

MOTION BY SUPERVISOR YVONNE B. BURKE

June 20, 2005

There is a continuing need for clerical support at the Department of Children and Family Services (DCFS), however, clerical shortage is a County-wide phenomenon. Despite efforts to address the problem, a permanent solution has not been put in place. The lack of clerical support in DCFS could undermine the valiant efforts to improve service delivery to vulnerable children and their families.

I THEREFORE MOVE, that the Department of Human Resources (DHR) identify costs and potential funding sources to address the county-wide shortage of clerical staff, regarding deployment, recruitment and retention;

I FURTHER MOVE, that DHR return to the Board of Supervisors with a plan for alleviating the shortages in 60 days.
