SUBJECT: FEDERAL FUNDS ALLOCATED TO CITIES AND COUNTIES

At the Board of Supervisors' meeting held June 30, 2009, the Board discussed Agenda Item No. 74-B regarding the impacts of State-issued warrants on the County and the progress of the State budget. During the discussion, Supervisor Antonovich requested you to report back on what Federal funding is provided to cities that is not provided to Los Angeles County, and whether there are legal actions that can be taken to challenge those distributions.

Enclosed is a copy of the transcript to assist you in preparing your report.
