PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

On July 24, 2007, your Board approved the Contract with North American Security, Inc. to provide the County with security guard services at nine (9) Antelope Valley Health Centers at an annual contract cost of $866,055. The Contract authorized the Chief to implement changes which impacted the contract

sum up to ten percent. The Chief has exercised this authority and an additional increase is required to provide for new on-going service requirements the Departments of Health Services and Public Health advises are required. The additional services are primarily required to address security requirements of the Acton Rehabilitation Center and South Valley Health Center. Sufficient contract authority remains to provide services through June 30, 2008. The increase will provide for continuation of services during the final month of the initial contract year.

Implementation of Strategic Plan Goals

The proposed amendment will further the County's Strategic Plan Goal 1 (Service Excellence), Goal 4 (Fiscal Responsibility), and Goal 8 (Public Safety) through the provision of quality armed and unarmed security guard services at a savings over County costs.

FISCAL IMPACT/FINANCING

These services are funded through billings to the Departments of Health Services and Public Health, who have indicated that sufficient appropriation is provided in their fiscal year (FY) 2007-08 budget and funding has been requested in their proposed FY 2008-09 budget. The Office of Public Safety's (OPS) FY 2007-08 budget provides sufficient appropriation to fund the amendment, and the proposed FY 2008-09 budget includes the appropriation required to fund the additional services.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The authority delegated to the Chief to amend the contract amount has been exhausted. Board approval is required for any additional contract increases to be effective during the first and second year of the contract. The first year of the Contract commenced August 1, 2007, and concludes on July 31, 2008. The second year of the Contract will commence on August 1, 2008, and conclude on July 31, 2009, and identified service requirements exceed the Chief's authority to amend the contract. The Contract authorizes the Chief to approve contract cost changes up to ten percent each contract year. Sufficient contract authority remains to provide services through June 30, 2008. The increase will provide for continuation of services during the final month of the initial contract year. The amendment has been approved as to form by County Counsel. This contract contains the County's standard provisions regarding contractor obligations and is in compliance with all Board and CEO requirements.

IMPACT ON CURRENT SERVICES

North American Security Services, Inc. has agreed to provide the security guards needed to increase service levels required by the Departments of Health Services and Public Health. An increase in contract value will allow the contractor to provide uninterrupted services at the current contract rates.

CONCLUSION

It is requested that the Executive Office/Clerk of the Board return four certified copies of the minute order and the adopted, stamped Board letter to OPS, Contract Division, 13001 Dahlia Street, Downey, California 90242.

Respectfully submitted,

WILLIAM T FUJIOKA
