EXECUTIVE OFFICER

Dear Supervisors:

**ADOPT RESOLUTION TO AUTHORIZE PARTICIPATION IN THE
CALIFORNIA BOATING SAFETY AND ENFORCEMENT FINANCIAL AID PROGRAM
FOR FISCAL YEAR 2019-20
(ALL DISTRICTS) (3 VOTES)**

SUBJECT

Adopt a resolution to secure State funding through the California Department of Parks and Recreation, Division of Boating and Waterways (DBW), in support of boating safety and enforcement on waters within Los Angeles County (County). Also, authorize participation in the California Boating Safety and Enforcement Financial Aid Program (Program) by executing the Program agreement to reimburse the Consolidated Fire Protection District of Los Angeles County (District) in an amount not to exceed \$2.12 million.

IT IS RECOMMENDED THAT YOUR BOARD, ACTING AS THE GOVERNING BODY OF THE CONSOLIDATED FIRE PROTECTION DISTRICT OF LOS ANGELES COUNTY AND THE BOARD OF SUPERVISORS IN JOINT RECOMMENDATION WITH THE SHERIFF'S DEPARTMENT:

1. Adopt the Resolution (Attachment I) whereby your Board:

- Accepts the Legislature's commitment to provide future annual baseline funding for the District and gives priority consideration to any application submitted by the District to secure State funding in support of boating safety and enforcement on waters within the County.

SERVING THE UNINCORPORATED AREAS OF LOS ANGELES COUNTY AND THE CITIES OF:

- Reaffirms the continued participation of the County, through the District and the Los Angeles County Sheriff's Department, in the Program for Fiscal Year (FY) 2019-20.
 - Certifies that the County, as a participant in the Program, shall expend the equivalent of 100 percent of its revenues collected from personal property tax on vessels of boat owners within the County for boating safety and enforcement.
 - Authorizes the Fire Chief, or his designee, as a County agent to sign and submit an application and related expenditure reimbursement claims, to the DBW for State funding.
 - Authorizes the Sheriff, or his designee, as a County agent to sign and submit an application and to apply for any other State funding available through the DBW.
2. Authorize the Chair of the Board of Supervisors to execute the Boating Safety and Enforcement Financial Aid Program Agreement (Attachment II), which is required as part of the application package. In executing the agreement, the County agrees to submit requests for reimbursement within sixty days of the end of the fiscal quarter; and, if such requests are submitted after the sixty days has expired, the State has the option to reduce the allocation by five percent.
 3. Find that the resolution and the funding of the County programs are exempt from the California Environmental Quality Act (CEQA) pursuant to Section 15061 (b)(3) of the CEQA Guidelines.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The DBW provides financial aid from the Harbors and Watercraft Revolving Fund to counties under the Program, as authorized by Section 663.7 of the Harbors and Navigation Code. The County, through the District, has been part of this Program since 1995. Since FY 2006-07, the District has received \$2.12 million annually.

These monies are part of an agreement with the State to provide funding to the County as part of the transfer of ownership of eight State beaches located within the County. A key part of this agreement was the State's commitment to provide long-term funding assistance for the District (Attachment III).

The financial aid application was submitted to the DBW on December 27, 2018. Agencies already participating in the Program are required to submit the completed application six months prior to the start of the new fiscal year to provide the DBW sufficient time to prepare the annual agreement for each agency. The DBW is requesting that the attached agreement for FY 2019-20 be executed and submitted no later than June 15, 2019. In addition, the Harbors and Navigation Code and application criteria require that your Board, by resolution, authorize the County's participation in the Program, and certify that the County will expend no less than 100 percent of the amount collected from personal property taxes on vessels for

boating safety programs during the funding year. The certification is required because counties qualify only if they expend an amount equivalent to at least 100 percent of these personal property taxes on boating safety and enforcement.

The designation of the Fire Chief, or his designee, as the signatory to the multi-department application, is consistent with your Board's instructions of December 8, 1994, to pursue long-term funding from the State. This State funding will offset portions of the offshore marine rescue and enforcement activities not presently met by the personal property tax on vessels. In previous years, the funds received from the financial aid have allowed the budgeted funds for these purposes to support the operations of the eight State beaches.

Implementation of Strategic Plan Goals

Approval of the recommended actions is consistent with the County's Strategic Goal No. 3, Realize Tomorrow's Government Today, Strategy III.3 - Pursue Operational Effectiveness, Fiscal Responsibility, Accountability to continually assess our efficiency and effectiveness, maximize and leverage resources, and hold ourselves accountable to maximize revenue.

FISCAL IMPACT/FINANCING

No matching funds are required. Counties must first expend the taxes collected from its resident boat owners before being entitled to any supplemental State funding from this Program. Only the cost of the Program, which exceeds the total fees and vessel taxes collected for the year, will be supplemented up to the maximum amount obligated by the State. The State's maximum funding for FY 2019-20 is \$2.12 million.

The County's FY 2019-20 application includes a request for \$7.396 million, net of fees and taxes, to maintain the County's boating safety and enforcement activities (Attachment IV). This request more than meets the State's funding requirement.

There is no impact on net County cost.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The DBW provides financial aid from the Harbors and Watercraft Revolving Fund to counties under the Program, as authorized by Section 663.7 of the Harbors and Navigation Code. The County, through the District, has been part of this Program since 1995. The DBW is requesting that the attached agreement for FY 2019-20 be executed and submitted no later than June 15, 2019.

ENVIRONMENTAL DOCUMENTATION

This Resolution and the funding of the County programs are exempt from the CEQA pursuant to Section 15061 (b)(3) of the CEQA Guidelines.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The services shall continue upon execution of this agreement.

CONCLUSION

Participation in the DBW Program will continue existing funding to the District Lifeguard rescue services for FY 2019-20 and may possibly provide additional financial aid to the County's other boating safety and law enforcement efforts. Your Board's adoption of the Resolution and execution of the financial assistance certification authorizes participation in the Program.

Upon approval by your Board, please instruct the Executive Officer to return three copies of the adopted Board letter and Attachments I and II to the following office:

RESOLUTION

WHEREAS, Assembly Bill 909 (Bowen), Chapter 472, Statutes of 1995, amended Public Resources Code Section 5002.6, Subdivision (g) to read: “On and after June 30, 1998, it is the intent of the Legislature that any application by the Consolidated Fire Protection District of Los Angeles County (District) to secure State funding support for boating safety and enforcement on waters within the County of Los Angeles shall be given priority consideration by the Legislature, unless an alternative source of funding is secured prior to that date which serves the same or similar purposes.”

WHEREAS, the District, has received for boating safety and enforcement prior allocations from the California Department of Parks and Recreation, Division of Boating and Waterways, in Fiscal Years (FYs) 1995-96 through 2018-19, which has established an annual baseline funding for future participation in the program in accordance with Subdivision (g) of Section 5002.6 of the Public Resource Code and as addressed by Assembly Bill 122 (Rainey), Chapter 971, Statutes of 1996, Section 2 under the Harbors and Navigation Code Sections 85.2 and 663.7(a) and (c)(1).

WHEREAS, other funding may be available to counties through the California Boating Safety and Enforcement Financial Aid Program; and

WHEREAS, the California Department of Parks and Recreation, Division of Boating and Waterways, pursuant to Section 663.7 of the Harbors and Navigation Code, provides supplemental State funding under the State Boating Safety and Enforcement Financial Aid Program to qualifying counties for boating safety and enforcement programs on waters under their jurisdiction; and

WHEREAS, the County of Los Angeles is charged with providing vital boating safety and enforcement services to a population in excess of nine (9) million people and over 60,000 registered boaters; and

WHEREAS, the County of Los Angeles has demonstrated its boating safety and enforcement programs meet the eligibility requirements set forth in Section 663.7 of the Harbors and Navigation Code by expending the equivalent of 100 percent of personal property tax collected by the County on vessels for boating safety and enforcement, and by maintaining current levels of those boating safety and enforcement services; and

WHEREAS, allocation of said funding to any county or a public agency therein is contingent upon the County's governing body, the Board of Supervisors, adopting a resolution authorizing participation in the California Boating Safety and Enforcement Financial Aid Program and certifying that, during the funding year, an amount at least equal to the total amount collected by the County from personal property taxes on vessels will be expended on specified boating safety programs; and

WHEREAS, the Board of Supervisors of the County of Los Angeles through the District, and the Los Angeles County Sheriff's Department, wishes to participate in the California Boating Safety and Enforcement Financial Aid Program administered by the California Department of Parks and Recreation, Division of Boating and Waterways.

NOW, THEREFORE BE IT RESOLVED by the Board of Supervisors of the County of Los Angeles that the County of Los Angeles, through the District and the Los Angeles County Sheriff's Department, is hereby authorized to participate in the California Boating Safety and Enforcement Financial Aid Program for FY 2019-20.

BE IT FURTHER RESOLVED that the Board of Supervisors of the County of Los Angeles hereby certifies that during FY 2019-20, the funding year, an amount equal to 100 percent of the amount received by the County in personal property taxes levied on vessels of boat owners within the County during FY 2018-19, the most recent fiscal year for which the annual total figure is available, will be expended on specified boating safety programs.

BE IT FURTHER RESOLVED that the Board of Supervisors of the County of Los Angeles hereby authorizes the Fire Chief of Los Angeles County, Daryl L. Osby, or his designee, as County agent, to sign and submit this application and related expenditure reimbursement claims and be the County agent for future applications under the California Boating Safety and Enforcement Financial Aid Program subject to

funding application filed pursuant to Harbors and Navigation Code Section 663.7 subdivision (c)(1).

BE IT FURTHER RESOLVED that the Board of Supervisors of the County of Los Angeles hereby authorizes the Sheriff of Los Angeles County, Alex Villanueva, or his designee, as County agent, to sign and submit this application and be the County agent for any other funding available through the California Department of Parks and Recreation, Division of Boating and Waterways.

The foregoing resolution was on the 11TH day of June 2019 adopted by the Board of Supervisors of the County of Los Angeles and ex officio the governing body of all other special assessments and taxing districts, agencies, and authorities for which said Board so acts.

STATE'S COMMITMENT TO PROVIDE LONG-TERM FUNDING ASSISTANCE FOR THE DISTRICT

Public Resources Code, SECTION 1, Section 5002.6 (g), states:

“On and after June 30, 1998, it is the intent of the Legislature that any application by the County of Los Angeles Fire Department to secure State funding support for boating safety and enforcement on waters within the County of Los Angeles shall be given priority consideration by the Legislature, unless an alternative source of funding is secured prior to that date which serves the same or similar purposes.”

The 1996 State Legislature addressed the intent of Section 5002.6 (g) to assist the District through Assembly Bill 122 (Rainey), Chapter 971, Statutes of 1996, which amended Section 663.7 of the Harbors and Navigation Code to establish a permanent funding allocation for current program recipients based upon their Fiscal Year 1996-97 allocation. The District's Lifeguard Rescue Safety Program is a current recipient and qualifies for this continued

\$2.12 million funding by meeting all the criteria established by the Legislature and administered by DPRDBW as stated in the amended Harbors and Navigation Code Sections 85.2 and 663.7, Subdivision (a) and (c)(1), as follows:

Section 85.2 -“All money in the Harbors and Watercraft Revolving Fund shall be available, upon appropriation by the Legislature, for expenditure by the department for boating facilities development, boating safety, and boating regulation programs . . .”

Section 663.7 – Subdivision (a) – “Each county of the state is entitled to receive state financial aid for boating safety and enforcement programs on waters under its jurisdiction as provided in this section. A boating safety and enforcement program, as used in this section, includes search and rescue operations, recovery of drowned bodies, enforcement of state and local measures for regulation of boating activities, inspection of vessels, and supervision of organized water events.”

Section 663.7 Subdivision (c)(1) – “Of the funds appropriated for boating safety and enforcement programs pursuant to Section 85.2, the department shall adopt and utilize a formula that first allocates funds to counties so that no county receives less than the amount it was allocated in the 1996-97 fiscal year, unless the county's program is reduced, or the county does not meet the eligibility requirements of this section. . . .”

GENERAL DESCRIPTION OF BOATING SAFETY AND ENFORCEMENT PROGRAMS

CONSOLIDATED FIRE PROTECTION DISTRICT OF LOS ANGELES COUNTY (DISTRICT)

The District's Lifeguard Division, performs principal functions including search, rescue, recovery and emergency medical services for the maritime vicinity of Los Angeles County. The areas of responsibility cover 1,477 square miles of Los Angeles coastal area, including 72 miles of public beaches and open ocean waters, extending to and including the waters of Santa Catalina and San Clemente Islands.

The District maintains year-round, 24-hour marine rescue boat services at Avalon and the Isthmus on Santa Catalina Island, Marina del Rey, Redondo Beach King Harbor, and Cabrillo Beach in San Pedro. In addition, there are three 24-hour operation centers (Malibu, Santa Monica, and Hermosa Beach) which monitor marine emergency frequencies and dispatch on-call search and rescue vessels from the Los Angeles Harbor, Redondo Beach King Harbor, and Malibu Pier. During peak boating season, there are seven offshore rescue boats patrolling the Los Angeles coastline.

The District's primary resources for marine search and rescue include ten offshore all-weather rescue vessels; two trailer based vessels for inland response; one 40-foot dedicated fire boat; one 35-foot dedicated fire boat; six rigid-hull, inflatable rescue boats; and eight personal watercraft patrol vessels. These vessels are under the command of U.S. Coast Guard licensed operators and are supplied with the necessary fire suppression equipment, emergency pumping capacity, towing gear, emergency medical equipment, helicopter lift and hoist capability, and emergency underwater rescue gear to handle almost any marine rescue situation.

Additional support resources for marine incidents include: helicopter air rescue operations, paramedic care for all boating-related dive accidents at the Santa Catalina Hyperbaric Chamber and a 35-person dive team.

Mandatory requirements for District rescue boat personnel include full U.S. Coast Guard Operator licenses with towing and radar endorsements, PC 832 "Powers of Arrest," EMT-Defibrillator certification, Marine Firefighting certification, Deckhand training certification, and SCUBA certification.

Supervision of water activities by lifeguard rescue vessels and personnel included interagency training: Los Angeles International Airport (LAX) Disaster Drills, Coast Guard Search and Rescue Coordination, Oil Spill Contingency, Major Marine Disaster Plans; and supervision of various rough water swims and paddles, beach festivals, fishing derbies, boat shows, and parades.

SHERIFF'S DEPARTMENT

The Los Angeles County Sheriff's Department (LASD or Department) currently serves a number of waterways within the County and has extensive experience in boating safety and enforcement services. The Department's four organizational units are:

Avalon Sheriff Station: Avalon Sheriff Station is located on Santa Catalina Island and services one city (of 3,500 residents and one-million annual visitors), three other communities on Santa Catalina Island, seven costal children/family camps, fifteen yacht clubs, one support fishing club, sixteen designated beach campgrounds, one university marine science center, and one airport.

LASD Santa Catalina Island resident deputies conduct maritime patrols upon near coastal waters around Santa Catalina and San Clemente Islands, and about 567 square miles of the Outer Santa Barbara Passage, between the two islands.

Marine responses can also extend to Santa Barbara Island and into the San Pedro Channel, toward the Southern California mainland. Avalon Sheriff Station has the largest and most remote maritime patrol area of any LASD Sheriff station, patrolling out to 65 miles south of the Port of Los Angeles.

Avalon Sheriff Station commands law enforcement, marine search and rescue, and homeland security jurisdictional authority along 209 square miles of coastal waters around Santa Catalina Island. Responsibility includes port security for Avalon Harbor (a daily port for commercial commuter ferries) and the local federal anchorage (a bi-weekly port for international cruise ships).

Avalon Station's patrol area also cover 207 square miles of coastal waters around San Clemente Island, which is part of Los Angeles County but owned by the U.S. Navy. Avalon Station maintains a MOU with the U.S. Navy at SCI.

The ocean waters around Santa Catalina and San Clemente Islands attract multitude of water enthusiasts daily from the Los Angeles metropolis and other areas.

Deputies conduct proactive water safety education and enforcement with the many sail boaters, power boaters, recreational sport fishermen (private and charter), scuba divers (private and charter), jet skiers, kayakers, paddle boarders, and live-aboard boaters in the area waters.

The rich sea beds around Santa Catalina and San Clemente Islands also draw large numbers of commercial fishing boats from many different ports.

Due to frequent rough seas and high winds, unprotected harbors, and desolate coastline: waterborne search and rescue operations, and responses to help distressed boaters are common.

Maritime calls for service include: responding to diver, swimmer, and vessel accidents; aircraft crashes; commercial fishermen regulation; fish and game violations; larceny; domestic disputes; boating under the influence (BUI) and other boating violations; narcotics violations and smuggling; environmental issues; firearms violations; homicides; and assisting Baywatch lifeguard paramedics with medical responses and medivac.

In summary, Avalon Sheriff Station's maritime service includes:

- Homeland Security and Counter Smuggling Operations;
- Search and Rescue Operations;
- Recreational Boating and Water Sports Safety and Enforcement;
- Commercial Fishing and Dive Boat Safety and Enforcement;
- Regulating Transient Live-Aboard Boaters;
- Medical Assistance;
- Responding to Vessel Fires and Distress;
- Diver Rescue and Recovery;
- Fish and Game Enforcement;
- U.S. Navy Assistance, San Clemente Island;
- Port Security; and
- Station Details.

Currently, two LASD patrol boats (with electronic navigation, radar, FLIR, and towing assets) are operated out of Two Harbors (a small community which is located 12 miles west of the City of Avalon). The LASD boats are stationed at each side of the Two Harbors Isthmus, for deployment to the north and south sides of Santa Catalina Island.

LASD's Special Enforcement Bureau, Emergency Services Detail (ESD) and Maritime Cadre are designated to support Avalon Station's maritime operations: conducting directed patrol, search and rescue, diver recovery, and counter smuggling operations within Avalon Sheriff Station's reporting districts and area of responsibility.

Emergency Services Detail:

The ESD is the Department's tactical paramedics and rescue specialists. The unit maintains a team on duty 24-hours a day. The unit's members are special weapons team members and are trained/certified in the following areas: Special weapons and tactics/tactical operations, mountain/rural rescue, ocean/swift water rescue and Public Safety divers. Additionally, each of the members is a licensed paramedic and is able to deliver advanced life support care in any of the austere environments the unit works in. The unit's members also maintain cadres with advanced expertise involving instructor-level certifications to train its own members and those from Special Enforcement Bureau and outside agencies.

ESD also functions as a Federal Emergency Management Agency asset and has been called on numerous times to offer its expertise and services in California and across the nation (Hurricane Katrina). Members of the unit have extensive tactical experience. Training to be an ESD deputy is extensive and, once started, lasts about 18 months to become operational.

The ESD is designated to conduct search, rescue, and recovery operations in the County. This unit provides support in the form of boating safety and enforcement for Marina Del Rey, Santa Catalina Island, Castaic Lake, Pyramid Lake, Puddingstone Lake, Whittier Lake, Jackson Lake, and over 100 local Los Angeles County lakes, ponds, and waterways.

The ESD has the responsibility for conducting all underwater search and recovery operations. Each year, this unit conducts multi-day recovery operations for individuals who have drowned or otherwise perished as a direct result of boating accidents. Additionally, this unit provides boat patrol for Pyramid Lake and Santa Catalina Island on holidays and busy weekends.

Marina Del Rey (Harbor Patrol): The Los Angeles County Harbor Patrol was formed in 1962 as a Division of the Department of Small Craft Harbors. The Harbor Patrol provides safety and enforcement services to the boating community in the protected waters of Marina Del Rey Small Craft Harbor and adjacent beaches. Marina Del Rey is a year-round recreational area consisting of 403 acres of water and 401 acres of land. Within its confines are sixteen restaurants, twelve yacht clubs, four hotels, two major boat yards, and numerous apartment/condominium complexes housing 12,000 permanent residents. The Sheriff's Harbor Patrol within Marina Del Rey is responsible for conducting marine safety and enforcement patrol in the protected waters of the marina, the waters of Santa Monica Bay, and patrols of the maritime domain of Los Angeles County. This region encompasses approximately 128 miles of coastline and 70 miles of coastal waters. Marina Del Rey Station staffs and deploys an off-shore patrol vessel (*Tradition*) that covers the entire county coastline from Orange County to Ventura County.

Additionally, while maintaining emergency response capabilities beyond the bay's area, the Harbor Patrol also serves as the County Disaster Coordination Center for aircraft emergencies occurring over waters adjacent to the LAX.

Pyramid Lake Recreational Area: The Pyramid Lake Recreational Area, which includes Emigrant Landing, Los Alamos Campground and Vista del Lago Center, attracts up to 500,000 persons yearly. Pyramid Lake was opened in 1974 and has 1,297 surface acres and 21 miles of shoreline. Pyramid Lake is located in the Angeles National Forest, an unincorporated area patrolled by the LASD. Deputies perform all aspects of boating safety and law enforcement. They enforce all boating laws using verbal warnings, issuance of citations, or arrest. They educate the public through courtesy vessel inspections and boating safety

videotapes. They are the first responders to all emergencies on Pyramid Lake and its associated shoreline. Boat handler deputies are emergency medical technicians and handle all medical aid incidents on this facility. Deputies prepare required reports, investigate all boating accidents, and file criminal complaints when warranted. The deputies have rescue dive capabilities, aid disabled vessels, handle salvage operations, and perform all general law enforcement in the recreational area.

On December 15, 2009, the Board of Supervisors voted and approved the consolidation of the LASD and the Los Angeles County Police. Effective July 1, 2010, the merger commenced, at which time, LASD took over all law enforcement responsibilities on and around Castaic Lake and Bonelli Lake in San Dimas.

The Castaic Lake Recreational Facility includes the Main Lake and Lower Lagoon areas. The Main Lake covers 2,235 surface acres and has 29 miles of shoreline and two launch ramp facilities. The Lower Lagoon covers 197 surface acres and has one launch ramp facility. There is an adjacent campground on the shoreline of the Lower Lagoon, which includes 90 overnight campsites. There is also a large swim beach area along the shoreline of the Lower Lagoon. The Los Angeles County lifeguards also provide trained personnel to conduct boating enforcement and aquatic and medical rescues. The estimated annual attendance of both the upper and lower lakes at Castaic is approximately 1,750,000.
