BOARD OF SUPERVISORS  
COUNTY OF LOS ANGELES

June 11, 2019

27 June 11, 2019

CELIA ZAVALA  
EXECUTIVE OFFICER

The Honorable Board of Supervisors  
County of Los Angeles  
383 Kenneth Hahn Hall of Administration  
500 West Temple Street  
Los Angeles, CA 90012

Dear Supervisors:

**APPROVAL TO EXTEND TWO LABORATORY COURIER SERVICES AGREEMENTS WITH HEALTH CARE LOGISTIC MANAGEMENT, INC.  
DBA ACCURATE COURIER SERVICES  
(ALL SUPERVISORIAL DISTRICTS)  
(3 VOTES)**

**SUBJECT**

Request approval to amend two Laboratory Courier Services Agreements with Health Care Logistic Management, Inc. dba Accurate Courier Services for Department of Health Services and Department of Public Health to extend the term of each Agreement for the continued provision of Laboratory Courier Services.

**IT IS RECOMMENDED THAT THE BOARD:**

1. Make a finding pursuant to Los Angeles County Code Section 2.121.420 that the continued provision of Laboratory Courier Services, as described herein, may continue to be performed more economically by an independent contractor.
2. Instruct the Chair to approve and execute Amendment No. 9 to Agreement Number 77653 for the Department of Health Services (DHS), with an estimated cost of \$809,152, and Amendment No. 9 to Agreement Number 77652 for the Department of Public Health (DPH), with an estimated cost of \$585,400, with Health Care

Logistic Management, Inc. dba Accurate Courier Services (Accurate) for the continued provision of Laboratory Courier Services, to extend the term of each Agreement for one (1) year until and through June 30, 2020, with an option to further extend the term on a month-to-month basis for up to six (6) months, to conduct a competitive solicitation.

3. Delegate authority to the Director of DHS and the Director of DPH, or their authorized designees, to (a) exercise the month-to-month extension options; (b) to amend the Agreements to add and/or change non-substantive terms and conditions, as well as terms and conditions required by your Board or the Chief Executive Office and/or to maintain compliance with applicable law; to add, delete or change DHS and DPH facilities and routes to meet critical patient care or departmental needs; and make necessary changes to the scope of services and pricing schedules, all subject to prior review and approval by County Counsel.

### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS**

Approval of the first recommendation is necessary to comply with Los Angeles County Code Section 2.121.420. Contracting under Proposition A (Prop A) requirements has been determined to be cost-effective for the provision of Laboratory Courier Services by the Departments in accordance with the Auditor-Controller guidelines. Attachment I provides the cost analysis.

Approval of the second recommendation will allow the Chair to execute the respective Amendments with Accurate under Exhibits I and II, substantially similar to the attached, for the continued provision of Laboratory Courier Services. Each department will continue to administer and monitor its respective Agreement.

Approval of the third recommendation will allow the Director of DHS and Director of DPH, or their authorized designees, to exercise the month-to-month extension options and to amend the Agreements to add and/or change non-substantive terms and conditions as well as those required by the Board or the Chief Executive Office or to maintain compliance with applicable laws, make permitted changes to the scope of services, the routine route services, and pricing schedules.

Laboratory Courier Services are essential to County facilities, which require the transport of laboratory specimens, reports and supplies (e.g., specimen containers, x-ray films, medical records, etc.) to and from designated sites. A responsible courier service is required to provide the timely pick-up and delivery of laboratory items, with the assurance that items are transported under the appropriate transport conditions, guaranteeing specimen integrity and the security and confidentiality of all documents, laboratory reports, and medical records. Each Agreement includes a price schedule for routine and for non-routine services for specimens to be picked up on specific days and times and on an as-needed basis at designated clinics, hospitals and other locations for transportation to designated County laboratories for test processing.

DHS recognizes the importance of timely solicitations, particularly for mission-critical services such as Laboratory Courier. Ideally, DHS would have completed a competitive solicitation and now would be recommending the award of a new contract instead of a request for a term extension. During the last several years, DHS Contracts and Grants has been tasked with completing an unusually high volume of new contracting projects, including those in support of the Board's Homeless Initiatives, and these workload demands coincided with a large number of staff vacancies in DHS Contracts and Grants. That unit has averaged a staff vacancy factor of approximately 15%, making managing the contracting workload extremely difficult. As a result, several solicitations, such as Laboratory Courier, have been delayed.

### **Implementation of Strategic Plan Goals**

The recommended actions support Strategy II.2 "Support the Wellness of Our Communities" and III.3 "Pursue Operational Effectiveness, Fiscal Responsibility, and Accountability" of the County's Strategic Plan.

### **FISCAL IMPACT/FINANCING**

The total estimated cost of services to be provided during the extended term of both current agreements from July 1, 2019 through June 30, 2020 is \$1,394,552, which includes DHS' estimated cost of \$809,152 (\$652,849 routine services + \$156,303 non-routine services) and DPH's estimated cost of \$585,400 (\$497,452 routine services + \$87,948 non-routine services).

Funding is included in DHS and DPH Fiscal Year 2019-20 Recommended Budgets and will be requested in future fiscal years, as necessary.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The Laboratory Courier Services Agreements are Proposition A Agreements and are subject to the requirements of the County's Living Wage Program (Los Angeles County Code Chapter 2.201). The contractor is in compliance with the Living Wage Program.

The County may terminate the Agreements for convenience upon ten (10) days prior written notice.

County Counsel has approved Exhibits I and II as to form.

### **CONTRACTING PROCESS**

This is a request to extend Agreements awarded as a result of a competitive solicitation to provide DHS with the additional time necessary to conduct another competitive solicitation and return to the Board with a recommendation for award.

**IMPACT ON CURRENT SERVICES (OR PROJECTS)**

There is no current program services or employee impact as a result of these amendments as services are currently contracted.

Approval of the recommendations will ensure the continued provisions of Laboratory Courier Services for DHS and DPH.

Respectfully submitted,

Fred Leaf,  
Interim Director, Health Agency

For purposes of this Sub-paragraph, the County consent shall require a written Amendment to the Agreement, which is formally approved and executed by the parties. Any payments by the County to any approved delegate or assignee on any claim under this Agreement shall be deductible, at the County’s sole discretion, against the claims, which the Contractor may have against the County.

8.2.3 Shareholders, partners, members, or other equity holders of the Contractor may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of the Contractor to any person(s), corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of the Agreement, such disposition is an assignment requiring the prior written consent of the County in accordance with applicable provisions of this Agreement.

8.2.4 Any assumption, assignment, delegation, or takeover of any of the Contractor’s duties, responsibilities, obligations, or performance of same by any entity other than the Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without the County’s express prior written approval, shall be a material breach of the Agreement which may result in the

termination of this Agreement. In the event of such termination, the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.”

5. The Agreement, Sub-paragraph 8.45 – Termination for Improper Consideration, Sub-paragraph 8.45.2 is deleted in its entirety and replaced to read as follows:

“8.45.2 The Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Fraud Hotline at (800) 544-6861 or <http://fraud.lacounty.gov/>.”
