Honorable Board of Commissioners
Community Development Commission
of the County of Los Angeles

Los Angles, California 90012

Dear Supervisors and Commissioners:

AUTHORIZE TRANSFER OF ECONOMIC DEVELOPMENT FUNDS AND APPROVE A CONTRACT FOR PREPARATION OF AN ENTERPRISE ZONE APPLICATION (2)
(3 Vote)

IT IS RECOMMENDED THAT THE BOARD OF SUPERVISORS OF THE COUNTY OF LOS ANGELES:

1. Instruct the Chief Executive Office to draft and execute a funding agreement with the Community Development Commission in the amount of $150,000 in Economic Development Funds allocated to the Second Supervisorial District; and to transfer the funds to the Community Development Commission for Enterprise Zone application services in unincorporated Florence-Firestone and Willowbrook.

IT IS RECOMMENDED THAT THE BOARD OF COMMISSIONERS OF THE COMMUNITY DEVELOPMENT COMMISSION:

1. Find that the Contract for Preparation of an Enterprise Zone Application (Contract) between the Community Development Commission (Commission) and the consulting team of Tassa Consulting Group, LLC and Snodgrass & Micheli, LLC (collectively the Consultant) is not subject to the provisions of the California

Environmental Quality Act (CEQA), as described herein, because the action will not have the potential for causing a significant effect on the environment.

2. Authorize the Executive Director of the Commission to execute all necessary documents to accept from the County of Los Angeles (County) $150,000 in Economic Development Funds allocated to the Second Supervisorial District to fund the Contract and other activities related to the Enterprise Zone application and designation process; and to incorporate the funds into the Commission's approved Fiscal Year 2007-2008 budget.

3. Approve and authorize the Executive Director of the Commission to execute the Contract and to use for this purpose up to $120,000 in Economic Development Funds allocated to the Second Supervisorial District; and authorize the Executive Director to execute amendments to the Contract following approval as to form by County Counsel.

4. Authorize the Executive Director to increase the Contract amount by $12,000 to cover any needed, unforeseen services.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of this action is to transfer Economic Development Funds from the County to the Commission and approve a Contract between the Commission and the Consultant. The Contract will provide Enterprise Zone application services for an area to be known as the South County Enterprise Zone, comprised of the unincorporated areas of Florence-Firestone and Willowbrook.

FISCAL IMPACT/FINANCING

The Chief Executive Office will transfer to the Commission $150,000 in Economic Development Funds allocated to the Second Supervisorial District, which will be incorporated into the Commission's approved Fiscal Year 2007-2008 budget.

The Contract will be funded with $120,000 in Economic Development Funds. A 10% contingency, in the amount of $12,000, is being set aside for any needed, unforeseen services. The balance of the funds will be used for work related to the Enterprise Zone application and designation process, such as zone administration, outreach and marketing by the Commission.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Later this year, the State Department of Housing and Community Development (HCD) will issue a request for applications for Enterprise Zone designation to replace a minimum of four expiring Enterprise Zones. Enterprise Zones will be selected through a

competitive process based on a variety of required components. The four top scoring applications will receive conditional designation. Under the Contract, the Consultant will provide Enterprise Zone application services for the unincorporated Florence-Firestone and Willowbrook areas. These services will include identification and analysis of eligible areas, development of a comprehensive economic development plan and marketing strategy and plan, a business retention, expansion and attraction plan, a job development plan, a vouchering plan and a five-year plan with goals for businesses and targeted individuals, among other application components.

The California Enterprise Zone Program was created to target economically distressed areas throughout California to encourage business investment and promote the creation of new jobs. The purpose of the program is to stimulate development by providing tax incentives to businesses and allow private sector market forces to revive the local economy. The State provides performance-based tax credits and incentives to Enterprise Zone businesses to, among other goals: revitalize chronically deteriorated areas; hire the most difficult-to-hire residents in private sector jobs; and retain, expand and reward businesses that participate in these objectives.

Businesses located within a State Enterprise Zone are eligible for substantial tax credits and benefits, including up to $37,440 in tax credits over a five-year period for each qualified employee hired, tax credits for sales and use taxes paid on qualified machinery purchases, accelerated expense deductions for certain depreciable property, interest deductions for lenders on loans made to firms within an Enterprise Zone, and other benefits.

HCD defines an enterprise zone as a geographic area that meets certain socioeconomic distress criteria, demonstrating that State and local incentives are needed to stimulate the creation of new jobs and promote economic revitalization in the area. Under this program, a distressed area has three or more of the following characteristics: lagging increase in per capita income, high unemployment and poverty, a large number of households with low/moderate incomes, or declared a federal disaster area within the last seven years.

The Commission is targeting the Florence-Firestone and Willowbrook areas for designation as the South County Enterprise Zone. Preliminary research indicates that most of the neighborhoods' commercial and industrial areas will qualify under HCD's criteria, although the full extent of eligibility will be identified and refined through the application process.

If the South County Enterprise Zone application is successful, HCD will grant final Enterprise Zone designation through execution of a Memorandum of Understanding (MOU). As part of the application process, HCD requires that your Board adopt a Resolution designating the application area as "depressed" and authorizing the Commission to submit the State Enterprise Zone application. The Commission is also

required to submit a Letter of Commitment identifying specific commitments, such as staff time and programmatic support that the Commission will make to the proposed Enterprise Zone. The Commission will return to your Board at a later date for approval of these documents.

Should the Consultant require additional or replacement personnel during the term of the Contract, it will give consideration for any such employment openings to participants in the County Department of Public Social Services' Greater Avenues for Independence (GAIN) Program and General Relief Opportunity for Work (GROW) Program who meet the minimum qualifications for the open positions. The Consultant will contact the County's GAIN/GROW Division for a list of participants by job category.

The Commission and the Chief Executive Office will execute a funding agreement to facilitate the transfer of Economic Development Funds from the County to the Commission.

The Contract has been approved as to form by County Counsel.

ENVIRONMENTAL DOCUMENTATION:

The Contract is not subject to the provisions of CEQA pursuant to State CEQA Guidelines 15060(c)(3) and 15378 because it is not defined as a project under CEQA and does not have the potential for causing a significant effect on the environment.

CONTRACTING PROCESS

On July 18, 2007, the Commission issued a Request for Proposals (RFP) to identify a consultant to provide Enterprise Zone application services. An advertisement appeared in one newspaper and on the County WebVen website. In addition, the RFP notice was sent to seven vendors that are known to specialize in Enterprise Zone application services.

On August 3, 2007, two proposals were received and formally opened.

On August 15, 2007 a panel consisting of Commission staff familiar with the project evaluated the proposals. As a result of the evaluation, the consulting team of Tassa Consulting Group, LLC and Snodgrass & Micheli, LLC was chosen for the 2007/2008 Enterprise Zone application competition.

A Summary of Outreach Activities is provided as Attachment A.

IMPACT ON CURRENT PROGRAM:

Establishing unincorporated Florence-Firestone and Willowbrook as an Enterprise Zone will provide State tax benefits to businesses located in the zone and provide job opportunities to area residents.

Any payments by the Commission to any approved delegate or assignee on any claim under the Contract shall be deductible, at the Commission's sole discretion, against the claims, which the Contractor may have against the Commission. However, the Commission reserves the right to assign this Contract to another public agency without the consent of the Contractor.

Shareholders, partners, members, or other equity holders of the Contractor may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment, or divestment is affected in such a way as to give majority control of the Contractor to any person(s), corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of the Contract, such disposition is an assignment requiring the prior written consent of the Commission in accordance with applicable provisions of this Contract.

Any assumption, assignment, delegation, or takeover of any of the Contractor's duties, responsibilities, obligations, or performance of same by any entity other than the Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without the Commission's express prior written approval, shall be a material breach of the Contract which may result in the termination of the Contract. The report will include improvement/corrective action measures taken by the Commission and Contractor. If improvement does not occur consistent with the corrective measure, the Commission may terminate this Contract, pursuant to Paragraph 13 or 14, or impose other remedies as specified in this Contract.

13. TERMINATION FOR CONVENIENCE

The Commission reserves the right to cancel this Contract for any reason at all upon thirty (30) days' prior written notice to Contractor. Without limiting the rights and remedies available to the Commission under any other provision of this contract, failure of the Contractor to cure such default within 90 calendar days of written notice shall be grounds upon which Commission may terminate this contract pursuant to Paragraph 14 - "TERMINATION FOR CAUSE" and pursue debarment of the Contractor, pursuant to Commission Policy.

29. NOTICE TO EMPLOYEES REGARDING THE FEDERAL EARNED INCOME CREDIT

The Contractor shall notify its employees, and shall require each subcontractor to notify its employees, that they may be eligible for the Federal Earned Income Credit under the federal income tax laws. Such notice shall be provided in accordance with the requirements set forth in Internal Revenue Service Notice 1015.

31. CONTRACTOR RESPONSIBILITY AND DEBARMENT

A. A responsible contractor is a contractor, consultant, vendor, or operating agency who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the policy of the Commission, Housing Authority, and County to conduct business only with responsible contractors.

B. The Contractor is hereby notified that if the Commission acquires information concerning the performance of the Contractor on this or other contracts which indicates that the Contractor is not responsible, the Commission may, in addition to other remedies provided in the contract, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on Commission contracts for a specified period of time, which generally will not to exceed five (5) years but may exceed five (5) years or be permanent if warranted by circumstances, and terminate any or all existing contracts the Contractor may have with the Commission.

C. The Commission may debar a contractor, consultant, vendor, or operating agency if the Board of Commissioners finds, in its discretion, that the contractor, consultant, vendor, or operating agency has done any of the following: (1) violated any term of a contract with the Commission, Housing Authority, or County, or a nonprofit corporation created by the Commission, Housing Authority, or County (2) committed any act or omission which negatively reflects on the its quality, fitness or capacity to perform a contract with the Commission, Housing Authority, or County or any other public entity, or a nonprofit corporation created by the Commission, Housing Authority, or County, or engaged in a

E. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the Commission shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Commissioners.

F. The Commission may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the Commission.

Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of

debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment Hearing.

The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Commissioners. The Board of Commissioners shall have the right to modify, deny or adopt the proposed decision and recommendation of the Contractor Hearing Board.

I. These terms shall also apply to subcontractors and subconsultants of County, Commission, or Housing Authority contractors, consultants, vendors and operating agencies.

32. COMPLIANCE WITH JURY SERVICE PROGRAM

Unless the Contractor has demonstrated to the Commission satisfaction either that the Contractor is not a "Contractor" as defined under the Jury Service Program, or that the Contractor qualifies for an exception to the Jury Service Program, the Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five (5) days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.

B. For purposes of this Section, "Contractor" means a person, partnership, corporation or other entity which has a contract with the Commission or a subcontract with a Commission contractor and has received or will receive an aggregate sum of $50,000 or more in any 12-month period under one or more Commission contracts or subcontracts. The provisions of this Section shall be inserted into any such subcontract Contract and a copy of the Jury Service Program shall be attached to the Contract.

C. If the Contractor is not required to comply with the Jury Service Program when the Contract commences, Contractor shall have a continuing obligation to review

the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify Commission if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. The Commission may also require, at any time during the Contract and at its sole discretion, that Contractor demonstrate to the Commission's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.

D. The Contractor's violation of this Section of the contract may constitute a material breach of the Contract. In the event of such material breach, Commission may, in its sole discretion, terminate the Contract and/or bar Contractor from the award of future Commission contracts for a period of time consistent with the seriousness of the breach.

33. ACCESS AND RETENTION OF RECORDS

The Contractor shall provide access to the Commission, the Federal Grantor agency, the Comptroller General of the United States, or any of their duly authorized representatives to any books, documents, papers and records of the Contractor which are directly pertinent to this Contract for the purpose of making audits, examinations, excerpts and transcriptions.

The Contractor is required to retain the aforementioned records for a period of five (5) years after the Commission pays final payment and other pending matters are closed under this Contract.

34. CONFLICT OF INTEREST

The Contractor represents, warrants and agrees that to the best of its knowledge, it does not presently have, nor will it acquire during the term of this Contract, any interest direct or indirect, by contract, employment or otherwise, or as a partner, joint venture or shareholder (other than as a shareholder holding a one percent (1%) or less interest in publicly traded companies) or affiliate with any business or business entity that has entered into any contract, subcontract or arrangement with the Commission. Upon execution of this Contract and during its term, as appropriate, the Contractor shall, disclose in writing to the Commission any other contract or employment during the term of this Contract by any other persons, business or corporation in which employment will or may likely develop a conflict of interest between the Commission's interest and the interests of the third parties.

35. SEVERABILITY

In the event that any provision herein is held to be invalid, void, or illegal by any court of competent jurisdiction, the same shall be deemed severable from the remainder of this Agreement and shall in no way affect, impair or invalidate any other provision contained herein. If any such provision shall be deemed invalid due to its scope or breadth, such provision shall be deemed valid to the extent of the scope or breadth permitted by law.

36. INTERPRETATION

No provision of this Contract is to be interpreted for or against either party because that party or that party's legal representative drafted such provision, but this Contract is to be construed as if drafted by both parties hereto.

37. WAIVER

No breach of any provision hereof can be waived unless in writing. Waiver of any one breach of any provision shall not be deemed to be a waiver of any breach of the same or any other provision hereof.

38. PATENT RIGHTS

The Commission will hold all the patent rights with respect to any discovery or invention, which arises or is developed in the course of, or under this Contract.

39. COPYRIGHT

No report, maps, or other documents produced in whole or in part under this Contract shall be the subject of an application for copyright by or on behalf of the Contractor. All such documents become the property of the Commission and the Commission holds all the rights to said data.

40. NOTICES

The Commission shall provide the Contractor with notice of any injury or damage arising from or connected with services rendered pursuant to this Contract to the extent that Commission has actual knowledge of such injury or damage. The Commission shall provide such notice within ten (10) days of receiving actual knowledge of such injury or damage.

The Commission will act as agent of the County. The Consultant shall prepare all work products so a complete Enterprise Zone application will be submitted to HCD.

2.0 SPECIFIC WORK REQUIREMENTS

The work requirements must be completed in a time, manner and format as set forth by HCD. HCD is expected to release its California Enterprise Zone Program 2007/2008 Application Guidebook for Enterprise Zone Designation (Application Guidebook) prior to the application deadline. The Consultant will complete the Enterprise Zone Application and submit the Application to HCD by the deadline.

2.1 The Consultant shall complete the below tasks, each in accordance with expected Application Guidebook requirements. As shown in Table 1, individual tasks may consist of several simultaneous subtasks.

2.2 The Consultant shall work with the Commission, the Department of Regional Planning, the Department of Public Works, Workforce Investment Boards and other County Departments and staff, as needed, to develop appropriate information required for the Enterprise Zone application. Any data prepared by the Commission will be checked by the Consultant for accuracy.

2.3 The Consultant shall meet with staff of Los Angeles County Supervisors and other County Departments and staff, as needed, to present recommendations, findings and data in support of the application.

2.4 The Consultant shall present to the Commission drafts of each application section as they are completed, with a complete application draft due to the Commission for review at least two (2) weeks prior to the application deadline.

2.5 The Consultant shall submit to the Commission the complete and final Enterprise Zone application no later than five (5) days prior to the application deadline. The final application shall be compiled in the format and quantities identified by HCD.

2.6 The Consultant shall prepare a response to remedy any technical deficiencies HCD identifies in the Enterprise Zone application. This response shall be due to the Commission no later than three (3) days prior to the technical deficiencies response deadline.

3.0 TASK IDENTIFICATION

Each task in this section is taken from HCD's 2006/2007 Application Guidebook. As of the date of execution of this Contract, HCD has not released the 2007/2008 guidebook; therefore, the Contract tasks are considered the best approximation of what will be required for this Application work. If, upon release, the 2007/2008 Guidebook includes any task(s) not listed in this section or removes any task(s) outlined below, this Statement of Work shall be amended to incorporate the new task(s), or delete unnecessary task(s).

3.1 TASK 1: PARTICIPANT CONTACT IDENTIFICATION

The initial section of the application requires identification of the primary and secondary points of contact as well as identification of the Enterprise Zone manager and vouchering agent. The Consultant will work with the Commission to develop an Enterprise Zone management program and identify the zone manager and vouchering agent. Also required in this task is the identification of the state Assembly, state Senate and U.S. Representatives whose districts will be within the proposed zone.

Deliverable: The Consultant will obtain the points of contact for the County, identify the zone manager and vouchering agent and the names of the affected state and federal legislators and develop an Enterprise Zone management program. The Consultant will insert the completed forms into the application package.

3.2 TASKS 2 & 3: ELIGIBILITY ANALYSIS & BOUNDARY CONFORMITY

Designation as an Enterprise Zone requires an eligible geographic area to be identified. The Consultant will work with the Commission to designate the specific geographic layout of the zone. The Consultant will collect U.S. Census Bureau data and identify eligible census tracts and/or block groups in accordance with eligibility requirements and methodologies set forth by HCD. Commission Geographic Information Systems (GIS) resources will be used to prepare the required zone maps and generate the required legal description and street/address list. The Consultant will ensure that the legal description, street/address list and zone maps generated by the Commission meet HCD's requirements.

Deliverable: The Consultant will provide a list of eligible census tracts and block groups, which will be used by the Commission to produce GIS maps and the legal description and street/address lists.

3.3 TASK 4: BOARD OF SUPERVISORS RESOLUTION & OTHER BOARD ACTIONS

The creation of an Enterprise Zone requires that the County Board of Supervisors (Board) adopt a resolution authorizing participation in the Enterprise Zone program. The Board may also adopt a Letter of Commitment by resolution or minute order, or delegate this authority to the Commission. Furthermore, the Board may adopt a Memorandum of Understanding between all affected entities, including municipalities, vouchering agents, and outside marketing organizations.

The Consultant will develop drafts of the application Resolution, the Letter of Commitment, and the application Memorandum of Understanding. The Consultant will also work with outside organizations (such as local chambers of commerce) to secure letters of support for the application.

Deliverable: The Consultant will prepare draft resolutions and/or MOUs for approval by the County Board of Supervisors. The Consultant will also draft letters of commitment for approval by participating organizations. The Consultant will work with outside organizations to secure letters of support for the Enterprise Zone.

3.4 TASK 5: ECONOMIC DEVELOPMENT & MARKETING PLAN

The bulk of the Enterprise Zone application traditionally has been the Economic Development and Marketing Plan. The Enterprise Zone application sets forth eight main components of the Economic Development & Marketing Plan:

3.4.1. Marketing Strategy and Plan

The Marketing Strategy & Plan discusses marketing of the zone to both existing businesses and businesses interested in locating within the zone. The Consultant shall prepare this section in close consultation with organizations that promote economic development in the region, especially local chambers of commerce and business development organizations. This is the Enterprise Zone application section in which the most points are typically at stake. The application shall highlight any existing marketing successes and plans and include a discussion of how the plan addresses the unique socioeconomic distress factors identified in the eligibility criteria analysis.

3.4.2. Available Property & Businesses

The Available Property section requires collection of data about vacant industrial and commercial buildings and parcels within the proposed zone. The Consultant shall work with appropriate stakeholders and real estate experts to complete this section.

3.4.3. Financing Programs

The Financing Program section requires data collection from various financial institutions. The Consultant will complete this section based on its previous work with economic development organizations and finance entities in California.

3.4.4. Job Development, Vouchering Plan and Vouchering Fee Remittance Plan

In the Job Development, Vouchering Plan and Vouchering Fee Remittance Plan sections, the application will discuss how the County and other job development entities currently interact and should discuss any ongoing programs and achievements in business expansion, attraction, and retention. The Consultant shall work with the County and appropriate agencies to obtain the information for development of these plans.

3.4.5. Planning and Local Incentives

The Planning and Local Incentives section will discuss what has been done to encourage industrial and commercial businesses to locate or expand in the zone. The Consultant shall complete this section by working with Commission and County representatives to identify all available success stories and incentive programs.

3.4.6. Unemployment and Area Income Levels

The Unemployment/Area Income section requires the use of County-wide unemployment rate data. The Consultant shall compile and process all necessary data and calculate the unemployment rates in this section and in the Bonus Point section.

3.4.7. Enterprise Zone Program Management Information

The Enterprise Zone Program Management Information section requires a presentation of zone governance. The Consultant shall closely consult with the Commission to prepare this section.

3.4.8. Infrastructure and Capital Improvement Plan

The Infrastructure section calls for analysis of the water, sewer, storm drain, and other physical infrastructure that serve the proposed zone. The Consultant shall consult Commission and County staff to gather information related to capital improvement projects. These documents will be analyzed and the Consultant will highlight key descriptors in this section. The Consultant will also consult with the Southern California Association of Governments (SCAG) to obtain data from the Regional Transportation Plan about upcoming projects that benefit the proposed Enterprise Zone.

HCD has placed added emphasis on self-evaluation and benchmarking of zone activities by zone management. The Consultant shall work with Commission staff and participating organizations to identify and/or establish a clear set of goals and performance measurement mechanisms to meet this requirement.

The Consultant will work closely with local economic development and job development organizations, such as the Chambers of Commerce, WIBs, and County departments for information required in this section. The Consultant shall then assimilate the raw information into comprehensive and convincing narratives. Also, as previously stated, Enterprise Zone Applications require detailed performance measures, including quantifiable job development, business retention, attraction, and expansion goals. The Consultant shall work closely with Commission staff to develop realistic goals for these sections.

Deliverable: The Consultant will perform the above tasks and deliver drafts of each section of the Economic Development & Marketing Plan for review and comment as soon as they are complete.

3.5 TASK 6: BONUS STATEMENT

The Enterprise Zone application scoring process provides bonus points for applicants meeting extraordinary economic distress criteria. This has included: (1) the percent of the population in the proposed Enterprise Zone living below the poverty level and (2) the percent unemployed persons in the proposed Enterprise Zone compared to state levels. In addition, applicants have been encouraged to provide additional information on unique distress factors specific to the applicant communities. The Consultant will develop all of the required statistical information to qualify for the bonus points. The Consultant will work with the Commission to further describe extraordinary factors that could provide additional bonus points. Factors might include public safety issues such as gang-related problems, or high crime rates.

Deliverable: The Consultant shall complete the Bonus Point section of the application, including presentation of statistical data on poverty levels and unemployment, and provide a qualitative discussion of the prospective Enterprise Zone's unique distress factors.

3.6 TASK 7: COMPLETED ENTERPRISE ZONE APPLICATION

This task is the final review and check of the application to ensure that not only is all information included in the proper form, but also that no additional beneficial information is left out. Once the final application is approved by the Commission, the Consultant will copy, scan and burn the application onto a CD ROM. The Consultant will provide the final application to the Commission in Microsoft Word format.

Deliverable: The Consultant shall deliver to the Commission the final electronic version of the application in Microsoft Word format. In addition the Consultant will copy, scan and burn the application onto a CD ROM and hand-deliver the required number of copies of the application, in hardcopy and electronic format, to HCD by the application deadline.

3.7 TASK 8: REMEDY TECHNICAL DEFICIENCIES IDENTIFIED BY HCD

After delivery of the final Application, the Consultant will provide support to the Commission in addressing any comments and concerns identified by HCD in the Initial Technical Review Phase.

Deliverable: The Consultant shall provide technical support after application submission to address HCD's comments, if any, from the Initial Technical Review Phase.

3.8 TASK 9: CONDITIONAL AND FINAL DESIGNATION

After receipt of Conditional Designation from HCD, the Consultant will assist in meeting the requisite conditions to achieve Final Designation and the signing of the Memorandum of Understanding with the State of California.

Deliverable: The Consultant shall provide support after receipt of Conditional Designation so the County can achieve Final Designation. This includes assistance with identifying the Targeted Employment Area and the signing of the final Memorandum of Understanding with the State of California.

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. Purpose of Form

A person who is required to file an information return with the IRS, must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

U.S. person. Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee.

In 3 above, if applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

For federal tax purposes, you are considered a person if you are:

- An individual who is a citizen or resident of the United States,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States, or

You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the Certification, but you must provide your correct TIN. (See the instructions on page 4.)

Purpose of Form

A person who is required to file an information return with the IRS, must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

U.S. person. Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee.

Note: *If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.*

Foreign person. If you are a foreign person, use the appropriate Form W-8 (see **Pub. 515**, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the recipient has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

BACKGROUND AND RESOURCES:
CALIFORNIA CHARITIES REGULATION

There is a keen public interest in preventing misuse of charitable contributions. California's "Supervision of Trustees and Fundraisers for Charitable Purposes Act" regulates those raising and receiving charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) tightened Charitable Purposes Act requirements for charitable organization administration and fundraising.

The Charitable Purposes Act rules cover California public benefit corporations, unincorporated associations, and trustee entities. They may include similar foreign corporations doing business or holding property in California. Generally, an organization is subject to the registration and reporting requirements of the Charitable Purposes Act if it is a California nonprofit public benefit corporation or is tax exempt under Internal Revenue Code § 501(c)(3), and not exempt from reporting under Government Code § 12583. Most educational institutions, hospitals, cemeteries, and religious organizations are exempt from Supervision of Trustees Act requirements.

Key new Charitable Purposes Act requirements affect executive compensation, fundraising practices and documentation. Charities with over $2 million of revenues (excluding grants and service-contract funds a governmental entity requires to be accounted for) have new audit requirements. Charities required to have audits must also establish an audit committee whose members have no material financial interest in any entity doing business with the charity.

Organizations or persons that receive or raise charitable contributions are likely to be subject to the Charitable Purposes Act. A bidder/proposer on Commission and/or Housing Authority contracts must determine if it is subject to the Charitable Purposes Act and certify either that:

- It is not presently subject to the Act, but will comply if later activities make it subject, or,
- If subject, it is currently in compliance.

RESOURCES

The following resource references are offered to assist bidders/proposers who engage in charitable contributions activities, however, each bidder/proposer is responsible to research and determine its own legal obligations and properly complete the Charitable Contributions Certification form.

In California, supervision of charities is the responsibility of the Attorney General, whose website, **http://caag.state.ca.us/**, contains much information helpful to regulated charitable organizations.

1. LAWS AFFECTING NONPROFITS

The "Supervision of Trustees and Fundraisers for Charitable Purposes Act" is found at California Government Code §§ 12580 through 12599.7. Implementing regulations are found at Title 11, California Code of Regulations, §§ 300 through 312. In California, charitable solicitations ("advertising") are governed by Business & Professions Code §§ 17510 through 17510.95. Regulation of nonprofit corporations is found at Title 11, California Code of Regulations, §§ 999.1 through 999.5. (Amended regulations are pending.) Links to all of these rules are at: **http://caag.state.ca.us/charities/statutes.htm**.

2. SUPPORT FOR NONPROFIT ORGANIZATIONS

Several organizations offer both complimentary and fee-based assistance to nonprofits, including in Los Angeles, the *Center for Nonprofit Management,* 606 S. Notice 1015

(Rev. December 2004)

Have You Told Your Employees About the Earned Income Credit (EIC)?

What Is the EIC?

The EIC is a refundable tax credit for certain workers.

What's New. Workers cannot claim the EIC if their 2004 investment income (such as interest and dividends) is over $2,650.

Which Employees Must I Notify About the EIC?

You must notify each employee who worked for you at any time during the year and from whom you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on Form W-4, Employee's Withholding Allowance Certificate.

Note. You are encouraged to notify each employee whose wages for 2004 are less than $35,458 that he or she may be eligible for the EIC.

How and When Must I Notify My Employees?

You must give the employee one of the following:

- The IRS Form W-2, Wage and Tax Statement, which has the required information about the EIC on the back of Copy B.
- A substitute Form W-2 with the same EIC information on the back of the employee's copy that is on Copy B of the IRS Form W-2.
- Notice 797, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you are required to give Form W-2 and do so on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If a substitute Form W-2 is given on time but does not have the required information, you must notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 7, 2005.

You must hand the notice directly to the employee or send it by First-Class Mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can get copies of the notice by calling 1-800-829-3676, or from the IRS website at *www.irs.gov*.

How Will My Employees Know If They Can Claim the EIC?

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see the 2004 instructions for Form 1040, 1040A, 1040EZ, or Pub. 596, Earned Income Credit (EIC).

How Do My Employees Claim the EIC?

Eligible employees claim the EIC on their 2004 tax return. Even employees who have no tax withheld from their pay or owe no tax can claim the EIC and get a refund, but they must file a tax return to do so. For example, if an employee has no tax withheld in 2004 and owes no tax but is eligible for a credit of $791, he or she must file a 2004 tax return to get the $791 refund.

How Do My Employees Get Advance EIC Payments?

Eligible employees who expect to have a qualifying child for 2005 can get part of the credit with their pay during the year by giving you a completed Form W-5, Earned Income Credit Advance Payment Certificate. You must include advance EIC payments with wages paid to these employees, but the payments are not wages and are not subject to payroll taxes. Generally, the payments are made from withheld income, social security, and Medicare taxes. For details, see Pub. 15 (Circular E), Employer's Tax Guide.

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents to give up their baby confidentially. As long as the baby has not been abused or neglected, parents may give up their newborn without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially and safely give up a baby within three days of birth. The baby must be handed to an employee at a Los Angeles County emergency room or fire station. As long as the child shows no signs of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, workers will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their newborns within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

In most cases, a parent will bring in the baby. The law allows other people to bring in the baby if they have legal custody.

Does the parent have to call before bringing in the baby?

No. A parent can bring in a baby anytime, 24 hours a day, 7 days a week so long as the parent gives the baby to someone who works at the hospital or fire station.

Does a parent have to tell anything to the people taking the baby?

No. However, hospital personnel will ask the parent to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the child. Although encouraged, filling out the questionnaire is not required.

What happens to the baby?

The baby will be examined and given medical treatment, if needed. Then the baby will be placed in a pre-adoptive home.

What happens to the parent?

Once the parent(s) has safely turned over the baby, they are free to go.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned by their parents and potentially being hurt or killed. You may have heard tragic stories of babies left in dumpsters or public bathrooms. The parents who committed these acts may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had nowhere to turn for help, they abandoned their infants. Abandoning a baby puts the child in extreme danger. It is also illegal. Too often, it results in the baby's death. Because of the Safely Surrendered Baby Law, this tragedy doesn't ever have to happen in California again.

A baby's story

At 8:30 a.m. on Thursday, July 25, 2002, a healthy newborn baby was brought to St. Bernardine Medical Center in San Bernardino under the provisions of the California Safely Surrendered Baby Law. As the law states, the baby's mother did not have to identify herself. When the baby was brought to the emergency room, he was examined by a pediatrician, who determined that the baby was healthy and doing fine. He was placed with a loving family while the adoption process was started.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a newborn, let her know there are other options.

It is best that women seek help to receive proper medical care and counseling while they are pregnant. But at the same time, we want to assure parents who choose not to keep their baby that they will not go to jail if they deliver their babies to safe hands in any Los Angeles County hospital ER or fire station.

Sin pena.
Sin culpa.
Sin peligro.

Los recién nacidos pueden ser entregados en forma segura en la sala de emergencia de cualquier hospital o en un cuartel de bomberos del Condado de Los Angeles.

¿Qué es la Ley de Entrega de Bebés Sin Peligro?

La Ley de Entrega de Bebés Sin Peligro de California permite a los padres entregar a su recién nacido confidencialmente. Siempre que el bebé no haya sufrido abuso ni negligencia, padres pueden entregar a su recién nacido sin temor a ser arrestados o procesados.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura, dentro de los tres días del nacimiento. El bebé debe ser entregado a un empleado de una sala de emergencias o de un cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden empezar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles, al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

En la mayoría de los casos, los padres son los que llevan al bebé. La ley permite que otras personas lleven al bebé si tienen la custodia legal del menor.

¿Los padres deben llamar antes de llevar al bebé?

No. El padre/madre puede llevar a su bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, mientras que entregue a su bebé a un empleado del hospital o de un cuartel de bomberos.

¿Es necesario que el padre/madre diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital le pedirá que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para los cuidados que recibirá el bebé. Es recomendado llenar este cuestionario, pero no es obligatorio hacerlo.

¿Qué ocurrirá con el bebé?

El bebé será examinado y, de ser necesario, recibirá tratamiento médico. Luego el bebé se entregará a un hogar preadoptivo.

¿Qué pasará con el padre/madre?

Una vez que los padres hayan entregado a su bebé en forma segura, serán libres de irse.

¿Por qué California hace esto?

La finalidad de la Ley de Entrega de Bebés Sin Peligro es proteger a los bebés del abandono por parte de sus padres y de la posibilidad de que mueran o sufran daños. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Es posible que los padres que cometieron estos actos hayan estado atravesando dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus recién nacidos porque tenían miedo y no tenían adonde recurrir para obtener ayuda. El abandono de un recién nacido lo pone en una situación de peligro extremo. Además es ilegal. Muy a menudo el abandono provoca la muerte del bebé. Ahora, gracias a la Ley de Entrega de Bebés Sin Peligro, esta tragedia ya no debe suceder nunca más en California.

Historia de un bebé

A las 8:30 a.m. del jueves 25 de julio de 2002, se entregó un bebé recién nacido saludable en el St. Bernardine Medical Center en San Bernardino, en virtud de las disposiciones de la Ley de Entrega de Bebés Sin Peligro. Como lo establece la ley, la madre del bebé no se tuvo que identificar. Cuando el bebé llegó a la sala de emergencias, un pediatra lo revisó y determinó que el bebé estaba saludable y no tenía problemas. El bebé fue ubicado con una buena familia, mientras se iniciaban los trámites de adopción.

Cada recién nacido merece una oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele qué otras opciones tiene.

Es mejor que las mujeres busquen ayuda para recibir atención médica y asesoramiento adecuado durante el embarazo. Pero al mismo tiempo, queremos asegurarles a los padres que optan por no quedarse con su bebé que no irán a la cárcel si dejan a sus bebés en buenas manos en cualquier sala de emergencia de un hospital o en un cuartel de bomberos del Condado de Los Angeles.
