Dear Commissioners:

**AGENCY PLAN FOR THE LOS ANGELES COUNTY DEVELOPMENT
AUTHORITY (ALL DISTRICTS) (3 VOTES)**

SUBJECT

This letter recommends approval of the Los Angeles County Development Authority's Agency Plan which consists of an Annual Plan for Fiscal Year 2020-2021 and a Five-Year Plan for Fiscal Years 2020-2024 (collectively, "Agency Plan"). The Annual Plan updates the Los Angeles County Development Authority's program goals, major policies, and financial resources. The Five-Year Plan is a strategic planning document that identifies the Los Angeles County Development Authority's goals for the next five years. Submission of the Agency Plan is required by the U.S. Department of Housing and Urban Development for receipt of Capital Fund Program funds, operating funds for the Public Housing Program and administrative fees for the Housing Choice Voucher Program.

IT IS RECOMMENDED THAT THE BOARD AFTER THE PUBLIC HEARING,

1. Find that the activities in the Agency Plan, as described herein, are not subject to the provisions of the California Environmental Quality Act (CEQA), because they will not have the potential for causing a significant effect on the environment.
2. Approve the Agency Plan, as required by the U.S. Department of Housing and Urban Development (HUD), to update the Los Angeles County Development Authority's (LACDA) program goals, major policies and

financial resources, including the Capital Fund Program (CFP) Annual Statement, the Admissions and Continued Occupancy Policy (ACOP) for the Public Housing Program, the Public Housing Lease Agreement, and the Housing Choice Voucher Program (HCV) Program's Administrative Plan.

3. Adopt and instruct the Chair to sign a Resolution approving the Agency Plan for submission to HUD and authorize the Acting Executive Director or his designee to take all actions required for implementation of the Agency Plan.
4. Authorize the Acting Executive Director or his designee to execute all documents required to receive HUD allocated CFP funds of \$7,166,752.
5. Authorize the Acting Executive Director or his designee to incorporate into the Agency Plan all public comments received and approved for inclusion by the Board, and to submit the Agency Plan to HUD by no later than July 31, 2020.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

On October 21, 1998, the Quality Housing and Work Responsibility Act of 1998 (QHWRA) mandated that all Public Housing Agencies (PHAs) submit an Annual Plan every year and a Five-Year Plan every five years to HUD. Section 511 of the QHWRA mandates that the LACDA submit an Agency Plan for Fiscal Years (FY) 2020-2024.

The Five-Year Plan is a strategic planning document that identifies the LACDA's goals for the next five years. The Board approved the Five-Year Plan for FYs 2018-2022 on March 27, 2018. HUD approved the Five-Year Plan on May 7, 2018 and requested that the LACDA submit a new Five-Year Plan in 2020 to bring all PHAs Agency Plan schedules into alignment.

The Annual Plan identifies major program policies and financial resources. It updates information on housing needs, waiting lists, housing strategies, program policy changes and other program and management data. The Board approved the Annual Plan for FY 2019-2020 on March 26, 2019.

FISCAL IMPACT/FINANCING

There is no impact on the County general fund. Upon approval of the Agency Plan, the LACDA will receive \$7,166,752 in CFP funds from HUD for management improvements, administrative costs, and housing rehabilitation for the Public Housing Program. Operating funds for the Public Housing Program and administrative fees for the HCV Program will be approved through the LACDA's annual budget process.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Included as part of the Agency Plan are the updated CFP Annual Statement, ACOP, Public Housing Lease Agreement and the HCV Program Administrative Plan. Significant changes to these documents are discussed below.

Capital Fund Annual Statement

During FY 2018-2019, a total of 2,243 housing units were rehabilitated at 10 Public Housing Program developments throughout Los Angeles County.

The FY 2020-2021 Capital Fund Annual Statement summarizes the LACDA's plan to use modernization funds for management improvements, administrative costs and to rehabilitate 1,888 housing units at 17 Public Housing Program developments. Included are proposed work items, estimated costs, and an implementation schedule for the work to be completed.

As authorized by HUD, the Acting Executive Director may amend the CFP Annual Statement as necessary to respond to needs such as housing emergencies, to safeguard property or protect health and safety, or to implement other changes that are in the interests of the LACDA and Public Housing residents. The Acting Executive Director may also implement changes to the CFP Annual Statement in response to changes in federal funding.

Admissions and Continued Occupancy Policy and Lease Agreement for the Public Housing Program

The purpose of the ACOP and Lease Agreement for the Public Housing Program is to set guidelines to determine eligibility for admission and continued occupancy. The revised ACOP and Lease Agreement reflects the following changes:

1. Homeless Preference for Elderly Families

The LACDA currently has a countywide waiting list preference for homeless families. The preference is limited to 30% of the number of vacant general occupancy public housing units available on July 1 of each fiscal year.

Additionally, for the family properties located specifically in the South Los Angeles County area, the LACDA provides an admissions preference to homeless families, which includes victims of domestic violence, by first offering any unit that becomes available to a homeless family. The family must consist of two (2) or more persons with one (1) member being under the age of 18 or be a single elderly and/or disabled person.

To qualify for a homeless admission preference, families must be referred by County agencies or Community Based Organizations (CBOs) with a contract or Memorandum of

Understanding (MOU) in place with the LACDA. Additionally, the LACDA requires partner agencies to use a Coordinated Access System for homeless referrals. The referring agency must provide a certification of the family's homeless status.

The LACDA will create a new admissions preference for the Carmelitos and Nueva Maravilla "Rosas" senior designated properties, by first offering 25% of anticipated annual vacancies to homeless elderly families. Elderly families must be referred by a partnering agency with a contract or MOU in place with the LACDA.

The referring agency must provide a certification of the elderly family's homeless status. An elderly family is a household whose head, co-head, spouse, or sole member is a person who is at least 62 years of age. It may include two or more persons who are at least 62 years of age living together, or one or more persons who are at least 62 years of age living with one or more live-in aides.

2. New Repayment Agreement Lease Addendum and Increased Flexibility in Payments

Currently, a tenant that owes money to the LACDA and enters into a repayment agreement, must pay an initial 50% of the debt due within 14 calendar days, and the remaining debt to be paid in equal payments within 12 months. If the debt owed is in excess of \$2,400, the debt can be paid in equal payments not to exceed 24 months. Additionally, tenants transferring to another unit must still repay any debt owed related to the pre-transfer unit. Currently the ACOP delineates that in order to assure a resident satisfies any debts owed to the LACDA related to their pre-transfer unit, the transferring resident shall enter into a repayment agreement that will be an Addendum to the Lease Agreement of the new residence.

A new Repayment Agreement Lease Addendum will provide a legal mechanism to ensure a resident pays a debt incurred in the pre-transfer unit. Additionally, the LACDA will provide increased payment flexibilities with LACDA approval including: 1. A lump sum amount; 2. A monthly payment; 3. A combination of a lump sum and monthly payment. The LACDA will continue to require that any repayment agreement cannot exceed 12 months for amounts under \$2,400 or 24 months for any amount in excess of \$2,400. These changes in the repayment policies for Public Housing are consistent with the LACDA's HCV program current policies.

3. Change in Timeframe for Curable 14-Day and 30-Day Notices

Changes to the Unlawful Detainer statutes that took effect on September 1, 2019 require the LACDA to exclude Saturday, Sundays and holidays from 14-day and 30-day notices (CA Code of Civil Procedure section 1161). This change does not apply to a three (3)-day and 30-day notice to vacate where there is no option to cure a breach to the Lease Agreement. The LACDA implemented this change effective September 1, 2019 and will amend the ACOP to reflect the change effective July 1, 2020.

4. New Social Services Compliance Lease Addendum

Currently, the LACDA offers an array of social and case management services to provide residents with assistance in their path to self-sufficiency and to resolve ongoing non-compliance issues at their public housing development. Many residents at risk of being evicted do not take advantage of LACDA provided social services to assist them in complying with the LACDA's Public Housing Lease Agreement.

A new Social Services Compliance Lease Addendum will require a resident to obtain social services after the LACDA has made concerted efforts to assist the resident with multiple and ongoing counseling sessions and referrals.

HCV (Section 8) Program Administrative Plan

The purpose of the HCV (Section 8) Program's Administrative Plan is to set forth the policies and procedures that govern the LACDA's administration of rental assistance under this program. The revised HCV (Section 8) Program Administrative Plan reflects the following changes:

1. Waiting List Local Preferences

The LACDA's HCV Program currently serves homeless families within certain categories. Among its categories, the LACDA serves families registered on its waiting list that declare themselves homeless, and the LACDA has a commitment of up to 50% of expected annual attrition for families referred by an approved Coordinated Access System.

Effective July 1, 2020, the LACDA will no longer utilize the waiting list for families that declare themselves homeless. Instead, the LACDA will increase its homeless commitment to 100% of expected annual voucher attrition to assist Los Angeles county-based homeless families as follows:

- Up to 90% of referral applications may be received from an approved Coordinated Access System and/or local service provider that assists homeless families participating in a transitional or permanent supportive housing program.
- Up to 5% of referral applications may be received from an approved local service provider assisting homeless elderly families.
- Up to 5% of referral applications may be received from an approved local service provider assisting homeless Transitional Aged Youth (TAY) that are enrolled in an institution of higher education.

Lastly, the LACDA will now include a local preference for elderly households on the waiting list who live and/or work in the LACDA's jurisdiction.

2. Non-Elderly Disabled Vouchers

To determine the order in which vouchers are awarded to eligible families, the LACDA first categorizes families based on the waiting list's local preference.

However, if a PHA is awarded targeted funding, the PHA is required to use those funds to assist only the families eligible for assistance within the specified category. To be consistent with HUD funding practices for a specified category, such as the Non-Elderly Disabled category, the LACDA will now prioritize families on the waiting list that qualify for the Non-Elderly Disabled category. Non-Elderly Disabled families will now be selected from the waiting list based on their eligibility for targeted funding under the Non-Elderly Disabled category.

3. Implementation of a Waiting List Purge Process

The Administrative Plan will now include the LACDA's purge process, which has been previously conducted through the mailing of an interest card or pre-application for continued HCV program interest, selection, and removal.

4. Revise the Term of the Voucher Extension Process

Currently, the Administrative Plan permits voucher extensions to be granted in 30, 60, or 120 calendar day increments, up to a maximum term of 180 calendar days, if necessary for the tenant to locate a unit. Further, supervisors are authorized to grant extensions up to a maximum term of 270 calendar days for extenuating circumstances. Approval for a voucher extension requests beyond 180 calendar days is considered on an individual basis and requires a family's request to be supported by verifiable third-party documentation.

To establish a simplified, fair, and consistent manner of granting voucher extensions, the new policy will permit case managers to issue a voucher with an initial term of 60 calendar days with an automatic approval of one 60 calendar day extension. Upon request, the LACDA case managers will approve an additional 60 calendar day extension, not to exceed a total maximum term of 180 calendar days. When necessary, supervisors may authorize voucher extensions, in increments of 30 or 60 days, beyond 180 calendar days and up to a maximum term of 365 calendar days. Extensions beyond 365 calendar days will only be considered as a reasonable accommodation for a person with disabilities.

5. Streamline the Reasonable Accommodation Process

Currently, the Administrative Plan requires that the LACDA to re-verify the continued need for a reasonable accommodation when a live in-aid leaves the household.

The Administrative Plan will no longer mandate this verification requirement.

6. Rent Increase Requests

The LACDA currently has a discretionary policy that permits the LACDA to approve only one rent increase during a twelve-month period.

The discretionary policy will now be removed from the Administrative Plan. Removal of the discretionary policy will permit the LACDA to operate in accordance with state law and local rent stabilization ordinances governing rent increases.

7. Implementation of a Rent Adjustment Effective Date Policy

Currently, the Administrative Plan only outlines the property owner's requirements for requesting a rent adjustment, which is in accordance with the HUD mandated landlord 60-day notice to the Public Housing Agency (PHA) of a rent change.

As of July 1, 2020, the LACDA will adopt the following policy to inform property owners how the LACDA will select the effective date of a rent adjustment when the owner does not provide the adequate 60-day notice: "All rent adjustments will be effective on the first of the month following 60 days of the LACDA's receipt of a copy of the owner's notice to tenant or on the date specified by the owner, whichever is later."

8. Implement a Portability Policy for Mainstream Voucher Applicant Families

In FY 2019-2020, HUD awarded the LACDA an allocation of mainstream vouchers that target non-elderly disabled individuals. Because mainstream families may experience difficulty finding suitable housing that meets their needs, the LACDA committed and will now implement a policy that would permit mainstream applicants found eligible to receive a voucher to port to another PHA's jurisdiction where a suitable unit is located.

9. Project-based Voucher Program - Statutory, Regulatory, and LACDA Policy changes

The Administrative Plan's, Chapter 21 "Project-based Voucher Program" has been revised to be in line with the Housing Opportunity through Modernization Act of 2016 (HOTMA), the HUD Federal Register notice published on January 18, 2017 and HUD's PIH 2017-21 notice issued on October 30, 2017.

In addition to mandated regulatory changes, the LACDA has changed the following discretionary policies that will be effective July 1, 2020:

- The LACDA will remove the minimum 15 Project-based Voucher Unit requirement for selection of a project.
- The LACDA will adopt a policy that requires that a proposed new construction development site that is within 500 feet of a freeway be designed to exclude from the 500-foot freeway a "buffer" area including any portion of the residential building, as

well as play areas, community rooms, gardens, patios, and other areas where residents may reasonably be expected to congregate. The LACDA shall review and approve, at its sole discretion, any site plans for new construction developments of this type.

10. Interim Reexamination Policy – HUD Mandated Reporting Requirements in Effect Since June 1, 2020

Under HUD regulations, the LACDA must conduct a reexamination of family income and composition at least annually. In between reexaminations of family income and composition, HUD permits a PHA to establish discretionary policies prescribing when and under what conditions the family must report interim changes in family and income.

Accordingly, the LACDA's discretionary policy required that families submit changes in income decreases and family composition within thirty days of the change. Families were permitted to submit any other changes in income, such as new employment or, increases in wages or hours worked, at the annual reexamination.

However, on April 9, 2020, HUD issued the LACDA an official notification confirming a projected shortfall in federal funding. As a result, HUD required the LACDA to immediately implement cost saving measures to its discretionary policies to remain eligible for emergency supplemental funding.

As a result of the COVID-19 pandemic, on April 10, 2020 HUD issued PIH notice 2020-05 whereby HUD recognized the difficulties for PHAs to comply with their Administrative Plan policies and waived the regulation that requires that any revision of the Administrative Plan must be formally adopted by the PHA's Board of Commissioners. HUD waived the requirement to allow the PHA to revise policies in the Administrative Plan on a temporary basis without Board approval. However, formal approval would be required by no later than July 31, 2020.

Therefore, effective as of June 1, 2020, the LACDA amended its interim reexamination policy to require that families report all changes in earned and unearned income, assets, expenses, full-time student status, and family circumstances within 10 calendar days of the date the change takes effect. Prior to the effective date, families were notified of this new requirement via the website, the tenant portal, Tenant Talk Newsletter, and various One-Call Automated messages.

11. Other Changes to the Administrative Plan Policy as a Result of COVID-19

- Paperless Communication with Owners and Families

Therefore, effective as of June 8, 2020, the LACDA amended its Administrative Plan to remove the requirement to mail hard copy letters or notices. Instead, the letters and notices will be made available through the LACDA's online Portal for viewing and for

download. An email notification will be sent each time a new letter is made available. Families and Owners that do not have an online portal account will continue to receive hard copy letters via the U.S. Postal Service. This change in process permits the LACDA to protect its employees and continue to serve and protect its clients.

- Voucher Extensions Process During a Declared Disaster

Therefore, the LACDA is hereby including in its Administrative Plan the following language: "Under a local, state, and/or federally declared disaster, and at the discretion of the Director or designee, the LACDA may grant voucher extensions as necessary without the need for a family's formal request".

The addition of this language will permit the LACDA the discretion to act in the family's best interest during a declared disaster and proactively approve voucher extensions without the need for the family's formal request.

Lastly, the Administrative Plan, ACOP and Public Housing Lease Agreement may include language changes that are statutory, regulatory, and/or that clarify existing policy.

Opportunity for Public Input

Section 24 of the Code of Federal Regulations, Part 903.17, requires a public hearing to approve the Agency Plan. Copies of the Agency Plan were made available for review and comment during a public review and comment period from December 27, 2019 to February 9, 2020 at 11 housing developments, the South Whittier Community Resource Center, LACDA administrative offices, and the LACDA website. Notices of the availability of the documents and the public hearing were also published in newspapers of general circulation during the public comment period.

The Summary of Public Outreach regarding the Agency Plan and a list of the 17 Public Housing Program developments in the Capital Fund Annual Statement for FY 2020-2021 are provided as Attachments A and B, respectively.

The Resolution approving the Agency Plan for submission to HUD has been approved as to form by County Counsel. At the conclusion of the Public Review and Comment period, the LACDA will provide to the Board all public comments pertaining to the Agency Plan. At the conclusion of the public hearing, public comments approved by the Board will be incorporated into the Agency Plan and submitted to HUD.

The waiting period for public housing applicants is about three to five years, depending on household member size.</p>

The LACDA is a federally funded agency that administers housing assistance programs in the County for qualified families with limited means, the disabled, and seniors. The LACDA publicizes and disseminates information to make known the availability of housing units and housing-related services for families with limited means on a regular basis. The LACDA communicates the status of housing availability to other service providers in the community. The LACDA advises them of housing eligibility factors and guidelines in order that they can make proper referrals for those who seek housing.

The LACDA implements the following strategies for addressing the housing needs of our community:

- Maximize the number of affordable units available to LACDA within our current resources
- Employing effective maintenance and management policies to minimize the number of public housing units off-line
- Reduce turnover time for vacated public housing units
- Reduce time to renovate public housing units
- Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required
- Coordinate efforts with public and private non-profit partners within our jurisdiction to decrease homelessness in Los Angeles County
- Maintain or increase Section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
- Participate in the Consolidated Plan and Analysis of Impediments to Fair Housing Choice (AI) development process to ensure coordination with broader community strategies
- Market to local non-profit agencies that assist families with disabilities and seniors
- Affirmatively markets to races/ethnicities shown to have disproportionate housing needs
- Provide reasonable accommodations in all housing programs; can be requested at anytime
- Conduct activities to affirmatively further fair housing
- Continues marketing the public housing and Section 8 at housing fairs, local governmental activities, churches, and to public housing resident councils and conducts open houses for a variety of communities
- Makes available to Section 8 tenants the location of units outside of areas of poverty or minority concentration
- Markets the Section 8 program to owners outside of areas of poverty/minority concentrations
- Continue to distribute fair housing brochures to the public in the Administrative offices lobby, as well as to public housing residents and Section 8 participants.
- Utilizes the Resident Advisory Board(s) to conduct fair housing presentations for residents, participants and LACDA staff
- Includes an up to date listing of all ADA units and accessible features available in Public Housing on the LACDA website

Additionally, the LACDA actively coordinates with other County agencies to provide housing eligibility and availability information to their clients: families with limited means.

The LACDA provides a homeless admissions preference countywide limited to 30% of the number of vacant general occupancy public housing units available on July 1st of each Fiscal Year. Additionally, since 2016, the LACDA expanded its homeless preference to include 100% of all South Scattered Sites

(SSS) family vacancies throughout the year which are offered first to homeless applicants through a Los Angeles Homeless Service Authority (LAHSA) Memorandum of Understanding (MOU). Moreover, effective October 1, 2019, the SSS family homeless preference was expanded by a new MOU with the Los Angeles County Department of Children and Family Services (DCFS). DCFS refers homeless families through their Family Reunification Housing Subsidy (FRHS) and Bringing Families Home (BFH) programs.

The LACDA contracts with Emphasys' online LA County Housing Resource Center to provide free listings of affordable properties throughout the County and uses the service to show voucher holders where available units are in areas of deconcentration.

The LACDA actively explores funding opportunities through leveraging funding from LACDA and other private entities, foundations and individuals. On August 17, 2015, the Los Angeles County Board of Supervisors launched the Homeless Initiative to combat homelessness. Through this initiative, the LACDA created a pair of programs to help address Los Angeles County's homelessness epidemic.

The first of the two programs was the Landlord Veteran Incentive Program (VIP). VIP was the first program launched by a housing authority's Section 8 program in the Greater Los Angeles area to use an owner-focused incentive, encouraging owners to rent to homeless veterans. VIP was a limited engagement, lasting 18 months (January 2016 to June 2017). Following the success of VIP, in May of 2016, the Section 8 program expanded the program to include both homeless veterans and homeless families. The second program, the Homeless Incentive Program (HIP) also offers monetary incentives to encourage landlords to rent their available units to participants of the Section 8 homeless targeted programs.

Funding for the program comes as part of the Homeless Prevention Initiative, a collaborative effort between multiple County agencies supported by funding from Los Angeles County Measure H, and includes the following components: a holding fee for landlords, payment of rental application fees for tenants, move-in assistance payments for tenants, and vacancy loss and damage claim protections for owners. Since its inception to November of 2018, the program has helped house over 2,664 formerly homeless veterans and homeless families.

In August 2013, HUD approved LACDA's submittal to designate 7 public housing senior developments as housing for elderly families. The U.S. Census Bureau projects that the elderly in California will have an overall increase of 112 percent from 1990 to 2020. Los Angeles County mirrors this trend. Through senior designation, the LACDA addresses the specific and growing housing needs of the elderly. Additionally, the LACDA offers senior support services, such as, the Assisted Living Waiver Pilot Program (ALWPP) at various senior housing developments. On August 27, 2018 the LACDA received 2-year extension for this senior designation.

The LACDA continues to pursue housing production that includes acquisition, development, legislation, policy creation and collaboration with the public, private and non-profit agencies to rehabilitate/redevelop existing units and increase the supply of new units.

The LACDA continues to conduct outreach activities to those communities with disproportionate housing needs. The LACDA will continue to provide timely information regarding housing opportunities through its website and other printed materials (i.e. brochures), as well as at community forums. The briefing

packet for Section 8 households is updated regularly to include the most current federal and state information on fair housing and equal opportunity.

The LACDA also provides annual training related to fair housing discrimination to employees and provides information to the public during its owner workshops, tenant workshops and internal trainings. Additionally, the LACDA has a fair housing/housing discrimination complaint line. The complaint line gives residents the ability to voice their concerns related to fair housing.

Moreover, in accordance with Executive Order 13166, the LACDA provides meaningful access to its programs and activities by persons with Limited English Proficiency (LEP). The LACDA continues to take reasonable steps to provide language assistance to those LEP clients who request such assistance.

Chapter 19 of the Admissions and Continued Occupancy Policy and Chapter 1 of the Housing Choice Voucher Program Administrative Plan contain policies to ensure that Limited English Proficient (LEP) individuals have meaningful access to the LACDA's Programs. However, to ensure comprehensive language services to LEP individuals, the LACDA added four additional policies:

LACDA

- Asks at the time of application and annual reexamination for designation of primary language and language service needs.
- Provides oral translation of documents not translated.
- Requires LEP individuals to sign a waiver of language services if they wish to use their own interpreter.
- Includes requests for informal interpreters used in the annual four-factor analysis.

On an annual basis, the LACDA reviews its LEP Policy as part of the Agency Plan process. The review includes:

1. Reports from the LACDA's software system on the number of LEP clients, to the extent that the software and staff data entry can provide such information. Such reports may be supplemented by staff observations.
2. A determination as to whether 5 percent or 1,000 persons from the LACDA public housing resident population speak a specific language, which triggers consideration of document translation needs.
3. Assessment of the frequency with which LEP persons come in contact with LACDA staff.

Additionally, since 2008, the LACDA has a database that tracks and monitors all ADA requests. The LACDA has an ADA Coordinator to handle all ADA matters relating to applicants and residents. The ADA staff has direct responsibility for the processing of ADA related requests and implementation of the LACDA's Internal Protocol procedures that have been in effect since 2006. Finally, the LACDA annually conducts various ADA improvements/upgrades at our various sites. The LACDA ensures that any new construction or substantial rehabilitation project meet all federal architectural standards. Furthermore, all public housing accessible units comply with Section 504 and ADA requirements for accessible design as well as the federal Fair Housing Act requirements.

In 2019-2020, various ADA improvements were completed at various sites. ADA improvements were completed including but not limited to ADA accessible entry doors at Foothill Villa and South Bay Gardens; various sidewalks and parking lots at South Bay Gardens, Nueva Maravilla, and Century Wilton; rehabilitation of kitchens at Carmelitos, Herbert, and Sundance;

In 2012, a 504 Compliance Evaluation Report was completed for the following public housing Senior/Disabled developments; Marina Manor, Foothill Villa, Orchard Arms, West Knoll, Palm Apartments, and South Bay Gardens. The LACDA has included recommendations from the 504 Compliance reports in the Capital Fund Five-Year plan. In Fiscal Year 2019-2020, LACDA completed the kitchen rehabilitation at Carmelitos Phase II, Marina Manor, and Herbert, and included kitchen rehabilitation in all ADA units. LACDA also completed exterior improvements for ADA and accessibility at South Bay Gardens, Monica Manor, and Marina Manor.

In accordance with the Violence Against Women and Department of Justice Reauthorization Act of 2005, 2013 and other subsequent federal notices, the LACDA has developed and implemented policies and procedures protecting victims of domestic violence, dating violence, and stalking from discrimination. The LACDA will not deny admission to an applicant who is, or has been, a victim of domestic violence, dating violence, or stalking, if the person otherwise qualifies for assistance. Additionally, the LACDA will not evict a current tenant or terminate the assistance of a current participant solely because the tenant or participant is, or has been, a victim of domestic violence, dating violence, or stalking.

Deconcentration and Other Policies that Govern Eligibility, Selection and Admissions

Section 8

The Housing Choice Voucher's waiting list local preferences for admission are as follows, with families of veterans or current members of the armed forces receiving priority in each category:

1. Families previously assisted by the LACDA whose assistance were terminated due to insufficient funding;
2. LACDA will commit 100% of expected annual voucher attrition to assist Los Angeles County-based homeless families, as follows:
 - Up to 90% of referral applications may be received from an approved Coordinated Access System and/or local service provider that assists homeless families participating in a transitional or permanent supportive housing program.
 - Up to 5% of referral applications may be received from an approved local service provider assisting homeless elderly families.
 - Up to 5% of referral applications may be received from an approved local service provider assisting homeless Transitional Aged Youth (TAY) that are enrolled in an institution of higher education.

Applicants must meet all eligibility requirements. Admission will be on a first come, first served basis and is subject to funding availability.

3. Families who live or work in the jurisdiction who are approved by the Executive Director for admission as victims of a declared disaster, displaced due to a government action or a law enforcement referral;
4. Families that are homeless and are found eligible for a Violence Against Women Act, Emergency Transfer from the LACDA's Housing Assistance Division and Housing Operations Division rental assistance programs, subject to funding availability.
5. Elderly households who live and/or work in the LACDA's jurisdiction. Elderly households must meet the definition of an elderly family and the residency requirements of Section 4.4.1.

6. All other families who live or work in the LACDA's jurisdiction.

Once admission preferences have been applied, families will be selected from the waiting list in order of preference and then by date and time. Further information on the LACDA's administration of the Housing Choice Voucher waiting list and application process may be found by referencing Chapters 3 and 4 of the Administrative Plan and Chapter 21 for project-based vouchers.

The LACDA requires that an applicant family must meet the following criteria in order to be eligible for the Housing Choice Voucher and related housing assistance programs:

1. Meet the definition of a "family";
2. Be within the appropriate income limits;
3. Be a citizen or non-citizen with eligible immigration status;
4. Furnish and verify valid Social Security numbers for all family members who claim eligible immigration or citizenship status.

The LACDA also requires applicant families to undergo a criminal background screening to verify eligibility under its criminal background eligibility criteria. Further information on the LACDA's applicant requirements may be found by referencing Chapter 2 of the Administrative Plan.

Public Housing

There are 13 SBWLs comprised of 6 waiting lists for families and 7 senior-only site-based waiting lists. The LACDA's 13 SBWLs are currently closed since December 17, 2015 at 4:00 p.m. On September 27, 2016, the LACDA notified all current applicants on the 13 SBWLs of their estimated wait time per selected waiting list and the opportunity to select additional SBWL, based on eligibility, until October 27, 2016.

Through the 13 SBWLs, applicants are selected from each waiting list in order of admission preferences, followed by date and time of registration. Available family properties include: Carmelitos (Long Beach), Harbor Hills (Lomita), Nueva Maravilla/Sundance Vista/East Scattered Sites (East Los Angeles), Quartz Hill; Santa Monica, and South Scattered Sites (Los Angeles). Available senior properties include: Carmelitos (Long Beach), Nueva Maravilla and Herbert Ave. (East Los Angeles), Francisquito Villa (La Puente), Whittier Manor (Whittier), West Knoll/Palm (West Hollywood), Marina Manor (Marina Del Rey), Orchard Arms (Valencia), Foothill Villa (La Crescenta) and South Bay Gardens (Los Angeles).

If an applicant is offered a unit from any of the waiting lists that they have registered for, and the unit is not accepted, the applicant's name will be removed from all selected site-based waiting lists, and they must re-register. Therefore, it is important that applicants only register for locations in which they are willing to reside.

Family Site Based Waiting Lists

- Carmelitos Family
- East County Family
- Quartz Hill Family
- Harbor Hills Family
- Santa Monica Family
- South Scattered Sites Family

Senior-Only Site Based Waiting Lists

- South Bay Gardens Senior
- Carmelitos Senior
- East County Senior
- West Knoll/Palm Senior
- Marina Manor Senior
- Orchard Arms Senior
- Foothill Villa Senior

Currently, the LACDA selects applicants from the waiting list in accordance with its policies in Chapter 3. The preferences for admission are as follows, with families of veterans or current members of the armed forces receiving priority in each category:

The LACDA has established the following local admissions preferences for general occupancy developments:

In accordance with the State of California Health and Safety Code, section 34322.2, the LACDA gives priority to families of veterans and servicepersons within each of the admissions preference categories below, including the spouse/marital-type partner of a deceased veteran or serviceperson.

First Preference: Homeless

Homeless Families and Victims of Domestic Violence:

Homeless families must be referred to the LACDA by a homeless service provider currently under contract with the LACDA. The family must consist of two (2) or more persons with one (1) member being under the age of 18 or be a single elderly and/or disabled person. This preference is limited to 30% of the number of vacant general occupancy units available on July 1 of each fiscal year.

Victims of domestic violence, dating violence, sexual assault or stalking will receive the same admissions preference as homeless families. In order to qualify for the victim of domestic violence, dating violence, sexual assault or stalking preference, the applicant must be referred to the LACDA by a homeless service provider currently under contract with the LACDA.

Additionally, for the family properties located in the South Los Angeles County area, the LACDA will first offer any unit that becomes available to a homeless family referred by a homeless service provider.

Transitional Aged Youth (TAY):

The LACDA provides a homeless preference to TAY. This preference is limited to 3 households per housing development at Carmelitos, Harbor Hills, and Nueva Maravilla, where on-site services are available to ensure that case management will continue to be provided. In order to qualify for the TAY, the applicant must be referred to the LACDA by the Los Angeles Homeless Services Authority (LAHSA).

Second Preference: Families that have been displaced by a natural disaster declared by the President of the United States or through a governmental action.

Third Preference: Families who live and/or work in unincorporated Los Angeles County.

Fourth Preference: Families that do not live or work in unincorporated Los Angeles County.

The LACDA has a Memorandum of Understanding (MOU) with the Long Beach Housing Authority to permit residents of the City of Long Beach to be classified as in-jurisdiction applicants for housing at the Carmelitos Public Housing development only. Once the LACDA provides public housing assistance to a City of Long Beach resident at the Carmelitos Public Housing development, the resident must abide by and is governed by all policies in the LACDA's Admissions and Continued Occupancy Policy, Public Housing Lease Agreement ("Lease"), any Lease addendums and any other Public Housing rules and policies. Additionally, these residents are eligible to transfer to any other Public Housing development owned by the LACDA. Approval of a transfer request is delineated in Chapter 7 "Transfer Policy".

Elderly Families Housing Developments

The LACDA has established the following local admissions preferences for elderly-only housing developments:

In accordance with the State of California Health and Safety Code section 34322.2, the LACDA gives priority to families of veterans and servicepersons including the spouse/marital-type partner of a deceased veteran or serviceperson, within each of the admissions preference categories below.

First Preference: For the Carmelitos and Nueva Maravilla "Rosas" senior designated properties, 25% of anticipated annual vacancies will be offered to homeless elderly families. Elderly families must be referred by a partnering agency with a contract or MOU in place with the LACDA. The referring agency must provide a certification of the elderly family's homeless status. An elderly family is a household whose head, co-head, spouse, or sole member is a person who is at least 62 years of age. It may include two or more persons who are at least 62 years of age living together, or one or more persons who are at least 62 years of age living with one or more live-in aides.

Second Preference: Elderly Families that live and/or work in unincorporated Los Angeles County.

Third Preference: Elderly Families who do not live and/or work in unincorporated Los Angeles County.

Information on the LACDA's eligibility and suitability procedures for admissions into public housing can be found by referencing Chapter 2 of the ACOP.

The LACDA requires that an applicant family must meet the following criteria in order to be eligible for the Public Housing Program:

1. Meets the definition of a family as defined by HUD and the LACDA

2. Heads a household where at least one member of the household is either a citizen or eligible non-citizen. (24 CFR Part 5, Subpart E)
3. Has an annual income at the time of admission that does not exceed the low-income limits for occupancy established by HUD
4. Provides a Social Security number for all family members, age six or older, or will provide written certification that they legally cannot obtain Social Security numbers at this time and will notify the LACDA upon receipt of a Social Security number
5. Meets the Suitability Criteria as set forth in this chapter
6. Has no outstanding debts to any housing authority
7. Has no current debt to a Utility Company or has entered into a repayment agreement with the Utility Company for outstanding debts

The LACDA shall permanently deny admission to public housing units to persons convicted of manufacturing or producing methamphetamine on the premises of assisted housing.

The LACDA shall deny admission to sex offenders who are subject to a lifetime registration requirement under a State sex offenders registration program. The LACDA also requires applicant families to undergo a criminal background screening to verify eligibility under its criminal background eligibility criteria.

The LACDA shall not reject an applicant on the basis that such applicant:

- Has no income;
- Is not employed;
- Does not participate in a job-training program;
- Will not apply for various welfare or benefit programs;
- Has a child (or children);
- Has children born out of wedlock;
- Is on welfare;
- Is a student;

Is or had been a victim of domestic violence, dating violence, or stalking if the applicant otherwise qualifies for assistance or admission, and that nothing in this section shall be construed to supersede any provision of any Federal, State, or local law that provide greater protection than this section for victims of domestic violence, dating violence, or stalking.

The LACDA has 13 senior and family SBWLs based on groupings of housing development geographical locations. Applicants will have the option to be on 1 or all of the 13 SBWLs based on eligibility. Applicants will continue to be selected from the waiting lists in order of admission preferences and then by date and time. Additionally, applicants will be provided with one unit offer before being removed from all waiting lists.

DECONCENTRATION OF POVERTY AND INCOME MIXING

The LACDA's admission policy is designed to provide for de-concentration of poverty and income-mixing by bringing higher income residents into lower income developments and lower income residents into higher income developments.

A resident's gross annual income is used to determine income limits at admission and for income-mixing purposes.

De-concentration and Income-Mixing Goals

The LACDA's de-concentration and income-mixing goal, in conjunction with the requirement to target at least 40 percent of new admissions to public housing in each fiscal year to "extremely low-income families," will be to admit higher income families to lower income developments, and lower income families to higher income developments.

De-concentration will apply to transfer families as well as applicant families.

Development Designation Methodology

The LACDA will determine on an annual basis the average income of all families residing in general occupancy developments.

The LACDA will then determine whether each general occupancy development falls above, within, or below the Established Income Range (EIR).

The EIR is 85 percent to 115 percent (inclusive of 85 percent and 115 percent) of the LACDA-wide average income for general occupancy developments.

The LACDA will then determine whether or not developments outside the EIR are consistent with local goals and strategies in the LACDA Agency Plan.

The LACDA may explain or justify the income profile for these developments as being consistent with and furthering two sets of goals:

1. Goals of de-concentration of poverty and income mixing (bringing higher income residents into lower income developments and vice versa); and
2. Local goals and strategies contained in the LACDA's Agency Plan.

De-concentration Policy

If, at annual review, there are found to be development(s) with average income above or below the EIR, and where the income profile for a general occupancy development above or below the EIR is not explained or justified in the PHA Plan, the LACDA shall adhere to the following policy for de-concentration of poverty and income mixing in applicable developments.

Skipping a family on any of the thirteen waiting lists to reach another family in an effort to further the goals of the LACDA's de-concentration policy:

If a unit becomes available at a development below the EIR, the first eligible family on a waiting list with income above the EIR will be offered the unit. If that family refuses the unit, the next eligible family on the waiting list with income above the EIR will be offered the unit. The process will continue in this order. For the available unit at the development below the EIR, if there is no family on the waiting list with income above the EIR, or no family with income above the EIR accepts the offer, then the unit will be offered to the next family regardless of income.

If a unit becomes available at a development above the EIR, the first eligible family on the waiting list with income below the EIR will be offered the unit. If that family refuses the unit, the next eligible family on the waiting list with income below the EIR will be offered the unit. The process will continue in this order. For the available unit at the development above the EIR, if there is no family on the waiting list with income below the EIR, or no family with income below the EIR accepts the offer, then the unit will be offered to the next family regardless of income.

Skipping of families for de-concentration purposes will be applied uniformly to all families.

A family has the sole discretion whether to accept an offer of a unit made under the LACDA’s de-concentration policy. The LACDA shall not take any adverse action toward any eligible family for choosing not to accept an offer of a unit under this de-concentration policy. However, the LACDA shall uniformly limit the number of offers received by applicants, described in this Chapter.

The LACDA provides a waiting list preference to homeless families referred by the agencies listed in this Chapter. Only the veteran/serviceperson and homeless preferences can override de-concentration and income mixing policies.

If the average incomes of all general occupancy developments are within the Established Income Range, the LACDA will be considered to be in compliance with the de-concentration agreement.

Nothing in the de-concentration policy relieves the LACDA of the obligation to meet the income targeting requirements.

LACDA Incentives for Higher Income Families

The LACDA may offer certain incentives to families with incomes above the EIR willing to move into a development with average income below the EIR.

Rent Determination

Section 8

The LACDA's current Payment Standards (PS) for its Housing Choice Voucher program is set at approximately 92 percent of the published 2020 Fair Market Rents with the exception of the one bedroom unit which is set at 100 percent. Below are the Housing Authority's PS amounts:

BDR	SRO	0	1	2	3	4	5	6	7
PS	\$869	\$1158	\$1522	\$1791	\$2401	\$2641	\$3037	\$3433	\$3829

Additionally, the LACDA was granted a HUD regulatory waiver that permitted the implementation of an exclusive payment standard, set at 140% of the 2018 40th Percentile FMRs, for the Veterans Affairs Supportive Housing (VASH) program. Below is the LACDA's VASH program payment standards:

BRD	SRO	0	1	2	3	4	5	6	7
PS	\$1120	\$1493	\$1797	\$2328	\$3123	\$3453	\$3971	\$4489	\$5007

The LACDA analyzes the reason housing choice voucher holders are unable to locate units within the initial 60-day period of the voucher to determine if higher payment standards or other actions are needed to ensure a greater success rate. The payment standards are reevaluated annually based on this data and Los Angeles County rental data to determine adequacy.

At the starting date of the initial Housing Assistance Payments (HAP) contract for a unit (lease-in-place or otherwise) if the contract rent is higher than the appropriate PS, the family share cannot be greater than 40% of the family's adjusted monthly income. For families that report no income, the LACDA has a minimum rent of \$50. Families with no income are reevaluated on a quarterly schedule until a source of income is reestablished. The LACDA will waive the minimum rent requirement in cases where the family documents that they do not currently have any source of income such as in the case of some homeless families.

The LACDA is required to process annual re-examinations. In cases where a family experiences a change in household composition and/or income between annual re-examinations, the LACDA will process an interim re-examination. The family is required to report all changes in earned and unearned income, assets, expenses, full-time student status, and family circumstances within 10 calendar days of the date the change takes effect. For more specific information regarding causes for processing annual/interim re-

examinations and the requirements for completing annual/interim re-examinations, please refer to the Administrative Plan, Chapter 12 (Re-Examination).

Public Housing

Income and Total Tenant Payment (TTP) are calculated in accordance with 24 CFR Part 5, Subpart F and further instructions set forth in HUD Notices, Memoranda and Addenda. The rent for public housing is set at 30% of the households’ monthly adjusted income. The LACDA provides each household with the necessary information to enable each family residing in a public housing unit to elect annually whether the rent paid by such family shall be 1) determined based on family income; or 2) a flat rent. In accordance with the 2015 Appropriation Bill and subsequent HUD PIH Notice, the LACDA sets it’s Flat Rent of the public housing program at no less than 80 percent of the HUD established Small Area Fair Market Rent (SAFMR) annually. Any change in the Flat Rent schedule due to changes initiated by HUD to the SAFMR will not be considered a “significant change” to the Annual/Agency Plan.

Residents may report a decrease in income and other changes, such as in increase in allowances or deductions, which would reduce the amount of the total tenant payment. Residents has an obligation to report to the LACDA if there is an additional source of income for any eligible family member, and/or income or the addition of a family member to the household. Failure to report within 10 calendar days of the occurrence is a material breach of the Public Housing Lease Agreement. The LACDA’s policy is not to raise rent between annual recertifications, except in the case of a change in family composition and/or if a family requests an interim to be processed.

The LACDA has a minimum rent of \$50. The minimum rent is suspended until the LACDA determines whether the hardship is covered by statute, temporary or long-term. The LACDA will immediately grant the minimum rent exception to all families who request it. The minimum rent will be suspended until the LACDA determines whether the hardship is covered by statute, and temporary or long-term. If the LACDA determines that the minimum rent is not covered by statute, the LACDA will impose a minimum rent including payment for minimum rent from the time of suspension. It is under the LACDA’s discretion the length of time the minimum rent exception will be granted. The minimum rent exception is on a case by case basis.

Further information regarding the LACDA’s rent determination policies may be found in Chapter 5 in the ACOP.

Homeownership Programs

The LACDA Section 8 or Public Housing programs do not have any homeownership programs. However, the LACDA has an effective Family Self-Sufficiency (FSS) that assists participants to move towards self-sufficiency and homeownership. The FSS program requires PHAs to develop strategies, such as job training, homeownership programs, scholarships, tuition reimbursement, childcare and transportation, to help public housing residents obtain employment that will lead to economic independence and self-sufficiency.

The FSS program currently has 381 HCV program participants, and 67 Public Housing program participants with a total of 448 families enrolled in the FSS program. Out of the 448 families, there are 239 families with escrow accounts. For the Fiscal Year 2018-2019, the FSS program has graduated 44

participants (31 HCV and 13 PH) with a total of \$439,380.28 (\$318,789.89 HCV and \$120,590.39) in escrow funds disbursed. This year, 6 HCV participants and 0 public housing residents transitioned out of housing subsidy, and 1 graduate purchased a home.

Overall, FSS program participants receive career development, life skills, job training, homeownership and financial literacy counseling as they continue on the path to financial self-reliance. The LACDA looks forward to seeing all families graduate successfully, reach their goals, and realize their dreams of homeownership.

Safety and Crime Prevention

In 1993, the LACDA established the first of its kind Community Policing Program (CPP) in public housing through contracts with the Los Angeles County Sheriff's Department and the Long Beach Police Department. The CPP is a comprehensive approach that addresses crime in public housing in partnership with law enforcement, the LACDA management and residents. Successful CPP strategies that have been employed include enforcement, crime prevention, and youth intervention. This nationally recognized program has demonstrated a 70% reduction in crime since program inception at the three (3) largest family public housing developments.

The following is a summary of implementation activities carried out by the Section 8 Housing Choice Voucher Program and the Public Housing Program for the VAWA Reauthorization of 2005 and 2013:

VAWA Summary

In 2013 the LACDA provided the following clarifications in its policies to comply with the Violence Against Women Authorization Act of 2013 (VAWA):

- The protections under VAWA have been extended to victims of sexual assault.
- The LACDA expanded protection for families that prohibit the termination of assistance if an immediate family member is the victim of domestic violence by replacing the term "immediate family member" with "affiliated individual". An affiliated individual is defined as "a spouse, parent, brother, sister, or child of that individual, or an individual to whom that individual stands in place of a parent, or any individual, tenant, or lawful occupant living in the household of that individual."
- The LACDA expanded protection under the bifurcation of lease by changing the definition of "violent acts" from "criminal acts of physical violence against family members or others" to "criminal activity directly related to domestic violence, dating violence, sexual assault, or stalking against an affiliated individual or other individual."
- The LACDA expanded policy regarding the types of forms that victims may provide. Acceptable forms may include a record of an administrative agency or documentation from a mental health professional. Additionally, the victim is only required to provide the name of the perpetrator on HUD form 50066 if the victim knows the name of the perpetrator and it is safe to provide it.
- The LACDA expanded the VAWA notification requirements to include applicants that are denied assistance, when a person is admitted, and when a tenant is notified of eviction/termination.

Section 8

To comply with the Violence Against Women and Department of Justice Reauthorization Act of 2005, the LACDA implemented policies protecting victims of domestic violence from discrimination. Owners may bifurcate the lease of those in a violent relationship, allowing the victim of violence to remain in the unit. The LACDA will not deny admission to an applicant or terminate the assistance of a participant based solely on incidences of domestic violence, dating violence, sexual assault or stalking. Participants may be issued a voucher and move in violation of their lease or move under portability without having lived in the jurisdiction for twelve months to escape a life-threatening situation.

The Section 8 Program provides an admissions waiting list local preference to victims of domestic

violence, dating violence, sexual assault and stalking through law enforcement referrals. The Section 8 program does not require the police reports to verify the domestic violence; however, we do require the applicant sign a certified statement regarding the domestic violence. On July 1, 2019, the Section 8 program implemented a Section 8 waiting list local preference for families who are homeless and are found eligible for a Violence Against Women Act, Emergency Transfer from the LACDA rental assistance programs. Families must meet the subject programs eligibility requirements. Families will be served on a first come, first served basis subject to funding availability.

The Continuum of Care program maintains several grants; one of them being Antelope Valley Domestic Violence Council (ADVDC). This particular grant targets domestic violence (DV) victims, who must be low income and disabled. We do not demand the police reports to verify the DV; however, we do require that the DV victim/applicant sign a certified statement regarding the DV, and a trained profession sign the Certificate of Disability prior to submitting the pre-application to the LACDA for review/approval.

The Section 8 Program has also made the following changes in order to comply with the Violence Against Women Reauthorization Act of 2013 and 2016.

- The protections under VAWA was extended to victims of sexual assault.
- The LACDA expanded protection for families that prohibit the termination of assistance if an immediate family member is the victim of domestic violence by replacing the term “immediate family member” with “affiliated individual”. An affiliated individual is defined as a spouse, parent, brother, sister, or child of that individual, or an individual to whom that individual stands in place of a parent, or any individual, tenant, or lawful occupant living in the household of that individual.
- The LACDA expanded the policy regarding the types of forms that victims may provide. The LACDA will accept either of the following forms of documentation:
 - A completed and signed HUD-approved certification form (Form HUD-5382, Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking), which must include the name of the perpetrator only if the name of the perpetrator is safe to provide and is known to the victim.
 - A record of a Federal, State, tribal, territorial or local law enforcement agency (such as a police report), court, or administrative agency documenting the domestic violence, dating violence, sexual assault or stalking.
 - Documentation signed by a person who has assisted the victim in addressing domestic violence, dating violence, sexual assault, or stalking, or the effects of such abuse. This person may be an employee, agent, or volunteer of a victim service provider, an attorney, a medical or mental health professional. The person signing the documentation must attest under penalty of perjury to the person’s belief that the incidents in question are bona fide incidents of abuse. The victim must also sign the documentation.
- The LACDA expanded the VAWA notification requirements. The LACDA will provide VAWA information at the time an applicant is denied assistance, when the applicant is admitted, and when a tenant is notified of program termination. The VAWA information will consist of the following documents:

- Form HUD-5382, Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking and Alternate Documentation.
- Form HUD-5380, Notice of Occupancy Rights Under the Violence Against Woman Act.

Public Housing Program

To comply with the Violence Against Women and Department of Justice Reauthorization Act of 2005, The LACDA implemented policies protecting victims of domestic violence from discrimination. The Public Housing Program will continue to provide an admissions preference to victims of domestic violence, dating violence, or stalking and has provided applicants with a notice advising them of their rights under VAWA. Additionally, the LACDA amended its screening criteria for admission to the public housing program to state that an applicant who is victim of domestic violence, dating violence, and stalking will generally not be denied admission if the applicant otherwise qualifies for admission.

With respect to its policies governing continued occupancy, the LACDA enacted revisions to state that criminal activity directly relating to domestic violence, dating violence, or stalking, engaged in by a member of a tenant's household or any guest or other person under the tenant's control, shall not be cause for termination of tenancy if the tenant or an immediate member of the tenant's family is the victim or threatened victim of that abuse. Moreover, the LACDA will not consider an incident or incidents of actual or threatened domestic violence, dating violence, or stalking as a serious or repeated violation of the Lease Agreement by the victim or threatened victim of that violence and will not consider such incidents as "good cause" for termination of tenancy. Additionally, the LACDA currently provides case management and clinical services to any resident seeking assistance due to domestic violence. Moreover, law enforcement partners provide referral services to all domestic violence victims.

Clarifying language was also added to the LACDA's existing policy regarding Emergency Transfers and Grievance. In addition, the LACDA added a glossary of all relevant terms to VAWA in the ACOP. The LACDA notified tenants of their rights under VAWA in a November 2007 notice. Applicants are advised separately at the commencement of the eligibility and suitability review. Additionally, the LACDA provides case management and clinical services to any resident seeking assistance due to domestic violence. Moreover, law enforcement partners provide referral services to all domestic violence victims.

To comply with the Violence Against Women and Department of Justice Reauthorization Act of 2013, the LACDA made the following revisions to its policies:

- Included victims of sexual assault under VAWA protection.
- Expanded the VAWA protection of terminating assistance because of criminal activity by replacing the term "immediate family member" with "affiliated individual". VAWA 2013 defines an "affiliated individual" as a spouse, parent, brother, sister or child of that individual or an individual to whom that individual stands in loco parentis, or any individual, tenant, or lawful occupant living in the household of that individual.
- Expanded the VAWA notification requirements to include applicants that are denied assistance, when a person is admitted, and when a tenant is notified of eviction/termination.

To comply with all the regulatory/HUD changes including the Federal Register, "Violence Against Women Reauthorization Act of 2013: Implementation in HUD Housing Programs" published in

November 16, 2016, the LACDA:

- Provides a “Notice of Occupancy Rights under the Violence Against Women Act” HUD form-5380 and “Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking, and Alternate Documentation” HUD form-5382 published in December 2016 to an applicant that is **denied assistance**, at **Lease-In** when a new household is admitted into the program and when a resident is **notified of eviction or termination of assistance**.
- Included a new VAWA emergency transfer plan in the ACOP as provided in HUD form-5381 “Model Emergency Transfer Plan for Victims of Domestic Violence, Dating Violence, Sexual Assault, or Stalking”. The LACDA provides HUD form-5383 “Emergency Transfer Request for Certain Victims of Domestic Violence, Dating Violence, Sexual Assault, or Stalking” to a victim of domestic violence, dating violence, sexual assault, or stalking, that is requesting an emergency transfer to certify that they meet the requirements of eligibility for an emergency transfer under VAWA.
- Included language in the ACOP to be consistent with PIH 2017-02 “VAWA Self-Petitioner Verification Procedures”.

Pet Policy

The LACDA’s ACOP, Chapters 9 and 10, establishes the LACDA’s policy and procedures for ownership of common household pets in general occupancy and elderly/disabled developments and ensures that no applicant or resident is discriminated against regarding admission or continued occupancy because of ownership of pets. It also establishes reasonable rules governing the keeping of common household pets.

PEOPLE WITH DISABILITIES

Nothing in the LACDA’s pet policies or the dwelling lease limits or impairs the right of persons with disabilities to own animals that are used to assist them. In accordance with Section 504 of the Rehabilitation Act and the Fair Housing Act, pet rules do not apply to animals that assist persons with disabilities with several exceptions such as; there is reliable objective evidence that the animal poses a direct threat to the health or safety of others that cannot be reduced or eliminated by a reasonable accommodation.

The LACDA’s Pet Policy does not apply to assistance and service animals or their owners, including payment of a refundable pet deposit.

A service animal is an animal, usually a dog, which is individually trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual, or other mental disability. A resident who requests for a service animal does not require a submittal of a reasonable accommodation verification form as delineated in Chapter 1. The LACDA may only ask whether the animal is a service animal required due to a disability, and what tasks the animal has been trained to perform.

1. The LACDA will not require proof of training or certification for a service animal, even if the disability and/or tasks performed are not readily apparent.
2. If the disability and/or tasks performed are not readily apparent, no further inquiries may be made.

An assistance animal may include animals other than dogs, which provide emotional support to persons with disabilities when there is a disability-related need for such support. Assistance animals are not required to be trained or certified. Residents who need an assistance animal must follow the reasonable accommodation request procedures delineated in Chapter 1.

In accordance with Section 504 of the Rehabilitation Act and the Fair Housing Act, pet rules will not be applied to animals that assist persons with disabilities except as provided below:

There is reliable objective evidence that the animal poses a direct threat to the health or safety of others that cannot be reduced or eliminated by a reasonable accommodation;

There is reliable objective evidence that the animal would cause substantial physical damage to the property of others;

The presence of the assistance animal would pose an undue financial and administrative burden to the provider; or

The presence of the assistance animal would fundamentally alter the nature of the provider's services.

A determination that an animal that assists a person with a disability poses a threat of harm to others or would cause substantial physical damage to the property of others must be based on an individualized assessment that relies on objective evidence about the specific animal's actual conduct.

A service and assistance animal is permitted in all areas of the facility where members of the public are allowed, and including the tenant's unit. Additionally, all lease provisions apply, including maintaining a clean, sanitary unit and ensuring neighbors enjoy the premises in a peaceful, quiet, nonthreatening environment. Breed, size, and weight limitations may not be applied to a service or assistance animal.

THE LACDA APPROVAL OF PETS

Pets must meet the LACDA's pet standards as set forth in the ACOP and the tenant and the LACDA must enter into a Pet Agreement. For General Occupancy developments, residents are not permitted to have more than one common household pet. For Elderly and Disabled developments, residents are not permitted to have more than two common household pets. Of this total, residents are not permitted to have more than one dog. The LACDA also sets the maximum weight of a dog at 30 pounds and prohibits pets that are not considered "common household pets" such as vicious or intimidating dogs, poisonous animals, non-human primates, pot-bellied pigs etc. The resident is responsible and liable for all damages caused by their pet(s).

REGISTRATION OF PETS

As set forth in the ACOP, Pets must be registered with the LACDA ten (10) days before they are brought onto the premises. Registration must be renewed and is coordinated with the annual recertification date and proof of license and inoculation is submitted at least 30 days prior to annual recertification. Each pet owner provides a color photograph of their pet(s) and display a "Pet Here" sticker, provided by the LACDA, which is displayed on the front door of the unit at all times.

DESIGNATION OF PET/NO-PET AREAS

The following areas are designated no-pet areas: the LACDA playgrounds, management offices, community centers, and recreation center areas.

FEES AND DEPOSITS FOR PETS

For General Occupancy developments, residents are required to pay a refundable deposit of \$200 per unit for the purpose of defraying all reasonable costs directly attributable to the presence of a pet (or pets). For elderly and disabled developments, the refundable deposit is \$75. The deposit fee does not apply to birds and fish.

RESPONSIBLE PARTIES

The resident provides the following information when registering their pet(s): Name, address and telephone number of the veterinarian who will be providing regular care for the pet(s); name of the adult household member who will be primarily responsible for animal care; name and contact information for a household member who will return home in the event an animal experiences distress or causes a disturbance when left alone; contact information for a non-household member who will respond to emergency situations regarding the pet(s) in question.

EMERGENCIES

The LACDA takes all necessary steps to ensure that pets which become vicious, display symptoms of severe illness, or demonstrate behavior that constitutes an immediate threat to the health or safety of others, are referred to the appropriate State or local entity authorized to remove such animals.

Substantial Deviation

The LACDA defines a significant substantial deviation to the Annual/Agency Plan as any change in policy which significantly and substantially alters the LACDA's stated mission and the persons the Agency serves. An exception to this definition will be made for any changes that are adopted to implement new HUD regulatory requirements; as such changes are not considered significant amendments by HUD.

Significant Amendment/Modification

The LACDA defines a significant amendment/modification to the Annual/Agency Plan as any change in policy which significantly and substantially alters the LACDA's stated mission and the persons the Agency serves. An exception to this definition will be made for any changes that are adopted to implement new HUD regulatory requirements; as such changes are not considered significant amendments by HUD.

DECONCENTRATION POLICY

Section 8

At the voucher briefing, families are encouraged to search for housing in non-impacted areas. The LACDA provides assistance to families that wish to do so.

The assistance provided to such families includes: Direct contact with owners; Counseling with the family; Providing information about services in various non-impacted areas; Meeting with neighborhood groups to

promote understanding; Formal or informal discussions with owner groups; Formal or informal discussions with social service agencies; Meeting with rental referral companies or agencies; and Meeting with fair housing groups or agencies.

The LACDA currently contracts with Emphasys Computer Solutions, an internet-based housing search service. This service, part of the LA County Housing Resource Center, lists rental properties submitted by owners within its jurisdiction to ensure greater mobility and housing choice to very low-income households. Each property listed indicates if it is in an area of low poverty concentration.

The LACDA also maintains a listing of job, education, transportation and other information for cities not impacted by poverty or minority concentration. The cities for which the LACDA maintains this information are: Alhambra; Azusa; Bellflower; Covina; Downey; Lakewood; Lawndale; Lomita; Paramount; Santa Fe Springs; West Covina; West Hollywood; Whittier. This information may be obtained at the Section 8 Administrative Office.

Public Housing

The LACDA's admission policy is designed to provide for de-concentration of poverty and income-mixing by bringing higher income residents into lower income developments and lower income residents into higher income developments.

A resident's gross annual income is used to determine income limits at admission and for income-mixing purposes.

De-concentration and Income-Mixing Goals

The LACDA's de-concentration and income-mixing goal, in conjunction with the requirement to target at least 40 percent of new admissions to public housing in each fiscal year to "extremely low-income families," will be to admit higher income families to lower income developments, and lower income families to higher income developments.

De-concentration will apply to transfer families, as well as applicant families.

Development Designation Methodology

The LACDA will determine on an annual basis the average income of all families residing in general occupancy developments.

The LACDA will then determine whether each general occupancy development falls above, within, or below the Established Income Range (EIR).

The EIR is 85 percent to 115 percent (inclusive of 85 percent and 115 percent) of the LACDA-wide average income for general occupancy developments.

The LACDA will then determine whether or not developments outside the EIR are consistent with local goals and strategies in the LACDA Agency Plan.

The LACDA may explain or justify the income profile for these developments as being consistent with and furthering two sets of goals:

1. Goals of de-concentration of poverty and income mixing (bringing higher income residents into lower income developments and vice versa); and
2. Local goals and strategies contained in the LACDA's Agency Plan.

De-concentration Policy

If, at annual review, there are found to be development(s) with average income above or below the EIR, and where the income profile for a general occupancy development above or below the EIR is not explained or justified in the PHA Plan, the LACDA shall adhere to the following policy for de-concentration of poverty and income mixing in applicable developments.

Skipping a family on any of the thirteen waiting lists to reach another family in an effort to further the goals of the LACDA's de-concentration policy:

If a unit becomes available at a development below the EIR, the first eligible family on a waiting list with income above the EIR will be offered the unit. If that family refuses the unit, the next eligible family on the waiting list with income above the EIR will be offered the unit. The process will continue in this order. For the available unit at the development below the EIR, if there is no family on the waiting list with income above the EIR, or no family with income above the EIR accepts the offer, then the unit will be offered to the next family regardless of income.

If a unit becomes available at a development above the EIR, the first eligible family on the waiting list with income below the EIR will be offered the unit. If that family refuses the unit, the next eligible family on the waiting list with income below the EIR will be offered the unit. The process will continue in this order. For the available unit at the development above the EIR, if there is no family on the waiting list with income below the EIR, or no family with income below the EIR accepts the offer, then the unit will be offered to the next family regardless of income.

Skipping of families for de-concentration purposes will be applied uniformly to all families.

A family has the sole discretion whether to accept an offer of a unit made under the LACDA's de-concentration policy. The LACDA shall not take any adverse action toward any eligible family for choosing not to accept an offer of a unit under this de-concentration policy. However, the LACDA shall uniformly limit the number of offers received by applicants, described in this Chapter.

The LACDA provides a waiting list preference to homeless families referred by the agencies listed in this Chapter. Only the veteran/serviceperson and homeless preferences can override de-concentration and income mixing policies.

If the average incomes of all general occupancy developments are within the EIR, the LACDA will be considered in compliance with the de-concentration agreement.

Nothing in the de-concentration policy relieves the LACDA of the obligation to meet the income targeting requirements.

The LACDA Incentives for Higher Income Families

The LACDA may offer certain incentives to families with incomes above the EIR willing to move into a development with average income below the EIR.

EXECUTIVE SUMMARY

The Agency Plan identifies goals for the next 5 years, major program policies, and financial resources for both the Los Angeles County Development Authority (LACDA) Conventional Public Housing and Section 8 Tenant-Based Programs. Additionally, the Agency Plan updates information on housing needs, housing strategies, and other program and management data.

Included in the Agency Plan are the following attachments: the Capital Fund Annual Statement and Five-Year Action Plan, Resident Advisory Board comments, the Admissions and Continued Occupancy Policy and Lease Agreement and Lease Addendums for the Public Housing Program, and the Section 8 Tenant-Based Program Administrative Plan.

The Administrative Plan, ACOP, Public Housing Lease Agreement(s) include language changes that are statutory, regulatory, and/or that clarify existing policy. The LACDA is proposing the following major changes to the Section 8 Tenant-Based and Public Housing Programs for Fiscal Year 2020-2021:

Section 8 Tenant-Based Program Changes:

1. Waiting List Local Preferences

The LACDA's HCV Program currently serves homeless families within certain categories. Among its categories, the LACDA serves families registered on its waiting list that declare themselves homeless and the LACDA has a commitment of up to 50% of expected annual attrition for families referred by an approved Coordinated Access System.

Effective July 1, 2020, the LACDA will no longer utilize the waiting list for families that declare themselves homeless. Instead, the LACDA will increase its homeless commitment to 100% of expected annual voucher attrition to assist Los Angeles county-based homeless families as follows:

- Up to 90% of referral applications may be received from an approved Coordinated Access System and/or local service provider that assists homeless families participating in a transitional or permanent supportive housing program.
- Up to 5% of referral applications may be received from an approved local service provider assisting homeless elderly families.
- Up to 5% of referral applications may be received from an approved local service provider assisting homeless Transitional Aged Youth (TAY) that are enrolled in an institution of higher education.

Lastly, LACDA will now include a local preference for elderly households on the waiting list who live and/or work in LACDA's jurisdiction.

2. Non-Elderly Disabled Vouchers

To determining the order in which Non-Elderly Disabled Vouchers are awarded to eligible families, the

LACDA would first categorize families based on its waiting list's local preference.

However, if a PHA is awarded targeted funding, the PHA is required to use those funds to assist only the families eligible for assistance within the specified category. To be consistent with HUD funding practices for a specified category, such as the Non-Elderly Disabled category, the LACDA will now prioritize families on the waiting list that qualify for the Non-Elderly Disabled category. Non-Elderly Disabled families will now be selected from the waiting list based on their eligibility for targeted funding under the Non-Elderly Disabled category.

3. Implementation of a Waiting List Purge Process

The Administrative Plan will now include LACDA's purge process, which has been previously conducted through the mailing of an interest card or pre-application for continued HCV program interest, selection, and removal.

4. Revise the Term of the Voucher Extension Process

Currently, the Administrative Plan permits voucher extensions to be granted in 30, 60, or 120 calendar day increments, up to a maximum term of 180 calendar days, if necessary for the tenant to locate a unit. Further, supervisors are authorized to grant extensions up to a maximum term of 270 calendar days for extenuating circumstances. Approval for a voucher extension requests beyond 180 calendar days is considered on an individual basis and requires a family's request to be supported by verifiable third-party documentation.

To establish a simplified, fair, and consistent manner of granting voucher extensions, the new policy will permit case managers to issue a voucher with an initial term of 60 calendar days with an automatic approval of one 60 calendar day extension. Upon request, the LACDA case managers will approve an additional 60 calendar day extension, not to exceed a total maximum term of 180 calendar days. When necessary, supervisors may authorize voucher extensions, in increments of 30 or 60 days, beyond 180 calendar days and up to a maximum term of 365 calendar days. Extensions beyond 365 calendar days will only be considered as a reasonable accommodation for a person with disabilities.

5. Streamline the Reasonable Accommodation Process

Currently, the Administrative Plan requires that the LACDA to re-verify the continued need for a reasonable accommodation when a live in-aid leaves the household.

The Administrative Plan will no longer mandate this verification requirement.

6. Rent Increase Requests

The LACDA currently has a discretionary policy that permits the LACDA to only approve one rent increase during a twelve-month period.

The discretionary policy will now be removed from the Administrative Plan. Removal of the discretionary policy will permit the LACDA to operate in accordance with state law and local rent stabilization ordinances governing rent increases.

7. Implementation of a Rent Adjustment Effective Date Policy

Currently, the Administrative Plan only outlines the property owner's requirements for requesting a rent adjustment, which is in accordance with the HUD mandated landlord 60-day notice to the Public Housing Agency (PHA) of a rent change.

As of July 1, 2020, the LACDA will adopt the following policy to inform property owners how the LACDA will select the effective date of a rent adjustment when the owner does not provide the adequate 60-day notice: "All rent adjustments will be effective on the first of the month following 60 days of the LACDA's receipt of a copy of the owner's notice to tenant or on the date specified by the owner, whichever is later."

8. Implement a Portability Policy for Mainstream Voucher Applicant Families

In FY 2019, HUD awarded the LACDA an allocation of mainstream vouchers that target non-elderly disabled individuals. Because mainstream families may experience difficulty finding suitable housing that meets their needs, the LACDA committed and will now implement a policy that would permit mainstream applicants found eligible to receive a voucher to port to another PHA's jurisdiction where a suitable unit is located.

9. Project-based Voucher Program - Statutory, Regulatory, and LACDA Policy changes.

The Administrative Plan's, Chapter 21 "Project-based Voucher Program" has been revised to be in line with the Housing Opportunity through Modernization Act of 2016 (HOTMA), the HUD Federal Register notice published on January 18, 2017 and HUD's PIH 2017-21 notice issued on October 30, 2017.

In addition to mandated regulatory changes, the LACDA has changed the following discretionary policies that will be effective July 1, 2020:

- The LACDA will remove the minimum 15 PBV Unit requirement for selection of a project.
- The LACDA will adopt a policy that requires that a proposed new construction development site that is within 500 feet of a freeway be designed to exclude from the 500-foot freeway a "buffer" area including any portion of the residential building, as well as play areas, community rooms, gardens, patios, and other areas where residents may reasonably be expected to congregate. The LACDA shall review and approve, at its sole discretion, any site plans for new construction developments of this type.

10. Interim Reexamination Policy – HUD Mandated Reporting Requirements in Effect Since June 1, 2020

Under HUD regulations, the LACDA must conduct a reexamination of family income and composition at least annually. In between reexaminations of family income and composition, HUD permits a Public Housing Agency (PHA) to establish discretionary policies prescribing when and under what conditions the family must report interim changes in family and income.

Accordingly, the LACDA's discretionary policy required that families submit changes in income decreases and family composition within thirty days of the change. Families were permitted to submit any other changes in income, such as new employment or, increases in wages or hours worked, at the annual reexamination.

However, on April 9, 2020, HUD issued the LACDA an official notification confirming a projected shortfall in federal funding. As a result, HUD required the LACDA to immediately implement cost saving measures to its discretionary policies to remain eligible for emergency supplemental funding.

As a result of the COVID-19 pandemic, HUD recognized the difficulties for PHA's to comply with their Administrative Plan policies and waived the regulation that requires that any revision of the Administrative Plan must be formally adopted by the PHA's Board of Commissioners (Board). HUD waived the requirement to allow the PHA to revise policies in the Administrative Plan on a temporary basis without Board approval. However, formal approval would be required by no later than July 31, 2020.

Therefore, effective as of June 1, 2020, the LACDA amended its interim reexamination policy to require that families report all changes in earned and unearned income, assets, expenses, full-time student status, and family circumstances within 10 calendar days of the date the change takes effect. Prior to the effective date, families were notified of this new requirement via the website, the tenant portal, Tenant Talk Newsletter, and various One-Call Automated messages.

Public Housing Program Changes:

1. New Social Services Compliance Lease Addendum

Currently, the LACDA offers an array of social and case management services to provide residents with assistance in resolving ongoing non-compliance issues at their public housing development. Many residents at risk of being evicted do not take advantage of LACDA provided social services to assist them in complying with the LACDA's Public Housing Lease Agreement.

The new Social Services Compliance Lease Addendum will require a resident to obtain social services after the LACDA has made concerted efforts to assist the resident with multiple and ongoing counseling sessions and referrals.

2. New Repayment Agreement Lease Addendum and Increased Flexibility In Payments

Currently a tenant that owes money to the LACDA and is entering into a repayment agreement, must pay an initial 50% of the debt due within 14 calendar days, and the remaining debt to be paid in equal payments within 12 months. If the debt owed is in excess of \$2,400, the debt can be paid in equal payments not to exceed 24 months. Additionally, tenants transferring to another unit must still repay any debt owed related to the pre-transfer unit. The currently policy also states, that in order to assure a Resident satisfies any debts owed to the LACDA related to their pre-transfer unit, the transferring resident shall enter into a repayment agreement that will be an Addendum to the Lease Agreement of the new residence.

To be effective on July 1, 2020, the LACDA has created a new "Repayment Agreement Addendum to the Los Angeles County Development Authority Public Housing Lease Agreement" to utilize as a legal

mechanism to obligate the Resident to pay debt incurred in the pre-transfer unit. Additionally, the LACDA will provide increased payment flexibilities with LACDA approval including: 1. In a lump sum amount; 2. A monthly payment; 3. A combination of a lump sum and monthly payment. The LACDA will continue to require that any repayment agreement cannot exceed 12 months for amounts under \$2,400 or 24 months for any amount in excess of \$2,400. These changes in the repayment policies for Public Housing are consistent with the LACDA's HCV program current policies.

3. Change In Timeframe For Curable 14-Day And 30-Day Notices

Currently 14-day and 30-day notices are based on calendar days only. Changes to the Unlawful Detainer statutes that took effect on September 1, 2019 requires the LACDA to exclude Saturday, Sundays and holidays from the established timeframes (CA Code of Civil Procedure section 1161). This change does not apply to 3-Day and 30-Day Notices to Vacate where there is no option to cure the breach. The LACDA implemented this change effective September 1, 2019 and will amend the ACOP to reflect the change effective July 1, 2020.

4. Homeless Preference for Elderly Families

The LACDA will create a new admissions preference for the Carmelitos and Nueva Maravilla "Rosas" senior designated properties, by first offering 25% of anticipated annual vacancies to homeless elderly families. Elderly families must be referred by a partnering agency with a contract or MOU in place with the LACDA.

The referring agency must provide a certification of the elderly family's homeless status. An elderly family is a household whose head, co-head, spouse, or sole member is a person who is at least 62 years of age. It may include two or more persons who are at least 62 years of age living together, or one or more persons who are at least 62 years of age living with one or more live-in aides.

TENANT COMMISSIONER REQUIREMENT

QHWRA requires that a PHA include, in its governing body, at least one member who is directly assisted by the housing authority. The intent of this requirement is to provide for more resident involvement on LACDA's HCV and Public Housing matters.

The governing body of the LACDA is the Board of Commissioners. The Commissioners are the five, full-time, salaried Supervisors who sit on the Los Angeles County Board of Supervisors. Additionally, in accordance with State law, effective February 1, 1982, the LACDA's Housing Commission was created as an advisory body to review all LACDA policy and program matters and make recommendations to the Board of Commissioners for approval.

Although the Board of Commissioners and the Housing Commission have functioned effectively for over twenty years and provide for greater tenant participation than required by both State and Federal law, they do not fulfill the requirement that the membership of the governing body contain not less than one member who is directly assisted by the PHA. In the past, the LACDA would request on an annual basis an exemption to this requirement because the LACDA far exceeds the intent of the California State law through its Housing Commission. In 2016, LACDA obtained a permanent exemption from the requirement (2)(b) of the United States Housing Act of 1937. As a requirement to the exemption, the

LACDA is required to have six tenant commissioners on the Housing Commission.

On April 9, 2019, the Board of Commissioners approved an Ordinance Amending Title 2- Administration of the Los Angeles County Code, relating to Chapter 2.75. The Ordinance repealed Chapter 2.75 of Title 2 regarding the Housing Commission and added a new chapter to establish the “Community Development Committee” (formally known as the Housing Commission). The new chapter provides for the creation, membership, duties and responsibilities of a nine (9) member Community Development Committee (Committee), which shall serve at the pleasure of the Board of Supervisors to review and make recommendations on certain matters within the jurisdiction of the LACDA. The Committee membership is comprised of three (3) non-tenant members, five (5) tenant members and one (1) formerly homeless tenant member. At least 1 of the tenant members must be age 62 or older and 1 must be formerly homeless.

Currently, the LACDA’s Committee is comprised of 9 members – 3 non-tenant members and six (6) tenant commissioners one of which is 62 years or older and 1 that is formerly homeless.

Tenant Commissioner applications are screened by the LACDA, with successful applicants recommended to the Board of Commissioners. The Board of Commissioners may appoint recommended applicants for two-year terms. Terms may be extended for another two years at the discretion of the Executive Director.

PROGRESS IN MEETING MISSION AND GOALS DESCRIBED IN THE 5-YEAR PLAN FOR FISCAL YEARS 2018-2022

The LACDA submitted an Agency Plan for Fiscal Years 2018-2022 with the goals described below. The LACDA was requested to align their 5-year Agency Plan with other PHAs to begin for Fiscal Years 2020-2024. The LACDA is reporting on the previously submitted 5 Year goals beginning in 2018.

PHA Goal 1: Improve the Availability and Quality of LACDA Housing

OBJECTIVES:

•Explore ways to increase housing opportunities for target population (i.e. chronically homeless, special needs families, transition aged youth (TAY), families at risk of homelessness):

- The Los Angeles Board of Supervisors have committed an additional \$6.9 million for LACDA’s Housing Incentive Program to support 1200 homeless families to secure housing.
- The LACDA has created a new Open Doors initiative as a wraparound service for landlords to encourage them to conduct business with the LACDA and rent to Section 8 Voucher holders. The initiative is intended to further fair housing and entice participation among private and accessible rental markets. The LACDA’s wraparound services may include Vacancy Loss Payments, Damage Mitigation, and specialized staff to assist with concerns.
- The LACDA is applying for an additional \$1.2 million in Family Unification Program (FUP) vouchers to reunite 75 more families who children remain separated from their parent(s) due to lack of suitable housing.
- The LACDA assisted the City of Norwalk Housing Authority (NHA) in applying for Foster Youth Initiative Tenant Protection Vouchers and executed an Interagency Agreement with NHA to further assist them.

•Continue to preserve and maintain public housing and affordable housing portfolios:

The LACDA will begin to analyze options for converting Public Housing to RAD in order to leverage assets to maintain sites.

Currently, the LACDA has 33 Project Based Voucher (PBV) buildings. Five new PBV buildings, consisting of a total of 199 new units, came on board this calendar year. One of the five buildings is 100% leased and the other four are currently being leased. In addition to the 33 completed PBV buildings, the LACDA has committed PBV’s to 23 new projects, representing 920 additional project based units. Roughly one-half of these proposed buildings, 11, are projected to complete construction and begin lease up between January 2020 and July 2021.

•Continue public housing security improvements:

Since January of 2019, LACDA installed new CCTV systems at five housing developments. The new installations include 40 new digital cameras and four Network Video Recorders (NVR’s) at four developments in South Los Angeles. LACDA also installed a new digital CCTV system with 28 cameras and a NVR at the Arizona and Olympic developments in East Los Angeles. A new high-definition portable system was added to the existing system at the Nueva Maravilla development, also in East Los Angeles.

The NOFA invited developers to apply for a combination of up to 380 Project-Based Vouchers and Project-Based VASH Vouchers. Eligible projects must target a mixed-population with special needs, including mentally ill, homeless/chronically homeless households, and homeless veterans. The LACDA awarded seven applications, totaling 346 units for projects throughout Los Angeles County (La Puente, South Gate, El Monte, Lancaster, Whittier, Torrance and Los Angeles).

Units with Approved Vacancies for Modernization

The LACDA will continue to obtain approval for vacancies for modernization as needed. Most Recent Fiscal Year Audit.

(a) Were there any findings in the most recent FY Audit?

Y N

(b) If yes, please describe:

Statement of Capital Improvements. Required in all years for all PHAs completing this form that administer public housing and receive funding from the Capital Fund Program (CFP).

Capital Improvements. Include a reference here to the most recent HUD-approved 5-Year Action Plan (HUD-50075.2) and the date that it was approved by HUD.

See HUD Form 50075.2 submitted to HUD on 4/19 and effective 7/19. The next 5-Year Action Plan is due to HUD in 4/23.

Housing Needs. *Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families*

with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location.

According to the Los Angeles Homeless Service Authority (LAHSA), the 2019 Homeless Count indicated that there were over 58,936 homeless individuals on the streets; a 12% increase from 2019. The LACDA is committed to combatting homelessness and has historically given priority to homeless families, veterans, and victims of domestic violence seeking placement in public housing.

The County's chronic shortage of affordable housing is also exemplified by the number of families registered on LACDA's 13 family and senior public housing site-based waiting lists, which closed in December 2015. The Public Housing program currently has a waiting list of 21,108 unduplicated applicants of which 49% African American, 25% White, 6%, Asian, 1% American Indian, 1%, Pacific Islander, and 18% identified as 'Other' or declined to state. Approximately 22% percent of public housing applicants are elderly and 20% percent are non-elderly disabled. The waiting period for public housing applicants is about three to five years, depending on household member size.

The rent burden is especially severe in high-cost markets such as **Los Angeles where the monthly rent can be up to \$1,949, compared to the national monthly average of \$950 for a one-bedroom unit.** The LACDA's households cannot afford these market rents with an average annual income of approximately \$16,233, and an average rental contribution of \$4,644 annually.

The Section 8 program currently has a waiting list of 37,330 applicants, of which 47% are black, 29% are white, 6% are Asian, and 20% listed Other. 29% of applicants reported Hispanic ethnicity and 16% did not disclose an ethnicity. About 27% of those on the waiting list are elderly and 15% are disabled. The amount of time spent on the waiting list often varies and can be as long as several years. The waiting list does not include special admissions.

Strategy for Addressing Housing Needs. Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year. **Note: Small, Section 8 only, and High Performing PHAs complete only for Annual Plan submission with the 5-Year Plan.**

The LACDA is a federally funded agency that administers housing assistance programs in the County for qualified very low-income families, the disabled, and seniors. The LACDA publicizes and disseminates information to make known the availability of housing units and housing-related services for very low-income families on a regular basis. The LACDA communicates the status of housing availability to other service providers in the community. The LACDA advises them of housing eligibility factors and guidelines in order that they can make proper referrals for those who seek housing.

To increase the awareness of LACDA's resources among families of races and ethnicities with disproportionate needs, the LACDA:

- Affirmatively markets to races/ethnicities shown to have disproportionate housing needs.
- Continues marketing the public housing and Section 8 at housing fairs, local governmental activities, churches, and to public housing resident councils and conducts open houses for a variety of communities.
- Makes available to Section 8 tenants the location of units outside of areas of poverty or minority concentration.
- Markets the Section 8 program to owners outside of areas of poverty/minority concentrations.
- Continues distributing fair housing brochures to the public in the Administrative offices lobby, as well as to public housing residents and Section 8 participants.
- Utilizes the Resident Councils to conduct fair housing presentations for residents, participants and LACDA staff.

Additionally, the LACDA actively coordinates with other County agencies to provide housing eligibility and availability information to their very low-income clients. The LACDA also contracts with Socialserve.com to provide free listings of affordable properties throughout the County and uses the service to show voucher holders where available units are in areas of deconcentration. Finally, the LACDA has implemented various homeless initiatives providing admissions preference to homeless individuals to our programs.

RAB Comments

- 1. Comment:** One RAB member stated that she is happy about the biennial inspections. She felt inspecting every two years is ideal and she no longer feels pressured to prepare her unit for inspections so often. Another RAB member indicated that the biennial inspections makes it more difficult to get owners to make smaller repairs in a timely manner. Another RAB member indicated that she was unaware of the change to biennial inspections and stated she would be happy to have them.

Response: The LACDA is pleased that clients prefer biennial inspections. Some units have not shifted to biennial inspections yet as the new procedure is being implement in two phases to ensure the inspections are manageable with current staff. Also, certain programs, for example the VASH and the COC Programs, remain on an annual inspection schedule. Lastly, if clients are living with major deficiencies which they are unable to get their landlord to address, they can request an interim or emergency inspection.

2. Comment: The RAB members were thrilled about the announcement that owners are no longer allowed to say “No Section 8 Accepted.” They actually burst into a round of applause.

Response: The LACDA is pleased with the RAB member response. They recognized that the shortage of owners who are willing to rent to Section 8 tenants is a major barrier to finding suitable housing.

3. Comment: One RAB member stated that the language used in forms, letters, vouchers, etc. is a barrier, very challenging to understand. She suggested including Section 8 clients in the forms creation process.

Response: Thank you for your comment. The LACDA was trained in and uses the Los Angeles County Back to Basics Plain Language writing style and software to increase the readability and understanding of its documents. The LACDA continue to make efforts to insure its documents are understandable to its clients.

4. Comment: One RAB member stated she was homeless for a year due to losing her job and the inability to communicate with her case manager to get her rent reduced in a timely manner. She felt the case manager and supervisor dropped the ball on her case and indicated the consequence of this was very detrimental to her and her son. She states she is still recovering from the trauma she experienced during her homelessness.

Response: The LACDA is sorry to hear of this RAB member’s misfortune. The LACDA does everything within its power to process all rent decreases in a timely manner. The LACDA is in the process of creating a Customer Service Unit, which will be able to address this specific issue and avoid items falling through the cracks. The recruitment for customer service representatives is currently in progress.

5. Comment: One RAB member stated she was happy about the increased payment standards because they are definitely necessary in the Los Angeles rental market.

Response: Yes, the LACDA recognize that the rents in the greater Los Angeles area have increased significantly and therefore increased its payment standards last year. The LACDA works very hard to balance the reality of higher rents and desire to serve as many clients as possible. The higher the LACDA increase the payment standards the more rapidly its Housing Assistance Payments budget is used and fewer clients are able to be assisted so LACDA must walk a very thin line to balance these two competing outcomes.

6. Comment: One RAB member asked how the LACDA determines voucher bedroom size and how does downsizing works.

Response: The LACDA has a basic rule of thumb of two persons per bedroom without regards to age or sex. Once the bedroom size is established and a voucher is issued, if a household member leaves the home, a determination of the new appropriate bedroom size will be made. This is called downsizing.

7. Comment: One RAB member stated she had been in her unit for many years and the carpet needed to be cleaned or replaced. She asked how often are landlords required to change carpet.

Response: Various window, floor and wall coverings have various life expectancy. The life expectancy for carpet can be 3 – 15+ years depending on the quality of the carpet and how it is maintained. The LACDA recommends that tenants speak to their owner or Management Company about the carpet if it needs attention. Rips and tears in carpeting are considered a trip hazard and will be cited as a deficiency by the Housing Quality Standards inspector.

8. Comment: One RAB member asked if LACDA remove full time students from the home if they go away to college.

Response: Full time students who attend school away from the home and live with the family during school recess are considered temporarily absent from the household. These family members will continue to be counted when determining the family's appropriate voucher size. They are not removed from the home.

9. Comment: One RAB member stated that he has seen elderly Section 8 clients taken advantage of by strangers or even relatives. Is there anything LACDA can do to help avoid this?

Response: If you have a concern about elder abuse you may report the situation to the LACDA Section 8 Fraud Hotline at 1-877-881-7233 and it will be looked into. One may also contact the local police department to conduct a wellness check on the tenant.

10. Comment: One RAB member stated she did not understand why she was told that she would pay 30% of her income and later told she would pay 40% of her income.

Response: The Total Tenant Payment (TTP): represents the minimum amount a family must contribute toward rent and utilities regardless of the unit selected. The TTP is the greater of: 30 percent of monthly adjusted income; 10 percent of monthly gross income; or the LACDA's minimum rent of \$50.

However under no circumstances may a family initially rent a unit if the family share will exceed the 40% affordability limits stipulated by HUD. After the initial lease up, the rent may exceed 40% of monthly adjustable income if the owner increase the rent and the tenant wish to stay in place and not seek a unit with a lower monthly rent.

11. Comment: One RAB member commented that it is disheartening to be unable to allow her homeless daughter and granddaughter to move in with her to help her get on her feet. She says she almost lost her voucher twice due to them being in her unit. Can the LACDA make an exception in cases like this?

Response: The LACDA agrees that the Los Angeles homeless crisis is horrible and it is doubly heart wrenching when one has loved ones experiencing homelessness. However because this is a federally subsidized program, the federal government determines allowable family additions.

While there are severable allowable additions, there are many reasons why family addition are limited. These factors include 1) the owner must approve the addition, 2) a criminal background check must be conducted on additions to the family, 3) the required unit size must be considered to avoid overcrowding, and 4) the LACDA must consider funding availability. The LACDA encourages clients to refer homeless loved ones to available homeless resources and the Coordinated Entry System by calling 211.

12. Comment: One RAB member commented that the Portability process is horribly confusing. She stated that she had to submit a request to transfer twice and it was not explained to her. She felt that staff spoke in terms that they were familiar with but the layperson do not understand these terms.

Response: The Portability process is a very complex process involving HUD federal regulations and the administrative policies of at least two, sometimes three public housing authorities. That is understandably confusing however every effort is made to explain the rules and the process to clients to ensure that they do not lose their voucher in the process of porting. This comment will be relayed to our Portability Team so they can determine how they can explain the process better.

13. Comment: One RAB member complained that her caseworker does not return her calls.

Response: Currently, all case managers and their supervisors are listed in the Tenant Portal. Give your case manager a full business day to return your call. Also, please note half of the case managers are off each Friday. Contact the supervisor if you have not received a return call after allowing a sufficient amount of time. All staff are receiving customer service training during the week of December 1, 2019 and a Customer Service Unit is being established to address these concerns. A recruitment for customer service representatives is currently underway.

14. Comment: One RAB member emphasized the importance of a washer/dryer hook up. She state we should encourage owners to provide this for tenants.

Response: Thank you for your comment. The LACDA agrees that a washer/dryer (w/d) hook up is a very useful amenity and encourages landlords to provide w/d hookups however the LACDA cannot force owners to do so.

15. Comment: One RAB member stated that clients should be informed of case manager changes and their case manager's supervisor.

Response: Currently, all case managers and their supervisors are listed in the Tenant Portal. Clients are encourage to log on the portal because this is the most accurate list of case managers and supervisors. This list is updated regularly.

16. Comment: One RAB member requested the list of 'Just Cause' reasons for evictions.

Response: 1) Tenant failed to pay rent within three (3) days of receiving written notice from the Landlord demanding payment. 2) Tenant violated a Material Rental Agreement Term and did not cure such violation within ten (10) days after receiving written notice from the Landlord. 3) Tenant has continued to refuse a Landlord's written request for reasonable access to the Rental Unit by the Landlord. 4) Tenant has used the Rental Unit to create a nuisance or for an illegal purpose.

If the Landlord can show any of the following, the termination will qualify as a No Fault termination. 1) Landlord will imminently demolish the Rental Unit or otherwise permanently remove the Rental Unit from any residential rental use or purpose; or 2) Landlord seeks in good faith to recover possession of the Rental Unit for use and occupancy as a primary place of residence by the Landlord, the Landlord's spouse, registered domestic partner, children, grandchildren, parents, or grandparents.

17. Comment: One RAB member asked how you are supposed to pay your rent when your income have decreased and you are waiting for the LACDA to reduce your rent.

Response: Thank you for your question. As mentioned earlier, nonpayment of rent is one of the main reasons tenants are evicted. This is usually an open and close case, either the tenant paid the rent or they did not. However, it can become more complicated when a Section 8 client has reported a decrease in income and is waiting for their portion of the rent to be adjusted accordingly.

A participant family is required to report an income decrease within 30 calendar days after the change has occurred. If the information provided results in a decrease in tenant rent, a modification to the HAP Contract is executed to be effective the first of the month following the month in which the required documentation is supplied by the participant. With this timeframe in mind, it is to the family benefit to report and provide documentation of the decrease as soon as it incurs.

The participant should also communicate with the landlord to inform them that s/he is anticipating a tenant rent adjustment from the LACDA. The LACDA will be paying a larger portion of the rent and the participant will be paying a smaller portion. Keep the lines of communication open with the landlord, so they know what is happening with the rent. Get your case manager involved in speaking with the landlord if necessary to prevent being served with an eviction notice.

18. Comment: One RAB member ask what do you do when an owner refuses to make a repair but you do not want to move.

Response: If it is a serious issue, one must report it to the LACDA and an interim inspection will be scheduled. If the inspector determines that it is a major deficiency, the owner will be given time to make the repair and the unit will be reinspected. If the unit still fails, you will be issued a voucher to move and the owner's payments will be abated (stopped). If the deficiency is not major and you do not want to move, you may choose to live with the issue or correct it yourself. Sometimes you have to pick your battles.

19. Comment: A RAB member asked what resources are available for homeless persons in the Antelope Valley. He stated that he knows persons in temporary shelters who do not know how to get permanent housing. There does not seem to be an establish protocol. Some residents have seen new persons come to the shelter and receive a voucher while they still languish in limbo waiting for permanent housing. If they question the system, then they are asked to leave the shelter.

Response: Thank you for expressing that valid concern. The LACDA is not alone in the plight to end homelessness. The Los Angeles County Homeless Initiatives Plan and the Measure H taxation funds are being used in a variety of ways and by different Los Angeles County Agencies to address the unique needs of the Homeless. Homeless individuals and families referred are pre-screened through a Coordinated Access System. The LACDA encourages persons in need of homeless resources to call 211 for referrals or contact the Los Angeles Homeless Services Authority which is responsible for providing services to homeless persons of the city and county of Los Angeles.

20. Comment: In the past, the Housing Authority has provided a listing of available rental units. Could the Housing Authority bring back that list?

Response: The LACDA contracts with Emphasys, which operates the online Los Angeles County Resource Center. The online service provides an up-to-date listing of available rental units. You can access it at www.socialserve.com or www.housing.lacounty.gov.

21. Comment: One RAB member asked if there are volunteer opportunities for senior citizens at LACDA.

Response: Currently, the LACDA hires student intern volunteers however there are many volunteer opportunities available for senior citizens via the internet.

MAJOR POLICY CHANGES AND THE RAB MEMBERS REACTIONS, RESPONSES, OR COMMENTS.

Comment: The RAB members were very supportive of the proposed change regarding voucher extensions. They stated that this will be very helpful for many reasons. One reason in particular is that they do not have to worry about submitting the extension request before the voucher expiration while they are concentrating all their efforts on locating a home.

Comment: The RAB members loved the forthcoming policy to no longer require Section 8 client to re-verify the need for a reasonable accommodation when one live-in aid leaves and another one is hired.

Comment: The RAB members expressed mixed support for the Rent Increase Notification policy. This policy mainly impacts the owners. One RAB member suggest requiring the owner to give the LACDA 90-day notice and the tenant 60-day notice to avoid the problem of not receiving he notice on time.

Comment: The RAB members agreed that a local preference for the elderly/disabled is a very good idea.

STATEMENT OF POLICIES AND OBJECTIVES

INTRODUCTION

The Los Angeles County Development Authority (herein referred to as LACDA) is responsible for public and affordable housing stock located throughout Los Angeles County. Through our efforts to provide and maintain housing that is decent, safe, and sanitary, the LACDA strives for a high standard of property management. In addition, the LACDA believes that residents of public housing deserve a living environment that promotes individual achievement and empowers families.

The administration of the public housing program and the functions and responsibilities of the LACDA shall be in compliance with the Annual Contributions Contract (ACC), and this Admissions and Continued Occupancy Policy (herein referred as ACOP). The administration of the LACDA's housing program will also meet the requirements set forth by the U.S. Department of Housing and Urban Development (HUD). Such requirements include any Public Housing Regulations, Handbooks, and applicable Notices. All applicable Federal, State and local laws, including Fair Housing Laws and regulations also apply. Changes in applicable federal laws or regulations shall supersede provisions in conflict with this policy. Federal regulations shall include those found in Volume 24 Code of Federal Regulations (CFR), Parts V, VII and IX.

A. LOCAL OBJECTIVES

The ACOP demonstrates that the LACDA manages its program in a manner that reflects its commitment to improving the quality of housing available to the public, and its capacity to manage that housing in a manner that demonstrates its responsibility to the public trust. In addition, the ACOP is designed to achieve the following objectives:

To provide improved living conditions for very-low and low-income families while maintaining their rent payments at an affordable level.

To operate housing programs that provides decent, safe, and sanitary housing within a suitable living environment for residents and their families.

To provide opportunities for upward mobility for families who desire to achieve self-sufficiency.

B. PURPOSE OF THE POLICY

The purpose of the ACOP is to establish guidelines for the LACDA staff to follow in determining eligibility for admission and continued occupancy. These guidelines are governed by the requirements set forth by HUD with latitude for local policies and procedures. These policies and procedures for admissions and continued occupancy are binding upon applicants, residents, and the LACDA.

The LACDA Board of Commissioners must approve the original policy and any changes. Required

portions of the ACOP will be provided to HUD.

C. FAIR HOUSING POLICY

A record of such impairment; or

Being regarded as having such impairment, and includes all people covered by either federal or state law.

1. Reasonable Accommodation

- A. A reasonable accommodation is a change, exception, or adjustment to a rule, policy, practice, or service that may be necessary for a person with a disability to have an equal opportunity to use and enjoy a dwelling, including public and common use spaces.
- B. Since rules, policies, practices, and services may have a different effect on persons with disabilities than on other persons, treating persons with disabilities exactly the same as others will sometimes deny them an equal opportunity to use and enjoy a dwelling.
- C. A request for a reasonable accommodation may be made at **ANY** time during the initial application process and throughout the tenancy. The request can be made orally to any staff member or in writing to the LACDA.
- D. It is unlawful for the LACDA to refuse to make reasonable accommodations when such accommodations may be necessary to afford persons with disabilities an equal opportunity to use and enjoy a dwelling.
- E. To show that a requested accommodation may be necessary, there must be an identifiable relationship, or NEXUS, between the requested accommodation and the individual's disability.
- F. A request for accommodation must be reasonable, i.e., does not pose an undue financial and administrative burden to the LACDA or require a fundamental change to LACDA's housing programs.

2. Reasonable Modification

- A. A reasonable modification is a structural change made to existing premises, occupied or to be occupied by a person with a disability, in order to afford such person full enjoyment of the premises. Reasonable modifications can include structural changes to interiors and exteriors of dwellings and to common and public use areas.
- B. A request for a reasonable modification may be made at **ANY** time during the tenancy. The request can be made orally to any staff member or in writing to the LACDA.
- C. It is unlawful for the LACDA to refuse to allow a reasonable modification to the premises when such a modification may be necessary to afford persons with disabilities full enjoyment of the premises.
- D. To show that a requested modification may be necessary, there must be an identifiable relationship, or NEXUS, between the requested modification and the individual's disability.
- E. A request for a modification must be reasonable.

Undue Hardship

Requests for reasonable accommodation and reasonable modification from persons with disabilities will be granted upon verification that they meet the need presented by the disability and they do not create an “undue financial and administrative burden” for the LACDA or fundamentally alter the nature of the LACDA’s housing programs. An undue determination is made on a case-by-case basis and considers many factors, including, but not limited to, the cost of the requested accommodation, the benefits that the accommodation would provide to the requester, and the availability of alternative accommodations that would effectively meet the requester’s disability-required needs.

In determining whether an accommodation would create an undue hardship, the following guidelines will apply:

The nature and cost of the accommodation needed;

The overall financial resources of the LACDA’s Public Housing Program; and

The effect on expenses and resources, or the likely impact on the operation of the LACDA as a result of the accommodation.

Reasonable Accommodations and Reasonable Modifications Request Procedure

A person who has a disability, has a physical or mental impairment that limits one or more major life activities such as caring for oneself, manual tasks, walking, seeing, hearing, speaking, breathing or learning; has a record of such impairment; or being regarded as having such impairment, and includes all people covered by either federal or state law.

A resident with a disability as defined above, may ask for including but not limited to the following:

A modification to our rules or policies;

A change in the way we communicate with them or provide them information;

An alteration or change in their unit;

An accessible unit; or

An alteration or change to some other part of a LACDA owned property.

Verification of a Request for a Reasonable Accommodation and/or Reasonable Modification

A request for a reasonable accommodation and/or reasonable modification can be made at any time.

<p>If a person’s disability is obvious or otherwise known to the LACDA, and if the need for the requested accommodation is readily known or apparent, the LACDA will not request the “Verification of the Need for Reasonable Accommodation and/or Reasonable Modification” form or any additional</p>

information about the requester’s disability or the disability-related need for the accommodation.

A resident that requests a reasonable accommodation or reasonable modification will be given a packet that contains the following:

- Form 1: Notice to Residents with Disabilities of the LACDA’s Policy Regarding Reasonable Accommodations and/or Reasonable Modifications
- Form 2: Request for a Reasonable Accommodation and/or Reasonable Modification
- Form 3: Verification of the Need for Reasonable Accommodation and/or Reasonable Modification

Residents that request a Reasonable Accommodation and/or Reasonable Modification, and the disability is not readily known or apparent, must submit Forms 2 and 3 to the management office and in a legible written format. A resident may request to submit the required forms in an alternative format.

The management office has Reasonable Accommodation and Reasonable Modification records that include the Reasonable Accommodation and Reasonable Modification Log and all supporting documentation.

The housing development management staff will forward the reasonable accommodation and/or reasonable modification request to the ADA compliance officer at the LACDA’s administrative office for processing. The ADA compliance officer will keep a log of all requests, decisions and actions taken.

LACDA staff will engage in an “**interactive process**”, when needed, with the requestor to identify reasonable alternatives to address the request of a person with disabilities. LACDA staff will send a decision in writing to the resident on the Reasonable Accommodation and/or Reasonable Modification Request form within 30 business days of receiving the request.

The Reasonable Accommodation and Reasonable Modification Request form will include an approval or a denial of the request. If denied, the form will include reasons for denial and possible alternative accommodations. The LACDA decision letter provides the residents with their rights under Chapter 14 “Grievances and Appeals”. If an accommodation request is denied and no alternative is found reasonable, the Resident will be afforded the opportunity to appeal the denial.

Copies of the Decision on Reasonable Accommodation Request will be sent to the housing development site to be included in the Reasonable Accommodation records.

Posting of Required Information

The LACDA will maintain a bulletin board in a conspicuous area of the management offices which will contain:

Current schedule of routine maintenance charges

A Fair Housing Poster

Notice to Applicants and Residents with Disabilities of LACDA's Policy Regarding Reasonable Accommodations and Reasonable Modifications

An Equal Opportunity in Employment poster

Current Resident Notices

Required public notices

Utility Allowances Schedule

Flat Rents Schedule

A VAWA Poster

E. VIOLENCE AGAINST WOMEN ACT

The LACDA's policy is to comply with the 2013 Violence Against Women Reauthorization Act (VAWA) Public Law 113-4-March 7, 2013 and the clarifying VAWA polices in the Federal Register, "Violence Against Women Reauthorization Act of 2013: Implementation in HUD Housing Programs" published in November 16, 2016 . The LACDA shall not discriminate against an applicant, or public housing resident on the basis of the rights or privileges provided under VAWA.

The LACDA will provide a "Notice of Occupancy Rights under the Violence Against Women Act" HUD form-5380 and "Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking, and Alternate Documentation" HUD form-5382 published in December 2016 to an applicant that is **denied assistance**, at **Lease-In** when a new household is admitted into the program and when a resident is **notified of eviction or termination of assistance**.

F. FAMILY OUTREACH

The LACDA will disseminate information to publicize the availability of housing units and housing-related services for very low-income families on a regular basis.

The LACDA will communicate the status of housing availability to other service providers in the community. The LACDA will advise them of housing eligibility factors and guidelines so that service providers can make proper referrals for those who seek housing.

G. PRIVACY STATEMENT

Applicants and participants, including all adults in their households, are required to sign the form HUD-9886, "Authorization for Release of Information and Privacy Act Notice." This document incorporates the Federal Privacy Act Statement and describes the conditions under which HUD will release family information.

The LACDA's policy regarding release of information is in accordance with State and local laws which may restrict the release of family information.

H. CONFIDENTIALITY

It is the policy of the LACDA to comply fully with all Federal, State, and local laws and with rules and regulations governing Confidentiality in housing. Each LACDA staff signs a "Confidentiality Agreement" at the commencement of their employment and participates in an annual Confidentiality training. Each LACDA staff agrees not to disclose any applicant/resident information, directly or indirectly, that is of a personal, private, and confidential nature, to any person or use such information in any way, either during the term of their employment or at any other time thereafter, except as follows:

To an officer, employee, or authorized representative of the LACDA who has a job related need to have access to the information in connection with admission of applicants, eviction of tenants, or termination of assistance;

To report all families to the EIV System who were terminated for adverse actions or who left

the program owing money to the LACDA.

By signing the “Confidentiality Agreement”, the LACDA staff agrees that all files, records, documents and similar items relating to their employment, whomever prepared by, are and shall remain exclusively the property of the LACDA and that said files shall be removed from the premises only with the express consent of the Executive Director or his/her designee. A violation of the “Confidentiality Agreement” may result in disciplinary action up to and including termination of employment. The unauthorized release of information may subject the LACDA and the LACDA staff to civil action under the Quality Housing and Work Responsibility Act of 1998.

Confidentiality of Reasonable Accommodations and Reasonable Modifications Requests

Any and all information, which would lead one to determine the nature and/or severity of a person’s disability will remain confidential and be in a secure location. The personal information in this folder must not be released except on an “as needed” basis in cases where an accommodation is under consideration. **If the LACDA receives a verification document that provides a person’s diagnosis or details of treatment for a disability or medical condition, the LACDA will dispose of it.** The LACDA will note the file that a disability (in place of the specific disability information) and any other information requested has been verified, the date the verification was received, and the name and address of the knowledgeable professional who sent the information.

I. VAWA CONFIDENTIALITY

All VAWA information provided to the LACDA, including the fact that an individual is a victim of domestic violence, dating violence, sexual assault or stalking, shall be retained in confidence, and will not be entered into any shared database or provided to any related entity, except to the extent that disclosure is-

Chapter 2

ELIGIBILITY AND SUITABILITY FOR ADMISSION TO PUBLIC HOUSING

[24 CFR Part 960, Subpart B]

INTRODUCTION

This chapter describes the eligibility and suitability criteria for admission to the public housing program. The policy of the LACDA is to apply these criteria to evaluate the qualifications of families who apply. The LACDA will review all information provided by the family carefully and without regard to factors other than those defined in this chapter. Families will be provided the opportunity to explain their circumstances, to furnish additional information, if needed, and to receive an explanation of the basis for any decision made by the LACDA pertaining to their eligibility and suitability.

PART I: ELIGIBILITY

A. QUALIFICATION FOR ADMISSION

In order to be deemed eligible for admission to public housing, an applicant must meet the following criteria:

Meet the definition of a family as defined by HUD and the LACDA

Has a head of household, co-head or spouse/marital-type partner where at least one of these members is either a U.S. citizen or eligible non-citizen. (24 CFR Part 5, Subpart E)

Has an annual income at the time of admission that does not exceed the Income Limits for occupancy established by HUD and posted separately at the LACDA

Provide a Social Security number for all family members or will provide written certification that they legally cannot obtain Social Security numbers at this time and will notify the LACDA upon receipt of a Social Security number

Meet the Suitability Criteria as set forth in this chapter

Has no outstanding debts to this LACDA, any other PHA or any other governmental agency, excluding educational loans

Has no current debt to a Utility Company or has entered into a repayment agreement with the Utility Company for outstanding debts

The LACDA shall permanently deny admission to persons convicted of manufacturing or producing methamphetamine on the premises of assisted housing.

The LACDA shall deny admission to sex offenders who are subject to a lifetime registration requirement under a State sex offenders registration program.

Violence Against Women Act (VAWA): Perpetrator removal or documentation of rehabilitation

In cases where the applicant family includes the perpetrator as well as the victim, the LACDA will require either:

1. That the perpetrator be removed from the household and not reside in the unit; or
2. That the family provide documentation that the perpetrator has successfully completed, or is successfully undergoing, rehabilitation or treatment.
 - If the family chooses the second option, the documentation must be signed by an employee or agent of a domestic violence service provider or administrative agency, or by a mental health, medical or other knowledgeable professional from whom the perpetrator has sought or is receiving assistance in addressing the abuse.
 - The signer of the documentation must attest under penalty of perjury to his or her belief that the rehabilitation was successfully completed or is progressing successfully. The victim and perpetrator must also sign and attest to the documentation.

Timing for the Verification of Qualifying Factors

The LACDA shall not verify eligibility factors until the LACDA “batches” applicant files from one of the thirteen site based waiting lists after determining that a sufficient number of vacancies warrant a pool of eligible applicants.

B. DEFINITION OF FAMILY

Definition of Family

The term “family” includes, but is not limited to the following, regardless of actual or perceived sexual orientation, gender identity, or marital status:

A single person, who is an elderly person, displaced person, a person with disabilities, near-elderly person, or any other single person; or

A group of persons residing together and such group include, but is not limited to:

- (1) A family with or without children (a child who is temporarily away from the home because of placement in foster care is considered a member of the family);
- (2) An elderly family;
- (3) A near-elderly family;
- (4) A disabled family;

- (5) A displaced family;
- (6) The remaining member of a tenant family;
- (7) A foster care arrangement, or a kinship care arrangement;
- (8) Other persons, including members temporarily absent (e.g. a child temporarily placed in foster care or a student temporarily away at college), may be considered a part of the applicant family's household if they are living or will live regularly with the family;
- (9) Live-In Aides may also be considered part of the applicant family's household. However, live-in aides are not family members and have no right of tenancy or continued occupancy; and
- (10) Foster Care Arrangements include situations in which the family is caring for a foster adult, child or children in their home who have been placed there by a public child placement agency, or a foster adult or adults placed in the home by a public adult placement agency. For purposes of continued occupancy; the term family also includes the remaining member of a resident family with the capacity to execute a lease.

Elderly, disabled, and displaced families as defined by HUD in CFR 5.403.

Other families are defined by the LACDA as follows:

A family, other than an elderly, disabled, or displaced family, is defined by the LACDA as one or more persons who intend to share residency in the public housing unit, and whose income and resources are available to meet the family's needs.

Head of Household

The head of household is the adult member of the household who is designated by the family as head, is wholly or partly responsible for paying the rent, and has the legal capacity to enter into a lease under State/local law.

Spouse of Head

“Spouse” means the husband or wife of the head.

The definition of “spouse” is the marriage partner who, in order to dissolve the relationship, would have to be divorced. It includes the partner in a common-law marriage. The term “spouse” does not apply to boyfriends, girlfriends, significant others, or co-heads.

Co-Head

An individual in the household who is equally responsible for the lease with the Head of Household. A household may have either a spouse or co-head, but not both. A co-head never qualifies as a dependent.

Live-In Aides

A family may include a live-in aide provided that such live-in aide:

Is determined by the LACDA to be essential to the care and well-being of an elderly person, a near-elderly person, or a person with disabilities,

Is not obligated for the support of the person(s), and

Would not be living in the unit except to provide care for the person(s).

A live-in aide is not considered to be an assisted family member and has no rights or benefits under the program.

Income of the live-in aide will not be counted for purposes of determining eligibility or level of benefits.

Live-in aides are not subject to Non-Citizen Rule requirements.

Live-in aides may not be considered as a remaining member of the resident family.

Relatives are not automatically excluded from being live-in aides, but they must meet all of the elements in the live-in aide definition described above.

Family members of a live-in aide may also reside in the unit, providing that doing so does not increase the subsidy by the cost of an additional bedroom and that the presence of the family member(s) does not overcrowd the unit.

A live-in aide may only reside in the unit with the approval of the LACDA. Written verification will be required from a reliable, knowledgeable professional, such as a doctor, social worker, or caseworker. The verification provider must certify that a live-in aide is needed for the care of the family member who is elderly, near-elderly (50–61) or disabled.

Verification of the need for a live-in aide must include the hours the care will be provided.

The LACDA has the right to disapprove a request for a live-in aide based on the “Other Eligibility Criteria” described in this chapter. A family has the right to an appeal of the decision under Chapter 14 “Grievances and Appeals”.

The family is responsible for the actions of the live-in aide. The live-in aide must comply with obligations of the family to maintain the unit and premises in a decent, safe and sanitary manner and not to disturb the peaceful enjoyment of the premises. Prior to residing in public housing, a live-in aide must pass a criminal background check, be deemed suitable by the LACDA and is required to execute a “Live-in Aide Agreement” with the LACDA.

Spouses Living Apart

An applicant who declares that he/she is married but living apart from their spouse, must provide proof of address for their spouse including but not limited to a utility bill, Lease or other LACDA

acceptable address verification.

C. MANDATORY SOCIAL SECURITY NUMBERS [24 CFR 5.216]

Families are required to provide verification of Social Security Numbers for all family members prior to admission, or written certification that they legally cannot obtain Social Security numbers at this time and will notify the LACDA upon receipt of a Social Security number. This requirement also applies to persons joining the family after admission to the program.

Failure to furnish verification of Social Security Numbers is grounds for denial of admission or termination of tenancy.

If a member legally cannot obtain a Social Security Number, he/she must sign a certification stating that he/she does not have one. The certification shall:

State the individual's name, state that the individual has not been issued a Social Security Number;

State that the individual will disclose the Social Security Number to the LACDA, if he/she obtains one at a later date;

Be signed and dated.

D. CITIZENSHIP/ELIGIBLE IMMIGRATION STATUS

In order to receive assistance, a family member must be a U.S. citizen, a citizen of the Freely Associated States of the Marshall Islands, the Federated States of Micronesia, and Palau, or an eligible immigrant. Individuals who are neither may elect not to contend their status. Eligible immigrants are persons who are in one of the six immigrant categories as specified by HUD.

For the Citizenship/Eligible Immigration requirement, the status of each member of the family is considered individually before the family's status is defined.

Mixed Families: A family is eligible for assistance as long as at least one member is a citizen or eligible immigrant. Families that include eligible and ineligible individuals are called "mixed." Such applicant families will be notified that their assistance will be prorated and that they may request a hearing if they contest this determination.

Non-eligible members: Applicant families that include only non-eligible members will be ineligible for assistance. Such families will be denied admission and offered an opportunity for a hearing.

Non-citizen students: As defined by HUD in the non-citizen regulations, non-citizen students are not eligible for assistance.

The LACDA will establish and verify eligibility no later than the date of the family's first annual reexamination.

E. DENIAL OF ADMISSION FOR PREVIOUS DEBTS TO THE LACDA, ANY

HOUSING AUTHORITY OR ANY OTHER GOVERNMENTAL AGENCY

Previous outstanding debts incurred by all adult members of an applicant household to LACDA, any Housing Authority, or any other governmental agency, excluding educational loans, must be paid in full prior to admission.

F. INCOME LIMITS

Income eligibility for the public housing program is based on the total anticipated income from all sources received by any family member except for listed income exclusions in Chapter 5. Income limits are determined by HUD and updated annually. The LACDA shall use income guidelines provided by HUD to determine program eligibility for the public housing program. These income guidelines will be posted at all times at the LACDA's site management offices.

PART II: SCREENING FOR SUITABILITY [24 CFR 960.204, 960.205]

A. SUITABILITY CRITERIA

All applicants will be processed in accordance with HUD's regulations (24 CFR Part 960) and sound management practices. Applicants will be required to demonstrate ability to comply with essential provisions of the lease as summarized below.

All applicants must demonstrate through an assessment of current and past behavior the ability:

To pay rent and other charges as required by the lease in a timely manner;

To care for and avoid damaging the unit and common areas;

To use facilities, appliances and equipment in a reasonable way;

To create no health or safety hazards, and to report maintenance needs in a timely manner;

Not to interfere with the rights and peaceful enjoyment of others and to avoid damaging the property of others;

Not to engage in criminal activity or alcohol abuse that threatens the health, safety or right to peaceful enjoyment of other residents or staff and not to engage in drug-related criminal activity;

Not to have ever been convicted of manufacturing or producing methamphetamine, also known as "speed," on the premises of assisted housing;

Not to be subject to sex offender lifetime registration under a State sex offender registration program. *

To comply with necessary and reasonable rules and program requirements of HUD and the LACDA; and

To comply with local health and safety codes.

* This requirement includes minors from 13 to 17 years of age.

In developing its admission policies, the aim of the LACDA is to attain a resident body composed of families with a broad range of incomes and to avoid concentrations of the most economically deprived families and families with serious social problems. Therefore, it is the policy of the LACDA to deny admission to applicants whose habits and practices may reasonably be expected to have a detrimental effect on the operations of the development or neighborhood, or on the quality of life for its residents.

The LACDA will conduct a detailed interview of all applicants designed to evaluate the qualifications of applicants to meet the essential requirements of tenancy. Answers may be subject to third party verification.

An applicant's misrepresentation of any information related to eligibility, award of preference for admission, housing history, allowances, family composition, criminal history, or rent may result in denial of admission. If the LACDA discovers that an applicant misrepresented such information and that such misrepresentation led to the applicant's admission, the applicant shall be deemed not eligible for admission and shall be subject to termination.

Applicants must be able to demonstrate the ability and willingness to comply with the terms of the lease. Should the applicant require assistance in order to comply with the terms of the lease, the applicant must notify the LACDA. (24 CFR 8.2 Definition: Qualified Individual with Disabilities). The availability of assistance is subject to verification by the LACDA.

The LACDA's minimum age for admission as head of household is 18, so that the LACDA will avoid entering into leases that would not be valid or enforceable under applicable law.*

As a part of the final suitability determination, the LACDA will screen each applicant household to assess their suitability as renters.

The LACDA will complete a credit check and rental history check on all applicants.

The LACDA may complete a home visit at the current residence of all applicants who:

Have had landlords refuse to sign their Resident Reference Form;

Stated information on their application that is inconsistent with information on the credit and unlawful detainer report;

Do not have an established residence at the time of their suitability review (e.g., state they live "here and there with friends");

Have landlords raise suitability issues on the Resident Reference Forms;

* The LACDA shall make an exception for emancipated minors upon completion of verifying their legal status as such.

Have a criminal history that raises suitability concerns;

Claim to have zero income (to establish how they are meeting their needs);

Were interviewed by LACDA staff who has found the applicant's statement or behavior to raise concerns regarding suitability.

The LACDA's examination of relevant information pertaining to past and current habits or practices will include, but is not limited to, an assessment of:

The applicant's past performance in meeting financial obligations, especially rent;

Eviction or records of disturbance of neighbors sufficient to warrant a police call, destruction of property, or living or housekeeping habits at present or prior residences, which may adversely affect the health, safety, or welfare of other residents or neighbors;

Any history of criminal activity on the part of any applicant family member, involving criminal acts, including drug-related criminal activity;

Any history or evidence of repeated acts of violence on the part of an individual, or a pattern of conduct constituting a danger to peaceful occupancy by neighbors;

Any history of initiating threats or behaving in a manner that indicates intent to assault employees or other residents;

Any history of alcohol or substance abuse that would threaten the health, welfare, or right to peaceful enjoyment of the premises by other residents.

Any evidence of housing assistance termination for adverse actions or who left the program owing money to a Housing Authority.

The ability and willingness of an applicant to comply with the essential lease requirements will be verified and documented by the LACDA. The information to be considered in the screening process shall be reasonably related to assessing the conduct of the applicant and other family members listed on the application in present and prior housing.

The history of applicant conduct and behavior must demonstrate that the applicant family can reasonably be expected not to:

Interfere with other residents in such a manner as to diminish their peaceful enjoyment of the premises by adversely affecting their health, safety, or welfare [24CFR 960.205(b)];

Adversely affect the physical environment or financial stability of the development [24CFR 960.205(b)];

Violate the terms and conditions of the lease [24CFR 8.3];

Require services from LACDA staff that would alter the fundamental nature of the LACDA's program [24 CFR 8.3].

B. SCREENING FOR DRUG-RELATED AND/OR CRIMINAL ACTIVITY

It is the intention of the LACDA to administer a policy that maintains decent, safe, and sanitary public housing. All screening procedures shall be administered fairly and in such a way as to not discriminate on the basis of race, color, religion, sex, gender, gender identity and expression, family status (including children under the age of 18 living with parents or legal custodians; pregnant women and people securing custody of children under 18), national origin, marital status, ancestry, age, sexual orientation, disability, medical condition, source of income, genetic information, military and veteran status, arbitrary characteristics, or any other basis prohibited by law, as well as not in violation of the right to privacy. These screenings will be deemed current for a period of 90 days at which point the LACDA must run the background check again before time of move in.

The LACDA will obtain and take into consideration criminal summary history information from State and/or local law enforcement agencies, and the FBI on all applicants over the age of eighteen for the purpose of determining resident suitability. The LACDA may also obtain and take into consideration public records of past and current criminal history of the applicant and proposed member of the applicant's household. The LACDA uses the Data Compliance System (DCS) which automatically provides publically available arrest data from Los Angeles County enforcement agencies. The LACDA will verify the information collected on its applicants and take information into consideration for admissions purposes.

All applicants to the public housing program will be screened for drug-related, violent- and any other criminal activity involving the applicant and proposed member of the applicant's household during the suitability review process. The LACDA defines criminal activity in the following manner:

Drug-Related Criminal Activity: the illegal manufacture, sale, distribution, use and/or possession with intent to manufacture, sell, distribute, or use a controlled substance (as defined in Section 102 of the Controlled Substances Act (21 U.S.C. 802)). **Please note that the cultivation, manufacture, distribution, sale, use and/or possession of marijuana with the intent to cultivate, manufacture, distribute, sell, and/or use of marijuana for recreational and/or medical reasons is also a violation of the LACDA's policies relating to drug-related criminal activity and constitutes "drug-related criminal activity" under federal law. The cultivation, distribution, sale, use and/or possession of marijuana for recreational and/or medical reasons subjects applicants to the denial of admission.

Violent Criminal Activity: any criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force substantial enough to cause, or be reasonably likely to cause, serious bodily injury or property damage.

Sex Offense Related Criminal Activity: Any criminal activity that subjects a member of the applicant's household, which includes minors 13 to 17 years of age, to be subject to sex offender lifetime registration under a State sex offender registration program.

Other Criminal Activity: any criminal activity including, but not limited to, violent criminal activity which would adversely affect the health, safety, or right to peaceful enjoyment of the public housing premises by other residents or persons residing in the immediate vicinity

or employees of the LACDA.

Applicant(s) engaging in fraud or bribery associated with any federal housing program:

The LACDA shall deny admission if the applicant or any household member has committed fraud, bribery, or any other corrupt or criminal act in connection with any Federal housing program. The LACDA may make an exception in determining admission if the family member(s) who participated or were culpable for the action do not reside in the assisted unit.

Denial of Admission for Drug-Related Criminal Activity:

The LACDA shall permanently deny admission to any applicant if any household member has ever been convicted of drug-related criminal activity for the manufacture or production of methamphetamine on the premises of Federally assisted housing, in accordance with HUD regulations. **Please note that the cultivation, manufacture, distribution, sale, use and/or possession of marijuana with the intent to cultivate, manufacture, distribute, sell, and/or use of marijuana for recreational and/or medical reasons is also a violation of the LACDA's policies relating to drug-related criminal activity and constitutes "drug-related criminal activity" under federal law. The cultivation, manufacture, distribution, sale, use and/or possession of marijuana for medical and/or recreational reasons subjects applicants to the denial of admission.

The LACDA denies admission of any applicant evicted from federally assisted housing by reason of drug-related criminal activity within the previous three-year period, unless the evicted resident successfully completed a rehabilitation program approved by the LACDA and is willing to continue with counseling and support activities.

The LACDA shall deny admission to applicants that it determines has reasonable cause to believe a household member's illegal drug use or alcohol abuse or pattern of illegal drug use or alcohol abuse may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents.

In determining whether to deny admission to public housing based on a pattern of illegal use of a controlled substance or abuse of alcohol by an applicant, and/or prior eviction from federally assisted housing by reason of drug-related criminal activity, the LACDA may consider the following mitigating factors:

Has successfully completed a supervised drug or alcohol rehabilitation program (as applicable) and is willing to continue with counseling and support activities and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol (as applicable);

Has otherwise been rehabilitated successfully and is willing to continue with counseling and support activities and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol (as applicable); or

Is participating in a supervised drug or alcohol rehabilitation program (as applicable) and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol (as applicable).

Notwithstanding Sections a, b, and c, the LACDA reserves the right to deny admission to applicants who have engaged in any drug-related criminal activity within a previous three-year period. In such a determination, the LACDA shall take into account the above-listed mitigating factors.

Denial of Admission of Persons Engaged in Violent Criminal Activity

In accordance with Section 576 (C) of the Quality Housing and Work Responsibility Act of 1998, the LACDA shall deny admission to public housing for any applicant who has engaged in violent criminal activity within the last three years. Violent criminal activity means any criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force substantial enough to cause, or be reasonably likely to cause, serious bodily injury or property damage. In accordance with 24 CFR section 960.203 (c)(3), the LACDA may deny the admission of persons who have a history of criminal activity involving crimes of physical violence to persons or property.

Denial of Admission of Persons Engaged in Other Criminal Activity

In accordance with 24 CFR section 960.203 (c)(3), the LACDA may deny the admission of persons who have a history of criminal activity involving criminal acts which would adversely affect the health, safety or welfare of other tenants. The LACDA shall consider “other criminal activity” engaged in by an applicant in determination of suitability for public housing.

Denial of Admission for Lifetime Sex Offender Registrants

In accordance with 24 CFR 960.204 (a)(4), the LACDA shall permanently deny admission to any applicant, which includes minors 13 to 17 years of age, who is subject to a sex offender lifetime registration under a State sex offender registration program.

Right to Informal Hearing

Applicants denied admission to public housing based on drug-related, violent or other criminal activity may dispute the information revealed in the criminal summary history information or the determination made by the LACDA and request an informal hearing in accordance with the LACDA’s grievance policy.

C. OTHER SUITABILITY FACTORS

Rent-Paying Habits

The LACDA will examine any LACDA records from a prior tenancy, and will request written references from the applicant’s current landlord and may request written references from current and former landlords for up to the past three years.

Based upon these verifications, the LACDA will determine if the applicant was chronically late with rent payments, has been evicted for nonpayment of rent, or had other legal action initiated against him/her for debts owed. Any of these circumstances could be grounds for an ineligibility determination, depending on the amount of control the applicant had over the situation.

Screening Applicants Who Claim Mitigating Circumstances

Mitigating circumstances are facts relating to the applicant's record of unsuitable history or behavior, which, when verified, would indicate both: (1) what the reason for the unsuitable history and/or behavior is; and (2) that the reason for the unsuitable history and behavior is no longer in effect or is under control, and the applicant's prospect for lease compliance is an acceptable one, justifying admission.

If unfavorable information is received about an applicant, consideration shall be given to the time, nature, and extent of the applicant's conduct and to factors that might indicate a reasonable probability of favorable future conduct. In order to be factored into the LACDA's screening assessment of the applicant, mitigating circumstances must be verifiable.

If the mitigating circumstances claimed by the applicant relate to a change in disability, medical condition or course of treatment, the LACDA shall have the right to refer such information to persons who are qualified and knowledgeable to evaluate the evidence and to verify the mitigating circumstance. The LACDA shall also have the right to request further information reasonably needed to verify the mitigating circumstance, even if such information is of a medically confidential nature. Such inquiries will be limited to the information necessary to verify the mitigating circumstances or, in the case of a person with disabilities, to verify a reasonable accommodation.

Examples of mitigating circumstances:

Evidence of successful rehabilitation;

Evidence of the applicant family's participation in and completion of social service or other appropriate counseling service approved by the LACDA;

Evidence of successful and sustained modification of previous disqualifying behavior.

Consideration of mitigating circumstances does not guarantee that the applicant will qualify for admission. The LACDA will consider such circumstances in light of:

The applicant's ability to substantiate through verification the claim of mitigating circumstances and his/her prospects for improved future behavior; and the applicant's overall performance with respect to all the screening requirements.

D. QUALIFIED AND UNQUALIFIED APPLICANTS

Information which has been verified by the LACDA will be analyzed and a determination will be made with respect to:

The eligibility of the applicant as a family;

The eligibility of the applicant with respect to income limits for admission; and

The eligibility of the applicant with respect to citizenship or eligible immigration status.

Assistance to a family may not be delayed, denied or terminated on the basis of the family's ineligible immigration status unless and until the family completes all the verification and appeals processes to which they are entitled under both United States Citizenship and Immigration Services (USCIS) and LACDA procedures, except for a pending LACDA hearing.

Applicants who are determined to be unqualified for admission will be promptly notified with a Notice of Denial of Admission stating the reason for the denial. The LACDA shall provide applicants the opportunity for an informal hearing (see chapter titled "Grievances and Appeals").

The LACDA will make every effort to accurately estimate an approximate date of occupancy. However, the date given by the LACDA does not mean that applicants should expect to be housed by that date. The availability of a suitable unit to offer a family is contingent upon factors not directly controlled by the LACDA, such as turnover rates, and market demands as they affect bedroom sizes and development location.

E. DOCUMENTATION OF FINDINGS

An authorized representative of the LACDA shall document any pertinent information received relative to the following:

Criminal Activity—includes the activities listed in the definition of criminal activity in this chapter.

Pattern of Violent Behavior—includes evidence of repeated acts of violence on the part of an individual, or a pattern of conduct constituting a danger to peaceful occupancy of neighbors.

Pattern of Drug Use—includes a determination by the LACDA that the applicant has exhibited a pattern of illegal use of a controlled substance which might interfere with the health, safety, or right to peaceful enjoyment of the premises by other residents.

Drug-Related Criminal Activity—includes a determination by the LACDA that the applicant has been involved in the illegal manufacture, sale, distribution, use or possession of a controlled substance.

Pattern of Alcohol Abuse—includes a determination by the LACDA that the applicant's pattern of alcohol abuse might interfere with the health, safety or right to peaceful enjoyment of the premises by other residents.

Initiating Threats—or behaving in a manner indicating an intent to assault employees or other residents.

Abandonment of a Public Housing Unit without advising LACDA officials so that staff may secure the unit and protect its property from vandalism.

Non-Payment of Rightful Obligations—including rent and/or utilities and other charges owed to the LACDA or other Housing Authority.

Falsifying an Application for Leasing—providing false information about family income and size, using an alias on the application for housing, or making any other material false statement or omission intended to mislead.

Record of Serious Disturbances of Neighbors, Destruction of Property or Other Disruptive or Dangerous Behavior—consists of patterns of behavior that endanger the life, safety, or welfare of other persons by physical violence, gross negligence or irresponsibility; that damage the equipment or premises in which the applicant resides; or that are seriously disturbing to neighbors or disrupt sound family and community life, indicating the applicant’s inability to adapt to living in a multi-family setting. Includes judicial termination of tenancy in previous housing on the grounds of nuisance or objectionable conduct, or frequent loud parties that have resulted in serious disturbances of neighbors.

Grossly Unsanitary or Hazardous Housekeeping—includes the creation of a fire hazard through acts such as hoarding; severe damages to premises and equipment, if it is established that the family is responsible for the condition; seriously affecting neighbors by causing infestation, foul odors, depositing garbage in halls; or serious neglect of the premises. This category does not include families whose housekeeping is found to be superficially unclean or due to lack of orderliness, where such conditions do not create a problem for neighbors.

Destruction of Property from previous rentals.

Whether Applicant or Resident Is Capable of Maintaining the Responsibilities of Tenancy
In the case of applicants for admission, the person’s present living arrangements and a statement obtained from applicant’s physician, social worker, or other health professional will be among factors considered in making this determination. The availability of a live-in aide will be considered in making this determination.

In the event of the receipt of unfavorable information with respect to an applicant, consideration shall be given to the time, nature, and extent of the applicant’s conduct and to factors that might indicate a reasonable probability of favorable future conduct or financial prospects. However, this does not preclude the LACDA from rescinding a determination of an applicant’s eligibility and suitability should the receipt of unfavorable information, and/or the discovery of falsified information, occur after the LACDA has concluded its screening process.

F. PROHIBITED CRITERIA FOR DENIAL OF ADMISSION

The LACDA shall not reject an applicant on the basis that such applicant:

- Has no income;
- Is not employed;
- Does not participate in a job-training program;
- Will not apply for public assistance or benefit programs;
- Has a child (or children);
- Has children born out of wedlock;

Is on welfare;

Is a student;

On the basis of race, color, religion, sex, gender, gender identity and expression, family status (including children under the age of 18 living with parents or legal custodians; pregnant women and people securing custody of children under 18), national origin, marital status, ancestry, age, sexual orientation, disability, medical condition, source of income, genetic information, military and veteran status, arbitrary characteristics, or any other basis prohibited by law;

Is or had been a victim of domestic violence, dating violence, sexual assault or stalking if the applicant otherwise qualifies for assistance or admission, and that nothing in this section shall be construed to supersede any provision of any Federal, State, or local law that provide greater protection than this section for victims of domestic violence, dating violence, sexual assault or stalking.

Chapter 3

APPLICATIONS AND MANAGEMENT OF THE SITE BASED WAITING LISTS

[24 CFR 5.400, 5.600, 960.201 through 960.208]

INTRODUCTION

The policy of the LACDA is to ensure that all families who express an interest in public housing assistance are given an equal opportunity to apply and are treated in a fair and consistent manner. This chapter describes the policies and procedures for entering new applications on up to thirteen site based waiting lists based on eligibility, opening and closing of the waiting lists, determining essential applicant information for waiting list placement, administering preferences, and removing applicants from a waiting list. The LACDA maintains thirteen separate waiting lists, with seven of those waiting lists designated as Elderly-Only housing developments.

A. ENTERING NEW APPLICANTS ON A WAITING LIST

Applicants interested in public housing may call the LACDA's application phone line to submit an application to be placed on up to thirteen waiting lists (contingent upon unit size required and other eligibility requirements as set forth below) or apply online at www.lacda.org. Upon a request from a person with a disability, the LACDA will make the waiting list application available in an accessible format. The LACDA provides a full listing of the locations of accessible units and their features on the LACDA website and a "Notice to Applicants and Residents with Disabilities of the LACDA's Policy Regarding Reasonable Accommodations and Reasonable Modifications". The Notice provides the applicants and residents with their rights to and procedures to request a reasonable accommodation and/or reasonable modification.

Current public housing residents are prohibited from reapplying and placing their name on any of the thirteen waiting lists.

The LACDA maintains thirteen separate waiting lists:

East County Family
Quartz Hill Family
Harbor Hills Family
Santa Monica Family
South Scattered Sites Family

B. PROCEDURES FOR INITIAL APPLICATION TO A WAITING LIST

The purpose of the initial application is to permit the LACDA to determine placement on the waiting lists. At the time of the application intake, whether through the application line or website, the LACDA will obtain the following information:

- Name, address and social security number of the head of household;
- Name and social security number of any co-head, spouse/marital-type partner;
- Name and social security number of each additional household member;
- Date and time of application;
- Amount and source of annual income;
- Information regarding request for reasonable accommodation or a need for an accessible unit with specific features.
- Employment address.

The LACDA requires that applicants inform the LACDA of changes in family composition and address within 30 calendar days of the occurrence. The LACDA also requires that applicants respond to requests from the LACDA to update information on their application, or to determine their continued interest for assistance.

Initial application and placement on the waiting list

If the head of household/co-head and/or spouse/marital-type partner no longer need housing assistance, or are deceased, their application and placement on the waiting list will be immediately forfeited and cannot be transferred to any other family member or person.

Multiple families in the same household

When families apply that consist of two families living together, (such as a mother and father, and a daughter with their own husband or children), if they apply as a family unit, they will be treated as a family unit and will only be provided one unit if offered housing.

C. NOTIFICATION OF APPLICANT STATUS

Upon submission of the initial application, the LACDA will post on the online waiting list registration page the applicant's eligibility and waiting list(s) status.

Should the family be determined as ineligible, based on the information provided during the initial application, the LACDA will notify the family in writing (or in an accessible format upon request as a reasonable accommodation), state the reason(s), and inform them of their right to an informal hearing. Persons with disabilities may request to have an advocate attend the informal hearing as an accommodation. Refer to the chapter "Grievances and Appeals."

D. OPENING AND CLOSING OF A WAITING LIST

The LACDA, at its discretion, may restrict application intake, suspend application intake, and close waiting lists in whole or in part. The decision to close any of the thirteen waiting lists will be based on the number of applications available for a particular size and type of unit, and the ability of the LACDA to house an applicant in an appropriate units within a reasonable period of time.

The LACDA will publicly announce the decision to close any of the thirteen waiting lists and/or restrict intake through public notice in local newspaper publications, media entities, and social service agencies. The public notice will contain the date and time when the LACDA will close a waiting list. Generally, the LACDA will give at least ten days' notice prior to closing any of the thirteen site based waiting lists. Furthermore, during the period when a waiting list is closed, the LACDA will not maintain a list of individuals who wish to be notified when a waiting list is open.

Upon a reasonable accommodation request from a person with a disability, an accommodation may be granted such as additional time for submission of an application after the closing deadline. An individual may request a reasonable accommodation at any time.

Opening of a waiting list will be announced in the same manner as closing of a waiting list. This notice will be made in an accessible format if requested. It will provide potential applicants with information that includes the LACDA address and telephone number, how to submit an application, and information on eligibility requirements.

Unless a waiting list is closed, the LACDA will accept an application, even if the LACDA believes that the applicant is probably not eligible. If an applicant would like to be removed from a waiting list they selected, the applicant must submit a request in writing and submit this request prior to being selected from a specific waiting list.

E. REMOVAL FROM A WAITING LIST AND PURGING

Purging of a waiting list

A waiting list may be purged at least once a year by a mailing to all applicants to ensure that the waiting list is current and accurate. The mailing will request for current information and confirmation of continued interest in the program. Notices will be made available in an accessible format upon the request of a person with a disability.

Should an applicant fail to respond within ten calendar days s/he will be removed from all applicant selected waiting lists. If a letter is returned by the Post Office with a forwarding address, it will be considered as 'returned undeliverable' and the applicant will be subject to removal from all selected waiting lists. An extension to reply to the purge notification will be considered as a reasonable accommodation if requested by a person with a disability. The LACDA will also consider as an accommodation the reinstatement of an applicant who did not respond in the timeframe described above because of a verified reason connected to a disability.

Granting a request for re-instatement by applicants removed from all selected waiting lists due to

their failure to respond will be at the discretion of the LACDA in consideration of factors such as:

- A verified family/health/work emergency;
- The applicant failed to respond to a request for information or updates because of a family member's disability;
- The applicant can provide verification or attest they were homeless at the time of the mailing;
- The applicant can verify a mail delivery problem;
- The applicant failed to respond to a request for information due to the applicant's status as a victim of domestic violence, dating violence, sexual assault or stalking.

Periodically, applicants will call to check their status on the waiting list and learn that they have been purged from the waiting list. In extenuating circumstances, such as those listed above, the applicant may be reinstated. However, the applicant must be able to provide documentation of the circumstances. Such requests will be reviewed and decided on a case-by-case basis by the LACDA.

In addition, the LACDA will remove applicants from all applicant selected public housing waiting lists once they have been housed, have requested in writing that their names be removed, have not responded to the LACDA's request for information, have not met the eligibility/suitability screening criteria, or they have refused an offer of housing without good cause (24 CFR 960.206).

Applicants who are denied (because the LACDA determined they were ineligible/unsuitable) are entitled to an informal hearing. Please refer to chapter 14 "Grievances and Appeals."

F. WAITING LIST PREFERENCES

A preference is not an automatic guarantee of admission to the program. Preferences are used to establish the order of placement on the waiting lists. Every applicant must meet the LACDA's Selection Criteria as defined in this policy.

The LACDA's preference system will work in combination with requirements to match the characteristics of the family to the type of unit available, including units with targeted populations, and further de-concentration of poverty in public housing. When such matching is required or permitted by current law, the LACDA will give preference to qualified families.

Families who reach the top of a waiting list will be contacted by the LACDA to verify their preference and, if verified, the LACDA will complete a full application for occupancy. Applicants may not retain their preference status on a waiting list if upon verification of their preference, it is deemed invalid. Furthermore, applicants will be cancelled if they fail to complete the application process.

Among applicants with equal preference status, waiting lists will be organized according to date

and time of application.

Local Preferences

Local preferences will be used to select among applicants on a waiting list. A public notice with opportunity for public comment will be held before the LACDA adopts or changes any local preference.

The notice will be distributed following the same guidelines as those used for opening or closing a waiting list.

General Occupancy Housing Developments

The LACDA has established the following local admissions preferences for general occupancy housing developments:

In accordance with the State of California Health and Safety Code section 34322.2, the LACDA gives priority to families of veterans and servicepersons including the spouse/marital-type partner of a deceased veteran or serviceperson, within each of the admissions preference categories below.

First Preference: Homeless

Homeless Families and Victims of Domestic Violence:

The LACDA provides a countywide waiting list preference for homeless families. The preference is limited to 30% of the number of vacant general occupancy public housing units available on July 1 of each fiscal year. The family must consist of two (2) or more persons with one (1) member being under the age of 18 or be a single elderly and/or disabled person. Victims of domestic violence, dating violence, sexual assault or stalking receive the same admissions preference as homeless families.

For the family properties located specifically in the South Los Angeles County area, the LACDA provides an expanded waiting list homeless preference by first offering any unit that becomes available to a homeless family.

To qualify for this preference, homeless families must be referred by a Joint Powers Authority (JPA), County agencies or Community Based Organizations (CBOs) with a contract or Memorandum of Understanding (MOU) in place with the LACDA. Additionally, the LACDA will require partner agencies to use a Coordinated Access System for homeless referrals. The referring agency must provide a certification of the family's homeless status.

Transitional Aged Youth (TAY):

The LACDA provides a homeless preference to TAY. This preference is limited to 3 households per housing development at Carmelitos, Harbor Hills, and Nueva Maravilla, where on-site services are available to ensure that case management will

continue to be provided. In order to qualify for the TAY, the applicant must be referred to the LACDA by a JPA, County agencies or CBO with a contract or MOU in place with the LACDA. Additionally, the LACDA will require partner agencies to use a Coordinated Access System for homeless referrals.

Second Preference: Families that have been displaced by a natural disaster declared by the President of the United States or through a governmental action.

Third Preference: Families who live and/or work in unincorporated Los Angeles County.

Fourth Preference: Families that do not live or work in unincorporated Los Angeles County.

Elderly Families Housing Developments

The LACDA has established the following local admissions preferences for elderly-only housing developments:

In accordance with the State of California Health and Safety Code section 34322.2, the LACDA gives priority to families of veterans and servicepersons including the spouse/marital-type partner of a deceased veteran or serviceperson, within each of the admissions preference categories below.

First Preference: For the Carmelitos and Nueva Maravilla “Rosas” senior designated properties, 25% of anticipated annual vacancies will be offered to homeless elderly families. Elderly families must be referred by a partnering agency with a contract or MOU in place with the LACDA. The referring agency must provide a certification of the elderly family’s homeless status. An elderly family is a household whose head, co-head, spouse, or sole member is a person who is at least 62 years of age. It may include two or more persons who are at least 62 years of age living together, or one or more persons who are at least 62 years of age living with one or more live-in aides.

Second Preference: Elderly Families that live and/or work in unincorporated Los Angeles County.

Third Preference: Elderly Families who do not live and/or work in unincorporated Los Angeles County.

The LACDA has an MOU with the Long Beach Housing Authority to permit residents of the City of Long Beach to be classified as in-jurisdiction applicants for housing at the Carmelitos Public Housing development only. Once the LACDA provides public housing assistance to a City of Long Beach resident at the Carmelitos Public Housing development, the resident must abide by and is governed by all policies in the LACDA’s Admissions and Continued Occupancy Policy, Public Housing Lease Agreement (“Lease”), any Lease addendums and any other Public Housing rules and policies. Additionally, these residents are eligible to transfer to any other Public Housing development owned by the LACDA. Approval of a transfer request is delineated in Chapter 7 “Transfer Policy”.

G. FACTORS OTHER THAN PREFERENCES THAT AFFECT SELECTION OF APPLICANTS

Before applying its preference system, the LACDA will first match the characteristics of the available unit to the applicants available on a specific waiting list. Factors such as unit size, accessible features, de-concentration or income mixing, income targeting, or units in housing designated for the elderly and/or disabled limit the admission of families to those characteristics that match the characteristics and features of the vacant unit available.

By matching unit and family characteristics, it is possible that families who are lower on the waiting list may receive an offer of housing ahead of families with an earlier date and time of application

A family that is disabled and requires specific accessible features, will be prioritized for vacant ADA units ahead of a family that is non-disabled.

H. INCOME TARGETING

The LACDA will monitor its admissions to ensure that at least 40% of families admitted to public housing in each fiscal year shall have incomes that do not exceed 30% of area median income of the LACDA's jurisdiction.

The LACDA shall, at its discretion, at least annually, exercise the "fungibility" provision of QHWRA by admitting less than 40% of "extremely low income families" to public housing in a fiscal year, to the extent that the LACDA has provided more than 75% of newly available Section 8 Housing Choice Vouchers to "extremely low income families." This fungibility provision discretion by the LACDA is also reflected in the LACDA's Section 8 Administrative Plan.

The fungibility credits will be used to drop the annual requirement below 40% of admissions to public housing for extremely low income families by the lowest of the following amounts:

The number of units equal to 10% of the number of newly available vouchers in the fiscal year; or

The number of public housing units that 1) are in public housing developments located in census tracts having a poverty rate of 30% or more, and 2) are made available for occupancy by and actually occupied in that year by, families other than extremely low-income families.

The Fungibility Floor: Regardless of the above two amounts, in a fiscal year, at least 30% of the LACDA's admissions to public housing will be for extremely low-income families. The fungibility floor is the number of units that cause the LACDA's overall requirement for housing extremely low-income families to drop to 30% of its newly available units.

I. UNITS DESIGNATED FOR THE ELDERLY

The LACDA submitted an Allocation Plan as required by the 1992 Housing Act to designate specific units or sites for elderly applicants only. HUD approved the designation of twelve Public Housing developments as Elderly-Only (all household members must be 62 years of age or older). In accordance with the 1992 Housing Act, elderly families will receive a preference for admission to these twelve Elderly-Only housing developments. If there is a shortage of Elderly-Only applicants, the LACDA has the option to house near-elderly families (ages fifty to sixty-one years of age).

HUD approved the senior designation of the housing developments listed below on August 27, 2013. A non-elderly resident (61 years or younger) living at any of the Elderly-Only housing developments listed below prior to August 27, 2013, is “grandfathered” in and allowed to remain at the property. If a resident living at a Senior Only housing development requests to add a new household member to their Lease after August 27, 2013, the new household member must be 62 years or older.

J. UNITS DESIGNATED FOR THE DISABLED

The LACDA may elect at some future time to submit an Allocation Plan as required by the 1992 Housing Act to designate specific units or sites for disabled applicants only. In accordance with the 1992 Housing Act, disabled families with a head of household/co-head and/or spouse/marital-type partner or sole member who qualifies as a person with disabilities as defined in 24 CFR

945.105 will receive a preference for admission to units that are covered by a HUD-approved Allocation Plan.

K. GENERAL OCCUPANCY UNITS

General occupancy units are designed to house all populations of eligible families. In accordance with the LACDA's occupancy standards, eligible families will be admitted to the LACDA's general occupancy units.

The LACDA will use its local preference system as stated in this chapter for admission of eligible families to its general occupancy units.

L. DECONCENTRATION OF POVERTY AND INCOME MIXING

The LACDA's admission policy is designed to provide for de-concentration of poverty and income-mixing by bringing higher income residents into lower income developments and lower income residents into higher income developments.

A resident's gross annual income is used to determine income limits at admission and for income-mixing purposes.

De-concentration and Income-Mixing Goals

The LACDA's de-concentration and income-mixing goal, in conjunction with the requirement to target at least 40 percent of new admissions to public housing in each fiscal year to "extremely low-income families," will be to admit higher income families to lower income developments, and lower income families to higher income developments.

De-concentration will apply to transfer families as well as applicant families.

Development Designation Methodology

The LACDA will determine on an annual basis the average income of all families residing in general occupancy developments.

The LACDA will then determine whether each general occupancy development falls above, within, or below the Established Income Range (EIR).

The EIR is 85 percent to 115 percent (inclusive of 85 percent and 115 percent) of the LACDA-wide average income for general occupancy developments.

The LACDA will then determine whether or not developments outside the EIR are consistent with local goals and strategies in the LACDA Agency Plan.

The LACDA may explain or justify the income profile for these developments as being consistent with and furthering two sets of goals:

1. Goals of de-concentration of poverty and income mixing (bringing higher income residents

into lower income developments and vice versa); and

2. Local goals and strategies contained in the LACDA's Agency Plan.

De-concentration Policy

If, at annual review, there are found to be development(s) with average income above or below the EIR, and where the income profile for a general occupancy development above or below the EIR is not explained or justified in the Agency Plan, the LACDA shall adhere to the following policy for de-concentration of poverty and income mixing in applicable developments.

Skipping a family on any of the thirteen waiting lists to reach another family in an effort to further the goals of the LACDA's de-concentration policy:

If a unit becomes available at a development below the EIR, the first eligible family on a waiting list with income above the EIR will be offered the unit. If that family refuses the unit, the next eligible family on the waiting list with income above the EIR will be offered the unit. The process will continue in this order. For the available unit at the development below the EIR, if there is no family on the waiting list with income above the EIR, or no family with income above the EIR accepts the offer, then the unit will be offered to the next family regardless of income.

If a unit becomes available at a development above the EIR, the first eligible family on the waiting list with income below the EIR will be offered the unit. If that family refuses the unit, the next eligible family on the waiting list with income below the EIR will be offered the unit. The process will continue in this order. For the available unit at the development above the EIR, if there is no family on the waiting list with income below the EIR, or no family with income below the EIR accepts the offer, then the unit will be offered to the next family regardless of income.

Skipping of families for de-concentration purposes will be applied uniformly to all families.

A family has the sole discretion whether to accept an offer of a unit made under the LACDA's de-concentration policy. The LACDA shall not take any adverse action toward any eligible family for choosing not to accept an offer of a unit under this de-concentration policy. However, the LACDA shall uniformly limit the number of offers received by applicants, described in this Chapter.

The LACDA provides a waiting list preference to homeless families referred by the agencies listed in this Chapter. Only the veteran/serviceperson and homeless preferences can override de-concentration and income mixing policies.

If the average incomes of all general occupancy developments are within the Established Income Range, the LACDA will be considered to be in compliance with the de-concentration agreement.

Nothing in the de-concentration policy relieves the LACDA of the obligation to meet the income targeting requirements.

LACDA Incentives for Higher Income Families

The LACDA may offer certain incentives to families with incomes above the EIR willing to move into a development with average income below the EIR.

M. PROMOTION OF INTEGRATION

Beyond the basic requirement of nondiscrimination, LACDA shall affirmatively further fair housing to reduce racial and national origin concentrations.

The LACDA shall not require any specific income or racial quotas for any development or developments.

The LACDA shall not assign persons to a particular section of a community or to a development or building based on race, color, religion, sex, gender, gender identity and expression, family status (including children under the age of 18 living with parents or legal custodians; pregnant women and people securing custody of children under 18), national origin, marital status, ancestry, age, sexual orientation, disability, medical condition, source of income, genetic information, military and veteran status, arbitrary characteristics, or any other basis prohibited by law for purposes of segregating populations.

N. VERIFICATION OF PREFERENCE QUALIFICATION

A family's placement on any one of the thirteen waiting lists is based upon whether the family qualifies for an admissions preference. When a family is selected from one of the waiting lists during the final determination of eligibility, the LACDA shall verify the preference.

If the preference verification indicates that the family did not qualify for an admissions preference at the time of selection, the family will be returned to the waiting list and ranked without regard for a local preference and given an opportunity for a review.

Change in Circumstances

Changes in applicant's circumstances while on any of the thirteen waiting lists may affect the family's entitlement to a preference. Applicants are required to notify the LACDA in writing when their circumstances change within 30 calendar days of the occurrence. When an applicant claims an additional preference, s/he will be placed on a waiting list in the proper order of their newly claimed preference.

O. PREFERENCE DENIAL

If the LACDA denies a preference, the LACDA will notify the applicant in writing of the reasons why the preference was denied and offer the applicant an opportunity for an informal hearing. The applicant will have ten calendar days to request the hearing in writing. If the preference denial is upheld as a result of the hearing, or the applicant does not request a hearing, the applicant will be placed on the waiting list without benefit of the preference. Applicants may exercise other rights if they believe they have been discriminated against by the LACDA.

P. COMPLETION OF A FULL APPLICATION

The LACDA utilizes the full application form to obtain information related to applicant's eligibility, preferences, and tenant history. Applicants who fail to complete the full application will be cancelled from any of the thirteen waiting lists the applicant selected.

Reasonable accommodation(s) will be made for persons with a disability that may include: providing materials in formats requested by applicants, allowing applicants to be represented by a family member, advocate, or case worker designated by the applicant, completing paperwork at a site other than the LACDA administrative office for applicants who cannot come to the office for a reason connected to their disability, granting extended time for responses to persons who cannot respond within the established timeframes because of a disability and reinstating applicants who do not respond within established timeframes due to a verified reason connected to a disability.

Preferences are based on an applicant's current status and shall be verified during the eligibility review, regardless of the length of time an applicant may have been on a specific waiting list. The preference must exist at the time the LACDA initiates verification of applicant information. The LACDA shall conduct Third Party Verification (TPV) of eligibility and preference at the time the LACDA initiates the eligibility review.

Additionally, the LACDA shall provide the applicant with the opportunity to complete information on Form HUD-92006, "Supplement to Application for Federally Assisted Housing". The forms gives applicants the option to identify an individual or organization that the LACDA may contact and the reason(s) the individual may be contacted. The applicant must sign and date Form HUD-92006, if the applicant elects to provide the additional contact information. The LACDA shall not require any individual or family applying for occupancy to provide the contact information as providing contact information is optional on the part of the individual or family. The LACDA shall also provide applicants the opportunity at the time of admission to update, remove or change contact information provided at the time of application. An applicant may provide Form HUD-92006 for each contact, indicating the reason the LACDA may contact the individual or organization. Those applicants who choose not to provide the contact information must check the box indicating that they "choose not to provide the contact information" and sign and date the form.

Q. PROCESSING FULL APPLICATIONS

The LACDA will verify for the following items to determine qualification for admission to the LACDA's public housing program:

- Preference(s)
- Family composition and type (elderly/non-elderly)
- Annual income
- Assets and Asset Income
- Deductions from Annual Income
- Social Security Numbers for all family members
- Information used in applicant screening
- Citizenship or eligible immigration status

- Criminal history
- Rental history
- School enrollment (for all household members attending school)

If the LACDA determines that additional information or document(s) are needed, the LACDA will request the document(s) or information in writing. The applicant will be given ten calendar days to supply the information. Should this information not be supplied within the timeframe, the LACDA will provide the applicant a notification of cancellation for assistance. Before the LACDA makes a final determination for qualification for admissions to the LACDA's Public Housing program, all adult family members must attend an interview conducted by the LACDA. Exceptions may be made for adult students attending school out of state or for members for whom attendance would be a hardship.

The LACDA only transfers Head of Household status to persons listed on the waiting list or application as Spouse or Co-Head under the following circumstances:

- In the event of the death of the Head of Household, a person already listed as the Spouse or Co-Head on the waiting list or application may request a change of the Head of Household status by submitting a signed, written request along with a copy of the death certificate of the original Head of Household.
- In all other cases (including, but not limited to divorce, separation, abandonment, medical incapacity), the Head of Household status will be changed only when the original Head of Household submits to the LACDA a written release of the application to the Spouse or Co-Head, or if the Spouse or Co-Head requesting the transfer of Head of Household status submits to the LACDA legal documentation of his/her right to the application.

R. FINAL DETERMINATION AND NOTIFICATION OF ELIGIBILITY

After the verification process is completed, the LACDA shall make a final determination of eligibility based upon information provided by the family, the verification conducted by the LACDA, and determination of resident suitability (refer to chapter on Eligibility for Admission).

A final eligibility determination is needed since rules and regulations governing the housing program are subject to change by HUD and/or applicants may have experienced a change in circumstance(s) during the review process that may affect their eligibility.

The applicant is not actually eligible for a unit offer until this final determination has been made, even though they may have been preliminarily determined eligible and have been placed on the waiting list. Additionally, applicants have a continuing obligation to provide material information to the LACDA within 30 calendar days of the occurrence.

S. PLAN FOR UNIT OFFERS

The LACDA plan for selection of applicants and assignment of dwelling units will assure equal opportunity and non-discrimination on grounds of race, color, religion, sex, gender, gender identity and expression, family status (including children under the age of 18 living with parents or legal custodians; pregnant women and people securing custody of children under 18), national origin,

marital status, ancestry, age, sexual orientation, disability, medical condition, source of income, genetic information, military and veteran status, arbitrary characteristics, or any other basis prohibited by law. The LACDA plan for selection is based on how many available units of suitable size and type within each of the thirteen waiting lists are available. This plan is also based on the distribution of vacancies within each of the thirteen waiting lists.

The applicant will be offered a unit in the location with the oldest vacancy within the thirteen waiting lists selected by the applicant. If the offer is rejected, the LACDA will cancel the applicant. The LACDA will proceed to remove the applicant's name from all of the waiting lists selected. Removal from all selected waiting lists means the applicant must reapply.

If more than one unit of the appropriate type and size is available within a waiting list, the first unit to be offered will be the first unit that is ready for occupancy.

The LACDA will maintain a record of units offered, including location, date and circumstances of each offer, each acceptance or rejection, including the reason for the rejection.

T. CHANGES PRIOR TO UNIT OFFER

Changes that occur during the period between removal from a waiting list and an offer of a suitable unit may affect the family's eligibility or Total Resident Payment. The family will be notified in writing of changes in their eligibility or level of benefits and offered their right to an informal hearing when applicable. (See chapter on Grievances and Appeals.)

U. OFFER OF ACCESSIBLE UNITS

The LACDA has units designed for persons with mobility, sight and hearing impairments, referred to as accessible units.

No non-mobility impaired families will be offered these units until all eligible mobility-impaired applicants have been considered.

Before offering a vacant accessible unit to a non-disabled applicant, the LACDA will offer such units:

First, to a current occupant of another unit of the same development, or other public housing developments under the LACDA's control, who has a disability that requires the special features of the vacant unit.

Second, to an eligible qualified applicant on a specific waiting list having a disability that requires the special features of the vacant unit.

Public Housing Lease Agreement Addendum Requirement

When offering an accessible/adaptable unit to a non-disabled applicant, the LACDA will require the applicant to sign a Public Housing Lease Agreement Addendum that certifies that the applicant will relocate after receiving a thirty (30) day written notice to the first available vacant unit of appropriate size, at the same or comparable housing development site, should the modified unit be

required for an eligible disabled family. Residents must return the keys to their old unit within five calendar days of the date the transfer offer was made. If the transfer is to another housing development, and the resident does not return the keys to their old unit, the sending development, in addition to billing the resident, will also notify the receiving development of the resident's outstanding balance. Failure to pay outstanding charges to the LACDA is a material breach of the Lease Agreement and the resident will be subject to termination of their tenancy.

V. TIME LIMIT FOR ACCEPTANCE OF UNIT

Applicants must accept any unit offer made within three calendar days of the date the offer is made. At the LACDA's discretion or for ADA accommodations, the LACDA may extend the timeframe to accept or reject a unit offer. Offers made over the telephone will be confirmed in writing by the LACDA. If the LACDA is unable to contact an applicant by telephone, the LACDA will write to the applicant to inform him/her of the unit offer.

W. APPLICANT STATUS AFTER FINAL UNIT OFFER

When an applicant rejects the one unit offer, the LACDA will remove the applicants name from all selected waiting list(s).

X. REQUIREMENT TO ATTEND INTERVIEW

The LACDA utilizes the interview session to discuss the family's circumstances in greater detail, to clarify information which has been provided by the family, and to ensure such information is complete. Families are also given information on LACDA services or programs that may be available.

All adult family members must attend the interview. Exceptions may be made for adult students attending school out of state or for members for whom attendance would be a hardship.

It is the applicant's responsibility to reschedule the interview and call the LACDA within 5 business days if s/he misses the appointment. If the applicant does not reschedule or misses two scheduled meeting(s), the LACDA will not provide housing.

Reasonable accommodation will be made for persons with a disability that requires an advocate or accessible offices. A designee will be allowed to provide some information, but only with permission of the person with a disability.

At the time of the interview, all adult members will be required to sign the House Rules, Lease Agreement and other documents required by the LACDA. Failure to sign any required documents will be cause for denial of housing.

If the LACDA determines at or after the interview that additional information or document(s) are needed, the LACDA will request the document(s) or information in a legible written format. An applicant may request to submit the required requested document(s) or information in an alternative format. The family will be given ten calendar days to supply the information.

If the information is not supplied in this time period, the LACDA will provide the family a notification of denial for assistance. (See Chapter on Grievances and Appeals.)

Y. APPLICANTS UNABLE TO TAKE OCCUPANCY

If an applicant is willing to accept the unit offered, but is unable to take occupancy at the time of the offer for “good cause,” the applicant will not be removed from the waiting list.

Examples of “good cause” reasons for the refusal to take occupancy of a housing unit include, but are not limited to:

Applicant needs to provide adequate notice to their current landlord of the termination of their lease;

Unit is not of the proper size and type, and the applicant would be able to reside there only temporarily;

Unit contains lead-based paint, and accepting the offer could result in subjecting the applicant’s children under seven (7) years of age to lead-based paint poisoning;

An elderly or disabled family makes the decision not to occupy or accept occupancy in designated housing; [24 CFR 945.303(d)];

A qualified, knowledgeable, health professional verifies the temporary hospitalization or recovery from illness of the principal household member, other household members, or a live-in aide necessary to care for the principal household member;

The unit is inappropriate for the applicant’s disabilities.

Chapter 4

DWELLING UNIT OCCUPANCY STANDARDS

INTRODUCTION

This Chapter states the LACDA Occupancy Standards used to determine the appropriate type development and unit size for families, based on the following guidelines.

A. DETERMINING UNIT SIZE

GUIDELINES FOR DETERMINING BEDROOM SIZE

Bedroom Size	Persons in Household: Minimum #	Persons in Household: Maximum #
0 Bedroom	1	2
1 Bedroom	1	3
2 Bedrooms	2	5
3 Bedrooms	3	7
4 Bedrooms	4	9
5 Bedrooms	5	11

The living room may be used as a bedroom at the request of the family and the approval of the LACDA. Additionally, a family member who is away at school but lives with the family during school recesses or the military may be included in determining unit size.

All guidelines in this section relate to the number of bedrooms in the unit. Dwelling units will be so assigned that:

Generally the LACDA will assign one bedroom to two people within the following guidelines:

A minimum of one person per bedroom.

Foster children will be included in determining unit size.

Live-in aides will generally be provided a separate bedroom. No additional bedrooms are provided for the attendant's family.

The LACDA may offer a family a unit that is larger than required by LACDA's occupancy standards.

All members of the family residing in the unit must be approved by the LACDA. The family must obtain approval of any additional family member before the person occupies the unit except for additions by birth, adoption, court-awarded custody and/or of a minor child approved by a social service agency (i.e. DPSS, DCFS, etc.), in which case the family must inform the LACDA within ten calendar days in a legible written format. An applicant may request to inform the LACDA in an alternative format.

The temporary absence of a child from the home due to placement in foster care may be considered in determining family composition and family size, which will be considered in determining bedroom size.

B. EXCEPTIONS TO OCCUPANCY STANDARDS

Person with Disability

The LACDA will grant an exception upon request as a reasonable accommodation for persons with disabilities if the need is appropriately verified [* and meets requirements in the "Reasonable Accommodations and Reasonable Modifications" section of Chapter 1].

Accessible units will be offered to non-mobility impaired applicants only with the understanding that such applicants must accept a transfer to a non-accessible unit at a later date if a person with a mobility impairment requiring the unit applies for housing and is determined eligible. Refer to Chapter 3 Section U "Offer of Accessible Units".

Other Circumstances

Circumstances may dictate a larger size than the occupancy standards permit when:

As a reasonable accommodation.

Persons cannot share a bedroom because of a need for medical equipment due to its size and/or function. Verification from a doctor must accompany requests for a larger bedroom to accommodate medical equipment.

Requests based on health related reasons must be verified by a doctor.

The LACDA will grant exceptions from the guidelines in cases where it is the family's request or the LACDA determines the exceptions are justified by the relationship, age, sex, health or disability of family members, or other individual circumstances, and there is a vacant unit available. If an applicant requests to be listed on a smaller or larger bedroom size waiting list, the following guidelines will apply.

Applicants may request to be placed on any of the thirteen waiting lists for a unit size smaller than designated by the occupancy guidelines, (as long as the unit is not overcrowded according to local codes). The family must agree not to request a transfer until they have been admitted and have occupied the unit for 18 months.

The family may request to be placed on a larger bedroom size waiting list than indicated by the LACDA's occupancy guidelines. The request must explain the need or justification for a larger bedroom size, and must be verified by the LACDA before the family is placed on the larger bedroom size waiting list.

In all cases, where the family requests an exception to the general occupancy standards, the LACDA will evaluate the relationship and ages of all family members and the overall size of the unit.

C. OCCUPANCY STANDARDS ARE APPLICABLE TO TRANSFERS

When a change in the circumstances of a resident family requires another unit size, if the unit is not available at the time it is requested, the family will be placed on the Transfer List.

The unit considerations in this section should be used as a guide to determine whether and when the bedroom size should be changed. If a situation occurs which is not currently covered in this policy, the case should be taken to the property manager who will make determination after review of the situation, the individual circumstances, and the verification provided.

D. OCCUPANCY BY POLICE OFFICERS

In order to provide an increased sense of security for public housing residents the LACDA will allow a public housing unit to be occupied by a police officer if needed.

Police officers will not be required to be income eligible to qualify for admission to the LACDA's public housing program.

Chapter 5

DETERMINATION OF TOTAL TENANT PAYMENT AND FAMILY CHOICE IN RENTS

[24 CFR 5.609, 5.611, 5.613, 5.615]

PART I: DETERMINATION OF TOTAL TENANT PAYMENT (TTP)

INTRODUCTION

The accurate calculation of Annual Income and Adjusted Income ensures that families are not paying more or less money for rent than their obligation under the regulations.

This chapter defines the allowable deductions from gross Annual Income and how the presence or absence of household members may affect the Total Tenant Payment (TTP). Income and TTP are calculated in accordance with 24 CFR Part 5, Subpart F and further instructions set forth in HUD Notices, Memoranda and Addenda. However, the QHWRA gives Public Housing Programs broader flexibility to define terms and to develop standards in order to assure consistent application of the various factors that relate to the determination of TTP.

A. MINIMUM RENT

The minimum rent for the LACDA is \$50. The minimum rent refers to a minimum total tenant payment and not a minimum tenant rent.

The Total Tenant Payment is the greater of:

30% of the adjusted monthly income

10% of the monthly gross income

The minimum rent as established by the LACDA

LACDA Procedures for Notification to Families of Hardship Exceptions

The LACDA will notify those participant families subject to a minimum rent of their right to request a minimum rent hardship exception under the law.

The LACDA will notify all families at the annual recertification appointment of their right to request a minimum rent hardship exception.

The LACDA notification will advise the family that hardship exception determinations are subject to LACDA grievance procedures.

The LACDA will review all resident requests for exception from the minimum rent due to financial hardships.

All requests for minimum rent exception are required to be in a legible written format. A resident may request as an accommodation to submit the document in an alternative format.

Requests for minimum rent exception must state the family circumstances that qualify the family for an exception.

Exceptions to Minimum Rent

The LACDA will immediately grant the minimum rent exception to all families who request it.

The minimum rent will be suspended until the LACDA determines whether the hardship is:

Covered by statute

Temporary or long-term

If the LACDA determines that the minimum rent is not covered by statute, the LACDA will impose a minimum rent including payment for minimum rent from the time of suspension.

HUD Criteria for Hardship Exception

In order for a family to qualify for a hardship exception the family's circumstances must fall into one of the following criteria:

The family has lost eligibility (for reasons other than failure to comply with program requirements and/or committing program fraud) or is awaiting an eligibility determination for Federal, State, or local assistance.

The family would be evicted as a result of the imposition of the minimum rent requirement.

The income of the family has decreased because of changed circumstances, including:

Loss of employment as defined whereby an individual is out of work due to no fault of their own;

Death of the Resident or other member of the Resident's household;

Other circumstances as determined by the LACDA or HUD

Temporary Hardship

If the LACDA determines that the hardship is temporary, a minimum rent will be imposed, including back payment from time of suspension, but the family will not be evicted for nonpayment of rent during the 90-day period commencing on the date of the family's request for exemption.

The LACDA defines temporary as less than 90 days.

Repayment Agreements for Temporary Hardship

The LACDA will offer a repayment agreement to the family for any such rent not paid during the temporary hardship period.

If the family owes the LACDA money for rent arrears incurred during the minimum rent period, the LACDA will require that the family pay an initial lump sum (in an amount determined by the LACDA) with the remaining balance to be repaid in equal payments over a period of time not to exceed 12 months under \$2400 or 24 months for any amount in excess of \$2400.

Minimum rent arrears that are less than \$50 will be required to be paid in full the first month following the end of the minimum rent period.

The LACDA's policies regarding repayment agreements are further discussed in the chapter entitled "Family Debts to the LACDA."

B. INCOME AND ALLOWANCES

The LACDA shall define income and allowances as the following:

"Income": The types of money that are to be used as income for the purposes of calculating the TTP are defined by HUD in federal regulations. In accordance with this definition, income from all sources of each member of the household is documented.

"Annual income" is defined as the gross amount of income anticipated to be received by the family during the 12 months after certification or recertification. "Gross income" is the amount of income prior to any HUD allowable expenses or deductions, and does not include income that has been excluded by HUD.

Annual income is used to determine whether or not applicants are within the applicable income limits. (24 CFR 5.607)

"Adjusted income" is defined as the annual income minus any HUD allowable deductions.

INCOME INCLUSIONS (24 CFR 5.609):

The LACDA considers the following to be included in the family's annual income, as required by HUD:

- The full amount before any payroll deductions, of wages and salaries, overtime pay, commissions fees, tips and bonuses, and other compensation for personal services.
- The net income from operation of a business or profession, including any withdrawal of cash or assets from the operation of the business. Expenditures for business expansion or amortization of capital indebtedness shall not be used as deductions in determining the net income from a business. An allowance for the straight line depreciation of assets used in a business or profession may be deducted as provided in IRS regulations. Withdrawals of cash or assets will not be considered

income when used to reimburse the family for cash or assets invested in the business.

- Interest, dividends, and other net income of any kind from real or personal property. Expenditures for amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for the straight line depreciation of real or personal property is permitted. Withdrawals of cash or assets will not be considered income when used to reimburse the family for cash or assets invested in the property.
- When the family has net family assets in excess of \$5,000, Annual Income shall include the greater of the actual income derived from all net family assets, or .81% of the value of such assets based on the current passbook savings rate, as annually determined by the LACDA. The passbook savings rate is based on the Federal Deposit Insurance Corporation (FDIC) national savings rate.
- The full amount of periodic payments received from Social Security, annuities, insurance policies, retirement funds, pensions, disability or death benefits, and other similar types of periodic receipts.
- Payments in lieu of earnings, such as unemployment and disability compensation, workers' compensation, and severance pay.
- All welfare assistance payments received by or on behalf of any family member. (24 CFR 913.106(b)(6) contains rules applicable to "as-paid" States).
- Periodic and determinable allowances, such as alimony and child care support payments, and regular cash contributions or gifts received from persons not residing in the dwelling.
- All regular pay, special pay and allowances of a member of the Armed Forces (except special pay to a family member serving the Armed Forces who is exposed to hostile fire).

INCOME EXCLUSIONS (24 CFR 5.609)

ALLOWABLE DEDUCTIONS

HUD has five allowable deductions from Annual Income which are verified per procedures delineated in Chapter 6:

1. Dependent allowance: \$480 each for family members (other than the head of household/co-head and/or spouse/marital-type partner), who are minors, and for family members who are 18 and older who are full-time students or who are disabled.
 - A. When more than one family residing in public housing shares custody of a child, only one family can claim the dependent deduction for that child. The family with primary custody or with custody at the time of the initial certification or annual recertification, receives the deduction. If there is a dispute regarding which family should claim the dependent deduction, the LACDA will refer to available documents such as copies of court orders or an IRS tax return verifying which family has claimed the child for income tax purposes.
 - B. Should a family member claiming the \$480 full-time student deduction not report to the LACDA a change in the student's full-time status prior to the annual recertification, the LACDA shall require verification of full-time enrollment status for the prior year to ensure that there was no underpayment of rent.
2. "Elderly" allowance: \$400 per household for families whose head of household/co-head and/or spouse/marital-type partner is 62 or over or disabled.
3. Allowable medical expenses for all family members are deducted for elderly and disabled families.
4. Childcare expenses for children under 13 are deducted when childcare is necessary to allow an adult member to work or attend school (including vocational training). This amount cannot exceed the income a family receives from working. It also cannot exceed the market rate for a day care provider in the area.
5. Expenses for attendant care or auxiliary apparatus for persons with disabilities if needed to enable the individual or an adult family member to work.
- C. **MEDICARE PRESCRIPTION DRUG PLAN- PART D PROGRAM (PIH 2005-37)**
 1. In calculating annual income for a family, the low-income subsidy received to assist low-income persons in paying for their Medicare prescription drug plan costs will be excluded as annual income for the purpose of calculating rent.
 2. The LACDA will include as a medical expense for the medical expenses deduction, the out-of-pocket expenses incurred for prescription drugs and premiums.

D. EARNED INCOME DISREGARD (EID)

EID refers to the income that a family member receives that is excluded as part of the household's annual income for rent computation. EID is applicable to an eligible adult resident, 18 years of age or older, who either begins earning income or earns additional income. The disallowance functions as an income exclusion where certain amounts of qualifying adults' verified income are not counted towards rent for a specified period.

The baseline income is the amount of the family member's income just prior to EID being triggered. It is this former income that establishes the baseline amount to be used in determining the amount to be excluded. The baseline for that family member will remain the same throughout the course of the EID.

EID Qualifying Requirements

EID is only available for households currently residing in public housing and who select the income based rent determination option. It is not applicable at admission. Only adults can qualify for EID (because the earnings of family members other than the head or spouse are excluded if the family member is under age 18). The benefit of EID is limited to a single lifetime period for each family member. No exclusion should be given after the lifetime limit has been reached. *EID is not available to non-citizens.*

The household must meet one of the following three categories listed below to qualify for EID:

1. Employment by a family member who was previously unemployed for one or more years prior to employment.

The HUD definition of "previously unemployed" includes a person who has earned in the previous 12 months no more than the equivalent earnings for working 10 hours per week for 50 weeks at the minimum wage. Minimum wage is the prevailing minimum wage in the State or locality.

2. An increase in income by a family member whose earnings increased during participation in an economic self-sufficiency or other job-training program.

An economic self-sufficiency program is any program designed to encourage, assist, train or facilitate economic independence of assisted families or to provide work for such families. Such programs may include job training, employment counseling, work placement, basic skills training, education, English proficiency, workfare, financial or household management, apprenticeship, or any other program necessary to ready a participant to work (such as substance abuse or mental health treatment).

Amounts to be excluded are any earned income increases of a family member during the self-sufficiency or job training program and not increases that occur after participation, unless the training provides assistance, training or mentoring after employment. The amount of TANF received in the six-month period includes monthly income and such benefits and services as one-time payments, wage subsidies and transportation assistance.

3. New employment or increased earning by a family member who has received TANF benefits or services within the past 6 months.
 - If TANF is received in the form of monetary maintenance, there is no minimum amount that must be received to be considered a participant in TANF.
 - If TANF is received in the form of one-time payments, wage subsidies and transportation assistance that add up to at least \$500 over a 6 month period.

EID is limited to 24 straight months and retains the single lifetime eligibility requirement for those residents on EID on or after July 1, 2016 (HUD PIH 2016-05). The two 12-calendar month periods run consecutively regardless of breaks in employment. There is no change in the EID eligibility requirements (reference the Qualifying Requirements for EID in Section D).

Initial Twelve-Month Exclusion:

During the initial 12-calendar month period beginning on the first day of the month following the effective date of the qualifying event, the LACDA will exclude from annual income any increase in income of the family member as a result of employment or increased earnings over the prior income of that family member (i.e. the family member's baseline income).

Second Twelve-Month/Phase-In Exclusion:

EID is limited to a single lifetime 24-consecutive calendar month period for each adult family member. Upon the expiration of the initial 12-calendar month period referred to above, during the second 12 month/phase in exclusion period, the LACDA will exclude from annual income 50 percent of any increase in earned income of such family member as a result of employment or increased income over the family member's income before the qualifying event (i.e., the family member's baseline income).

If the family member discontinues the employment that initially qualified the family for the EID, the 24-calendar month period continues. At the end of the 24-month period, the EID ends regardless of how many months of the initial 12 month full exclusion or the second 12 month phase-in exclusion were applied.

During the 24-consecutive calendar month period, EID benefits are recalculated based on changes to family member income and employment.

Tracking the Earned Income Exclusion

The earned income exclusion will be reported on the HUD 50058 form. Documentation will be maintained using a tracking system to ensure the correct application of the earned income and to document the reason for the reduced increase in rent.

The LACDA will maintain a tracking system in its software to ensure correct application of the full and phase-in exclusion periods for the earned income disallowance.

Family's Responsibility to Report Changes

The monthly rent will remain constant for the period between Regular Reviews, unless during such a period any of the following "Changes in Circumstance" occur:

1. There is a loss of head of household (Resident) due to death, abandonment, separation, divorce or other continuing circumstances. In such event the Lease shall terminate and a new Lease shall be executed by a responsible, residual adult family member deemed legally eligible by the accepted Admissions and Continued Occupancy Policy (a copy of which is on file in Management's office and which is incorporated herein by reference), and Management.
2. There is a loss of any person(s) other than head of household;
3. There is an addition of a member of the household who is 18 years of age or older, by marriage, remarriage, cohabitation or otherwise, and the additional member is added to the Lease in accordance with Management's policy.
4. Resident can show a change in his/her family circumstances (such as decrease in income) or other similar circumstances which will create a hardship to the Resident in relation to the prompt payment of the rent. In the event the monthly rent payment is decreased because of a verifiable hardship to Resident, Resident must promptly report to management any increases in family income which occur.

The Resident must report any "Changes in Circumstances" to the management office within ten (10) calendar days of their occurrence and any failure by the Resident to do so or any misrepresentation of any such changes will be a material breach of the Public Housing Lease Agreement.

Changes in Family Composition

The LACDA's policy is not to alter rent amounts between annual re-certifications, except in the case of a change in family composition. Residents must report all changes in the household composition.

Changes in Income

The LACDA's policy is not to alter rent amounts between annual re-certifications, except in the case of a change in family composition, if a family requests an interim due to an increase in income, or for any decrease in income. If a family is on EID, the family is still required to report any changes in income and/or change in family composition with ten (10) calendar days of the occurrence.

Seasonal employees: The LACDA calculates the actual anticipated income from all known sources for the entire year. For these residents there will be no interim reexamination when the income changes as it is already anticipated.

Inapplicability to Admission

EID is only applied to determine the annual income of families residing in public housing, and is not used in determining the annual income of applicants for purposes of eligibility or income targeting for admission.

E. TRAINING PROGRAMS FUNDED BY HUD

All training income from a HUD sponsored or funded training program, whether incremental or not, is excluded from the resident's annual income while the resident is in training. Income from a Resident Services training program, which is funded by HUD, is excluded.

Upon employment with the LACDA, the full amount of employment income received by the person is counted. There is no 18-month exclusion of income for wages funded under the 1937 Housing Act Programs, which includes Public Housing and Section 8.

F. AVERAGING INCOME

Income from the previous year may be analyzed to determine the amount to anticipate when third party or check-stub verification is not available.

When Annual Income cannot be anticipated for a full twelve months, the LACDA will average known sources of income that vary to compute an annual income.

If there are bonuses or overtime, which the employer cannot anticipate for the next twelve months, bonuses and overtime received the previous year, may be used.

If by averaging, an estimate can be made for those families whose income fluctuates from month to month, this estimate will be used so that the housing payment will not change from month to month.

The method used depends on the regularity, source and type of income.

G. INCOME OF PERSON PERMANENTLY CONFINED TO NURSING HOME

If a family member is permanently confined to a hospital or nursing home and there is a family member left in the household, the LACDA will calculate the Total Tenant Payment by excluding the income of the person permanently confined to the nursing home and not giving the family

deductions for medical expenses of the confined family member.

H. REGULAR CONTRIBUTIONS AND GIFTS [24 CFR 5.609(a)(7)]

Regular contributions and gifts received from persons outside the household are counted as income for calculation of the Total Tenant Payment.

Any contribution or gift received on a regular basis regardless of frequency will be considered a “regular” contribution or gift. This includes rent and utility payments made on behalf of the family and other cash or non-cash contributions provided on a regular basis. This information must be reported by the family and will be averaged over a twelve-month period and included in the calculation of Total Tenant Payment. It does not include casual contributions or sporadic gifts. (See chapter on “Verification Procedures,” for further definition.)

I. ALIMONY AND CHILD SUPPORT [24 CFR 5.609(a)(7)]

Regular alimony and child support payments are counted as income for calculation of Total Tenant Payment.

If the amount of child support or alimony received is less than the amount awarded by the court, the LACDA must use the amount awarded by the court unless the family can verify that they are not receiving the full amount.

J. LUMP-SUM RECEIPTS [24 CFR 5.609(b)(5), (c)]

Lump-sum additions to Family assets, such as inheritances, insurance payments (including payments under health and accident insurance and worker’s compensation), capital gains, and settlement for personal or property losses, are not included in income but may be included in assets.

Lump-sum payments caused by delays in processing periodic payments (unemployment or welfare assistance) are counted as income. Lump sum payments from Social Security or SSI are excluded from income, but any amount remaining will be considered an asset. Deferred periodic payments which have accumulated due to a dispute will be treated the same as periodic payments which are deferred due to delays in processing.

In order to determine amount of retroactive resident rent that the family owes as a result of the lump sum receipt the LACDA will always calculate retroactively to date of receipt.

Retroactive Calculation Methodology

The LACDA will go back to the date the lump-sum payment was received, or to the date of admission, whichever is closer.

The LACDA will determine the amount of income for each certification period, including the lump sum, and recalculate the resident rent for each certification period to determine the amount due the LACDA.

At the LACDA’s option, the LACDA may enter into a Repayment Agreement with the family.

The LACDA will only enter into a Repayment Agreement with the family if they are in good standing (no unpaid rent or other charges, no disturbance complaints). Repayment Agreement policies are delineated in Chapter 15 “Family Debts to the LACDA”. .

The amount owed by the family is a collectible debt even if the family becomes unassisted.

Attorney Fees

The family’s attorney fees may be deducted from lump-sum payments when computing annual income if the attorney’s efforts have recovered a lump-sum compensation, and the recovery paid to the family does not include an additional amount in full satisfaction of the attorney fees.

K. CONTRIBUTIONS TO RETIREMENT FUNDS—ASSETS

Contributions to company retirement/pension funds are handled as follows:

While an individual is employed, count as assets only amounts the family can withdraw without retiring or terminating employment.

After retirement or termination of employment, count any amount the employee elects to receive as a lump sum.

L. ASSETS DISPOSED OF FOR LESS THAN FAIR MARKET VALUE

The LACDA must count assets disposed of for less than fair market value during the two years preceding certification or recertification. The LACDA will count the difference between the market value and the actual payment received in calculating total assets.

Assets disposed of as a result of foreclosure or bankruptcy is not considered to be assets disposed of for less than fair market value. Assets disposed of as a result of a divorce or separation is not considered to be assets disposed of for less than fair market value.

M. CHILD CARE EXPENSES [24 CFR 5.603 (b)] and [24 CFR 5.611 (a)(4)]

Un-reimbursable child care expenses for children under 13 may be deducted from annual income if they enable an adult to work, attend school full time, or attend full-time vocational training.

In the case of a child attending private school, only before or after-hours care can be counted as child-care expenses.

Child-care expenses must be reasonable. Reasonable is determined by what the average child care rates are in the LACDA’s jurisdiction.

Allowable deductions for child-care expenses are based on the following guidelines:

Child care to work: The maximum child care expense allowed must be less than the amount

earned by the person enabled to work. The “person enabled to work” will be the adult member of the household who earns the least amount of income from working.

Child care for school: The number of hours claimed for childcare may not exceed the number of hours the family member is attending school (including one hour travel time to and from school).

Amount of Expense: Each site management office will survey the local care providers in the surrounding community to determine what is reasonable. The site management office will use the collected data as a guideline. If the hourly rate materially exceeds the guideline, the LACDA may calculate the allowance using the guideline.

N. MEDICAL EXPENSES [24 CFR 5.603]

When it is unclear in the HUD rules as to whether or not to allow an item as a medical expense, IRS Publication 502 will be used as a guide.

Over-the-counter medication must be doctor-prescribed in order to be considered a medical expense and will be counted toward medical expenses for families who qualify if the family furnishes legible receipts with identification of the type of purchase.

Acupressure, acupuncture, physical therapy including exercise and chiropractic services may be considered allowable medical expenses if these services are recommended as a specific treatment by the family’s primary physician.

The cost of transportation to and from medical appointments and treatments will be an allowable medical expense and will be calculated at the current IRS rate.

O. PRORATION OF ASSISTANCE FOR “MIXED” FAMILIES [24 CFR 5.520]

Applicability

Proration of assistance must be applied to any “mixed” applicant or participant family. A “mixed” family is one that includes at least one U.S. citizen or eligible immigrant and any number of ineligible members.

“Mixed” families that were participants on June 19, 1995, and that do not qualify for continued assistance must be offered prorated assistance. (See chapter titled “Recertifications.”) Applicant mixed families are entitled to prorated assistance. Families that become mixed after June 19, 1995, by addition of an ineligible member are entitled to prorated assistance.

Prorated Assistance Calculation

Prorated assistance will be calculated by subtracting the Total Tenant Payment from the applicable Flat Rent for the unit the family occupies to determine the Family Maximum Subsidy. The family’s TTP will be calculated as delineated in PIH 2016-05:

Step 1: Determine the TTP in accordance with 24 CFR 5.628 (Annual income includes income of all family members, including any family member who has not established eligible immigration status).

Step 2: Family maximum rent is equal to the applicable flat rent for the unit size to be occupied by the family.

Step 3: Subtract the TTP from the family flat rent. The result is the maximum subsidy for which the family could qualify if all members were eligible (“family maximum subsidy”).

Step 4: Divide the family maximum subsidy by the number of people in the family (all persons) to determine the maximum subsidy per each family member who has citizenship or eligible immigration status (“eligible family member”). The subsidy per eligible family member is the “member maximum subsidy”.

Step 5: Multiply the member maximum subsidy by the number of family members who have citizenship or eligible immigration status (“eligible family members”). The product of this calculation is the “eligible subsidy”.

Step 6: The mixed family TTP is the flat rent minus the amount of the eligible subsidy.

Step 7: Subtract any applicable utility allowance from the mixed family TTP. The result of this calculation is the mixed family tenant rent.

When the mixed family’s TTP is greater than the flat rent, the LACDA must use the TTP as the mixed family TTP.

P. INCOME CHANGES RESULTING FROM WELFARE PROGRAM REQUIREMENTS

The LACDA will not reduce the public housing rent for families whose welfare assistance is reduced specifically because of:

Fraud; or

Failure to participate in an economic self-sufficiency program; or

Noncompliance with a work activities requirement.

However, the LACDA will reduce the rent if the welfare assistance reduction is a result of:

The expiration of a lifetime time limit on receiving benefits; or

A situation where the family has complied with welfare program requirements but cannot or has not obtained employment, such as:

The family has complied with welfare program requirements, but the durational time limit, such as a cap on the length of time a family can receive benefits, causes the family to lose their welfare benefits.

Verification Before Denying a Request to Reduce Rent

A family's request for rent reduction shall be denied upon the LACDA obtaining written verification from the welfare agency stating that the family's benefits have been reduced for fraud or noncompliance.

Cooperation Agreements

The LACDA has taken a proactive approach to culminating an effective working relationship between the LACDA and the local welfare agency for the purpose of targeting economic self-sufficiency programs throughout the community that are available to public housing residents.

Q. UTILITY ALLOWANCE AND UTILITY REIMBURSEMENT PAYMENTS

If the cost of utilities (excluding telephone) is not included in the Resident Rent, a utility allowance will be deducted from the total tenant payment. The Utility allowance is intended to help defray the cost of utilities not included in the rent. The allowances are based on the monthly cost of reasonable consumption utilities in an energy conservative household, *not* on a family's actual consumption.

When the Utility Allowance exceeds the family's Total Tenant Payment, the LACDA will provide the family with a Utility Reimbursement Payment (URP) each month. The LACDA will provide a Bank of America Debit Card to those residents that qualify for an URP. The Bank of America Debit Card will be credited with the monthly URP and unused funds will accumulate. Debit card usage will be limited to the family's account balance. Any misrepresentation of income and/or household composition by any member of the household will require the family to repay any amount due the LACDA and may result in the termination of tenancy.

Resident-Paid Utilities

The following requirements apply to residents living in developments with resident-paid utilities or applicants being admitted to such developments:

Paying the utility bill is the resident's obligation under the lease. Failure to pay utilities is grounds for eviction.

Resident Responsibility for Appliances

Residents who are responsible for providing one or more appliance(s) are also responsible for the maintenance and upkeep of such appliance(s). Failure to maintain such appliance(s), as specified in the Lease Agreement, is grounds for termination of tenancy.

R. EXCESS UTILITY PAYMENTS

Residents in units where the LACDA pays the utilities may be charged for excess utilities if additional appliances or equipment are used in the unit. This charge shall be applied as specified in the lease. [24CFR 966.4(b)(2)]

PART II: FAMILY CHOICE IN RENTS

A. FAMILY RENT CHOICE

The LACDA shall provide information to enable each family residing in a public housing unit to elect annually whether the rent paid by such family shall be 1) determined based on family income; or 2) the flat rent. The LACDA may not at any time fail to provide both such rent options for any public housing unit owned, assisted or operated by the LACDA.

Choice of rent is not applicable to Mixed Families. A “mixed” family is one that includes at least one U.S. citizen or eligible immigrant and any number of ineligible members.

B. FLAT RENTS

The LACDA has established, for each dwelling unit in public housing, a flat rental amount for the dwelling unit, which:

Is based on the HUD established Small Area Fair Market Rents (SAFMR); and

Any change in the Flat Rent schedule due to changes initiated by HUD to the SAFMR will not be considered a “significant change” to the Annual/Agency Plan; and

Is designed so that the rent structures do not create a disincentive for continued residency in public housing by families who are attempting to become economically self-sufficient through employment or who have attained a level of self-sufficiency through their own efforts.

The LACDA shall review the income of families paying flat rent not less than once every three years.

C. INCOME-BASED RENTS

The monthly Total Tenant Payment amount for a family shall be an amount, as verified by the LACDA, that does not exceed the greatest of the following amounts:

30 percent of the family’s monthly adjusted income;

10 percent of the family’s monthly gross income; or

The LACDA’s Minimum TTP of \$50.

D. SWITCHING RENT DETERMINATION METHODS BECAUSE OF HARDSHIP CIRCUMSTANCES

In the case of a family that has elected to pay the LACDA’s flat rent, the LACDA shall, no later than the first of the month following the month the family reported the hardship, provide for the family to pay rent in the amount determined under income-based rent, during the period for which

such choice was made for the following hardship circumstances:

Situations in which the income of the family has decreased because of changed circumstances, loss of or reduction of employment through no fault of the individual, death in the family, and reduction in or loss of income or other assistance;

An increase, because of changed circumstances, in the family's expenses for medical costs, child care, transportation, education, or similar items; and

Such other situations as may be determined by the LACDA.

All hardship situations must be verified. If a family has switched from flat rent to income-based rent because of hardship, the family shall remain on income-based rent until the next scheduled annual recertification, at which time the LACDA shall allow the family to elect whether to pay flat rent or income-based rent.

E. LACDA'S FLAT RENT METHODOLOGY

The LACDA has set a flat rent for each public housing unit, based on the HUD established annual SAFMR. The following methodology will be utilized to determine and implement flat rents:

1. In accordance with Congressional and HUD requirements, the LACDA will set the Flat Rent for each public housing unit at no less than 80 percent of the applicable Small Area Fair Market Rent (SAFMR) as set by HUD for the Housing Choice Voucher program and adjusted to account for reasonable utilities costs. The Flat Rent will be the SAFMR less the UA as set for each dwelling unit.
2. Changes to the Flat Rent schedule due to changes initiated by HUD to the SAFMR will not be considered a "significant change" to the Annual/Agency Plan.
3. The new Flat Rent will be phased in if needed to ensure that any family currently paying Flat Rent will not experience a rental increase of more than 35% due to the change in the Flat Rent schedule.
4. The LACDA presents two options to the family:
 - A. The updated flat rental amount; and
 - B. The income-based rent.

For those families that choose to pay the Flat Rent, the amount the family pays **is not locked in for the three year period**. Instead, the LACDA revises the flat rent amount **annually** based on HUD's SAFMR's. Families currently paying the flat rent amount will be offered the choice between the updated annual flat rent amount, and the previously calculated income-based rent. For families that elect to pay flat rent, the LACDA will conduct a reexamination of family income at least once every 3 years, not annually.

F. ANNUAL RECERTIFICATION

During the annual recertification process, the family will be provided a form from the LACDA, on which the family will indicate whether they choose flat rent or income-based rent. The LACDA form will state what the flat rent would be, and an estimate, based on current information, what the family's income-based rent would be. This form will be retained in the resident's file.

Chapter 6

VERIFICATION PROCEDURES

[24 CFR Part 5, Subpart B; 24 CFR 960.259]

INTRODUCTION

This chapter explains the LACDA's procedures and standards for verification of preferences, income, assets, allowable deductions, family status, and changes in household composition. The LACDA's verification procedures are designed to meet HUD's requirements that the factors of eligibility and Total Tenant Payment be verified and that the LACDA maintain program integrity. Applicants and program residents must furnish proof of their statements whenever required by the LACDA, and the information they provide must be true and complete. The LACDA will ensure that proper authorization for release of information is always obtained from the family before making verification inquiries.

A. METHODS OF INCOME VERIFICATION AND TIME ALLOWED

The LACDA will use six levels of verification methods acceptable to HUD in the following order:

Level Six: Up-Front Income Verification (UIV) using Enterprise Income Verification (EIV) (highest priority). This level is mandatory and will be used when available.

Level Five: UIV using a non-HUD system (highest priority). In cases where EIV is not available, this level will be used when possible.

Level Four: Third-Party written verification (high priority). This verification level is defined as tenant-provided documents obtained from a third-party source. The documents must be authentic, original and computer-generated. Level Four is used:

- * To support the information reported through EIV/UIV,

- * When there is a discrepancy between EIV/UIV and tenant-reported income,

- * When EIV or other forms of UIV are not available, the LACDA will accept authentic, original, computer-generated documents as verification of income, assets or other family circumstances.

Level Three: Third-party written verification form (medium-low priority). The LACDA will send verification forms to third party sources when:

- * There is a discrepancy between EIV/UIV and tenant-reported income and the tenant disputes the information in EIV, or

- * Verification levels six through four are unavailable.

Level Two: Third-Party oral verification (low-priority). This level will be used when sending verification forms to third-party sources under Level Three is not possible or the forms are not returned in a timely manner.

Level One: Self-Declaration (low priority). Certification/self-declaration verification will be the last level used if verification is not possible or able to be obtained using the higher levels of verification, the LACDA may allow up to 10 calendar days for the return of third-party verification forms before using the next verification level.

At all times, should the LACDA not obtain Levels 6, 5, 4 or 3 of the verification hierarchy, the LACDA staff must document why such verifications were not obtained and the verification method utilized to substantiate the information.

All tenant-provided documents are current if dated within 60 days of the date of receipt. However, verifications for applicants may not be more than 60 days old at the time of the unit offer.

UIV

The LACDA will utilize up-front income verification tools. The use of the EIV system is mandatory and will be used whenever possible. Other UIV systems, such as the DPSS LEADER system for the verification of DPSS benefits and the Work Number, will be used whenever possible when EIV is unavailable.

If there is a difference in source of income or a substantial difference in reported income between EIV verification and family-provided documents and the tenant disputes the discrepancy or cannot provide adequate documentation to validate the discrepancy, the LACDA shall follow the guidelines below:

- The LACDA will send written third party verification forms to the disputed income source.
- The LACDA may review historical income data for patterns of employment, paid benefits, and/or receipt of other income, when the LACDA cannot readily anticipate income, such as in the cases of seasonal employment, unstable working hours, and suspected fraud.
- The LACDA will analyze all data (UIV data, third party verification documents provided by the family and verification forms returned by the disputed income source) and attempt to resolve the income discrepancy.
- The LACDA will use the most current information available to calculate the anticipated annual income.

In cases where UIV income data is different than tenant-reported income and the tenant does not dispute the discrepancy and can provide adequate documentation to validate the discrepancy, the LACDA will use the written third party documents provided by the family to calculate the anticipated annual income.

B. RELEASE OF INFORMATION

Applicants and residents are required to sign specific authorization forms when information is needed that is not covered by the HUD Form 9886, Authorization for Release of Information.

Each family member requested to consent to the release of information will be provided with a copy of the appropriate forms for their review and signature. Family refusal to cooperate with the

HUD prescribed verification procedure will result in denial of admission or termination of tenancy in accordance with the family's obligation to provide information requested by the LACDA.

C. ITEMS TO BE VERIFIED

1. All income not specifically excluded by the regulations needs to be verified.
2. Zero-income status of households (includes applicants and residents); households will be required to complete a family expense form at each certification or recertification interview.
3. Full-time student status including high school students who are 18 or over.
4. Current assets including assets disposed of for less than fair market value in preceding two years.
5. Child-care expense where it allows an adult family member to be employed, seek employment or to further his/her education.
6. Total medical expenses of all family members in households whose head or spouse is elderly or disabled.
7. Disability assistance expenses to include only those costs associated with attendant care or auxiliary apparatus that allow an adult family member to be employed.
8. Legal identity.
9. U.S. citizenship/eligible immigrant status.
10. Social Security Numbers for all family members
11. Preference status, based upon LACDA preferences.
12. Family/marital status when needed for head of household/co-head and/or spouse/marital-type partner definition.
13. Disability for determination of preferences, allowances or deductions.
14. Enrollment in a Medicare prescription drug plan.
15. The amount of prescription drug benefits received.
16. Actual or threatened incidents of domestic violence, dating violence, sexual assault or stalking.

Per PIH 2013-04, income that is fully excluded means the entire amount qualifies to be excluded from the annual income determination. **For fully excluded income, the LACDA will not:**

- Verify the income in accordance with the HUD-prescribed verification hierarchy;

- Document in the tenant file why third party verification was not available as required by 24 CFR 960.259(c)(i) and 24 CFR 982.516(a)(2); and
- Report the income in Section 7 of form HUD-50058.

The LACDA will accept an applicant or resident's self-certification as verification of fully excluded income. The LACDA's application and reexamination documentation, which is signed by all adult family members, will serve as the self-certification of the fully excluded income. The LACDA will elevate the verification requirements if necessary, to determine if a source of income qualifies for a full exclusion.

D. VERIFICATION OF INCOME

This section defines the methods the LACDA will use to verify various types of income.

Employment Income

Acceptable methods of verification include, but are not limited to the following:

1. EIV system, or if EIV is unavailable, other UIV tools, such as the Work Number.
2. Check stubs or earning statements, which indicate the employee's gross pay, frequency of pay or year to date earnings. This may be requested, along with W-2 forms, to supplement EIV data or a primary verification in the event EIV or other UIV tools are unavailable. Residents are required to provide the LACDA with a minimum of **four** current and consecutive pay stubs for determining annual income from wages. For new income sources or when a minimum of four pay stubs are not available, the LACDA will project income based on the information from traditional written third party verification form or other acceptable verification method.
3. Employment verification form completed by the employer.

The County of Los Angeles Child Support Services Department no longer responds to written or oral third-party verification requests by the LACDA.

3. Documents such as cash-books, bank statements, and receipts will be used as a guide for the prior six months (or lesser period if not in business for six months) to project income for the next 12 months. The family will be advised to maintain these documents in the future if they are not available.

Child Care Business

If an applicant/resident is operating a licensed day care business, income will be verified as with any other business.

If the family has filed a tax return, the family will be required to provide it to the site management office.

Families must also provide a written statement as to how they meet living expenses, such as utilities, food, clothing, and other incidentals, when they claim a zero income.

Full-Time Student Status

Only the first \$480 of the earned income of full time students 18 years of age or older (including those who are temporarily absent), other than head of household/co-head and/or spouse/marital-type partner, will be counted towards family income.

Financial aid, scholarships and grants received by full time students is not counted towards family income.

Acceptable documents for verification include, but are not limited to the following:

 - (a) All assets disposed of for less than FMV;
 - (b) The date they were disposed of;

Acceptable documents for verification include, but are not limited to the following:

- Verification documents the family obtained from the childcare provider that specify the

child care provider's name, address, telephone number, the names of the children cared for, the number of hours the child care occurs, the rate of pay, and typical yearly amount paid, including school and vacation periods.

- Written verification form returned by the person or the agency who receives the payments. If the child care provider is an individual, s/he must provide a statement of the amount they are charging the family for their services.
- Family's certification as to whether any of those payments have been or will be paid or reimbursed by outside sources.
- In all instances, the LACDA may also request income tax records, money orders to the childcare provider and/or cancelled checks.

Medical and Disabled Assistance Expenses

Families who claim medical expenses or expenses to assist a person(s) with disability will be required to submit a certification as to whether or not any expense payments have been, or will be, reimbursed by an outside source. All expenses claimed should be paid by the household. The LACDA has the right to request verifiable proof that all receipts and expenses claimed have been paid for utilizing funds directly from the household. Additionally, all expense claims will be verified by one or more of the methods listed below:

1. Written verification by a doctor, hospital or clinic personnel, dentist, pharmacist, of
 - (a) The anticipated medical costs to be incurred by the family and regular payments due on medical bills; and
 - (b) Extent to which those expenses will be reimbursed by insurance or a government agency.
2. Written confirmation by the insurance company or employer of health insurance premiums to be paid by the family.
3. Written confirmation from the Social Security Administration of Medicare premiums to be paid by the family over the next 12 months. A computer printout will be accepted.
4. For attendant care:
 - * A reliable, knowledgeable professional's certification that the assistance of an attendant is necessary as a medical expense and a projection of the number of hours the care is needed for calculation purposes.
 - * Attendant's written confirmation of hours of care provided and amount and frequency of payments received from the family or agency (or copies of canceled checks the family used to make those payments) or stubs from the agency providing the services.
5. Receipts, canceled checks, or pay stubs that verify medical costs and insurance expenses likely to be incurred in the next 12 months.

6. Copies of payment agreements or most recent invoice that verify payments made on outstanding medical bills that will continue over all or part of the next 12 months.
7. Receipts or other record of medical expenses incurred during the past 12 months that can be used to anticipate future medical expenses. LACDA may use this approach for “general medical expenses” such as non-prescription drugs and regular visits to doctors or dentists, but not for one-time, nonrecurring expenses from the previous year.
8. The LACDA will use mileage at the IRS’s rate, or cab, bus fare, or other public transportation cost for verification of the cost of transportation directly related to medical treatment.

1. Assistance to Persons with Disabilities:
In all cases the LACDA may require:

Written certification from a reliable, knowledgeable professional that the person with disabilities requires the services of an attendant and/or the use of auxiliary apparatus to permit him/her to be employed or to function sufficiently independently to enable another family member to be employed.

Family’s certification as to whether they receive reimbursement for any of the expenses of disability assistance and the amount of any reimbursement received.

2. Attendant Care:

If the family pays for any portion of the attendant care expenses, the attendant’s written certification of amount received from the family, frequency of receipt, and hours of care provided.

Certification of family and attendant and/or copies of canceled checks family used to make payments.

3. Auxiliary Apparatus:

Receipts for purchases or proof of monthly payments and maintenance expenses for auxiliary apparatus.

In the case where the person with disabilities is employed, a statement from the employer that the auxiliary apparatus is necessary for employment.

NOTE: Disability expenses are allowable deductions only if the expenses enable a member of the household age 18 and over (including the disabled member) to go to work.

H. VERIFYING NON-FINANCIAL FACTORS

Verification of Legal Identity

In order to prevent program abuse, the LACDA will require applicants to furnish verification of legal identity for all family members.

The documents listed below will be considered acceptable verification of legal identity for adults. If a document submitted by a family is illegible or otherwise questionable, more than one of these documents may be required.

Certificate of birth, naturalization papers

Current, valid Driver's license

Department of Motor Vehicles Identification Card

U.S. military discharge (DD 214)

U.S. passport

Foreign Consulate Identification Cards (FCICs) approved by the Los Angeles County Board of Supervisors for the purpose of verifying identity.

Documents considered acceptable for the verification of legal identity for minors may be one or more of the following:

Certificate of birth

Adoption papers

Custody agreement

Verification of Marital Status

Verification of divorce status will be a certified copy of the divorce decree, signed by a Court Officer.

Verification of a separation may be a copy of court-ordered maintenance or other records.

Verification of marriage status is a marriage certificate.

Familial Relationships

Certification will normally be considered sufficient verification of family relationships. In cases where reasonable doubt exists, the family may be asked to provide verification.

The following verifications will be required if certification is insufficient:

Verification of relationship:

Official identification showing names

Birth certificates

Verification of guardianship:

Court-ordered assignment

Affidavit of parent
Verification from social services agency
School records

Evidence of an established family relationship:

Joint bank accounts or other shared financial transactions
Leases or other evidence of prior cohabitation
Credit reports showing relationship

Verification of Permanent Absence of Adult Member

If an adult member who was formerly a member of the household is reported permanently absent by the family, the LACDA will consider any of the following as verification:

Husband or wife institutes divorce action.
Husband or wife institutes legal separation.
Order of protection/restraining order obtained by one family member against another.
Proof of another home address, such as utility bills, canceled checks for rent, driver's license, or lease or rental agreement, if available.
Statements from other agencies such as social services that the adult family member is no longer living at that location.
If the adult family member is incarcerated, a document from the Court or prison should be obtained stating how long they will be incarcerated.
If the adult family member is permanently confined to a nursing home, verification is required from the nursing home.

Verification of Change in Family Composition

The LACDA may verify changes in family composition (either reported or unreported) through letters, telephone calls, leases, utility records, inspections, landlords, neighbors, credit data, school or DMV records, and other sources. Verification of legal custody must be a court-ordered assignment or verification from a social service agency.

Verification of Disability

Verification of disability must be receipt of SSI or SSA disability payments under Section 223 of the Social Security Act or 102(7) of the Developmental Disabilities Assistance and Bill of Rights Act (42 U.S.C. 6001(7)) or verified by appropriate diagnostician such as physician, psychiatrist, psychologist, therapist, rehabilitation specialist, or licensed social worker, using the HUD

language as the verification format.

Verification of Citizenship/Eligible Immigrant Status

To be eligible for assistance, individuals must be U.S. citizens or non-citizens with eligible immigrant status. Individuals who are neither may elect not to contend their status. Eligible immigrants must fall into one of the categories specified by the regulations and must have their status verified by USCIS. Each family member must declare his or her status once. Assistance cannot be delayed, denied, or terminated while verification of status is pending except that assistance to applicants may be delayed while the LACDA hearing is pending.

Citizens or Nationals of the United States required to sign a declaration under penalty of perjury.

Eligible Immigrants who were residents and 62 or over on June 19, 1995, required to sign a declaration of eligible immigration status and provide proof of age.

Non-citizens with eligible immigration status must sign a declaration of status and verification consent form and provide their original immigration documents which are copied front and back and returned to the family. The LACDA verifies the status through the USCIS Systematic Alien Verification for Entitlements (SAVE) system. If this primary verification fails to verify status, the LACDA must request within ten days that the USCIS conduct a manual search.

Family members who do not claim to be citizens or eligible immigrants must be listed on a statement of non-contending family members signed by the head of household/co-head and/or spouse/marital-type partner.

Non-citizen students on student visas are ineligible members even though they are in the country lawfully. They must provide their student visa but their status will not be verified and they do not sign a declaration but are listed on the statement of non-contending members.

VAWA Self-Petitioners (PIH 2017-02) are those who claim to be victims of “battery and extreme cruelty”. VAWA covers the following types of battery or extreme cruelty: domestic violence, dating violence, sexual assault, and stalking. A VAWA self-petitioner can indicate that they are in “satisfactory immigration” status when applying for Public Housing or continued assistance. “Satisfactory immigration status” means an immigration status which does not make the individual ineligible for financial assistance. Once the LACDA verifies the applicant’s immigration status in the Department of Homeland Security (DHS) SAVE System, the LACDA will make the final determination as to the self-petitioner’s eligibility for assistance.

Not every noncitizen victim who has been subjected to battery or extreme cruelty will qualify under these procedures. In order to qualify, the noncitizen victim must have been battered or subject to extreme cruelty by their spouse or parent, who is a U.S. citizen or Lawful Permanent Resident (LPR). The LACDA may receive a petition at any time but submissions will most likely be related to a request for VAWA protections pursuant to 24

CFR 5 Subpart L (e.g. with a request for an emergency transfer or family breakup resulting from domestic violence, dating violence, sexual assault, or stalking; PIH 2016-09).

Once the LACDA receives a self-petition (INS Form I-360 or I-130) or INS Form 797, the LACDA is prohibited from requesting any additional information from the VAWA self-petitioner, other than what is required below to complete the verification.

VAWA Self-Petitioner Verification Procedure

When the LACDA receives a self-petition or INS Form 797 “Notice of Action”, the LACDA will initiate verification in the SAVE System as delineated in PIH 2017-02. During the verification process, housing assistance and all other VAWA protections will be granted to the self-petitioner throughout the verification process until a final determination of LPR status is made. If this primary verification fails to verify status, the LACDA must request within ten days that the USCIS conduct a manual search. If the final determination is to deny the VAWA self-petition or LPR petition, the LACDA will alert the petitioner and take the appropriate actions in accordance with the ACOP.

VAWA self-petitioners must be verified through the USCIS SAVE system. When the LACDA receives a self-petition or INS Form 797 “Notice of Action”, the LACDA will initiate verification in the SAVE System as delineated in PIH 2017-02. During the verification process, housing assistance and all other VAWA protections will be granted to the self-petitioner throughout the verification process until a final determination of LPR status is made. If this primary verification fails to verify status, the LACDA must request within ten days that the USCIS conduct a manual search. If the final determination is to deny the VAWA self-petition or LPR petition, the LACDA will alert the petitioner and take the appropriate actions in accordance with the ACOP.

Failure to Provide. If an applicant or resident family member fails to sign required declarations and consent forms or provide documents, as required, they must be listed as an ineligible member. If the entire family fails to provide and sign as required, the family may be denied or terminated for failure to provide required information.

Time of Verification. For applicants, verification of U.S. citizenship/eligible immigrant status occurs at the same time as verification of other factors of eligibility for final eligibility determination. For family members added after other members have been verified, the verification occurs prior to the new member moving in. Once verification has been completed for any covered program, it need not be repeated. The LACDA will also request new immigration documents for those individuals whose immigration documents that prove eligibility has expired.

Extensions of Time to Provide Documents. The LACDA will grant an extension of 30 days for families to submit evidence of eligible immigrant status or a receipt issued by the USCIS for issuance of replacement documents.

Acceptable Documents of Eligible Immigration. The regulations stipulate that only the following documents are acceptable unless changes are published in the Federal Register.

Resident Alien Card (I-551)

Alien Registration Receipt Card (I-151)

Foreign Passport with I-551 stamp

Arrival-Departure Record (I-94) with no annotation accompanied by:

- A final court decision granting asylum (if no appeal is taken);
- A letter from an INS or USCIS asylum officer granting asylum (if application is filed on or after 10/1990) or from an INS director granting asylum (application filed before 10/1990);
- A court decision granting withholding of deportation; or
- A letter from an asylum officer granting withholding of deportation (if application filed on or after 10/1/90)

Arrival-Departure Record (I-94) stamped with one of the following:

- “Admitted as a Refugee Pursuant to Section 207”
- “Section 208” or “Asylum”
- “Section 243(h)” or “Deportation stayed by Attorney General”
- “Paroled Pursuant to Section 221(d)(5) of the INS (or USCIS)”

Temporary Resident Card (I-688) annotated “Section 245A” or Section “210”

Employment Authorization Card (I-688B) annotated “Provision of Law 274a. 12(11)” or “Provision of Law 274a.12”

Any official revision of the acceptable documents listed above

Receipt issued by the USCIS for issuance of replacement of any of the above documents that shows individual’s entitlement has been verified

A birth certificate is not acceptable verification of status. All documents in connection with U.S. citizenship/eligible immigrant status must be kept five years.

Determination of Ineligibility. After the LACDA has made a determination of ineligibility, the family will be notified of the determination and the reasons and informed of the option for prorated assistance (if applicable).

Verification of Social Security Numbers

Social Security numbers must be provided as a condition of eligibility for all family members, except for family members who were determined eligible on or before January 31, 2010 and were at least 62 years old on that date, and family members who are not eligible to obtain a Social

Security number. Verification of Social Security numbers will be done through a Social Security Card issued by the Social Security Administration.

If a family member cannot produce a Social Security Card, only the documents listed below showing his/her Social Security Number may be used for verification. The family is also required to certify in writing that the document(s) submitted in lieu of the Social Security Card information provided is/are complete and accurate:

- * A document issued by the Social Security Administration that contains the name and Social Security number of the individual; or

- * A document issued by a Federal, state or local government agency that includes the name, Social Security Number and other identifying information about the individual.

All new family members, except children age 5 and under, who have not been assigned a number, will be required to produce their Social Security Card or provide the substitute documentation described above together with their certification that the substitute information provided is complete and accurate. This information is to be provided at the time the change in family composition is reported to the LACDA and the family member will not be added to the household composition until it is provided.

A child age 5 or under who has not been assigned a Social Security Number may be added to the household before providing a Social Security number. However, the parent or guardian will be required to sign a form attesting that the child was never issued a Social Security Number. The family must disclose the child's Social Security Number within 90 calendar days of being added to the family composition.

If the family is unable to disclose and provide evidence of the Social Security Number within the 90 calendar days, the LACDA may grant the family an additional 90-calendar day period to comply with the Social Security Number disclosure and documentation requirement. The additional 90-calendar day period may be granted if the LACDA determines that the family was unable to comply with the requirements due to circumstances that could not have reasonably been foreseen and were outside of the control of the family. Examples include but are not limited to: delayed processing of the Social Security Number application by the Social Security Administration, natural disaster, fire, death in family etc. If the family fails to provide the required documentation within the established timeframe, the family's assistance will be terminated.

If the family member states they cannot legally obtain a Social Security number, the family member will be required to sign a certification to this effect.

I. VERIFICATION OF SUITABILITY FOR ADMISSION

Sources to be used to determine suitability include but are not limited to:

- Criminal History Reports

- Prior landlord references

- Physicians, social workers, and other health professionals

LACDA and Other Housing Authority's (to whom the family may owe debt)

(See Chapter 2 on eligibility.)

Ability to Meet Financial Obligations Under the Lease

All applicants may be subject to the following procedures to ensure their ability to meet financial obligations under the lease:

All applicants may be interviewed and asked questions about the basic elements of tenancy.

The LACDA may access a Credit Report on all applicants prior to selection.

The LACDA may independently verify the rent-paying history of all applicants directly from previous landlord(s).

Drug-Related or Violent Criminal Activity

The LACDA will complete a criminal background check of all adult members of the household.

Housekeeping

The LACDA will obtain references from prior landlords to determine acceptable housekeeping standards.

The LACDA may conduct a home visit prior to admission.

J. VERIFICATION OF WAITING LIST PREFERENCES [24 CFR 5.410, 5.415, 5.430]

Local Preferences

1. Homeless families: To qualify for this preference, homeless families must be referred by a Joint Powers Authority (JPA), County agencies or Community Based Organizations (CBOs) with a contract or Memorandum of Understanding (MOU) in place with the LACDA. Additionally, the LACDA will require partner agencies to use a Coordinated Access System for homeless referrals. The referring agency must provide a certification of the family's homeless status.
2. Residency preference: For families who live, work or have been hired to work in the jurisdiction of the LACDA.

In order to verify that an applicant is a resident, the LACDA will require any of the following documents: current rent receipts, leases, utility bills, employer or agency records, school records, drivers licenses, voters registration records, credit reports, statement from household with whom the family is residing. At the LACDA's discretion, verification of residency may also include other documents, certifications, or declarations as needed to verify that a family lives or works in the jurisdiction.

3. Veterans preference: This preference is available to current members of the U.S. Armed Forces, veterans, or surviving spouses/marital-type partners of veterans. Acceptable documentation regarding veteran's status will include a DD-214 (discharge documents), proof of receipt of veteran's benefits, or documentation from the Veteran's Administration.

K. VERIFICATION OF VAWA STATUS

The LACDA will request in writing that an individual or someone on their behalf certify via HUD form-5382, "Certification of Domestic Violence, Dating Violence, Sexual Assault or Stalking and Alternate Documentation", that the individual is a victim of domestic violence, dating violence, sexual assault or stalking, and that the incident or incidents in question are bona fide incidents of such actual or threatened abuse and meet the requirements set forth in Public Law 113-4-March 7, 2013. The victim is only required to provide the name of the perpetrator if the victim knows the name of the perpetrator and it is safe to provide it. The LACDA will request the certification in writing.

All residents are provided with a "Notice of Occupancy Rights under the Violence Against Women Act" HUD form-5380 and "Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking, and Alternate Documentation" HUD form-5382 published in December 2016 at Lease-In. If the individual needs another copy, the LACDA will require that the resident come into the management office to pick up HUD form-5382 "Certification of Domestic Violence, Dating Violence, Sexual Assault or Stalking and Alternate Documentation". In those cases where the victim of domestic violence, dating violence, sexual assault or stalking is unable to pick up the form due to imminent danger by the perpetrator, the LACDA will arrange to safely provide the form to the victim.

The individual or someone on their behalf shall provide such certification within 14 business days (Saturdays, Sundays, and Federal holidays do not count) after the individual receives HUD form-5382, "Certification of Domestic Violence, Dating Violence, Sexual Assault or Stalking and Alternate Documentation". If the individual or someone on their behalf does not provide the certification within 14 business days of receiving the form, nothing in this subsection, or in Public Law 113-4-March 7, 2013, may be construed to limit the authority of the LACDA to evict any tenant that commits violations of the Public Housing Lease Agreement. At the discretion of the LACDA, the 14 business days deadline may be extended.

An individual may also satisfy the certification requirement by producing the following types of third-party documentation:

1. A document signed by the resident and an employee, agent, or volunteer of a victim service provider, an attorney, or medical professional, or a mental health professional (collectively, "professional") from whom the resident is seeking or has sought assistance relating to the domestic violence, dating violence, sexual assault, or stalking, or the effects of the abuse. The document must specify, under penalty of perjury, that the professional believes the incident or incidents of domestic violence, dating violence, sexual assault, or stalking occurred and meet the definition of "domestic violence", "sexual assault", or "stalking" in HUD's regulations at 24 CFR 5.2003.

2. A record of a Federal, State, tribal, territorial, or local law enforcement agency, court, or administrative agency that documents the incident of domestic violence, dating violence, sexual assault, or stalking. Examples of such records include police reports, protective orders, and retraining orders, among others.

The LACDA **will not demand that an individual produce official documentation or physical proof** of the individual's status as a victim of domestic violence, dating violence, sexual assault or stalking in order to receive any of the benefits provided in this section. At the discretion of the LACDA, an individual may be provided benefits based solely on the individual's statement or other corroborating evidence.

In the case where the LACDA receives conflicting certification documents from two or more members of the household each claiming to be a victim and naming one or more of the other petitioning household members as the perpetrator, the LACDA will determine which is the true victim by requiring third-party documentation within 30 calendar days in order to resolve the conflict. Additionally, the LACDA will honor any court orders addressing rights of access or control of the property, including civil protection orders issued to protect the victim and to address the distribution or possession of property among the household. If the resident(s) fail or refuse to provide third-party documentation where there is conflicting evidence, the LACDA does not have to provide the resident(s) with the protections contained in HUD form-5380 "Notice of Occupancy Rights under the Violence Against Women Act".

Chapter 7

TRANSFER POLICY

INTRODUCTION

It is the policy of the LACDA to permit a resident to transfer within or between housing developments under certain circumstances set forth below. The LACDA Executive Director shall retain discretionary authority to approve/disapprove all transfers.

The LACDA will always consider transfer requests as a reasonable accommodation for a person with a disability.

All transfers will be made without regard to race, color, religion, sex, gender, gender identity and expression, family status (including children under the age of 18 living with parents or legal custodians; pregnant women and people securing custody of children under 18), national origin, marital status, ancestry, age, sexual orientation, disability, medical condition, source of income, genetic information, military and veteran status, arbitrary characteristics, or any other basis prohibited by law. Residents can be transferred to accommodate a disability¹.

Except under certain limited circumstances, residents will receive one unit offer for a transfer, whether for LACDA-initiated transfers or resident-initiated transfer requests approved by the LACDA. Refusal of an Emergency/Mandatory transfer initiated by the LACDA without good cause may result in lease termination. Refusal of an offer in response to a Resident initiated transfer request without good cause will result in the removal of the household from the transfer list.

A. LACDA INITIATED TRANSFERS

Under certain circumstances the LACDA may require that a household transfer to another unit at the same public housing development or to another public housing development. **The LACDA initiated transfers below shall take priority over new admissions.** The LACDA prioritizes transfers in the order delineated below:

1. Emergency Transfers:

Emergency transfers (which includes VAWA) are mandatory when the LACDA determines that conditions **pose an immediate threat to resident life, health or safety.** Emergency transfers may be made to: permit repair of unit defects hazardous to life, health, or safety. If a unit become uninhabitable due to conditions caused by the resident, any member of the resident household, or the resident's guests, it will be addressed through the lease violation process and the resident shall not have the rights set forth above, or if the cause for the conditions is determined after the transfer, the LACDA may still terminate tenancy; alleviate verified disability problems of a life threatening nature; or to protect residents due to a reasonable fear of direct violence. Such transfers may be initiated after the LACDA receives input from local law enforcement. In considering whether to initiate such transfers, the LACDA will take account the circumstances creating the risk of

violence and make a determination in the best interest of the resident and the LACDA.

2. Administrative Transfers:

Administrative transfers include (a) a transfer to remove residents who are victims of a violent or hate crimes or are witnesses to violent or hate crimes and may face reprisals due to their cooperation with law enforcement and or residents who are victims of extreme harassment; (b) a transfer to alleviate a verified medical problem of a serious (but not life-threatening) nature; (c) a **mandatory** transfer to permit modernization or demolition of units and/or to perform work (e.g., repair, modernization, or lead hazard reduction work) above a specified scale and duration that disturbs lead-based paint or controls lead-based paint hazards; (d) a **mandatory** transfer to permit a family that requires a unit with accessible features to occupy such a unit.

Requests for these transfers will be made to the LACDA Administrative Office with the necessary documentation to substantiate the need for such transfers. Transfers may also be initiated by the LACDA (e.g., moving a person with mobility problems to a unit with accessible features or temporarily moving residents to a unit free of lead-based paint hazards).

3. Occupancy Standards:

Occupancy standards transfers will be made if the household is not in between the minimum and maximum occupancy standard's set forth by the LACDA.

4. Other LACDA Initiated:

Other LACDA initiated transfers may be made to avoid concentration of the most economically and socially deprived families, or address situations that interfere with peaceful enjoyment of the premises.

B. RESIDENT INITIATED TRANSFERS

Any resident initiated transfer shall **not** take priority over new admissions:

A resident shall have resided in their unit for a minimum of 24 months before being eligible for a transfer to another housing development. Each resident may not request more than one transfer every four years. (Exceptions to this standard will be made for medical or other emergency situations under LACDA initiated transfers).

Furthermore, the LACDA will consider approving transfer requests, other than those for health and safety reasons, by taking into account whether the resident is in good standing with the LACDA. Please see Section E below, "Good Record Requirement for All Transfers".

Residents requesting to transfer to another unit or development are required to submit a Resident Request to Transfer Form to the site management office. Within ten calendar days, the Property

Manager will review the request and determine if the resident is in good standing with the LACDA, has met the 24 month residency requirement, and has not transferred from another site within the last four years.

1. Upon determination by the Property Manager that the resident has met the transfer eligibility criteria, the Resident Request to Transfer Form (RRTF) will be submitted to the Area Manager for review and approval.
2. Should the request be approved, the Property Manager will request that the Eligibility and Suitability Supervisor, or his/her designee, to review the list of available units to determine if a vacant unit, of the appropriate size, is available. The LACDA will inform the resident of the unit location and allow the resident an opportunity to view and/or accept the unit. Upon acceptance of the unit by the resident, the LACDA will notice the resident of the date of their lease termination for their existing/current unit and the move-in date for the new unit.
3. Should a unit not be immediately available, LACDA will notify the resident that their name has been placed on the transfer list for the location and/or bedroom size desired. If the request is denied, the family will be sent a letter stating the reason for denial, and offering the family an opportunity for an informal conference.
4. Requests to transfer to another unit within the same development, generally for medical reasons or to accommodate a smaller/larger family composition, will be reviewed and approved by the Property Manager. As units become vacant, the Property Manager will review the transfer list to determine if a request has been approved for a unit of a particular bedroom size and/or accessibility features. The Property Manager will advise the Area Manager that the unit has been flagged for an intra-development transfer. In cases where the Property Manager denies the transfer request, the resident will be notified in writing of the decision and offered an opportunity for an informal conference.

C. PROCESSING TRANSFERS

1. Transfers will be sorted into their appropriate priority status by the Property Manager for their respective sites. Transfers will be made in the following order:

First: Emergency transfers;
Second: Administrative Transfers;
Third: Occupancy Standards;
Fourth: Other LACDA Initiated;
Fifth: Resident Initiated Transfers.

Within each category, transfer requests will be sorted by the date the completed request (including any verification needed) is received from the Program Specialist or Resident Manager.

2. Transfers to correct occupancy standards may be recommended at time of re-examination

or interim re-examination.

3. Residents in over/under housed status “occupancy standards transfer” will be advised by the LACDA that a transfer is recommended and that the family has been placed on the transfer list.
4. When a HOH, originally housed in a bedroom by him/herself, has or adopts a child, the family will not be approved for an occupancy standards transfer until the child is four (4) years of age. Exceptions: spouse or marital-type partner is added to the Lease Agreement, or family decides to remain in the unit and the unit is large enough (using the smallest-unit standard) to accommodate the number of persons now in the household.

D. UNIT OFFERS

1. The LACDA will make a maximum of one unit offer to residents. A resident must accept or reject the unit offered within two calendar days of the date the offer is made and move into the unit within five calendar days of the date the offer is made. Residents are entitled to reject transfer offers for a “good cause”.
2. Examples of “good cause” reasons for the refusal to take a housing unit offered include, but are not limited to:
 - i. Unit is not of the proper size and type, and the transferred resident’s household would be able to reside there only temporarily;
 - ii. Unit contains lead-based paint, and accepting the offer could result in subjecting the applicant’s children under seven (7) years of age to lead-based paint poisoning;
 - iii. An elderly family makes the decision not to occupy or accept occupancy in designated housing; (24 CFR 945.303(d));
 - iv. A qualified, knowledgeable, health professional verifies the temporary hospitalization or recovery from illness of the principal household member, other household members, or a live-in aide necessary to care for the principal household member;
 - v. The unit is inappropriate for the applicant’s disabilities.

If the LACDA has no safe and available units for which a tenant who needs an emergency is eligible, the LACDA will assist the tenant in identifying other housing providers who may have safe and available units to which the tenant could move.

E. GOOD RECORD REQUIREMENT FOR ALL TRANSFERS

1. In general, and in all cases for all resident-requested transfers, residents will be considered for transfers only if the head of household and any other household members for the past 24 months:
 - i. have not engaged in criminal activity that threatens the health and safety of other residents and staff;

- ii. do not owe back rent or other charges, or evidence a pattern of late payment;
 - iii. meet reasonable housekeeping standards and have no housekeeping lease citations; and
 - iv. can get utilities turned on in the name of the head of household (applicable only to properties with tenant-paid utilities).
2. Exceptions to the good record requirements may be made for emergency transfers as deemed necessary by the LACDA.
 3. Absent a determination of an exception, the following policy applies to transfers:
 - i. If back rent is owed, the resident will not be transferred until the total amount of back rent is paid in full.
 - ii. A resident with housekeeping standards citations will not be transferred until he/she passes a follow-up housekeeping inspection.

F. SECURITY DEPOSITS AND PAYMENT OF DEBT ASSOCIATED WITH THE PRE-TRANSFER UNIT

1. **Disposition of security deposit for a transfer to a new housing development:** The LACDA will charge the family for any damages to the previous unit that exceed that unit's security deposit. If there is a balance left on the original security deposit, it will be refunded within twenty-one days following move-out. The family must pay a **new** security deposit to the receiving development upon move-in. Any charges due prior to move out (i.e., delinquent maintenance charges, late rent fee, etc.) will be billed by the previous housing development to the resident. Moreover, any "Other Charges" incurred after the resident vacates the unit (i.e., maintenance charges) which exceed the security deposit will also be billed to the resident. The resident must pay "Other Charges" within 30 calendar days of receiving an invoice. "Other Charges" are reasonable charges beyond normal wear and tear for repair or damage to the residence or for unauthorized alteration to the residence or common areas caused by the resident, other household members or guests.

Disposition of security deposit for a transfer within the same housing development: The balance of the security deposit from the previous unit will be applied to the new unit security deposit. If needed, the family must send the LACDA additional funds to have a full security deposit for the new unit upon move-in (security deposit amounts are set forth in Chapter 8, Section H "Security Deposits"). Any charges due prior to move out (i.e., delinquent maintenance charges, late rent fee, etc.) will be billed to the resident. Moreover, any "Other Charges" incurred after the resident vacates the previous unit (i.e., maintenance charges) which exceed the security deposit will also be billed to the resident. The resident must pay "Other Charges" within 30 calendar days of receiving an invoice. "Other Charges" are reasonable charges beyond normal wear and tear for repair or damage to the residence or for unauthorized alteration to the residence or common areas caused by the resident, other household members or guests.

2. In the case of LACDA initiated transfers, the inability to pay the security deposit should not delay the transfer and will be handled on a case-by-case basis.
3. **Lease Agreement Addendum for repayment of debts owed to the LACDA related to pre-transfer unit:** The beneficiary of a transfer must repay any debts owed to the LACDA related to the pre-transfer unit. In order to assure that a Resident who is the beneficiary of a transfer satisfies any debts owed to the LACDA related to their pre-transfer unit, the transferring resident shall enter into a repayment agreement that will be an Addendum to the Lease Agreement of the new residence, entitled “Repayment Agreement Addendum to the Los Angeles County Development Authority Public Housing Lease Agreement”. The failure of the transferring Resident to pay the debts owed to the LACDA related to their pre-transfer unit shall be a material breach of the Lease Agreement for the new residence.

G. RESIDENT’S RESPONSIBILITY

Residents are responsible for all moving costs related to a Resident Initiated transfer. The LACDA will only incur the reasonable moving costs of transfers initiated by the LACDA due to demolition, disposition, revitalization, rehabilitation, and/or a reasonable accommodation for a resident with a disability.

Residents must return the keys to their old unit within five calendar days of the date the transfer offer was made. Should the resident not return the keys to their old unit, the sending development, in addition to billing the resident, will also notify the receiving development of the resident’s outstanding balance. Failure to pay outstanding charges to the LACDA is a material breach of the Lease Agreement and the resident will be subject to termination of their tenancy.

H. RECERTIFICATION

A Recertification (Code-2) will not be conducted at the time of transfer, unless the actual move in date occurs on the household annual recertification date. The date of annual recertification will not change upon the completion of the transfer.

I. VAWA EMERGENCY TRANSFER PLAN

On November 16, 2016, the VAWA final rule was published in the Federal Register requiring emergency transfer plans for Victims of Domestic Violence, Dating Violence, Sexual Assault, or Stalking. Despite the name of this law, VAWA protection is available to all victims of domestic violence, dating violence, sexual assault, and stalking, regardless of sex, gender identity, or sexual orientation. Transfers under VAWA are considered “Emergency Transfers” which are given first priority over other types of transfers. This plan is based on a model emergency transfer plan provided by HUD form-5381. All other transfer policies in this chapter also apply to VAWA transfers.

The LACDA is concerned about the safety of its tenants, and such concern extends to tenants who are victims of domestic violence, dating violence, sexual assault, or stalking. In accordance with VAWA allows tenants who are victims of domestic violence, dating violence, sexual assault, or stalking to request an emergency transfer from the tenant's current unit to another unit. The ability to request a transfer is available regardless of sex, gender identity, or sexual orientation. Housing providers cannot discriminate on the basis of any protected characteristic, including race, color, national origin, religion, sex, familial status, disability, or age. HUD-assisted and HUD-insured housing must be made available to all otherwise eligible individuals regardless of actual or perceived sexual orientation, gender identity, or marital status.

The ability of the LACDA to honor such request for tenants currently receiving assistance, however, may depend upon a preliminary determination that the tenant is or has been a victim of domestic violence, dating violence, sexual assault, or stalking, and on whether the LACDA has another dwelling unit that is available and is safe to offer the tenant for temporary or more permanent occupancy.

This plan identifies tenants who are eligible for an emergency transfer, the documentation needed to request an emergency transfer, confidentiality protections, how an emergency transfer may occur, and guidance to tenants on safety and security.

Eligibility for Emergency Transfers

A tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking, as provided in HUD's regulations at 24 CFR part 5, subpart L is eligible for an emergency transfer, if: the tenant reasonably believes that there is a threat of imminent harm from further violence if the tenant remains within the same unit. If the tenant is a victim of sexual assault, the tenant may also be eligible to transfer if the sexual assault occurred on the premises within the 90-calendar-day period preceding a request for an emergency transfer.

A tenant requesting an emergency transfer must expressly request the transfer in accordance with the procedures described in this plan. Tenants who are not in good standing may still request an emergency transfer if they meet the eligibility requirements in this section.

Emergency Transfer Request Documentation

To request an emergency transfer, the tenant shall notify their respective LACDA management office and submit a written request for a transfer. The tenant will be provided with **HUD form-5383** "Emergency Transfer Request for Certain Victims of Domestic Violence, Dating Violence, Sexual Assault, or Stalking". The LACDA will provide reasonable accommodations to this policy for individuals with disabilities. The tenant's written request for an emergency transfer should include either:

1. A statement expressing that the tenant reasonably believes that there is a threat of imminent harm from further violence if the tenant were to remain in the same dwelling unit assisted under the Los Angeles County Development Authority's program; OR
2. A statement that the tenant was a sexual assault victim and that the sexual assault occurred on the premises during the 90-calendar-day period preceding the tenant's request for an

emergency transfer.

Confidentiality

The LACDA will keep confidential any information that the tenant submits in requesting an emergency transfer, and information about the emergency transfer, unless the tenant gives the LACDA written permission to release the information on a time limited basis, or disclosure of the information is required by law or required for use in an eviction proceeding or hearing regarding termination of assistance from the covered program. This includes keeping confidential the new location of the dwelling unit of the tenant, if one is provided, from the person(s) that committed an act(s) of domestic violence, dating violence, sexual assault, or stalking against the tenant. See the “Notice of Occupancy Rights under the Violence Against Women Act” HUD form-5380 for all tenants for more information about the LACDA’s responsibility to maintain the confidentiality of information related to incidents of domestic violence, dating violence, sexual assault, or stalking.

Emergency Transfer Timing and Availability

The LACDA cannot guarantee that a transfer request will be approved or how long it will take to process a transfer request. The LACDA will, however, prioritize this type of transfer and act as quickly as possible to move a tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking to another unit, subject to availability and safety of a unit. If a tenant reasonably believes a proposed transfer would not be safe, the tenant may request a transfer to a different unit. If a unit is available, the transferred tenant must agree to abide by the terms and conditions that govern occupancy in the unit to which the tenant has been transferred. The LACDA may be unable to transfer a tenant to a particular unit if the tenant has not or cannot establish eligibility for that unit.

If the LACDA has no safe and available units for which a tenant who needs an emergency is eligible, the LACDA will assist the tenant in identifying other housing providers who may have safe and available units to which the tenant could move. At the tenant’s request, the LACDA will also assist tenants in contacting local organizations offering assistance to victims of domestic violence, dating violence, sexual assault, or stalking.

Safety and Security of Tenants

Pending processing of the transfer and the actual transfer, if it is approved and occurs, the tenant is urged to take all reasonable precautions to be safe. Tenants who are or have been victims of domestic violence are encouraged to contact the National Domestic Violence Hotline at 1-800-799-7233, or a local domestic violence shelter, for assistance in creating a safety plan. For persons with hearing impairments, that hotline can be accessed by calling 1-800-787-3224 (TTY). Tenants who have been victims of sexual assault may call the Rape, Abuse & Incest National Network’s National Sexual Assault Hotline at 800-656-HOPE, or visit the online hotline at <https://ohl.rainn.org/online/>.

Tenants who are or have been victims of stalking seeking help may visit the National Center for Victims of Crime’s Stalking Resource Center at <https://www.victimsofcrime.org/our->

programs/stalking-resource-center. For referrals to local organizations offering assistance to victims of domestic violence, dating violence, sexual assault, or stalking residents should contact their management office.

Chapter 8
LEASE AGREEMENT

[24 CFR 966.4]

INTRODUCTION

All units must be occupied pursuant to a dwelling Lease Agreement that complies with HUD's regulations [24 CFR Part 966]. This chapter describes the LACDA's policies pertaining to lease execution, terms of Lease Agreement, security deposits, rent payments, inspection of units, and additions to the lease.

A. LEASE ORIENTATION

Upon execution of the lease, the LACDA will conduct a lease orientation for all adult members of the household. The family must attend an orientation before taking occupancy of the unit.

Families will be provided with the following information during the lease orientation:

- A copy of the Lease Agreement
- A copy of the LACDA's lease and grievance procedure
- A copy of the House Rules
- A copy of the full application and signed release forms
- A copy of Parking Policy
- Information on the Privacy Act
- Lead Based Paint Information
- Fair Housing Booklet
- A copy of the LACDA's Pet Policy
- A schedule of LACDA maintenance charges

Topics to be discussed will include, but are not limited to:

- Applicable deposits and other charges
- Provisions of the Lease
- Orientation to the community
- Unit maintenance and work orders

B. TERM OF LEASE AGREEMENT

The initial term of the lease will be for 12 months. The lease will renew for a 12-month term unless good cause exists not to renew the lease. A Notice of Rent Adjustment shall be provided to the Resident annually with the required monthly rental payment amount and all other covenants, terms and conditions of the Lease remain the same.

See Chapter 11 for further detail regarding the date of annual re-examination and the Lease Agreement anniversary date.

C. EXECUTION OF LEASE

The lease shall be executed by the head of household/co-head and/or spouse/marital-type partner, and all other adult members of the household, and by an authorized representative of the LACDA, prior to admission.

The head of household is the person who assumes legal and financial responsibility for the household and is listed on the application as head.

An appointment will be scheduled for the parties to execute the lease. One executed copy of the lease will be given to the resident, and the LACDA will retain one in the resident's file. The lease is incorporated into this policy by reference. The lease document will reflect current LACDA policies as well as applicable Federal, State and Local law.

The following provisions govern lease execution and amendments:

A lease is executed at the time of admission for all new residents.

A new lease is executed at the time of the transfer of a resident from one LACDA unit to another.

If, for any reason, any signer of the lease ceases to be a member of the household, the lease will be amended by drawing a line through the party's name and both parties will be required to initial and date the change.

The names and date of birth of all household members are listed on the lease at initial occupancy and on the Application for Continued Occupancy each subsequent year. Only those persons listed on the most recent certification shall be permitted to occupy a dwelling unit.

Changes to resident rents are made upon the preparation and execution of a "Notice of Rent Adjustment" by the LACDA, which becomes an attachment to the lease. Documentation will be included in the resident file to support proper notice.

Households that include a live-in aide are required to execute a "Live-In Aide Agreement" authorizing the arrangement and describing the status of the attendant.

D. MODIFICATIONS TO THE LEASE

The LACDA may modify its form of lease from time to time, giving residents 30 days for an opportunity to comment on proposed changes and advance notice of the implementation of any

changes.

Schedules of special charges and rules and regulations are subject to modification or revision. Residents will be provided at least thirty days written notice of the reason(s) for any proposed modifications or revisions, and they will be given an opportunity to present written comments. Comments will be taken into consideration before any proposed modifications or revisions become effective.

A copy of such notice shall be posted in the central office, and at site management offices.

Any modifications of the lease must be accomplished by a written addendum to the lease and signed by both parties.

A resident's refusal to execute LACDA approved lease modifications, or those modifications required by HUD, is a material breach of the Lease Agreement and grounds for termination of tenancy.

E. ADDITIONS TO THE LEASE

Requests for the addition of a new member to the household must first be approved by the LACDA, prior to the actual move-in by the proposed new member except for additions by birth, adoption, court-awarded custody foster adult, and/or of a minor child approved by a social service agency (i.e. DPSS, DCFS, etc.), in which case the family must inform the LACDA within ten calendar days.

Following receipt of a family's request to add a new member, the LACDA will conduct a pre-admission suitability review for those proposed household members over the age of 18 and conduct a screening for sex offender status for proposed members between the ages of 13 to 17 years of age. Only those members approved by the LACDA will be added to the lease. Furthermore, the LACDA will consider whether the resident request to add a member(s) will exceed the occupancy limit for the unit as a factor determining whether to approve the request.

Upon approval by the LACDA, families may add only the following persons to their lease:

- Spouse/marital-type partner and the minor children of that person
- Minor child of the head of household, co-head, spouse/marital-type partner who has been living elsewhere
- Adult child due to recent discharge from the military
- A disabled adult parent or child of the head of household/co-head who requires disability-required care

Live-in aides do not have the right of tenancy and cannot be added to the families' Lease Agreement. Upon approval by the LACDA, a live-in aide can reside in the household. Live-in aides are required to execute a "Live-In Aide Agreement" with the LACDA.

Children born to a family member are not subject to screening for purposes of determining household additions.

Residents who fail to notify the LACDA of additions to the household, or who permit persons to

join the household (includes permitting non-tenants to utilize a resident's address), without undergoing screening are considered to have unauthorized occupants by the LACDA, and are in violation of the lease and subject to termination of tenancy [24 CFR 966.4(f)(3)].

Upon approval of the additional household members, the LACDA will amend the Form 50058 to reflect the change in household composition and income. In cases where the new household member is over the age of 18, the LACDA will execute a new Lease Agreement with the family. In such cases, the LACDA will conduct an annual or interim reexamination (whichever is applicable). However, in cases where the new household member is under the age of 18, the LACDA will process an interim re-examination and the Lease anniversary date will remain the same.

F. LEASING UNITS WITH ACCESSIBLE OR ADAPTABLE FEATURES
[24 CFR 8.27(a)(1)(2) and (b)]

Before offering a vacant accessible unit to a non-disabled applicant, the LACDA shall offer such units in the following priority order:

1. To a current occupant of another unit of the same development, or other public housing development under the LACDA's control, who has a disability that requires the special features of the vacant unit.
2. To an eligible qualified applicant on a specific waiting list having a disability that requires the special features of the vacant unit.
3. To an eligible qualified applicant on a specific waiting list who does not require the special features of the vacant unit.

The LACDA will require a non-disabled applicant to agree prior to move in to move to an available non-accessible unit within 30 calendar days when either a current resident or an applicant needs the features of the unit and there is another unit available for the applicant. This requirement is a provision of an Addendum to the Public Housing Lease Agreement.

G. UTILITY SERVICES

Residents are responsible for direct payment of utilities. Residents must abide by any and all regulations of the specific utility company, including regulations pertaining to advance payments of deposits. Failure to maintain utility services during tenancy is a lease violation and grounds for termination of tenancy.

If there is a utility reimbursement payment, the LACDA shall pay the utility reimbursement payment directly to the resident as delineated in Chapter 5 Section Q.

H. SECURITY DEPOSITS

New residents must pay a security deposit to the LACDA at the time of admission.

Elderly-Only Housing Developments:

The Security Deposit is the greater of the applicant's TTP or \$75 for Elderly-Only housing developments.

General Occupancy Housing Developments:

The Security Deposit is the greater of the applicant's TTP or \$125 for general occupancy housing developments.

The LACDA will hold the security deposit for the period the resident occupies the unit.

The LACDA will refund to the resident the amount of the security deposit, less any amount needed to pay the cost of:

Unpaid Rent;

Damages listed on the Move-Out Inspection Report that exceed normal wear and tear;

Other charges under the Lease.

The LACDA will refund the Security Deposit less any amounts owed, as required by California State Law, within 21 days, following move out.

The LACDA will provide the resident or designee identified above with a written list of any charges against the security deposit. If the resident disagrees with the amount charged to the security deposit, the LACDA will provide a meeting to discuss the charges.

The resident must leave the dwelling unit in a clean and undamaged (beyond normal wear and tear) condition and must furnish a forwarding address to the LACDA. All keys to the unit must be returned to the Management upon vacating the unit.

The LACDA will not use the security deposit for payment of rent or other charges while the resident is living in the unit.

If the resident transfers to another unit, the LACDA will refund the security deposit, less damages, and collect a new deposit, using the current information regarding Total Tenant Payment. If applicable, the resident will be informed of the new deposit amount.

I. RENT PAYMENTS

The tenant rent is due and payable to a specified Bank of America (BoFA) Post Office Box on the first day of every month. If the first day falls on a weekend or holiday, the rent is due and payable on the first business day thereafter.

If BoFA does not receive a payment by the fifth business day of the month, a notice to pay rent or quit will be served on the resident. Residents shall make all payments by check or money order payable to THE LOS ANGELES COUNTY DEVELOPMENT AUTHORITY (LACDA). The LACDA shall collect a fee in the amount charged the LACDA by the bank anytime a check is not honored for payment or there are insufficient funds through an Automated Clearing House (ACH) or web based payment. A dishonored bank check fee shall be due two (2) weeks after service of

notice. Residents who submit more than two (2) checks that are not honored for payment will be required to make rent payments by money order only. If a Resident is delinquent in paying their rent more than three (3) times during a twelve (12) month period, it will be considered a material breach of their Lease Agreement.

If a resident is issued a Notice of Termination, the LACDA will not accept rent payments in any form unless the resident is in the grievance hearing process.

The LACDA provides Residents with up to three options for paying rent:

Option 1:

LOCKBOX SYSTEM PAYMENT

The following is the LOCKBOX procedure for paying rent:

All rent payments are mailed to a Bank of America (BofA) Postal Office Box;

BofA scans the front of the money order/check, envelope and statement;

All scanned documents and payment information is inputted and batched by BofA;

BofA uploads all payment information to a secure web site;

The LACDA accesses the secure BofA web site and import rent payment data into the Yardi Voyager housing software.

Option 2:

WEB BASED ONLINE PAYMENT

An LACDA resident can make rent payments online through the LACDA's secure online rent payment service. Residents must enter their T Code, bank account number, and bank routing number. Payments made before 4:30 p.m. are debited from the resident's bank account on the same day. Payments made after 4:30 p.m. are processed the following business day. If there are insufficient funds in the resident's account, the LACDA shall collect from the resident any fees charged by the bank. Residents can make web based online payments at any time.

Option 3:

AUTOMATIC BANK PAYMENT

An LACDA resident can make Automated Clearing House (ACH) rent payments from the resident's bank account. The resident's bank account will be debited on the third (3rd) calendar day of each month. If that day is on a weekend or holiday, the payment will be debited on the next business day.

Residents continue to receive a monthly rent statement and the total rent due on that statement is the amount that is withdrawn from the resident's bank account. A resident can cancel automatic rent payments by providing their management office with a written request to cancel. Cancellation request must be submitted by the 10th of the month to allow the LACDA and the Depository sufficient time to process. If there are insufficient funds in the resident's account, the LACDA shall collect from the resident any fees charged by the bank.

J. PAYMENT OF OTHER CHARGES

Residents must pay "Other Charges" as set forth in the Lease within 30 calendar days from receiving an invoice. "Other Charges" include damages to the Residence beyond normal wear and tear or unauthorized alterations to the Residence or common areas caused by the Resident, other household members or guests. Other Charges are billed to the Resident and specify damaged items, corrective action taken and cost of labor and/or materials to correct damages. The costs of repairs are based on the Schedule of Other Charges provided to each Resident and posted in the Management Office.

Management accepts payments of "Other Charges" separately from payments of rent owed by the Resident. The failure of Resident to pay Other Charges when due constitutes a material breach of the Lease.

K. NONPAYMENT PENALTIES

If BofA does not receive the resident's monthly rent in full by the fifth business day of the month, the resident shall pay to the LACDA a late rent charge fee of twenty-five dollars, due within two weeks of being notified by the LACDA.

L. SCHEDULES OF MAINTENANCE CHARGES

A schedule of charges for maintenance services and repairs which is incorporated into the lease by reference shall be publicly posted in a conspicuous manner in the management office.

M. INSPECTIONS OF PUBLIC HOUSING UNITS

Move-In Inspections

The LACDA and the family will inspect the premises prior to occupancy of the unit in order to determine the condition of the unit and equipment in the unit. A copy of the initial inspection, signed by the LACDA and the resident, will be kept in the resident file.

Annual Inspections

The LACDA will inspect all units annually in accordance with the HUD Uniform Physical Condition Standards (UPCS).

The LACDA Inspection report will indicate whether required corrections are to be charged to the resident or covered by the LACDA.

All inspections will include a check of all smoke alarms to ensure proper working order.

Quality Control Inspections

The LACDA will conduct periodic quality control inspections to determine the condition of the unit and to identify problems or issues in which the LACDA can be of service to the family and to assure that repairs were completed at an acceptable level of craftsmanship and within an acceptable time frame.

The LACDA will conduct quality control inspections of not less than 5% of all units.

Special Inspections

The LACDA may conduct a special inspection for housekeeping, unit condition, or suspected lease violation every 30 days for one year. Tenants will have 30 days to correct any deficiencies noted by the LACDA and may be subject to one or more follow-up inspections.

HUD representatives or local government officials may review LACDA operations periodically and as a part of their monitoring may inspect a sampling of the LACDA's inventory.

Move-Out Inspections

The purpose of these inspections is to determine necessary maintenance and whether there are damages that exceed normal wear and tear. The LACDA will determine if there are resident caused damages to the unit. Resident caused damages may affect part or all of the family's security deposit.

In accordance with Section 1950.5(f) of the California Civil Code, the LACDA will abide by the following Move-Out Inspection procedures when the resident submits a 30-day Notice of Intent to Vacate or the LACDA issues a 30-day Notice to Vacate or a 14-Day Notice to Pay Rent or Quit or a 30-Day Notice to Cure or Quit, to the resident.

These procedures do not apply to residents who receive a Three-Day Notice to Quit due to a lack of time to provide an initial Move-Out inspection.

The LACDA shall notify the resident in writing of their option to request an initial Move-Out inspection and their right to be present at the inspection.

At the time the resident submits a 30-Day Notice of Intent to Vacate or the LACDA issues a 30-Day or 14-Day Notice, the residents will be informed that the request for the initial inspection must be in writing and delivered to the Management office during normal business hours within three (3) days of the date of service of the Notice. Should the resident fail to request an initial inspection, the LACDA will be discharged of its duty.

After the resident submits a request for an initial inspection, the LACDA and the resident will schedule said inspection at a mutually agreed upon date and time. The inspection should be scheduled no earlier than two weeks before the termination of the Lease Agreement.

The LACDA will give the resident 48 hour prior written notice of the mutually agreed upon date

and time. However, the LACDA and the resident may forego the 48 hour written notice by executing a written waiver. The LACDA will then proceed with the inspection whether the resident is present or not in the unit.

Upon the completion of the inspection, the LACDA will give the resident an itemized statement specifying the items that are in need of repair and/or cleaning which will be the basis for deductions from the security deposit. This itemized statement will be handed to the resident at the conclusion of the inspection or placed inside the unit (should the tenant not be present).

The resident will have the opportunity during the period from the completion of the initial inspection until termination of the Lease Agreement to remedy the deficiencies.

Following the final inspection, the LACDA may deduct from the security deposit items not cured, items which occurred after the initial inspection, or items not identified during the initial inspection due to the presence of the resident's possessions.

Emergency Inspections

The LACDA may initiate an emergency inspection report to generate a work order if they believe that an emergency exists in the unit. In addition, the LACDA may conduct an emergency inspection without a work order and generate a work order after the inspection has been conducted (see Entry of Premises Notice in this chapter.) Repairs are to be completed within 24 hours from the time the work order is issued.

Entry of Premises Notices

The LACDA will give 48-hour advance written notice prior to entering the unit for non-emergency inspections or repairs. Non-emergency entries to the unit will be made during reasonable hours of the day. For emergency inspections or repairs, no advance notice is required for the LACDA to enter the unit. Furthermore, the LACDA will consider tenant maintenance service requests as constituting permission for the LACDA to enter the unit to conduct repairs.

An adult family member must be present in the unit during the inspection or repair if there are children present in the unit.

If no person is at home, the LACDA will enter the unit and conduct the inspection or repairs and will leave a written notice to the resident explaining the reason the unit was entered and the date and time.

Where the LACDA is conducting regular annual inspections of its housing units, the family will receive at least 48 hours advance notice of the inspection to allow the family to prepare and be able to pass the inspection.

The LACDA reserves the right to enter a unit, subject to the applicable notice, under the following conditions:

Inspections and maintenance

To make improvements and repairs

To show the premises for leasing
In cases of emergency

Non-Inspection Emergency Entry

The LACDA staff will allow access to the unit to proper authorities when issues of health or safety of the resident are concerned.

Family Responsibility to Allow Inspection

It is a violation of the Lease Agreement for the resident to refuse to allow entry to the unit for the reasons set forth in this ACOP.

Housekeeping Citations

Should the LACDA observe housekeeping deficiencies in the course of conducting an annual unit inspection, the Property Manager will issue a Housekeeping Citation to the resident, and schedule a housekeeping inspection. Should the resident “fail” the housekeeping inspection, the LACDA will conduct such inspections every thirty (30) days for a twelve (12) month period.

Serious housekeeping deficiencies which pose a health and safety risk to the resident and/or neighbors and/or the development can be considered a material breach of the Lease and grounds for termination of tenancy.

More than one citation issued to a family who has purposely and for convenience disengaged the unit’s smoke detector will also be considered a violation of the Lease.

Resident Damages

Repeated failed inspections or damages to the unit beyond normal wear and tear may constitute serious or repeated lease violations.

“Beyond normal wear and tear” is defined as items that could be charged against the resident’s security deposit under state law.

N. GUEST POLICY

Residents shall obtain LACDA management written approval for the presence of any person not identified in the lease as a member of the resident’s household who occupies the unit for over ten consecutive days or a total of 14 days within a twelve-month period. The Executive Director or his/her designee has discretionary authority to approve the occupation of a unit beyond 14 days.

Absence of evidence of any other address will be considered verification that the visitor is an unauthorized household member.

The LACDA will consider:

Statements from neighbors and/or LACDA staff

Vehicle license plate verification

Post Office records

Driver's license verification

Law enforcement reports

Credit reports

Use of the unit address as the non-household member's current residence for any purpose is not authorized and is considered a breach of the Lease Agreement.

The burden of proof that the individual is a guest rests on the family. In the absence of such proof, the individual will be considered an unauthorized member of the family and the LACDA may terminate the family's lease since prior approval was not requested for the addition.

In a joint custody arrangement, if the minor is in the household less than 90 days per year, the minor will be considered to be an eligible guest and not a family member. If both parents reside in Public Housing, only one parent shall be able to claim the child for deductions and for determination for the occupancy standards.

O. HOME OCCUPATIONS

The LACDA in its sole discretion, may authorize a unit to be used as a place for conducting a home occupation; provided that the unit is used primarily as a place of residence and the following conditions are met to assure that the use of the unit is consistent with residential use and will not disturb the peaceful enjoyment of the premises by other residents.

11. Sale of firearms shall be prohibited.
12. The Property Manager shall have final approval of all Home Occupation activities.

Criteria for Childcare Home Occupations

For those residents electing to provide childcare in their unit, the following additional requirements must be followed:

 2. A bond in the aggregate amount of three hundred thousand dollars (\$300,000); or
 3. A file of affidavits signed by each parent with a child enrolled in the home. The affidavit shall state that the parents has been informed that the family child care home does not carry liability insurance or a bond according to standards established by the state of California, and that the parent has been informed that the liability insurance, if any, of the owner of the property may not provide coverage for losses arising out of, or in connection with, the operation of the family day care home, except to the extent that the losses are caused by, or result from, an action or omission by the owner of the property for which the owner of the property would otherwise be liable under the law.

A family day care home that maintains liability insurance or a bond pursuant to the above section, shall name the LACDA as an additional insured party on the liability insurance

policy or bond with the following conditions being met:

The LACDA may make a written request to be added as an additional insured party;

The addition of the LACDA does not result in cancellation or nonrenewal of the insurance policy or bond carried by the family day care home;

Any additional premium assessed for this coverage is paid by the LACDA.

- b. Copy of State of California Child-Care License
3. Pass a Unit Inspection;
4. Comply with the Home Inspection Criteria;

Chapter 9

PET POLICY—ELDERLY DEVELOPMENTS

[24 CFR 5.309]

INTRODUCTION

This policy sets forth the LACDA's policies and procedures for the ownership and care of common household pets at the Elderly Public Housing Developments owned and or managed by the LACDA. This policy is also intended to ensure that no applicant or resident is discriminated against regarding admission or continued occupancy because of his or her ownership of a pet. It also establishes reasonable rules governing the keeping of common household pets.

These policies and procedures implement the provisions of Title 24 Code of Federal Regulations §§ 5.300-5.380 and 24 CFR § 960.701 (if applicable), and HUD Final Rule re Pet Ownership for the Elderly and Persons with Disabilities (October 27, 2008).

Nothing in this policy or the dwelling lease limits or impairs the right of persons with disabilities to own animals that are used to assist them.

A. ANIMALS THAT ASSIST PERSONS WITH DISABILITIES

This Pet Policy does **NOT** apply to assistance and service animals or their owners, including payment of a refundable pet deposit.

A service animal is an animal, usually a dog, which is individually trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual, or other mental disability. A resident who requests for a service animal does not require a submittal of a reasonable accommodation verification form as delineated in Chapter 1. The LACDA may only ask whether the animal is a service animal required due to a disability, and what tasks the animal has been trained to perform.

1. The LACDA will not require proof of training or certification for a service animal, even if the disability and/or tasks performed are not readily apparent.
2. If the disability and/or tasks performed are not readily apparent, no further inquiries may be made.

An assistance animal may include animals other than dogs, which provide emotional support to persons with disabilities when there is a disability-related need for such support. Assistance animals are not required to be trained or certified. Residents who need an assistance animal must follow the reasonable accommodation request procedures delineated in Chapter 1.

In accordance with Section 504 of the Rehabilitation Act and the Fair Housing Act, pet rules will not be applied to animals that assist persons with disabilities except as provided below:

There is reliable objective evidence that the animal poses a direct threat to the health or safety of others that cannot be reduced or eliminated by a reasonable accommodation;

There is reliable objective evidence that the animal would cause substantial physical damage to the property of others;

The presence of the assistance animal would pose an undue financial and administrative burden to the provider; or

The presence of the assistance animal would fundamentally alter the nature of the provider's services.

A determination that an animal that assists a person with a disability poses a threat of harm to others or would cause substantial physical damage to the property of others must be based on an individualized assessment that relies on objective evidence about the specific animal's actual conduct.

A service and assistance animal is permitted in all areas of the facility where members of the public are allowed, and including the tenant's unit. Additionally, all lease provisions apply, including maintaining a clean, sanitary unit and ensuring neighbors enjoy the premises in a peaceful, quiet, nonthreatening environment. Breed, size, and weight limitations may not be applied to a service or assistance animal.

B. LACDA APPROVAL OF PETS

All pets must be approved in advance by the LACDA.

Pets must meet the LACDA's pet standards and the tenant and the LACDA must enter into a Pet Agreement.

C. PET STANDARDS

1. Types of Pets Allowed-Common Household Pet Defined [24 CFR §§ 5.306 & 5.318]

- (k) Ferrets or other animals whose natural protective mechanisms pose a risk of serious bites and/or lacerations to small children.
- (l) Hedgehogs or other animals whose protective instincts and natural body armor produce a risk of serious puncture injuries to children.

- (m) Chicks or other animals that pose a significant risk of salmonella infection to those who handle them.
- (n) Pigeons, doves, mynahs, psittacines, and birds of other species that are hosts to the organisms that cause psittacosis in humans.
- (o) Snakes or other kinds of reptiles (except turtles).

Pets need to be inoculated in accordance with California State and local law and regulations.

Each pet owner must provide two color photographs of their pet(s) and display a “Pet Here” sticker, provided by the LACDA, which will be displayed on the front door of the unit at all times. Approval for the keeping of a pet shall not be extended pending the completion of these requirements.

- (b) If the keeping of the pet would violate any applicable house pet rule.
- (c) If the resident/pet owner fails to provide complete pet registration information or fails annually to update the pet registration.
- (d) The LACDA reasonably determines, based on the resident/pet owner’s habits and practices, that the resident/pet owner will be unable to keep the pet in compliance with the pet rules and other lease obligations. The pet’s temperament may be considered as a factor in determining the prospective resident/pet owner’s ability to comply with the pet rules and other lease obligations.

The LACDA shall provide notice of a decision refusing to register a pet and such notice shall further inform the resident/pet owner of the basis of that decision and of the resident/pet owner’s grievance rights. Notice of a decision shall be served in conformance with the requirements of 24 CFR § 5.353(f).

E. PET CARE STANDARDS

Residents who have been approved to have a pet must adhere to the following pet standards:

2. Pet Restraints

F. NOTICE OF PET RULE VIOLATIONS

- 1. If the LACDA determines on the basis of objective facts, supported by written statements, that a resident/pet owner has committed a violation of a rule governing the owning or keeping of pets, the LACDA may serve a written notice of a pet rule violation. The notice of violation must:
 - (a) Contain a brief statement of the factual basis for the determination and the pet rule or rules alleged to be violated.

- (d) State that the resident/pet owner's failure to correct the violation, to request an informal conference, or to appear at the informal conference may result in initiation of procedure to terminate the tenant's tenancy.
- (e) If the resident/pet owner requests a meeting, the LACDA shall establish a mutually agreeable time and place for the meeting. Such a meeting shall take place no later than 15 calendar days from the effective date of service of the notice of the pet violation (unless the LACDA agrees to a later date). At the informal conference, the resident/pet owner and the LACDA shall discuss any alleged pet rule violation and attempt to correct it. The LACDA may, as a result of the meeting, give the resident/pet owner additional time to correct the violation.

2. Notice of Pet Removal

If the resident/pet owner and the LACDA are unable to resolve the pet violation at the pet rule violation meeting, or if the LACDA determines that the resident/pet owner has failed to correct the pet rule violation within any additional time provided for this purpose under sub-section (e) above, the LACDA may serve a written notice on the resident/pet owner, in accordance with 24 CFR § 5.353(f)(1)(i) or (ii) requiring the resident/pet owner to remove the pet. The notice must:

- (a) Contain a brief statement of the factual basis for the determination and the pet rule or rules alleged to be violated.
- (b) State that the resident/pet owner must remove the pet within 10 days of the effective date of service of the notice of pet removal (or the meeting, if notice is served at the meeting).
- (c) State that the failure to remove the pet may result in initiation of procedures to terminate the resident/pet owner's tenancy.

3. Initiation of Procedures to Remove a Pet or Terminate the Resident/Pet Owner's Tenancy

The LACDA may not initiate procedures to terminate a resident/pet owner's tenancy based on a pet rule violation unless:

- (a) The resident/pet owner has failed to remove the pet or correct the pet rule violation within the applicable time period specified above.
- (b) The pet rule violation is sufficient to begin procedures to terminate the pet owner's tenancy under the terms of the lease and applicable regulations.
- (c) The LACDA shall have the right to initiate procedures to remove a pet under 24 CFR § 5.327 (Nuisance of Threat to Health or Safety) at any time, in accordance with the provisions of applicable State or local law.

G. FINANCIAL OBLIGATIONS RELATING TO PETS-PET DEPOSITS [24 CFR § 5.318(d)]

A resident/pet owner who owns or keeps a dog or cat shall be required to pay a refundable deposit in an amount of \$75.00. This deposit is in addition to any other financial obligation generally imposed on tenants of the Housing Development.

For pet deposits subject to paragraph 24 CFR § 5.318 (d)(2)(i)(A), the resident/pet owner may pay the pet deposit through gradual accumulation of the deposit through an initial payment not to exceed \$50 when the pet is brought onto the premises, and subsequent monthly payments not to exceed \$10 per month until the amount of the deposit is reached.

The pet deposit and pet waste removal charges are **not** part of rent payable by the resident.

The LACDA may use the pet deposit only to pay reasonable expenses directly attributable to the presence of the pet in the Housing Development, including (but not limited to) the cost of repairs and replacements to, and fumigation of, the tenant's dwelling unit and the cost of animal care facilities under 24 CFR § 5.363. The LACDA shall refund the unused portion of the pet deposit to the tenant within a reasonable time after the tenant moves from the Housing Development or no longer owns or keeps a cat or dog in the dwelling unit.

The LACDA will refund the Pet Deposit to the resident, less any damage caused by the pet(s) to the dwelling unit, upon removal of the pet or the owner from the unit.

The LACDA will provide the resident or designee identified above with a written list of any charges against the pet deposit. If the resident disagrees with the amount charged to the pet deposit, the LACDA will provide a meeting to discuss the charges.

L. EMERGENCIES

The LACDA shall be permitted, as authorized by the Lease Agreement, to undertake the following actions in response to an emergency:

- (1) If there is no State or local authority (or designated agent of such an authority) authorized under applicable State or local law to remove a pet that becomes vicious, displays symptoms of severe illness, or demonstrates other behavior that constitutes an immediate threat to the health or safety of the tenancy as a whole, the LACDA may place a provision in tenant leases permitting the LACDA to enter the premises (if necessary), remove the pet, and take such action with respect to the pet as may be permissible under State and local law, which may include placing it in a facility that will provide care and shelter for a period not to exceed 30 days.
- (2) If authorized by the lease agreement, the LACDA shall be permitted to enter the premises and remove the pet or take such other permissible action only if the LACDA requests the pet owner to remove the pet from the project immediately, and the pet owner refuses to do so, or if the project owner is unable to contact the pet owner to make a removal request. The lease may not contain a provision relieving the LACDA from liability for wrongful removal of a pet. The cost of the animal care facility shall be paid as provided in 24 CFR § 5.363.
- (3) The LACDA may place a provision in tenant leases permitting the LACDA the right to enter the premises, remove the pet, and place the pet in a facility that will provide care

The LACDA shall be authorized to take the following action in furtherance of the protection of pets.

(1) If the health or safety of a pet is threatened by the death or incapacity of the resident/pet owner, or by other factors that render the resident/pet owner unable to care for the pet, the LACDA may contact the responsible party or parties listed in the pet registration required under 24 CFR § 5.350(d)(1)(iii).

(2) If the responsible party or parties are unwilling or unable to care for the pet, or the LACDA, despite reasonable efforts, has been unable to contact the responsible party or parties, the project owner may contact the appropriate State or local authority (or designated agent of such an authority) and request the removal of the pet.

(3) If there is no State or local authority (or designated agent of such an authority) authorized to remove a pet under these circumstances and the LACDA has placed a provision in the lease agreement (as described in Sec. 5.360(c)(2)), the LACDA may enter the pet owner's unit, remove the pet, and place the pet in a facility that will provide care and shelter until the resident/pet owner or a representative of the resident/pet owner is able to assume responsibility for the pet, but not longer than 30 days.

[24 CFR 960.701]

INTRODUCTION

This policy sets forth the LACDA's policies and procedures for the ownership and care of common household pets in general occupancy public housing developments owned and or managed by the LACDA. This policy is also intended to ensure that no applicant or resident is discriminated against regarding admission or continued occupancy because of ownership of a pet. It also establishes reasonable rules governing the keeping of common household pets.

Nothing in this policy or the dwelling lease limits or impairs the right of persons with disabilities to own animals that are used to assist them.

A. ANIMALS THAT ASSIST PERSONS WITH DISABILITIES

This Pet Policy does **NOT** apply to assistance and service animals or their owners, including payment of a refundable pet deposit. Nothing in this policy or the dwelling lease limits or impairs the right of persons with disabilities to own animals that are used to assist them.

A service animal is an animal, usually a dog, which is individually trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual, or other mental disability. A resident who requests for a service animal does not require a submittal of a reasonable accommodation verification form as delineated in Chapter 1. The LACDA may only ask whether the animal is a service animal required due to a disability, and what tasks the animal has been trained to perform.

1. The LACDA will not require proof of training or certification for a service animal, even if the disability and/or tasks performed are not readily apparent.
2. If the disability and/or tasks performed are not readily apparent, no further inquiries may be made.

An assistance animal may include animals other than dogs, which provide emotional support to persons with disabilities when there is a disability-related need for such support. Assistance animals are not required to be trained or certified. Residents who need an assistance animal must follow the reasonable accommodation request procedures delineated in Chapter 1.

In accordance with Section 504 of the Rehabilitation Act and the Fair Housing Act, pet rules will not be applied to animals that assist persons with disabilities except as provided below:

There is reliable objective evidence that the animal poses a direct threat to the health or safety of others that cannot be reduced or eliminated by a reasonable accommodation;

There is reliable objective evidence that the animal would cause substantial physical damage to the property of others;

The presence of the assistance animal would pose an undue financial and administrative burden to the provider; or

The presence of the assistance animal would fundamentally alter the nature of the provider's services.

A determination that an animal that assists a person with a disability poses a threat of harm to others or would cause substantial physical damage to the property of others must be based on an individualized assessment that relies on objective evidence about the specific animal's actual conduct.

A service and assistance animal is permitted in all areas of the facility where members of the public are allowed, and including the tenant's unit. Additionally, all lease provisions apply, including maintaining a clean, sanitary unit and ensuring neighbors enjoy the premises in a peaceful, quiet, nonthreatening environment. Breed, size, and weight limitations may not be applied to a service or assistance animal.

B. LACDA APPROVAL OF PETS

All pets must be approved in advance by the LACDA.

Pets must meet the LACDA's pet standards and the tenant and the LACDA must enter into a Pet Agreement.

Pets must be registered with the LACDA at least ten (10) days before the pet is brought onto the premises and must submit proof of license and inoculation at least 30 calendar days prior to each annual certification. Pets need to be inoculated in accordance with California State and local law and regulations.

Each pet owner must provide two color photographs of their pet(s) and display a “Pet Here” sticker,

provided by the LACDA, which will be displayed on the front door of the unit at all times. Approval for the keeping of a pet shall not be extended pending the completion of these requirements.

Registration must include:

- (e) a certification of inoculation signed by a licensed veterinarian or a State or local authority (or designated agent of such an authority) stating that the pet has received all inoculations required by State or local law.
- (f) Information sufficient to identify the pet and to demonstrate that it is a common household pet, including, a color photograph of their pet(s) and display a “Pet Here” sticker, provided by the LACDA, which will be displayed on the front door of the resident/pet owner’s unit at all times.

- (f) If the keeping of the pet would violate any applicable house pet rule.
- (g) If the resident/pet owner fails to provide complete pet registration information or fails annually to update the pet registration.
- (h) The LACDA reasonably determines, based on the resident/pet owner’s habits and practices, that the resident/pet owner will be unable to keep the pet in compliance with the pet rules and other lease obligations. The pet’s temperament may be considered as a factor in determining the prospective resident/pet owner’s ability to comply with the pet rules and other lease obligations.

The LACDA shall provide notice of a decision refusing to register a pet and such notice shall further inform the resident/pet owner of the basis of that decision and of the resident/pet owner’s grievance rights. Notice of a decision shall be served in conformance with the requirements of 24 CFR § 5.353(f).

E. PET AGREEMENT

Residents who have been approved to have a pet must adhere to the following rules:

1. Agree that the resident is responsible and liable for all damages caused by their pet(s).

2. No animals may be tethered or chained inside the dwelling unit.
3. When outside the dwelling unit, all pets must be on a leash or in an animal transport enclosure and under the control of a responsible individual.

Litter shall not be disposed of by being flushed through a toilet.
5. Litter boxes shall be stored inside the resident's dwelling unit or in animal enclosures maintained within dwelling units AND must be removed and/or replaced regularly. Failure to do so will result in a Pet Waste Removal charge.

11. The right of management to seek impoundment and sheltering of any animal found to be maintained in violation of housing rules, pending resolution of any dispute regarding such violation, at owner's expense. The resident shall be responsible for any impoundment fees, and the LACDA accepts no responsibility for pets so removed.
12. That failure to abide by any animal-related requirement or restriction constitutes a violation of the "Resident Obligations" in the resident's Lease Agreement.

F. DESIGNATION OF PET/NO-PET AREAS

The following areas are designated no-pet areas: LACDA playgrounds, management offices, community centers, and recreation center areas.

G. FEES AND DEPOSITS FOR PETS

The resident/pet owner shall be required to pay a refundable deposit of \$200.00 per unit for the purpose of defraying all reasonable costs directly attributable to the presence of a pet. The deposit fee shall not apply to birds and fish.

The LACDA will refund the Pet Deposit to the resident, less any damage caused by the pet to the dwelling unit, upon removal of the pet or the owner from the unit.

The LACDA will provide the resident or designee identified above with a written list of any charges against the pet deposit. If the resident disagrees with the amount charged to the pet deposit, the LACDA will provide a meeting to discuss the charges.

All reasonable expenses incurred by the LACDA as a result of damages directly attributable to the presence of the pet in the dwelling unit will be the responsibility of the resident, including:

The cost of repairs and replacements to the resident's dwelling unit;

Fumigation of the dwelling unit;

Common areas of the development if applicable.

H. ALTERATIONS TO UNIT

Residents/pet owners shall not alter their unit, patio, premises or common areas to create an enclosure for any animal. Installation of pet doors is prohibited.

Single bedroom dwelling units are limited to no more than one pet of any kind.

I. ADDITIONAL REQUIREMENTS

Pet owners must take precautions to eliminate pet odors.

Residents will prevent disturbances by their pets that interfere with the quiet enjoyment of the premises of other residents in their units or in common areas. This includes, but is not limited to loud or continuous barking, howling, whining, biting, scratching, chirping, or other such activities.

Residents shall not feed stray animals; doing so, or keeping stray or unregistered animals will be considered having a pet without permission.

J. PET WASTE REMOVAL CHARGE

A separate pet waste removal charge of \$50 per occurrence will be assessed against the resident for violations of the pet policy.

Pet deposit and pet waste removal charges are not part of rent payable by the resident.

K. PET CARE

No pet (excluding fish) shall be left unattended in any apartment for a period in excess of 24 hours.

All residents/pet owners shall be responsible for adequate care, nutrition, exercise and medical attention for his/her pet.

In the event the resident relocates to non-LACDA owned property (such as privately-owned apartment complex or hotel) at the request of the LACDA to complete emergency repairs to the resident's unit and/or to complete modernization and/or rehabilitation activities, the resident shall have the responsibility for the board and care of their pet during the duration of the resident's relocation to non-LACDA owned property.

L. RESPONSIBLE PARTIES

The resident will provide the following information when registering their pet: Name, address and telephone number of the veterinarian who will be providing regular care for the pet; name of the adult household member who will be primarily responsible for animal care; name and contact information for a household member who will return home in the event an animal experiences distress or causes a disturbance when left alone; contact information for a non-household member who will respond to emergency situations regarding the pet in question.

M. PET RULE VIOLATION NOTICE

If a determination is made on objective facts supported by written statements that a resident/pet owner has violated the Pet Rule Policy, the LACDA will serve a 30-Day Notice to Cure or Quit.

N. NOTICE FOR PET REMOVAL

If the resident/pet owner and the LACDA are unable to resolve the violation at the meeting or the pet owner fails to correct the violation in the time period allotted by the LACDA, the LACDA may serve notice to remove the pet. The Notice shall contain:

A brief statement of the factual basis for the LACDA's determination of the Pet Rule that has been violated; and

A statement that failure to remove the pet may result in the initiation of termination of tenancy procedures.

O. TERMINATION OF TENANCY

The LACDA may initiate procedure for termination of tenancy based on a pet rule violation if:

The pet owner has failed to remove the pet or correct a pet rule violation within the time period specified; and

The pet rule violation is sufficient to begin procedures to terminate tenancy under terms of the lease.

P. PET REMOVAL

If the death or incapacity of the pet owner threatens the health or safety of the pet, or other factors occur that render the owner unable to care for the pet, the situation will be reported to the Responsible Party designated by the resident/pet owner. Includes pets who are poorly cared for or have been left unattended for over 24 hours.

If the responsible party is unwilling or unable to care for the pet, or if the LACDA after reasonable efforts cannot contact the responsible party, the LACDA may contact the appropriate State or local agency and request the removal of the pet.

Q. EMERGENCIES

The LACDA will take all necessary steps to insure that pets which become vicious, display symptoms of severe illness, or demonstrate behavior that constitutes an immediate threat to the health or safety of others, are referred to the appropriate State or local entity authorized to remove such animals.

If it is necessary for the LACDA to place the pet in a shelter facility, the cost will be the responsibility of the resident/pet owner.

Chapter 11

STANDARDS FOR CONTINUED OCCUPANCY AND RECERTIFICATIONS

[24 CFR 5.613, 24 CFR 5.61524; 24 CFR Part 960, Subpart C]

INTRODUCTION

This chapter defines the LACDA's policy for conducting annual re-certifications. It also explains the interim reporting requirements for families, and the standards for continued occupancy.

A. ELIGIBILITY FOR CONTINUED OCCUPANCY

Residents who meet the following criteria will be eligible for continued occupancy:

Qualify as a family as defined in this policy;

Are in full compliance and able to abide with all the obligations and responsibilities described in the Lease Agreement;

For family members who have submitted their Social Security numbers (or have certifications on file that they do not have a Social Security number);

For family members who have submitted required citizenship/eligible immigration status/non-contending documents.

Are not subject to sex offender lifetime registration under a State sex offender registration program.

B. ANNUAL RECERTIFICATION

In order to be recertified, families are required to provide current and accurate information on income, assets, allowances and deductions, and family composition. Families are required to report and certify this information by completing a Personal Declaration with the LACDA. Additionally, families must complete HUD form-92006 "Supplement to Application for Federally Assisted Housing" annually at recertification which updates, removes or changes resident contact and emergency information. All documents provided to the LACDA must be legible.

Timing of the Annual Recertification

Families who choose flat rent are to be recertified every three years. For those families that choose to pay the Flat Rent, the amount the family pays is not locked in for the three year period. Instead, the LACDA revises the flat rent amount annually based on the findings of the LACDA's rent reasonableness and changes to the SAFMRs. Families currently paying the flat rent amount will be offered the choice between the updated flat rent amount, and the previously calculated income-based rent.

For families who move in on the first of the month, the annual re-certifications will be completed within 12 months of the anniversary of the move-in date. (Example: If family moves in August 1, the annual recertification will be conducted to be effective on August 1, the following year).

For families who move after the first of the month, the annual recertification will be completed no later than the first of the month in which the family moved in, the following year. (Example: If family moves in August 15, the effective date of the next annual recertification is August 1.)

When families transfer to another property (i.e., OPT transfer), an annual recertification may be conducted and a new Lease Agreement shall be executed, but under no circumstances shall the annual recertification take place later than twelve months. For unit-to-unit transfers within the same property, an annual recertification may take place depending upon the circumstances of the transfer (i.e., change in family composition) and the proximity to the Lease anniversary date.

Lease Anniversary Date and the Annual Recertification

In order to have consistency between the Lease Anniversary and the Annual Recertification, the LACDA will adhere to the following:

Upon move-in, the date the resident and the LACDA execute the Lease Agreement will be the same effective date as the HUD Form 50058 (for example, the resident signs the Lease Agreement on November 1st, which will be the same date on the 50058 effective date).

The terms of the Lease Agreement, as stated previously, will be for a 12-month period (i.e., November 1st through October 31st of the following year) and the 50058 will be completed to coincide with the anniversary date (for Lease Agreements executed on the first of the month).

However, for Lease Agreements executed after the 1st of the month (i.e., November 15th), the recertification date for the following year will take place on the first of the month in which the family moved in (i.e., November 1st of the following year).

Recertification Notice to the Family

All families will be notified in writing of their obligation to recertify annually. The notification shall be provided at least 120 calendar days in advance of the anniversary date. If requested as an accommodation by a person with a disability, the LACDA will provide the notice in an accessible format. The LACDA will also mail the notice to a third party, if requested as reasonable accommodation for a person with disabilities. These accommodations will be granted upon verification that they meet the need presented by the disability.

Persons with Disabilities

Persons with disabilities, who are unable to come to the LACDA's office will be granted an accommodation of conducting the interview at the person's home/by mail/hospital, upon verification that the accommodation requested meets the need presented by the disability.

Requirements to Attend

All adult family members may be required to attend the recertification interview and sign the

Personal Declaration for continued occupancy.

If the head of household is unable to attend the interview the appointment will be rescheduled.

Failure to Respond to Notification to Recertify

The written notification will explain which family members are required to attend the recertification interview. The family may call to request another appointment date up to five calendar days prior to the interview.

If the family does not appear for the recertification interview, and has not rescheduled or made prior arrangements with the LACDA, the LACDA will reschedule a second appointment.

Exceptions to these policies may be made by the Property Manager if the family is able to document an emergency situation that prevented them from canceling or attending the appointment.

Documents Required from the Family

In the notification letter to the family, the LACDA will include instructions for the family to bring the following:

- Documentation of income for all family members

- Documentation of liquid and non-liquid assets

- Documentation to substantiate any deductions or allowances

- Personal Declaration Form completed and signed by all adult family members

- HUD form-92006 to update, remove or change the contact information

Verification of Information

All information which affects the family's continued eligibility for the program, and the family's Total Tenant Payment (TTP) will be verified in accordance with the verification procedures and guidelines described in this ACOP. Verifications used for recertification must be less than 120 days old. All verifications will be placed in the file, which has been established for the family.

When the information has been verified, it will be analyzed to determine:

- The continued eligibility of the resident as a *family* or as the *remaining member* of a family;

- The unit size required by the family;

- The amount of rent the family should pay.

Changes in the Tenant Rent

If there is any change in rent, including change in family's choice in rent, a Notice of Rent

Adjustment will be issued [24 CFR 966.4(c)].

Tenant Rent Increases

If the tenant rent increases, a thirty-day notice will be mailed to the family and the rent increase will be effective on their anniversary date.

If less than thirty days are remaining before the anniversary date, the tenant rent increase will be effective on the first of the second month following the thirty-day notice.

If there has been a misrepresentation or a material omission by the family, or if the family causes a delay in the recertification processing, there will be a retroactive increase in rent to the anniversary date.

Tenant Rent Decreases

If tenant rent decreases, it will be effective on the anniversary date.

If the family causes a delay so that the processing of the recertification is not complete by the anniversary date, rent change will be effective on the first day of the month following completion of the recertification processing by the LACDA.

C. REPORTING INTERIM CHANGES

Families have an obligation to **report to management within 10 calendar days of its occurrence** if there is an additional source of income for any eligible family member and/or change in income or the addition of a family member to the household at any time during their tenancy, including between annual re-certifications. This includes loss or addition of one or more family members through death, divorce, birth, adoption, court-awarded custody and/or where a social service agency (i.e. DPSS, DCFS, etc.) has approved the addition of a minor child to the household. The family must obtain LACDA approval prior to all other additions to the household. **An interim recertification will always be conducted due to a change in household composition and income decreases.** All income for a new family member will be counted and used to calculate the family's TTP.

Failure to disclose the aforementioned information is a material breach of the Lease Agreement. If the Resident or a member of his/her household misrepresents facts, omits any pertinent information, or fails to inform Management of information it requires for an annual reexamination or interim rent adjustment and these failures result in a lower rent than should have been charged, Management, in its sole discretion, may terminate the Lease for a material breach and/or make the rent increase retroactive to the date it would have been effective.

An interim recertification will be scheduled for families with zero income every 90 days. Additionally, the LACDA, at its discretion, can also schedule reviews in between regularly scheduled reviews to determine if an interim recertification is required.

If, during the course of an interim reexamination conducted for a reported decrease in income, it is discovered that a family member is no longer eligible for an allowance (i.e. a minor has turned 18 and is no longer a full-time student), LACDA staff will determine how the loss of allowance

will affect the TTP. If the loss of allowance results in an increase to the TTP, even though the family's income has decreased, the LACDA will not complete the interim reexamination unless requested by the family to do so.

If, during the course of an interim reexamination conducted for a reported change in family composition, it is discovered that a family member is no longer eligible for an allowance, the LACDA will continue to process the interim reexamination regardless of the effect on the TTP.

The U.S. citizenship/eligible immigrant status of additional family members must be declared and verified prior to the approval by the LACDA of the family member being added to the lease.

D. INTERIM RECERTIFICATION POLICY

An interim recertification will be scheduled for **families with zero income every 90 days**; including interims for income decreases and increases, and changes in family composition. Interims should also continue to be conducted for families' on EID or on the Family Self-Sufficiency (FSS) program.

Increases in Income and Rent Adjustments

The LACDA's policy is not to raise rent between annual recertifications, except in the case of a change in family composition and/ or if a family requests an interim to be processed. If the information provided results in an increase in tenant rent, the LACDA will not conduct an interim reexamination, unless specifically requested by the family to do so.

This policy does not apply to reported changes in family composition. All income for a new family member will be counted and used to calculate the family's TTP. If this information results in an increase in tenant rent, the family will be given a 30-day notice before the new rent amount is effective.

For families that have a temporary loss of income (less than 90 days), an interim will be conducted to reduce the TTP amount and a subsequent interim will be conducted once the income resumes. This does not apply to seasonal employees.

Decreases in Income and Rent Adjustments

Residents may report a decrease in income and other changes, such as an increase in allowances or deductions, which would reduce the amount of the total tenant payment.

The LACDA will initiate third-party verification of the decrease in income no later than five calendar days after the resident reports the change to the LACDA. The LACDA will process a rent adjustment to be effective on the first day of the calendar month following the month in which the change in circumstances is reported. If the reduction in income is reported after the LACDA's cut-off date for the following months rent set-up, Management will charge the resident the former, higher rent, subject to a credit when the circumstances of reduction are verified.

Interim Reexamination for Seasonal Employees

For seasonal employees, the LACDA calculates the actual anticipated income from all known sources for the entire year. For these residents there will be no interim reexamination when the income changes as it is already anticipated.

A seasonal employee will work less than 12 months per year. For example: school employees, agricultural workers, or construction trades may typically work for fewer months in a 12 month period.

No Action

The LACDA will not process an interim reexamination if the family reports a loss of welfare benefits due to fraud, failure to participate in economic self-sufficiency programs, or noncompliance with a work activities requirement.

Social Security Overpayments

If the family has experienced a decrease in Social Security or SSI income due to an overpayment, the LACDA will calculate income based on the net amount only for the specific period of the decrease. Once the overpayment period is over, the LACDA will process an interim reexamination using the gross amount of Social Security or SSI.

E. INCOME CHANGES RESULTING FROM WELFARE PROGRAM REQUIREMENTS

The LACDA will not reduce the public housing rent for families whose welfare assistance is reduced due to a “specified welfare benefit reduction,” which is a reduction in welfare benefits due to:

Fraud by a family member in connection with the welfare program; or

Noncompliance with a welfare agency requirement to participate in an economic self-sufficiency program.

A “specified welfare benefit reduction” does not include a reduction of welfare benefits due to:

The expiration of a lifetime time limit on receiving benefits; or

A situation where the family has complied with welfare program requirements but cannot or has not obtained employment, such as:

The family has complied with welfare program requirements, but the durational time limit, such as a cap on the length of time a family can receive benefits, causes the family to lose their welfare benefits.

Noncompliance with other welfare agency requirements.

Definition of “Covered Family”

A household that receives benefits for welfare or public assistance from a State or public agency program which requires, as a condition of eligibility to receive assistance, the participation of a

family member in an economic self-sufficiency program.

Definition of “Imputed Welfare Income”

The amount of annual income, not actually received by a family, as a result of a specified welfare benefit reduction, that is included in the family’s income for purposes of determining rent.

The amount of imputed welfare income is determined by the LACDA, based on written information supplied to the LACDA by the welfare agency, including:

- The amount of the benefit reduction

- The term of the benefit reduction

- The reason for the reduction

- Subsequent changes in the term or amount of benefit reduction

Imputed welfare income will be included at annual and interim recertifications during the term of reduction of welfare benefits.

The amount of imputed welfare income will be offset by the amount of additional income a family receives that begins after the sanction was imposed. When additional income is at least equal to the imputed welfare income, the imputed income will be reduced to zero.

If the family was not an assisted resident of public housing when the welfare sanction began, imputed welfare income will not be included in annual income.

Verification Before Denying a Request to Reduce Rent

The LACDA will obtain written verification from the welfare agency stating that the family’s benefits have been reduced for fraud or noncompliance before denying the family’s request for rent reduction.

The LACDA will rely on the welfare agency’s written notice to the LACDA regarding welfare sanctions.

Cooperation Agreements

The LACDA has an unwritten cooperation agreement in place with the local welfare agency which assists the LACDA in obtaining the necessary information regarding welfare sanctions.

The LACDA has taken a proactive approach to culminating an effective working relationship between the LACDA and the local welfare agency for the purpose of targeting economic self-sufficiency programs throughout the community that are available to public housing residents.

The LACDA and the local welfare agency have mutually agreed to notify each other of any economic self-sufficiency and/or other appropriate programs or services that would benefit public housing residents.

Family Dispute of Amount of Imputed Welfare Income

If the family disputes the amount of imputed income and the LACDA denies the family's request to modify the amount, the LACDA will provide the resident with a notice of denial, which will include:

An explanation for the LACDA's determination of the amount of imputed welfare income

A statement that the resident may request a grievance hearing

If the resident requests a grievance hearing, the resident is not required to pay an escrow deposit pursuant to 966.55(e) for the portion of tenant rent attributable to the imputed welfare income.

F. OTHER INTERIM REPORTING ISSUES

An interim recertification will be scheduled for families with zero income every 90 days.

Any changes reported by residents other than those listed in this section will not be processed between regularly scheduled annual re-certifications.

LACDA Errors

If the LACDA makes a calculation error at admission to the program or at an annual recertification, an interim recertification will be conducted to correct the error. If the family had been undercharged as a result of the calculation error, the family will not be charged retroactively. If the family had been overcharged as a result of the calculation error, the family will receive a rent credit retroactively.

G. TIMELY REPORTING OF CHANGES IN INCOME (AND ASSETS)

Standard for Timely Reporting of Changes for Reexaminations and Interims

The LACDA requires that families report any changes, such as change in family composition, to the LACDA within ten calendar days of when the change occurs. Any information, document or signature needed from the family needed to verify the change must be provided within three calendar days of the reported change.

If the change is not reported within the required time period, or if the family fails to provide signatures, certifications or documentation, (in the time period requested by the LACDA), it will be considered untimely reporting.

Procedures When the Change Is Reported in a Timely Manner

The LACDA will notify the family of any changes in Tenant Rent to be effective according to the following guidelines:

Increases in the Tenant Rent is effective on the first day of the second calendar month following the month in which the change in circumstance occurred with at least thirty days'

notice to the family. It is the LACDA's policy to not process interim increases in Tenant Rent between regular annual re-certifications except if the family's requests an interim to be processed or if there is a change in family composition.

Decreases in the Tenant Rent are effective the first of the month following the month in which the change is reported.

Procedures When the Change Is Not Reported by the Tenant in a Timely Manner

If the family does not report the change as described under Timely Reporting, the family will have caused an unreasonable delay in the interim or annual recertification processing and the following guidelines will apply:

Increase in Tenant Rent will be effective retroactive to the date the increase in income became effective. The family will be liable for any underpaid rent, and may be required to sign a Repayment Agreement. The Repayment Agreement will require that the family pay an initial lump sum (in an amount determined by the LACDA) with the remaining balance to be paid in equal payments over a period of time not to exceed 12 months for amounts under \$2400 or 24 months for any amount in excess of \$2400.

Decrease in Tenant Rent will be effective on the first of the month following completion of processing by the LACDA and not retroactively.

Procedures When the Change Is Not Processed by the LACDA in a Timely Manner

"Processed in a timely manner" means that the change goes into effect on the date it should when the family reports the change and provides all information, documents and signatures in a timely manner. If the change cannot be made effective on that date, the change is not processed by the LACDA in a timely manner.

Therefore, an increase will be effective after the required thirty days' notice prior to the first of the month after completion of processing by the LACDA.

If the change resulted in a decrease, the overpayment by the family will be calculated retroactively to the date it should have been effective, and the family will be credited for the amount.

H. REPORTING OF CHANGES IN FAMILY COMPOSITION

The members of the family residing in the unit must be approved by the LACDA. The family must inform the LACDA and request approval of additional family members other than additions due to birth, adoption, foster adults, court-awarded custody and/or of a minor approved by a social service agency (i.e. DPSS, DCFS, etc.) before the new member occupies the unit.

All changes in family composition, including additions due to birth, adoption, foster adult, court-awarded custody of a minor approved by a social service agency, must be reported within ten calendar days of the occurrence in writing. If an adult family member is declared permanently absent by the head of household, the notice must contain a certification by the head of household [or spouse] that the member (who may be the head of household) removed is permanently absent.

HUD approved the designation of the housing developments listed below as Elderly-Only on August 27, 2013. If a resident living at an Elderly-Only housing development requests to add a new household member to their Lease after August 27, 2013, the new household member must be 62 years or older.

Increase in Family Size

The LACDA will consider a unit transfer (if needed under the Occupancy Guidelines) for additions to the family in the following cases:

Addition by marriage/or marital-type relation and the minor children of that person

Addition of a minor child of the head of household, co-head, spouse or marital-type partner who had been living elsewhere

Addition of a LACDA-approved live-in aide

Addition of an adult child due to recent discharge from the military

Addition of a disabled adult parent or child of the head of household/co-head who requires disability-required care

Addition due to birth, adoption, foster adults, court-awarded custody and/or of a minor approved by a social service agency

If addition(s) to the family require a larger size unit due to overcrowding, the change in unit size shall be made effective upon availability of an appropriately sized unit.

Definition of Temporarily/Permanently Absent

The LACDA must compute all applicable income of every family member who is on the lease, including those who are temporarily absent.

Income of persons permanently absent will not be counted. If the spouse/ marital-type partner is temporarily absent and in the military, all military pay and allowances (except hazardous duty pay when exposed to hostile fire and any other exceptions to military pay HUD may define) is counted as income.

It is the responsibility of the head of household to report changes in family composition. The LACDA will evaluate absences from the unit in accordance with this policy.

Absence of Entire Family

These policy guidelines address situations when the family is absent from the unit, but has not moved out of the unit. In cases where the family has moved out of the unit, the LACDA will terminate tenancy in accordance with the appropriate lease termination procedures contained in this Policy.

Families are required to notify the LACDA before they move out of a unit in accordance with the lease and to give the LACDA information about any family absence from the unit.

“Absence” means that no family member is residing in the unit.

In order to determine if the family is absent from the unit, the LACDA may:

- Conduct a home visit
- Write letters to the family at the unit
- Post letters on exterior door
- Telephone the family at the unit
- Interview neighbors
- Verify if utilities are in service
- Check with Post Office for forwarding address
- Contact emergency contact

If the entire family is absent from the unit for more than 30 consecutive days, whether or not rent has been paid, the unit will be considered to be abandoned and the LACDA will terminate the Lease Agreement.

As a reasonable accommodation for a person with a disability, the LACDA may approve an extension. (See Absence Due to Medical Reasons for other reasons to approve an extension.) During the period of absence, the rent and other charges must remain current.

Absence of Any Member

Any member of the household will be considered permanently absent and removed from the lease if s/he is away from the unit for 90 days in a 12-month period except as otherwise provided in this chapter.

The LACDA, at its discretion, may initiate a transfer of the remaining household members to an appropriately-sized unit in accordance with the Occupancy standards (see Chapter 4).

Absence Due to Medical Reasons

If any family member leaves the household to enter a facility such as hospital, nursing home, or rehabilitation center, the LACDA will seek advice from a reliable qualified source as to the likelihood and timing of their return. If the verification indicates that the family member will be permanently confined to a nursing home, the family member will be considered permanently absent. If the verification indicates that the family member will return in less than 120 consecutive days, the family member will not be considered permanently absent, as long as rent and other charges remains current. A resident may request a reasonable accommodation to have a longer absence approved. The LACDA has full discretion of approval, and will make determinations on a case by case basis.

If the person who is determined to be permanently absent is the sole member of the household, assistance will be terminated in accordance with the LACDA's "Absence of Entire Family" policy.

Absence Due to Incarceration

If the sole member is incarcerated for more than 90 consecutive days, s/he will be considered permanently absent. Any member of the household, other than the sole member, will be considered permanently absent if s/he is incarcerated for 90 consecutive days. The rent and other charges must remain current during this period.

Foster Care and Absences of Children

If the family includes a child or children temporarily absent from the home due to placement in foster care, the LACDA will determine from the appropriate agency when the child/children will be returned to the home.

If the time period is to be greater than 180 days from the date of removal of the child(ren), the family will be required to move to a smaller size unit. If all children are removed from the home permanently, the unit size will be reduced in accordance with the LACDA's occupancy guidelines.

I. REMAINING MINOR MEMBER OF RESIDENT FAMILY—RETENTION OF UNIT

If neither parent remains in the household, nor the appropriate agency has determined that another adult is to be brought into the assisted unit to care for the children for an indefinite period, the

LACDA will treat that adult as a visitor for the first 90 calendar days. This will be noted as an exception to the LACDA's Visitor Policy.

If by the end of that period, court-awarded custody or legal guardianship has been awarded to the caretaker, and the caretaker qualifies under Tenant Suitability criteria, the lease will be transferred to the caretaker.

If the court has not awarded custody or legal guardianship, but the action is in process, the LACDA will secure verification from social services staff or the attorney as to the status.

The LACDA will transfer the lease to the caretaker, in the absence of a court order, if the caretaker qualifies under the Tenant Suitability criteria and has been in the unit for more than 90 days and it is reasonable to expect that custody will be granted.

When the LACDA approves a person to reside in the unit as caretaker for the child(ren), the income of the caretaker should be counted pending a final disposition. The LACDA will work with the appropriate service agencies to provide a smooth transition in these cases.

If a member of the household is subject to a court order that restricts him/her from the home for more than 90 days, the person will be considered permanently absent.

If an adult child goes into the military and leaves the household, they will be considered permanently absent.

Full time students who attend school away from the home and live with the family during school recess will be considered temporarily absent from the household.

A minor, who was part of the household, can also qualify as a "remaining member of the resident family". A minor will be authorized to remain in the unit by establishing emancipation or by adding another adult, who has been determined eligible and suitable by the LACDA, to the Lease. The added adult will become the new head of household. When such situations arise, the LACDA will work with the minor's advocate, which may be another adult relative or DCFS caseworker, to determine the appropriate course of action and time necessary for the minor to meet one of the two criteria to remain in the unit.

J. REMAINING ADULT MEMBER OF RESIDENT FAMILY—RETENTION OF UNIT

Under certain circumstances, an existing member of a household has the right to remain in the unit following the death or departure of the head of household to non-subsidized housing. This section is not intended to apply to circumstances where the household is the subject of a pending eviction, lease enforcement action or where the household is not in good standing. For purposes of this section, an existing member of the household may be considered a "remaining member of the resident family" under the following circumstances:

- (a) To be considered the "remaining member of the resident family", the person must be an adult previously approved by the LACDA to be living in the unit and must have signed the lease in his or her capacity as an adult occupant. Prior to being approved as a "remaining member of the resident family", the person must successfully undergo criminal screening and be deemed eligible and suitable under Chapter 2 of the ACOP.

A live-in aide or a care-giver, by definition, are not members of the household and will not be considered a “remaining member of the resident family”.

A reduction in family size shall require a transfer to an appropriate unit size per the Occupancy Standards.

The LACDA shall grant exceptions from the occupancy standards if the family requests and the LACDA determines the exceptions are justified according to this policy.

The LACDA will consider the size of the unit and the size of the bedrooms, as well as the number of bedrooms, when an exception is requested (Refer to chapter on Occupancy Standards).

K. CONTINUANCE OF ASSISTANCE FOR “MIXED” FAMILIES

Under the Non-Citizens Rule, “mixed” families are families that include at least one citizen or eligible immigrant and any number of ineligible members.

“Mixed” families who were participants on June 19, 1995, shall continue receiving full assistance if they meet the following criteria:

The head of household, co-head or spouse/marital-type partner is a U.S. citizen or has eligible immigrant status; AND

The family does not include any ineligible immigrants other than the head of household, spouse/marital-type partner or parents or children of the head, co-head or spouse/marital-type partner.

Mixed families who qualify for continued assistance after 11/29/96 may receive prorated assistance only.

If the mixed families do not qualify for continued assistance, the member(s) that cause the family to be ineligible for continued assistance may move, or the family may choose prorated assistance (See chapter titled “Factors Related to Total Tenant Payment Determination”). The LACDA may no longer offer temporary deferral of termination (see chapter on Lease Terminations).

Chapter 12

LEASE TERMINATIONS

[24 CFR 966.4]

INTRODUCTION

The LACDA may terminate tenancy for a family based on the resident's action(s) or failure to act in accordance with HUD regulations [24 CFR 966.4 (1)(2)], and the terms of the Public Housing Lease Agreement. This chapter describes the LACDA's policies for notification of lease termination and provisions of the Lease Agreement.

A. TERMINATION BY RESIDENT

The resident may terminate their Lease Agreement by providing the LACDA with a written thirty-day advance notice as defined in the Lease Agreement. The LACDA in its sole discretion, may reinstate the tenancy of a family within 120 days after move-out. The resident must have been in good standing with the LACDA. Good standing means the resident has demonstrated prompt rent paying habits; the resident has demonstrated and maintained adequate housekeeping standards; the resident has a good overall record since living in public housing. Once the LACDA has approved the former resident's request for re-instatement, the LACDA will conduct an annual re-exam and enter into a new Lease Agreement with the family. If there is no appropriately sized unit for the household based on the LACDA's occupancy standards, the household must wait until a unit becomes available.

B. TERMINATION BY LACDA

The lease may be terminated at any time by the LACDA who shall give written notice for serious or repeated violation of the terms of the lease, such as, but not limited to:

Nonpayment of rent or other charges due under the Lease, or chronic late payment of rent (3 times in a 12-month period is considered chronic)

Failure to provide timely and accurate statements of income, assets, expenses and family composition at Admission, Interim, Special or Annual Rent Re-certifications

Assignment or subleasing of the premises or providing accommodation for boarders or lodgers

Use of the premises for purposes other than solely as a dwelling unit for the Resident and Resident's household as identified in this Lease, except as approved by the LACDA for a home based occupation

Failure to abide by reasonable rules made by the LACDA for the benefit and well-being of the housing development and the Residents

Failure to abide by applicable building and housing codes materially affecting health or

safety

Failure to dispose of garbage waste and rubbish in a safe and sanitary manner

Failure to use electrical, plumbing, sanitary, heating, ventilating, air conditioning and other equipment, including elevators, in a safe manner

Acts of destruction, defacement or removal of any part of the premises, or failure to cause guests to refrain from such acts

Failure to pay reasonable charges (other than for normal wear and tear) for the repair of damages to the premises, development buildings, facilities, equipment, or common areas

Sex offender lifetime registrants

Being subject to sex offender lifetime registration under a State sex offender registration program will be grounds for eviction.

Criminal activity

Residents must refrain from and ensure that household members and guests refrain from engaging in drug-related and/or violent criminal activity on or off the housing development premises. Violent criminal activity is any criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force substantial enough to cause, or be reasonably likely to cause, serious bodily injury or property damage. The illegal manufacture, sale, distribution or use of, or possession with the intent to manufacture, sell, distribute or use, a controlled substance constitutes a drug-related criminal activity. Residents on or off the housing development premises and having a controlled substance in his/her system are in violation of the lease. Committing of any of the above acts is a material breach of the lease and may result in termination of tenancy on three days' notice. ** Please note that the cultivation, manufacture, distribution, sale, use and/or possession of marijuana with the intent to cultivate, manufacture, distribute, sell, and/or use of marijuana for recreational and/or medical reasons is also a violation of the LACDA's policies relating to drug-related criminal activity and constitutes "drug-related criminal activity" under federal law. The cultivation, manufacture, distribution, sale, use and/or possession of marijuana for recreational and/or medical reasons subjects a tenant to the termination of tenancy.

Alcohol abuse that the LACDA determines interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents.

Non-compliance with Non-Citizen requirements

No remaining family member in the household is a U.S. Citizen or an eligible immigrant

Physically or verbally abusive behavior toward residents and/or LACDA staff

Non-compliance with the Non-Smoking Policy as set forth in the Public Housing Non-

Smoking Lease Addendum

Non-compliance with a Social Services Compliance Addendum to the Los Angeles County Development Authority Public Housing Lease Agreement

Other good cause

Over Income Limit Households

If a household has an income that is over 120 percent of the Area Median Income (AMI) for the most recent two (2) consecutive years, the LACDA will terminate the family's tenancy within 6 months. The over-income policy will exclude evicting families receiving EID and families participating in the Family Self-Sufficiency (FSS) Program. An over income limit determination for a household will begin when the LACDA becomes aware, through either an annual reexamination or an interim reexamination for an increase if requested by the household, that a family's income exceeds the applicable over income limit. The LACDA shall notify the tenant that their household is over income upon the initial determination. If the family's income continues to exceed the over-income limit, the LACDA shall provide a second written notification to the family that their income has exceeded the over-income limit for one (1) year, and that if the family's income continues to exceed over-income limit for the next 12 consecutive months, the family will be terminated within 6 months. A final third notification will be sent when the family has exceeded the applicable over income limit for 24 consecutive months. The household will be terminated within 6 months of the third notification.

If the LACDA determines through an annual or interim reexamination that a previously over-income family has income that now is below the over-income limit, the family is no longer subject to the over-income limit policy. If the family becomes over-income again, they are entitled to a new 2-year grace period.

C. NOTIFICATION REQUIREMENTS

The LACDA's written notice of lease termination will state the reason for the proposed termination, the date of termination, and the rights and protections afforded the resident by the regulations and this policy. (See chapter on Grievances and Hearings.)

Notices of lease termination shall be in writing and delivered to resident or adult member of the household or posted on the unit; and in all cases sent by first class mail addressed to the resident at the unit.

Timing of the Notice

If the LACDA terminates the lease, written notice will be given as follows:

Fourteen (14) calendar days in the case of failure to pay rent; time period excludes Saturday, Sundays and judicial holidays (Code of Civil Procedure section 1161);

Three (3) calendar days for drug-related criminal activity, or criminal activity when the health or safety of other residents or LACDA employees is threatened;

Thirty (30) calendar days to Quit. For 30 notices to Cure or Quit, time period excludes Saturday, Sundays and judicial holidays (Code of Civil Procedure section 1161).

Following the eviction for drug-related criminal activity, the LACDA shall notify the Post Office that mail should no longer be delivered to the person who was evicted for drug-related criminal activity.

D. CRIMINAL ACTIVITY

The LACDA shall terminate the lease if any family member is convicted of manufacturing or producing methamphetamine on the premises of the housing development in violation of any Federal or State law. "Premises" is defined as the building or complex in which the dwelling unit is located, including common areas and grounds.

The LACDA may terminate the lease in cases where the LACDA determines there is reasonable cause to believe that a family member, or a guest of a family member, is illegally using a controlled substance or engages in drug-related criminal or violent criminal activity. The same will apply if it is determined that a family member, or a guest of a family member, abuses alcohol in a way that interferes with the health, safety or right to peaceful enjoyment of the premises by other residents. This includes cases where the LACDA determines that there is a pattern of illegal use of controlled substances or a pattern of alcohol abuse.

The LACDA will consider the use of a controlled substance or alcohol to be a "pattern" if there is three or more incidents in the previous 12-month period.

"Engages in" drug related criminal or violent criminal activity means any act by a family member, or guest of a family member, which involved drug-related criminal or violent criminal activity which may or may not have resulted in the arrest and/or conviction of the family member, or guest of a family member. **Please note that the cultivation, manufacture, distribution, sale, use and/or possession of marijuana with the intent to cultivate, manufacture, distribute, sell, and/or use of marijuana for recreational and/or medical reasons is also a violation of the LACDA's policies relating to drug-related criminal activity and constitutes "drug-related criminal activity" under federal law. The cultivation, manufacture, distribution, sale, use and/or possession of marijuana for recreational and/or medical reasons subjects a tenant to the termination of tenancy.

In evaluating whether to terminate the lease, the LACDA will give fair consideration to the seriousness of the activity, and/or likelihood of favorable conduct in the future (including evidence of rehabilitation).

The LACDA will also consider whether:

The person demonstrates successful completion of a credible rehabilitation program approved by the LACDA, and is willing to continue in a supportive program approved by the LACDA; or

The individual involved in drug-related criminal activity is no longer in the household due to incarceration.

If the LACDA determines not to terminate the lease, and permit continued occupancy, the LACDA may require the family accept imposed conditions such as that the involved family member(s) does not reside in or visit the unit. The LACDA will consider evidence that the person is no longer in the household such as a divorce decree/incarceration/ death/ copy of a new lease for the person including the owner's telephone number and address/ or other substantiating evidence.

Anti-Hate Crime

In accordance with California Penal Code Section 422.6, the LACDA shall terminate the lease if any family member engage in a Hate Crime in violation of California Penal Code 422.6 which includes but is not limited to the use of force or threat of force, willfully injure, intimidate, interfere with, oppress, or threaten any other person in whole or in part because of that person's race or ethnicity, disability, gender, nationality, religion, sexual orientation or association with a person or group with one or more of these actual or perceived characteristics and knowingly deface, damage, or destroy the real or personal property of any other person for in whole or in part because of that person's race or ethnicity, disability, gender, nationality, religion, sexual orientation or association with a person or group with one or more of these actual or perceived characteristics.

Data Compliance System

The LACDA uses the Data Compliance System (DCS) which automatically provides publically available arrest data from Los Angeles County enforcement agencies. The LACDA will verify the information collected on its residents, and will take appropriate action related to program violations.

E. NON-SMOKING

The LACDA strictly prohibits smoking on all our properties except at the South Bay Gardens senior housing development located at 230 E. 130th Street, Los Angeles CA 90061. The term "smoking" means inhaling, exhaling, breathing, or carrying or possessing any lighted cigarette, cigar, pipe, hookah or other prohibited tobacco, marijuana or similar lighted product in any manner or in any form. Additionally, "smoking" also includes but is not limited to the use of an electronic cigarette (e-cig or e-cigarette), a personal vaporizer (PV) or an electronic nicotine delivery system (ENDS).

The smoke free policy applies to all residents, guests, visitors, vendors and staff. At South Bay Gardens, smoking is only permitted in one specified open area that is located at least 25 feet away from a LACDA building and is clearly labeled as a "Smoking Designated Area".

The LACDA may terminate the Lease for a material or continuing breach of the Public Housing Non-Smoking Lease Addendum. Additionally, Residents are financially responsible for the mitigation of any damages caused by smoking in their unit or caused by smoking in non-smoking areas on the LACDA's premises. Residents shall pay for these damages as set forth in the Lease as "Other Charges". Costs may include but are not limited to cleaning, sealing, painting, deodorizing, duct cleaning, and possible replacement of fixtures and various surface materials.

The LACDA would like to mitigate (i) the irritation and known health effects of secondhand smoke; (ii) the increased maintenance and cleaning costs from smoking; (iii) the increased risk of fire from smoking; and (iv) the higher costs of fire insurance for a non-smoke-free building.

Residents, members of the Resident's household or their guests/visitors are strictly prohibited to smoke on the premises occupied by the Resident and members of the Resident's household in any common areas, including but not limited to; community rooms, community bathrooms, lobbies, reception areas, hallways, laundry rooms, stairways, offices and elevators, playground areas, entry ways, porches, balconies and patios. Smoking is strictly prohibited on all of the LACDA's properties, except for the designated smoking area at the South Bay Gardens housing development, including individual units, common areas, every building and adjoining grounds. A Resident, members of the Resident's household or their guests/visitors shall not smoke anywhere in Non-Smoking Areas. The Resident may not permit any guests or visitors under the control of the Resident to smoke in Non-Smoking Areas.

Resident to Promote Non-Smoking Policy and to Alert the LACDA of Violations

Residents shall inform Resident's guests or visitors of the non-smoking policy. Residents are also encouraged to promptly submit to Management a written statement of any incident where tobacco smoke is migrating into the Resident's unit from sources outside of the Resident's unit.

Vendors and LACDA Staff

Vendors and LACDA staff on LACDA premises must also adhere to the non-smoking policies delineated in this chapter.

Promotion of Non-Smoking Policy

Management shall post no-smoking signs at entrances and exits, in common areas, and in conspicuous locations adjoining the grounds of Non-Smoking Areas.

The LACDA Not a Guarantor of Smoke-Free Environment

The LACDA's adoption of a non-smoking living environment does not make the LACDA the guarantor of the Resident's, members of the Resident's household or their guests/visitors health or of the non-smoking condition of the Resident's unit and common areas. However, the LACDA shall take reasonable steps to enforce the non-smoking terms as set forth in the Lease Addendum and ACOP and to make the Non-Smoking Area as smoke-free as is reasonably possible. The LACDA is not required to take steps in response to smoking unless the LACDA is aware of said smoking or has been given written notice of said smoking.

LACDA Disclaimer

The LACDA's adoption of a non-smoking living environment does not in any way change the standard of care that the LACDA would provide to a resident household to render buildings and premises designated as non-smoking any safer, more habitable, or improved in terms of air quality standards than any other rental premises. The LACDA specifically disclaims any implied or

express warranties that the building, common areas, or Resident's premises will have any higher or improved air quality standards than any other rental property. The LACDA cannot and does not warrant or assert that the rental premises or common areas will be free from secondhand smoke. The LACDA's ability to police, monitor, or enforce the agreements of the Lease Addendum is dependent in significant part on voluntary compliance by the Resident and Resident's guests/visitors. Residents and Resident's guests/visitors with respiratory ailments, allergies, or any other physical or mental condition relating to smoke are put on notice that the LACDA does not assume any higher duty of care to enforce the Public Housing Non-Smoking Lease Addendum than any other LACDA obligation under the Lease.

F. PEST CONTROL

“Bedbugs” or “pests” mean any insect of the genus cimex including but not limited to cimex lectularius, and/or its eggs. “Pests” also include but is not limited to roaches, termites and spiders.

The following information and acknowledgements are provided to the Resident through the “Public Housing Pest Control Lease Addendum”:

At move-in and at each recertification, the Resident is provided with bedbug education materials. New move-ins are required to disclose one of the following on the “Public Housing Pest Control Lease Agreement Addendum”:

1. Resident is not aware of any infestation of bedbugs in your current or previous apartment, home or dwelling. Resident agrees that he/she is not aware of any bedbug infestation or presence in any of his/her furniture, clothing, personal property or possessions. Resident further agrees that he/she has not been subjected to conditions in which there were any bedbug infestations or presence of bedbugs.
2. Resident agrees that if he/she previously lived anywhere that had a bedbug infestation that all of his/her personal property (including furniture, clothing and other belongings) have been treated by a licensed pest control professional. Resident agrees that such items are free of further infestation.

Per California Civil Code §1954.603, the bed bug information below is included in the Public Housing Pest Control Lease Addendum:

Bed bug Appearance: Bed bugs have six legs. Adult bed bugs have flat bodies about $\frac{1}{4}$ of an inch in length. Their color can vary from red and brown to copper colored. Young bed bugs are very small. Their bodies are about $\frac{1}{16}$ of an inch in length. They have almost no color. When a bed bug feeds, its body swells, may lengthen, and becomes bright red, sometimes making it appear to be a different insect. Bed bugs do not fly. They can either crawl or be carried from place to place on objects, people, or animals. Bed bugs can be hard to find and identify because they are tiny and try to stay hidden.

Life Cycle and Reproduction: An average bed bug lives for about 10 months. Female bed bugs lay one to five eggs per day. Bed bugs grow to full adulthood in about 21 days. Bed bugs can survive for months without feeding.

Bed Bug Bites: Because bed bugs usually feed at night, most people are bitten in their sleep and do not realize they were bitten. A person's reaction to insect bites is an immune response and so varies from person to person. Sometimes the red welts caused by the bites will not be noticed until many days after a person was bitten, if at all.

Common Signs and Symptoms of a Possible Bed Bug Infestation:

- Small red to reddish brown fecal spots on mattresses, box springs, bed frames, mattresses, linens, upholstery, or walls.
- Molted bed bug skins, white, sticky eggs, or empty eggshells.
- Very heavily infested areas may have a characteristically sweet odor.
- Red, itchy bite marks, especially on the legs, arms, and other body parts exposed while sleeping. However, some people do not show bed bug lesions on their bodies even though bed bugs may have fed on them.

For more information, see the Internet Web sites of the United States Environmental Protection Agency at www.epa.gov and the National Pest Management Association at www.npmapestworld.org.

The Resident is required to sign the “Public Housing Pest Control Lease Agreement Addendum” which further acknowledges, requires and discloses the following:

If the Resident fails to report any pest infestation with their unit within seven (7) calendar days of move-in, it shall be an acknowledgement by Resident that the premises are acceptable, in good condition and pest free. After move-in, the LACDA will take immediate steps to address any identified pest infestation problem. Resident acknowledges that time is of the essence in dealing with issues of potential pest infestation. Because of the need for prompt action to avoid any further infestation, Resident shall report during business hours any actual or suspected infestation within forty-eight (48) hours of discovery to the management office.

In the event that bedbugs or other pests are located within the unit, the LACDA shall treat the premises for bedbugs or other pests in a timely manner and at the LACDA's expense.

If a bedbug or pest control treatment is scheduled and the Resident is not prepared for treatment as delineated in bedbug or pest control instructions distributed prior to the service, the Resident will be charged fifty (50) dollars. Exceptions may be made due to verified Americans with Disability Act (ADA), medical or other emergency situations.

The Resident is informed that used or second-hand furniture is the primary method in which bedbugs are spread. Resident agrees that he/she will not knowingly or recklessly bring onto the property furniture or other belongings that are infested with bedbugs or other pests. Resident further agrees to exercise caution when acquiring used or second-hand furniture and shall examine any such items thoroughly before bringing them into their unit. Resident further agrees that Resident shall not bring into the dwelling used or second-hand furniture items that have been abandoned or discarded in such areas as roadsides, trash rooms, and disposal receptacles.

In the event that there is a bedbug or pest infestation in the Resident's unit, the Resident agrees to

cooperate fully with and to undertake all efforts and tasks required by the LACDA, and in the LACDA's sole discretion, or by the LACDA's pest control company, employed to eradicate pests. The Resident's full cooperation includes but is not limited to reporting during business hours any suspected pest infestation to the management office within forty-eight (48) hours of discovery, making the premises available for entry to complete pest inspection and eradication treatment(s), completing all required pre-treatment activities, evacuating the premises during and after treatment for the required timeframe, completing all required post-treatment activities, and immediately reporting ineffective treatment or re-infestations to the management office.

Resident also acknowledges that any violation of this Addendum constitutes a material violation of the Lease and is grounds for termination of the Lease by the LACDA. Conduct that constitutes a material violation of the Lease includes failure to promptly notify the management office of evidence of any pest infestation, any action that prevents treatment of the unit or potentially exasperates or increases the bedbug issue, refusal to permit Management to enter to inspect for infestation or to perform eradication treatments, and failure to complete all required pre-treatment and post treatment activities, including a failure to report ineffective treatment or re-infestations. Proof of the violation of the Addendum shall be by a preponderance of the evidence.

Resident may request reasonable extermination services at any time. Upon notification from Resident, within twenty-four (24) hours of the report, Management shall provide Resident with information about control and prevention of bedbugs or pests and will discuss measures that Resident may be able to take in the unit before the inspection is performed. Management will conduct an inspection of the unit within three (3) business days if possible for bedbug infestations. If an inspection cannot be conducted within three (3) business days by trained staff or a licensed professional, Management will retain documentation of efforts made. Should a pest infestation be identified through the inspection, Management shall contact the Resident and schedule treatment within ten (10) calendar days for regular pests and five (5) calendar days for bedbugs, except for resident caused delays or lack of vendor availability. When Management requires access to a unit for purposes of inspecting for the presence of a household pest or controlling the presence of a household pest, Management shall provide at least forty-eight (48) hours' notice to Resident, that Management requires access. Management will notify Resident in advance of each pest inspection, including providing a preparation sheet. If Resident notifies Management of a possible infestation and requests extermination services, the notice from Resident constitutes permission to enter the dwelling unit for the purpose of acting on the inspection or extermination request.

Except in those situations where the LACDA has been grossly negligent, and/or as provided by law, Owner, Management, and its employees, are not liable to Resident for any damages caused by pests, including but not limited to, personal expenses, replacement of furniture, and/or other personal items, including clothing, medications or medical expenses, or for the costs to treat, clean, replace and/or protect the Resident's personal belongings. Owner, Management, and its employees are not responsible for any damage done to Resident's unit or personal items during pest control inspections and/or treatment(s).

The Resident acknowledges that the LACDA's adoption of the Addendum, and the efforts to provide a pest free environment, does not in any way change the standard of care that the LACDA owes the Resident under the Lease. Resident further acknowledges that the LACDA does not guarantee or warranty a pest-free environment. Resident acknowledges and understands that the

LACDA's ability to police, monitor, or enforce the agreements of the Addendum is dependent in significant part on voluntary cooperation and compliance by the Resident and Resident's guests/visitors.

The LACDA will attempt to make reasonable accommodations in the event that any the Resident requests an accommodation in connection with pest control service. Any Resident requesting such an accommodation is requested to provide notice to Management at the time the pest control is requested or when Resident receives notice that it will be provided, whichever is earlier. The LACDA will provide the Resident with the ADA paperwork to complete and submit to the management office as delineated in Chapter 1. Resident understands that in some circumstances, because of the nature of a particular pest or infestation, there may not be an alternative, effective means of eradication, and in those circumstances, the LACDA may use the eradication services that are effective in dealing with the infestation.

G. VAWA

An incident or incidents of actual or threatened domestic violence, dating violence, sexual assault or stalking will not be construed as a serious or repeated violation of the lease by the victim or threatened victim of that violence and will not be good cause for terminating the tenancy rights of the victim of such violence.

Criminal activity directly relating to domestic violence, dating violence, sexual assault or stalking, that is engaged in by a member of a tenant's household or any guest or other person under the tenant's control, shall not be cause for termination of the tenancy, if the tenant, or affiliated individual of the tenant is a victim of that domestic violence, dating violence, sexual assault or stalking.

The LACDA retains the authority to terminate the tenancy of a victim under either of the following conditions:

1. The termination is for a lease violation not premised on the act or acts of domestic violence, dating violence, sexual assault or stalking against the tenant or a member of the tenant's household, and the LACDA does not subject an individual who is or has been a victim of domestic violence, dating violence, sexual assault or stalking to a more demanding standard than other tenants in determining whether to evict.
2. The LACDA can demonstrate an actual and imminent threat within an immediate timeframe that could result in death or serious bodily harm to other tenants or those employed at or providing services to the property if the tenancy of the victim is not terminated.

The LACDA will provide a "Notice of Occupancy Rights under the Violence Against Women Act" HUD form-5380 and "Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking, and Alternate Documentation" HUD form-5382 published in December 2016 to a resident who is **notified of eviction or termination of assistance**.

H. TERMINATIONS DUE TO INELIGIBLE IMMIGRATION STATUS [24 CFR 5.514]

Families who were participants on June 19, 1995, but are ineligible for continued assistance due to the ineligible immigration status of all members of the family, or because a “mixed” family chooses not to accept proration of assistance, were eligible for temporary deferral of termination of assistance to permit the family additional time for transition to affordable housing.

Deferrals may have been granted for intervals not to exceed six months, up to an aggregate maximum of three years for deferrals granted prior to 11/29/96 or up to 18 months if granted after 11/29/96.

However, due to the timeframe applicable to the deferral period, current families are no longer eligible for deferral of termination of assistance.

If the LACDA determines that a family member has knowingly permitted an ineligible individual to reside in the family’s unit on a permanent basis, the family’s assistance will be terminated for 24 months. This provision does not apply to a family if the eligibility of the ineligible individual was considered in calculating any proration of assistance provided for the family.

Chapter 13

FRAUD POLICY

INTRODUCTION

Fraud is defined as the intentional, false representation or concealment of a material fact for the purpose of inducing another to act upon it to his or her injury. Fraud and abuse by a tenant or applicant therefore, may constitute an intentional misrepresentation of income, assets, and allowances, or intentional misrepresentation of family composition or initiating and participating in bribes or other illegal activities. Intentional may mean a claim that a tenant or applicant *knows or has reason to know* is false, fictitious, or fraudulent. Knows or has reason to know may mean a person acts in deliberate ignorance of the truth or acts in reckless disregard of the truth or falsity of the claim or statement.

A. CRITERIA FOR INVESTIGATION OF SUSPECTED ABUSE AND FRAUD

The LACDA does not intend to undertake an inquiry or an audit of a tenant family arbitrarily. The LACDA's expectation is that tenant families will comply with HUD requirements, provisions of the lease, and other program rules. The LACDA staff will make an effort (formally and informally) to orient and educate all families in order to avoid unintentional violations. However, the LACDA has a responsibility to HUD, to the community, and to eligible families in need of housing assistance, to monitor tenants' lease obligations for compliance and, when indicators of possible abuse come to the LACDA's attention, to investigate such claims.

The LACDA may initiate an investigation of a tenant family in the event of one or more of the following circumstances:

Referrals, Complaints, or Tips: Referrals from other agencies, companies or persons which are received by mail, by telephone or in person, which allege that a tenant family is in noncompliance with, or otherwise violating the lease or the program rules. Such follow-up will be made providing that the referral contains at least one item of information that is independently verifiable. A notation of the allegation will be retained in the tenant file.

Internal File Review: If the LACDA staff discovers (as a function of a (re)certification, an interim redetermination, or a quality control review), information or facts which conflict with previous file data, the LACDA's knowledge of the family, or is discrepant with statements made by the family.

Verification or Documentation: If the LACDA receives independent verification or documentation, which conflicts with representations in the tenant file (such as public record information, credit bureau reports, or reports from other agencies).

B. STEPS TO HELP PREVENT PROGRAM ABUSE AND FRAUD

Management and program staff utilizes various methods and practices (listed below) to help prevent program abuse, noncompliance, and willful violations of program rules by applicants and

tenant families. This policy objective is to establish confidence and trust in the management by emphasizing education as the primary means to obtain compliance by tenant families.

Things You Should Know (HUD-1140-OIG): This program integrity bulletin (created by HUD's Inspector General) will be furnished and explained to all tenants/ applicants to promote understanding of program rules, and to clarify the LACDA's expectations for cooperation and compliance.

Program Orientation Session: Mandatory orientation sessions will be conducted by LACDA staff for all prospective tenants either prior to or upon execution of the lease. At the conclusion of all Program Orientation Sessions, the family representative will be required to sign a "Things You Should Know" (HUD-1140-OIG) form to confirm that all rules and pertinent regulations were explained to him/her regarding fraud and abuse.

Resident Counseling: LACDA staff will routinely provide tenant counseling as a part of the recertification interview in order to clarify any confusion pertaining to program rules and requirements.

Use of Instructive Sign and Warnings: Instructive signs will be conspicuously posted in common areas and interview areas to reinforce compliance with program rules and to warn about penalties for fraud and abuse.

Review and Explanation of Forms: Staff will explain all required forms and review the contents of all (re)certification documents prior to signature.

C. STEPS TO DETECT PROGRAM ABUSE AND FRAUD

LACDA staff training to maintain a high level of alertness to indicators of possible abuse and fraud by assisted families.

Quality Control File Reviews. Prior to initial certification, and at the completion of all subsequent re-certifications, each tenant file will be reviewed. Such reviews may include, but are not limited to:

1. Changes in reported Social Security Numbers or dates of birth.
2. Authenticity of file documents.
3. Ratio between reported income and expenditures.
4. Review of signatures for consistency with previously signed file documents.
5. Assurance that verification of all income and deduction is present.

Observation. Management and Program Staff (to include maintenance personnel and policing authorities) training to maintain high awareness of circumstances which may

indicate program abuse or fraud, such as unauthorized persons residing in the household and unreported income and assets, including personnel and real property.

Public Record Bulletins. Reviewed by management and staff.

State Wage Data Record Keepers. Inquiries to State Wage and Employment record keeping agencies as authorized under Public Law 100-628, the Stewart B. McKinley Homeless Assistance Amendments Act of 1988, may be made annually in order to detect unreported wages or unemployment compensation benefits.

Credit Bureau Inquiries. Credit Bureau inquiries may be made in the following circumstances:

1. Application Process.
2. Annual Re-certification.
3. When an allegation is received by the LACDA wherein unreported income sources are disclosed.
4. When a tenant's expenditures exceed his/her reported income, and no plausible explanation is given.

Enterprise Income Verification (EIV) Inquiries. Enterprise Income Verification is a system that enables Public Housing Programs to verify participant reported income and identified households that may have under reported their household's annual income. EIV inquiries may be made in the following circumstances:

1. Annual Re-certification.
2. When an allegation is received by the LACDA wherein unreported income sources are disclosed.
3. When a tenant's expenditures exceed his/her reported income, and no plausible explanation is given.

D. THE LACDA'S HANDLING OF ALLEGATIONS OF POSSIBLE ABUSE AND FRAUD

LACDA staff will encourage all tenant families to report suspected abuse to the Property Manager. All allegations, complaints and tips will be carefully evaluated in order to determine if they warrant follow-up. The LACDA will not follow up on allegations which are vague or otherwise nonspecific. They will only review allegations, which contain one or more independently

verifiable facts.

Preliminary File Review

An internal file review will be conducted to determine:

1. If the subject of the allegation is a tenant of a project based Housing Development and, if so, to determine whether or not the information reported has been previously disclosed by the family.
2. It will then be determined if the LACDA is the most appropriate authority to do a follow-up (more so than police or social services). Any file documentation of past behavior as well as corroborating complaints will be evaluated.

Conclusion of Preliminary Review

If, at the conclusion of the preliminary file review, there is/are fact(s) contained in the allegation which conflict with file data, and the fact(s) are independently verifiable, the Fraud Analyst will initiate an investigation to determine if the allegation is true or false.

E. HOW THE LACDA REVIEWS ALLEGATIONS OF ABUSE AND FRAUD

If the LACDA determines that an allegation or referral warrants follow-up, the Fraud Analyst will conduct the review. The steps taken will depend upon the nature of the allegation and may include, but are not limited to, the items listed below. In all cases, the LACDA will ensure, where required, that a written authorization from the program participant for the release of information has been obtained.

Credit Bureau Inquiries (CBIs). In cases involving previously unreported income sources, a CBI inquiry may be made to determine if there is financial activity which conflicts with the reported income of the family.

IRS. Request for IRS Returns or W-2's may be required.

Verification of Credit. In cases where the financial activity conflicts with file data, a Verification of Credit form may be mailed to the creditor in order to determine the unreported income source.

Employers and Ex-Employers. Employers or ex-employers may be contacted to verify wages, which may have been previously undisclosed or misreported.

Neighbors/Witnesses. Neighbors and/or other witnesses may be interviewed who are believed to have direct or indirect knowledge of facts pertaining to the LACDA's review.

Field Investigation: Field Investigators may be utilized to gather additional information as determined by the LACDA.

Other Agencies. Investigators, caseworkers or representatives of other benefit agencies may be contacted.

Public Records. If relevant, the LACDA will review public records kept in any jurisdictional courthouse or county recorder's office. Examples of public records which may be checked are: real estate, marriage, divorce, uniform commercial code financing statements, voter registration, judgments, court or police records, state wage records, utility records and postal records.

Interviews with Head of Household or Family Members. The LACDA will discuss the allegation (or details thereof) with the head of household or family member by scheduling an appointment at the site office with the Property Manager and the Fraud Analyst. The LACDA intends to conduct such interviews with a high standard of courtesy and professionalism, avoiding inflammatory language, accusations, or unprofessional conduct or language. If necessary, an additional staff person may attend such interviews.

Enterprise Income Verification (EIV) Inquiries. The LACDA will conduct Enterprise Income Verification inquiries to identify households that may have under reported their household's annual income.

F. PLACEMENT OF DOCUMENTS, EVIDENCE AND STATEMENTS OBTAINED BY THE LACDA

Documents and other evidence obtained by the LACDA during the course of an investigation will be considered "work product" and will be kept in a separate "work file." The work file will be kept locked and under the control of the Fraud Analyst and Assistant Director. Such cases under review will not be discussed among the LACDA staff unless they are involved in the process, or have information, which may assist in the investigation.

The Fraud Analyst will maintain a Fraud Data Base System (FDBS), which will document the status of the cases and additional information in order to provide a tracking device for all fraud cases. The FDBS will be maintained by the Fraud Analyst. Access of the FDBS will be limited to the LACDA Director, the LACDA Assistant Director, the LACDA Executive Director and Assistant Executive Director and LACDA legal counsel.

G. CONCLUSION OF THE LACDA'S INVESTIGATIVE REVIEW

At the conclusion of the fraud review, the Fraud Analyst will report the findings to the LACDA Director, Assistant Executive Director, Assistant Director or designee, Property Manager or Area Manager. It will then be determined whether a violation has occurred, a violation has not occurred, or if the facts are inconclusive. In any event, the Fraud Analyst will document the file of his/her fraud investigation by providing a Fraud Findings memorandum including proposed course of action.

H. EVAULATION OF THE FINDINGS

If it is determined that a program violation has occurred, the Fraud Analyst will review the facts

to determine:

1. The type of violation (noncompliance, fraud).
2. Whether the violation was intentional or unintentional.
3. What amount of money (if any) is owed by the tenant.
4. If the family is eligible for continued occupancy.

I. PROCEDURES FOR VIOLATIONS WHICH HAVE BEEN DOCUMENTED

Once a program violation has been documented, the Fraud Analyst will propose the most appropriate remedy based upon the type and severity of the violation.

Procedural Noncompliance - Retroactive Rent

When the tenant owes money for failure to report changes in income or assets, a Notification of Underpaid Rent may be issued. This Notice will contain the following:

1. A description of the violation and the date(s).
2. Any amounts owed to the LACDA .
3. A 10-calendar day response period.
4. The right to disagree and to request an informal conference with instructions for the request of such conference in compliance with the grievance policy established in the ACOP.
 - a. Tenant Fails to Comply with the Notice. If the tenant fails to comply with the notice, and a material provision of the lease has been violated, termination of tenancy may be initiated.
 - b. Tenant Complies with the Notice. When a tenant complies with the notice, the Property Manager responsible will meet with him/her to discuss and explain the obligation or lease provision which was violated. The Property Manager will complete a Tenant Counseling Report, give one copy to the family and retain a copy in the tenant file.

A Tenant Conference may be scheduled by the Property Manager to discuss any procedural noncompliance issues and to provide the Tenant with the *Things You Should Know* Program Integrity Bulletin, to promote understanding of the Program Rules and to clarify the expectation for cooperation and compliance. The Property Manager may enlist the assistance of the Fraud Analyst.

Intentional Misrepresentations

When a tenant falsifies, misstates, omits or otherwise misrepresents a material fact which results (or would have resulted) in an underpayment of rent by the tenant, an evaluation will determine

whether or not:

1. The tenant had knowledge that his/her actions were wrong, and
2. That the tenant willfully violated the lease or the law.

Knowledge that the action or inaction was wrong. This will be evaluated by determining if the tenant was made aware of program requirements and prohibitions. The tenant's signature on various certification, briefing certificate, Personal Declaration and *Things You Should Know* are adequate to establish knowledge of wrongdoing.

The tenant willfully violated the law. Any of the following circumstances will be considered adequate to demonstrate willful intent:

1. An admission by the tenant of the misrepresentation.
2. That the act was done repeatedly.
3. If a false name or Social Security Number was used.
4. If there were admissions to others of the illegal action or omission.
5. That the tenant omitted material facts, which were known to them (e.g., employment of self or other household member).
6. That the tenant falsified, forged or altered documents.
7. That the tenant uttered and certified to statements at a rent (re)determination which were later independently verified to be false.

The Tenant Conference for Serious Violations and Misrepresentations

When the LACDA has established that material misrepresentation(s) have occurred, a Tenant Conference may be scheduled with the family representative, the Fraud Analyst, the Property Manager and/or the staff person most knowledgeable about the circumstances of the case. In the event that a conference is scheduled, an appointment letter confirming the Tenant Conference date may include a checklist of documents and/or information for the resident to bring to the meeting.

The purpose of such conference is to review the information and evidence obtained with the tenant, and to provide the tenant an opportunity to explain any document findings which conflict with representations in the tenant file. Any documents or mitigating circumstances presented by the tenant will be taken into consideration by the LACDA. The tenant will be given 10 working days commencing from the conclusion of the Tenant Conference to furnish any mitigating evidence.

A secondary purpose of the Tenant Conference is to assist the LACDA in determining the course of action most appropriate for the case. Prior to the final determination of the proposed action, the

following will be considered:

1. The duration of the violation and number of false statements.
2. The tenant's ability to understand the rules.
3. The tenant's willingness to cooperate and accept responsibility for his/her actions.
4. The amount of money involved.
5. The tenant's past history.
6. The number of false statements.

Notification to Tenant of Proposed Action

The tenant will be notified by mail of the proposed action no later than fifteen (15) business days after the conclusion of the Tenant Conference.

Dispositions of Cases Involving Misrepresentations

In all cases of misrepresentations involving efforts to recover monies owed, the LACDA may pursue, depending upon its evaluation of the criteria stated above, one or more of the following actions:

Civil Remedies: The LACDA may:

1. Terminate tenancy and demand payment of restitution in full.
2. Terminate assistance and execute an administrative repayment agreement in accordance with the LACDA's Repayment Policy.
3. Terminate assistance and/or pursue restitution through civil litigation.
4. Terminate assistance and seek recovery through tax refunds and/or garnishment of wages or other forms of collection.
5. Continue assistance at the correct level upon repayment of restitution in 30 days.
6. Permit continued assistance at the correct level and execute an administrative repayment agreement in accordance with the LACDA's repayment policy.

Criminal Referral: If the LACDA believes that the case meets the criteria established by the LACDA for prosecution, the LACDA may refer the case to other enforcement agencies.

Termination by the LACDA: In any event, and at the sole discretion of the LACDA, the LACDA may terminate a public housing tenancy for a material breach of the lease for discovery of material false statements or fraud, including but not limited to misrepresentation of facts, omitted pertinent information, or failure to inform Management of information it requires for an annual re-certification or interim adjustments, by the tenant or family member in connection with an application for assistance, with re-certification, or reexamination of income.

Chapter 14

GRIEVANCES AND APPEALS

[24 CFR 966.50–966.57]

INTRODUCTION

This chapter describes the policies to be used when applicants or residents disagree with a LACDA decision. It is the policy of the LACDA that all applicants and residents have the benefit of all appeal/grievance rights due to them under the law.

PART I: APPEALS

A. APPEALS BY APPLICANTS

Applicants who are determined ineligible because they do not meet the LACDA's admission standards, will be given prompt written notification stating reason for the determination and the procedure for requesting an informal hearing. Applicants must submit their request for an informal hearing in writing to the LACDA within ten (10) calendar days from the date of the notification of their ineligibility.

Except for good cause as determined by the LACDA such as, but not limited to hospitalization, illness or injury, if an applicant requests an informal hearing, the LACDA will schedule the hearing to be held within ten (10) calendar days of receiving the request. The LACDA will notify the applicant of the time, date, and location.

An impartial hearing officer will conduct informal hearings. The person who is designated as the hearing officer cannot be the person who made the determination of ineligibility or a subordinate of such person.

The hearing officer will consider documentation or evidence provided by the applicant and data compiled by the LACDA. The hearing officer will make a determination based upon the merits of the evidence presented by both sides. Within ten (10) calendar days of the date of the hearing, the hearing officer will mail a written decision to the applicant and place a copy of the decision in the applicant's file.

The grievance procedure for public housing residents is not applicable to applicants, and applicants have no rights under the LACDA's resident grievance procedures.

B. HEARING AND APPEAL PROVISIONS FOR "RESTRICTIONS ON ASSISTANCE TO NON-CITIZENS"

Assistance to the family in a LACDA unit pursuant to a lease may not be delayed, denied or terminated on the basis of immigration status at any time prior to the receipt of the decision on the INS appeal.

Assistance to a family may not be terminated or denied while the LACDA hearing is pending but assistance to an applicant may be delayed pending the LACDA hearing.

USCIS Determination of Ineligibility

If a family member or applicant claims to be an eligible immigrant and the USCIS SAVE system and manual search do not verify the claim, the LACDA notifies the applicant or resident within ten (10) calendar days of their right to appeal to the USCIS within thirty days or to request an informal hearing for applicants/informal conference for residents with the LACDA either in lieu of or subsequent to the USCIS appeal.

If the family or applicant appeals to the USCIS, they must give the LACDA a copy of the appeal and proof of mailing or the LACDA may proceed to deny or terminate. The time period to request an appeal may be extended by the LACDA for good cause.

The request for a LACDA hearing must be made within fourteen (14) calendar days of receipt of the notice offering the hearing or, if an appeal was made to the USCIS, within fourteen days of receipt of the USCIS decision.

After receipt of a request for an informal conference for Residents or an informal hearing for Applicants, the hearing is conducted as described in the “Grievance Procedures” and “Appeals by Applicants” section of this chapter for both applicants and residents. If the hearing officer decides that the individual is not eligible, and there are no other eligible family members the LACDA will deny the applicant family.

If there are eligible members in the family, the LACDA will offer to prorate assistance or give the family the option to remove the ineligible members.

All other complaints related to eligible citizen/immigrant status:

If any family member fails to provide documentation or certification as required by the regulation, that member is treated as ineligible. If all family members fail to provide, the family will be denied assistance.

Participants whose assistance is pro-rated (either based on their statement that some members are ineligible or due to failure to verify eligible immigration status for some members after exercising their appeal and hearing rights described above) are entitled to a hearing based on the right to a hearing regarding determinations of Resident Rent and Total Resident Payment.

Families denied or terminated for fraud in connection with the non-citizens rule are entitled to a review or hearing in the same way as terminations for any other type of fraud.

PART II: GRIEVANCE PROCEDURES

A. DEFINITIONS

Grievance

Any dispute that a resident may have with respect to an LACDA action or failure to act in accordance with the individual resident’s lease or LACDA regulations that adversely affects the

individual resident's rights, duties, welfare, or status. Grievance does not include disputes between residents not involving the LACDA; to class grievances such as rent strikes; as a forum for initiating or renegotiating policy changes between groups of residents and the LACDA Board of Commissioners; nor to an eviction based upon violent criminal activity or drug-related criminal activity.

Complainant

Any resident whose grievance is presented to the LACDA at the site/management office.

Hearing Officer

A person selected in accordance with this grievance procedure to hear grievances and render a decision with respect thereto.

VAWA

An incident or incidents of actual or threatened domestic violence, dating violence, sexual assault or stalking will not be construed as a serious or repeated violation of the lease by the victim or threatened victim of that violence and will not be good cause for terminating the tenancy rights of the victim of such violence.

Criminal activity directly relating to domestic violence, dating violence, sexual assault or stalking, engaged in by a member of a tenant's household or any guest or other person under the tenant's control, shall not be cause for termination of the tenancy, if the tenant, or affiliated individual of the tenant is a victim of that domestic violence, dating violence, sexual assault or stalking.

B. APPLICABILITY

This Grievance Procedure applies to all individual grievances, except any grievance concerning a termination of tenancy or eviction that involves:

Any activity, not just criminal activity, that threatens the health, safety, or right to peaceful enjoyment of the premises of other residents or LACDA employees, or

Any drug-related criminal activity on or off such premises. **Please note that the cultivation, manufacture, distribution, sale, use and/or possession of marijuana with the intent to cultivate, manufacture, distribute, sell, and/or use of marijuana for recreational and/or medical reasons is also a violation of the LACDA's policies relating to drug-related criminal activity and constitutes "drug-related criminal activity" under federal law. The cultivation, manufacture, distribution, sale, use and/or possession of marijuana for recreational and/or medical reasons subjects a tenant to the termination of tenancy.

C. INFORMAL CONFERENCE

Any grievance shall be presented in writing through a "Grievance Request Form" submitted to the LACDA office or to the housing management office who sent the notice on which the grievance is based. Written grievances must be signed by the resident. The grievance must be requested within ten (10) calendar days after receipt of the notice of any adverse action on which the grievance is based. It may be simply stated, but shall specify:

The particular grounds upon which it is based,

The action requested; and

The name, address, and telephone number of the complainant, and similar information about the complainant's representative, if any.

The LACDA will provide reasonable accommodation for persons with disabilities to participate in the informal conference. The LACDA must be notified within three (3) calendar days of the scheduled time if special accommodations are required.

The purpose of the informal conference is to discuss the nature and circumstances of the grievance and to determine if the parties can resolve the grievance without the necessity of a formal hearing. A formal hearing is only for current residents.

Except for good cause as determined by the LACDA such as, but not limited to hospitalization, illness or injury, a designated LACDA representative shall hold an informal conference with the resident within ten (10) calendar days of receipt of the grievance. At the informal conference, the resident will present their grievance and the LACDA representative will discuss and attempt to settle the grievance.

If the complainant fails to appear within 30 minutes of the scheduled time, the LACDA representative may cancel the informal conference and determine that the complainant has waived their grievance rights. When the informal conference is completed the LACDA representative will provide the resident with a written summary of the informal conference. The summary of the informal conference shall be prepared within a reasonable time and one copy shall be given to the tenant and one retained in the LACDA's tenant file. The summary will specify the date of the informal conference, names of participants, nature of the disposition of the complaint and supporting reasons, as well as specifying the procedures by which a formal hearing may be obtained if the grievance has not been resolved at this level. A receipt signed by the resident or a return receipt for delivery of certified mail, whether or not signed, will be sufficient proof of time of delivery for the summary of the informal conference.

1. Dissatisfaction with Informal Conference

If the resident, also known as the complainant, is dissatisfied with the results of the informal conference, s/he shall submit a "Grievance Request Form" requesting a formal hearing within ten (10) calendar days of the date of service of the informal conference summary.

The request must specify the reason for the grievance request and the relief sought.

2. Failure to Request a Formal Hearing

If the complainant does not request a formal hearing within ten (10) calendar days of the date of service of the informal conference summary, s/he waives his/her right to a hearing, and the LACDA's proposed disposition of the grievance will become final. This section in no way constitutes a waiver of the complainant's right to contest the LACDA's disposition in an appropriate judicial proceeding.

D. FORMAL HEARING

After exhausting the informal conference procedures outlined above, a complainant shall be entitled to a formal hearing before a hearing officer.

The head of household must attend the formal hearing.

If the complainant fails to appear within 30 minutes of the scheduled time, the hearing officer may determine that the complainant has waived their grievance right.

The LACDA will provide reasonable accommodation for persons with disabilities to participate in the hearing. The LACDA must be notified within three days of the scheduled time if special accommodations are required.

1. Formal Hearing Officer

A grievance hearing shall be conducted by an impartial person appointed by the LACDA other than the person who made or approved the LACDA action under review, or a subordinate of such person.

Hearing Officer shall be appointed by the LACDA through an approved list of hearing officers or through an organization approved by the Executive Director of the LACDA.

Each party may challenge the hearing officer for good cause and must file an objection stating reason prior to start of hearing.

2. Notifying Hearing Officer to Administer Hearing Proceedings

The designated LACDA representative will send written notification to the hearing officer with a copy of the grievance/complaint form, the informal conference summary, and a copy of the request for formal hearing.

The designated LACDA representative advises the hearing officer of name(s) and address(es) of all participants.

The hearing officer notifies all parties as to date, time and place of hearing.

E. PROCEDURES TO OBTAIN A HEARING

Informal Conference Prerequisite

All grievances must be presented pursuant to the informal conference procedure as a prerequisite to a formal hearing. The hearing officer may waive the prerequisite informal conference if, and only if, the complainant can show good cause why s/he failed to proceed informally.

Escrow Deposit

Before a hearing is scheduled in any grievance involving an amount of rent the LACDA claims is due, the complainant shall pay to the LACDA all rent due and payable as of the month preceding the month in which the act or failure to act took place.

The complainant shall thereafter give the LACDA their monthly rent and the LACDA will deposit the monthly rent into an escrow account each month until the complaint is resolved by decision of the hearing officer.

The LACDA will waive these escrow requirements if the complainant is paying minimum rent and the grievance is based on a request for hardship exemption or imputed welfare income.

Unless so waived, failure to make the required escrow payments shall result in termination of the grievance procedure.

Failure to make such payments does not constitute a waiver of any right the complainant may have to contest the LACDA's disposition of the grievance in any appropriate judicial proceeding.

Scheduling

If the complainant complies with the procedures outlined above, a hearing shall be scheduled promptly by the LACDA.

A written notification of the date, time, place, and procedures governing the hearing shall be delivered to the complainant and the appropriate LACDA official.

The LACDA will provide reasonable accommodation for persons with disabilities to participate in the hearing. The LACDA must be notified within three days of the scheduled time if special accommodations are required.

F. HEARING PROCEDURES

The hearing shall be held before a hearing officer.

The complainant shall be afforded a fair hearing and be provided the basic safeguards of due process to include:

The opportunity to examine and to copy before the hearing, at the expense of the complainant (\$.10 per copy), all documents, records and regulations of the LACDA that are relevant to the hearing with at least a 24 hour notice prior to the hearing. Any document not so made available after request by the complainant may not be relied upon by the LACDA at the hearing.

The LACDA shall also have the opportunity to examine and to copy at the expense of the LACDA all documents, records and statements that the resident plans to submit during the hearing to refute the LACDA's inaction or proposed action. Any documents not so made available to the LACDA may not be relied upon at the hearing.

The right to a private hearing unless otherwise requested by the complainant.

The right to be represented by counsel or other person chosen as a representative at the family's expense.

The right to present evidence and arguments in support of the complaint, to controvert evidence presented by the LACDA, and to confront and cross-examine all witnesses upon whose testimony or information the LACDA relies, limited to the issues for which the complainant has received the opportunity for a formal hearing; and

The right to a decision based solely and exclusively upon the facts presented at the hearing.

If the hearing officer determines that the issue has been previously decided in another proceeding, a decision may be rendered without proceeding with the hearing.

If the complainant fails to appear within 30 minutes of the scheduled time, the hearing officer may determine that the complainant has waived their right to a hearing.

Such a determination in no way waives the complainant's right to appropriate judicial proceedings in another forum.

At the hearing, the complainant must first make a showing of an entitlement to the relief sought and thereafter the LACDA must sustain the burden of justifying the LACDA action or failure to act against which the complaint is directed.

The hearing shall be conducted by the hearing officer as follows:

Oral and documentary evidence pertinent to the facts and issues raised by the complaint may be received without regard to admissibility under the rules of evidence applicable to judicial proceedings.

The hearing officer shall require the LACDA, complainant, counsel, and other participants and spectators to conduct themselves in an orderly manner. The failure to comply with the directions of the hearing officer to maintain order will result in the exclusion from the proceedings, or a decision adverse to the interests of the disorderly party and granting or denial of the relief sought, as appropriate.

Either party may request a tape recording of the hearing. The LACDA shall provide equipment and an operator for the purpose of recording the hearing. The complainant may secure a duplicate at his/her expense.

G. DECISIONS OF THE HEARING OFFICER

The hearing officer shall mail to the LACDA and the complainant/or his or her representative a written decision, including the reasons for the decision, within ten (10) calendar days following the hearing. The LACDA will place one copy in the resident files. The written decision will be sent to the address provided at the hearing. The LACDA shall maintain a log of hearing officer decisions and make it available upon request.

The decision of the hearing officer shall be binding on the LACDA which shall take all actions necessary to carry out the decision, unless the Board of Commissioners intervene in the matter. The Board of Commissioners may overturn a hearing officer's decision in either of the following two situations:

The grievance does not concern the LACDA action or failure to act in accordance with or involving the complainant's lease or LACDA regulations that adversely affect the complainant's rights, duties, welfare or status.

The decision of the hearing officer is contrary to applicable Federal, State, or local law, HUD regulations or requirements of the Annual Contributions Contract between HUD and the LACDA.

A decision by the hearing officer or Board of Commissioners in favor of the LACDA or which denies the relief requested by the complainant in whole or part shall not constitute a waiver of, nor affect in any manner whatever, the rights of the complainant to a trial or judicial review in any proceedings which may thereafter be brought in the matter.

Any grievance in which the Resident claims a right under VAWA, a hearing officer will not issue a decision and instead will postpone the hearing until such time as a decision on the VAWA request has been made in compliance with all VAWA references made in this ACOP.

H. LACDA EVICTION ACTIONS

A notice of termination is suspended pending the grievance process. As the notice of termination tolls, rent shall continue to be due and owing during and pending the grievance hearing procedures. The failure to pay rent pending the grievance process will result in a waiver of the grievance. If a resident has requested a hearing in accordance with these duly adopted Grievance Procedures on a complaint involving a LACDA notice of termination of tenancy, and the hearing officer upholds the LACDA action, the LACDA shall not commence an eviction action until the notice of termination of tenancy expires.

Chapter 15

FAMILY DEBTS TO THE LACDA

INTRODUCTION

This chapter describes the LACDA's policies and guidelines for the recovery of debts and the use of repayment agreements. Before a debt is assessed against a family, the file must contain documentation to support the LACDA's claim that the debt is owed. The file must further contain written documentation of the method of calculation, in a clear format for review by the family, as appropriate.

When families owe money to the LACDA, every effort will be made to collect the debt. A variety of collection tools to recover debts may be used including, but not limited to:

- Requests for lump sum payments

- Repayment agreements

- Abatements

- Deductions

- Collection agencies

- Credit bureaus

- Civil suits

A. REPAYMENT AGREEMENT FOR FAMILIES

A Repayment Agreement is a document entered into between the LACDA and all adults in the household who owe a debt to the LACDA. The Repayment Agreement contains an acknowledgment by all adult household members of the debt in a specific amount, the terms of repayment, any special provisions of the agreement, and the remedies available to the LACDA upon default of the agreement.

Late Payments

A payment will be considered to be in arrears if:

- The payment has not been received by the close of the business day on which the payment was due. If the due date is on a weekend or holiday, the due date will be at the close of the next business day.

If the family's repayment agreement is in arrears, the LACDA may do one or more of the following:

Require the family to pay the entire amount that has not been paid timely plus the current month's payment in order to avoid termination of tenancy, or

Require the family to pay the balance in full in order to avoid termination of tenancy, or

Pursue civil collection of the balance due, or

Terminate the tenancy.

Requests to Move

If the family requests a move to another unit and has a repayment agreement in place and the repayment agreement is not in arrears, the family may be required to pay the balance in full prior to moving to the new unit.

If the family requests a move to another unit and is in arrears on a repayment agreement, unless they pay the balance in full, the request will be denied.

Under special circumstances, the LACDA may make an exception and allow a family to move without paying the entire balance of the debt if the family is current with its payments. However the balance is still owed by the household to the original AMP. The LACDA will require the household to enter into a new Repayment Agreement that specifies the transfer of debt to the new unit through a "Repayment Agreement Addendum to the Los Angeles County Development Authority Public Housing Lease Agreement". The LACDA may also allow a family who is in arrears to become current in order to process a move if the move is for one of the following reasons:

A natural disaster.

The unit is uninhabitable or has major UPCS deficiencies that are not the result of a family action or inaction.

A life-threatening situation, such as the family is a witness to or a victim of a crime and must move for safety reasons. The family will be required to provide proof in such cases.

Guidelines for Repayment Agreements

The LACDA, at its sole discretion, will determine on a case-by-case basis whether or not to offer a family a repayment agreement for monies owed to the LACDA. All Repayment Agreements must be approved by a LACDA Manager. The offer of a Repayment Agreement does not constitute an agreement to continue the household's assistance. However, the LACDA may propose termination of the household's assistance upon refusal by the household to enter into a repayment agreement.

Repayment Agreements will be executed between the LACDA and the head of household or other adult family member.

The LACDA may approve in writing a decrease in the monthly payments, either temporary or permanent, in cases of hardship after receiving from the family a written request for a decrease and verification of hardship and the approval of a LACDA Manager.

If the LACDA offers a repayment agreement, the family has the option to repay balances as follows:

1. In a lump sum amount; or
2. A monthly payment; or
3. A combination of a lump sum and monthly payment.

The LACDA will usually ask that the household pay an initial lump sum (in an amount determined by the LACDA) with the remaining balance to be paid in equal payments over a period of time not to exceed 12 months for amounts under \$2,400 or 24 months for any amount in excess of \$2,400.

In determining the initial lump sum, the LACDA will consider the total amount owed, the ability of the person to make the remaining payments and the percentage of the total sum owed. In most cases, the LACDA will ask the family to pay a significant initial lump sum as part of entering into a Repayment Agreement to help ensure full payment to the LACDA and to reduce the monthly payment. These terms will be negotiated with the Resident.B. FAMILY DEBTS DUE TO FRAUD/NON-REPORTING OF INFORMATION

HUD's definition of program fraud and abuse is a single act or pattern of actions that:

Constitutes a false statement, omission, or concealment of a substantive fact, made with intent to deceive or mislead the LACDA.

Immediate Payment of Retroactive Rent Where Debt is the Result of Resident Misrepresentation or Failure to Disclose Material Information

If the Resident submits false information on any application, Personal Declaration, certification documents or request for interim adjustment or does not report interim changes in family income or other factors as required by his/her Lease Agreement, and as a result, is charged a rent less than the amount required by HUD's rent formulas, the Resident agrees to reimburse the LACDA for the difference between the rent he/she should have paid and the rent he/she was charged. The LACDA, in its sole discretion, may terminate the Lease for a material breach and/or may make the rent increase retroactive to the date it would have been effective. If the LACDA determines that a Resident is liable for the payment of Retroactive Rent, the resulting retroactive rent amount, shall be paid immediately by the Resident.

A decision by the LACDA to accept the payment of Retroactive Rent from a Resident, shall not constitute a waiver of its right to either terminate the Lease or otherwise pursue any additional actions allowable under Federal, State or local law. In addition, the case may be referred to the Inspector General and/or the LACDA may refer the case for criminal prosecution.

Payment of Retroactive Rent Where Debt Is Not the Result of Resident Misrepresentation or Failure to Disclose Material Information

The LACDA, in its sole discretion, may enter into a Repayment Agreement for a debt to the LACDA that did not result from the Resident's submission of false information on any application, Personal Declaration, certification documents or request for interim adjustment or from a failure to report interim changes in family income or other factors as required by his/her Lease Agreement.

C. REPAYMENT AGREEMENTS AT CONCLUSION OF TENANCY OR RESOLUTION OF EVICTION PROCEEDINGS

The LACDA may enter into a repayment agreement in resolution of a debt incurred by a Resident during the course of his or her tenancy where the Resident has indicated his or her intent to voluntarily vacate. The LACDA may also enter into a repayment agreement in resolution of either a notice to terminate or not renew a tenancy. The terms of such agreements shall be determined at the discretion of the LACDA.

D. FAMILY DEBTS PAID IN FULL

If the LACDA determines not to enter into a repayment agreement, or if the repayment agreement is breached and the LACDA demands payment of the balance in full, the family must pay the full amount due and owing in one lump sum. If the family fails to pay, the LACDA may pursue collection through a collection agency or a civil action and may notify credit agencies of the debt. Whether or not the amount is paid, the LACDA does not waive its right to take other action including termination of tenancy or referral for criminal prosecution in appropriate cases.

Chapter 16

COMMUNITY SERVICE REQUIREMENT

[24 CFR Part 960 Subpart F; 24 CFR 903.7; PIH 2003-17; PIH-2015-12]

A. REQUIREMENT

Except for any adult resident (18 years or older) who is an exempt individual, each adult resident of public housing shall:

1. Contribute eight (8) hours per month of community service (not including political activities); or
2. Participate in an economic self-sufficiency program for eight (8) hours per month; or
3. Perform eight (8) hours per month of combined activities.

Community Service is "the performance of voluntary work or duties that are a public benefit, and that serve to improve the quality of life, enhance resident self-sufficiency, or increase resident self-responsibility in the community. Community service is not employment and may not include political activities." (See 24 CFR 960.601(b)).

The required community service or self-sufficiency activity may be completed at 8 hours each month or may be aggregated across a year. Any blocking of hours is acceptable as long as 96 hours is completed by each annual certification.

B. EXEMPTIONS

The LACDA shall provide an exemption from the community service requirement for any adult resident who meets the following HUD exemption criteria:

- A. 62 years or older;
- B.
 1. Blind or disabled, as defined under 216(i)(1) or 1614 of the Social Security Act (42 U.S.C. Section 416(i)(1); Section 1382c), and who certify that, because of this disability, she or he is unable to comply with the service provisions of this subpart, or
 2. is a primary caretaker of such individual;
- C. Engaged in work activities (see Notice PIH 2003-17 (HA)). In order for an individual to be exempt from the CSSR requirement because he/she is "engaged in work activities," the person must be participating in an activity that meets one of the following definitions of "work activity" contained in Section 407(d) of the Social Security Act (42 U.S.C. Section 607(d)):

1. Unsubsidized employment;
2. Subsidized private-sector employment;
3. Subsidized public-sector employment;
4. Work experience (including work associated with the refurbishing of publicly assisted housing) if sufficient private sector employment is not available;
5. On-the-job-training;
6. Job-search;
7. Community service programs;
8. Vocational educational training (not to exceed 12 months with respect to any individual);
9. Job-skills training directly related to employment;
10. Education directly related to employment in the case of a recipient who has not received a high school diploma or a certificate of high school equivalency;
11. Satisfactory attendance at secondary school or in a course of study leading to a certificate of general equivalency, in the case of a recipient who has not completed secondary school or received such a certificate.

D. Able to meet requirements under a State program funded under part A of title IV of the Social Security Act (42 U.S.C. Section 601 et seq.) or under any other welfare program of the State in which LACDA is located including a State-administered Welfare-to-Work program; or,

E. A member of a family receiving assistance, benefits, or services under a State program funded under part A of title IV of the Social Security Act (42 U.S.C. Section 601 et seq.), or under any other welfare program of the State in which the LACDA is located, including a State-administered Welfare-to-Work program, and has not been found by the State or other administering entity to be in noncompliance with such a program.

The LACDA uses 30 hours per week as the minimum number of hours for a work activity as described in Section 407(d) of the Social Security Act, and implementing regulations 45 CFR 261.31(1)(a)(1).

The LACDA will re-verify exemption status at the annual recertification except for adult residents who are 62 years of age or older.

At any time shall an adult resident experience a change in status that would make such individual exempt from the community service requirement, he/she must report the change in status within five (5) business days to the site management office. The LACDA will verify the exemption status of the requesting adult resident before authorizing non-exemption from the community service requirement. The non-exempt adult resident shall only be responsible for the balance of community service hours to be completed before the annual recertification.

C. SATISFYING THE COMMUNITY SERVICE REQUIREMENT

Community Service

Eligible community service activities include, but are not limited to, the following:

1. Participation in a Family Learning Center Literacy Program as a reading tutor and/or reading listener;
2. Participation in activities which support the Family Learning Center, such as, but not limited to, after-school tutoring, summer programs, being a chaperone for educational field trips, assisting with events and programs related to youth/adult education and literacy;
3. Participation in the site Resident Council as an elected board member or performing activities related to the Resident Council that total eight (8) hours per month;
4. Participation in activities which support the Family Resource Center, such as, but not limited to, being a chaperone for youth and senior field trips, assisting with community events and family/youth programs, and other activities related to youth development, recreation, and family self-sufficiency;
5. Local public or nonprofit institutions, such as schools, Head Start Programs, before-or after-school programs, childcare centers, hospitals, clinics, hospices, nursing homes, recreation centers, senior centers, adult daycare programs, homeless shelters, feeding programs, food banks (distributing either donated or commodity foods), or clothes closets (distributing donated clothing);
6. Nonprofit organizations serving LACDA residents or their children, such as: Boy or Girl Scouts, Boys or Girls Club, 4-H Clubs, Police Activities League (PAL), organized children's recreation, mentoring, or education programs, Big Brothers or Big Sisters, Garden Centers, community clean-up programs, beautification programs;
7. Programs funded under the Older Americans Act, such as Green Thumb, Service Corps of Retired Executives, senior meals programs, senior centers, Meals on Wheels;

9. LACDA housing to improve grounds or provide gardens (so long as such work does not alter the LACDA's insurance coverage); or work through resident organizations to help other residents with problems, including serving on the Resident Advisory Board, outreach and assistance with LACDA-run self-sufficiency activities including supporting computer learning centers; and,
10. Care for the children of other residents so parents may volunteer.

Pursuant to 24 CFR 960.609, community service activities do not include work performed by a resident that would ordinarily be performed by a LACDA employee. However, residents may do community service on the LACDA property or with or through LACDA programs to assist with or enhance work done by a LACDA employee.

In addition to the activities stated above, participation in an economic self-sufficiency program satisfies the community service requirement. HUD defines economic self-sufficiency as: any program designed to encourage, assist, train, or facilitate economic independence of assisted families or to provide work for such families.

Self-Sufficiency

Eligible self-sufficiency activities include, but are not limited to, the following:

1. Job readiness or job training while not employed;
2. Training programs through local One-Stop Career Centers, Workforce Investment Boards (local entities administered through the U.S. Department of Labor), or other training providers;
3. Higher education (junior college or college);
4. Apprenticeships (formal or informal);
5. Substance abuse or mental health counseling;
6. Reading, financial and/or computer literacy classes;
7. English as a second language and/or English proficiency classes;
8. Budgeting and credit counseling.

In general economic self-sufficiency programs include: job training, employment counseling, work placement, basic skills training, education, English proficiency, workfare, financial or household management skills training, apprenticeship, or any other program necessary to ready a participant for employment.

In addition to the activities listed above, the LACDA authorizes the following economic self-sufficiency activities:

Participation in the LACDA Family Self Sufficiency Program.

Other activities which further the goals of economic self-sufficiency as approved on an individual basis by the LACDA.

The LACDA will ensure that all community service activities which take place on LACDA property are accessible for persons with disabilities.

D. ANNUAL COMPLIANCE CERTIFICATION

For each adult resident subject to the community service requirement, the LACDA shall, at least

30 calendar days before the next recertification, review and determine compliance with the community service requirement.

Such determinations shall be made in accordance with the principles of due process and on a non-discriminatory basis.

Community Service Requirement Self-Certification

Each adult resident that is subject to the community service requirement shall provide a completed self-certification form for each organization or person for which the resident performed the community service requirement activity. The LACDA developed form includes the following information:

1. A statement that the resident has completed the number of hours listed and that the statement is subject to penalties of perjury;
2. The number of hours and type of activity (community service or self-sufficiency) that the resident completed;
3. The name of the organization or person for which the activity was completed;
4. The address of the organization or person;
5. The phone number of the organization or person;
6. A contact person in the organization or the person for which the activity was completed.

Residents Ineligible for Community Service Requirement Self-Certification

The LACDA will not accept resident self-certification for a resident subject to a work-out agreement until the resident has completed, and the LACDA has verified through a third party, that the resident has completed the required hours. For these residents, if community service activities are administered by an organization other than the LACDA, the LACDA will obtain a third-party verification.

Annual Community Service Requirement Self-Certification HUD Validation Requirements (24 CFR 960.605)

The LACDA must validate a sample of self-certifications with the third-party for whom the resident completed the community service or self-sufficiency activity. The sample of self-certifications the LACDA validates shall be a statistically valid, random sample. HUD PIH Notice 2016-06 provides the appropriate sampling methodology to be used by the LACDA when determining how many self-certifications must be validated annually. For example, LACDA the has a universe of self-certifications of 50 must validate at least 29 of the self-certifications to meet the statistically valid requirement. The LACDA with a universe of 500 must validate 60 self-certifications to meet the statistically valid requirement. The “universe” of self-certification shall only include residents that submitted a self-certification, and shall not include:

1. Residents that are under the age of 18 years or 62 years or older;
2. Residents that are exempt;
3. Residents for which the LACDA receives third part verification of completion of the

- community service requirement; and
- 4. Residents that did not complete the required community service requirement.

Due to the number of residents subject to the community service requirement constantly fluctuating due to unit turnover, resident employment, etc., the LACDA shall choose a point in time annually to calculate the universe of self-certification received during the previous 12 months.

Validating the Community Service Requirement

To validate a self-certification, the LACDA shall obtain a third-party documentation that includes, at a minimum, the name of the organization or person, the number of hours completed by the resident, a signature from the appropriate staff person within the third-party organization or person and that staff person's contact information. Consistent with the written third-party verification techniques outlined in PIH Notice 2010-19, the LACDA may accept third-party generated documentation directly from the third-party or from the resident.

Fraudulent Self-Certification

If the LACDA determines a resident has submitted a fraudulent self-certification, the LACDA shall provide a notice of noncompliance to the resident pursuant to 24 CFR 960-607. If the resident agrees to sign a work-out agreement, the LACDA shall obtain written third-party documentation of the resident's compliance with the requirements of the work out agreement. Should the resident refuse to enter into a work-out agreement, the LACDA shall take steps to terminate the tenancy of the resident by the next recertification/12-month period. (PIH Notice 2015-12).

E. NONCOMPLIANCE

If the LACDA determines that an adult resident subject to the community service requirement has not complied with the requirement, the LACDA shall;

1. Notify the adult resident in writing of such noncompliance which will include;
 - A. A brief description of the finding of non-compliance with CSSR.
 - B. A statement that the LACDA will not renew the Lease Agreement at the end of the current 12-month lease term unless the tenant enters into a written work-out agreement with the LACDA or the family provides written assurance that is satisfactory to the LACDA explaining that the tenant or other noncompliant resident no longer resides in the unit. Such written work-out agreement will include the means through which a noncompliant family member will comply with the CSSR requirement.
 - C. A statement that the tenant may request a grievance hearing on the LACDA determination, in accordance with the LACDA's Grievance Procedures (24 CFR Part 966, subpart B), and the tenant may exercise any available judicial remedy to seek timely redress for the LACDA's nonrenewal of the lease because of such determination.

The LACDA may not renew the resident's Lease Agreement upon expiration of the lease term and shall take such action as is necessary to terminate the tenancy of the household, unless the LACDA enters into an agreement, before the expiration of the lease term, with the resident providing for the resident to cure any noncompliance with the community service requirement, by participating in an economic self-sufficiency program or contributing to community service as many additional hours as the resident needs to comply in the aggregate with such requirement over the 12-month term of the lease.

Enforcement Documentation

Should a family member refuse to sign a written work-out agreement, or fail to comply with the terms of the work-out agreement, the LACDA will initiate termination of tenancy proceedings at the end of the current 12-month lease term (see 24 CFR 966.53(c)) due to the fact that the family is failing to comply with lease requirements. When initiating termination of tenancy proceedings, the LACDA will provide the following procedural safeguards:

- A. Adequate notice to the tenant of the grounds for terminating the tenancy and for non-renewal of the lease;
- B. Right of the tenant to be represented by counsel;
- C. Opportunity for the tenant to refute the evidence presented by the LACDA, including the right to confront and cross-examine witnesses and present any affirmative legal or equitable defense which the tenant may have; and
- D. A decision on the merits.

F. INELIGIBILITY FOR OCCUPANCY FOR NONCOMPLIANCE

The LACDA shall not renew or extend any Lease Agreement, or provide any new Lease Agreement, for a dwelling unit for any household that includes an adult resident who was subject to the community service requirement and failed to comply with the requirement.

Chapter 17

LACDA CURFEW AND LOITERING POLICIES AND PROCEDURES

INTRODUCTION

The following are the policies and procedures governing the implementation, administration, and enforcement of the LACDA Curfew and Loitering Regulations.

A. DUTIES AND RESPONSIBILITIES

At the discretion of the Director of the Housing Operations Division, the Property Manager shall have the primary responsibility for implementation, administration and enforcement of the Curfew and Loitering Regulations as it pertains to their respective assigned housing developments and scattered sites.

Security personnel and law enforcement personnel contracted to provide services at the various housing developments shall participate in the enforcement of the Curfew and Loitering Regulations. Such enforcement may include properly identifying curfew and loitering violators, and notifying the appropriate Property Manager of such curfew and loitering violations.

B. NIGHTTIME CURFEW

No minor under the age of 18 years shall remain in or upon any common area of the LACDA or within any LACDA community, including but not limited to a road, curb area, sidewalk, parking lot, alley, park grounds, playground, basketball court, hallway, stairway, laundry, or recreational room, community center, or other common area grounds, place, building or vacant lot between the hours of 10:00 p.m. on any day and 6:00 a.m. of the immediately following day, except for within an apartment unit or private yard area.

“Remain” means to stay behind, to tarry and to stay unnecessarily in or upon LACDA common area, including the congregating of groups of persons, in whom any minor involved is not on or upon LACDA common area for the purpose of mere passage or going home.

A parent, guardian or other person having the legal care, custody or control of any minor (under the age of 18 years) shall not knowingly permit or by ineffective control allow the minor to violate this curfew regulation. The term “knowingly” includes knowledge that a parent or guardian should reasonably be expected to have concerning the whereabouts of a minor in that person’s legal custody. This requirement is intended to hold a neglectful or careless parent or guardian up to a reasonable community standard of parental responsibility.

It shall be no defense that a parent or guardian was indifferent to the activities or conduct or whereabouts of such minor.

The following shall constitute valid exceptions to the regulation:

1. When the minor is accompanied by his or her parent or parents, legal guardian or other

person having the legal care or custody of the minor, or by his or her spouse/marital-type partner 18 years of age or older; or

2. When the minor is on an errand or other legitimate business or activity directed by his or her parent or parents or legal guardian or other adult person having the legal care or custody of the minor, or by his or her spouse/marital-type partner 18 years of age or older; or
3. When the minor is going directly to or returning directly home (without any unnecessary detour or stop), a public meeting, or activity of a religious or other voluntary association, a place of public entertainment such as a movie, play, sporting event, dance, school activity, or the minors place of employment; or
4. When the minor is actively participating in a sporting or community event on LACDA property, if the LACDA rules or regulations permit the sporting or community event during said hours; or
5. When the presence of such minor in said place or places is connected with or required with respect to a business, trade, profession, or occupation in which said minor is lawfully engaged; or
6. When minor is exercising First Amendment rights protected by the United States or California Constitution; or
7. When the minor is involved in an emergency or seeking medical assistance; or
8. When the minor is emancipated pursuant to law.

C. DAYTIME CURFEW

No minor (under the age of 18 years) who is subject to compulsory education or to compulsory continuing education shall remain in or upon any common area of the LACDA or within any LACDA community including, but not limited to, a road curb area, sidewalk, parking lot, alley, park grounds, playground, basketball court, hallway, stairway, laundry or recreational room, community center, or other common area grounds, place or building, vacant lot or parking lot, between the hours of 8:30 a.m. and 1:30 p.m. on days when school is in session. The following shall constitute valid exceptions to this regulation:

1. When the minor is accompanied by his or her parent or parents, legal guardian or other adult person having the legal care or custody of the minor, or by his or her spouse/ marital-type partner 18 years of age or older; or
2. When the minor is upon an emergency errand directed by his or her parent or parents, legal guardian or other adult person having the legal care or custody of the minor, or by his or her spouse/marital-type partner 18 years of age or older; or
3. When the minor is going directly to or returning directly home from, without any unnecessary detour or stop, his or her place of gainful employment or a medical, dental, optometry, or chiropractic appointment; or

4. When the minor has permission to leave school campus for lunch or school related activity and has in his or her possession a valid, school issued, off-campus permit; or
5. When the minor has in his or her possession a written excuse from the minors parent(s), legal guardian, or other adult person having the legal care or custody of the minor; or
6. When the minor is receiving instruction by a qualified tutor pursuant to Education Code Section 48224; or
7. When the minor is going to or returning directly from, without unnecessary detour or stop, a public meeting, or place of public entertainment, such as a movie, play, sporting event, dance or school activity, provided such meeting, event or activity is a school-approved activity for the minor or is otherwise supervised by school personnel of the minors school; or
8. When the minor is going to or returning directly from, without unnecessary detour or stop, an appearance in court, attendance at a funeral service, observance of a holiday or ceremony of his or her religion, attendance at religious retreats, or attendance at an employment conference; or
9. When the minor is emancipated pursuant to law.

D. LOITERING

No one will loiter in a common area of a housing site. A common area includes, but is not limited to a road, curb area, sidewalk, fire lane, parking lot, alley, park grounds, playground, basketball court, hallway, stairway, laundry, or recreational room, community center, or other common area grounds, place, building or vacant lot. This pertains to adults and minors.

“Loitering” is defined as when a person delays, lingers, idles or remains in an area and does not have a lawful purpose for being there.

E. BREACH OF THE LEASE

One violation of the Curfew Regulation by any household member of a unit shall constitute a minor breach of the Lease Agreement. Three or more violations of the Curfew Regulation within a 12-month period of time by any household member (in any combination) shall constitute a material breach of the Lease Agreement, and shall be sufficient grounds for termination of the Lease Agreement.

One violation of the Loitering Regulation by any household member of a unit or guest of the unit, shall constitute a minor breach of the Lease Agreement. Two or more violations of the Loitering Regulation within a 12-month period of time by any household member or guest (in any combination) shall constitute a material breach of the Lease Agreement, and shall be sufficient grounds for termination of the Lease Agreement.

F. NOTICES AND RECOMMENDATIONS

Notice

The Head of Household shall receive a copy of the citation for violation of the Curfew Regulation and written notification from LACDA management of each violation of the Curfew Regulation occurring within a 12-month period as follows:

First Violation: Written notice shall be served on Head of Household, by LACDA management, advising of curfew violation and that Head of Household is responsible for the minor's conduct. The notice shall constitute a WARNING to the Head of Household that subsequent violations may result in termination of the Lease Agreement.

The non-resident may be banned if they commit one felony, misdemeanor or infraction involving possession of a controlled substance under state or federal law in or upon any area of the LACDA development including without limitation, illegal drug activity or violent criminal activity.

**Please note that the cultivation, cultivation, manufacture, distribution, sale, use and/or possession of marijuana with the intent to cultivate, manufacture, distribute, sell, and/or use of marijuana for recreational and/or medical reasons is also a violation of the LACDA's policies relating to drug-related criminal activity and constitutes "drug-related criminal activity" under federal law.

The LACDA development includes, but is not limited to, a private road or curb area, sidewalk, parking lot, alley, park grounds, playground, basketball court, hallway, stairway, laundry or recreational room, community center, or other common area grounds, place, building or vacant lot on LACDA property.

A proof of service form indicating service of the banning notice on the non-resident shall be completed. A form documenting the incidents leading to the service of the banning notice shall also be completed.

Residents known to associate with the banned non-resident shall receive notice of the person banned from LACDA property in the form of a letter from the LACDA. C. BREACH OF THE LEASE

One violation of the Banning Regulation by any household member of a unit shall constitute a minor breach of the Lease Agreement. Two or more violations of the Banning Regulation within a 12-month period of time by any household member (in any combination) shall constitute a material breach of the Lease Agreement, and shall be sufficient grounds for termination of the Lease Agreement.

D. NOTICES AND RECOMMENDATIONS

Once a resident is notified, in writing, of a non-resident being banned from the LACDA's property, the resident is deemed to have been put on notice that pursuant to their Lease Agreement they are prohibited from allowing a person who has been banned from LACDA property to be a guest of the resident at the housing development. Chapter 19

LIMITED ENGLISH PROFICIENCY (LEP)

INTRODUCTION

In accordance with federal, state, and local law, specifically Executive Order 13166, HUD LEP Guidance, the LACDA will provide meaningful access to its programs and activities by persons with Limited English Proficiency (LEP). This chapter describes how the LACDA will undertake reasonable efforts to provide or arrange free language assistance for its LEP public housing applicants or residents as well as the general public.

A. MEANINGFUL ACCESS; FOUR-FACTOR ANALYSIS

Meaningful access is free language assistance in accordance with federal guidelines. The LACDA is required to provide LEP services based on the balancing of the following four-factor analysis:

1. The number or proportion of LEP persons served or likely to be encountered by the LACDA.
2. The frequency with which with LEP persons using a particular language come into contact with the LACDA.
3. The nature and importance of the LACDA program, activity or service to the person's life.
4. The LACDA's resources available and the cost of providing meaningful access.

The LACDA will annually assess and update the four-factor analysis in accordance with Section C "Monitoring".

B. LANGUAGE ASSISTANCE

1. An LEP applicant or resident is entitled to language assistance with respect to LACDA programs and activities.
2. LACDA staff will provide language assistance to LEP applicants and residents who have difficulty communicating in English, identify themselves as LEP, or who request language assistance.

Applicants will be asked at the time of application and residents will be asked at the time of annual reexamination to designate their primary language for both oral and written services and whether LEP services are needed.

3. Interpretive (Oral) Services

LEP applicants and residents have the right to free interpreter services when the individual states a need or staff observes difficulty in communicating in English, whether or not the language they speak is considered a threshold language. Once a person is identified as LEP, interpreter services will be made available in all communication with or from the LACDA.

4. Translation of Documents

- a. The LACDA will consider the following factors in determining whether a document requires translation:
 1. The document meets the threshold of a “vital document”. Per the HUD guidance, “vital documents” are those that are critical for ensuring meaningful access by beneficiaries or potential beneficiaries generally and LEP persons specifically.
 2. The costs and benefits of translating documents for potential LEP groups, the barriers to meaningful translation or interpretation of technical housing information, the likelihood of frequent changes in documents, the existence of multiple dialects within a single language group, the literacy rate in an LEP group and other relevant factors. The LACDA will undertake this examination when an eligible LEP group constitutes 5 percent of an eligible group of beneficiaries or potential beneficiaries (for example, 5 percent of households living in LACDA housing developments) or 1,000 persons, whichever is less.

Documents deemed “vital” by the LACDA will be translated into threshold languages.

- b. In consideration of the above, the LACDA will annually assess its documents to identify any vital documents that need to be translated (please refer to Appendix A for the list of currently translated “vital documents”). As the LACDA continues to translate further public housing “vital documents”, Appendix A will be updated on an annual basis. The LACDA will then translate a portion of those documents identified every year as financially feasible. If the vital document has not been translated, the LACDA will provide the applicant or resident with oral translation.
- c. As opportunities arise, the LACDA may work with other local Public Housing Authorities (PHAs) to share the costs of translating common documents.
- d. As HUD continues to translate standard housing documents in multiple languages, the LACDA will replace its translated versions with the official HUD versions. The LACDA encourages HUD to provide this service to PHAs and other federally funded agencies whose limited resources hinder their LEP efforts.

5. Audiovisual Materials

The LACDA will make reasonable efforts to produce multiple translations of audiovisual materials it may use to inform or educate applicants, residents and other client groups. For example, the LACDA will translate material to be presented at community or other meetings into threshold languages. If this is not possible, interpreters will be used to provide simultaneous interpretation/translation.

6. Formal Interpreters

- a. To provide meaningful access for LEP applicants or residents, the LACDA will provide qualified interpreters, including agency bilingual staff and outside vendors to all identified LEP individuals or upon request.
- b. The LACDA may require an interpreter to certify that he/she understood the matter communicated and rendered is a competent interpretation.
- c. Only Formal Interpreters will be used at:
 - i. Informal hearing(s) for denial of admission to public housing;
 - ii. Informal conferences and formal hearings.

Informal interpreters will not be used in lieu of formal interpreters provided by the LACDA.

- d. A LACDA staff interpreter may not be a subordinate to the person making the decision and will not be an LACDA staff person participating in the informal conference or formal hearing.
- e. The LACDA maintains a list of qualified, bilingual employees who have applied for, and tested for proficiency in interpreting and/or translating language from English into a language other than English. Those employees receive additional compensation for demonstrating non-English language proficiency and can provide assistance to LACDA staff and LEP clients as part of their regular job duties.

7. Informal Interpreters

Informal interpreters may include the family members, friends, legal guardians, service representatives or advocates of the LEP individual. The use of informal interpreters is strongly discouraged. Minor children may not act as informal interpreters. If the LEP individual wishes to rely solely on an informal interpreter, LACDA staff will determine whether it is appropriate depending upon the circumstances and subject matter of the communication. However, in many circumstances, informal interpreters may not be an appropriate option to provide accurate interpretations. There may be issues of confidentiality, competency or conflict of interest. In these cases, the LACDA may require the use of a formal interpreter despite the wish of the LEP individual to rely solely on his or her informal interpreter.

- a. The LACDA will always offer a free interpreter. An LEP person may use an informal interpreter of his/her own choosing and at his/her expense, either in place of or as a supplement to the free language assistance offered by the LACDA. If possible, the LACDA

will accommodate an LEP client's request to use an informal interpreter in place of a formal interpreter.

- b. If an LEP client prefers an informal interpreter, after the LACDA has offered free interpreter services, the informal interpreter may interpret. In these cases the client and interpreter will be asked to sign a waiver refusing interpreter services.
- c. If an LEP client wants to use his/her own informal interpreter, the LACDA reserves the right to also have a formal interpreter present.

8. Outside Resources

- a. Outside resources may include competent community volunteers, competent LACDA residents or competent Housing Choice Voucher/Section 8 participants.
- b. Outside resources may be used for interpreting services at public or informal meetings or events if a timely request has been made.
- c. The LACDA will establish and maintain relationships with organizations that assist specific cultural and ethnic groups living in Los Angeles County. To help their clients obtain or keep housing assistance through the LACDA, these organizations may provide qualified interpreters for LEP persons.

C. MONITORING

1. The LACDA will review and revise this LEP Policy annually. The review will include:
 - a. Reports from the LACDA's software system on the number of LEP clients. Such reports may be supplemented by staff observations.
 - b. A determination as to whether 5 percent or 1,000 public housing residents or persons from the public housing waiting lists speak a specific language, which triggers consideration of document translation needs as described above.
 - c. Review of demographic data that indicates prevalent languages in Los Angeles County.
 - d. Analysis of staff requests for formal interpreters: the number of requests, the languages requested, the costs, etc.
 - e. Analysis of the frequency in which informal interpreters are used over formal interpreters.

D. LEP PLAN DISTRIBUTION AND TRAINING

The LACDA will ensure the LEP policy is distributed to the public and complied with by all staff

by:

1. Distributing to all LACDA staff.
2. Posting on LACDA's website at www.lacda.org.
3. Posting at the site Management Offices and at the LACDA Administrative Offices in appropriate threshold languages.
4. Available at the site Management Offices and at the LACDA Administrative Office. Including notices summarizing the rights of LEP individuals under this policy in application and reexamination packets.
5. Conducting in-depth training for staff that interacts directly with applicants and residents. All other staff will receive at least a condensed training on LEP policies and procedures.

LEP Definitions:

1. "Applicant" includes applicants for any program administered by the LACDA.
2. "Competent" refers to a person who is proficient and has knowledge of program terminology in both the English language and the non-English language being used.
3. "Interpretation" is competently taking oral or spoken information provided in one language and accurately communicating that information orally in another language.
4. "Interpreter" is a person (not a minor) able to speak fluently and read with full understanding both in the English language and the LEP applicant or resident.
5. "Language services" or "Language Assistance" is the provision of free, competent language interpretation (oral) or translation services (written).
6. "LEP Individual" is a person who identifies as a LEP person, does not speak English as a primary language, and who has a limited ability to read, write, speak or understand English.
7. "Oral Translation" means the oral translation of a document from English into a second language. Oral translation involves the translation of every word, not summarization. However, in oral translation, because of cultural and technical issues, further explanation may also be required and is encouraged.
8. "Resident" includes persons receiving assistance under the Public Housing Program.
9. "Threshold Language" is a language spoken by 5% or 1,000, whichever is less, of the population of persons eligible to be served or likely to be affected or encountered to determine the need for bilingual staff and translation of documents.
10. "Translation" means converting written material from one language to another in written form.
11. "Vital documents" are those that are critical for ensuring meaningful access by LEP persons to the rental assistance programs administered by the LACDA.

This includes net income derived from assets, received by the family head of household/co-head and/or spouse/marital-type partner (even if temporarily absent) and by each additional family member for the 12 month period following the effective date of initial determination or reexamination of income. It does not include income that is temporary, non-recurring, or sporadic as defined in this section, or income that is specifically **excluded** by other federal statute.

ADJUSTED INCOME

Annual income, less allowable HUD deductions.

Note: Under the Continuing Resolution, Public Housing programs are permitted to adopt other adjustments to earned income for residents of Public Housing, but must absorb any resulting loss in rental income. Income exclusions and inclusions are included in Chapter 5.

All Families are eligible for the following:

A deduction of unreimbursed amounts paid for attendant care or auxiliary apparatus expenses for disabled family members where such expenses are necessary to permit a family member(s), including the disabled member to be employed. In no event may the amount of the deduction exceed the employment income earned by the family member(s) freed to work.

Equipment and auxiliary apparatus may include but are not limited to: wheelchairs, lifts, reading devices for visually disabled, and equipment added to cars and vans to permit use by the disabled family member.

For non-elderly families and elderly families without medical expense: The amount of the deduction equals the cost of all unreimbursed expenses for disabled care and equipment

less three percent of Annual Income, provided the amount so calculated does not exceed the employment income earned.

For elderly families with medical expenses: The amount of the deduction equals the cost of all unreimbursed expenses for disabled care and equipment less three percent of Annual Income, (provided the amount does not exceed earnings) plus medical expenses as defined below.

Medical Expenses: A deduction of unreimbursed medical expenses, including insurance premiums anticipated for the period for which Annual Income is computed. Medical expenses include, but are not limited to: services of physicians and other health care professionals, services of health care facilities; insurance premiums, including the cost of Medicare), prescription and non-prescription medicines, transportation to and from treatment, dental expenses, eyeglasses, hearing aids and batteries, attendant care (unrelated to employment of family members), and payments on accumulated medical bills. To be considered by the LACDA for the purpose of determining a deduction from the income, the expenses claimed must be verifiable.

For elderly families without disabled person expenses: The amount of the deduction shall equal total medical expenses less 3% of annual income.

For elderly families with both disabled and medical expenses: The amount of disabled assistance is calculated first, then medical expenses are added.

Elderly/Disabled Household Exemption: An exemption of \$400 per household.

Other Charges shall be billed to Resident and will specify damaged items, corrective action taken and cost of labor and/or materials to correct damages. The cost of repairs will be based upon the Schedule of Other Charges provided to each Resident and which is posted in the Management Office and incorporated into this Lease by reference. Other Charges and Utility Charges will be due within 30 calendar days of receiving an invoice. The failure of Resident to pay Other Charges and Utility Charges when due will constitute a material breach of the Lease.
- B. Management will accept payments of Other Charges and Utility Charges separately from payments of rent owed by Resident.

5. REDETERMINATION OF RENT AND OCCUPANCY

- A. (1) Once a year, or more frequently as requested by Management, Resident, who elects to pay income-based rent, must provide Management with a true and complete written verification of all family income including anticipated income from all sources, family composition, and any other information deemed pertinent by Management, which will be reviewed by Management to determine whether the rent being paid should be changed and/or if Resident is still eligible for continued occupancy in the Residence. If family composition changes requiring a change in unit size, Resident agrees to transfer to an appropriate size dwelling unit based on family composition upon one transfer offer by Management. If Resident refuses or fails to transfer to an appropriate size dwelling unit based on family composition (except for good cause refusal as set forth in Admissions and Continued Occupancy Policy), such refusal shall be a material breach and Management may terminate the Lease. Each review and redetermination of rent and occupancy in the Residence ("Regular Review") will be made in accordance with approved Admissions and Continued Occupancy Policy available in Management's Office and incorporated herein by reference. The failure of Resident to provide the aforementioned information and not complete a Regular Review when due will constitute a material breach of the Lease.
- (2) Management may begin processing the Regular Review prior to making a determination of whether or not to renew Resident's Lease. Management's action to begin the Regular Review shall not be deemed a waiver by Management of its right to either terminate or refuse renewal of a Resident's Lease in accordance with Section 1A herein.
- (3) Any rent adjustment required as a result of the Regular Review will be effective thirty (30) days after service on Resident of a Notice of Rent Adjustment as provided in subparagraph D below. The Resident may ask for an explanation stating the specific grounds of Management's determination. If Resident does not agree with the determination, the tenant shall have the right to request a hearing under Management's grievance procedure. The Regular Review will occur on or about the same date or dates each calendar year during Resident's occupancy. If Resident or Resident's household does not provide Management the written verification as to all items requested as described above, or execute authorization to release such items, within ten (10) days of

Management's request, or if Resident or Resident's household misrepresents any material fact or omits or fails to state any material fact therein, then Resident will have materially breached this Lease.

B. Interim Rent Redetermination

(1) The monthly rent described in Section 2 of this Lease as adjusted pursuant to the latest Regular Review described in subparagraph (A) above, will remain constant for the period between Regular Reviews, unless during such a period any of the following "Changes in Circumstance" occur:

- (a) There is a loss of head of household (Resident) due to death, abandonment, separation, divorce or other continuing circumstances. In such event the Lease shall terminate and a new Lease shall be executed by a responsible, residual adult family member deemed legally eligible by the accepted Admissions and Continued Occupancy Policy (a copy of which is on file in Management's office and which is incorporated herein by reference), and Management.
- (b) There is a loss of any person(s) other than head of household, whose name is listed in Section 1 (A), as a "Resident" or any person(s) whose name is listed in Section 1 (B) as an "Occupant".
- (c) There is an addition of a member of the household who is 18 years of age or older, by marriage, remarriage, cohabitation or otherwise, and the additional member is added to the Lease in accordance with Management's policy.
- (d) Resident can show a change in his/her family circumstances (such as decrease in income) or other similar circumstances which will create a hardship to the Resident in relation to the prompt payment of the rent. In the event the monthly rent payment is decreased because of a verifiable hardship to Resident, Resident must promptly report to management any increases in family income which occur. If the loss of income is temporary (less than 90 days), a subsequent interim will be conducted and the monthly rent will be appropriately adjusted once the income resumes. This does not apply to seasonal employees.

A TRUE AND COMPLETE STATEMENT OF ALL CHANGES DESCRIBED IN SUBPARAGRAPHS (a), (b) (c) AND (d) ABOVE MUST BE REPORTED TO MANAGEMENT WITHIN TEN (10) CALENDAR DAYS OF THEIR OCCURRENCE AND ANY FAILURE BY RESIDENT TO DO SO OR ANY MISREPRESENTATION OF ANY SUCH CHANGES WILL BE A MATERIAL BREACH OF THE LEASE.

(2) If, upon verification of a Change in Circumstances, Management determines that Resident's monthly rent does not conform to regulatory requirements, an adjustment in the monthly rent will be made. Interim adjustments in the monthly rent will be effective as follows:

- (a) Any decrease in rent will be effective on the first day of the calendar month following the month in which a Change in Circumstances was reported. If the reduction in income is reported after the LACDA's cut-off date for the following month rent set-up, Management will charge the resident the former, higher rent, subject to a credit when the circumstances of reduction are verified.
- (b) Any increase in rent will be effective on the first day of the second calendar month following the month in which the Change in Circumstance occurred.
- (c) No interim increase or decrease in rent will be made until all the information for making the determination has been verified by Management.

C. Retroactive Rent and Failure to Disclose Income

The Resident has an obligation to report to Management within 10 calendar days of its occurrence if there is an additional source of income for any eligible family member, and/or income or the addition of a family member to the household. Failure to disclose the aforementioned information is a material breach of the Lease. If the Resident or a member of his/her household misrepresents facts, omits any pertinent information, or fails to inform Management of information it requires for an annual reexamination or interim rent adjustment and these failures result in a lower rent than should have been charged, Management, in its sole discretion, may terminate the Lease for a material breach and/or may make the rent increase retroactive to the date it would have been effective. Any resulting retroactive rent must be paid by the Resident according to the terms of the Repayment Agreement. In addition to collecting the retroactive rent and/or terminating the Lease Agreement, Management may pursue any additional actions allowable under Federal, State or local law.

D. Notice

Management will mail or deliver a "Notice of Rent Adjustment" to Resident at the Residence in accordance with Section 11 of this Lease in the event that the monthly rent payment is increased or decreased pursuant to Section 5.

E. Confidentiality of Record

All records and information given by Resident to Management shall remain confidential and shall not be disclosed except insofar as the Management is authorized by California Health & Safety Code section 34217, the Privacy Act of 1974: Amendment to an existing system of records; Enterprise Income Verification HUD/PIH-5 or any other Federal, State or Local Law to make disclosures to third parties or government agencies or as requested by Resident or the Resident's authorized representative.

This Lease Agreement Addendum is incorporated into the Lease Agreement between Management and the Resident(s) listed below: _____
Tenant ID _____

Name(s) of Resident(s) _____

Housing Development Name _____

Address of Residence _____

Unit No. _____

This Addendum hereby supplements and modifies the Public Housing Lease Agreement, and shall be incorporated as part of the Lease Agreement.

EXCEPT FOR ONE SPECIFIED DESIGNATED SMOKING AREA AT THE SOUTHBAY GARDENS SENIOR PUBLIC HOUSING DEVELOPMENT, SMOKING IS STRICTLY PROHIBITED ON ALL OTHER HOUSING DEVELOPMENTS' PREMISES INCLUDING IN INDIVIDUAL UNITS, COMMON AREAS, EVERY BUILDING AND ADJOINING GROUNDS

1. **Purpose of Non-Smoking Policy.** Management would like to mitigate (i) the irritation and known health effects of secondhand smoke; (ii) the increased maintenance and cleaning costs from smoking; (iii) the increased risk of fire from smoking; and (iv) the higher costs of fire insurance for a non-smoke-free building.
2. **Definition of Smoking.** The term “smoking” means inhaling, exhaling, breathing, or carrying or possessing any lighted cigarette, cigar, pipe, hookah or other prohibited tobacco, marijuana or similar lighted product in any manner or in any form. Additionally, “smoking” also includes but is not limited to the use of an electronic cigarette (e-cig or e-cigarette), a personal vaporizer (PV) or an electronic nicotine delivery system (ENDS).
3. **Non-Smoking Area.** Resident agrees and acknowledges that it is strictly prohibited to smoke on the premises occupied by the Resident and members of the Resident's household in any common areas, including but not limited to community rooms, community bathrooms, within all living units, lobbies, reception areas, hallways, laundry rooms, stairways, offices and elevators, playground areas, entry ways, porches, balconies and patios. Resident and members of Resident's household shall not smoke anywhere in said Non-Smoking Area. The Resident may not permit any guests or visitors under the control of the Resident to smoke in said Non-Smoking Area.
4. **Designated Smoking Area:** Management will permit smoking only at the Southbay Gardens Senior Public Housing Development, at one specified open-air area that is at least 25 feet away from a Los Angeles County Development Authority (LACDA) building and identified with clear signage as a “Designated Smoking Area”. All other housing developments are completely smoke free.
5. **Resident to Promote Non-Smoking Policy and to Alert Management of Violations.** Resident shall inform Resident's guests or visitors of the non-smoking policy. Residents are also encouraged to promptly submit to Management a written statement of any incident where tobacco smoke is migrating into the Resident's unit from sources outside of the Resident's unit.
6. **Resident Financial Responsibility.** Residents acknowledges that Management holds Residents financially responsible for the mitigation of any damages caused by smoking in the Resident’s unit or caused by smoking in non-smoking areas on the LACDA’s premises. Residents shall pay for these damages as set forth in the Lease as “Other Charges”. Costs incurred may include but are not limited to cleaning, sealing, painting, deodorizing, duct cleaning, and possible replacement of fixtures and various surface materials.
7. **Management to Promote Non-Smoking Policy.** Management shall post no-smoking signs at entrances and exits, in common areas, and in conspicuous locations adjoining the grounds of the Non-Smoking Area.
8. **Management Not a Guarantor of Smoke-Free Environment.** Resident acknowledges that Management’s adoption of a non-smoking living environment does not make Management the guarantor of the Resident's, members of the Resident’s household, or their guests/visitors health or of the non-smoking condition of the Resident's unit and the common areas. However, Management shall take reasonable steps to enforce the non-smoking terms in this Lease Addendum and to make the Non-Smoking Area as smoke-free as is reasonably possible. Management is not required to take steps in response to smoking unless Management is aware of said smoking or has been given written notice of said smoking.
9. **Effect of Breach and Right to Terminate Lease.** A material or continuing breach of this Addendum shall be a material breach of the Lease and grounds for termination of the Lease by Management.
10. **Disclaimer by Management.** Resident acknowledges that Management’s adoption of a non-smoking living environment does not in any way change the standard of care that Management would provide to a resident household to render buildings and premises designated as non-smoking any safer, more habitable, or improved in terms of air quality standards than any other rental premises. Management specifically disclaims any implied or express warranties that the building, common areas, or Resident's premises will have any higher or improved air quality standards than any other rental property. Management cannot and does not warrant or assert that the rental premises or common areas will be free from secondhand smoke. Resident acknowledges that Management's ability to police, monitor, or enforce the agreements of this Addendum is dependent in significant part on compliance by the Resident and Resident's guests/visitors. Residents and Resident’s guests/visitors with respiratory ailments, allergies, or any other physical or mental condition relating to smoke are put on notice that Management does not assume any higher duty of care to enforce this Addendum than any other Management obligation under the Lease.

FISCAL YEAR 2020-2021
LOS ANGELES COUNTY DEVELOPMENT AUTHORITY (“MANAGEMENT”)
PUBLIC HOUSING PEST CONTROL LEASE AGREEMENT ADDENDUM

This Lease Agreement Addendum is incorporated into the Lease Agreement between Management and the Resident(s) listed below:

Name(s) of Resident(s) _____ Tenant ID _____
Housing Development Name _____
Address of Residence _____
Unit No. _____

REPRESENTATIONS:

WHEREAS bedbugs and other pests have become a problem facing the Los Angeles County Development Authority (LACDA) and the Resident; and

WHEREAS the LACDA and the Resident agree that policies need to be established to control these pests; and

WHEREAS the LACDA and the Resident need to clearly define their roles in handling incursions by these pests.

NOW, THEREFORE, the Resident agrees to adhere to the provisions set forth below with a clear understanding of the Resident’s and LACDA’s responsibilities under this Lease Agreement Addendum and therefore minimizing the costs, inconveniences and misunderstandings that often result from pest infestation.

1. This Addendum hereby supplements and modifies the Public Housing Lease Agreement, and shall be incorporated as part of the Lease Agreement.
2. For purposes of this Addendum, “bedbugs” or “pests” mean any insect of the genus cimex including but not limited to cimex lectularius, and/or its eggs. “Pests” also include but is not limited to roaches, termites, and spiders.
3. California Civil Code §1954.603 requires the information below to be provided to the Resident:

Bed bug Appearance: Bed bugs have six legs. Adult bed bugs have flat bodies about 1/4 of an inch in length. Their color can vary from red and brown to copper colored. Young bed bugs are very small. Their bodies are about 1/16 of an inch in length. They have almost no color. When a bed bug feeds, its body swells, may lengthen, and becomes bright red, sometimes making it appear to be a different insect. Bed bugs do not fly. They can either crawl or be carried from place to place on objects, people, or animals. Bed bugs can be hard to find and identify because they are tiny and try to stay hidden.

Life Cycle and Reproduction: An average bed bug lives for about 10 months. Female bed bugs lay one to five eggs per day. Bed bugs grow to full adulthood in about 21 days. Bed bugs can survive for months without feeding.

Bed Bug Bites: Because bed bugs usually feed at night, most people are bitten in their sleep and do not realize they were bitten. A person’s reaction to insect bites is an immune response and so varies from person to person. Sometimes the red welts caused by the bites will not be noticed until many days after a person was bitten, if at all.

Common Signs and Symptoms of a Possible Bed Bug Infestation:

- Small red to reddish brown fecal spots on mattresses, box springs, bed frames, mattresses, linens, upholstery, or walls.
- Molted bed bug skins, white, sticky eggs, or empty eggshells.
- Very heavily infested areas may have a characteristically sweet odor.
- Red, itchy bite marks, especially on the legs, arms, and other body parts exposed while sleeping. However, some people do not show bed bug lesions on their bodies even though bed bugs may have fed on them.

For more information, see the Internet Web sites of the United States Environmental Protection Agency at www.epa.gov and the National Pest Management Association at www.nmpapestworld.org.

4. Resident agrees that he/she has read the bedbug educational materials provided by Management and states one of the following (check one box):
 Resident is not aware of any infestation of bedbugs in your current or previous apartment, home or dwelling. Resident agrees that he/she is not aware of any bedbug infestation or presence in any of his/her furniture, clothing, personal property or possessions. Resident further agrees that he/she has not been subjected to conditions in which there were any bedbug infestations or presence of bedbugs.
 Resident agrees that if he/she previously lived anywhere that had a bedbug infestation that all of his/her personal property (including furniture, clothing and other belongings) have been treated by a licensed pest control professional. Resident agrees that such items are free of further infestation. Resident previously experienced a bedbug infestation as follows:
_____.
5. If Resident fails to report any pest infestation in their unit within seven (7) calendar days of move-in, it shall be an acknowledgement by Resident that the premises are acceptable, in good condition and pest free.
6. After move-in, Management will take immediate steps to address any identified pest infestation problem. Resident acknowledges that time is of the essence in dealing with issues of potential pest infestation. Because of the need for prompt action to avoid any further infestation, Resident shall report during business hours any actual or suspected infestation within forty-eight (48) hours of discovery to Management.
7. In the event that bedbugs or other pests are located within the unit, Management agrees that Management shall treat the premises for bedbugs or other pests in a timely manner and at their expense.
8. If a bedbug or pest control treatment is scheduled and the Resident is not prepared for treatment as delineated in bedbug or pest control instructions distributed prior to the service, the Resident will be **charged fifty (50) dollars**. Exceptions may be made due to verified Americans with Disability Act (ADA), medical or other emergency situations.

_____ Resident's Initials

9. Resident acknowledges that used or second-hand furniture is the primary method in which bedbugs are spread. Resident agrees that he/she will not knowingly or recklessly bring onto the property furniture or other belongings that are infested with bedbugs or other pests. Resident further agrees to exercise caution when acquiring used or second-hand furniture and shall examine any such items thoroughly before bringing them into their unit. Resident further agrees that Resident shall not bring into the dwelling used or second-hand furniture items that have been abandoned or discarded in such areas as roadsides, trash rooms, and disposal receptacles.

_____ Resident's Initials

10. In the event that there is a bedbug or pest infestation in Resident's unit, Resident agrees to cooperate fully with and to undertake all efforts and tasks required by Management, and in Management's sole discretion, or by Management's pest control company, employed to eradicate pests. Resident's full cooperation includes but is not limited to reporting during business hours any suspected pest infestation to Management within forty-eight (48) hours of discovery, making the premises available for entry to complete pest inspection and eradication treatment(s), completing all required pre-treatment activities, evacuating the premises during and after treatment for the required timeframe, completing all required post-treatment activities, and immediately reporting ineffective treatment or re-infestations to Management.

11. Resident acknowledges that any violation of this Addendum constitutes a material violation of the Lease and is grounds for termination of the Lease by Management. Conduct that constitutes a material violation of the Lease includes failure to promptly notify Management of evidence of any pest infestation, any action that prevents treatment of the unit or potentially exasperates or increases the bedbug issue, refusal to permit Management to enter to inspect for infestation or to perform eradication treatments, and failure to complete all required pre-treatment and post treatment activities, including a failure to report ineffective treatment or re-infestations. Proof of the violation of this Addendum shall be by a preponderance of the evidence.

12. Resident may request reasonable extermination services at any time. Upon notification from Resident, within twenty-four (24) hours of the report, Management shall provide Resident with information about control and prevention of bedbugs or pests and will discuss measures that Resident may be able to take in the unit before the inspection is performed. Management will conduct an inspection of the unit within three (3) business days if possible for bedbug infestations. If an inspection cannot be conducted within three (3) business days by trained staff or a licensed professional, Management will retain documentation of efforts made. Should a pest infestation be identified through the inspection, Management shall contact the Resident and schedule treatment within ten (10) calendar days for regular pests and five (5) calendar days for bedbugs, except for resident caused delays or lack of vendor availability. When Management requires access to a unit for purposes of inspecting for the presence of a household pest or controlling the presence of a household pest, Management shall provide at least forty-eight (48) hour's notice to Resident, that Management requires access. Management will notify Resident in advance of each pest inspection, including providing a preparation sheet. If Resident notifies Management of a possible infestation and requests extermination services, the notice from Resident constitutes permission to enter the dwelling unit for the purpose of acting on the inspection or extermination request.

13. Except in those situations where Management has been grossly negligent, and/or as provided by law, Owner, Management, and its employees, are not liable to Resident for any damages caused by pests, including but not limited to, personal expenses, replacement of furniture, and/or other personal items, including clothing, medications or medical expenses, or for the costs to treat, clean, replace and/or protect Resident's personal belongings. Owner, Management, and its employees are not responsible for any damage done to Resident's unit or personal items during pest control inspections and/or treatment(s).

_____ Resident's Initials

14. Resident acknowledges that Management's adoption of this Addendum, and the efforts to provide a pest free environment, does not in any way change the standard of care that Management owes Resident under the Lease. Resident further acknowledges that Management does not guarantee or warranty a pest-free environment. Resident acknowledges and understands that Management's ability to police, monitor, or enforce the agreements of the Addendum is dependent in significant part on voluntary cooperation and compliance by the Resident and Resident's guests/visitors.

15. Management agrees that it will attempt to make reasonable accommodations in the event that any Resident requests an accommodation in connection with pest control service. Any Resident requesting such an accommodation is requested to provide notice to Management at the time the pest control is requested or when Resident receives notice that it will be provided, whichever is earlier. Management will provide the Resident with the ADA paperwork to complete and submit to Management. Resident understands that in some circumstances, because of the nature of a particular pest or infestation, there may not be an alternative, effective means of eradication, and in those circumstances, Management may use the eradication services that are effective in dealing with the infestation.

CHAPTER 1: POLICIES AND OBJECTIVES

1.1 INTRODUCTION

In 1982, the Los Angeles County Board of Supervisors consolidated three entities – the Housing Authority, the Community Development Department, and the Redevelopment Agency – to form the Community Development Commission (CDC). On May 16, 2019, the agency was officially rebranded as the Los Angeles County Development Authority (LACDA). LACDA is part of the County family, but an independent agency not a County Department. The LACDA’s core pillars include affordable housing, and community and economic development. The agency’s wide-ranging programs benefit residents and business owners in the unincorporated Los Angeles County areas and in various incorporated cities that participate in different programs (these cities are called “participating cities”). According to the 2010 U.S. Census, more than one million of the County’s nearly ten million residents live in unincorporated areas.

Over 70% of LACDA’s funding comes from the U.S. Department of Housing and Urban Development to provide subsidized housing, housing development and preservation, community development, and economic development within Los Angeles County.

Under the LACDA organizational structure, the Housing Assistance Division administers all tenant-based and project-based Housing Choice Voucher rental assistance programs.

1.2 PURPOSE OF THE PLAN **[24 CFR §982.54(a) – §982.54(d)]**

The purpose of the Administrative Plan is to clearly outline the policies and procedures that govern the LACDA’s administration of the Section 8 Housing Choice Voucher rental assistance programs. The plan includes program requirements established by the U.S. Department of Housing and Urban Development (HUD), as well as the discretionary policies established by the LACDA.

The policies and procedures in this Administrative Plan comply with applicable local, State, and HUD and other Federal regulations, relevant memos, notices and guidelines, including fair housing and equal opportunity requirements. If applicable regulatory changes conflict with this plan, regulations will have precedence.

The LACDA adheres to the Administrative Plan in administering its Section 8 rental assistance programs. The original plan and any changes must be approved by the Board of Commissioners of the agency (the Los Angeles County Board of Supervisors), and a copy of the plan must be provided to HUD.

As much as possible, revisions and additions are published to coincide with published changes in the LACDA’s Agency Plan. Interim changes, including Board mandates and administrative updates reflecting changes in law or

regulatory requirements, will be made effective by memo from the Executive Director or designee.

1.3 LOCAL OBJECTIVES

[24 CFR §982.1(a)]

The LACDA's rental assistance programs are designed to achieve three major objectives:

1. To provide improved living conditions and decent, safe, and sanitary housing for very low-income families while maintaining their rent payments at an affordable level;
2. To provide an incentive to private property owners to rent to lower income families by offering timely assistance payments; and
3. To promote freedom of housing choice and spatial deconcentration of lower income and minority families.

Additionally, the LACDA's mission statement is as follows:

- To promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination.

1.4 JURISDICTION

[24 CFR §982.51 and 24 CFR §982.4(b)]

HUD authorizes the LACDA to administer its Section 8 Housing Choice Voucher and other subsidized rental assistance programs within the corporate boundaries of Los Angeles County. The LACDA's jurisdiction includes:

1. The unincorporated areas of the County, and
2. Participating cities within the County. Participating cities are defined as cities in the Los Angeles County area that have authorized the LACDA to administer rental assistance programs within their city limits.

1.5 RENTAL ASSISTANCE PROGRAMS

Section 8 of the Housing and Community Development Act of 1974 established the "Section 8 Program," the first permanent Federal program for rental assistance. The program authorized a basic certificate program, as well as targeted subprograms. As rental assistance programs developed, Congress authorized additional Section 8 programs, including a voucher program in 1987.

In 1998, the Quality Housing and Work Responsibility Act (QHWRA) required Public Housing Agencies (PHA's) to convert their certificates into vouchers and establish the Housing Choice Voucher Program as the primary rental assistance program. As a result of this conversion, the Housing Choice Voucher Program now encompasses all Section 8 rental assistance except for existing certificates under the previously offered Moderate Rehabilitation Program.

- **Moderate Rehabilitation Program**: A certificate-based rental assistance program incorporating financial options for owners doing moderate levels of rehab and upkeep to affordable housing rental units. Administration involves closing or extending expiring contracts. Chapter 20 (Moderate Rehabilitation Program) covers the details of this program.
- **Section 8 Pre-Pay/Preservation Program**: A voucher-based rental assistance program that enables existing participants, living in units in which owners have prepaid a HUD-insured mortgage loan, to remain in affordable housing. Chapter 19 (Pre-Pay/Preservation Program) covers the details of this program.
- **Project-Based Voucher Program**: The LACDA will utilize Project-Based vouchers to prevent the displacement of families and preserve affordable rents in the case of an unforeseen event.
- **Housing Choice Voucher Program**: The major rental assistance program administered by the LACDA.
 - **Note**: Unless otherwise noted, the procedures in this Administrative Plan are for the general Housing Choice Voucher Program.

As required by HUD regulations, the LACDA administers the Family Self-Sufficiency Program as a special program option for participants in the Housing Choice Voucher Program. See Chapter 18 (Special Programs) for details.

1.5.1 **Targeted and Special Programs**

Periodically, the LACDA applies for special funding from HUD to assist targeted populations, within the Housing Choice Voucher Program. ~~The LACDA provides assistance through the following targeted programs:~~

- ~~➤ **Housing Choice Voucher Family Unification Program**: This program provides assistance to families who are in imminent danger of losing or who cannot regain custody of their minor children due to lack of adequate housing.~~
- ~~➤ **Housing Choice Voucher Welfare to Work Program**: This program provided assistance to families who are eligible for CalWORKs benefits, are in good standing with the employment/job training program offered by the Los Angeles County Department of Public and Social Services (DPSS) and are in need of housing in order to obtain or retain employment. See Chapter 18 (Special Programs) for details.~~
- ~~➤ **Non-Elderly Disabled (NED) Vouchers**: This program assists non-elderly, disabled families who need rental assistance. As authorized by HUD regulations, the LACDA administers these vouchers independently and does not rely on joint ventures with community partners. Eligible families are identified from the regular housing choice voucher waiting list and are admitted on a first come, first served basis.~~

Families admitted into a targeted program must meet all regular admission requirements with the exception of the residency requirement. Since the LACDA is required to work closely with other County departments that provide services through all of Los Angeles County, families residing outside of the LACDA's

jurisdiction are allowed to participate in targeted programs. However, families may be required to move within the LACDA's jurisdiction for at least one year.

~~The LACDA also receives non-Housing Choice Voucher Program funding to administer the following special programs. See Chapter 18 (Special Programs) for details:~~

~~➤ Continuum of Care Program~~

~~➤ Housing Opportunities for Persons with AIDS (HOPWA) Program~~

1.6 FAIR HOUSING AND EQUAL OPPORTUNITY POLICY

[24 CFR §982.53 and California FEHA Act]

It is the policy of the LACDA to comply fully with all Federal, State and local nondiscrimination laws and with the rules and regulations governing fair housing and equal opportunity in housing and employment.

The LACDA shall not deny any family or individual the opportunity to apply for or receive assistance under its rental assistance programs on the basis of race, color, sex, religion, gender, gender identity and expression, family status, national origin, marital status, ancestry, age, sexual orientation, disability, source of income, medical condition, military and veteran status, genetic information, arbitrary characteristics, or any other basis prohibited by law.

The LACDA will provide Federal, State, and local information to voucher holders during the family briefing session regarding discrimination, and the recourse available to them if they are victims of discrimination. Applicants and other voucher holders will be informed that they may file a fair housing complaint using the toll-free hotline at 1-800-669-9777 and that persons with hearing or speech impairments may access this number via TTY by calling the Federal Information Relay Service at 1-800-887-8339. All fair housing information and discrimination complaint forms will be included in the voucher holder's briefing packet.

1.7 NON-DISCRIMINATION POLICY

It is the policy of the Los Angeles County Development Authority (LACDA), formerly known as the Housing Authority of the County of Los Angeles, to comply with the Fair Housing Act, Title VIII of the Civil Rights Act of 1968, as amended by the Fair Housing Amendments Act of 1988, 42 U.S.C. §§ 3601 *et seq.*, by ensuring that housing is available to all persons without regard to race, color, religion, national origin, disability, familial status (having children under age 18), or sex. This policy means that, among other things, LACDA and its agents or employees must not discriminate in any aspect of housing, including but not limited to denying persons access to housing, because of race, color, religion, national origin, disability, familial status, or sex. Such agents and employees may not:

- a. Make unavailable or deny a dwelling to any person because of race, color, religion, national origin, disability, familial status, or sex;

- b. Discriminate against any person in the terms, conditions, or privileges of a dwelling, or in the provision of services or facilities in connection therewith, because of race, color, religion, national origin, disability, familial status, or sex;
- c. Make, print, or publish, or cause to be made, printed, or published any notice, statement, or advertisement, with respect to a dwelling that indicates any preference, limitation, or discrimination based on race, color, religion, national origin, disability, familial status, or sex, or an intention to make any such preference, limitation, or discrimination, or
- d. Coerce, intimidate, threaten, or interfere with any person in the exercise or enjoyment of, or on account of his or her having exercised or enjoyed, or on account of his or her having aided or encouraged any other person in the exercise or enjoyment of, any right granted or protected by the Fair Housing Act.

Any agent or employee who fails to comply with this non-discrimination policy will be subject to appropriate disciplinary action. Any action taken by an agent or employee that results in the unequal treatment of citizens on the basis of race, color, religion, national origin, disability, familial status, or sex, may constitute a violation of state and federal fair housing laws. An individual who believes that he or she is the victim of discrimination may contact the U.S. Department of Housing and Urban Development at 1-207-945-0467, or the U.S. Department of Justice at 1-800-896-7743.

1.8 OPERATING RESERVES

The Board of Commissioners shall establish the permitted uses of earned administrative fees at the time of the Annual Consolidated Operating Budget approval. The approval shall consist of the use of administrative fees for the Housing Choice Voucher Program (Section 8) administration.

The Board of Commissioners must approve the expenditure of Section 8 operating reserves in excess of \$100,000. The Executive Director may authorize allowable use of Section 8 operating reserve funds not in excess of \$100,000. The Deputy Executive Director may authorize allowable use of Section 8 operating reserve funds not in excess of \$30,000.

1.9 SERVICE POLICY

[24 CFR §8.24]

This policy is applicable to all situations described in this Administrative Plan when a family initiates contact with the LACDA, when the LACDA initiates

contact with a family including when a family applies, and when the LACDA schedules or reschedules any kind of appointments.

It is the policy of the LACDA to be service-directed in the administration of its rental assistance programs, and to exercise and demonstrate a high level of professionalism while providing housing services to all families.

The LACDA's policies and practices are designed to provide assurances that all persons with disabilities will be provided reasonable accommodation so that they may fully access and utilize the housing program and related services.

1.9.1 Providing Greater Accessibility to Persons with Disabilities

The LACDA provides reasonable accommodations to persons with disabilities. The following is a non-exhaustive list of reasonable accommodations that may be available to a disabled person:

1. Providing office facilities which meet the requirements of Federal, State and local law with regard to accommodations for persons with disabilities;
2. Providing notice to applicants and participants that they may request a reasonable accommodation if a family member is a person with a disability;
3. Allowing the assistance of mechanical or electronic devices by applicants and participants as may be needed to facilitate communication at appointments;
4. Providing assistance in completing forms and other documents which are required by program regulations;
5. Encouraging families to utilize assistance from outside agencies in the completion of forms and documents required by the program;
6. Providing reasonable extensions of time for the completion of program requirements to the extent not prohibited by HUD regulations;
7. Providing extensions to the amount of time a family has to search for a unit with their voucher (see section 8.7.3);
8. Conducting in-home visits (or, where appropriate, telephone interviews) for persons who are unable to travel to LACDA offices due to medical conditions;
9. Maintaining Telecommunication Devices for the Deaf (TDD) phone services and publicizing their availability;
10. Providing an American Sign Language interpreter at the request of clients with a hearing impairment;
11. Providing documents in Braille, upon request;
12. Providing program documents in large font sizes upon request;
13. Providing, upon request, an appropriate meeting or conference room to accommodate a service and/or support animal;

14. Requesting HUD approval of an exception to the Fair Market Rent (FMR) or the Voucher Payment Standard, at the family's request, if a family contains a member with a disability and has a verifiable need to rent an accessible or otherwise appropriate specific unit in a specific area, but only if the unit meets the rent reasonableness requirements of the program;
15. Allow advocates to provide information as needed, but only with the permission of the person with the disability.

The following is a list of actions LACDA will take to affirmatively further fair housing for disabled persons. The LACDA is not limited only to those actions listed below to affirmatively further fair housing and may take other actions when deemed necessary and reasonable:

1. Actively and consistently examining the LACDA's programs, and proposed programs to identify any impediments to fair housing choice within the programs;
2. Resolving impediments to fair housing choice in a reasonable and timely fashion given resources available;
3. Soliciting information on the accessibility of owners' units to persons with disabilities and providing information on amenities the unit may provide persons with disabilities;
4. Providing a free internet-based housing search that lists available, accessible units;
5. Soliciting the assistance of outside agencies to provide services to persons with disabilities and to assist persons with disabilities in meeting the requirements of the Section 8 and other assisted housing programs;
6. Actively working with the County and participating cities to implement any initiatives to affirmatively further fair housing where involvement by the LACDA is necessary;
7. Providing to its Section 8 landlords information concerning their legal obligations to permit "reasonable modifications" to a rental unit at the participant's expense if the family has a member with a disability and if the modification is necessary for the person with a disability to fully enjoy the unit;
8. Requiring all outside agencies who have agreements or contracts with the LACDA to abide by Federal, State and local laws and ordinances which require accommodation for persons with disabilities and not to reject any applicant or participant on the basis of a disability;
9. Providing training to all employees on how to accommodate applicants and participants with disabilities.

The LACDA will maintain documentation of all efforts to affirmatively further fair housing.

1.9.2 Requests for Reasonable Accommodation **[24 CFR §8.28]**

The LACDA is required to make reasonable adjustments to rules, policies, practices and procedures of its programs, in order to enable a disabled applicant or participant to have an equal opportunity to use and enjoy their unit, including common areas, and to comply with program obligations.

The LACDA approves reasonable accommodation requests on a case-by-case basis, upon determination that:

- The requested accommodation is reasonable (i.e., it does not result in a fundamental alteration in the nature of the program or an undue financial and administrative burden), and
- There is an identifiable relationship between the requested accommodation and the individual's disability.

Requests for reasonable accommodation do not have to be made in writing, however it is preferred if the request is in writing to ensure the request is understood by all parties. Most requests for accommodation are verified with a reliable, knowledgeable professional so that the LACDA can properly accommodate the need presented by the disability (see Chapter 7 for Verification of Reasonable Accommodations). Families requesting a reasonable accommodation will be notified in writing of the decision. The written decision will also include a statement informing the family of their right to dispute the decision.

1.9.3 Persons with an Obvious and/or Visible Disability

Most reasonable accommodation requests are considered in accordance with the policies found in section 7.11.10. However, in accordance with the Joint Statement of the Department of Housing and Urban Development and the Department of Justice regarding Reasonable Accommodations under the Fair Housing Act, dated May 17, 2004 an Assistant Manager, Manager, Director or the ADA/504 Coordinator in the Housing Assistance Division may approve a family member's self-certification of a need for a reasonable accommodation, but only if:

- 1) The individual has an obvious and/or visible disability (such as an individual who regularly uses a wheelchair or an individual with a hearing or visual impairment);
- 2) The accommodation requested is clearly related to the individual's disability (for example, a hearing-impaired person requests a sign language interpreter).

If a person's disability is obvious, or otherwise visible, and if the need for the requested accommodation is also readily apparent or known, Supervisory staff will not request any additional information about the requester's disability or the disability related need for the accommodation.

If Supervisory staff cannot determine whether there is a clear relationship (nexus) between the obvious disability and the need for an accommodation, the relationship (nexus) and need for the accommodation must be verified by a health care or service provider.

Supervisory staff must document the file with facts and reasoning to support acceptance of the family member's self-certification. The supervisor's approval of the self-certification takes the place of a third party verification of need for the accommodation.

1.9.4 General Guidelines for Exception Rents in Excess of the Regular Payment Standard

Under no circumstances may a family initially rent a unit if the family share will exceed the affordability limits stipulated by HUD. A family may rent a unit with a lower payment standard amount while its request for an exception rent or payment standard is pending so long as the family share does not exceed the affordability limitation. If approval for an exception payment standard is provided after the start date of the HAP Contract, the payment standard is revised effective the first of the month following the date of the final written approval.

1.9.5 Exceptions Payment Standard (120% of the FMR or Less)

These exceptions may be granted only by a Manager or the Director of the Housing Assistance Division.

The rent for the unit must be reasonable. The family must have at least one member who qualifies as a person with a disability for the purpose of reasonable accommodation. The unit must in some specific way accommodate the disability, such as the unit's physical amenities (grab-bars, ramps, special features for the blind), structure (elevator building, ground floor unit), location (near a medical facility, place of treatment, school providing special education, close location to bus lines or other facilities) or because of other circumstances or needs attested to by the health care or service provider.

The need for the accommodation must be verified in accordance with section 7.11.10 of this Plan.

1.9.6 Exceptions in Excess of 120% of the FMR

All requests for exceptions to the payment standard which exceed 120 % of the Fair Market Rent must be reviewed and approved by the Director. Requests above 120% of the FMR will require a HUD Headquarters waiver of 24 CFR 982.505(d).

Approval of exception payment standards may occur only if the family share will exceed 40% of the family's Adjusted Monthly Income (AMI), and the resulting exception payment standard will be premised on the family continuing to pay 40% of AMI as the family share. The exception payment standards remain in effect until and unless a higher exception payment standard is warranted, requested and subsequently approved.

1.9.7 Payment Standard Exceptions During the Contract Term

During the term of a HAP Contract, the LACDA may provide an exception to the payment standard to allow the unit to remain affordable to the family so long as the unit provides an accommodation for the disability. The exception cannot be

retroactive and cannot take effect until after the date of the LACDA's (or HUD's) written approval.

1.9.8 Denials & Terminations - Discretion to Consider Circumstances

In determining whether to deny admission or terminate assistance because of action or failure to act by members of the family, the LACDA may consider mitigating circumstances relating to the disability of a family member and the effects of denial or termination of assistance on other family members who were not involved in the action or failure to act.

If the family includes a person with a disability, the LACDA's decision concerning termination or denial is subject to consideration of reasonable accommodation in accordance with 24 CFR Part 8.

1.9.9 Re-verifying the Need for Reasonable Accommodations

Once the need for a reasonable accommodation has been verified, staff does not re-verify the need for reasonable accommodation except when there is another change in circumstances.

Examples:

- ~~A live-in aide leaves the household,~~
- A disabled person leaves the household,
- A family member listed as disabled can no longer verify s/he is disabled,
- At inspection no medical equipment is observed in an additional room granted as an accommodation to store or use the equipment,
- The health care or service provider approving a need for a live-in aide or other reasonable accommodation has indicated that the need or the disability will be of short duration,
- The family member loses his/her disabled status, for example when a person on State disability returns to work.

1.9.10 Resolving Complaints Regarding Reasonable Accommodation

Complaints or issues regarding the provision of reasonable accommodation for a person with a disability which are not resolved by the case manager are referred to the Housing Assistance Division ADA/Section 504 Coordinator who provides a preliminary review, conducts investigations, and resolves complaints and issues determinations.

1.10 LIMITED ENGLISH PROFICIENCY

In accordance with federal, state and local law, specifically Executive Order 13166, HUD LEP Guidance and Sections 7290 et seq. of the California Government Codes ("Dymally-Alatore Act") the LACDA will provide meaningful access to its programs and activities by persons with Limited English Proficiency (LEP) and undertake reasonable efforts to provide or arrange free language

assistance for LEP applicants or participants of the Housing Choice Voucher program and all other rental assistance programs administered by the Housing Assistance Division.

1.11 MEANINGFUL ACCESS; FOUR-FACTOR ANALYSIS

Meaningful access is free language assistance in accordance with federal guidelines. The LACDA is required to provide LEP services based on the balancing of the following four-factor analysis:

1. The number or proportion of LEP persons served or likely to be encountered by the LACDA.
2. The frequency with which with LEP persons using a particular language come into contact with the LACDA.
3. The nature and importance of the LACDA program, activity or service to the person's life.
4. The LACDA's resources and the cost of providing meaningful access.

The LACDA will annually assess and update the four-factor analysis in accordance with Section 1.17 Monitoring.

1.12 DEFINITIONS

1. "Applicant" includes applicants for any program administered by the Housing Assistance Division.
2. "Competent" refers to a person who is proficient and has knowledge of program terminology in both the English language and the non-English language being used.
3. "Interpretation" is competently taking oral or spoken information provided in one language and accurately communicating that information orally in another language.
4. "Interpreter" is a person (not a minor) able to speak fluently and read with full understanding both in the English language and the language of the LEP applicant or participant.
5. "Language services" or "Language Assistance" is the provision of free, competent language interpretation (oral) or translation services (written).
6. "LEP Individual" is a person who identifies as a LEP person, does not speak English as a primary language, and who has a limited ability to read, write, speak or understand English.
7. "Oral Translation" means the oral translation of a document from English into a second language. Oral translation involves the translation of every word, not summarization. However, in oral translation, because of cultural and technical issues, further explanation may also be required and is encouraged.
8. "Participant" includes persons receiving assistance under any rental assistance program administered by the Housing Assistance Division.
9. "Threshold Language" is a language spoken by 5% or 1,000, whichever is less, of the population of persons eligible to be served or likely to be affected or encountered to determine the need for bilingual staff and translation of documents.

10. "Translation" means converting written material from one language to another in written form.
11. "Vital documents" are those that are critical for ensuring meaningful access by LEP persons to the rental assistance programs administered by the LACDA.

1.13 LANGUAGE ASSISTANCE

A Limited English Proficient (LEP) applicant or participant is entitled to language assistance with respect to the programs and activities of the LACDA.

LACDA staff will provide language assistance to LEP applicants and participants who have difficulty communicating in English, who identify themselves as LEP or who request language assistance.

Applicants will be asked at the time of application and participants will be asked at the time of annual reexamination to designate their primary language for both oral and written services and whether LEP services are needed. This information will be recorded in the electronic case file.

1.14 INTERPRETIVE (ORAL) SERVICES

LEP applicants and participants have the right to free interpreter services when the individual states a need or staff observes difficulty in communicating in English, whether or not the language they speak is considered a threshold language. Once a person is identified as LEP, interpreter services will be made available in all communication with or from the LACDA.

1.14.1 Formal Interpreters

To provide meaningful access for LEP applicants and participants, the LACDA will provide qualified interpreters, including agency bilingual staff and outside vendors to all identified LEP individuals or upon request.

The LACDA may require an interpreter to certify that he/she understood the matter communicated and rendered a competent interpretation.

- Only formal interpreters will be used at Voucher issuance briefings; and
- Informal hearings.

Informal interpreters will not be used in lieu of formal interpreters provided by the LACDA.

For informal hearings, a LACDA staff interpreter may not be a subordinate to the person making the decision.

The LACDA maintains a list of qualified, bilingual employees who have applied for, and tested for proficiency in interpreting and/or translating languages from English into a language other than English. Those employees receive additional

compensation for demonstrating non-English language proficiency and can provide assistance to LACDA staff and LEP clients as part of their regular job duties.

1.14.2 Informal Interpreters

Informal interpreters may include the family members, friends, legal guardians, service representatives or advocates of the LEP individual. The use of informal interpreters is strongly discouraged. Minor children may not act as informal interpreters.

If the LEP individual wishes to rely solely on an informal interpreter, the LACDA staff will determine whether it is appropriate, depending upon the circumstances and subject matter of the communication. However, in many circumstances, informal interpreters may not be an appropriate option to provide accurate interpretations. There may be issues of confidentiality, competency or conflict of interest. In those cases, the LACDA may require the use of a formal interpreter despite the wish of the LEP individual to rely solely on his or her informal interpreter.

The LACDA will always offer a free interpreter. A LEP person may use an informal interpreter of his/her own choosing and at his/her expense, either in place of or as a supplement to the free language assistance offered by the LACDA. If possible, the LACDA will accommodate a LEP individual's request to use an informal interpreter in place of a formal interpreter.

If a LEP individual prefers an informal interpreter, after the LACDA has offered free interpreter services, the informal interpreter may interpret. In these cases, the LEP individual and interpreter will be asked to sign a waiver, in the LEP individual's preferred language or through oral translation, refusing interpreter services.

If a LEP individual wants to use his/her own informal interpreter, the LACDA reserves the right to also have a formal interpreter present.

1.14.3 Outside Resources

Outside resources may include competent community volunteers or competent Housing Choice Voucher participants.

Outside resources may be used for interpreting services at public or informal meetings or events if a timely request has been made.

The LACDA will establish and maintain relationships with organizations that assist specific cultural and ethnic groups living in Los Angeles County. To help their clients obtain or keep housing assistance through the LACDA, these organizations may provide qualified interpreters for LEP persons.

1.15 TRANSLATION OF DOCUMENTS

The LACDA will consider the following factors in determining whether a document requires translation:

- a. The document meets the threshold of a “vital document”. Per the HUD guidance, “vital documents” are those that are critical for ensuring meaningful access by beneficiaries or potential beneficiaries generally and LEP persons specifically.
- b. The costs and benefits of translating documents for potential LEP groups, the barriers to meaningful translation or interpretation of technical housing information, the likelihood of frequent changes in documents, the existence of multiple dialects within a single language group, the literacy rate in an LEP group and other relevant factors. The LACDA will undertake this examination when an eligible LEP group constitutes 5 percent of an eligible group of beneficiaries or potential beneficiaries (for example, 5 percent of households receiving Section 8 assistance) or 1,000 persons, whichever is less.

Documents deemed “vital” by the LACDA will be translated in to threshold languages.

In consideration of the above, the LACDA will annually assess its documents to identify any additional vital documents that need to be translated. The LACDA will then translate a portion of those documents identified every year as financially feasible. If the vital document has not been translated, the LACDA will provide the applicant or participant with oral translation.

As opportunities arise, the LACDA may work with other local public housing authorities (PHAs) to share the costs of translating common documents.

As HUD continues to translate standard housing documents in multiple languages, the LACDA will replace its translated versions with the official HUD versions.

1.15.1 Audiovisual Materials

The LACDA will make reasonable efforts to produce multiple translations of audiovisual materials it may use to inform or educate applicants, participants and other client groups. For example, the LACDA will translate material to be presented at voucher issuance briefings into the threshold languages.

1.16 MONITORING

The LACDA will review and revise this LEP policy annually. The review will include:

- a. Reports from the LACDA’s software system on the number of LEP clients. Such reports may be supplemented by staff observations.

- b. A determination as to whether 5 percent or 1,000 participants from LACDA-administered programs or persons from the waiting list speak a specific language, which triggers consideration of document translation needs as described above.
- c. Review of demographic data that indicates prevalent languages in Los Angeles County.
- d. Analysis of staff requests for formal interpreters: the number of requests, the languages requested the costs, etc.

1.17 LEP PLAN DISTRIBUTION AND TRAINING

The LACDA will ensure the LEP policy is distributed to the public and complied with by all staff by:

1. Distributing to all LACDA staff.
2. Posting on the LACDA's website at www.lacda.org.
3. Posting at the LACDA's Administrative Offices in appropriate threshold languages.
4. Including notices summarizing the rights of LEP individuals under this policy in application and reexamination packets.
5. Conducting in-depth training for staff that interacts directly with applicants and participants. All other staff will receive at least a condensed training on LEP policies and procedures.

1.18 FAMILY OUTREACH

Each time the LACDA enters into an Annual Contributions Contract (ACC) with HUD for new Section 8 existing units, it will be publicized in accordance with the specification in the criteria of the Equal Opportunity Housing Plan.

The LACDA will communicate the status of housing availability to other service providers in the community; advise them of housing eligibility factors and guidelines in order that they can make proper referrals for housing assistance.

Information regarding the program directed at prospective applicants/tenants will be disseminated in accordance with Equal Opportunity Housing Plan and HUD guidelines for fair housing.

1.19 OWNER OUTREACH

[24 CFR §982.1(a)]

The LACDA encourages owners of decent, safe and sanitary housing units to lease to families participating in its rental assistance programs. The LACDA maintains and regularly updates a list of interested landlords and available units for its rental assistance programs. When listings from owners are received, they

are compiled by LACDA staff and made available through the phone hotline, by mail, or by Internet at www.hacola.org.

Ongoing marketing efforts to recruit suburban owners for participation include, but are not limited to:

1. Brochures for owners;
2. Realty Board presentations;
3. Apartment Owner Association presentations;
4. Community Center presentations; and
5. Presentation to organizations serving the disabled and other similar organizations.

The LACDA periodically evaluates the distribution of assisted families to identify areas within the jurisdiction where owner outreach should be targeted. Special outreach efforts will be used in order to encourage participation of those groups who would not normally apply or participate.

1.20 PRIVACY RIGHTS

[24 CFR §5.212]

Applicants and participants, including all adults in each household, are required to sign the HUD-9886 Form (Authorization for the Release of Information). This document incorporates the Federal Privacy Act Statement and describes the conditions under which HUD will release family information.

A statement of the LACDA's policy on release of information to prospective landlords will be included in the briefing packet that is provided to the family.

The LACDA's practices and procedures are designed to safeguard the privacy of applicants and program participants. All applicant and participant files are stored in a secure location that is only to be accessed by authorized staff.

LACDA staff will not discuss family information contained in files unless there is a business or legal reason to do so. Inappropriate discussion of family information or improper disclosure of family information will result in disciplinary action.

1.21 MONITORING PROGRAM PERFORMANCE

[24 CFR §985]

In order to ensure quality control, supervisory staff will review the following functions:

1. At Least 10 percent of all work completed by their staff, and
2. 100 percent of work completed by new staff for a minimum of 30 calendar days.

The LACDA's Quality Assurance Unit conducts audits of:

1. 5 percent of annual re-examinations/interim re-examinations, and

2. Minimum Housing Quality Standards (HQS) quality control inspections as dictated by Section 8 Management Assessment Program (SEMAP) Indicator #5.

The LACDA's Program Enforcement/Investigations Unit uses credit checks, and other similar tools to ensure program integrity, on a case-by-case basis.

CHAPTER 2: ADMISSION ELIGIBILITY FACTORS AND APPLICANT REQUIREMENTS

2.1 INTRODUCTION

[24 CFR §982.54(d)]

This chapter defines the criteria used by the LACDA to determine program eligibility, and the requirements that families and family members must meet in order to receive assistance under the program. This chapter also clarifies the circumstances that may lead to a denial of admission, and the process for notifying families if they are denied admission.

Family members being added to households that are currently receiving assistance are considered new applicants and are subject to the LACDA's admission and eligibility requirements.

The intent of these policies is to maintain consistency and objectivity in evaluating the eligibility of families who apply for the programs. The criteria listed in this chapter are the only factors used to review eligibility, to minimize the possibility of bias or discrimination. Selection shall be made without regard to race, color, sex, religion, gender, gender identity and expression, family status, national origin, marital status, ancestry, age, sexual orientation, disability, source of income, medical condition, military and veteran status, genetic information, arbitrary characteristics, or any other basis prohibited by law.

2.2 ELIGIBILITY FACTORS AND REQUIREMENTS

[24 CFR §982.201 and 24 CFR §982.552]

In accordance with HUD regulations, the LACDA has established the following eligibility criteria, which are detailed throughout this chapter. To be eligible for admission, an applicant family must:

1. Meet the definition of a "family;"
2. Be within the appropriate income limits;
3. Be a citizen, or a non-citizen with eligible immigration status [24 CFR §5.508]; and
4. Furnish and verify valid Social Security numbers for all family members [24 CFR §5.216].

The LACDA will also deny admission as follows:

1. If applicant fails to submit required consent forms, or any other LACDA-required information to verify family eligibility, composition, or income (including birth certificates and valid state identification);
2. If applicant is in violation of other criteria listed in Section 2.8 of this chapter;

3. If the applicant is a member, officer or employee of the LACDA who formulates policy or influences decisions with respect to federally funded rental assistance programs or a public official or a member of the local governing body or member of Congress; or
4. If applicant is a student enrolled in an institution of higher learning and meets all the criteria listed in Section 2.5 of this chapter.

The LACDA's procedures regarding notification and informal reviews for applicants who are denied assistance can be found at the end of this chapter.

2.3 FAMILY COMPOSITION

[24 CFR §982.201(c) and 24 CFR §5.403]

The applicant must qualify as a family. The LACDA defines a family as a single person or a group of persons as follows, regardless of actual or perceived sexual orientation, gender identity, or marital status.

1. **An elderly family:** A family whose head, co-head, spouse, or sole member is a person who is at least 62 years of age. It may include two or more persons who are at least 62 years of age living together, or one or more persons who are at least 62 years of age living with one or more live-in aides.
2. **A disabled family:** A family whose head, co-head, spouse, or sole member is a person with disabilities. It may include two or more persons with disabilities living together, or one or more persons with disabilities living with one or more live-in aides.
3. **The remaining member of a tenant family:** The remaining member of a tenant family will be reassigned another bedroom size voucher, provided there is funding available.

The remaining member of a tenant family does not include a live-in aide of the former family whose service was necessary to care for the well-being of an elderly, disabled or handicapped head of household, co-head, or spouse and whose income was not included for eligibility purposes.

4. **A group of persons:** Two or more persons sharing residency, who are not categorized as an elderly or disabled family, whose income and resources are available to meet family needs.
5. **A single person:** A person who lives alone, or intends to live alone, who is not categorized as elderly, disabled, or the remaining member of a tenant family.

A child who is temporarily away from home due to placement in foster care is considered a member of the family.

2.3.1 Head of Household

[24 CFR §5.504]

The head of household is considered to be the adult member of the household who is designated by the family or the LACDA as head, is wholly or partly

responsible for paying the rent, to sign program-related documents, and has the legal capacity to enter into a lease under State/local law. However, since rental assistance is provided to the entire family, it is expected that every family member will uphold the LACDA's rules and regulations. Emancipated minors who qualify under State law will be recognized as head of household.

2.3.2 Spouse of Head

Spouse means the husband or wife of the head of household. The marriage partner who, in order to dissolve the relationship would have to be divorced. It includes the partner in a common law marriage. The term "spouse" does not apply to boyfriends, girlfriends, significant others, or co-heads.

2.3.3 Co-Head

A co-head is an individual in the household who is equally responsible for the lease with the head of household. A family may have a spouse or co-head, but not both. A co-head never qualifies as a dependent.

2.3.4 Live-In Aides

[24 CFR §982.316 and 24 CFR §5.403]

A family may include a live-in aide if the live-in aide meets the following stipulations. The live-in aide:

1. Is determined by the LACDA to be essential to the care and well-being of an elderly person or a person with a disability;
2. Is not obligated for the support of the person(s);
3. Would not be living in the unit except to provide care for the person(s); and
4. Must submit a signed Criminal Background Consent Form.

Note: Occasional, intermittent, multiple or rotating care givers do not meet the definition of a live-in aide. Live-in aides must reside with a family permanently for the family unit size to be adjusted in accordance with the subsidy standards. An additional bedroom should not be approved for these caregivers, except when the family's composition or circumstances warrant the provision of an extra bedroom to permit disability-related overnight care and allow the family equal use and enjoyment of the unit.

A live-in aide is different from a family member in the following:

1. An aide's income will not be used to determine eligibility of family;
2. An aide is not subject to citizenship/eligible immigrant requirements;
3. An aide is not considered a remaining member of the tenant family, which means that they are not entitled to retain the voucher if the eligible family member(s) voluntarily leave the program, are terminated from the program, or have a voucher that expires.

Relatives are not automatically excluded from being live-in aides, but they must meet all the stipulations in the live-in aide definition described above to qualify for the income exclusion as a live-in aide.

A relative who does not qualify for income exclusion as a live-in aide may qualify for other exclusions, including if a family receives income from a state agency to offset the cost of services and equipment needed to keep a developmentally disabled family member at home. For a complete list of income exclusions, refer to Section 6.4 (Income Inclusions and Exclusions).

A live-in aide may only reside in the unit with the approval of the LACDA. The LACDA will require written verification from a reliable, knowledgeable professional, such as a doctor, social worker, or caseworker. The verification provider must certify that a live-in aide is needed for the care of the family member who is elderly, and/or disabled. The verification must include the hours of care that will be provided.

The live-in aide will be subject to a criminal background check and must meet the same standard as an applicant. Please see Section 2.8 (Screening for Drug Abuse and Other Criminal Activity) for more information.

With authorization from the assisted family, the landlord and the LACDA, a live-in aide may have a family member live in the assisted unit as long as it does not create overcrowding in the unit. The LACDA will not increase the family's subsidy to accommodate the family of a live-in aide.

2.3.5 Changes to the Household Prior to Program Admission

The LACDA may only transfer Head of household status to a person listed on the waiting list or application as spouse or co-head under the following circumstances:

In the event of the death of the head of household, a person already listed as the Spouse or Co-Head on the waiting list or application may request a change of the Head of Household status by submitting a signed, written request along with a copy of the death certificate of the original head of household.

In all other cases (including but not limited to divorce, separation, abandonment, medical incapacity) the head of Household status will be changed only when the original Head of Household submits to the LACDA a written release of the application to the Spouse or Co-Head, or if the Spouse or Co-Head requesting a transfer of Head of Household status submits to the LACDA legal documentation of his/her right to the application.

2.3.6 Multiple Families in the Same Household

When families consisting of two families living together, (such as a mother and father, and a daughter with her own husband or children), apply together as a family, they will be treated as one-family unit.

2.3.7 Joint Custody of Children

Children who are subject to a joint custody agreement but live with one parent at least 51 percent of the time will be considered members of that household. If

both parents on the waiting list are trying to claim the child, the parent whose address is listed in the school records will be allowed to claim the school-age child as a dependent.

Where court orders exist and provide guidance on custody issues, the LACDA will follow the directives outline in the court documents.

2.4 INCOME LIMITATIONS

[24 CFR §982.201(b) and 24 CFR §5.603(b)]

In order to be eligible for assistance, an applicant must be:

1. An extremely low-income family (a family whose gross annual income does not exceed 30 percent of the HUD-established median income for the Los Angeles-Long Beach Primary Metropolitan Statistical Area); **or**
2. A very low-income family (a family whose gross annual income does not exceed 50 percent of the median income for the Los Angeles-Long Beach Primary Metropolitan Statistical Area).
3. A low-income family (a family whose gross annual income does not exceed 80 percent of the median income for the Los Angeles-Long Beach Primary Metropolitan Statistical Area) who meets at least one of the following criteria:
 - i. Is “continuously assisted” (meaning the applicant has been receiving assistance under a program covered by the 1937 Housing Act, i.e. public housing); or
 - ii. Is displaced as a result of the prepayment of the mortgage or voluntary termination of an insurance contract on eligible low-income housing; or
 - iii. Qualifies for assistance as a non-purchasing family residing in a HOPE 1 or HOPE 2 project; or
 - iv. Qualifies for assistance as a non-purchasing family residing in a project subject to a resident homeownership program under 24 CFR §248.101.

As required by HUD regulations, 75 percent of all new admissions will be required to meet the definition of an extremely low-income family. To achieve the required balance, it may be necessary to skip over an otherwise eligible family. If this occurs, families that have been skipped over will retain the time and date of application and will be admitted as soon as an appropriate opening becomes available.

Families whose annual incomes exceed the income limit will be denied admission and offered an informal review.

2.4.1 Income Limits for Other Programs

Periodically, HUD has provided funding to the LACDA for projects involving preservation opt-outs and/or the expiration of a project based Section 8 contract. HUD provides the income limits applicable to those projects through specific

regulation. The LACDA will follow HUD directives in determining admissions for such programs.

2.5 ELIGIBILITY OF STUDENTS

[24 CFR §5.612]

The student rule applies to all individuals enrolled as a full or part-time student at an institution of higher education for the purpose of obtaining a degree, certificate, or other program leading to a recognized educational credential, except for a student who is living with his/her parents who are applying for or receiving section 8 assistance.

No assistance shall be provided to any individual that meets the following criteria:

- Is enrolled as a student at an institution of higher education, as defined under section 102 of the Higher Education Act of 1965 (20 U.S.C. 1002);
- Is under 24 years of age;
- Is not a veteran of the United States military;
- Is unmarried;
- Does not have a dependent child;
- Is not a person with disabilities, as such term is defined in section 3(b)(3)(F) of the United States Housing Act of 1937 and was not receiving assistance under such section 8 as of November 30, 2005; and
- Is not otherwise individually eligible (determined independent from his or her parents. See section 1.22 Terminology, Independent Student Status definition), or has parents, who individually or jointly, are not eligible on the basis of income to receive assistance.

Unless the student is determined independent from his or her parents, the eligibility of a student seeking assistance will be based on both the student and the parents being determined income eligible for assistance or whether the student's parents, individually or jointly, are income eligible for assistance. Both the student's income and the parents' income must be separately assessed for income eligibility.

2.6 CITIZENSHIP/ELIGIBLE IMMIGRATION STATUS

[24 CFR §982.201(a) and §5.508]

Eligibility for assistance is contingent upon a family's submission of evidence of citizenship or eligible immigration status. In order to receive assistance, a family member must be a U.S. citizen or eligible immigrant. Each family member, regardless of age, must submit a signed declaration of U.S. citizenship or eligible immigration status. The LACDA may request verification of the declaration according to verification guidelines detailed in Chapter 7.

The citizenship/eligible immigration status of each member of the family is considered individually before the family's status is defined.

This requirement does not apply to foster children or live-in aides.

2.6.1 Mixed Families

[24 CFR §5.504]

An applicant family is eligible for assistance as long as at least one member is a citizen or eligible immigrant. A family that includes eligible and ineligible individuals is called a “mixed family.” Mixed family applicants will be given notice that their assistance will be prorated and that they may request a hearing if they contest this determination.

2.6.2 No Eligible Members

[24 CFR §982.552(b)(4)]

The LACDA is required to deny admission if no member of the family is a U.S. citizen or eligible immigrant. Families will be provided the opportunity to appeal the decision in an informal review.

2.7 SOCIAL SECURITY NUMBER VERIFICATION REQUIREMENTS

[24 CFR §5.216(a)]

Applicant families are required to provide verification of Social Security numbers for all family members prior to admission. If the applicant family is unable to comply with this requirement, they may retain their place on the waiting list but cannot become a participant until it can provide Social Security numbers for each member of the household.

If a child under the age of 6 years was added to the applicant household within the 6-month period prior to voucher issuance, the applicant may become a participant, so long as Social Security number verification is provided within 90-calendar days from the date of admission (HAP effective date). One additional 90-day extension must be granted, if the PHA determines (in its discretion) that the delay in providing verification is a result of uncontrollable circumstances.

The social security number verification requirement also applies to persons joining the family after the admission to the program.

The following individuals are exempt from the Social Security requirement:

- Individuals that were 62 years of age as of January 31, 2010 and that were determined eligible for the program on or before that date.
- Individuals not contending eligible immigration status.

Families who refuse to furnish verification of Social Security numbers will be denied admission to the program.

2.8 DENIALS OF ASSISTANCE

[24 CFR §982.552 – §982.553]

This section includes HUD-required mandatory screening standards that lead to the denial of assistance, as well as discretionary standards allowed by HUD to deny assistance.

These guidelines apply to applicant families, and new members being added to the household of a family currently participating in a rental assistance program administered by the LACDA. The LACDA also screens families transferring under the portability option into its jurisdiction from other housing authorities, as authorized at 24 CFR §982.355(c)(9) and §982.355(c)(10).

2.8.1 Mandatory Denial of Assistance

[24 CFR §982.553(a)]

HUD regulations requires that the LACDA deny assistance in the following cases:

1. Any member of the household has been evicted from federally assisted housing in the last 3 years for drug-related criminal activity. HUD permits, but does not require, the PHA to admit an otherwise-eligible family if the household member has completed a PHA-approved drug rehabilitation program or the circumstances which led to the eviction no longer exists (e.g. the person involved in the criminal activity no longer lives in the household).

As permitted by HUD, the LACDA will make an exception under the following circumstances:

- If the LACDA is able to verify that the household member who engaged in the criminal activity has successfully completed a supervised drug rehabilitation program after the date of the eviction.
 - If the individual that committed the crime is no longer living in the household.
 - If the circumstances leading to the eviction no longer exist (i.e. the individual responsible for the original eviction is imprisoned or is deceased).
2. Any household member has ever been convicted of drug-related criminal activity for the production or manufacture of methamphetamine on the premises of federally assisted housing.
 3. The LACDA determines that any household member is currently engaging in the illegal use of a drug.
 4. The LACDA has reasonable cause to believe that any household member's current use or pattern of use of illegal drugs, or current abuse or pattern of abuse of alcohol, may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents.
 5. Applicant(s) subject to a lifetime sex offender registration requirement.

The LACDA is required to deny admission if the applicant or any household member is subject to lifetime registration as a sex offender under a state registration program, regardless of longevity of conviction or completion of any rehabilitative program.

2.8.2 Other Permitted Reasons for Denial of Assistance

The LACDA has the discretion to apply the following criteria, in addition to the HUD eligibility criteria, as grounds for denial of admission to the program.

1. **Criminal Activity [24 CFR §982.553(a)(2)(ii)]**

HUD permits, but does not require, the LACDA to deny assistance if the LACDA determines that any household member is currently engaging in, or has engaged in during a reasonable time before the family would receive assistance, certain types of criminal activity.

For Fiscal Year 2017-2018, the LACDA removed its discretionary Criminal Activity prohibitions permitted under 24 CFR 982.553 and deleted them from this section. The LACDA will reevaluate this policy to be consistent with Board adopted revisions to the LACDA's Homeless preference.

2. **Previous Behavior in Assisted Housing [24 CFR §982.552(c)]**

HUD authorizes the LACDA to deny assistance based on the family's previous behavior in assisted housing. The LACDA will screen applicants for the following behaviors as follows:

- The family, or any household member, must not have violated any family obligations during a previous participation in a federally assisted housing program. The LACDA will review situations, on a case-by-case basis, for violations that occurred in the last 12 months.
- The family, or any household member, must not have engaged in serious lease violations while a resident of federally assisted housing or within the past 5 years had been evicted from a federally assisted housing program.
- The family, or any household member, must not be a past participant of any Section 8 or public housing program who has failed to satisfy liability for rent, damages or other amounts to the LACDA or another public housing agency, including amounts paid under a HAP contract to an owner for rent, damages, or other amounts owed by the family under the lease.

On a case-by-case basis, the LACDA will consider the nature of the debt and the amount of the debt. The LACDA may provide the applicant the opportunity to repay any such debt in full as a condition of admissions. The LACDA will not enter into a repayment agreement for this purpose.

- No family household member may have engaged in or threaten abusive or violent behavior toward LACDA personnel.

“Abusive or violent behavior” includes verbal as well as physical abuse or violence. Use of expletives that are generally considered insulting, racial epithets, or other language, written or oral, that is customarily used to insult or intimidate, may be cause for denial of admission.

“Threatening” refers to oral or written threats or physical gestures that communicate intent to abuse or commit violence.

Actual physical abuse or violence will always be cause for denial.

- The family, or any household member, must not supply false, inaccurate or incomplete information on any application for federal housing programs, including public housing and Section 8. The family may be denied for a period not to exceed 2 years from the date of such a determination by the LACDA that information which was provided was false, inaccurate or incomplete, provided that no further cause for denial exists [24 CFR §982.552(c)(2)(i)].
- The LACDA will deny admission if the applicant or any household member has committed fraud, bribery, or any other corrupt or criminal act in connection with any Federal housing program. The LACDA may make an exception in determining admission if the family member(s) who participated or were culpable for the action do not reside in the assisted unit.
- The LACDA will not deny admission to an otherwise eligible family because the family previously failed to meet its obligations under the Family Self-Sufficiency (FSS) program.

2.8.3 Consideration of Circumstances

[24 CFR §982.553(C)(2)]

HUD authorizes the LACDA to consider all relevant circumstances when deciding whether to deny assistance based on a family’s past history except in the situations for which denial of assistance is mandatory.

When considering the circumstances of the case, the LACDA will consider the following factors prior to making its decision:

- The seriousness of the case, especially with respect to how it would affect other residents.
- The extent of participation or culpability of individual family members, including whether the culpable family member is a minor or a person with disabilities, or a victim of domestic violence, dating violence, sexual assault or stalking.
- The length of time since the violation occurred, the family’s recent history and the likelihood of favorable conduct in the future.
- In the case of drug or alcohol abuse, whether the culpable household member is participating in or has successfully completed a supervised drug or alcohol rehabilitation program or has otherwise been rehabilitated successfully. The LACDA will require the applicant to submit evidence of the household member’s current participation in or successful completion of a supervised drug or alcohol rehabilitation program, or evidence of otherwise having been rehabilitated successfully.

2.8.4 Criminal Background Checks

[24 CFR §982.552 – §982.553, §5.903 – §5.905]

The LACDA requests a criminal background check for all applicant household members (including live-in aides) 18 years of age and older. The criminal background check is used as a factor in screening applicants for criminal activities that would prohibit admission to the LACDA's Section 8 rental assistance programs.

All adult members of an applicant household must submit a signed Criminal Background Consent Form [24 CFR §5.903(b)], authorizing the release of criminal conviction records from law enforcement agencies. Failure to sign the consent form will result in the denial of assistance.

The LACDA is additionally authorized by HUD to obtain access to sex offender registration information, in order to prevent program admission to any household member (including live-in aides and minors) subject to a lifetime sex offender registration under a State sex offender registration program.

2.8.5 Requests for Criminal Records by Owners of Covered Housing for the Purposes of Screening

[24 CFR §5.903(d)]

Owners of covered housing may request that the LACDA obtain criminal records, on their behalf, for the purpose of screening applicants. The LACDA will charge a fee in order to cover costs associated with the review of criminal records. These costs could include fees charged to the LACDA by the law enforcement agency and the LACDA's own related staff and administrative cost.

Owners must submit the following items in order for the LACDA to process criminal records. Owner requests must include:

1. A copy of a signed consent form from each adult household members, age 18 years and older. Included in the consent form must be a legible name, the date of birth, a California Identification Number, and a Social Security number. This information will be used for the sole purpose of distinguishing persons with similar names or birth dates.
2. An owner's criteria or standards for prohibiting admission of drug criminals in accordance with HUD regulations (§ 5.854 of 24 CFR Parts 5 et al.), and for prohibiting admission of other criminals (§ 5.855 of 24 CFR Parts 5 et al.).

Once the LACDA obtains criminal records, a determination will be made as to whether a criminal act, as shown by a criminal record, can be used as a basis for applicant screening. The LACDA will base its determination in accordance with HUD regulations and the owner criteria. If the owner's criteria conflicts with HUD regulations, the regulations will have precedence.

It is important to note that the LACDA will not disclose the applicant's criminal conviction record or the content of that record to the owner.

2.8.6 Request for Criminal Records by Section 8 Project-Based Owners for the Purposes of Lease Enforcement or Eviction

Section 8 project-based owners may request that the public housing agency in the location of the project obtain criminal conviction records of a household

member on behalf of the owner for the purpose of lease enforcement or eviction. The owner's request must include the following:

1. A copy of the consent form, signed by the household member, and
2. The owner's standards for lease enforcement and evicting due to criminal activity by members of a household.

2.8.7 Confidentiality of Criminal Records

[24 CFR §5.903(g)]

Criminal records received by the LACDA are maintained confidentially, not misused, nor improperly disseminated and kept locked during non-business hours. All criminal records will be destroyed no later than 30 calendar days after a final determination is made.

2.8.8 Disclosure of Criminal Records to Family

The applicant or family member requesting to be added to the household will be provided with a copy of the criminal record upon request and an opportunity to dispute the record. Applicants will be provided an opportunity to dispute the record at an informal review. Participants may contest such records at an informal hearing [24 CFR §982.553(d)].

2.8.9 Explanations and Terms

[24 CFR §5.100]

The following terms are used to determine eligibility when an applicant or a family member is added to an already assisted household and is undergoing a criminal background check.

- **“Covered housing”** includes public housing, project-based assistance under Section 8 (including new construction and substantial rehabilitation projects), and tenant-based assistance under Section 8.
- **“Drug”** means a controlled substance as defined in Section 102 of the Controlled Substance Act (21 U.S.C. 802).
- **“Drug-related criminal activity”** means the illegal manufacture, dispensation, distribution, sale, use or possession of illegal drugs, with the intent to manufacture, dispense, distribute, sell or use the drug.
- **“Pattern”** is defined as the use of a controlled substance or alcohol if there is more than one incident during the previous 12 months. “Incident” includes but is not limited to arrests, convictions, no contest pleas, fines, and city ordinance violations.
- **“Premises”** is the building or complex or development in which the public or assisted housing dwelling unit is located, including common areas and grounds.
- **“Sufficient evidence”** may include all or a number of personal certification along with supporting documentation from the following sources 1) probation

officer; 2) landlord; 3) neighbors; 4) social service workers; 5) review of verified criminal records.

- **“Violent criminal activity”** any activity that has as one of its elements the use, attempted use, or threatened use of physical force substantial enough to cause, or be reasonably likely to cause, serious bodily injury or property damage. (24 CFR §5.100)

2.9 SUITABILITY OF FAMILY

[24 CFR §982.307(a)(2)]

The LACDA may take into consideration any admission criteria listed in this chapter in order to screen applicants for program eligibility; however, it is the owner’s responsibility to screen applicants for family behavior and suitability for tenancy.

The LACDA will assist and advise applicants on how to file a complaint if they have been discriminated against by an owner.

2.10 DENYING ADMISSION TO INELIGIBLE FAMILIES

[24 CFR §982.201(f)(1) and §982.552(a)(2)]

Denial of assistance for an applicant family may include denying placement on the waiting list; denying or withdrawing a voucher; refusing to enter into a HAP contract or approve a lease; and refusing to process or provide assistance under portability procedures.

Families from the waiting list who are determined to be ineligible will be notified in writing of the reason for denial and given an opportunity to request an informal review if they do not agree with the decision. This policy also applies to incoming families from other housing authorities that have not yet received assistance in the LACDA’s jurisdiction. Please refer to Chapter 16 for more information on the informal review process.

2.11 PROHIBITION AGAINST DENIAL OF ASSISTANCE TO VICTIMS OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT AND STALKING.

[24 CFR Part 5, Subpart L]

The Violence against Women Reauthorization Act of 2005 and 2013 (VAWA) prohibits denial of admission to an otherwise qualified applicant on the basis that the applicant is or has been a victim of domestic violence, dating violence, sexual assault, or stalking.

VAWA protections cover applicants when they are applying for admission to a covered housing program. VAWA protections are not limited to women. Victims of domestic violence, dating violence, sexual assault, or stalking are eligible without regard to sex, gender identity, or sexual orientation. Victims cannot be discriminated against on the basis of any protected characteristic, including race, color, national origin, religion, sex, familial status, disability, or age and HUD programs must also operate consistently with HUD’s Equal Access Rule, which

requires that HUD assisted programs are made available to all otherwise eligible individuals and families regardless of actual or perceived sexual orientation, gender identity, or marital status.

2.11.1 Determining Eligibility for VAWA Protections

VAWA prohibits housing providers from denying assistance or admission, terminating participation in, or evicting a tenant based on an adverse factor, if the adverse factor is determined to be a direct result of the fact that the applicant is or has been a victim of domestic violence, dating violence, sexual assault, or stalking.

An adverse factor refers to any factor that can be used as a basis for denying admission, terminating assistance, or evicting a tenant. However, if a denial or termination of assistance or eviction is required by a federal statute, based on a particular adverse factor, the LACDA must comply with that statute, even if the adverse factor is a direct result of domestic violence, dating violence, sexual assault or stalking.

2.11.2 Notification Requirement

[24 CFR §5.2005(a)(1)(i)(ii) and §5.2005(a)(2)(i)(ii)]

The LACDA acknowledges that a victim of domestic violence, dating violence, sexual assault or stalking may have an unfavorable history (e.g., a poor credit history, a record of previous damage to a unit, a prior arrest record) that would warrant denial under the LACDA's regulations and policies. Therefore, the LACDA will provide all applicants with information about VAWA at the time they are denied housing assistance and at admission, specifically at the time the applicants are briefed for a voucher. provided an application for housing assistance. The LACDA will include information about VAWA in all notices of denial of assistance.

The VAWA information provided to applicants and participants will consist of the following documents:

- Form HUD-5382, Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking and Alternate Documentation.
- Form HUD-5380, Notice of Occupancy Rights Under the Violence Against Women Act

2.11.3 Victim Documentation

An applicant claiming that the cause of an unfavorable history is that a member of the applicant family is or has been a victim of domestic violence, dating violence, sexual assault or stalking must provide documentation (1) demonstrating the connection between the abuse and the unfavorable history and (2) naming the perpetrator of the abuse if safe to disclose. The documentation may consist of any of the following:

- A statement signed by the victim certifying that the information provided is true and correct and that it describes bona fide incident(s) of actual or threatened domestic violence, dating violence, sexual assault or stalking.

- A record of a Federal, State, tribal, territorial or local law enforcement agency (such as a police report), court, or administrative agency documenting the domestic violence, dating violence, sexual assault or stalking.
- Documentation signed by an employee, agent, or volunteer of a victim service provider, an attorney, a medical or mental health professional, from whom the victim has sought assistance in addressing domestic violence, dating violence, sexual assault, or stalking, or the effect of the abuse in which the professional attests under penalty of perjury to the professional's belief that the incident or incidents in question are bona fide incidents of abuse, and that the victim of domestic violence, dating violence, sexual assault, or stalking has signed or attested to the documentation. The victim must also sign the documentation.

The LACDA reserves the right to waive the documentation requirement if it determines that a statement of other corroborating evidence from the individual will suffice.

2.11.4 Perpetrator Documentation

When the perpetrator of the abuse is a member of the applicant family, the applicant must provide additional documentation consisting of one of the following:

- A signed statement (1) requesting that the perpetrator be removed from the application and (2) certifying that the perpetrator will not be permitted to visit or to stay as a guest in the assisted unit.
- Documentation that the perpetrator has successfully completed, or is successfully undergoing, rehabilitation or treatment. The documentation must be signed by an employee or agent of a domestic violence service provide or by a medical or other knowledgeable professional from whom the perpetrator has sought or is receiving assistance in addressing the abuse. The signer must attest under penalty of perjury to his or her belief that the rehabilitation was successfully completed or is progressing successfully. The victim and perpetrator must also sign or attest to the documentation.

2.11.5 Conflicting Documentation

[24 CFR §5.2007(b)(2)]

In the case where the LACDA receives conflicting certification documents from two or more members of the household each claiming to be a victim and naming one or more of the other petitioning household members as the perpetrator, the LACDA will determine which is the true victim by requiring third-party documentation within 30 calendar days in order to resolve the conflict.

If the applicants fail or refuse to provide third-party documentation where there is conflicting evidence, the LACDA does not have to provide the tenant(s) with the protections contained in Form HUD-5380 "Notice of Occupancy Rights under the Violence Against Women Act".

2.11.6 Time Frame for Submitting Documentation

[24 CFR §5.2007(a)(2)]

The applicant must submit the required documentation with the request for an informal review. At the discretion of the LACDA, the 14-business day deadline may be extended. The LACDA will postpone scheduling the applicant's informal review until after it has received the documentation or the extension period has lapsed.

If after reviewing the documentation provided by the applicant, the LACDA determines that the family is eligible for assistance, no informal review will be scheduled and the LACDA will move forward with the admission of the applicant family.

2.11.7 VAWA Confidentiality

[24 CFR §5.2007]

All VAWA information provided to the LACDA, including the fact that an individual is a victim of domestic violence, dating violence, sexual assault or stalking, shall be retained in confidence, and will not be entered into any shared database or provided to any related entity, except to the extent that disclosure is:

- Requested or consented to by the individual in writing to release the information on a time-limited basis;
- Required for use in an eviction proceeding or hearing regarding termination of assistance from the covered program; or
- Otherwise required by applicable law.

This includes keeping confidential the new location of the dwelling unit of the participant, if one is provided, from the person(s) that committed a VAWA crime against the applicant/participant.

CHAPTER 3: ADMINISTRATION OF THE WAITING LIST

3.1 INTRODUCTION

[24 CFR §982.54(d)(1)]

This chapter describes the policies and procedures that govern the initial application, placement and denial of placement on the LACDA's waiting list. It is the LACDA's objective to ensure that the families are placed on the waiting list in the proper order so that an offer of assistance is not delayed to any family, or made to any family prematurely.

By maintaining an accurate waiting list, the LACDA will be able to perform the activities, which ensure that an adequate pool of qualified applicants will be available so that program funds are used in a timely manner.

3.2 HOW TO REGISTER

Interested persons may apply online at www.lacda.org, or by calling the LACDA at (626) 262-4510 or (800) 731-4663.

3.2.1 Preliminary Registration Waiting List

[24 CFR §982.204(b)]

All families wishing to receive rental assistance through a LACDA rental assistance program are initially placed on the Preliminary Registration Waiting List. This is essentially an interest list. Families are placed on the Preliminary Registration Waiting List according to the LACDA's local preferences and then by date and time of registration. Preliminary information regarding the family's address, income, family composition, and disability status is collected. However, this information is not verified until the family is placed on the Active Waiting List. Applicants receive a confirmation letter that their name has been placed on the Preliminary Registration Waiting List.

3.2.2 Active Waiting List

When the LACDA determines that there is sufficient funding to issue additional vouchers, a pool of potential new applicants is drawn from the Preliminary Registration Waiting List. Families move onto the Active Waiting List according to the LACDA's admission policies. Once a family has been placed on the Active Waiting List, they will be asked to complete an application and provide all the necessary income and eligibility forms. At this point, all information will be confirmed through a third-party. Families must meet all admissions requirements to be issued a voucher.

3.2.3 Change in Circumstances

[24 CFR §982.204(b)]

Applicants are required to notify the LACDA in writing, within 30 calendar days, when their circumstances change, including any change of address, income or family composition.

3.2.4 Opening the Waiting List

[24 CFR §982.206(a)]

When the LACDA opens its waiting list, it will give public notice by advertising in one or more of the following newspapers, minority publications, and media entities.

- Los Angeles Times
- La Opinion
- The Daily News
- International Daily News
- L.A. Sentinel
- Press Telegram
- Eastern Group Publications
- Southwest Wave
- The Daily Breeze

The LACDA's public notice will contain:

- The dates, times, and locations where families may apply;
- The programs for which applications will be taken;
- A brief description of the program(s);
- A statement that public housing residents must submit a separate application if they want to apply to a rental assistance program;
- Any limitations on who may apply; and
- The Fair Housing Logo.

The notice will provide potential applicants with information that includes the LACDA's telephone number, website address, location address, information on eligibility requirements, and the availability of local preferences, if applicable. The notice will be made in an accessible format to persons with disabilities if requested.

Additional time for submission of an application after the stated deadline will be given as a reasonable accommodation at the request of a person with a disability.

3.2.5 Criteria Defining Who May Apply

[24 CFR §982.206(b)(1)]

Upon opening the waiting list, the LACDA will disclose the criteria defining what families may apply for assistance under a public notice.

3.2.6 Closing the Waiting List

[24 CFR §982.206(c)]

When the LACDA closes the waiting list, the same advertising methods described above will be used.

Notification of impending closure will be provided to the public for a minimum of 30 calendar days.

3.3 TIME OF SELECTION

[24 CFR §982.204(d)]

When funding is available, families will be selected from the waiting list based on the LACDA's admission policies.

If the LACDA ever has insufficient funds to subsidize the unit size of the family at the top of the waiting list, the LACDA will not admit any other applicant until funding is available for the first applicant.

However, families may be skipped over to meet HUD-mandated income targeting requirements [24 CFR §982.201(b)]. See Section 2.4 (Income Limitations) for details.

3.4 CROSS-LISTING OF PUBLIC HOUSING AND SECTION 8 WAITING LISTS

[24 CFR §982.205(a)]

The LACDA does not merge the waiting lists for public housing and Section 8. However, if the Section 8 waiting list is open when the applicant is placed on the public housing list, the LACDA must offer to place the family on the Section 8 waiting list. If the public housing waiting list is open at the time an applicant applies for Section 8 rental assistance, the LACDA must offer to place the family on the public housing waiting list.

3.5 PURGING THE WAITING LIST

[24 CFR §982.204(c)]

The waiting list will be updated as needed to ensure that all applicants and applicant information is current and timely.

When the LACDA is actively conducting outreach to applicants on the waiting list, the notification of available housing opportunities will serve as verification and will be used to purge the waiting list.

To update the waiting list, the LACDA will send an notice of update request via first class mail to a select amount or to all families on the waiting list to determine whether the family continues to be interested in, and to qualify for, the program. The notice of update request will be sent to the last address that the LACDA has on record for the family. The notice of update request will provide a deadline by which the family must respond and will state that failure to respond will result in the applicant's name being removed from the waiting list.

The family's response must be in accordance with LACDA's prescribed method. Methods will include but are not limited to, responses required via logging in and providing updates through LACDA's Applicant Registration Portal or by providing updates in writing. Responses in writing will require that the response be made via delivery in person, by mail, or by fax. Responses should be postmarked or received by the LACDA no later than 21 calendar days from the date of the LACDA notification.

If the family fails to respond within the time allotted, the family will be removed from the waiting list without further notice.

If the LACDA notice is returned by the post office, regardless if a forwarding address is listed, the applicant will be removed from the waiting list without further notice.

If a family is removed from the waiting list for failure to respond, the Director of the Housing Assistance Division or designee may reinstate the family if it is determined that the lack of response was due to a LACDA administrative error, or to extenuating circumstances that are beyond the family's control. The family must be able to provide documentation of the circumstances for a decision to be rendered.

The decision to withdraw an applicant family that includes a person with a disability from the waiting list is subject to reasonable accommodation. If it is found that the applicant did not respond to the LACDA request for information or updates, and the LACDA determines that the family did not respond because of the family member's disability, the LACDA must reinstate the applicant family to their former position on the waiting list.

3-53.5.1 Removing Applicants from the Waiting List

[24 CFR §982.204(c) and §982.201(f)(1)]

The LACDA is authorized to remove names of applicants ~~thatwhe~~ do not respond to requests for information or updates. The LACDA will remove an applicant's name from the waiting list when:

- ~~• The applicant fails to respond to a request for information or a request to declare their continued interest;~~
- The applicant does not notify the LACDA of changes in circumstances in accordance with section 3.2.3 of this plan. This includes undeliverable mail received by the Postal Service which is returned to the LACDA;
- The applicant falsifies documents or makes false statements for any reason;
- The applicant requests in writing that their name be removed; or
- The applicant does not meet either the eligibility or screening criteria for the program (see Chapter 2 and Chapter 4).
- If a family is removed from the waiting list because the LACDA has determined the family is not eligible for assistance, a notice will be sent to the family's address on record. The notice will state the reason the family was

removed from the waiting list and will inform the family how to request an informal review (Chapter 16).

3.6 PURGING THE WAITING LIST

{24 CFR §982.204(c) and §982.201(f)(1)}

~~When necessary, the LACDA will update and purge its waiting list to ensure the pool of applicants reasonably represents interested families. Purging methods will be made available in accessible formats upon the request of a person with a disability.~~

3.6.1 REINSTATEMENT TO THE WAITING LIST WHEN PURGING

~~Applicants who are removed from the waiting list during a purge are not entitled to reinstatement on the waiting list, unless:~~

- ~~• The LACDA verifies a family/health/work emergency, or~~
- ~~• The applicant failed to respond to a request for information or updates because of a family member's disability, or~~
- ~~• The applicant can provide verification or attest they were homeless at the time of the mailing.~~

~~Periodically, applicants will call to check their status on the waiting list and learn that they have been purged from the waiting list. In extenuating circumstances, such as those listed above, the applicant may be reinstated. However, the applicant must be able to provide documentation of the circumstances. Such requests will be reviewed and decided on a case-by-case basis by the Applications and Eligibility Unit Supervisor~~

3.73.6 APPLICATION POOL

The waiting list will be maintained in accordance with the following guidelines:

1. The application will be a permanent file;
2. Applications equal in preference will be maintained by date and time; and
3. All applicants must meet eligibility requirements outlined in Chapter 2 (Admission Eligibility Factors and Applicant Requirements).

CHAPTER 4: ADMISSION PROCESS

4.1 INTRODUCTION

The policies outlined in this chapter are intended to ensure that all families who express an interest in housing assistance are given an equal opportunity to apply. The primary purpose of the intake function is to gather information about the family so that an accurate, fair, and timely decision relative to the family's eligibility may be made. As such, applicants are placed on the waiting list in accordance with this plan.

4.2 APPLICATION PROCEDURES

[24 CFR §982.204(c)]

Once the applicant is transferred from the Preliminary Registration Waiting List to the Active Waiting List, an application will be mailed to the applicant. The application is due back within 21 calendar days from the date it was mailed. If the application is returned undeliverable, the applicant will be cancelled from the waiting list (see section 3.7 for examples of exceptions to this rule).

Once an application is returned, the information provided by the applicant will be used to determine if the applicant is eligible for the program and any admissions preferences claimed.

If an applicant is ineligible based on the information provided on the application, or because they fail to return the documents by the due date, the applicant will be provided written notice of the reason for their disqualification and of their right to appeal the decision by requesting an informal review.

The application may capture the following information:

- Name of adult members and age of all members;
- Sex and relationship of all members;
- Street address and phone number;
- Mailing address;
- Amount(s) and source(s) of income received by household members;
- Information regarding disabilities relating to program requirements;
- Information related to qualification for preference(s);
- Social Security numbers;
- Race/ethnicity;
- Citizenship/eligible immigration status;
- Convictions for drug-related or violent criminal activity;
- Request for specific reasonable accommodation(s) needed to fully utilize program and services;

- Previous address;
- Current and previous landlords' names and addresses;
- Emergency contact person and address; and
- Program integrity questions regarding previous participation in HUD programs.

Applicants are required to inform the LACDA in writing within 30 calendar days of effective date of any changes in family composition, income, and address, as well as any changes in their preference status. Applicants must also comply with requests from the LACDA to update information. However, exceptions to this requirement may be found in section 3.7.

4.2.1 Interview Sessions/Mailings

The LACDA may use both mailing and interview sessions to obtain income, asset and family composition information from applicants.

4.2.2 Request for Information via Mail

During times of high activity, the LACDA will mail income and asset forms or an application to applicants. Applicants will be given 21 calendar days to complete and return all required forms. If forms are not returned in a timely manner, the applicant will receive a final notice. The final notice will provide an additional 15-day grace period. If the required forms are not returned, as specified, the application will be cancelled. The LACDA will provide additional time as a reasonable accommodation and in special circumstances such as an illness and/or death in the family.

4.2.3 Application Interview Process

During times for regular activity (average volume), the LACDA utilizes a full application interview to discuss the family's circumstances in greater detail, to clarify information that has been provided by the applicant, and to ensure that the information is complete.

Applicants are given two opportunities to attend an interview session. If the applicant does not respond to the second invitation, the application is cancelled. The LACDA will allow for a third interview appointment as a reasonable accommodation and in special circumstances such as illness. An applicant may also request that the LACDA assign someone to conduct the interview at the applicant's home, as a reasonable accommodation.

All applicants must complete the following requirements [24 CFR §982.551(b)(1)].

1. At minimum, the head of household must attend the interview. The LACDA requests that all adult members of the applicant family attend when possible. This assures that all members receive information regarding their obligations and allows the LACDA to obtain signatures on critical documents quicker.

2. All adult members of the applicant family must sign the HUD-9886 Form (Authorization for the Release of Information), and all supplemental forms required by LACDA.
3. Citizen declaration forms must be completed for all applicant family members, regardless of age.
4. All adult members of the applicant family must complete and sign a Criminal Background Consent/Acknowledgment Form.
5. Identification information for all members of the applicant family such as birth certificates, valid driver's licenses or State (Department of Motor Vehicles) ID cards, whichever is applicable based on the age of the family member, must be submitted for all members of the household regardless of age.

Information provided by the applicant will be verified, including citizenship status, full-time student status and other factors related to preferences, eligibility and rent calculation. Verifications must be received no more than 60 calendar days before the time of issuance.

If they are requested, exceptions for any of the above listed items will be reviewed on a case-by-case basis. Exceptions will be granted based upon hardship. Reasonable accommodations will be made for persons with disabilities. In these cases, a designee will be allowed to provide some information, but only with permission of the person with a disability.

Under both processes, all local preferences claimed on the application while the family is on the waiting list will be verified. Preference is based on current status, so the qualifications for preference must exist at the time the preference is verified, regardless of the length of time an applicant has been on the waiting list.

4.2.4 Secondary Reviews/Credit Reports

[24 CFR §982.551(b)(1)]

The LACDA may retrieve credit reports for applicants and participants on a case-by-case basis. The information contained in the credit report will be used to confirm the information provided by the family. Specifically, the credit report will be used to confirm:

- **Employment**: A credit report will list any employers that the applicant has listed in any recent credit applications. If the credit report reveals employment, for any adult household member, within the last 12 months that was not disclosed, the family will be asked to provide additional documents to clear up the discrepancy. Failure to disclose current employment may result in cancellation of the family's application.
- **Aliases**: A credit report can provide information on other names that have been used for the purposes of obtaining credit. Common reasons for use of other names include a recent marriage or a divorce. If an alias has not been disclosed to the LACDA, the family will be asked to provide additional evidence of the legal identity of adult family members.
- **Current and previous addresses**: A credit report can provide a history of where the family has lived. This is particularly important because the LACDA

provides a residency preference. If the family has provided one address to the LACDA and the credit report indicates a different address, the family will be asked to provide additional proof of residency. This may include a history of utility bills, bank statements, school enrollment records for children, credit card statements or other relevant documents. Failure to provide adequate proof will result in the denial of a residency preference.

- **Credit card and loan payments:** A credit report will usually include a list of the family's financial obligations. Examples of the items that may show up include car loans, mortgage loans, student loans and credit card payments. The LACDA will review this information to confirm the income and asset information provided by the family. If the family's current financial obligations (total amount of current monthly payments) exceed the amount of income reported by the family, the LACDA will ask the family to disclose how they are currently meeting their financial obligations. Accounts that have been charged off or significantly delinquent are not included in this calculation. Failure to provide adequate proof of income will result in termination of the application.
- **Multiple Social Security numbers:** A credit report may list multiple Social Security numbers if an adult family member has used different Social Security numbers to obtain credit. If the credit report information does not match the information provided by an adult member of the family, the family member will be required to obtain written confirmation of the Social Security number that was issued to him/her from the Social Security Administration.

A family will not be issued a voucher until all discrepancies between the information provided by the applicant family, and the information contained in the credit report have been cleared by the applicant family.

When discrepancies are found, the family will be contacted by telephone or by mail. In most cases, the family will be allowed a maximum of 15 calendar days to provide the additional documentation. On a case-by-case basis, as a reasonable accommodation, the family may be granted additional time. If additional time is granted, the family will receive a letter confirming the new deadline. No additional extension will be granted thereafter.

When the credit report reveals multiple discrepancies that are not easily communicated over the telephone, the LACDA will set up a face-to-face interview with the applicant. The LACDA will schedule up to two interview appointments. An additional interview may be scheduled as a reasonable accommodation. Failure to appear at the interview session will result in cancellation of the application.

Additionally, failure to provide the necessary information will result in cancellation of the application.

4.3 SELECTION AND HCV FUNDING SOURCES

4.3.1 Special Admission (24. CFR 982.203)

HUD may award funding for specifically-named families living in specified types of units. The following are examples of types of program funding that may be designated by HUD for families living in a specified unit:

1. A family displaced because of demolition or disposition of a public or Indian housing project;
2. A family residing in a multifamily rental housing project when HUD sells forecloses or demolishes the project;
3. For housing covered by the Low Income Housing Preservation and Resident Homeownership Act of 1990;
4. A family residing in a project covered by a project-based Section 8 HAP contract at or near the end of the contract term; and
5. A non-purchasing family residing in a HOPE 1 or HOPE 2 project.

In these cases, the LACDA may admit such families whether or not they are on the waiting list, and if they are on the waiting list, without considering the family's position on the waiting list. These families are considered non-waiting list selections. The LACDA must maintain records showing that families were admitted with special program funding.

4.3.2 Targeted Funding (24 CFR 982.204(2))

HUD may award the LACDA funding for a specified category of families on the waiting list. The LACDA must use this funding only to assist the families within the specified category. In order to assist families within a targeted funding category, the LACDA is permitted to skip families that do not qualify within the targeted category. Within this category of families, the order in which such families are assisted is determined according to the policies in Section 4.4 below.

The LACDA administers the following targeted funding programs:

- Veteran Affairs Supportive Housing (VASH) Program – VASH Program vouchers are awarded to eligible homeless veterans and their families in combination with case management and clinical services through the Department of Veterans Affairs Medical Center (VAMC) supportive services sites. The LACDA does not maintain a waiting list for the VASH Program.
- Non-Elderly Disabled (NED) Vouchers – NED vouchers are awarded to non-elderly disabled families on the HCV waiting list. ~~The LACDA applies local preferences in determining the order in which NED vouchers are awarded to eligible families.~~
- Mainstream for Persons with a Disability- Mainstream vouchers are awarded to non-elderly disabled families on the HCV waiting list. The LACDA applies local preferences in determining the order in which Mainstream vouchers are awarded to eligible families.

- Family Unification Program (FUP) – FUP vouchers are awarded to families who are referred to the LACDA by the Los Angeles County Department of Children and Family Services. Once referred, the LACDA places FUP applicants on its HCV waiting list.

4.4 LOCAL PREFERENCES

[24 CFR §982.207]

The LACDA ~~will apply a system of~~ is permitted to establish local preferences and to give priority to applicants that meet those criteria in determining admissions for the program. All preferences will be subject to the availability of funds and all applicants will be required to meet all eligibility requirements.

~~California State Required Priority: In accordance with California Health and Safety Code §34322.2, the LACDA will give priority to families of veterans and members of the armed forces in each of the categories below.~~

Local preferences are weighted highest to lowest, in the following order:

1. Families previously assisted by the LACDA whose assistance was terminated due to insufficient funding.
2. LACDA will commit 75% of expected annual attrition to assist Los Angeles County-based homeless families/individuals and 25% of expected annual attrition to assist Los Angeles County-based homeless persons that are elderly who are age 62 or older, that are either:
 - Referred by an approved Coordinated Access System. The referring entity must provide a certification of homeless status.
 - Referred by a LACDA approved local service provider because they are homeless and participating in a local transitional or permanent supportive housing program. A referral letter from the local service provider is required.

Applicants must meet all eligibility requirements. Admission will be on a first come, first served basis and is subject to funding availability.

3. LACDA will commit to receive up to 50 referrals for homeless Transitional Aged Youth (TAY) that are enrolled in a LACDA approved institution of higher education and are referred by a LACDA approved community based organization. All referrals are subject to the approval of the Executive Director or designee and subject to funding availability.

2.4. Families who live or work in the jurisdiction in the following categories that are subject to the approval by the Executive Director:

- **Victims of Declared Disasters:** An admissions preference may be given to bona fide victims of declared disasters, whether due to natural calamity (e.g. earthquake), civil disturbance, or other causes recognized by the federal government. Victims must provide documentation to receive an admissions preference. Admissions preference may only be given within the allotted

timeframe established by the federal government. If HUD provides specific funding, the LACDA will not exceed the allocated amount.

- **Displacement Due to Government Actions:** Families or individuals who are certified as displaced due to the action of a federal government agency or local government agencies may be given an admissions preference.
- **Referrals from law enforcement agencies:** The LACDA may distribute application forms and may issue a voucher to families or single persons that are referred by law enforcement agencies. The types of referrals that will be considered include, but are not limited to:
 1. Victims of domestic violence,
 2. Involuntarily displaced to avoid reprisals,
 3. Displaced due to being a victim of a hate crime, or
 4. Victims of sex trafficking.

Law enforcement referrals must be made in writing, on law enforcement agency letterhead, and signed by the requesting officer and his or her immediate supervisor. Eligibility, including background checks, will be confirmed for all members.

53. Families that are homeless and are found eligible for a Violence Against Women Act, Emergency Transfer from the LACDA's Housing Assistance Division and Housing Operations Division rental assistance programs, subject to voucher and funding availability.

6. Elderly persons (households?) who are age 62 or older who live and/or work in the LACDA's jurisdiction and are at-risk of homelessness.

Eligibility for this preference will be based on the following criteria:

- Meeting the requirements of Section 4.4.1 below;
- The head of household must meet the age requirement of "62 years of age or older" when selected from the waiting list; and
- The household must be "at risk of homelessness" at admission by demonstrating that the household is Extremely Low-Income (ELI). ELI households are those with annual incomes at or below 30% of the area median income.

~~**Families who are Homeless within the categories below.** Applicants must meet all eligibility requirements. Admission will be made in accordance with the County of Los Angeles Homeless Initiatives plan, specifically Strategy B8, and will be on a first come, first served basis subject to funding availability.~~

~~• **Families referred by an approved Coordinated Access System:** Annually, the LACDA will assign a percentage of referral applications, as approved by its board of commissioners, not to exceed fifty percent~~

~~of expected annual voucher attrition. The referring entity must provide a certification of the family's homeless status.~~

- ~~• **Families registered on the waiting list that declare themselves as homeless:** The family must obtain a certification of homeless status by a LACDA approved Coordinated Access System.~~
- ~~• **Families moving on from homelessness:** Families referred by a LACDA approved local service provider because they are participating in a local transitional or permanent supportive housing program. A referral letter from the local service provider is required.~~
- ~~• **Families that are homeless and are found eligible for a Violence Against Women Act, Emergency Transfer from the LACDA's Housing Assistance Division and Housing Operations Division rental assistance programs.**~~

74. Jurisdictional Preference: Families who live and/or work in the LACDA's jurisdiction will be admitted before families outside of the LACDA's jurisdiction.

California State Required Priority: Veterans and current members of the armed services will have priority within the preference categories listed above (California Health and Safety Code §34322.2)

Date and Time of Registration: Families will be selected from the waiting list based on the preferences for which they qualify, and then by date and time.

4.4.1 Verification of Preferences

[24 CFR §982.207(e)]

Residency Preference: ~~For families~~**Applicants** who are residing in the LACDA's jurisdiction at the time of selection from the waiting list, or have at least one adult member who works or has been hired to work in the LACDA's jurisdiction.

- In order to verify that an applicant is a resident, the LACDA will require documentation of residency as shown by the following documents: current rent receipts, leases, utility bills, employer or agency records, school records, driver's licenses, state identification or credit reports.
- In cases where an adult member of the household works or has been hired to work in the LACDA's jurisdiction, a statement from the employer will be required.
- At the LACDA's discretion, verification of residency may also include other documents, certifications, or declarations as needed to verify that a family lives or works in the jurisdiction.

Veteran's Preference: Acceptable documentation regarding veteran's status will include a DD-214 (discharge documents), proof of receipt of veteran's benefits, or documentation from the Veteran's Administration.

4.4.2 Final Verification of Preferences

[24 CFR §982.207(e)]

Preference information on applications will be updated as applicants are selected from the waiting list. At that time, the LACDA will obtain necessary verifications of preference at the interview and by third-party verification.

4.4.3 Preference Denial

If the LACDA denies a preference, the LACDA will notify the applicant in writing of the reasons why the preference was denied and offer the applicant an opportunity for an informal review. The applicant must request for an informal review in writing within 15 calendar days from the date of the notification. The request should also provide all information and documents supporting the applicant's request. If the preference denial is upheld as a result of the informal review, the applicant will be placed on the waiting list without benefit of the preference. Applicants may exercise other rights if they believe they have been discriminated against.

If the applicant falsifies documents or makes false statements in order to qualify for any preference, or for any other reason, they will be removed from the waiting list.

4.5 DENIAL OF ASSISTANCE

[24 CFR §982.204(c)(1) and §982.552]

If an application is denied due to failure to attend the initial and final interviews, or for failure to provide eligibility related information, the applicant family will be notified in writing and offered an opportunity to request an informal review. If the applicant misses two scheduled meetings, the LACDA will cancel the application and remove the applicant's name from the waiting list.

The LACDA may at any time deny program assistance to an applicant family because of actions or failure to act by members of the family such as any member of the family to sign and submit consent forms for obtaining information.

The LACDA will not deny admission of an applicant who is or has been a victim of domestic violence, dating violence, sexual assault, or stalking, if the applicant otherwise qualifies for admission.

4.6 FINAL DETERMINATION AND NOTIFICATION OF ELIGIBILITY

[24 CFR §982.301]

If the applicant family is determined to be eligible after all applicable paperwork has been reviewed, they will be invited to attend a briefing session at which time they will receive information regarding their rights and responsibilities and they will be issued a voucher. See Chapter 8 (Voucher Issuance and Briefings) for more detail information.

CHAPTER 5: SUBSIDY STANDARDS

5.1 INTRODUCTION

[24 CFR §982.402(a)]

Program regulations require that the LACDA establish subsidy standards that determine the number of bedrooms needed for families of different sizes and compositions. Such standards must provide for a minimum commitment of subsidy while avoiding overcrowding. The standards in determining the voucher size must be within the minimum unit size requirements of HUD's Housing Quality Standards (HQS).

This chapter lays out the factors used in determining the voucher size issued to a family initially and when there is a move to a new unit, as well as the LACDA's procedures for handling changes in family size, selection of unit size that are different from the voucher size and requests for waivers.

5.2 DETERMINATION OF VOUCHER SIZE

[24 CFR §982.402]

Subsidy standards and determination of voucher bedroom size are based upon the number of family members who will reside in the assisted dwelling unit. All standards in this section relate to the number of bedrooms on the voucher, not the family's actual living arrangements.

The unit size on the voucher remains the same as long as the family composition remains the same.

As required by HUD, the LACDA's subsidy standards for determining voucher size shall provide for the smallest number of bedrooms needed to house a family without overcrowding. They will be applied consistently for all families of like size and composition, in a manner consistent with fair housing guidelines and HQS.

In accordance with HUD regulations, the unit size designated on the voucher should be assigned using the following LACDA subsidy standards, which are based on two persons per bedroom:

<u>Number of Household Members</u>	<u>Number of Bedrooms</u>
1-2	1- bedroom
3-4	2- bedroom
5-6	3- bedroom
7-8	4- bedroom
9-10	5- bedroom
11-12	6- bedroom

1. At issuance, the bedroom size assigned should not require more than two persons to occupy the same bedroom. The family may choose and live within a suitable unit in any grouping that is acceptable to the family, including using the living room for sleeping purposes.
2. Every household member is to be counted as a person in determining the family unit size [24 CFR §982.402(a)(4)-(6)]. Under this definition, household members include the unborn child of a pregnant woman; any live-in aides (approved by the LACDA to reside in the unit to care for a family member who is disabled or is at least 50 years of age); a full-time student who is away from the home attending school but who spends school recess in the unit, and a child who is temporarily away from the home because of placement in foster care. A family that consists of a pregnant woman (with no other persons) must be treated as a two-person family.

Note: An approved live-in aide is counted in determining the voucher size. Occasional, intermittent, multiple, or rotating care givers typically do not meet the definition of a live-in aide. A live-in aide must reside with a family permanently for the family unit size to be adjusted in accordance with the subsidy standards [24 CFR §982.402(7)]. For exceptions to this policy, please see Section 5.3 below.

3. An additional bedroom may be assigned if approved under a waiver by the LACDA (see Section 5.3 below).
4. If the family decides to move, the LACDA will issue a voucher based on the family's current composition.

5.2.1 Maximum Unit Occupancy

The maximum occupancy as determined by the LACDA is as follows:

<u>Number of Bedrooms</u>	<u>Maximum Occupancy</u>
0- bedroom	2
1- bedroom	4
2- bedroom	6
3- bedroom	8
4- bedroom	10
5- bedroom	12
6- bedroom	14

In cases where an additional person(s) joins the family and the family will continue to occupy the same rental unit, i.e. no move is involved; the LACDA will not consider the family to be over crowded if there are no more than two persons per bedroom or living/sleeping room, provided that the unit meets other HQS.

Changes to household composition must be made according to LACDA policy detailed in Section 12.5 (Changes in Family Composition).

The LACDA will not increase the family's voucher size due to additions where the family will continue to occupy the same unit, unless the family was residing in a unit larger than the voucher size. The appropriate voucher size will be applied at the annual reexamination.

If the LACDA determines that the family is overcrowded, a larger voucher will be issued to the family and the family must try to move into a larger size dwelling unit. If an acceptable unit is available for rental by the family, the LACDA must terminate the HAP contract in accordance with its terms.

5.3 OCCUPANCY STANDARDS WAIVER

[24 CFR §982.402(b)(8)]

The standards discussed above should apply to the vast majority of assisted families. However, in some cases, the LACDA may grant exceptions to the subsidy standards. Examples of possible exceptions that may be justified include but are not limited to:

1. The health of a family member.
2. A reasonable accommodation to a disability.

For households that receive approval for a live-in aide, an extra bedroom will be added to the voucher size the family qualifies for without the live-in aide.

Occasional, intermittent, multiple or rotating care givers typically do not meet the definition of a live-in aide and usually do not justify any exceptions to the subsidy standards. However, a family's composition or circumstances may warrant the provision of an extra bedroom to permit disability-related overnight care and allow the family equal use and enjoyment of the unit. The LACDA will consider these requests on a case-by-case basis.

Requests based on health-related reasons must be verified, in writing, by a doctor or other medical professional. The request must specify the reason for the request and how providing a larger bedroom size would improve or accommodate the medical condition.

A Unit Supervisor who has not been involved in the initial determination will review the request, any prior determination and make a decision based on the specifics of the individual case (on a case-by-case basis). After the decision is made, a letter notifying the applicant or participant of the decision regarding the waiver will be sent by the reviewing supervisor.

Requests made as a reasonable accommodation will follow the reasonable accommodation policy as outlined in sections 1.9 and 7.11.10.

To request a larger voucher size than indicated by the subsidy standards for any other reason, the family must submit a written request within 15 calendar days of the LACDA's determination of bedroom size. The request must explain the need or justification for a larger bedroom size.

5.4 EXCEPTIONS FOR FOSTER CHILDREN

[24 CFR §982.402(b)(8)]

Exceptions will be made to accommodate foster children. The Los Angeles County Department of Family and Children Services (DCFS) has very specific housing guidelines that must be met by foster families. In order to assure that foster children are able to remain with designated Section 8 foster families, the LACDA will utilize the guidelines published by the Los Angeles County DCFS, or specified in a court order, in situations involving foster children.

5.5 FLEXIBILITY OF UNIT SIZE ACTUALLY SELECTED
[24 CFR §982.402(d)]

The family may select a dwelling unit with a different size than that listed on the voucher:

- Larger than the voucher size: The LACDA shall not prohibit a family from renting an otherwise acceptable unit because it is too large for the family, provided that the rent for the unit is comparable and the family's total rent contribution (rent to the owner plus any applicable utility costs) does not exceed 40 percent of the family's adjusted monthly income (applies only if the gross rent for the unit exceeds the payment standard).
- Smaller than the voucher size: The LACDA will allow families to request a waiver to rent an otherwise acceptable unit with fewer bedrooms than the voucher size, if the unit does not exceed maximum unit occupancy requirements.

5.5.1 Calculating Assistance for a Different Unit Size

To determine the family's maximum rent subsidy, the LACDA uses the payment standard for the voucher size or the selected unit size, whichever is lower [24 CFR §982.402(c)].

The utility allowance used to calculate the gross rent is based on the lower of the voucher size or the selected unit size. The LACDA may grant a higher utility allowance as a reasonable accommodation for a disabled family member, following the policies and procedures referenced in sections 1.9.1, 1.9.2 and 7.11.10.

CHAPTER 6: DETERMINING THE TOTAL TENANT PAYMENT AND THE ABSENCE POLICY

6.1 INTRODUCTION

This chapter explains how the Total Tenant Payment (TTP) is calculated at admission and during annual re-examinations. It covers LACDA and HUD standards used to calculate income inclusions and deductions.

This chapter also provides the LACDA's definition of absence of household members and explains how the presence or absence of household members can affect the TTP.

The policies outlined in this chapter address those areas, which allow the LACDA discretion to define terms and to develop standards in order to assure consistent application of the various factors that relate to the determination of TTP.

6.2 INCOME DEFINITIONS

- **Total Tenant Payment (TTP)**: represents the minimum amount a family must contribute toward rent and utilities regardless of the unit selected. The TTP is the greater of:
 - 30 percent of monthly adjusted income;
 - 10 percent of monthly gross income; or
 - The LACDA's minimum rent of \$50.
- **Income**: The LACDA will include income from all sources, unless otherwise specifically exempted [24 CFR §5.609(c)] through program regulations, for the purposes of calculating the TTP. In accordance with this definition, income from all sources of each member of the household is counted.
- **Annual Income [24 CFR §5.609(a)]**: The gross amount of income anticipated to be received by the family during the 12 months after certification or re-examination. Gross income is the amount of income prior to any HUD allowable expenses or deductions, and does not include income that has been excluded by HUD. Annual income is used to determine whether or not applicants are within the applicable income limits.
- **Adjusted Income [24 CFR §5.611]**: The annual income minus any HUD allowable deductions.

6.3 INCOME DEDUCTIONS

[24 CFR §5.611(a)]

The following deductions will be applied in the TTP calculation:

- **Dependent Allowance**: \$480 each for family members (other than the head, co-head, or spouse), who are minors, and for family members who

are 18 and older who are full-time students or who are disabled. This allowance does not apply to foster children.

- **Elderly Family or Disabled Family Allowance**: \$400 for families whose head, co-head, or spouse is 62 or over or disabled.
- **Childcare Expenses**: Deducted for children under 13, including foster children, when childcare is necessary to allow an adult member to work, search for work, or attend school (see below for details).
- **Allowable Medical Expenses**: Deducted for unreimbursed medical expenses for members of any elderly family or disabled family.
- **Disability Assistance Expenses**: Deducted for persons with disabilities if needed to enable the individual or an adult family member to work.

6.3.1 Childcare Expenses

[24 CFR §5.603(b) and 24 CFR §5.611(a)(4)]

Childcare expenses for children under 13 years of age may be deducted from annual income if they enable an adult to work, search for work, or attend school full time.

In the case of a child attending school, only care during non-school hours can be counted as childcare expenses.

Families will be given a childcare allowance based on the following guidelines:

1. **Childcare to Work**: The maximum childcare expense allowed must be less than the amount earned by the person enabled to work. The "person enabled to work" will be the adult member of the household who earns the least amount of income from working.
2. **Childcare to Search for Work**: Childcare expenses cannot exceed the current amount of income received.
3. **Childcare for School**: The number of hours claimed for childcare may not exceed the number of hours the family member is attending school (including one hour travel time to and from school).
4. **Amount of Expense**: The LACDA will determine local average costs as a guideline. If the hourly rate materially exceeds the guideline, the LACDA may calculate the allowance using the guideline.

6.3.2 Medical Expenses

[24 CFR §5.611(a)(3)(i)]

When it is unclear in the HUD rules as to whether or not to allow an item as a medical expense, IRS Publication 502 will be used as a guide.

The LACDA will allow as medical expense the actual out-of-pocket amounts which are owed and anticipated to be paid by the family during the re-examination period. Expenses from the previous year may be analyzed to determine the amount to anticipate when other verification is not available.

Nonprescription medicines will be counted toward medical expenses for families who qualify if the family furnishes legible receipts.

Acupressure, acupuncture and related herbal medicines, and chiropractic services will be considered allowable medical expenses.

6.4 INCOME INCLUSIONS AND EXCLUSIONS

6.4.1 Income Inclusions

[24 CFR §5.609(b)]

The LACDA considers the following to be included in the family's annual income, as required by HUD:

- (1) The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services;
- (2) The net income from operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested in the operation by the family;
- (3) Interest, dividends, and other net income of any kind from real or personal property. Expenditures for amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for depreciation is permitted only as authorized in paragraph (2) of this section. Any withdrawal of cash or assets from an investment will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested by the family. Where the family has net family assets in excess of \$5,000, annual income shall include the greater of the actual income derived from net family assets or .81% of the value of such assets based on the current passbook savings rate, as annually determined by the LACDA;
- (4) The full amount of periodic payments received from Social Security, annuities, insurance policies, retirement funds, pensions, lotteries, disability or death benefits, and other similar types of periodic receipts, including a lump-sum payment for the delayed start of a periodic payment (but see paragraph (13) under Income Exclusions);
- (5) Payments in lieu of earnings, such as unemployment, worker's compensation, and severance pay (but see paragraph (3) under Income Exclusions);
- (6) Welfare Assistance.
 - a. Welfare assistance received by the household.

- b. The amount of reduced welfare income that is disregarded specifically because the family engaged in fraud or failed to comply with an economic self-sufficiency or work activities requirement.
 - c. If the welfare assistance payment includes an amount specifically designated for shelter and utilities that is subject to adjustments by the welfare assistance agency in accordance with the actual cost of shelter and utilities, the amount of welfare income to be included as income shall consist of:
 - (i) The amount of the allowance or grant exclusive of the amount specifically designated for shelter or utilities; plus
 - (ii) The maximum amount that the welfare assistance agency could in fact allow the family for shelter and utilities. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this paragraph shall be the amount resulting from one application of the percentage;
- (7) Periodic and determinable allowances, such as alimony and child support payments, and regular contributions or gifts received from persons not residing in the dwelling;

Regular Contributions and Gifts [24 CFR §5.609(b)(7)]

Any contribution or gift received every 3 months or more frequently will be considered a "regular" contribution or gift from the same source. This includes payments made on behalf of the family such as payments for a car, credit card bills, rent and/or utility bills and other cash or non-cash contributions provided on a regular basis. It does not include casual contributions or sporadic gifts.

If the family's expenses exceed its known income, the LACDA will question the family about contributions and gifts. If the family indicated that it is able to meet the extra expenses due to gifts or contributions from persons outside the household, the amount provided will be included in the family's TTP.

Alimony and Child Support [24 CFR §5.609(b)(7)]

If the amount of child support or alimony received is less than the amount awarded by the court, the LACDA must use the amount awarded by the court unless the family can verify that they are not receiving the full amount. Acceptable verification in such cases may include:

1. Verification from the agency responsible for enforcement or collection, and
2. Documentation of child support or alimony collection action filed through a child support enforcement/collection agency, or has filed an enforcement or collection action through an attorney.

It is the family's responsibility to supply a certified copy of the divorce decree.

- (8) All regular pay, special pay, and allowances of a member of the Armed Forces (whether or not living in the dwelling) who is head of the family, co-head, spouse, or other person whose dependents are residing in the unit (but see paragraph (7) under Income Exclusions).
- (9) Any financial assistance, in excess of amounts received for tuition and any other required fees and charges, that an individual receives under the Higher Education Act of 1965 (20 U.S.C. 1001 *et seq.*), from private sources, or from an institution of higher education (as defined under the Higher Education Act of 1965 (20 U.S.C. 1002)), shall be considered income to that individual, except that financial assistance described in this paragraph is not considered annual income for students who are living with their parents who are applying for or receiving assistance or persons over the age of 23 with dependent children. For the purpose of determining income, loan proceeds are not considered "financial assistance".
- (10) Any part of an athletic scholarship that can be used to cover housing costs must be included in the family's income.
- (11) The gross amount of Social Security (SS) and Supplemental Security Income (SSI) benefits.

6.4.2 Income Exclusions

[24 CFR §5.609(c)]

The LACDA considers the following to be excluded from the family's annual income, as required by HUD:

- (1) Income from employment of children (including foster children) under the age of 18 years;
- (2) Payments received for the care of foster children or foster adults (usually individuals with disabilities, unrelated to the tenant family, who are unable to live alone);

Benefits received through the Kin GAP program, a California program designed specifically for foster children who have been placed in the home of a relative are considered foster care and should be excluded.

- (3) Lump-sum additions to family assets, such as inheritances, insurance payments (including payments under health and accident insurance and worker's compensation), capital gains, and settlement for personal or property losses (but see paragraph (5) under Income Inclusions);
- (4) Amounts received by the family that are specifically for, or in reimbursement of, the cost of medical expenses for any family member;
- (5) Income of a live-in aide (as defined by regulation);
- (6) Subject to paragraph (9) in Income Inclusions, the full amount of student financial assistance paid directly to the student or to the educational institution;

- (7) The special pay to a family member serving in the Armed Forces who is exposed to hostile fire;
- (8)
 - (a) Amounts received under training programs funded by HUD;
 - (b) Amounts received by a person with disabilities that are disregarded for a limited time for purposes of Supplemental Security Income eligibility and benefits because they are set aside for use under a Plan to Attain Self-Sufficiency (PASS);
 - (c) Amounts received by a participant in other publicly assisted programs which are specifically for or in reimbursement of out-of-pocket expenses incurred (special equipment, clothing, transportation, child care, etc.) and which are made solely to allow participation in a specific program;
 - (d) A resident service stipend. This is a modest amount (not to exceed \$200 per month) received by a resident for performing a service for the owner, on a part-time basis, that enhances the quality of life in the development. No resident may receive more than one such stipend during the same period of time; or
 - (e) Incremental earnings and benefits resulting to any family member from participation in qualifying state or local employment training programs (including training programs not affiliated with a local government) and training of a family member as resident management staff. Amounts excluded by this provision must be received under employment training programs with clearly defined goals and objectives, and are excluded only for the period during which the family member participates in the employment training program.
- (9) Temporary, nonrecurring, or sporadic income (including gifts). For example, amounts earned by temporary census employees whose terms of employment do not exceed 180 days (Notice PIH 2000-1).

- (16) Amounts specifically excluded by any other federal statute from consideration as income for purposes of determining eligibility or benefits under a category of assistance programs that includes assistance under the 1937 Act. A notice will be published in the Federal Register and distributed to PHAs identifying the benefits that qualify for this exclusion. Updates will be distributed when necessary. - (17) Earned Income Disallowance for persons with disabilities [24CFR5.617]
 - (a) Initial 12-Month Exclusion [24CFR5.617(C)(1)]
 - (b) Second 12-Month Exclusion and Phase-In [24CFR5.617(C)2]
 - (c) Maximum 4-Year Disallowance [24 CFR 5.617(c)(3)]
- (18) The low-income subsidy (extra help) received to assist low-income persons in paying for their Medicare Prescription Drug Plan cost.
- (19) The payment amount of Social Security (SS) and Supplemental Security Income (SSI) benefits that are reduced due to prior overpayments.
- (20) Financial assistance received through the Veterans Retraining Assistance Program (VRAP) [24 CFR 5.609 (c)(6)].

6.4.3 Earned Income Disallowance
[24 CFR §5.617]

When determining the annual income of a participant family that includes persons with disabilities, the determination must exclude an increase in annual income due to any of the following events:

- Employment by a family member who is a person with disabilities and who was previously unemployed for one or more years prior to employment.
 - A previously unemployed person is defined as a person who in the 12 months prior to employment has earned no more than would be received for 10 hours of work per week for 50 weeks at the established minimum wage.
- An increase in income by a family member who is a person with disabilities and whose earnings increase during participation in an economic self-sufficiency program or other job-training program.
 - An economic self-sufficiency program is any program designed to encourage, assist, train, or facilitate the economic independence of HUD-assisted families or to provide work for such families.
- New employment or increased earnings by a family member who is a person with disabilities and who has received TANF benefits or services within the past 6 months.
 - If TANF is received in the form of monthly monetary maintenance, there is no minimum amount that must be received to be considered a participant in TANF.
 - If TANF is received in the form of one-time payments, wage subsidies and transportation assistance that add up to at least \$500 over a 6-month period, they would meet this requirement.

6.4.4 Earned Income Disallowance Exclusion Time Periods
[24 CFR §5.617(c)]

1. **Initial 12-Month Exclusion:** During the initial 12-month exclusion period, the full amount of the increase in income due to employment or increase earnings is excluded. Once a family member is determined eligible for the earned income disallowance, the 24-calendar month period starts.
2. **Second 12-Months Exclusion:** During the second 12-month exclusion and phase-in period, the exclusion is reduced to half, or 50 percent, of the increase in income due to employment or increased earnings.
3. **Lifetime Limit:** A participant has a total lifetime limit of 24-consecutive months that begins once the initial exclusion is given after the qualifying event. No exclusion should be given after the lifetime limit has been reached.

6.5 **FAMILY ASSETS**

[24 CFR §5.603(b)]

6.5.1 **Included Assets**

- (1) Amounts in savings and checking accounts.
- (2) Stocks, bonds, savings certificates, money market funds and other investment accounts.
- (3) Equity in real property or other capital investments. Equity is the estimated current market value of the asset less the unpaid balance on all loans secured by the assets and reasonable costs (such as broker fees) that would be incurred in selling the assets.

In the absence of an estimate of liquidation costs or verification of actual liquidation costs from a real estate agent or broker, the LACDA will use a standard 8% of market value to determine such costs.

- (4) The cash value of trusts that may be withdrawn by the family.
- (5) IRA, Keogh and similar retirement savings accounts, even though withdrawal would result in a penalty.
- (6) Some contributions to company retirement/pension funds.

Contributions to company retirement/pension funds are handled as follows:

1. While an individual is employed, include as assets only amounts the family can withdraw without retiring or terminating employment.
2. After retirement or termination of employment, include any amount the individual elects to receive as a lump sum.

- (7) Assets, which although owned by more than one person, allow unrestricted access by the applicant.

- (8) Lump sum receipts such as inheritances, capital gains, lottery winnings, insurance settlements, and other claims.

Lump-sum additions to family assets, such as inheritances, insurance payments (including lump-sum payments under health and accident insurance and worker's compensation), capital gains, and settlement for personal or property losses, are not included as income but may be included in assets.

Lump-sum payments caused by delays in processing periodic payments (unemployment or welfare assistance) are counted as income. Lump sum payments from Social Security or SSI are excluded from income, but any amount remaining will be considered an asset. Deferred periodic payments which have accumulated due to a dispute will be treated the same as periodic payments which are deferred due to delays in processing.

The family's attorney fees may be deducted from lump-sum payments when computing annual income if the attorney's efforts have recovered a lump-sum compensation, and the recovery paid to the family does not include an additional amount in full satisfaction of the attorney fees.

- (9) Personal property held as an investment such as gems, jewelry, coin collections, antique cars, etc.
- (10) Cash value of life insurance policies.
- (11) Assets disposed of for less than fair market value during the two years preceding certification or re-certification.

The LACDA must count assets disposed of for less than fair market value during the 2 years preceding certification or re-examination. The LACDA will count the difference between the market value and the actual payment received in calculating total assets.

Assets disposed of as a result of foreclosure or bankruptcy, separation or divorce are not considered to be assets disposed of for less than fair market value.

The LACDA's minimum threshold for counting assets disposed of for less than Fair Market Value is \$5,000. If the total value of assets disposed of within a 1-year period is less than \$5,000, they will not be considered an asset.

6.5.2 Excluded Assets

- (1) Necessary personal property, except as noted in #9 above at Section 6.5.1.
- (2) Interest in Indian trust lds.
- (3) Assets that are part of an active business or farming operation.

If a household member's main occupation is the business from his/her rental property, the rental property is considered a business asset and therefore excluded. If a household member's rental property is considered

a personal asset and held as an investment, it is considered an included asset.

- (4) Assets not controlled by or accessible to the family and which provide no income for the family.
- (5) Vehicles especially equipped for the disabled.
- (6) Equity in owner-occupied cooperatives and manufactured homes in which the family lives.

6.6 CALCULATING INCOME AND FAMILY CONTRIBUTION

6.6.1 "Minimum Rent" and Minimum Family Contribution

[24 CFR §5.630(a)(2)]

Minimum family contribution in the LACDA's rental assistance programs is \$50 for all new contracts, including moves.

The LACDA will waive the minimum rent requirement in cases where the family documents that they do not currently have any source of income such as in the case of some homeless families. In such cases, the family will be re-evaluated in ~~63~~ months. All families are required to report changes in income within ~~310~~ calendar days.

6.6.2 Minimum Income

There is no minimum income requirement. Families who report zero income may be required to complete an interim re-examination periodically, up to once a quarter, at the LACDA's discretion.

6.6.3 Averaging Income

[24 CFR §982.516(c) and 24 CFR §5.609(d)]

When annual income cannot be anticipated for a full 12 months, the LACDA may annualize current income and conduct an interim re-examination if income changes.

If there are bonuses or overtime which the employer cannot anticipate for the next 12 months, bonuses and overtime received the previous year may be used.

Income from the previous year may be analyzed to determine the amount to anticipate when third-party or check-stub verification is not available.

If by averaging, an estimate can be made for those families whose income fluctuates from month to month, this estimate will be used so that the housing payment will not change from month to month.

The method used depends on the regularity, source and type of income.

6.6.4 Utility Allowance and Utility Reimbursement Payments

[24 CFR §982.517]

The utility allowance is intended to help defray the cost of utilities not included in the rent and is subtracted from TTP to establish the family's rent to the owner. The allowances are based on rates and average consumption studies, not on a family's actual consumption. The LACDA will review the Utility Allowance Schedule on an annual basis and revise it if needed (10 percent increase or decrease).

The approved utility allowance schedule is given to families along with the voucher. The utility allowance is based on the lower of the family's voucher size or the actual unit size selected.

Where families provide their own range and refrigerator, the LACDA will establish an allowance adequate for the family to purchase or rent a range or refrigerator, even if the family already owns either appliance. Allowances for ranges and refrigerators will be based on the lesser of the cost of leasing or purchasing the appropriate appliance over a 12-month period.

If the utility allowance exceeds the family's TTP, the LACDA will provide a utility reimbursement payment for the family each month. The check will be made out directly to the family's head of household on record.

6.6.5 Reduction in Welfare Assistance

[24 CFR §5.615]

The LACDA will impute (count) welfare income not received by the family, if the welfare assistance was reduced specifically because of:

- Fraud;
- Failure to participate in an economic self-sufficiency programs; or
- Noncompliance with a work activities requirement.

Imputed welfare income is the amount that welfare benefits are reduced.

Imputed welfare income is not included in the family's annual income, if the family was not assisted at the time of the welfare sanction.

The LACDA will include in the family's annual income the amount of the imputed welfare income plus the total amount of other annual income and the family's rent will not be reduced.

However, the LACDA will reduce the rent if the welfare assistance reduction is a result of any of the following:

- The expiration of a lifetime time limit on receiving benefits;
- The family has complied with welfare program requirements but cannot obtain employment; or
- The family member has not complied with other welfare agency requirements.

A family's request for rent reduction shall be denied upon the LACDA obtaining written verification from the welfare agency stating that the family's benefits have been reduced for fraud or noncompliance.

Offsets

The amount of the imputed income is offset by the amount of additional income the family begins to receive after the sanction is imposed. The new income would be subtracted from the imputed welfare income. When the additional income equals or exceeds the imputed welfare income, the imputed income is reduced to zero.

6.6.6 Prior Overpayment of Social Security (SS) and Supplemental Security Income (SSI)

When there is a payment reduction due to prior overpayments, staff will use the net amount of the SS/SSI benefit to calculate annual income only for that period of time for which the reduction occurs.

6.7 PRORATION OF ASSISTANCE FOR "MIXED" FAMILIES**6.7.1 Applicability****[24 CFR §5.520(a)]**

Proration of assistance must be offered to any "mixed" applicant or participant family. A "mixed" family is one that includes at least one U.S. citizen or eligible immigrant and any number of ineligible members.

"Mixed" families that were participants on June 19, 1995, and that do not qualify for continued assistance must be offered prorated assistance. Mixed family applicants are entitled to prorated assistance. Families that become mixed after June 19, 1995 by addition of an ineligible member are entitled to prorated assistance.

6.7.2 Prorated Assistance Calculation**[24 CFR §5.520(c)]**

Prorated assistance is calculated by determining the amount of assistance payable if all family members were eligible and multiplying by the percent of the family members who actually are eligible.

6.8 ABSENCE POLICY

The LACDA must compute all applicable income of every family member who is on the lease, including those who are temporarily absent. In addition, the LACDA must count the income of the spouse or the head of household if that person is temporarily absent, even if that person is not on the lease.

Income of persons permanently absent will not be counted. If the head of household or spouse is temporarily absent and in the military, all military pay and allowances (except hazardous duty pay when exposed to hostile fire and any other exceptions to military pay HUD may define) is counted as income.

It is the responsibility of the household to report absences and changes in family composition. The LACDA will evaluate absences from the unit using this policy [24 CFR §982.551(i)].

6.8.1 Absence of Entire Family

[24 CFR §982.312]

These policy guidelines address situations when the family is absent from the unit, but has not moved out of the unit. In cases where the family has moved out of the unit, the LACDA will terminate assistance in accordance with appropriate termination procedures contained in this plan.

Families are required both to notify the LACDA before they move out of a unit and to give the LACDA information about any family absence from the unit.

Families must notify the LACDA if they are going to be absent from the unit for more than 30 consecutive calendar days.

If the family fails to notify the LACDA of an absence of longer than 30 consecutive calendar days, or if the entire family is absent from the unit for more than 60 consecutive calendar days, the unit will be considered to be vacated and the assistance will be terminated. The LACDA at all times shall reserve the right to exercise its judgment regarding extensions on family absence from the unit on a case-by-case basis. However, HUD regulations require the LACDA to terminate assistance if the entire family is absent from the unit for a period of more than 180 consecutive calendar days.

"Absence of entire family" means that no family member is residing in the unit, and the unit has not been vacated. In order to determine if the family is absent from the unit, the LACDA may:

- Write letters to the family at the unit
- Telephone the family at the unit
- Interview the owner
- Interview neighbors
- Verify if utilities are in service
- Conduct an interim HQS Inspection

If the absence which resulted in termination of assistance was due to a person's disability, and the LACDA can verify that the person was unable to notify LACDA in accordance with the family's responsibilities, and if funding is available, the LACDA may reinstate the family as a reasonable accommodation if requested by the family.

6.8.2 Absence of Any Member

[24 CFR §982.312(a)]

Any member of the household will be considered permanently absent if s/he is away from the unit for 180 consecutive calendar days except as otherwise provided in this chapter.

6.8.3 Absence Due to Medical Reasons

[24 CFR §982.312(e)(1)]

If any family member leaves the household to enter a facility such as a hospital, nursing home, or rehabilitation center, the LACDA will seek advice from a reliable qualified source as to the likelihood and timing of their return. If the verification indicates that the family member will return in less than 180 calendar days, the family member will not be considered permanently absent.

If the verification indicates that the family member will be permanently confined to a nursing home, the family member will be considered to be permanently absent, out of the home and removed from the family composition.

If the person who is determined to be permanently absent is the sole member of the household, assistance will be terminated in accordance with the LACDA's "Absence of Entire Family" policy.

6.8.4 Absence Due to Incarceration

[24 CFR §982.312(e)(1)]

If the sole member of the household is incarcerated for more than 30 calendar days, s/he will be considered permanently absent and the LACDA will initiate proposed termination procedures to terminate assistance.

Any member of the household, other than the sole member, will be considered permanently absent if s/he is incarcerated for 60 calendar days. Once a family member is removed from the family composition, the family must seek LACDA approval prior to allowing the family member to re-join the assisted household. Failure to adhere to this policy can result in termination of assistance.

The LACDA will determine if the reason for any family member's incarceration is for drug-related or violent criminal activity and, if appropriate, will pursue termination of assistance for the family if deemed appropriate.

6.8.5 Foster Care and Absences of Children

[24 CFR §982.551(h)(4) and 24 CFR §982.551(e)(1)]

If the family includes a child or children temporarily absent from the home due to placement in foster care, the LACDA will request information from the appropriate agency to determine when the child/children will be returned to the home.

If the time period is to be greater than 180 calendar days from the date of removal of the child/children, the voucher size may be temporarily reduced. If children are removed from the home permanently, the voucher size will be permanently reduced in accordance with the LACDA's subsidy standards.

6.8.6 Absence of Adult

[24 CFR §982.312(e)]

If neither parent remains in the household and the appropriate agency has determined that another adult is to be brought into the assisted unit to care for the children for an indefinite period, the LACDA will immediately add the new caretaker to the household composition while eligibility is reviewed, including criminal background checks.

If the caretaker does not pass any portion of the LACDA's eligibility screening, including the criminal background check, the caretaker will be removed from the voucher. If no other caretaker is identified and the ineligible individual remains the caretaker for the children, the assistance will be terminated.

When the LACDA approves a person to reside in the unit as caretaker for the children, this person's income will be counted in the TTP for the family pending a final disposition. The LACDA will work with the appropriate service agencies and the owner to provide a smooth transition in these cases.

If a member of the household is subject to a court order that restricts him/her from the home for more than 180 calendar days, the person will be considered permanently absent.

If an adult family member leaves the household for any reason, the family must report the change in family composition to the LACDA within 30 calendar days.

The family will be required to notify the LACDA in writing within 30 calendar days when a family member leaves the household for any reason or moves out. The notice must contain a certification by the family as to whether the member is temporarily or permanently absent. The family member will be determined permanently absent if verification is provided.

If an adult child goes into the military and leaves the household, they will be considered permanently absent.

Time extensions may be granted as a reasonable accommodation upon request by a person with a disability.

6.8.7 Students

[24 CFR §982.312(e)]

Full time students who attend school away from the home and live with the family during school recess will be considered temporarily absent from the household. These family members will continue to be counted for the purpose of determining the family's appropriate voucher size.

6.8.8 Visitors

[24 CFR §982.312(e)]

Any person not included on the HUD-50058 who has been in the unit more than 30 calendar days, or a total of 60 calendar days in a 12-month period, will be considered to be living in the unit as an unauthorized household member.

Absence of evidence of any other address will be considered verification that the visitor is a family member.

Statements from neighbors and/or the owner will be considered in making the determination.

Use of the unit address as the visitor's current residence for any purpose that is not explicitly temporary shall be construed as permanent residence.

The burden of proof that the individual is a visitor rests on the family. In the absence of such proof, the individual will be considered an unauthorized member

of the family and the LACDA will terminate assistance since prior approval was not requested for the addition.

In a joint custody arrangement, if the minor is in the household less than 180 calendar days per year, the minor will be considered to be an eligible visitor and not a family member.

6.8.9 Reporting Absences

[24 CFR §982.551(h)(3) and §982.551(i)]

If a family member leaves the household, the family must report this change to the LACDA, in writing, within 30 calendar days of the change and certify as to whether the member is temporarily absent or permanently absent. When available to do so, an adult family member who is leaving the household should remove him/herself in writing from the lease and voucher family composition.

The LACDA will conduct an interim re-examination for changes, which may affect the TTP in accordance with the interim policy. See Section 12.5 (Changes in Family Composition) for more information.

6.8.10 Verification of Absence

Please refer to Section 7.11.4 (Verification of Permanent Absence of Adult Member).

CHAPTER 7: VERIFICATION PROCEDURES

7.1 INTRODUCTION

[24 CFR §5.240(c), 24 CFR §5.210, 24 CFR §982.551(b)]

HUD regulations require the LACDA to verify factors of eligibility. Applicants and program participants must furnish proof of their statements whenever required by the LACDA, and the information they provide must be true and complete. The LACDA's verification requirements are designed to maintain program integrity. This chapter explains the LACDA's procedures and standards for verification of preferences, income, assets, allowable deductions, family status, and changes in household composition. The LACDA will ensure that proper authorization from the family is always obtained before making verification inquiries.

7.2 METHODS OF VERIFICATION AND TIME ALLOWED

The LACDA will use six levels of verification methods acceptable to HUD in the following order:

Level Six: Up-Front Income Verification (UIV) using EIV (highest priority): This level is mandatory and will be used when available

Level Five: Up-Front Income Verification (UIV) using a non-HUD system (highest priority): In cases where EIV is not available, this level will be used when possible.

Level Four: Third-party written verification (high priority): This verification level is defined as tenant-provided documents obtained from a third-party source. The documents must be authentic, original and computer-generated. Level Four is used:

- To support the information reported through EIV/UIV,
- When there is a discrepancy between EIV/UIV and tenant-reported income,
- When EIV or other forms of UIV are not available, the LACDA will accept authentic, original, computer-generated documents as verification of income, assets or other family circumstances.

Level Three: Third-party written verification form (medium-low priority). The LACDA will send verification forms to third party sources when:

- There is a discrepancy between EIV/UIV and tenant-reported income and the tenant disputes the information in EIV, or
- Verification levels six through four are unavailable.

Level Two: Third-party oral verification (low priority). This level will be used when sending verification forms to third-party sources under Level Three is not possible or the forms are not returned in a timely manner.

Level One: Self-Declaration (low priority). Certification/self-declaration verification will be the last level used if verification is not possible or able to be

obtained using the higher levels of verification, the LACDA may allow up to 10 calendar days for the return of third-party verification forms before using the next verification level.

7.3 TIMELINESS OF VERIFICATIONS

Verifications may not be received more than 60 calendar days before voucher issuance for applicants [24 CFR §982.201(e)]. However, a voucher may be issued to a participant family without updating verifications if the annual reexamination is current (within the last 12 months). Any reported changes that require an interim reexamination will be verified and processed before a voucher is issued.

All tenant-provided documents are current if dated within 60 days of the date of receipt. Please see section 7.9 for asset verification documents exceptions.

Exception for averaging income: When using consecutive verification documents to average income, such as consecutive pay stubs, only one of the documents must be dated within 60 days of the date of receipt if the documents are also the most recent received by the family.

7.3.1 Up-Front Income Verification (UIV)

The LACDA will utilize up-front income verification tools. The use of the Enterprise Income Verification (EIV) system is mandatory and will be used whenever possible. Other UIV systems, such as the LRS system for the Temporary Assistance of Needy Families (TANF) and Work Number, will be used whenever possible when EIV is unavailable.

If there is a difference in source of income or a substantial difference (\$2400 annually or \$200 monthly) in reported income between EIV verification and family-provided documents and the tenant disputes the discrepancy or cannot provide adequate documentation to validate the discrepancy, the LACDA shall follow the guidelines below:

- The LACDA will send written third-party verification forms to the discrepant income source.
- The LACDA may review historical income data for patterns of employment, paid benefits, and/or receipt of other income, when the LACDA cannot readily anticipate income, such as in cases of seasonal employment, unstable working hours, and suspected fraud.
- The LACDA will analyze all data (UIV data, third-party verification documents provided by the family and verification forms returned by the discrepant income source) and attempt to resolve the income discrepancy.
- The LACDA will use the most current information available to calculate the anticipated annual income.

In cases where UIV income data is different than tenant-reported income and the tenant does not dispute the discrepancy and can provide adequate documentation to validate the discrepancy, the LACDA will use the written third-

party documents provided by the family to calculate the anticipated annual income.

7.3.2 Third-Party Written Verification

Third-party written verification is defined as original, authentic, computer-generated documents from a third-party source, but obtained from the family. All documents will be photocopied and retained in the family file. The LACDA will accept the following documents, among others, from the family, provided that the document is such that tampering would be easily noted:

- Printed wage stubs
- Computer print-outs from the employer
- Letters printed on official letterhead

Third-party written verification documents will be used to support the information reported through the UIV source or as primary verification when UIV is not available.

The LACDA will accept faxed documents, however a hard copy may be requested for verification

If at least two check stubs cannot be obtained to verify employment income, the LACDA will request third party verification directly from the source to support EIV data or as primary verification.

7.3.3 Third-Party Written Verification Forms

Third-party verification forms will be sent directly to the source when a participant disputes a discrepancy on the UIV or cannot provide adequate documentation to validate the discrepancy, or when the LACDA rejects third-party written verification documents provided by the family.

Third-party written verification forms will be sent and returned via first class mail. The family will be required to sign an authorization for the information source to release the specified information.

Verifications received electronically directly from the source are acceptable. Written letters obtained from the source are acceptable under this level.

7.3.4 Third-Party Oral Verification

Oral third-party verification will be used when written third-party verification forms are not possible or are delayed. When third-party oral verification is used, staff will be required to document the file, noting with whom they spoke, the date of the conversation, and the facts provided.

7.3.5 Self-Certification/Self-Declaration

When verification cannot be made by UIV, third-party verification documents, forms or third-party oral verification, families will be required to submit a self-certification or a notarized statement. Self-certification means a signed statement/affidavit/certification under penalty of perjury.

This level may be used when:

1. UIV is unavailable; and
2. Third-party written documents cannot be provided by the family, and
3. Staff has made at least two documented efforts (mail, fax, telephone call, or email) to obtain third-party verification from the source and no response is received; or
4. An independent source does not have the capability of sending written third-party verification directly to the LACDA or does not facilitate oral third-party verification.

7.4 RELEASE OF INFORMATION

[24 CFR §5.230]

The family will be required to sign specific authorization forms when information is needed that is not covered by the HUD-9886 Form (Authorization for the Release of Information).

Each member requested to consent to the release of information will be provided with a copy of the appropriate forms for their review and signature.

Family refusal to cooperate with the HUD prescribed verification system will result in denial of admission or termination of assistance because it is a family obligation to supply any information requested by the LACDA or HUD.

7.5 COMPUTER MATCHING

[24 CFR §5.210(a)]

Where allowed by HUD and/or other State or local agencies, computer matching will be done.

7.5.1 Data Sharing

[State of California Health and Safety Code, §34217]

The LACDA will share applicant and participant information that is necessary to determine eligibility for County welfare department programs or services for which the client has applied or is receiving.

7.5.2 Release of Information

LACDA personnel, shall not release or otherwise make available HCV lists or any other confidential information to any outside organization or entity without the express written approval of the Executive Director, Deputy Executive Director, or their designee. This restriction on the release of HCV lists or any other confidential information shall also apply to all other divisions of the LACDA. To the extent information is released, such release(s) shall be in a manner consistent with section 33 of the Settlement Agreement United States v. Housing Authority of the County of Los Angeles, No.2:15-cv-5471 (C.D.Cal), applicable federal law governing the HCV Program and other Housing information. In the

event that the LACDA provides information covered under this section, within 15 days, the LACDA will provide the following information to the Department of Justice.

1. The legitimate non-discriminatory purpose the information was provided for;
2. To whom the information was provided to; and
3. A copy of the information provided.

7.7.6 Net Income from a Business

If a family is operating a licensed day care business, income and expenses will be verified as with any other business.

If the family is operating a cash and carry operation (which may or may not be licensed), the LACDA will require that the family complete a form for each customer which indicates: name of person(s) whose child/children is/are being cared for, phone number, number of hours child is being cared for, method of payment (check/cash), amount paid, and signature of person.

- The person who provides the gifts
- The value of the gifts
- The regularity (dates) of the gifts
- The purpose of the gifts

7.7.9 Zero-Income Status

Families claiming to have no income may undergo a credit review. The information contained in the credit report will be used to confirm the information provided by the family. The LACDA will utilize records provided by the Department of Public Social Services (DPSS), and may check records of other departments in the jurisdiction that have information about income sources of customers, to confirm information provided by a family claiming to have zero income.

7.7.10 Full-Time Student Status

[24 CFR §5.609(c)(11)]

Only the first \$480 of the earned income of full-time students 18 years or older (including those who are temporarily absent), other than head of household, co-head, or spouse, will be counted towards family income.

[24 CFR §982.516(a)(2)(ii)]

Families must provide the LACDA with acceptable, written third-party documents to verify the value of or income from an asset. A written third-party verification document for an asset is considered current if at the time of receipt the document is:

[24 CFR §5.603(b)(3)]

This includes assets disposed of during 2 years preceding effective date of certification or re-examination:

[24 CFR §5.611(a)(4)]

3. Family's certification as to whether any of those payments have been or will be paid or reimbursed by outside sources.

7.10.2 Medical Expenses

The LACDA may use this approach for general medical expenses such as non-prescription drugs and regular visits to doctors or dentists, but not for one-time, nonrecurring expenses from the previous year.
 8. The LACDA will use mileage at the IRS rate, or cab, bus fare, or other public transportation cost for verification of the cost of transportation directly related to medical treatment.

Medical expenses may not be verified through third party verification from Walgreen's Pharmacy [see memo dated 04/16/09].

7.10.3 Assistance to Persons with Disabilities

7.11 VERIFYING NON-FINANCIAL FACTORS

[24 CFR §982.551(b)(1)]

7.11.1 Verification of Legal Identity

In order to prevent program abuse, the LACDA will require applicants to furnish verification of legal identity for all family members.

7.11.7 Verification of Citizenship/Eligible Immigrant Status

[24 CFR Part 5, Subpart E]

To be eligible for assistance, individuals must be U.S. citizens, or non-citizens with eligible immigrant status based on the eligible categories specified by regulations. Individuals who are neither may elect not to contend their status. Each family member must declare their status once. If a family member reports a change to their citizenship status, only that member will be required to declare their updated citizenship status. Assistance cannot be delayed, denied, or terminated while verification of status is pending except that assistance to applicants may be delayed while the LACDA hearing is pending.

1. Citizens or Nationals of the United States: Required to sign a declaration under penalty of perjury [24 CFR §5.508(b)(1)].
2. Eligible Immigrants Age 62 and Over: Required to sign a declaration of eligible immigration status and provide proof of age [24 CFR §5.508(b)(2)].
3. All Other Eligible Immigrants: Required to sign a declaration of status and verification consent form, and to provide an acceptable document of eligible immigration as follows:
 - Resident Alien Card (I-551)
 - Alien Registration Receipt Card (I-151) (With receipt for application of I-551)
 - Foreign Passport with I-551 stamp
 - Arrival-Departure Record (I-94) with no annotation accompanied by:
 - A final court decision granting asylum (if no appeal is taken);
 - A letter from an INS or USCIS asylum officer granting asylum (if application is filed on or after 10/1990) or from and INS director granting asylum (application filed before 10/1/90);
 - A court decision granting withholding of deportation; or

- A letter from an asylum officer granting withholding of deportation (if application filed on or after 10/1/90).
- Arrival-Departure Record (I-94) stamped with one of the following:
 - “Admitted as a Refugee Pursuant to Section 207”

- Any official revision of the acceptable documents listed above
- Receipt issued by the United States Citizenship and Immigration Service (USCIS) for issuance of replacement of any of the above documents that shows individual’s entitlement has been verified

The document is copied front and back and returned to the family. A birth certificate is not acceptable verification of eligible immigrant status. All documents in connection with U.S. citizenship/eligible immigrant status must be kept 5 years.

Eligible immigrants must have their status verified by USCIS. The LACDA verifies the status through the USCIS SAVE system. If this primary verification fails to verify status, the LACDA must request within 10 calendar days that the USCIS conduct a manual search [24 CFR §5.512(c)].

4. Ineligible Family Members: Family members who do not claim to be citizens or eligible immigrants must be listed on a statement of ineligible family members signed by the head of household, co-head, or spouse [24 CFR §5.508(e)].
5. Non-Citizen Students on Student Visas: Ineligible, even though they are in the country lawfully. They must provide their student visa but their status will not be verified and they do not sign a declaration but are listed on the statement of ineligible members [24 CFR §5.522].
6. VAWA Self-Petitioners (PIH 2017-02)

VAWA Self-Petitioners are those who claim to be victims of “battery and extreme cruelty”. VAWA covers the following types of battery or extreme cruelty: domestic violence, dating violence, sexual assault, and stalking. A VAWA self-petitioner can indicate that they are in “satisfactory immigration” status when applying for housing or continued assistance. “Satisfactory

immigration status” means an immigration status which does not make the individual ineligible for financial assistance. Once the LACDA verifies the applicant’s immigration status in the Department of Homeland Security (DHS) SAVE System, the LACDA will make the final determination as to the self-petitioner’s eligibility for assistance.

Not every noncitizen victim who has been subjected to battery or extreme cruelty will qualify under these procedures. To qualify, the noncitizen victim must have been battered or subject to extreme cruelty by their spouse or parent, who is a U.S. citizen or Lawful Permanent Resident (LPR). The LACDA may receive a petition at any time but submissions will most likely be related to a request for VAWA protections pursuant to 24 CFR 5 Subpart L (e.g. with a request for an emergency transfer or family breakup resulting from domestic violence, dating violence, sexual assault, or stalking; PIH 2016-09).

When the LACDA receives a self-petition (INS Form I-360 or I-130) or INS Form 797, the LACDA is prohibited from requesting any additional information from the VAWA self-petitioner, other than what is required below to complete the verification.

VAWA Self-Petitioner Verification Procedure

When the LACDA receives a self-petition or INS Form 797 “Notice of Action”, the HA will initiate verification in the SAVE System as outlined in PIH 2017-02. During the verification process, housing assistance and all other VAWA protections will be granted to the self-petitioner throughout the verification process until a final determination of LPR status is made. If this primary verification fails to verify status, the LACDA must request within ten days that the USCIS conduct a manual search. If the final determination is to deny the VAWA self-petition or LPR petition, the LACDA will alert the petitioner and take the appropriate actions.

Failure to Provide: If an applicant or participant family member fails to sign required declarations and consent forms or provide documents, as required, they must be listed as an ineligible member. If the entire family fails to provide and sign as required, the family may be denied or terminated for failure to provide required information [24 CFR §5.508(i)].

Time of Verification: For applicants, verification of U.S. citizenship/eligible immigrant status occurs at the same time as verification of other factors of eligibility for final eligibility determination. For family members added after other members have been verified, the verification occurs at the first interim or annual re-examination after the new member moves in. Once verification has been completed for any covered program, it need not be repeated except that, in the case of port-in families, if the initial public housing agency does not supply the documents, the LACDA must conduct the determination [24 CFR §5.508(g)].

Extensions of Time to Provide Documents: Extensions must be given for persons who declare their eligible immigration status but need time to obtain the required documents. The length of the extension shall be based on individual circumstances. The LACDA will generally allow up to 30 calendar days to provide

the document or a receipt issued by the USCIS for issuance of replacement documents [24 CFR §5.508(h)].

Determination of Ineligibility: After the LACDA has made a determination of ineligibility, the family will be notified of the determination and the reasons and informed of the option for prorated assistance (if applicable).

7.11.8 Verification of Social Security Numbers

[24 CFR §5.216]

Social Security numbers must be provided as a condition of eligibility for all family members, except for family members who were determined eligible on or before January 31, 2010 and were at least 62 years old on that date, and family members who are not eligible to obtain a Social Security number. Social Security numbers will be verified through a Social Security card issued by the Social Security Administration. If a family member cannot produce a Social Security card, only the documents listed below may be used for verification. [24 CFR §5.216(g)(1)]:

- A document issued by the Social Security Administration that contains the name and Social Security Number of the individual; or
- A document issued by a Federal, state or local government agency that includes the name, Social Security Number and other identifying information about the individual.

All new family members, except children age 5 and under, who have not been assigned a number, will be required to produce their Social Security card or provide the substitute documentation described above. This information is to be provided at the time the change in family composition is reported to the LACDA and the family member will not be added to the household composition until it is provided [24 CFR §5.216(e)(2)(i)].

A child age 5 or under who has not been assigned a Social Security Number may be added to the household before providing a Social Security number. However, the parent or guardian will be required to sign a form attesting that the child was never issued a Social Security Number. The family must disclose the child's Social Security Number within 90 days of being added to the household composition.

If a participant was never assigned a Social Security Number the individual will be required to sign a form attesting to the fact. The family member will be required to provide proof of the Social Security Number before the current annual reexamination is processed [24 CFR §5.216(e)(2)(ii)].

A 90-day extension may be granted by a LACDA Supervisor if the family was unable to provide the information due to good cause and there is a reasonable likelihood they will be able to provide the information during the extended time period. If the family fails to provide the information within the approved time period, the family's assistance will be terminated. .

If the family fails to provide required documentation of a member's Social Security Number, the family's assistance will be terminated [24 CFR §5.216(g)].

7.11.9 Medical Need for Larger Unit

A written certification that a larger unit is medically necessary must be obtained from a reliable, knowledgeable medical professional. If the request is a reasonable accommodation for a disabled family member, the following policy will be followed.

7.11.10 Reasonable Accommodation

In order to verify the necessity for a reasonable accommodation, the LACDA will usually require the disabled individual or a third party acting on their behalf, to return the Reasonable Accommodation Request form, or other written documentation, completed by a qualified professional with direct experience with the individual's disability. Qualified professionals may include, but are not limited to:

- A medical doctor
- A psychiatrist
- A social worker
- Other unlicensed care providers

If the need for the requested accommodation is visibly apparent, the LACDA may grant the request immediately without requiring further verification. If the disabled individual is unable to return a written request due to their disability, the LACDA will work with the individual to ascertain the specific accommodation being requested and whether it conforms to the requirements stated in section 1.9.2.

7.11.11 Secondary Review/Credit Checks

The LACDA may use credit reports obtained from reliable sources to conduct secondary verifications on a case-by-case basis.

The methodology used to evaluate the information obtained from the credit report in relation to new applicants is outlined in Chapter 4 (Establishing Preferences and Maintaining the Waiting List).

The secondary review includes a comparison between the information contained in the credit report, for each adult household member, and the information provided by the family to the LACDA for eligibility purposes. Specifically, the LACDA reviews the credit report to verify:

Employment: If the credit report reveals employment during the subsidized period that was not disclosed to the LACDA, the family will be required to provide documentation that the employment did not occur or provide information regarding the amount of earnings received during the employment period.

If the family contends that the employment was made up for the purposes of obtaining credit or was erroneously placed on the credit report, the family must supply a letter from the employers listed confirming such information. On a case-by-case basis, the LACDA may accept a certified statement from the family.

If the family failed to disclose employment for a period longer than 6 months, the LACDA will propose termination of the family's assistance and seek repayment of any overpayment. On a case-by-case basis the LACDA may counsel the family before proposing termination and seeking repayment of any overpayment.

If the family failed to disclose employment for less than 6 months, the family will be required to attend a counseling interview and re-sign all program documents re-enforcing the family's obligations. The family will also be required to repay any overpayment amount. A second violation of this nature will result in a proposed termination.

Assets: The credit report information will be used to verify assets, particularly, large items such as real estate property. If the credit report reveals that the family owns property, the family will be required to provide the appropriate documentation regarding the property.

If all documentation confirms that the family (any family member) owns real estate property that was purposely concealed, the LACDA will propose termination of assistance and seek repayment of any overpayment amount.

Aliases: A credit report can provide information on other names that have been used for the purposes of obtaining credit. Common reasons for use of other names include a recent marriage or a divorce. If an alias has not been disclosed to the LACDA, the family will be asked to provide additional evidence of the legal identity of adult family members.

Current and Previous Addresses: For a continuously assisted family, it is assumed that the family's primary residence is the assisted address. If the credit report indicates the continuous use of an address, other than that of the assisted unit during the subsidized period, the family will be asked to provide documentation that the assisted address is being used as the family's primary residence. This may include a history of utility bills, bank statements, school enrollment record for children, credit card statements or other relevant documents. Failure to provide adequate proof may result in termination of assistance.

If the family is not using the subsidized unit as their primary residency and/or is subletting the assisted unit, the file will be referred for proposed termination and the LACDA will seek full repayment of any overpayment amount.

Credit Card and Loan Payments: A credit report will usually include a list of the family's financial obligations. Examples of the items that may show up include car loans, mortgage loans, student loans and credit card payments. The LACDA will review this information to confirm the income and asset information provided by the family. If the family's current financial obligations (total amount of current monthly payments) exceed the amount of income reported by the family, the LACDA will ask the family to disclose how they are currently meeting their financial obligations. Accounts that have been charged off or significantly delinquent are not included in this calculation. Failure to provide adequate proof of income will result in the file being referred for proposed termination. Additionally, the LACDA will seek full repayment of any overpayment amount.

Multiple Social Security Numbers: A credit report may list multiple Social Security numbers if an adult family member has used different Social Security numbers to obtain credit. If the credit report information does not match the

information provided by an adult member of the family, the family member will be required to obtain written confirmation of the Social Security number that was issued to him/her from the Social Security Administration.

Whenever a violation results in a proposed termination, the family is entitled to request an informal hearing. Procedures governing the informal hearing process are outlined in Chapter 16 (Informal Hearings and Complaints).

CHAPTER 8: VOUCHER ISSUANCE AND BRIEFINGS

8.1 INTRODUCTION

This chapter covers the LACDA's process for issuing vouchers, including the contents of the briefing that is conducted for families receiving a voucher. It also includes policies on the term of the voucher.

8.2 ISSUANCE OF HOUSING CHOICE VOUCHERS

When funding is available, the LACDA will issue vouchers to applicants whose eligibility has been determined.

The number of vouchers issued must ensure that the LACDA stays as close as possible to 100 percent lease-up. The LACDA performs a calculation to determine whether applications can be processed, the number of vouchers that can be issued, and to what extent the LACDA can over-issue.

The LACDA may over-issue vouchers only to the extent necessary to meet leasing goals. All vouchers that are over-issued will be honored, as long as there is funding to support the over-issued vouchers. If the LACDA finds it is over-leased, and a voucher holder has found an approvable unit, the LACDA is under no obligation to the family, to the owner, or to any other person, to approve a tenancy. As the LACDA nears 100 percent lease up, vouchers will be honored in the order they were issued. All voucher holders whose vouchers are not honored due to over-leasing will be placed back on the waiting list.

8.3 BRIEFING TYPES AND REQUIRED ATTENDANCE

8.3.1 Initial Applicant Briefing

[24 CFR §982.301(a)]

When the family is initially issued a voucher, the LACDA conducts a briefing session, as required by HUD. The briefing session is mandatory.

Briefing sessions will be conducted in groups or individual meetings.

The LACDA will not issue a voucher to a family unless the household representative has attended a briefing and signed the voucher. Applicants who provide prior notice of inability to attend a briefing will automatically be scheduled for the next briefing. Applicants who fail to attend scheduled briefings, without prior notification and approval of the LACDA, may be denied admission based on failure to supply information needed for certification. The LACDA will conduct individual briefings for families with disabilities at their home, upon request by the family, if required for reasonable accommodation.

Families who attend group briefings and still have the need for individual assistance will be referred to the appropriate staff person.

8.3.2 Re-Issuance Briefing

A briefing will be held for participants who will be re-issued vouchers to move. This briefing may include incoming and outgoing portable families. Families failing to attend a scheduled briefing twice will be denied a new voucher based on failure to provide required information.

8.3.3 Owner Briefing

Briefings are held for owners at least annually. Invitations are mailed to all owners. Prospective owners are also welcome. The purpose of the briefing is to assure successful owner participation in the program.

8.4 INFORMATION PROVIDED AT THE BRIEFING SESSION

The LACDA's objectives are to assure that families selected to participate are successful in obtaining an acceptable housing unit and that they have sufficient knowledge to derive maximum benefit from the program and to comply with program requirements.

The purpose of the briefing session is to provide information on the LACDA's process for voucher holders who intend to lease a unit. This will enable families to utilize the program to their advantage, and prepare them to discuss it with potential owners and property manager.

When the family is selected to participate, the briefing session includes information as follows.

8.4.1 Topics Covered in the Briefing Session

[24 CFR §982.301(a)]

The person conducting the briefing will describe how the program works and include information on the following subjects:

- A description of how the program works, including reasonable accommodation policies and procedures;
- Family and owner responsibilities;
- Where a family may lease a unit inside and outside the LACDA's jurisdiction;
- How portability works for families eligible to exercise portability; and
- Advantages of moving to an area that does not have a high concentration of poor families, for families living in high poverty census tracts in the LACDA's jurisdiction.

If the family includes a person with disabilities, the LACDA will ensure compliance with 24 CFR §8.6 to ensure effective communication.

8.4.2 Briefing Packet

[24 CFR §982.301(b)]

The LACDA provides families with a briefing packet that contains more detailed information about the program. The packet includes forms and information required by HUD, as well as additional resources. The person conducting the briefing session will explain the documents in the briefing packet.

1. Instructions: This explains the term of the voucher, the LACDA's policies on extensions and suspensions, and how families may request tenancy approval.
2. Subsidy Estimation: A worksheet on rent calculations, including a description of the method used to calculate the assistance payment, how the minimum and maximum allowable rent is determined, how the payment standard is determined, and a calculation of the estimated maximum rent to suit the tenant's budget.
3. Utility Allowance Schedule: Utility allowance amounts for rental units, by unit size and utility type, for cities and unincorporated areas within the LACDA's jurisdiction.
4. Information on where the family can lease a unit, including portability procedures, a list of area housing authorities, and a form for participants who are requesting to transfer.
5. Form HUD-52641-A: The HUD-required "tenancy addendum" that must be included in the lease.
6. Request for Tenancy Approval (RTA): Families request LACDA approval of the assisted tenancy with this form. The RTA includes a statement of LACDA policy on providing family information to prospective owners.
7. Subsidy Standards and Requests for Waivers: Explains how the number of bedrooms (unit size) relates to family composition, and when and how exceptions are made in regards to requests for additional bedrooms.
8. A Good Place to Live: HUD's brochure on selecting a unit that complies with HQS.
9. Are You A Victim of Housing Discrimination: HUD's pamphlet on fair housing which contains the complaint form. The LACDA also includes available State and local information on equal opportunity laws.
10. Marketing List of Available Properties: The LACDA provides information for the Los Angeles County Housing Resource Center, which is an internet-based property listing and search service for owners and participants. The LACDA includes an information sheet on how to access the system online.
11. Family Obligations: Families sign to acknowledge program obligations, and consequences including termination of assistance for failure to comply.
12. Informal Hearing Information: Includes procedures and explanations of when participant families have the opportunity for an informal hearing, and how to request a hearing.

The packet may also include the following materials:

- Three Way Partnership: Explains the relationship between owners, participants and the LACDA.

- Protect Your Family From Lead In Your Home: Federal brochure on the hazards of lead-based paint and resources for additional information.
- Searching for a Rental Home: Guidance on finding a unit and submitting a successful rental application.
- Additional Standards for HQS Inspections and inspections process details.
- Owner materials including information on the New Contracts Process and the Benefits of Participation.
- Owner forms including IRS W-9, Letter of Authorization, Authorization Agreement for Direct Deposit, and a sample Lead-Based Paint Disclosure.
- Request for Voucher Extension form
- What You Should Know About EIV: A Federal brochure describing the Enterprise Income Verification (EIV) System, how it is used and from where the information is generated.

8.5 ENCOURAGING PARTICIPATION IN AREAS WITHOUT LOW INCOME OR MINORITY CONCENTRATION

[24 CFR §982.301(a)(3)

At the briefing, families are encouraged to search for housing in non-impacted areas. The LACDA provides assistance to families who wish to do so.

The assistance provided to such families includes:

- Direct contact with owners;
- Counseling with the family;
- Providing information about services in various non-impacted areas;
- Meeting with neighborhood groups to promote understanding;
- Formal or informal discussions with owner groups;
- Formal or informal discussions with social service agencies;
- Meeting with rental referral companies or agencies; and
- Meeting with fair housing groups or agencies.

The LACDA currently utilizes the Los Angeles County Housing Resource Center, an internet-based housing search service. This service, lists rental properties, listed by owners within the LACDA's jurisdiction to ensure greater mobility and housing choice to very low-income households. Each property listed indicates if it is in an area of low-poverty concentration.

The LACDA also maintains a listing of job, education, transportation and other information for cities not impacted by poverty or minority concentration. The cities for which the LACDA maintains this information are:

- Alhambra
- Azusa

- Bellflower
- Covina
- Downey
- Lakewood
- Lawndale
- Lomita
- Paramount
- Santa Fe Springs
- West Covina
- West Hollywood
- Whittier

This information may be obtained at the Section 8 Administrative Office.

8.6 SECURITY DEPOSIT REQUIREMENTS

[24 CFR §982.313]

Security deposits charged by owners may not exceed those charged to unassisted families (nor the maximum prescribed by State or local law.)

For lease-in-place families, responsibility for first and last month's rent is not considered a security deposit issue. In these cases, the owner should settle the issue with the family prior to the beginning of assistance.

8.7 TERM OF VOUCHER

[24 CFR §982.301(b)(1)]

During the briefing session, each family is issued a voucher, which represents a contractual agreement between the LACDA and the family, specifying the rights and responsibilities of each party. It does not constitute admission to the program, which occurs when the lease and contract become effective.

8.7.1 Expirations

[24 CFR §982.303(a)]

The initial term of the voucher is 60 calendar days from the date of issuance. At the time the family is provided the voucher, the LACDA will automatically approve one 60-day extension. The family must submit a Request for Tenancy Approval and lease within the 120 calendar-day period, unless the family request and extension and the LACDA grants an extension.

If the voucher has expired, and has not been extended by the LACDA or expires after an extension, the family will be denied assistance. The family will not be

entitled to a review or hearing. If the family is currently assisted, they may remain as a participant in their unit if there is an assisted lease/contract in effect.

The voucher is valid for a period of 60 calendar days from the date of issuance. The family must submit a Request for Tenancy Approval and lease within the 60 calendar-day period, unless an extension has been granted by the LACDA.

If the voucher has expired, and has not been extended by the LACDA or expires after an extension, the family will be denied assistance. The family will not be entitled to a review or hearing. If the family is currently assisted, they may remain as a participant in their unit if there is an assisted lease/contract in effect.

8.7.2 Policy on Suspensions (Tolling)

[24 CFR 982.303(c)]

When a Request for Tenancy Approval is received, the LACDA will not deduct the number of calendar days required to process the request from the term of the voucher.

8.7.38.7.2 Extensions of Voucher Term

[24 CFR §982.303(b)]

The LACDA has the authority to grant extensions to vouchers, to specify the length of an extension, and to determine the circumstances under which extensions will be granted. LACDA's discretionary policies related to voucher extensions are below.

LACDA may approve an extension in a 60-day increment not to exceed a maximum voucher term of 180 calendar days. LACDA Supervisors may authorize voucher extensions, in 30 or 60-day increments, up to a maximum term of 365 calendar days.

Extensions beyond 365 calendar days will only be considered as a reasonable accommodation for a person with disabilities. In such cases, the policy and procedure in section 7.11.10 will be followed.

The LACDA may grant extensions to vouchers.

~~A family may request an extension of the voucher time period. All requests for extensions must be received prior to the expiration date of the voucher.~~

Extensions may be granted in 30, 60, or 120-day increments, up to a maximum term of 180 calendar days, if necessary for the tenant to locate a unit.

Supervisors may authorize extensions up to a maximum term of 270 calendar days for extenuating circumstances. Such matters will be considered on an individual basis and must be supported by verifiable third-party documentation. Supervisors may extend the term of the voucher longer than 270 days as necessary as a reasonable accommodation. In such cases, the policy and procedure in section 7.11.10 will be followed.

~~A family may request an extension of the voucher time period. All requests for extensions must be received prior to the expiration date of the voucher.~~

8.7.3 Suspension of Voucher Term (Tolling)

[24 CFR 982.303(c)]

When a Request for Tenancy Approval is received, the LACDA will not deduct the number of calendar days required to process the request from the term of the voucher.

8.7.4 Assistance to Voucher Holders

[24 CFR §982.301(b)(11)]

The LACDA has contracted with the Los Angeles County Housing Resources Center (Emphasys) to provide an internet-based property listing and search service for owners and participants. The LACDA includes in the briefing packet an information sheet on how to access the Los Angeles County Housing Resources Center (Emphasys).

8.8 VOUCHER ISSUANCE DETERMINATION FOR SPLIT HOUSEHOLDS

[24 CFR §982.315]

In those instances when a family assisted under the Housing Choice Voucher Program becomes divided into two otherwise eligible families due to divorce, legal separation, or the division of the family, and the new families cannot agree as to which new family unit should continue to receive the assistance, and there is no determination by a court, the LACDA shall consider the following factors to determine which of the families will continue to be assisted:

1. Which of the two new family units has custody of dependent children.
2. Which family member was the head of household when the voucher was initially issued (listed on the initial application).
3. The composition of the new family units, and which unit contains elderly or disabled members.
4. Whether domestic violence was involved in the breakup.
5. Which family members remain in the unit.
6. Recommendations of social service professionals.

Documentation of these factors will be the responsibility of the requesting parties.

If documentation is not provided, the LACDA will terminate assistance on the basis of failure to provide information necessary to complete the annual re-examination.

Where the breakup of the family also results in a reduction of the size of the voucher, the family will be required to move to a smaller unit if the current owner is unwilling to accept the rent level of the smaller sized certificate.

8.9 REMAINING MEMBER OF FAMILY – RETENTION OF VOUCHER

To be considered the remaining member of the family, the person must have been previously approved by the LACDA to be living in the unit.

A live-in aide, by definition, is not a member of the family and will not be considered a remaining member of the family.

In order for a minor child to continue to receive assistance as a remaining family member:

1. The court has to have awarded emancipated minor status to the minor, or
2. The LACDA has to have verified that social services and/or the Juvenile Court has arranged for another adult to be brought into the assisted unit to care for the child/children for an indefinite period.

A reduction in family size may require a reduction in the voucher size.

8.10 FAMILY VOLUNTARILY RELINQUISHES HOUSING CHOICE VOUCHER

The family may voluntarily relinquish their voucher at any time. In such cases, the LACDA will provide the owner of the property with a 30 calendar days' notice indicating that rental assistance will terminate based on the family's request. The family will become fully liable for the contract rent after 30 calendar days.

Generally, the LACDA will not reinstate a family once a request for voluntary termination has been received. However, as a reasonable accommodation, the LACDA will review requests for reinstatements received within 6 months and make a determination on a case-by-case basis.

If a family voluntarily relinquishes their voucher in lieu of facing termination, the LACDA will continue to seek to recover any monies that may be due to the LACDA as a result of misrepresentation or other breach of program regulations and will report the amount of debt owed to EIV.

CHAPTER 9: THE NEW CONTRACT PROCESS - REQUEST FOR TENANCY APPROVAL AND CONTRACT EXECUTION

9.1 INTRODUCTION

[24 CFR §982.302 and 24 CFR §982.353(a)(b)]

After families are issued a voucher, they may search for a unit anywhere within the LACDA's jurisdiction, or outside of the LACDA's jurisdiction if they qualify for portability. The family must find an eligible unit under the program rules, with an owner who is willing to enter into a Housing Assistance Payments (HAP) contract with the LACDA. This chapter defines the types of eligible housing, the LACDA's policies which pertain to lease requirements, owner disapproval, and the processing of Requests for Tenancy Approval (RTA).

9.2 REQUEST FOR TENANCY APPROVAL

[24 CFR §982.302 and §982.305]

No RTA for a current participant will be processed unless there is a copy of the lease termination notice for the currently assisted unit in the family's file.

Both the owner and the voucher holder must sign the RTA.

The LACDA will not permit the family to submit more than one RTA at a time.

The RTA will be approved if [24 CFR §982.302(d)]:

1. The unit is an eligible type of housing;
2. The unit passes an inspection (based on HUD's Housing Quality Standards and the LACDA's requirements, detailed in Chapter 10);
3. The rent is reasonable and affordable to the voucher holder;
4. The security deposit amount is approvable;
5. The proposed lease complies with HUD and LACDA requirements, and State and local law;
6. The owner is approvable, and there are no conflicts of interest; and
7. All applicable lead-based paint disclosure requirements have been met. See Section 10.4 (Lead-Based Paint) for additional policies.

9.2.1 Disapproval of RTA

[24 CFR §982.302(d); §982.305, and §982.306]

If the LACDA determines that the RTA cannot be approved for any reason, the owner and the family will be notified in writing. The LACDA will instruct the owner and family of the steps that are necessary to approve the Request.

The owner will be given 5 calendar days to submit an approvable RTA from the date of disapproval unless the reason for the disapproval is the result of multiple failed inspections (three or more failed HQS inspections).

When, for any reason, an RTA is not approved, the LACDA will furnish another RTA form to the family along with the notice of disapproval so that the family can continue to search for eligible housing.

The LACDA will suspend the term of the voucher while the RTA is being processed. Therefore, the length of time allotted to a family for the purpose of locating another unit will be based on the number of days left on the term of the voucher at the time the RTA was submitted to the LACDA [24 CFR §982.303(b)].

9.3 ELIGIBLE TYPES OF HOUSING

[24 CFR §982.352]

The LACDA will approve the following types of housing in the voucher program:

- Single-family dwellings, including condos and townhouses.
- Manufactured homes where the family leases the mobile home and the pad [24 CFR §982.620(a)(2)].
- Manufactured homes where the family owns the mobile home and leases the pad [24 CFR §982.620(a)(3)].
- Multifamily dwellings (apartment buildings).
- Units owned but not subsidized by the LACDA (HUD-prescribed requirement).

A family can own a rental unit but cannot reside in it while being assisted, except in the cases involving manufactured homes when the family owns the mobile home and leases the pad. A family may lease in and have an interest in a cooperative housing development.

The LACDA may not permit a voucher holder to lease a unit that is receiving project-based Section 8 assistance or any duplicative rental subsidies.

9.3.1 Special Housing Types

[24 CFR §982 Subpart M]

A Public Housing Agency may permit a family to use any of the special housing types below. However, the Public Housing Agency is not required to permit families receiving assistance to use these housing types, except that the Public Housing Agency must permit use of any special housing type if needed as a reasonable accommodation for a person with a disability.

In accordance with regulatory discretion, the LACDA will permit families to request tenancy to use any of the special housing types below. However, the housing type requested must meet the definition of the housing type and must pass Housing Quality Standards in accordance to the housing type's standards.

- **Congregate housing** - Housing intended for use by elderly persons or persons with disabilities. It contains a shared central kitchen and dining area and a private living area for the individual household of at least a living room, bedroom and bathroom. Food service for residents must be provided. Elderly persons or persons with disabilities may live in congregate facilities. With

PHA approval a live-in aide may live in the congregate unit with a person with disabilities or an elderly person.

- **Group home** -a state-licensed facility intended for occupancy by elderly persons and/or persons with disabilities. The group home consists of residents' bedrooms, which can be shared by no more than two people, and a living room, kitchen, dining area, bathroom, and other appropriate social, recreational, or community space that may be shared with other residents. No more than 12 persons may reside in a group home. Elderly persons or persons with disabilities may live in group homes. If approved by the PHA, a live-in aide may live in the group home with a person with disabilities. Except for live-in aides, all persons living in a group home, whether assisted or not, must be elderly persons or persons with disabilities. Persons living in a group home must not require continual medical or nursing care.
- **Shared housing** - a single housing unit occupied by an assisted family and another resident or residents. The shared unit consists of both common space for use by the occupants of the unit and separate private space for each assisted family. The family and any HACoLA approved live-in aid may reside in a unit with other persons who are either:
 1. Not assisted under the tenant based program,
 2. .Assisted under the tenant based program (If there are multiple assisted families in the shared unit, there must be separate HAP contracts for each assisted family.),
 3. The owner of the shared housing unit. (While the owner may reside in the shared unit, the owner may not be related to the family by blood or marriage and no assistance may be paid on behalf of the owner.)
- **Cooperative housing (excluding families that are not cooperative members)** – Housing owned by a nonprofit corporation or association, where a member of the corporation or association has the right to reside in a particular apartment and to participate in management of the housing. There are no program restrictions on who may occupy a cooperative housing unit.
- **Single Room Occupancy (SRO)** - an SRO unit is a unit that provides living and sleeping space for the exclusive use of the occupant, but requires the occupant to share sanitary and/or food preparation facilities. There is no federal limitation on the number of SRO units in an SRO facility. An SRO unit may not be occupied by more than one person. Program regulations do not place any limit on the number of units in an SRO facility, although the size of a facility may be limited by local laws.
- **Homeownership** (if homeownership program is available)

9.3.2 Ineligible Housing Types

[24 CFR §982.352(a)]

The LACDA will not approve:

- A unit occupied by the owner or by any person with an interest in the unit, other than manufactured homes described above.

- Nursing homes or other institutions that provide care.
- School dormitories and institutional housing.
- Structures that have not been properly converted. Owners will be required to provide finalized permits for all conversion work when the integrity and/or soundness of a structure is in question.
- Converted garages or other structures not intended to be living areas.
- Any other types of housing prohibited by HUD.

9.4 RESTRICTIONS ON RENTING TO RELATIVES

[24 CFR §982.306(d)]

In accordance with HUD policy, the family will not be allowed to rent a unit from an owner (including a principal or other interested party) who is the spouse, parent, child, grandparent, grandchild, and sister or brother of any member of the family. This restriction applies to all new contracts entered into after June 16, 1998.

Exceptions may be made to this policy as a reasonable accommodation for persons with a disability. The LACDA will review all such requests on a case-by-case basis. The family will be required to provide documentation of disability and how the particular unit, owned by the relative, could benefit the disabled person. Owners must provide the current address of their residence (not a Post Office box). If families lease properties owned by relatives, the owner's current address will be compared to the subsidized unit's address.

Owners must provide an Employer Identification Number or Social Security number, and may also be required to provide a copy of their driver's license or other photo identification. In addition, the LACDA may request a copy of the owner's current utility bills and bank statement.

Failure to provide adequate documentation, within the specified time period (2 weeks), will be grounds for denial of such request.

In all cases, the owner of the assisted unit may not reside in the unit with the assisted household at any time during the term of the Housing Assistance Payment (HAP) Contract between the LACDA and the owner.

9.5 LEASE AGREEMENTS

[24 CFR §982.308 - §982.309]

The tenant and the owner must enter a written lease for the unit. If the owner uses a standard lease form for rental to unassisted tenants in the locality or the premises, the lease must be in such standard form, plus the required HUD Tenancy Addendum, which the LACDA will provide to the owner.

The LACDA will review the lease for compliance with regulations. At minimum, the lease must specify the following information:

- The names of the owner and tenant;

- The address of the unit rented;
- The term of the lease including the initial term and any provisions for renewal;
- The amount of the monthly rent to owner; and
- A specification of which utilities and appliances will be supplied by the owner, and which by the family.

The lease must provide the following are grounds for the owner to terminate tenancy [24 CFR §982.310(c)]:

- Drug- related criminal activity engaged in, on or near the premises by any tenant, household member, or guest, or such activity engaged in on the premises by any other person under the tenant's control. In addition, the lease must provide that the owner may evict a family when the owner determines that a household member is illegally using a drug or when the owner determines that a pattern of illegal use of a drug interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents.
- Any of the following types of criminal activity by a covered person:
 - Any criminal activity that threatens the health, safety, or right to peaceful enjoyment of the premises by other residents (including property management staff residing on the premises);
 - Any criminal activity that threatens the health, safety, or right to peaceful enjoyment of their residences by persons residing in the immediate vicinity of the premises; or
 - Any violent criminal activity on or near the premises by a tenant, household member, or guest, or any such activity on the premises by any other person under the tenant's control.
- If a tenant is:
 - Fleeing to avoid prosecution, or custody or confinement after conviction, for a crime, or attempt to commit a crime, that is a felony under the laws of the place from which the individual flees, or
 - Violating a condition of probation or parole imposed under Federal or State law.

When needed, the LACDA may require the owner and family to execute a lease rider to include changes to the rent amount, changes to utility responsibilities and/or effective date on the owner's original lease.

9.5.1 Separate Agreements

[24 CFR §982.510(c)]

Separate agreements are not necessarily prohibited. Families and owners will be advised of the prohibition of illegal side payments for additional rent, or for items normally included in the rent of unassisted families, or for items not shown on the approved lease.

Owners and families may execute separate agreements for services (parking space), appliances (other than range and refrigerator) and other items that are not included in the lease if the agreement is in writing and approved by the LACDA.

Any appliances, services or other items which are routinely provided to unassisted families as part of the lease (such as air conditioning, dishwasher or garage) or are permanently installed in the unit, cannot be put under separate agreement and must be included in the lease. For there to be a separate agreement, the family must have the option of not utilizing the service, appliance or other item.

The LACDA is not liable for unpaid charges for items covered by separate agreements and nonpayment of these agreements cannot be cause for eviction.

If the family and owner have come to a written agreement on the amount of allowable charges for a specific item, so long as those charges are reasonable and not a substitute for higher rent, they will be allowed.

All agreements for special items or services must be attached to the lease approved by the LACDA. If agreements are entered into at a later date, they must be approved by the LACDA and attached to the lease.

9.6 INITIAL INSPECTIONS

See Chapter 10 (Housing Quality Standards and Inspections).

9.7 RENT LIMITATIONS

[24 CFR §982.508]

In accordance with HUD regulations, at the time the family initially receives assistance for a new unit, the family's share of the rent for the unit (includes utilities and the rent to the owner) may not exceed more than 40 percent of the family's adjusted monthly income if the gross rent for the unit exceeds the payment standard.

9.8 RENT REASONABLENESS

[24 CFR §982.507(a)(1)]

A rent reasonable test will be used to determine if the rent amount request by the owner can be approved. The LACDA's rent reasonableness policy is covered in Chapter 11 (Setting Payment Standards and Determining Rent Reasonableness).

9.9 WHEN A NEW CONTRACT IS REQUIRED FOR AN EXISTING TENANCY

A new tenancy must be approved and a new contract must be executed for an existing tenancy only under the following circumstances:

- If the owner or family request a new lease;

- If there are any changes in lease requirements governing tenant or owner responsibilities for utilities or appliances; or
- If there are changes to provisions governing the terms of the lease.

9.10 INFORMATION TO OWNERS

[24 CFR §982.307(b)]

The LACDA is required to provide prospective owners with the address of the applicant and the names and addresses of the current and previous owner if known. The LACDA will make an exception to this requirement if the family's whereabouts must be protected due to domestic abuse or witness protection. The LACDA will not release any other information regarding the family.

The LACDA will inform owners that it is the responsibility of the owner to determine the suitability of prospective tenants. Owners will be encouraged to screen applicants for rent payment history, eviction history, damage to units, and other factors related to the family's suitability as a tenant [24 CFR §982.307(a)].

Information regarding the LACDA's policy on this subject is included in the briefing packet and as an attachment to the Request for Tenancy Approval. This policy will apply uniformly to all families and owners.

In addition to the information listed above, the LACDA provides owner workshops at least twice a year. At the workshops, current and prospective owners are given an overview of the program and information about any significant program changes. There is also ample time for a question and answer session.

9.11 OWNER DISAPPROVAL

[24 CFR §982.306(a) - §982.306(c)(4)]

For purposes of this section, "owner" includes a principal or other interested party, and to disapprove an owner means to prevent the participation of an owner in LACDA programs.

The LACDA is required to disapprove an owner for the following reasons:

- HUD has informed the LACDA that the owner has been debarred, suspended, or subject to a limited denial of participation under 24 CFR Part 24.
- HUD has informed the LACDA that the federal government has instituted an administrative or judicial action against the owner for violation of the Fair Housing Act or other federal equal opportunity requirements and such action is pending.
- HUD has informed the LACDA that a court or administrative agency has determined that the owner violated the Fair Housing Act or other Federal equal opportunity requirements.
- If the owner is the spouse, parent, child, grandparent, grandchild, sister, or brother of any member of the family.

The LACDA also maintains the discretion to disapprove an owner for the reasons listed below. The LACDA may disapprove an owner for a period of 1 year for the following reasons:

- The owner has violated obligations under a housing assistance payments contract under Section 8 of the 1937 Act (42 U.S.C. 1437f).
- The owner has a history or practice of non-compliance with the HQS for units leased under the tenant-based programs or with applicable housing standards for units leased with project-based Section 8 assistance or leased under any other Federal housing program.
- The owner has a history or practice of renting units that fail to meet State or local housing codes;
- The owner has not obtained a business license for rental property for the assisted unit, where required by local ordinance; or
- The owner has not paid State or local real estate taxes, fines or assessments.

An owner may be disapproved for a period of up to 5 years for the following reasons:

- The owner has committed fraud, bribery or any other corrupt or criminal act in connection with any Federal housing program.
- The owner has a history or practice of failing to terminate tenancy of Section 8-assisted tenants, or tenants assisted under any other federally-assisted housing program, for activity engaged in by the tenant, any member of the household, guest or another person under the control of any member of the household that:
 - Threatens the right to peaceful enjoyment of the premises by other residents;
 - Threatens the health or safety of other residents, of employees of the LACDA, or of owner employees or other persons engaged in management of the housing;
 - Threatens the health or safety of, or the right to peaceful enjoyment of their residences, by persons residing in the immediate vicinity of the premises; or commits drug related criminal activity or violent criminal activity.

An owner may be disapproved for a period of up to 10 years for the following reason:

- The owner has engaged in any drug-related criminal activity or any violent criminal activity.

If an owner disagrees with the LACDA's disapproval, the owner may appeal the decision in writing within 10 calendar days from receiving the LACDA's decision. A supervisor will review the appeal and prepare a written decision within 30 calendar days after receiving the request. The decision of the supervisor is final.

9.12 CHANGE IN TOTAL TENANT PAYMENT (TTP) PRIOR TO HAP EFFECTIVE DATE

When the family reports changes in factors that will affect the Total Tenant Payment (TTP) prior to the effective date of the HAP contract, the information will be verified and the TTP will be recalculated. If the family does not report any change, the LACDA need not obtain new verifications before the HAP contract becomes effective.

If the contract is for a participant move and is processed as an annual reexamination, the family's income and other circumstances will be re-verified.

9.13 CONTRACT EXECUTION PROCESS

[24 CFR §982.305(c)]

Provided that the unit passes inspection, the LACDA will prepare the HAP contract for execution. The family and the owner will execute the lease agreement, and the owner and the LACDA will execute the HAP contract. Copies of the documents will be furnished to the parties who signed the respective documents.

The LACDA makes every effort to execute the HAP contract before the commencement of the lease term. The HAP contract may not be executed more than 60 calendar days after commencement of the lease term and no payments will be made until the contract is executed.

The following LACDA representatives are authorized to execute a contract on behalf of the LACDA: Housing Assistance Division Director, Assistant Director, Managers, Assistant Managers and Supervisors.

Owners must provide the current address of their residence (not a Post Office box). If families lease properties owned by relatives, the owner's current address will be compared to the subsidized unit's address.

Owners must provide an Employer Identification Number or Social Security number, and may also be required to provide a copy of their driver's license or other photo identification.

9.13.1 Determining the Contract Effective Date

The effective date and the amount of the rental payment are communicated in writing to both the owner and family.

The lease and the terms of the tenancy are made effective at the LACDA's approval only. The earliest date the LACDA may approve the lease effective date is the date the unit passed HQS inspection.

The HAP contract is drafted after the LACDA approved lease is received and is effective in accordance with the lease effective date.

9.13.2 Prorating First Month's Rent

When the effective date of a new contract begins on a day other than the first of the month, the LACDA will determine a prorated contract rent amount. For consistency with rental industry standards, prorated amounts will be calculated by using the actual days in the month to establish a daily rate.

9.13.3 Proof of Ownership

The LACDA will use property profile information obtained from a private vendor to confirm ownership of the assisted unit. If third party information cannot confirm ownership of the unit, the LACDA may also request a recorded deed or closing escrow statement to prove ownership.

Owners may also be required to provide a copy of a business rental license if the assisted unit is in a city where one is required.

Any requested information must be provided prior to execution of the HAP contract. Failure to provide the requested information within a reasonable period of time, generally not more than 30 calendar days, will result in a cancellation of the RTA.

9.13.4 Establishing Eligibility to Execute HAP Contract and Related Documents

In cases involving multiple owners, the LACDA will accept the signature of a designee on all contracts and related paperwork if all the legal owners have jointly agreed on the person/persons who may act on their behalf.

In cases involving multiple owners, the LACDA requires that all persons who have interest in the property sign or provide a letter of authorization, giving one or more parties the right to sign contracts and other program documents.

In cases involving a partnership or corporation, the LACDA may request the partnership agreement or incorporation documents to determine who is designated to act on the group's behalf. In cases involving a trust, the LACDA may request a copy of the trust in order to verify the names of the trustees.

The LACDA will not execute a HAP Contract until all proper authorization, from all appropriate parties, has been provided. Failure to provide information needed to establish authority to execute the HAP contract within a reasonable time, generally 30 calendar days, may result in a cancellation of the RTA.

Once the LACDA has established proper authorization, the letter of authorization will remain in effect until superseded by another authorization or the HAP contract is terminated. All changes or modification to the instructions provided in the current letter of authorization must be provided in writing.

9.13.5 Payment to the Owner

[24 CFR §982.311(a)]

Once the HAP Contract is executed, the LACDA begins processing payments to the owner. Because the LACDA's sole method of payment to owners is direct deposit, new and existing owners must provide the necessary information for

enrollment in the LACDA's direct deposit program. Payments will be made via direct deposit by the first of each month. Owners must notify the LACDA of any missing payments as soon as possible. The LACDA will accept report of missing payment both via a telephone call and/or in writing.

9.14 CHANGE IN OWNERSHIP

A change in ownership does not require execution of a new contract.

The LACDA will process a change of ownership only upon the written request of the previous or new owner and only if accompanied by a copy of the escrow statement or other document showing the transfer of title and the Employee Identification Number or Social Security number of the new owner.

In order to complete a change of ownership, the new owner must complete an Assumptions of Obligations and Benefits contract. This form obligates the new owner to the HAP contract. The LACDA will provide this document once a written request for a change is received.

When the assumption contract has been executed, the LACDA will send a copy of it, along with a copy of the original HAP contract and lease, to the new owner.

If a change in ownership occurs due to a foreclosure, the new owner automatically assumes the obligations of the HAP contract. The LACDA will make every attempt to ascertain the identity of the new owner and obtain any documents necessary to release payments to the appropriate party.

New owners are subject to the LACDA's owner disapproval policy as detailed in Section 9.11 of this chapter.

CHAPTER 10: HOUSING QUALITY STANDARDS AND INSPECTIONS

10.1 INTRODUCTION

HUD requires that all units receiving housing assistance meet HUD's Housing Quality Standards (HQS) and permits the LACDA to establish additional requirements. The term "HQS" in this plan refers to the combination of both HUD and the LACDA's discretionary policies. HUD requires that HQS inspections be conducted before the Housing Assistance Payments (HAP) Contract is signed and at least Biennially during the term of the HAP Contract. This chapter explains the different types of inspections, the responsibilities of the owner and family, and the consequences for noncompliance with HQS by the owner and family.

10.2 TYPES OF INSPECTIONS

[24 CFR §982.405]

The LACDA conducts the following inspections, which will be explained in greater detail throughout the chapter:

- **New Contracts Inspections:** A unit must pass New Contract (initial) HQS inspection before the LACDA enters into a HAP Contract with the owner.
- **Biennial Inspections:** HUD requires that the LACDA inspect each unit under lease at least biennially to confirm that the unit still meets HQS.
- **Inspections at Other Times as Needed:**
 - **Interim Inspection:** HQS inspection conducted upon request of the owner, family or agency.
 - **Emergency Inspection:** HQS inspection conducted for life-threatening violations.
- **Quality Control Inspection:** The LACDA is required to conduct supervisor quality control HQS inspections.
- **Move-Out Inspection:** For its Moderate Rehabilitation Program, the LACDA may conduct a move-out inspection for contracts effective before October 2, 1995, at an owner's request, if a damage claim is to be submitted (see Section 20.13.4 for details on these inspections).

10.3 HOUSING QUALITY STANDARDS (HQS)

[24 CFR §982.401]

HQS is the minimum quality standards set forth by HUD for tenant-based programs. These standards are in place to ensure that assisted housing is decent, safe and sanitary. All program housing must meet the HQS performance requirements both at commencement of assisted occupancy, and throughout the assisted tenancy.

Efforts will be made at all times to encourage owners to provide housing above the HQS minimum standards.

HQS applies to the building and premises, as well as the unit. In order for a unit to pass an HQS inspection, the following standards must be met.

10.3.1 Unit Space and Size

[24 CFR §982.401(d)(2)(i)]

At minimum, a living room, kitchen area, and bathroom must be located in the unit.

10.3.2 Living Room / Sleeping Room

[24 CFR §982.401(d)(2)(ii)], [24 CFR §982.401(h)(2)(iv)], [24 CFR §982.401(f)]

- The dwelling unit must have at least one bedroom or living/sleeping room for each two persons. Children of opposite sex, other than very young children, may not be required to occupy the same bedroom or living/sleeping room.
- There must be at least one window in the living room and in each sleeping room. If the window is designed to be openable, the window must open and close properly, and be large enough to provide emergency egress.
- The living room and each bedroom must have at least two electrical outlets in proper operating condition. Permanent overhead or wall-mounted light fixtures may count as one of the required electrical outlets.
- Bedrooms must also have a built-in closet or wardrobe, be located within the unit (e.g., no garages), and be private (have a closing door separating it from the rest of the unit). Bedrooms should also be finished in a quality similar to other bedrooms in the home.
- In cases where an owner has modified the rental unit without obtaining the proper city and/or County building permits, the LACDA may rely on the legal property description for the purposes of negotiating the rent and determining how many actual sleeping rooms are in the rental unit.

10.3.3 Sanitary Facilities (Bathroom)

[24 CFR §982.401(b)], [24 CFR §982.401(h)(2)(iii)], [24 CFR §982.401(f)(2)(ii)]

- The bathroom must be located in a separate private room and contain a working flush toilet.
- Bathroom areas must have one openable window or other adequate exhaust ventilation.
- The unit must have a fixed sink. The bathroom sink may be located separately from other bathroom facilities, but the kitchen sink may not also be used for the bathroom sink.
- The unit must have a shower or tub in proper operating condition, with hot and cold running water. The shower or tub need not be in the same room with other bathroom facilities, but they must be private.

- All walls in a tub or shower area must be covered with ceramic tile or other material that is impervious to water to prevent water damage and deterioration.
- Sinks and commode water lines must have shut off valves, unless faucets are wall-mounted. All sinks in the unit must have functioning stoppers.
- The bathroom must have a permanent ceiling or wall light fixture in proper operating condition.
- All bathrooms in the unit must be in proper operating condition.

10.3.4 Food Preparation (Kitchen)

[24 CFR §982.401(c)], [24 CFR §982.401(f)(2)(ii)]

- The dwelling unit must have suitable space and equipment to store, prepare, and serve foods in a sanitary manner (i.e., kitchen).
- The dwelling unit must have an oven, and a stove or range, and a refrigerator of appropriate size for the family. All of the equipment must be in proper operating condition. The stove and oven must be properly hooked up to the gas, with no hazards present. The refrigerator must be able to maintain a temperature sufficient to keep food from spoiling over a reasonable period of time. The equipment may be supplied by either the owner or the family.
- A microwave oven may be substituted for a tenant-supplied oven and stove or range. A microwave oven may be substituted for an owner-supplied oven and stove or range if the tenant agrees and microwave ovens are furnished instead of an oven and stove or range to both subsidized and unsubsidized tenants in the building or premises.
- The kitchen area must have a permanent ceiling or wall light fixture in proper operating condition, and at least one electrical outlet in proper operating condition.
- The dwelling unit must have a permanently attached kitchen sink in proper operating condition, with a sink trap and hot and cold running water. The sink must have a shut off valve, unless faucets are wall-mounted, and must drain into an approvable public or private system. All sinks in the unit must have functioning stoppers.
- There must be facilities and services for the sanitary disposal of food waste and refuse, including temporary storage facilities where necessary (e.g., garbage cans).

10.3.5 Ceilings, Walls, Floors and Building Exterior

[24 CFR §982.401(g)]

- The unit must be structurally sound. The structure must not present any threat to the health and safety of the occupants and must protect the occupants from the environment.
- Ceilings, walls, floors and fences must not have any serious defects such as severe bulging or leaning, large holes, loose surface materials, severe buckling, missing parts, or other serious damage.

- Wood floors must be sanded to a smooth surface and sealed. Any loose or warped boards must be re-secured and made level. If the boards cannot be leveled, they must be replaced.
- The exterior wall structure and surface must not have any serious defects such as serious leaning, buckling, sagging, large holes, or defects that may result in air infiltration or vermin infestation.
- In areas where plaster or drywall is sagging, severely cracked, bulging or leaning, or has large holes, it must be repaired or replaced.
- The condition and equipment of interior and exterior stairs, halls, porches, walkways, etc., must not present a danger of tripping and falling. For example, broken or missing steps or loose boards are unacceptable. Stairs with four or more steps must have a secure handrail.
- A porch or balcony at least 30 inches or more from the ground must have secure railings.
- The roof must be structurally sound and weather tight and must not have any serious defects, such as buckling or sagging. Gutters, downspouts and soffits must not show signs of serious decay and must not allow entry of significant air or water into the interior of the structure.
- The chimney must not be seriously leaning or showing evidence of significant disintegration.
- Building foundations must not have any severe structural defects that may create a hazardous condition, including allowing significant entry of ground water.

10.3.6 Windows

[24 CFR §982.401(f)(1)(ii)], [24 CFR §982.401(d)(2)(iii)]

- All window sashes must be in good condition, solid, intact, and fit properly in the window frame. Damaged or deteriorated sashes must be replaced.
- Windows must be weather-stripped as needed to ensure a weather tight seal.
- Windows must not have missing or broken-out panes, or panes that are dangerously loose or have large cracks.
- If window security bars or security screens are present on emergency exit windows, they must be equipped with a quick release system. The owner is responsible for ensuring that the family is instructed on the use of the system.
- Dwelling unit windows that are accessible from the outside, such as basement, first floor, and fire escape windows, must be lockable (such as window units with sash pins or sash locks, and combination windows with latches).
- Windows that are nailed shut are acceptable only if these windows are not needed for ventilation or as an alternate exit in case of fire.

10.3.7 Doors and Unit Access

[24 CFR §982.401(d)(2)(iv)], [24 CFR §982.401(k)]

- All exterior doors must be solid core and weather tight to avoid any air or water infiltration, have no holes, and have all trim intact.
- All interior doors must have no holes, have all trim intact, and be openable without the use of a key.
- All exterior doors must have dead bolt locks.
- The unit must be able to be used and maintained without unauthorized use of other private properties. The building must provide an alternate means of exit in case of fire (such as fire stairs or egress through windows).

10.3.8 Thermal Environment

[24 CFR §982.401(e)]

There must be a safe system for heating the unit, in proper operating condition. The heating unit must be affixed to the unit and be able to provide adequate heat, either directly or indirectly, to each room. The dwelling unit must not contain unvented room heaters that burn gas, oil, or kerosene. Electric heaters are acceptable. Portable heaters are not acceptable. Heating equipment also must not pose other unsafe conditions, such as improper flue connection or installation of equipment.

10.3.9 Electricity

[24 CFR §982.401(f)]

The unit must not contain any electrical hazards, such as exposed electrical connections; broken, non-insulated or frayed wiring; improper types of wiring, connections or insulation, or wires lying in or near standing water or other hazardous locations.

The improper installation of a three-pronged outlet is considered an electrical hazard. All three-pronged outlets must be properly grounded or protected by a ground fault circuit interrupter (GFCI) outlet. An outlet is considered protected by a GFCI outlet if:

- The outlet is a GFCI outlet; or
- A GFCI outlet is located up stream on the circuit from the ungrounded, three-pronged outlet and will shut off current to the ungrounded outlet in case of a surge in the electrical current; or
- The ungrounded, three-pronged outlet is located on a GFCI circuit.

10.3.10 Smoke Detectors/Carbon Monoxide Detectors

[24 CFR §982.401(n)]

Smoke Detectors

- Each assisted unit must be equipped with at least one properly working battery-operated or hard-wired smoke detector on each level of the unit.

- Whenever possible, smoke detectors should be installed in a hallway adjacent to a bedroom.
- If an assisted unit is occupied by a household with hearing-impaired persons, a permanently installed smoke detector designed for people with hearing-impaired persons must be located in each bedroom that is occupied by a hearing-impaired person.

Carbon Monoxide Detectors

In order to reflect California law (The Carbon Monoxide Poisoning Prevention Act of 2010), the LACDA requires carbon monoxide detectors be installed as follows: Any unit having a fossil fuel burning heater or appliance, fireplace, or an attached garage must have a carbon monoxide detector installed. (A fossil fuel is coal, kerosene, oil, wood, fuel gases, and other petroleum or hydrocarbon products that emit carbon monoxide as a byproduct of combustion)

Placement of the device should be as follows:

- There must be one carbon monoxide detector centrally located outside of each separate sleeping area in the immediate vicinity of the bedrooms, and each detector shall be located on the wall or ceiling. Any other location is only acceptable if specified in the installation instructions that accompany the device. If there are distinctly separate sleeping areas in the unit, there must be a detector for each sleeping area.
- There must be at least one Carbon Monoxide detector on each level of the unit.
- Carbon Monoxide detectors cannot be installed directly above, or next to a fuel burning appliance.
- If the device is a combination carbon monoxide device and smoke detector, then the combined device must emit an alarm or voice warning in a manner that clearly differentiates between a carbon monoxide alarm warning and a smoke detector warning.

Units that do not meet the requirements outlined above will fail the Housing Quality Standards (HQS) inspection, and will be subject to rejection or abatement in accordance with HUD regulations and LACDA policy.

10.3.11 Neighborhood and Site Conditions; Sanitation and Environment

[24 CFR §982.401(l)], [24 CFR §982.401(m)]

- The site and neighborhood may not be subject to serious adverse environmental conditions, natural or manmade. These can include dangerous walks or steps; instability; flooding, poor drainage, septic tank back-ups or sewage hazards; mudslides; abnormal air pollution, smoke or dust; excessive noise, vibration or vehicular traffic; excessive accumulations of trash; vermin or rodent infestation; or fire hazards.

- Adequate covered facilities for the disposal of rubbish must be present at the site, such as covered dumpsters and other covered refuse containers approvable by the local health and sanitation department.
- The unit and its equipment must be in sanitary condition, and free from vermin and rodent infestation.

10.3.12 Elevators
[24 CFR §982.401 (g)(2)(v)]

All elevators in a building must be operating safely. The LACDA requires all elevators to have a current permit issued by the State of California. If the permit is expired and the owner can provide documentation from the State of California that the application is being processed, the LACDA will pass the elevator in accordance with Section 7302 of the Labor Code as long as there are no obvious safety concerns present.

10.3.13 Manufactured Homes/Mobile Homes HQS Requirements
[24 CFR 982.621]

In addition to meeting all other HQS requirements, a mobile home must meet the following requirements:

- It must be situated on a site that is stable and free from hazards such as sliding or wind damage.
- Must be appropriately anchored by a tie down device that distributes and transfers the load imposed by the unit to appropriate ground anchors to resist wind overturning and sliding. Alternative types of anchors, beams and foundation bolts are permissible if they meet manufacturer's specifications.
- One operable smoke detector is required.

10.3.14 Additional Housing Quality Standards
[24 CFR §982.401(a)(4)]

The LACDA is authorized to enhance HQS, provided that by doing so the LACDA does not overly restrict the number of units available for leasing. The enhancements adopted by the LACDA are meant to ensure that assisted units are safe in relation to other units rented throughout Los Angeles County.

In addition to the HQS identified by HUD, all assisted units must also be in compliance with the following items derived from California and Los Angeles County Code, in order to pass an HQS inspection.

- **Double Cylinder Locks:** Double-keyed deadbolts, or any other lock requiring special knowledge or a tool to open, are prohibited in a residential unit. All doors that provide an exit from the residence must be openable from the inside without the need of a key or any other special knowledge, effort or tool.
- **Swimming Pools:** Swimming pools in multifamily structures must be enclosed by a gate from 48 inches to 60 inches tall. The gate must be

self-closing with a self-closing latch and a protected panel must surround the latch.

- **Hot Water Heater:** Water heaters must have a temperature-pressure relief valve and discharge line (directed toward the floor or outside of the living area) as a safeguard against build-up of steam if the water heater malfunctions. Gas or oil-fired water heaters must be vented into a properly installed chimney or flue leading outside. Electric water heaters do not require venting. A gas water heater must have a safety divider or shield if it is located in a bedroom or other living area.

If the water heater is located in a large apartment building (at least 25 units) and the unit is inaccessible, staff must check inconclusive on the inspection report. The item may be cleared if the owner or manager can provide documentation to show it has passed a local inspection.

- **Earthquake Straps for Water Heaters:** Must be secured for seismic stability. All water heaters must be braced, anchored or strapped to prevent falling or movement during an earthquake.
- **Garages:** Garages, whether attached or detached, must be accessible. Garages are not to be used as a living space.

10.3.15 Single Room Occupancy (SRO) HQS Requirements

[24 CFR §982.605]

The HQS requirements outline in the above sections apply to SRO housing along with some additional requirements for access, fire safety, sanitary facilities, and space and security. The additional requirements are as follows:

- ❑ **Access:** Access doors to the SRO unit must have working locks for privacy. The occupant must be able to access the unit without going through any other unit. Each unit must have immediate access to two or more approved means of exit for the building, appropriately marked and leading to a safe and open space at ground level.
- ❑ **Fire Safety:** All SRO facilities must have a sprinkler system that protects major spaces. "Major spaces" are defined as hallways and common areas. SROs must also have hard-wired smoke detectors.
- ❑ **Sanitary Facilities:** At least one flush toilet that can be used in privacy, a lavatory basin, a bathtub or shower in proper operating condition must be provided for each six persons (or fewer) residing in the SRO facility. If the SRO units are leased only to men, flush urinals may be substituted for up to one half of the required number of toilets.

Sanitary facilities must be reasonable accessible from a common hall or passageway, and may not be located more than one floor above the SRO unit. They may not be located below grade unless the SRO units are located on that level.

- ❑ **Space and Security:** A SRO unit must contain at least 110 square feet of floor space, and at least four square feet of closet space with an unobstructed height of at least five feet, for use by the occupant. If the

closet space is less than four square feet, the habitable floor space in the SRO unit must be increased by the amount of the deficiency. Exterior doors and windows accessible from the outside the SRO unit must be lockable.

Because no children live in SRO housing, the housing quality standards applicable to lead-based paint do not apply.

10.3.16 Serious Deficiencies

Assisted units must meet all HQS performance requirements in order to pass an inspection. The LACDA has compiled the following list of specific conditions that are considered serious deficiencies that may cause a unit to fail an inspection. This list assists inspectors in making a determination regarding the condition of an assisted unit; however, deficiencies are not limited to this list:

1. No TPR/Drainpipe on water heater
2. Clogged toilets/sinks/wash basins/bathtubs
3. Severely worn or torn floor coverings posing a tripping hazard
4. Evidence of vermin infestation (fleas, roaches, termites, mice, and rats) in and around assisted unit
5. Excessive rubbish or debris in or around the assisted unit
6. Heavy accumulation of brush, weeds or tree branches near or extending over the assisted unit or in the power lines
7. Uneven, broken or lifting exterior walkways or driveways that pose a tripping hazard
8. Missing, loose or broken handrails, guardrails or balusters
9. Lack of windows in living or sleeping rooms
10. Lack of exterior ventilation (window or exhaust fan) in bathroom
11. Flammable or combustible materials stored near water heater or furnace
12. Missing or inoperable security bar release mechanism on bedroom windows
13. Evidence of sewage in or around assisted unit
14. Exterior doors or windows that do not open, close or lock properly
15. Exterior doors or windows that do not close and form a reasonably weather tight seal
16. Inoperable refrigerator or stove/range/oven
17. Hot water heaters not seismically restrained

10.4 LEAD-BASED PAINT

[24 CFR §982.401(j)]

The LACDA's rental assistance programs are subject to the requirements of the Lead-Based Paint Poisoning Prevention Act and the Residential Lead-Based

Paint Hazard Reduction Act of 1992. Applicable regulations are detailed in 24 CFR §35.

The LACDA will be responsible for the collection of LBP disclosure information; conducting Visual Assessment inspections; assuring that Clearance Examinations are conducted; collect data regarding Elevated Blood Lead Level (EBLL) cases, and informing owners of their responsibilities.

10.4.1 Disclosure

[24 CFR §35(Subpart A)]

Owners of units built before 1978 are required to disclose to lessees all available information about the presence of lead-based paint or lead-based paint hazards and provide any available record or reports pertaining to the presence of lead-based paint or lead-based paint hazards, before the lease is enacted.

Lessees must also receive a copy of the lead hazard information pamphlet, "Protect Your Family From Lead in Your Home."

For all new contracts, the LACDA will require owners to certify on the RTA that they have met all applicable lead-based paint disclosure requirements. If applicable, the LACDA will require owners to submit a copy of the lead-based paint disclosure statement, and any inspection reports.

The LACDA will include a sample lead-based paint disclosure form and a lead hazard information pamphlet in voucher issuance packets for participants. Materials will be made available directly to owners upon request.

For units built before 1978, the LACDA will not approve an owner lease without receiving all applicable lead-based paint disclosure information.

10.4.2 Lead-Based Paint Visual Assessment

[24 CFR §35.1215]

The LACDA is required to conduct lead-based paint visual assessments for all units built prior to 1978 that house or will house a child or children under 6 years of age, at the time of the new contract inspection and at re-inspections.

The LACDA inspectors conducting lead-based paint visual assessments will be trained according to HUD requirements.

The purpose of the visual assessment is to identify any deteriorated paint. Deteriorated paint is paint that is peeling, chipping, chalking or cracking, or any paint or coating located on an interior or exterior surface or fixture that is otherwise damaged or separated from the substrate. Inspectors will check the condition of painted surfaces. If any deteriorated paint is found in the course of the inspection, the unit will fail the lead-based paint visual assessment. Owners must perform paint stabilization on all deteriorated paint surfaces regardless of the size of the deteriorated surface. If the amount of deteriorated paint is below the de minimis level, the owner must perform paint stabilization, but is not required to perform lead-safe work practices and clearance. The de minimis thresholds are defined as 20 sq. ft. (2 sq. meters) on exterior surfaces; 2 sq. ft. (0.2 sq. meters) in any one interior room or space; or 10% of the total surface

area on an interior or exterior type of component with a small surface area (such as window sills, baseboards, and trim).

If deteriorated paint exceeds the de minimis thresholds as defined by HUD, the unit will fail the lead-based paint visual assessment and require stabilization and a clearance report

10.4.3 Stabilization and Clearance

[24 CFR §35.1215]

Owners of units that fail the lead-based paint visual assessment above de minimis levels will be required to stabilize deteriorated paint in order for the unit to pass, using lead-safe work practices.

The LACDA will send a letter to owners of failed units that provides guidance on stabilizing paint and other required activities. Owners will have 30 calendar days from the letter date to complete the following:

- **Repair the deteriorated paint.** Work must be performed by certified lead workers using lead-safe work practices. The LACDA will provide owners with resources and information on meeting these guidelines.
- **Obtain a Clearance Report.** A contractor certified by the Environmental Protection Agency (EPA) must inspect the unit and prepare a Clearance Report summarizing the work completed and the inspection results.
- **Complete the LACDA's Lead-Based Paint Owner Certification form.** The owner must certify that all applicable requirements have been met.
- **Submit Clearance Report and Certification to the LACDA.** The LACDA will accept paperwork by mail, fax, and hand delivery.

The owner is responsible for informing tenants of all lead hazard reduction work and evaluations, in a manner consistent with HUD regulations.

If the unit has been previously certified free of lead-based paint by a certified inspector, the owner may submit a copy of the inspector's report, along with the certification form, to the LACDA.

The LACDA will review the Clearance Report and certification form for completeness. The Clearance Report must contain all information required by HUD. If the Clearance Report passes, the unit will receive a pass on the visual assessment; no further inspection visit is required.

On new contracts inspections, the passing Clearance Report and valid certification form must be received by the LACDA before the LACDA can enter into a HAP Contract with the owner. If this does not take place within 30 calendar days, the LACDA will cancel the RTA.

For biennial inspections, if the owner fails to submit the passing Clearance Report and valid certification form within 30 calendar days, the Housing Assistance Payments (HAP) will be placed on hold (abated) for the unit and the participant will be issued a voucher. The owner will have an additional 60 calendar days to obtain and submit a valid Clearance Report before the HAP Contract is terminated. See Section 10.11.1 for details on abatement.

Assisted Housing's Director will review reasonable cause requests for extension. Extension requests must be submitted in writing within the first 30 calendar days of the failed lead-based paint visual assessment. An extension shall not extend beyond 90 days after the date of notification to the owner of the results of the visual assessment. If an extension is approved, the HAP will not be abated during this extension period. Reasonable cause circumstances include prohibitive weather conditions, financial hardship, and rehabilitation in progress.

10.4.4 Children with Environmental Intervention Blood Lead Levels

[24 CFR §35.1225]

On a quarterly basis, the Division will send the Los Angeles County Department of Health Services Childhood Lead Poisoning Prevention (CLPP) Program the addresses of assisted families with children under the age of 6. CLPP Program staff will check the addresses for matches with cases of identified Environmental Blood Lead Levels (EBLL). If a match is found, CLPP Program staff will conduct an Environmental Investigation of the occupied unit and forward a report to the Division. An Environmental Investigation is a comprehensive evaluation for LBP hazards that goes beyond the Visual Assessment component including paint testing, and dust and soil sampling. The Environmental Investigation Report identifies lead hazards and appropriate lead hazard reduction methods.

A copy of the Environmental Investigation Report must immediately be forwarded to the participating owner once received by the Division. The owner must post a Notice of Lead Hazard Evaluation within 15 calendar days and complete lead hazard reduction and clearance activities as advised in the Report within 30 calendar days.

The LACDA must also conduct a Risk Assessment of other assisted units at the same property that house children under the age of 6, within 30 calendar days of receiving the Environmental Investigation Report, if lead hazards were identified.

The LACDA is not allowed to assist any other participant in the unit until the owner complies with the Report.

If informed about an EBLL case from a source other than the CLPP Program, the Division must submit the information to the CLPP Program within 5 calendar days. The CLPP Program will conduct an Environmental Investigation of the occupied unit if required.

10.5 INSPECTIONS SCHEDULE

Inspections are conducted on business days between the hours of 7:00 a.m. and 5:00 p.m. An individual over 18 years of age must be present to allow entry for the inspector.

10.6 NEW CONTRACT (INITIAL) INSPECTIONS

[24 CFR §982.305(b)(2)(i)(B)]

Under normal circumstances, a new contract (initial) inspection is conducted within 15 calendar days following the receipt of a Request for Tenancy Approval. The new contract inspection is conducted in order to:

1. Determine if the unit, including common areas, meets housing quality standards.
2. Document the current condition of the unit. This will serve as the basis to evaluate the future condition of the unit, i.e. excessive wear and tear.

10.6.1 When HQS Deficiencies Must Be Corrected

If the unit fails the initial inspection, the unit will be scheduled for a follow-up inspection within 10 calendar days. The owner will be given 30 calendar days to correct the deficiencies. The owner can request an inspection sooner if repairs have been made prior to the scheduled follow-up inspection date.

If the time period given by the LACDA to correct the deficiencies has lapsed, or the maximum of three failed inspections has occurred, the family must select another unit.

The LACDA will not enter into a HAP Contract with the owner until the unit passes the inspection. However, the family may already be in the unit when the new contract inspection is conducted. If the family lives in the unit at the time of the new contract inspection, they are responsible for meeting their HQS obligations. See Section 10.8 for details of the family's HQS obligations.

10.7 BIENNIAL AND INTERIM INSPECTIONS

[24 CFR §982.405]

10.7.1 Biennial Inspections

HUD requires each unit under HAP contract have a biennial Housing Quality Standards inspection no more than 24 months after the most recent initial or biennial inspection.

As permitted by HUD and at the LACDA's discretion, the LACDA may meet its biennial inspection requirement by accepting a comparable passed inspection performed under the HOME Investment Partnership (HOME) program or housing financed using Low Income Housing Tax Credits (LIHTCs), or inspections performed by HUD.

As stated in the family obligations, the family must allow the LACDA to inspect the unit at reasonable times and after reasonable notice. The LACDA will notify the family and/or owner of the date and time of the scheduled inspection appointment in writing at least 15 calendar days prior to the inspection.

Appointments may be rescheduled before the scheduled inspection as long as the new inspection date allows the LACDA to remain in compliance with HUD HQS requirements. Inspections may be rescheduled by phone, fax or email.

If the family misses the inspection appointment and fails to contact the LACDA to reschedule the inspection beforehand, the LACDA will consider the family to be in violation of the Certified Statement of Family Obligation agreement and will

initiate termination procedures in accordance with the LACDA's policy for proposed termination. If the family missed the inspection appointment for good cause, including but not limited to, illness, injury, or hospitalization, the LACDA may consider, on a case by case basis, evidence to support the reason for the missed appointment before proposing termination. If it is the first time the family missed an inspection appointment without good cause, a one-time counseling session will be conducted with the family in lieu of proposing termination.

10.7.2 Interim Inspections

Interim inspections are conducted at the request of the owner, family, or agency (usually as a result of a violation of HQS or violation of the lease). Interim inspections may be scheduled and conducted at any time of the year.

10.8 FAILED INSPECTIONS: DETERMINATION OF RESPONSIBILITY

[24 CFR §982.404]

If deficiencies cause an assisted unit to fail an inspection, LACDA inspectors will determine who is responsible at the time of inspection.

In accordance with family obligations, the following deficiencies are considered the responsibility of the family:

- Family-paid utilities not in service;
- Failure to provide or maintain family-supplied appliances; and
- Damages to the unit or premises caused by a household member or guest beyond normal wear and tear.
 - "Normal wear and tear" is defined as items that could be charged against the family's security deposit under state law or court practice.

The owner is responsible for all other HQS violations. In cases such as vermin infestation, where burden of responsibility is not immediately clear, LACDA inspector will determine the responsible party.

HQS deficiencies that cause a unit to fail must be corrected by the owner, unless the family is responsible for the deficiencies.

10.9 FAILED INSPECTIONS: WHEN DEFICIENCIES MUST BE CORRECTED

[24 CFR §982.404(a)(b)]

10.9.1 Emergency Fail Deficiencies

Items that endanger the family's health or safety are considered emergency fails. These deficiencies must be corrected within 24 hours of inspection. The following deficiencies are considered life-threatening, emergency fails, and will cause a unit to be labeled uninhabitable:

- Gas leaks
- Major plumbing problems

- No running water
- No functioning toilet
- Unstable roof/structure

In cases where the unit is deemed uninhabitable, the family will be issued a voucher within 24 hours so that they can make arrangements to secure another residence if necessary.

If an emergency fail deficiency is not corrected in the time period required by the LACDA, and the owner is responsible, the housing assistance payment will be abated immediately and the contract will be terminated.

If repairs are completed and the family wishes to move back into the unit, a new RTA will need to be submitted for that unit and the New Contract Process will need to be completed again.

If the emergency fail deficiency is not corrected in the time period required by the LACDA, and the family is responsible, the LACDA will terminate the family's assistance for violating family obligations (see Chapter 15: Termination of Assistance), but will not abate the payment to owner for that month.

10.9.2 Non-Emergency Fail Deficiencies

Biennial or Interim inspections that result in non-emergency deficiencies that cause a unit to fail must be corrected within 30 calendar-days.

Non-emergency deficiencies include, but are not limited to:

- Inoperable gas wall or floor heater
- Damaged (not missing) outlet covers
- Inoperable secondary smoke detectors
- Presence of vermin/roaches (not infestation)
- Minor faucet and/or plumbing leaks

The family and owner will be notified of the failed items and next scheduled inspection in writing. Owner related non-emergency deficiencies will not require a follow-up inspection if cleared by an owner certification and appropriate third-party verification. If the owner opts to submit a certification it must be signed by both owner and participant. Appropriate third-party documentation must also be supplied to support the certification. Types of appropriate verifications include but are not limited to:

- Photo(s) of the repair,
- Utility receipt, and
- Vendor receipt or invoice.

If the certification is not approved by a supervisor, a follow-up inspection must be performed. Non-emergency deficiencies for units under the Project-Based Voucher program may not be cleared remotely. A follow up inspection must be conducted.

If the necessary repairs have been completed prior to the next scheduled inspection and have not been cleared by a certification signed by both owner and participant, the owner or tenant may request an earlier inspection date.

Requests for earlier repair dates will be reviewed and accommodated in a case-by-case basis.

For major repairs, the Inspections Unit Supervisor or Manager may approve an extension beyond 30 calendar days. However, the extension granted cannot exceed 60 calendar days.

If owner-caused deficiencies are not corrected in the time period required by the LACDA, housing assistance payments will be abated and the contract may be terminated. If family-caused deficiencies are not corrected in the time period required by the LACDA, housing assistance may be terminated. See Sections 10.10 and 10.11 below for more information.

10.10 CONSEQUENCES OF VERIFIED FAMILY-CAUSED DEFICIENCIES

[24 CFR §982.552(a)]

The family has a responsibility to maintain the assisted unit in good condition and to notify the owner of needed repairs. If non-emergency violations of HQS are determined to be the responsibility of the family, the LACDA will require the family to make any repair(s) or corrections within the 30 calendar-day cycle. Housing assistance will be terminated if an assisted unit continues to fail housing inspections for family-caused deficiencies or the family fails to keep scheduled appointment(s). See Chapter 15 (Family Obligations) for more information.

Extensions will be granted on a case-by-case basis and must be approved by the Unit Supervisor. Extensions may be granted as a reasonable accommodation in accordance with sections 1.9.2 and 7.11.10.

If it has been concluded that all deficiencies are family-caused, the owner's rent will not be abated for such items.

10.11 CONSEQUENCES OF VERIFIED OWNER-RELATED DEFICIENCIES

[24 CFR §982.404(a), 24 CFR §982.452 and 24 CFR §982.453]

The owner is responsible for maintaining the unit in accordance with HQS. When it has been determined that an assisted unit fails to meet HQS, the owner of that unit is responsible for completing the necessary repair(s) in the time period specified by the LACDA. If the owner fails to correct deficiencies within the specified time period, the LACDA is obligated to withhold (abate) housing assistance payments.

10.11.1 Abatement

[24 CFR §982.453(b) and 24 CFR §982.404(a)(3)]

Abatement is defined as withholding Housing Assistance Payments (HAP) to the owner for the period of time the unit is out of compliance with HQS requirements.

HAP will be abated if:

- 1. The assisted unit fails the first and second housing inspections due to owner-related deficiencies.**

If a unit fails the first inspection due to owner-related deficiencies, the notice sent to the owner stating the deficiencies, repairs that need to be made, and the date of the next inspection will also serve as notice that HAP will be abated if the unit fails a second inspection due to owner-related deficiencies.

If, after the 30-day correction period, the unit then fails the second inspection due to owner-related deficiencies, the LACDA will stop payment on the first day of the month following the expiration of the 30-day correction period.

The owner will be notified of the date of a final inspection. Under normal circumstances, the LACDA will inspect an abated unit within 30 calendar days after the abatement notification has been issued.

If the owner makes repairs during the abatement period, HAP payments will resume on the day the LACDA's inspector has verified the corrections and the unit passes inspection.

A standard calculation using the actual days in the month to establish a daily rate will be used to reconcile abatement payments. No retroactive payments will be made to the owner for the period of time the rent was abated and the unit did not comply with HQS. The notice of abatement states that the family is not responsible for the LACDA's portion of rent that is abated. However, the family is responsible to pay its portion of the rent while abatement is in effect.

If an assisted unit fails the third and final housing inspection for owner-caused deficiencies, the LACDA will terminate the HAP Contract. The LACDA will notify the owner of the termination in writing 30 calendar days before it becomes effective. Abatement will remain in effect until the effective date of the termination.

The LACDA is prohibited from implementing rent abatement for family-caused deficiencies. However, abatement will apply if family-caused and owner-related deficiencies exist together.

2. **The LACDA has verified that the assisted unit has emergency fail deficiencies, and the owner did not complete the necessary repairs within the required timeframe.**
3. **A unit built before 1978 that houses or will house a child under 6 years of age fails the lead-based paint visual assessment, and the owner fails to submit a complete, passing clearance report and certification within 30 calendar days.** Owners will receive notice by mail if a unit fails the lead-based paint visual assessment. They will have 30 calendar days from the date of the notice to perform clearance and submit passing paperwork. If the owner fails to meet these requirements (see Section 10.4 for more information on lead-based paint), HAP will be abated and the LACDA will stop payment on the first day of the month following. The participant will be issued a voucher. The owner will have an additional 60 calendar days to obtain and submit a valid Clearance Report before the HAP Contract is terminated.

Families that reside in units that have been abated will be issued a voucher and will have the option to move even if the assisted unit passes inspection at the third and final inspection (this excludes participants of the Moderate Rehabilitation Program).

10.11.2 Termination of Contract

[24 CFR §982.453(b)]

When the HAP Contract has been terminated, the family will be required to move in order to continue receiving rental assistance.

RTA submitted for units that have been terminated due to abatement will be reviewed on a case-by-case basis. In cases where the RTA is accepted, the family will be brought in for counseling on their situation.

10.12 QUALITY CONTROL INSPECTIONS

[24 CFR §982.405(b)]

To ensure efficient program operations, it is essential for management to apply sound quality control practices. The purpose of quality control inspections is to objectively ascertain that each inspector is conducting accurate and complete inspections, and to ensure that there is consistency among inspectors in application of HQS.

Quality control inspections will be performed by a Quality Assurance Representative according to SEMAP Indicator #5 which meets the minimum quality control sample size for the number of units under HAP contract during the last completed LACDA fiscal year for SEMAP.

CHAPTER 11: SETTING PAYMENT STANDARDS AND DETERMINING RENT REASONABLENESS

11.1 INTRODUCTION

[24 CFR §982.503]

The LACDA is responsible for ensuring that the rents charged by owners are reasonable based upon objective comparables in the rental market. When the LACDA has determined that the unit meets the minimum HQS, that the lease is approvable, and that the rent is reasonable, it will make timely payments to the owner and notify the owner of the procedures for rent adjustments in the rental assistance programs. This chapter explains the LACDA's procedures for setting and adjusting the payment standards and performing rent reasonableness analysis.

11.2 PAYMENT STANDARDS FOR THE VOUCHER PROGRAM

[24 CFR §982.503(b)(1)]

HUD regulations allow the LACDA to set Payment Standards at a level that is between 90 percent and 110 percent of the Fair Market Rent for Los Angeles County. The LACDA must revise the payment standard amount no later than 3 months following the effective date of the published FMR if a change is necessary to stay within the basic range. The LACDA must set the payment standard at a level that is high enough to ensure that families are able to afford quality housing while also balancing the need to provide assistance to as many families on the waiting list as possible.

The LACDA will review the payment standards at least annually to determine whether an adjustment should be made for some or all unit sizes. The following provides a list of the factors that will be used to evaluate the adequacy of the payment standard and/or be used to make a determination to adjust standards, as appropriate.

As a reasonable accommodation, a family may request a higher payment standard. The LACDA may, at its discretion and in accordance with sections 1.9.5, approve a higher payment standard to 120% of the prevailing Fair Market Rent (FMR).

11.2.1 Assisted Families' Rent Burdens

The LACDA will review reports showing the percent of income used for rent by voucher families to determine the extent to which the rent burden is more than 50 percent of income.

If more than 40 percent of program families in the overall program, or for a specific unit size, are contributing in excess of 50 percent of their adjusted monthly income towards rent, the LACDA will consider increasing the voucher payment standards. The payment standard will not be raised if:

- The payment is already at the maximum level HUD will allow (110%).

- The LACDA would have to reduce the number of new admissions by 20 percent or more for the upcoming year in order to fund the increase.

11.2.2 Success Rate of Voucher Holders

The LACDA will periodically review the success rate of voucher holders. If 25 percent or more of new admissions and/or families wishing to move are unable to use the vouchers due to current rental rates in Los Angeles County, the LACDA will consider increasing the payment standard for particular unit sizes and/or the entire program, as appropriate.

The payment standard will not be increased if:

- The payment is already at the maximum HUD will allow (110%)
- The LACDA would have to reduce the number of new admissions by 20 percent or more for the upcoming year in order to fund the increase

11.2.3 Rent Reasonableness Database

The LACDA will review the rent information in the rent reasonableness data bank and compare it to the payment standards established for the Housing Choice Voucher Program. If the rent reasonableness review indicated that the payment standards are higher than the average rental unit in Los Angeles County, the payment standard for the specific unit size, or all payment standards, will be lowered to reflect the current market rents.

11.2.4 Quality of Units Selected

The LACDA will review the quality of units selected by participant families before determining any change to the Payment Standard to ensure that Payment Standard increases are only made when needed to reach the mid-range of the market.

11.2.5 File Documentation

A file will be retained in the LACDA's Administrative Support Unit for at least 3 years to document the analysis and findings to justify whether or not the Payment Standard was changed.

11.3 RENT REASONABLENESS DETERMINATIONS

[24 CFR §982.507]

The purpose of the rent reasonableness test is to ensure that a fair rent is paid for each unit that is rented with Section 8 subsidized rental assistance.

HUD regulations define a reasonable rent as one that does not exceed the rent charged for comparable, unassisted units in the same market area. HUD requires that owner not charge more for assisted units than for comparable units on the premises. By accepting the LACDA payment each month, the owner certifies that the rent is not more than the rent charged for comparable unassisted units on the premises. If asked to do so, the owner must provide the LACDA information regarding rents charged for other units on the premises.

As required by HUD, the LACDA will obtain the services of an independent entity to determine rent reasonableness in accordance with program requirements §982.352(b).

This section provides the methods LACDA uses to determine a unit's rent is reasonable.

11.4 WHEN RENT REASONABLENESS DETERMINATIONS ARE REQUIRED

11.4.1 Rent reasonableness determinations are made when units are placed under HAP contract for the first time, when an owner requests a rent increase, when directed by HUD LACDA and HUD initiated Rent Reasonableness Determinations

~~HUD requires LACDA make a redeterminations of rent and at the HAP contract anniversary if there is a 10 percent decrease in the published fair market rent (FMR) in effect 60 days before the HAP contract anniversary. The LACDA may also re-determine reasonable rents at any time. At no time may the rent paid to the owner exceed the reasonable rent as most recently determined or re-determined by the LACDA. The LACDA will determine and document on a case-by-case basis that the approved rent [24 CFR §982.507(b) and §982.507 (c)]:~~

- ~~1. Does not exceed rents currently charged on new leases by the same owner for an equivalent unassisted unit in the same building or complex, and~~
- ~~2. Is reasonable in relation to current asking rents and existing rents charged by other owners for comparable units in the unassisted market.~~

11.4.2 Owner Initiated Rent Determinations

The LACDA must make a rent reasonableness determination at initial occupancy. At initial occupancy, the LACDA must determine the proposed rent reasonable before executing a HAP contract. Subsequent requests must be in accordance with the lease between the owner and the family. Subsequent requests must also be in accordance with HUD requirements and LACDA policy. The LACDA contracts with an outside agency to provide a rent comparable System. The system considers a variety of criteria to provide rent comparable information, including:

Unit location

- ~~➤—Quality~~
- ~~➤—Size~~
- ~~➤—Type~~
- ~~➤—Age of the contract unit~~
- ~~➤—Amenities~~
- ~~➤—Housing services~~
- ~~➤—Maintenance; and~~

~~➔ Utilities provided by the landlord.~~

~~The rent comparable system gathers open market rental data on an ongoing basis from websites and newspapers and applies a hedonic price analysis to compare a subject unit with similar comparable units in a geographic area.~~

~~11.3.1 Rent Determination for units with Low Income Housing Tax Credits (LIHTC) or HOME funded subsidies~~

~~When the proposed rent for a LIHTC or HOME unit is equal to or less than the rent for similarly assisted units in the same building, not occupied by voucher holders, the proposed rent will be deemed reasonable.~~

~~The LACDA will not approve rents in LIHTC-funded or HOME-funded units that exceed the higher of the voucher payment standard, as set by the LACDA, or the rent for similarly assisted units in the same building, not occupied by voucher holders.~~

~~11.4 RENT ADJUSTMENTS~~

~~11.4.1 REQUESTS FOR RENT INCREASES~~

~~As stated in the HUD Tenancy Addendum, the owner must notify the LACDA at least 60-days before the proposed effective date of the intended rent increase. The tenant must be notified in writing, at least 60-days before the proposed effective date of the intended rent increase, and the written notice must be submitted to the LACDA. In accordance with the HUD Tenancy Addendum, the LACDA will disapprove requests made during the initial term of a lease. Requests can be made any time after the initial term of the lease. In accordance with rent reasonableness requirements, the LACDA will only approve one rent increase during a twelve-month period.~~

~~As authorized by the HAP contract, the LACDA will not approve a rent increase if the HAP contract is in abatement for owner-related HQS deficiencies.~~

~~The LACDA will use the same criteria defined in this rent reasonableness determinations and methodology section above to determine if ensure a request for a rent increase meets HUD's the rent comparability requirement. If the asking rent is determined not be reasonable, the LACDA will advise both the owner and the family that the increase cannot be approved. If a partial rent increase can be approved, the LACDA will notify the owner, and process the partial increase upon owner approval. Additionally, the rent will be reduced if the existing rent exceeds the reasonable rent as most recently determined in accordance with section 11.3 of this Plan.~~

~~An owner who disagrees with the determination has the option to either adjust his/her request for a rent increase or serve the family with a proper termination notice. Rent adjustments will be effective the first of the month following 60-days of LACDA's receipt of a copy of the owner's request or on the date specified by the owner, whichever is later.~~

11.4.3 Rent Determination for units with Low Income Housing Tax Credits (LIHTC) or HOME-funded subsidies

When the proposed rent for a LIHTC or HOME unit is equal to or less than the rent for similarly assisted units in the same building, not occupied by voucher holders, the proposed rent will be deemed reasonable.

The LACDA will not approve rents in LIHTC-funded or HOME-funded units that exceed the higher of the voucher payment standard, as set by the LACDA, or the rent for similarly assisted units in the same building, not occupied by voucher holders.

11.4.211.4.4 RENT REDUCTIONS

At any time, the owner may request a reduction of the contract rent by submitting a written notice to the LACDA. The notice must state the requested contract rent amount and the effective date of the reduction.

Retroactive reductions will only be considered if the owner is mandated to reduce the contract rent in order to become compliant with the obligations of any other rental assistance programs such as the HOME program or the Low Income Housing Tax Credit (LIHTC) program. In such cases, the owner must provide a copy of the notice requiring a retroactive reduction of the contract rent.—

11.5 METHODOLOGY USED FOR ESTABLISHING UNIT COMPARABILITY

The LACDA contracts with an outside agency to provide a Rent Comparable System. The system considers a variety of criteria to provide rent comparable information, including:

- Unit Location
- Quality
- Size
- Type
- Age of the contract unit
- Amenities
- Housing services
- Maintenance; and
- Utilities provided by the landlord.

The rent comparable system gathers open market rental data on an ongoing basis from websites and newspapers and applies a hedonic price analysis to compare a subject unit with similar comparable units in a geographic area. Comparable units represent unrestricted market rents. Therefore, units that receive some form of federal, state, or local assistance that imposes rent restrictions are not considered comparable units.

CHAPTER 12: RE-EXAMINATION

12.1 INTRODUCTION **[24 CFR §982.516(a)]**

To assure that tenancy is restricted to participants meeting the eligibility requirements for continued occupancy and are charged appropriate rents; the eligibility status of each participant is re-examined at least annually, based on the anniversary date, per HUD requirements. The initial contract establishes the anniversary date for all new admissions. For continuing participants, the anniversary date established as of November 1, 2010 will remain unchanged.

The effective date of an annual reexamination may be no more than twelve months from the effective date of the previous year's annual reexamination, or the anniversary date of the HAP contract if within the first year of the contract.

12.1.1 Procedure

To maintain program efficiency and integrity, the LACDA at its own discretion may conduct re-examination interviews by mail or in-person. The LACDA will attempt to conduct all annual re-examinations interviews through the mail. Annual re-examinations not completed through the mail process will be conducted in person.

12.2 RE-EXAMINATION NOTIFICATION TO THE FAMILY

Participating families are advised of the annual re-examination requirement and the importance of reporting income and family composition changes as they occur during the initial re-examination.

12.2.1 Persons with Disabilities **[24 CFR §8.24(a)]**

Persons with disabilities who are unable to come in to the LACDA's office will be granted a reasonable accommodation of conducting the interview at the person's home or by mail, upon verification that the accommodation requested meets the need presented by the disability.

12.2.2 Requirements to Attend

If it is determined that a participant (family) will need to come to the LACDA's office then all adult household members 18 years and older will be required to attend the re-examination interview.

12.2.3 Failure to Respond

If a family fails to complete or return the required re-examination documents within the specified timeframe, the LACDA will schedule the family for a mandatory appointment. The appointment letter will provide the date and time of the appointment and a list of items that family will need to bring.

If the family fails to attend the appointment or fails to bring all the required information, the LACDA may proceed to propose termination of the family's assistance.

If the family is able to provide documentation of an emergency situation that prevented them from completing the required re-examination documents or attending the mandatory appointment, the Unit Supervisor at his/her own discretion may, on a case-by-case basis reschedule the appointment. The LACDA may also grant an exception to this policy as a reasonable accommodation.

12.2.4 Documents Required from the Family

The re-examination documents will include instructions and appropriate forms that need to be submitted to complete the re-examination. The required forms and documentation are the following:

1. Documentation of income for all family members;
2. Documentation of assets;
3. Documentation of medical or child care expenses;
4. Certified statement of family obligations;
5. Consent for Release of Information (signed by all household members over 18 years of age); and

Verification of these documents will be conducted in accordance with LACDA procedures and guidelines described in this plan.

12.2.5 Tenant Rent Increases Effective Dates

If the tenant rent increases, a 30-day notice of increase in rent is mailed to the family before the anniversary date.

If less than 30 calendar days are remaining before the anniversary date, the new tenant rent will be effective on the first of the month following the 30-day notice, but the reexamination will be effective no more than 12 months from the effective date of the last annual reexamination. If the LACDA was unable to process the re-examination on a timely basis due to the family's failure to provide re-examination documents, then the rent increase will be effective retroactive to the appropriate anniversary date.

If the family causes a delay in the re-examination processing, there will be a retroactive increase in rent to the anniversary date. In this particular case, the owner will receive a retroactive HAP payment and every effort will be made to recover lost rent from the tenant.

12.2.6 Tenant Rent Decreases

~~If the tenant rent decreases, it will be effective on the anniversary date.~~

~~Changes in family income or composition reported during an annual reexamination that result in a decrease of tenant rent will be processed as an interim reexamination in accordance with sections 12.3 and 12.3.1.~~

12.3 INTERIM RE-EXAMINATION **[24 CFR §982.516(c)]**

~~No TTP adjustments will be affected between dates of periodic re-examination or pre-scheduled re-examinations except as noted below:~~

~~Tenants are required to submit information affecting eligibility income at all re-examinations. Additionally, tenants are required to report the following changes in family circumstances:~~

- ~~1. Changes in family composition, including loss or addition of one or more family members through death, divorce, birth, or adoption [24 CFR §982.516(e)], and~~
- ~~2. Decreases in income received by the family~~

~~A family is required to report these changes to the LACDA within 30 calendar days after the change has occurred. The LACDA will verify all reported information that will result in an interim reexamination~~

~~If, during the course of an interim reexamination conducted for a reported decrease in income, it is discovered that a family member is no longer eligible for an allowance (i.e. a minor has turned 18 and is no longer a full-time student), the case worker will determine how the loss of allowance will affect the TTP. If the loss of allowance results in an increase to the TTP, even though the family's income has decreased, the LACDA will not complete the interim reexamination unless requested by the family to do so.~~

~~If, during the course of an interim reexamination conducted for a reported change in family composition, it is discovered that a family member is no longer eligible for an allowance, the LACDA will continue to process the interim reexamination regardless of the effect on the TTP.~~

~~The U.S. citizenship/eligible immigrant status of additional family members must be declared and verified as required at the first interim or regular re-examination after moving into the unit. See Section 7.11.7 (Verification of Citizenship/Eligible Immigration Status) for details.~~

12.3.1 Interim Changes in Income

- ~~• **Decreases:** If the information provided results in a decrease in tenant rent, a modification to the HAP Contract is executed to be effective the first of the month following the month in which the required documentation is supplied by the participant.~~
- ~~• **Increases:** If the information provided results in an increase in tenant rent, the LACDA will not conduct an interim reexamination, unless specifically requested by the family to do so. This policy does not apply to reported changes in family composition. All income for a new family member will be counted and used to calculate the family's TTP. If this information results in an increase in tenant rent, the family will be given a 30-day notice before the new rent amount is effective.~~
- ~~• **No Action:** The LACDA will not process an interim reexamination if the family reports a loss of welfare benefits due to fraud, failure to participate in~~

economic self-sufficiency programs, or noncompliance with a work activities requirement.

- **Social Security Overpayments:** If the family has experienced a decrease in Social Security or SSI income due to an overpayment, the LACDA will calculate income based on the net amount only for the specific period of the decrease. Once the overpayment period is over, the LACDA will process an interim reexamination using the gross amount of Social Security or SSI.

12.4 SPECIAL ADJUSTMENTS

If, at the time of re-examination, a family is clearly of low income, and it is not possible to make an estimate of the family's income for the next 12-month period, a special re-examination will be scheduled to accommodate the family's circumstances. This includes cases where:

1. A tenant is unemployed and there are no anticipated prospects of employment, or
2. The conditions of employment and/or receipt of income are too unstable to validate usual and normal standards for determination. An interim re-examination will be scheduled for families with zero or unstable income every 3 months.

Families whose past employment has been sporadic or who are on welfare, become employed, then are unemployed, or are self-employed, will not be given special re-examination. If such an income pattern has been established and is expected to continue, then a reasonable 12-month estimate of the income may be based upon past income and present rate of income.

Furthermore, special re-examinations must be clearly set for a definite time to assure compliance.

Interim Reexaminations can be scheduled when the LACDA has reason to believe that changes in income or expenses have occurred, or when the family reports a change. When a family reports a change, the LACDA may take different actions depending on whether the family reported the change voluntarily, or because the family was required to do so.

12.3.1 LACDA-Initiated Reexaminations

LACDA-initiated interim reexaminations are those that are scheduled by the LACDA based on the following circumstances.

- If at the time of the Annual Reexamination, it is not feasible to anticipate a level of income for the next 12 months (e.g. seasonal or cyclic income), the LACDA will schedule a reexamination on a quarterly basis until it is feasible to project income.
- If at any time, the family is legitimately determined to be a zero-income family, the LACDA will conduct an interim reexamination every 3 months as long as the family continues to report that they have no income. The head-of household and each adult family member will be required to submit a completed Household

Expense Report to document expenses for the prior 3-month period. The family may be required to undergo a credit report review and attend an in-person interview.

- If at the time of the annual reexamination, tenant-provided documents were used on a provisional basis due to the lack of third-party verification, and third-party verification becomes available, the LACDA will conduct an interim reexamination.
- For Families receiving the Earned Income Disallowance (EID), the LACDA will conduct an interim reexamination at the start and conclusion of the second 12 month exclusion period (50 percent phase-in period).
- The LACDA may conduct an interim reexamination at any time to correct an error in a previous reexamination, or to investigate tenant fraud.

Families whose past employment has been sporadic, or that are on welfare, become employed then subsequently unemployed, or are self-employed, will not be scheduled for a LACDA-initiated reexamination. If such an income pattern has been established and is expected to continue, then a reasonable 12-month estimate of the income may be based on past income and present rate.

12.3.1 12.3.2 Family-Initiated Interim Reexaminations

24 CFR 982.516(b)(2) and 24 CFR 982.516(c)

HUD regulations require that the family be permitted to obtain an interim reexamination any time the family has experienced a change in circumstances since the last determination. In addition, the LACDA must adopt policies prescribing when and under what conditions the family must report changes in family income or expenses

➤ Required Reporting

[24 CFR 982.516(b)(2)]

Families are required to report all changes in earned and unearned income, assets, expenses, full-time student status, and family circumstances within 10 calendar days of the date the change takes effect.

Families will be required to pay back overpayments of rental assistance resulting from failure to report a change in income or family composition.

If a family reports a decrease in income from the loss of welfare benefits due to fraud or noncompliance with a welfare agency requirement to participate in an economic self-sufficiency program, the family's share of the rent will not be reduced [24 CFR 5.615].

12.3.3 Processing the Family-Initiated Interim Reexamination

➤ Standard for Reporting

The LACDA requires that families report interim changes by completing an Interim Reexamination Request form within 10 days of when the change occurs. The family will be required to submit the Interim Reexamination Request form along with supporting documentation for the change.

Generally, the family will not be required to attend an interview for an interim reexamination. However, if the LACDA determines that an in-person interview is warranted, the family may be required to attend. Based on the type of change reported, the LACDA will determine the documentation the family will be required to submit. The family must submit any required information or documents within 15 calendar days of the request. This time frame may be extended for good cause with LACDA approval. The LACDA will accept required documentation by mail, fax, email, through the tenant portal, or in person.

When income is calculated using anticipated annual average income, the LACDA may determine that the interim change is not necessary. The family will be sent a notice acknowledging the interim request and will be informed that no change is necessary. A downward change will not be made if it is determined that the change is temporary (less than 30-consecutive days).

Any changes that are reported as part of or concurrent with the timing of an annual recertification process will be made effective with the annual reexamination.

➤ **Effective Dates**

If the family share of the rent is to *increase*:

The increase generally will be effective on the first of the month following 30-days' notice to the family, if the change was reported within the required time frames.

If a family fails to report a change within the required time frames, or fails to provide all required information within the required time frames, the increase will be applied retroactively, to the date it would have been effective had the information been provided on a timely basis. In this case, the LACDA will not provide 30-days' notice to the family. The family will be responsible for any overpaid subsidy and may be offered a repayment agreement in accordance with policies in Chapter 17 Owner and Family Debts to the LACDA.

If the family share of rent is to *decrease*:

The decrease will be effective on the first day of the month following the month the change was reported and all documents are received and verified.

If the family is responsible, in whole or in part, for any delay in obtaining documentation, the decrease will apply on the first of the month after all verification of income has been obtained.

Documents requested by the LACDA in support of a decrease must be submitted within 15 calendar days of the request. The LACDA may grant an extension for circumstances beyond the control of the family. However, if the family is not responsive to a request for documentation, the LACDA will consider the family nonresponsive if more than 15 calendar days have elapsed since the deadline for the information and the family has not had any communication with the LACDA. In such cases, the family will be advised that the LACDA is not processing the decrease and must start the process over again if they wish to receive the decrease.

12.512.4 CHANGES IN FAMILY COMPOSITION **[24 CFR §982.516(d) and 24 CFR §982.551(h)(2)]**

The composition of the assisted family residing in the unit must be approved by the LACDA. An interim re-examination will be conducted for any changes in family composition.

The LACDA may verify changes in family composition as detailed in Section 7.11.5.

12.5.112.4.1 Allowable Family Additions **[24 CFR §982.551(h)(2)]**

Allowable family additions are the following:

1. Addition due to birth, adoption or court awarded custody.
 - Must be reported to the LACDA, in writing, within **310** calendar days of the occurrence. Families should notify the owner and comply with any lease requirements to obtain owner approval.
2. Other allowable persons:
 - Addition of a foster child or foster adult that is in the legal guardianship or custody of the state, county, or private adoption or foster care agency, yet is cared for by foster parents in their own home, under some kind of short-term or long-term foster care arrangement with the custodial agency. The custodial agency, such as the Department of Children and Family Services (DCFS) or the Department of Public and Social Services (DPSS), must have previously approved the addition.
 - Addition of marriage/or marital type relation (i.e., couples that certify that they intend to live in the same principal residence indefinitely and/ or register in California as domestic partners);
 - Addition of a minor who is a child of the head of household, co-head, spouse or marital-type partner, who have been living elsewhere; and
 - Addition of a LACDA-approved live-in aide;

- Addition of an adult child due to recent discharge from the military.
- Addition of a disabled adult who requires disability-related care.

The family must request approval from the owner and the LACDA before the person is added. Anyone who moves into the unit without written owner and LACDA approval is considered an unauthorized person.

As part of the approval process, the LACDA conducts a criminal background check, and may also conduct a credit review, on all new potential family members, 18 years of age and older. Criminal records will only be used to screen new household members. They will not be used for lease enforcement or eviction of residents already receiving tenant-based rental assistance.

If an approved change requires a larger size unit due to overcrowding, the change in voucher size will be made effective immediately (see Chapter 5). The LACDA will determine the assistance, based on funding availability.

12.5.212.4.2 Decreases in Family Size

When a family member leaves the household, the absence must be reported to the LACDA, in writing, within **310** calendar days of the occurrence, as detailed in Section 6.8.9 (Reporting Absences to the LACDA). The change in family composition may impact the voucher size, as explained in Chapter 5 (Subsidy Standards).

If a decrease in family size results in a decrease of the voucher size, the LACDA will downsize the family's voucher to the appropriate size at the family's next annual review following the reduction in household size.

The LACDA may make an exception as a reasonable accommodation for a person with a disability.

12.612.5 CONTINUATION OF ASSISTANCE FOR "MIXED" FAMILIES **[24 CFR §5.504(b)]**

Families that include at least one citizen or eligible immigrant, and any number of ineligible members, are considered "mixed" families.

"Mixed" families that were participants on or before June 19, 1995, shall continue full assistance if they meet the following criteria:

1. The head of household, co-head, or spouse is a U.S. citizen or has eligible immigrant status, **and**
2. All members of the family other than head, co-head, spouse, parents of head, parents of co-head, parents of spouse, children of head, co-head, or spouse are citizens or eligible immigrants. The family may change the head of household designation to another adult member of the family to qualify under this provision.

If they do not qualify for continued assistance, the member(s) that cause the family to be ineligible for continued assistance may move, or the family may choose prorated assistance.

CHAPTER 13: ALLOWABLE MOVES/PORTABILITY

13.1 INTRODUCTION

This chapter defines the procedures, restrictions and limitations for moving, for new applicants and current participants.

As stated in HUD regulations, eligible families participating in the Housing Choice Voucher Program have the right to receive tenant-based voucher assistance anywhere in the United States, in the jurisdiction of a public housing agency (PHA) administering a Housing Choice Voucher program. This program feature is called “portability.” This chapter includes the LACDA’s procedures for new applicants and current participants that “port out” of the LACDA’s jurisdiction.

Additionally, this chapter specifies the LACDA’s policies for receiving “incoming ports” from other public housing agencies.

The option of portability does not apply to families assisted under the Moderate Rehabilitation Program or the Continuum of Care (CoC) Program.

13.2 ALLOWABLE MOVES AND RESTRICTIONS

13.2.1 Restrictions on Moves

The LACDA may deny families permission to move if:

- There is insufficient funding for continued assistance;
- The family has violated a family obligation;
- The family is in the initial term of the lease (see 13.2.4 for exceptions);
- The family has already moved within the one-year period;
- The family owes money to this LACDA or another PHA. See Section 17.2 (Repayment Agreements for Families) for more information on allowable moves for families with repayment agreements; or
- There is insufficient funding to support a move with continued assistance.

In the event of insufficient funding, the LACDA may only deny a move to a higher cost area if the LACDA would not be unable to avoid termination of housing choice voucher assistance for current participants during the calendar year in order to remain within budgetary allocation (including any available HAP reserve). If the receiving PHA is willing to absorb the voucher, the LACDA may not deny the move to the higher cost area due to insufficient funding.

13.2.2 Allowable Moves for New Applicants **[24 CFR §982.353]**

A family who lives and/or works in the LACDA’s jurisdiction at the time they are admitted to the Housing Choice Voucher Program may choose, as their initial housing:

- To remain in their current unit (this is referred to as leasing-in-place);
- A unit anywhere within this LACDA's jurisdiction; or
- A unit outside of this LACDA's jurisdiction. For more information, see the Outgoing Portability section of this chapter.

If neither the head of household or spouse already had a "domicile" (legal residence) in the LACDA's jurisdiction at the time when the family first submitted an application for participation in the program, the family does not have any right to portability until they have leased up with rental assistance and have resided within the jurisdiction for at least 12 months [24 CFR §982.353(c)].

- Mainstream voucher applicants are not subject to the requirement above and are permitted to lease a unit outside LACDA's jurisdiction.
- Under limited conditions, the LACDA may waive this requirement. Examples of situations that may warrant an exception to this rule include life-threatening situations or as a reasonable accommodation. However, in all cases both the LACDA and the receiving jurisdiction must agree to allow the move. If the receiving public housing agency does not agree, the LACDA will not approve a transfer [24 CFR §982.353(c)(3)].

13.2.3 Allowable Moves for Current Participants

[24 CFR §982.354]

A family that initially receives assistance for a unit leased in LACDA's jurisdiction may request to move to another unit and receive continued assistance. Families in good standing may move with continued assistance if:

1. The assisted lease for the old unit has ended because the LACDA has terminated the HAP contract for owner breach [24 CFR §982.314(b)(1)(i)];
2. The lease was terminated by mutual agreement of the owner and the family [24 CFR §982.314(b)(1)(ii)]. The LACDA must receive a copy of this notice. The LACDA will not approve the mutual lease termination during the first year of the lease;
3. The owner has given the family a notice to vacate for reasons other than a lease violation [24 CFR §982.314(b)(2)]. The LACDA must receive a copy of this notice; or
4. The family has given proper written notice of lease termination after the initial lease term and in accordance with State law. This generally requires a 30-day notice. The LACDA must receive a copy of this notice.

A family is considered to be in good standing if they have not violated the terms of the lease, any program regulations and do not owe any money to this LACDA or another public housing agency.

Families that are eligible to move with continued assistance may choose to move to a unit that is:

- **Within the LACDA's jurisdiction.** This type of a move is called a "reserve vacate." This means that the family is moving from a unit, which could result in a temporary vacancy in the program until another unit is

secured; however, the slot remains reserved for the family until the time they lease another unit.

- **Outside LACDA's jurisdiction.** See the Outgoing Portability section of this chapter for more information.

13.2.4 Restrictions on Moves During the Initial Lease **[24 CFR §982.354(c) and §982.309(a)(1)]**

Generally, families will not be permitted to move during the initial lease, or more than once in any 12-month period.

The LACDA will consider exceptions to this policy for the following reasons:

1. To protect the health or safety of the family (HQS emergency items).
2. Statutory conditions under the Violence Against Women Reauthorization Act of 2013 (e.g., the family or an affiliated individual is or has been the victim of domestic violence, dating violence, sexual assault, or stalking as provided in 24 CFR part 5, subpart L, and the move is needed to protect the health and safety of the family or affiliated individual. The LACDA may not terminate assistance if the family, with or without prior notification to the LACDA, already moved out of the unit in violation of the lease, if such move occurred to protect the health and safety of an affiliated individual who is or has been the victim of domestic violence, dating violence, sexual assault, or stalking and who reasonably believed he or she was imminently threatened by harm from further violence if he or she remained in the dwelling unit.); or
3. To address an emergency situation over which a family has no control (e.g., Natural Disaster or Unsafe Environment).

Verification must include a copy of the incident report from the local Fire Department, the Health Department, or other appropriate agency that the dwelling unit is now uninhabitable. It must also include the cause of the disaster if known.

In addition, the LACDA will allow exceptions to this policy for the reasonable accommodation request of a family member who is a person with disabilities. However, the owner of the property must agree to release the tenant from the lease.

13.3 PROCEDURES FOR MOVES FOR CURRENT PARTICIPANTS **[24 CFR §982.354(d)]**

Eligible families who wish to move must send a written lease termination notice to the owner and copy to the LACDA no less than 30 calendar days before the vacate date. Once the LACDA has received a copy of the lease termination notice, the family will be scheduled for a briefing session where they will be issued the voucher along with the briefing packet (see Section 8.4 for information that is provided at the briefing session).

Eligible families also have the option to request a voucher before issuing a lease termination to their owner and the LACDA. However, a Request for Tenancy Approval or a Request to Transfer (portability) will not be processed without the proper written lease termination notice.

If the family's reexamination is current (within 12 months) the LACDA will not conduct a reexamination before issuing the voucher unless there are reported changes to income or the family composition that would require an interim reexamination.

13.4 OUTGOING PORTABILITY PROCEDURES **[24 CFR §982.355(b)(c)]**

Both new applicants and current participant families must first identify the new area where they will be moving. If there is more than one Public Housing Agency (PHA) serving that area, the LACDA will provide the family with the contact information for the PHAs that serve that area for the family to select the PHA. The family must inform the LACDA which PHA it has selected. In cases where the family prefers not to select a PHA, the LACDA will select the PHA on behalf of the family.

Once the LACDA has identified the receiving PHA, the LACDA will:

1. Contact the receiving PHA, prior to approving the family's request to port, to determine whether the voucher will be absorbed or billed by the receiving PHA [24 CFR §982.355(c)(3)];
2. Obtain in writing, via email or other confirmed delivery method, the receiving PHA's decision to absorb or bill the voucher.
 - If the receiving PHA decides absorb the voucher, the receiving PHA cannot reverse its decision at a later date without consent of the LACDA.
 - If the receiving PHA decides to bill the voucher, the LACDA may deny the move if it will result in insufficient funding for continued assistance [24 CFR §982.354(e)(1)].
3. Determine the family's eligibility to move with continued assistance (port). Families found eligible to port must be issued a voucher (if not yet issued) and must be advised of how to contact and request assistance from the receiving PHA [24 CFR §982.355(c)(6)]; and
4. Provide the following documents and information to the receiving PHA [24 CFR §982.355(c)(7)]:
 - A copy of the family's voucher, with issue and expiration dates, formally acknowledging the family's ability to move under portability.
 - The most recent HUD 50058 form and verifications.
 - The Family Portability form (HUD-52665).

Portability Administrative Fee: If administrative fees are prorated, the proration will apply to the amount of the administrative fee for which the receiving PHA may bill. The receiving PHA may bill for the lower of 80 percent of the initial

PHA's prorated ongoing administrative fee or 100 percent of the receiving PHA's prorated ongoing administrative fee.

New applicant families will be subject to the income eligibility requirements of the jurisdiction in which they will be receiving assistance [24 CFR §982.353(c)(9)].

13.4.1 Briefing for Families Wishing to Exercise Portability
[24 CFR §982.301(b)(4)]

Since families wishing to move to another jurisdiction must understand that the policies and procedures of the receiving PHA prevail, the LACDA will provide counseling for those families who express an interest in portability. This will include a discussion of how portability works, the advantages of areas that do not have a high concentration of low-income families, the difference in payment standards, subsidy standards, and income limits, if applicable. See Chapter 8, Section 8.4 for a detailed list of the information provided at the briefing session.

13.4.2 Payment to the Receiving PHA
[24 CFR §982.355(d) and §982.355(e)]

If the receiving PHA chooses to administer and bill assistance on the LACDA's behalf, the LACDA will reimburse the receiving PHA for costs associated with administering the voucher, as specified in HUD regulations.

The receiving PHA must submit to the LACDA the initial billing no later than 60 days following the expiration date of the family voucher issued or within 10 days of an executed contract.

The LACDA will ensure that the receiving PHA receives all subsequent monthly payments no later than the fifth working day of each month.

13.5 INCOMING PORTABILITY PROCEDURES
[24 CFR §982.355]

Eligible participants in the Housing Choice Voucher Program in other public housing agencies may be assisted in the LACDA's jurisdiction.

For a family to port in to the LACDA's jurisdiction, the LACDA must receive a request to absorb or bill the voucher of the incoming portable family. The LACDA must provide the initial PHA, in writing, via email or other confirmed delivery method, a decision to absorb or bill the voucher. Rendered decisions to absorb a voucher cannot be reversed at a later date without consent of the initial PHA.

Once a decision has been rendered to the initial PHA, the LACDA must receive the following from the initial PHA:

- The Family Portability form (HUD-52665) with Part I completed.
- A copy of the family's most current voucher.
- The most recent HUD 50058 (Family Report) for the family, and all related verifications supporting the Family Report.

Should the family arrive with an expired voucher, the LACDA will contact the initial PHA to determine if it will extend the voucher. The initial PHA will decide to

extend the term of the initial PHA voucher before the LACDA can proceed with the portability process.

13.5.1 Policies on Absorption and Administration
[24 CFR §982.355(d) and §982.355(e)]

For incoming ports, the LACDA may, if funding permits, accept a family with a valid voucher from another jurisdiction and absorb the voucher. The LACDA may also exercise the option to administer the initial public housing agency's voucher and bill the initial PHA as authorized in the regulations.

Portability Administrative Fee: If administrative fees are prorated, the proration will apply to the amount of the administrative fee for which the receiving PHA may bill. The receiving PHA may bill for the lower of 80 percent of the initial PHA's prorated ongoing administrative fee or 100 percent of the receiving PHA's prorated ongoing administrative fee.

If the LACDA chooses to administer:

- An initial billing will be submitted to the initial PHA within 10 days of an executed contract to ensure timely receipt of payment, but no later than 90 days following the expiration date of the family voucher issued by the initial PHA.
- The LACDA's policy on tolling in Section 8.7.2 of this Plan will apply [24 CFR §982.303].
- The LACDA will not extend the term of the voucher unless there is enough time to process the new contract and meet the billing deadline or unless the initial PHA extends the family's voucher. The LACDA will notify the initial PHA if such an extension is granted [24 CFR §982.355(c)(14)].

All subsequent monthly billing payments are to be received by the LACDA no later than the fifth working day of each month.

If the LACDA chooses to absorb, the LACDA may apply its policies on voucher tolling and extensions as stated in Sections 8.7.2 and 8.7.3 of this Plan.

13.5.2 Income and Total Tenant Payment Review
[24 CFR §982.355(c)]

The LACDA will conduct an initial review of all incoming port families. The LACDA will:

- Conduct criminal background and registered sex offender registration checks of family members (see Section 13.5.3 below).
- Verify identifying documents, family income and composition.
- As necessary, the LACDA will change the bedroom size of a family's voucher to comply with the subsidy standards. If this occurs, the family will be notified in writing of the change.

- If family income documents are missing or there has been a change in the family's circumstances, the LACDA may re-determine the family's TTP.
- For incoming port families who have not yet leased a unit under the Housing Choice Voucher Program (initial applicants), the LACDA must verify that the family meets the HUD's income limits.

If a re-determination is necessary, the LACDA will not delay issuing the family a voucher or otherwise delay approval of a unit unless the re-determination reveals that the family is not eligible for assistance in the LACDA's jurisdiction. In such cases, the family will be referred to the initial PHA for further assistance [24 CFR §982.355(c)(11)].

All families porting into the LACDA's jurisdiction will be issued a voucher. The term of the voucher issued may not expire before 30 calendar days from the expiration date noted on the voucher issued by the initial public housing agency [24 CFR §982.355(c)(13)]. The LACDA will determine whether to extend the voucher term, if necessary, based on Section 13.5.1 of this Plan.

If a family that has ported into the LACDA's jurisdiction is unable to locate a unit within the allotted time authorized on the voucher, the LACDA will notify the issuing PHA that the voucher did not result in a HAP contract [24 CFR §982.355(c)(16)].

Approval of any unit is subject to rent reasonableness and a passed inspection [24 CFR §982.401(a)(3)].

13.5.3 Criminal Background Checks for Incoming Portability **[24 CFR §982.355(c)(9) – (10)] and [PIH Notice 2004-12]**

The LACDA will conduct criminal background and sex offender registration checks for all incoming portability families. To establish eligibility under section 2.8.1 of this Plan, the LACDA will review criminal history within the established review period from the date a Request to Transfer is received from the originating PHA.

While criminal background and sex offender registration checks are conducted, the LACDA will not delay issuing the family a voucher but will take subsequent necessary action, including up to termination of a family's assistance (see Section 2.8 for details on screening).

The LACDA will take the following steps to minimize the number of terminations for families that are porting into its jurisdiction:

At voucher issuance,

- Families will receive a briefing that will contain information on the LACDA's portability process and general policies and procedures. See Chapter 8, Section 8.4 for a detailed list of information provided at the briefing session.
- Families will be informed of the LACDA's criminal background policies and that they will undergo a background check. The family will be offered an opportunity to return to their originating PHA.

- If it is determined before a contract is effective that a family member is unsuitable due to a criminal background check the family will be given the options of returning to the originating PHA or excluding the culpable family member.
- If it is determined after a contract is effective that a family member is unsuitable and the LACDA is billing the originating PHA, the family will have the option of returning to the originating PHA or exclude the culpable household member.
- If it is determined after the contract is effective that a family member is unsuitable and the LACDA has absorbed the contract, the family will only have the option of excluding the culpable household member and will not be allowed to return to the originating PHA.

The contract will be terminated if it has been absorbed and if the family chooses not to exclude the culpable household member or there are no other adult eligible household members.

13.5.4 Terminations

In cases where the LACDA is administering a contract on behalf of another PHA, the LACDA will notify the initial PHA in writing of any termination of assistance within 30 calendar days of the termination.

13.5.5 Informal Hearings/Reviews **[24 CFR §982.555]**

If an informal hearing is required and requested by the family, the LACDA will conduct the hearing only if the participant has been assisted within the LACDA's jurisdiction. Such hearings will be conducted using the regular hearing procedures included in this plan. Families who have not yet received assistance in the LACDA's jurisdiction are eligible for informal reviews, as detailed elsewhere in this administrative plan.

The initial PHA will be responsible for collecting amounts owed to that public housing agency by the family for claims paid and for monitoring repayment. If the initial PHA notifies the LACDA that the family is in arrears or the family has refused to sign a Repayment Agreement, the LACDA will terminate assistance to the family.

CHAPTER 14: CONTRACT TERMINATIONS

14.1 INTRODUCTION

The chapter identifies the key documents/contracts that set forth the responsibilities of each party involved in the rental assistance relationship and outlines the policies and procedures under which these contracts can be terminated.

14.2 DESCRIPTION OF DOCUMENTS

There are three parties involved in the rental relationship: the assisted family, the owner and the LACDA.

The rights and responsibilities of the assisted family are defined in the voucher or certificate and the Certified Statement of Family Obligations. A copy of the voucher or certificate is provided to the family at admission and each time a new voucher is issued. The family signs the Certified Statement of Family Obligations annually.

The relationship between the family and the owner is outlined in the lease agreement. Generally, the term of the lease is for one year. Although the LACDA is not a part of the lease, HUD regulations allow public housing agencies to act against the family for serious or repeated violations of the lease.

The terms of the relationship between the owner and the LACDA are outlined in the Housing Assistance Payments (HAP) contract. The term of the HAP contract is the same as the term of the lease.

14.3 TERMINATION OF THE LEASE BY THE FAMILY: MOVES [24 CFR §982.309(c)]

For continued tenant assistance, the family cannot terminate the lease until after a one-year period or the initial term of the lease, except for material breach of the lease by the owner, cases of foreclosure, or life threatening situations (as defined in Chapter 13). The lease determines the notice period for termination to the owner. Most leases require, at minimum, a 30-day notification. However, the LACDA recommends that families provide a minimum of a 60-day notice in order to allow enough time for a smooth transition of assistance from the old unit to the new unit. To initiate the lease termination, the family must send a written notice to the owner and the LACDA no less than 30 calendar days before the vacate date.

14.4 TERMINATION OF THE LEASE BY THE OWNER: DOMESTIC ABUSE

An owner or manager may bifurcate (separate) a lease in order to evict, remove, or terminate assistance to any individual who is a tenant or lawful occupant and who engages in criminal acts of physical violence against family members or others, without evicting, removing, or terminating assistance, or otherwise penalizing the victim of such violence which is also a tenant or lawful occupant.

Criminal acts are defined as “criminal activity directly related to domestic violence, dating violence, sexual assault, or stalking against an affiliated individual or other individual”.

14.4.1 Terminating the Lease During the Initial Term of the Lease
[24 CFR §982.310(a)]

During the term of the lease, the owner may not terminate the tenancy except for good cause, which includes serious or repeated violations of the lease and/or violations of federal, state or local law that imposes obligations on the family in connection with the use of the unit.

Under such conditions, the owner must provide both the family and the LACDA with a copy of any notice to move or eviction action. An eviction action is defined as a notice to vacate, or a complaint, or other initial pleading used under State or local law to commence an eviction action. Any eviction notice served to a family must specify the grounds for the termination of the tenancy.

An owner may commence termination of a tenancy for good cause by serving a legal notice of termination on the family for the following reasons:

1. Serious or repeated violation of the terms and conditions of the lease [24 CFR §982.310(a)(1)];
2. Violation of federal, state or local law that imposes obligations on the tenant in connection with the occupancy or use of the premises [24 CFR §982.310(a)(2)]; and
3. Other good cause, [24 CFR §982.310(a)(3)] including:
 - Criminal activity by the tenant, any member of the household, a guest or another person under the tenant's control that threatens the health, safety or right to peaceful enjoyment of the premises by the other residents, or persons residing in the immediate vicinity of the premises [24 CFR §982.310(d)];
 - Any drug-related criminal activity on or near the premises; or
 - Tenant disturbance of neighbors, destruction of property, or behavior resulting in damage to the premises.

14.4.2 Terminating the Lease After the Initial Term of the Lease

After the initial term of the lease, the owner may terminate the lease for other good cause. Examples of other good cause include:

- Business or economic reason for regaining possession of the unit;
- Owner's desire to repossess the unit for personal or family use or for a purpose other than residential property;

When terminating the lease for business or economic reasons, the owner is required to provide a 90-day notice to both the family and the LACDA.

14.4.3 Requests for Criminal Records by Project-Based Section 8 Owners
[24 CFR §5.903(d)(3)]

Project-based Section 8 owners (excludes housing choice voucher owners), that have contracts with the LACDA, may request that the LACDA obtain criminal records, on their behalf, for the purpose of eviction or lease enforcement. The LACDA will, however, charge a fee in order to cover costs associated with the review of criminal records.

Project-based owners must submit the following items in order for the LACDA to process criminal records. Owner requests must include:

1. A copy of a signed consent form from each adult household members, age 18 years and older. Included in the consent form must be a legible name, the date of birth, a California Identification Number, and a Social Security number. This information will be used for the sole purpose of distinguishing persons with similar names or birth dates.
2. An owner's criteria or standards for evicting drug criminals in accordance with HUD regulations (§ 5.857 of 24 CFR Parts 5 et al.); or criteria for evicting other criminals (§ 5.858 of 24 CFR Parts 5 et al.); or criteria for lease enforcement.

Once the LACDA obtains the criminal records, a determination will be made as to whether a criminal act, as shown by a criminal record, can be used as a basis for eviction or lease enforcement. The LACDA will base its determination in accordance with HUD regulations and the owner criteria.

It is important to note that the LACDA will not disclose the participant's criminal conviction record, nor the content of that record to the owner unless the owner is proceeding with a judicial eviction process. In the case of a judicial eviction, the owner must provide the LACDA with a certification that the criminal records are necessary to proceed with the eviction.

14.5 MUTUAL TERMINATION OF THE LEASE

In cases where the owner and the family agree to terminate the lease, both parties have an obligation to notify the LACDA in writing at least 30 calendar days in advance of the vacate date in order that LACDA may avoid overpayment to the owner. A mutual termination of the lease will not be accepted if it is within a one-year period of the participant's last move or within the initial term of the lease.

14.6 TERMINATION OF THE HAP CONTRACT BY THE LACDA [24 CFR §982.453 – §982.454]

The LACDA will terminate the HAP contract as follows:

1. When the LACDA terminates program assistance for the family.
2. When the owner has breached the HAP contract.

Any of the following actions will be considered a breach of the HAP contract by the owner:

- The owner has violated any obligation under the HAP contract for the dwelling unit, including the owner's obligation to maintain the unit

according to housing quality standards, including any standards the LACDA has adopted in this policy [24 CFR §982.453(a)(1)].

- The owner has violated any obligation under any other HAP contract under Section 8 of the 1937 Act (42 U.S.C. 1437f) [24 CFR §982.453(a)(2)].
 - The owner has committed fraud, bribery or any other corrupt or criminal act in connection with any federal housing program [24 CFR §982.453(a)(3)].
 - The owner has failed to comply with regulations, the mortgage or note, or the regulatory agreement for projects with mortgages insured by HUD or loans made by HUD [24 CFR §982.453(a)(4)].
 - The owner has engaged in drug-related criminal activity [24 CFR §982.453(a)(5)].
 - The owner has committed any violent criminal activity [24 CFR §982.453(a)(6)].
3. If the family is required to move from a unit which is overcrowded based on the LACDA's current subsidy standards [24 CFR §982.403(a)].
4. If funding is no longer available under the ACC [24 CFR §982.454].
- Before terminating HAP contracts on the basis of insufficient funding, the LACDA is required to ensure that the determination of insufficient funding is documented. The LACDA will consider funding insufficient if it is determined that the projected year-end subsidy falls short of the authorized budget amount.
 - The LACDA will determine the number of families that must be terminated, and will present the Board of Commissioners with a recommended method for terminating HAP contracts. Following Board of Commissioner and HUD notification, the LACDA will terminate HAP contracts.
 - Contracts of elderly and disabled families will not be subject to termination.
 - Terminated families will be placed on the waiting list and will receive a preference for assistance from the waiting list.

The LACDA may terminate the HAP contract if the owner has violated any obligation under any other HAP contract under Section 8 of the 1937 Act (42 U.S.C. 1437f) [24 CFR §982.453(a)(2)]. The LACDA will consider the following list of factors in determining whether to terminate the HAP contract for a violation of another HAP contract:

- The nature of the breach
- The location of the other units under contract compared to the subject unit
- The impacts on participants in other the units

Additionally, an owner who breaches a HAP contract may be disapproved to participate in LACDA programs, as detailed in Section 9.11 (Owner Disapproval). The LACDA's rights and remedies against the owner under the HAP contract

include recovery of overpayments, abatement or other reduction of housing assistance payments, termination of housing assistance payments, and termination of the HAP contracts.

Request for reasonable accommodations relating to termination of HAP contracts will be reviewed on a case-by-case basis.

14.7 HAP PAYMENTS AND CONTRACT TERMINATIONS **[24 CFR §982.311]**

When a HAP contract terminates, the LACDA will make payments in accordance with the HAP contract and depending on the reason for the contract termination.

In cases involving a tenant notice to move or a mutual termination, not involving an eviction action, the LACDA will pay the owner for the entire last month that the family was in the unit regardless of the actual day of the month that the family moved out. The LACDA may also pay HAP on behalf of the family for the new unit in the same month.

In cases involving evictions, the LACDA will continue to pay the HAP until the day the family moves out or is evicted [24 CFR §982.311(b)].

In cases involving termination of assistance due to insufficient funding, families will receive a minimum of 30 days notice of termination of assistance.

In cases involving termination of assistance for reasons other than insufficient funding, the LACDA will notify the owner and the family of the proposed termination date. If the family does not request a hearing or the hearing is decided in the LACDA's favor, the HAP payments will terminate in accordance with the notification. If a family continues to occupy the unit after assistance is terminated, the family is responsible for the total amount of rent due to the owner.

If HAP payments are released to the owner for periods of time beyond the dates set forth above, the owner will be required to return all monies to the LACDA within 30 calendar days or within the time specified in any approved repayment agreement. The LACDA also reserves the right to deduct any monies from other HAP payments being made to the owner by the LACDA. If the owner fails to repay the HAP, the account will be forwarded for further action.

CHAPTER 15: TERMINATION OF ASSISTANCE

15.1 INTRODUCTION **[24 CFR §982.552(a)]**

HUD requires the LACDA to terminate assistance for certain offenses. HUD permits the LACDA to terminate assistance for a family because of the family's action or failure to act. The LACDA will provide families with a written description of the family obligations under the program, the grounds under which the LACDA can terminate assistance, and the LACDA's informal hearing procedures. This chapter describes when the LACDA is required to terminate assistance, and the LACDA's policies for the termination of assistance.

15.2 FORMS OF TERMINATION **[24 CFR §982.552(a)(3)]**

Termination of assistance for a participant may include any or all of the following:

1. Refusal to enter into a HAP contract or approve a lease
2. Termination of HAP under an outstanding HAP contract
3. Refusal to process or provide assistance under portability procedures

The LACDA will not terminate assistance of a participant based solely upon incidences of domestic violence, dating violence, sexual assault, or stalking. If termination is based upon behavior resulting from disability, the LACDA will delay the termination in order to determine if there is a reasonable accommodation, pursuant to law, that would cure the grounds for the termination.

15.3 FAMILY NO LONGER REQUIRES ASSISTANCE (ZERO ASSISTANCE) **[24 CFR §982.455]**

The LACDA is required to automatically terminate the HAP contract 180 calendar days after the last housing assistance payment is made to the owner. A family receiving no assistance may remain in the unit for up to 180 calendar days after the last HAP payment. If the family is still in the unit after 180 calendar days, assistance is terminated. If within the 180-day period, an owner rent increase or a decrease in the TTP causes the family to be eligible for a housing assistance payment, the LACDA will resume assistance payments for the family.

In order for a family to move to another unit during the 180 calendar days, the rent for the new unit would have to be high enough to necessitate a housing assistance payment.

15.4 MANDATORY TERMINATION OF ASSISTANCE

HUD requires the LACDA to terminate assistance under the following circumstances:

1. Failure to Provide Consent [24 CFR §982.552(b)(3)].

If any member of the family fails to sign and submit to HUD or LACDA required consent forms for obtaining information

2. Failure to Document Citizenship [24 CFR §982.552(b)(4) and 24 CFR §5.514(c)]

The LACDA must terminate assistance if

- A family fails to submit required documentation within the required timeframe concerning any family member's citizenship or immigration status;
- A family submits evidence of citizenship and eligible immigration status in a timely manner, but the United States Citizenship and Immigration Services (USCIS) primary and secondary verification does not verify eligible immigration status of the family;
- No member of the family is an U.S. citizen or eligible immigrant.

3. Failure to Disclose and Document Social Security Numbers [24 CFR §5.218(c)].

The LACDA is required to terminate assistance for participant families in which no members are U.S. citizens or eligible immigrants. If a family member does not establish citizenship or eligible immigration status as required, the LACDA will prorate the assistance, or if there are no eligible family members remaining, the LACDA will propose program termination and provide the opportunity for an informal hearing, as explained in Chapter 16.

Families are required to submit evidence and sign declarations of their citizenship or eligible immigration status. If the LACDA obtains substantive documentation (such as a permanent resident card or information from another agency) that contradicts a family member's declaration of citizenship, an investigation will be conducted and the individual given an opportunity to present relevant information.

- If the family (or any member) claimed eligible immigrant status and the USCIS primary and secondary verifications failed to document the status, the family may make an appeal to the USCIS and request a hearing with the LACDA either after the USCIS appeal or in lieu of the USCIS appeal.
- If the family member is unable to verify their citizenship, the LACDA may give the individual an opportunity to provide a new declaration as an eligible immigrant or to elect not to contend their status. The LACDA will then verify eligible status, and terminate, or prorate as applicable.
- Assistance may not be terminated while verification of the participant family's eligible immigration status is pending.

After the LACDA has made a determination of ineligibility, the family will be notified of the determination and the reasons, and informed of the option for prorated assistance (if applicable) or the proposed termination.

The LACDA will terminate assistance for misrepresentations or submission of false information.

4. Methamphetamine Manufacture or Production [24 CFR §982.553(b)(1)(ii)]

The LACDA must terminate assistance if any household member has ever been convicted of the manufacture or production of methamphetamine on the premises of federally-assisted housing.

5. Death of the Sole Family Member [24 CFR §982.311(d) and Notice PIH 2010-9]

The LACDA must immediately terminate program assistance for deceased single member households.

6. Failure of Students to Meet Ongoing Eligibility Requirements [24 CFR §982.552(b)(5) and FR 4/10/2006].

If any family member fails to meet the eligibility requirements concerning individuals enrolled at an institution of higher education as specified in Section 2.5

15.5 MANDATORY POLICIES AND OTHER AUTHORIZED TERMINATIONS

[24 CFR §982.553(b) and §982.551(I)]

HUD requires the LACDA to establish policies that permit the LACDA to terminate assistance if the LACDA determines that:

- Any household member is currently engaged in any illegal use of a drug, or has a pattern of illegal drug use that interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents.
- Any household member's abuse or pattern of abuse of alcohol may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents.
- Any household member has violated the family's obligation not to engage in any drug-related criminal activity.
- Any household member has violated the family's obligation not to engage in violent criminal activity.

15.5.1 Use of Illegal Drugs and Alcohol Abuse

In accordance with HUD requirements, the LACDA will terminate a family's assistance if any household member is currently engaged in any illegal use of a drug, or has a pattern of illegal drug use that interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents.

The LACDA will terminate assistance if any household member's abuse or pattern of abuse of alcohol threatens the health, safety, or right to peaceful enjoyment of the premises by other residents.

15.5.2 Drug-Related Criminal Activity

Drug-related criminal activity includes the manufacture, dispensation, distribution, sale, use or possession of illegal drugs. An “illegal drug” is defined as any controlled substance, in any amount, as defined by the United States Code, Title 21, section 802, including but not limited to narcotics, amphetamines, hallucinogens, cocaine, marijuana, medical marijuana, designer drugs, or other intoxicants. This definition also specifically includes over the counter medications used in the manufacture of illegal drugs or for the purposes of becoming intoxicated, and pharmaceutical medications which are used either without being prescribed by a licensed physician or in excess of the amount prescribed by a physician for the purposes of becoming intoxicated.

Drug-related criminal activity does not include the prior use or possession of a controlled substance if the family member had an addiction to the substance and has recovered, or is recovering from the addiction and does not currently use or possess the substance and has demonstrated successful completion of a rehabilitation program [24 CFR §982.553(b)].

In accordance with HUD requirements, the LACDA's policy regarding drug-related criminal activity is as follows:

- The LACDA may propose termination against the family for drug-related criminal activity that occurs on or off the premises of the assisted unit, or drug-related criminal activity committed by a guest or invitee of any family member on the premises of the assisted unit. An arrest or conviction is not required to deny or terminate assistance.
- The LACDA may terminate a participant's assistance if they have been arrested, convicted or whose tenancy is being terminated due to drug-related criminal activity or whose activities, including the activities of their guests or invitees, have created a disturbance in the building or neighborhood.
- Will terminate assistance if the family violates the lease for drug-related criminal activity.

In appropriate cases, the LACDA may permit the family to continue receiving assistance provided that family members determined to have engaged in the prescribed activities will not reside and/or visit in the unit.

15.5.3 Violent Criminal Activity

Violent criminal activity includes any criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force against a person or property, and the activity is being engaged in by any family member, their guests or invitees. Violent criminal activity also includes activity which occurs within the family, such as during domestic disputes.

In accordance with HUD requirements, the LACDA's policy regarding violent criminal activity is as follows:

- The LACDA may propose termination against the family for violent criminal activity that occurs on or off the premises of the assisted unit. An arrest or conviction is not required to deny or terminate assistance.

- The LACDA may terminate a participant's assistance if they have been arrested, convicted or whose tenancy is being terminated due to violent criminal activity or whose activities, including those of their guests and invitees, have created a disturbance in the building or neighborhood.
- The LACDA will terminate assistance if the family violates the lease for violent criminal activity.

Incidents or threats of abuse, or criminal activity related to abuse engaged in by a member or guest of the participant's household, will not be grounds for termination of the victim or threatened victim of the abuse.

In appropriate cases, the LACDA may permit the family to continue receiving assistance provided that family members determined to have engaged in the prescribed activities will not reside in the unit.

15.5.4 Other Criminal Activity **[24CFR§982.553(a)(ii)(A)(3)]**

Other criminal activity includes any criminal activity which may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents or persons residing in the immediate vicinity of the premises.

15.6 OTHER AUTHORIZED REASONS FOR TERMINATION OF ASSISTANCE **[24 CFR §982.552(c), Pub.L. 109-162]**

HUD permits the LACDA to terminate assistance under other circumstances. The LACDA may at any time terminate program assistance to a participant, for any of the following reasons:

1. The family fails to comply with any family obligation under the program as listed in Section 15.7 of this plan [24 CFR §982.551].
2. Any member of the family has been evicted from federally-assisted housing in the last five years and the family failed to disclose the information at admission to the program [24 CFR §982.552(c)(1)(ii)].
3. The family fails to provide critical eligibility information that may have deemed the family ineligible for assistance during the admissions process.
4. Any family member has committed fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program [24 CFR §982.552(c)(1)(iv)].
5. The family currently owes rent or other amounts to the LACDA or to another housing agency in connection with Section 8 or public housing assistance under the 1937 Act [24 CFR §982.552(c)(1)(v)].
6. The family has not reimbursed the LACDA or any housing agency for amounts paid under a HAP contract to an owner for rent, damages to the unit, or other amounts owed by the family under the lease [24 CFR §982.552(c)(1)(vi)].

7. The family has breached the terms of a repayment agreement entered into with the LACDA. [24 CFR §982.552(c)(1)(vii)].
8. The family has engaged in or threatened abusive or violent behavior toward LACDA personnel [24 CFR §982.552(c)(1)(ix)].
 - "Abusive or violent behavior" includes verbal as well as physical abuse or violence. Use of expletives that are generally considered insulting, racial epithets, or other language, written or oral, that is customarily used to insult or intimidate, may be cause for termination.
 - "Threatening" refers to oral or written threats or physical gestures that communicate intent to abuse or commit violence.
 - Actual physical abuse or violence will always be cause for termination.

The LACDA will not terminate a family's assistance because of the family's failure to meet its obligations under the Family Self-Sufficiency program [24 CFR §982.552(c)(1)(viii)].

15.6.1 Registered Sex Offenders

If it is brought to the attention of the LACDA that a current program participant is subject to a lifetime sex offender registration requirement in any state, the LACDA will review the matter on a case-by-case basis. If the participant was erroneously admitted (the household member was subject to a lifetime registration requirement at admission and was admitted after June 25, 2001), the LACDA must immediately pursue termination of assistance for the household member.

If the LACDA erroneously admitted a lifetime sex offender, it must offer the family the opportunity to remove the ineligible family member from the household. If the family is unwilling to remove that individual from the household, the LACDA **must** terminate assistance for the household.

15.7 TERMINATING THE ASSISTANCE OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT OR STALKING VICTIMS AND PERPETRATORS

[24 CFR §5.2005(d)(2)]

VAWA gives the LACDA the right to "terminate assistance to any individual who is a tenant or lawful occupant and who engages in criminal acts of physical violence against family members or others, without evicting, removing, terminating assistance to, or otherwise penalizing the victim of such violence who is also a tenant or lawful occupant."

VAWA does not limit the LACDA's right to terminate the assistance of any participant if the LACDA "can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to the property if that tenant is not evicted or terminated from assistance."

In determining whether a participant who is a victim of domestic violence, dating violence, sexual assault or stalking is an actual and imminent threat to other

tenants or those employed at or providing service to a property, the PHA will consider the following, and any other relevant, factors:

- Whether the threat is toward an employee or tenant other than the victim of domestic violence, dating violence, sexual assault or stalking
- Whether the threat is a physical danger beyond a speculative threat
- Whether the threat is likely to happen within a short period of time
- Whether the threat to other tenants or employees can be eliminated in some other way, such as by helping the victim relocate to a confidential location

If the tenant wishes to contest the LACDA's determination that he or she is an actual and imminent threat to other tenants or employees, the tenant may do so as part of the informal hearing process.

15.7.1 Documentation of Abuse

[24 CFR §5.2007]

When a participating family is facing termination of assistance for reasons related to domestic violence, dating violence, sexual assault or stalking, claims protections under VAWA, the LACDA will request in writing that the individual submit documentation affirming that claim.

The LACDA will accept either of the following forms of documentation:

- A completed and signed HUD-approved certification form (Form HUD-5382, Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking), which must include the name of the perpetrator only if the name of the perpetrator is safe to provide and is known to the victim.
- A record of a Federal, State, tribal, territorial or local law enforcement agency (such as a police report), court, or administrative agency documenting the domestic violence, dating violence, sexual assault or stalking.
- Documentation signed by a person who has assisted the victim in addressing domestic violence, dating violence, sexual assault, or stalking, or the effects of such abuse. This person may be an employee, agent, or volunteer of a victim service provider, an attorney, a medical or mental health professional. The person signing the documentation must attest under penalty of perjury to the person's belief that the incidents in question are bona fide incidents of abuse. The victim must also sign the documentation.

The request for documentation of domestic violence, dating violence, sexual assault, or stalking will be in writing and will specify a deadline of 14 business days following receipt of the request. It will describe the three forms of acceptable documentation, will provide explicit instructions on where and to whom the documentation must be submitted, and will state the consequences for failure to submit the documentation or request an extension in writing by the deadline.

The LACDA reserves the right to waive the documentation requirement if it determines that a statement of other corroborating evidence from the individual will suffice.

The LACDA may, at its discretion, extend the deadline. Any extension granted will be in writing.

15.7.2 Conflicting Documentation

[24 CFR §5.2007(b)(2)]

In the case where the LACDA receives conflicting certification documents from two or more members of the household each claiming to be a victim and naming one or more of the other petitioning household members as the perpetrator, the LACDA will determine which is the true victim by requiring third-party documentation within 30 calendar days in order to resolve the conflict.

If the participants fail or refuse to provide third-party documentation where there is conflicting evidence, the HA does not have to provide the tenant(s) with the protections contained in HUD form-5380, Notice of Occupancy Rights under the Violence Against Women Act.

15.7.3 Terminating the Assistance of a Domestic Violence Perpetrator

[24 CFR §5.2005(b)(2)]

VAWA gives the LACDA explicit authority to terminate assistance to any individual who is a tenant or lawful occupant and who engages in criminal acts of physical violence against family members or others without terminating assistance to, or otherwise penalizing the victim of such violence who is also a tenant or lawful occupant.

The LACDA will terminate assistance to a family member if the LACDA determines that the family member has committed criminal acts of physical violence against other family members or others. This action may not affect the assistance of the remaining, nonculpable family members.

In making the decision to terminate assistance, the LACDA will consider all credible evidence, including, but not limited to, a signed certification (form HUD-5382) or other documentation of abuse submitted to the LACDA by the victim in accordance with this section. The LACDA will also consider the factors in Section 15.8 Consideration of Circumstances. Upon such consideration, the LACDA may, on a case-by-case basis, choose not to terminate the assistance of the culpable family member.

If the LACDA moves forward with terminating the assistance of the culpable family member, the LACDA will do so in accordance with applicable law, HUD regulations, and policies established in Chapter 16. Informal Reviews/Hearings.

15.7.4 Notification Requirement

[24 CFR §5.2005(a)(1)(i)(ii) and §5.2005(a)(2)(iii)]

When moving forward with terminating assistance, the LACDA will include information about VAWA in notices of termination of assistance. The VAWA information provided will consist of the following documents:

- Form HUD-5382, Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking and Alternate Documentation.
- Form HUD-5380, Notice of Occupancy Rights Under the Violence Against Women Act

15.7.5 VAWA Confidentiality

[24 CFR §5.2007(a)(1)(v)]

All VAWA information provided to the LACDA, including the fact that an individual is a victim of domestic violence, dating violence, sexual assault or stalking, shall be retained in confidence, and will not be entered into any shared database or provided to any related entity, except to the extent that disclosure is:

- Requested or consented to by the individual in writing to release the information on a time limited basis;
- Required for use in an eviction proceeding or hearing regarding termination of assistance from a covered program; or
- Otherwise required by applicable law.

15.8 FAMILY OBLIGATIONS

[24 CFR §982.551]

Failure to abide by any of the family obligations is grounds for termination.

1. The family must supply any information that the LACDA or HUD determines is necessary in the administration of the program [24 CFR §982.551(b)]. Information includes any requested certification, release or other documentation. Requirements include:
 - Submission of required evidence of citizenship or eligible immigration status (as provided by 24 CFR part 5);
 - Disclosure and verification of social security numbers (as provided by 24 CFR part 5);
 - Providing any information requested by the LACDA or HUD for use in a regularly scheduled or interim determination of family income and composition, including income, assets, and accurate family composition.
- ~~2.~~ The family must report all changes in earned and unearned income, assets, expenses, full-time student status, and family circumstances within 10 calendar days of the date the change takes effect. ~~all changes in family composition and decreases of income in writing within thirty (30) calendar days after the change has occurred.~~ The owner of the unit and the LACDA must approve changes in composition of the assisted family [24 CFR §982.551(b) and §982.551(h)(2)]. The family must:
 - Report the birth, adoption or court-awarded custody of a child;

- Request LACDA approval to add any other family member;
- Notify the LACDA when a family member no longer lives in the unit.

If the LACDA gives approval, a live-in aide, foster child, or foster adult may live in the unit. Failure to report changes, making false reports and/or allowing unauthorized people in the unit is cause for termination from the program.

~~3.2.~~ All information supplied by the family must be true and complete [24 CFR §982.551(b)].

~~4.3.~~ Maintain the rental unit [24 CFR §982.551(c)]. The family is responsible for any violation of Housing Quality Standards resulting from:

- Failure to pay for tenant-paid utilities;
- Failure to furnish required stove and or refrigerator if to be provided by family; or
- Damage to the unit or grounds by the family or its guests beyond normal wear and tear.

~~5.4.~~ The family must allow the LACDA to inspect the unit at reasonable times and after reasonable notice [24 CFR §982.551(d)].

~~6.5.~~ The family may not commit any serious or repeated violation of the lease [24 CFR §982.551(e)].

~~7.6.~~ The family must notify the owner and, at the same time, notify the LACDA before the family moves out of the unit or terminates the lease on notice to the owner. The family must promptly give the LACDA a copy of any owner eviction notice [24 CFR §982.551(f) – (g)].

~~8.7.~~ The family must use the assisted unit for residence by the family. The unit must be the family's only residence. The family must not sublease or let the unit [24 CFR §982.551(h)(1), (6)].

~~9.8.~~ The family must not assign the lease or transfer the unit. In cases where there is a change in the head of household, the lease may be transferred to the new Head but only with the consent of the owner of the property and the LACDA [24 CFR §982.551(h)(7)].

~~10.9.~~ Members of the household may engage in legal profit-making activities in the unit, but only if such activities are incidental to primary use of the unit as a residence by members of the family [24 CFR §982.551(h)(5)].

~~11.10.~~ The family must supply any information or certification requested by the LACDA to verify that the family is living in the unit, or relating to family absence from the unit, including any LACDA-requested information or certification on the purposes of family absences. The family must cooperate with the LACDA for this purpose. The family must promptly notify the LACDA of absence from the unit [24 CFR §982.551(i)].

~~12.11.~~ The family must not own or have any interest in the unit [24 CFR §982.551(j)].

- ~~13.12.~~ The members of the family must not commit fraud, bribery or any other corrupt or criminal act in connection with the programs [24 CFR §982.551(k)].
- ~~14.13.~~ The members of the family, their guests or invitees, may not engage in drug-related criminal activity or violent criminal activity, or other criminal activity that threatens the health, safety or right to peaceful enjoyment of other residents and persons residing in the immediate vicinity of the premises.
- ~~15.14.~~ The members of the family, their guests or invitees, must not abuse alcohol in a way that threatens the health, safety or right to peaceful enjoyment of other residents and persons residing in the immediate vicinity of the premises.
- ~~16.15.~~ An assisted family, or members of the family, may not receive Section 8 tenant-based assistance while receiving another housing subsidy, for the same unit or for a different unit, under any duplicative (as determined by HUD or in accordance with HUD requirements) federal, State or local housing assistance program [24 CFR §982.551(n)].
- ~~17.16.~~ The family must pay only the amount authorized by the LACDA on the approved lease. Any amount paid by the family other than the authorized amount is considered an illegal side payment and is cause for termination of the housing assistance subsidy. The LACDA may authorize additional payments for other amenities [24 CFR §982.451(b)(4)(ii)].
- ~~18.17.~~ The family must not receive housing choice voucher program housing assistance while residing in a unit owned by a spouse, parent, child, grandparent, grandchild, sister or brother of any member of the family, unless the LACDA has determined (and has notified the owner and the family of such determination) that approving rental of the unit, notwithstanding such relationship, would provide reasonable accommodation for a family member who is a person with disabilities (See Section 9.4 for more information).
- ~~19.18.~~ The family must not have a member that has committed a crime that subjects them to a lifetime sex offender registration requirement imposed by any State sex offender registration program reside in the unit. This is to ensure that no household member or guest is creating or maintaining a threat to the health and safety of other residents or the public.

15.8.1 Missed Appointments and Deadlines

[24 CFR §982.551]

It is a family obligation to supply information, documentation, and certifications as needed for the LACDA to complete required processes. The LACDA schedules appointments and sets deadlines in order to obtain the required information. Failure to supply requested information can result in termination of assistance. Examples of failing to supply requested information can include: failing to sign necessary documents, failing to return

documents or returning incomplete or altered documents, failing to complete all information requested on documents, etc.

The obligations also require that the family keep all appointments and allow the LACDA to inspect the assisted unit. All scheduled inspections are considered “appointments.”

The family will receive information about the requirement to keep appointments, and the number of times that appointments are rescheduled as specified below. Appointments are scheduled and time requirements imposed for the following events and circumstances:

1. Eligibility for Admissions;
2. Verification Procedures;
3. Voucher Issuance and Briefings;
4. HQS Inspections;
5. Re-examinations; and
6. Appeals (Informal Hearing/Reviews).

Examples of good cause for missing appointments or failing to provide information by deadlines are medical and/or family emergencies. In such cases, the family may be requested to provide verification of such circumstances.

An applicant or participant who fails to keep appointments, or to supply information required by a deadline without notifying the LACDA may be sent a notice of termination of assistance for failure to comply with program regulations.

The family may be granted up to two opportunities before they receive a notice of denial or termination for breach of a family obligation. After issuance of the denial or termination notice, if the family offers to correct the breach within the time allowed to request a review or hearing, the notice may be rescinded after the family corrects the breach, if the family does not have a history of non-compliance. For families with a history of non-compliance, the LACDA may elect to hold the review or hearing.

The LACDA may grant exceptions to this policy as a reasonable accommodation, in accordance with section 1.9.2 and 7.11.10.

15.8.2 Enforcing Family Obligations

Explanations and Terms

- **HQS Breach**: The inspector will determine if an HQS breach as identified in 24 CFR §982.404(b) is the responsibility of the family. Families may be given extensions to correct HQS breaches as explained in Chapter 10.
- **Lease Violations**: The following criteria will be used to decide if a serious or repeated violation of the lease will cause a termination of assistance [24 CFR §982.310]:

- If the owner terminates tenancy through court action for serious or repeated violation of the lease.
- If the owner notifies the family of intention to terminate tenancy for serious or repeated lease violations, and the family moves from the unit prior to the completion of court action, and the LACDA determines that the cause is a serious or repeated violation of the lease based on available evidence.
- If there are police reports, neighborhood complaints or other third-party information, and the LACDA has verified the information. Lack of receipts or other proof of rent payments by the family may also be considered verification of lease violations.
- **Family Member Moves Out**: Families are required to notify the LACDA within 310 calendar days if any family member leaves the assisted household [24 CFR §982.551(h)(3)]. When the family notifies the LACDA, they must furnish the following information:
 - The date the family member moved out.
 - The new address, if known, of the family member.
 - A statement as to whether the family member is temporarily or permanently absent.
 - Related income, asset or deduction changes resulting from the member moving.
- **Limitation on Profit-making Activity in Unit [24 CFR §982.551(h)(5)]**: If the business activity area results in the inability of the family to use any of the critical living areas, such as a bedroom utilized for a business which is not available for sleeping, it will be considered a violation.

If the LACDA determines that the use of the unit as a business is not incidental to its use as a dwelling unit, it will be considered a violation of family obligations.
- **Interest in Unit [24 CFR §982.551(j)]**: The owner may not reside in the assisted unit, under any circumstances, including as a live-in aide, regardless of whether the owner is a member of the assisted family, unless assistance is being provided for a mobile home and the family owns the mobile home and rents the pad under the Certificate or Housing Choice Voucher Program.
- **Fraud [24 CFR §982.551(k)]**: In each case, the LACDA will consider which family members were involved, the circumstances, and any hardship that might be caused to innocent members.

15.9 **CONSIDERATION OF CIRCUMSTANCES**

[24 CFR §982.552(c)(2)]

HUD authorizes the LACDA to consider all relevant circumstances when deciding whether to terminate assistance based on a family's past history except in the situations for which termination of assistance is mandatory.

When considering the circumstances of the case, the LACDA will consider the following factors prior to making its decision:

- The seriousness of the case, especially with respect to how it would affect the other residents.
- The extent of participation or culpability of individual family members, including whether the culpable family member is a minor or a person with disabilities, or a victim of domestic violence, dating violence, sexual assault or stalking.
- The length of time since the violation occurred and more recent record of compliance, and the effects of denial or termination of assistance on other family members who were not involved in the action or failure to act, and
- Requests for reasonable accommodation

On a case by case basis the LACDA may counsel the family in lieu of termination.

The LACDA may impose, as a condition of continued assistance for other family members, a requirement that family members that participated in or were culpable for the action or failure will not reside in the unit. The LACDA may permit the other members of a family to continue in the program.

15.10 REQUIRED EVIDENCE [24 CFR §982.553(c)]

The LACDA gathers publicly available arrest data related to its participants, and will take appropriate action related to program violations.

In determining whether to terminate assistance based on criminal activity, the LACDA may terminate assistance if the preponderance of evidence indicates that a family member has engaged in such activity, regardless of whether the family member has been arrested or convicted.

The LACDA may consider arrests, convictions, no contest pleas, fines, city ordinance violations or other credible preponderance of evidence in determining if a violation has occurred.

The LACDA does not use records for juvenile offenses to terminate assistance to the family, except as may be authorized by State or federal law. The LACDA may consider as evidence criminal records of a minor tried and convicted as an adult in criminal court for such offenses as murder, sex offenses, robbery and arson.

Preponderance of evidence is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence which as a whole shows that the fact sought to be proved is more probable than not. The intent is not to prove criminal liability, but to establish that the act(s) occurred. Preponderance of evidence may not be determined by the number of witnesses, but by the greater weight of all evidence.

15.11 CONFIDENTIALITY OF CRIMINAL RECORDS
[24 CFR §5.903(g)]

Criminal records received by the LACDA shall be maintained confidential, not misused, nor improperly disseminated and kept locked during non-business hours. Also, all criminal records will be destroyed no later than 30 calendar days after a final determination is made.

15.12 DISCLOSURE OF CRIMINAL RECORDS TO FAMILY
[24 CFR §5.903(f) and §982.553(d)]

The applicant or household member requesting to be added to the lease will be provided with a copy of the criminal record upon request and an opportunity to dispute the record. Applicants will be provided with the opportunity to dispute the record at an informal review. Participants may contest such records at an informal hearing.

15.13 NOTICE OF TERMINATION OF ASSISTANCE

In any instance where the LACDA decides to terminate assistance to the family, the LACDA must give the family a written notice that includes:

1. The reason(s) for the proposed termination;
2. The effective date of the proposed termination;
3. A copy of the most recent voucher or certificate issued to the HOH;
4. A copy of the most recent Certified Statement of Family Obligations signed by the HOH;
5. Information regarding the family's right to request an Informal Hearing to be held before termination of assistance;
6. The date by which a request for an informal hearing must be received by the LACDA; and
7. If applicable, notice of any criminal records, including arrests and convictions, being used as part of the decision to terminate assistance.

A Notice of Confirmation, which is a final notice of determination and date of termination, will then be sent to the participant if no hearing is requested within the allowable time or if the Informal Hearing confirms the termination.

The LACDA will simultaneously provide written notice of the contract termination to the owner so that it will coincide with the termination of assistance. The notice to the owner will not include any details regarding the reason for termination of assistance.

15.14 OPTION NOT TO TERMINATE FOR MISREPRESENTATION OF INCOME

If the family has misrepresented any facts that caused the LACDA to overpay assistance, the LACDA may choose not to terminate and may offer to continue assistance provided that the family agrees to pay the LACDA the amount owed

and either pays the LACDA in full or executes a Repayment Agreement and makes payments in accordance with the agreement.

15.15 MISREPRESENTATION IN COLLUSION WITH OWNER

If the family willingly and knowingly commits fraud or is involved in any other illegal scheme with the owner, the LACDA will deny or terminate assistance.

15.16 REPORTING TERMINATED FAMILIES TO ENTERPRISE INCOME VERIFICATION (EIV) SYSTEM

If a family is terminated due to an adverse action or leaves the program owing money to the LACDA, the family will be reported to EIV. Additionally, if any debt is owed, the amount of the debt will be recorded in EIV.

CHAPTER 16: INFORMAL REVIEWS/HEARINGS

16.1 INTRODUCTION

This chapter covers the LACDA's policy and procedures for informal reviews and informal hearings. This chapter defines the LACDA's responsibilities to applicants and participants.

16.2 REASONABLE ACCOMMODATION

All requests for accommodation will be verified with a reliable, knowledgeable professional so that the LACDA can properly accommodate the need presented by the disability.

Requests for accommodation from persons with disabilities will be granted upon verification that they are reasonable, and they meet the need presented by the disability.

Reasonable accommodation will be made for persons with disabilities that require an advocate or accessible offices. A designee will be allowed to provide information as needed, but only with the permission of the person with the disability.

16.3 INFORMAL REVIEW PROCEDURES FOR APPLICANTS [24 CFR §982.554(a)]

Under certain circumstances, the LACDA offers informal reviews for applicants. Applicants are defined as families who are on the Section 8 waiting list and are awaiting the issuance of a voucher or families who have been issued a voucher but have not yet been assisted under a Housing Assistance Payment (HAP) Contract.

When the LACDA denies assistance to an applicant, the family is notified in writing. The notice contains:

- The reason(s) for the decision;
- The procedure for requesting an informal review if the applicant does not agree with the decision; and
- The time limit for requesting a review.

The LACDA must provide applicants with the opportunity for an Informal Review of Decisions denying issuance of a voucher or participation in the program.

Applicants who are denied assistance based on ineligible immigration status are entitled to an informal hearing (rather than an informal review).

16.3.1 When an Informal Review is Not Required [24 CFR §982.554(c)]

Informal reviews are not required for established policies, procedures, and LACDA determinations such as:

1. Discretionary administrative determinations by the LACDA;
2. General policy issues or class grievances;
3. A determination of the family unit size under the LACDA subsidy standards;
4. Refusal to extend or suspend a certificate or voucher;
5. Disapproval of lease;
6. Determination that the unit is not in compliance with HQS; or
7. Determination that the unit is not in accordance with HQS due to family size or composition.

16.3.2 Procedure for Review
[24 CFR §982.554(b)]

Informal Reviews will be conducted via mail. Applicants will be required to submit written objections to the LACDA by the close of business day, no later than 15 calendar days from the date of the LACDA's notification of "Notice of Cancellation of Application." The informal review will be conducted within 30 calendar days from the date the request is received.

The informal review will not be conducted by the person who made or approved the decision under review, nor a subordinate of such person. The review may be conducted by:

- A staff person who is not the person who made the decision or his/her subordinate, or
- An individual from outside the LACDA.

A Notice of the Review decision will be provided in writing to the applicant within 30 calendar days after the review. It shall include the decision of the review officer, and an explanation of the reasons for the decision.

All requests for a review, supporting documentation, and a copy of the final decision will be retained in the applicant's file.

Requests for accommodations from persons with disabilities will be granted upon verification that the request is reasonable, and they meet the need presented by the disability on a case-by-case basis.

16.4 INFORMAL HEARING FOR PARTICIPANTS
[24 CFR §982.555]

16.4.1 When an Informal Hearing May Be Requested
[24 CFR §982.555(a)(1)]

A participant family must be given an opportunity for an informal hearing to consider whether certain LACDA decisions are in accordance with the law, HUD regulations and LACDA policies.

1. A determination of the family's annual or adjusted income, and the use of the income to compute the housing assistance payment.

2. A determination of the appropriate utility allowance (if any) for tenant-paid utilities from the LACDA utility allowance schedule.
3. A determination of the family unit size under the LACDA's subsidy standards.
4. A determination that a certificate program family is residing in a unit with a larger number of bedrooms than appropriate for the family unit size under the LACDA's subsidy standards, or a LACDA determination to deny the family request for a waiver from the standards.
5. A determination to terminate assistance for a participant family because of the family's action or failure to act.
6. A determination to terminate assistance because the participant family has been absent from the assisted unit for longer than the maximum period permitted under LACDA policy and HUD rules.

In the cases described in paragraphs (4), (5), and (6) of this section, the PHA must give the opportunity for an informal hearing before the PHA terminates the housing assistance payment for the family under an outstanding HAP contract.

16.4.2 Notification
[24 CFR §982.555(c)]

- When the matter in question is:
1. The determination of the family's annual or adjusted income or computation of the housing assistance payment;
 2. Appropriate utility allowance (if any) for tenant-paid utilities; or
 3. Family unit size,

The LACDA must notify the family that they may ask for an explanation of the basis of the LACDA's determination. The family must also be notified that if the family does not agree with the explanation, the family may request in writing an informal hearing on the decision.

- When the matter in question is:
1. Certificate family residing in too large a unit, or the LACDA's refusal to issue a waiver to subsidy standards;
 2. Termination due to the family's action or failure to act; or
 3. Absence from the assisted unit for longer than the maximum period permitted,

The LACDA must give the family prompt written notice that the family may request in writing an informal hearing on the decision.

- When the LACDA has made a decision to:
1. Terminate HAP on behalf of a participant under an active contract;
 2. Refuse to re-issue a voucher; or
 3. Refuse to execute a new contract with a program participant,

The family must be given written notice of the opportunity for an informal hearing before the termination of Housing Assistance Payments.

- The notice must:
 1. Contain a brief statement of reasons for the decision;
 2. Inform the participant regarding his/her right to an informal hearing;
 3. Advise the participant that a request for an informal hearing must be in writing;
 4. Advise the participant that the LACDA must receive the request within 15 calendar days of the date of the letter; and
 5. Explain the basic elements of the informal hearing, i.e., right of the participant to present evidence, question witnesses, to have representation, the LACDA-designated impartial hearing officer written decision.

16.4.3 Prior to Hearing **[24 CFR §982.555(e)(2)]**

Before the informal hearing, the family may request an appointment to examine any documents in the family's portion of the file that are directly relevant to the hearing. The family must be allowed to copy any such document at the family's expense. If the LACDA does not make the document in the family's file available for examination on request of the family, the LACDA may not use the document at the hearing.

The LACDA may also provide information to participants on relevant documents in the possession of other public agencies in order for the participant to contact the agency and obtain a copy of the document. The LACDA may then reference the contents of the document at the hearing through witness testimony.

The LACDA requires that the family submit any documents that are directly relevant to the hearing either before or at the time of the hearing. The LACDA must be allowed to copy any such documents at the LACDA's expense. If the family does not make the document available for examination on request of the LACDA, the family may not rely on the document at the hearing.

During the course of the hearing, if the family offers to submit evidence, the Hearing Officer is not required to, but may exercise the discretion to allow the family to submit a document within a specified period.

16.4.4 Hearing Process **[24 CFR §982.555(d)]**

When a participant family has timely requested a hearing, the LACDA will proceed within 15 calendar days of receipt of the request to notify the participant of the date, time and location of the hearing.

- There may be one postponement of the hearing date by the participant. A request to reschedule must be requested before the scheduled date and may not extend beyond the proposed termination date.

- Any additional postponements may only be for good cause such as, but not limited to hospitalization, illness or injury. Second postponement requests must be supported by verification of the cause.

16.4.5 Hearing Officer **[24 CFR §982.555(e)(4)]**

The Hearing Officer may be either a LACDA employee or an outside third party contracted by the LACDA. The Hearing Officer must not have made or approved the decision under review nor be a subordinate of the person who made the decision. The Hearing Officer controls the informal hearing and may:

- Control the scope and method of direct and cross examination of witnesses;
- Control the admission and determine relevancy of offered evidence;
- Question witnesses and set time limitations for any portion of the informal hearing process.
- May consider evidence without regard to admissibility under the rules of evidence applicable to judicial proceedings.

The Hearing Officer will audio record the hearing and follow the format set forth below.

16.4.6 Opening

The Hearing Officer will convene the informal hearing with both parties and their representatives present. (If the participant is represented, the participant will have provided the LACDA written authorization for the representative to do so.)

The Hearing Officer will explain the informal hearing procedures, state the purpose of the hearing, and inform the participant that the hearing will be recorded. The Hearing Officer may request clarification or ask questions of either side or witnesses at any time during the Informal Hearing. Each person present will introduce himself or herself.

16.4.7 Presentations

Each side will have an opportunity to present its case and be allowed to present witnesses and submit relevant evidence as determined by the Informal Hearing Officer. (Witnesses may be cross-examined at this time.) The LACDA begins the hearing by presenting the Notice of Hearing. The LACDA will then present a copy of the original notification to the participant regarding the matter, followed by the evidence, including testimony of witnesses, which supports the allegations in the notification.

16.4.8 Rebuttals

Each side will have an opportunity to present rebuttal to the evidence presented.

16.4.9 Final Summary

Each side is then allowed to summarize its arguments.

16.4.10 Conclusion of Hearing

The Hearing Officer may continue a hearing if additional information from either party is requested. Otherwise, the Hearing Officer will advise each side that the testimony and evidence will be reviewed, a final decision made and a determination letter issued stating the decision and the reasons for the decision within 10 calendar days. The decision of the Hearing Officer is final.

The Hearing Officer will use the following principles for the Informal Hearings and decisions:

1. Evidence may be considered without regard to admissibility under the rules of evidence applicable to judicial proceedings.
2. Determinations on the matter being reviewed shall be based on the evidence presented at the hearing.
3. If the issues and differences can properly be resolved at the hearing, the Hearing Officer should attempt to resolve them through mutual consent as long as the resolution is not contrary to applicable law, HUD regulations and/or LACDA's policies.
4. The purpose of the hearing is to determine if the original decision made in the case is in accordance with the law, HUD regulations and LACDA policies.
5. The Hearing Officer may not make a finding contrary to HUD regulations or requirements, contrary to federal, state or local law or exceeding the authority of the Hearing Officer.

16.5 WHEN AN INFORMAL HEARING IS NOT REQUIRED [24 CFR §982.555(b)]

The LACDA is not required to provide a participant family an opportunity for an informal hearing for the following:

1. To review discretionary administrative determinations by the LACDA, or to consider general policy issues or class grievances;
2. To review the LACDA's determination that a unit does not comply with HQS, **except** when the breach of HQS was determined to be tenant-caused;
3. To review decision by the LACDA to exercise or not exercise any remedy against the owner under an outstanding Contract, including the termination of HAP to the owner;
4. To review the LACDA's decision not to approve a family's request for an extension or suspension of the term of the voucher;
5. Determination that the unit is not accordance with HQS due to family size;

6. Establishment of the LACDA's schedule of utility allowances for families in the program; or
7. A LACDA determination not to approve a unit or lease.

CHAPTER 17: OWNER OR FAMILY DEBTS TO THE LACDA

17.1 INTRODUCTION **[24 CFR §982.163 and §792]**

This chapter describes the LACDA's policies and guidelines for the recovery of debts and the use of repayment agreements. Before a debt is assessed against a family or owner, the file must contain documentation to support the LACDA's claim that the debt is owed. The file must further contain written documentation of the method of calculation, in a clear format for review by the owner or the family, as appropriate.

When families or owners owe money to the LACDA, every effort will be made to collect the debt. A variety of collection tools to recover debts may be used including, but not limited to:

- Requests for lump sum payments
- Repayment agreements
- Abatements

17.2 REPAYMENT AGREEMENTS FOR FAMILIES **[24 CFR §792.103]**

A Repayment Agreement as used in this plan is a document entered into between the LACDA and the person who owes a debt to the LACDA. The Repayment Agreement contains:

- Reference to the paragraphs in the family obligations whereby the person is in non-compliance and may be subject to termination of assistance; and
- A statement that the monthly retroactive rent repayment amount is in addition to the family's regular rent contribution and is payable to the LACDA; and
- The terms of the agreement may be renegotiated if there is a decrease or increase in the family's income; and
- Late and missed payments constitute default of the repayment agreement and may result in termination of assistance; and
- An acknowledgment by the person of the debt in a specific amount; and
- The terms of repayment; and
- Any special provisions of the agreement.

17.2.1 Late Payments

A payment will be considered to be in arrears if the payment has not been received by the close of the business day on which the payment was due.

- If the due date is on a weekend or holiday, the due date will be at the close of the next business day.

If the family's repayment agreement is in arrears, the LACDA may do one or more of the following:

- Require the family to pay the entire arrearage plus current month's payment in order avoid loss of assistance;
- Require the family to pay the balance in full in order to avoid losing assistance;
- Pursue civil collection of the balance due; or
- Terminate the housing assistance.

17.2.2 Requests To Move

If the family requests to move to another unit and has a repayment agreement in place, the family will be required to pay the balance in full prior to the issuance of a voucher, regardless of whether or not the family is current with its payments.

Under special circumstances indicated below, the LACDA may make an exception and allow a family to move without paying the entire balance of the debt if the family is current or can become current with its payments:

- HAP contract is terminated due to owner non-compliance
- A natural disaster
- The unit is uninhabitable or has major HQS deficiencies that are not the result of a family action or inaction.
- A life-threatening situation such as the family is a witness to or a victim of a crime and must move for safety reasons. The family will be required to provide proof in such cases.

17.2.3 Guidelines for Repayment Agreements

The LACDA, at its sole discretion, will determine on a case-by-case basis whether or not to offer a family a repayment agreement for monies owed to the LACDA. The offer of a repayment agreement does not constitute an agreement to continue the family's assistance. However, the LACDA will propose termination of the family's assistance upon refusal by the family to enter into a repayment agreement.

Repayment Agreements will be executed between the LACDA and the head of household or other adult family member.

Monthly payments may be decreased in cases of hardship with the prior notice of the family, verification of hardship, and the approval of a LACDA Manager.

If the LACDA offers a repayment agreement, the family has the option to repay retroactive rent balances as follows:

1. In a lump sum amount; or
2. A monthly payment; or
3. A combination of a lump sum and monthly payment.

The LACDA will usually ask that the family pay an initial lump sum (in an amount determined by the LACDA) with the remaining balance to be paid in equal payments over a period of time not to exceed 12 months for amounts under \$2,400 or 24 months for any amount in excess of \$2,400.

In determining the initial lump sum, the LACDA will consider the total amount owed, the ability of the person to make the remaining payments and the percentage of the total sum owed. In most cases, the LACDA will ask the family to pay a significant initial lump sum as part of entering into a Repayment Agreement to help ensure full payment to the LACDA and to reduce the monthly payment. These terms will be negotiated with the tenant.

Additional Debt Incurred: If the family has a Repayment Agreement in place and incurs an additional debt to the LACDA:

- The LACDA may choose, at its discretion, to agree to more than one Repayment Agreement at a time with the same family.
- If a Repayment Agreement is in arrears more than 30 calendar days, any new debts must be paid in full.

17.3 FAMILY DEBTS OWED FOR UTILITY REIMBURSEMENT PAYMENTS

Families must repay Utility Reimbursement Payments (URP) made by the LACDA for periods in which the family was not entitled to the URP.

If the amount of the URP owed to the LACDA is \$50 or less, the tenant will be required to pay the debt in full.

17.4 FAMILY DEBTS DUE TO FRAUD/NON-REPORTING OF INFORMATION [24 CFR §792.103]

HUD's Definition of Program Fraud and Abuse: A single act or pattern of actions that constitutes false statement, omission, or concealment of a substantive fact, made with intent to deceive or mislead, and that results in payment of Housing Choice Voucher Program funds in violation of Housing Choice Voucher Program requirements.

17.4.1 Family Error/Late Reporting

Families who owe money to the LACDA due to the family's failure to report income or change in allowances or deductions will be required to repay in accordance with the guidelines set forth in 17.2 (Repayment Agreements for Families) of this chapter.

17.4.2 Program Fraud

At the LACDA's discretion, families who owe money to the LACDA due to program fraud will be required to repay the debt, and may be required to accept a repayment agreement in accordance with the guidelines set forth in Section 17.2 (Repayment Agreements for Families) of this chapter.

In addition, the case may be referred to the Inspector General and/or the LACDA may refer the case for criminal prosecution.

17.5 FAMILY DEBTS PAID IN FULL

If the LACDA determines not to enter into a Repayment Agreement, or if the Repayment Agreement is breached and the LACDA demands payment of the balance in full, the family must pay the full amount due and owing in one lump sum. If the family fails to pay, the LACDA will terminate the family's assistance and may pursue collection through a collection agency or a civil action and may notify credit agencies of the debt. Whether or not the amount is paid, the LACDA does not waive its right to take other action including termination of assistance or referral for criminal prosecution in appropriate cases.

17.6 OWNER DEBTS TO THE LACDA

If the LACDA determines that the owner has retained Housing Assistance or Claim Payments the owner is not entitled to, the LACDA may deduct the amounts owed from future Housing Assistance or Claim Payments owed the owner for any units under contract.

If future Housing Assistance or Claim Payments are insufficient to reclaim the amounts owed, LACDA may do one or more of the following:

- Require the owner to pay the amount in full within 30 calendar days;
- Pursue collections through the local court system;
- Pursue collections through a collection agency; or
- Restrict the owner from future participation;
- Agree to a repayment agreement with the owner for the amount owed. Repayment period may not exceed 2 months; however an owner may appeal to the Executive Director in writing for additional time.

17.6.1 Owner Debts Due to Fraud

If the landlord has been overpaid because of fraud, misrepresentation or violation of the contract, the LACDA may terminate the contract and arrange for restitution to the LACDA and/or family as appropriate.

The LACDA will make every effort to recover any overpayments made as a result of landlord fraud or abuse. Possible remedies available to the LACDA include: recovering monies owed from payments otherwise due to the owner, setting up a repayment agreement, referring the debt to a collection agency, or pursuing the matter in a civil court. A determination on the course of action to be taken will be based on the nature of the violation and the amount of the money owed.

Generally, if the owner is cooperative, is willing to pay back all monies owed, and all monies will be repaid within 2 months, the LACDA will offer the owner a chance to enter into a Repayment Agreement. However, in cases where the owner knowingly and willfully violated program rules, the LACDA may seek full repayment in one lump sum.

17.7 WRITING OFF DEBTS

Debts may be written off if:

- The debtor's whereabouts are unknown and the debt is more than 3 years old.
- A determination is made that the debtor is judgment proof.
- The debtor is deceased and has an insufficient estate.
- The debtor is confined to an institution indefinitely or for more than 3 years.
- The amount is less than \$100 and the debtor cannot be located.
- If a family defaults on a repayment agreement for an amount less than \$50.

CHAPTER 18: SPECIAL PROGRAMS

18.1 **INTRODUCTION**

The LACDA periodically has the opportunity to apply for targeted funding for special populations. The LACDA often enters into collaborative agreements with other agencies or County departments to qualify for and/or administer these funds. **Special Program policies and procedures are the same as that of the Housing Choice Voucher program except as otherwise noted. If there is a conflict between program regulations and the Admin Plan, the program regulations have precedence.**

Currently, The LACDA's Special Needs Housing and Special Program Units administer the following targeted programs:

- Family Unification Program (Family UP);
- Welfare-to-Work Program (WtW);
- Continuum of Care Program (CoC);
- Housing Opportunities for Persons with AIDS Program (HOPWA);
- Veterans Affairs Supportive Housing (VASH) Program, and
- The Family Self-Sufficiency Program (FSS).

This chapter provides details on the special programs currently administered by the LACDA. This section is divided into two main parts:

- Housing Assistance Programs, and
- Family Self-Sufficiency Program.

Housing Choice Voucher Welfare-to-Work Program (WtW) Program. This program originally provided assistance to families who were eligible for CalWORKs benefits, were in good standing with the employment/job training program offered by the Los Angeles County Department of Public and Social Services (DPSS) and were in need of housing in order to obtain or retain employment. The LACDA no longer accepts applicants for the Welfare to Work program, however original participants still receive assistance with a Welfare to Work voucher. The LACDA maintains these contracts in accordance with the policies found throughout this Plan for traditional Housing Choice Vouchers.

18.2 **VETERANS AFFAIRS SUPPORTIVE HOUSING (VASH) PROGRAM**

This program provides rental assistance to homeless veterans and their families in combination with case management and clinical services through the Department of Veterans Affairs (VA) at Veterans Affairs Medical Center (VAMC) supportive service sites.

18.2.1 Referral Process/Waiting List

The LACDA does not maintain a waiting list for the VASH Program. Instead, the VAMC utilizes a Coordinated Access System to refer homeless veterans and their families to the LACDA for VASH program rental assistance.

18.2.2 Eligibility

To qualify for VASH rental assistance, applicants must meet HUD's income eligibility requirements. To determine final eligibility, the LACDA may verify all information submitted by applicants.

VASH applicants are not subject to a criminal background check, except to determine if any member of the family aged 13 and older is subject to a lifetime sex offender registration requirement.

For more specific information on eligibility requirements, refer to Chapter 2 Admission Eligibility Factors and Applicant Requirements.

18.2.3 Income Targeting

VASH applicants are not subject to income targeting requirements. The LACDA may include the admission of an extremely low-income VASH applicant in its income targeting report for the fiscal year in which the family was admitted.

18.2.4 Denial of Participation

[24 CFR §982.552 and §982.553]

VASH applicants may not be denied assistance except for failure to meet income eligibility or for being subject to a state lifetime sex offender registration requirement. If a VASH applicant is denied assistance, the LACDA will send a copy of the denial notice to HUD Headquarters, Office of Public and Indian Housing, as specified in PIH Notice 2008-37.

18.2.5 Verification Procedures

Since HUD requires that factors of eligibility must be verified, applicants and program participants are required to provide proof of their statements whenever required by the LACDA.

The Homeless Condition Form is not required for VASH participants as the VAMC will verify if the participant is homeless.

18.2.6 Briefing Sessions and Voucher Issuance

Briefing sessions are conducted for all eligible VASH applicants. Families are issued a Housing Choice Voucher with an initial search time of a minimum of 120 days.

See Chapter 8 for policies regarding voucher extensions.

18.2.7 Contracts/Tenant Payments

Similar to the the Housing Choice Voucher Program, VASH program families are contracted based on the payment standards, and participants may pay up to 40% of their adjusted monthly income for the initial lease of a unit.

Unlike the Housing Choice Voucher program, VASH families may enter into an initial lease of less than 12 months [FR-5596–N–01].

For more specific information on determining total tenant payment, please refer to Chapter 6. For more specific information on the new contract process, request for tenancy approval and contract execution, please refer to Chapter 9.

18.2.8 Eligible Housing Types

Along with other eligible housing types listed in Chapter 9 The New Contract Process , VASH families may also use the voucher in a unit owned by the VA on the grounds of the VAMC.

18.2.9 Re-Examinations

The LACDA is required to process annual re-examinations. In cases where a family experiences a change in household composition and/or income between annual re-examinations, the LACDA ~~will~~may process an interim re-examination. The family is required to report all changes in ~~household composition and decreases in income to the LACDA within 30 calendar days of occurrence. earned and unearned income, assets, expenses, full-time student status, and family circumstances within 10 calendar days of the date the change takes effect.~~

For more specific information regarding causes for processing annual/interim re-examinations and the requirements for completing annual/interim re-examinations, please refer to Chapter 12 (Re-Examination).

18.2.10 Housing Quality Standards (HQS) Inspections

[24 CFR §982.401 and §982.405]

Housing leased with a VASH voucher must meet the HQS performance requirements both at commencement of assisted occupancy, and throughout the assisted tenancy.

After initial occupancy, VASH housing will be subject to at least an annual inspection to ensure that the housing continues to meet HQS.

For more specific information, refer to Chapter 10. Housing Quality Standards and Inspections.

18.2.11 Terminations

[24 CFR §982.552 and §982.553]

VASH families are required to participate in case management services provided by the VAMC. In cases where the VASH family failed to comply with this requirement without good cause, at the direction of the VA, the LACDA must propose termination of the family's assistance.

A VA determination that the family no longer requires case management is not grounds for termination.

VASH participants are subject to the Housing Choice Voucher program rules under the family obligations. For more specific information on family obligations, please see Section 15.7 Family Obligations.

18.2.12 Program Transition

If the VAMC determines the family no longer requires case management services, the LACDA will issue the family a regular Housing Choice Voucher in order to retain the VASH voucher for homeless veterans in need of case management services.

18.2.13 Portability

VASH families may port before initial lease-up, even when they did not reside in the LACDA's jurisdiction at the time of application.

If a VASH family ports to a Public Housing Agency where they can be served by the VAMC that services the LACDA's jurisdiction, the receiving Public Housing Agency must bill the LACDA. If a VASH family ports to another Public Housing Agency with an available VASH voucher and where the family will be served by the VAMC in that area, the receiving Public Housing Agency must absorb the family.

A VASH family may not port to another Public Housing Agency where there is no VAMC that can serve them. They also may not port where the family will receive case management through the receiving Public Housing Agency's VAMC and the receiving Public Housing Agency does not have an available VASH voucher.

For more specific information on allowable moves and eligibility for portability, please refer to Chapter 13 (Allowable Moves/ Portability).

18.3 HOUSING OPPORTUNITIES FOR PERSONS WITH AIDS (HOPWA)

This program specifically targets individuals and families afflicted by HIV/AIDS. Assistance under this program is provided for one year. After the one-year term, all HOPWA participants in good standing are allowed to transition to the regular Housing Choice Voucher Program. This program is also administered by the LACDA in other cities in addition to the cities currently within the LACDA's jurisdiction.

18.3.1 Referral Process/Waiting List

The LACDA does not maintain a waiting list for the HOPWA Program. Eligible families are identified to apply for this program by pre-selected service providers or other agencies and are referred to the LACDA.

18.3.2 Eligibility

Applicants must meet HUD's eligibility requirements for HOPWA to qualify for rental assistance. In order to determine final eligibility, the LACDA may verify all information submitted by applicants.

For more specific information on eligibility requirements, please see Chapter 2 (Admission Eligibility Factors and Applicant Requirements).

18.3.3 Verification Procedures

Since HUD requires that factors of eligibility must be verified, applicants and program participants are required to provide proof of their statements whenever required by the LACDA.

The Verification of Disability and/or Diagnosis Form must be provided for all individuals claiming a disability, especially a disability that is cited as a qualifying factor for the HOPWA program. Written determinations must be made by a medical professional trained to make such determination.

18.3.4 Denial of Participation

If a family previously participated in any special program and violated a family obligation and was terminated, the family may be denied future participation.

Families may be denied participation in the program if they owe the LACDA, or any other housing agency, money in connection with the Housing Choice Voucher Program or Public Housing assistance.

Families referred by contracted Community-Based Organizations (CBO's), will be sent a denial letter and referred to the CBO if there are any further questions.

18.3.5 Criminal Background

Applicants of the HOPWA Program are not required to submit to a criminal background check to determine eligibility.

18.3.6 Briefing Sessions

Briefing sessions are conducted for all special programs. HOPWA applicants are issued certificates.

For more specific information on voucher issuance and briefings, please see Chapter 8 (Voucher Issuance and Briefing).

18.3.7 Contracts/Tenant Payments

The HOPWA program is contracted based on the Fair Market Rents published by HUD and tenant rental portions are limited to 30% of the participant's adjusted monthly income.

For more specific information on determining total tenant payment, please refer to Chapter 6. For more specific information on the new contract process, request for tenancy approval and contract execution, please refer to Chapter 9.

18.3.8 Re-Examinations

The LACDA is required to process annual re-examinations. In cases where a family experiences a change in household composition and/or income between annual re-examinations, the LACDA ~~will~~ may process an interim re-examination.

The family is required to report all changes in ~~household composition and decreases in income to the LACDA within 30 calendar days of occurrence. earned and unearned income, assets, expenses, full-time student status, and family circumstances within 10 calendar days of the date the change takes effect.~~

For more specific information regarding causes for processing annual/interim re-examinations and the requirements for completing annual/interim re-examinations, please refer to Chapter 12 (Re-Examination).

18.3.9 Housing Quality Standards (HQS) Inspections

[24 CFR §982.401 and §982.405]

Housing leased with a HOPWA Program funds must meet the HQS performance requirements both at commencement of assisted occupancy, and throughout the assisted tenancy.

After initial occupancy, HOPWA housing will be subject to at least an annual inspection to ensure that the housing continues to meet HQS.

For more specific information, refer to Chapter 10. Housing Quality Standards and Inspections.

18.3.10 Terminations

- **Proposed Terminations:** Community Based Organizations and/or other government units or departments currently contracted by the LACDA to provide supportive services may request termination of housing assistance for a program participant who is in violation of program requirements and/or conditions of occupancy.
- **Terminations:** Housing assistance may be terminated if a family violates specific program requirements and/or the family obligation.

For more specific information on family obligations, please see Chapter 15 (Family Obligations).

18.3.11 Portability

HOPWA participants have no portability rights as long as they continue being assisted under this program. However, after 1 year of HOPWA assistance, eligible participants are converted to the regular Housing Choice Voucher program and become eligible to port out to another Public Housing Agency jurisdiction.

For more specific information on allowable moves and eligibility for portability, please refer to Chapter 13 (Allowable Moves/ Portability).

18.4 HOUSING CHOICE VOUCHER FAMILY UNIFICATION (FAMILY UP) PROGRAM

This program provides assistance to families who are in imminent danger of losing or who cannot regain custody of their minor children due to lack of adequate housing and to foster care youth at risk of homelessness. This program is a collaborative effort between the LACDA and the Los Angeles Department of Children and Family Services (DCFS). Eligible program participants are identified by DCFS and referred to the LACDA for rental assistance. The LACDA may also refer program participants from the LACDA waiting list to DCFS.

The FUP program is funded from the LACDA's routine voucher turnover, i.e. vouchers that are vacated throughout the year because families are terminated from the program or voluntarily leave.

For the purpose of the FUP program, the LACDA will not require that a program applicant qualify for a residential preference since most applicants are homeless and are unable to provide information about their last known permanent address. However, applicants must agree to reside in the LACDA's jurisdiction for the first year of assistance.

18.4.1 Referral Process/Waiting List

Eligible individuals and families are identified to apply for these programs by DCFS and are referred to the LACDA. Those referred will be maintained on the LACDA's waiting list.

18.4.2 Eligibility

Applicants must meet HUD's eligibility requirements for the FUP program to qualify for rental assistance. In order to determine final eligibility, the LACDA may verify all information submitted by applicants.

The eligibility requirements for FUP youth are limited to those ages 18 to 24 that are homeless or at risk of being homeless, and for those that left foster care at age 16 or older, or those that are within 90 days of leaving foster care.

For more specific information on eligibility requirements, please see Chapter 2 (Admission Eligibility Factors and Applicant Requirements).

18.4.3 Verification Procedures

Since HUD requires that factors of eligibility must be verified, applicants and program participants are required to provide proof of their statements whenever required by the LACDA.

18.4.4 Denial of Participation

If an applicant previously participated in any special program and violated a family obligation and was terminated, the applicant may be denied future participation.

Applicants may be denied participation in the program if they owe the LACDA, or any other housing agency, money in connection with the Housing Choice Voucher Program or Public Housing assistance.

Applicants will be sent a denial letter and referred to DCFS if there are any further questions.

18.4.5 Criminal Background

Program applicants will require criminal background checks.

For more specific information on the applicant screening standards used by the LACDA when reviewing criminal records, please see Section 2.8 (Denials of Assistance).

18.4.6 Briefing Sessions

Briefing sessions are conducted for all eligible applicants.

For more specific information on voucher issuance and briefings, please see Chapter 8 (Voucher Issuance and Briefing).

18.4.7 Contracts/Tenant Payments

The FUP program is contracted based on the payment standards, and participants may pay up to 40% of their adjusted monthly income.

For more specific information on determining total tenant payment, please refer to Chapter 6. For more specific information on the new contract process, request for tenancy approval and contract execution, please refer to Chapter 9.

18.4.8 Re-Examinations

The LACDA is required to process annual re-examinations. In cases where a family experiences a change in household composition and/or income between annual re-examinations, the LACDA ~~will~~ may process an interim re-examination. The family is required to report all changes in ~~household composition and decreases in income to the LACDA within 30 calendar days of occurrence.~~ earned and unearned income, assets, expenses, full-time student status, and family circumstances within 10 calendar days of the date the change takes effect.

For more specific information regarding causes for processing annual/interim re-examinations and the requirements for completing annual/interim re-examinations, please refer to Chapter 12 (Re-Examination).

18.4.9 Terminations

- **Proposed Terminations:** DCFS may request termination of housing assistance for a program participant who is in violation of program requirements and/or conditions of occupancy.

- **Terminations:** Housing assistance may be terminated if a family violates specific program requirements and/or the family obligation.

For more specific information on family obligations, please see Section 15.7 Family Obligations.

18.5 FAMILY SELF-SUFFICIENCY PROGRAM **[24 CFR §984.101(a)]**

Family Self-Sufficiency promotes the development of local strategies to enable families to achieve economic independence and self-sufficiency. The program is designed to provide supportive services for families who are residents within the LACDA's jurisdiction. Supportive services include but are not limited to childcare, education, transportation, counseling, job preparation, vocational training and home ownership workshops.

New admissions to the Family Self-Sufficiency program will be limited to the level of available funding.

Upon becoming employed, FSS participants continue to pay rent in accordance with the LACDA's housing choice voucher procedures. Whenever the participant's rent increases due to earned income, the LACDA establishes an interest bearing Escrow Account in their name. If the family successfully completes the contract obligations within 5 years, the family can apply to graduate from the program and receive the accrued portion of their escrow account.

The LACDA is to establish a Program Coordinating Committee (PCC) consisting of at least one representative of the LACDA and at least one of the residents assisted under the section 8 housing voucher program; to assist in securing commitments of public and private resources for the operation of the FSS program.

18.5.1 FSS Application Process

Applications are readily available to Section 8 program participating families. Upon request, an application will be mailed to the family. Tenants will not be penalized for not participating in the FSS Program since it is a voluntary program. Once an application is returned to the FSS office, eligibility is determined. If the application is not accepted, the tenant will be notified in writing within 30 calendar days.

~~At the time of enrollment, the LACDA is required to ensure that the family's income be updated to be within 120 days from the effective date of the Contract of Participation. At the family's written request, the LACDA will process an interim re-examination to meet this requirement.~~

18.5.2 Waiting List **[24 CFR §984.203(b) and (c)]**

If there is no current availability to enroll eligible participants, applicants will be placed on the FSS waiting list in the order of the date and time their applications are received by HACOLA. When a slot becomes available, the next eligible

family will be contacted through telephone or mail for an interview with an FSS program specialist. Applicants who: 1) fail to respond; 2) do not attend the interview; and/or 3) are not willing to sign the FSS Contract of Participation will be removed from the waiting list in accordance with section 24 CFR §984.203(c).

HACOLA's FSS program will give priority to incoming portable families with an active FSS Contract of Participation.

18.5.3 FSS Eligible Families **[24 CFR §984.103]**

FSS eligible families are housing choice voucher holders and/or residents of County Public Housing.

- “FSS family” or “participating family” means a family that receives assistance under Public Housing or the Housing Choice Voucher Program and elects to participate in the FSS Program and whose designated head of FSS family has signed the Contract of Participation.
- “Head of the FSS family” means the adult member of the FSS family who is the head of household for purposes of determining income eligibility and rent.

18.5.4 Denial of Participation **[24 CFR §984.303 and §984.305(b)]**

If a family previously participated in the FSS Program but did not meet its obligations and was terminated, the family may be denied future participation.

Families may be denied participation in the program if they owe the LACDA or any other housing agency money in connection with the Housing Choice Voucher Program or Public Housing assistance.

18.5.5 Contract of Participation (COP) **[24 CFR §984.303]**

If the family is eligible to participate, the LACDA will prepare a Contract of Participation (CoP) and an Individual Training and Services Plan (ITSP) for the household within 30 calendar days of the date the application is returned. The COP is valid for five years and may be extended up to two years to allow the family to meet their goals. Following execution of the CoP and ITSP, participants are referred to an FSS case manager for contract administration and may also be referred to a contracted Community Based Organization (CBO) for supportive services. The contract will contain the effective date as well as the expiration date. It will outline the resources, supportive services, and the starting base for determining the escrow account. In addition, the contract will outline the guidelines for administering and disbursing the escrow funds in accordance with [24 CFR §984.303(b)(1)].

18.5.5.1 Needs Assessment

The LACDA will perform a needs assessment with the family using various needs assessment tools. Upon completion of the assessment, the FSS case manager will be able to establish the milestones, and short and long-term goals

designated for the head of household on the ITSP and any other participating family members with an executed ITSP.

18.5.5.2 Individual Training and Service Plan (ITSP)

The contract must contain an ITSP for the FSS head of household. Other adult family members who wish to receive services must also have an individual training and services plan to participate in the FSS program. The resources and services to be provided must be contained in the plan. It must contain the milestones, interim goals and final goal for suitable employment.

Each individual FSS contract must contain an ITSP for the FSS head of household and any participating family member. The items included on the ITSP will include:

- The resources and services to be provided by the LACDA and contracted supportive services provider;
- The individual milestones, interim goals and final goal for suitable employment;
- Completion dates for each individual interim goals will be included on or before the contract expiration date;
- A mandatory interim goal for families receiving welfare is that all family members must be free of welfare assistance for 12 consecutive months prior to the expiration of the contract (including extensions) [24 CFR §982.306(b)(2)];

The requirement for the head of the FSS family to seek and maintain suitable employment throughout the term of the contract; and

Each ITSP plan must be signed by the participant and a LACDA representative.

Any changes to the ITSP must be included as a revision to the original plan. The revision may be based on the following reasons: factors keeping the client from effectively becoming suitably employed, lack of supportive services, and unforeseen circumstances/barriers. The revision must include:

- The item changed;
- Signature of the participant and a LACDA representative; and
- The date signed.

18.5.5.3 Executing the FSS Contract of Participation (CoP) **[24 CFR §984.303]**

The CoP establishes an agreement between the family and the LACDA as to the responsibilities of each party. The contract is to be signed by the head of the FSS family, which is the head of household for purposes of determining eligibility. The effective date of the contract will be the first of the month after the contract is executed. The limited term is 5 years. Copies of the documents will be furnished to the head of household.

The CoP may be modified in the following areas, if the LACDA and the family mutually agree [24 CFR §984.303(f)]:

- Individual Training and Services Plan
- The contract term (extension)

- Designation of the FSS head of the family in cases where the FSS head is deceased or becomes unassisted

A change in the designated FSS head must be included as an attachment to the Contract. It must contain the following:

- Name of new designated FSS head
- The signatures of the new FSS head and a LACDA representative
- The date signed

The following representative(s) is/are authorized to execute a contract on behalf of the LACDA: the Special Programs Manager, the FSS Coordinator, and the FSS Program Specialist.

18.5.5.4 Contract Extensions **[24 CFR §984.303(d)]**

The contract may be extended in writing and at the family's request, for up to 2 years for good cause. The LACDA will only grant an extension in rare circumstances that are beyond the control of the family, and which prevent completion of the training and services plan. Termination of employment for nonperformance by the FSS head is not justification for a contract extension. The LACDA may extend the CoP to allow families to meet the interim goal of being welfare-free at least 12 consecutive months prior to the expiration of the contract. During an extension to the contract, the family continues to have FSS amounts credited to the escrow account.

18.5.5.5 Completion of the Contract **[24 CFR §984.303(g)]**

The contract of participation is considered to be completed, and a family's participation in the FSS Program is considered to be concluded when one of the following occurs:

- The FSS family has fulfilled all of its obligations under the Contract of Participation on or before the expiration of the contract term, including any extension thereof; or
- For HCV FSS participants only, 30% of the monthly adjusted income of the FSS family equals or exceeds the published existing housing fair market rent for the size of the unit for which the FSS family qualifies based on the PHA's occupancy standards. The Contract of Participation will be considered completed and the family's participation in the FSS Program concluded on this basis even though the contract term, including any extension thereof, has not expired, and the family members who have individual training and services plans have not completed all the activities set forth in their plans. The head of the FSS family must certify that to the best of his or her knowledge, no member of the FSS family is a recipient of welfare assistance

(cash maintenance payments) on the last day in which 30% of the monthly adjusted income of the FSS family equals or exceeds the published existing housing fair market rent for the size of the unit for which the FSS family qualifies for based on the PHA's occupancy standards.

- **NOTE:** Public Housing participant families are excluded from the second option, which allows for COP completion or graduation if 30% of the family's monthly-adjusted income is greater than or equal to the area's FMR.

The LACDA may set milestones for employment and other activities leading to self-sufficiency early in the 5-year contract term in accordance with the family's abilities. The family's obligations may terminate before the end of the 5-year contract term, and the family's participation in the FSS Program and entitlement to the escrow may be less than 5 years.

18.5.5.6 Termination of the Contract **[24 CFR §984.303(h)]**

The contract of participation is automatically terminated if the family's Section 8 assistance is terminated in accordance with HUD requirements. The Contract of Participation may be terminated before the expiration of the contract term, and any extension thereof, by:

- Mutual consent of the parties;
- The failure of the FSS family to meet its obligations under the contract of participation without good cause, including in the Section 8 FSS Program the failure to comply with the contract requirements because the family has moved outside the jurisdiction of the PHA;
- The family's withdrawal from the FSS Program;
- Such other act as is deemed inconsistent with the purpose of the FSS Program; or
- Operation of law

18.5.6 Compliance With The Lease **[24 CFR §984.303(b)(3)]**

The Contract provides that the family must comply with the assisted lease. Therefore, noncompliance with County Housing Development lease, or the lease with the owner in the Housing Choice Voucher Program, is grounds for termination of the FSS Contract of Participation.

In the Housing Choice Voucher Program, if the violation of the lease is "serious or repeated," the LACDA may also terminate program assistance.

18.5.7 Escrow Accounts **[24 CFR §984.305]**

The general concept of the escrow account is that FSS families continue to pay rent in accordance with their incomes (even as their incomes increase due to employment income). As a rule, the amount of the increase in earned income is escrowed. Because there are other factors that affect the family rent, it will not

necessarily be dollar for dollar. The amount escrowed for the family will depend on whether the family is considered a very low- or low-income family.

- **Disbursing the FSS Escrow Account:** The amount in an FSS account, in excess of any amount owed to the LACDA by the FSS family, is paid to the head or designated remaining family member of the FSS family [24 CFR §984.305(c)]:
 - When the contract of participation has been completed. The head of the family must provide written certification that no member of the family is receiving welfare assistance (cash maintenance payments); and
 - For HCV FSS participants only, when 30% of the family's monthly adjusted income equals or is greater than the Fair Market Rent amount for the unit size for which the family qualifies. The family must provide written certification that no member of the family is receiving welfare assistance (cash maintenance payments).
- **NOTE:** Public Housing participant families are excluded from the second option, which allows for COP completion or graduation if 30% of the family's monthly-adjusted income is greater than or equal to the area's FMR.
- **Interim Disbursement:** The LACDA may, at its sole discretion, disburse a portion of the funds from the family's escrow account during the contract period for contract-related expenses if the family has fulfilled certain interim goals and needs a portion of the FSS account funds for purposes consistent with contract such as [24 CFR §984.305(c)(2)]:
 - School tuition;
 - Business start-up expenses;
 - Car when public transportation is unavailable or inaccessible to the family; or
 - Job training expenses.

The family may use the final disbursement of escrow account funds without restriction.

The LACDA cannot restrict a family's use of FSS escrow account funds withdrawn by the family unless the funds are withdrawn to aid in the completion of an interim goal.

- If a family receives an advance payment from their escrow account prior to completing the Contract, the advance payment does not have to be repaid to the LACDA if the family drops out of the FSS program, unless the payment was due to fraud or misinformation by the family.

If the family moves outside of the LACDA's jurisdiction under the Housing Choice Voucher Program portability procedures, the LACDA may transfer the balance of the family's FSS escrow account to another public housing agency [24 CFR §984.306(e)].

18.5.7.1 Reporting on FSS Accounts
[24 CFR §984.305(3)]

- Each FSS family will receive an annual report on the status of the family's FSS escrow account, which will include:
- The balance at the beginning of the reporting period;
- The amount of the family's rent payment that was credited to the FSS account during the reporting period;
- Any deductions made from the account for amounts due to the LACDA before interest is distributed;
- The amount of interest earned on the account during the year; and
- The total in the account at the end of the reporting period.

18.5.7.2 Forfeiting the FSS Escrow Account
[24 CFR §984.305(f)]

Amounts in the FSS escrow account will be forfeited if:

- The Contract of Participation is terminated;
- The Contract of Participation is completed but the family is receiving welfare assistance when the contract expires, including extensions; or
- The head of the family dies and the remaining members of the family choose not to continue participating in the program, and the contract obligations have not been met.

If families do not pay their rent to the owner, the funds may be forfeited because:

- Compliance with the applicable housing choice voucher or Public Housing lease is a family obligation under the Contract, and
- Nonpayment of rent is grounds for terminating a family's FSS participation and forfeiture of the escrow.

In the housing choice voucher program, FSS account funds forfeited by the family will be treated as program receipts for payment of program expenses under the LACDA's Housing Choice Voucher Program budget. Escrow funds may be used by the LACDA for HUD-approved expenses; such expenses may include rental assistance payments.

In Public Housing, the forfeited account will be credited to the LACDA's operating reserves and counted as other income in the calculation of the Public and Indian Housing Performance Funding System (PFS) operating subsidy eligibility for the next budget year. The escrow funds may be used by the LACDA for HUD-approved expenses such as Public Housing maintenance costs.

18.5.8 Change in Family Composition

If the head of the FSS family no longer resides with other family members in the assisted unit, the remaining family members of the family will have the right to designate another family member to receive the funds. The LACDA must approve this change.

If a family with two adults splits up, the LACDA will determine if the escrow should be paid. The family may be paid if the family member that continues to reside in a Housing Development and/or retains the rental assistance through the Housing Choice Voucher Program:

- Is already head of the FSS family, or
- Was not designated as head of the FSS family but now designates himself or herself to receive the escrow account.

18.5.9 FSS Termination/Cancellation/Portability
[24 CFR §984.303(h)]

The LACDA is responsible for determining whether the family has violated the FSS contract and whether the family's rental assistance should be terminated.

18.5.9.1 FSS Termination Due To Portability
[24 CFR §984.306(f)]

If an FSS family relocates to another Public Housing Agency located *outside* of the County of Los Angeles' geographic area, the family will be terminated from HACoLA's FSS Program.

If an FSS family ports to another Public Housing Agency after the initial term of their FSS COP, and the receiving Public Housing Agency is absorbing the family, the family will have up to 1 year to transfer its FSS COP to the receiving Public Housing Agency, if the receiving Public Housing Agency is willing to enroll the family into its FSS program

If the receiving Public Housing Agency does not have an FSS Program or rejects the family, the family will be terminated from LACDA's FSS Program.

If a relocating FSS family is unable to fulfill its obligation under the FSS contract, the LACDA or the receiving Public Housing Agency, whoever is party to the FSS Contract of Participation may:

- Terminate the family from the FSS Program and the family's FSS account will be forfeited, and
- Terminate the family's rental assistance since the family failed to meet its obligations under the FSS contract.

If the family's FSS account is forfeited, the funds in the account will revert to the Public Housing Agency maintaining the FSS account for the family and will be treated as program receipts.

CHAPTER 19: ENHANCED HOUSING CHOICE VOUCHER ASSISTANCE

19.1 INTRODUCTION [24 CFR §886 & §882]

Enhanced voucher assistance will be offered to eligible residents under the following categories of Housing conversion actions - owner opt-outs and preservation prepayments, who are residing in the property on the date of the eligibility event (the contract expiration or the effective date of the prepayment).

In addition, although families affected by Section 8 moderate rehabilitation opt-outs are eligible for enhanced vouchers which are subject to the policies described by this section, these opt-outs are not considered a housing conversion action because the expiring contract is between the owner and the LACDA.

Families residing in eligible project-based developments on the date of the owner's prepayment/termination/opt-out will be offered a subsidy (enhanced voucher) if they meet other eligibility criteria. A family will be required to contribute a minimum amount toward rent.

Unlike a regular voucher, the subsidy is "enhanced" to cover the difference between the normally applicable payment standard and the possibly higher proposed rent of the unit that is going through the housing conversion action and Moderate Rehabilitation program opt-outs.

19.2 TERMS/PROVISIONS

The residents of the project-based program under the HUD Section 8 Contract are eligible to receive an Enhance Housing Choice Voucher if the participant eligibility screening is approved, including the criminal background check requirement.

The LACDA issues a family an enhanced voucher based on the number of bedrooms the family qualifies for under the current subsidy standards, not actual size of the unit the family is occupying. If the bedroom size of the family's unit exceeds the number of bedrooms the family qualifies for under the current subsidy standards the family is *over-housed*.

19.2.1 Characteristics of Enhanced Voucher Assistance

Enhanced vouchers have several special requirements but in all other respects are subject to normal housing choice voucher program rules.

- 1. Payment standard where the family chooses to stay in the same project.**

For families who choose to remain in place, the payment standard equals the new proposed gross rent. The payment standard equals the new gross rent for the unit after the opt-out or prepayment (provided the gross rent is reasonable based on comparable units).

If the Total Tenant Payment (TTP) exceeds the applicable payment standard at conversion, then the tenant is not eligible for assistance.

2. Payment standard where the family chooses to move.

In all cases where the family decides to move from the development, HCV rules apply. (The payment standard equals the lesser of the new gross rent or payment standard).

This payment standard includes situations where the family must move in order to receive assistance because the proposed new rent for the family's current unit in the preservation/opt-out development is reasonable in relation to comparable units.

3. Housing Quality Standards (HQS) Inspections

For families that chose to remain in place, the unit must meet the HQS performance requirements both at commencement and throughout the assisted tenancy. After the unit meets the initial HQS performance requirements, the unit will be subject to at least an annual inspection to ensure that the housing continues to meet HQS. For more specific information, refer to Chapter 10. Housing Quality Standards and Inspections.

4. Rent Reasonableness

When an in-place family receives an enhanced voucher, the LACDA ensures the rent reasonableness of the proposed gross rent for the family.

5. Minimum Rent Requirement

All families who stay in their current unit or move to an appropriate size unit within the same development and receive assistance with an enhanced voucher (whether previously assisted or non-assisted) are subject to a statutory minimum rent. The minimum rent is the amount of rent the family was paying on the date of the conversion action or Section 8 Moderate Rehabilitation owner opt-out. The minimum rent represents the lowest amount the family may pay as their family contribution. Depending on the circumstances, the family may have to pay more than the minimum rent.

6. Calculating HAP Payments

When a family with an enhanced voucher remains in-place (or moves to an appropriate size unit within the development) AND the new gross rent exceeds the applicable payment standard and is rent reasonable; the HAP equals the new gross rent for the unit minus the GREATER of:

- 30% of the monthly adjusted family income, or
- 10% of the family gross income, or
- The gross total tenant payment (TTP or family contribution for an assisted family) that the family was paying on the date of the prepayment/termination; i.e. minimum tenant rent.

19.2.2 Availability of Appropriate Size Units in the Project

The over-housed family must move to an appropriate size unit or suitable (smaller than the unit the family currently occupies but no smaller than the unit size the family qualifies for) in the project if one is available in order to receive enhanced voucher assistance. The enhanced voucher housing assistance payment calculation is based on the gross rent of the appropriate size unit.

19.2.3 No Appropriate Size Units Currently Available in the Project

If there is no appropriate or suitable size unit currently available for the family in the project, the LACDA executes a HAP contract on behalf of the family for the oversized unit, provided the rent is reasonable and the unit complies with all other program requirements such as the housing quality standards.

The enhanced voucher housing subsidy calculation is based on the gross rent for the oversized unit. The subsidy calculation will continue to be based on the gross rent (including subsequent rent increases) for the oversized unit until an appropriate or suitable size unit in the project becomes available for occupancy for the family.

19.2.4 Actions when Appropriate Size Units Later Become Available in the Project

The owner must immediately inform the LACDA and the family when an appropriate or suitable size unit becomes available in the project. When an appropriate or suitable sized unit becomes available, the family residing in the oversized unit must move to the appropriate or suitable sized unit within 30 days from the date of the passed inspection, or within 60-days if an extension was granted (based upon extreme hardship), to continue to receive enhanced voucher assistance. One 30-day extensions may be authorized as a result of an extreme hardship that prevents the family from moving during the initial 30-day period. An extreme hardship includes, but is not limited to, financial hardship, personal illness, the illness or death of a relative (regardless of whether the person is a member of the proposed assisted household), and instances in which the head, spouse or co-head were required to be out of the local area or were otherwise unavailable to move into the available unit. Such matters will be considered on an individual basis and must be supported by verifiable documentation.

The family and owner will enter into a new lease and the LACDA will execute a new HAP contract with the owner for the smaller bedroom size unit. The enhanced voucher subsidy calculation will be based on the gross rent for the smaller bedroom size unit.

If an over-housed enhanced voucher family refuses to move to an available smaller unit, staff will calculate the family's housing assistance payment (HAP) for the oversized unit based on the current applicable voucher subsidy formula using the applicable payment standard. The family will be responsible for any amount of the gross rent not covered by the housing assistance payment.

19.2.5 Decrease in Family Size or Change in Family Composition

If, as a result of a decrease in family size or change in family composition, an enhanced voucher family later becomes over-housed, the same policy regarding over-housed enhanced voucher families would apply. The family would continue to receive enhanced voucher assistance in the oversized unit until such time that an appropriate or suitable sized unit becomes available for occupancy by the family in the project.

If an over-housed enhanced voucher family refuses to move to the appropriate or suitable sized unit, staff will calculate the family's housing assistance payment (HAP) for the oversized unit based on the current applicable voucher subsidy formula using the applicable payment standard. The family will be responsible for any amount of the gross rent not covered by the housing assistance payment.

If there are more over-housed families than the number of available appropriate or suitable sized units in a project at any given time, the LACDA will require families to move to the appropriate or suitable size unit by prioritizing first according to the families that have been over-housed the longest (by move-in date) and secondly the family's anniversary date (if needed). If the family is unable to move due to a disability and a reasonable accommodation has been approved, we will move to the next household by date of their initial lease.

For families who choose to vacate, the enhanced voucher becomes a regular housing choice voucher and the eligibility requirements policy is the same as for screening regular admissions for the Housing Choice Voucher Program. Families are then also eligible for portability and the minimum rent requirement is no longer applicable.

19.3 COVERED HOUSING CONVERSION ACTIONS

There are two types of housing conversion actions that the property owners can choose: preservation pre-payment or opt-out.

1. Pre-payment date is the date the owner officially "pays off" their HUD-insured mortgage. The property is no longer considered a Project-Based or Affordable Development, and the owner is free to increase rents to market levels. As early as 60 days after this "pre-payment date," the residents are no longer protected by the subsidy or affordable rents.
2. Opt-out is where owners elect to discontinue the existing contract with HUD and no longer desire to participate in any subsidy program. In cases when owners pre-pay either their mortgage loan or opt-out of the Section 8 Housing Assistance, federal law requires that owners provide the tenants with a 1-year notification before the expiration of the Section 8 Contract. The owners are required to give proper notice of intent to pre-pay or opt-out to HUD, a notice of intent to pre-pay loan to California Housing Partnership Office, the Participant City, the local LACDA, and the Legal Aid Foundation. These notifications must be sent at least 1 year in advance, along with the notice of intent to increase the rent with a minimum of 60-day notice to the tenants of such a rent increase.

19.3.1 Family Eligibility for Enhanced Vouchers

Preservation Prepayment: A family/individual is eligible to receive an enhanced voucher subsidy due to a preservation prepayment in an eligible development on the effective date of prepayment or voluntary termination of mortgage insurance and is income-eligible on that effective date:

- **The family is an elderly or disabled moderate-income family; (at least 80% but does not exceed 95% of area median income); or**
- The family annual income is low (at or below 80% of area median income) or very low-income (at or below 50% of area median income); or
- A moderate-income family residing in a low vacancy area (3% or less vacancy rate) as determined by the local HUD office; and
- The family resides in the development on the conversion date; and
- The unit is an appropriate size; and passes HQS.

A family not qualified in one of the categories on the effective date of the prepayment/termination is not eligible, regardless of whether the family's income situation changes during the next 12 months.

Unassisted and Assisted Families: Both unassisted and assisted families may be eligible for the enhanced voucher subsidy.

- Assisted Families are families residing in the development at the time of the prepayment/termination who currently receive tenant-based rental assistance from a local PHA. These participants must abide by the special provisions of the enhanced vouchers if the family chooses to remain in the unit. Continued residency at the development invokes minimum rent requirements.
- Unassisted Families are families residing in the development at the time of the prepayment/termination and are not current tenant-based voucher recipients.

Opt-Out: A family is eligible to receive an enhanced voucher subsidy due to an owner electing not to renew an expiring Section 8 project-based contract (Opt-Out) if:

- The family has an annual income that is at or below 80% of area median income, and
- The family resides in a unit covered by the expiring contract on the date of the expiration, and
- The amount the family pays for gross rent exceeds 30% of their adjusted monthly income as a result of the owner's rent increase, and
- The unit the family presently occupies or chooses to occupy is an appropriate sized unit and passes an HQS inspection.

19.4 DENIAL OF ENHANCED VOUCHER SUBSIDY

The LACDA may deny a family an enhanced voucher for the same reasons listed for denial of rental assistance in the regular HCV program, including income ineligibility, delinquencies, classification as a lifetime sex offender, or for other criminal activity.

The LACDA must provide a family that is denied assistance an opportunity for an informal review according to Chapter 16 (Informal Reviews/Hearings).

CHAPTER 20: MODERATE REHABILITATION PROGRAM

20.1 INTRODUCTION

[24 CFR §882]

The Moderate Rehabilitation (Mod Rehab) Program was designed in 1978 to be an expansion of the rental certificate program. The rental certificate program was initially amended to permit moderate levels of rehabilitation to upgrade and preserve the housing stock. The rental certificate program required a minimum expenditure of \$1,500 in repairs to meet the program housing quality standards.

After the work was completed, owners entered into a 15-year Housing Assistance Contract with the local Public Housing Agency. Using this 15-year rental certificate contract, the Public Housing Agency helped the owner repay the loan by subsidizing the rents of low-income participants at a higher-than-fair market rate. The contract tied rental subsidies to the building not the participant. Although funding is no longer available for new participants, the Housing Assistance Division continues to administer existing contracts under this program. **Mod Rehab policies and procedures are the same as those of the Housing Choice Voucher program except as otherwise noted. If there is a conflict between program regulations and the Admin Plan, the program regulations have precedence.** For the re-examination process for the participant, see Chapter 12 (Re-Examination). On family obligations, see Section 15.7 Family Obligations. These rulings apply to the Section 8 Certificate Program and the Housing Choice Voucher Program.

20.2 THE EXPIRED 15-YEAR CONTRACTS

The 15-year contracts have since expired. HUD has authorized housing authorities to extend expiring Moderate Rehabilitation Contracts under certain conditions. These conditions are as follows:

- The project must have five or more units. If a building has five or more units, but only one of the units is under Moderate Rehabilitation Program then the unit is covered under the contract. The building still qualifies for an extension because the requirement is tied to the project not the contract.
- The owner must be in good standing with the current contract. Examples of non-compliance: on-going non-compliance with the Housing Quality Standard inspections.

20.3 REQUESTING AN EXTENSION

The LACDA closely monitors the expiration dates for all Moderate Rehabilitation contracts and mails the owners a letter asking owners if they would like to request an extension. Owners need to reply immediately to this letter if they wish to extend another year. The extension of the contract is a 1-year extension. HUD has allowed the LACDA to continue to extend the "extension" contract for

another year. This has been the practice since 1996. However, there is no guarantee that the contracts will continue to be extended in the future.

If an owner does not wish to extend the Mod Rehab Contract for their building, they are under no obligation to extend the contract. Rules governing the Moderate Rehabilitation program require that the owners give their tenants 1-year notice in advance of the expiration of the contract and their intent to opt-out of the program. The families will receive enhanced vouchers and have the right to remain in the units as long as the units are used for rental housing. If the family chooses to vacate the Mod Rehab unit, then the family will be given a Housing Choice Voucher.

If an owner does not provide a family with the required notice, the family is protected as if they were under an assisted tenancy until 1 year from the time the owner actually provides the notice. This means that if the owner elects not to renew the contract and the family chooses to remain in the unit as an unassisted tenant, the owner will be required to accept the family portion of the rent as full payment until he/she has complied with the notification requirement.

20.4 ANNUAL INCREASE FOR THE EXPIRED 15-YEAR CONTRACTS

The LACDA will mail the owner a letter regarding their upcoming expiration date and advise them of their annual increase that may be granted to them providing that they choose to extend their contract. The owner must respond immediately for an extension so that the LACDA can expedite the process to secure funding for the new coming year.

The methodology used to calculate the rent that an owner may be eligible to receive under the renewal contract is different. To determine the rent under the extension contract the LACDA must compare the following three rent analyses:

- Existing contract rents multiplied by the Operating Cost Adjustment Factors (OCAF);
- The Mod Rehab FMR (120% of the existing Fair Market Rents) minus the Utility allowance; and
- Comparable market rents

The rent under the extension contract is based on the lowest of the above three figures. The LACDA will complete this analysis for the building and provide the owner with a copy.

For the participant's re-examination process, see Chapter 12 (Re-Examination). For family obligations, see Section 15.7 Family Obligations. These two rulings apply to the Section 8 Certificate Program and the Housing Choice Voucher Program.

20.5 NON-EXPIRED MOD REHAB CONTRACTS

For those Mod Rehab contracts that have not reached their 15-year contract, the annual increases may be granted providing:

- The owner submits a proper 60-day notice, prior to the anniversary date, of their rent increase amount to the LACDA.
- The new rent increase does not exceed the annual adjustment factor and comparables justify the increase.
- The unit has passed inspection.

20.6 REQUEST TO MOVE

Since the assistance is attached to the unit and not the participant, assistance will be terminated for participants who relocate from their Mod Rehab unit. Participants who were selected from the Housing Choice Voucher waitlist and have been issued a voucher must submit their proper 30 day notice to their owner and mail a copy to the LACDA prior to vacating their unit. At the time of vacate an owner may claim vacancy loss (see Section 20.13 Owner Claims) waiting lists.

20.7 WAITING LIST [24 CFR §882.513]

The LACDA will use a separate waiting list for each project under the Mod Rehab program. Applicants currently on the tenant-based assistance waiting list will be given an opportunity to place their name on a Mod Rehab waiting list, with their original date and time intact. If a new applicant applies to the tenant-based waiting list, the applicant will be given the opportunity to also place their name on any open Mod Rehab waiting list.

If a Mod Rehab waiting list is opened to the public, it will be advertised on the LACDA's website, along with its admissions preferences, in accordance with HUD fair housing guidelines and using the equal housing opportunity logotype, statement and slogan.

20.8 REFERRALS [24 CFR §882.514]

All assisted units must be leased to families found eligible and referred to the owner by the LACDA from the LACDA's waiting list. Admissions procedures will follow those outlined in Chapter Four of this Plan.

When vacancies occur, the LACDA will refer to the owner one or more appropriate size families on its waiting list.

If the LACDA is unable to refer a sufficient number of interested applicants on the waiting list to the owner within 30 days of the owner's notification to the LACDA of a vacancy, the owner may advertise or solicit applications from income-eligible families and refer them to the LACDA to determine eligibility.

Since the owner is responsible for tenant selection, the owner may refuse any family provided that the owner does not unlawfully discriminate. Should the owner reject a family and should the family believe that the owner's rejection was the result of unlawful discrimination; the family may request the assistance of the LACDA in resolving the issue. If the issue cannot be resolved promptly, the

family may file a complaint with HUD, and the LACDA may refer the family to the next available Moderate Rehabilitation unit.

20.9 NEW LEASE PROCESS

Once the applicant has been determined eligible by the LACDA for the Mod Rehab program, the LACDA will contact the applicant and schedule them for a briefing. After the briefing the applicant will then be referred to the owner for tenancy approval (this includes the owner selection process in Section 20.8 Referrals). Once the tenant is approved by the owner, the LACDA will contact the owner/manager to schedule a new lease inspection.

Upon passing of the initial inspection, the LACDA will contact the owner to obtain the new lease which will include the effective date and security deposit information.

Upon receipt of the signed lease, the LACDA will release the HAP payment to the owner.

20.10 PHYSICAL CONDITION AND INSPECTION REQUIREMENTS

[24 CFR §882.404 and §5.705]

Housing assisted through the Moderate Rehabilitation program must be maintained and inspected in accordance with the requirements in 24 CFR part 5, subpart G.

The LACDA is responsible for conducting a physical inspection of Moderate Rehabilitation program housing annually in accordance with HUD-prescribed physical inspection procedures. The housing is subject to the Lead-Based Paint requirements specified at 24 CFR §882.404(d) and Chapter 10. Housing Quality Standards and Inspections.

20.11 SECURITY DEPOSITS

[24 CFR §882.414]

If at the time of the initial execution of the lease the owner wishes to collect a security deposit, the maximum amount shall be the greater of one month's Total Tenant Payment or \$50. For units leased in place, security deposits collected prior to the execution of a Contract which are in excess of this maximum amount do not have to be refunded until the family vacates the unit subject to the lease terms. The family is expected to pay security deposits and utility deposits from its resources and/or other public or private sources.

20.12 OVERHOUSED AND UNDERHOUSED TENANTS

[24 CFR §882.509]

If the LACDA determines that a unit is not decent, safe, and sanitary by reason of an increase in family size or that a unit is larger than appropriate for the size of the family according to the LACDA's occupancy standards, housing assistance payments with respect to the unit will not be abated.

The owner must offer the family an appropriate size unit should one be available and the family will be required to move. If the owner does not have a suitable available unit, the LACDA will assist the family in locating other standard housing in the area within the Family's ability to pay. The family will be required to move to such a unit as soon as possible.

In no case will a family be forced to move nor will housing assistance payments under the Contract be terminated unless the family rejects, without good reason, the offer of a unit which the LACDA judges to be acceptable.

20.13 TERMINATION OF TENANCY
[24 CFR §882.511]

The must not terminate or refuse to renew a family's lease, except on the following grounds:

- (1) Serious or repeated violation of the terms and conditions of the lease.
- (2) Violation of applicable Federal, State or local law.
- (3) Other good cause.

20.13.1 Notice of Termination of Tenancy

The Owner must serve a written notice of termination of tenancy on the family which states the date the tenancy shall terminate. Such date must be in accordance with the following:

- (i) When termination is based on failure to pay rent, the date of termination must be not less than five working days after the family's receipt of the notice.
- (ii) When termination is based on serious or repeated violation of the terms and conditions of the lease or on violation of applicable Federal, State or local law, the date of termination must be in accordance with State and local law.
- (iii) When termination is based on other good cause, the date of termination must be no earlier than 30 days after the notice is served on the family.

The notice of termination must:

- (i) State the reasons for such termination with enough specificity to enable the family to prepare a defense.
- (ii) Advise the family that if a judicial proceeding for eviction is instituted, the tenant may present a defense in that proceeding.
- (iii) Be served on the family by sending a prepaid first class properly addressed letter (return receipt requested) to the tenant at the dwelling unit or by delivering a copy of the notice to the dwelling unit.

20.13.2 Continuation of Housing Assistance Payments

A family's eligibility for Housing Assistance Payments shall continue until the Total Tenant Payment equals the gross rent. The termination of eligibility for HAP at such point will not affect the family's other rights under its lease, nor will such termination preclude the resumption of payments as a result of later changes in income, rents or other relevant circumstances during the term of the Contract.

20.14 OWNER CLAIMS

Under the Moderate Rehabilitation Program, owners may make a special claim for damages, unpaid rent, and vacancy loss after the tenant has vacated the unit. Owner claims for payment for unpaid rent, damages, or vacancy loss will be reviewed for accuracy and completeness and compared with records in the file. The LACDA establishes standards by which to evaluate claims, but the burden of proof rests with the owner.

If vacancy loss is claimed, the LACDA will ascertain whether the family gave proper notice of its intent to move. The file will also be reviewed to verify owner compliance at the time the contract was terminated.

The LACDA will pay properly filed claims to the owner as a function of the contract; however, any amount paid to the owner by the tenant will be reimbursed to the LACDA from the owner.

**20.14.1 Unpaid Rent
[24 CFR §882.414 (d)]**

Unpaid rent only applies to the tenant's portion of rent while the tenant is in residence under the assisted lease and only until the termination date of the HAP contract.

Separate agreements are not considered a tenant obligation under the lease and the LACDA will not reimburse the owner for any claims under these agreements.

**20.14.2 Vacancy Loss
[24 CFR §882.411]**

Vacancy loss under the Mod Rehab Program is paid if an eligible family moves from the assisted unit, unless the move was a consequence owner action in violation of the lease or contract..

In order to claim vacancy loss, the unit must be available for lease and the landlord must:

1. Notify the LACDA within 72 hours upon learning of the vacancy, or prospective vacancy, and
2. The LACDA will require documentation from the owner that the owner pursued all possible activities to fill the vacancy, including, but not limited to:
 - Not rejecting potentially eligible applicants except for good cause acceptable to the LACDA; or

- Providing a list of income-qualified applicants to the LACDA in the case where the LACDA's waiting list cannot provide sufficient eligible applicants for the unit. The owner must document that attempts to find eligible applicants, such as:
 - Contacting applicants on the owner's waiting list, if any;
 - Advertising the availability of the unit.

When a tenant moves, the landlord may claim vacancy loss for the amount of Housing Assistance Payment (HAP) the owner was entitled to for the rest of the month in which the tenant vacated. Additionally, the owner may receive HAP in an amount not to exceed 80% of the contract rent for an additional month. However, if the owner collects any of the family's share of the rent for this period, the payment must be reduced to an amount which, when added to the family's payment, does not exceed 80 percent of the Contract Rent. Any such excess must be reimbursed by the owner to the LACDA.

In the event that a unit becomes vacant because of death, the LACDA will permit the owner to keep the HAP for the month in which the tenant died, but will pay no further HAP.

20.14.3 Damage Claims

To ensure valid claim processing, the LACDA will conduct a thorough move-in inspection noting conditions as well as HQS deficiencies, take pictures of questionable items, and send a report of all items to the owner and tenant.

The owner must be present during the move-out inspection and only damages claimed by the owner are reimbursable.

All claims for damages must be supported by the actual bills for materials and labor and a copy of the canceled checks or other receipts documenting payment. Estimates are accepted at the discretion of the LACDA depending upon the nature of the work to be done.

Bills from individuals providing labor must include their name, Social Security number, address and phone number. The owner may not bill himself/herself for labor since that is not considered by the LACDA to be an "actual cost". However, the actual cost of the owner's employees' labor, such as the resident manager, to make repairs may be included.

Persons making repairs or replacements must be licensed to do business in Los Angeles County.

Reasonableness of costs will be based on practices consistent with industry standard.

The LACDA may require verification of purchase date, quality, and price of replaced items in order to calculate depreciation.

Claims for unpaid utility bills cannot be approved as part of a claim.

Claims for normal wear and tear, previously existing conditions, routine turnover preparation, and cyclical interior painting are not paid.

The LACDA will inspect the unit to verify that repairs were made.

20.14.4 Move-Out and Close-Out Inspections

Move-out (vacate) inspections are performed for the Mod Rehab Program after the tenant has vacated the unit. These inspections are performed by Program Specialists/Inspectors to assess the condition of the unit, not to evaluate the HQS.

The owner must notify the LACDA of the move-out and request an inspection within 5 calendar days of learning of the move-out, or contract termination, whichever is first, in order to submit a claim for damages.

If the contract was terminated due to owner breach, or the owner was in violation of the contract at the time that it was terminated, there will be no entitlement to claims and therefore no inspection.

The owner and tenant will be notified of the date and time of the inspection. If the owner is not present, the move-out inspection will not be rescheduled.

The LACDA will conduct a move-out inspection on the tenant's request.

In the event that the LACDA is unable to inspect within 10 calendar days, the owner will be permitted to use date-stamped photographs to substantiate the claim.

20.14.5 Processing Claims [24 CFR §882.414]

Any amount owed by the tenant to the owner for unpaid rent or damages will first be deducted from the maximum security deposit that the owner could have collected under the program rules. If the maximum allowable security deposit is insufficient to reimburse the owner for the unpaid tenant rent or other amounts which the family owes under the lease, the owner may request reimbursement from the LACDA for the lesser of:

1. The remainder of the amount owed to the owner; or
2. Two months' contract rent minus the greater of the actual amount of the security deposit collected or the maximum amount of security deposit that could have been collected. However, no reimbursement may be requested for unpaid rent after the period in which the family vacates the unit.

20.14.6 Other Requirements for Claims Processing

- The LACDA will require proof that the owner has complied with State and local laws applicable to security deposits before making payment on any claim.
- All notices to tenants during the processing of a claim must include proof of mailing or of personal delivery.
- Costs of filing eviction to remove the tenant or any other legal fees, shall not be reimbursed.

All unpaid rent, damage, and vacancy loss claim forms must be fully complete when they are submitted, and they must be submitted within 30 calendar days of the date the owner learned of the move-out.

CHAPTER 21: PROJECT-BASED VOUCHER PROGRAM

21.1 **INTRODUCTION**

[24 CFR ~~§983.5 and §983.25~~]

The Project-Based Voucher (PBV) program is administered by Public Housing ~~Agencies~~ Agencies (PHA's) who also administer the tenant-based Housing Choice Voucher program, ~~or Section 8 under an Annual Contributions Contract (ACC) with HUD.~~ PBV is assistance that is tied directly to a unit in an approved project, unlike the Housing Choice Voucher program, where assistance is tied to the participant. HUD permits PHA's to take up to 20 percent of its authorized units and attach the funding to specific units rather than using it for tenant-based assistance. The policies regarding the Housing Choice Voucher program apply to the PBV program, except where they are specifically altered in this chapter.

In administering the Project-Based Voucher program, LACDA's goals are to:

- Attract more affordable developments to the LACDA's jurisdiction;
- Preserve affordable units that might otherwise become market-rate units;
- Increase affordability of housing for families making below 30% of the area median income; ~~and~~
- Further HUD and LACDA goals of deconcentration; and;
- Increase housing opportunities for target populations (ex. Elderly, Disabled, Chronically Homeless, Special needs families, Transition aged youth)

The LACDA may enter into contracts for Project-Based Vouchers based on the policies outlined in this chapter.

21.2 **LEVEL OF ASSISTANCE**

[24 CFR ~~§983.6; FR Notice 1/18/2017~~]

The LACDA will operate a project-based voucher program using up to appropriate no more than 20% of the authorized units Section 8 budget authority for Project-Based Vouchers.

When PBV units are already selected for project-based assistance either under an agreement to enter into HAP contract or a HAP contract, the LACDA is not required to reduce the number of the units if the amount of authorized units is subsequently reduced. However, the LACDA is responsible for determining the amount of budget authority that is available for project-based vouchers and ensuring that the amount of assistance that is attached to units is within the amounts available under the ACC, regardless of whether the LACDA has vouchers available for project-basing.

21.2.1 Additional project-based units
[FR Notice 1/18/2017; Notice PIH 2017-21]

As permitted, LACDA may project-base an additional 10 percent of its vouchers above the 20 percent program limit. The vouchers may be distributed among one, all, or a combination of the categories as long as the total number of vouchers does not exceed the 10 percent cap. Vouchers under this requirement will be tied to units that qualify under this exception only if the units:

- Are specifically made available to house individuals and families that meet the definition of homeless under Section 103 of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11302) and contained in the Continuum of Care Interim Rule at 24 CFR 578.3.
- Are specifically made available to house families that are comprised of or include a veteran. A veteran means an individual that has served in the United States Armed Forces.
- Provide supportive housing to persons with disabilities or elderly persons as defined in 24 CFR §5.403.
- Are located in a census tract with a poverty rate of 20 percent or less, as determined in the most recent American Community Survey Five-Year Estimates.

Impact on Existing Contract. PBV units that fall into one of the four categories listed above may be covered by this 10 percent exception authority only if the units are covered under a HAP contract that was first executed on or after April 18, 2017. Units added on or after April 18, 2017, through an amendment of a HAP contract that was first executed prior to April 18, 2017, are not eligible for the 10 percent exception authority.

21.2.2 Units Not Subject to the PBV Program Limitation [FR Notice 1/18/2017; Notice PIH 2017-21]

PBV units under the RAD program and HUD-VASH PBV set-aside vouchers do not count towards the 20 percent limitation when the PBV assistance is attached to them.

In addition, units what were previously subject to certain federal rent restrictions or were receiving another type of long-term housing subsidy provided by HUD are not subject to the cap. The unit must be covered under a PBV HAP contract that first became effective on or after April 18, 2017.

21.3 HUD NOTIFICATION OF INTENT TO PROJECT-BASE

~~Before issuing a request for PBV project proposals, the LACDA must notify HUD of its intent to project-base its vouchers. and The LACDA must submit to the local HUD Office the following information must be submitted to HUD for review:~~

- ~~The number of units authorized under the ACC for LACDA; total amount of annual budget authority.~~
- ~~The percentage of annual budget authority available to be project-based~~ number of PBV units entirely excluded from the percentage limitation;
- The number of units qualifying under the 10 percent program cap exception category;

- The number of units currently committed to PBV (excluding those PBV units meeting an exception). To arrive at the “number of units committed to PBV,” total the number of units that are:
 1. Currently under PBV HAP contract;
 2. Under an Agreement to Enter into HAP contract (AHAP); and/or
 3. Covered by a notice of proposal selection (24 CFR §983.51(d));

and
- 21.3** ~~—The number of units to which total amount of annual budget authority the LACDA is proposing to attach planning to project-base pursuant to the selection and the number of units the budget authority will support assistance through the new Request for Proposal (RFP) or selection.~~

➤ The above information must be submitted no later than 14 calendar days prior to undertaking any of the following actions:

- Issuing a request for proposal (RFP) (24 CFR §983.51(b)(1));
- Selecting a project based on a previous competition (24 CFR §983.51(b)(2));
- If applicable, selecting a project without following a competitive process (certain PHA-Owned projects).

The LACDA must await a response from HUD prior to proceeding with the proposal.

21.4 OWNER PROPOSAL SELECTION PROCEDURE **[24 CFR §983.51]**

~~Before issuing a request for PBV project proposals, the LACDA must notify HUD of its intent to project base its vouchers and the following information must be submitted to HUD for review:~~

- ~~The total amount of annual budget authority,~~
- ~~The percentage of annual budget authority available to be project based,~~
- ~~The total amount of annual budget authority the LACDA is planning to project base pursuant to the selection and the number of units the budget authority will support.~~

The LACDA may use one of the following methods to select owner proposals:

1. Request for Proposal (RFP): The LACDA may issue a competitive request for PBV proposals. An RFP may not be limited to a single site and may not impose restrictions that practically preclude owner submission of proposals for PBV on different sites.

The LACDA will publish an RFP in at least one newspaper of general circulation, as well as post the RFP on the LACDA's website. The submission deadline will be included in the RFP and a detailed application and selection criteria will be provided to all interested parties.

2. At the discretion of the LACDA, projects may be selected for PBV assistance using proposals for housing developed using federal, state, or local government housing assistance, community development, or a

supportive services program that requires competitive selection of proposals (e.g., HOME, competitively-awarded Low-Income Housing Tax Credit, Affordable Housing Trust Funds), where the proposal has already been selected in accordance with such program's competitive selection requirements within three years of the LACDA's PBV selection date, and the earlier selection proposal did not involve any consideration that the project would receive LACDA-PBV assistance.

Once a project is selected to receive PBV assistance, the LACDA will give public notice within 60 days of its selection on its website at www.lacda.org.

21.4.1 Units Selected Non-Competitively

[FR Notice 1/18/2017 and PIH Notice 2017-21]

Project-based assistance for Housing Authority-owned properties will not be competitively bid. To project-base Housing Authority-owned units, the LACDA must be engaged in an initiative to improve, develop, or replace a public housing property or site. The LACDA can make project-based funding available in its owned properties in response to a written request. A separate request is required per property and must include the following: name and address of the property; the total number of units; requested number of units project-based vouchers, number of vouchers requested per unit size (including square footage for SRO's), proposed rent per unit size, population to be served, and name, title and contact information for the project liaison. An original signature from the Department Director or authorized delegate is required on the written request. E-mailed and/or faxed requests will not be accepted.

21.5 HOUSING ELIGIBLE FOR ASSISTANCE **[24 CFR §983.52 AND §983.53]**

The LACDA will consider proposals for existing, ~~and~~ newly constructed, and rehabilitated housing.

The following types of housing are ineligible under the Project-Based Voucher Program:

- Shared housing;
- Units on the grounds of a penal, reformatory, medical, mental, or similar public or private institution;
- ~~Nursing homes or facilities~~ providing continuous psychiatric, medical, nursing services, board and care, or intermediate care or related care, except an assisted-living facility that provides home health care services such as nursing and therapy for residents of the housing;
- Units owned or controlled by an educational institution or its affiliate and that are designated for occupancy by students of the institution;
- Manufactured homes; and
- Transitional Housing;

- Units occupied by owners; and
- Units occupied by ineligible families.

PBV assistance may not be attached to units for which construction or rehabilitation has started after the proposal submission and prior to the execution of an AHAP.

➤ A member of a cooperative who owns shares in the project assisted under the PBV program is not to be considered an owner for purposes of participation in the PBV program.

21.6 CAP ON NUMBER OF PBV UNITS IN EACH PROJECT LIMITS ON ASSISTANCE
[24 CFR §983.56]

The LACDA may not select a proposal to provide PBV assistance for units in a project or enter into an agreement to enter into a HAP or a HAP contract to provide PBV assistance for units in a project, if the total number of dwelling units in the project that will receive PBV assistance during the term of the PBV HAP contract is more than the greater of 25 units or 25 percent of the number of dwelling units (assisted or unassisted) in the project.

21.6.1 Exception to 25 Percent per Project Cap
[24 CFR §983.56 and PIH Notice 2017-21]

As of April 18, 2017, units are not counted against the 25 percent per project cap if the LACDA may only provide Project-Based Voucher assistance to up to 25% of the units in a selected project.

Units excepted from this rule are:

- The uUnits are exclusively for that house elderly or disabled families,; and
- The units are for households eligible for Families receiving qualified supportive services available to all families receiving PBV assistance in the project.
- If the project is located in a census tract with a poverty rate of 20 percent or less, as determined in the most recent American Community Survey Five-Year estimates, the project cap is the greater of 25 units or 40 percent (instead of 25 percent) of units in the project.

More than 25% of the units in a single-family building (a building with no more than 4 dwelling units) may be assisted with PBV.

The LACDA may allow elderly or disabled families living in excepted units (units under the HAP contract that exceed the 25% cap on PBV units in a property) to continue to occupy the unit after the elderly or disabled family member passes away or move out. In these situations, the unit will continue to be counted as an excepted unit for as long as the family lives in the unit. Once the family vacates the unit, the next family to occupy the unit must meet the eligibility criteria for an

~~excepted unit~~ The Housing Opportunity Through Modernization Act of 2016 (HOTMA) eliminated the project cap exemption for projects that serve disabled families and modified the exception for supportive services

Projects where the caps were implemented prior to HOTMA (HAP Contracts were executed prior to 04/18/2017) must continue to use the former exceptions until the project's HAP contract under the old requirements is renewed or unless the PHA and owner agree to amend the conditions of the HAP contract. However, the LACDA will not make changes to a HAP contract if it is determined that the change would jeopardize an assisted family's eligibility for continued assistance in the project.

21.6.121.6.2 Qualified Supportive Services – HOTMA

As of 04/18/2017, the project and LACDA must make supportive services available to all families receiving PBV assistance in the project, but the families does not actually have to accept and receive supportive services for the exception to apply to the unit. It is not necessary that the supportive services be provided at or by the project, but must be reasonably available to families receiving PBV assistance at the project and designed to help families in the project achieve self-sufficiency or live in the community as independently as possible.

If a family at the time of initial tenancy is receiving, and while the resident of an excepted unit has received, FSS supportive services or any other supportive services, and successfully completes the FSS contract of participation or the supportive services requirement, the unit continues to count as an excepted unit for as long as the family resides in the unit.

The LACDA will not require families living in excepted units to receive supportive services. Families will be offered the opportunity to enroll in either LACDA's FSS program or other Supportive Services Program offered through the project, as a condition of occupancy.

~~Units occupied by families receiving qualified supportive services are excepted from the 25% cap on PBV assistance within a single development. Examples of Ssupportive Sservices offered include, that qualify for an exception include, but are not limited to:~~

- LACDA's Family Self-Sufficiency (FSS) program;
- Case Management~~Welfare to Work~~
- Psychological or medical services Mental Health Care
- Drug or alcohol rehabilitative treatment Substance Use Services
- Job training or placement services Employment and Training
- Education program where there is a reasonable expectation of leading to self-sufficiency
- Life Skills
- Physical Health Care
- Benefits Assistance

- Representative Payee
- Legal Assistance
- Child Care (if applicable)
- Adult Day Care

21.6.3 Pre HOTMA Projects

Projects under HAP contract in effect prior to April 18, 2017, remain obligated by the terms of those HAP contracts with respect to the requirements that apply to the number and types of excepted units in a project, unless the owner of the project and LACDA mutually agree to change those requirements.

The LACDA and owner may agree to change such HAP contract requirements as it pertains to the exception categories of elderly families and families eligible for supportive services. The LACDA and owner must not change the terms of an existing HAP contract to add a new category of excepted unit.

The PBV contract may not be changed to conform with the HOTMA requirement if the change would jeopardize an assisted family's eligibility for continued assistance at the project (e.g. the excepted units at the project include units designated for families with a household member with disabilities, and changing to the HOTMA standard would result in those units no longer being eligible as excepted units unless the owner makes supportive services available to all assisted families in the project).

A HAP contract may be amended, at LACDA's discretion, to add additional PBV units in the same project. The LACDA may use this amendment process to add units where applying the new project cap definition results in more PBV units. HOTMA overrides existing regulation so that new units may be added at any time during the term of the HAP contract without being subject to competitive selection procedures. All other requirements of 24 CFR §983.207(b) must be met, including not exceeding the 20 percent program cap.

21.6.4 Supportive Services – Pre-HOTMA Projects

For projects using the former supportive services statutory exemption (which required that the family be receiving the supportive services) and/or the exemption for families with a household member with disabilities, the LACDA and the owner will continue to operate under the pre-HOTMA requirements and will continue to renew HAP contracts under the old requirements, unless the LACDA and the owner agree by mutual consent to change the conditions to conform with the HOTMA requirement.

21.6.5 Qualifications for Supportive Services – Pre HOTMA Projects

It is not necessary that the supportive services be provided at or by the project.

At least one member of the family must be receiving the supportive service for the unit to remain excepted from the 25% cap.

Participation in medical- or disability-related services is not required as a condition of living in an excepted unit, other than a ~~drug and alcohol~~ substance

use treatment program for ~~current abusers~~the member of the family with the substance misuse disorder, although such services may be offered.

21.6.321.6.6 Supportive Services Monitoring – Pre HOTMA Projects

Participant compliance with a supportive service contract will be monitored at least annually. The LACDA will request a status update for the participant's supportive service contract at the anniversary of said contract. The LACDA may request a status update on the supportive service contract more frequently, at its discretion.

Providers of supportive services must provide the LACDA any changes to the program within thirty days of when those changes occur. Providers must also immediately report to the LACDA when a family fails to meet the supportive service contract requirements.

21.6.421.6.7 Failure to Meet Supportive Service Requirements – Pre HOTMA Projects

When a family living in an excepted unit fails to meet the requirements of a supportive service contract, and is living in the excepted unit because of the supportive services received, the LACDA will propose termination of the contract. The family will not be issued a voucher to move.

The owner and participant will be given a sixty-day notice of the proposed termination of the HAP contract. The owner may at that time terminate the lease and issue an order to vacate by the HAP contract termination date.

If a family fails to meet the requirements of the supportive service contract for good cause, as determined by the LACDA, and is qualified to become reinstated in the supportive service program within a reasonable time period, the LACDA may counsel the family on its obligations and allow reinstatement of the supportive service contract.

21.7 PROJECT SELECTION CRITERIA **[24 CFR §983.57]**

The following criteria will be considered when evaluating proposals for Project-Based Voucher assistance:

1. Housing that serves homeless families;
2. Housing that serves disabled families or individuals;
3. Housing that serves elderly families or individuals;
4. Housing that serves families with children, consistent with the needs indicated by HACoLA's waiting list; and/or
5. Other documented needs
6. Serving very low-income families in mixed-income projects;
7. Other appropriate criteria consistent with regulation.

8. Housing that provides an appropriate level of supportive services to residents;
9. Housing that serves low- to extremely low-income families for the life of the project;
10. Other criteria consistent with regulation.

21.7.1 Selection Requirements for All PBV Assisted Proposals

Eligible projects must meet the following LACDA requirement:

If any portion of a proposed development site is within 500 feet of a freeway, the project must be designed in such a way as to exclude from this 500-foot freeway “buffer” area any portion of the residential building, as well as play areas, community rooms, gardens, patios, and other areas where residents may reasonably be expected to congregate. The LACDA shall review and approve, at its sole discretion, any site plans for developments of this type.

21.7.121.7.2 Selection Requirements for All Housing Types

A project may be selected to receive PBV assistance only if it is or will be located in a census tract that meets one of the following criteria:

- (i) A HUD-designated Enterprise Zone, Economic Community or Renewal Community;
- ~~(ii)~~ ~~The Project will have at least 15 PBV units under contract;~~
- ~~(iii)~~(ii) The concentration of assisted units will be or has decreased as a result of public housing demolition;
- ~~(iv)~~(iii) Is undergoing significant revitalization;
- ~~(v)~~(iv) State, local, or federal dollars have been invested in the area that has assisted in the achievement of the statutory requirement;
- ~~(vi)~~(v) New market rate units are being developed that will positively impact the poverty rate in the area;
- ~~(vii)~~(vi) Meaningful opportunities for educational and economic advancement exist.

Additionally, the site must be suitable in terms of furthering and facilitating all Fair Housing requirements.

The site must also meet the HQS site and neighborhood standards found in section 10.3.11 of this Plan.

21.7.221.7.3 Requirements for Selecting Existing and Rehabilitated Housing [24 CFR §983.151]

The LACDA will only select existing and rehabilitated housing projects that meet the following criteria:

- (1) The site is adequate in size, exposure, and contour to accommodate the number and type of units proposed, and adequate utilities and streets must be available to service the site. (The existence of a private disposal system and private sanitary water supply for the site, approved in accordance with law, may be considered adequate utilities.)
- (2) Promote greater choice of housing opportunities and avoid undue concentration of assisted persons in areas containing a high proportion of low-income persons.
- (3) Be accessible to social, recreational, educational, commercial, and health facilities and services and other municipal facilities and services that are at least equivalent to those typically found in neighborhoods consisting largely of unassisted, standard housing of similar market rents.
- (4) Be so located that travel time and cost via public transportation or private automobile from the neighborhood to places of employment providing a range of jobs for lower-income workers is not excessive. This requirement does not apply to senior projects.

21.7.321.7.4 Requirements for Selecting New Construction Housing

The LACDA will select only new construction housing projects that meet the following criteria:

- (1) The site must be adequate in size, exposure, and contour to accommodate the number and type of units proposed, and adequate utilities (water, sewer, gas, and electricity) and streets must be available to service the site.
- (2) The site must not be located in an area of minority concentration, except as permitted under number (3) of this section.
- (3) A project may be located in an area of minority concentration only if:
 - (i) Sufficient, comparable opportunities exist for housing for minority families in the income range to be served by the proposed project outside areas of minority concentration;
 - a. Application of this sufficient, comparable opportunities standard involves assessing the following factors:
 - i. Significant number of assisted housing units is available outside areas of minority concentration.
 - ii. There is significant integration of assisted housing projects constructed or rehabilitated in the past 10 years, relative to the racial mix of the eligible population.
 - iii. There are racially integrated neighborhoods in the surrounding area.
 - iv. Minority families have benefited from local activities (e.g., acquisition and write-down of sites, tax relief programs for homeowners, acquisitions of units for use as assisted housing

- units) undertaken to expand choice for minority families outside of areas of minority concentration.
- (v) Comparable housing opportunities have been made available outside areas of minority concentration through other programs.
 - (vi) The project is necessary to meet overriding housing needs that cannot be met in that housing market area.
 - 1. Application of the “overriding housing needs” criterion may permit approval of sites that are an integral part of an overall local strategy for the preservation or restoration of the immediate neighborhood and of sites in a neighborhood experiencing significant private investment that is demonstrably improving the economic character of the area (a “revitalizing area”).
 - 2. An “overriding housing need,” may not serve as the basis for determining that a site is acceptable, if the basis for the decision is that discrimination related to race, color, religion, sex, national origin, age, familial status, or disability renders sites outside areas of minority concentration unavailable or if the use of this standard in recent years has had the effect of circumventing the obligation to provide housing choice.
- (4) The site must promote greater choice of housing opportunities and avoid undue concentration of assisted persons in areas poverty concentration.
- (5) The neighborhood must not be seriously detrimental to family life or one in which substandard dwellings or other undesirable conditions predominate, unless there is actively in progress a concerted program to remedy the undesirable conditions.
- (6) The housing must be accessible to social, recreational, educational, commercial, and health facilities and services and other municipal facilities and services that are at least equivalent to those typically found in neighborhoods consisting largely of unassisted, standard housing of similar market rents.
- (7) Except for new construction housing designed for elderly persons, travel time, and cost via public transportation or private automobile from the neighborhood to places of employment providing a range of jobs for lower-income workers, must not be excessive.

21.7.421.7.5 PHA-owned Units

[24 CFR §983.51(e), §983.59, FR-5976-N-03 and PIH Notice 2017-21]

A Housing Authority-owned project may be assisted under the project based program only if the independent entity reviews the selection process and determines that the Housing Authority-owned units were appropriately selected based on the selection process and determines that the Housing Authority-owned units were appropriately selected based on the selection procedures outlined in the LACDA’s Administrative Plan. When the LACDA selects a

proposal for housing that is owned or controlled by the LACDA, the LACDA must identify the entity that will review the LACDA proposal selection process and perform specific functions with respect to rent determinations and inspections.

In the case of Housing Authority-owned units, the term of the HAP contract and any HAP contract renewal must be agreed upon by the LACDA and the independent entity. In addition, an independent entity must determine the rent to owner, the redetermined rent to owner, and reasonable rent. Housing Quality Standards inspections must also be conducted by an independent entity.

The independent entity that performs these program services may be the unit of general local government for the LACDA's jurisdiction, or another HUD-approved public or private independent entity.

21.8 AGREEMENT TO ENTER INTO THE HAP CONTRACT **[24 CFR §983.152]**

If a rehabilitated or newly constructed project, as defined by regulation, is selected by the LACDA to receive Project-Based Vouchers, the LACDA will enter into an Agreement to enter into a Housing Assistance Payment (AHAP) contract with the owner in the form required by HUD.

In the AHAP, the owner agrees to develop the contract units to comply with HQS, and the LACDA agrees that, upon timely completion of the development in accordance with the terms of the AHAP, the LACDA will enter into a HAP contract with the owner for the contract units.

The LACDA may not pay or enter into an agreement if commencement of construction or rehabilitation occurs after proposal submission. Rehabilitation begins with the physical commencement of rehabilitation activity on the housing. Commencement of construction occurs when excavation of site preparation (including clearing of the land) begins.

Delays in completion of rehab/construction may result in termination of the agreement.

The PHA may extend the completion deadline for unforeseen factors outside of the owner's control.

The owner must obtain the PHAs approval for any changes in work. If the owner does not do so, the PHA may set a lower initial rent.

21.8.1 Subsidy Layering Review (SLR) **[24 CFR §983.55]**

The LACDA may only provide assistance in accordance with HUD subsidy layering regulations and other requirements.

A subsidy layering review will not be required to enter into an agreement or to execute a contract between the LACDA and the owner when a project has not received any form of government housing assistance, other than the PBV assistance.

A subsidy layering review is required for any new construction or rehabilitation project receiving a form of government housing assistance in addition to project-based vouchers. The LACDA will not enter into an AHAP with the owner until the project has successfully passed a subsidy layering review by HUD or other HUD-approved agency

The owner must certify in the HAP contract that the project has not received and will not receive any other form of public assistance during the life of the HAP contract other than that disclosed in the subsidy layering review.

21.8.2 Environmental Review
[24 CFR §983.58]

The Project Based Voucher program is subject to National Environmental Policy Act environmental review pursuant to the requirements at 24 CFR Part §983.58 and 24 CFR Part 58.

If it is determined that an environmental review is required for new construction or rehabilitation projects, the LACDA will not commit any funds under PBV assistance nor enter into an AHAP with the owner until HUD approves a release of funds.

21.9 SELECTION OF PARTICIPANTS
[24 CFR §983.251]

The LACDA will only provide PBV assistance to families determined eligible, consistent with Chapter Two of this Plan.

21.9.1 Waiting List

The LACDA will use a separate waiting list for each project receiving Project-Based Voucher assistance or sets of units within a project if there are multiple eligibility restrictions for special needs populations.

If applicable, projects receiving Project-Based Voucher or Project-Based VASH assistance are required to use a Coordinated Access System to identify and refer 80 percent of its eligible applicants for the project's waiting list.

Applicants currently on the tenant-based assistance waiting list will be given an opportunity to place their name on a PBV waiting list, with their original date and time intact. If a new applicant applies to the tenant-based waiting list, the applicant will be given the opportunity to also place their name on any open PBV waiting list.

Upon admission to the PBV program, the applicants name will be removed from any other project-based voucher waiting lists that the applicant has applied for.

21.9.2 Protection of In-Place Families

Families who reside in units selected to receive PBV assistance on the proposal selection date and who are also eligible in accordance with Section 2.2 of this Plan, will be given the opportunity to place their name on the appropriate PBV site-based waiting list. An absolute preference will be given to that family to be

selected from the waiting list. If the family is then determined fully eligible for the PBV program under all LACDA eligibility criteria, the family will then be referred to the owner for an appropriately-sized unit in the project.

21.9.3 Local Preferences

Applicants on any PBV waiting list are subject to the system of local preferences as it pertains to that particular waiting list. PBV site-based waiting lists will have admissions preferences that reflect the target population of each project.

When PBV buildings are selected, the LACDA will publicly notice the selection, as well as the target population of each project. As new waiting lists are opened, a notice will be sent to the Housing Choice Voucher (Section 8) tenant-based waiting list identifying available site-based PBV lists and their respective admissions preferences. If a site-based waiting list is opened to the public, it will be advertised on the LACDA's website, along with its admissions preferences.

Disabled families who need an available accessible unit at a particular project may be awarded first preference from the waiting list.

Disabled families may not be required to accept the supportive services offered nor can a preference be granted for those with a particular disability.

21.9.4 Refusal of Assistance

If a family refuses an offer of PBV assistance or the owner rejects a family for admission to the owner's PBV units, the LACDA may remove the family from the site-based waiting list from which they were selected. Such refusal will not affect the family's position on the tenant-based waiting list or any other PBV site-based waiting list, nor affect any admissions preference for which the family qualifies.

21.10 INFORMATION FOR ACCEPTED FAMILIES

[24 CFR §983.252]

When a family accepts an offer of PBV assistance, the LACDA will provide the family an oral briefing. Attendance at this briefing is mandatory. The briefing will include:

- A description of how the program works;
- Family and owner responsibilities.

A briefing packet will be provided with information regarding:

1. How the LACDA determines total tenant payment;
2. Family obligations; and
3. Applicable fair housing information.

21.11 LEASING OF CONTRACT UNITS

[24 CFR §983.253]

Owners must lease contract units only to eligible families, selected and referred by the LACDA's from the waiting list, during the term of the HAP contract.

Owners must develop written tenant selection procedures consistent with the purpose of improving housing opportunities for very low-income families, related to program eligibility and an applicant's ability to perform lease obligations.

An owner must promptly notify, in writing, any rejected applicant of the grounds for rejection.

Owners must follow the LACDA's subsidy standards when leasing units to referred families.

21.12 VACANCIES
[24 CFR §983.254]

The owner must promptly notify the LACDA of any current or expected vacancy in a contract unit. After owner notice, the LACDA will promptly refer a sufficient number of families to the owner to fill the vacancy.

If any contract unit has been vacant for at least 120 days since the owner notice of vacancy, the LACDA may give notice to the owner amending the HAP contract to reduce the number of contract units by the number of units that have been vacant for that period.

21.13 TENANT SCREENING
[24 CFR §983.255]

The LACDA may take into consideration any admission criteria outlined in Chapter Two of this Plan in order to screen applicants for eligibility; however, it is the responsibility of the owner to screen applicants for behavior and suitability for tenancy.

The LACDA will provide the owner with the tenant's current and former address, as well as the name and address of the current and/or former landlord, if known. This policy is consistent with information provided to owners under the Housing Choice Voucher program.

21.14 HOUSING ASSISTANCE PAYMENTS CONTRACT

The LACDA must enter into a Housing Assistance Payments (HAP) contract with the owner in order to provide housing assistance payments for eligible families. The LACDA will make housing assistance payments to the owner in accordance with the HAP contract, for contract units leased and occupied by eligible families during the term of the HAP contract.

The LACDA will use the most recent HUD-approved form of the HAP contract.

21.14.1 Execution of the HAP Contract
[24 CFR §983.204, 24 CFR §983.209]

Before the HAP contract may be executed, the LACDA will inspect each contract unit in accordance with section 21.154 of this chapter and Chapter Ten of this Plan.

For existing housing, the HAP contract must be executed within 90 days of passed inspections for all proposed units under the HAP contract.

For new construction or rehabilitated housing, the HAP contract is executed within 60 days after the LACDA has inspected the completed units and is satisfied that said units are completed in accordance with the AHAP and the owner has furnished the required evidence of completion.

By execution of the HAP contract, the owner certifies:

- The owner is and will maintain all contract units in accordance with HQS;
- The owner is providing all services, maintenance, equipment and utilities as agreed to under the HAP contract and in the leases with assisted families;
- Each contract unit is leased to an eligible family and the lease complies with the HAP contract and HUD requirements;
- Members of the assisted family reside in the contract unit and it is their only residence;
- The owner is not a relative of any member of the assisted family by blood or operation of law;
- The amount of the housing assistance payment is the correct amount due under the HAP contract;
- The rent to owner for each contract unit does not exceed the rent due to owner for any comparable, unassisted unit;
- The owner will not receive any other payments beyond the tenant rent and housing assistance payments for the contract unit; and
- The family does not own or have any interest in the contract unit.

21.14.2 Term of the HAP Contract
[24 CFR §983.205 and PIH Notice 2017-21]

As of April 18, 2017, the LACDA may enter into a new HAP contract with an owner for an initial term of up to twenty years. The length of the initial term of the HAP contract may not be less than one year.

For any PBV HAP contract that is still within the initial term, the LACDA and owner may mutually agree to extend the contract for up to the maximum initial term of 20 years. If the HAP contract is no longer in the initial term, the LACDA will not extend the initial term.

The LACDA may further extend the HAP contract beyond 20 years from the end of the initial term as long as the following conditions are met:

- The LACDA must determine such extension is appropriate to continue providing affordable housing for low-income families or to expand housing opportunities;
- The determination must be made no earlier than 24 months prior to the expiration of the HAP contract.

- The term of the new extension may not exceed 20 years.

Regardless of the length of the extension, all such extensions must meet the same conditions.

The HAP contract may be terminated by the LACDA for insufficient funds. If it is determined there are insufficient funds available to continue to assist all contract units for the full term, the LACDA may give notice to the owner for all or any of the contract units, in accordance with HUD instructions.

21.14.3 Amendments to the HAP Contract **[24 CFR §983.207~~6~~]**

Amendment to Substitute Contract Units – The LACDA may amend the HAP contract to substitute a different unit with the same number of bedrooms in the same building for the previously assisted unit. Prior to the substitution, the LACDA will inspect the proposed substitution unit and determine reasonable rent.

Amendment to Add Contract Units – At the discretion of the LACDA and provided the number of PBV-assisted units in a project will not exceed the 25% cap or the 20% budget authority for the PBV program, the HAP contract may be amended during the three-year period immediately following the execution date of the HAP contract to add additional PBV units to a building.

If there are already exception units (units in excess of the 25% cap) designated in the HAP contract, the contract may be amended during the same three year period to add additional exception units, provided that the addition does not exceed the 20% budget authority.

The anniversary and expiration date for the added units in either situation will be the same as for the existing units under the HAP contract.

21.14.4 Termination of the HAP Contract by the LACDA **[24 CFR §983.205(c) and FR Notice 1/18/2017]**

The HAP Contract provides that the term of the PHA's contractual agreement is subject to the availability of sufficient appropriated funding as determined by HUD or the PHA in accordance with HUD instruction. For these purposes, sufficient funding means the availability of appropriations, and of funding under the ACC from such appropriations, to make full payment of housing assistance payments payable to the owner for any contract year in accordance with the terms of the HAP contract.

In times of insufficient funding, HUD requires that the PHA first take all cost-saving measures prior to failing to make payments under existing PBV HAP Contracts.

If it is determined that there may not be sufficient funding to continue housing assistance payments for all contract units and for the full term of the HAP Contract, the PHA may terminate the HAP contract by notice to the owner.

As such, the LACDA will implement the HAP Contract termination in accordance with HUD instructions.

21.14.5 Termination of the HAP Contract by the Owner
[24 CFR §983.205(d)]

If in accordance with program requirements the amount of rent to an owner for any contract is reduced below the amount of the rent to owner at the beginning of the HAP contract term, the owner may terminate the HAP contract by giving notice to LACDA. In such cases, families living in the contracted units must be offered tenant-based assistance.

21.14.6 Statutory Notice Requirements - Contract Termination or Expiration

[24 CFR §983.206; FR Notice 01/18/2017; and Notice PIH 2017-21]

Not less than one year before the HAP contract terminates, or if the owner refuses to renew the HAP contract, the owner must notify the LACDA and assisted tenants of the termination. The notice must be provided in the form prescribed by HUD. If the owner does not give timely notice, the owner must permit the tenants in assisted units to remain in their units for the required notice period with no increase in the tenant portion of their rent, and with no eviction as a result of the owner's inability to collect an increased tenant portion of rent. An owner may renew the terminating contract for a period of time sufficient to give tenants one-year advanced notice under such terms as HUD may require.

Upon termination or expiration of the contract, a family living at the property is entitled to receive a tenant-based voucher. Tenant-based assistance would not begin until the owner's required notice period ends. The LACDA must provide the family with a voucher and the family must also be given the option by the LACDA and owner to remain in their unit with HCV tenant-based assistance as long as the unit complies with inspection and rent reasonableness if the gross rent exceeds the applicable payment standard. The family has a right to remain in the project as long as the units are used for rental housing and are otherwise eligible for HCV assistance. The owner may not terminate the tenancy of a family that exercises its right to remain except for serious or repeated lease violations or other good cause. Families that receive a tenant-based voucher at the expiration of the PBV HAP contract are not new admissions to the HCV tenant-based program, and are not subject to income eligibility requirements or any other admissions requirements. If the family chooses to remain in their unit with tenant-based assistance, the family may do so regardless of whether the family share would initially exceed 40 percent of the family's adjusted monthly income.

21.15 HOUSING QUALITY STANDARDS (HQS) INSPECTIONS
[24 CFR §983.103]

HQS inspections will be conducted in accordance with Chapter Ten of this Plan. The LACDA may not perform inspections on units where there is a direct or indirect interest by any of its employees or officers.

The LACDA will inspect PBV units at the following times:

- Pre-selection – the LACDA will inspect the proposed site before the proposal of Existing Housing selection date. For existing units, units must

substantially comply with HQS before the proposal selection date. Units must fully comply before the HAP contract may be executed;

- Pre-HAP Contract;
- Turnover – the LACDA must inspect a unit before a new family moves in. The unit must fully comply with HQS before a family may receive assistance in that unit;
- Annual – The LACDA will conduct inspections on a random sample of at least 20% of contract units in a building annually. Turnover inspections are not counted toward annual inspections.
- If more than 20% of the annual sample fails the HQS inspections, 100% of the contract units in the building must be inspected.
- Other times – the LACDA will inspect PBV units at other times as necessary to insure the contract units are in compliance with HQS and that the owner is providing utilities, maintenance and other services in accordance with the HAP contract.

21.15.1 HQS Violation
[24 CFR §983.207]

The LACDA may make no HAP payments to the owner during any period in which the contract unit does not comply with HQS or any other HAP contract requirement.

Remedies for HQS violation include abatement or reduction in HAP payments, reduction of contract units, and termination of the HAP contract.

21.15.2 Inspecting PHA-owned Units
[24 CFR §983.103(f)]

In the case of Housing Authority-owned units, the inspection must be performed by an independent agency designated by the LACDA and approved by HUD. The independent entity must furnish a copy of each inspection report to the LACDA and to the HUD field office where the project is located. The LACDA must take all necessary actions in response to inspection reports from the independent agency, including exercise of contractual remedies for violation of the HAP contract by the Housing Authority-owner.

21.16 RESTRICTIONS ON RENTING TO RELATIVES
[24 CFR §983.251(a)(4)]

The LACDA will not approve a tenancy if the owner, including principal owners or other interested parties, is the parent, child, grandparent, grandchild, sister, or brother of any member of the family unless the approval is the result of a reasonable accommodation for a disabled family member.

21.17 LEASE
[24 CFR §983.256]

Owners must use the same lease for contract units as for unassisted units, with the lease being in accordance with state law.

The lease must include the HUD tenancy addendum. All provisions in the tenancy addendum must be included in the lease. Provisions in the addendum shall prevail over provisions in the lease.

The initial term of the lease must be for at least one year.

In addition to an initial term of at least one year, the lease must provide for automatic renewal after the initial term. Automatic renewal may be in the form of:

- Renewal for successive definite terms (ex: Month to month or year to year)
- Automatic indefinite extension of the lease term

The lease must specify:

- Names of the owner and tenant;
- Identifying information of the unit rented;
- Term of the lease and any provision for renewal;
- The amount of tenant rent to owner;
- Specification of services, maintenance, equipment, and utilities to be provided by the owner;
- The amount of any charges for food, furniture, or supportive services.

21.17.1 Changes in the Lease

If the tenant and owner agree to any changes in the lease, the change must be in writing and must be submitted to the LACDA immediately.

The owner must notify the LACDA of any proposed change in the lease regarding responsibility for utilities. Such changes may only be made with approval of the LACDA. If the LACDA approves a change in responsibilities for utilities, rent reasonableness must then be re-determined. The rent to owner will be re-calculated from the effective date of the change.

21.17.2 Absence from the Unit

The LACDA's absence policies found in Chapter Six of this Plan will apply to the PBV program. The lease may specify a maximum period of family absence from the unit that is shorter than that specified by the LACDA.

The HAP contract will not be terminated if the family is absent for longer than the maximum period permitted by the LACDA.

21.17.3 Owner Termination of Tenancy and Eviction

Grounds for owner termination and eviction reflect the policies outlined in Chapter Fourteen of this Plan, except that an owner may not terminate tenancy after the initial term of the lease for business or economic reasons, or to repossess the unit for personal, family, or nonresidential use.

If an owner refuses to renew the lease without good cause, the family will be issued a tenant-based voucher and the unit will be removed from the HAP contract.

The lease terminates if the owner terminates the lease for good cause, or the owner and tenant agree to terminate the lease

Owners who wish to terminate a HAP contract by either allowing it to expire or refusing to renew it must give the LACDA and the tenants at least 1 year notice. If a proper notice is not given, the owner must allow families to remain in their units for the balance of the notice period without an increase in the tenant's portion of rent. Under this circumstance, the owner may not evict a family due to an inability to collect an increased tenant portion of rent. An owner may renew a terminating contract for a period long enough to give tenants at least a 1 year notice.

21.17.4 PHA Terminations **[24 CFR §983.2(c)(5)]**

The LACDA may terminate a family that violates the family obligations of the PBV program. Subsequent to a proposed termination of a family's assistance, the LACDA will advise the family of its right to an informal hearing as outlined in chapter sixteen of this plan.

The LACDA is required to automatically terminate the HAP contract 180 calendar days after the last housing assistance payment is made to the owner.

- If the family still resides in the unit after the 180 day period and there is still no HAP payment on their behalf, the unit will be removed from the contract.
- If the family has resided in the unit for more than one year, they may request a tenant based voucher and attempt to find a unit for which there will be a HAP payment. No voucher will be issued to a family whose assistance has already been terminated.
- If the unit is in a fully assisted project it may be reinstated once the ineligible family vacates the unit, and in a partially assisted project, another unit may be substituted for the ineligible unit. In both cases the reinstatement/substitution must be in compliance with PBV regulations.

Additionally, the lease terminates if the LACDA terminates the HAP contract or if the LACDA terminates the family's assistance.

The termination of a family's assistance by the PHA alone does not result in an eviction. An owner must pursue eviction in local court. If the owner decides not to pursue eviction, the LACDA may elect to either substitute the ineligible unit or remove the ineligible unit from the HAP contract.

21.17.5 Security Deposits **[24 CFR §983.258]**

The owner may collect a security deposit from the tenant. The amount may not exceed that allowed by state and local law or that charged to unassisted units in the same building.

When the tenant moves out, the owner may use the amount of the deposit, in accordance with the lease and state and local law, as reimbursement for any unpaid tenant rent, damage to the unit, or any other amount the tenant owes under the lease.

The owner must give the tenant a written list of all items charged against the security deposit and the amount of each item. After deducting the amount used to reimburse the owner, the owner must promptly refund the full amount of the balance to the tenant.

If the balance is not sufficient to cover amounts the tenant may owe under the lease, the owner may seek the remainder from the tenant. The LACDA has no liability or responsibility for payment of any amount owed by the family to the owner.

**21.18 CURRENT PARTICIPANT RIGHT TO MOVE WITH TENANT-BASED ASSISTANCE
[24 CFR §983.260]**

Eligible families may terminate the assisted lease at any time after the first year of occupancy. Families who wish to move must first contact the LACDA to request a voucher before submitting a lease termination notice to the owner. Once the LACDA has received a written request for a voucher, the family will be issued a new voucher. If the reexamination is current (within 12 months) the LACDA will not conduct a reexamination before issuing the voucher unless there are reported changes to income or the family composition that would require an interim reexamination. At the same time the voucher is issued, the family will receive a Request for Tenancy Approval (RTA). The family should begin looking for housing immediately in order to ensure a smooth transition to the new unit.

If the family terminates the assisted lease before the end of one year, the family relinquishes the opportunity for continued tenant-based assistance.

Requests to move for families wishing to port to another jurisdiction must be submitted in writing.

If a tenant-based voucher is not available at the time of the family's request, the PHA will give the family priority to receive the next available opportunity for continued tenant-based assistance.

**21.19 FAMILY OCCUPANCY OF WRONG-SIZE OR ACCESSIBLE UNIT
[24 CFR §983.260]**

If the LACDA determines that a family is occupying the wrong-size unit, or a unit with accessibility features the family does not require, and is needed by a family that requires the accessibility features, the LACDA will offer the family continued assistance in another unit and will notify the family and owner immediately of its offer of continued assistance and determination.

The LACDA may offer continued assistance either in another PBV unit or a tenant-based voucher. If appropriate, the LACDA may refer the family to an

available public housing unit or other public or private tenant-based assistance (e.g. HOME).

If the family is given a tenant-based voucher, policies under the Housing Choice Voucher program regarding voucher issuance and expiration will apply. If a family fails to lease a unit with the tenant-based voucher, assistance will be terminated upon expiration of the voucher (and any subsequent extensions granted by the LACDA)

Upon determination that the family is occupying a wrong-size unit or a unit with accessibility features not required by the family and continued assistance is offered in the form of a project-based voucher, the family will have ninety days in which to move to another unit. If the family fails to move or refuses the offer of continued assistance in another unit, assistance to the family will be terminated.

21.20 DETERMINING RENT TO OWNER

[24 CFR §983.301, 24 CFR §983.302, and 24 CFR §983.303(b)(1)]

The amount of estimated rent to owner must be included in the Agreement for rehabilitated or newly constructed housing. The actual rent to owner must be determined at the beginning of the HAP contract term for all types of housing.

The LACDA may include as part of the HAP contract, a provision that the rent to owner will not be reduced below the initial rent. If the LACDA elects to include such a provision, the rent to owner will not be reduced below the initial rental amount during subsequent reasonable rent re-determinations. Additionally, rents will only be reduced below the initial amounts to correct errors in calculations or if additional housing assistance has been combined with the PBV assistance after the execution of the initial HAP contract and a decrease is required due to subsidy layering requirements.

The amount of rent to owner is redetermined at the owner's request for a rent increase and when there is a 10% decrease in the published FMR.

Except for certain tax credit units specified below, the amount of rent to owner must not exceed the lowest of:

- An amount determined by the PHA that does not exceed 110% of the FMR (or any exception payment standard approved by HUD), minus the utility allowance; The LACDA will cap this amount at the current payment standard in effect at the time of the determination.
- The reasonable rent; or
- The rent requested by the owner.

21.20.1 Housing Authority – Owned Units

[24 CFR §983.301(g)]

For Housing Authority-owned PBV units, the amount of reasonable rent must be determined by an independent agency approved by HUD in accordance with PBV requirements. The independent entity must provide a copy of the determination of reasonable rent for PHA-owned units to the LACDA and to the HUD field office where the project is located.

Therefore, the initial rent to owner and the annual redetermination of rent at the anniversary of the HAP contract are determined by the independent entity approved by HUD. The LACDA must use the rent to owner established by the independent entity.

21.20.2 Redetermination of Rent to Owner
[24 CFR §983.302]

The LACDA will only redetermine rent to the owner when the owner requests an increase at the annual anniversary of the HAP contract or when there is a 10% decrease in the published FMR. Notice of rent increase and other limitations on rent adjustments must conform to the above stated policies and section 11.3 of this Plan.

If there is a decrease in rent due to a 10% decrease in the published FMR, the rent to owner must be decreased, whether or not the owner requested a rent adjustment.

The notice of rent adjustment from the LACDA constitutes an amendment of rent to owner specified in the HAP contract.

Rent reasonableness will be determined by a HUD-approved, independent entity for units owned by the LACDA. The entity will provide a copy of the determination to the LACDA and the HUD Los Angeles field office.

The LACDA will not approve and the owner may not receive any increase of rent to owner until and unless the owner has complied with all requirements of the HAP contract, including compliance with Housing Quality Standards. The owner may not receive any retroactive increase of rent for any period of noncompliance.

21.20.3 Rent Determination for Projects with Other Subsidies
[24 CFR §983.304]

Rents may not exceed rent limits as established by the applicable federal program for units subsidized under the following programs:

1. HOME;
2. Insured or non-insured Section 236 project;
3. Formerly insured or non-insured Section 236 project that continues to receive Interest Reduction Payment following a decoupling action;
4. Section 221(d)(3) below market interest rate (BMIR) project;
5. Section 515 project of the Rural Housing Service;
6. Any other type of federally subsidized project specified by HUD.

The LACDA may set reasonable rents up to 110 percent of the HUD Market Rent in projects receiving Low-Income Housing Tax Credits (LIHTC), even if the rent level exceeds the maximum rent under the LIHTC program.

The LACDA may, at its discretion include provisions in the HAP contract to reduce the initial amount of rent to the owner because of other governmental subsidies.

21.20.4 Rent Control and Other Rent Limitations
[24 CFR §983.305]

Rent control and other rent limitations under local, state or federal law will apply.

21.21 PAYMENT TO OWNER
[24 CFR §983.351]

The LACDA will make HAP payments to the owner in accordance with the HAP contract for the months in which the contracted unit is leased to and occupied by an eligible family. Except for discretionary vacancy payments described in section 21.20.1 of this chapter, the LACDA will not make any payments for any month after the month in which the family moves out of the unit. In order to continue receiving HAP payments, the owner must comply with all provisions of the HAP contract, including HQS.

21.21.1 Vacancy Payments
[24 CFR §983.352]

If a family moves out of a contract unit, the owner may keep the payment for the full calendar month in which the family moves out. The owner may not keep the payment if the LACDA determines that the vacancy is the owner's fault.

Subject to available funding, the LACDA may provide for vacancy payments to the owner not to exceed two months following move out. The vacancy payment may not exceed the amount of monthly rent under the assisted lease, minus any rent received by the owner, including any available amount from the tenant's security deposit.

Vacancy payments may only cover periods the unit is actually vacant.

The LACDA will only make vacancy payments to the owner if:

- The owner gives prompt, written notice to the LACDA certifying that the family vacated the unit, including the date the family moved out within 72 hours upon learning of the move out, and certifies:
 - The vacancy is not the fault of the owner and the unit was vacant during the period claimed;
 - The owner has taken every reasonable step to minimize the likelihood and length of the vacancy.

The owner must then submit a form requesting vacancy payments and provide the amount of the tenant's security deposit with any amount available to reimburse unpaid rent. The form must accompany receipts substantiating any damages the owner claims from the security deposit. The owner must certify on this form that no other payments were received for the unit during the period vacancy claimed.

21.21.2 Other Charges and Fees
[24 CFR §983.354]

The owner may not require the family to pay charges for any meals or supportive services unless the project is an assisted living development, in which case

owners may charge tenants, family members, or both for meals and supportive services. These charges may not be included in the rent to owner and may not be used to calculate rent reasonableness. Nonpayment of such charges is grounds for termination under the lease only in an assisted living development.

The owner may not charge tenants or family members extra amounts for items customarily included in the rent in Los Angeles County, or provided at no additional cost for unsubsidized tenants on the premises.

Dear Ms. Ocampo and Ms. Zavala:

I wholeheartedly support the recommendations of the LA County Commission on Disabilities that were presented to the LA County Board of Supervisors regarding the **housing crisis for people with intellectual and developmental disabilities**.

As a grandparent of a child with developmental disabilities, this is a primary concern. Who will care for our children when we can't? Where will they live? How will they support themselves? This tender, vulnerable population needs the County's assistance.

Please consider these recommendations and take the necessary action.

Dear Ms. Ocampo and Ms. Zavala:

I wholeheartedly support the recommendations of the LA County Commission on Disabilities that were presented to the LA County Board of Supervisors regarding the **housing crisis for people with intellectual and developmental disabilities**.

As a parent of a child with developmental disabilities, this is a primary concern. Who will care for our children when we can't? Where will they live? How will they support themselves? This tender, vulnerable population needs the County's assistance.

I have a center for children with autism, Education Spectrum, in Altadena and a petting farm in Shadow Hills, Danny's Farm, that employs adults with developmental disabilities. I also consult for a variety of non-profits serving the developmentally disabled in the Los Angeles area. On behalf of the families we serve, we are deeply thankful for the Board's consideration.

Please support these recommendations and take the necessary action.

Sincerely,

Cathy Gott

The Honorable Board of Supervisors
County of Los Angeles

Los Angeles, Ca 90012

Dear Supervisors:

The State Council on Developmental Disabilities (Council) is a state agency mandated to protect and assert the legal, civil, and service rights of people with developmental disabilities in California. The State Council has twelve regional offices including one in Los Angeles County. It is on behalf of the Council and the Los Angeles Regional Advisory Committee (RAC) and the estimated 175,000 people with developmental disabilities who reside in Los Angeles County that I write today to convey our support for the letter provided to the Los Angeles County Board of Supervisors dated January 2, 2020 from the County Commission on Disabilities (Commission) and the ad hoc Developmental Disability Committee (Committee) regarding the housing needs of people with intellectual and developmental disabilities(I/DD).

The letter from the Commission includes Statistics of Quantified Housing Need for people with I/DD in Los Angeles County. Without reiterating these statistics here, we wish to highlight a fundamental reality: people with I/DD are among the most economically disadvantaged people in our state and in Los Angeles County in particular. Most live on Supplemental Security Income (SSI) and the state grant (SSP) of about \$900 per month. The California Budget and Policy Center¹ notes that average fair market rate for rent in Los Angeles County is \$1,279 leaving people living on SSI/SSP in the negative nearly \$400 per month. The Statewide Strategic Framework for Expanding Housing Opportunities for People with I/DD supported by the Council

"The Council advocates, promotes & implements policies and practices that achieve self-determination, independence, productivity & inclusion in all aspects of community life for Californians with developmental disabilities and their families."

states only 16% of adults with I/DD live independently, leaving 100,000 at risk of displacement or homelessness.²

In their letter, the Commission provides several recommendations to address the profound housing crisis facing people with I/DD. We agree with their recommendations and respectfully request the Board of Supervisors to take them into due consideration. The Strategic Framework referenced above makes many of the same recommendations and may provide the Board with additional options to consider. The common thread in all of the recommendations is this: the unique needs of people with I/DD must be specifically and overtly included in all aspects of housing development, funding, and support. Moreover, people with developmental disabilities, their families and advocates must be included in all future conversations and decisions that impact the housing needs of people with I/DD.

We thank the LA County Board of Supervisors for their continued interest in and support of people with I/DD in Los Angeles County. If you have additional questions, please don't hesitate to contact me.

Sincerely,

Dear Supervisors:

The Self-Advocacy Board of Los Angeles County (SABLAC) is made up of people with developmental and other disabilities who advocate for the rights of people with disabilities throughout Los Angeles County. Our members are active in numerous areas of concern including civil rights, housing, employment, transportation and so forth.

We are writing to you regarding a letter you received from the Los Angeles County Commission on Disabilities dated January 2, 2020. The content of this letter discusses the extreme housing needs of people with developmental disabilities. We add our voices to the urgency expressed by the Commission.

Members of SABLAC and our friends have experienced housing issues in many ways. We cannot find housing that is both accessible and affordable. In the rare cases we can, it is in neighborhoods that are especially dangerous for the most vulnerable among us. Many of us live with our aging parents. Where will we go when they are gone? The two alternatives are to live on the streets or in highly restrictive institutions. While a few of us have been lucky enough to find employment, most of us live on SSI which cannot cover rent and living expenses in Los Angeles County. Some of us have experienced

discrimination as well. Because of our disabilities, landlords do not want to rent to us or accommodate our needs. The Department of Fair Employment and Housing has said that most of their housing discrimination complaints are about disability.

The Commission has presented you with several recommendations that would go a long way towards addressing our needs. We would like to add one more. Please have people with developmental disabilities at the table in discussions about affordable housing. You speak with advocates for the homeless and Veterans; we need our advocates there, too.

Thank you for your consideration.

Dear Ms. Ocampo and Ms. Zavala:

I, as a parent of an adult with an intellectual and developmental disability, wholeheartedly support the recommendations of the LA County Commission on Disabilities that were presented to the LA County Board of Supervisors regarding the **housing crisis for people with intellectual and developmental disabilities**. This is a much needed area of concern for our families of aging parents who have dedicated support to their loved ones so they may have a better quality of life.

As a parent of an adult with developmental disabilities, this is a primary concern. Who will care for our adult when we no longer can provide the support they need in order to continue to thrive? Where will they live and be safe as part of a strong community? How will they support themselves and continue to have the confidence of feeling secure in a safe environment? This tender, vulnerable population needs the County's assistance and it is our responsibility and best interest to voice for those who rely on each of us to secure a plan of action for them.

Please consider these recommendations and take the necessary steps for this fragile population.

Dear Ms. Ocampo and Ms. Zavala:

I wholeheartedly support the recommendations of the LA County Commission on Disabilities that were presented to the LA County Board of Supervisors regarding the **housing crisis for people with intellectual and developmental disabilities**. We have reached a point in time when this has become a pressing issue that requires immediate action.

As parents of a 25-year-old son with physical and developmental disabilities, we are very concerned about having a safe and supportive living environment for him and his friends. We cannot keep him at home with us indefinitely. This vulnerable population needs the County's assistance –the Regional Centers simply do not have the resources to create the kind of housing which is needed for our children.

Please consider these recommendations and take the necessary action.

The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, CA 90012

Dear Supervisors:

On behalf of the Los Angeles County Commission on Disabilities (Commission), the Policies on Intellectual and Developmental Disabilities Ad-Hoc Committee (Committee) respectfully requests that the Board of Supervisors (Board) review and support our recommendations regarding the housing crisis for people with the intellectual and developmental disabilities (I/DD).

Ad-Hoc Committee Composition

The Committee is comprised of Commissioners who are either parents of adult children with developmental disabilities, or who provide direct service to this vulnerable population. The housing crisis is a top priority for the Committee, and it is our sincere hope that the Board directs the Los Angeles County Development Authority (LACDA) to increase its focus on the developmentally disabled community. The Committee consulted with LACDA, as well as various state-wide coalitions and alliances, such as Lanterman Housing Alliance and local Regional Centers, in order to prepare these recommendations.

Statistics of Quantified Housing Need

Of approximately 324,000 individuals with I/DD served by Regional Centers in the State of California, nearly 25% (81,000 people) live in Los Angeles County. The 2016 Los Angeles Homeless Services Authority Homeless Count found more than 1,480 people with developmental disabilities living in the streets.¹ According to data from the California Department of Developmental Services, 16% (12,960 people) of Los Angeles County's I/DD population are ages 42 and older. Further, of these same residents approximately 30% (3,934 people) of Los Angeles County residents with I/DD, are living with aging parents who will increasingly be unable to continue to care for and house their adult children in the coming decades.² These particular I/DD individuals are at risk of finding themselves un-housed as the current housing infrastructure is insufficient to meet the needs of adults with I/DD when their aging caregivers are no longer able to continue to provide the same level of support and housing stability.³

Due to their disability and lack of employment opportunities, 8 out of 10 people with developmental disabilities must rely on Social Security Income (SSI) to support themselves. The current, typical SSI payment is under \$900/month or \$10,700/year. Thirty percent of \$900/month amounts to an affordable rent of no more than \$270/per month based on this SSI income. A person with a developmental disability, whose sole income is SSI, cannot afford fair market rent in any city within Los Angeles County.⁴

People with I/DD are among the most economically disadvantaged and vulnerable populations in our country. Yet this population was not explicitly included in new statewide and regional affordable housing programs designed to create permanent, supportive housing for people with mental health diagnosis, people who are chronically homeless, or veterans. Because people with I/DD were not explicitly included, housing developers are not currently utilizing newly available resources to partner with Los Angeles County Regional Centers and community-based service providers to plan and make available, critically needed affordable supportive housing for residents with I/DD.

Recommendations

To address this housing crisis for Los Angeles County residents with I/DD, the Commission respectfully urges the Board to support these recommendations and direct the LACDA to increase the focus of the I/DD population in its activities as follows:

1. Encourage the purchase, design, building, and renovation of new and existing affordable housing; set aside units in new or existing developments; and preserve housing in already existing units;

1. *The Greater Los Angeles Homeless County, LASHA (2016)*

2. *CDER, DDS (2018)*

3. *Statewide Strategic Framework for Expanding Housing Opportunities for People with I/DD, SCDD (2018)*

4. *Priced Out, TAC (2018) (Final Version 12-6-19)*

2. Through a combination of various strategies, such as rental subsidies, developmental capital funding assistance, access to vacant public housing units, etc., set a goal to achieve a 5% allocation of all future affordable housing in Los Angeles County to be developed specifically for low and extremely low-income residents with I/DD;
3. Review for consideration and inclusion in the Flexible Housing Subsidy Pool individuals with I/DD who can also demonstrate a mental health diagnosis and are currently un-housed, or imminently at risk of experiencing homelessness;
4. Consider directing housing choice voucher programs to specifically include a percentage of people with I/DD;
5. Consider rental subsidies to be made specifically available for low and extremely low-income residents with I/DD;
6. Specific allowances, incentives and discounts should be created to encourage the construction of Accessory Dwelling Units by families to meet the needs of relatives with I/DD;
7. Consider revising existing County affordable housing programs through the Notice of Funding Availability (NOFA) and housing related measures in order to better qualify developers utilizing best-practice strategies to include supportive and inclusionary housing for people with I/DD;
8. Consider waiving County associated development fees for affordable housing projects serving people with I/DD. Fees waived should correspond with the percent of I/DD affordable housing units created or set aside as part of the project;
9. Provide technical assistance to all interested parties such as Regional Centers and housing developers on how to best utilize current County funding streams to house people with developmental disabilities;
10. Evaluate all existing unutilized or underutilized County properties with the intent to make all suitable properties for housing people with I/DD available through a Request For Proposal process; and
11. Encourage all proposed and subsequently approved affordable housing developments for residents with I/DD to be designated as Inclusive, Integrated, Supportive, Affordable Housing.

Honorable Board of Supervisors

January 2, 2020

Page | 4

The Commission strongly believes that these recommendations will help the LACDA allocate resources and create tools to address the lack of affordable housing specific to the needs of I/DD people. In addition, these recommendations will encourage direct capital investment to fund the acquisition, renovation, and construction of affordable housing units, or provide new rental subsidies for the I/DD population at a proportional rate to the local population.

The Commission thanks the Board for its continued support of people with disabilities and strongly seeks the Board's help to assist LACDA with the implementation of these proposed recommendations.

If you have any questions or wish to discuss the recommendations further, please contact the Committee at (213) 974-1053 or at laccod@bos.lacounty.gov.

At Armenian Autism Outreach Project, our mission is to support the efforts of individuals and families affected by Autism Spectrum Disorder (ASD); to empower them in self-advocacy by way of education, camaraderie and support; and to educate the Armenian Community for a full and meaningful integration of all individuals.

Our vision is that all individuals, especially those effected by developmental and intellectual disabilities, are equal participants in the daily life of the community. A vital piece of this dream is the ability for individuals to be able to afford reasonable housing within the community in which they have exiting relationships with family, friends, and neighbors; where they work and built relationships with daily living vendors such as doctors, pharmacies, and so much more. Housing costs have skyrocketed in the past 10 years. Pair that with a serious lack of affordable housing and a growing number of individuals with disabilities in our community, and we find ourselves in quite a devastating situation. Parents live in fear daily that their adult children will be homeless once they are no longer able to provide shelter or their child.

We had the honor of reading the letter dated January 2, 2020, written by the Policies on Intellectual and Developmental Disabilities ad hoc Committee on behalf of the Los Angeles County Commission on Disabilities. The letter has clearly outlined the current housing shortage and the upcoming devastation. The suggestions outlined are well thought out, and include reasonable options to address the crisis at hand. We at AAOP are in full support of the findings and urge you to take action immediately. There are over 500,000 teenagers with Autism alone in the US. These individuals will be entering adulthood over the next 10 years. We do not have time to wait. We must make this commitment to our future now.

If there are any questions, we may be reached by email at Info@ArmenianAutism.org, or by phone at (661) 523-2267.

Dear Supervisor Barger,

I am writing to urge your strong support for the Los Angeles County Commission on Disabilities' recommendations to improve housing opportunities for residents with Developmental Disabilities. By adopting these recommendations, the County will take a very important step toward addressing the growing threat of homelessness or institutionalization facing many of our most vulnerable county residents.

The Commission's recommendations document that the County is beginning to count significant numbers of people with intellectual and developmental disabilities among our homeless population. It further documents that there are many thousands more adults with these disabilities who are at risk of being without safe and secure housing if the County does not take meaningful actions now.

Please support the very reasonable steps called for in the recommendations by your Los Angeles County Commission on Disabilities.

Mr. Carlos Benavides, President
County of Los Angeles
Commission on Disabilities
Kenneth Hahn Hall of Administration, B-50
500 West Temple Street, Los Angeles, California 90012

Dear Mr. Benavides:

The Los Angeles County Development Authority (LACDA) received your letter addressed to the Los Angeles County Board of Supervisors (BOS) dated January 2, 2020. Your letter requests the BOS to direct the LACDA to make people with intellectual and developmental disabilities (I/DD) a focus of its activities prioritizing their housing needs. We have received several other letters from parents and advocates of individuals with I/DD in support of this request.

For the last several years, the BOS' directive to the LACDA has been to make the homeless population the number one priority. The LACDA is 100% on board with the County's Homeless Initiative, as required by the BOS, however many of LACDA's existing programs, policies, and preferences is mutually beneficial to people with I/DD.

One of the LACDA largest special needs housing programs, the Continuum of Care (CoC) Program is designed specifically for persons who are disabled and experiencing homelessness. The LACDA administers an allocation of 1,881 CoC certificates. Recognizing the need to serve the Los Angeles County's elderly and disabled population better, the LACDA pursued the designation of 12 housing developments with 1,280 units as elderly/disabled housing. Since August 2013, these 12 housing developments, 43% of LACDA's public housing inventory, exclusively assist elderly families, which include people with disabilities.

Additionally, since July 1, 2016, LACDA provides a homeless admissions preference for the South County family public housing properties (SSS) by first offering any unit that becomes available to a homeless family, which includes seniors and people with disabilities. The LACDA entered into a Memorandum of Understanding (MOU) with the Los Angeles Homeless Services Authority (LAHSA) effective July 1, 2016, to provide referrals to the LACDA through the Coordinated Entry System (CES).

The LACDA has also administered an allocation of 200 Mainstream Program vouchers for non-elderly persons with disabilities since 1999. Although there were several years of no new funding for the Mainstream Program, in 2019, the LACDA was awarded a new allocation of 79 vouchers and the Federal budget shows a set aside of millions of dollars for future funding. The LACDA also provides subsidy at several project-based voucher sites with nearly 200 units targeted to persons with mental disabilities.

The LACDA is more than willing to do everything within its power to assist persons with I/DD and will follow the BOS lead and directions in prioritizing any additional available resources for persons with I/DD. Thank you for being advocates for this truly needy population. 1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located.
2. The Plan contains a certification by the appropriate State or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments to Fair Housing Choice, for the PHA's jurisdiction and a description of the manner in which the PHA Plan is consistent with the applicable Consolidated Plan.

 - Adoption of a site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
 - The PHA shall take reasonable measures to assure that such a waiting list is consistent with affirmatively furthering fair housing;
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR part 903.7(c)(1).
