

MOTION BY SUPERVISOR MICHAEL D. ANTONOVICH

FEBRUARY 24, 2009

In 1971, the Board of Supervisors amended Title 22 of the County Code to requires a Conditional Use Permit for private schools in the R-1 and A-1 Zones. Given the potential impacts of private schools upon surrounding residential and agricultural uses, the Board should amend Title 22 to require a Conditional Use Permit for private schools in the A-2 Zone.

I, THEREFORE, MOVE that the Board of Supervisors:

- Close the public hearing;
- Adopt the negative declaration;
- Approve the recommendation of the Regional Planning Commission; and
- Direct County Counsel to prepare an ordinance amending the County Code to require a Conditional Use Permit for private schools in the A-2 Zone.
