PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

On January 8, 2008, your Board of Supervisors approved Contract Numbers 76434, 76436, 76438 and 76440 with International Services, Inc. (ISI), to provide the County with security guard services for facilities located in SPAs One, Three, Five, and Seven. On April 27, 2009, ISI filed a Chapter 11 Bankruptcy Petition in federal bankruptcy court. Subsequently, on May 1, 2009, ISI informed the Office of Public Safety that ISI was no longer able to meet its contractual obligations and sought termination of its service contracts. On May 1, 2009, County Counsel retained the services of bankruptcy counsel. On May 5, 2009, our bankruptcy counsel appeared in federal bankruptcy court and obtained an order from the court, rejecting the contracts effective May 1, 2009. Based on the bankruptcy court's order and ISI's statement that it could not fulfill its contractual obligations, County Counsel provided ISI with notice of termination for all four contracts effective May 1, 2009.

Approval of the termination of the four ISI Contracts effective May 1, 2009, is requested from your Board. Further, Amendment of Contract Number 76435 with North American Security, Inc. (NAS), is needed to add armed and unarmed security services for facilities in SPAs One, Three, and Five; and, Amendment of Contract Number 76437 with Securitas Security Services, USA, Inc. (Securitas), is needed to add armed and unarmed security services for facilities in SPA Seven. Approval of these recommendations will insure a continuation of armed and unarmed security guard services to client County departments at locations previously served by ISI.

Additionally, increases in the contract sums are required to provide for the expansion of service locations. Contract Number 76435 will increase by $3,179,311 (total contract amount $6,916,998) during the second contract year and by $1,015,866 (total year contract amount $7,932,864) for the third contract year. Contract Number 76437 will increase by $2,419,294 (total contract amount $9,288,177) for the second contract year, by $834,924 (total contract amount $10,123,101) for the third contract year. Additionally, Contract Number 76437 provides for a two percent increase for each of the extension years, which increases by $202,462 ($10,325,563 total contract amount) for the first extension year and by $206,511 ($10,532,074 total contract amount) for the second extension year. The increase in the contract amounts for the second contract year reflects the cost of the provision of current service levels for the period of May 2009 through January 2010. The third year contract amount increase provides for contract authority for the three month period not transferred during the second contract year.

Implementation of Strategic Plan Goals

The proposed amendment will further the County's Strategic Plan Goal 1 (Operational Effectiveness) and Goal 5 (Public Safety) through the provision of quality armed and unarmed security guard services at a savings over County costs.

FISCAL IMPACT/FINANCING

These services are funded through billings to the Facilities Services Bureau client departments, Office of the Assessor, Child Support Services Department, Department of Children and Family Services, Department of Public Social Services, Library, Department of Mental Health, Registrar Recorder/County Clerk, and Internal Services Department. The client departments must demonstrate that sufficient funds are budgeted for any new service requests through the provision of a Departmental Service Order prior to initiation of any service increases. The Office of Public Safety's FY 2008-09 budget and Proposed FY 2009-10 budget provide sufficient appropriation to fund the services requested by client departments.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

On January 8, 2008, your Board approved four contracts for the provision of armed and unarmed security services with International Services, Inc. Also, on January 8, 2008, your Board approved Contract Number 76435 with North American Security, Inc. (NAS), and Contract Number 46737 with Securitas Security Services, USA, Inc., for the provision of armed and unarmed security services.

On April 27, 2009, ISI filed a Chapter 11 Bankruptcy Petition. On May 1, 2009, ISI informed the Office of Public Safety that it was no longer able to meet its contractual obligations. On May 5, 2009, the bankruptcy court entered an order rejecting the contracts between the County and ISI, effective May 1, 2009. Based upon the court's order and ISI's inability to fulfill its contractual obligations, County Counsel provided ISI with notice of termination of all four contracts effective May 1, 2009. To provide for a continuation of security guard services to client County departments at locations previously served by ISI, contracts with NAS and Securitas will be amended.

On May 5, 2009, the bankruptcy court also entered an order rejecting the County Fire Department's contract with ISI. The Fire Department terminated their contract with ISI as of May 1, 2009. The OPS was approached by the Fire Department to provide security guard services for their facilities under our existing contracts. The service requests by the Fire Department were added under the Acting Chief's delegated authority through amendment number five to Contract Number 76435 with NAS and amendment number three to Contract Number 76437 with Securitas. The facilities covered under the service request by the Fire Department are within the existing service areas of each contract.

Contract Numbers 76435 and 76437 provide that for any change which affects the term, Contract sum in excess of 10%, payments or any term or condition included under the Contract, an Amendment shall be prepared and executed by the Contractor and by the Board of Supervisors.

Both NAS and Securitas have indicated they are willing and able to assume the provision of services in the identified areas.

IMPACT ON CURRENT SERVICES

The client departments have indicated that it is necessary for the provision of armed and unarmed security services to continue. Amending the existing contracts with North American, Inc., and Securitas will provide for continuation of guard services.

CONCLUSION

It is requested that the Executive Office/Clerk of the Board return the executed amendments to the Office of Public Safety, Executive Office, attention Margo Morales, 500 W. Temple Street, Room 375, Los Angeles, California 90012.

Respectfully Submitted,

STEVE LIEBERMAN
