At its meeting held November 30, 2004, the Board took the following action:

2

Supervisor Antonovich made the following statement:

“The intersection of 45th Street West and Avenue N in Lancaster is near two schools and a few blocks from the future site of an Albertson’s grocery store. It is also the site of a deadly accident which occurred the morning of November 17, 2004.

“Currently controlled only by a two-way stop sign for motorists on 45th Street West, Public Works officials conducted a study and recommended in August that a traffic signal be installed at the location in January 2006.”

Therefore, on motion of Supervisor Antonovich, seconded by Supervisor Yaroslavsky, unanimously carried (Supervisor Molina being absent), the Interim Director of Public Works was directed to examine its data and traffic studies to expedite installation of a traffic signal at the intersection of 45th Street West and Avenue N in Lancaster.
