| | | | BEATRICE SOLIS | I strongly oppose any form of "policing" in our schools except for Community/Peer Policing. Children and teachers need more resources that does not involve Sheriffs or LAPD. |

| | | | Dorothy Wong | Please support the Deputy Program and in agreement if the community, the LA County Sheriffs are a significant part of our community. While ways of policing must change, the loss of the community officer position is significant loss to our community. Please fund this position with the sheriffs and new ways of policing needs to be inclusive of the LA County Sheriffs. Altadena is losing its most needed positions due to budget conflicts. |
