

MOTION BY SUPERVISOR DON KNABE

September 28, 2004

It is vital that we as a county adequately fund our District Attorney prosecution function. In order to ensure that we are doing so, we need to look at providing the District Attorney with additional resources. The District Attorney has been vigilant in pursuing federal reimbursement for certain prosecution functions that has resulted in additional trust revenue accruing to the department. The on-going portion of this revenue flowing to the department ought to be matched by this Board to allow the District Attorney to hire much-needed prosecutors.

I, THEREFORE, MOVE THAT, the Board of Supervisors Instruct the CAO to report back in 30 days with a recommendation on how to fund at least 45 new prosecutors within the District Attorney's office.
