			Nicholas Jiles	Chair Solis and Board of Supervisors, I'm writing to you this morning in strong support of Agenda Item #17: Exploring Sustainable Solutions to Develop Affordable Housing for College Students Experiencing Homelessness. At the Foundation for California Community Colleges (FCCC) we are actively supporting the development of student housing statewide and look forward to working with the County to end student homelessness in Los Angeles (esp. in our community colleges). Thank you for your time and efforts.
