SECTION 2. Urgency Findings.

This urgency ordinance is adopted pursuant to California Government Code section 25123(d) and shall take effect immediately upon its approval by at least a four-fifths vote of the Board of Supervisors ("Board"). The Board finds that this ordinance is necessary for the immediate preservation of the public peace, health and safety based on the following facts:

1. On March 4, 2020, the Chair of the Board proclaimed the existence of a local emergency (Proclamation of Local Emergency) based on conditions of disaster or of extreme peril to the safety of persons and property arising as a result of the introduction of the novel coronavirus ("COVID-19") in Los Angeles County. On March 4, 2020, the Board ratified the Proclamation of Local Emergency.

2. On March 4, 2020, the County of Los Angeles Health Officer declared a local health emergency (Declaration of Local Health Emergency) based on an imminent and proximate threat to public health from the introduction of COVID-19 in Los Angeles County. On March 4, 2020, the Board ratified the Declaration of Local Health Emergency.

3. On March 4, 2020, the Governor of the State of California proclaimed a State of Emergency to exist in California as a result of the threat of COVID-19.

4. Since March 4, 2020, the Governor of the State of California and the County of Los Angeles Health Officer have issued and continue to issue a number of

emergency orders to address the increasing and imminent threat to public health and safety as a result of COVID-19.

5. On March 13, 2020, the President of the United States declared the ongoing COVID-19 pandemic of sufficient severity and magnitude to warrant, and the President therefore issued, a nationwide Emergency Declaration.

6. In the time of this unprecedented emergency, there is an urgent need to take all action to efficiently and effectively address the threat of COVID-19. The County's emergency ordinance found in Chapter 2.68 of the County Code establishes the fundamental framework for the County's emergency preparedness, response and recovery activities. This urgency ordinance amends the County's emergency ordinance to provide necessary enhancements and clarifications to address the County's emergency activities and operations. It is essential that the amendments made by this urgency ordinance are immediately implemented so that the County can take all advantage of these enhancements and clarifications as the County proceeds with necessary action to address the threat of COVID-19.

SECTION 3. Environmental Determination.

The Board finds that the adoption and implementation of this urgency ordinance are exempt from the provisions of the California Environmental Quality Act under Section 15061(b)(3) in that the Board finds there is no possibility that the implementation of this ordinance may have significant effects on the environment.

SECTION 4. Severability.

If any section, subsection, sentence, clause, or phrase of this urgency ordinance is for any reason held to be unconstitutional or invalid, such decision shall not affect the validity of the remaining portion of this urgency ordinance. The Board hereby declares that it would have passed this urgency ordinance and every section, subsection, sentence, clause, or phrase thereof irrespective of the fact that any one or more sections, subsections, sentences, clauses, or phrases be declared unconstitutional or invalid.

SECTION 5. Immediate Effect.

This urgency ordinance shall be and is hereby declared to be in full force and effect immediately upon its passage by a four-fifths (4/5) or greater vote.
