under all the Required Insurance for any loss arising from or relating to this Contract. The Contractor shall require its insurers to execute any waiver of subrogation endorsements which may be necessary to effect such waiver.

9.8.2 Sub-Contractor Insurance Coverage Requirements

Contractor shall include all Sub-Contractors as insureds under Contractor's own policies, or shall provide LACDA with each Sub-Contractor's separate evidence of insurance coverage. Contractor shall be responsible for verifying each Sub-Contractor complies with the Required Insurance provisions herein, and shall require that each Sub-Contractor name the LACDA and Contractor as additional insureds on the Sub-Contractor's General Liability policy. Contractor shall obtain LACDA's prior review and approval of any Sub-Contractor request for modification of the Required Insurance.

9.8.3 Deductibles and Self-Insured Retentions (SIRs)

Contractor's policies shall not obligate the LACDA to pay any portion of any Contractor deductible or SIR. The LACDA retains the right to require Contractor to reduce or eliminate policy deductibles and SIRs as respects the LACDA, or to provide a bond guaranteeing Contractor's payment of all deductibles and SIRs, including all related claims investigation,

administration and defense expenses. Such bond shall be executed by a corporate surety licensed to transact business in the State of California.

9.8.4 Claims Made Coverage

If any part of the Required Insurance is written on a claims made basis, any policy retroactive date shall precede the effective date of this Contract. Contractor understands and agrees it shall maintain such coverage for a period of not less than three (3) years following Contract expiration, termination or cancellation.

9.8.5 Application of Excess Liability Coverage

Contractors may use a combination of primary, and excess insurance policies which provide coverage as broad as (“follow form” over) the underlying primary policies, to satisfy the Required Insurance provisions.

9.8.6 Separation of Insureds

All liability policies shall provide cross-liability coverage as would be afforded by the standard ISO (Insurance Services Office, Inc.) separation of insureds provision with no insured versus insured exclusions or limitations.

9.8.7 Alternative Risk Financing Programs

The LACDA reserves the right to review, and then approve, Contractor use of self-insurance, risk retention groups, risk purchasing groups, pooling arrangements and captive insurance to satisfy the Required Insurance provisions. The LACDA and its Agents shall be designated as an Additional Covered Party under any approved program.

9.9 LACDA Review and Approval of Insurance Requirements

The LACDA reserves the right to review and adjust the Required Insurance provisions, conditioned upon LACDA’s determination of changes in risk exposures.

10.0 TERMINATION

10.1 Termination for Convenience

10.1.1 This Contract may be terminated, in whole or in part, from time to time, when such action is deemed by the LACDA, in its sole discretion, to be in its best interest. Termination of work hereunder shall be effected by

notice of termination to the Contractor specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective shall be no less than ten (10) days after the notice is sent.

1. After receipt of a notice of termination and except as otherwise directed by the LACDA, the Contractor shall:
2. Stop work under this Contract on the date and to the extent specified in such notice, and
3. Complete performance of such part of the work as shall not have been terminated by such notice.

10.1.2 All material including books, records, documents, or other evidence bearing on the costs and expenses of the Contractor under this Contract shall be maintained by the Contractor in accordance with Paragraph 8.____, Record Retention and Inspection/Audit Settlement.

10.2 Termination for Default

10.2.1 The LACDA may, by written notice to the Contractor, terminate the whole or any part of this Contract, if, in the judgment of LACDA's Project Manager:

1. Contractor has materially breached this Contract; or
2. Contractor fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required either under this Contract; or
3. Contractor fails to demonstrate a high probability of timely fulfillment of performance requirements under this Contract, or of any obligations of this Contract and in either case, fails to demonstrate convincing progress toward a cure within five (5) working days (or such longer period as the LACDA may authorize in writing) after receipt of written notice from the LACDA specifying such failure.

10.2.2 In the event that the LACDA terminates this Contract in whole or in part as provided in sub-paragraph 10.2.1, the LACDA may procure, upon such terms and in such manner as the LACDA may deem appropriate, goods and services similar to those so terminated. The Contractor shall be liable to the LACDA for any and all excess costs incurred by the LACDA, as determined by the LACDA, for such similar goods and services. The Contractor shall continue the performance of this Contract to the extent not terminated under the provisions of this sub-paragraph.

10.2.3 Except with respect to defaults of any Subcontractor, the Contractor shall not be liable for any such excess costs of the type identified in sub-paragraph 10.2.2 if its failure to perform this Contract arises out of causes beyond the control and without the fault or negligence of the Contractor. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the LACDA in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the Contractor. If the failure to perform is caused by the default of a Subcontractor, and if such default arises out of causes beyond the control of both the Contractor and Subcontractor, and without the fault or negligence of either of them, the Contractor shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the Subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule. As used in this sub-paragraph 10.2.3, the terms "Subcontractor" and "Subcontractors" mean Subcontractor(s) at any tier.

10.2.4 If, after the LACDA has given notice of termination under the provisions of this Paragraph 10.2, it is determined by the LACDA that the Contractor was not in default under the provisions of this Paragraph 10.2, or that the default was excusable under the provisions of sub-paragraph 10.2.3, the

rights and obligations of the Parties shall be the same as if the notice of termination had been issued pursuant to Paragraph 10.1 - Termination for Convenience.

10.2.5 The rights and remedies of the LACDA provided in this Paragraph 10.2 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

10.3 Termination for Improper Consideration

10.3.1 The LACDA may, by written notice to the Contractor, immediately terminate the right of the Contractor to proceed under this Contract if it is found that consideration, in any form, was offered or given by the Contractor, either directly or through an intermediary, to any LACDA officer, employee, or agent with the intent of securing this Contract or securing favorable treatment with respect to the award, amendment, or extension of this Contract or the making of any determinations with respect to the Contractor's performance pursuant to this Contract. In the event of such termination, the LACDA shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.

10.3.2 The Contractor shall immediately report any attempt by a LACDA officer or employee to solicit such improper consideration. The report shall be made either to the LACDA manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.

10.3.3 Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment, or tangible gifts.

10.4 Termination for Insolvency

10.4.1 The LACDA may terminate this Contract forthwith in the event of the occurrence of any of the following:

1. Insolvency of the Contractor. The Contractor shall be deemed to be insolvent if it has ceased to pay its debts for at least sixty (60) days in the ordinary course of business or cannot pay its debts as they

become due, whether or not a petition has been filed under the Federal Bankruptcy Code and whether or not the Contractor is insolvent within the meaning of the Federal Bankruptcy Code;

2. The filing of a voluntary or involuntary petition regarding the Contractor under the Federal Bankruptcy Code;
3. The appointment of a Receiver or Trustee for the Contractor; or
4. The execution by the Contractor of a general assignment for the benefit of creditors.

10.4.2 The rights and remedies of the LACDA provided in this Paragraph 10.4 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

10.5 Termination for Non-Adherence of County Lobbyist Ordinance

The Contractor, and each LACDA Lobbyist or LACDA Lobbying firm as defined in County Code Section 2.160.010 retained by the Contractor, shall fully comply with the County's Lobbyist Ordinance, County Code Chapter 2.160. Failure on the part of the Contractor or any LACDA Lobbyist or LACDA Lobbying firm retained by the Contractor to fully comply with the County's Lobbyist Ordinance shall constitute a material breach of this Contract, upon which the LACDA may in its sole discretion, immediately terminate or suspend this Contract.

10.6 Termination for Non-Appropriation of Funds

10.6.1 Notwithstanding any other provision of this Contract, the LACDA shall not be obligated for the Contractor's performance hereunder or by any provision of this Contract during any of the LACDA's future fiscal years unless and until the LACDA's Board appropriates funds for this LACDA in the LACDA's Budget for each such future fiscal year. In the event that funds are not appropriated for this Contract, then this Contract shall terminate as of June 30 of the last fiscal year for which funds were appropriated. The LACDA shall notify the Contractor in writing of any such non-allocation of funds at the earliest possible date.

11.0 UNIQUE TERMS AND CONDITIONS

11.1 Intentionally Omitted

11.2 Contractor's Charitable Activities Compliance

The Supervision of Trustees and Fundraisers for Charitable Purposes Act regulates entities receiving or raising charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. By requiring Contractors to complete the Charitable Contributions Certification, Exhibit L, the LACDA seeks to ensure that all LACDA contractors which receive or raise charitable contributions comply with California law in order to protect the LACDA and its taxpayers. A Contractor which receives or raises charitable contributions without complying with its obligations under California law commits a material breach subjecting it to either contract termination or debarment proceedings or both. (County Code Chapter 2.202)

11.3 Ownership of Materials, Software and Copyright

11.3.1 LACDA shall be the sole owner of all right, title and interest, in and to all plans, diagrams, facilities, and tools (hereafter "materials") which are originated or created through the Contractor's work pursuant to this Contract. The Contractor, for valuable consideration herein provided, shall execute all documents necessary to assign and transfer to, and vest in the LACDA all of the Contractor's right, title and interest in and to such original materials, including any copyright, patent and trade secret rights which arise pursuant to the Contractor's work under this Contract.

11.3.2 During the term of this Contract and for five (5) years thereafter, the Contractor shall maintain and provide security for all of the Contractor's working papers prepared under this Contract. LACDA shall have the right to inspect, copy and use at any time during and subsequent to the term of this Contract, any and all such working papers and all information contained therein.

11.3.3 Any and all materials, software and tools which are developed or were originally acquired by the Contractor outside the scope of this Contract, which the Contractor desires to use hereunder, and which the Contractor considers to be proprietary or confidential, must be specifically identified by the Contractor to the LACDA's Project Manager as proprietary or

confidential, and shall be plainly and prominently marked by the Contractor as "Proprietary" or "Confidential" on each appropriate page of any document containing such material.

11.3.4 The LACDA will use reasonable means to ensure that the Contractor's proprietary and/or confidential items are safeguarded and held in confidence. The LACDA agrees not to reproduce, distribute or disclose to non-LACDA or non-County entities any such proprietary and/or confidential items without the prior written consent of the Contractor.

11.3.5 Notwithstanding any other provision of this Contract, the LACDA will not be obligated to the Contractor in any way under Paragraph 11.3 for any of the Contractor's proprietary and/or confidential items which are not plainly and prominently marked with restrictive legends as required by subparagraph 11.3.3 or for any disclosure which the LACDA is required to make under any state or federal law or order of court.

11.3.6 All the rights and obligations of this Paragraph 11.3 shall survive the expiration or termination of this Contract.

11.4 Patent, Copyright and Trade Secret Indemnification

11.4.1 The Contractor shall indemnify, hold harmless and defend LACDA from and against any and all liability, damages, costs, and expenses, including, but not limited to, defense costs and attorneys' fees, for or by reason of any actual or alleged infringement of any third party's patent or copyright, or any actual or alleged unauthorized trade secret disclosure, arising from or related to the operation and utilization of the Contractor's work under this Contract. LACDA shall inform the Contractor as soon as practicable of any claim or action alleging such infringement or unauthorized disclosure, and shall support the Contractor's defense and settlement thereof.

11.4.2 In the event any equipment, part thereof, or software product becomes the subject of any complaint, claim, or proceeding alleging infringement or unauthorized disclosure, such that LACDA's continued use of such item is formally restrained, enjoined, or subjected to a risk of damages, the

Contractor, at its sole expense, and providing that LACDA's continued use of the system is not materially impeded, shall either:

1. Procure for LACDA all rights to continued use of the questioned equipment, part, or software product; or
2. Replace the questioned equipment, part, or software product with a non-questioned item; or
3. Modify the questioned equipment, part, or software so that it is free of claims.

11.4.3 The Contractor shall have no liability if the alleged infringement or unauthorized disclosure is based upon a use of the questioned product, either alone or in combination with other items not supplied by the Contractor, in a manner for which the questioned product was not designed nor intended.
