Los Angeles, CA 90012

Dear Supervisors:

**PUBLIC HEARING FOR ESTABLISHMENT OF THE SAN PASQUAL
PREFERENTIAL PARKING DISTRICT NO. 1 AND
RELATED PERMIT FEE AND ORDINANCE AMENDING THE LOS ANGELES
COUNTY CODE, CHAPTER 15.64 (PREFERENTIAL PARKING) FOR THE
UNINCORPORATED AREA OF SAN PASQUAL
(SUPERVISORIAL DISTRICT 5)
(3 VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD AFTER THE PUBLIC HEARING:

1. Find that the proposed ordinance is categorically exempt under Class I-(x)7 of the Environmental Guidelines approved by your Board.
2. Approve the ordinance amending Los Angeles County Code Title 15: Vehicles and Traffic, to add Sections 15.64.1100, 15.64.1101, 15.64.1102, 15.64.1103, and 15.64.1104 that establishes the San Pasqual Preferential Parking District No. 1 in the unincorporated community of San Pasqual and imposes a permit fee in the amount of \$80 per household.
3. Authorize the Director of Public Works to issue parking permits, post, and maintain permit parking signs for roads in San Pasqual Preferential Parking District No. 1 at the time the recommended ordinance becomes effective.
4. Request the Los Angeles County Sheriff's Department to enforce the preferential parking district restrictions when effective.

5. Introduce, waive reading, and place the ordinance on the subsequent agenda for adoption.

PURPOSE/JUSTIFICATION OF THE RECOMMENDED ACTION

The purpose of the recommend action is for residents of the area noted in this Board letter have requested our assistance in dealing with traffic concerns. A petition was submitted to the Department of Public Works signed by 74 percent of the residents living within the boundaries of the proposed ordinance requesting the establishment of a preferential parking district. This number of signator exceeds the threshold required under Section 15.64.610 of the County Code. The purpose of the San Pasqual Preferential Parking District No. 1 (District) is further described in the proposed ordinance.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan directs that we provide Service Excellence (Goal 1) and Community Services (Goal 6). Adoption of this preferential parking district will enhance the quality of life in the affected community.

FISCAL IMPACT/FINANCING

There is no impact on the County General Fund. Parking permits will be issued to dwelling units in the adopted areas of the District, which have a posted parking restriction, upon payment of an \$80 permit fee. The revenue from the \$80 per household permit fee imposed on the residents within the District will be placed in the Preferential Parking District Fund (CM9). The permit must be renewed every 3 years, and the fees will be sufficient to cover all County costs associated with the adoption and administration of the District.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

There will be no impact to the County General Fund. The California Vehicle Code Section 22507 authorizes local authorities, by ordinance or resolution, to designate certain streets upon which preferential parking privileges may be given to residents and merchants adjacent to such streets for their use and the use of their guests. These residents may be issued a permit or permits which exempt them from the prohibition or restriction of such ordinance or resolution.

The analysis of this ordinance amendment and the proposed amendment approved by County Counsel are attached.

ENVIRONMENTAL DOCUMENTATION

The proposed ordinance annexing certain streets to the District is categorically exempt under Class I-(x)7 of the Environmental Guidelines approved by your Board.

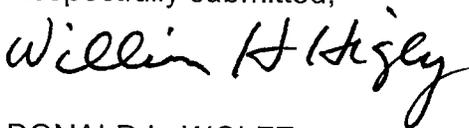

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Implementation of the preferential parking district is intended to be revenue neutral.

Respectfully submitted,

fr
