Dear Supervisors:

**REQUEST TO APPROVE FORM CONTRACT FOR EMERGENCY SHELTER CARE
SERVICES WITH VARIOUS LICENSED FOSTER PARENTS
(ALL SUPERVISORIAL DISTRICTS) (3 VOTES)**

SUBJECT

Requesting approval to execute contracts to provide temporary shelter to children and youth taken into protective custody by the Department of Children and Family Services (DCFS) under the Emergency Shelter Care (ESC) program for the period from October 1, 2008 through September 30, 2011 at a total cost of \$194,400.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve the form contract in Attachment 1 and delegate authority to the Director of DCFS, or her designee, to execute nine (9) contracts substantially similar to the form contract in Attachment 1 with the qualified contractors indicated on Attachment 2; and to execute contracts with additional qualified contractors to fulfill unmet needs during the term of the contracts, provided that: (a) sufficient funding is available; (b) prior County Counsel approval is obtained; and (c) the Director of DCFS notifies your Board and the CEO in writing within ten (10) working days of execution of such contracts. The contractors were, and any additional contractors will be, procured in compliance with applicable procurement laws and County contracting policies. The term of the contracts will be October 1, 2008, or date of execution, whichever is later, and expire on September 30, 2009, with the options to extend for up to two (2) additional one-year periods through September 30, 2011. The total one-year cost of the nine (9) contracts is \$64,800, which will be financed using 75 percent (\$48,600) Federal revenue, 17.5 percent (\$11,340) State revenue, and 7.5 percent (\$4,860) net County cost (NCC). The total three-year cost of the nine (9) contracts is \$194,400, which will be financed using 75 percent (\$145,800) Federal revenue, 17.5 percent (\$34,020)

"To Enrich Lives Through Effective and Caring Service"

State revenue, and 7.5 percent (\$14,580) NCC. Sufficient funding is included in the Department's FY 2008-09 Adopted Budget.

2. Delegate authority to the Director of DCFS, or her designee, to terminate ESC Services contracts for convenience provided that: (a) the contractor requests it in writing, at least 30 days in advance of the termination date; and (b) the CEO approves the termination; and (c) the Director of DCFS finds that it is in the best interests of the County to terminate the contract for convenience; and (d) the Director of DCFS notifies the Board and the CEO in writing within ten (10) working days of the termination.
3. Delegate authority to the Director of DCFS, or her designee, to execute amendments to increase or decrease the contract amount by no more than ten percent of the Maximum Contract Sum, if necessary, to accommodate changes in the level of services and/or changes in service availability based on the bed availability rates per category established in the solicitation provided that: (a) sufficient funding is available; and (b) prior County Counsel and CEO approvals are obtained; and (c) the Director of DCFS notifies your Board and the CEO in writing within ten (10) working days of execution of such amendments.
4. Delegate authority to the Director of DCFS, or her designee, to execute amendments for non-material changes provided that: a) prior County Counsel and CEO approvals are obtained, and b) the Director of DCFS notifies your Board and the CEO in writing within ten (10) working days of execution of such amendments.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS

The current ESC Services contracts expire on September 30, 2008. The recommended actions will ensure continuous availability of beds contracted for temporary placements of children taken into protective custody, either by the Emergency Response Command Post (ERCP) or the case management staff, until more permanent arrangements can be made. The ESC Services ensure availability of beds for children, youth, sibling groups, and teen mothers and their infants.

Achievement will be measured according to the following performance targets: 1) 100 percent of children and youth are free of substantiated allegations of abuse and neglect by other children, family members and/or contractors; 2) 100 percent of children and youth are free of substantiated reports of child-to-child injuries; 3) 100 percent correction of safety and physical plant deficiencies in the time specified by the County; and 4) At least 60 percent of the placed children and youth successfully attend and complete a Team Decision Making (TDM) scheduled by the CSW prior to replacement.

It is important that DCFS continue to maintain reliable and safe temporary placements for children taken into protective custody after regular office hours, on weekends and holidays. Without approval of the recommended actions, suitable placements would not be readily

available in emergency situations; and the safety and well-being of those children would be greatly jeopardized.

Implementation of Strategic Plan Goals

The recommended actions are consistent with the principles of the Countywide Strategic Plan Goal No. 5 - Children and Families' Well-Being, Strategy 3, Safety and Survival: to enhance the ability of children to live in safe, stable, and nurturing families. The recommended actions will ensure a safe haven for children in need of protection from abuse, neglect and distress, as measured by the achievements in four of the six outcome areas adopted by the Board: 1) good health; 2) economic well-being; 3) safety and survival; and 4) social and emotional well-being.

FISCAL IMPACT/FINANCING

The total one-year cost of the nine (9) contracts is \$64,800, which will be financed by Title IV-B funding using 75 percent (\$48,600) Federal revenue, 17.5 percent (\$11,340) State revenue, and 7.5 percent (\$4,860) NCC. The total three-year cost of the nine (9) contracts is \$194,400, which will be financed using 75 percent (\$145,800) Federal revenue, 17.5 percent (\$34,020) State revenue, and 7.5 percent (\$14,580) NCC. To the extent costs exceed DCFS Title IV-B allocation, the cost will be shifted to Title IV-E Waiver funding financed using 36.3 percent Federal revenue, 32.5 percent State revenue, and 31.2 percent NCC. Sufficient funding is included in the Department's FY 2008-09 Adopted Budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

DCFS contracts only with qualified contractors who are licensed by the California Department of Social Services (CDSS) Community Care Licensing Division (CCLD) and have at least six-months of active experience as a licensed foster parent in Los Angeles County to provide ESC Services.

The contract requires the contractors to have contracted beds continuously available 24 hours, seven (7) days a week, at pre-established monthly bed availability rates as follows: \$300 per bed for children ages 0 to 12; \$400 per bed for youth ages 12 to 17; \$1,600 for sibling groups ages 0 to 17 (a minimum of four beds is required at \$400 per bed); and \$600 for one (1) bed and one (1) crib for teen mothers with their infants. When a child or youth is placed in the contractor's available bed, the contractor will receive additional compensation at the "B," "D" or "F" rates established under Aid to Families with Dependent Children-Foster Care (AFDC-FC), based on child's/youth's category, pro rata for the days the minor remains in the contractor's home. Upon placement, the contractor will offer full supportive services, including, but not limited to, supervision, clothing, food, emergency medical treatment, and transportation to medical and dental appointments.

In order to quickly respond to changes in the level of service and/or changes in the availability of services, DCFS is requesting: 1) delegated authority to increase or decrease the Maximum Contract Sum by ten (10) percent to accommodate increases or decreases in service based on the bed availability rate structure in the Request for Statement of Qualifications (RFSQ) and proposed contracts; and 2) delegated authority to terminate contracts for convenience provided. Under the DCFS Director's delegated authority, DCFS will execute new contracts to accommodate any increases that exceed ten (10) percent. The RFSQ remains open through January 31, 2011 so that future unmet needs can be fulfilled via contracts executed under the DCFS Director's delegated authority.

The contract complies with all applicable Federal, State, and local laws and regulations in delivering the ESC Services. It also expressly provides that the County is not obligated to pay contractors an amount in excess of their Maximum Annual Contract Sum. Additionally, the County shall not ask the contractors to perform services beyond the contract amount, scope of work or contract term.

The contract contains a provision that allows the contractors to request termination for convenience, with 30 days advance written notice, if the contractor is no longer able or willing to continue providing services. DCFS believes that this termination for convenience would be appropriate as it would be in the County's best interests not to compel a contractor to perform services when the contractor is no longer willing or able to continue.

After consulting with CEO Risk Management, DCFS determined that it was necessary for the contract to deviate from the standard Insurance Coverage requirements. Contractors are only required to maintain homeowner's or renter's liability insurance with a minimum \$300,000 personal liability coverage and automobile liability insurance coverage at not less than what is required by State law. DCFS will maintain regular contact with the nine (9) contractors and also conduct comprehensive foster family home-visit evaluations every six (6) months. The home-visit evaluations allow DCFS to monitor the contractor's compliance with the contract and applicable regulations, including the well-being of placed children and the condition of the foster home.

The contract excludes the Mandatory Requirement to Register on County's WebVen (licensed foster parents are not required to register due to confidentiality restrictions imposed by State Welfare and Institutions Code (WIC) Section 308).

The nine (9) contractors listed on Attachment 2 have been found to be responsive and responsible, and in compliance with all requirements.

The contract is in compliance with all Board and CEO requirements. County Counsel and the CEO have reviewed this Board Letter. The contract in Attachment I has been approved as to form by County Counsel.

This Board letter does not comply with your Board's policy regarding timely filing due to the delayed release of the RFSQ.

CONTRACTING PROCESS

DCFS obtained written approval from the California Department of Social Services (CDSS) to solicit qualified licensed foster parents using the RFSQ solicitation process, which includes a review of qualifications and compliance with appropriate policies and procedures.

On July 10, 2008, DCFS released a RFSQ for ESC Services and notified approximately 900 licensed foster parents in Los Angeles County by certified mail, return receipt requested and also notified approximately 400 additional foster parents through 13 foster parent organizations. DCFS advertised the RFSQ in local newspapers and on the County's Web Site and DCFS' website. DCFS received responses from 21 individuals, of which nine (9) are qualified at this time to be recommended for contract award by your Board.

The RFSQ contains an initial period to submit Statements of Qualification (SOQs) from July 10, 2008 through August 1, 2008. The qualified contractors on Attachment 2 met all RFSQ requirements by the August 1, 2008 deadline for the initial SOQ submission period. The RFSQ also contains a subsequent period to submit SOQs from August 2, 2008 through January 31, 2011, so that DCFS can obtain additional qualified contractors to meet future unmet ESC Services needs. With the delegated authority requested, the Director of DCFS, or her designee, may execute contracts with such additional qualified contractors as needed throughout the term of the contracts.

The Department has evaluated these services and determined that the Living Wage Program (County Code Chapter 2.201) does not apply to the recommended contract.

The Department has determined that a Cost-of-Living Adjustment (COLA) provision was not required for the recommended contract.

IMPACT ON CURRENT SERVICES

Current ESC Services contracts have allowed ERCP and case management staff to access temporary placement options for children taken into protective custody after normal business hours, on weekends and holidays. Approval of the recommended actions would ensure continued availability of beds needed for emergency placements.

COUNTY, at its sole option, may obtain damages from CONTRACTOR resulting

from said breach. Alternatively, COUNTY may purchase such required insurance coverage, and without further notice to CONTRACTOR, the COUNTY may deduct from sums due to the CONTRACTOR any premium costs advanced by the COUNTY for such insurance.

4.1.4 Notification of Incidents, Claims or Suits: CONTRACTOR shall report to COUNTY:

4.2 Insurance Coverage Requirements:

CONTRACTOR must maintain the following insurance:

The CONTRACTOR shall continue the performance of this Contract to the extent not terminated under the provisions of this Section.
- 51.3 The CONTRACTOR shall not be liable for any such excess costs of the type identified in Sub-section 51.2 if its failure to perform this Contract arises out of causes beyond the control and without the fault or negligence of the CONTRACTOR. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the COUNTY in either its sovereign or contractual capacity, acts of federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the CONTRACTOR. If the failure to perform is caused by and if such default arises out of causes beyond the control of the CONTRACTOR, and without the fault or negligence of CONTRACTOR, the CONTRACTOR shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the CONTRACTOR were obtainable from other sources in sufficient time to permit the CONTRACTOR to meet the required performance schedule.
- 51.4 If, after the COUNTY has given notice of termination under the provisions of this Section, it is determined by the COUNTY that the CONTRACTOR was not in default under the provisions of this Section or that the default was excusable under the provisions of Sub-section 51.3, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Part II, Termination for Convenience.

51.5 In the event the COUNTY terminates this Contract in its entirety due to the CONTRACTOR's default as provided in Sub-section 51.1, the CONTRACTOR and the COUNTY agree that the COUNTY will have actual damages, which are extremely difficult to calculate and impracticable to fix and which will include, but are not limited to, the COUNTY's costs of procurement of replacement services and costs incurred due to delays in procuring such services. Therefore, the CONTRACTOR and the COUNTY agree that the COUNTY shall, at its sole option and in lieu of the provisions of Sub-section 51.2, be entitled to liquidated damages from the CONTRACTOR, pursuant to California Civil Code Section 1671, in the amount of Five Thousand Dollars (\$5,000) or five (5) percent of the applicable year's Contract sum, whichever is less, as equitable compensation to the COUNTY for such actual damages. This amount of liquidated damages shall be either paid by the CONTRACTOR to the COUNTY by cash payment upon demand or, at the sole discretion of COUNTY, or designee, deducted from any amounts due to the CONTRACTOR by the COUNTY, whether under this Contract or otherwise.

51.5.1 These liquidated damages shall be in addition to any credits, which the COUNTY is otherwise entitled to under this Contract, and the CONTRACTOR's payment of these liquidated damages shall not in any way change, or affect the provisions of Part II, Indemnification.

STATEMENT OF WORK

1.0 PREAMBLE

For nearly a decade, the County has collaborated with its community partners to enhance the capacity of the health and human services system to improve the lives of children and families. These efforts require, as a fundamental expectation, that the County's contracting partners share the County and community's commitment to provide health and human services that support achievement of the County's vision, goals, values, and adopted outcomes. Key to these efforts is the integration of service delivery systems and the adoption of the Customer Service and Satisfaction Standards.

The County of Los Angeles' Vision is to improve the quality of life in the County by providing responsive, efficient, and high quality public services that promote the self-sufficiency, well-being and prosperity of individuals, families, business and communities. This philosophy of teamwork and collaboration is anchored in the shared values of:

- Responsiveness
- Professionalism
- Accountability
- Compassion
- Integrity
- Commitment
- A Can-Do Attitude
- Respect for Diversity

These shared values are encompassed in the County Strategic Plan, which includes the five following goals: 1) Service Excellence, 2) Workforce Excellence, 3) Organizational Effectiveness, 4) Fiscal Responsibility, and 5) Children and Families' Well-Being. Improving the well being of children and families requires coordination, collaboration, and integration of services across functional and jurisdictional boundaries, by and between County departments/agencies, and community and contracting partners.

The basic conditions that represent the well-being we seek for all children and families in Los Angeles County are delineated in the following five outcomes, adopted by the Board of Supervisors in January 1993.

- Good Health;
- Economic Well-Being;
- Safety and Survival;
- Emotional and Social Well-Being; and
- Education and Workforce Readiness.

Recognizing no single strategy - in isolation - can achieve the County's outcomes of well-being for children and families, consensus has emerged among County and community leaders that making substantial improvements in integrating the County's health and human services system is necessary to significantly move toward achieving these outcomes. The County has also established the values and goals for guiding this effort to integrate the health and human services delivery system.

- Families are treated with respect in every encounter they have with the health, educational, and social services systems.
- Families can easily access a broad range of services to address their needs, build on their strengths, and achieve their goals.

- There is no “wrong door”: wherever a family enters the system is the right place.
- Families receive services tailored to their unique situations and needs.
- Service providers and advocates involve families in the process of determining service plans, and proactively provide families with coordinated and comprehensive information, services, and resources.
- The County service system is flexible, able to respond to service demands for both the countywide population and specific population groups.
- The County service system acts to strengthen communities, recognizing that just as individuals live in families, families live in communities.
- In supporting families and communities, County agencies work seamlessly with public and private service providers, community-based organizations, and other community partners.
- County agencies and their partners work together seamlessly to demonstrate substantial progress towards making the system more strength-based, family-focused, culturally-competent, accessible, user-friendly, responsive, cohesive, efficient, professional, and accountable.
- County agencies and their partners focus on administrative and operational enhancements to optimize the sharing of information, resources, and best practices while also protecting the privacy rights of families.
- County agencies and their partners pursue multi-disciplinary service delivery, a single service plan, staff development opportunities, infrastructure enhancements, customer service and satisfaction evaluation, and revenue maximization.
- County agencies and their partners create incentives to reinforce the direction toward service integration and a seamless service delivery system.
- The County human service system embraces a commitment to the disciplined pursuit of results accountability across systems. Specifically, any strategy designed to improve the County human services system for children and families should ultimately be judged by whether it helps achieve the County’s five outcomes for children and families: good health, safety and survival, economic well-being, social and emotional well-being, and education and workforce readiness.

The County, its clients, contracting partners, and the community are working together to develop practical ways to make County services more accessible, customer friendly, better integrated, and outcome-focused. Several departments have identified shared themes in their strategic plans for achieving these goals including: making an effort to become more consumer/client-focused; valuing community partnerships and collaborations; emphasizing values and integrity; and using a strengths-based and multi-disciplinary team approach. County departments are also working to provide the Board of Supervisors and the community with a better understanding of how resources are being utilized, how well services are being provided, and what are the results of the services: is anyone better off?

The County of Los Angeles health and human service departments and their partners are working together to achieve the following Customer Service and Satisfaction Standards in support of improving outcomes for children and families.

Personal Service Delivery

The service delivery team – staff and volunteers – will treat customers and each other with courtesy, dignity, and respect.

- Introduce themselves by name
- Listen carefully and patiently to customers
- Be responsive to cultural and linguistic needs
- Explain procedures clearly
- Build on the strengths of families and communities

Service Access

Service providers will work proactively to facilitate customer access to services.

- Provide services as promptly as possible
- Provide clear directions and service information
- Outreach to the community and promote available services
- Involve families in service plan development
- Follow-up to ensure appropriate delivery of services

Service Environment

Service providers will deliver services in a clean, safe, and welcoming environment, which supports the effective delivery of services.

- Ensure a safe environment
- Ensure a professional atmosphere
- Display vision, mission, and values statements
- Provide a clean and comfortable waiting area
- Ensure privacy
- Post complaint and appeals procedures

The basis for all County health and human services contracts is the provision of the highest level of quality services that support improved outcomes for children and families. The County and its contracting partners must work together and share a commitment to achieve a common vision, goals, outcomes, and standards for providing services.

SAFELY SURRENDERED BABY LAW

Safely Surrendered

No shame. No blame. No names.

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazaletes y el padre/madre o el adulto que lo entregue recibirá un brazaletes igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Ángeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California? ?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazaletes con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.

The County's solicitation for this contract/purchase order (Request for Proposal or Invitation for Bid) is subject to the County of Los Angeles Contractor Employee Jury Service Program (Program) (Los Angeles County Code, Chapter 2.203). All bidders or proposers, whether a contractor or Subcontractor, must complete this form to either 1) request an exception from the Program requirements or 2) certify compliance. Complete Part I or Part II below, as appropriate.

Part I - Application for Exception From the Program

I request an exception from the Program for the following reason(s) (check the appropriate box(es) and attach documentation that supports your claim):

- My business does not meet the definition of "contractor," as defined in the Program," because my business has not received an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts (this exception is not available if the contract/purchase order itself will exceed \$50,000 in any 12 month period). I understand that the exception will be lost and I must comply with the Program if my revenues from the County exceed an aggregate sum of \$50,000 in any 12-month period.

- My business is a small business as defined in the Program. It 1) has 10 or fewer employees; and, 2) has annual gross revenues in the preceding twelve months which, if added to the annual amount of this contract, are \$500,000 or less; and, 3) is not an affiliate or subsidiary of a business dominant in its field of operation, as defined below. I understand that the exemption will be lost and I must comply with the Program if the number of employees in my business and my gross annual revenues exceed the above limits.

"Dominant in its field of operation" means having more than 10 employees, including full-time and part-time employees, and annual gross revenues in the preceding twelve months, which, if added to the annual amount of the contract awarded, exceed \$500,000.

"Affiliate or subsidiary of a business dominant in its field of operation" means a business which is at least 20 percent owned by a business dominant in its field of operation, or by partners, officers, directors, majority stockholders, or their equivalent, of a business dominant in that field of operation.

- My business is subject to a Collective Bargaining Agreement (attach agreement) that expressly provides that it supersedes all provisions of the Program.

OR

Part II - Certification of Compliance

My business has and adheres to a written policy that provides, on an annual basis, no less than five (5) days of regular pay for actual jury service for full-time employees of the business who are also California residents, or my company will have and adhere to such a policy prior to award of the contract.

I declare under penalty of perjury under the laws of the State of California that the information stated above is true and correct.

“Contractor Employee Jury Service”**Los Angeles County Code Sections 2.203.010 through 2.203.090****2.203.010 Findings.**

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002).

**AUDITOR–CONTROLLER CONTRACT ACCOUNTING
AND ADMINISTRATION HANDBOOK**

The following handbook is designed for inclusion in most contracts for services entered into by County departments. The purpose of the handbook is to establish accounting, internal control, financial reporting, and contract administration standards for organizations (contractors) who contract with the County.

AUDITOR-CONTROLLER CONTRACT ACCOUNTING AND ADMINISTRATION HANDBOOK

The purpose of this Handbook is to establish required accounting, financial reporting, and internal control standards for entities (contractor), which contract with the Los Angeles County.

The accounting, financial reporting and internal control standards described in this Handbook are fundamental. These standards are not intended to be all-inclusive or replace acceptable existing procedures or preclude the use of more sophisticated methods. Instead, this Handbook represents the minimum required procedures and controls that must be incorporated into a CONTRACTOR's accounting and financial reporting systems. The internal control standards described are those that apply to organizations with adequate staffing. Organizations with a smaller staff must attempt to comply with the intent of the standards and implement internal control systems appropriate to the size of their staff/organization. The CONTRACTOR's Subcontractors must also follow these standards unless otherwise stated in the Contract.

A. ACCOUNTING AND FINANCIAL REPORTING

1.0 BASIS OF ACCOUNTING

Contractors may elect to use either the cash basis or accrual basis method of accounting for recording financial transactions. Monthly invoices must be prepared on the same basis that is used for recording financial transactions.

- 1.1 The County recommends the use of the accrual basis for recording financial transactions.

Accrual Basis

Under the accrual basis, revenues are recorded in the accounting period in which they are earned (rather than when cash is

Rent Expense	100	
Rent Payable		100

To record accrued rent to March 31, 20XX

2.2 Cash Receipts Journal

A Cash Receipts Journal shall be maintained for recording all cash receipts (e.g., County warrants, contributions, interest income, etc.).

The Cash Receipts Journal shall contain (minimum requirements) the following column headings:

- Date
- Receipt number
- Cash debit columns
- Income credit columns for the following accounts:
 - County payments (one per funding source)
 - Contributions
 - Other Income (Grants, sales of supplies/services, rental income, miscellaneous revenue, fees, etc.)
- Description (Entries in the description column must specify the source of cash receipts.)

2.3 Cash Disbursements Journal

A Cash Disbursements Journal shall be maintained for recording all cash disbursements (e.g., rent, utilities, maintenance, etc.)

The Cash Disbursements Journal shall contain (minimum requirements) the following column headings:

- Date
- Check number
- Cash (credit) column
- Expense account name
- Description

Note (1) Separate expense columns are recommended for salary expense and other recurring expense classifications for each program.

Note (2) Entries in the description column must specify the nature of the expense and the corresponding expense classification if not included in the column heading.

Note (3) Checks should not be written to employees (other than payroll, mileage, travel, and petty cash custodian checks.)

A Check Register may be substituted for the Cash Disbursements Journal, but this is not recommended. If used, the Check Register must contain the same expense classifications and description information required when a Cash Disbursements Journal is used.

Disbursements without supporting documentation will be disallowed on audit. Cancelled checks and credit card statements (VISA, AMEX, department store, etc.) will not constitute acceptable support. (See Section A.3.2 and B.2.4) for additional guidance.

2.4 General Ledger

A General Ledger shall be maintained with accounts for all assets, liabilities, fund balances, expenditures, and revenues. Separate accounts must be maintained for each County program's expenses and revenues.

2.5 Chart of Accounts

A Chart of Accounts shall be maintained:

- The County recommends that agents use the expense account titles on the monthly invoice submitted to the County.
- If the contractor uses account titles, which differ from the account titles on the monthly invoice, each account title must clearly identify the nature of the transaction(s) posted to the account.
- Contractor must consistently post transactions that are of a similar nature to the same account. For example, all expenses for travel shall be posted to the account titled "travel" or "travel expense" and not intermixed with other expense accounts.

2.6 Payroll Register

The County recommends that a Payroll Register be maintained for recording all payroll transactions. The Register should contain the following:

- Name

- Position
- Social Security Number
- Salary (hourly wage)
- Payment Record including:
 - Accrual period
 - Gross pay
 - Itemized payroll deductions
 - Net pay amount
 - Check Number

If a Payroll Register is not used, the information in (2.6) must be recorded in the cash disbursement journal.

CONTRACTOR will ensure compliance with all applicable federal and State requirements for withholding payroll taxes (FIT, FICA, FUTA, SIT, SIU, etc.), reporting, filing (941, DE-7, W-2, W-4 and 1099s), and all applicable tax deposits.

Contractor will ensure compliance with Internal Revenue Service guidelines in properly classifying employees and independent contractors.

2.7 Contractor Invoices

Each agent shall present an invoice to the County each calendar month to report the financial activity of the month. In addition, if advanced funding is involved, an invoice shall be presented at the beginning of the contract period. Invoices shall be prepared in the manner prescribed by the County's contracting department.

3.0 **RECORDS**

Adequate care shall be exercised to safeguard the accounting records and supporting documentation. Any destruction or theft of the CONTRACTOR's accounting records or supporting documentation shall be immediately reported to the County.

3.1 Retention

All accounting records (e.g., journals, ledgers, etc.), financial records and supporting documentation (e.g., invoices, receipts, checks, etc.) must be retained for a minimum of five years after the termination of the CONTRACTOR's agreement.

3.2 Supporting Documentation

All revenues and expenditures shall be supported by original vouchers, invoices, receipts, or other documentation and shall be maintained in the manner described herein.

Invoices, receipts and canceled checks will be required to support an outlay of funds. Unsupported disbursements will be disallowed on audit. CONTRACTOR will be required to repay COUNTY for all disallowed costs. Photocopied invoices or receipts, any internally generated documents (i.e., vouchers, request for check forms, requisitions, canceled checks, etc.), and account statements do not constitute supporting documentation for purchases.

Supporting documentation is required for various types of expenditures as follows:

Payroll – time and attendance records signed by the employee and approved in writing by the supervisor, time distribution records by program accounting for total work time on a daily basis for all employees, records showing actual expenditures for Social Security and unemployment insurance, State and federal quarterly tax returns, federal W-2 forms, and federal W-4 forms.

Consultant Services – contracts, time and attendance records, billing rates, travel vouchers detailing purpose, time and location of travel, purchase orders and invoices for supplies and invoices or other supporting documentation detailing the nature of services provided.

Travel – travel policies of the CONTRACTOR (written); travel expense vouchers showing location, date and time of travel, purpose of trip, and rates claimed; vehicle mileage logs showing dates, destination and headquarters, purpose of trip, and mileage. Travel related to conferences should include conference literature detailing purpose of the conference. Reimbursement rates for mileage shall not exceed applicable federal guidelines.

Reimbursement for actual receipts or per diem rates for meal expenses shall not exceed the maximum County's reimbursement rate for employees.

Receipts shall be required for lodging for approved out-of-town travel dates. Maximum reimbursable lodging amount is the maximum COUNTY reimbursement rate for employees for a single occupancy hotel accommodation.

Operating Expenses (e.g., utilities, office supplies, equipment rentals, etc.) – bona fide contracts or lease agreements, if any, and invoices and receipts detailing the cost and items purchased will constitute the primary supporting documentation. For internal control purposes, the CONTRACTOR may maintain vouchers, purchase orders, requisitions, stock received reports, bills of lading, etc.

Outside Meals - receipts and/or invoices for all meals, a record of the nature and purpose of each meal, and identification of the participants.

3.3 Payments to Affiliated Organizations or Persons

CONTRACTOR shall not make payments to affiliated organizations or persons for program expenses (e.g., salaries, services, rent, etc.) that exceed the lower of actual cost or the reasonable cost for such expenses. A reasonable cost shall be the price that would be paid by one party to another when the parties are dealing at arm's length (fair market price).

Organizations or persons (related parties) related to the CONTRACTOR or its members by blood, marriage, or through legal organization (corporation, partnership, association, etc.) will be considered affiliated for purposes of this Agreement. County shall be solely responsible for the determination of affiliation unless otherwise allowed and approved by the State or federal agencies.

Payments to affiliated organizations or persons will be disallowed on audit to the extent the payments exceed the lower of actual costs or the reasonable costs for such items.

3.4 Filing

All relevant supporting documentation for reported program expenditures and revenues shall be filed in a systematic and consistent manner. It is recommended that supporting documents be filed as follows:

- Checks – numerically
- Invoices – vendor name and date
- Vouchers – numerically
- Receipts – chronologically
- Timecards – pay period and alphabetically

3.5 Referencing

Accounting transactions posted to the CONTRACTOR's books shall be appropriately cross-referenced to supporting documentation. It is recommended that expenditure transactions on the CONTRACTOR's books be cross-referenced to the supporting documentation as follows:

- Invoices – vender name and date
- Checks – number
- Vouchers –number
- Revenue – receipt number

Supporting documentation for non-payroll expenditures (i.e., operating expenditures) should be cross-referenced to the corresponding check issued for payment. If multiple invoices are paid with one check, all related invoices should be bound together and cross-referenced to the check issued for payment.

4.0 DONATIONS AND OTHER SOURCES OF REVENUE

Restricted donations and other sources of revenue earmarked specifically for the Contract must be utilized on allowable contract expenditures.

5.0 AUDITS

The agent will make available for inspection and audit to County representatives, upon request, during working hours, during the duration of the contract and for a period of five years thereafter, all of its books and records relating to the operation by it of each project or business activity which is funded in whole or part with governmental monies, whether or not such monies are received through the County. All such books and records shall be maintained at a location within Los Angeles County.

5.1 Single Audit Requirements

OMB Circular 133, "Audits of State, Local Governments and Non Profit Organizations" requires that certain organizations receiving federal awards, including pass-through awards, have annual audits. Details are contained in the respective Circular.

A copy of any Single Audit reports must be filed with the County within the timeframes prescribed by the applicable Circular.

6.0 SUBCONTRACTS

No CONTRACTOR shall subcontract services without the prior written consent of the County.

CONTRACTOR shall provide County with copies of all executed subcontracts and shall be responsible for the performance of their Subcontractors.

B. INTERNAL CONTROLS

Internal controls safeguard the CONTRACTOR's assets from misappropriations, misstatements or misuse. Each CONTRACTOR shall prepare necessary written procedures establishing internal controls for its personnel. The CONTRACTOR shall instruct all of its personnel in these procedures and continuously monitor operations to ensure compliance with them.

1.0 CASH RECEIPTS

1.1 Separate Fund or Cost Center

All contract revenues shall be maintained in a bank account. If revenues from other sources are maintained in the same bank account, revenues for each source must be clearly identifiable on the accounting records through the use of cost centers or separate accounts.

1.2 Deposits

All checks shall be restrictively endorsed upon receipt.

Cash received shall be recorded on pre-numbered receipts. Checks shall be recorded on a check remittance log at the time of receipt.

Cash receipts (i.e., cash and checks) totaling \$500 or more shall be deposited within one day of receipt. Collections of less than \$500 may be held and secured and deposited weekly or when the total reaches \$500, whichever occurs first.

Duplicate deposit slips shall be retained and filed chronologically, and shall contain sufficient reference information for comparison to the Cash Receipts Journal (and individual receipts, if applicable).

1.3 Separation of Duties

An employee who does not handle cash shall record all cash receipts.

1.4 Bank Reconciliation

Bank statements should be received and reconciled by someone with no cash handling, check writing, or bookkeeping functions.

Monthly bank reconciliation should be prepared within 30 days of the bank statement date and reviewed by management for appropriateness and accuracy. The bank reconciliation should be signed by both the preparer and the reviewer. Reconciling items should be resolved timely.

2.0 DISBURSEMENTS

2.1 General

All disbursements for expenditures, other than petty cash, shall be made by check.

Blank check stock shall be secured and accounted for to preclude unauthorized use.

Checks shall not be payable to "cash" or signed in advance. Checks written to employees for reimbursement of out-of-pocket costs must be supported by receipts and invoices.

A second signature shall be required on all checks, unless otherwise specified in contract.

If the bookkeeper signs checks, a second signature shall be required on the checks, regardless of limits specified in contract.

Voided checks shall be marked void with the signature block cut out. The voided checks must be filed with the cancelled checks.

Unclaimed or undelivered checks shall be cancelled periodically.

All supporting documentation shall be referenced to check numbers and marked "paid" or otherwise canceled to prevent reuse or duplicate payments.

Disbursements without adequate supporting documentation will be disallowed on audit.

2.2 Approvals and Separation of Duties

Employees responsible for approving cash disbursements and/or signing of checks shall examine all supporting documentation at the time the checks are approved and signed.

All disbursements, excluding petty cash purchases, shall be approved by persons independent of check preparation and bookkeeping activities.

2.3 Petty Cash

A petty cash fund up to \$500 may be maintained for payment of small incidental expenses incurred by the CONTRACTOR (e.g., postage due, small purchases of office supply items, etc.). The CONTRACTOR must obtain written approval from the County to establish a petty cash fund greater than \$500.

Petty cash disbursements must be supported by invoices, store receipts or other external authenticating documents indicating the item purchased and the employee making the purchase. In the event that outside (external) supporting documentation is not obtainable for minor disbursements (under \$10), such as parking meters, etc., then documentation shall be considered as proper supporting documentation on a basis of reasonableness. Petty cash disbursements should not be used as a substitute for normal purchasing and disbursement practices i.e., payment by check).

The petty cash fund shall be maintained on an imprest basis. A check should be drawn to set up the fund and to make periodic reimbursements. Receipts, vouchers, etc., supporting each fund replenishment must be bound together, filed chronologically and cross referenced to the reimbursement check.

2.4 Credit Cards

The use of credit cards, both CONTRACTOR issued credit cards and an employee's personal credit cards used on behalf of the CONTRACTOR, should be limited to purchases where normal purchasing and disbursement practices are not suitable.

Credit cards issued in the CONTRACTOR's name must be adequately protected and usage monitored to ensure that only authorized and necessary items are purchased.

Credit card purchases should be pre-approved by CONTRACTOR management to ensure that they are reasonable and necessary.

All credit card disbursements must be supported by original invoices, store receipts or other external authenticating documents indicating the item purchased and the employee making the purchase. Credit card statements are not sufficient support for credit card purchases.

3.0 TIMEKEEPING

3.1 Timecards

Timecards or time reports must be prepared for each pay period. Timecards or time reports must indicate total hours worked each day by program and total hours charged to each of the CONTRACTOR's programs. Time estimates do not qualify as support for payroll expenditures and will be disallowed on audit.

All timecards and time reports must be signed in ink by the employee and the employee's supervisor to certify the accuracy of the reported time.

3.2 Personnel and Payroll Records

Adequate security must be maintained over personnel and payroll records with access restricted to authorized individuals.

Personnel and payroll records should include (but not be limited to) the following:

- Employee's authorized salary rate
- Employee information sheet
- Resume and/or application
- Proof of qualifications for the position, if required (e.g., notarized copy or original diploma, license, etc.)
- Performance evaluations
- Criminal record clearance
- Citizenship Status
- Benefit balances (e.g., sick time, vacation, etc.)

Benefit Balances

Employee benefit balances (e.g., sick time, vacation, personal time, etc.) should be maintained on at least a monthly basis. Benefit balances should be increased when benefit hours are earned and decreased as hours are used.

Limitations on Positions and Salaries

The CONTRACTOR shall pay no salaries higher than those authorized in the contract, or the attachments thereto, except as proscribed by state or federal law.

If an employee serves in the same or dual capacities under more than one Agreement or program, the employee may not charge more than 100 percent of their time to the contracts or programs taken as a whole.

Salaried employees who work less than 40 hours per week shall be paid a salary that corresponds with the employee's work schedule.

The salary expense of salaried employees working on more than one Agreement or program shall be allocated to each program based on the ratio of the number of hours worked on each program during the pay period to the total number hours worked during the pay period.

The CONTRACTOR will make no retroactive salary adjustment for any employee without written approval from the County.

Separation of Duties

Payroll checks should be distributed by persons not involved in timekeeping, preparing of payroll, or reconciling bank accounts.

All employee hires and terminations, or pay rate changes, shall be approved by authorized persons independent of payroll functions.

All employee hires and terminations, or pay rate changes shall be approved in writing by authorized persons independent of payroll functions.

4.0 FIXED ASSETS

A fixed asset is defined as an article of nonexpendable tangible personal property having a useful life of more than two years. The County recommends all fixed assets with an acquisition cost of \$1,000 or more per unit be capitalized.

Acquisition cost means the net invoice unit price of an item, including the cost of any modifications, attachments, accessories, or auxiliary apparatus necessary to make it usable for the purpose for which it was acquired.

4.1 Acquisition

Fixed asset purchases shall be approved by the Agency's Board of Directors or their authorized representative.

4.2 Identification and Inventory

All fixed assets purchased with Contract funds are to be used solely for the benefit of the Contract and should be appropriately tagged.

Each CONTRACTOR shall maintain a current listing of fixed assets, including the item description, serial number, date of purchase, acquisition cost and sources of funding.

An inventory of all fixed assets should be conducted at least once each year to ensure that all fixed assets are accounted for and maintained in proper working order.

4.3 Security

Physical security should be adequately maintained over fixed assets to prevent misuse and theft of County property.

4.4 Property Management

The CONTRACTOR shall assume responsibility and accountability for the maintenance of all non-expandable property purchased, leased, or rented with Contract funds.

The CONTRACTOR shall report promptly, in writing, to the County all cases of theft, loss, damage, or destruction of fixed assets. The report shall contain at a minimum, item identification, recorded value, facts relating to loss, and a copy of the law enforcement report.

CONTRACTOR shall dispose of or return to the County all fixed assets, in accordance with their Contract.

5.0 BONDING

All officers, employees, and agents who handle cash or have access to the agent's funds shall be bonded.

C. COST PRINCIPLES

1.0 POLICY

It is the intent of the COUNTY to provide funds for the purpose of CONTRACTOR providing services required by the Agreement. CONTRACTOR shall use these funds on actual expenses in an economical and efficient manner and ensure they are reasonable, proper and necessary costs of providing services and are allowable in accordance with the applicable OMB Circular.

1.1. Limitations on Expenditures of Program Funds

CONTRACTOR shall comply with the Agreement and the applicable OMB Circular. The Circular defines direct and indirect costs, discusses allowable cost allocation procedures and the development of Indirect Cost Rates, and specifically addresses the allowability of a variety of different costs.

If a CONTRACTOR is unsure of the allowability of any particular type of cost or individual cost, the CONTRACTOR should request advance written approval from the County prior to incurring the cost.

1.2. Expenses Incurred Outside the Agreement Period

Expenses charged against program funds may not be incurred prior to the effective date of the Agreement or subsequent to the Agreement termination date.

1.3. Budget Limitation

Expenses may not exceed the maximum limits shown on the contract budget.

1.4. Unspent Funds

The County will determine the disposition of unspent program funds upon termination of the contract.

1.5. Necessary, Proper and Reasonable

Only those expenditures that are necessary, proper and reasonable to carry out the purposes and activities of the Program are allowable.

2.0 ALLOCATION OF COST POOLS

For CONTRACTORS that provide services in addition to the services required under contract, the CONTRACTOR shall allocate expenditures that benefit programs or funding sources on an equitable basis.

In accordance with the applicable OMB Circular, agencies shall define their allocable costs as either direct or indirect costs (as defined below) and allocate each cost using the basis most appropriate and feasible.

The CONTRACTOR shall maintain documentation related to the allocation of expenses (e.g., timecards, time summaries, square footage measurements, number of employees, etc.).

Under no circumstances shall allocated costs be charged to an extent greater than 100 percent of actual costs or the same cost be charged both directly and indirectly.

2.1 Direct Costs

Direct costs are those costs that can be identified specifically with a particular final cost objective (i.e., a particular program, service, or other direct activity of an organization). Examples of direct costs include salaries and benefits of employees working on the program, supplies and other items purchased specifically for the program, costs related to space used by employees working on the program, etc.

For all employees, other than general and administrative, the hours spent on each program (activity) should be recorded on employees' timecards and the payroll expense should be treated as direct charges and distributed on the basis of recorded hours spent on each program.

Joint costs (i.e., costs that benefit more than one program or activity) which can be distributed in reasonable proportion to the benefits received may also be direct costs.

Examples of bases for allocating joint costs as direct costs:

- Number of direct hours spent on each program
- Number of employees in each program
- Square footage occupied by each program
- Other equitable methods of allocation

2.2 Indirect Costs

Indirect costs are those costs that have been incurred for common or joint objectives and cannot be readily identified with a particular final cost objective. Examples of indirect costs include salaries, employee benefits, supplies, and other costs related to general administration of the organization, depreciation and use allowances, and the salaries and expenses of executive officers, personnel administration, and accounting.

Examples of bases for allocating indirect costs:

- Total direct salaries and wages
- Total direct costs (excluding capital expenditures and other distorting items such as Subcontractor payments)

2.3 Acceptable Indirect Cost Allocation Methods

OMB Circulars describe the following allowable methods for allocating indirect costs:

- Simplified allocation method
- Direct allocation method
- Multiple allocation base method
- Negotiated indirect cost rate

Simplified Allocation Method

This method can be used when an organization's major functions benefit from its indirect costs to approximately the same degree. Using this method, all allocable costs are considered indirect costs and an indirect cost rate is determined by dividing total allowable indirect costs by an equitable distribution base.

Example

Agency-wide indirect costs	\$250,000
Less Capital expenditures	<u>10,000</u>
Allocable indirect costs	240,000
Total agency-wide indirect salaries	\$1,000,000
Indirect cost rate (\$240,000/\$1,000,000)	24%
Program direct salaries	\$100,000
Program indirect costs (24% x \$100,000)	<u>\$24,000</u>

Direct Allocation Method

This method can also be used when an organization's major functions benefit from its indirect costs to approximately the same degree. Using this method, all costs except general administration and general expenses are treated as direct costs. Joint costs for depreciation, rental, facilities maintenance, telephone, and other similar expenses are prorated individually to each direct activity on a basis appropriate for that type of cost.

The remaining costs, which consist exclusively of general administration and general expenses are then allocated using the simplified allocation method previously discussed.

Multiple Base Allocation Method

This method can be used when an organization's major functions benefit from its indirect costs in varying degrees. Using this method, indirect costs are grouped to permit allocation of each grouping on the basis of the benefits provided to the major functions. Each grouping is then allocated individually using the basis most appropriate for the grouping being allocated.

2.4 Cost Allocation Plan

If the CONTRACTOR has a negotiated indirect cost rate approved by a federal agency, it shall submit a copy of the approval letter when requested by County.

If the CONTRACTOR does not have a negotiated indirect cost rate, CONTRACTOR shall submit an annual Agency-wide Cost Allocation Plan when requested by County. The Cost Allocation Plan shall be prepared in accordance with County instructions and the applicable OMB Circular and include the following information:

1. CONTRACTOR general accounting policies:
 - Basis of accounting (cash or accrual)
 - Fiscal year
 - Method for allocating indirect costs (simplified, direct, multiple, negotiated rate)
 - Indirect cost rate allocation base
2. Identify the CONTRACTOR's direct and indirect costs (by category) and describe the cost allocation methodology for each category.

3. Signature of CONTRACTOR management certifying the accuracy of the plan.

Negotiated Indirect Cost Rates

Agencies have the option of negotiating an indirect cost rate or rates for use on all their federal programs. The CONTRACTOR must submit a cost allocation plan to the federal agency providing the most funds to the organization. The approved indirect cost rate is then applied to the total approved direct cost base.

If CONTRACTOR has a federally approved indirect cost rate, CONTRACTOR shall submit a copy of the approval letter to COUNTY upon request.

D. UNALLOWABLE COSTS

OMB Circulars address the allowability of a variety of different costs. For all costs, there are certain restrictions and limitations; however, the following costs are not allowable under any circumstances:

- Bad debts
- Contingency provisions
- Contributions and donations
- Fines and penalties
- Fundraising activities
- Interest expense (unless expressly allowed by federal guidelines)
- Losses on other awards

E. OVERPAYMENTS

If upon audit, or at any time during the Agreement year, it is determined that invoices submitted to the County and used as a basis for payments to the CONTRACTOR were inaccurate, County shall determine the total overpayment and require the CONTRACTOR to repay County. The County may withhold payments from CONTRACTOR's future payments for any amounts not returned to the COUNTY or credited to the Contract unless otherwise prohibited by State or federal regulations.

F. MISCELLANEOUS REQUIREMENTS

1.0 INSURANCE

CONTRACTOR is responsible for securing and maintaining insurance coverage as required by the Agreement. CONTRACTOR must notify

County when insurance is revoked, reduced to a level or coverage less than required, or otherwise made ineffective.

Insurance shall include an endorsement naming the COUNTY as an additional insured.

2.0 ACTIVITY

No funds, materials, property, or services contributed to the COUNTY or the CONTRACTOR under this Agreement shall be used in the performance of any political activity, the election of any candidate, or the defeat of any candidate for public office.

Notice 1015

(Rev. November 2002)

Have You Told Your Employees About the Earned Income Credit (EIC)?

What Is the EIC?

The EIC is a refundable tax credit for certain workers.

A change to note. Workers **cannot** claim the EIC if their 2002 investment income (such as interest and dividends) is over \$2,550.

Which Employees Must I Notify About the EIC?

You must notify each employee who worked for you at any time during the year and from whom you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on **Form W-4**, Employee's Withholding Allowance Certificate.

Note: You are encouraged to notify each employee whose wages for 2002 are less than \$34,178 that he or she may be eligible for the EIC.

How and When Must I Notify My Employees?

You must give the employee one of the following:

- The IRS **Form W-2**, Wage and Tax Statement, which has the required information about the EIC on the back of **Copy B**.
- A substitute Form W-2 with the same EIC information on the back of the employee's copy that is on Copy B of the IRS Form W-2.
- **Notice 797**, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you are required to give Form W-2 and do so on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If a substitute Form W-2 is given on time but does not have the required information, you must notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 7, 2003.

You must hand the notice directly to the employee or send it by First-Class Mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it

through office mail. However, you may want to post the

notice to help inform all employees of the EIC. You can get copies of the notice by calling 1-800-829-3676, or from the IRS Web Site at www.irs.gov.

How Will My Employees Know If They Can Claim the EIC?

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see the 2002 instructions for Form 1040, 1040A, 1040EZ, or **Pub. 596**, Earned Income Credit (EIC).

How Do My Employees Claim the EIC? Notice 1015

(Rev. 11-2002)

Eligible employees claim the EIC on their 2002 tax return. Even employees who have no tax withheld from their pay or owe no tax can claim the EIC and get a refund, but they must file a tax return to do so. For example, if an employee has no tax withheld in 2002 and owes no tax but is eligible for a credit of \$791, he or she must file a 2002 tax return to get the \$791 refund.

How Do My Employees Get Advance EIC Payments?

Eligible employees who expect to have a qualifying child for 2003 can get part of the credit with their pay during the year by giving you a completed **Form W-5**, Earned Income Credit Advance Payment Certificate. You **must** include advance EIC payments with wages paid to these employees, but the payments are not wages and are not subject to payroll taxes. Generally, the payments are made from withheld income, social security, and Medicare taxes. For details, see **Pub. 15**, Employer's Tax Guide.
