The Honorable Board of Supervisors  
County of Los Angeles  
383 Kenneth Hahn Hall of Administration  
500 West Temple Street  
Los Angeles, California 90012

Dear Supervisors:

**AGREEMENT TO PURCHASE  
"TAX DEFAULTED SUBJECT TO POWER TO SELL" PROPERTIES  
SUPERVISORIAL DISTRICT 1-AGREEMENT 2465  
(3 VOTES)**

**IT IS RECOMMENDED THAT YOUR BOARD:**

Approve and instruct the Chair to sign the Purchase Agreement of "Tax Defaulted Subject to Power to Sell" properties being acquired by the City of Santa Fe Springs Community Development Commission (public agency) pursuant to the Revenue and Taxation Code, with revenue to be provided to recover a portion, if not all, of back property taxes, penalties, and costs on the delinquent parcels and any remaining tax balance to be cancelled from the existing tax rolls; and approve publication of the Purchase Agreement of "Tax Defaulted Subject to Power to Sell" properties.

**PURPOSE OF RECOMMENDED ACTION**

The properties described in the agreement may be sold in accordance with the provisions of Division 1, Part 6, Chapter 8 of the Revenue and Taxation Code and with the policy adopted by Board action on November 24, 1970, as indicated on Attachment "A". Exhibit "A", attached to each agreement, indicates the legal description and selling price of the parcels.

Upon approval, the enclosed agreement and copy are to be signed by the Chair and returned to the Tax Collector for transmittal to the State Controller for further approval. County Counsel has approved the agreement as to form.

### **IMPLEMENTATION OF STRATEGIC PLAN GOALS**

Approval of this agreement is in accordance with the Countywide Strategic Plan Goals of Fiscal Responsibility and Collaboration Across Jurisdictional Boundaries. Delinquent property taxes and costs are recovered, and limited-use parcels are identified for appropriate public purposes.

### **JUSTIFICATION**

The Chapter 8 Agreement sale procedure permits eligible public agencies to acquire "Tax Defaulted Subject to Power to Sell" properties without the necessity of a public auction. The properties described in this letter will be acquired by one public agency. The agreement is with the City of Santa Fe Springs Community Development Commission, which intends to utilize these properties for right-of-way, elimination of aesthetic blight, redevelopment, and low-income housing.

### **FISCAL IMPACT/FINANCING**

Revenue will be provided to the County for apportionment among the affected taxing agencies, which will recover a portion, if not all, of back property taxes, penalties, and costs on the delinquent parcels. Any remaining tax balance will be cancelled from the existing tax roll.

Existing appropriation is available in the current Treasurer and Tax Collector 2005/2006 Budget for publication costs. Publishing, in accordance with Section 3798 of the Revenue and Taxation Code, is the most cost-effective method of giving adequate notification to parties of interest.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The Chapter 8 Agreement sale procedure permits eligible public agencies to acquire "Tax Defaulted Subject to Power to Sell" properties pursuant to Section 3791, et seq., of the Revenue and Taxation Code.

Attachment "B" is a summary of the public agency's purchase. This attachment indicates the affected Supervisorial District and the public use for which the properties are being acquired. Moreover, we have included copies of the relevant sections of the

Revenue and Taxation Code pertaining to the Chapter 8 Agreement sale for your information. County Counsel has approved the agreement as to form. Attached to the agreement are the Assessor's parcel maps showing the dimensions and general location of the affected parcels.

Efforts will be made to contact the owners and parties of interest to inform them of their tax liabilities and the provisions for the redemption of the property pursuant to Section 3799 of the Revenue and Taxation Code.

Section 3798 of the Revenue and Taxation Code mandates notice of agreements to be published once a week for three (3) successive weeks in a newspaper of general circulation published in the County.

**IMPACT ON CURRENT SERVICES (OR PROJECTS)**

Not applicable.

**CONCLUSION**

Upon approval of the attached agreement form, the Department of the Treasurer and Tax Collector will need all original documents returned for submission to the State Controller, as the State Controller's Office has the final approval of this and all Chapter 8 Agreements.

Respectfully submitted,

MARK J. SALADINO

Gentlemen:

TAX AGREEMENT SALES

RECOMMENDATION:

That the Tax Collector be directed to review all requests for agreement sales pursuant to Chapter 8 of the Revenue and Taxation Code and recommend to the Board whether such requests should be approved in whole, in part, or denied.

That the Tax Collector is further instructed to review and recommend the price to be paid for such sales which price, in the absence of special circumstances, shall not be less than the amount necessary to redeem the property pursuant to Part 7 of Division 1 of the Revenue and Taxation Code.

EXPLANATION:

This office has recently completed a review of the policies currently in use with regard to the acquisi-

tion of tax deeded lands by taxing agencies under the authority of Chapter 8 of the Revenue and Taxation Code. This study showed that while present practices are in technical conformity with various statutory requirements, the \$1 per parcel price has remained constant since October 19, 1943.

It is the opinion of this office that the continuation of this nominal price is no longer in the best interest of the County and the other involved taxing agencies. The sale for a minimal fee of properties charged with sizable tax deficiencies results in substantial revenue losses to the County and other agencies.

The nominal fee can also result in requests for acquisition without adequate attention given to actual need by the requesting agency. The result is the removal of additional property from the tax base. If resold later as surplus, the proceeds accrue only to the acquiring agency.

Very truly yours,

## DECLARATION OF INTEREST TO PURCHASE TAX DEFAULTED PROPERTY, (2004B), VIA CHAPTER 8 AGREEMENT, COMMUNITY DEVELOPMENT COMMISSION OF THE CITY OF SANTA FE SPRINGS

Dear Mr. Saladino:

Please be advised that the Community Development Commission of the City of Santa Fe Springs (Commission) is interested in purchasing three tax defaulted properties that appear in the Tax Defaulted Property Sale 2004B catalogue. The Commission wishes to acquire these properties in order to further enhance redevelopment activities in the community, with the possibility of providing additional low- and moderate-income dwelling units. In keeping with the published Chapter 8 Agreement Pre-Qualifications Requirements distributed by your office, the following information is submitted:

### Mission Statement

The mission of the Commission is to improve the quality of community life in the City of Santa Fe Springs; to foster the public trust through the effective management of public resources; to provide a safe, well-planned, and aesthetically pleasing environment; to encourage personal enrichment through educational, cultural, social and leisure programs; to serve the public in a responsive and courteous manner; and, to promote social harmony in all aspects of community life.

### **Intended Purpose and Use of the Tax Defaulted Properties**

APN 8002 015 020 This parcel will be used to complete the public right-of-way at the southwest corner of Norwalk Boulevard and Pike Street, enhance the landscaping within the public right-of-way, and eliminate a substandard, remnant parcel.

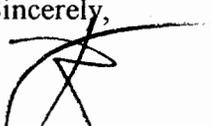

APN 8009 002 021 This parcel lies within the Santa Fe Springs oil field, an area known to be contaminated by past activities of the petroleum industry. The condition of the property is such that the private sector, acting alone, would be hard pressed to develop the site. Therefore, it is in the public interest for the Commission to take title to the lot. Furthermore, this lot and the adjacent lot are subject to oil leases that permit operators 'surface entry rights'. Under the two lots, there are four (4) known oil wells. The Commission intends to remediate the contaminated soil, re-abandon any wells required by the State Division of Oil, Gas, and Geothermal Resources and combine the lot with adjacent lots already owned by the Commission. The Commission is investigating using the land to provide affordable, for-sale housing.
