Sachi A. Hamai, Executive Officer-

At its meeting held October 2, 2007, the Board took the following action:

61-A

The following statement was entered into the record for Supervisor Yaroslavsky:

“On Thursday, October 11, 2007, ‘Rideshare Thursday,’ the County of Los Angeles in partnership with various southland transportation agencies will sponsor the annual Civic Center Clean Air/Rideshare Fair on the Mall of the Kenneth Hahn Hall of Administration.

“The event will feature Toyota’s Mobile Hybrid Experience, a simulated driving experience with interactive exhibits, alternative and hybrid fuel vehicles, Flex-Car, vanpools, buses and information on other forms of ridesharing such as Metrolink and Metro Rail.

“The annual Civic Center Clean Air/Rideshare Fair is a major component of the County’s overall strategy to encourage its more than 95,000 employees to rideshare or use public transportation to commute to work. It coincides with the annual Southern California Rideshare Week, observed in October.

“A successful ridesharing program can improve air quality through traffic mitigation and supports the County’s clean air efforts to achieve its air quality improvement goals for the Los Angeles Basin.

“Throughout the year, the monthly ‘Clean Air Bulletin’ and ‘Workplace Connection’ newsletter, distributed by department employee transportation coordinators, inform employees about the many ridesharing options available to them.”
