Dear Supervisors:

FISCAL YEAR 2020-21 RECOMMENDED COUNTY BUDGET (3-VOTES)

The Fiscal Year (FY) 2020-21 Recommended Budget marks the first step in our annual budget process and culminates with the Supplemental Budget scheduled for late September 2020.

This Recommended Budget is intended to reflect the County's values and vision, and to provide a framework for our continuing commitment to improving life for all County residents, especially the vulnerable and underserved. In times of crisis and uncertainty, these values are more important than ever as a foundation for responding to emerging needs and rapidly changing economic circumstances while sustaining fundamental services and advancing key priorities of the Board of Supervisors.

The Recommended Budget was largely prepared before the World Health Organization declared the Coronavirus (COVID-19) a pandemic on March 11, 2020. My office is currently evaluating the budgetary impact of COVID-19. We will return in subsequent budget phases with additional recommendations, which may include budget reductions to both new and existing programs.

BUDGETARY IMPACT FROM COVID-19

At the time this budget went to print, the rapidly evolving COVID-19 pandemic had created an unprecedented global health and economic emergency. The latest COVID-19 news, recommendations, and policies from local, State, and federal agencies have caused significant changes in everyday life, including restricting consumer behavior and spending.

As a result, the economy has experienced severe shocks, including significant stock market volatility. Local businesses and employment have been hurt by declines in consumer and business spending. Cancelled tourism, conferences, sporting events, concerts, and other large-scale gatherings, have contributed to the economic damage. Many economists believe that a recession has already taken hold.

We now anticipate that several revenue sources will be impacted by decreased spending in the local economy, including sales and use tax collected in the unincorporated areas, Proposition 172 Public Safety Sales Tax, Realignment Sales Tax, Measure H Sales Tax, and Hotel Tax (Transient Occupancy Tax). Ultimately, COVID-19's impact to the County's budget will depend on the severity and duration of the crisis.

BUDGET OVERVIEW

The FY 2020-21 Recommended Budget total of \$35.5 billion reflects a decrease of \$594.2 million in total requirements when compared to the FY 2019-20 Final Adopted Budget. General County funds, comprised of the General Fund and Hospital Enterprise Funds, reflect a decrease of \$445.6 million. Special Districts/Special Funds reflect a decrease of \$148.6 million. The total number of budgeted positions will increase by 113, bringing the total to 112,873 budgeted positions.

Fund Group (\$ in Billions)	2019-20 Final Adopted Budget	2020-21 Recommended	Change	% Change
Total General County	\$27.925	\$27.479	(\$0.446)	-1.6%
Special Districts/ Special Funds	8.130	7.982	(0.148)	-1.8%
Total Budget	\$36.055	\$35.461	(\$0.594)*	-1.6%
Budgeted Positions	112,760	112,873	113	0.1%

*This decrease is primarily due to reductions in fund balances across all fund groups.

Economic Outlook

Throughout 2019, the County experienced slow but positive growth as the economy continued to expand since the Great Recession. Key economic indicators remained strong as Gross Domestic Product, housing values, and household incomes moderately grew while the unemployment rate declined. While these economic indicators were forecasted to remain positive in 2020, the outbreak of the COVID-19 pandemic has caused great economic uncertainty and disruptions. As mentioned above, my office is continuing to monitor the budgetary impact of COVID-19 and will provide updates during subsequent budget phases.

After consultation with the Assessor, we forecasted a 5.25 percent increase to the 2020 tax assessment roll for this budget. This forecast is preliminary, as the Assessor is scheduled to issue its official forecast in May 2020 and release the final roll in July 2020. We will continue to work with the Assessor to update assessed value projections. The budget also assumed a slight growth in statewide sales tax. Given the early impact of COVID-19, this assumption will be reevaluated in subsequent budget phases.

RECOMMENDED BUDGET HIGHLIGHTS

Children, Families and Seniors

- **Senate Bill (SB) 80 Earned Income Disregard (EID)**—Adds \$46.3 million to the Department of Public Social Services (DPSS), partially offset with State and federal revenue, to support California Work Opportunities and Responsibility to Kids (CalWORKs) cost per case increases resulting from the passage of SB 80, which increased the EID from \$225 to \$500. EID is the amount of income excluded when determining families' monthly CalWORKs grants. This increase will reduce the number of families becoming ineligible for CalWORKs because they exceeded income limits due to the rising minimum wage.
- **CalWORKs Stage One Child Care Program**—Provides \$5.2 million to DPSS to align the Department's childcare services budget with State and federal allocations. The Stage One Child Care Program increases access to child care services for CalWORKs participants continuously for 12 months or until the participants are transferred to Stage Two.
- **California Alternative Payment Program for Child Care**—Adds \$6.0 million to the Department of Children and Family Services (DCFS), fully offset with State and federal revenue, for childcare services vouchers for foster parents and dependency-involved families.

- **Antelope Valley Social Worker Bonus**—Adds \$6.7 million for DCFS, partially offset by federal revenue, to continue to recruit and retain experienced children’s social workers and supervising children’s social workers to geographically hard-to-staff offices.
- **Adult Protective Services**—Provides \$5.0 million and 20 positions to the Department of Workforce Development, Aging and Community Services (WDACS) to address an expected increase in caseloads, fully offset with 2011 Realignment funding and federal funding. These positions will provide a more targeted and effective service approach for seniors in need.
- **Foster Care Assistance**—Provides \$33.0 million to DCFS for projected placement rate increases, partially offset by a projected caseload decrease. Foster care assistance is paid on behalf of children in out-of-home placements who meet the eligibility requirements specified in applicable State and federal regulations and laws.
- **Adoption Assistance Program (AAP) and Kinship Guardianship Assistance Program (KinGAP)**—Adds \$31.8 million to DCFS for projected AAP and KinGAP placement rate increases and caseload growth, partially offset with State and federal revenue. The AAP helps prospective adoptive parents meet additional expenses of children, including those with special needs. KinGAP provides funding to children and transition-age youth who leave the juvenile court dependency system to live with a relative legal guardian.
- **Title IV-E Waiver**—Reflects a \$98.3 million decrease of federal revenue due to the sunset of the Title IV-E Waiver, offset by new federal Families First Transition Act funding and prior-year one-time funding previously set aside in the Provisional Financing Uses (PFU) budget unit.

Affordable Housing and the Fight Against Homelessness

- **Affordable Housing**—Provides \$50.0 million of new one-time funding to reach a total of \$100.0 million for the development and preservation of affordable housing. The funding will support affordable housing for very low and extremely low-income or homeless households, as well as other support services such as rental assistance, rapid re-housing, homeownership, and move-in assistance.

Additionally, as directed in your Board's November 5, 2019 motion, the Recommended Budget allocates \$16.1 million for the following programs:

- \$15.0 million to the Chief Executive Office (CEO) Affordable Housing Acquisition Fund; and
- \$1.1 million to the West Los Angeles Courthouse Project.
- **Rent Stabilization Program**—Provides \$3.8 million and 20 positions to the Department of Consumer and Business Affairs to support the Rent Stabilization Program, fully offset with Consumer Protection Settlement revenue. The program imposes a moratorium on rent increases in excess of 3 percent per year and prohibits evictions without just cause for rental properties in the unincorporated areas.
- **Homelessness**—The Recommended Budget reflects a total of \$430.0 million. In FY 2019-20, the Board approved one-time carryover of Measure H funding to address the County's homeless count and urgent needs in the homeless family system. The removal of this one-time funding will be partially offset with \$32.0 million from the State's Homeless Housing, Assistance, and Prevention grant. There is also an opportunity for additional State funding to continue the County's urgent homeless services and subsidy needs from last fiscal year. Measure H continues to provide support for thousands of homeless families and individuals. Between July 2017 through December 2019, more than 34,000 people entered crisis, bridge and interim housing and close to 20,000 homeless family members and individuals secured permanent housing.

Due to the subsequent impact of COVID-19, the Measure H sales tax revenue forecast will be reevaluated in a subsequent budget phase.

- **Assembly Bill 960 Homeless Assistance**—Adds \$12.8 million to DPSS, partially offset with State and federal revenue, to support the increase in the number of times a CalWORKs family can receive homeless assistance from 16 days per year to 16 days per occurrence.

- **CalWORKs Housing Support Program**—Provides \$8.1 million to DPSS, fully offset with State and federal revenue, to align the Department's housing support budget with State and federal allocations. The Housing Support Program fosters housing stability for families experiencing homelessness. The Program assists homeless CalWORKs families in obtaining permanent housing and can provide temporary shelter, help with moving costs, short- to medium-term rental subsidies, and wraparound case management.
- **Eviction Defense and Prevention Services**—Includes the continuation of \$2.0 million of Measure H funding for the development and implementation of the program. Additional ongoing funding sources are currently being analyzed to determine feasibility and, as a result, recommendations will be included in the Supplemental Budget.

Jobs and Economic Development

- **Women in Trades–Apprenticeship Program**—Adds \$1.4 million and 15 positions to address gender inequities by providing opportunities for women in crafts and trades careers, which have historically been severely underrepresented by women. The County, in partnership with the Los Angeles and Orange County Building and Construction Trades Council, is re-establishing a formal Civil Service Crafts Apprenticeship Program, which provides on-the-job training with skilled journey-level crafts persons coupled with in-class room education to prepare apprentices for family-sustaining careers in the skilled crafts.
- **Economic Development**—Reflects \$3.6 million of new funding for the County's Bioscience Investment Fund and to support economic development programs for a more equitable and sustainable economy through business growth and increases in private sector employment.
- **In-Home Supportive Services (IHSS) Program**—Adds \$13.5 million to DPSS for support costs associated with wage increases and healthcare benefits for IHSS workers. In addition, the IHSS Maintenance of Effort (MOE) reflects a \$21.4 million increase based upon State law that requires counties to adjust the MOE base amount by a 4 percent inflation factor in 2020-21. These costs are partially offset with State and federal revenue.

Community

- **Parks After Dark**—Provides \$4.3 million of one-time funding for summer programming related to the County's Gang Violence Reduction Initiative and early intervention strategies that promote health, safety, family cohesion, community well-being and equity in the underserved communities at 33 parks countywide.
- **Community Impact Grants Program**—Allocates year two funding of \$750,000 to provide arts services to County residents.
- **Parks and Cultural Facilities**—Includes \$123.8 million to maintain, construct, and refurbish various parks and cultural facilities following voter-approval of the Safe, Clean Neighborhood Parks and Beaches Protection and Water Conservation Measure (Measure A) on November 8, 2016.

Public Safety

- **Probation Oversight Commission (POC)**—Adds \$2.4 million and 5 positions, fully offset with funding previously set aside in the PFU budget unit, to the newly created POC. This represents the initial implementation stage and includes 1 Executive Director and 4 prioritized staff positions and associated funding for startup operations. The POC will advise the Board and Chief Probation Officer as well as oversee and monitor Probation to address matters that affect the well-being of youth and adults under the Department's supervision.
- **Office of Inspector General (OIG)**—Adds \$1.7 million and 5 prioritized staff positions, partially offset with funding previously set aside in the PFU budget unit, to support the newly established POC. OIG will serve as the investigative arm of the new POC and provide independent and comprehensive oversight, monitoring, and reporting of the Probation Department's operations and conditions in detention facilities.
- **Human Sex Trafficking**—Adds \$648,000 and 2 positions to the Sex Crimes Division of the District Attorney's Office. These positions will prosecute the most difficult and complex human sex trafficking cases and participate in outreach programs to educate communities on the prevention of human sex trafficking.

- **Oleoresin Capsicum (OC) Spray Report**—Adds \$1.4 million and 10 positions to the Probation Department, offset with funding previously set aside in the PFU budget unit, to phase out the use of OC Spray in juvenile institutions. These positions will serve as master trainers and will have a direct role in engaging youth and assist in de-escalating crisis situations. Additionally, sets aside \$2.0 million in PFU for the future planned expansion of mental health services in juvenile institutions.
- **Prison Rape Elimination Act (PREA)**—Sets aside \$3.6 million in the PFU budget unit to establish a central PREA Unit and audit compliance within the Sheriff's Department and the OIG.
- **Sheriff Custody**—Sets aside \$10.0 million in the PFU budget unit for costs associated with custody compliance with settlement-related agreements.
- **Elimination of Fines and Fees**—Sets aside \$1.6 million in the PFU budget unit due to the elimination of the \$15 warrant fee for failure to appear in court. This fee was previously used to support the automated warrant system.

Healthcare

Mental Health

- **Increased Mental Health Inpatient Bed Capacity**—Provides \$28.4 million, fully offset with 2011 Realignment funding, primarily for the planning and development of additional mental health bed capacity as well as increased costs.
- **Mental Health Services Act (MHSA) Spending**—Reflects \$16.6 million for mental health services as part of the updated MHSA plan, and adds 62 positions primarily for the Veteran's Peer Access Center to empower veteran assistance and provide resources for services. It also supports the Mental Health Community Provider Incubation Academy that develops community mental health partners to provide prevention services in their communities.
- **Mental Health Court Linkage Program**—Provides \$1.8 million and 14 positions, fully offset with MHSA funding, for the Court Linkage Program to increase coordination and collaboration between the criminal justice and mental health systems, improve access to mental health services and enhance continuity of care.

Public Health

- **Health Facilities Inspection Services**—Adds \$21.1 million and 81 positions, fully offset with State funding, to continue to transition the federal certification, State licensing, and investigation of complaints and reported incidents from the State to the Department of Public Health (DPH).
- **Maternal, Child, and Adolescent Health**—Provides \$6.6 million, fully offset with State funding, to oversee the medical and programmatic perinatal health programs and to support the Medi-Cal Health Enrollment Navigators (MHEN) Project. The MHEN Project connects uninsured residents to healthcare and assists in navigating the healthcare system.
- **Substance Abuse Prevention and Control (SAPC)**—Adds 62 positions to DPH, fully offset primarily with a reduction in contracted services, to expand SAPC prevention services mainly through the establishment and operation of 50 student well-being centers at schools across the County.

Health Services

- **Patient-Centered Medical Homes (PCMH) Expansion**—Reflects an increase of \$8.2 million and 71 positions, fully offset with the deletion of existing vacancies and increased revenues from Health Homes Program/Medi-Cal managed care funding, to enable the Department of Health Services (DHS) to integrate behavioral health and social work services within the foundation of PCMH teams, as well as enhance the care management services provided to the highest-risk adult patients.
- **Specialty Health Care**—Reflects an increase of \$2.8 million and 5 positions to assist the Chief Medical Officer in evaluating and improving specialty care services, such as ophthalmology and radiology, to reduce wait times and improve patient outcomes. The 5 positions are offset with existing vacancies.
- **Housing for Health Programs**—Provides \$6.0 million in State grant funding to add 75 beds and additional service capacity to the Bell Recuperative Care Center. Also reflects \$570,000 for expanded street-based homeless engagement services, and the reversal of various one-time funding.

- **Budget Reduction**—Reflects a \$112.6 million placeholder to reduce DHS' overall appropriation to match the estimated amount of obligated fund balance available, until the Department clarifies its revenue projections and explores other potential solutions to fully fund its budget. There are multiple federal initiatives that could have a material impact on DHS' budget and the Department is working with the CEO and the State to get more information on the potential impact of these initiatives over the coming months.

Other Key Initiatives

- **Human Relations Commission**—Adds \$217,000 and 2 positions, offset with existing vacancies, to WDACS for the implementation and ongoing management of the anti-hate campaign.
- **Youth Climate Commission (Commission)**—Reflects an increase of \$246,000 to provide support staff in preparation of the establishment of the Commission. The Commission will give the youth in our communities a forum to introduce and recommend positive changes to protect our environment and enhance the overall efforts in our fight against the climate crisis. The funding request for the creation of the Commission may be submitted in Final Changes.
- **Vision Zero Initiative**—Adds \$356,000 and 2 positions to DPH to support the implementation of the Vision Zero Initiative. The Vision Zero Initiative is a component of the County's Sustainability Plan and has the primary goal of reducing traffic deaths and severe injuries in the County.
- **Voting Solutions for All People (VSAP)**—Sets aside \$17.0 million in the PFU budget unit for future ongoing costs.
- **Office of Oil and Gas Administration and Safety Compliance**—Provides \$100,000 in one-time funding for additional consultant services.
- **Flood Control District Funds/Safe Clean Water Program (Measure W)**—Includes the addition of 17 positions, fully offset with the deletion of 17 vacant positions, to support activities associated with the Safe Clean Water Program. The FY 2020-21 budget includes a net increase of \$71.8 million primarily due to \$78.7 million of carryover funding from lower than anticipated expenditures in the Measure W – Regional Program Fund, partially offset with a decrease of \$7.0 million of one-time funding.

Investing in Public Assets

- **Capital Projects (CP)**—Allocates \$1.4 billion for continued development, design, and construction of capital projects in support of Board-directed priorities. This investment will improve the County’s ability to serve the public and protect the County’s real estate portfolio. In addition, sustainability initiatives including water conservation projects are being implemented in various County facilities. The CP Budget reflects an increase of \$0.3 million and the completion of 30 projects from the FY 2019-20 Final Adopted Budget.
- **Environmental Stewardship**—Provides \$79.3 million for continued water conservation projects including the Adventure Park Multi-Benefit Unincorporated Area Stormwater project, which is part of a countywide program to capture, divert and treat polluted stormwater runoff and comply with federal and State clean water regulations.
- **Enhancing Public Interaction with Cultural Institutions**—Includes \$11.0 million to enhance and expand access to the County’s unique cultural institutions, such as the Museum of Natural History, which will improve the quality of the museum.
- **Reinvesting in County Facilities**—Provides \$141.7 million for the rehabilitation of County facilities funded by the Extraordinary Maintenance budget and long-term financing to support goals of the Strategic Asset Management Plan, primarily through the Facility Reinvestment Program. This program recommends and implements the highest-priority projects to sustain and/or rehabilitate County-owned facilities. This allocation recommended in the FY 2020-21 Extraordinary Maintenance budget and long-term financing will:
 - Extend the useful life of the asset;
 - Allow the County to undertake the highest priority deferred maintenance projects in order to optimize the use of assets to their highest and best use;
 - Establish stronger connections between service priorities and asset decisions; and
 - Create a better enterprise-wide understanding of asset needs and priorities.
- **Seismic Safety Initiative**—Continues investments in projects to meet seismic safety standards for County hospitals as required in SB 1953. It also includes funding for the seismic strengthening of the Kenneth Hahn Hall of Administration and for studies of other high-priority buildings.

POTENTIAL STATE AND FEDERAL BUDGET IMPACTS

Because a significant portion of the County budget is comprised of revenues received from the State and federal governments, we continue to monitor budget actions by those entities to determine the impact on the County budget.

State Budget

On January 10, 2020, Governor Gavin Newsom released his \$222.2 billion FY 2020-21 Proposed Budget. The budget provides \$153.1 billion in State General Fund (SGF) expenditures and \$21.0 billion in reserves, including \$18.0 billion for the Budget Stabilization Account, \$1.6 billion for Special Funds for Economic Uncertainties, \$500.0 million for the Public School System Stabilization Account, and \$900.0 million for the Safety Net Reserve.

The Governor's FY 2020-21 Proposed Budget projects \$151.6 billion in SGF revenue largely driven by higher projections for personal income tax and corporation tax revenues. However, the Administration cautions that although the State is prepared for an economic downturn with reserves of \$21.0 billion, managing a recession could be challenging as even a moderate recession could result in State revenue declines of nearly \$70.0 billion and a budget deficit of over \$40.0 billion over three years. The Administration also notes that continued growth is uncertain due to a slowing global economy, the instability in global economic markets, and the nation's political climate and Federal policies. The Proposed Budget projects slower State revenue growth in each of the next four years compared to FY 2019-20, constraining new spending commitments.

The Legislature has been conducting budget subcommittee hearings on the Governor's Proposed Budget. However, most actions on the State budget will be held pending the release of the Governor's May Budget Revision that will contain updated revenue estimates and budget allocation.

The Sacramento Advocates have advised that conversations within the Administration and the Legislature are signaling that budget requests, beyond what was included in the Governor's Proposed Budget, may need to be scaled back significantly in light of COVID-19. Further, the State Franchise Tax Board has extended the tax filing deadline from April 15 to June 15. That date change is likely to have a significant impact on the Governor's May Revision which, under normal circumstances, would include the April tax receipts.

Federal Budget

On February 10, 2020, the President released his \$4.8 trillion Budget Proposal for Federal Fiscal Year (FFY) 2021. The Budget Proposal requested spending cuts to mandatory programs over the next ten years, including \$17.0 billion for Medicaid, \$181.9 billion for the Supplemental Nutrition Assistance Program, and \$21.3 billion for Temporary Assistance for Needy Families.

The Budget Proposal also provided for \$28.0 billion in eliminations and \$20.0 billion in reductions to discretionary programs. Of interest to the County, the Budget Proposal called for the elimination of the following discretionary programs: Community Development Block Grant (\$3.4 billion), the HOME Investment Partnership Program (\$1.35 billion), CHOICE neighborhoods (\$175.0 million), the Community Services Block Grant (\$740.0 million), and the State Criminal Alien Assistance Program (\$240.0 million).

Specific to the County, the Budget Proposal requested level funding for the Public Health Emergency Preparedness Cooperative Agreement Program (\$675.0 million), which supports DPH's efforts to build and sustain skilled personnel and capabilities for a broad range of public health emergencies, including the response to the COVID-19. Additionally, the Budget Proposal included \$384.9 million for the Whittier Narrows Dam Safety Program, which is the highest funded project in the U.S. Army Corps of Engineer's FFY 2021 construction budget.

The President's Budget Proposal is generally a messaging document that conveys the Administration's priorities and recommended funding levels and is not binding or expected to be enacted. Congress typically pursues its own process to establish discretionary funding levels. Many of the proposed changes and cuts to mandatory and discretionary programs are those that have been proposed by this Administration in prior FFYs, but have never been enacted by Congress.

Congress started the process of developing appropriations legislation; however, in light of the COVID-19 public health emergency, attention has shifted to emergency supplemental funding and legislation to help respond to the public emergency and to lessen the economic impact of this emergency.

On March 6, 2020, the President signed into law, H.R. 6074, the "Coronavirus Preparedness and Response Supplemental Appropriations Act of 2020," which provides a total of \$8.3 billion to address the COVID-19 threat, including \$7.8 billion in new appropriations and \$500.0 million to waive Medicare rules to promote the use of telehealth. Of interest to the County, the measure included \$950.0 million for grants and cooperative agreements for states and localities to respond to the COVID-19. Of this

funding, the County is anticipated to receive \$18.2 million through cooperative agreements.

At the time of this writing, Congress and the Administration were considering other measures to address the economic impact of the COVID-19 emergency.

SHORT- AND LONG-TERM BUDGET ISSUES

The County, like all governmental entities, must balance the demands for new services and unavoidable cost increases within the amount of new revenue estimates. Given the County's limited authority to raise revenues, the Board has adhered to conservative budget practices, which helped the County weather the last recession without major service reductions, layoffs or furloughs. As we begin this initial stage of the budget process, we once again are challenged by the demand for County services that far exceeds the available financing sources.

The County has taken steps to address long-term budget issues over the last few years. The Board approved a multi-year plan to prefund retiree healthcare benefits and since emerging from the Great Recession, we have also increased our Rainy Day Fund each year. In FY 2019-20 we supplemented the Rainy Day Fund by \$39.0 million.

In addition and in accordance with County budget and fiscal policies, we are recommending that \$30.7 million be set aside in Appropriations for Contingencies as a hedge against unforeseen fiscal issues throughout the year. We are also adding \$7.1 million to the Extraordinary Maintenance budget unit to help address deferred maintenance needs throughout the County.

Looking forward, we recognize that many long-term budgetary issues will require significant investment by the County and may require a multi-year funding approach. Outlined below are some of the more significant budget issues:

- **Pensions**—On January 8, 2020, the Los Angeles County Employees Retirement Association (LACERA) lowered the rate of return assumption used for the valuation of pension plan assets from 7.25 to 7.00 percent, and changed the current 30-year layered amortization methodology used to fund future unanticipated changes in unfunded liabilities, such as assumption changes or actuarial gains and losses, to a maximum of 22 years. These changes, along with adjustments for prior-year investment performance, will result in increased retirement contribution costs beginning in FY 2020-21 and continuing through FY 2023-24.

In addition to the above, mounting investor concerns over the economic fallout from the COVID-19 outbreak has resulted in a significant decline in the financial markets. Sustained decreases in stocks by the end of the fiscal year will result in future increases in retirement contribution rates. Since it is quite likely that LACERA investments will not meet their 7.25 percent assumed rate of return for FY 2019-20, this will increase the pension funds unfunded actuarial accrued liability. Under California county retirement law, liabilities not funded through member contributions are the responsibility of the employer. As a result, the County should expect sharp increases in pension costs in FY 2021-22.

- **Expiration of the Title IV-E Waiver**—With the sunset of the federal Title IV-E Waiver, the budget reflects a reduction in federal revenue of \$98.3 million. The County is utilizing existing funding to bridge its services to the federal Family First Prevention Services Act (FFPSA). DCFS is in the process of analyzing and optimizing both its spending and claiming activities in an effort to minimize any service impact as a result of the loss of the waiver. Planning efforts are also underway to align existing services with FFPSA provisions, which seek to prevent the entry into foster care by funding evidence-based prevention strategies.
- **VSAP**—Over the next three years, we estimate that \$63.0 million in funding (including \$54.0 million in FY 2020-21) will be needed for the development and implementation of enhancements to the new voting system.
- **Rainy Day Fund**—To reach the prescribed level, the County has embarked on a multi-year plan to supplement this reserve by approximately \$78.0 million over the next two years.
- **Information Technology Systems Replacement**—The unfunded cost to replace and modernize the County's most critical information technology legacy systems is expected to exceed \$215.0 million over the next three years.
- **Deferred Maintenance**—The Facility Reinvestment Program is a \$750.0 million five-year program to address deferred maintenance of existing County buildings and facilities. This is an initial plan to begin to address a much larger backlog of the highest priority deferred maintenance and building systems replacement projects, currently estimated at \$2.4 billion based on completed building assessments.
- **Seismic Safety**—In order to improve the County's ability to survive a major earthquake and to provide public services following an earthquake, additional funding, estimated to exceed \$2.0 billion, is needed to upgrade buildings following completion of the ongoing assessment of high-risk buildings.

- **Other Postemployment Benefits (OPEB)**—The Recommended Budget adds \$63.4 million in pre-funding contributions to the OPEB Trust Fund. This is the sixth year of a multi-year plan to fully fund the \$2.2 billion annual required contribution (ARC). Based on current projections for the OPEB pre-funding plan, the OPEB ARC will be fully funded by FY 2027-28.
- **Stormwater and Urban Runoff**—To address regulatory stormwater and urban runoff compliance in the unincorporated areas, we estimate that \$495.4 million will be needed over the next five years. This amount may be partially offset with Measure W taxes.

BUDGET TIMETABLE

Commence Final Budget Deliberations and Adopt Budget Upon Conclusion	June 29, 2020

Prior to deliberations on the FY 2020-21 Adopted Budget, we will file reports on:

- May 2020 revisions to the Governor’s Budget and updates on other 2020-21 State and federal budget legislation and the impact on the County’s Recommended Budget;
- Final revisions reflecting the latest estimates of requirements and available funds;
- Issues raised in public hearings or written testimony;
- Specific matters with potential fiscal impact; and
- Issues as instructed by the Board.

APPROVAL OF RECOMMENDED BUDGET

The matter before the Board is the adoption of the Recommended Budget.

- The documents must be available for consideration by the public at least ten days prior to the commencement of public budget hearings.
- Adjustments to the budget, including revisions to reflect the Board's funding priorities and State and federal budget actions, can be made during budget deliberations, prior to adoption of the Budget.
- Pursuant to State law (the County Budget Act), the Board may make changes to the Recommended Budget with a simple majority (3 votes) until adoption of the Budget, if changes are based on the permanent record developed during public hearings (e.g., Recommended Budget, budget requests and all written and oral input by Supervisors, County staff and the public).
- Changes not based on the "permanent record" require 4/5 vote.

THEREFORE, IT IS RECOMMENDED THAT THE BOARD:

Order such revisions, additions, and changes to the Chief Executive Officer's budget recommendations as deemed necessary, and approve the revised figures as the Recommended Budget for 2020-21; order the publication of the necessary notices; and set May 13, 2020, as the date that public budget hearings will begin.

Respectfully submitted,

SACHI A. HAMAI
Chief Executive Officer

COUNTY OF LOS ANGELES 2016-2021 Strategic Plan

Creating Connections: People, Communities, and Government

VISION

A value driven culture, characterized by extraordinary employee commitment to enrich lives through effective and caring service, and empower people through knowledge and information

MISSION

Establish superior services through inter-departmental and cross-sector collaboration that measurably improves the quality of life for the people and communities of Los Angeles County

VALUES

- Integrity:** We do the right thing: being honest, transparent, and accountable
- Inclusivity:** We embrace the need for multiple perspectives where individual and community differences are seen as strengths
- Compassion:** We treat those we serve, and each other, the way we want to be treated
- Customer Orientation:** We place our highest priority on meeting the needs of our customers

GOALS AND STRATEGIES

- GOAL I - Make Investments That Transform Lives

Address society’s most complicated social, health, and public safety challenges by:

- I. 1 Increasing our focus on **prevention** initiatives;
- I. 2 Enhancing our delivery of comprehensive **interventions**; and
- I. 3 Reforming service delivery within our **justice systems**.

- GOAL II - Foster Vibrant and Resilient Communities

Create the hub of a network of public-private partnering agencies supporting vibrant communities by:

- II. 1 Driving **economic development** in the County;
- II. 2 Supporting the **wellness of our communities**; and
- II. 3 Making **environmental sustainability** our daily reality.

- GOAL III - Realize Tomorrow’s Government Today

Develop an innovative, flexible, effective, and transparent partnership focused on advancing the common good by:

- III. 1 Pursuing ongoing **development of our workforce**;
- III. 2 Embracing **digital government** for the benefit of customers and communities;
- III. 3 Pursuing **operational effectiveness, fiscal responsibility and accountability**; and
- III. 4 Engaging our **customers, communities, and partners**.

**2020-21 RECOMMENDED BUDGET
FINANCIAL SUMMARY
TOTAL COUNTY**

(in Billions of Dollars)				
	2019-20 Budget	2020-21 Recommended Budget	Change	Percent Change
General County	\$27.925	\$27.479	-\$0.446	-1.6%

Agency Fund	0.649	0.768	0.119	18.3%
TOTAL	\$36.055	\$35.461	-\$0.594	-1.6%

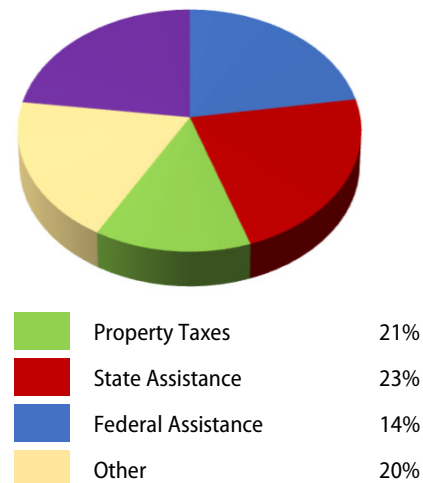

The 2020-21 recommended net operating budget totals \$35.5 billion, a decrease of \$594.2 million, or 1.6 percent lower than the FY 2019-20 budget. The budget represents a balanced plan, devoting limited resources to the highest priority programs while maintaining basic services. These programs cover a wide range of functions, from road and flood maintenance, to ensuring the health and safety of County residents, to providing access to a variety of recreational and cultural opportunities. The proposals for FY 2020-21 are subject to public hearings, scheduled for May 2020, and adoption by the Board, anticipated in June 2020. Changes are detailed by department and/or fund within the 2020-21 Recommended Budget.

The figures displayed on this page reflect the revenues and expenditures of the County as if it were one large budget. This display does not include certain non-program expenditures and revenues that are included in the budget for accounting purposes. Inclusion of such amounts increases the budget and gives the impression that more County resources are actually available. These amounts, totaling \$3.8 billion, artificially inflate the budget by approximately 10.7 percent, resulting in an operating budget of \$39.3 billion, which is reflected in the Auditor-Controller's budget schedules, pursuant to State Controller requirements.

The 2020-21 recommended net operating budget for general County operations is \$27.5 billion, a decrease of \$445.6 million, or 1.6 percent lower than the FY 2019-20 budget. General County funds provide for a multitude of services to individuals and communities within the County. These services include: 1) a law enforcement system; 2) justice-related services; 3) extensive regulatory services to ensure public and environmental protection; 4) various health, welfare, and social services; 5) diverse recreational and cultural programs; and 6) essential government services. Changes are detailed by department within the Budget Summaries section of this document.

The figures displayed on this page reflect the revenues and expenditures of general County operations as if they were one large budget. This display does not include certain non-program expenditures and revenues that are included in the budget for accounting purposes. Inclusion of such amounts increases the budget and gives the impression that more County resources are actually available. These amounts, totaling \$2.6 billion, artificially inflate the budget by approximately 9.5 percent, resulting in an operating budget of \$30.1 billion.

**BUDGETED POSITIONS
BY MAJOR FUNCTIONAL GROUP**
TOTAL BUDGETED POSITIONS = 112,873.0

The 2020-21 Recommended Budget provides funding for 112,873.0 budgeted full-time equivalent positions, which represents an increase of 113.0 from the 2019-20 level of 112,760.0. As depicted in the chart, approximately 82 percent of the budgeted positions in the County are in the health, law and justice, and social services groups.

The major changes in budgeted positions are attributable to the following:

- Children and Family Services - decrease of 78.0 primarily due to the removal of prior-year funding that was provided on a one-time basis by the Department of Mental Health for the Upfront Family Finding Program.
- Mental Health - increase of 71.0 primarily to establish a veteran peer access network and provide resources for mental health and substance abuse services.
- Public Health - increase of 125.0 primarily to transition federal certification, State licensing, and investigation of reported incidents at Public Health facilities from the State to the Department; and expand Substance Abuse Prevention and Control Program services, through the establishment of 50 student well-being centers across the County. Also adds positions to implement the Vision Zero Initiative.
- Other - net decrease of 5.0 in the remaining departments primarily due to the deletion of vacant positions, partially offset by the addition of positions to support various programs within the County.

CHILDREN AND FAMILY SERVICES WORKLOAD CHARTS

Child Protective Services

Child protective services caseloads reflect mandated emergency response, family maintenance and reunification, and permanent placement services.

Adoptions

Adoption caseloads represent the average number of families receiving adoption assistance payments.

DETENTION POPULATION WORKLOAD CHARTS

*Revised from previous publications

Sheriff Inmate Population

The Sheriff's inmate population, which includes both pre-sentenced and sentenced inmates, are housed at the following seven custody facilities: Men's Central Jail, Twin Towers Correctional Facility, Century Regional Detention Facility, North County Correctional Facility, North Facility, South Facility, and East Facility. East Facility currently houses approximately 72 fire camp inmates. The estimated average length of stay that an inmate will spend in jail in 2019-20 will increase to 63.5 days, compared to an average of 60 days in 2018-19. For 2020-21, the projected average length of stay for an inmate is expected to decrease to 62.2 days, based on the average length of stay from the previous five years.

Probation Juvenile Halls and Camps Population

The juvenile hall average daily population reflects youth (generally under the age of 19 years) who are awaiting adjudication and disposition of legal matters, as well as for various post-disposition matters, in two separate facilities: Central and Barry J. Nidorf.

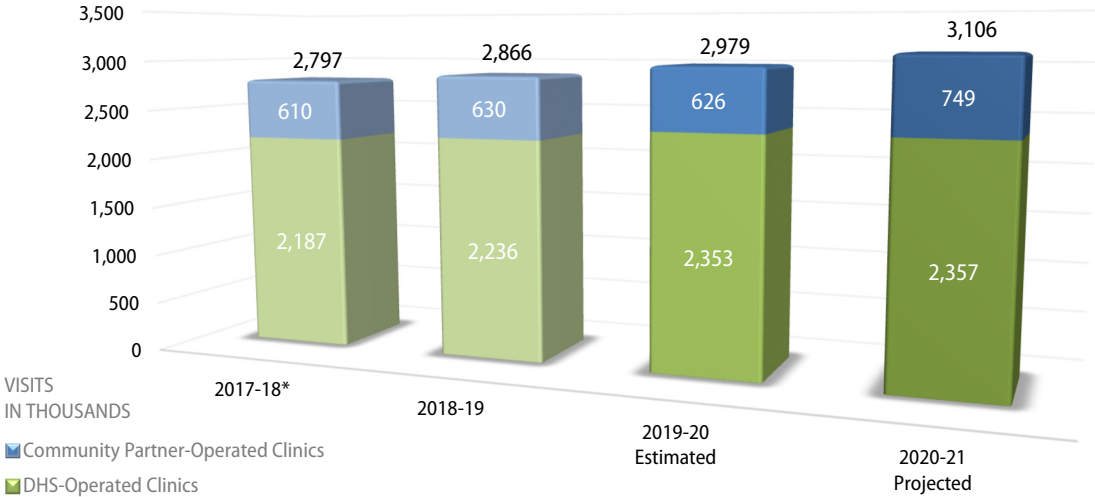

The Residential Treatment Services Bureau provides a safe, secure, and therapeutic residential environment for youth in probation camps. Youth are exposed to a rehabilitative camp experience that leads to successful re-entry into the community and reduces recidivism. Youth are ordered to a camp commitment by the Juvenile Court for an average of 25 weeks. The estimated 2019-20 and projected 2020-21 figures reflect 13 camps that are temporarily closed.

HEALTH SERVICES WORKLOAD CHARTS

Average Daily Inpatient Census

The Department of Health Services' (DHS) average daily inpatient census has stabilized after a coordinated effort to provide patient care in more appropriate and cost-effective venues, rather than in traditional emergency room or inpatient hospital settings.

*Revised from previous publications

Outpatient Visits

DHS' outpatient visits, including visits at DHS clinics and contracted Community Partner clinics, are increasing as the Department continues to increase access to care and provide more outpatient visits by expanding the number of primary care medical homes, thereby reducing costly hospital inpatient care and emergency room services. DHS' goals and Medi-Cal 2020 Waiver program incentives have encouraged the Department to provide care in more appropriate settings, such as primary and preventative care.

PUBLIC ASSISTANCE WORKLOAD CHARTS

CalWORKs

The federal Temporary Assistance for Needy Families (TANF) block grant program is authorized under Title IV of the Social Security Act. It replaced the Aid to Families with Dependent Children (AFDC) entitlement program, among others. In California, TANF requirements are administered under Division 9, Part 3, Chapter 2 of the Welfare and Institutions Code, as the California Work Opportunities and Responsibility to Kids (CalWORKs) program. The CalWORKs program provides temporary financial support and supportive services to eligible adults with children to enable them to transition from welfare to work and achieve economic self-sufficiency. This chart reflects the average number of persons aided each month by fiscal year.

Indigent Aid

Indigent Aid, a State-mandated program administered by counties, is defined by Section 17000 of the Welfare and Institutions Code. The Indigent Aid Program provides financial assistance to indigents who are ineligible for other State and federal assistance programs. This program also provides emergency assistance to individuals and families in temporary need. This chart reflects the average number of persons aided each month by fiscal year.

Reader's Guide to Understanding the Budget

The Recommended Budget contains the proposed financial and operating plan for the County for the fiscal year, which runs from July 1 to June 30. The following general outline is designed to assist the reader in understanding the information presented in each document. Additional information related to the County and its operations and services can be obtained at <http://lacounty.gov>.

THE GOVERNING BODY

A five-member, elected Board of Supervisors that has legislative and executive authority governs the County, a political subdivision of the State of California.

FINANCIAL STRUCTURE AND OPERATIONS

To secure uniform accounting standards among California's 58 counties, the State Controller provides administrative directives and recommends practices and procedures relating to the form and content of the annual County Budget. In accordance with State direction, the County uses a modified accrual basis of accounting, and organizes and operates that system on a fund basis. Funds are separate legal or fiscal entities by which resources are allocated and controlled. The County Budget has seven major types of funds:

I. General Fund

The General Fund is the principal fund and finances most governmental operations that are general in purpose and not included in another fund.

II. Enterprise Funds

Enterprise Funds account for the operations of governmental units where the users of the services include the general public, and the costs of providing such services are financed primarily by user charges, similar to a private business. Examples are the Hospital Enterprise Funds.

III. Special Revenue Funds

Special Revenue Funds account for the proceeds of revenue sources that must be spent for specific purposes. Examples are the Child Abuse and Neglect Prevention Program Fund and Sheriff Processing Fee Fund.

IV. Capital Project Special Funds

Capital Project Special Funds account for financial resources used for the acquisition or construction of major capital facilities (other than those financed by proprietary and trust funds). Examples are the General Facility Capital Improvement Fund and Marina Replacement Accumulated Capital Outlay Fund.

V. Special District Funds

Special District Funds, financed by specific taxes and assessments, are separate legal entities that provide public improvements and services to benefit targeted properties and residents. Examples are the Garbage Disposal Districts and the Sewer Maintenance Districts.

VI. Other Proprietary Funds

Other Proprietary Funds account for those governmental activities that are similar to those found in the private sector and include Enterprise Funds and Internal Service Fund.

VII. Agency Fund

Agency Fund is a separate legal entity under the authority of the Board that includes the Los Angeles County Development Authority.

VOLUME ONE

TRANSMITTAL LETTER

The Transmittal Letter provides an overview of the Chief Executive Officer's Recommended Budget. The letter includes a summary of the key countywide recommendations reflected in the budget and provides a discussion of funding recommendations for major County program areas. The letter also outlines the legal requirements and process for adopting both a Recommended and Final County Budget.

BUDGET SUMMARIES

The Budget Summaries section provides information about each budget unit. The following information is included in this section for each department:

- Budget Summary
- Mission Statement
- Budget Message
- Critical/Strategic Planning Initiatives
- Changes From Prior Year Budget
- Critical and Unmet Needs (*as applicable*)
- Budget Detail
- Program Summary (*as applicable*)

VOLUME TWO

BUDGET DETAIL SCHEDULES

The Budget Detail Schedules section displays appropriation by budget unit by object (and in some cases, object class) and provides the Auditor-Controller with budgetary control over expenditures and future financial commitments during the fiscal year. This section is separated into six subsections: Capital Projects/Refurbishments, Special Revenue Funds, Capital Project Special Funds, Special District Funds, Other Proprietary Funds, and Agency Fund.

BUDGET SUMMARY SCHEDULES

These schedules provide summary information on financing sources and uses.

AUDITOR-CONTROLLER SCHEDULES

These schedules provide summary and detailed countywide financing source and use information necessary to meet mandated State Controller requirements.

Mission Statement

The Affordable Housing budget unit was established pursuant to an October 27, 2015 Board motion to provide funding for the development and preservation of affordable housing, including funding for support services such as rental assistance, rapid re-housing, homeownership, and move-in assistance.

The Recommended Budget also includes \$0.4 million for various operational and maintenance expenditures related to certain public housing units in the unincorporated areas of South Los Angeles.

Critical/Strategic Planning Initiatives

Program goals continue to focus on funding the development of affordable housing and its related support services within the County.

2020-21 Budget Message

The 2020-21 Recommended Budget reflects continued funding for affordable housing efforts.

Mission Statement

As an essential resource and value-added partner, the Agricultural Commissioner/Weights and Measures (ACWM) protects the environment, the agricultural industry, consumers, and business operators through effective enforcement of federal and State laws and County ordinances, and continuously advances reliability, locally and nationally, in environmental initiatives and marketplace integrity.

2020-21 Budget Message

The 2020-21 Recommended Budget reflects an NCC increase of \$0.3 million primarily due to Board-approved increases in salaries and health insurance subsidies, partially offset by an adjustment to remove prior-year funding that was provided on a one-time basis. The Recommended Budget also reflects the addition of 1.0 Information Technology (IT) Manager, offset by the deletion of 1.0 IT Supervisor.

Critical/Strategic Planning Initiatives

The Department continues to:

- Support the County's Women and Girls Initiative (County Strategic Plan Goal I Strategy 1.2.6) through increased recruitment efforts to further diversify the Department's field workforce by seeking more qualified female applicants, coordinating with local universities for placement and recruitment programs, and participating in job fairs throughout all supervisorial districts;
- Support Wellness of Communities (County Strategic Plan Goal II Strategy II.2) through enhancements to Weights and Measures consumer protection program staffing, coordination with County departments in reducing wildfire fuel loads, and maximizing pest exclusion and vegetation management efforts through the use of the least-toxic methodologies to limit pesticide use and protect the environment and public;

- Pursue opportunities to increase revenue and funding sources (County Strategic Plan Strategy III.3) through proactive involvement in legislation and regulation development, coordination with leadership from the California Department of Food and Agriculture (CDFA) and the California Department of Pesticide Regulation to influence program support and funding, and teaming with statewide partners to secure federal funds; and
- Aid efforts to Realize Tomorrow’s Government Today (County’s Strategic Plan Goal III) through ongoing employee development, including continued participation by departmental managers in the Executive Development Leadership and Management Development programs. Additionally, ACWM is implementing technology enhancements, maximizing utilization of GIS technology, and migrating applications for a myriad of programs to web-based systems for cost and operational efficiencies and pursuing extensions to the scopes of services offered by its three diverse laboratories (Plant Pathology, Entomology, and Metrology).

Authority: Mandated program – CFAC Sections 52251 and 6961.

Provide healthy, pest-free plants to consumers for the beautification of their homes and environment through the detection and control of existing and introduced injurious pests and diseases.

The Nursery Program prevents the introduction and spread of agricultural pests through nursery stock and protects agriculture and consumers against economic losses resulting from the sale of inferior, defective, or pest-infested nursery stock.

The Seed Program ensures accurate identification and viability of seeds available for purchase by consumers and industry. Poor quality seeds can cost farmers and home gardeners alike considerable amounts of time, money, and resources by way of reduced yields, poor crop quality, contamination by weeds, or other unwanted species. By enforcing California Seed Law requiring labeling, the Department is able to ensure that consumers receive the desired product.

6. Pest Exclusion

Net Program Costs	3,887,000	--	3,401,000	486,000	27.0

Authority: Mandated program – CFAC Sections 5101 and 6301.

Protect agriculture and natural resources by enforcing both State and federal quarantines established against exotic pests and diseases. County agricultural inspectors seek out unauthorized agricultural shipments at the Los Angeles International Airport (LAX) and high-risk facilities, such as postal offices, express carrier locations, air and sea ports, and produce specialty markets. Shipments infested with quarantine pests and/or in violation with established quarantines are required to be treated under the supervision of County agricultural inspectors.

Low Risk

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs (Phytosanitary Certification)	2,397,000	--	3,154,000	(757,000)	16.0

Authority: Mandated program – CFAC Sections 5202 and 5205.

Provide an efficient service for the nursery and produce industries by certifying that their highly perishable shipments comply with the entry requirements of other states and countries through the use of Phytosanitary certifications. The program promotes commerce and supports the ability of industry to export agricultural products domestically and internationally.

Entomology/Plant Pathology Laboratories/Sudden Oak Death (SOD)

Entomology/Plant Pathology Laboratories

Authority: Non-mandated, discretionary program.

Provide support and assistance to departmental programs, such as Fruit Fly Detection, SOD, and Pest Exclusion, as well as other County departments and municipal governments. Protect consumers by identifying known and potential agricultural pests entering the County through port facilities. Produce educational materials, including pest images to augment presentations, to increase the efficiency of departmental pest exclusion staff and the public. Information is provided to the general public via the Department’s website.

SOD

Authority: Mandated program – Federal Domestic Quarantine 7 Code of Federal Regulations (CFR) 301.92.

Enforce federal and State quarantines against *Phytophthora ramorum* (P. ramorum). County agricultural inspectors inspect and sample nurseries in the County for plants infected by P. ramorum. Nurseries found to be free of P. ramorum are issued a compliance agreement that allows them to ship nursery stock out-of-state. Nurseries found to have plants that are infected by P. ramorum are further inspected to determine the extent of the disease within the nursery. All blocks of nursery stock found to have infected plants are required to be destroyed by burial in a landfill. Audits of each nursery with a SOD compliance agreement are conducted quarterly to ensure that the nurseries are following the requirements contained in the compliance agreement.

Glassy-Winged Sharpshooter (GWSS)

Authority: Mandated program – CFAC Sections 6045, 6046, and 6047.

Provide a mechanism by which wholesale nurseries, a major agricultural producer in the County, can ship intrastate and prevent the artificial spread of the insect pest that carries Pierce’s Disease, a disease threatening grape and wine production.

7. Produce Standardization

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos

Net Program Costs	2,174,000	--	1,628,000	546,000	16.0

Authority: Mandated program – CFAC Sections 42801 and 43061.

Ensure fair competition between produce dealers and that fruit, vegetables, and eggs meet minimum California standards for quality. The program provides verification and documentation to growers for produce that is not sold, and is donated or destroyed.

8. Scales and Meters Accuracy – Device

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos

Net Program Costs	2,994,000	--	2,220,000	774,000	22.0

Authority: Mandated program – CBPC Section 12103.5.

Conduct undercover test purchases at retail stores. The prices charged for items selected are compared with the stores lowest posted or advertised prices. Any overcharge is a violation of the CBPC.

10. Business Practices and Investigations

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos

Mission Statement

The mission of the Alliance for Health Integration (Alliance) is to strengthen innovation and collaboration in order to make significant improvements in health outcomes for County residents.

2020-21 Budget Message

On January 13, 2015, the Board unanimously approved in concept the integration of the Departments of Health Services, Mental Health, and Public Health to create the Health Agency.

On February 18, 2020, the Board unanimously approved a proposal to transition the Health Agency to the Alliance for Health Integration to implement a series of intentional, integrated actions and activities to achieve measurably improved health outcomes for County residents in most need.

The budgets for the three departments will continue to remain separate. Therefore, the 2020-21 Recommended Budget reflects the summation of the Alliance's resources and three departments' budgets, after which each department follows. The Alliance is funded with available resources and will be adjusted once its organizational structure has been finalized.

Critical/Strategic Planning Initiatives

The Alliance has three strategic priorities, which were developed in conjunction with various stakeholders, including departmental leadership teams, union partners, all health-affiliated County commissioners, and various community stakeholders.

The three strategic priorities are:

- Integration and development of prevention, treatment, and healing services.
- Reduction of health inequities.
- Improvement of organizational effectiveness.

The Alliance will continue to work with stakeholders to further refine the specific objectives and metrics for each strategic priority.

Mission Statement

The mission of the Department of Health Services (DHS) is to ensure access to high-quality, patient-centered, cost-effective health care for County residents through direct services at DHS facilities and through collaboration with community and university partners.

The Department provides vital inpatient acute care services in four hospitals, and outpatient services at two outpatient centers, six comprehensive health centers (CHC), 13 health centers (HC), and over 100 Community Partners' clinics. The Department works in close collaboration with other County

departments, such as Mental Health, Public Health, Probation, Children and Family Services, and Sheriff, to provide targeted, coordinated services to fragile residents with specific needs in the communities. The Department also manages emergency medical services for the entire County, and trains over 1,700 physician residents annually.

The Department ensures that the medically indigent have appropriate access to health care in their communities. DHS serves as a provider, contractor, and coordinator of health care services that are effective, efficient, comprehensive, and that lower the cultural, linguistic, financial, and disability-related barriers to access.

2020-21 Budget Message

The 2020-21 Recommended Budget is funded with available resources and reflects the minimum maintenance of effort (MOE) required by law (\$349.8 million and vehicle license fees (VLF) realignment revenue of \$282.8 million), plus an additional \$419.8 million in County funding. The additional County funding components are comprised of \$364.8 million from the General Fund and \$55.0 million in Tobacco Settlement funds. The Recommended Budget also reflects \$23.1 million in County resources allocated to the Department of Public Social Services (DPSS) for the In-Home Supportive Services (IHSS) Provider Health Care Plan.

The Recommended Budget reflects an NCC increase of \$9.0 million, consisting primarily of Board-approved increases in salaries and employee benefits and a one percent increase in the MOE related to AB 85, which governs the Affordable Care Act (ACA) implementation in California, offset by the deletion of prior-year funding provided on a one-time basis, adjustments to capital projects, and an increase in VLF revenue.

The Recommended Budget also reflects \$211.3 million in Measure B Special Tax revenue, of which \$208.5 million is allocated for County hospital emergency and trauma care costs. Another \$2.8 million is allocated for services related to

trauma centers and emergency medical services overseen by the Health Services Administration-Emergency Medical Services unit.

The Recommended Budget also includes additional positions, fully offset with position reductions primarily to augment services at the Patient-Centered Medical Homes, as well as a \$112.6 million placeholder to reduce the Department's overall appropriation to match the estimated \$219.1 million of obligated fund balance available, until the Department clarifies its revenue projections and explores other potential solutions to fully fund its budget. Although a significant portion of the Department's obligated fund balance is currently reserved until its long-term receivables are resolved, the Department anticipates that some of the receivables will be received or other revenues will be realized that will allow the Department to remove the placeholder later this year.

Critical/Strategic Planning Initiatives

The Department is continuing to move towards its vision of being recognized nationally as a model integrated health system. To help achieve that, it is focused on transforming its system and services to provide cost-effective care for patients across the continuum of care by optimizing clinical quality and patient experience, developing a high-performing workforce, and ensuring its financial viability in support of this vision.

Health Services Financing Elements reflects appropriations and revenues from the following budget units:

Contributions to Hospital Enterprise Funds

This budget unit provides a General Fund subsidy to support the operation of the four Hospital Enterprise Funds.

Managed Care Rate Supplement

This budget unit accounts for intergovernmental transfer (IGT) payments for the non-federal share of the Managed Care Rate Supplement. Effective FY 2019-20, these payments are reflected in the other DHS budget units.

Realignment

This budget unit accounts for realignment sales tax revenues, which may be used for County health services programs.

The Board approved the integration of correctional health services on June 9, 2015, to enhance the quality and delivery of healthcare to the incarcerated population in the County jails. The Integrated Correctional Health Services (ICHS) oversees the development and delivery of integrated medical, mental health, and substance use disorder treatment services to the inmate population. ICHS ensures that this vulnerable population's healthcare treatment continues upon re-entry into the community by arranging comprehensive transition services that will be provided by County departments and community-based organizations.

Managed Care Services Division (MCS) functions as the medical services organization for DHS and coordinates the delivery of healthcare to improve the quality of care provided by DHS in a managed care environment. MCS' main function is to support patients, providers, health plan partners and staff in fulfilling DHS' managed care responsibilities. MCS' goals are to improve DHS outcomes and patient experience, while reducing the cost of providing care. MCS monitors compliance with managed care contractors, including health plans and medical groups. MCS also tracks healthcare quality, standardizes processes across DHS clinical settings and assesses potential new managed care lines of business.

Authority: Non-mandated, discretionary program.

Psychiatric acute care is a provision of care to adult, adolescent, and child patients with mental illnesses or disorders. The services can also be provided for mental illnesses requiring isolation or a locked unit. These services are staffed with specially trained personnel and contain monitoring and specialized support equipment for patients who, as a result of shock, trauma, or threatening conditions, require intensified, comprehensive observation and care. The program also includes emergency treatment to the mentally ill requiring immediate care on an unscheduled basis provided in the psychiatric emergency room. Activities include, but are not limited to, assisting psychiatrists in emergency procedures, comforting patients, maintaining aseptic conditions, and monitoring vital life signs.

6. Emergency Department (excluding Psychiatric Emergency Department)

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	212,640,000	--	212,640,000	--	1,066.0
<i>Less Administration</i>	--	--	--	--	--

<i>Less Administration</i>	--	--	--	--	--
Net Program Costs	226,546,000	--	226,546,000	--	952.0

Authority: Mandated program – California Welfare and Institutions Code Section 17000.

Laboratories and Pathology includes clinical and anatomic pathology. Anatomic pathology consists of surgical, cytologic and autopsy pathology, hematopathology, and electron microscopy. Clinical pathology sections include blood bank/transfusion medicine, chemistry, hematology and coagulation, immunology, microbiology, and urinalysis. Activities are designated as pre-analytical, analytical and post-analytical. They range from patient preparation and specimen collection, transport of specimen, specimen processing, testing/analysis, results reporting and, in some cases, test interpretation. Specimens include blood, tissues, and various human sources for culture. Blood bank/transfusion services may range from donor collection/procurement, testing for transfusion compatibility, release for transfusion, to apheresis of patients. Blood products range from whole blood, red cells, and fresh frozen plasma to apheresis units. Some testing is performed off-site in either another hospital laboratory or in a contract reference laboratory.

10. Hospital-Based Pharmacies

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	391,796,000	--	391,796,000	--	648.0

Net Program Costs	669,352,000	5,949,000	663,403,000	--	1,291.0

Authority: Mandated program – California Welfare and Institutions Code Section 17000.

Clinic-based outpatient services (including ancillaries, etc.) are provided by Outpatient Clinics (OC), CHCs, and HCs. State law and case law mandate that the County ensures the availability of health services that alleviate pain, treat infection, maintain basic function and adequate nutrition, and provide care for conditions posing serious health risks for individuals without health insurance or financial resources. Operating the OCs, CHCs, and HCs is one way the County has chosen to fulfill its obligation to deliver these services.

13. Community Partners (CP) Program

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	65,893,000	--	61,588,000	4,305,000	233.0
<i>Less Administration</i>	--	--	--	--	--
Net Program Costs	65,893,000	--	61,588,000	4,305,000	233.0

Authority: Non-mandated, discretionary program.

The CP program, in collaboration with its strategic and traditional partners, provides primary, specialty, and dental services across the County. The goal is to ensure that all patients who qualify for the program receive the highest quality health care services.

The Managed Care Services Division is responsible for the overall administrative management of the CP program and My Health LA. The Division works collaboratively with community health care organizations, contractors, and health advocates to plan, implement, and evaluate ambulatory care services throughout the County, as well as Department managers and community stakeholders, to develop countywide ambulatory care initiatives and policies.

14. Emergency Medical Services (EMS)

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	33,922,000	999,000	32,923,000	--	209.0
<i>Less Administration</i>	--	--	--	--	--
Net Program Costs	33,922,000	999,000	32,923,000	--	209.0

Authority: Non-mandated, discretionary program.

The EMS Agency is responsible for planning, implementing, monitoring, and evaluating the local EMS system. This includes establishing policies, addressing the financial aspects of system operation, and making provisions for collection, analysis, and dissemination of EMS related data. In addition, the EMS Agency is responsible for establishing operational policies and procedures, designating EMS base hospitals and specialty care centers, such as trauma centers, developing guidelines, standards, and protocols for patient treatment and transfer, implementing a pre-hospital Advanced Life Support Program, certifying and accrediting pre-hospital medical care personnel, and approving EMS personnel training programs.

15. JCHS

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	42,216,000	30,932,000	921,000	10,363,000	251.0

Net Program Costs	42,216,000	30,932,000	921,000	10,363,000	251.0

Authority: Mandated program – California Welfare and Institutions Code Section 17000.

JCHS provides health care and dental services to children and youth in the Probation Department's detention and residential facilities.

16. MCS

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	46,928,000	--	--	46,928,000	271.0
<i>Less Administration</i>	--	--	--	--	--
Net Program Costs	46,928,000	--	--	46,928,000	271.0

Authority: Non-mandated, discretionary program.

MCS functions as the medical services organization for DHS and coordinates the delivery of health care to improve the quality of care provided by DHS in a managed care environment. MCS' main function is to support patients, providers, health plan partners, and staff in fulfilling DHS' managed care responsibilities. MCS' goals are to improve DHS outcomes and patient experience, while reducing the cost of providing care. MCS monitors compliance with managed care contractors, including health plans and medical groups, tracks health care quality, standardizes processes across DHS clinical settings, and assesses potential new managed care lines of business.

17. ICHS

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	385,689,000	7,386,000	15,676,000	362,627,000	2,159.0
<i>Less Administration</i>	--	--	--	--	--
Net Program Costs	385,689,000	7,386,000	15,676,000	362,627,000	2,159.0

Authority: Mandated program – Federal Constitution with discretionary service level.

ICHS is the result of the Board-approved integration of health and mental health services provided in the County's correctional system into a single, consolidated correctional health services unit within DHS. The integration involved the transfer of existing correctional health staff from the Department of Mental Health and the Sheriff Department's Medical Services Bureau to DHS. ICHS allows DHS to collaborate with the Sheriff Department's custody personnel to implement a number of enhancements, such as coordinated primary and preventative care, improved workflows and clinical processes, access to care and discharge/re-entry planning, enhanced jail mental health services, emphasis on substance use disorder services, and improvement opportunities for recruitment, retention, and training of jail health staff.

18. Administration (including Fiscal Services, General Services, and Patient Care Services)

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	3,863,667,000	247,614,000	3,010,958,000	605,095,000	8,052.0

Net Program Costs	3,863,667,000	247,614,000	3,010,958,000	605,095,000	8,052.0

Authority: Non-mandated, discretionary program.

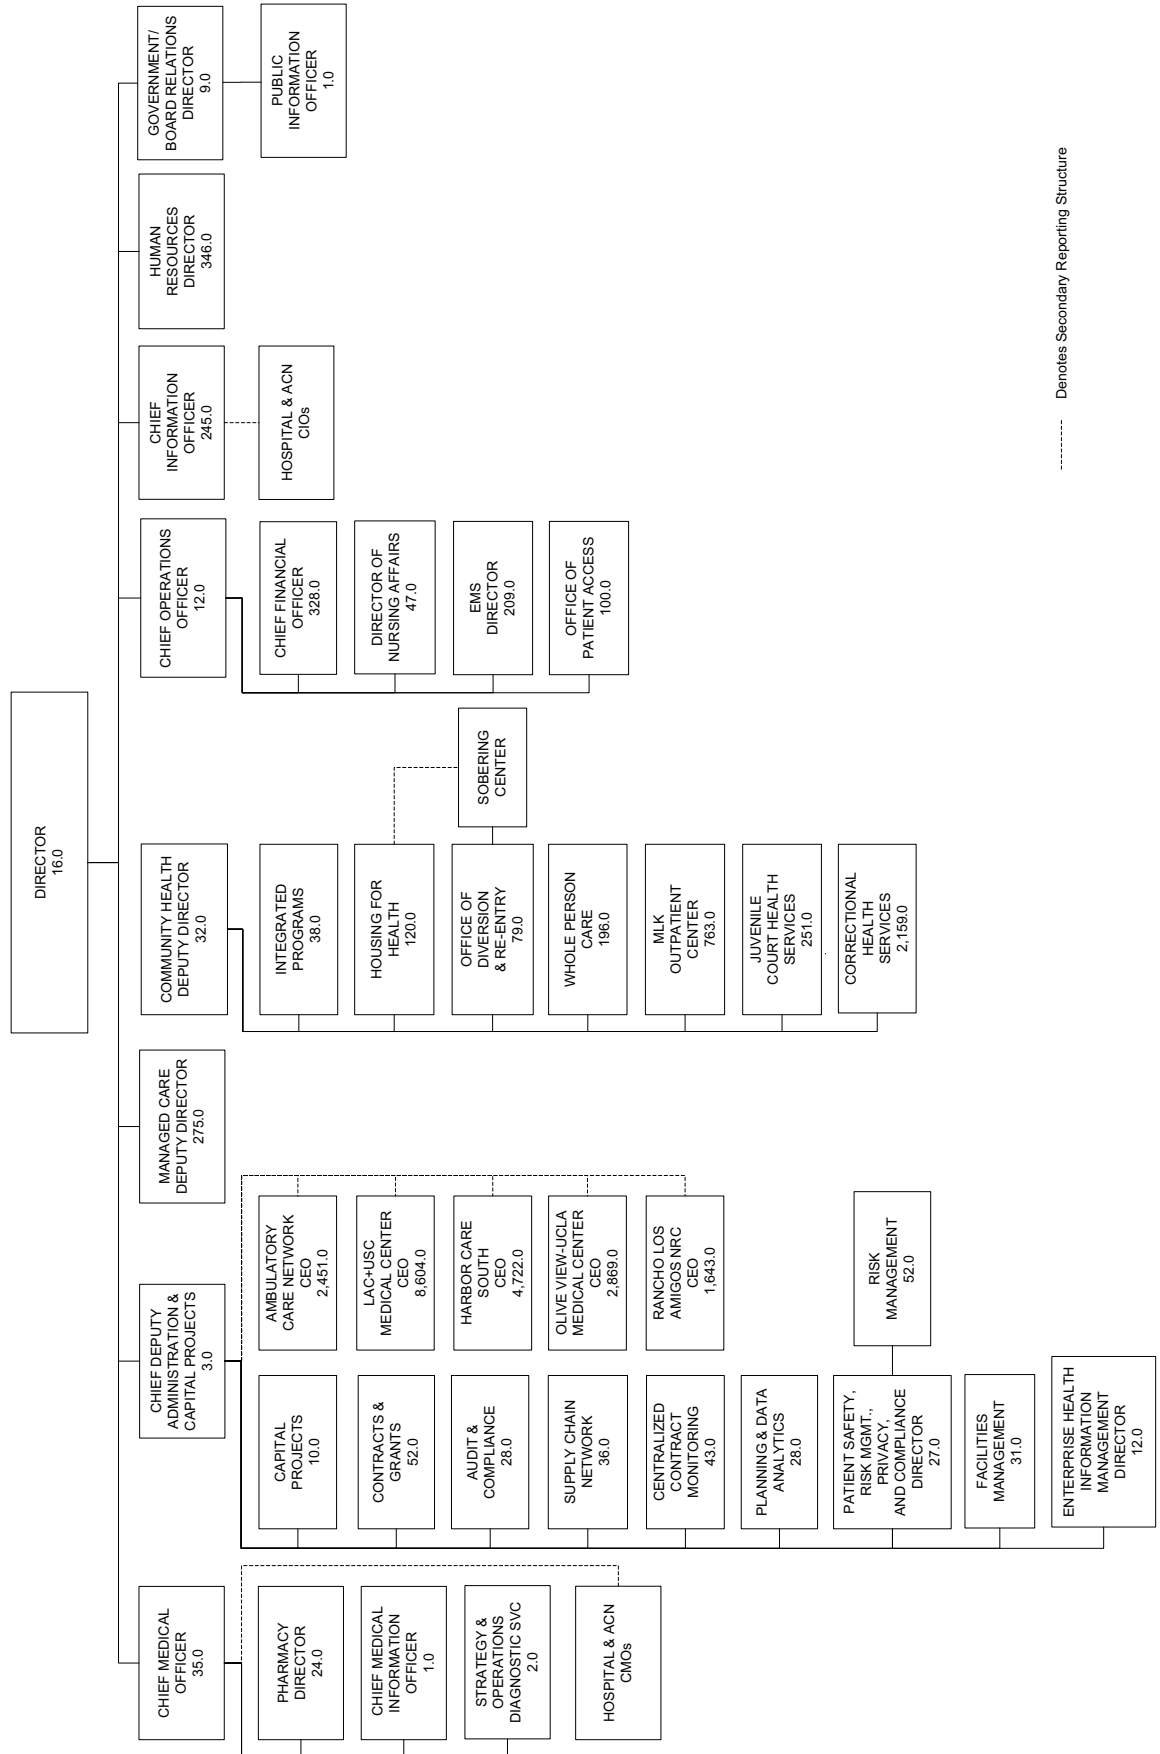

Administration includes the Administrative Program, General Services, Patient Care Services, and DHS' non-operating budget units (Contributions to Hospital Enterprise Funds, DHS Enterprise Fund, Managed Care Rate Supplement, and Health Services-Realignment).

The Administration Program provides administrative support and executive oversight to the operations of the Department. This program includes the executive office, departmental budgeting, accounting, personnel/payroll, procurement and strategic planning functions, admitting, registration, hospital administration, employee health services, community health services, auxiliary group, medical library, medical records, medical staff administration, nursing administration, nursing float personnel, in-service education-nursing, utilization management, and other unassigned costs such as depreciation/amortization, leases and rentals, malpractice insurance, other insurance, interest, and non-payroll related employee benefits. In addition, it includes intergovernmental relations, communications, and various other administrative functions with departmentwide impact.

General Services are the non-patient care support services needed to operate a hospital. Included under General Services are kitchen, dietary, laundry and linen, social work, housekeeping, security, grounds, plant operations, plant maintenance, communications, and data processing.

Mission Statement

The Department of Mental Health (DMH) envisions a County unified by shared intention that helps those suffering from mental illness to heal, grow, and flourish. The mission of DMH is to optimize the hope, well-being, and life trajectory of the County's most vulnerable through access to care and resources that promote not only independence and personal recovery but also connectedness and community reintegration.

2020-21 Budget Message

The 2020-21 Recommended Budget is funded with a combination of additional ongoing revenue and one-time funding available from prior fiscal years. The Recommended Budget reflects the minimum maintenance of effort (MOE) required by law of \$22.3 million and Vehicle License Fees of \$29.3 million, as well as \$6.4 million in NCC overmatch for programs such as the public guardian, single adult model services, and reentry and education services for clients leaving the justice system.

The Recommended Budget includes funding increases for a variety of important mental health services. Among the significant increases are the following: 1) new and continued implementation of various Mental Health Services Act (MHSA) programs, in accordance with the Department's MHSA plans and periodic updates, chiefly comprised of annualization of partial-year funding added in the previous fiscal year for Board-approved initiatives, additional staff to link mental health services to persons in court or in transition from jails, early prevention services to youth at risk for psychosis, mental health services for veterans, and decreases in one-time funding; 2) increased funding to purchase beds from Institutions for Mental Disease (IMD) and to address the increasing need for higher levels of care; 3) additional staff to enhance the coordination and navigation of intensive mental health services and promote improved access to care; and 4) additional funding for negotiated salaries and related employee benefits changes.

Critical/Strategic Planning Initiatives

The Department is committed to playing a key role as partner and contributor to the County's broader vision for addressing critical challenges and helping communities flourish. The Department's strategic plan includes goals and strategies that will be implemented through a broad range of initiatives. These initiatives include: 1) the Why We Rise campaign; 2) school-based community access platforms; 3) investments to develop and expand permanent and interim supportive housing; 4) expansion of the Board and Care program;

5) redesign of the MHSa full-service partnership program; 6) the Hollywood mental health pilot project, True Recovery Innovation Embraces Systems That Empower (TRIESTE); 7) the innovative MHSa therapeutic transportation project; 8) the Martin Luther King, Jr. Behavioral Health Center; 9) expanding the network of mental health bed capacity; and 10) expansion of the Homeless Outreach and Mobile Engagement (HOME) program.

Mission Statement

The mission of the Department of Public Health (DPH) is to protect health, prevent disease and injury, and promote health and well-being for everyone in the County.

2020-21 Budget Message

DPH continues to primarily focus on efficient and responsive public health services to all who live, work, and visit the County. The 2020-21 Recommended Budget provides for total appropriation funding of \$1.2 billion supported by grants, fees, and revenue resulting in an NCC of \$222.2 million. This reflects an NCC increase of \$6.0 million primarily due to Board-approved increases in salaries and employee benefits.

Notable changes include:

- Addition of 81.0 positions for health facilities inspection services to continue to transition the federal certification, State licensing, and investigation of complaints and reported incidents from the State to DPH;
- Addition of 60.0 positions to expand Substance Abuse Prevention and Control (SAPC) services through the establishment and operation of 50 student well-being centers across the County;
- Addition of 2.0 positions to support the implementation of the Vision Zero Initiative, which is a component of the County's Sustainability Plan and has the primary goal of reducing traffic deaths and severe injuries in the County; and
- Deletion of 22.0 vacant and 92.0 ordinance-only positions.

Critical/Strategic Planning Initiatives

The Recommended Budget continues to support the Department in fully leveraging resources that align with key initiatives in the County Strategic Plan. This includes co-location and integration of services with the Departments of Mental Health and Health Services, reducing exposures to

environmental hazards, expanding programming to prevent and treat substance use disorders, preventing violence and addressing trauma, eliminating homelessness, and mitigating climate change.

Changes From 2019-20 Budget

<i>New/Expanded Programs</i>					
1. Health Facilities Inspection Division (HFID): Reflects the addition of 81.0 positions, fully offset by State funding to continue the transition of the federal certification, State licensing, and investigation of complaints and reported incidents workload from the State to DPH.	21,061,000	--	21,061,000	--	81.0
2. New Grant Funding and Positions: Reflects the addition of 2.0 positions, fully offset with an increase in revenue to perform lead paint remediation services. Also reflects increases in grant funding to connect uninsured residents to healthcare, support the Public Health Library program, and enhance the substance use disorder counseling workforce.	7,294,000	--	7,294,000	--	2.0
3. SAPC: Reflects the addition of 62.0 positions, fully offset by a reduction in contracted services to support the expansion of SAPC services, primarily through the establishment and operation of student well-being centers across the County.	--	--	--	--	62.0
4. Vision Zero Initiative: Reflects the addition of 2.0 positions to support the implementation of the Vision Zero Initiative, that aims to reduce traffic deaths and injuries in the County.	356,000	--	--	356,000	2.0
<i>Other Changes</i>					
1. Budget Alignment: Reflects appropriation and revenue adjustments to support DPH's continued efforts to align the consolidated departmental budget based on historical experience and anticipated funding levels. Also reflects the deletion of 22.0 vacant and 92.0 ordinance-only positions, fully offset by a decrease in revenue.	(36,443,000)	--	(36,443,000)	--	(22.0)
2. One-Time Funds: Reflects an adjustment to remove prior-year funding that was provided on a one-time basis for the Baldwin Hills Health Assessment and Woolsey Fire recovery efforts.	(477,000)	--	--	(477,000)	--
3. AB 109: Reflects an increase in salaries and employee benefits, fully offset by AB 109 revenue.	77,000	--	77,000	--	--
4. Salaries and Employee Benefits: Primarily reflects Board-approved increases in salaries and health insurance subsidies.	7,225,000	--	3,313,000	3,912,000	--

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos

Authority: Mandated program – California Business and Professions Code Section 2818(a); California Health and Safety Code Sections 101030, 101375, 101450, 105275-105310, 113713, 115880, 116800-116820, 119312, 119319, and 124125-124165; California Water Code; California Code of Regulations Title 17, Sections 30100 and 30253, as well as, Titles 14, 15, 17, 22, 24, and 25; and County Code Titles 11 and 20. Also includes non-mandated, discretionary programs.

Health Protection and Promotion is a cluster of Public Health programs that protect the population of the County from environmental hazards, prevent chronic disease, promote healthy lifestyles, and maximize maternal, child, and adolescent health.

The Environmental Health Division is a regulatory agency that performs mandated services including, but not limited to, inspections or investigations related to food, housing, ocean water, drinking water, lead exposure, vector management, radiation control, and solid waste management. State and local health and safety codes provide the Division authority to carry out regulatory activities to protect public health and safety. The Division also performs non-mandated services such as initiatives related to climate change, water adequacy, and community toxic risk reduction.

The Community Health Services Division, which includes public health nurses, coordinates and carries out field investigations, surveillance activities, and where needed, clinical treatment of populations with communicable disease. In addition, it coordinates community level outreach and education activities within Service Planning Areas (SPA) and local community stakeholders and local governmental agencies.

3. SAPC

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos

Net Program Costs	353,341,000	24,835,000	325,955,000	2,551,000	477.0

Authority: Non-mandated, discretionary program.

SAPC is responsible for the management of all publicly funded substance use disorder (SUD) treatment and recovery support services and prevention activities in the County. Under the recently implemented Drug Medi-Cal Organized Delivery System, SAPC also serves as the County’s specialty Medicaid managed care plan and is responsible for ensuring that the 3.2 million Medi-Cal beneficiaries who need SUD treatment and recovery support services have timely access to these services. SAPC currently contracts with 79 community-based agencies at 250 locations. Additionally, SAPC serves the needs of specific populations such as the homeless, adolescents, and individuals referred by primary care providers, as well as those in the criminal justice and child and family welfare systems. SAPC monitors, audits, and provides evidence-based training to these programs to ensure compliance with federal, State, County, and local requirements.

As the administrator of funding from the federal Substance Abuse and Mental Health Services Administration (SAMHSA), the California Department of Health Care Services (DHCS), and other County departments, SAPC manages the full spectrum of SUD treatment and recovery services and prevention activities for all County residents.

4. Children’s Medical Services (CMS)

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	160,997,000	25,352,000	112,282,000	23,363,000	935.0

Net Program Costs	160,997,000	25,352,000	112,282,000	23,363,000	935.0

Authority: California Children’s Services (CCS): Mandated program – California Welfare and Institutions Code and the California Code of Regulations Title 22, Section 51013. Enabling statute – California Health and Safety Code Section 123800 et seq. Child Health and Disability Prevention Program (CHDP): Enabling statute – California Health and Safety Code Sections 124025, 124060, 124070, and 124075. Health Care Program for Children in Foster Care (HCPCFC): Legal authority – California Welfare and Institutions Code Section 16501.3 (a) through (e).

CMS administers three programs within the DPH: CCS, CHDP, and Child Welfare Public Nursing (CWPHN) comprised of General Program and HCPCFC.

CCS provides defined medically necessary benefits to individuals 21 years of age or younger with physically disabling conditions who meet medical, financial, and residential eligibility requirements of the program. CCS provides administrative case management in the coordination of care and benefits for families and children with special health care needs. CCS also provides physical and occupational therapy through its Medical Therapy Program where there is no financial eligibility requirement.

CHDP provides individuals 21 years of age or younger without Medi-Cal, in low to moderate income families with free immunizations and health check-ups. Families may choose from among CHDP-approved private doctors, clinics, or other health care providers. Services include regular and complete health check-ups, certain screening tests, and immunizations, as well as referrals for diagnosis and treatment. To ensure that children receive high-quality services, CHDP staff conduct monthly provider orientations and make periodic site visits to monitor providers’ compliance with program requirements.

HCPCFC provides public health nurse expertise in meeting the medical, dental, mental, and developmental needs of children and youth in foster care. Program nurses are located in the offices of the Departments of Children and Family Services and Probation.

5. Division of HIV and STD Programs (DHSP)

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	94,513,000	--	76,173,000	18,340,000	219.0
<i>Less Administration</i>	--	--	--	--	--
Net Program Costs	94,513,000	--	76,173,000	18,340,000	219.0

Authority: Non-mandated, discretionary program.

DHSP is responsible for coordinating the overall response to HIV and STD infections in the County, including disease surveillance, field investigation, prevention and treatment programming, and monitoring and evaluation of the quality of services related to HIV and STDs in the County.

DHSP is the designated official administrative agency for DPH to prevent and control the spread of HIV and STD infections utilizing epidemiologic and surveillance systems, coordinated care and treatment services, public, private, and community partnerships and by developing and implementing evidence-based programs and policies that promote health equity and maximize health outcomes in the County. As the grantee and administrator of funding from Health Resources and Services Administration (HRSA), Centers for Disease Control and Prevention (CDC), and SAMHSA, DHSP is uniquely positioned to manage the full spectrum of HIV prevention, care, and treatment services in the County. In addition to surveillance, field investigation, direct programming, and research and evaluation, DHSP utilizes over 200 contracts with a network of nearly 100 community-based organizations and ten County entities, in an effort to maximize access to HIV services.

Program activities to prevent and control STD infections include sexually transmitted infection surveillance and medical consultation for patients who are diagnosed with an STD.

Net Program Costs	3,476,000	165,000	1,549,000	1,762,000	124.0

Authority: Non-mandated, discretionary program.

AVRC provides low-cost, residential recovery, and medical rehabilitation services to alcohol or other drug dependent individuals of the County on a voluntary basis. The residents served at AVRC exhibit a variety of physical, mental, and social problems related to alcohol or other drug abuse and/or dependency. AVRC places emphasis on the recovery and rehabilitation of individuals with alcohol or other drug dependency problems.

7. Administration

Mission Statement

To provide high-quality and caring legal representation to indigent persons charged with a crime when a conflict of interest prevents the Public Defender from providing required legal services, and to represent clients in appellate courts as required.

2020-21 Budget Message

The 2020-21 Recommended Budget reflects an NCC increase of \$2.5 million primarily due to increases in Board-approved salaries and employee benefits, partially offset by an adjustment to remove prior-year funding that was provided on a one-time basis for various projects. The Recommended Budget also reflects the addition of 1.0 information technology (IT) position to enhance technical computer and systems support to departmental personnel, including support for the Client Case Management System.

Critical/Strategic Planning Initiatives

The Department continues to:

- Collaborate with the Public Defender, Chief Executive Office (CEO), Internal Services Department, Information Systems Advisory Board, and the County Bar Association to develop a case management system that meets departmental and County functional needs. The new system will be used to track all indigent defense cases in the County, process all associated workflow, and provide the Board with relevant data and measures that enhance evidence and result-based decision making.
- Collaborate with justice partners, CEO, and community-based organizations to implement a plan to reduce the County's homeless population by promoting increased visibility of local resources available to the Department's homeless clients and assisting clients with referrals to various homeless assistance programs.
- Refine and upgrade the Immigration Rights Unit to enable attorneys to respond to anticipated changes to federal law and to support the County's effort to protect immigrant rights.
- Increase resources dedicated to the Defense of Juveniles program by providing high-quality legal representation to youth within the juvenile justice system.

Mission Statement

The Department of Animal Care and Control, operating under State law and County ordinance, creates safer and healthier communities through the enforcement of local and State laws related to stray animals, animal abuse and neglect, dangerous dogs, rabies vaccination, and licensing, along with the rescue and care of animals during wildfires and other disasters. The Department provides compassionate sheltering and care for lost, abandoned, neglected, and abused pets while seeking positive outcomes for those animals by reuniting lost pets with their families and through its adoption program and partnership with adopting organizations. The Department operates seven animal care centers that have veterinary medical clinics as part of its operations and offers public education programs, low cost spay and neuter surgeries, vaccination, and microchip services. Department costs are partially offset by revenue from pet licenses, contract cities, and fees collected for various animal services in the shelters.

2020-21 Budget Message

The 2020-21 Recommended Budget reflects an NCC decrease of \$0.4 million primarily due to the removal of prior-year funding that was provided on a one-time basis for various maintenance projects, vehicle purchases, and contract services,

partially offset by Board-approved increases in salaries, health insurance subsidies, and the Department's proportional share of the costs to prefund the County's retiree healthcare benefits.

Critical/Strategic Planning Initiatives

The Department continues to implement improvements in accordance with its strategic plan that incorporates four key areas that align with the County strategic goals and initiatives:

- Strengthen and Standardize Animal Care Center (ACC) Practices – Build on a solid foundation of excellence in animal shelter veterinary medicine to enhance and standardize operational practices among its seven ACCs. Expand animal behavior and enrichment programs to incorporate the latest industry knowledge. Also, expand programs that support positive outcomes for animals and explore opportunities to sustain its community partner-driven intervention programs that reduce pet relinquishment by pet owners.
- Enhancing Services to the Community – Improve key programs and procedures so staff and volunteers can more promptly and knowledgeably provide customers with the information, services, options, and resources to meet their needs. Improve volunteer recruitment and onboarding practices, adopt proven volunteer program management strategies, and expand opportunities for volunteers. Increase

community awareness of the many successful programs that save animal lives every day through coordinated communication strategies.

- Developing the Workforce – Continue departmentwide communication of Mission, Vision, and Values, and improve the onboarding program for new employees. Ensure animal control officers receive structured, thorough, and current training regarding policies and best practices via a formal training academy. Continue to focus on the implementation of improved leadership practices through training and mentorship. Develop a more participative working

environment to increase employee engagement and improve morale.

- Increasing Operational Effectiveness – Complete a systematic review of all departmental policies and procedures to ensure they are clear, current, and consistent with industry best practices. Metrics will be revised to provide transparent measurements of the Department’s mission performance. Other operational improvements include creating efficiencies for improved financial management and data capture to make better informed operational decisions, engaging managers in budget oversight and planning, and expanding the capacity of the Department to recover costs.

Mission Statement

To advance arts, culture, and creativity and develop comprehensive programs and policies related to arts and culture throughout the County. The Department of Arts and Culture invests in the County's cultural life, and provides leadership, services, and support in areas including grants and technical assistance for nonprofit organizations, countywide arts education initiatives, commissioning and care of civic art collections, research and evaluation, career pathways in the creative economy, professional development, free community programs, and cross-sector strategies that address civic issues. This work is framed by a commitment to fostering cultural equity and inclusion and access to the arts.

2020-21 Budget Message

The 2020-21 Recommended Budget reflects a \$1.0 million NCC increase primarily attributable to the addition of 8.0 positions to support the Civic Art and Arts Education Divisions, Board-approved increases in salaries and health insurance subsidies, and retiree health insurance.

Critical/Strategic Planning Initiatives

- Implement the County's Cultural Policy, which serves as a road map for how all County departments can contribute to cultural equity and inclusion in every sector of civic life as part of the Cultural Equity and Inclusion Initiative;
- Develop an updated Arts Education Regional Plan to reflect current priorities and ensure access to arts education for all 1.7 million K-12 public school students in the County;
- Implement the Public Art in Private Development Ordinance, which requires public art as part of private development projects in unincorporated areas to provide cultural amenities for the public benefit of the County;
- Implement the Countywide Plan to Elevate the Role of the Arts in Criminal Justice Reform; and
- Establish and enhance the operations, best practices, stabilization, and growth of the Department.

Changes From 2019-20 Budget

Net Program Costs	6,538,000	--	116,000	6,422,000	4.0

Authority: Non-mandated, discretionary program.

Provides financial support, technical assistance, and professional development services to over 400 nonprofit arts organizations annually. These programs assist and strengthen nonprofit organizations and municipal programs to provide arts services to enrich the lives of County residents. All applications undergo a rigorous peer panel review and scoring process to determine the quality of proposed projects and services, which are then approved by the Board. Grantees are provided additional opportunities that include in depth leadership training for executive, artistic, and managing directors; workshops on advancement and capacity building topics such as human resources, marketing, board development, and fundraising; grant application workshops; and scholarships for arts administrators to attend local conferences and take courses at the Center for Nonprofit Management and the Long Beach Nonprofit Partnership.

2. Arts Internships

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	1,837,000	--	64,000	1,773,000	2.0
<i>Less Administration</i>	--	--	--	--	--
Net Program Costs	1,837,000	--	64,000	1,773,000	2.0

Authority: Non-mandated, discretionary program.

Provides 228 paid 10-week summer internships for undergraduate college students at approximately 118 performing and literary arts nonprofits and municipal arts agencies. In addition, interns participate in an arts summit. This program develops future arts leaders to serve in staff positions, as board members, and volunteers in organizations that provide cultural services to County residents. The program works in partnership with the Getty Foundation, which supports internships in visual arts organizations.

Authority: Non-mandated, discretionary program.

The Arts Ed Collective is the County's initiative dedicated to making the arts core in K-12 public education. Established by the Board in 2002, the program is a public-private collaboration with significant support from the Department, and in partnership with the Los Angeles County Office of Education. The Arts Ed Collective currently works with 72 of 81 County school districts and five charter school networks to implement policies and plans that support high quality arts education for the 1.7 million public school students in the County. This unit also manages the County's Arts in Justice Reform initiative which promotes healing, personal growth and overall well-being among County youth (and families) impacted, or at risk of becoming impacted, by the justice system.

4. Civic Art

Net Program Costs	2,078,000	20,000	115,000	1,943,000	10.0

Authority: Non-mandated, discretionary program.

Provides leadership in the development of high-quality civic spaces by integrating the work of artists into the planning, design, and construction of County infrastructure and facilities. The program encourages innovative approaches to civic art and provides access to artistic experiences of the highest caliber to County residents and visitors. The program also provides educational resources and ensures stewardship to foster broad public access to artwork owned by the County. It has developed and maintains the records and inventory for County-owned civic artwork.

Mission Statement

To produce an accurate and timely assessment roll while delivering exceptional service to the public.

2020-21 Budget Message

The 2020-21 Recommended Budget reflects a net decrease in NCC of \$42.7 million primarily due to an adjustment to remove prior-year funding that was provided on a one-time basis for the Assessor Modernization Project (AMP), Business Solutions Group (BSG) appraisers, overtime, legal services, north district security, Lancaster facility roof repair, and the Vehicle Replacement Plan. The Recommended Budget also includes funding for Board-approved increases in salaries and health insurance subsidies, retirement costs, the Department's proportional share of the costs to prefund the County's retiree healthcare benefits, and administrative positions.

Critical/Strategic Planning Initiatives

The Assessor's Office has developed a five-year strategic plan to:

- Introduce evidence-based operational efficiencies to improve work activities and public services;
- Increase the use of social media and the Internet to disseminate critical service messages to the public about Assessor programs and operations;
- Initiate the fifth phase of development of the AMP while partnering with County stakeholders and tax system departments;
- Recruit, train, and develop staff through enhanced training and development programs to increase operational effectiveness; and
- Improve communications to comprehensively address information technology (IT), financial, and human resources initiatives throughout the Department.

Authority: Mandated program – Article XIII of the State Constitution and the California Revenue and Taxation Code.

Appraise real estate properties that either undergo a change of ownership, are subject to new construction, or are impacted by a change in market conditions, as well as appraise business personal property. This includes over 2.3 million parcels throughout the County and over 300,000 business properties that together total a revenue producing assessment value of slightly over \$1.6 trillion. This program also provides public services through the Assessor’s district offices which handle approximately 160,000 telephone calls a year and assist nearly 60,000 taxpayers in person.

Develop and support the Assessor’s automated systems. It is composed of a highly technical group of analysts, programmers, and production operation specialists who create and manage new production systems in a multi-platform and multi-discipline environment. Key activities include developing a replacement system for the antiquated annual tax roll, facilitating solutions in response to tax law changes and business requirements, and initiating process improvements, while supporting customers within and outside of the Assessor’s Office. This program supports the Assessor’s multi-departmental property tax websites which provided information on assessments, taxation and appeals to over 8.0 million visitors in 2019.

Mission Statement

The Auditor-Controller provides the County with financial leadership and expert advice on a wide range of fiscal matters, and advocates for financial integrity and accountability in County business practices. Responsibilities include statutory duties outlined in Sections 26880 and 26900 of the California Government Code; establishing County fiscal and internal control policies and procedures; operating eCAPS and eHR, the County's integrated accounting, disbursing, procurement, purchasing, time collection, and payroll systems; administering the countywide payroll; conducting audits and fraud investigations of departments, employees, and contractors; responding to requests by the Board for special reviews, investigations, and analyses; providing fiscal, payroll, and procurement services for 18 client departments in a shared services environment; monitoring social services contracts; performing mandated property tax functions, including extending property tax rolls, apportioning property tax allocations to taxing entities, including Successor Agencies, and issuing property tax refunds due to property value reductions; disbursing warrants to vendors, judgment

recipients, and claimants; and providing system development and support to a variety of countywide financial systems. In addition, the Auditor-Controller provides the State and other agencies with mandated reports including the Comprehensive Annual Financial Report.

2020-21 Budget Message

The 2020-21 Recommended Budget reflects an NCC increase of \$1.1 million primarily due to Board-approved increases in salaries and health insurance subsidies, as well as the Department's proportional share of the costs to prefund the County's retiree healthcare benefits. The Recommended Budget also reflects the addition of 1.0 position to implement and maintain the new Governmental Accounting Standards Board (GASB) Statement 87 reporting requirements, an adjustment to remove prior-year funding that was provided on a one-time basis for the purchase of a new folding machine in the Disbursements Division, and the deletion of 2.0 vacant positions to fund consultant services related to the Assessor Modernization Project (AMP).

Critical/Strategic Planning Initiatives

The Auditor-Controller advocates for fiscal responsibility and service excellence through various initiatives, including:

- Ensuring public trust in County government by implementing the Board-approved annual audit plan and conducting investigations of fraud and malfeasance;
- Working with the CEO to fully fund compliance audits and enhancing service delivery by ensuring that such services can be provided in a manner consistent with government and accounting industry standards and best practices for audit independence;
- Reinforcing countywide information technology (IT) security by conducting annual IT risk assessments, periodically seeking best practices to improve these assessments, and performing a risk-based program of audits of departments' application systems and IT security policy compliance;
- Improving the fiscal accountability of social services contractors by resolving issues related to federal recovery of questioned costs, ensuring auditor access to contractor records, educating contractors on guidelines, and continuing to enhance the Contractor's Manual to ensure compliance with contract terms and conditions;
- Implementing a Board mandate that requires all new, renewed, and materially modified County contracts and agreements to include language stipulating that it is the County's policy to issue payments to contractors, vendors, and other payees electronically. The default form of payment shall be electronic funds transfer or direct deposit, or in the most appropriate, efficient, secure, and timely form of payment as determined by the Auditor-Controller;
- Continuing to work with the Assessor and Treasurer and Tax Collector to explore options for development of an integrated, enterprise Property Tax System to replace aging, obsolete, and inefficient legacy applications that require high levels of staff and technical support;
- Enhancing and updating eCAPS and the Advantage eHR suite of applications to centralize, consolidate, and fully utilize the County's financial management, reporting, human resources, and talent management functions;
- Continuing enhancements to the Contract Budgeting Module to improve contract data integrity, capturing essential informational data on all County contracts, with the ability to respond to inquiries, and deploy analytic capabilities;
- Expanding the use of data analytics to improve business operations, strengthen fiscal controls, and make more management information available for decisions; and
- Promoting succession planning at high managerial levels by assessing leadership skills of key managers, developing training curriculum that targets core leadership competencies, and making opportunities available for learning.

Mission Statement

The Auditor-Controller – Integrated Applications budget unit includes the costs associated with the development and operation of enterprise applications. The current budget reflects funding for costs associated with the eCAPS/eHR Project, enterprise licenses, and other enterprise applications. eCAPS is the County’s integrated financial application that includes accounting, budget, disbursement, procurement, inventory, vendor self-service, contracts, contract management, debt management, grant lifecycle management, and cost accounting. eHR is the integration of countywide human resources applications for payroll, timekeeping, personnel administration, position control, recruitment, mileage reimbursement, manager self-service, talent management, and other functions. In the future, other major County enterprise applications may be included in this budget unit.

Critical/Strategic Planning Initiatives

The Auditor-Controller through the eCAPS Advisory Committee advocates for operational efficiencies, compliance with regulatory requirements, and alignment with industry standards through various initiatives, including:

- Expanding the functionality of the eCAPS/eHR Enterprise modules with enhancements needed to stay current with technology;
- Creating newly integrated applications to further improve the enterprise-wide needs; and
- Developing best-of-breed technology along with new applications to further enhance the ease of technology among administrative systems.

2020-21 Budget Message

The 2020-21 Recommended Budget reflects a net decrease in NCC of \$1.3 million primarily due to the removal of prior-year funding that was provided on a one-time basis for contract, development, and maintenance costs associated with the enterprise system.

Mission Statement

The Department of Beaches and Harbors is dedicated to caring for the County's coastline and Marina del Rey (Marina).

2020-21 Budget Message

The 2020-21 Recommended Budget reflects a \$5.6 million NCC decrease primarily attributable to an increase in Marina leasehold revenue and the removal of prior-year funding provided on a one-time basis, partially offset by Board-approved increases in salaries and health insurance subsidies.

Critical/Strategic Planning Initiatives

Implementation of the County's and Department's strategic plans will accomplish the following outcomes: 1) visitors to County beaches and Marina will experience world renowned recreational opportunities and quality customer service through accessible, clean, attractive, and safe facilities; and 2) Marina boaters, visitors, and residents will enjoy experiencing the County's "Crown Jewel" through redeveloped leasehold properties and beautiful, well maintained public amenities.

FUNCTION
GENERAL

ACTIVITY
LEGISLATIVE AND ADMINISTRATIVE

Mission Statement

The Board of Supervisors (Board), as the governing body of the County, enacts ordinances, directs overall operation of County departments and districts, and oversees the delivery of services within the County.

The Executive Office of the Board (Executive Office) performs a multi-functional support role for the Board in administering and managing technology, staffing, procurement, and facilities resources, along with the publication of information for the Board, various County departments, and the public. The mission of the Executive Office is to provide excellent customer service and support to the Board in achieving its objectives.

2020-21 Budget Message

The 2020-21 Recommended Budget reflects the funding levels necessary to provide efficient and responsive delivery of services to the Board and the public. The \$7.5 million NCC increase is primarily attributable to the addition of staffing and associated funding for the Probation Oversight Commission (POC) and Office of Inspector General (OIG), and Board-approved increases in salaries and employee benefits. The increases are partially offset by the removal of prior-year funding that was provided on a one-time basis.

Critical/Strategic Planning Initiatives

The Executive Office continues to implement its strategic plan, in alignment with the County's Strategic Plan, with multiple goals for FY 2020-21. The Recommended Budget reflects the resources needed to achieve those goals that continue to focus on the use of technology-driven services.

Net Program Costs	176,891,000	3,922,000	1,828,000	171,141,000	195.0

Authority: Mandated program with discretionary service levels – California Constitution, California Government Code 26227.

The program is comprised of the five Board offices and the Clerk of the Board. The Board provides for the public welfare by establishing County and special district policies, supervises activities of County departments and special districts, adopts annual budgets, and sets salaries. The Executive Office prepares Board agendas and minutes of the meetings, posts actions taken by the Board, maintains Board records, and provides the Board with administrative and information technology support.

2. Assessment Appeals Board (AAB)

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	5,081,000	--	1,891,000	3,190,000	27.0
<i>Less Administration</i>	--	--	--	--	--
Net Program Costs	5,081,000	--	1,891,000	3,190,000	27.0

Authority: Mandated program with discretionary service levels – Article XII of the California Constitution.

The AAB hears and renders decisions on assessment appeals filed by property owners regarding assessed valuations on the County tax roll.

3. ISAB

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	16,646,000	12,406,000	3,720,000	520,000	10.0
<i>Less Administration</i>	--	--	--	--	--
Net Program Costs	16,646,000	12,406,000	3,720,000	520,000	10.0

Authority: Non-mandated, discretionary program.

ISAB consists of two programs: the Integration Services and Videoconferencing programs. The Integration Services program provides funding to support the criminal justice systems participating in ISAB, coordinate and ensure appropriate systems interface, and provide technical and administrative support and workload data analysis. The Videoconferencing program provides for the maintenance, operations, and videoconferencing expansion for additional videoconferencing and interviewer stations throughout the County.

4. OIG

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	8,217,000	--	--	8,217,000	34.0
<i>Less Administration</i>	--	--	--	--	--
Net Program Costs	8,217,000	--	--	8,217,000	34.0

Authority: Non-mandated, discretionary program.

The OIG provides independent and comprehensive oversight, monitoring, and reporting of the Sheriff and Probation Departments by reviewing operations and conditions in custody or detention facilities. The OIG consists of three functional divisions: Review and Analysis, Audit and Investigation, and Monitoring and Community Outreach. The Review and Analysis Division analyzes and reviews data to produce reports and identify trends. The Audits and Investigation Division audits the departments' compliance with policies and procedures. The Monitoring and Community Outreach Division monitors custody or detention facilities conditions, manages complaint responses from inmates, probationers, and the public, and takes input from the public.

5. OCP

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	3,058,000	1,400,000	--	1,658,000	10.0
<i>Less Administration</i>	--	--	--	--	--
Net Program Costs	3,058,000	1,400,000	--	1,658,000	10.0

Authority: Non-mandated, discretionary program.

The OCP collaborates with County agencies, the community, and other entities to identify problems impacting child protection and safety, and develops solutions to improve how the system serves children and families. The OCP's work is driven by integrity, data-driven planning, integrated service delivery, child-centered and family-focused transparency, community engagement, advocacy, and innovation.

6. Civilian Oversight Commission (COC)

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	1,707,000	--	--	1,707,000	9.0
<i>Less Administration</i>	--	--	--	--	--
Net Program Costs	1,707,000	--	--	1,707,000	9.0

Authority: Non-mandated, discretionary program.

The COC provides robust opportunities for community engagement, ongoing analysis and oversight of the Sheriff Department's policies, practices, and procedures, and acts as an advisory body to the Sheriff, Board, and public. The COC works closely with OIG and provides expertise in such areas as custody, community engagement, juvenile justice, and mental health.

7. POC

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	2,360,000	--	--	2,360,000	5.0
<i>Less Administration</i>	--	--	--	--	--
Net Program Costs	2,360,000	--	--	2,360,000	5.0

Authority: Non-mandated, discretionary program.

The POC advises the Board and Chief Probation Officer, and oversees and monitors the Probation Department to address matters that affect the well-being of youth and adults under the Department's supervision. The POC evaluates and supports key reform efforts, promotes transparency and accountability, and maintains public trust in the Department by advising on policies and operations, conducting inspections and investigations, and establishing meaningful opportunities for community engagement.

8. Administrative Services

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	51,008,000	6,119,000	3,901,000	40,988,000	159.0

Net Program Costs	51,008,000	6,119,000	3,901,000	40,988,000	159.0

Authority: Non-mandated, discretionary program.

The program provides Board offices, the Executive Office, and commissions services such as budget, procurement, accounting, information technology, personnel, and payroll. It also provides services to client departments including office support and temporary clerical services. In addition to other County departments and budget units, it provides a comprehensive building management program for the Kenneth Hahn Hall of Administration as well as legislative and operational support.

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos

Mission Statement

The Capital Projects/Refurbishments budget unit reflects the Chief Executive Officer's funding recommendations for the acquisition, development, design, construction, and refurbishment of General Fund capital assets and infrastructure. These recommendations support projects that are currently funded and underway, as well as projects that are anticipated to commence in the coming fiscal year in which viable and sufficient funding has been identified.

2020-21 Budget Message

The 2020-21 Recommended Budget reflects the Board's continuing commitment to allocate a significant amount of available one-time funding to expand, replace, or refurbish the County's capital assets. The Recommended Budget appropriates \$1.4 billion, collectively in the General Fund and Capital Project Special Funds, for 524 active projects to advance the Board's strategic priorities including public healthcare and wellness, public safety, public service delivery, environmental stewardship, deferred maintenance, and cultural institutions. The total capital program is valued at \$4.3 billion, representing 619 projects.

The Recommended Budget includes \$996.3 million for 396 General Fund projects in acquisition, development, design, or construction, and is funded by \$292.6 million in one-time revenue from grants and other sources and \$703.7 million in local discretionary monies. The Budget reflects a decrease of \$8.7 million in appropriation and the completion of 17 projects.

In addition to the projects appropriated in the General Fund, the capital program includes certain critical projects funded under the Department of Health Services (DHS), financed with special district revenue or proceeds from lease revenue

obligation notes, or appropriated in certain special funds. Summarized in Volume Two, the Recommended Budget includes \$446.3 million for 223 special funds projects in acquisition, development, design, or construction to address capital needs in the areas of infrastructure repair and development for health services, public safety, and general government, and reflects an increase of \$9.1 million and the completion of 13 projects.

Critical/Strategic Planning Initiatives

The County will continue to advance the Strategic Asset Management Plan's key objectives, including:

- Maintaining Accurate Asset Inventory – Updating and refining the County Asset Management Property System (CAMPS) of leased and owned properties, which has been shared with each County department and includes Geographic Information System (GIS) features.
- Maximizing Existing Assets – Surveying the condition of all County assets by utilizing the County's Strategic Asset Management (SAM) system and actively assessing the remaining half of the County's real estate portfolio by surveying the Sheriff and health-related facilities. This assessment will guide the implementation of a robust deferred maintenance program for many years.
- Guiding Strategic Investment with Master Planning – Undertaking various master plans with the benefit of the enhanced CAMPS and SAM condition assessment to identify long-term needs across departments and develop strategies to optimize County resources and target investment to support key Board priorities such as homelessness and economic development. Also includes developing a five-year capital plan as a guide for strategic capital investment for capital projects and critical deferred maintenance.

Mission Statement

On behalf of the Board, provide fiscal and management leadership to facilitate policy development and effective program implementation to achieve the County's mission.

2020-21 Budget Message

The 2020-21 Recommended Budget reflects an NCC decrease of \$0.9 million primarily due to an adjustment to remove \$6.5 million in prior-year funding that was provided on a one-time basis, partially offset by \$5.3 million for Board-approved increases in salaries and employee benefits and \$0.3 million for program enhancements.

Critical/Strategic Planning Initiatives

The Chief Executive Officer's (CEO) strategic coordination functions will continue to address key Board priorities, including:

- Provide the oversight and support for the OurCounty Sustainability Plan associated with the Safe Clean Water Program (SCWP) under Measure W through the Chief Sustainability Officer (CSO).
- Provide programmatic support for the Youth Climate Commission.
- Create a Project Management Center of Excellence (PMCoE) for developing and implementing uniform information technology (IT) project management guidelines for all County departments.

The Budget and Finance Division serves as the CEO's fiscal policy advisor, helping to maintain the balance between service delivery and fiscal sustainability while managing the countywide budget process each year. The Division analyzes financial and operational information to make recommendations on the allocation of limited resources. It also monitors financial performance of the County budget and projects the General Fund's cash flow.

2. Benefits, Classification, Compensation, and Employee Relations

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	11,047,000	4,833,000	1,610,000	4,604,000	46.0

Net Program Costs	11,047,000	4,833,000	1,610,000	4,604,000	46.0

Authority: Non-mandated, discretionary programs.

The Benefits program oversees the management of the plan and design of employee benefits including health, life and disability insurance, paid time off policies, and other employee services including the Defined Contribution Program comprised of four supplemental retirement plans (Horizons Plan, Savings Plan, Termination Pay Pick-Up Plan, and Pension Savings Plan). The CEO has overall administrative responsibility over the \$12.0 billion (in assets) program and has contract and management authority. The County is the plan sponsor for the Los Angeles County Employees' Retirement Association (LACERA). The primary responsibility of the program is to oversee retirement policy and monitor the Board of Investment and Board of Retirement meetings, and ensure that the County, as plan sponsor, has a sustainable and cost-effective retirement system. It is also responsible for the policies governing the County-sponsored health plans for retirees administered by LACERA.

The Classification function is the systematic establishment of appropriate job titles, job descriptions, and salaries for positions established under authority of the Board. General guidelines are established under the County Charter, Civil Service Rule 5 (Classification), long-standing County practice, and generally accepted principles of public sector classification. Classification is also responsible for reclassifying positions as well as reviewing and approving departmental organizational structures and reorganizations of existing departmental structures.

The Countywide Compensation program oversees the provisions of County Code Titles 5 and 6 pertaining to the compensation of County employees, with the goal of attracting and retaining the best possible workforce in a fiscally responsible manner. The program administers multiple pay plans and special pay practices, studies labor market conditions, and makes recommendations involving executive compensation and existing policies to the Board. The program provides for the development of strategic planning and advance strategies in support of departmental and countywide economic issues, recommending the County's position in labor negotiations, and analyzing and vetting economic proposals throughout the bargaining process. The program is also responsible for ensuring that the County's compensation policies are in compliance with federal and State laws.

The Employee Relations Division manages the overall employer-employee relations function to ensure uniform administration of labor relations policies, procedures, and statutory compliance. The primary activities of the Division include the development of recommendations to the Board on policies and broad bargaining strategies, and conducting negotiations and consultations with labor unions within the scope of authority granted by the Board, resulting in agreements that govern the wages, hours, and working conditions of represented employees. The Division also administers Memoranda of Understanding and coordinates employee relations matters within the jurisdiction of the Employee Relations Commission. As such, the Division serves as the County's advocate in arbitration hearings to determine whether or not contract violations occurred, in unfair hearings to determine whether there has been a violation of the Employee Relations Ordinance, and in hearings on issues such as bargaining unit determinations.

<i>Less Administration</i>	--	--	--	--	--
Net Program Costs	4,624,000	663,000	250,000	3,711,000	14.0

Authority: Non-mandated, discretionary program.

This program provides for the administration and oversight of the County's economic development and affordable housing efforts. The program manages two distinct budget units established by Board motion in October 2015, and administers the Economic Development Policy Committee and Affordable Housing Coordinating Committee. The program coordinates countywide economic development initiatives across multiple departments including projects related to local job creation, small business support, neighborhood revitalization, workforce development, and affordable housing. The program supports economic development and affordable housing efforts, and manages demographic surveys and boundary changes in the County unincorporated areas.

5. Strategic Integration

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	7,965,000	1,746,000	322,000	5,897,000	27.0

Net Program Costs	7,965,000	1,746,000	322,000	5,897,000	27.0

Authority: Non-mandated, discretionary program.

This program provides central leadership and coordination of Board-directed priorities, other major County policy initiatives, and strategic planning including managing various task force efforts and multi-departmental initiatives. The program identifies opportunities to leverage existing County resources and for partnerships to support the Board in their efforts to drive better outcomes for County residents. It also provides support services for continued advancement, refinement, and implementation of the County Strategic Plan.

6. CSO

Authority: Non-mandated, discretionary program.

This program provides policy recommendations to the Board in the area of environmental sustainability. The primary functions include creating the countywide sustainability plan in coordination with County departments; working with the Sustainability Council and stakeholders throughout the County to make recommendations for policies and programs, interim and long-term goals, metrics and timelines; and creating a monitoring and reporting platform. This program also evaluates and makes recommendations on key environmental issues facing the County.

7. Homeless Initiative (HI)

<i>Less Administration</i>	--	--	--	--	--
Net Program Costs	6,378,000	186,000	3,641,000	2,551,000	20.0

Authority: Non-mandated, discretionary program.

The Homeless Prevention Initiative (HPI) was initially launched with a \$100.0 million investment, and unanimously approved by the Board in 2006 to reduce and/or prevent homelessness. In 2015, the Board and the CEO established the HI to confront the growing homeless crisis. In early 2016, the Board approved 47 coordinated strategies to prevent homelessness, subsidize housing, increase income, provide case management and services, create a coordinated system, and increase affordable and homeless housing. The Board also approved \$99.7 million in one-time funding included in the HPI and departmental budget units. In December 2016, the Board approved an additional four strategies.

In March 2017, County voters approved Measure H, a ¼ percent increase to the County's sales tax to fund homeless services, rental subsidies, and housing that will generate an estimated \$355.0 million per year for ten years to fund 21 of the 51 HI strategies.

<i>Less Administration</i>	--	--	--	--	--
Net Program Costs	7,905,000	2,181,000	--	5,724,000	30.0

Authority: Part federally-mandated program – Health Insurance Portability Accountability Act (HIPAA) and part non-mandated, discretionary program.

Information Security was established by Board Policy 6.100 and provides IT security leadership, policy development, and implementation of federally-mandated HIPAA security regulation and countywide cybersecurity infrastructure, protects critical information assets, and mitigates the impact of computer security incidents.

Information Management was established by Board Policy 6.200 and provides a shared information management platform to enable County departments to identify common clients, securely share and exchange data to coordinate service delivery, and provide data-driven analytic capabilities to achieve outcomes in support of Board priorities and countywide initiatives.

Strategic Engagement facilitates implementation of countywide IT strategic directions and associated policies; provides guidance and assistance to departments to ensure their technology plans are aligned with the County Strategic Plan; makes recommendations to the Board regarding the viability and cost-effectiveness of requested departmental IT agreements; and provides oversight and performs risk assessments on key IT projects.

IT Governance provides oversight of the implementation of the County's IT strategic directions and includes a Project Review Board to mitigate project risks and ensure successful implementation of large, complex departmental IT projects.

9. Women and Girls Initiative (WGI)

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos

Authority: Non-mandated, discretionary program.

The Center for Strategic Partnerships, established within the Strategic Integration Branch, facilitates public-private partnerships to leverage the strengths, skills, and assets of each sector. This will allow them to co-create solutions for challenging problems to improve the lives of vulnerable children, youth, and families in the County. It exists both within the County and in the private sector through its fiscal sponsor and private sector home, Southern California Grantmakers.

11. Legislative Affairs and Intergovernmental Relations

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	7,827,000	1,235,000	195,000	6,397,000	30.0

Net Program Costs	7,827,000	1,235,000	195,000	6,397,000	30.0

Authority: Non-mandated, discretionary program.

The Legislative Affairs and Intergovernmental Relations Branch develops policy recommendations to support the County's legislative program and funding priorities at the local, State and federal levels. In consultation with Board offices and County departments, the Branch develops legislative priorities and policies for consideration and approval by the Board. A major programmatic element is the development of the State and Federal Legislative Agendas, which contain policies to: enhance and protect County resources and programs; provide administrative flexibility to maximize resources for services; protect against the imposition of unfunded mandates; and pursue legislation to remediate, enhance or increase flexibility of existing programs and projects in County departments. The Branch spearheads efforts to pursue County-sponsored legislation, as well as analyzes State and federal initiatives, legislation, budget proposals, and advocacy on other measures affecting the County's programs and operations.

The Legislative Affairs' Washington, D.C. and Sacramento offices, along with the Government Relations Unit, direct targeted advocacy efforts in coordination with Board offices, County departments and key stakeholders to educate and engage elected officials and agency leaders about legislation, policy, funding, and regulatory matters of interest to the County. The Branch also coordinates advocacy visits to Sacramento and Washington, D.C.; serves as the liaison to cities within the County and to State and federal legislative offices; administers General Services Agreements with cities to provide services through County departments; and represents the County's interests with external organizations and jurisdictions.

The Branch also includes the County Office of Protocol, which serves as the liaison to the Los Angeles Consular Corps and foreign dignitaries and promotes international business, tourism, and cultural exchanges throughout the County.

12. Countywide Communications

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	4,013,000	269,000	899,000	2,845,000	17.0
<i>Less Administration</i>	--	--	--	--	--
Net Program Costs	4,013,000	269,000	899,000	2,845,000	17.0

Authority: Non-mandated, discretionary program.

This program is comprised of public affairs, media relations, multimedia development, and cable oversight. It serves as the County's centralized source of information for the public and as the primary media liaison for the CEO and countywide initiatives. The program creates extensive digital, video, and social media content for the various platforms. It also specializes in website development and maintains an active online presence for messaging through its website and social media channels. The program provides strategic communications support to departments and serves as the liaison with departmental public information officers. In addition, the office oversees programming and operations for the County Channel, monitors cable industry issues, reviews franchise fee revenues, and responds to cable customer inquiries and complaints.

13. Risk Management (RM)

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos

<i>Less Administration</i>	--	--	--	--	--
Net Program Costs	11,168,000	10,909,000	259,000	--	53.0

Authority: Workers' Compensation: Mandated program with discretionary funding level – California Labor Code Section 3700 and County Code Sections 5.31.050, 5.31.060, 5.31.070, and 6.20.070. Loss Control and Prevention: Non-mandated, discretionary program. RM Inspector General: Non-mandated, discretionary program. Office of Privacy/HIPAA Privacy Program: Mandated program with discretionary funding level – The Health Insurance Portability and Accountability Act of 1996, Privacy Rule 45; Code of Federal Regulations Parts 160 and 164; and California Civil Code §1798.

The program, created by the Board on April 30, 2002, uses available RM tools to evaluate County risks, develop methodologies and programs to minimize those risks (and financial losses), and advises the Board and County departments regarding ways to better control those risks. On January 7, 2003, the Board designated a Chief Privacy Officer to be responsible for development and implementation of the County's HIPAA privacy program. In 2017, the Office of Privacy was established by the Board and re-aligned within RM, with the goal of centralizing efforts to establish a countywide privacy and security program, and to develop countywide policies and procedures that address safeguards for confidential and protected health information. RM and privacy programs and services include the development and purchase of commercial insurance for risk financing needs; risk assessment and prevention including training, assessments and consultations to assist departments to lower risks and meet federal and State workplace regulations; Liability Claim Management (including Small and Property Claims) and Workers' Compensation (including Financial Control, Fraud, Analytics and Medical Management) to administer and manage mandated liability and workers' compensation claims and review countywide contractual risk exposures; and RM Inspector General functions for the development, approval, and monitoring of Corrective Action Plans.

Net Program Costs	26,658,000	191,000	20,185,000	6,282,000	26.0

Authority: Mandated program with discretionary funding level – California Government Code Section 8605 and County Code Sections 2.68.210 to 2.68.230.

This program creates, develops, coordinates, administers, and implements all-hazards emergency plans, procedures, and programs within County government including the unincorporated areas, and supports the Los Angeles County Operational Area. This program ensures that the County is prepared and ready to mitigate, respond to, and recover from major emergencies and disasters by effectively mobilizing public and private resources within the County, as well as accessing outside resources through mutual aid, federal, and State governments. The program is also responsible for coordinating the County's efforts to maximize Federal Emergency Management Agency and California Disaster Assistance Act funding for disaster preparedness, response, and recovery.

Mission Statement

The mission of the Child Support Services Department (CSSD) is to enrich the community by providing child support services in an efficient, effective, and professional manner, one family at a time.

2020-21 Budget Message

The 2020-21 Recommended Budget reflects a net increase in gross appropriation of \$4.7 million primarily due to Board-approved increases in salaries and employee benefits. This increase is partially offset by a reduction of prior-year funding that was provided on a one-time basis for various operational needs.

Critical/Strategic Planning Initiatives

- The Department recently created an Office of Inclusion, Diversity, and Belonging (IDB) to support and provide transparent data-driven initiatives and inclusive resources supporting gender identity, immigrants, LGBTQ+, and Equal Employment Opportunity (EEO) protected groups. This Office will enhance customer experience by providing equitable access to CSSD services without any barriers by carefully analyzing intersectionality data, utilizing predictive modeling, and providing creative solutions.
- The Department employed the use of a social media specialist and launched the *#SupportLA* campaign. The campaign has proven to be an innovative and award-winning social media strategy that has increased public awareness of CSSD services and resulted in positive outcomes for all involved in the child support process.
- The Department is exploring the use of artificial intelligence technology to be able to use techniques such as machine learning to detect patterns from unstructured data that resides in different, segmented parts of the State's Child Support Enforcement (CSE) system. This initiative will allow CSSD caseworkers to use newly found data and trends to prioritize and focus on cases that have actionable elements, which will increase productivity and collections.
- CSSD will join the Departments of Human Resources and the Internal Services' employee hoteling pilot in January 2020. This no-cost pilot will allow CSSD to test the concept of hoteling and facilitate workspace placements of many newly added child support professionals without expanding real estate leases.

Mission Statement

The Department of Children and Family Services (DCFS) promotes child safety and well-being by partnering with communities to strengthen families, keeping children at home whenever possible, and connecting them with stable, loving homes in times of need.

2020-21 Budget Message

The 2020-21 Recommended Budget for Administration reflects a \$58.5 million increase in gross appropriation, a \$28.0 million reduction in revenue, an \$8.8 million reduction in intrafund transfers from other County departments, and a \$95.3 million increase in NCC.

The revenue decrease is primarily due to the sunset of the federal Title IV-E Waiver (Waiver) in September 2019, which is partially offset by increases in State funding for Child Care, Commercially Sexually Exploited Children (CSEC), and legal services for Resource Families. The \$95.3 million increase in NCC reflects \$39.1 million in unavoidable costs for Board-approved salaries and employee benefits; \$57.5 million in one-time funding as a result of the Waiver loss; \$12.1 million in one-time funding for Katie A. Settlement Agreement, Antelope Valley recruitment and retention efforts, and upgrades to information technology infrastructure; partially offset by a \$13.4 million decrease for the removal of prior-year funding that was provided on a one-time basis.

The Recommended Budget also reflects a net decrease of 78.0 positions as a result of the deletion of 95.0 positions for Family Engagement Services due to the elimination of funding from the Department of Mental Health (DMH), partially offset by the addition of 17.0 positions to continue these services.

As a result of the loss of Waiver funds, the Department is utilizing existing funding to bridge its services to the federal Family First Prevention Services Act (FFPSA), which seeks to prevent the entry of children into foster care by funding

evidence-based prevention strategies. DCFS is in the process of analyzing and optimizing both its spending and claiming activities to minimize any service impact from the loss of Waiver funds. DCFS has also engaged stakeholders in its efforts to align existing services with FFPSA funding requirements and outcomes.

Critical/Strategic Planning Initiatives

DCFS is engaged in implementing the Invest LA model that will ultimately facilitate the development of the Department's strategic plan which will guide DCFS through 2025. The strategic planning framework centers on three priority investment areas: Strengthening Children, Youth and Families; Workforce Excellence; and Community and Cross-Sector Partnerships. The following five foundational pillars that are crucial to a child welfare system will guide the work in these areas:

- Prevention and Aftercare - Focuses efforts to prevent maltreatment whenever possible and establishes a stronger safety net to provide families with quality aftercare supports to avoid recurrence.
- Shared Core Practice Model - Guides by the values that children have a right to be safe, are usually best off with family, and that families can develop and execute plans for their own well-being.
- Brain Science - Emphasizes integrating an understanding of brain development and the effects of toxic stress and resiliency in the continuum of social work practice.
- Safety Culture - Focuses on cultivating a strong culture of accountability rooted in learning from undesirable outcomes and adopting proven methods of learning and investigation to achieve systematic improvements in safety.
- Culture of Equity - Promotes both policies and practices that are just and cognizant of the effects of implicit bias and discrimination.

Critical and Unmet Needs

The Department's critical and unmet needs include additional funding to: 1) increase the number of Supervising Children's Social Workers and support staff to reduce supervision ratio to 1:5; 2) reduce social worker caseloads to 15 for continuing services workers and 12 for emergency response workers in accordance with the SB 2030 Workload Study; 3) increase administrative support to enhance operational efficiency and workforce accountability; and 4) accommodate the Department's space needs.

Mission Statement

The DCFS-Assistance budget unit provides funding for programs that: 1) support children who are placed in out-of-home care because of abuse or neglect; 2) aid prospective adoptive parents in meeting the additional expenses of caring for children with special needs; 3) incur expenses in the recruitment and placement of children with relative caregivers while legal guardianship is finalized; and 4) assist public and private agencies in providing child abuse and neglect prevention and intervention programs to meet the needs of high-risk children and their families.

replace the loss of Waiver funds. Also included is an increase in Families First Transition Act (FFTA) funding and \$8.0 million primarily due to projected changes in caseloads and a California Necessities Index (CNI) increase. The Recommended Budget also reflects the removal of \$0.6 million in NCC that was provided on a one-time basis for the Prevention and Aftercare pilot, which focused on a differential response service for evaluated out referrals.

The Department is continuing efforts to enhance operational effectiveness with the goal of achieving child safety, permanency, and well-being self-sufficiency. The Department is also preparing for a further reduction in Waiver funds revenue in FY 2021-22, which may require DCFS to realign its services and resources while continuing to improve programs and outcomes to better meet the needs of children and their families.

2020-21 Budget Message

The 2020-21 Recommended Budget reflects a \$48.1 million increase in NCC due to a \$40.7 million transfer from PFU to

Matches the unique needs of children and families with available services and resources in their community. Services are provided through community-based programs. The services are a proactive approach toward the prevention of family conflict that may lead to child abuse or neglect. The focus of these services is on strengthening and empowering families and communities to promote the growth of children, youth, adults, and family members.

Assesses and investigates allegations of child abuse and neglect; initiates legal action (when appropriate) to petition for court dependency status; and coordinates departmental response to child abduction cases. The Child Protection Hotline receives calls of alleged abuse and neglect, and determines whether to refer the allegations for investigation. Emergency response staff conducts in-person investigations and provides family-centered, strength-based planning processes, such as Family Preservation Services. When a decision is made to seek court supervision for a child, Juvenile Court Services takes action to establish court dependency status and functions as the liaison between the Department and the court.

Provides services to children and families at high or very high risk for abuse, neglect, abandonment, or exploitation. Services include case management and support, wraparound, emancipation, respite care, health, mental health, substance abuse treatment, and educational development. These services are provided to children and families when a child remains in the home of a parent/guardian or when they have been placed in out-of-home care Family Reunification and Permanent Placement.

Authority: Mandated program with discretionary service levels – California W&I Code Sections 11400-11469, 16000, 16112-16115, 16500-16515, and 18350-18351.

Provides a continuum of services to promote permanency for children. These services include family reunification, legal guardianship, and adoption. Family reunification is the preferred permanency plan since it preserves family connections. Family reunification services include: case management and support, wraparound, emancipation, respite care, health, mental health, substance abuse treatment, and educational development. When it is not possible to reunify families, a plan of adoption or legal guardianship (with relatives or non-relatives) is considered. If adoption is the permanent plan, the services provided include recruitment and placement of children in adoptive homes, placement supervision until adoption is finalized, and post-adoptive services to birth, adoptive parents, and adoptee. The Department also provides recommendations to the Superior Court on independent adoptions arranged by the birth parents and stepparents.

Mission Statement

To promote a fair and vibrant marketplace, the Department serves consumers, businesses, and communities through education, advocacy, and complaint resolution.

2020-21 Budget Message

The FY 2020-21 Recommended Budget reflects an NCC decrease of \$2.9 million primarily due to the removal of prior-year funding that was provided on a one-time basis for the Self-Help Legal Access Centers (SHLAC) program, Rent Stabilization Ordinance (RSO), Fair Chance Initiative, and various administrative support services, partially offset by increases in Board-approved salaries and health insurance subsidies. The Recommended Budget also includes an increase of 20.0 positions for the Rent Stabilization Unit (RSU), funding associated with the Technical Assistance Expansion Program grant, and a ministerial realignment of appropriation and revenue based on historical trends and anticipated requirements.

Critical/Strategic Planning Initiatives

- Expand the capacity of the RSU to effectively and efficiently implement the RSO adopted by the Board on November 19, 2019.
- Develop and implement the Eviction Defense and Prevention Program to protect tenants facing eviction in County unincorporated areas. This program will provide legal representation and eviction assistance to eligible tenants.
- Relocate the Department's headquarters to the Hall of Records to support the continued growth of the Department.

Mission Statement

The mission of the County Counsel's Office (Office) is to provide the highest quality legal services to governmental clients by fully understanding their business needs; being accessible, responsive, and timely; proactively helping them guard against risk; providing sound advice and counsel; providing creative solutions and viable alternatives to achieve goals; and always acting in a responsible, professional, and ethical way.

2020-21 Budget Message

The 2020-21 Recommended Budget reflects an NCC increase of \$0.6 million primarily due to Board-approved increases in salaries and health insurance subsidies, as well as the addition of 3.0 Information Technology (IT) positions to provide assistance with IT infrastructure, solutions, and architecture initiatives.

Critical/Strategic Planning Initiatives

County Counsel will continue ongoing strategic plan initiatives to support the County's Strategic Plan, including:

- Developing and implementing new initiatives, strengthening current practices, and enhancing client relations through communication.

- Utilizing new and effective technologies to update office systems and programs to improve organizational effectiveness. In addition, the Office is working towards the implementation of a web-based electronic case management and e-filing system for the Workers' Compensation Division, an electronic case management system for the Dependency Division, and a data center co-location to migrate all data center systems.
- Managing resources more effectively by promoting prudent fiscal policies and practices and exploring innovative methods that help ensure fiscal stability. For instance, the Office continues to ensure that its risk management practices are aligned with the rest of the County by enhancing current ergonomic and wellness awareness programs to better manage risks associated with employee safety.
- Assessing, enhancing, implementing, and monitoring the cybersecurity and privacy framework to better protect and preserve the privacy, confidentiality, integrity, and availability of the County's IT infrastructure. For example, County Counsel's Health Insurance Portability and Accountability Act (HIPAA) Privacy Security Officer and members of the legal staff participate in the HIPAA/Health Information Technology for Economic and Clinical Health Act Privacy and Security Committee to ensure departmental compliance.

Mission Statement

The County District Attorney's Office is dedicated to protecting the community through the fair and ethical pursuit of justice and the safeguarding of crime victims' rights.

2020-21 Budget Message

The 2020-21 Recommended Budget reflects an NCC increase of \$10.6 million primarily due to Board-approved increases in salaries and health insurance subsidies, replacement of critical communications equipment, and the addition of 2.0 positions for the Human Sex Trafficking Section. The Recommended Budget also reflects the addition of 2.0 grant funded positions for the Bureau of Victim Services Elder Abuse Section and 1.0 grant funded position for the DUI Training and Prosecution Services Section.

Critical/Strategic Planning Initiatives

The FY 2020-21 strategic planning efforts remain focused on the following areas:

- Expand the application of alternatives to incarceration in appropriate cases;

- Enhance strategies to protect children from abuse and neglect, including sex trafficking;
- Continue to develop effective strategies to address criminal justice system contacts with individuals with mental illness;
- Increase efforts to address the proliferation of identity theft and cyber-crimes;
- Advance a crime prevention campaign aimed at educating and protecting citizens from financial crimes, particularly those involving seniors;
- Increase involvement in the environmental crime enforcement community;
- Continue to work on information and document exchanges with other criminal justice agencies;
- Bolster ethical conduct through elimination of bias training; and
- Provide greater focus on opioid abuse through expert prosecution of major narcotics dealers to address those who illegally supply opioids.

Net Program Costs	10,454,000	12,000	8,784,000	1,658,000	69.0

Authority: Non-mandated, discretionary programs.

Includes a number of programs, three of which are highlighted below.

The Abolish Chronic Truancy (ACT) program enforces compulsory education laws by focusing on parents' responsibility and accountability to get children to and keep them in school. The Juvenile Offender Intervention Network (JOIN) program provides swift intervention before court filing through an accountability-based program for juveniles ages 10-17 who have committed a fileable, non-violent, first-time offense. The multi-agency Code Enforcement Unit, active since 2005, has made it possible for County inspectors to gain entry into previously inaccessible properties, thereby allowing inspectors to issue citations and/or refer cases to the Office for investigation, remediation and/or prosecution.

4. Prosecution Support

Authority: Non-mandated, discretionary program, except for Charter Executive positions. Victim Witness Assistance Program (VWAP) is authorized by Penal Code Section 13835.

Encompasses a number of programs including Trial Support, Parole Revocation, VWAP, and Lifer Hearings. The two largest are highlighted below.

VWAP: The VWAP mission is to alleviate the trauma and devastating effects of crime on the lives of victims and their families. Victim and witness advocates guide victims through the court process; help victims receive restitution; provide crisis intervention and emergency assistance; offer referrals to counseling and community services and follow-up with victims and witnesses; provide additional assistance when members are located at numerous sites throughout the County; and assist victims and their families as closely as possible to their home.

Lifer Hearings: Represents the County in all parole hearings for inmates sentenced to life in prison.

Mission Statement

The Office of Diversion and Re-Entry (ODR) was created by the Board on September 1, 2015 to oversee and coordinate community-based treatment and housing for persons with serious mental illness and/or substance use disorders who encounter the justice system. The ODR also works to enhance public safety while improving the lives of the individuals deemed eligible for services. The ODR budget unit was established to account for funding earmarked for ODR activities that will be transferred to other budget units for approved programs.

anti-recidivism programs; Youth Diversion and Development programs; continued operation of the Sobering Center, including space, staff and overhead costs; and the ODR Director and support staff.

Mental Health

Mental Health is allocated \$8.5 million to provide residential treatment services and Institutions for Mental Disease (IMD) beds. In addition, \$0.5 million is allocated for staff participating in and supporting Mental Evaluation Teams (MET).

Public Defender

The Public Defender is allocated \$0.2 million to provide case management services.

Sheriff

The Sheriff is allocated \$1.3 million to provide the fifth of six years of Crisis Intervention Training, which will allow Sheriff personnel to improve tactics when dealing with the mentally ill and reduce the use of force. In addition, \$1.5 million is allocated for staff participating in and supporting MET, which are teams comprised of mental health clinicians paired with Sheriff's deputies in the field to provide coordinated response to situations involving individuals with known or suspected mental illness.

2020-21 Budget Message

The 2020-21 Recommended Budget reflects an NCC increase of \$29.3 million due to the addition of \$4.9 million in one-time NCC to support the Board-approved Pay for Success program as well as a one-time transfer of \$24.4 million in funding from obligated fund balance to support existing ODR programs and operations, which was necessary primarily due to the reversal of one-time funding that supported ongoing ODR programs and operations.

The following are activities being funded in other departments:

Health Services

Health Services is allocated \$115.2 million for contracted Housing for Health options, including permanent and interim housing, rental subsidies, and move-in assistance;

Mission Statement

The Extraordinary Maintenance budget unit reflects appropriations for major maintenance of County facilities and assets, including legally required building alterations, unanticipated emergency repairs, disaster-related repairs that are not funded by the Federal Emergency Management Agency, and high-priority building maintenance activities that exceed the resources available to County departments.

2020-21 Budget Message

The County's infrastructure requires ongoing investment to meet continuous performance requirements. The 2020-21 Recommended Budget appropriates \$122.4 million for critical repairs, including heating, ventilating and air conditioning (HVAC), elevators, fire safety, roof repairs, and other maintenance needs throughout the County.

Critical/Strategic Planning Initiatives

The investments in rehabilitation of County facilities funded by the Extraordinary Maintenance Budget support the goals of the Strategic Asset Management Plan, primarily through the Facility Reinvestment Program. The Facility Reinvestment Program aims to recommend and implement the highest priority projects to sustain and/or rehabilitate County-owned facilities. It is supported by the Strategic Asset Management (SAM) system, which considers condition, attributes, and functions of County-owned buildings to systematically prioritize the most critical deferred maintenance needs countywide. In addition to the data provided in the SAM system, departmental operations are factors considered to further determine recommendations for project scope and funding. The Recommended Budget supports the following Strategic Asset Management Plan goals:

- Optimize assets to their highest and best use.
- Establish stronger connections between service priorities and asset decisions.
- Create an enterprise-wide understanding of asset needs and priorities.

This decrease is partially offset by ongoing and one-time allocations to fund deferred maintenance and critical repairs for various County facilities.	(78,515,000)	--	--	(78,515,000)	--

Critical and Unmet Needs

During FY 2019-20, an estimated investment of \$114.3 million was made to rehabilitate County-owned facilities to sustain and increase their longevity. The unfunded building system replacement projects and backlog of deferred maintenance needs include various general facility repairs; and replacement of outdated building systems such as boilers, chillers, HVAC units, roofs, and elevator upgrades to achieve building operational efficiencies.

2020-21 Budget Message

Financing Elements reflect those financing sources and uses not included in the departmental or nondepartmental budget summaries.

The 2020-21 Recommended Budget reflects the following financing sources and uses:

Financing Sources

For budget planning purposes, the Chief Executive Office considers total financing sources as the difference generated in the prior year from County revenues exceeding expenditures (fund balance available), the use of prior-year obligated fund balance, and property taxes. Any decrease in fund balance available from the budgeted amount will require expenditure reductions or the identification of additional financing.

The recommended fund balance of \$1,622.8 million is comprised of \$150.9 million from General Fund operations for various countywide programs and projects, and \$1,471.9 million of unused prior-year funds carried over from FY 2019-20 for the following:

- \$698.8 million of Capital Projects funds for the completion of various projects and refurbishment needs;
- \$470.8 million of Provisional Financing Uses funds primarily for the Departments of Children and Family Services, Board of Supervisors, Sheriff, Health Services, Probation, Public Health, and Public Social Services;
- \$111.3 million of Board of Supervisors funds for various community programs;

- \$79.5 million of Extraordinary Maintenance funds for major repairs and maintenance of County facilities and assets;
- \$49.1 million of Project and Facility Development funds for consultant and specialized services related to projects that are under development, as well as improvements to County facilities;
- \$25.2 million of Homeless and Housing Program funds for various homeless assistance programs;
- \$19.3 million of Children and Family Services funds for the Katie A. Settlement Agreement;
- \$14.1 million of Health Services funds primarily for the interim housing capital funding pool;
- \$3.4 million of District Attorney funds for various operational needs;
- \$0.2 million of Medical Examiner-Coroner funds for physician recruitment incentive programs; and
- \$0.2 million of Workforce Development, Aging and Community Services funds for the Human Relations Commission.

Obligated fund balance of \$46.2 million is decreased for the following:

- \$24.4 million to support the expansion of permanent supportive housing;
- \$16.7 million for various affordable housing programs as well as countywide economic development initiatives and programs;
- \$4.1 million of Health Services Tobacco Settlement funds for health-related costs; and
- \$1.0 million for the Assessor Modernization Project.

Property tax revenues reflect a net increase of \$325.4 million. This includes increases of \$291.3 million due to a projected 5.25 percent increase in assessed valuation; \$21.9 million in property tax revenue residual based on current trends; as well as a net increase of \$14.1 million in one-time revenue from the repayment of Community Redevelopment deferral agreements; partially offset by a \$1.9 million decrease in Community Redevelopment sale of fixed assets based on anticipated collections. Property tax revenues also include in-lieu vehicle license fee revenue as part of the State's Local Government Agreement (2004 Budget Act).

The recommended property tax revenue changes are comprised of the following:

- \$327.1 million increase in the Regular Roll;
- \$0.2 million increase in the Supplemental Roll; and
- \$1.9 million decrease in other revenue.

Financing Uses

Financing uses are the total needs requiring financing for the fiscal year. The 2020-21 Recommended Budget financing uses include \$30.7 million in appropriations for contingencies as outlined in the revised Board Policy 4.030 - Budget Policies and Priorities, approved on September 30, 2014.

Provision for obligated fund balance may be nonspendable, restricted, committed, or assigned for specific needs including future legal or contractual obligations. The obligated fund balance of \$64.9 million is committed for System of Care (\$40.0 million), Corrections and Rehabilitation Evaluation (CARE) Facilities (\$20.0 million), and permanent supportive housing (\$4.9 million).

FIRE DEPARTMENT	PUBLIC PROTECTION		FIRE PROTECTION			

Mission Statement

To protect lives, the environment, and property by providing prompt, skillful, and cost-effective fire protection and life safety services.

2020-21 Budget Message

The Fire Department provides 24-hour emergency services to over four million people living and working in 58 of the County's 88 cities, the unincorporated areas, and the City of La Habra in neighboring Orange County, which accounts for over one million housing units. The Department's vast

2,307 square mile jurisdiction also includes 159 lifeguard towers spanning 72 miles of coastline to protect millions of beach visitors annually. The Department is one of the largest emergency service organizations in the country and enjoys a world-renowned reputation for its adeptness and innovation in managing large-scale wildfires, earthquakes, and other natural as well as man-made disasters in Southern California.

The Department, as a Special District, is funded independent of the County General Fund, and relies primarily on property taxes and a special tax approved by the voters in 1997 to provide essential fire protection and emergency medical services.

The 2020-21 Recommended Budget primarily reflects funding for Board-approved increases in salaries and employee benefits, and removal of funding provided on a one-time basis for various expenses in the prior fiscal year.

Critical/Strategic Planning Initiatives

The Department will focus on the following priorities of its strategic plan goals:

- **Emergency Operations** - Enhance public safety by focusing on the training and well-being of the Department's first responders. The Department will provide training on implicit bias awareness, cultural competency, and cultural inclusivity to ensure that first responders are familiar with the County's diverse population and workforce. It will also implement strategies to improve the mental, physical and behavioral health of its personnel.
- **Public Services** - Support community resilience by implementing environmental initiatives, catastrophic

preparedness, and public education programs. The Department will review and revise the Continuity of Operations Program to include short scripts for staff to utilize, develop, and implement catastrophic preparedness strategies for the Department and the community, and identify gaps and solutions in the Lifeguard Division's emergency preparedness and resilience as it relates to tsunami and coastal storm incidents.

- **Organizational Effectiveness** - The future of tomorrow's Fire Department will be built on maintaining accountability from an efficient organization of strong and capable staff who utilize advancements in technology to provide superior service to the public. The Department will assess its long-term infrastructure needs related to privacy and access, facilities, information technology, and communication systems, and conduct trend analysis on injury, illness, and vehicle accidents to determine appropriate mitigations to reduce organizational risks.

2020-21 Budget Message

The Fire Department - Lifeguard budget provides funding for lifeguard services at County-operated beaches, which is the financial responsibility of the General Fund. The budget unit establishes an appropriation for a General Fund transfer to the Fire Department's budget, which includes a percentage of all costs and budgeted positions for ocean lifeguard services.

The 2020-21 Recommended Budget reflects an NCC increase of \$1.4 million for Board-approved increases in salaries and health insurance subsidies and an estimated COLA per the terms of the revised Beach and Ocean Rescue Services agreement.

Critical/Strategic Planning Initiatives

The 2020-21 Recommended Budget supports the Fire Department's strategic plan efforts as it relates to lifeguard operations.

Mission Statement

The Los Angeles County Civil Grand Jury investigates and reports on the operations, accounts, and records of County departments, cities, and any special legislative district or other district in the County created pursuant to State law, for which the officers of the County are serving in their capacity as officers of the districts pursuant to Article 1, Section 23, among other sections, of the California Constitution.

The Criminal Grand Jury makes inquiries into public offenses committed or triable within the County and presents them to the Court by indictment. The Criminal Grand Jury also conducts investigations brought to them by the District Attorney's Office.

2020-21 Budget Message

The 2020-21 Recommended Budget reflects an increase in NCC of \$20,000 primarily due to increases in costs for salaries and employee benefits.

Critical/Strategic Planning Initiatives

The Grand Jury continues to:

- Increase recruitment of Civil Grand Jurors to better represent the diverse population of the County;
- Safeguard valuable Grand Jury original records and develop long-term storage solutions; and
- Plan for a third Grand Jury to be used for Criminal Grand Jury matters when needed.

Critical and Unmet Needs

To meet the expectations of the law and Board, recruitment from all segments of the County's population is required. The Los Angeles County Grand Jury still faces increased workloads due to recruitment and selection needs. An estimated \$75,000 is needed for 1.0 Administrative Assistant II position to support increased recruitment and selection efforts.

The second Criminal Grand Jury (SB 796, which added Section 904.8 to the Penal Code), if and when impaneled, will require additional funding of approximately \$0.9 million for staff, grand juror expenses, space, and infrastructure.

Mission Statement

The mission of Grand Park is to provide a central gathering place to celebrate as well as protect and expand green and open spaces for public use.

2020-21 Budget Message

The 2020-21 Recommended Budget reflects an NCC decrease of \$0.3 million due to the deletion of one-time funding, partially offset by increases for programming and park operational costs.

Critical/Strategic Planning Initiatives

Consistent with the County's vision to improve the quality of life in the County, Grand Park exists to serve the people of Los Angeles by providing an open space for casual sitting, leisurely strolling, and civic gatherings. Grand Park serves the community by providing space for community groups, neighbors, schoolchildren, and sponsored performance events.

Mission Statement

The Office of Homelessness (Office) oversees, coordinates, and ensures the implementation of the Homeless Initiative (HI) strategies to combat homelessness, while acting as the County's central point of contact for all ongoing efforts related to homelessness. The mission of the Office is guided by the following key directives:

- Prevent Homelessness;
- Subsidize Housing;
- Increase Income;
- Provide Case Management and Services;
- Create a Coordinated System; and
- Increase Affordable/Homeless Housing.

2020-21 Budget Message

The 2020-21 Recommended Budget provides funding for homeless services and supports the implementation of 51 HI strategies. Services include: providing homeless prevention programming for families and individuals; expanding rapid re-housing; developing interim/bridge housing for those exiting institutions; increasing employment opportunities for homeless adults via social enterprises and/or subsidized employment; expanding the Jail In Reach Program; providing services and rental subsidies for permanent

supportive housing; implementing a coordinated countywide outreach and engagement system; establishing a decriminalization policy and first responder training to effectively address homeless encampments and unsheltered homeless individuals; enhancing the emergency shelter system; preserving and promoting the development of affordable housing for homeless families and individuals through proven and innovative approaches; and implementing other strategies and efforts that seek to coordinate a seamless homeless services system to better combat homelessness among single adults, families, and youth.

Critical/Strategic Planning Initiatives

As a result of Board actions, the Office continues to:

- Develop and implement innovative solutions to prevent and combat homelessness;
- Work with cities and the Council of Governments to implement plans to prevent and combat homelessness;
- Coordinate the implementation of the HI strategies;
- Coordinate the prioritization of housing and related services for homeless single adults for whom the County incurs the highest costs; and
- Partner with cities, service providers, philanthropy, faith-based organizations, and the business community to combat homelessness in the County.

Mission Statement

Provide innovative and efficient human resources solutions to support public service by recruiting, developing, and training a highly qualified, diverse workforce.

2020-21 Budget Message

The 2020-21 Recommended Budget reflects an NCC decrease of \$0.4 million primarily attributed to the removal of prior-year funding provided on a one-time basis, partially offset by increases in Board-approved salaries and employee benefits.

Critical/Strategic Planning Initiatives

The Department is driven to build and sustain a talented, diverse workforce that provides critical services to County residents. The Recommended Budget provides resources that will support the Board's priorities and the County's Strategic Plan and allows the Department to address the following 2016-21 strategic goals:

- Increase employability of underserved populations through meaningful training and employment opportunities to identified populations such as youth, the homeless, veterans,

the disabled, under-employed, unemployed, and those seeking re-entry.

- Be a national leader in workforce diversity, inclusion, and acceptance by increasing outreach efforts to attract, develop, and retain diverse populations and heighten the cultural competencies of the County's leadership and workforce.
- Foster workforce development at every level to increase employees' job skills and service delivery through high-quality, multi-disciplinary training, career development, and succession planning.
- Implement customer feedback dashboards to enhance customer experience by regularly soliciting and utilizing input from customers to increase transparency in service delivery and enhance organizational performance.
- Create a workplace of the future by designing a workplace that supports digital initiatives, maximizes the use of space resources, encourages collaboration, and promotes workplace health.
- Amplify human resource excellence and continuous improvement by transforming services through continuous innovation, enhanced partnerships, and the creation of digital ecosystems.

Mission Statement

The Internal Services Department (ISD) supports the County by providing in-house, contracted, and advisory services in the areas of purchasing, contracts, facilities, information technology (IT), energy and environmental programs, and other essential support services.

2020-21 Budget Message

The 2020-21 Recommended Budget reflects an NCC decrease of \$4.1 million primarily due to the removal of prior-year funding that was provided on a one-time basis for Data Center migration costs, phase II of the Identity and Access Management Modernization Project, enterprise network upgrades, Electric Vehicle (EV) infrastructure costs, and vehicle replacements. These decreases are partially offset by increases in Board-approved salaries and employee benefits, funding for Enterprise Data Center operations, and the new Apprenticeship Program.

Critical/Strategic Planning Initiatives

The ISD strategic plan for FY 2020-21 identifies strategic areas of focus and associated goals that will enhance the Department's ability to provide effective and cost efficient internal and external customer service, as well as take a

leadership role in implementing the County's environmental policy. This year's plan includes the following new or continuing strategic objectives:

- Expand the EV infrastructure on County facilities and implement the plan for the County to achieve 10,000 EV plugs by 2030 (up from 400 County-owned plugs in December 2019 and anticipated 500 plugs by June 2020). Minimize County costs through seeking grants and other incentives as well as charging use fees to recover costs.
- Reduce building energy consumption and make positive impacts to the environment by expanding the existing Energy Revolving Loan Fund for energy efficient retrofits, retro commissioning, and renewable projects in County facilities.
- Expand the launch of the Facilities Reinvestment Program to implement priority projects with resource support.
- Implement data analytics solutions that support data-driven decisions by County departments and improve Geographic Information Systems (GIS) support of key initiatives including homelessness.
- Develop mobile software and communication solutions to provide the public and County employees with better access to County services.
- Launch the new Vendor Registration website that is user-friendly, intuitive, and responsive to business needs.

Mission Statement

The Judgments and Damages/Insurance budget provides funding for payment of judgments and settlements of uninsured claims against the County, as well as attorney fees and other litigation costs. In addition, this budget reflects funding for service contracts and the purchase of insurance policies, when such policies are available at a reasonable cost or are required by law or agreement.

2020-21 Budget Message

The 2020-21 Recommended Budget reflects funding for anticipated judgments and/or settlements, attorney fees, litigation costs, service contracts, and various commercial insurance policies. The budget also includes a central appropriation to fund large, unanticipated losses and losses of a countywide nature.

Mission Statement

To provide diverse communities with easy access to information and knowledge to nurture cultural exploration and lifelong learning.

2020-21 Budget Message

The 2020-21 Recommended Budget reflects a reduction of \$1.5 million primarily attributed to an adjustment to remove prior-year funding that was provided on a one-time basis from Utility User Tax - Measure U allocations and various Board-funded refurbishments and capital projects. This reduction is partially offset by an increase in property taxes based on an anticipated 5.13 percent growth in assessed

valuation. The Recommended Budget also includes funding for Board-approved increases in salaries and employee benefits, partially offset by the deletion of 7.0 vacant positions.

Critical/Strategic Planning Initiatives

The LA County Library's (Library) strategic plan establishes a roadmap for sustaining the delivery of quality library services and support for the Department's leadership as a 21st century library. The Library continues to set the framework and reinforce its role as a civic and cultural center; a hub for public information and services; and an institution of literacy, innovation, and lifelong learning to serve the County's diverse communities.

The Department’s strategic plan includes the following top priorities:

- Cultivate the Education and Engagement Division to promote an innovative center of learning;
- Increase digital and literacy programming by attracting corporate, philanthropic, and community-based collaborations;
- Provide infrastructure upgrades of public computers and software to support future hybrid learning environments, support customer technology needs and decrease the digital divide;
- Expand STEM/STEAM programs in underserved communities;
- Deliver a wide range of comprehensive services to over 3.5 million County residents by establishing new and expanding collaborations with various County agencies;
- Promote equity of services for LGBTQ+, young men of color, older adults, and non-English speakers through the iCount Initiative and Library Equity Action Plan (LEAP);
- Expand after-hours access to the public; and
- Continue assistance of the countywide initiatives supporting homelessness, immigration, and civic engagement.

2020-21 Budget Message

The LA County Library - General Fund Contribution budget unit seeks to clearly define the General Fund contribution provided to the Library. The Library is financed primarily by a dedicated share of property tax from the areas served along with other revenues including a parcel tax, grants, and fees. The General Fund contribution is provided to augment these resources. The 2020-21 Recommended Budget reflects ongoing annual support of \$42.1 million. These funds are appropriated in the Library budget as Other Financing Sources and are used to offset the operating costs of libraries countywide.

Mission Statement

The Los Angeles County Capital Asset Leasing (LAC-CAL) Corporation was established as a non-profit corporation by the Board in 1983 to assist the County in the financing of its critical capital assets equipment needs. Equipment purchases are initially financed by LAC-CAL through the issuance of bond anticipation notes (BANs). Outstanding BANs are periodically redeemed through the issuance of intermediate-term tax-exempt bonds or certificates of participation, or through leases with third-party lessors. The term of each bond issue or lease reflects the useful life of the financed equipment. The Corporation's outstanding bonds or leases are redeemed through semi-annual payments from the County.

2020-21 Budget Message

The 2020-21 Recommended Budget provides for the collection of lease payments due on LAC-CAL equipment leases from County departments and the transfer of such payments to the Corporation. Also, reflected is the payment of insurance premiums and the distribution of these expenses to affected departments.

Mission Statement

The mission of the Los Angeles Regional Interoperable Communications System (LA-RICS) budget unit is to provide funding and support for the County's efforts as a member of the LA-RICS Joint Powers Authority (Authority), an independently operated governmental entity. The mission of the Authority is to construct, operate, and maintain a shared, secured voice and data communications system that supports first responders and mission-critical personnel within the greater Los Angeles area.

2020-21 Budget Message

In prior fiscal years, the Authority issued separate and independent request for proposals for the design and build of public safety-grade Land Mobile Radio (LMR) voice and Long-Term Evolution data wireless networks. The Authority is currently managing the design, construction, and testing of the LMR system with the prevailing vendor.

The 2020-21 Recommended Budget reflects an adjustment to remove prior-year funding that was provided on a one-time basis for equipment.

Mission Statement

The Department of Medical Examiner-Coroner is mandated by law to inquire into and determine the circumstances, manner, and cause of all violent, sudden, or unusual deaths occurring within the County. This includes all homicides, suicides, accidental deaths, and natural deaths where the decedent has not seen a physician within 20 days prior to death. To achieve this, the Department provides independent death investigations using advanced forensic science with compassion and objectivity for families, communities, and public health and safety.

The Department strives to provide compassionate, quality service to all its customers, including decedents' families, funeral directors, law enforcement, courts, the District Attorney, Public Defender, and other justice agencies, foreign consulates, and the news media. Responsibilities and priorities are designed to improve the level of service provided to the community by delivering complete, quality work products in a timely, accurate, efficient, and usable manner. The Department

has been proud to be a leader in death investigation and maintains the following accreditations: Institute of Medical Quality/California Medical Association, Accreditation Council for Graduate Medical Education, Peace Officers Standards and Training, American National Standards Institute National Accreditation Board, International Organization for Standardization (ISO), and provisional status with the National Association of Medical Examiners (NAME).

2020-21 Budget Message

The 2020-21 Recommended Budget reflects an NCC increase of \$0.7 million primarily due to Board-approved increases in salaries and health insurance subsidies, funding for the cost of body bags, and one-time funding for physician recruitment incentives, partially offset by the removal of prior-year funding that was provided on a one-time basis. The Recommended Budget also reflects the addition of 1.0 position to provide high-level data analysis, partially offset by the deletion of 1.0 position.

Critical/Strategic Planning Initiatives

The FY 2020-21 strategic planning efforts remain focused on the following areas:

- Restoring full accreditation status by NAME. The NAME accreditation program is a peer review system and is an endorsement indicating that the office provides an adequate working environment for medical examiners and reasonable assurances that the office serves its jurisdiction well. It is the objective of NAME that the application of these standards will materially aid in developing and maintaining high caliber medicolegal investigations of deaths for the communities and jurisdictions in which they operate.
- Refining operations to help improve service delivery to the public and focusing on various death prevention initiatives. The Department will also continue to develop its managers, supervisors, professional, and support staff through continued education and training, and collectively focus on quality, productivity, and risk management.
- Reviewing business processes to strengthen, streamline, and modernize operations. The Department has also begun to improve the capture and collection of critical performance metrics to assist management with its oversight and planning efforts.

<i>Less Administration</i>	--	--	--	--	--
Net Program Costs	11,021,000	2,000	388,000	10,631,000	78.0

Authority: Mandated program – California Government Code Sections 27460-27530, 68096.1, and 68097; California Health and Safety Code 7100-7114; and County Code Sections 2.22.010-2.22.110.

Provide 24/7 field investigator response to at-scene death investigations as well as conducting hospital death investigations throughout the County. Staff takes the initial and preliminary information regarding certain deaths that are reportable under State Law and are investigated by the Department. The medicolegal death investigation is performed by sworn staff who interview witnesses, take photographs, collect evidence for use in criminal and civil matters, identify deceased persons, and notify the legal next of kin.

2. Forensic Laboratory Services

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	5,743,000	--	150,000	5,593,000	30.0
<i>Less Administration</i>	--	--	--	--	--
Net Program Costs	5,743,000	--	150,000	5,593,000	30.0

Authority: Mandated program – California Government Code Sections 27460-27530, 68096.1, and 68097; and County Code Sections 2.22.010-2.22.10.

Provide essential forensic services for the Department. The toxicology laboratory analyzes post-mortem biological specimens for the presence of drugs and other poisons. These analyses are used by deputy medical examiners to help determine the cause and manner of death, and are also used by decedent families, law enforcement, insurance companies, and the courts. Department criminalists are on call 24/7 to respond to crime scenes for physical evidence identification, collection, documentation, and preservation. Laboratory services also include gunshot residue testing for the Department and law enforcement agencies throughout California as well as tissue processing for microscopic evaluation by deputy medical examiners. The Laboratory is also responsible for maintaining all physical evidence on Coroner cases in a manner that ensures its analytical integrity and the chain of custody is documented from the time of collection to final disposition. Evidence control is based on departmental policies and procedures as well as guidelines set forth by American Society of Crime Laboratory Directors/Laboratory Accreditation Board-ISO whose accreditation the Department holds.

3. Forensic Medicine

Authority: Mandated program – California Government Code Sections 27460-27530, 68096.1, and 68097; and County Code Sections 2.22.010-2.22.110.

The Executive Office and Administrative Services Bureau provide overall direction and coordination of all programs; direct the achievement of goals and objectives; and provide administrative support to the Department. This includes budget, fiscal, human resources, payroll and procurement services, workers’ compensation, the Injury and Illness Prevention Program, safety programs, risk management, return-to-work, litigation, information systems, technical support, contracts and contract monitoring, and volunteer and intern programs.

The Public Services Division provides and maintains decedent case files and processes document requests for reports from internal staff, outside agencies, and the public. This Division also processes and monitors billing for transportation services, processes all incoming Coroner case-related subpoenas, and releases decedent personal property.

Mission Statement

The Department values the dedication and sacrifice of the military, veterans, and their families by promoting awareness of their contributions through programs that advance veterans' services and benefits. The Department also advocates on behalf of veterans for legislative changes that will help enrich their quality of life.

2020-21 Budget Message

The 2020-21 Recommended Budget reflects an NCC increase of \$0.2 million primarily due to Board-approved increases in salaries and employee benefits, partially offset by the deletion of prior-year funding provided on a one-time basis.

Critical/Strategic Planning Initiatives

The Department continues to:

- Expand and fully integrate service delivery with partners creating a seamless system to meet the ongoing needs of veterans and their families;
- Improve staff productivity through training, promotions, hiring qualified candidates to fill vacancies, and providing staff development and leadership training;
- Maximize building operations and capacity through tenant license agreements, shared service contracts, and event planning and scheduling; and
- Assist County employees and families serving in Military Reserves.

Authority: Non-mandated, discretionary program.

Provides assistance with veterans' benefit claims for Medi-Cal, veteran and indigent burials, housing vouchers, and education assistance. Medi-Cal benefits provide medical care to veterans and their dependents who do not qualify for Veterans Administration healthcare. The Department assists veterans who qualify for pensions, compensation, and Aid and Attendance benefits. The college tuition fee waiver program is administered to dependents of disabled veterans. The Department also administers the Veteran System Navigator Program that assists veterans transitioning from military to civilian life (combat to community). Other services include employment, education, substance abuse, housing, and mental health services and referrals.

Mission Statement

The Los Angeles County Museum of Art's (LACMA) mission is to serve the public through the collection, conservation, exhibition, and interpretation of significant works of art from a broad range of cultures and historical periods, and through the translation of these collections into meaningful educational, aesthetic, intellectual, and cultural experiences for the widest array of audiences.

2020-21 Budget Message

The 2020-21 Recommended Budget reflects an NCC decrease of \$0.4 million primarily due to an increase in the Consumer Price Index-based cost-of-living adjustment (COLA) pursuant to the 1994 operating agreement amended on May 20, 2008, partially offset by the deletion of prior-year savings. The Recommended Budget also includes the deletion of 12.0 positions fully offset by a corresponding increase in services and supplies consistent with the Board-approved operating agreement.

The Recommended Budget supports a full exhibition schedule, including special installations highlighting Scandinavian design, photography, and transcendental painting, as well as a presentation of works by Sam Francis. The permanent collection will be highlighted with an installation of modern art designed by Frank Gehry. Several LACMA-organized

exhibitions will continue to travel domestically and abroad, raising the Museum's image and prestige in the field, including *Fiji: Art & Life in the Pacific* (Massachusetts), *Scandinavian Design and the United States* (Norway), and *Yoshitomo Nara* (China).

Art Programs with the Community continues its multi-year partnership with schools, libraries, and other organizations in the City of Compton, MacArthur Park, and South Los Angeles. Through this program, LACMA provides lessons for students and curricula for teachers that integrate the visual arts to make connections with the State Content Standards for language arts, social science, and Science, Technology, Engineering, Art, and Math (STEAM). Over the past year, 5,787 students participated in the program from 11 schools, and the library partnership reached 2,347 students and their families with 147 programs. Funded by the Gluck Foundation, the Ancient World and Maya Mobile programs provide middle school students the unique opportunity to closely examine original objects from LACMA's ancient art of the Americas and ancient Egyptian collections at their school sites. NexGenLA, LACMA's free youth membership program for kids under 17, has now reached 262,256 with 25,939 new members. Family programs at the Museum continue to provide opportunities for multi-generational learning in the arts. The renovation of the gallery at Charles White Elementary Visual Arts Magnet School, generously funded by the Los Angeles County Quality and Productivity Commission's Productivity Investment Fund,

allows the gallery in MacArthur Park to be open every Saturday, with tours and free arts programs for families. Exhibitions such as the current show *Rufino Tamayo: Innovation and Experimentation* will be on view through July 2020. The gallery also serves the student body of Charles White, providing a unique opportunity for this new Visual Arts magnet school to bring their students into contact with real works of art and professional teaching artists, such as Raul Baltazar, who is creating a work of art with students as part of the Tamayo exhibition. Through these and many other educational outreach programs, LACMA can engage over 400,000 guests in addition to the more than one million visitors who explore the galleries every day throughout the year.

Critical/Strategic Planning Initiatives

LACMA will continue implementation of its long-range strategic objectives to:

- Improve the quality and presentation of the collections;
- Develop a stable and sustainable financial and organization plan;
- Attract and engage a broader audience through expanded international recognition of LACMA as a quality art institution and continued commitment to educational programs and overall scholarship; and
- Improve the Museum campus.

Mission Statement

The mission of the Natural History Museum (Museum) is to inspire wonder, discovery, and responsibility for our natural and cultural worlds.

the William S. Hart Museum in Newhall. The Recommended Budget reflects an NCC decrease of \$55,000 primarily attributed to the deletion of one-time funding, partially offset by an increase in the Consumer Price Index-based cost-of-living adjustment (COLA).

2020-21 Budget Message

The 2020-21 Recommended Budget is based on the 1994 operating agreement that has been amended on multiple occasions and established each entity's operational and financial responsibilities. This public-private partnership enables the Museum to maintain educational and research programs and operations at the Museum located in Exposition Park, the George C. Page Museum at the La Brea Tar Pits, and

Critical/Strategic Planning Initiatives

The Museum continues to implement its strategic plan, which is consistent with the County's Strategic Plan. Through the strategic planning process, the Museum will identify and prioritize programs for funding in FY 2020-21 that will further its mission.

Mission Statement

The Performing Arts Center of Los Angeles County, a private nonprofit corporation, in partnership with the County, provides world class music, opera, theatre, dance, arts education programs, participatory arts, and community special events to the Southern California community and visitors. Each year, the Music Center (Center) welcomes visitors to tour its venues and attend performances by its four internationally-renowned performing arts companies. The Center provides leadership in arts learning in schools and the community by engaging people in the arts and advancing the quality and scope of arts education.

The County supports the Center through a budget that provides for the building and grounds maintenance, security, utilities, insurance, long-term lease costs, administrative support, and custodial and usher services.

2020-21 Budget Message

The 2020-21 Recommended Budget reflects an NCC increase of \$1.0 million primarily due to unavoidable cost increases for grounds maintenance, first aid, utilities, security, and custodial and usher services, partially offset by the deletion of one-time funding. Consistent with established contractual obligations and demonstrating a commitment to maintaining public-private partnerships, the Recommended Budget continues to provide County funds to maintain and operate the facility.

Critical/Strategic Planning Initiatives

Consistent with the County's vision to improve the quality of life in the County, the Center exists to serve the people of Los Angeles by assuring the presentation of the very best of the performing arts in its theaters and concert hall. The Center serves the community by providing access to the performing arts to families and children on the Center's campus and by providing educational services in the region's schools.

2020-21 Budget Message

Nondepartmental revenues are derived largely from revenue-generating activities not related to any specific County department. The 2020-21 Recommended Budget reflects a \$0.7 million increase in revenue due to a \$0.4 million increase from General County Overhead based on the Auditor-Controller's estimated Countywide Cost Allocation Plan for LA County Library and a \$0.3 million increase from parking, franchise, and rent and concession revenues based on current trends.

Mission Statement

The Nondepartmental Special Accounts budget unit provides for General Fund expenditures and revenues that are not directly related to any single County department and, if included in any department's budget, would distort the true operating costs of that budget. The appropriation reflects charges for services of countywide benefit and for special contracts that are not related to any single department's main mission. Also included are interest expense and earnings associated with the Treasury Management Program.

2020-21 Budget Message

The 2020-21 Recommended Budget reflects a net decrease of \$91.8 million in NCC primarily due to the removal of prior-year funding that was provided on a one-time basis for various County programs and the transfer of funding to County departments for Board-approved increases in salaries and health insurance subsidies. These decreases are partially offset by an increase in NCC due to an anticipated reduction of \$13.1 million in Treasury Pool interest earnings revenue.

Mission Statement

To serve as stewards of parklands, build healthy and resilient communities, and advance social equity and cohesion.

2020-21 Budget Message

The 2020-21 Recommended Budget reflects a \$2.2 million decrease in NCC primarily due to the removal of prior-year funding that was provided on a one-time basis, partially offset by Board-approved increases in salaries and health insurance subsidies and a countywide cost allocation adjustment. The Recommended Budget also reflects various position changes, additional revenue, and various realignments based on historical experience and anticipated operational requirements.

Critical/Strategic Planning Initiatives

The Department is committed to supporting the County's Strategic Plan Goals to Make Investments that Transform Lives (Goal I), Foster Vibrant and Resilient Communities (Goal II) by continuing to support the wellness of our communities, and Realize Tomorrow's Government Today (Goal III) by pursuing operational effectiveness, engaging its customers, communities, and partners, and bringing parks and programs closer to residents and visitors through technology and new and revitalized park facilities.

Critical and Unmet Needs

The Department's critical and unmet needs consist of funding for the continued programming of the PAD program, Flood Control District Fund (FCDF), opportunities at Bonelli Regional Park, Peck Road Park, and ten trails. The request also includes ongoing funding for departmental emergency management, a park inspection program, enhanced lifesaving and preventive maintenance at aquatic facilities, preservation and protection of the urban forest, tree hazard removal, and various preventive maintenance. Funding for the aforementioned needs would allow the Department to: continue its successful PAD program; establish effective emergency management and park inspection programs, stronger standards for lifesaving, routine safety inspections and preventative maintenance at the Department's aquatic facilities; and address the necessary maintenance needs of the County's urban forest to prevent and reduce liability.

Mission Statement

The Ford Theatres (Theatres) provide County residents and visitors access to exemplary arts and cultural experiences representative of multifaceted communities by presenting performances in the County's historic 1,190 seat outdoor amphitheatre.

Board-approved lease agreement between the County and LAPA, partially offset by an adjustment to remove prior-year funding that was provided on a one-time basis. Beginning in FY 2020-21, the Ford Theatres budget unit will be managed by the Department of Parks and Recreation.

2020-21 Budget Message

The 2020-21 Recommended Budget reflects a \$0.7 million NCC increase for the anticipated payment to the Los Angeles Philharmonic Association (LAPA) for the ongoing operation and maintenance of the Theatres pursuant to the

Critical/Strategic Planning Initiatives

The Theatres are in the process of planning a full summer concert season at the John Anson Ford Amphitheatre. The budget request includes the resources needed to raise the visibility of the Theatres, presenting the most compelling, contemporary, and culturally specific performing arts from

Mission Statement

To promote and enhance public safety, ensure victims' rights, and facilitate a positive change in adult and juvenile probationers.

The Probation Department recommends and enforces court-ordered sanctions for probationers, including the detention of juvenile offenders and the return to court of non-compliant adult offenders; provides supervision and monitoring of probationers; and prevents and reduces criminal activity by developing and implementing strategies from early intervention through suppression. In an expanded role under Public Safety Realignment (AB 109), the Probation Department also provides services to Post-Release Supervised Persons (PSP). The Department strives to rebuild lives and provide for healthier and safer communities by showing dignity and respect for clients, employees, and the public; employing evidence-based practices and policies; and embracing trauma-informed care to reach the best outcomes for both juvenile and adult probationers. The Department also proactively seeks resources and collaborations to maximize opportunities to positively impact the behavior of probationers by providing them with educational and

vocational services, as well as access to health and mental health services that will build upon the strengths and capabilities of probationers, their families, and their communities.

Departmental services are administered and financed through five separate budget units. The Support Services budget unit funds administrative, information technology, quality assurance, training, and management services. The Juvenile Institutions Services budget unit, which consolidated the former Detention and Residential Treatment budget units, funds the two juvenile halls (Central and Barry J. Nidorf), intake and detention control, community detention services, transportation, Dorothy Kirby Center (DKC), and probation camps. The Field Services budget unit funds juvenile and adult investigation and supervision services. The Special Services budget unit funds juvenile special and placement services. The Care of Juvenile Court Wards budget unit provides funding for the placement of juvenile court wards in residential facilities, foster homes, and California Department of Corrections and Rehabilitation (CDCR) housing as parole placements as mandated by law.

2020-21 Budget Message

The 2020-21 Recommended Budget reflects an NCC increase of \$34.3 million primarily due to Board-approved increases in salaries and health insurance subsidies, partially offset by the removal of prior-year funding that was provided on a one-time basis for the Vehicle Replacement Plan, Title IV-E bridge programs, and Campus Kilpatrick to repair damages incurred from flooding after the Woolsey fire and to cover the rental of a temporary waste water treatment plant. The Recommended Budget also reflects funding for 4.0 Deputy Probation Officer (DPO) III positions to serve as master trainers in a variety of institutional practices; 6.0 DPO II, Treatment and Counseling (T&C) positions for the Crisis Outreach Response Team that will work collaboratively with Department of Mental Health staff in engaging youth and de-escalating crisis situations; and 4.0 Institutional Barber positions to provide services at the juvenile halls and camps, offset by the deletion of 15.0 vacant positions. Also included is the removal of one-time Juvenile Probation Activities growth funds used for various one-time programs; partially offset by an increase of \$0.5 million for Lexipol, a web-based software tool to assist with policy updates in regulations and legislations and a \$50,000 revenue increase from the DNA Identification Fund - Local Share.

Critical/Strategic Planning Initiatives

The Probation Department has implemented a strategic plan transforming from a custodial and supervision model to an evidence-based practices treatment and rehabilitation model.

The Department also continues to expand collaborative efforts and community capacity. The strategic plan has the following top priorities:

- Improve service delivery and enhance evidence-based practices in juvenile halls, camps, and the field, including operating facilities that promote healthy development and skill acquisition for justice-involved youth;
- Enhance critical operational administrative support services via the wide-ranging Accountability Project that focuses on improved metric systems, self-auditing, sustained quality improvement processes, staff training, and improved communication systems;
- Implement a comprehensive adult-services model for felony probationers, focusing on enhancing community-based referral services;
- Expand the LA Model to additional juvenile facilities;
- Enhance the protection of victims' rights and ensure victims are treated with fairness, dignity, sensitivity, and respect;
- Attract, develop, and maintain an exemplary and motivated workforce utilizing ongoing training, mentoring, and coaching to ensure professional development of staff; and
- Enhance the culture of the Department including the implementation of the PROBSTAT data gathering and analysis system to achieve mission critical tasks and hold all levels of departmental management accountable.

Net Program Costs	246,193,000	--	40,204,000	205,989,000	1,612.0

Authority: Mandated program – California Welfare and Institutions (W&I) Code Section 850.

The two juvenile halls provide temporary housing for youth due to an arrest or pending adjudication. Juvenile hall staff assess youth based on the risk they pose to the community, the need to remove them from the community, and their service needs. Those youth who pose a significant threat to the community are detained pending the court process. While in juvenile hall, minors are provided physical health, mental health, and educational assessments, as well as required treatment. Youth also attend school and engage in recreational and social activities.

The Community Detention Program (CDP) provides intensive supervision for both adjudicated and pre-adjudicated youth. Under CDP guidelines, youth must comply with specific court ordered terms as a condition of their community release, pursuant to Section 628.1 of the W&I Code. Youth are both electronically monitored and supervised by an assigned DPO, who holds the minor accountable to a pre-approved schedule of sanctioned activities.

2. Residential Treatment

Net Program Costs	170,496,000	432,000	49,311,000	120,753,000	897.0

Authority: Non-mandated, discretionary program.

The camp program aids in reducing the incidence and impact of crime in the community by providing effective life skills to each ward. The camps provide a valuable intermediate sanction alternative to probationers in the community or incarcerated in the CDCR. The program provides intensive intervention in a residential setting over an average stay of six months for youth committed by the juvenile court. Each minor receives mental health, health, educational, and family assessments that allow for treatment to be tailored to meet individual needs. The camps provide structured work experience, vocational training, education, specialized tutoring, athletic participation, and various kinds of social enrichment. The goal of the program is to reunify the minor with family, reintegrate the minor into the community, and assist the minor in achieving a productive, crime-free life.

3. Juvenile Services

Net Program Costs	126,762,000	78,000	39,465,000	87,219,000	818.0

Authority: Mandated program with discretionary service level – California W&I Code Sections 206, 280, 602, 628.1, and 652-654.

The Camp Community Transition Program (CCTP) targets probationers transitioning from one of the Department’s camps to the community. Many of these youth are gang-involved, drug and alcohol users, low academic performers and have many risk factors across multiple behavior domains. CCTP uses goal-directed and multimodal intervention approaches that are family-focused. Behavior interventions are organized and designed to promote behavioral change in the probationer’s home environment, emphasizing the systemic strengths of the family, peer group, school, and neighborhood in order to facilitate the desired behavioral change.

The School-Based Probation Supervision program is designed to provide more effective and direct supervision and services to Probation youth attending identified school sites across the County in order to increase the chances of school success and promote campus and community safety. School-Based DPOs focus on assessment, case management, educational advocacy, mediation (youth, family, school), mentoring, attendance and academic monitoring, family support and engagement. The program targets high schools with a focus on an early intervention approach.

4. Juvenile Suitable Placement

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos

Net Program Costs	38,760,000	1,383,000	17,634,000	19,743,000	225.0

Authority: Mandated program with discretionary service level – California W&I Code Section 16516.

This program provides, through suitable placement, a dispositional option for the juvenile court for minors whose delinquent behavior may be explained by a contributory family environment and/or emotional or psychiatric problems. Most suitable placement minors are removed from their homes and placed in a safe environment (group home, psychiatric hospital, DKC, etc.) pending resolution of the minors’ issues. DPOs work with the minor and the family to identify needed services and prepare case plans to assist them with accessing services. Through monitoring the minor’s progress, the DPO is able to determine what long-term living arrangement would be in the best interest of the minor. A permanency plan is developed and implemented to return the minor to a safe and stable environment, such as reunification with family, emancipation, placement in a relative/non-relative home, or long-term foster care.

Mission Statement

The Project and Facility Development (PFD) budget unit was established to reflect and account for appropriation necessary to fund specialized County services and consultant activities related to projects that are under development, as well as improvements to County facilities executed by other governmental agencies or jurisdictions pursuant to funding agreements approved by the Board.

2020-21 Budget Message

The 2020-21 Recommended Budget appropriates \$61.3 million in services and supplies to fund consultant studies that quantify departmental space needs, develop master plans, provide technical, structural, and environmental impact assessments, and assist in the development of facility programs and capital planning efforts.

The Recommended Budget also incorporates \$8.9 million in other charges to fund improvements to County and other public facilities executed by other agencies or jurisdictions; \$0.4 million in capital assets–equipment to fund the acquisition of trailers to mitigate operational impacts to recreation and public-oriented programs that are displaced during construction; \$56,000 in other financing uses for funds transferred to the Civic Art Special Fund and Asset Development Implementation Fund; and \$10.0 million in intrafund transfers and revenue to partially offset the Master Planning on-call consulting services contract expenditures.

Critical/Strategic Planning Initiatives

The budget provides a funding mechanism for departmental and countywide capital development and planning activities. The activities funded from this budget contribute to the multi-year planning efforts of departments, and the County as a whole, by ensuring that capital programs appropriately reflect operational and programmatic requirements and departmental strategic plans.

2020-21 Budget Message

The Provisional Financing Uses budget unit serves as a temporary budget for program funding that has yet to be allocated to a specific budget unit. Once funding needs have been determined, funds are transferred to the affected budget unit by Board order. The 2020-21 Recommended Budget reflects a net decrease of \$132.5 million. The following is a description of each budget category change.

Children and Family Services

Reflects a decrease of \$158.3 million due to the transfer of funding to the Department for various programs including funding to offset reductions in federal revenue as a result of the expiration of the Title IV-E Waiver.

Health Services

Reflects an increase of \$2.4 million due to the set aside of funding for correctional health services.

Parks and Recreation

Reflects an increase of \$4.0 million due to the set aside of funding for anticipated operational costs associated with newly constructed or refurbished park facilities.

Probation

Reflects a decrease of \$1.4 million due to the transfer of funding to the Department for the implementation of additional training programs and a Crisis Outreach Response Team to phase out the use of Oleoresin Capsicum spray in juvenile institutions.

Public Health

Reflects an increase of \$11.3 million due to the set aside of funding for the Lead-Based Paint Hazard Remediation Program and legal costs associated with environmental issues.

Sheriff

Reflects a net increase of \$8.8 million due to the set aside of funding for custody-related issues (\$10.0 million), the Prison Rape Elimination Act Unit (\$2.8 million), and the elimination of fines and fees (\$1.6 million), partially offset by a reduction in prior-year carryover savings (\$5.6 million).

Various

Reflects a net increase of \$0.7 million due to the set aside of funding for the Voting Solutions for All People system (\$17.0 million), the expansion of mental health services in juvenile institutions (\$2.0 million), and various other programs (\$3.1 million). These increases are partially offset by the transfer of funding to several departments for various programs (\$5.7 million), a reduction in funding to address the anticipated shortfall in Utility User Tax – Measure U revenue (\$1.5 million), and a net decrease in prior-year carryover savings (\$14.2 million).

Mission Statement

The Public Defender provides constitutionally mandated legal representation to indigent criminal defendants and juveniles in the Superior Court of the County as well as in State and federal appellate courts. The Department strives to provide the finest zealous advocacy to protect the rights, dignity, and integrity of the indigent accused and, through client-centered interdepartmental and community collaboration, care for its clients.

2020-21 Budget Message

The 2020-21 Recommended Budget reflects an NCC increase of \$1.0 million primarily for Board-approved increases in salaries and health insurance subsidies, Los Angeles Diversion Outreach and Opportunities for Recovery (LA DOOR) grant funding, professional development of law personnel, and continued support of the Sexually Violent Predators program. This is partially offset by the removal of prior-year funding that was provided on a one-time basis.

Critical/Strategic Planning Initiatives

To maintain and expand the collaborative representation of its clients, the Department's FY 2020-21 strategic planning efforts focus on Board initiatives, County strategic priorities, and the Department's mission statement as follows:

- Addressing the needs of clients who require resources for mental health, reentry, immigration, substance use disorders, and homelessness.
- Addressing support staff's operational needs to create capacity and flexibility to assist clients in response to changes in court practices and the law.
- Expanding the capacity of the Immigration Unit to provide all attorneys with the appropriate resources to advise and represent clients on matters relating to immigration law.

Mission Statement

To enrich lives through effective and caring service.

2020-21 Budget Message

The 2020-21 Recommended Budget reflects an increase in appropriation of \$78.7 million offset with \$73.8 million in State and federal revenues, resulting in an NCC increase of \$4.9 million. The NCC increase is primarily due to a transfer of funding from the Department of Workforce Development, Aging and Community Services (WDACS) for the Adult Protective Services (APS) program; funding for CalFresh administrative costs to maximize the State CalFresh budget allocation; and increases in salaries and employee benefits, partially offset with decreases in overtime, operational costs, and delays in the California Automated Consortium Eligibility System (CalACES)/California Statewide Automated Welfare System (CalSAWS) project.

Critical/Strategic Planning Initiatives

The Department of Public Social Services (DPSS) supports the County's 2016-21 Strategic Plan Goals I and III to Make Investments That Transform Lives and Realize Tomorrow's Government Today respectively, through the following measures:

- Develop and implement effective community outreach efforts to connect with hard-to-reach, culturally diverse, and

threshold language communities. This will involve strengthening current relationships with trusted community and faith-based organizations and media outlets that play key roles in reaching low-income individuals.

- Implement a comprehensive customer service strategy that will enhance customer call centers and provide self-service options to expedite services to customers. The service strategy will utilize cloud-based solutions to enable self-service through customer portals, online chats, and chat bots.
- Revise and refresh the DPSS customer service center interactive voice response system. The updates will improve how customers access information and create an effective experience by providing a simplified navigation menu.
- Design and build a departmental data warehouse that will contain data from key systems, including the CalSAWS, Case Management Information and Payrolling System (CMIPS), call centers, Electronic Data Management System (EDMS), and the geographic information system to fulfill the Department's need for enterprise reporting and analytics solutions.

In FY 2020-21, DPSS will continue to take a holistic and strategic approach in serving the County. The vast knowledge, experience, and motivation of the Department's personnel compliments the dedication to delivering quality services to those they serve.

Mission Statement

The DPSS-Assistance budget units fund mandated and discretionary public assistance and social services programs, and are financed with federal, State, and County funds. These programs include: California Work Opportunity and Responsibility to Kids (CalWORKs); Indigent Aid General Relief (GR); General Relief Anti-Homelessness (GRAH); IHSS; Cash Assistance Program for Immigrants (CAPI); Refugee Resettlement Program/Refugee Cash Assistance (RCA); Refugee Employment Program (REP); Community Services Block Grant (CSBG); and Work Incentive Nutritional Supplement (WINS).

2020-21 Budget Message

The 2020-21 Recommended Budget reflects a net increase of \$83.2 million in appropriation and \$86.4 million in revenue primarily for the Board-approved IHSS wage supplement, a 4 percent IHSS MOE inflator, and grant increases within the CalWORKs program. Also reflected is a net decrease of \$3.2 million in NCC due to an adjustment to remove prior-year funding that was provided on a one-time basis, partially offset by an increase for the 4 percent IHSS MOE inflator.

Mission Statement

The Department of Public Works (Public Works) is committed to accomplishing its mission of delivering regional infrastructure and municipal services that improve the quality of life for more than 10 million people in the County. Services include planning, engineering, design, construction, project management, operation and/or maintenance of roads, highways, bridges, flood control facilities, water conservation programs, sanitary sewers, water distribution systems, airports, facility capital projects, and regulatory programs such as hazardous and solid waste, land development, and other activities for the County and contract cities. Specific to County communities, the mission is to provide an improved quality of life through the promotion of safe building construction, orderly land development, and maintenance of clean and secure properties. Specific to County Improvement Studies, the mission is to provide assistance via a statutory process that allows private property owners in County unincorporated areas to construct capital infrastructure to County standards and transfer these improvements to the County for operation and maintenance. In addition, Public Works administers the County's Unincorporated Area (UA) Stormwater and Urban Runoff Quality Program and provides graffiti abatement, crossing guard services, landslide mitigation, and unincorporated area services in the form of Community Enhancement Teams (CET) in order to enhance the quality of life for residents in the community.

2020-21 Budget Message

The majority of services provided through the Public Works-General Fund budget unit are required by federal, State, and local mandates and are funded by fees for services. Crossing guard, landslide mitigation, graffiti abatement, pre-County improvement district studies, property rehabilitation and nuisance abatement, and unincorporated area services programs continue to rely on County funding.

The 2020-21 Recommended Budget reflects an \$8.4 million NCC decrease primarily attributable to the removal of prior-year funding provided on a one-time basis for the Carson Stormwater and Urban Runoff Capture at Carriage Crest Park Project; Sativa Water System; unincorporated County roads; Drought Resiliency Work Plan; 103rd Green Street Stormwater Best Management Practices (BMP); High Desert Corridor; holiday decorations in East Los Angeles; installation of a portable hygiene facility in the unincorporated area of Pearblossom; Claremont sewers; Tujunga Wash maintenance and servicing; graffiti abatement; and other Board-funded programs and projects. The decrease is partially offset by an increase of \$1.0 million for Board-approved salaries and health insurance subsidies.

Critical/Strategic Planning Initiatives

Public Works' strategic plan provides guiding principles to translate its major priorities into key actions and outcomes. It frames communication and decision-making processes across all business programs. Business plans are utilized to facilitate the implementation of the strategic plan, and define key strategies, actions, milestones, and resource allocations including funding and staffing needs, and performance measurements. Program, financial, and staffing plans are used

to facilitate budgeting. Program plans strategically establish management objectives. Financial plans project revenue sources and financing requirements for each operating fund and set preliminary budget allocations for programs. Staffing plans are then developed based on operational needs. This is a structured approach to planning and budgeting for public works programs and services.

Mission Statement

Public Works is committed to accomplishing its mission of delivering regional infrastructure and municipal services to improve the quality of life for more than 10 million people in the County. The Los Angeles County Flood Control District's (LACFCD) mission is to provide flood protection services that incorporate an integrated water resource management approach, increase local water availability through conservation efforts, and provide passive recreational opportunities.

2020-21 Budget Message

The 2020-21 Recommended Budget reflects a net increase of \$71.8 million primarily due to increases in fund balance available, property taxes, special assessments, and other revenue, partially offset by a decrease in the cancellation of obligated fund balance.

The primary sources of revenue for the LACFCD are property taxes, benefit assessments, and a special parcel tax (Measure W). Measure W is a 2.5 cents per square foot parcel tax on impermeable surface area that was approved by two-thirds of the voters on November 6, 2018. This special parcel tax will finance the Safe Clean Water Program that allocates funding for the implementation and administration of projects, programs, and activities to increase stormwater capture and reduce stormwater and urban runoff pollution. The objectives of the LACFCD are outlined within the Flood Control Act, which mandates the LACFCD to carry out flood protection and water conservation programs. These objectives include keeping the existing flood protection system in a safe and effective condition to respond to emergencies, perform maintenance and repair, and conserve water.

PUBLIC WORKS - ROAD FUND

FUNCTION
PUBLIC WAYS AND FACILITIES

ACTIVITY
PUBLIC WAYS

Mission Statement

Public Works is committed to accomplishing its mission of delivering regional infrastructure and municipal services to improve the quality of life for more than 10 million people in the County. Specific to the Transportation Core Service Area, the Road Fund is utilized for roadway, bicycle, pedestrian, and public transit projects, with the mission to provide safe, clean, efficient transportation choices and rights of way, to enhance mobility and quality of life. The Road Fund provides for the operation, maintenance, safety, repair, and improvements of unincorporated area municipal streets and highways; multimodal transportation improvements; and the installation, operation, and maintenance of traffic signals. The Road Fund is also utilized to provide public works services to cities and agencies, which are entirely reimbursed by the respective agency, with the mission to provide quality and efficient public works services through effective interagency collaboration.

2020-21 Budget Message

The 2020-21 Recommended Budget reflects a decrease of \$26.3 million primarily due to decreases in fund balance available, the Highway User Tax, and the cancellation of obligated fund balance, partially offset by increases in other charges for services revenue and federal aid for disaster relief.

The FY 2020-21 budgeted revenue for the Highway User Tax Account (gas tax) is approximately \$283.9 million. It reflects a \$22.8 million (7 percent) decrease due to lower consumption of gasoline as a result of fuel-efficient, alternative fuel, and zero-emission vehicles. This is partially offset by an increase in SB 1 Road Maintenance and Rehabilitation Account Fuel Tax revenue.

PUBLIC WORKS - INTERNAL SERVICE FUND	GENERAL	OTHER GENERAL

Mission Statement

Public Works is committed to accomplishing its mission of delivering regional infrastructure and municipal services that improve the quality of life for more than 10 million people in the County. Public Works services include planning, engineering, design, construction, project management, operation and/or maintenance of roads, highways, bridges, flood control facilities, water conservation programs, sanitary sewers, water distribution systems, airports, facility capital projects, and regulatory programs, such as hazardous and solid waste, land development, and other activities for the County and contract cities.

2020-21 Budget Message

The Internal Service Fund is designed to facilitate billings for services provided between the multiple funds that finance Public Works operations and those rendered to other County departments. The fund also pays for Public Works salaries and employee benefits, materials and supplies, and equipment charges, and recovers the appropriate amounts from each special fund or from other County departments.

The 2020-21 Recommended Budget reflects a \$42.2 million increase primarily due to Board-approved increases in salaries and health insurance subsidies, retirement costs, retiree health insurance, capital project management services, and various position changes to meet the operational needs of the Department. These increases are partially offset by a decrease in fund balance available.

Flood Control

Authority: Mandated program – California Water Code, Uncodified Acts, Act 4463.

Maintain, operate, and augment the countywide Flood Control District (FCD) system by capital construction to achieve the intended result.

Stormwater and Urban Runoff Quality

Authority: Mandated program – Federal Clean Water Act and California Water Code, Uncodified Acts, Act 4463.

Comply with the stormwater quality permit issued under the Clean Water Act by, among other things, sweeping streets, installing water quality improvement devices, implementing good housekeeping procedures at departmental field facilities, and conducting public outreach.

Integrated Water Resource Planning

Authority: Mandated program – California Water Code, Uncodified Acts, Act 4463.

Develop watershed multi-use studies, watershed management plans, river master plans, and project concepts through collaborative stakeholder processes that provide multiple benefits that include, but not limited to, flood protection, water conservation, aesthetic enhancement, preservation of natural resources, and water quality enhancement.

Water Conservation

Authority: Mandated program – California Water Code, Uncodified Acts, Act 4463.

Construct, operate, and maintain water conservation facilities within the FCD.

Safe Clean Water

Authority: Non-mandated, discretionary program.

Fund stormwater projects and programs to increase local water supply, improve water quality, enhance communities, protect public health and coastal waters, promote water resilience and sustainability, modernize water infrastructure, and prepare the region for the effects of climate change.

Solid Waste Management

Authority: Mandated program – California Integrated Waste Management Act of 1989 (AB 939); and County Code Title 20, Division 4, Chapters 20.88-20.89.

Administer solid waste management activities to meet the solid waste disposal needs of County residents, conserve natural resources, and comply with State laws and regulations. These activities include solid waste collection, recycling, public education, household hazardous waste (HHW) collection, and disposal planning for in and out-of-County landfill facilities.

Regulation of Industrial Waste and Underground Tanks

Authority: Mandated program – Code of Federal Regulation Title 40, Parts 280 and 403.8; California Health and Safety Code Division 7, Chapters 5.5 and 5.9 and Division 20, Chapter 6.7; and County Code Title 20, Division 2 and Title 11, Division 4.

Ensure proper handling of industrial waste in County unincorporated areas and the proper construction and monitoring of hazardous materials underground storage tanks in County unincorporated areas and 77 cities.

Environmental Defenders

Authority: Mandated program – National Pollutant Discharge Elimination System permit requirements under the Clean Water Act and AB 939.

Provide environmental education to elementary school students by way of school assemblies, student competitions, curriculum that meets State standards, and technical assistance, in compliance with requirements of the stormwater quality permit issued under the Clean Water Act. Also educate on recycling and waste reduction to assist in meeting AB 939 requirements.

Graffiti Abatement

Authority: Non-mandated, discretionary program.

Reduce the blight of graffiti through effective public educational programs and the swift removal of graffiti when it occurs.

Mission Statement

To plan and help shape the development of safe, healthy, equitable, and sustainable communities while respecting individual rights and protecting the natural environment through excellent public service provided in County unincorporated areas.

2020-21 Budget Message

The 2020-21 Recommended Budget provides resources for core mission activities including public counseling services at the downtown headquarters and eight field offices, case processing, community planning and outreach, and zoning enforcement. It provides funding for the Regional Planning Commission, Hearing Officer, and other advisory committees such as the Environmental Review Board and the Significant Ecological Areas Technical Advisory Committee. It also supports specifically funded programs, including the East San Gabriel Valley Area Plan, Santa Monica Mountains North Area Plan and Community Standards District (CSD), Antelope Valley CSD, and Housing Element Update.

The 2020-21 Recommended Budget reflects a \$1.2 million NCC increase primarily attributable to Board-approved increases in salaries and health insurance subsidies, and one-time funding

for the Housing Element Update Environmental Impact Report (EIR), partially offset by an adjustment to remove prior-year funding that was provided on a one-time basis for consultant services for various initiatives.

Critical/Strategic Planning Initiatives

The Department continues to implement its strategic plan while supporting the County's Strategic Plan, which includes the following initiatives:

- Supporting County initiatives related to sustainability, homelessness, affordable housing, equity development, environmental justice, and other Board priorities;
- Providing efficient code enforcement of discretionary permits, zoning, and subdivision regulations in unincorporated areas by deploying innovative information technology (IT) solutions;
- Enhancing public service through improved permitting processes and databases, web-based case filing capability, electronic transactions, and GIS-based land use and zoning information;

- Building stronger and healthier communities through enhanced local planning services, more online data sharing, and creative public outreach programs; and
- Securing Regional Planning Commission and Board approval of critical land use plans and zoning standards for unincorporated areas.

Implement zoning regulations adopted by the County pursuant to State and federal legislation. Zoning regulations are the mechanism by which the County's General Plan is carried forth and are embodied in Title 22 of the County Code. Zoning of land and development standards constitute the County's use of its governing authority to ensure the proper distribution of land uses for the protection of the public's health, safety, and welfare. Due to their unique characteristics, certain land uses require discretionary permitting that is acquired through the filing of various types of zoning and planning applications. These discretionary actions include changes to the General Plan and zoning, and implementation of subdivision regulations adopted by the County pursuant to State and federal legislation. Subdivision regulations are embodied in Title 21 of the County Code, and regulate the creation of lots or units for sale, lease or financing purposes.

Authority: Mandated program with discretionary service level – California Government Code Sections 65088-65089, 65103, 65302, 65350-65357, 65400, 65402, 65581, 65588-65589, 65654-65857, and 65860; California Health and Safety Code Section 44244; California Public Resources Code Chapter 7.8, 30500, 30511, 30513, 30519.5, and 4000; California Public Utilities Code 21670.2; and California Revenue and Taxation Code 2227.

Prepare and implement a long-range countywide General Plan for County unincorporated areas and develop a more detailed area, coastal, and community plan for certain unincorporated areas. To implement these plans, the Zoning Ordinance (Title 22 of the County Code) must be amended, and CSDs and zoning studies need to be prepared. Periodic reports are prepared for the Board on a variety of land use planning issues. Public participation is an important part of the program and is accomplished through a variety of community outreach events including public workshops, town council meetings, and public hearings.

3. Land Use Regulation

Authority: Mandated program with discretionary service level – California Government Code Sections 54988, 65103 (b)(d), 65402, 65800, 65850; and California Public Resources Code Division 20 (California Coast Act).

Correct zoning code violations in County unincorporated areas and eliminate blight to improve the quality of life. Code enforcement is accomplished by conducting complaint-based code inspections and enforcing land development, zoning, and subdivision regulations in County unincorporated areas in accordance with County and State regulations and statutes. Zoning enforcement staff respond to zoning complaints and address code violations on many different fronts including conducting conditional use permit checks, referring unresolved code violations to the District Attorney and County Counsel, using noncompliance fees and administrative fines to encourage compliance, and participating on multi-agency Nuisance Abatement Teams (NATs).

Support all departmental programs by providing policy guidance for risk management and fiscal controls. This program focuses on the management of human resources, IT, fiscal services, and administrative services. These areas include, but are not limited to, the departmental budgeting process, emergency management, strategic planning, contracting and monitoring, personnel management, and administrative control mechanisms consistent with the County Fiscal Manual. In addition, computer systems and GIS databases are developed and maintained in support of departmental planning operations and public access.

Mission Statement

Serving the County by providing essential records management and election services in a fair, accessible, and transparent manner.

2020-21 Budget Message

The 2020-21 Recommended Budget includes resources necessary to maintain Registrar-Recorder/County Clerk (RR/CC) operations and conduct the November 2020 Presidential General election. The budget also includes funding for core operations and programs that promote efficiency.

The 2020-21 Recommended Budget reflects a \$133.9 million NCC decrease primarily due to the deletion of prior-year funding provided on a one-time basis, partially offset by Board-approved increases in salaries and health insurance subsidies, retiree health insurance, retirement, and recorder fee revenues.

Critical/Strategic Planning Initiatives

The Department's strategic plan initiatives support continued efforts to implement automated and enhanced processes to improve public services and employee workforce performance in the elections, voter registration, and RR/CC services. As such, the Department will:

- Implement additional features to the Business Filing and Registration System to allow customers to electronically request Fictitious Business Name (FBN) filings from any device and make payments online, reducing the need for customers to visit RR/CC offices;
- Further integrate existing public-facing web services with the appointment solution to create a seamless user-focused customer experience;
- Continue to improve departmental document repository storage, retention, security, and business continuity support through the implementation of cloud-based solutions;
- Provide a web-based tracking service of vote by mail ballots for voters wishing to monitor their ballot progress from mailing to tally;

- Continue efforts to integrate other County departments' applications into the certified Enterprise Content Management system to promote more sustainable records and information practices with the emphasis on digital records; and
- Commence the formation of an independent Citizens Redistricting Commission (CRC) per SB 958 to adjust supervisorial district's boundary lines.

Authority: Mandated program – United States Constitution, Articles I-II and Amendment XVII; California Constitution Article II, Sections 3-5; California Government Code Section 26802; and County Charter Article IV, Section 14.

Fulfills the legal role of the RR/CC as the principal election officer by conducting federal, State, local, and special elections. Functions include election program planning and development, precincting, ballot preparation, signature verification, vote by mail (absentee voting), tally and canvass, pollworker services, and candidate services. Through these functions, the program provides voters with convenient access to election information; verifies signatures on initiative, referendum, candidate nominations, petitions, absentee, and provisional ballots; mails and processes vote by mail requests; tallies and canvasses ballots within legal deadlines; issues appropriate legal documents to candidates and provides instructions on how to access candidate information; ensures that eligible voters are assigned to correct precincts; trains pollworkers; and distributes voting instructions and materials at each voting precinct.

Authority: Mandated program – United States Constitution, Articles I-II and Amendment XVII; California Constitution Article II, Sections 3-5; California Government Code Section 26802; and the County Charter Article IV, Section 14.

Fulfills the legal role of the RR/CC as the principal voter registration official by promoting voter registration; maintaining voter registration files; providing public access to the registration records for the County; and verifying petition, nomination, and vote by mail signatures. This program ensures that eligible County residents have access to information and locations to obtain voter registration materials; educates voters, including those with specific needs, about registration and the voting process; and fosters partnerships with advocacy and community-based organizations to maximize resources and the dissemination of election process information. This program oversees various committees such as the Community Voter Outreach Committee and other action-oriented subcommittees; analyzes precinct statistical data including demographic data; and recruits and establishes permanent voter outreach distribution sites.

Mission Statement

The Rent Expense budget unit provides centralized financing of real property, lease payments, annual obligations for long-term debt financing of capital constructions, and other costs necessary to facilitate real property management. All federally allowable lease and debt service costs are financed from departmental operating budgets of the benefiting departments, with some exceptions such as the Walt Disney Concert Hall garage and Los Angeles County Museum of Art East Campus Building Replacement.

2020-21 Budget Message

The FY 2020-21 Recommended Budget reflects a \$17.7 million decrease in NCC primarily due to a reduction in one-time funds of \$25.0 million, an increase in billable depreciation of \$2.6 million, and a decrease of \$2.5 million in non-billable principal costs, partially offset by an increase of \$6.4 million in debt service for centrally-funded projects, \$3.9 million for Rancho South Campus debt service, and \$2.1 million in non-billable expenditures related to real estate.

Mission Statement

State law charges the Sheriff with the responsibility of being the chief law enforcement officer of the County. The Sheriff enforces State laws and County ordinances in the unincorporated area, which covers 77 percent of the total square miles within the County, and is responsible for maintaining law and order in all cities within the County. The Sheriff provides general law enforcement and traffic services through contract to 42 cities, the Los Angeles Superior Court, Southern California Regional Rail Authority (Metrolink), Los Angeles County Metropolitan Transportation Authority (Metro), and Community College Districts. In addition, the Sheriff provides placement, secure housing, and care for a daily average population of approximately 17,000 pre-sentenced and sentenced County jail inmates at seven custody facilities.

2020-21 Budget Message

The 2020-21 Recommended Budget reflects an overall NCC increase of \$84.4 million primarily due to: \$76.1 million in Board-approved increases in salaries and health insurance subsidies; \$40.2 million increase in retirement; \$10.0 million to prefund retiree healthcare benefits; and \$36,000 for an adjustment in rent charges.

This increase is partially offset by a \$23.0 million estimated increase in public safety sales tax receipts, and the deletion of \$18.9 million and 10.0 positions for various programs funded on a one-time basis.

The Recommended Budget continues to set aside \$143.7 million of the Department's ongoing appropriation in the Provisional Financing Uses budget unit until the Department has developed and implemented a budget mitigation plan to address its projected budget shortfall.

The Recommended Budget also includes a net deletion of 4.0 positions due to Board-approved reclassifications and interdepartmental transfers.

Additionally, the Recommended Budget includes the annualization of prior-year Public Safety Realignment (AB 109) funding for the Custody Discharge Planning program that requires individuals with mental illness leaving jails to be

provided comprehensive and compassionate release planning pursuant to the settlement agreement with the Department of Justice (DOJ) (Paragraph 34). Additional adjustments include removal of prior-year AB 109 funding and 6.0 positions that were provided on a time-limited basis, a decrease in contract law enforcement services revenue, and a realignment of revenues.

The Detective Division is comprised of the Fraud and Cyber Crimes, Homicide, Major Crimes, Narcotics, Operation Safe Streets, and Special Victims Bureaus, as well as the Vehicle Theft Program. It is responsible for the investigation of crimes, identification and apprehension of criminals, recovery of property, identification and preservation of evidence, and assisting in the preparation of cases for court. When requested, it also provides investigative resources to other law enforcement agencies throughout the County. The Division exists as a separate entity from station detective assignments, and investigators assigned to it are the most experienced and tenured criminal investigators of the Department. The Division also includes the Parole Compliance Unit which works closely with the Probation Department’s Community Supervision case managers by providing proactive identification, compliance checks, and apprehension of absconders classified as Post-release Supervised Persons.

Mission Statement

Telephone Utilities is a centralized budget unit administered by the Internal Services Department (ISD) to fund telephone utilities carrier costs and equipment, Enterprise Network, Internet and Administration (ENIA), and other County departments' networks, and telephone utilities administration.

2020-21 Budget Message

The 2020-21 Recommended Budget reflects a: 1) \$4.7 million net decrease for telephone utilities; 2) \$3.5 million net increase for ENIA; 3) \$0.2 million net increase for Voice-over Internet Protocol (VoIP) maintenance and equipment costs; 4) \$0.3 million decrease for Criminal Justice Information Systems (CJIS); and 5) \$0.9 million decrease for Telecommunications Equipment and Services Master Agreement (TESMA) leases.

Critical/Strategic Planning Initiatives

ISD will continue to enhance the performance of the County's telecommunications system and simultaneously minimize costs.

Mission Statement

The mission of the Treasurer and Tax Collector is to fulfill statutory responsibilities in Treasury, Property Tax Collection, Licensing, and Probate, in a responsible and client-focused manner. The Department does this on behalf of the County, other government agencies and entities, and private individuals as specified by law.

2020-21 Budget Message

The 2020-21 Recommended Budget reflects an NCC increase of \$1.2 million, primarily due to Board-approved increases in salaries and employee benefits, and the Department's proportional share of the costs to prefund the County's retiree healthcare benefits. The Recommended Budget also reflects an adjustment to remove prior-year funding that was provided on a one-time basis for storage area network and cameras, roof inspection of the Public Administrator warehouse, Tax Collections Branch workstations, and vehicle replacement.

Critical/Strategic Planning Initiatives

The following are examples of the Department's continuing efforts to create efficiencies, work collaboratively with other departments, and maximize revenue:

- Determining the readiness to replace the County's legacy property tax system. The Department and Auditor-Controller are beginning an eTax Assessment that will include performing a risk assessment, feasibility study, requirements gap analysis, and options assessment with recommendations.
- Expanding online payment services to include Unsecured Property Taxes. The Department currently accepts online payments for Secured Property Taxes, Business License Renewals, and Collection Services.
- Joining Regional Planning, Public Works, Fire, and Public Health on the EPIC-LA platform. This will greatly improve services to business owners and licensees in the Department's Business Licensing Program by accelerating the review and processing of applications and streamlining communications and workflows between departments.

- Working in conjunction with nonprofit and public agencies and the Los Angeles County Development Authority. The Department evaluated the Chapter 8 program to increase its utilization by nonprofit and public agencies and to streamline the application and clearance processes.
- Expanding methods for engaging constituents and property owners by establishing a pilot outreach campaign via community newspapers, including non-English publications to educate the public about the Department’s new website and online tax payment options. This includes placing short advertisements, in the language of each publication (e.g., Spanish, Chinese, Korean, Armenian, Vietnamese, Tagalog, and Farsi), in various media outlets throughout the County.

Mission Statement

The Lockyer-Isenberg Trial Court Funding Act of 1997, AB 233, Chapter 850, Statutes of 1997 requires counties to make an annual Maintenance of Effort (MOE) payment to the State for support of trial courts and to fund certain court-related expenditures such as indigent defense, collections enhancement, and local judicial benefits. The Trial Court Facilities Act, SB 1732, Chapter 1082, Statutes of 2002 authorized the transfer of responsibility for court facilities from counties to the State and requires that counties make a County Facilities Payment (CFP). Revenue from court fines and fees is used to partially finance the MOE obligation to the State and other court-related expenditures.

2020-21 Budget Message

The 2020-21 Recommended Budget reflects funding for the County's \$283.5 million MOE payment to the State, which is comprised of \$245.9 million base MOE and \$37.6 million CFP. In addition, the budget includes \$120.8 million for court-related expenditures that are the County's responsibility, offset by \$89.5 million in revenues. The Recommended Budget also reflects an increase in funding for mandated legal representation and other associated legal costs for those who are deemed indigent and Board-approved increases in employee benefits.

Mission Statement

The Utilities budget is centrally administered by the Internal Services Department (ISD) to fund utility costs including electricity, natural gas, water, and industrial waste collection, as well as energy management leadership programs, various regulatory and legal activities, and the day-to-day operations of the County cogeneration and power plants.

2020-21 Budget Message

The 2020-21 Recommended Budget reflects an NCC decrease of \$3.0 million primarily due to the removal of prior-year funding that was provided on a one-time basis for energy efficiency projects throughout various County facilities. The budget also reflects increases in funding for electricity, power plant operations, Southern California Regional Energy Network

(SoCalREN), Benchmarking Program funded by California Energy Commission (CEC), Healthy Stores Refrigeration Grant (HSRG), Barakat settlement, and energy management programs. These increases are partially offset by decreases in natural gas, Public Agency Revolving Loan Fund, Energy Investment Program (EIP), California Public Utilities Commission (CPUC) Partnership Program, Better Buildings Program (BBP), Energy Efficiency Conservation Block Grant (EECBG), water, and other utilities.

Critical/Strategic Planning Initiatives

Continue to complete energy retrofit projects, accelerate energy efficiency and renewable projects, and centrally administer utilities costs throughout the County.

1. Electricity: Reflects an increase in funding based on the current year expenditure and consumption trends along with the anticipated electricity rate increases from various utility companies.	3,619,000	3,440,000	129,000	50,000	--
2. Natural Gas: Reflects a decrease in funding based on the anticipated re-negotiated contract price for non-core natural gas and the discontinuation of the cogeneration operation at the Pitchess Power Plant.	(2,250,000)	(1,219,000)	(1,026,000)	(5,000)	--
3. Water and Other Utilities: Reflects a decrease in funding based on the current year expenditure, consumption trends, and anticipated water and industrial waste rate increases from various water companies.	(91,000)	(21,000)	(70,000)	--	--
4. Power Plant Operations: Reflects a net increase in funding primarily due to the Board-approved salary adjustments and projected increases in employee benefits, partially offset by the reduction in the Cap and Trade Program cost for carbon emission reduction due to the discontinuation of the cogeneration operation at the Pitchess Power Plant.	428,000	260,000	165,000	3,000	--
5. Energy Management Programs: Reflects an increase in funding primarily due to the Board-approved salary adjustments and projected increases in employee benefits, as well as additional resources to implement and monitor the various energy projects throughout the County.	797,000	792,000	5,000	--	--

Critical and Unmet Needs

The Utilities budget's unmet needs include one-time funding of \$6.0 million to augment ISD's existing Revolving Loan Fund on an annual basis for the next five years. The funds will be used to continuously support energy saving deferred maintenance projects, and to accelerate energy efficiency and renewable projects within County facilities.

2020-21 Budget Message

On November 4, 2008, voters from County unincorporated areas approved the passage of the Utility User Tax - Measure U. The revenues are generated from user taxes on gas, electricity, and communication. These revenues are fully offset with appropriations in various budget units including the Departments of Board of Supervisors, District Attorney, Fire, Library, Parks and Recreation, Public Works, Regional Planning, Sheriff, and Workforce Development, Aging and Community Services for various programs within the unincorporated areas.

The 2020-21 Recommended Budget reflects a \$1.6 million decrease due to a reduction in communication user tax revenue.

2020-21 Budget Message

Vehicle License Fees (VLF) – Realignment is derived from the County’s share of statewide motor vehicle license fees. These fees are fully offset with appropriation in the Departments of Health Services, Mental Health, Public Health and Public Social Services for various health and social services programs.

The 2020-21 Recommended Budget reflects an increase of \$17.9 million due to adjustments to the prior-year VLF Health Services and Public Health base allocations and redirected general growth for Social Services.

Mission Statement

The Department of Workforce Development, Aging and Community Services (WDACS) and its community partners connect communities and improve the lives of all generations in the County. The Department achieves its mission through effective, partnership-driven services and initiatives that connect individuals to careers and employers to a skilled workforce, ensure the well-being of older and dependent adults in the community, and resolve conflicts and improve human relations in the diverse County.

2020-21 Budget Message

The 2020-21 Recommended Budget reflects an NCC decrease of \$5.5 million primarily due to the removal of \$4.6 million in prior-year funding that was provided on a one-time basis for programs and services and a transfer of \$4.1 million to the Department of Public Social Services (DPSS) for the Adult Protective Services (APS) program. This is partially offset by an increase of \$3.0 million in Board-approved salaries and employee benefits and an increase of \$0.2 million for the Human Relations Commission (HRC) Anti-Hate Campaign.

Critical/Strategic Planning Initiatives

- Support major countywide initiatives and priorities in the areas of child protection, homelessness, efficiencies, and succession planning.
- Lead the County's efforts to implement the Workforce Innovation and Opportunity Act (WIOA) and Board-approved workforce development priorities, and coordinate workforce development efforts within the County.
- Advance the County's efforts on implementation of the LA Found (formerly Bringing Our Loved Ones Home) Initiative, which aims to prevent wandering incidents among at-risk individuals with Alzheimer's disease, dementia, and autism, and safely return them to their families and caregivers.
- Engage internal departmental stakeholders to strengthen the departmental culture and engage external departmental stakeholders to expand visibility and ensure public awareness of services provided by the Department throughout the County.

2020-21 Budget Message

The 2020-21 Recommended Budget reflects an NCC decrease of \$17.4 million primarily due to the removal of prior-year funding that was provided on a one-time basis for programs and services. The 2020-21 Recommended Budget also includes a reduction of \$3.0 million in appropriation and revenue in order to align the Department's workforce programs with the WIOA allocation.

Changes From 2019-20 Budget

<i>Less Administration</i>	--	--	--	--	--
Net Program Costs	41,806,000	41,806,000	--	--	273.0

Authority: Mandated program – Social Security Act Title XX; California Welfare and Institutions Code Sections 15630-15637, 15640, 15750-15755, 15760, and 15762-15763, and California Department of Social Services Regulations Sections 33-100 through 33-805.

This program helps elders (age 65 or older) and dependent adults (physically or cognitively impaired 18-64 year olds) who are suspected victims of abuse or neglect (including self-neglect). APS social workers investigate reports of alleged abuse, assess an individual's abilities and limitations, provide referrals to community services, and provide general case management to help those that are unable to protect themselves.

2. WIOA – Adult, Dislocated and Youth

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	11,563,000	1,868,000	9,695,000	--	51.0
<i>Less Administration</i>	--	--	--	--	--
Net Program Costs	11,563,000	1,868,000	9,695,000	--	51.0

Authority: Mandated program – WIOA 2014, Public Law 113-128.

This program provides services that lead to successful transition into the workforce, training, and education. The program goal is to increase the self-sufficiency of persons residing in the County.

3. Aging and Adult Services

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	3,138,000	--	3,138,000	--	20.0
<i>Less Administration</i>	--	--	--	--	--
Net Program Costs	3,138,000	--	3,138,000	--	20.0

Authority: Non-mandated, discretionary program.

This program ensures that home delivered meals are provided to the frailest and those least able to prepare meals for themselves. Also, nutritious meals are provided to seniors (age 60 and older) and their spouses in a congregate meal social setting, and support services are provided to caregivers of older adults and to senior grandparents caring for grandchildren. The program also provides various care management services to frail, elderly, and younger adults with disabilities who are at risk of being placed in an institutional setting.

4. Community and Senior Centers

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	10,158,000	--	129,000	10,029,000	61.0
<i>Less Administration</i>	--	--	--	--	--
Net Program Costs	10,158,000	--	129,000	10,029,000	61.0

Authority: Non-mandated, discretionary program.

Community and Senior Centers staff provide oversight or coordinate programs and services for people of all ages through partnerships with community businesses, volunteers, and public and private agencies. These services reduce the isolation faced by constituents, improve their health and well-being, and simplify access to information such as income tax preparation, notary services, and other services.

5. Dispute Resolution Program

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	250,000	--	250,000	--	2.0
<i>Less Administration</i>	--	--	--	--	--
Net Program Costs	250,000	--	250,000	--	2.0

Authority: Non-mandated, discretionary program.

This program provides various dispute resolution services as an alternative to more formal court proceedings. Services include mediations, telephone conciliations, group facilitators and arbitrations. Services are provided through contracts with nonprofit organizations and government entities. Contract goals are based on the number of individuals, businesses, and organizations accessing the services and the cost per dispute resolved. Participation in the program is strictly voluntary.

6. HRC

	Gross Appropriation (\$)	Intrafund Transfer (\$)	Revenue (\$)	Net County Cost (\$)	Budg Pos
Total Program Costs	2,949,000	--	--	2,949,000	20.0
<i>Less Administration</i>	--	--	--	--	--
Net Program Costs	2,949,000	--	--	2,949,000	20.0

Authority: Mandated program – Article XXIX of County Ordinance No. 4099, No. 7425, as amended by Ordinance No. 8118, No. 10, 532, and No. 10, 921, and the County Administrative Code.

The HRC teams up with law enforcement, schools, cities, community-based organizations, youth, academics, policy makers, businesses, and other leaders to bring key players together to resolve immediate inter-cultural conflicts. The HRC's goal is to develop programs that proactively address racism, homophobia, religious prejudice, linguistic bias, anti-immigrant sentiment, and other divisive attitudes that can lead to inter-cultural tensions, hate crimes, and violence.

Glossary

ACTIVITY: A major work effort performed to meet a program objective.

ACTUAL FISCAL YEAR: Amounts represent actual expenditures and financing sources for two fiscal years prior to the Recommended Budget fiscal year.

AGENCY FUND: A separate legal entity under the authority of the Board that includes the Los Angeles County Development Authority.

APPROPRIATION: A legal authorization to make expenditures and incur obligations for specific purposes.

APPROPRIATIONS FOR CONTINGENCIES: A budgetary provision representing a portion of the financing uses set aside for unforeseen expenditure requirements.

ASSIGNED FUND BALANCE: The portion of the fund balance approved by the Board to reflect a government's intended use of resources that are neither committed nor restricted fund balance.

AUDITOR-CONTROLLER SCHEDULES: Provide summary and detailed countywide financing source and use information necessary to meet mandated State Controller requirements.

BOND ANTICIPATION NOTES: An interim financing instrument issued in anticipation of permanent long-term financing. BANs are issued by Joint Powers Authorities and Nonprofit Corporations as authorized by the California Government and Corporations Codes, respectively. Abbreviation: BANs

BUDGET FISCAL YEAR: Reflects the current fiscal year Board-adopted budget, but does not incorporate any budget adjustments or changes that may occur during the year.

BUDGET MESSAGE: A general summary of the Recommended Budget as presented in writing to the legislative body that contains an explanation of the principal budget items and their financial status at the time of the message.

BUDGET SUMMARY SCHEDULES: Provide summary and detailed information on financing sources/uses and budgeted positions.

BUDGET UNIT: The classification of expenditures and revenues into appropriately identified accounting or cost centers deemed necessary or desirable for control of financial operations. Unless specified by law, such units may be devised at the discretion of the Board.

BUDGETED POSITIONS: A unit of measure used to standardize positions with different bases (e.g., hours, months). All items are converted to full-time equivalent positions, which are represented as budgeted positions in departmental operations. A full-time equivalent represents one item working full time for one year; this facilitates analytical comparisons.

CANCEL OBLIGATED FUND BALANCES: An accounting transaction to release obligated fund balances to finance appropriations. Abbreviation: CANCEL OBLIGATED FD BAL

CAPITAL ASSETS-BUILDINGS AND IMPROVEMENTS: Expenditures for the acquisition of buildings and improvements. Abbreviation: CAPITAL ASSETS - B & I

CAPITAL ASSETS-EQUIPMENT: Expenditures for the acquisition of physical property of a permanent nature, other than land, buildings, and improvements.

CAPITAL ASSETS-INFRASTRUCTURE: Public domain capital assets such as roads, bridges, curbs and gutters, streets and sidewalks, drainage systems, lighting systems, and similar assets that are immovable and of value only to a government unit.

CAPITAL ASSETS-LAND: Expenditures for the acquisition of land.

CAPITAL PROJECT: Capital improvements to buildings that result in an increase of square footage, construction of new facilities, or the acquisition of land. Abbreviation: CAP PROJ

CAPITAL PROJECTS/REFURBISHMENTS SCHEDULES: A section in the Budget Detail Schedules (Volume 2) that provides a summary of the County's Capital Program and detailed information on each capital improvement and refurbishment project. Funds for these projects are appropriated in the Capital Projects/Refurbishments budget as capital assets-land and capital assets-buildings and improvements.

CAPITAL PROJECT SPECIAL FUNDS: Funds to account for financial resources used for the acquisition or construction of major capital facilities (other than those financed by proprietary and trust funds). Examples are the General Facility Capital Improvement Fund and the Marina Replacement Accumulated Capital Outlay Fund.

CHANGE FROM BUDGET: The resulting variance when the Recommended Budget is compared to the current budget.

COLLABORATIVE PROGRAM CHANGES (COLLABORATIVE PROGRAMS): Reflects changes to the budget that are a result of County departments working together or with stakeholders to improve County programs or services.

COMMITTED FUND BALANCE: The portion of the fund balance to be used for specific purposes as determined by the Board through County ordinance or resolution. Committed fund balance may be changed or lifted only by the Board taking the same formal action that imposed the constraint originally. The underlying action by the Board needs to occur no later than the close of the fiscal year.

CRITICAL AND UNMET NEEDS: Reflects a department's critical and unmet requirements that are not currently addressed in the budget.

CRITICAL ISSUES CHANGES (CRITICAL ISSUES): Reflects changes to the budget that are significant in nature and are mandated by the State or federal government.

CURTAILMENT CHANGES (CURTAILMENTS): Reflects reductions to the budget that are generally necessary to address projected funding reductions at either the federal, State, or local level.

DEBT SERVICE FUND: A fund used to account for the accumulation of resources to make payments of principal and interest on general obligation bonds and other long-term debt.

DEPARTMENTAL PROGRAM SUMMARY: Provides information such as the legal authority for the program, whether the program is mandated or discretionary, the description of the program, and summary budget information reflecting the Recommended Budget.

EFFICIENCY CHANGES (EFFICIENCIES): Reflects changes to the budget that are the result of performing or functioning in a more effective manner.

ENCUMBRANCES: Resources committed for future expenditures as a result of unperformed (executory) contracts such as purchase orders and specific contracts for goods or services.

ENTERPRISE FUNDS: Funds to account for organizations that are financed and operate like commercial entities, where the intent is to recover the cost of providing ongoing services, primarily by user charges. Examples are the Hospital Enterprise Funds.

ESTIMATED FISCAL YEAR: Reflects estimated expenditures and financing sources for the entire current fiscal year.

ESTIMATED TAX DELINQUENCIES: The amount of estimated property taxes that will remain uncollected at the end of the fiscal year.

EXPENDITURE: The spending or disbursement of financial resources.

EXPENDITURE DISTRIBUTION: Transactions that constitute reimbursement for expenditures or expenses initially made from a fund or organization that are charged to another fund or organization. Abbreviation: EXPENDITURE DIST

EXPENDITURE OBJECT: A chart of accounts element that classifies expenditures into groups.

FINANCING SOURCES: Reflects the total resources (e.g., revenue, taxes, and fund balance available) utilized to finance expenditure needs.

FINANCING USES: Total needs requiring financing for the fiscal year.

FISCAL YEAR: A yearly accounting period, beginning on July 1 and lasting through June 30 of the next year, to which the annual operating budget applies. Fiscal years are designated by the calendar year in which they begin and end. Abbreviation: FY

FUNCTION: A group of related activities aimed at accomplishing a major service or regulatory program.

FUND: A separate fiscal and accounting entity with a self-balancing set of accounts recording financing sources, financing uses, assets, and liabilities.

FUND BALANCE AVAILABLE: The portion of the fund balance not obligated and therefore available for financing budgetary requirements.

GENERAL COUNTY: A term referencing all General Fund operations, general obligation bonds, long-term debt service requirements, and Hospital Enterprise Fund operations.

GENERAL FUND: The fund to account for all countywide operations except those required to be accounted for in another fund.

GENERAL PURPOSE (DISCRETIONARY) REVENUE: Monies that are not legally earmarked by the State or federal government for a specified program or use. Included in this category are sales and use taxes, business license and utility user taxes, and property taxes.

GENERAL RESERVES: A fund equity restriction to provide for legally declared emergency expenditures. Authorization from the Board is required to expend these monies. General Reserve is now classified as assigned fund balance.

GOAL: A long-term organizational target or direction. It states what the organization wants to accomplish or become over the next several years. Goals provide the direction for an organization and define the nature, scope, and relative priorities of all projects and activities. Everything the organization does should help it move toward attainment of one or more goals.

INTERNAL SERVICE FUND: The fund to account for the financing of goods or services provided by one department or agency to other departments or agencies, or to other governments, on a cost-reimbursement basis.

INTRAFUND TRANSFER: An accounting mechanism used to reflect expenditure transfers between operations within the same fund, thereby identifying the true location of actual cost. For example, the cost of some data processing services is budgeted in the Internal Services Department. To the extent those services are rendered to other General Fund departments, the related costs are also transferred to the appropriate departmental budget units to more accurately reflect total operating expenditures. Abbreviation: IFT

JOINT POWERS AUTHORITY: A separate legal entity, authorized by the California Government Code, that is empowered to act on behalf of a governmental entity to acquire capital assets, utilizing long-term financing. Abbreviation: JPA

MISSION STATEMENT: A statement of organizational purpose.

MODIFIED ACCRUAL BASIS OF ACCOUNTING: The County's basis of accounting. Revenues are recognized when they become both measurable and available to finance expenditures. Expenditures are generally recognized when incurred, except for self-insurance, litigation, and employee benefits, which are accounted for on a cash basis.

NET COUNTY COST: The amount of the operation financed by general purpose revenues, such as property taxes. Abbreviation: NCC

NEW/EXPANDED PROGRAMS: Reflects changes to the budget for new programs or the expansion of existing programs.

NONOPERATING EXPENSES: Expenses that are not directly related to a fund's primary activities.

NONOPERATING REVENUES: Revenues that are not directly related to a fund's primary activities.

NONPROFIT CORPORATION: A separate legal entity, authorized by the California Corporations Code, that is empowered to act on behalf of a governmental entity to acquire or construct capital assets, utilizing long-term financing. Abbreviation: NPC

NONSPENDABLE FUND BALANCE: The portion of the fund balance that cannot be spent because it is either (a) not in spendable form or (b) legally or contractually required to be maintained intact. The "not in spendable form" criterion includes items that are not expected to be converted to cash, such as inventories and long-term notes receivable.

OBJECTIVE: A measurable target that must be met in implementing a strategy and attaining a goal.

OBLIGATED FUND BALANCE: The portion of the fund balance that is unavailable for financing budgetary requirements in the budget year. This includes nonspendable, restricted, committed, and assigned fund balances.

OPERATING BUDGET: Reflects plans for expenditures and the means of financing them. The operating budget is the primary means that most financing of acquisitions, spending, and service delivery activities of the County is controlled.

OTHER CHANGES: Reflects changes such as: across-the-board salaries and employee benefits changes; accounting adjustments; ministerial appropriation, intrafund transfer, and revenue changes; and other changes that do not directly affect programs and service levels.

OTHER CHARGES: An object of expense that reflects costs not directly associated with the daily expenses of running an operation. Includes payments for California Work Opportunities and Responsibility to Kids (CalWORKs), In-Home Supportive Services (IHSS), General Relief, Foster Care, interest and principal charges, capital lease payments, payments to other governmental agencies, and judgments and/or settlements.

OTHER FINANCING USES: Operating transfers out from one governmental fund to another.

OTHER PROPRIETARY FUNDS: Funds to account for those governmental activities that are similar to those in the private sector (includes Enterprise Funds, other than Hospital Enterprise and Internal Service Funds).

PROGRAM: A combination of resources, personnel, materials, and facilities to provide a service for an identifiable group or target population to achieve a specified result.

PROGRAM PRIORITIZATION: The process of evaluating and ranking programs based upon program objectives, required resources, and effectiveness. The intent is to identify low-priority programs for possible reduction or elimination if funding is not available and use the resulting savings to maintain or enhance high-priority programs.

PROGRAM REALIGNMENT: Transfer of program funding between the State and counties to more accurately reflect responsibilities. Realigned programs include Mental Health, Indigent Health, Foster Care, Child Welfare Services, CalWORKs, IHSS, certain juvenile justice programs, and other miscellaneous programs. Revenues from increased vehicle license fees and sales taxes finance the increased County program responsibilities.

RECOMMENDED BUDGET: Upon approval by the Board, the recommendations of the Chief Executive Officer become the official Board proposals for appropriation and revenue for the next fiscal year. The Board normally approves the Recommended Budget in April. It may be amended following public budget hearings and Board deliberations anticipated in May and June, respectively.

REFURBISHMENT: A renovation of existing space that costs in excess of \$100,000. Refurbishments are characterized by an overall enhancement in space decor, functional design, configuration, etc., for the purpose of improving aesthetic image, operational efficiency, or staff productivity.

REGULAR (EQUALIZED) ASSESSMENT ROLL: The listing of the assessed values of all properties within the County as of January 1 of each year. The regular roll contains values for both secured (real) and unsecured (personal) properties.

REQUESTED FISCAL YEAR: Reflects next fiscal year's official request for appropriation and financing sources to implement stated objectives.

RESTRICTED FUND BALANCE: The portion of the fund balance to be used for specific purposes as determined by either (a) externally imposed by creditors, grants, contributors, or laws and regulations of other governments or (b) imposed by law through constitutional provisions of enabling legislation. Restrictions may be changed or lifted only by changing the condition of the constraint.

REVENUE: A source of income to an operation other than debt issue proceeds or the transfer from another fund.

SALARIES AND EMPLOYEE BENEFITS: An object of expense reflecting the County's costs for employee compensation. Includes salaries and wages, insurance (health, dental, life, and unemployment), workers' compensation, retirement, bonuses, overtime, flexible benefit plans, and deferred compensation plans. Abbreviation: S&EB

SERVICES AND SUPPLIES: An object of expense reflecting the purchase of goods and services within the fiscal year. Abbreviation: S&S

SPECIAL ASSESSMENTS: Fees that are charged to property owners in certain geographical areas for public improvements. A fee is levied only to those property owners that receive a direct benefit.

SPECIAL DISTRICT FUNDS: Funds to account for public improvements and services to benefit targeted properties and residents that are funded by specific taxes and assessments. Examples are the Garbage Disposal Districts and Sewer Maintenance Districts.

SPECIAL DISTRICTS: An independent unit of local government established to perform a single specified service. The Special Districts listed in this document are governed by the Board.

SPECIAL REVENUE FUNDS: Funds to account for the proceeds of specific revenue sources that are restricted in the way they may be spent.

STRATEGIC PLAN: The framework that aligns departmental efforts with Board directed priorities and outlines the County's direction that is defined by the County's mission, vision, and values. The Strategic Plan includes measurable objectives and strategies to accomplish specific goals.

STRATEGY: The means that the County intends to accomplish a goal as it moves to achieve outcomes or results. A strategy captures a defined intent across policies, programs, projects, actions, decisions, and resource allocations to achieve an outcome.

SUBVENTION: A grant (usually from the State or federal government).

SUPPLEMENTAL ROLL: Property taxes generated pursuant to SB 813 (Chapter 498, Statutes of 1983), whereby changes to property taxes are made effective the date the property ownership title is transferred.

TRANSFERS IN: The transfers in of funding from one governmental fund to another, reported separately from revenue to avoid distorting revenue trends.

TRANSFERS OUT: All interfund transfers legally authorized from a fund receiving subsidy to the fund through which the resources are to be expended.
