Dear Supervisors:

STREET LIGHTING DISTRICTS
NEGOTIATED EXCHANGE OF PROPERTY TAX REVENUES RESULTING FROM ANNEXATIONS TO COUNTY LIGHTING MAINTENANCE DISTRICTS 1697, 1616, AND CALABASAS LIGHTING DISTRICT
CITIES OF CARSON, PALMDALE, AND CALABASAS
SUPERVISORIAL DISTRICTS 2, 3, AND 5
3 VOTES

IT IS RECOMMENDED THAT YOUR BOARD:

1. Adopt the enclosed Joint Resolutions Approving and Accepting the Negotiated Exchange of Property Tax Revenues resulting from the annexation of territories, listed in the enclosed Appendix A, to County Lighting Maintenance Districts 1697, 1616, and Calabasas Lighting District as approved by the Cities of Carson, Palmdale, and Calabasas, and other nonexempt taxing agencies.

2. Adopt the enclosed Resolutions Approving and Accepting the Exchange of Property Tax Revenues resulting from the Annexation of Petition No. 35-22 to the Calabasas Lighting District, on behalf of the Los Angeles County West Vector Control District and the Resource Conservation District of the Santa Monica Mountains, and Annexation of Tract Nos. 45217 and 46194 to County Lighting Maintenance District 1616, on behalf of the Palmdale Water District-Zone E, pursuant to Section 99.01 of the California Revenue and Taxation Code.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

This recommended action is for your Board to approve the exchanges of property tax revenues among the County of Los Angeles, the Cities of Carson, Palmdale, and Calabasas, and other nonexempt agencies whose service areas are subject to jurisdictional change.

Your Board previously approved the annexation of territories listed in Appendix A to County Lighting Maintenance Districts 1697 and 1616, and the Calabasas Lighting District, and County Lighting District LLA-1, Carson, Palmdale, and Calabasas Zones, and the levying of assessments for the purpose of installing and maintaining the street lights within the annexed territories. It is necessary for your Board to approve the enclosed Resolutions pursuant to Section 99.01 of the Revenue and Taxation Code in order to provide property tax revenues for the operation and maintenance of street lights within the annexed territories.

Implementation of Strategic Plan Goals

This action is consistent with the County Strategic Plan Goal of Fiscal Responsibility as the exchange of property tax revenue provides the funding necessary for the operation and maintenance of the street lighting facilities within the annexed territories.

FISCAL IMPACT/FINANCING

The adoption of the Resolutions will result in a minimal property tax growth transfer from the affected taxing entities including the General Fund, County Library, County Fire Department, and the County Flood Control District. The property tax coupled with assessments collected from benefitted property owners will fund the operation and maintenance of the street lights. For annexation projects within a City of Palmdale community redevelopment project area, County Lighting Maintenance District 1616 will not receive its negotiated share of the annual tax increment until such time as the redevelopment project is terminated.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Section 99.01(a)(4) of the Revenue and Taxation Code provides that affected agencies must approve and accept the negotiated exchange of property tax revenues by Resolution. For those agencies with their own governing boards who fail to adopt or

vote against a Resolution providing for the exchange of property tax revenues, your Board can approve the exchange of property tax revenue for that agency. If the agency is a city, both the city and County must approve the exchange of property tax revenue.

For those projects identified in Appendix A as annexed into the County Lighting Maintenance Districts, the respective governing bodies of the affected taxing entities have adopted the Joint Resolutions, with the exception of the Los Angeles County West Vector Control District and the Resource Conservation District of the Santa Monica Mountains for Petition No. 35-22; and the Palmdale Water District for Tract Nos. 45217 and 46194. The Board of Directors of the Los Angeles County West Vector Control District and the Resource Conservation District of the Santa Monica Mountains failed to return an adopted Joint Resolution, and the Board of Directors of the Palmdale Water District voted against adopting the Joint Resolution.

Since it is equitable that each local agency participate in the exchange of property tax revenue generated in the area subject to the jurisdictional change, we recommend that your Board adopt the enclosed Resolutions Approving and Accepting the Exchange of Property Tax Revenue on behalf of the Los Angeles County West Vector Control District, the Resource Conservation District of the Santa Monica Mountains, and the Palmdale Water District, for those projects identified in Appendix A, pursuant to Section 99.01(a)(4) of the California Revenue and Taxation Code.

The Joint Resolutions Approving and Accepting the Negotiated Exchange of Property Tax Revenues are enclosed for your consideration. With the exception of the Los Angeles County West Vector Control District, the Resource Conservation District of the Santa Monica Mountains, and the Palmdale Water District, the Joint Resolutions have been approved by the Cities of Carson, Palmdale, and Calabasas, and other nonexempt taxing agencies.

Following your Board's approval of the enclosed Resolutions, Public Works will file with the State Board of Equalization the Statement of boundary changes as required by Section 54900 et seq. of the Government Code.

The enclosed Resolutions have been approved as to form by County Counsel.

ENVIRONMENTAL DOCUMENTATION

This project is exempt from the California Environmental Quality Act under Section 21080(b)(8) of the Public Resources Code and Class 1(x)27 of the County's Environmental Document Reporting Procedures and Guidelines approved by your Board.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Not applicable.

CONCLUSION

At such time as this recommendation may be adopted, please return one adopted copy of this letter and the signed Joint Resolutions to Public Works. Also, please forward one adopted copy of the letter and Joint Resolutions to the County Assessor, Ownership Services Section (Attention Soledad Osborne); and to the Auditor-Controller, Tax Section (Attention Kelvin Aikens).

Respectfully submitted,
