Convert the County’s Eviction Moratorium to the County’s COVID-19 Tenant Protections Resolution, and Update the Resolution to Extend, Clarify, and Gradually Phase Out Temporary Emergency Protections that Serve as Affirmative Defenses for Commercial and Residential Tenants

In March 2020, the County of Los Angeles adopted the County’s Eviction Moratorium, which enacted affirmative defenses against evictions for residential and commercial tenants in particular instances. In April 2020, the Judicial Council of California (JCC) instituted a prohibition on the issuance of a summons or entering of default judgments in eviction cases for residential or commercial tenants, except in instances where tenant actions cause serious health or safety impacts to the tenants, units, or community. The State also adopted residential protections for nonpayment of rent due to COVID in September 2020. State tenant protections preempt the County from reenacting local nonpayment of rent protections through March 2022. Since the JCC lifted the prohibition on eviction filings in September 2020, property owners have been able to resume eviction filings with the Courts and tenants can use the State and local protections as affirmative defenses against these fillings.

The County of Los Angeles continues to make significant progress in slowing the

spread of the novel coronavirus (COVID-19). However, while the County continues its efforts to increase vaccination rates and prevent the spread of the virus, the Board of Supervisors (Board) should consider options that will protect its residents and small business owners from highly-contagious variants of COVID-19 and the oncoming cold and flu season.

The impacts of COVID-19 continue to be felt by households and businesses across the County. More Californians have lost their jobs during the past 18 months than during the entire Great Recession. Many businesses have permanently closed or can only partially reopen with reduced staffing capacity. Thousands of residential tenants have faced housing uncertainty because they are unable to pay some or all of their rent due to lost wages or hours of work. In response to the serious health and economic impacts of the COVID-19 pandemic, the Board has issued a series of emergency orders to provide timely and necessary relief to tenants, including the County's Executive Order placing a Temporary Eviction Moratorium (Eviction Moratorium) on certain types of evictions for residential and commercial tenants impacted by the COVID-19 pandemic. The Eviction Moratorium has been extended multiple times by the Board and is currently set to expire on September 30, 2021.

On August 31, 2020, Governor Newsom signed Assembly Bill (AB) 3088 into law to provide, among other things, eviction protections to residential tenants who were unable to pay rent due to the COVID-19 emergency, subject to certain requirements. The protections offered under AB 3088 have been subsequently expanded and extended by Senate Bill (SB) 91, AB 81, and AB 832 (collectively, State's eviction protections). Additionally, the State of California (State) manages a federally-funded rent relief program to support property owners and income-qualified residential tenants who have been unable to pay rent due to financial hardships caused by the pandemic.

On June 22, 2021, the Board amended the County's Eviction Moratorium to allow limited owner move-ins into single-family homes where the tenant(s) have not suffered financial impacts from COVID-19. This provision is in line with the Board's intent to balance the needs of County residents, to remain housed during the pandemic to minimize the spread of COVID-19, with the needs of property owners who have found themselves in need of a permanent place to live during the pandemic.

This motion expands the exception for owner move-ins to: (1) include single family homes, condominium units in multi-family housing developments, mobilehome spaces, and units within a duplex or triplex where the owner owns at least 50% of the duplex or triplex (collectively, "Units"); and (2) allow the owner and/or owner's qualifying family member to use and occupy up to two Units in total as the owner's and/or owner's family member's principal residence(s), subject to certain conditions.

Most importantly, the County is preempted under the State's new eviction statute, through March 31, 2022, from enacting new or amending existing protections for residential tenants related to nonpayment of rent due to COVID-19. The County is only allowed to continue protecting its commercial tenants from such evictions for the time being. Therefore, this motion maintains existing protections offered to commercial tenants under the Resolution and a continuation of the residential protections not preempted by the State including protections against nuisance, unauthorized occupants or pets whose presence are necessitated by COVID, denial of entry by landlords, no-fault, and specific instances of owner move-ins.

While the State nonpayment of rent protections are scheduled to sunset on September 30th, 2021, it is prudent that the County continue to extend our local emergency tenant protections allowable under State law. By extending the COVID-19 tenant protections and expanding the owner move-in exception, the County can

continue to protect the health, safety, and welfare of its constituents during the COVID-19 pandemic, while recognizing the importance of allowing property owners to move into their properties, if needed. To avoid confusion, the County should change the name of the Resolution from the County Eviction Moratorium to the County COVID-19 Tenant Protections as the Resolution provides tenants with affirmative defenses against evictions; it does not prohibit property owners from filing.

WE, THEREFORE, MOVE that the Board of Supervisors approve and direct the Chair of the Board to execute the attached Resolution, approved as to form by County Counsel, which is being further amended and restated to do the following:

1. Change the name of the Resolution to the County COVID-19 Tenant Protections.
2. Extend the County COVID-19 Tenant Protections Resolution through January 31, 2022.
3. Clarify provisions in the Resolution where not preempted by State law.
4. Expand the owner move-in exception to allow property owners and/or their qualifying family members to move into up to two Units, defined above, in total as their principal residence(s), if the single family home, condominium unit, mobilehome space, duplex and/or triplex was purchased by the property owner on or before June 30, 2021, and if the following conditions are met:
 - a. The residential tenant has been and is able to pay rent and has not suffered financial impacts related to COVID-19
 - b. The property owner may only terminate a tenancy if the property owner and/or property owner's family member who will reside in the Unit(s) are similarly situated to the residential tenant(s) or residential tenant's household members who are being displaced as follows:

- i. A tenant or tenant's household member who is 62 years of age or older may only be displaced by the property owner or property owner's family member if the property owner or property owner's family member is also 62 years of age or older;
 - ii. A tenant or tenant's household member who is disabled may only be displaced by the property owner or property owner's family member if the property owner or property owner's family member is also disabled;
 - iii. A tenant or tenant's household member who is terminally ill may only be displaced by the property owner or property owner's family member if the property owner or property owner's family member is also terminally ill; and
 - iv. A tenant whose household is low-income may only be displaced by the property owner or property owner's family member if the property owner's or property owner's family member's household is also low-income.
- c. The property owner provides the tenant with at least 60 days' written notice that the property owner and/or property owner's family member will be occupying the Unit as their principal residence(s), thus requiring the tenant(s) to move out within 60 days, and the property owner provides a copy of this notice to the Department of Consumer and Business Affairs (DCBA) with proof of timely service on the tenant(s). The property owner shall provide an extension to this time period if anyone in the tenant's household residing in the Unit(s) and/or the property owner or property owner's family member who will be moving into the Unit has been

diagnosed with a suspected or confirmed case of COVID-19 within fourteen (14) days of the final date of the tenancy until all affected parties have been deemed to no longer be infectious;

- d. The property owner pays the tenant(s) relocation benefits in accordance with the applicable local jurisdiction's requirements for such owner moves or, if none, in accordance with Chapter 8.52 of the County Code;
- e. The property owner demonstrates good faith by moving into, and/or having property owner's family member who will principally reside in the Unit(s), move into the Unit(s) within 60 days of the tenant vacating the Unit(s) and live there for a minimum of thirty-six (36) consecutive months; and
- f. Not less than sixty (60) days prior to the final date of the tenancy, the property owner must disclose to DCBA, on a form approved by DCBA, the name(s) of the eligible individuals who will occupy the Unit(s), consistent with Chapter 8.52 of the County Code, as may be amended from time to time. DCBA may contact the property owner and/or the property owner's family member at any time during the property owner's and/or property owner's family member's thirty-six (36) month occupancy to confirm that the property owner and/or property owner's family member resides in the recovered Unit(s) and to obtain written verification of residency.

WHEREAS, also on March 4, 2020, the County Health Officer determined that there is an imminent and proximate threat to the public health from the introduction of COVID-19 in Los Angeles County, and concurrently declared a Local Health Emergency;

WHEREAS, ensuring that all people in the County continue to have access to running water during this public health crisis will enable compliance with public health guidelines advising people to regularly wash their hands, maintain access to clean drinking water, help prevent the spread of COVID-19, and prevent or alleviate illness or death due to the virus;

WHEREAS, ensuring that all customers in the County that receive power services from Southern California Edison and Southern California Gas Company (collectively, "Public Utilities") continue to have access to electricity so they are able to receive important COVID-19 information, keep critical medical equipment functioning, and utilize power, as needed, will help to prevent the spread of COVID-19 and prevent or alleviate illness or death due to the virus;

WHEREAS, on March 13, 2020, the Public Utilities announced that they will be suspending service disconnections for nonpayment and waiving late fees, effective immediately, for residential and business customers impacted by the COVID-19 emergency;

WHEREAS, on March 16, 2020, Governor Newsom issued Executive Order N-28- 20 that authorizes local governments to halt evictions of renters, encourages financial institutions to slow foreclosures, and protects renters and homeowners against utility shutoffs for Californians affected by COVID-19;

WHEREAS, on March 19, 2020, the Chair of the Board issued an Executive Order ("Executive Order") that imposed a temporary moratorium on evictions for non-payment of rent by residential or commercial tenants impacted by COVID-19 ("Moratorium"), commencing March 4, 2020, through May 31, 2020 ("Moratorium Period");

WHEREAS, on March 31, 2020, the Board ratified the Chair's Executive Order and amended the ratified Executive Order to include a ban on rent increases in the unincorporated County to the extent permitted by State law and consistent with Chapter 8.52 of the Los Angeles County Code ("Code");

WHEREAS, on April 14, 2020, the Board further amended the Executive Order to: expand the County's Executive Order to include all incorporated cities with the County; include a temporary moratorium on eviction for non-payment of space rent on mobilehome owners who rent space in mobilehome parks; include a ban on rent increases in the unincorporated County to the extent permitted by State law and consistent with Chapters 8.52 and 8.57 of the County Code; and enact additional policies and make additional modifications to the Executive Order;

WHEREAS, COVID-19 is causing, and is expected to continue to cause, serious financial impacts to Los Angeles County residents and businesses, including the substantial loss of income due to illness, business closures, loss of employment, or reduced hours, thus impeding their ability to pay rent;

WHEREAS, displacing residential and commercial tenants who are unable to pay rent due to such financial impacts will worsen the present crisis by making it difficult for them to comply with the Safer at Home Order, thereby placing tenants and many others at great risk;

WHEREAS, while it is the County's public policy and intent to close certain businesses to protect public health, safety and welfare, the County recognizes that the interruption of any business will cause loss of, and damage to, the business. WHEREAS, based on the County's authority during a state of emergency, pursuant to Government Code section 8630 et seq. and Chapter 2.68 of the County Code, the County may issue orders to all incorporated cities within the County to provide for the protection of life and property, where necessary to preserve the public health, order, and safety;

WHEREAS, due to the continued, rapid spread of COVID-19 and the need to preserve life and property, the County has determined that continued evictions in the County and all of its incorporated cities during this COVID-19 crisis would severely impact the health, safety and welfare of County residents;

WHEREAS, loss of income as a result of COVID-19 may hinder County residents and businesses from fulfilling their financial obligations, including paying rent and making public utility payments, such as water and sewer charges;

WHEREAS, on May 12, 2020, the Board approved, and delegated authority to the Chair to execute, an Amended and Restated Executive Order that extended the Moratorium Period through June 30, 2020, unless further extended or repealed by the Board, and incorporated additional provisions;

WHEREAS, on May 12, 2020, the Board determined to reevaluate the Moratorium every thirty (30) days to consider further extensions;

WHEREAS, on June 23, 2020, the Board extended the Moratorium Period through July 31, 2020;

WHEREAS, on September 1, 2020, Governor Newsom signed Assembly Bill ("AB") 3088 into law to provide immediate protections and financial relief to residential tenants, homeowners, and small landlords impacted by COVID-19, as follows:

1. Residential tenants, which includes mobilehome space renters, who are unable to pay rent between March 1, 2020, and January 31, 2021, due to financial distress related to COVID-19, including but not limited to, increased childcare or elderly care costs and health care costs, are protected from eviction as described below;

2. A landlord who serves notice on a residential tenant from March 1, 2020, through January 31, 2021, demanding payment of rent must also: (a) provide the tenant with an unsigned copy of a declaration of COVID-19-related financial distress; and (b) advise the tenant that eviction will not occur for failure to comply with the notice if the tenant provides such declaration, and additional documentation if the tenant is a high-income tenant, within fifteen (15) days;

3. A landlord may initiate an unlawful detainer action beginning October 5, 2020, if a residential tenant is unable to deliver the required declaration within the

statutory time period;

4. Until February 1, 2021, a landlord is liable for damages between \$1,000 and \$2,500 for violation of the certain requirements if the residential tenant has provided the landlord with the required declaration of COVID-19-related financial distress;

5. A residential tenant who has provided the landlord with a signed declaration must, by January 31, 2021, pay at least 25 percent of rent owed for the months of October 2020, through January 2021, inclusive; and

6. Actions adopted by local governments between August 19, 2020, and January 31, 2021, to protect residential tenants from eviction due to financial hardship related to COVID-19 are temporarily preempted, where such actions will not become effective until February 1, 2021;

WHEREAS, on January 29, 2021, Governor Newsom signed Senate Bill ("SB") 91 into law, which extends through June 30, 2021, eviction protections under AB 3088, as well as the temporary preemption of a local jurisdiction's ability to enact new or amend existing eviction protections for nonpayment of rent due to financial distress related to COVID-19;

WHEREAS, on February 23, 2021, Governor Newsom signed AB 81 into law, which further modified the eviction protections and the temporary preemption provisions of AB 3088 and SB 91;

WHEREAS, on September 1, 2020, the Board extended the Moratorium Period through October 31, 2020, and established the County's eviction protections as the baseline for all incorporated cities within Los Angeles County, including cities that have their own local eviction moratoria, to the extent the city's moratorium does not include the same or greater tenant protections as the County's Moratorium;

WHEREAS, on September 23, 2020, Governor Newsom issued Executive Order N-80-20, further extending the timeframe for the protections set forth in Executive Order N-28-20, authorizing local governments to halt evictions of commercial renters impacted by the COVID-19 pandemic, through June 30, 2021;

WHEREAS, the County's Moratorium protects residential tenants and mobilehome space renters who are unable to pay rent due to financial impacts related to COVID-19 for the period of March 1, 2020, through September 30, 2020, and rent not paid during that period must be repaid by September 30, 2021 under AB 81;

WHEREAS, in addition to other tenant protections, the County's Moratorium protects residential tenants and mobilehome space renters from eviction for nuisance on the basis of having unauthorized occupants or pets whose presence is necessitated by or related to the COVID-19 emergency, and commercial tenants from eviction who are unable to pay rent due to the COVID-19 pandemic, except where such occupancy is a threat to the public health or safety, as determined by a court of law;

WHEREAS, on January 5, 2021, the Board extended the Moratorium and its tenant protections, where not preempted, through February 28, 2021, provided greater clarity to

tenants and landlords regarding their rights and responsibilities under the Moratorium, such as harassment and retaliation protections, and added new protections to the Moratorium that would have become effective February 1, 2021; however, some of these actions were preempted by the extension of AB 3088 pursuant to SB 91 and AB 81;

WHEREAS, on February 23, 2021, the Board extended the Moratorium and its tenant protections, where not preempted, through June 30, 2021, it also removed certain tenant protections that were to take effect on February 1, 2021, due to preemption by the extension of AB 3088 pursuant to SB 91 and AB 81, authorized administrative fines and civil penalties pursuant to Chapters 8.52 and 8.57 of the County Code, temporarily increased administrative fines and civil penalties during the Moratorium Period, and provided aggrieved tenants a private right of action for violations of the Moratorium;

WHEREAS, since the start of the COVID-19 pandemic, the primary purpose of this Moratorium has been to ensure that tenants stay housed during the pandemic, thereby minimizing the risk of uncontrolled spread of COVID-19. However, this has also prevented owner move-ins where the tenant has not suffered financial impacts from COVID-19, because such tenants currently are not required to move out under the County's Moratorium;

WHEREAS, on June 22, 2021, the Board extended the Moratorium and its tenant protections through September 30, 2021, unless otherwise preempted, and has created a limited carve-out to permit owners to move into single-family homes for use and occupancy as their principal residence, subject to certain conditions, as set forth below;

WHEREAS, on June 22, 2021, this Board authorized the following additional protections for commercial tenants: (1) require landlords to give commercial tenants with nine (9) employees or fewer notice of their rights under the Moratorium; (2) expand affirmative defenses to include protection from enforcement of personal guarantees against any natural person for commercial rental debt accrued during the Moratorium Period for commercial tenants with nine (9) employees or fewer; and (3) specify that holdover and month-to-month commercial tenants, unless otherwise exempted, are protected by the Moratorium;

WHEREAS, on June 28, 2021, Governor Newsom signed AB 832 into law, which further modified the eviction protections and the temporary preemption provisions of AB 3088, AB 81, and SB 91 (collectively, "AB 3088, as amended") and extended eviction protections through September 30, 2021, as well as the temporary preemption of a local jurisdiction's ability to enact new or amend existing eviction protections for nonpayment of rent due to financial distress related to COVID-19 through March 31, 2022;

WHEREAS, while the County is ramping up its vaccination efforts to prevent the spread of the virus, the County has a continued need to protect its residents as the COVID-19 variants are increasing and prepare for the cold and flu season;

WHEREAS, in the interest of public health and safety, as affected by the emergency caused by the spread of COVID-19, it is necessary for the Board to adopt this Resolution Further Amending and Restating the Executive Order for an Eviction Moratorium ("Resolution") related to the protection of life and property; and

WHEREAS, while the State nonpayment of rent protections are scheduled to sunset on September 30, 2021, it is prudent that the County continue to extend our local emergency tenant protections not preempted by AB 3088, as amended. By extending the COVID-19 tenant protections, the County can continue to protect the health, safety, and welfare of its constituents during the COVID-19 pandemic. To avoid confusion, the County desires to change the name of the Resolution from the County Eviction Moratorium to "the County of Los Angeles COVID-19 Tenant Protections Resolution" as the Resolution provides tenants with affirmative defenses against evictions; it does not prohibit property owners from filing evictions in accordance with State law.

NOW, THEREFORE, THE BOARD OF SUPERVISORS OF THE COUNTY OF LOS ANGELES DOES HEREBY PROCLAIM, RESOLVE, DETERMINE AND ORDER AS FOLLOWS:

- I. **Amendment and Restatement.** This Resolution incorporates all aspects, restrictions, and requirements of the Moratorium adopted by the Board, as ratified and amended on March 31, 2020, April 14, 2020, May 12, 2020, June 23, 2020, July 21, 2020, September 1, 2020, October 13, 2020, November 10, 2020, January 5, 2021, February 23, 2021, June 22, 2021, July 14, 2021 and September 28, 2021, and shall hereafter be referred to as "the County of Los Angeles COVID-19 Tenant Protections Resolution."

B. Jurisdiction.

1. Unincorporated County. This Resolution applies to all unincorporated areas of the County.

2. Incorporated Cities within County. Effective September 1, 2020, this Moratorium applies to incorporated cities within the County of Los Angeles pursuant to Government Code section 8630 et seq. and Chapter 2.68 of the County Code.

a. It is the intent of the County, in enacting this Moratorium, to provide uniform, minimum standards protecting Tenants during this local emergency.

b. Nothing in this Moratorium shall be construed to preclude any incorporated city within the County from imposing, or continuing to impose, greater local protections than are imposed by this Moratorium if the protections are not inconsistent with this Moratorium and are not preempted by State or federal regulations.

c. Examples of greater local protections include, but are not limited to, granting additional time for commercial Tenants to notify a Landlord of an inability to pay rent, removing a requirement that a commercial Tenant notify a Landlord of an inability to pay, removing a requirement for a commercial Tenant to provide a certification or evidence of an inability to pay rent, and expanding the prohibition on evictions of Tenants to include additional prohibited grounds for eviction.

V. **Moratorium.** A temporary moratorium on evictions of Tenants impacted by the COVID-19 crisis is imposed as follows:

A. Evictions. No Landlord shall evict a Tenant as follows:

A Tenant shall not be evicted for nonpayment of rent, late charges, interest, or any other fees accrued if the Tenant demonstrates an inability to pay rent and/or such related charges due to Financial Impacts Related to COVID-19, the state of emergency regarding COVID-19, or following government-recommended COVID-19 precautions, and the Tenant has provided notice to the Landlord within seven (7) days after the date that rent and/or such

related charges were due, unless extenuating circumstances exist, that the Tenant is unable to pay.

a. Moratorium Period.
