Extend a Reward Offer in the Murder of Ivan Villareal

On August 10, 2021, at approximately 10:45 p.m., family members discovered the body of 14-year-old Ivan Villareal inside a trailer located in the alley north of his residence at 4217 Compton Boulevard in the unincorporated area of East Compton. Mr. Villareal appeared to have a gunshot wound to the chest and had been deceased for several days. Mr. Villareal had not been seen since August 8, 2021 and a Missing Person’s Report was filed by the Compton Station on Monday, August 9, 2021. Ivan Villareal was a student at Dominguez High School and was loved by his family and friends.

Detectives with the Los Angeles County Sheriff’s Department (LASD) Homicide Bureau have identified a person of interest, Eduardo Sanchez. Although LASD continues its efforts to locate Mr. Sanchez, the investigation has been unsuccessful. To encourage members of the community who may have information about the location of Mr. Sanchez to come forward, investigators requested a reward. The Board of Supervisors established this reward on March 1, 2022. This reward is due to expire on May 29, 2022 and needs to be extended. Investigators believe that establishing this reward will assist in their efforts to identify, apprehend, and convict the person(s) responsible for the murder of Ivan Villareal.
