

MOTION BY SUPERVISOR DON KNABE

December 7, 2004

More than 60 years ago, President Delano Roosevelt told Americans that December 7, 1941, was “a date which will live in infamy”; on that morning, America was attacked without warning and without provocation. More than 2,400 Americans were killed and 1,100 were wounded and our country was changed forever.

We recognize and honor on this day the courageous veterans of Pearl Harbor who bravely fought to ensure for us the precious gifts of peace and liberty

I, THEREFORE, MOVE that the Board of Supervisors hereby proclaim December 7<sup>th</sup> as “Pearl Harbor Day” throughout Los Angeles County; and encourage all Americans to participate in ceremonies honoring the Americans who served at Pearl Harbor.
