

MOTION BY SUPERVISOR JANICE HAHN

September 24, 2019

Hong Kong Protests

For the past three months, residents of Hong Kong have been engaging in street protests and mass demonstrations that started over a controversial bill that they feel threatens their democracy. The people of the County of Los Angeles stand in solidarity with the citizens of Hong Kong in their peaceful struggle for freedom, liberty, and democracy. We are hopeful that China and Hong Kong will come to a mutual agreement that ensures the rights of all residents.

I, THEREFORE MOVE that the Board of Supervisors of the County of Los Angeles stand in support of the struggle for democracy in Hong Kong and encourage the efforts of China and Hong Kong to come to a mutual agreement that brings lasting democratic freedoms and liberties to the citizens of Hong Kong.
