Dear Supervisors:

**APPROVAL OF A SOLE SOURCE REPLACEMENT AGREEMENT WITH VARIAN  
MEDICAL SYSTEMS, INC. FOR THE PROVISION OF ONCOLOGY RADIATION THERAPY  
EQUIPMENT MAINTENANCE AND REPAIR SERVICES**

(First District) (3Votes)

IT IS RECOMMENDED THAT YOUR BOARD:

Approve and instruct the Director of Health Services, or his designee, to sign a sole source replacement agreement with Varian Medical Systems, Inc., substantially similar to Exhibit I, for the provision of oncology radiation therapy equipment maintenance and repair services at LAC+USC Medical Center effective upon Board approval through June 30, 2008, at a maximum obligation not to exceed \$661,995, net County cost.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION:

In approving this action, the Board is approving the execution of a sole source replacement agreement with Varian Medical Systems, Inc. (Varian) for the continued provision of equipment maintenance and repair services for critical oncology radiation therapy equipment at LAC+USC Medical Center (LAC+USC). The Agreement will replace Agreement No. H-203881 with Varian, and will include new terms, conditions, and pricing related to Varian's specific tasks and responsibilities.

FISCAL IMPACT/FINANCING:

Effective upon Board approval through June 30, 2005, the maximum County obligation is \$107,070 in net County cost, and \$184,975 annually through June 30, 2008, for a total maximum obligation of \$661,995. The maximum obligation includes \$15,000 in annual contingency funds to be used for emergency and out of scope repairs. Funding is included in the Fiscal Year 2004-05 Adopted Budget, and will be requested in future fiscal years.

The Honorable Board of Supervisors  
December 2, 2004  
Page 2

The Agreement includes provision for quarterly advance payments, as requested by Varian. The Department surveyed non-County health care facilities utilizing similar Varian equipment and confirmed that this is Varian's usual and customary billing practice. The previous Agreement with Varian provided for semi-annual advance payments.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS:

In 1992, LAC+USC purchased new oncology radiation therapy equipment from Varian that included a warranty for maintenance and repair services. On July 12, 1994, the Board approved Agreement No. H-203881 with Varian to continue maintenance and repair services on a sole source basis after the warranty's expiration. The Board approved three subsequent amendments extending the services through June 30, 2004. No service has been provided by Varian since that date.

The new Agreement provides for a new preventive maintenance frequency schedule, new off-site telephonic monitoring and diagnosis of equipment malfunctions, and different procedures and increased costs for emergency, after hours and non-covered services.

The Agreement contains the County's standard terms and conditions, with provision for termination for convenience on 10 days notice. The Department intends to utilize this provision upon the opening of LAC+USC's replacement facility to ensure a seamless transition of radiation oncology therapy equipment maintenance services. Since the Department will be paying for these services in advance, appropriate language has been included to recover, if necessary, any advance payments which may have been made to Varian.

The Agreement, Exhibit I, has been approved as to form by County Counsel.

The Department has determined that this is not a Proposition A Agreement because services are provided on a part-time or interim basis, and therefore, provisions of the County's Living Wage Program do not apply.

Attachment A provides additional information.

CONTRACTING PROCESS:

Based on the Department's market survey of non-County hospitals utilizing identical Varian equipment, the Department has determined that no other vendors are qualified to perform the required services because of the highly technical and proprietary nature of Varian's equipment. It is inappropriate to advertise sole source agreements on the Los Angeles County On-line Web Site.

IMPACT ON CURRENT SERVICES (OR PROJECTS):

The approval of this action will allow the Department to ensure that necessary maintenance and repair of oncology radiation therapy equipment at LAC+USC is provided.

The Honorable Board of Supervisors  
December 2, 2004  
Page 3

When approved, this Department requires three signed copies of the Board's action.

Respectfully submitted,

Thomas L. Garthwaite, M.D.

(hereafter "Contractor").

WHEREAS, pursuant to sections 1441 and 1445 of the California Health and Safety Code, County has established and operates, through its Department of Health Services (hereafter "DHS"), various County hospitals, comprehensive health centers, public health centers, and other health care facilities and programs (hereafter collectively referred to as "Facility(ies)"; and

WHEREAS, County desires the services of a contractor to provide preventive maintenance and repairs services; and

WHEREAS, County has determined that the services to be provided under this Agreement are of a technical nature to the extent that DHS is unable to recruit qualified personnel with the requisite training, knowledge, or experience to perform such services; and

WHEREAS, Contractor is authorized under the laws of the State of California to engage in the business of providing

preventive maintenance and repair services, and possesses the competence, expertise, and personnel necessary to provide such services described hereunder; and

WHEREAS, this Agreement is authorized by provisions of section 1451 of the California Health and Safety Code and sections 26227 and 31000 of the California Government Code.

NOW, THEREFORE, in consideration of the mutual promises and covenants set forth herein, the parties hereto agree as follows:

1. TERM: The term of this Agreement shall commence on date of Board approval, and shall continue in full force and effect to and including June 30, 2008, unless sooner canceled or terminated as provided herein.

2. DESCRIPTION OF SERVICES:

A. Contractor shall provide services in the form as described in the body of this Agreement and Exhibit A, STATEMENT OF WORK, and Schedule A, EQUIPMENT LIST AND REPAIR SCHEDULE, attached hereto and incorporated herein by reference.

B. Contractor acknowledges that the quality of service(s) provided under this Agreement shall be at least equivalent to that which Contractor provides to all other clients it serves.

Contractor warrants that it possesses the competence, expertise, and personnel necessary to provide such services.

3. NONEXCLUSIVITY: Contractor acknowledges that it is not necessarily the exclusive provider to County of services provided under the terms of this Agreement, and that County has, or may enter into, agreements with other providers of such services, or may perform all or part of same, when possible, using County employees.

4. BILLING AND PAYMENT:

A. County agrees to compensate Contractor in accordance with the terms set forth in Exhibit A and Schedule A, attached hereto and incorporated herein by reference.

B. Contractor shall bill DHS' LAC+USC Medical Center (LAC+USC), c/o Expenditure Management, 2064 Marengo Street, Los Angeles, CA 90033, hereunder according to the terms set forth in the payment requirements of said Exhibit.

5. MAXIMUM OBLIGATION OF COUNTY:

A. The annual maximum obligation of County for all services provided hereunder shall not exceed One Hundred Seven Thousand, Seventy Dollars (\$107,070) for the period from date of Board approval through June 30, 2005.

B. The annual maximum obligation of County for all services provided hereunder shall not exceed One Hundred Eighty-Four Thousand, Nine Hundred Seventy-Five Dollars

(\$184,975) for the period July 1, 2005 through June 30, 2006.

C. The annual maximum obligation of County for all services provided hereunder shall not exceed One Hundred Eight-Four Thousand, Nine Hundred Seventy-Five Dollars (\$184,975) for the period July 1, 2006 through June 30, 2007.

D. The annual maximum obligation of County for all services provided hereunder shall not exceed One Hundred Eight-Four Thousand, Nine Hundred Seventy-Five Dollars (\$184,975) for the period July 1, 2007 through June 30, 2008.

6. COUNTY'S OBLIGATION FOR FUTURE FISCAL YEARS:

Notwithstanding any other provision of this Agreement, County shall not be obligated for preventive maintenance and repair services performed hereunder, or by any provision of this Agreement, during any of County's future July 1 - June 30 fiscal years unless and until County's Board of Supervisors appropriates funds for this Agreement in County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Agreement, then this Agreement shall be deemed to have terminated on June 30 of the last County fiscal year for which funds were appropriated. Director shall notify Contractor in writing of such non-appropriation of funds at the earliest possible date.

7. NO PAYMENT FOR SERVICES PROVIDED FOLLOWING EXPIRATION/TERMINATION OF AGREEMENT: Contractor shall have no claim against County for the payment of any monies, or reimbursements of any kind whatsoever, for any service provided by Contractor after the expiration or other termination of this Agreement, even if Contractor's provision of such services were requested by County directly. Should Contractor receive any such payment, it shall immediately notify County and shall repay or return all such funds or reimbursements to County within a reasonable amount of time. Payment by County for services rendered after expiration/termination of this Agreement shall not constitute a waiver of County's right to recover such payment from Contractor. This provision shall survive the expiration or termination of this Agreement.

8. INDEMNIFICATION: Contractor shall indemnify, defend, and hold harmless County and its Special Districts, elected and appointed officers, employees, and agents from and against any and all liability, including but not limited to demands, claims, actions, fees, costs, and expenses (including attorney and expert witness fees), arising from or connected with Contractor's acts and/or omissions arising from and/or relating to this Agreement.

9. GENERAL INSURANCE REQUIREMENTS: Without limiting Contractor's indemnification of County and during the term of this Agreement, Contractor shall provide and maintain, and shall

require all of its subcontractors to maintain, the following programs of insurance specified in this Agreement. Such insurance shall be primary to and not contributing with any other insurance or self-insurance programs maintained by County, and such coverage shall be provided and maintained at Contractor's own expense. In any event, Contractor may satisfy the insurance coverage requirements specified in this Agreement by providing evidence of Contractor's self-insurance program, as described in the INSURANCE COVERAGE REQUIREMENTS Paragraph, hereinbelow. Such evidence shall be provided in a formal declaration (on Contractor's letterhead, if available) that declares Contractor is self-insured for the type and amount of coverage as described in INSURANCE COVERAGE REQUIREMENTS Paragraph, hereinbelow. Contractor's declaration may be in the form of a corporate resolution or a certified statement from a corporate officer or an authorized principal of Contractor. The statement also must identify which required coverages are self-insured and which are commercially insured. Contractors who are self-insured for workers compensation must provide a copy of their "Certificate of Consent to Self-Insure" issued by the State in which services will be provided. Further, Contractor's self-insurance program must be reviewed and approved by County's Risk Manager prior to the effective date of this Agreement.

A. Evidence of Insurance: Certificate(s) or other evidence of coverage satisfactory to County's Risk Manager

shall be delivered to Director at the: DHS; Contracts and Grants Division; 313 North Figueroa Street, 6th Floor-East; Los Angeles, California 90012-2659, and provide a copy to DHS; Centralized Contract Monitoring Division; 5555 Ferguson Drive, Suite 210; Commerce, California 90022, prior to commencing services under this Agreement. Such certificates or other evidence shall:

(1) Specifically identify this Agreement.

(2) Clearly evidence all coverages required in this Agreement.

(3) Contain the express condition that County is to be given written notice by mail at least thirty (30) calendar days in advance of cancellation for all policies evidenced on the certificate of insurance.

(4) Include copies of the additional insured endorsement to the commercial general liability policy, adding County of Los Angeles, its Special Districts, its officials, officers, and employees as insured for all activities arising from this Agreement.

(5) Identify any deductibles or self-insured retentions for County's Risk Manager approval. County's Risk Manager retains the right to require Contractor to reduce or eliminate such deductibles or self-insured retentions as they apply to County, or,

require Contractor to provide a bond guaranteeing payment of all such retained losses and related costs, including, but not limited to, expenses or fees, or both, related to investigations, claims administrations, and legal defense. Such bond shall be executed by a corporate surety licensed to transact business in the State of California.

B. Insurer Financial Ratings: Insurance is to be provided by an insurance company acceptable to County's Risk Manager with an A.M. Best rating of not less than A:VII, unless otherwise approved by County's Risk Manager.

C. Failure to Maintain Coverage: Failure by Contractor to maintain the required insurance, or to provide evidence of insurance coverage acceptable to County's Risk Manager, shall constitute a material breach of contract upon which County may immediately terminate or suspend this Agreement. County, at its sole option, may obtain damages from Contractor resulting from said breach. Alternatively, County may purchase such required insurance coverage, and without further notice to Contractor, County may deduct from sums due to Contractor any premium costs advanced by County for such insurance.

D. Notification of Incidents, Claims, or Suits: Contractor shall report to County:

(1) Any accident or incident relating to services performed under this Agreement which involves injury or property damage which may result in the filing of a claim or lawsuit against Contractor and/or County. Such report shall be made in writing within twenty-four (24) hours of occurrence.

(2) Any third party claim or lawsuit filed against Contractor arising from or related to services performed by Contractor under this Agreement.

(3) Any injury to a Contractor employee which occurs on County property. This report shall be submitted on a County "Non-Employee Injury Report" to County contract manager.

(4) Any loss, disappearance, destruction, misuse, or theft of any kind whatsoever of County property, monies, or securities entrusted to Contractor under the terms of this Agreement.

E. Compensation for County Costs: In the event that Contractor fails to comply with any of the indemnification or insurance requirements of this Agreement, and such failure to comply results in any costs to County, Contractor shall pay full compensation for all costs incurred by County.

F. Insurance Coverage Requirements for

Subcontractors: Contractor shall ensure any and all subcontractors performing services under this Agreement meet the insurance requirements of this Agreement by either:

(1) Contractor providing evidence of insurance covering the activities of subcontractors, or

(2) Contractor providing evidence submitted by subcontractors evidencing that subcontractors maintain the required insurance coverage. County retains the right to obtain copies of evidence of subcontractor insurance coverage at any time.

10. INSURANCE COVERAGE REQUIREMENTS:

A. General Liability Insurance (written on Insurance Services Office ["ISO"] policy form "CG 00 01" or its equivalent) with limits of not less than the following:

General Aggregate: \$4 Million

C. Workers' Compensation and Employers' Liability insurance providing workers' compensation benefits, as required by the Labor Code of the State of California or by any other state, and for which Contractor is responsible.

(2) A detailed description of the services to be provided by the subcontractor.

(3) The proposed subcontract amount and manner of compensation, if any, together with Contractor's cost or price analysis thereof.

B. Director shall review Contractor's request to subcontract and shall determine, in his/her sole discretion, whether or not to consent to such a request on a case-by-case basis.

C. Subcontracts shall be made in the name of Contractor and shall not bind nor purport to bind County. The making of subcontracts hereunder shall not relieve Contractor of any requirements under this Agreement, including, but not limited to, the duty to properly supervise and coordinate the work of subcontractors. Further, Director's approval of any subcontract shall also

not be construed to limit in any way, any of County's rights or remedies contained in this Agreement.

D. In the event that Director consents to any subcontracting, Contractor shall be solely liable and responsible for any and all payments or other compensation to all subcontractors, and their officers, employees, and agents.

E. In the event that Director consents to any subcontracting, such consent shall be subject to County's right to terminate, in whole or in part, any subcontract at any time upon written notice to Contractor when such action is deemed by County to be in its best interest. County shall not be liable or responsible in any way to Contractor, or any subcontractor, or to any officers, employees, or agents, of Contractor, or any subcontractor, for any liability, damages, costs, or expenses, arising from or related to County's exercising of such a right.

F. Subcontracts shall contain the following provision: "This contract is a subcontract under the terms of a prime contract with the County of Los Angeles and shall be subject to all of the provisions of such prime contract." Further, Contractor shall also reflect as subcontractor requirements in the subcontract form all of the requirements of the following paragraphs of the body of this Agreement:

Contractor shall deliver to Director a fully executed copy of each subcontract entered into by Contractor, as it pertains to the provision of services under this Agreement, on or immediately after the effective date of the subcontract, but in no event, later than the date any services are to be performed under the subcontract.

G. Director is hereby authorized to act for and on the behalf of County pursuant to this Paragraph, including but not limited to, consenting to any subcontracting.

12. COMPLIANCE WITH APPLICABLE LAW:

A. Contractor shall comply with the requirements of all federal, State, and local laws, ordinances, regulations, rules, guidelines, and directives, applicable to its performance hereunder. To the extent there is any conflict between federal and State or local laws, the former shall prevail.

Any reference to a specific statute, regulation, or any other document not prepared by County is deemed to include a reference to any amendment thereto as of the effective date of such amendment; further, this Agreement shall be

interpreted and the parties' duties and obligations under this Agreement shall be consistent with any amendment to any applicable statute, regulation or other document not prepared by County which occurs after the effective date of the Agreement.

B. Contractor shall indemnify and hold harmless County from and against any and all loss, damage, liability, or expense resulting from any violation on the part of Contractor, its officers, employees, or agents, of such federal, State, or local laws, regulations, guidelines, or directives.

No addition to, or alteration of, the terms of this Agreement, whether by written or verbal understanding of the parties, their officers, employees or agents, shall be valid and effective unless made in the form of a written amendment to this Agreement which is formally approved and executed by the parties in the same manner as this Agreement.

Contractor shall notify County, in writing, of any changes made to Contractor's primary business address, as listed herein, or any other business address, business telephone number, facsimile/FAX number, and/or e-mail address used in the provision of services herein, at least ten (10) calendar days prior to the effective date(s) thereof.

STANDARD PROVISIONS

PREVENTIVE MAINTENANCE AND REPAIR SERVICES AGREEMENT

1. ADMINISTRATION: Director shall have the authority to administer this Agreement on behalf of County. Contractor agrees to extend to Director, or to authorized federal, State, County, and local governmental representatives, the right to review and monitor Contractor's program(s), policies, procedures, and financial and/or other records, and to inspect its business offices, facility(ies), and/or County work site area(s), for contractual compliance at any reasonable time.

2. FORM OF BUSINESS ORGANIZATION AND FISCAL DISCLOSURE:

A. Form of Business Organization: Contractor shall prepare and submit to Director upon request, an affidavit, sworn to and executed by Contractor's duly constituted officers, or Board of Directors, containing the following information with supportive documentation:

(1) The form of Contractor's business organization, i.e., sole proprietorship, partnership, limited liability company ("LLC"), or corporation.

(2) Articles of Incorporation and By-Laws (or articles of organization, certificate of formation, certificate of registration, and operating agreement if Contractor's organization is a LLC).

(3) A detailed statement indicating whether Contractor is totally or substantially owned by another business organization (i.e., another legal entity or parent corporation).

(4) Board Minutes, or other legal documentation, identifying who is authorized on behalf of Contractor to conduct business, make commitments, and enter into binding agreements with County. 45. WAIVER: No waiver of any breach of any provision of this Agreement by County shall constitute a waiver of any other breach of such provision. Failure of County to enforce at any time, or from time-to-time, any provision of this Agreement shall not be construed as a waiver thereof. The remedies herein reserved shall be cumulative and additional to any other remedies in law or equity.

46. SEVERABILITY: If any provision of this Agreement or the application thereof to any person or circumstance is held invalid, the remainder of this Agreement and the application of such provision to other persons or circumstances shall not be affected thereby.
