

**MOTION BY SUPERVISOR HOLLY J. MITCHELL**

**May 17, 2022**

**Extend a Reward Offer in the Murder of Lentrail Hicks**

On Saturday, November 7, 2020, at approximately 12:00 p.m., deputies from the Los Angeles County Sheriff’s Department’s (LASD) Century Station responded to the area of 66<sup>th</sup> Street and Compton Avenue in the unincorporated area of Florence-Firestone to investigate the stabbing of 31-year-old Lentrail Hicks. At the time of the incident, Mr. Hicks was unable to give details of his assault to deputies. On Monday, November 9, 2020, at approximately 3:00 a.m., investigators were notified that Mr. Hicks had died from injuries he sustained on November 7, 2020.

Investigators later learned that Mr. Hicks was walking toward his residence when he was assaulted by two Hispanic males who were seen driving a dark grey Toyota Prius. During the attack, one of the suspects produced a knife and stabbed Mr. Hicks in the abdomen, ultimately causing his death.

Mr. Hicks’ family is devastated by the loss. LASD detectives believe there are witnesses in the neighborhood who may have seen the suspect(s) leave the area or know their identities. The Board of Supervisors established this reward on March 1, 2022. This reward is due to expire on May 29, 2022 and needs to be extended. A reward motion from the Los Angeles County Board of Supervisors would help bring attention to the case and encourage witnesses that might have seen and/or know the identity of the suspect(s)
