## MOTION BY SUPERVISORS KATHRYN BARGER AND HILDA S. SOLIS

JUNE 23, 2020

## **AMENDMENT TO ITEM 9**

8. Direct the Chief Executive Officer, or her designee, to track, monitor, and report on the performance of the Bioscience Fund bi-annually, incorporating geographic and worker equity measures in the tracking and reporting plan on the capital that must be invested in Los Angeles County-based companies focused on bioscience. This report shall include a section on proposed and/or anticipated expenditures for transparency and alignment with the Board's policies and priorities.
