SACHI A. HAMAI
EXECUTIVE OFFICER

The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

AUTHORIZATION TO RENEW TEMPORARY PSYCHIATRIST SERVICES AGREEMENTS FOR FISCAL YEARS 2009-10, 2010-11, AND 2011-12 (ALL SUPERVISORIAL DISTRICTS) (3 VOTES)

SUBJECT

Request approval to renew seven Locum Tenens agreements, expiring on June 30, 2009, to continue the provision of temporary psychiatrist services throughout Los Angeles County.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve and instruct the Director of Mental Health, or his designee, to prepare, sign, and execute the renewal of seven Temporary Psychiatrist Services Agreements (Agreements) substantially similar to Attachment I, with the following Locum Tenens (LT) contractors: 1) CareerStaff Unlimited, Inc., 2) Global Medical Staffing, Ltd., 3) Interim Physicians, Inc., 4) LocumTenens.com, LLC, 5) Jackson & Coker LocumTenens, LLC, 6) National Medical Registry, Inc., and 7) Staff Care, Inc. (Attachment II). The term of these Agreements will be effective July 1, 2009 through June 30, 2012. Funding for these Agreements is included in the Department of Mental Health's (DMH) Fiscal Year (FY) 2009-10 Proposed Budget.

2. Delegate authority to the Director of Mental Health, or his designee, to prepare, sign, and execute future agreements with other qualified LT contractors, and to sign and execute future amendments to the Agreements, provided that: 1) the County's total payments to each contractor under the Agreement for each fiscal year shall not

exceed an increase of 20 percent from the last Board approved contracted rates; 2) any increase shall be used to meet program needs; 3) your Board has appropriated sufficient funds for all changes; 4) approval of County Counsel and the Chief Executive Officer (CEO), or their designees, is obtained prior to any such amendment; 5) County and contractor may, by written amendments, reduce applicable contracted rates; and 6) the Director of Mental Health notifies your Board within 30 days after the execution of any amendment.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS

Board approval is required to continue provision of psychiatric services beyond the current June 30, 2009 expiration of the current contract term. The use of these LT contractors' independently contracted psychiatrists, on an as needed basis, is necessary to meet emergent or unanticipated needs when existing County employees are unavailable, cannot be transferred from other locations, or vacant positions cannot be filled timely with permanent new hires.

Implementation of Strategic Plan Goals

The recommended actions are consistent with the County Strategic Plan Goal 1, "Operational Effectiveness," and Goal 4, "Health and Mental Health."

FISCAL IMPACT/FINANCING

The LT contractors will be reimbursed based on contracted daily rates established by DMH. DMH will utilize salary savings from vacant budgeted psychiatric positions to fund the cost of the LT contracts for FYs 2009-10, 2010-11, and 2011-12. Funding for these costs has been requested in DMH's FY 2009-10 Proposed Budget. Funding for FYs 2010-11 and 2011-12 will be requested during DMH's annual budget process. There is no increase in net County cost.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Since July 1, 2000, DMH has utilized the services of LT contractors to provide psychiatrists, on a temporary and intermittent basis, to perform psychiatric evaluations, medication support, and crisis intervention to seriously mentally ill adults, seriously emotionally disturbed children, adolescents, and their families. Under the existing agreement, LT contractors offer a pool of candidates to provide DMH with temporary personnel when there are gaps in psychiatric services due to manpower shortages.

Upon Board approval, the Director of Mental Health will have delegated authority to renew the seven LT agreements that are due to expire on June 30, 2009, and will have delegated authority to execute new agreements with other qualified LT contractors, which will allow DMH to use qualified temporary psychiatrists on an intermittent and as needed basis to meet emergent or unanticipated needs.

The LT contracted rates will remain the same except in Antelope Valley. DMH will change the LT contracted rate from $200 per hour to a flexible rate not to exceed $200 per hour in the Antelope Valley during periods of critical shortage. This modified rate will allow DMH the flexibility necessary to attract and place well qualified temporary psychiatrists who are willing to commute to the remote northern area of the County. Additionally, DMH LT rates in Antelope Valley will remain competitive with the rate paid by the California Department of Corrections and Rehabilitation at the California State Prison in Lancaster.

Attachment I is the Agreement, and Attachment II provides information regarding LT contractor name, location, Supervisorial District, and Agreement term. Attachment III provides information regarding Contracting with Minority/Women-Owned Firms-Percentage of Ownership in Firms Contracting with the County.

The attached Agreement format has been approved as to form by County Counsel. The CEO has reviewed the proposed actions. DMH will administer the Agreements to ensure that the LT contractor services are provided and that the Agreement provisions and departmental policies are followed. The Agreement format includes five revised or mandated provisions: Performance Standards and Outcome Measures, Force Majeure, Attestation of Willingness to Consider GAIN/GROW Participants, Local Small Business Enterprise Preference Program, and Indemnification and Insurance Requirements.

CONTRACTING PROCESS

On June 20, 2000, your Board approved agreements with LT companies in an effort to address shortages of psychiatrists throughout the County. The renewal of these agreements will allow DMH to provide needed services by utilizing temporary psychiatrists supplied by current and future contractors when the County experiences a high number of vacancies despite enhanced recruitment efforts.

IMPACT ON CURRENT SERVICES

Without the renewal of these temporary psychiatrist service agreements, DMH will be unable to utilize psychiatrists for temporary work assignments. This would negatively impact access to psychiatric care for Los Angeles County residents. When the hiring

process is lengthy, the utilization of LT psychiatrists enables DMH to handle critical manpower shortages, meet emergent or unanticipated treatment needs, and continually provide high quality mental health care.

CONCLUSION

DMH will need one copy of the adopted Board actions. It is requested that the Executive Officer of the Board notify DMH's Contracts Development and Administration Division at (213) 738-4684 when this document is available.

Respectfully submitted,

Robin Kay for

PREAMBLE

For nearly a decade, the County has collaborated with its community partners to enhance the capacity of the health and human services system to improve the lives of children and families. These efforts require, as a fundamental expectation, that the County's contracting partners share the County and community's commitment to provide health and human services that support achievement of the County's vision, goals, values, and adopted outcomes. Key to these efforts is the integration of service delivery systems and the adoption of the Customer Service and Satisfaction Standards.

The County of Los Angeles' Vision is to improve the quality of life in the County by providing responsive, efficient, and high quality public services that promote the self-sufficiency, well-being and prosperity of individuals, families, business and communities. This philosophy of teamwork and collaboration is anchored in the shared values of:

Responsiveness	Integrity
Professionalism	Commitment
Accountability	A Can-Do Attitude
Compassion	Respect for Diversity

These shared values are encompassed in the County Strategic Plan's eight goals: 1) Service Excellence; 2) Workforce Excellence; 3) Organizational Effectiveness; 4) Fiscal Responsibility; 5) Children and Families' Well-Being; 6) Community Services; 7) Health and Mental Health; and 8) Public Safety. Improving the well-being of children and families requires coordination, collaboration, and integration of services across functional and jurisdictional boundaries, by and between County departments/agencies, and community and contracting partners.

The basic conditions that represent the well-being we seek for all children and families in Los Angeles County are delineated in the following five outcomes, adopted by the Board of Supervisors in January 1993.

- Good Health;

- Economic Well-Being;
- Safety and Survival;
- Emotional and Social Well-Being; and
- Education and Workforce Readiness.

Recognizing no single strategy - in isolation - can achieve the County's outcomes of well-being for children and families, consensus has emerged among County and community leaders that making substantial improvements in integrating the County's health and human services system is necessary to significantly move toward achieving these outcomes. The County has also established the following values and goals for guiding this effort to integrate the health and human services delivery system:

- ✓ Families are treated with respect in every encounter they have with the health, educational, and social services systems.
- ✓ Families can easily access a broad range of services to address their needs, build on their strengths, and achieve their goals.
- ✓ There is no "wrong door": wherever a family enters the system is the right place.
- ✓ Families receive services tailored to their unique situations and needs.
- ✓ Service providers and advocates involve families in the process of determining service plans, and proactively provide families with coordinated and comprehensive information, services, and resources.
- ✓ The County service system is flexible, able to respond to service demands for both the Countywide population and specific population groups.
- ✓ The County service system acts to strengthen communities, recognizing that just as individuals live in families, families live in communities.
- ✓ In supporting families and communities, County agencies work seamlessly with public and private service providers, community-based organizations, and other community partners.
- ✓ County agencies and their partners work together seamlessly to demonstrate substantial progress towards making the system more strength-based, family-focused, culturally-competent, accessible, user-friendly, responsive, cohesive, efficient, professional, and accountable.

- ✓ County agencies and their partners focus on administrative and operational enhancements to optimize the sharing of information, resources, and best practices while also protecting the privacy rights of families.
- ✓ County agencies and their partners pursue multi-disciplinary service delivery, a single service plan, staff development opportunities, infrastructure enhancements, customer service and satisfaction evaluation, and revenue maximization.
- ✓ County agencies and their partners create incentives to reinforce the direction toward service integration and a seamless service delivery system.
- ✓ The County human service system embraces a commitment to the disciplined pursuit of results accountability across systems. Specifically, any strategy designed to improve the County human services system for children and families should ultimately be judged by whether it helps achieve the County's five outcomes for children and families: good health, safety and survival, economic well-being, social and emotional well-being, and education and workforce readiness.

The County, its clients, contracting partners, and the community are working together to develop practical ways to make County services more accessible, customer friendly, better integrated, and outcome-focused. Several departments have identified shared themes in their strategic plans for achieving these goals including: making an effort to become more consumer/client-focused; valuing community partnerships and collaborations; emphasizing values and integrity; and using a strengths-based and multi-disciplinary team approach. County departments are also working to provide the Board of Supervisors and the community with a better understanding of how resources are being utilized, how well services are being provided, and what are the results of the services: is anyone better off?

The County of Los Angeles health and human service departments and their partners are working together to achieve the following *Customer Service And Satisfaction Standards* in support of improving outcomes for children and families.

Personal Service Delivery

The service delivery team – staff and volunteers – will treat customers and each other with courtesy, dignity, and respect.

- Introduce themselves by name
- Listen carefully and patiently to customers
- Be responsive to cultural and linguistic needs
- Explain procedures clearly
- Build on the strengths of families and communities

Service Access

Service providers will work proactively to facilitate customer access to services.

- Provide services as promptly as possible
- Provide clear directions and service information
- Outreach to the community and promote available services
- Involve families in service plan development
- Follow-up to ensure appropriate delivery of services

Service Environment

Service providers will deliver services in a clean, safe, and welcoming environment, which supports the effective delivery of services.

- Ensure a safe environment
- Ensure a professional atmosphere
- Display vision, mission, and values statements
- Provide a clean and comfortable waiting area
- Ensure privacy
- Post complaint and appeals procedures

The basis for all County health and human services contracts is the provision of the highest level of quality services that support improved outcomes for children and families. The County and its contracting partners must work together and share a commitment to achieve a common vision, goals, outcomes, and standards for providing services.

1. **TERM**: The term of this Agreement shall continue in full force and effect through _____ including two automatic one-year renewal periods. The first

automatic renewal period shall be from _____ through _____. The second automatic renewal period shall be from _____ through_____. The Agreement may be terminated at any time by either party, with or without cause, upon the giving of at least 30 calendar days prior written notice thereof to the other.

Director may terminate this Agreement immediately if Contractor, its officers, employees or agents, including its independent contractors, fail to comply with the terms of this Agreement or any directions by or on behalf of County issued pursuant hereto.

Director may also terminate this Agreement immediately if Contractor, its officers, employees or agents, including its independent contractors, engage in, or if Director has reasonable justification to believe that Contractor, or such employees or agents, including Contractor's independent contractors may be engaging in a course of conduct that adversely affects the delivery of mental health services or poses imminent danger to the life or health of County patients/employees.

County's failure to exercise this right of termination shall not constitute waiver of such right, and the same may be exercised at any subsequent time.

Immediate termination hereunder shall be effected by delivery to Contractor of a written "Notice of Immediate Termination" which shall be effective upon Contractor's receipt of such "Notice of Immediate Termination".

In addition, the performance of services under this Agreement may be terminated when such action is deemed by County to be in its best interest. Termination of services shall be effected by delivery to Contractor of a written "Notice of Termination" specifying the extent to which performance of services under this Agreement is terminated, and the date upon which such termination becomes effective.

After receipt of the "Notice of Termination", and except as otherwise directed by County, Contractor shall stop services under this Agreement on the date and to the extent specified in such "Notice of Termination."

A. Suspension of Payments: Payments to Contractor under this Agreement shall be suspended if Director, for good cause, determines that Contractor is in default under any of the provisions of this Agreement. Except in cases of alleged fraud or similar intentional wrongdoing, at least 30 calendar days notice of such suspension shall be provided to Contractor, including a statement of the reason(s) for such suspension.

Thereafter, Contractor may, within 15 calendar days, request reconsideration of the Director's decision. Payments shall not be withheld pending the results of the reconsideration process.

2. **ADMINISTRATION**: Director shall have the authority to administer this Agreement on behalf of County. Contractor shall designate in writing a Contract Manager who shall function as liaison with County regarding Contractor's performance hereunder.

3. **DESCRIPTION OF SERVICES**: Contractor agrees to provide DMH upon request, with the services described in Exhibit A, attached hereto and incorporated herein by reference.

4. **BILLING AND PAYMENT**: All billings by Contractor for services provided pursuant to this Agreement shall be in accordance with the terms, conditions and rates set forth in Exhibit B, attached hereto and incorporated herein by reference.

A. No Payment for Services Provided Following Expiration/Termination of Contract: Contractor shall have no claim against County for payment of any money or reimbursement, of any kind whatsoever, for any service provided by Contractor after the expiration or other termination of this Contract. Should Contractor receive any such payment, it shall immediately notify County and shall immediately repay all such funds to County. Payment by County for services rendered after expiration/termination of this Contract shall not constitute a waiver of County's right to recover such payment from Contractor. This provision shall survive the expiration or other termination of this Contract.

B. Six Months Notification of Agreement Expiration: Contractor shall notify County when this Agreement is within six (6) months of expiration. Contractor shall send such notice to those persons and addresses which are set forth in Paragraph 62 (NOTICES).

C. Budget Reductions: In the event that the County's Board of Supervisors adopts, in any fiscal year, a County Budget which provides for reductions in County contracts, the County reserves the right to reduce its payment obligation under this Agreement to implement such Board reductions for that fiscal year and any subsequent fiscal year during the term of this Agreement (including any extensions), and the services

to be provided by the Contractor under this Agreement shall also be reduced correspondingly. The County's notice to the Contractor regarding said reduction in payment obligation shall be provided within thirty (30) calendar days of the Board's approval of such action. Except as set forth in the preceding sentence, the Contractor shall continue to provide all of the services set forth in this Agreement.

5. **NONEXCLUSIVITY**: Contractor acknowledges that it is not the exclusive provider to County of the services to be provided under this Agreement, and that County has, or intends to enter into, contracts with other providers of said services. Contractor agrees to provide DMH during the term of this Agreement with the services described in Exhibit A.

6. **RECORDS AND AUDITS**:

A. Financial Records: Contractor shall prepare and maintain adequate financial records in accordance with generally accepted accounting principles. All such records shall be sufficient to substantiate all charges billed to County in the performance of this Agreement. All financial records of Contractor pertaining to this Agreement, including accurate books and records of accounts of its costs and operating expenses, and all records of services and personnel provided, as well as all other financial records pertaining to this Agreement shall be retained by Contractor for a minimum of five (5) years following the end of County's July 1 through June 30 fiscal year in which service was rendered. During such five (5) year period, as well as during the term of this Agreement, all such records shall be made available by Contractor at a location in Los Angeles County during normal business hours to representatives of County's Auditor-Controller, County's Department of Health sufficient to substantiate all charges billed to County in the performance of this Agreement. All financial records of Contractor pertaining to this Agreement, including accurate books and records of accounts of its costs and operating expenses, and all records of services and personnel provided, as well as all other financial records pertaining to this Agreement shall be retained by Contractor for a minimum of five (5) years following the end of County's July 1 through June 30 fiscal year in which service was rendered. During such five (5) year period, as well as during the term of this Agreement, all such records shall be made available by Contractor at a location in Los Angeles County during normal business hours to

representatives of County's Auditor-controller, County's Department of Health Services and the State of California for purposes of inspection and audit.

B. Federal Access to Records: If, and to the extent that, Section 1861(v)(1)(I) of the Social Security Act [42 U.S.C. Section 1395x(v)(1)(I)] is applicable, Contractor agrees that for a period of five (5) years following the furnishing of services under this Agreement, Contractor shall maintain and make available, upon written request, to the Secretary of the United States Department of Health and Human Services or the Comptroller General of the United States, or to any of their duly authorized representatives, the contract, books, documents and records of Contractor which are necessary to verify the nature and extent of the cost of services provided hereunder. Furthermore, if Contractor carries out any of the services provided hereunder through any subcontract with a value or cost of Ten Thousand Dollars ($10,000) or more over a twelve-month period with a related organization (as that term is defined under Federal law), Contractor agrees that each such subcontract shall provide for such access to the subcontract, books, documents and records of the subcontractor.

C. Audit Reports: In the event that an audit is conducted of Contractor by any Federal or State auditor, Contractor shall file a copy of such audit report(s) with County's Auditor-Controller within thirty (30) days of receipt thereof unless otherwise provided under this Agreement, or under applicable State or Federal regulations. To the extent permitted by law, County shall maintain the confidentiality of such audit report(s).

D. Audit/Compliance Review: In the event County representatives conduct an audit/compliance review of Contractor, Contractor shall fully cooperate with County's representatives. Contractor shall allow County representatives access to all records of services rendered and all financial records and reports pertaining to this Agreement and shall allow photocopies to be made of these documents utilizing Contractor's photocopier, for which County shall reimburse Contractor its customary charge for record copying services, if requested. Director shall provide Contractor with at least ten (10) working days prior written notice of any audit/compliance review.

County may conduct a statistical sample audit/compliance review of all claims paid by County during a specified period. The sample shall be determined in accordance with generally accepted auditing standards. An exit conference shall be held following

the performance of such audit/ compliance review at which time the results shall be discussed with Contractor. Contractor shall be provided with a copy of any written evaluation reports.

Contractor shall have the opportunity to review County's findings for Contractor, and Contractor shall have thirty (30) days after receipt of County's audit/compliance review results to provide documentation to the County representatives to resolve the audit exceptions. If, at the end of the thirty (30) day period, there remain audit exceptions which have not been resolved to the satisfaction of County's representatives, then the exception rate found in the audit or sample shall be applied to the total County payment made to Contractor for all claims paid during the audit/compliance review period to determine Contractor's liability to County.

E. County Audit Settlements: If, at any time during the term of this Agreement or at any time within five (5) years after the expiration or earlier termination of this Agreement, authorized representatives of County conduct an audit of-Contractor regarding the services provided to County hereunder and if such audit finds that County's dollar liability for such services is less than payments made by County to Contractor, then Contractor agrees that the difference shall be either: (1) repaid forthwith by Contractor to County by cash payment, or (2) at Director's option, deducted from any further amount due Contractor from County. If such audit finds that County's dollar liability for services provided hereunder is more than payments made by County to Contractor, then the difference shall be paid forthwith to Contractor by County by cash payment.

F. Failure to Comply: Failure of Contractor to comply with the provisions of this Paragraph shall constitute a material breach of this Agreement upon which County shall give Contractor written "Notice of Material Breach". If such breach is not cured within ten (10) business days following the giving of such Notice, then County may, at County's sole discretion, immediately terminate this Agreement pursuant to the provisions of Paragraph 1, TERM, in the body of this Agreement. County's failure to exercise this right of termination shall not constitute waiver of such right, and the same may be exercised at any subsequent time.

7. **CONFIDENTIALITY**: Contractor shall maintain the confidentiality of all records

and information, including, but not limited to, claims, County records, patient/client records and information, and MIS records, in accordance with WIC Sections 5328 through 5330, inclusive, and all other applicable County, State, and Federal laws, ordinances, rules, regulations, manuals, guidelines, and directives, relating to confidentiality. Contractor shall require all its officers, employees, agents, and independent contractors providing services hereunder to acknowledge, in writing, understanding of, and agreement to fully comply with, all such confidentiality provisions. Contractor shall indemnify and hold harmless County, its officers, employees, and agents, from and against any and all loss, damage, liability, and expense arising from any disclosure of such records and information by Contractor, its officers, employees, agents, and/or independent contractors .

8. **PATIENTS'/CLIENTS' RIGHTS**: Contractor shall comply with all applicable patients'/clients' rights provisions, including, but not limited to, WIC Section 5325 et seq., CCR Title 9, Section 850 et seq., and CCR Title 22. Further, Contractor shall comply with all patients'/clients' rights policies provided by County. County Patients' Rights Advocates shall be given access by Contractor to all patients/clients, patients'/clients' records, and Contractor's personnel in order to monitor Contractor's compliance with all applicable statutes, regulations, manuals and policies.

5.6 Amendment. The parties agree to take such action as is necessary to amend this Paragraph from time to time as is necessary for Covered Entity to comply with the requirements of the Privacy and Security Regulations."

51. **COMPLIANCE WITH JURY SERVICE PROGRAM:**

A Jury Service Program: This Agreement is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code.

B Written Employee Jury Service Policy:

1.1 Unless Contractor has demonstrated to the County's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program

(Section 2.203.020 of the County Code) or that Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.

1.2 For purposes of this Section, "Contractor" means a person, partnership, corporation or other entity which has an Agreement with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of $50,000 or more in any 12-month period under one or more County Agreements or subcontracts. "Employee" means any California resident who is a full-time employee of Contractor. "Full-time" means 40 hours or more worked per week or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any subcontractor to perform services for the County under the Agreement, the subcontractor shall also be subject to the provisions of this Section. The provisions of this Section shall be inserted into any such subcontract Agreement and a copy of the Jury Service Program shall be attached to the Agreement.

1.3 If Contractor is not required to comply with the Jury Service Program when the Agreement commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Agreement and at its sole discretion, that Contractor demonstrate to the County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify

for an exception to the Program.

1.4 Contractor's violation of this section of the Agreement may constitute a material breach of the Agreement. In the event of such material breach, County may, in its sole discretion, terminate the Agreement and/or bar Contractor from the award of future County Agreements for a period of time consistent with the seriousness of the breach.

52. **NOTICE TO EMPLOYEES REGARDING THE SAFELY SURRENDERED BABY LAW**: The Contractor shall notify and provide to its employees, and shall require each independent contractor to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The fact sheet is set forth in **Exhibit D** of this Agreement and is also available on the Internet at **www.babysafela.org** for printing purposes.

53. **CONTRACTOR'S ACKNOWLEDGEMENT OF COUNTY'S COMMITMENT TO THE SAFELY SURRENDERED BABY LAW**: The Contractor acknowledges that the County places a high priority on the implementation of the Safely Surrendered Baby Law. The Contractor understands that it is the County's policy to encourage all County Contractors to voluntarily post the County's "Safely Surrendered Baby Law" poster in a prominent position at the Contractor's place of business. The Contractor will also encourage its independent contractors, if any, to post this poster in a prominent position in the independent contractor's place of business. The County's Department of Children and Family Services will supply the Contractor with the poster to be used.

54. **COUNTY'S OBLIGATION FOR CURRENT AND FUTURE FISCAL YEARS**: Notwithstanding any other provision of this Agreement, this Agreement shall not be effective and binding upon the parties unless and until County's Board of Supervisors appropriates funds for purposes hereof in County's Budget for County's current Fiscal Year. Further, County shall not be obligated for Contractor's performance hereunder or by any provision of this Agreement during any of County's future Fiscal Years unless and until County's Board of Supervisors appropriates funds for purposes hereof in County's Budget for each such future Fiscal Year. In the event that funds are not appropriated for this Agreement, then this Agreement shall terminate as of June 30 of the last Fiscal Year

for which funds were appropriated.

55. **LIMITATION OF COUNTY'S OBLIGATION DUE TO NON-APPROPRIATION OF FUNDS**: Notwithstanding any other provision of this Agreement, COUNTY shall not be obligated for CONTRACTOR's performance hereunder or by any provision of this Agreement during this or any of COUNTY's future fiscal years unless and until COUNTY's Board of Supervisors appropriates funds for this Agreement in COUNTY's Budget for each such fiscal year. Should COUNTY, during this or any subsequent fiscal year impose budgetary restrictions which appropriate less than the amount provided for in this Agreement, COUNTY shall reduce services under this Agreement consistent with such imposed budgetary reductions. In the event funds are not appropriated for this Agreement, then this Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated. COUNTY shall notify CONTRACTOR of any such changes in allocation of funds at the earliest possible date.

56. **CONTRACTOR'S EXCLUSION FROM PARTICIPATION IN A FEDERALLY FUNDED PROGRAM**: Contractor hereby warrants that neither it nor any of its staff members is restricted or excluded from providing services under any health care program funded by the Federal government, directly or indirectly, in whole or in part, and that Contractor will notify Director within 30 calendar days in writing of: (1) any event that would require Contractor or a staff member's mandatory exclusion from participation in a Federally funded health care program; and (2) any exclusionary action taken by any agency of the Federal government against Contractor or one or more staff members barring it or the staff members from participation in a Federally funded health care program, whether such bar is direct or indirect, or whether such bar is in whole or in part.

There are a variety of different reasons why an individual or entity may be excluded from participating in a Federally funded health care program. Sometimes, the exclusion is mandatory and in other cases the OIG has the discretion not to exclude.

The mandatory bases for exclusion include: (1) felony convictions for program related crimes, including fraud or false claims, or for offenses related to the dispensing or use of controlled substances, or (2) convictions related to patient abuse.

Permissive exclusions may be based on: (1) conviction of a misdemeanor related to fraud or financial misconduct involving a government program; (2) obstructing an

investigation; (3) failing to provide access to documents or premises as required by federal healthcare program officials; (4) conviction of a misdemeanor related to controlled substances; (5) failing to disclose information about the entity itself, its subcontractors or its significant business transactions; (6) loss of a state license to practice a healthcare profession; (7) default on a student loan given in connection with education in a health profession; (8) charging excessive amounts to a Federally funded health care program or furnishing services of poor quality or which are substantially in excess of the needs of the patients; (9) paying a kickback or submitting a false or fraudulent claim. Persons controlling or managing excluded entities who knew of the conduct leading to the exclusion can themselves be excluded, and entities which are owned and controlled by excluded individuals can also be excluded.

Contractor shall indemnify and hold County harmless against any and all loss or damage County may suffer arising from any Federal exclusion of Contractor or its staff members from such participation in a Federally funded health care program. Contractor shall provide the certification set forth in Exhibit C as part of its obligation under this Paragraph.

Failure by Contractor to meet the requirements of this Paragraph shall constitute a material breach of Agreement upon which County may immediately terminate or suspend this Agreement.

57. **PERFORMANCE STANDARDS AND OUTCOME MEASURES**: The Contractor shall comply with all applicable Federal, State, and County policies and procedures relating to performance standards and outcome measures. This is applicable whenever specific Federal or State funding, which has policies or procedures for performance standards and/or outcome measures has been included as part of the Contractor's contract and shall apply for all County policies, procedures, or departmental bulletins approved by the Director or his designee for performance standards and/or outcome measures. County will notify Contractor whenever County policies or procedures are to apply to this contract provision at least, where feasible, 30 calendar days prior to implementation.

These Federal, State or County performance standards and/or outcome measures will be used as part of the determination of the effectiveness of the services

delivered by the Contractor.

58. **LOCAL SMALL BUSINESS ENTERPRISE PREFERENCE PROGRAM**: This contract is subject to the provisions of the County's ordinance entitled Local Small Business Enterprise Preference Program, as codified in Chapter 2.204 of the Los Angeles County Code.

Contractor shall not knowingly and with the intent to defraud, fraudulently obtain, retain, attempt to obtain or retain, or aid another in fraudulently obtaining or retaining or attempting to obtain or retain certification as a Local Small Business Enterprise.

Contractor shall not willfully and knowingly make a false statement with the intent to defraud, whether by affidavit, report, or other representation, to a County official or employee for the purpose of influencing the certification or denial of certification of any entity as a Local Small Business Enterprise.

If Contractor has obtained certification as a Local Small Business Enterprise by reason of having furnished incorrect supporting information or by reason of having withheld information, and which knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded this contract to which it would not otherwise have been entitled, shall:

1. Pay to the County any difference between the contract amount and what the County's costs would have been if the contract had been properly awarded;

2. In addition to the amount described in subdivision (1), be assessed a penalty in an amount of not more than 10 percent of the amount of the contract; and

3. Be subject to the provisions of Chapter 2.202 of the Los Angeles County Code (Determinations of Contractor Non-responsibility and Contractor

Debarment).

The above penalties shall also apply to any business that has previously obtained proper certification, however, as a result of a change in their status would no longer be eligible for certification, and fails to notify the state and the Office of Affirmative Action Compliance (OAAC) of this information prior to responding to a solicitation or accepting a contract award.

59. **CONTRACTOR ACKNOWLEDGEMENT AND CONFIDENTIALITY AGREEMENT:** Contractor shall provide to County an executed Contractor Acknowledgement and Confidentiality Agreement (Exhibit E) prior to performing work under this Agreement. Such Agreement shall be delivered to Department of Mental Health, ATTN: Chief, Contracts Development and Administration Division, 550 South Vermont Avenue, Los Angeles, CA 90020 on or immediately after the effective date of this Agreement but in no event later than the date the Contractor first performs work under this Agreement.

60. **CONTRACTOR EMPLOYEE ACKNOWLEDGEMENT AND CONFIDENTIALITY AGREEMENT**: Contractor shall maintain on file an executed Contractor Employee Acknowledgement and Confidentiality Agreement (Exhibit F) for each individual who performs work under this Agreement after the effective date of this Agreement but in no event later than the date the individual first performs work under this Agreement. Such Agreements shall be maintained in accordance with all applicable County, State and Federal requirements and made available for inspection and/or audit by authorized representatives of County, State and/or Federal governments.

61. **CONTRACTOR NON-EMPLOYEE ACKNOWLEDGEMENT AND CONFIDENTIALITY AGREEMENT**: Contractor shall maintain on file an executed Contractor Non-Employee Acknowledgement and Confidentiality Agreement (Exhibit G)

for each individual who performs work under this Agreement after the effective date of this Agreement but in no event later than the date the individual first performs work under this Agreement. Such Agreements shall be maintained in accordance with all applicable County, State and Federal requirements and made available for inspection and/or audit by authorized representatives of County, State and/or Federal governments.

62. **NOTICES**: All notices or demands required or permitted to be given under this Agreement shall be in writing and shall be delivered with signed receipt or mailed by first class, registered or certified mail, postage pre-paid, addressed to the parties at the following addresses and to the attention of the persons named. Director shall have the authority to execute all notices or demands which are required or permitted by County under this Agreement. Addresses and persons to be notified may be changed by either party by giving ten days prior written notice thereof to the other party.

County's failure to exercise this right of termination shall not constitute waiver of such right, and the same may be exercised at any subsequent time.

If such breach is not cured within 10 business days following the giving of such "Notice of Material Breach", or reasonable steps not undertaken by Contractor to cure such default within a reasonable time, then County may, at its sole discretion, immediately terminate this Agreement pursuant to provisions of Paragraph 1 (TERM) in the body of this Agreement. Safely Surrendered *Baby Law*

What is the Safely Surrendered Baby Law?

How does it work?
A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?
Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?
No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?
No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

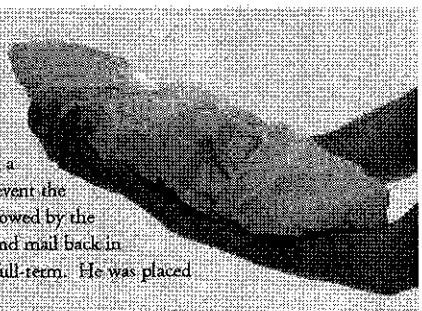
Does the parent or surrendering adult have to tell anything to the people taking the baby?
No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?
The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?
Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?
The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story



Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre o el adulto que lo entregue recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Ángeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan *si tienen custodia legal.*

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

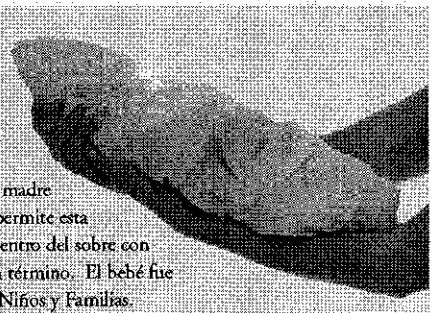
¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California? ?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé



A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazalete con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.
