Dear Supervisors:

ANNEXATION OF TERRITORY TO
COUNTY LIGHTING MAINTENANCE DISTRICT 10049 AND
NEGOTIATED EXCHANGE OF PROPERTY TAX REVENUES
APPROVED TENTATIVE SUBDIVISION PROJECT NOS. L 065-2005, L 027-4,
L 116-9, AND PARCEL MAP NOS. 211 AND 300
CITY OF INDUSTRY
SUPERVISORIAL DISTRICT 1
3 VOTES**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Adopt the enclosed Resolution Ordering Annexation of Approved Tentative Subdivision Territories to County Lighting Maintenance District 10049, whose territories are located in the City of Industry, and whose areas are identified on the attached Appendix A and diagrams.
2. Adopt the enclosed Joint Resolutions Approving and Accepting the Negotiated Exchange of Property Tax Revenues resulting from the annexation of territories to County Lighting Maintenance District 10049, as approved by the City of Industry and other nonexempt taxing agencies. The annexation and the exchange of property tax revenue shall not become effective unless the legal descriptions for the annexation areas are approved as to definiteness and certainty by the County Assessor and, when legally required, the final subdivision maps are approved and recorded with the Registrar-Recorder of the County of Los Angeles.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

These recommended actions are for your Board to approve the annexation of subdivision territories into County Lighting Maintenance District 10049 for street lighting purposes and the exchange of property tax revenues among the County of Los Angeles, the City of Industry, and other nonexempt agencies whose service areas are subject to the jurisdictional change. It is necessary for your Board to approve the enclosed Joint Resolution pursuant to Section 99.01 of the Revenue and Taxation Code in order to proceed with the annexation of territory to the County Lighting Maintenance District 10049. The respective governing bodies of the affected taxing entities have also adopted the Joint Resolution.

The City of Industry Municipal Code requires the installation of a street lighting system by a developer. The proposed annexations and exchange of property tax revenues are required to provide the necessary funding for the operation and maintenance of the street lights.

Implementation of Strategic Plan Goals

These actions are consistent with the County Strategic Plan Goal of Fiscal Responsibility, as the annexations and property tax transfers provide the funding necessary for the operation and maintenance of new street lighting facilities within the annexed territories.

FISCAL IMPACT/FINANCING

Sufficient funds are included in the Fiscal Year 2005-06 budget for County Lighting Maintenance District 10049 to cover the annual energy and maintenance costs of the street lights should operational charges be incurred prior to the end of Fiscal Year 2005-06.

In subsequent years, the ongoing operational costs of the street lights will be funded by a portion of the Lighting Districts' share of ad valorem property taxes collected from property owners within the annexed territories, supplemented by funding from the City of Industry. The annexations will result in a minimal property tax growth transfer from the affected taxing entities including the County General Fund, County Fire Department, and the Los Angeles County Flood Control District.

Since Project L 065-2005 is in a Redevelopment Project Area, the County Lighting Maintenance District 10049 will not receive its negotiated share of the annual tax increment until such time as the redevelopment is terminated.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

New developments are typically required to provide street lighting in accordance with applicable subdivision, planning, and zoning Ordinances as a condition of approval. The Streets and Highways Code (Section 5821.3) provides that a territory owned by a subdivider to said Ordinance may be annexed to a lighting district, without notice and hearing. A public hearing, posting and publishing requirements are, therefore, not required.

Section 99.01 of the Revenues and Taxation Code provides that affected agencies must approve and accept the negotiated exchange of property tax revenues by Resolution. For those agencies under the Board's jurisdiction, the Board can act on their behalf. For those agencies with their own governing boards who fail to adopt a Resolution providing for the exchange of property tax revenues, your Board can approve the exchange of property tax revenue for that agency. If the agency is a city, both the city and County must approve the exchange of property tax revenue.

The Joint Resolutions Approving and Accepting the Negotiated Exchange of Property Tax Revenues have been approved by the City of Industry and other nonexempt taxing agencies and are enclosed for your consideration.

The City of Industry has executed the Resolutions Granting Consent and Jurisdiction to the County of Los Angeles in the matter of the annexation of territories to County Lighting Maintenance District 10049. These Resolutions are on file with Public Works.

Following your Board's approval of the Resolutions for the annexation and exchange of property tax revenues, and recordation of the final subdivision map and/or approval of the legal description by the County Assessor, Public Works will file the statement of boundary changes with the State Board of Equalization as required by Section 54900 et seq. of the Government Code.

The enclosed Resolutions have been approved as to form by County Counsel.

ENVIRONMENTAL DOCUMENTATION

This project is exempt from the California Environmental Quality Act pursuant to Section 21080(b)(8) of the Public Resources Code and Class 1(x)27 of the County's Environmental Document Reporting Procedures and Guidelines approved by your Board.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Not applicable.

CONCLUSION

At such time as these recommendations may be adopted, please return one adopted copy of this letter and the signed Resolutions to Public Works. Also, please forward one adopted copy of the letter and Resolutions to the County Assessor, Ownership Services Section (Attention Soledad Osborne); and to the Auditor-Controller, Tax Section (Attention Kelvin Aikens).

Respectfully submitted,

APPROVING AND ACCEPTING THE NEGOTIATED EXCHANGE OF

TO COUNTY LIGHTING MAINTENANCE DISTRICT 10049**

WHEREAS, pursuant to Section 99.01 of the Revenue and Taxation Code, prior to the effective date of any jurisdictional change that will result in a special district providing one or more services to an area where those services have not previously been provided by any local agency, the special district and each local agency that receives an apportionment of property tax revenue from the area must negotiate an exchange of property tax increment generated in the area subject to the jurisdictional change and attributable to those local agencies; and

WHEREAS, the Board of Supervisors of the County of Los Angeles, acting on behalf of the County of Los Angeles, the Consolidated Fire Protection District of Los Angeles County, the Los Angeles County Flood Control Drainage Improvement District, and the Los Angeles County Flood Control District; the Board of Directors of the County Sanitation District No. 15 of Los Angeles County (County Sanitation District No. 15); the City Council of the City of Industry; and the Board of Directors of the Upper San Gabriel Valley Municipal Water District, have determined that the amount of property tax revenue to be exchanged between their respective agencies as a result of the annexation proposal identified as L 065-2005 to County Lighting Maintenance District 10049 is as shown on the enclosed Property Tax Transfer Resolution Worksheet.

2. For annexation projects located within a City of Industry Community Redevelopment Project Area (RPA), and as such County lighting Maintenance District 10049 will not receive the negotiated share of annual tax increment (ATI) until such time as the affected RPA is terminated for purposes of receiving ATI.

3. For fiscal years commencing on or after July 1, 2005, or the July 1 after the effective date of this jurisdictional change, whichever is later, the property tax revenue increment generated from the area within L 065-2005 (Tax Rate Area 4360) shall be allocated to the affected agencies as indicated in the enclosed Property Tax Transfer Resolution Worksheet.

4. If at any time after the effective date of this Resolution, the calculations used herein to determine initial property tax transfers or the data used to perform those calculations are found to be incorrect, thus producing an improper or inaccurate property tax transfer, the property tax transfer shall be recalculated and the corrected transfer shall be implemented for the next fiscal year, and any amounts of property tax received in excess of that which is proper shall be refunded to the appropriate agency.
