The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
Los Angeles, California 90012

Dear Supervisors:

APPROVAL OF AN AGREEMENT WITH BECKMAN COULTER, INCORPORATED, TO PROVIDE ROBOTIC DNA ANALYSIS EQUIPMENT MAINTENANCE SERVICES (ALL DISTRICTS) (3 VOTES)

SUBJECT

Approve an Agreement with Beckman Coulter, Incorporated (BC), to provide robotic DNA analysis equipment maintenance services to the Los Angeles County Sheriff's Department (Department), Scientific Services Bureau.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve and instruct the Chair of the Board of Supervisors to sign the attached Agreement with BC. The term of this Agreement shall be for three (3) years, plus two (2) one-year options, plus a month-to-month extension option in any increment not to exceed six (6) months if required to best serve the County's interest. The Agreement sum is $127,232.

2. Authorize the Sheriff or his designee to execute applicable documents when the original contracting entity has merged, been purchased, or otherwise changed; and to modify the Agreement within the conditions specified in the Agreement, with prior approval of County Counsel, including authority for the Sheriff to exercise the above contract extension provision, if it is in the best interest of the County.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of this Agreement is to provide the Department with robotic DNA analysis equipment maintenance and repair services for the Department's Scientific Services Bureau, which operates one of the largest full-service crime laboratories in the nation. The Scientific Services Bureau provides forensic science support to the Department as well as all local law enforcement agencies with the exception of the Los Angeles Police Department.

Implementation of Strategic Plan Goals

The services provided support the County's Strategic Plan Goal 1, Service Excellence. Specifically, the contract will allow BC to provide robotic DNA analysis system maintenance and repair services ensuring uninterrupted DNA processing services to the Department and other local law enforcement agencies.

FISCAL IMPACT/FINANCING

The Agreement price for the full-service maintenance and repair program is fixed for the term that includes all option periods at $127,232.

Funding has been identified in the Department's operating budget. Annual allocations will be made to finance the ongoing cost of this maintenance program throughout the term of the Agreement.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Department's Scientific Services Bureau currently operates two (2) Biomek 2000 DNA analyzers and five (5) centrifuges, as well as accessory components. A staff of 253 members provide forensic science support to all Los Angeles County law enforcement agencies with the exception of the Los Angeles Police Department. Approximately one half of the nearly 70,000 cases submitted annually to the Scientific Services Bureau's Crime Lab are from Department investigators, while the remainder are from local, state, and federal police agencies.

Since 1989, the Scientific Services Bureau has been accredited through the American Society of Crime Laboratory Directors/Laboratory Accreditation Board (ASCLD/LAB). In order to ensure that the DNA analysis equipment continues to operate efficiently and effectively, they must be regularly maintained and expeditiously repaired or replaced when problems are detected.

The Contractor is in compliance with all Board, Chief Executive Office (CEO), and County Counsel requirements. The Agreement has been reviewed and approved as to form by County Counsel.

CONTRACTING PROCESS

The proposed Agreement with BC was procured on a sole-source basis. BC is the sole-source manufacturer-proprietor of the Scientific Services Bureau's DNA analysis equipment. BC does not train, certify, license, or otherwise endorse any third party to provide support, maintenance, and/or upgrade services to their proprietary DNA analysis equipment.

BC is a world leader in the field of robotic DNA analysis instrumentation. Their equipment sets the standard of merit in the industry making their products uniquely qualified to serve the forensic needs of the Scientific Services Bureau.

The Sole Source Questionnaire and Checklist have been forwarded to the CEO for review as required by your Board.

As such, the Department is recommending an agreement with Beckman Coulter, Incorporated.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Approval of this Agreement will have no negative impact on current Department operations and services and will ensure that the Department's DNA analysis equipment continues to operate effectively and efficiently.

CONCLUSION

Upon approval and execution of the Contract by your Board, please return an adopted copy of this action and two originally executed copies of the Agreement to the Department's Contracts Unit for further processing.

Sincerely,

Lee Baca

10.7 County's Right to Withhold

ADDITIONAL TERMS AND CONDITIONS

The following additional terms and conditions are applicable to, and form a part of, the Agreement. Capitalized terms not otherwise defined in this *Exhibit A (Additional Terms and Conditions)* (as used in this *Exhibit A (Additional Terms and Conditions)*, this "*Exhibit*") have the meanings given to such terms in the base document of the Agreement.

1.0 SUBCONTRACTING

1.1 General

County has relied, in entering into the Agreement, on the reputation of and on obtaining the personal performance of Contractor itself. Consequently, no performance of the Agreement, or any portion thereof, shall be subcontracted by Contractor except in accordance with the procedures set forth in this *Section 1.0 (Subcontracting)*. Any attempt by Contractor to subcontract any performance, obligation, or responsibility under the Agreement, except in accordance with the procedures set forth in this *Section 1.0 (Subcontracting)*, shall be null and void and shall constitute a material breach of the Agreement, upon which County may immediately terminate the Agreement.

1.2 Procedure for Subcontracting

If Contractor desires to subcontract any portion of its performance, obligations, or responsibilities under the Agreement to any subcontractor, Contractor shall adhere to the following procedures.

1.2.1 Contractor shall notify the County Project Director of its desire to subcontract a portion of the Work, which notice shall include the reason for the proposed subcontract, and a description of the Work to be performed under the proposed subcontract.

1.2.2 The identity of such subcontractor and why such subcontractor was selected.

1.2.3 A certificate of insurance from the proposed subcontractor which establishes that the subcontractor maintains all the programs of insurance required by the Agreement.

1.2.4 If the proposed Work is to be performed by a subcontractor, then in addition to the foregoing, Contractor shall provide:

i. A draft copy of the proposed subcontract. The material provisions of any approved subcontract between Contractor and a third party may be changed or amended, as applicable, only with the prior written approval of the County Project Director, which approval shall not be unreasonably withheld; and

ii. Any other information and/or certifications reasonably requested by County.

The County Project Director will review Contractor's request to subcontract and determine, in his discretion, whether or not to consent to such request on an individual basis. Without limiting in any way County's prior approval rights, Contractor shall deliver to the County Project Director a fully executed copy of each subcontract entered into by Contractor pursuant to this *Sub-paragraph 1.2.4*, on or immediately after the effective date of the subcontract but in no event later than the date any Work is performed under the subcontract.

1.2.5 Contractor shall obtain an executed subcontractor Employee Acknowledgment and Confidentiality (see *Exhibit F (Contractor's Employee Acknowledgement and Confidentiality Contract)*) for each of subcontractor's employees performing Work under the subcontract. Such Contracts shall be delivered to the County Project Director on or immediately after the effective date of the particular subcontract but in no event later than the date any such employee commences performing Work under the subcontract.

1.3 Contractor Responsibilities.

1.3.1 Notwithstanding any County consent to any subcontracting, Contractor shall remain responsible for any and all performance required of it under the Agreement, including the obligation properly to supervise, coordinate, and perform, all Work required hereunder, and no subcontract shall bind or purport to bind County. Further, County approval of any subcontract shall not be construed to limit in any way Contractor's performance, obligations, or responsibilities, to County.

1.3.2 In the event that County consents to any subcontracting, such consent shall be subject to County's right to reject any and all subcontractor personnel providing services under such subcontract.

1.3.3 In the event that County consents to any subcontracting, Contractor shall cause the subcontractor, on behalf of itself, its successors and administrators, to assume and be bound by and shall be deemed to have assumed and agreed to be bound by each and all of the provisions

of the Agreement and any amendment hereto as it relates to or affects the Work performed by subcontractor hereunder.

1.3.4 Contractor shall be solely liable and responsible for any and all payments and other compensation to all subcontractors and their officers, employees, and agents. County shall have no liability or responsibility whatsoever for any payment or other compensation for any subcontractors or their officers, employees, and agents.

2.0 DISPUTE RESOLUTION PROCEDURE

2.1 General

Contractor and County agree to act immediately to resolve mutually any disputes that may arise with respect to the Agreement. All such disputes shall be subject to the provisions of this *Section 2.0 (Dispute Resolution Procedure)* (such provisions are collectively referred to as the "Dispute Resolution Procedures"). Time is of the essence in the resolution of disputes.

2.2 Continued Work

Contractor and County agree that, the existence and details of a dispute notwithstanding, both parties shall continue without delay their performance hereunder, except for any performance, other than payment by County for approved Work, that the parties mutually determine should be delayed as a result of such dispute

~~2.2.1 If Contractor fails to continue without delay its performance hereunder that County, in its discretion, determines should not be delayed as a result of such dispute, then any additional costs which may be incurred by Contractor or County as a result of Contractor's failure to continue to so perform shall be borne by Contractor, and Contractor shall make no claim whatsoever against County for such costs. Contractor shall promptly reimburse County for such County costs, as determined by the County, or County may deduct or offset all such additional costs from any amounts due to Contractor from County.~~

~~2.2.2 If County fails to continue without delay to perform its responsibilities under the Agreement which County, in its discretion, determines should not be delayed as a result of such dispute, then any additional costs incurred by Contractor or County as a result of County's failure to continue to so perform shall be borne by County, and County shall make no claim whatsoever against Contractor for such costs. County shall promptly reimburse Contractor for all such additional Contractor costs subject to the approval of such costs by County.~~

2.3 Dispute Resolution Procedures

In the event of any dispute between the parties with respect to the Agreement, Contractor and County shall submit the matter as follows:

2.3.1 Contractor and County shall first submit the matter to their respective Project Managers for the purpose of endeavoring to resolve such dispute.

2.3.2 If the Project Managers are unable to resolve the dispute within a reasonable time, not to exceed five (5) Business Days from the date of submission of the dispute, then the matter immediately shall be submitted to the parties' respective Project Directors for further consideration and discussion to attempt to resolve the dispute.

2.3.3 If the Project Directors are unable to resolve the dispute within a reasonable time not to exceed five (5) Business Days from the date of submission of the dispute, then the matter shall be immediately submitted to Contractor's president or chief operating officer and the Sheriff of the County of Los Angeles. These persons shall have five (5) Business Days to attempt to resolve the dispute.

2.3.4 In the event that at these levels, there is not a resolution of the dispute acceptable to both parties, then each party may assert its other rights and remedies provided under the Agreement and its rights and remedies as provided by law.

2.4 Documentation of Dispute Resolution Procedures

All disputes utilizing the Dispute Resolution Procedure shall be documented in writing by each party and shall state the specifics of each alleged dispute and all actions taken. The parties shall act in good faith to resolve all disputes. At all three (3) levels described in *Paragraph 2.3 (Dispute Resolution Procedure)*, the efforts to resolve a dispute shall be undertaken by conference between the parties' respective representatives, either orally, by face-to-face meeting or by telephone, or in writing by exchange of correspondence.

2.5 Not Applicable to County's Right to Terminate

Notwithstanding any other provision of the Agreement, County's right to terminate the Agreement pursuant to *Section 4.0 (Termination for Insolvency)*, *Section 5.0 (Termination for Default)*, *Section 6.0 (Termination for Convenience)*, or *Section 7.0 (Termination for Improper Consideration)*, in each case, of this *Exhibit*, or any other termination provision hereunder, shall not be subject to the Dispute Resolution Procedure. The preceding sentence is intended only as a clarification of County's rights, and shall not be deemed to impair any claims that

Contractor may have against County or Contractor's rights to assert such claims after any such termination or such injunctive relief has been obtained.

3.0 CONFIDENTIALITY

3.1 General

Contractor shall maintain the confidentiality of all records and information, events or circumstances which occur during the course of Contractor's performance under the Agreement, in accordance with all applicable Federal, State, and local laws, regulations, ordinances, guidelines, and directives relating to confidentiality. Contractor shall inform all of its directors, officers, shareholders, employees, and agents providing services hereunder of the confidentiality provisions of the Agreement. Contractor shall provide to County an executed *Contractor's Employee Acknowledgment and Confidentiality Contract* (*Exhibit F* to the Agreement) for each of its employees performing Work under the Agreement. Notwithstanding anything herein to the contrary, Contractor acknowledges and agrees that it is responsible for any breach of the obligations of confidentiality set forth herein by any person or entity to whom Contractor discloses such confidential information.

3.2 Disclosure of Information.

3.2.1 With respect to any confidential information obtained by Contractor pursuant to the Agreement, Contractor shall (a) not use any such records or information for any purpose whatsoever other than carrying out the express terms of the Agreement; (b) promptly transmit to County all requests for disclosure of any such records or information; (c) not disclose, except as otherwise specifically permitted by the Agreement, any such records or information to any person or organization other than County without County's prior written authorization that the records are, or information is, releasable; and (d) at the expiration or termination of the Agreement, return all such records and information to County or maintain such records and information according to the written procedures sent to Contractor by County for this purpose.

3.2.2 Without limiting the generality of *Sub-paragraph 3.2.1* of this *Exhibit*, in the event Contractor receives any court or administrative agency order, service of process, or request by any person or entity (other than Contractor's professionals) for disclosure of any such details, Contractor shall immediately notify the County Project Director. Thereafter, Contractor shall comply with such order, process, or request only to the extent required by applicable law. Notwithstanding the preceding sentence, to the extent permitted by law, Contractor shall delay such compliance and cooperate with County to obtain relief from such

obligations to disclose until County shall have been given a reasonable opportunity to obtain such relief.

3.3 Contractor Information

Any and all confidential or proprietary information which is developed or was originally acquired by Contractor outside the scope of this Agreement, which Contractor desires to use hereunder, and which Contractor considers to be proprietary or confidential, must be specifically identified by Contractor to the County Project Director as proprietary or confidential, and shall be plainly and prominently marked by Contractor as "proprietary" or "confidential." County shall undertake reasonably to maintain the confidentiality of materials marked by Contractor as "proprietary" or "confidential." Notwithstanding any other provision of this Agreement, County shall not be obligated in any way under this Agreement for:

3.3.1 Any of Contractor's proprietary and/or confidential materials not plainly and prominently marked with restrictive legends;

3.3.2 Any disclosure of any materials which County is required to make under the California Public Records Act or otherwise by law; and

3.3.3 Any materials indicating the volume, frequency and type of goods and services provided by Contractor, including, but not limited to use under *Section 25.0 (Re-solicitation of Bids, Proposals, or Information)*.

3.4 Use of County Name

In recognizing Contractor's need to identify its services and related clients to sustain itself, County shall not inhibit Contractor from publishing its role under the Agreement within the following conditions:

3.4.1 Contractor shall develop all publicity material in a professional manner.

3.4.2 During the Term, Contractor shall not publish or disseminate any commercial advertisements, press releases, feature articles, or other materials using the name of County without the prior written consent of the County Project Director, which shall not be unreasonably withheld or delayed.

3.4.3 Contractor may, without the prior written consent of County, indicate in its proposals and sales materials that it has been awarded the Agreement with County, provided that the requirements of this *Paragraph 3.4 (Use of County Name)* (other than the requirements set forth in *Sub-paragraph 3.4.2*) shall apply

3.4.4 Notwithstanding anything herein to the contrary, County reserves the right to object to any use of County's name and Contractor shall cure promptly and prospectively any use of County's name that has been objected to by County.

3.5 Injunctive Relief

Contractor acknowledges that a breach by Contractor of this *Section 3.0 (Confidentiality)* may result in irreparable injury to County that may not be adequately compensated by monetary damages and that, in addition to County's other rights under the Agreement and at law and in equity, County shall have the right to injunctive relief to enforce the provisions of this *Section 3.0 (Confidentiality)*.

4.0 TERMINATION FOR INSOLVENCY

4.1 County may terminate the Agreement immediately at any time following the occurrence of any of the following:

4.1.1 Contractor has ceased to pay or has admitted in writing its inability to pay its debts for at least sixty (60) days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the United States Bankruptcy Code and whether or not Contractor is insolvent within the meaning of the United States Bankruptcy Code, provided that Contractor shall not be deemed insolvent if it has ceased in the normal course of business to pay debts that Contractor disputes in good faith;

4.1.2 The filing of a voluntary or involuntary petition (which involuntary petition is not dismissed within sixty (60) days) regarding Contractor under the United States Bankruptcy Code;

4.1.3 The appointment of a receiver or trustee for Contractor; or

4.1.4 The execution by Contractor of a general assignment for the benefit of creditors other than in the course of arranging financial lines of credit.

4.2 The rights and remedies of County provided in this *Section 4.0 (Termination for Insolvency)* shall not be exclusive and are in addition to any other rights and remedies provided at law or in equity, or under the Agreement.

4.3 Contractor agrees that if Contractor as a debtor-in-possession, or if a trustee in bankruptcy, rejects the Agreement, County may elect to retain its rights under the Agreement, as provided under Section 365(n) of the United States Bankruptcy Code (11 U.S.C. Section 365(n)). Upon written request by County to Contractor or the trustee in bankruptcy, as applicable, Contractor or such trustee shall allow

County to exercise all of its rights and benefits under the Agreement. The foregoing shall survive the termination or expiration of the Agreement for any reason whatsoever.

5.0 TERMINATION FOR DEFAULT

5.1 Event of Default

County may, upon notice to Contractor, terminate the whole or any part of the Agreement if Contractor fails to perform or provide any Work within the times specified in the Agreement, or Contractor breaches or fails to perform or comply with any of the other provisions of the Agreement, including the applicable notice and cure periods, if any (if no cure period is specified in the Agreement, Contractor shall have ten (10) days following notice from the County Project Director specifying such breach or failure to cure prior to termination under this *Section 5.0 (Termination for Default)*, or such longer period as the County Project Director may authorize, in writing, but in no event shall the period, as extended by the County Project Director, exceed thirty (30) days), provided that nothing in this *Paragraph 5.1* shall in any way limit or modify any rights of County or obligations of Contractor relating to timely performance by Contractor as otherwise set forth in the Agreement.

5.2 Deemed Termination for Convenience

If, after County has given notice of termination under the provisions of this *Section 5.0 (Termination for Default)*, it is determined by County or otherwise that Contractor was not in default under the provisions of this *Section 5.0 (Termination for Default)*, or that the default was excusable or curable under the provisions of this *Section 5.0 (Termination for Default)*, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to *Section 6.0 (Termination for Convenience)* of this *Exhibit* except that no additional notice shall be required to effect such termination.

~~5.3 Completion of Work~~

~~Without limiting any of County's rights and remedies pursuant to the Agreement, upon the occurrence of any event giving rise to County's rights to terminate the Agreement, in whole or in part, pursuant to this *Section 5.0 (Termination for Default)*, County may, in lieu of such termination, (a) perform, or cause the performance of, any required correction, remedy and deficiency, replace any non-complying Work, or take any other such action as may be reasonably required to promptly remedy such default, and (b) debit Contractor therefore at County's direct actual cost of outside labor and materials and County's burdened (including salary, employee benefits and reimbursement policies) rates for labor. Such debit shall be made against any amounts owed by County to Contractor under the Agreement. In the event County elects to proceed under this~~

~~*Paragraph 5.3 (Completion of Work)*, any Work created, modified, or repaired by or at the direction of County shall be deemed Work under the Agreement.~~

6.0 TERMINATION FOR CONVENIENCE

6.1 Termination for Convenience.

The Agreement may be terminated, in whole or in part from time to time, by County in its sole discretion for any reason. Termination of Work hereunder shall be effected by delivery to Contractor of a notice of termination specifying the extent to which performance of Work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective shall be no less than thirty (30) days after notice.

6.2 No Prejudice; Sole Remedy

Nothing in this *Section 6.0 (Termination for Convenience)* is deemed to prejudice any right of Contractor to make a claim against the County in accordance with this Agreement and applicable law and County procedures for payment for Work through the effective date of termination. Contractor, however, acknowledges that the rights and remedies set forth in this *Paragraph 6.2* shall be the only remedy available to Contractor in the event of a termination or suspension pursuant to this *Section 6.0 (Termination for Convenience)* by County.

7.0 TERMINATION FOR IMPROPER CONSIDERATION

7.1 County may, upon notice to Contractor, immediately terminate the right of Contractor to proceed under the Agreement if it is found that consideration, in any form, was offered or given by Contractor, either directly or through an intermediary, to any County officer, employee or agent with the intent of securing the Agreement or securing favorable treatment with respect to the award, amendment or extension of the Agreement or the making of any determinations with respect to Contractor's performance pursuant to the Agreement. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.

7.2 Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to County Auditor-Controller's employee fraud hotline at (800) 544-6861.

7.3 Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment, or tangible gifts.

8.0 TERMINATION FOR GRATUITIES

County may, by notice to Contractor, terminate the right of Contractor to proceed under the Agreement upon one (1) calendar day's notice, if it is found that gratuities in the form of entertainment, gifts, or otherwise were offered or given by Contractor, or any agent or representative of Contractor, to any officer, employee, or agent of County with a view toward securing a contract or securing favorable treatment with respect to the awarding or amending, or the making of any determinations with respect to the performing, of such contract. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.

9.0 EFFECT OF TERMINATION

9.1 Remedies

In the event that County terminates the Agreement in whole or in part as provided in *Section 4.0 (Termination for Insolvency)*, *Section 5.0 (Termination for Default)*, *Section 6.0 (Termination for Convenience)*, *Section 7.0 (Termination for Improper Consideration)*, or *Section 8.0 (Termination for Gratuities)*, in each case, of this *Exhibit*, then:

9.1.1 Contractor shall (a) stop performing Work under the Agreement on the date and to the extent specified in such notice, (b) promptly transfer and deliver to County copies of all completed Work and Work that is in process, in a media reasonably requested by County, (c) promptly transfer and deliver all items previously paid for by County, and (d) complete performance of such part of the Work as shall not have been terminated by such notice;

~~9.1.2 Unless County has terminated the Agreement pursuant to *Section 6.0 (Termination for Convenience)* of this *Exhibit*, County shall have the right to procure, upon such terms and in such a manner as County may determine appropriate, goods, services, and other Work, similar and competitive to those so terminated, and Contractor shall be liable to County for, and shall promptly pay to County by cash payment, any and all excess costs reasonably incurred by County, as determined by County, to procure and furnish such similar goods, services, and other Work;~~

9.2 Transition Services

Contractor agrees that in the event of any termination of the Agreement, as a result of the breach hereof by either party, or for any other reason, including expiration, Contractor shall fully cooperate with County in the transition by County to a new Contractor, toward the end that there be no interruption of the Department's day to day operations due to the unavailability of the Work during such transition. Contractor agrees that if County terminates the Agreement pursuant to *Section 6.0 (Termination for Convenience)* of this *Exhibit* or *Paragraph 5.2 (Deemed Termination for Convenience)* of this *Exhibit*, Contractor shall perform transition services, and shall invoice County for such transition services determined in accordance with the rates specified in *Exhibit D (Equipment List and Price Schedule)* of the Agreement, in accordance with a transition plan to be agreed upon, in advance, by the County Project Director and the Contractor Project Director. Contractor further agrees that in the event that County terminates the Agreement for any other breach by Contractor, Contractor shall perform transition services at its own expense. If such audit, whether initially following a waiver by Contactor of its right of objection or upon final determination pursuant to the Dispute Resolution Procedure, finds that County's dollar liability for any such Work is less than payments made by County to Contractor, then the difference, together with County's reasonable costs of audit, shall be either repaid by Contractor to County by cash payment upon demand or, at the discretion of the County Project Director, deducted from any amounts due to Contractor from County If such audit finds that County's dollar liability for such Work is more than the payments made by County to Contractor, then the difference shall be paid to Contractor by County, but in no event shall County's payments to Contractor exceed the Maximum Contract Sum.

The rights and remedies set forth in the Agreement shall not be exclusive and are in addition to any other rights and remedies provided at law or in equity, or under the Agreement.

52.0 GOVERNING LAW, JURISDICTION, AND VENUE

The Agreement shall be governed by, and construed in accordance with, the substantive and procedural laws of the State of California applicable to contracts made and to be performed within that state Contractor agrees and consents to the exclusive jurisdiction of the courts of the State of California (except with respect to claims that are subject to exclusive Federal subject matter jurisdiction, as to which Contractor agrees and consents to the exclusive jurisdiction of the United States District Court of the Central District of California) for all purposes regarding the Agreement and further agrees and consents that venue of any action brought hereunder shall be exclusively in the Central District of the Superior Court for the County of Los Angeles, California.

BECKMAN COULTER, INCORPORATED
SOLE SOURCE REQUEST

It is the policy of the County to solicit the maximum number of bids/proposals for a commodity or service from the largest relevant market and to select vendors on a competitive basis.

There are certain acquisitions which, when in the best interest of the County, can only be obtained from a sole source. Sole source acquisitions must be justified in sufficient detail to explain the basis for suspending the usual competitive procurement process.

NOTE: Please refer to Section 2.5 of the Los Angeles County Services, Supplies & Equipment Contract/Purchasing Policy Manual (Attachment II).

DOCUMENTATION FOR SOLE SOURCE JUSTIFICATION MUST INCLUDE RESPONSES TO THE FOLLOWING QUESTIONS WHEN APPLICABLE:

Justification – Service

1. What is being requested?

Service: Hardware maintenance and support services for proprietary Beckman Coulter (BC) Robotic DNA Analysis Equipment.

2. Why is the product needed? – How will it be used?

The Los Angeles County Sheriff's Department Scientific Services Bureau operates two (2) Biomek 2000 DNA analyzers and five (5) DNA-processing centrifuges as well as accessory items, located at the Scientific Services Bureau facilities throughout Los Angeles County. These instruments are used to analyze biological forensic evidence to determine the sample's identity. Results from these instruments are used to conclusively identify samples which are subsequently used for criminal and civil court proceedings, as well as Sheriff's Department internal investigations.

3. Is this brand of product the only one that meets the user's requirements? If yes, what is unique about the product?

YES – BC is a world-leader in the field of DNA analysis instrumentation. The instruments represent a standard of merit in the industry which makes them uniquely qualified to serve the forensic needs of the Scientific Services Bureau. Because of their unique application and small market, most specialty instruments such as these are proprietary in nature. Conversely, to maintain quality and serviceability, most

manufacturers of such equipment opt to provide their own preventive maintenance programs for their instruments.

4. Have other products/vendors been considered? If yes, which products/vendors have been considered and how did they fail to meet the user's requirements?

NO. BC does not certify or train 3rd parties to maintain their proprietary equipment.

5. Will purchase of this product avoid other costs, e.g. data conversion, training, purchase of additional hardware, etc.?

No.

6. Is the product proprietary or is it available from various dealers? Have you verified this?

Proprietary. Yes. (see number 4 above)

7. Reasonableness of Price. Does the County obtain a special or pricing not available to the private sector? How does County pricing compare with other governmental entities?

Not Applicable.

8. If this purchase is an upgrade of existing equipment, what is the dollar value of existing equipment and the purchase order number for the existing equipment?

Not Applicable.
