

LOS ANGELES COUNTY REGIONAL PARK AND OPEN SPACE DISTRICT

August 21, 2007

The Honorable Board of Directors
Los Angeles County
Regional Park and Open Space District
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Directors:

AMEND THE SANTA MONICA MOUNTAINS CONSERVANCY'S PROJECT LIST PURSUANT TO SECTION (3), SUBSECTION (d) OF THE SAFE NEIGHBORHOOD PARKS PROPOSITION OF 1996, ALLOCATE THIRD SUPERVISORIAL DISTRICT SPECIFIED EXCESS GRANT FUNDS, AUTHORIZE ADMINISTRATION OF AN EXCESS FUNDS GRANT, WAIVE INAPPLICABLE REQUIREMENTS IN THE CONSERVANCY'S PROCEDURAL GUIDE, AND AUTHORIZE THE DIRECTOR TO REIMBURSE THE MOUNTAINS RECREATION AND CONSERVATION AUTHORITY FOR COSTS INCURRED PRIOR TO EXECUTION OF A PROJECT AGREEMENT FOR THE ACQUISITION OF TAX-DEFAULTED PARCELS (THIRD DISTRICT - 3 -VOTE MATTER)

IT IS RECOMMENDED THAT YOUR BOARD:

1. Amend the Santa Monica Mountains Conservancy's (Conservancy) project list, most recently amended on June 13, 2006, to add the acquisition of eighteen (18) tax-defaulted parcels of land in the Third Supervisorial District as identified in Attachment A.
2. Allocate grant funds in the amount of \$72,000 to the Conservancy, from the Third Supervisorial District's Specified Excess Funds for acquisition of the parcels identified in Attachment A.

3. Authorize the Director of Parks and Recreation (Director) to award a grant for the acquisition of the parcels identified in Attachment A and to administer the grant as of the date of this action and pursuant to the procedures in the Procedural Guide for the Conservancy, waiving Procedural Guide requirements inapplicable to acquisition of tax-defaulted properties.
4. Authorize the Director to reimburse the Mountains Recreation and Conservation Authority (MRCA) for eligible costs incurred prior to the execution of a grant project agreement for the acquisition of the parcels identified in Attachment A.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS

Approval of the recommended actions will allow an additional 18 parcels of land (6.69 acres) in the Topanga and Calabasas area to be added to the Conservancy's project list, as well as provide additional funding for the acquisition of these parcels.

The total cost of the acquisition of the parcels identified in Attachment A is \$104,700 which includes \$100,700 in back taxes and County administrative costs of \$4,000. The recommended actions would allocate \$72,000 in Third Supervisorial District Specified Excess Funds to the Conservancy and allow the transfer of the grant funds to the MRCA toward the acquisition, resulting in a balance of \$32,700 which will be funded by the MRCA.

The Los Angeles County Regional Park and Open Space District (District) recommends that your Board waive the Procedural Guide requirement that an appraisal be prepared for each parcel acquired as well as title reports and Statements of Just Compensation. These acquisitions are not based on the appraised value of the parcels, but instead on the amount of back taxes owed on each, plus County administrative costs. Therefore, appraisals are not necessary to confirm that the purchase prices for the properties are not excessive.

The 1996 Proposition requires that agencies to which funds were allocated under the Safe Neighborhood Parks Propositions of 1992 and 1996 have encumbered all such funds before they may receive grants of Excess Funds.

It is also recommended that the Director be authorized to award the grant for the acquisition of parcels identified in Attachment A, when applicable conditions have been met, such as grantee qualifications and consistency between the projects and requirements of the Safe Neighborhood Parks Proposition of 1996 (1996 Proposition), and to administer the grant under procedures previously approved by your Board.

Since the MRCA purchased the parcels to meet the 2006 Treasurer/Tax Collector Tax Defaulted Parcels of Land payment deadline prior to the execution of a grant agreement for the project, your Board's approval is required to allow the Director to reimburse the MRCA for the expenditure.

On December 20, 2005, May 2, 2006, and June 20, 2006, your Board, acting as the Board of Supervisors, adopted Agreements to Purchase Los Angeles County Tax-Defaulted Property, giving the MRCA the right to acquire up to 6.69 acres of property in Malibu and the Santa Monica Mountains within the Third Supervisorial District. Those 6.69 acres of property have been selected and purchased for public park and open space purposes, for the amount of back taxes owed plus County administrative costs. These properties are identified in Attachment A, and exclude any properties that were redeemed prior to the effective date of that Agreement. California Revenue and Taxation Code, Part 6, Chapter 8 Agreement sale procedure permits public agencies to acquire "Tax Defaulted Subject to Power to Sell" property without the necessity of a public auction.

IMPLEMENTATION OF STRATEGIC PLAN GOALS

The proposed actions further the Board approved County Strategic Plan Goal No.1 (Service Excellence), Goal No. 4 (Fiscal Responsibility), Goal No. 5 (Children and Family Well-being), and Goal No. 6 (Community Services) by funding the acquisition of additional protected open space land in the Third Supervisorial District.

FISCAL IMPACT/FINANCING

Sufficient funds for the project are appropriated in the Los Angeles County Regional Park and Open Space Districts' Excess Funds Fund (HD6) under Other Charges to fund the \$72,000 identified for the project in Third Supervisorial Specified Excess Funds.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The 1996 Proposition requires that funds provided to the Conservancy be expended "solely for projects approved by the Board, pursuant to such criteria as the Board may, in its discretion, adopt," provided that those projects are identified in the Conservancy's annual work program transmitted to the Governor and State Legislature and as may be amended from time to time, after a noticed public hearing which was held on January 23, 2006.

The 1996 Proposition further provides that your Board may disapprove a project within the boundaries of a city only upon a finding that the acquisition or improvement may impact access to or use of a site identified or proposed for present or future sanitary landfill purposes. In addition, your Board previously has adopted procedural requirements requiring a review of proposed Conservancy projects relative to their impact on existing or proposed highways, and their consistency with General or Area Plans.

The proposed acquisition project meets the procedural requirements of the 1996 Proposition and has been reviewed in accordance with the Conservancy's revised Procedural Guide, adopted by your Board on June 17, 1997.

The Department of Public Works (DPW) has found that the proposed acquisition of the properties would not negatively impact the County's solid waste management system (see Attachment B).

DPW did, however, find in its review of the impact on any planned County roads or highways that one parcel submitted for its review impacted a secondary highway (see Attachment C). APN 4473-06-028 fronts Encinal Canyon Road and DPW recommends reserving a right-of-way dedication plus slope easements. MRCA has withdrawn this parcel from the list of projects to be purchased pursuant to this Board action.

The Department of Regional Planning (DRP) researched the list of proposed parcels for acquisition, consulted with County Counsel and noted no inconsistencies or lack of conformity between the parcels and their status relative to the applicable county planning documents (see Attachment D.) However, DRP points out that since the parcel with APN 4473-006-028 is in the jurisdiction of the City of Malibu, DPR has no planning information on that parcel.

The 1996 Proposition provides a method for determining each fiscal year the amount of funds available in the following fiscal year to fund capital improvement projects in addition to the amounts specifically identified for projects in the Safe Neighborhood Parks Propositions of 1992 and 1996. The recommended grant would be funded from the Excess Funds available to the Third Supervisorial District from Excess Funds available for specified projects.

The Board may establish additional conditions on grants of Excess Funds. The Director of Parks and Recreation would be authorized to award a grant when all applicable conditions have been met. Any funds allocated by the Board, but not encumbered by award of a grant contract in the same fiscal year, shall be available for allocation by the Board in the following fiscal year.

CONTRACTING PROCESS:

The Grant Project Agreement will be entered into and administered under authority delegated to the Director and pursuant to the Conservancy's Procedural Guide approved by your Board in 1997 and used since then for the administration of similar grant projects. It is recommended that the acquisition documentation requirements in the Procedural Guide be waived since they are inapplicable to the acquisition of tax-defaulted parcels. Prior to execution, the Grant Project Agreement will be reviewed and approved as to form by County Counsel.

IMPACT ON CURRENT SERVICES

Your Board's approval of this recommendation will authorize the Director to award a grant to the MRCA for the acquisition of the tax-defaulted parcels. It will have no impact on any other District-funded project.

ENVIRONMENTAL DOCUMENTATION

The proposed actions are not subject to the California Environmental Quality Act (CEQA) in that the actions do not meet the definition of a project according to Sections 15378 (b)(4)(5) of the State CEQA Guidelines, because the actions are administrative activities for government grants which by their terms do not involve any commitments to any specific projects which may result in a potentially significant physical impact on the environment.

All projects funded by the District are also required to comply with CEQA. The MRCA is the lead agency for the acquisition project, and as such, has prepared appropriate environmental documents for the project.

CONCLUSION

Please instruct the Executive Officer-Clerk of the Board to return one conformed copy of this action to the Chief Executive Office, Capital Projects Division, and to the Department of Parks and Recreation.

Respectfully submitted,

**REGIONAL PLANNING DEPARTMENT REVIEW: Santa Monica Mountains
Conservancy's Request For New Acquisition Projects**

Pursuant to your request, my staff has researched the attached list of proposed parcels for acquisition.

The parcel with the APN 4473-006-028 is the jurisdiction of the City of Malibu. We do not have any information for this parcel. Our response below is not applicable to this parcel.

For all other parcels, we have indicated the particular Plan in which each parcel is located, its Plan category, and its current zoning designation (see attached). The proposed acquisitions of these parcels meet with the goals and objectives of the respective Plan and underlying zoning. We have consulted with County Counsel regarding the information which we are providing.

Should you have any questions, please contact me or Ms. Alice W. Wong of my staff at (213) 974-6470.
