Dear Supervisors:

**ISSUANCE AND SALE OF
LOS ANGELES UNIFIED SCHOOL DISTRICT
GENERAL OBLIGATION BONDS, ELECTION OF 2002 (MEASURE K),
ELECTION OF 2004 (MEASURE R), AND ELECTION OF 2005 (MEASURE Y)
(ALL DISTRICTS) (3 VOTES)**

SUBJECT

The governing board of the Los Angeles Unified School District (the "District") has requested that the County issue general obligation bonds on its behalf in an aggregate principal amount not to exceed \$1,900,000,000. The bonds were authorized by a vote of the qualified electors of the District and will be issued to finance capital improvements to various school facilities. Repayment of the bonds will be funded from the proceeds of ad valorem taxes levied on all taxable property within the District.

IT IS RECOMMENDED THAT YOUR BOARD:

Adopt the resolution authorizing the issuance and sale of the Los Angeles Unified School District (Los Angeles County, California) General Obligation Bonds, Election of 2002 (Measure K), Election of 2004 (Measure R), and Election of 2005 (Measure Y).

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

On November 5, 2002, March 2, 2004, and November 8, 2005, voters residing in the District approved a ballot measure authorizing the District to issue up to \$3.35 billion

(Measure K), \$3.87 billion (Measure R), and \$3.985 billion (Measure Y), respectively, in general obligation bonds to fund various capital improvements. The governing board of the District adopted a resolution on August 25, 2009 and determined that the District needs to borrow funds in an aggregate principal amount not to exceed \$200,000,000 (Measure K), \$400,000,000 (Measure R), and \$1,300,000,000 (Measure Y) from the 2002, 2004, and 2005 elections, respectively.

Pursuant to Section 15100 et seq. of the California Education Code, the Board of Supervisors is responsible for offering the District's bonds for sale. The bonds are to be issued in the name and on behalf of the District by the County following receipt of the District's resolution requesting such borrowing.

Implementation of Strategic Plan Goals

This action supports the County's Strategic Plan Goal #1: Operational Effectiveness through collaborative actions among County departments and other governmental jurisdictions to provide investment in public school infrastructure within the County.

FISCAL IMPACT/FINANCING

There will be no fiscal impact to the County budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The resolution provides for the issuance of bonds at an interest rate not to exceed the maximum rate permitted by law. The final structure of the bonds will be determined at the time of pricing to achieve the lowest cost of financing within the tax levy limits of the proposition. The term of the bonds will not exceed twenty-five (25) years.

The District is recommending a negotiated sale of the bonds to the underwriters, with participation by the Treasurer and Tax Collector in pricing the bonds. The District has selected Citigroup and Goldman Sachs as the senior managing underwriters, and the firm of Hawkins Delafield & Wood as bond counsel. The Treasurer and Tax Collector will appoint U.S. Bank National Association as paying agent.

The County will annually levy and collect ad valorem taxes for the repayment of the bonds on behalf of the District.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Not applicable.

If any Bond, Principal Strip Certificate, Tax Credit Certificate or Cash Interest Certificate shall become mutilated, the County and the District, as applicable, at the expense of the Owner of said Bond, Principal Strip Certificate, Tax Credit Certificate or Cash Interest Certificate, shall execute, and the Paying Agent shall thereupon authenticate and deliver, a new Bond, Principal Strip Certificate, Tax Credit Certificate or Cash Interest Certificate, as applicable, of like tenor in exchange and substitution for the Bond, Principal Strip Certificate, Tax Credit Certificate or Cash Interest Certificate, as applicable, so mutilated, but only upon surrender to the Paying Agent of the Bond, Principal Strip Certificate, Tax Credit Certificate or Cash Interest Certificate so mutilated. Every mutilated Bond, Principal Strip Certificate, Tax Credit Certificate or Cash Interest Certificate so surrendered to the Paying Agent shall be canceled by it and delivered to, or upon the order of, the District. If any Bond, Principal Strip Certificate, Tax Credit Certificate or Cash Interest Certificate shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Paying Agent and, if such evidence and indemnity satisfactory to the Paying Agent, the District and the County shall be given, the County and the District, as applicable, at the expense of the Owner, shall execute, and the Paying Agent shall thereupon authenticate and deliver, a new Bond, Principal Strip Certificate, Tax Credit Certificate or Cash Interest Certificate, as applicable, of like tenor in lieu of and in replacement for the Bond, Principal Strip Certificate, Tax Credit Certificate or Cash Interest Certificate so lost, destroyed or stolen (or if any such Bond, Principal Strip Certificate, Tax Credit Certificate or Cash Interest Certificate shall have matured or shall have been selected for redemption, instead of issuing a replacement Bond, Principal Strip Certificate, Tax Credit Certificate or Cash Interest Certificate, as applicable, the Paying Agent may pay the same without surrender thereof). The District may require payment by the Owner of a sum not exceeding the actual cost of preparing each replacement Bond, Principal Strip Certificate, Tax Credit Certificate or Cash Interest Certificate issued under this Section and of the expenses which may be incurred by the County, the District and the Paying Agent. Any Bond, Principal Strip Certificate, Tax Credit Certificate or Cash Interest Certificate issued under the provisions of this Section in lieu of any Bond, Principal Strip

Certificate, Tax Credit Certificate or Cash Interest Certificate alleged to be lost, destroyed or stolen shall constitute an original additional contractual obligation on the part of the County and the District whether or not the Bond, Principal Strip Certificate, Tax Credit Certificate or Cash Interest Certificate so alleged to be lost, destroyed or stolen be at any time enforceable by anyone, and shall be entitled to the benefits of this County Resolution and the Tax Credits Separation Certificate, if applicable, with all other Bonds, Principal Strip Certificates, Tax Credit Certificates or Cash Interest Certificates secured by this County Resolution.

(g) Temporary Bonds, Principal Strip Certificates, Tax Credit Certificates and Cash Interest Certificates. The Bonds, Principal Strip Certificates, Tax Credit Certificates or Cash Interest Certificates may be issued in temporary form exchangeable for definitive Bonds, Principal Strip Certificates, Tax Credit Certificates or Cash Interest Certificates when ready for delivery. Any temporary Bonds, Principal Strip Certificates, Tax Credit Certificates or Cash Interest Certificates may be printed, lithographed or typewritten, shall be in authorized denominations, shall be in fully registered form without coupons and may contain such reference to any of the provisions of this County Resolution as may be appropriate. Every temporary Bond, Principal Strip Certificate, Tax Credit Certificate or Cash Interest Certificate shall be executed by the County and the District, as applicable, and authenticated by the Paying Agent upon the same conditions and in substantially the same manner as the definitive Bonds, Principal Strip Certificates, Tax Credit Certificates or Cash Interest Certificates. If the County and the District, as applicable, issue temporary Bonds, Principal Strip Certificates, Tax Credit Certificates or Cash Interest Certificates they shall execute and deliver definitive Bonds, Principal Strip Certificates, Tax Credit Certificates or Cash Interest Certificates as promptly thereafter as practicable, and thereupon each temporary Bond, Principal Strip Certificate, Tax Credit Certificate or Cash Interest Certificate may be surrendered, for cancellation, at the Office of the Paying Agent and the Paying Agent shall authenticate and deliver in exchange for such temporary Bond, Principal Strip Certificate, Tax Credit Certificate or Cash Interest Certificate a definitive Bond, Principal Strip Certificate, Tax Credit Certificate or Cash Interest Certificate of the same tenor. Until so exchanged, the temporary Bonds, Principal Strip Certificate, Tax Credit Certificate or Cash Interest Certificate shall be entitled to the same benefits under this County Resolution and the Tax Credit Separation Certificate, if applicable, as definitive Bonds, Principal Strip Certificate, Tax Credit Certificate or Cash Interest Certificate authenticated and delivered hereunder and under the Tax Credits Separation Certificate.

SECTION 7. Terms of Bonds.

(a) Terms of Bonds; Date of Bonds. The Bonds shall be issued as Current Interest Bonds, Capital Appreciation Bonds, Convertible Capital Appreciation Bonds or Qualified School Construction Bonds (which may be converted to Interest Bearing Bonds pursuant to this County Resolution and the Tax Credits Separation Certificate) or any combination thereof as set forth in the Bond Purchase Agreements therefor. Each Bond shall be dated its date of delivery, or such other date and shall have such other terms and provisions as shall be set forth in the Bond Purchase Agreement relating to such series or subseries of Bonds.

(b) Denominations. The Bonds shall be issued in Authorized Denominations. Each series or subseries of Bonds shall mature on the dates and have Conversion Dates, if any, in each of the years, in the principal amounts, Conversion Values and Maturity Values, as applicable, as

shall be set forth in the Bond Purchase Agreement relating to such Bonds. No Bond shall mature later than such date as authorized by law.

(c) Interest. The Bonds shall bear or accrete interest computed on the basis of a 360 day year of twelve (12) 30-day months (or computed on such other basis as shall be set forth in the Bond Purchase Agreement relating to such Bonds), payable or compounded, as applicable, on each Interest Payment Date in each year or on such other dates and commencing on such dates, all as shall be set forth in the Bond Purchase Agreement relating to such Bonds. The Tax Credits Separation Certificate relating to the Qualified School Construction Bonds may provide that such Bonds shall not bear interest until such Bonds lose their status or fail to qualify as Qualified School Construction Bonds under Section 54F of the Code; provided, however, that (i) the Owner of the Principal Strip Certificate related to a Principal Component shall be entitled to the Supplemental Coupon, if any, related to such Qualified School Construction Bond or Interest Bearing Bond, if any, as applicable, payable on each Interest Payment Date in each year or on such other dates and commencing on such dates as provided in the related Bond Purchase Agreement and the Tax Credits Separation Certificate and (ii) in the event a Determination of Loss of Qualified School Construction Bond Status or the election by the District to convert the Qualified School Construction Bonds to Interest Bearing Bonds has occurred or as otherwise set forth in the Tax Credits Separation Certificate, such Interest Bearing Bonds shall bear interest at the Tax Credit Rate, which shall be in addition the Supplemental Coupon, if any, which shall be payable on each Interest Payment Date in each year or on such other dates and commencing on such dates as provided in the related Bond Purchase Agreement and the Tax Credits Separation Certificate.

The Current Interest Bonds and Qualified School Construction Bonds, as applicable, shall bear interest payable on each Interest Payment Date at the rates set forth in the related Bond Purchase Agreement. The Capital Appreciation Bonds are payable only at maturity or the prior redemption thereof, and shall not bear interest on a current basis. Each Capital Appreciation Bond shall increase in value by the accumulation of earned interest from its initial principal (denominational) amount on the date of issuance thereof to its Maturity Value at a compounded interest rate on each Interest Payment Date as set forth in the related Bond Purchase Agreement. The Convertible Capital Appreciation Bonds prior to their respective Conversion Dates shall not bear current interest but shall instead increase in value in the manner of a Capital Appreciation Bond as set forth in this subsection (c). From and after the respective Conversion Date of a Convertible Capital Appreciation Bond, such Convertible Capital Appreciation Bonds shall bear interest on its Conversion Value as of the Conversion Date, payable commencing on the Interest Payment Date following its Conversion Date, and thereafter on each Interest Payment Date in each year.

Each Current Interest Bond, Convertible Capital Appreciation Bond following its Conversion Date and Qualified School Construction Bond, if applicable, shall bear interest from the Interest Payment Date next preceding the date of authentication thereof, unless it is authenticated as of a day during the period after the Record Date immediately preceding any Interest Payment Date to and including such Interest Payment Date, in which event it shall bear interest from such Interest Payment Date, or unless it is authenticated on or before the Record Date preceding the first Interest Payment Date, with respect to Current Interest Bonds and Qualified School Construction Bonds, if applicable, or the first Interest Payment Date following

the applicable Conversion Date, with respect to Convertible Capital Appreciation Bonds, in which event it shall bear interest from its Conversion Date; provided, that if, at the time of authentication of any Bond, interest is in default on any outstanding Bonds, such Bond shall bear interest from the Interest Payment Date to which interest has previously been paid or made available for payment on the outstanding Bonds, payable on each Interest Payment Date.

(d) Designation of Taxable Bonds; Determination in Connection with Federally Taxable Bonds. A portion of the Bonds may be designated as Qualified School Construction Bonds in accordance with Section 54F of the Code and a portion of the Bonds may be designated as Build America Bonds in accordance with Section 54AA of the Code. In accordance with Section 5903 of the Government Code, this Board of Supervisors hereby determines that the interest payable on the portion of Bonds to be issued as Taxable Bonds will be subject to federal income taxation, as set forth in the related Bond Purchase Agreement and, with respect to the Qualified School Construction Bonds and Build America Bonds, the Tax Credits Separation Certificate. An Authorized District Officer may elect pursuant to Section 54AA of the Code that with respect to the Bonds to be designated as Build America Bonds, in lieu of any tax credit allowed under Section 54AA of the Code, the District shall be allowed a tax credit as provided in Section 6431 of the Code.

SECTION 8. Payment.

(a) Principal; Accreted Value. The principal of the Current Interest Bonds and the Qualified School Construction Bonds, Interest Bearing Bonds and Principal Strip Certificates, if any, and the Accreted Value of the Capital Appreciation Bonds and Convertible Capital Appreciation Bonds, if any, shall be payable, when due or upon redemption prior thereto, in lawful money of the United States of America to the person whose name appears on the Registration Books of the Paying Agent (as described in Section 10(c) hereof) as the Owner, upon the surrender thereof at the principal corporate trust office of the Paying Agent.

(b) Interest; Record Date. The interest on the Current Interest Bonds, Convertible Capital Appreciation Bonds after the Conversion Date, Qualified School Construction Bonds, and Interest Bearing Bonds, if any, as applicable, shall be payable when due in lawful money of the United States of America to the Owner thereof or, if applicable, to the Owner of the related Qualified School Construction Bonds, Interest Bearing Bonds, Principal Strip Certificates or Cash Interest Certificates, as of the Record Date, whether or not such day is a business day, such interest to be paid by check mailed on such Interest Payment Date (if a business day, or on the next business day if the Interest Payment Date does not fall on a business day) to such Owner at such Owner's address as it appears on the Registration Books described in Section 10(c) or at such address as the Owner may have filed with the Paying Agent for that purpose except that the payment shall be made in immediately available funds (e.g., by wire transfer) to any Owner of at least one million dollars (\$1,000,000) of outstanding principal amount or Accreted Value of Bonds, Principal Strip Certificates or Cash Interest Certificates, or any combination thereof, who shall have requested in writing such method of payment of interest prior to the close of business on the Record Date immediately preceding any Interest Payment Date or as provided by the related Bond Purchase Agreements. So long as Cede & Co. or its registered assigns shall be the Owner of the Bonds, payment shall be made in immediately available funds as provided in Section 11(d) hereof.

(c) Interest and Sinking Fund. Principal and interest, if any, due on the Bonds shall be paid from the respective Interest and Sinking Fund of the District for the related series or subseries of Bonds as provided in Section 15146 of the Education Code. To the extent any portion of the Bonds are designated as Build America Bonds, any direct subsidy of interest paid to or on behalf of the District by the federal government under the provisions of the Recovery Act in connection with such Build America Bonds shall, promptly upon receipt by the County, be deposited into the Interest and Sinking Fund of the District established for payment of such Build America Bonds. No part of any fund of the County is pledged or obligated to the payment of the Bonds.

(d) Sinking Fund Accounts. The Auditor-Controller of the County is hereby authorized to create such sinking funds or accounts for the Qualified School Construction Bonds and/or Interest Bearing Bonds as may be necessary or desirable to provide for the accumulation of funds sufficient to pay the Qualified School Construction Bonds and/or the Interest Bearing Bonds when due.

SECTION 9. Redemption and Tender for Purchase Provisions.

(a) Redemption; Tender for Purchase. The Bonds of each series or subseries shall be subject to redemption or, at the option of the District, tender for purchase on the dates and terms as shall be designated in the related Bond Purchase Agreement. The Auditor-Controller of the County is hereby authorized to create such bond purchase funds or accounts for the tendered Qualified School Construction Bonds and/or the Interest Bearing Bonds as shall be necessary or desirable to accomplish the purposes of this Section. With respect to Bonds, if any, designated as "Term Bonds" in the related Bond Purchase Agreement, the principal amount or Accreted Value of each mandatory sinking fund payment of any maturity shall be reduced proportionately by the amount of any Bonds of that maturity optionally redeemed prior to the mandatory sinking fund payment date and allocated by the District to such sinking fund payment or as otherwise provided for in the Bond Purchase Agreement or as directed by the District.

(b) Notice of Redemption. Notice of redemption of any Bonds shall be given by the Paying Agent upon the written request of the District given at least 60 days prior to the date designated for such redemption. Notice of any redemption of Bonds shall be mailed postage prepaid, not less than thirty (30) nor more than sixty (60) days prior to the redemption date (i) by first class mail to the respective Owners thereof at the addresses appearing on the Registration Books described in Section 10(c) and (ii) as may be further required in accordance with the Continuing Disclosure Certificate of the District described in Section 17.

Each notice of redemption shall contain all of the following information:

- (i) the date of such notice;
- (ii) the name of the Bonds and the date of issue of the Bonds;
- (iii) the redemption date;
- (iv) the redemption price;

- (v) the maturity dates of the Bonds to be redeemed;
- (vi) (if less than all of the Bonds of any maturity of a series are to be redeemed) the distinctive numbers of the Bonds of each maturity of such series to be redeemed;
- (vii) (in the case of Bonds redeemed in part only) the respective maturities or portions of the principal amount of the Bonds of each maturity to be redeemed;
- (viii) the CUSIP number, if any, of each maturity of Bonds to be redeemed;
- (ix) a statement that such Bonds must be surrendered by the Owners at the principal corporate trust office of the Paying Agent, or at such other place or places designated by the Paying Agent;
- (x) notice that further interest on such Bonds will not accrue after the designated redemption date; and
- (xi) in the case of a conditional notice, that such notice is conditioned upon certain circumstances and the manner of rescinding such conditional notice.

(c) Effect of Notice. A certificate of the Paying Agent or the District that notice of call and redemption has been given to Owners as herein provided shall be conclusive as against all parties. The actual receipt by the Owner of any Bond of notice of redemption shall not be a condition precedent to redemption, and failure to receive such notice, or any defect in the notice given, shall not affect the validity of the proceedings for the redemption of such Bonds or the cessation of interest on the date fixed for redemption.

When notice of redemption has been given substantially as provided for herein, and when the redemption price of the Bonds called for redemption is set aside for the purpose as described in subsection (d) of this Section, the Bonds designated for redemption shall become due and payable on the specified redemption date and interest shall cease to accrue thereon or the value thereof accrete as of the redemption date, and upon presentation and surrender of such Bonds at the place specified in the notice of redemption, such Bonds shall be redeemed and paid at the redemption price thereof out of the money provided therefor. The Owners of such Bonds so called for redemption after such redemption date shall look for the payment of such Bonds and the redemption premium thereon, if any, only to the Interest and Sinking Fund or the escrow fund established for such purpose. All Bonds redeemed shall be cancelled forthwith by the Paying Agent and shall not be reissued.

Any notice of optional redemption of the Bonds delivered in accordance with this Section 9 may be conditional and if any condition stated in the notice of redemption shall not have been satisfied on or prior to the redemption date, said notice (i) shall be of no force and effect, (ii) the District shall not be required to redeem such Bonds; (iii) the redemption shall not be made and (iv) the Paying Agent shall within a reasonable time thereafter give notice to the persons and in the manner in which the conditional notice of redemption was given, that such condition or conditions were not met and that the redemption was cancelled.

The District may rescind any optional redemption and notice thereof for any reason on any date prior to or on the date fixed for redemption by causing written notice of the rescission to be given to the Owners of the Bonds so called for redemption. Notice of rescission of redemption shall be given in the same manner in which notice of redemption was originally given. The actual receipt by the Owner of any Bond of notice of such rescission shall not be a condition precedent to rescission, and failure to receive such notice or any defect in such notice shall not affect the validity of the rescission.

(d) Redemption Fund. Prior to or on the redemption date of any Bonds there shall be available in the applicable Interest and Sinking Fund, or held in trust for such purpose as provided by law, monies for the purpose and sufficient to redeem, at the premiums payable as in this County Resolution provided, the Bonds designated in any notice of redemption. Such monies so set aside in any such escrow fund shall be applied on or after the redemption date solely for payment of principal of and premium, if any, on the Bonds to be redeemed upon presentation and surrender of such Bonds, provided that all monies in the applicable Interest and Sinking Fund shall be used for the purposes established and permitted by law. Any interest due on or prior to the redemption date shall be paid from the applicable Interest and Sinking Fund, unless otherwise provided for to be paid from such escrow. If, after all of the Bonds have been redeemed and cancelled or paid and cancelled, there are monies remaining in the applicable Interest and Sinking Fund or otherwise held in trust for the payment of the redemption price of the Bonds, those monies shall be held in or returned or transferred to the applicable Interest and Sinking Fund for payment of any outstanding bonds of the District payable from that fund; provided, however, that if those monies are part of the proceeds of bonds of the District, the monies shall be transferred to the applicable Interest and Sinking Fund. If no such bonds of the District are at such time outstanding, the monies shall be transferred to the general fund of the District as provided and permitted by law.

(e) Defeasance of Bonds. If at any time the District shall pay or cause to be paid or there shall otherwise be paid to the Owners of any or all outstanding Bonds all of the principal or Accreted Value of, premium, if any, and interest on such Bonds at the times and in the manner provided herein and in the Bonds, or as provided in the following paragraph, or as otherwise provided by law consistent herewith, then such Owners shall cease to be entitled to the obligation of the District as provided in Section 13 hereof, and such obligation and all agreements and covenants of the District and of the County to such Owners hereunder and under the Bonds shall thereupon be satisfied and discharged and shall terminate, except only that the District shall remain liable for payment of all principal or Accreted Value of, premium, if any, and interest on such Bonds, but only out of monies on deposit in the Interest and Sinking Fund or otherwise held in trust for such payment; and provided further, however, that the provisions of subsection (h) hereof shall apply in all events.

All or any portion of the outstanding maturities of the Bonds other than Qualified School Construction Bonds except to the extent set forth in the Tax Credits Separation Certificate may be defeased prior to maturity in the following ways:

(i) by irrevocably depositing with the Paying Agent an amount of cash that, together with amounts then on deposit in the Interest and Sinking Fund, is sufficient to pay all Bonds outstanding and designated for defeasance, including all principal or Accreted Value of, premium, if any, and interest; or

(ii) by irrevocably depositing with the Paying Agent, Defeasance Securities, together with cash, if required, in such amount as will, in the opinion of an independent certified public accountant, together with interest to accrue thereon and monies then on deposit in the Interest and Sinking Fund together with the interest to accrue thereon, be fully sufficient to pay and discharge all Bonds outstanding and designated for defeasance (including all principal or Accreted Value thereof, premium, if any, and interest thereon) at or before their maturity date.

In the event that Bonds are being defeased pursuant to paragraph (ii) of subsection (e) of this Section, the appointment of the independent certified public accountant referred to therein and any escrow agent selected in connection with said defeasance shall both be subject to County approval.

(f) Unclaimed Monies. Any money held in any fund created pursuant to this County Resolution, or by the Paying Agent in trust, for the payment of the principal or Accreted Value of, premium, if any, or interest on the Bonds and remaining unclaimed for one year after the principal of all of the Bonds has become due and payable (whether by maturity or upon prior redemption) shall be transferred to the Interest and Sinking Fund for payment of any outstanding bonds of the District payable from that fund; or, if no such bonds of the District are at such time outstanding, the monies shall be transferred to the general fund of the District as provided and permitted by law.

SECTION 10. Paying Agent and Disbursement Agent.

(a) Appointment; Payment of Fees and Expenses. This Board of Supervisors does hereby appoint the County Treasurer to act as the initial Paying Agent, and does confirm said appointment for purposes of this County Resolution. All fees and expenses of the Paying Agent shall be the sole responsibility of the District, and to the extent not paid from the proceeds of sale of the Bonds, or from the Interest and Sinking Fund, insofar as permitted by law, including specifically by Section 15232 of the Education Code and insofar as money in the Interest and Sinking Fund is sufficient therefor, such fees and expenses shall be paid by the District.

(b) Resignation, Removal and Replacement of Paying Agent. The Paying Agent initially appointed or any successor Paying Agent may resign from service as Paying Agent and may be removed by the County. In such event, the County Treasurer shall appoint a successor Paying Agent, which shall be a bank or trust company doing business in and having a corporate trust office in the County, with at least \$100,000,000 in net assets.

(c) Registration Books. The Paying Agent will keep or cause to be kept at its principal corporate trust office sufficient books for the registration and transfer of the Bonds, which shall at all times be open to inspection by the District, and, upon presentation for such purpose, the Paying Agent shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred on the books, Bonds as provided in Sections 11 and 12 hereof. The Paying Agent shall keep accurate records of all funds administered by it and of all Bonds paid and discharged by it. Such records shall be provided, upon reasonable request, to the County in a format mutually agreeable to the Paying Agent and the County.

(d) Disbursement Agent. For any period of time in which the County Treasurer is not acting in the capacity of Paying Agent, the County Treasurer shall serve as disbursement agent hereunder and shall transfer monies from the Interest and Sinking Fund to the Paying Agent in order to make payments of principal and interest on the Bonds.

SECTION 11. Transfer Under Book-Entry System; Discontinuation of Book-Entry System.

(a) Notwithstanding anything to the contrary contained in this County Resolution, all payments with respect to the principal or Accreted Value of, premium, if any, and interest on any Bond registered as of each Record Date in the name of Cede & Co. shall be made by wire transfer of same-day funds to the account of Cede & Co. on the payment date for the Bonds at the address indicated on the Record Date for Cede & Co. in the Registration Books or as otherwise provided in the Letter of Representations.

In connection with any notice or other communication to be provided to Owners of Book-Entry Bonds pursuant to this County Resolution by the County, the District or the Paying Agent with respect to any consent or other action to be taken by Owners, the County, the District or the Paying Agent, as the case may be, shall establish a record date for such consent or other action and give DTC notice of such record date not less than 15 calendar days in advance of such record date to the extent possible.

Except as may be otherwise provided by the related Bond Purchase Agreement, the Bonds shall be initially issued in the form of separate single fully registered Bonds in the amount of each separate stated maturity of each series and subseries of Current Interest Bonds, Capital Appreciation Bonds, Convertible Capital Appreciation Bonds, Qualified School Construction Bonds and Interest Bearing Bonds, if any; provided, however, that if different CUSIP numbers are assigned to a Bond of a subseries or type of Bond within a subseries maturing in a single year or, if Bonds of a subseries or type of Bond maturing in a single year are issued with different interest rates, additional Bond certificates shall be prepared for each maturity. Unless otherwise provided in the related Bond Purchase Agreement, upon initial issuance, the ownership of such Bonds shall be registered in the Registration Books in the name of Cede & Co., as nominee of DTC. The Paying Agent, the County and the District may treat DTC (or its nominee) as the sole and exclusive Owner of the Bonds registered in its name for the purposes of payment of the principal or Accreted Value of, premium, if any, and interest, if any, on the Bonds, selecting the Bonds or portions thereof to be redeemed, giving any notice permitted or required to be given to Owners of Bonds under this County Resolution, registering the transfer of Bonds, obtaining any consent or other action to be taken by Owners of Bonds if any, and for all other purposes whatsoever, and the Paying Agent, the County and the District shall not be affected by any notice to the contrary. The Paying Agent, the County and the District shall not have any responsibility or obligation to any Participant, any person claiming a beneficial ownership interest in the Bonds under or through DTC or any Participant, or any other person which is not shown on the Registration Books as being an Owner, with respect to the accuracy of any records maintained by DTC or any Participant; the payment by DTC or any Participant of any amount in respect of the principal or Accreted Value of, premium, if any, and interest on the Bonds; any notice which is permitted or required to be given to Owners of Bonds under this County Resolution; the selection by DTC or any Participant of any person to receive payment in the event of a partial redemption of the Bonds; or any consent given or other action taken by DTC as Owner of Bonds.

The Paying Agent shall pay all principal or Accreted Value of, premium, if any, and interest on the Bonds only to DTC, and all such payments shall be valid and effective to fully satisfy and discharge the District's obligations with respect to the principal or Accreted Value of, premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. Except under the conditions set forth under Section 12 hereof no person other than DTC shall receive an executed Bond for each separate stated maturity of each series and subseries of Current Interest Bonds, Capital Appreciation Bonds, Convertible Capital Appreciation Bonds, Qualified School Construction Bonds and Interest Bearing Bonds, if any, or, as provided herein, portion thereof. Upon delivery by DTC to the Paying Agent of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions herein with respect to record dates, the term "Cede & Co." in this County Resolution shall refer to such new nominee of DTC.

(b) The Bonds, Principal Strip Certificates, Tax Credit Strip Certificates and Cash Interest Certificates, if any, shall be initially issued and registered as provided in Section 6 and subsection (a) of this Section 11 or as otherwise provided in the related Bond Purchase Agreement. Registered ownership of such Bonds or any portion thereof may not thereafter be transferred except:

(i) To any successor of Cede & Co., as nominee of DTC, or its nominee, or to any substitute depository designated pursuant to clause (ii) of this Section (a "substitute depository"); provided, that any successor of Cede & Co., as nominee of DTC or substitute depository, shall be qualified under any applicable laws to provide the services proposed to be provided by it;

(ii) To any substitute depository not objected to by the District or the County, upon (1) the resignation of DTC or its successor (or any substitute depository or its successor) from its functions as depository, or (2) a determination by the County (upon consultation with the District) to substitute another depository for DTC (or its successor) because DTC or its successor (or any substitute depository or its successor) is no longer able to carry out its functions as depository; provided, that any such substitute depository shall be qualified under any applicable laws to provide the services proposed to be provided by it; or

(iii) To any person as provided below, upon (1) the resignation of DTC or its successor (or substitute depository or its successor) from its functions as depository, or (2) a determination by the County (upon consultation with the District) to remove DTC or its successor (or any substitute depository or its successor) from its functions as depository.

(c) In the case of any transfer pursuant to clause (i) or clause (ii) of subsection (b) of this Section, upon receipt of the outstanding Bonds by the Paying Agent, together with a written request of the District or County to such Paying Agent, a new Bond for each Bond so delivered shall be executed and delivered in the aggregate principal amount, Maturity Value or Conversion Value, as applicable, of such Bond, registered in the name of such successor or such substitute depository, or their nominees, as the case may be, all as specified in such written request of the District or County. In the case of any transfer pursuant to clause (iii) of subsection (b) of this

Section, upon receipt of the outstanding Bonds by the Paying Agent together with a written request of the District or County to such Paying Agent, new Bonds shall be executed and delivered in such denominations, numbered in the manner determined by the Paying Agent, and registered in the names of such persons, as are requested in such written request of the District or County, subject to the limitations of Sections 6 and 7, and the receipt of such a written request of the District or County, and thereafter, the Bonds shall be transferred pursuant to the provisions set forth in Section 12 of this County Resolution; provided, that the Paying Agent shall not be required to deliver such new Bonds within a period of less than sixty (60) days after the receipt of any such written request of the District or County.

(d) So long as the outstanding Bonds are registered in the name of Cede & Co. or its registered assigns, the District, the County and the Paying Agent shall cooperate with Cede & Co., as sole Owner, or its registered assigns in effecting payment of the principal of and interest on the Bonds by arranging for payment in such manner that funds for such payments are properly identified and are made immediately available (*e.g.*, by wire transfer) on the date they are due.

SECTION 12. Transfer and Exchange.

(a) Transfer. Following the termination or removal of the depository pursuant to Section 11 hereof, any Bond may, in accordance with its terms, be transferred, upon the books required to be kept pursuant to the provisions of Section 10(c) hereof, by the Owner thereof, in person or by the duly authorized attorney of such Owner, upon surrender of such Bond to the Paying Agent for cancellation, accompanied by delivery of a duly executed written instrument of transfer in a form approved by the Paying Agent. The Principal Strip Certificates, Tax Credit Certificates and Cash Interest Certificates shall be transferred as provided in the Tax Credits Separation Certificate.

Whenever any Bond or Bonds shall be surrendered for transfer, the designated County officials shall execute and the Paying Agent shall authenticate and deliver, as provided in Section 6, a new Bond or Bonds of the same series, subseries, term, maturity, interest rate and interest payment mode, if any, and, in the case of Current Interest Bonds, Qualified School Construction Bonds and Interest Bearing Bonds, if any, for a like aggregate principal amount, and in the case of Capital Appreciation Bonds or Convertible Capital Appreciation Bonds, for a like aggregate Maturity Value or Conversion Value, as applicable. The Paying Agent may require the payment by any Owner of Bonds requesting any such transfer of any tax or other governmental charge required to be paid with respect to such transfer.

The Paying Agent shall not be obligated to make any transfer or exchange of any Bond pursuant to this Section during the period from (1) the close of business on the applicable Record Date to and including the succeeding Interest Payment Date, or (2) the period established by the Paying Agent for the selection of Bonds for redemption, in whole or in part, to and including the designated redemption date or with respect to any Bonds selected for redemption as set forth in the related Bond Purchase Agreement.

(b) Exchange. The Bonds may be exchanged for Bonds of other authorized denominations of the same series, subseries, term, maturity, interest rate and interest payment mode, if any, by the Owner thereof, in person or by the duly authorized attorney of such Owner, upon surrender of such Bond to the Paying Agent for cancellation, accompanied by delivery of a

duly executed request for exchange in a form approved by the Paying Agent. The Principal Strip Certificates, Tax Credit Certificates and Cash Interest Certificates shall be exchanged as provided in the Tax Credits Separation Certificate.

Whenever any Bond or Bonds shall be surrendered for exchange, the designated County officials shall execute and the Paying Agent shall authenticate and deliver, as provided in Section 6, a new Bond or Bonds of the same series, subseries, term, maturity, interest rate and interest payment mode, if any, and in the case of Current Interest Bonds, Qualified School Construction Bonds and Interest Bearing Bonds, if any, for a like aggregate principal amount, and in the case of Capital Appreciation Bonds and Convertible Capital Appreciation Bonds, for a like aggregate Maturity Value or Conversion Value, as applicable. The Paying Agent may require the payment by the Owner requesting such exchange of any tax or other governmental charge required to be paid with respect to such exchange.

The Paying Agent shall not be obligated to make any transfer or exchange of any Bond pursuant to this Section during the period from (1) the close of business on the applicable Record Date to and including the succeeding Interest Payment Date, or (2) the period established by the Paying Agent for the selection of Bonds for redemption, in whole or in part, to and including the designated redemption date or with respect to any Bonds selected for redemption as set forth in the related Bond Purchase Agreement.

SECTION 13. Security for the Bonds. The obligation to pay principal or Accreted Value of, premium, if any, and interest on the Bonds is a statutory obligation of the District, payable as described in the Bond Purchase Agreement relating to such Bonds and shall be raised by taxation upon all taxable property in the District and provision shall be made for the levy and collection of such taxes in the manner provided by law and for such payment out of the Interest and Sinking Fund. To the extent any portion of the Bonds are designated as Build America Bonds, any direct subsidy of interest paid to or on behalf of the District by the federal government under the provisions of the Recovery Act in connection with such Build America Bonds shall, promptly upon receipt by the District or the County, be deposited into the Interest and Sinking Fund of the District established for payment of such Build America Bonds. The Board of Supervisors of the County hereby covenants to levy *ad valorem* taxes for the payment of the Bonds (and set-aside requirements on the Qualified School Construction Bonds and Interest Bearing Bonds, if any, as applicable) on all property in the District subject to taxation by the County without limitation as to rate or amount (except certain personal property which is taxable at limited rates).

SECTION 14. Sale of the Bonds; Bond Purchase Agreement.

(a) The form of Bond Purchase Agreement submitted to and on file with the Clerk of this Board of Supervisors providing for the sale by this Board of Supervisors and the purchase by the Underwriters of the Bonds at a purchase price to be set forth therein (which purchase price shall be approved by the Authorized County Officer or his designee, this Board of Supervisors hereby expressly delegating to such officer the authority to execute each Bond Purchase Agreement on its behalf), is hereby approved.

(b) (i) The purchase price for a series or subseries of Bonds shall be as set forth in the applicable Bond Purchase Agreement, provided that (i) the true interest cost for the Tax-Exempt

Bonds shall not be in excess of 7% per annum, the true interest costs for the Taxable Bonds shall not be in excess of 7% per annum and the true interest cost for the Qualified School Construction Bonds and for the Build America Bonds shall not be in excess of 9% per annum; (ii) the Underwriters' compensation for any Series of Bonds shall not exceed 1% of the aggregate principal amount of a series Bonds sold under a Bond Purchase Agreement; and (iii) the Bonds shall otherwise conform to the limitations specified herein.

(c) An Authorized County Officer is hereby authorized and directed to execute and deliver one or more Bond Purchase Agreements relative to one or more series or subseries of Bonds, as necessary, including for the sale of Tax-Exempt Bonds, Taxable Bonds, Build America Bonds, or Qualified School Construction Bonds if the Authorized District Representative has determined that the sale of such Bonds is in the best interests of the District; provided that, any such Bond Purchase Agreement so executed and delivered shall conform to the limitations provided in this Section 14. Each Bond Purchase Agreement for one or more series or subseries of Bonds, together with this County Resolution and the Tax Credits Separation Certificate, shall constitute the order of the Board of Supervisors for purposes of Section 15230 of the Education Code.

(d) The Authorized County Officer is hereby authorized and directed to accept any offer of the Underwriters when said offer is satisfactory to the Authorized County Officer, and to execute and deliver one or more Bond Purchase Agreements for the purchase of a portion or all of the Bonds on behalf of the County, each in substantially the form of the Bond Purchase Agreement now on file with this Board of Supervisors, with such changes therein as shall be approved by the Authorized County Officer executing the same, and such execution shall constitute conclusive evidence of the Authorized County Officer's approval and this Board of Supervisors' approval of any change therein from the form of such Bond Purchase Agreement.

SECTION 15. Deposit and Investment of Proceeds.

(a) The proceeds of sale of the Bonds, exclusive of any premium and accrued interest received, shall be deposited in the County treasury and credited to the building fund of the District (the "Building Fund"). The District shall have sole responsibility that such proceeds be used for the purpose for which the Bonds are being issued. Any premium and accrued interest received shall be deposited in the Interest and Sinking Fund within the County treasury.

(b) All funds held by the County Treasurer hereunder on behalf of the District shall be invested by the County Treasurer or its agent in the County Investment Pool, the Local Agency Investment Fund, any investment authorized pursuant to Sections 53601 and 53635 of the State Government Code, or in any Investment Agreement; provided that such agreements comply with the requirements of Section 148 of the Code, to the extent applicable to the related series or subseries of Bonds, and with the requirements of each rating agency then rating the Bonds necessary in order to maintain the then-current rating on the Bonds.

Subject to a determination by the Chief Financial Officer of the District, any Authorized District Officer of the District may request the County Treasurer to deposit any investment of all or any portion of the Building Fund or the Interest and Sinking Fund of the District pursuant to California Education Code Section 41015 in accordance with the instructions of the Authorized District Officer and California Education Code Section 41016.

(c) Any excess proceeds of the Bonds on deposit in the Building Fund not needed for the authorized purposes set forth herein for which the Bonds are being issued shall be transferred to the Interest and Sinking Fund and applied to the payment of principal of, premium, if any, and interest on the Bonds; provided, however, that when all of the principal of and interest on all of the Bonds have been paid, any balance then remaining in said fund shall be transferred to the general fund of the District as permitted and provided for in Section 15234 of the Education Code.

The District Resolution provides that the Authorized District Officer may request that the County Treasurer, subject to his fiduciary responsibilities, invest funds held in the Interest and Sinking Fund of the District and in the Building Fund of the District in specific investments, so as to effectively coordinate the investments to the construction program of the District and the debt service payments on the Bonds. On behalf of the County Treasurer and as part of the County treasury, the Paying Agent may establish and maintain one or more separate accounts designated as the "Los Angeles Unified School District General Obligation Bonds Election of 200_, Series _ (200_) Qualified School Construction Bonds (Tax Credit Bonds) Sinking Fund Deposit Account" (each, a "Qualified School Construction Bond Sinking Fund Deposit Account") which shall constitute an account of the Interest and Sinking Fund for the Qualified School Construction Bonds and Interest Bearing Bonds, if any. In addition, the Paying Agent may establish and maintain any other account for tendered Qualified School Construction Bonds and Interest Bearing Bonds, if any, as may be necessary or desirable in connection with the provisions of this County Resolution, the District Resolution and the Tax Credits Separation Certificate. Upon the payment and discharge of the Qualified School Construction Bonds and Interest Bearing Bonds, if any, any amounts remaining in the Qualified School Construction Bond Sinking Fund Deposit Account shall be transferred by the Paying Agent to the County and the Qualified School Construction Bond Sinking Fund Deposit Account shall be closed.

SECTION 16. Tax Covenants.

(a) Tax-Exempt Bonds. The County acknowledges and relies upon the fact that the District has represented and covenanted that it shall not take any action, or fail to take any action, if such action or failure to take such action would adversely affect the exclusion from gross income of the interest payable on the Tax-Exempt Bonds under Section 103 of the Code, and that it will comply with the requirements of the initial Tax Certificate and each subsequent Tax Certificate of the District with respect to the Tax-Exempt Bonds to be executed by the District as of the respective dates of issuance of the Bonds, and further that such representation and covenant shall survive payment in full or defeasance of the Tax-Exempt Bonds.

(b) Build America Bonds. The County acknowledges and relies upon the fact that the District has represented and covenanted that it shall not take any action, or fail to take any action, or permit such action to be taken on its behalf or cause or permit any circumstances within its control to arise or continue, if such action or failure to take such action would adversely affect either the status of the Build America Bonds under Section 54AA of the Code or the credit allowed to the District or the County under Section 6431 of the Code.

(c) Qualified School Construction Bonds. The County acknowledges and relies upon the fact that the District has represented and covenanted that it shall not take any action, or fail to take any action, or permit such action to be taken on its behalf or cause or permit any

circumstances within its control to arise or continue, if such action or failure to take such action would adversely affect either the status of the Qualified School Construction Bonds under Section 54F of the Code or the credit allowed under Section 54A of the Code.

SECTION 17. Continuing Disclosure Certificate. The County acknowledges and relies upon the fact that the District has represented that it shall execute one or more Continuing Disclosure Certificates containing the initial covenants of the District as shall be necessary to allow the Underwriters to comply with the requirements of Rule 15c2-12, and that the District has covenanted that it will comply with and carry out all of the provisions of each of the Continuing Disclosure Certificates. The District shall function as or cause the appointment of a dissemination agent, who shall perform all duties and obligations of the Dissemination Agent as set forth in the Continuing Disclosure Certificates, and the County shall have no responsibilities either for compliance with the Continuing Disclosure Certificate or for the duties of the Dissemination Agent.

SECTION 18. Tax Credits Separation Certificate. The form of Tax Credits Separation Certificate submitted to and on file with the Clerk of this Board of Supervisors providing for the execution, authentication and delivery of the Tax Credit Certificates is hereby approved. Any Authorized County Officer is hereby authorized and directed on behalf of the County to execute and deliver one or more Tax Credits Separation Certificate with respect to the Qualified School Construction Bonds in substantially the form attached hereto, with such changes therein, including as may be made in connection with the issuance or sale of separate tax credits associated with certain Qualified School Construction Bonds, as such officer may require or approve, such approval to be conclusively evidenced by the execution and delivery thereof.

SECTION 19. Bond Insurance. The Underwriter, in cooperation with the County Treasurer and the District, is hereby authorized to solicit proposals from one or more municipal bond insurers, and, if the County Treasurer and the District determine it is in the best interest of the District, to arrange for the issuance of a policy of municipal bond insurance for one or more maturities of the Bonds and to execute and deliver an insurance commitment and all other documents necessary in connection therewith.

SECTION 20. Limited Responsibility for Official Statement. Neither the Board of Supervisors nor any officer of the County has prepared or reviewed or will prepare or review any Official Statements of the District describing the Bonds (the "Official Statements"), and this Board of Supervisors and the various officers of the County take no responsibility for the contents or distribution thereof.

SECTION 21. Supplemental Resolutions With Consent of Owners. This County Resolution, and the rights and obligations of the County, the District and of the Owners of the Bonds issued hereunder, may be modified or amended at any time by a Supplemental Resolution adopted by the County, upon the request of the District, with the written consent of Owners owning at least 60% in aggregate principal amount of the Outstanding Bonds of the affected series or subseries, exclusive of Bonds, if any, owned by the County or the District; provided, however, that no such modification or amendment shall, without the express consent of the Owner of each Bond affected, reduce the principal amount of any Bond, reduce the interest rate payable thereon, advance the earliest redemption date thereof, extend its maturity or the times for paying interest thereon, change the monetary medium in which principal and interest is

payable or adversely affect the Tax Credits, nor shall any modification or amendment reduce the percentage of consents required for amendment or modification. In the event that the ownership of the Tax Credit Certificates of a Qualified School Construction Bond has been separated from the ownership of the Principal Strip Certificates related thereto or the ownership of the Cash Interest Certificates of an Interest Bearing Bond have been separated from the ownership of the Principal Strip Certificates related thereto, the determination of the ownership percentages shall be determined in accordance with the Tax Credits Separation Certificate. No such Supplemental Resolution shall change or modify any of the rights or obligations of any Paying Agent without its written assent thereto. Notwithstanding anything herein to the contrary, no such consent shall be required if the Owners are not directly and materially adversely affected by such amendment or modification.

SECTION 22. Supplemental Resolutions Effective Without Consent of Owners. For any one or more of the following purposes and at any time or from time to time, a Supplemental Resolution of the County may be adopted, which, without the requirement of consent of the Owners, shall be fully effective in accordance with its terms:

(a) To add to the covenants and agreements of the County, the District in this County Resolution, other covenants and agreements to be observed by the County, the District which are not contrary to or inconsistent with this County Resolution as theretofore in effect;

(b) To add to the limitations and restrictions in this County Resolution, other limitations and restrictions to be observed by the County, the District which are not contrary to or inconsistent with this County Resolution as theretofore in effect;

(c) To confirm as further assurance, any pledge under, and the subjection to any lien or pledge created or to be created by this County Resolution, of any moneys, securities or funds, or to establish any additional funds or accounts to be held under this County Resolution;

(d) To cure any ambiguity, supply any omission, or cure or correct any defect or inconsistent provision in this County Resolution; or

(e) To amend or supplement this County Resolution in any other respect, provided such Supplemental Resolution does not, in the opinion of nationally-recognized bond counsel, materially adversely affect the interests of the Owners.

SECTION 23. Effect of Supplemental Resolution. Any act done pursuant to a modification or amendment so consented to shall be binding upon the Owners of all the Bonds and shall not be deemed an infringement of any of the provisions hereof, whatever the character of such act may be, and may be done and performed as fully and freely as if expressly permitted by the terms hereof, and after consent relating to such specified matters has been given, no Owner shall have any right or interest to object to such action or in any manner to question the propriety thereof or to enjoin or restrain the County or the District or any officer of either from taking any action pursuant thereto.

SECTION 24. Approval of Actions; Further Actions. Section 4. Stripping of Tax Credits. (a) Pursuant to the Resolutions and this Tax Credits Separation Certificate, the District and the County have caused the Qualified School Construction Bonds to be issued in a form that permits the separation, under the Tax Credit Program, of the ownership of the Principal Component of a Qualified School Construction Bond from the entitlement of the Owner thereof to the related Tax Credits. At any time, by written request to the Paying Agent in the form attached hereto as Attachment I-A, the Owner of a Qualified School Construction Bond may, upon presentation of such Qualified School Construction Bond, direct the Paying Agent to authenticate and deliver: (i) Principal Strip Certificates in a face amount equal to the principal amount of the Qualified School Construction Bonds to be so separated and (ii) Tax Credit Certificates representing the entitlement to the allocable Tax Credits with respect to such Qualified School Construction Bonds. The form of such Tax Credit strip request may be modified or amended in the sole discretion of the Paying Agent, upon consultation with the District and the County.

(b) Upon the receipt of a request and the presentation pursuant to subsection (a) of this Section, the Paying Agent shall: (i) authenticate and deliver to or upon the order of the Owner so requesting, Principal Strip Certificates in a face amount equal to the principal amount of the related Qualified School Construction Bond so surrendered; (ii) authenticate and deliver to or upon the order of the Owner so requesting, Tax Credit Certificates for each remaining Tax Credit Allowance Date in accordance with this Tax Credits Separation Certificate, in a face amount equal to the principal amount of the related Qualified School Construction Bond so surrendered, multiplied by the Tax Credit Rate, and divided by four (4); and (iii) contemporaneously with the delivery thereof, reduce, by the amount so converted the number of stripped Qualified School Construction Bonds that have not been stripped.

(c) The Principal Strip Certificates shall be executed and delivered as fully registered Principal Strip Certificates, in face amounts corresponding to Authorized Denominations and in an aggregate face amount equal to the principal amount of the related Qualified School Construction Bonds so surrendered.

(d) The Tax Credit Certificates shall be executed and delivered as fully registered Tax Credit Certificates, in [face amounts] corresponding to Authorized Denominations and in an aggregate [face amount] equal to the principal amount of the related Qualified School Construction Bonds so surrendered, multiplied by the Tax Credit Rate, and divided by four (4).

(e) Notwithstanding the separation, if any, of the ownership of the Principal Component of a Qualified School Construction Bond from the entitlement of the Owner thereof to the related Tax Credits, the previously combined Qualified School Construction Bond shall remain outstanding and the ownership of Principal Strip Certificates evidencing the rights to the related Principal Components and any Supplemental Coupon related thereto and the ownership of the Tax Credit Certificates evidencing the rights to such Tax Credits related thereto shall constitute such outstanding Qualified School Construction Bond and the ownership of Principal Strip Certificates evidencing the rights to the related Principal Components and the ownership of the Cash Interest Certificates related thereto shall be treated as one and the same with such outstanding Qualified School Construction Bond.

(f) Upon the separation, if any, of the ownership of the Principal Component of a Qualified School Construction Bond or an Interest Bearing Bond from the entitlement of the Owner thereof to the related Tax Credits or cash interest payments, as applicable, the Owner of the Principal Strip Certificate related thereto shall be entitled to the Supplemental Coupon, if any, related to such Qualified School Construction Bond or Interest Bearing Bond, as applicable.

Section 5. Recombining Principal Components and Tax Credits. (a) Pursuant to the Resolutions and this Tax Credits Separation Certificate, the District and the County have caused the Qualified School Construction Bonds to be issued in a form that permits the recombination of Principal Strip Certificates and Tax Credit Certificates into unstripped Qualified School Construction Bonds. At any time, by written request to the Paying Agent in the form attached hereto as Attachment I-C, the Owner of (i) a Principal Strip Certificate and (ii) sufficient Tax Credit Certificates having Tax Credit Allowance Dates corresponding to each and every Tax Credit Allowance Date that would remain with respect to a Qualified School Construction Bond, and having a [face amount] with respect to each such Tax Credit Allowance Date equal to the Tax Credits that would be related to a Qualified School Construction Bond with a principal amount equal to the Principal Strip Certificates to be recombined, may, upon presentation of such Principal Strip Certificate and Tax Credit Certificates, direct the Paying Agent to authenticate and deliver (1) a Qualified School Construction Bond in a principal amount equal to the face amount of the Principal Strip Certificates to be so converted, and (2) reducing, by the amount so converted, the number of Principal Strip Certificates and Tax Credit Certificates. The form of such recombination request may be modified or amended in the sole discretion of the Payment Agent, upon consultation with the District and the County.

(b) Upon the receipt of a request and the presentation pursuant to subsection (a) of this Section, the Paying Agent shall authenticate and deliver an unstripped Qualified School

Construction Bond in a principal amount equal to the face amount of the Principal Strip Certificates to be so converted and reduce, by the amount so converted, the number of separate Principal Strip Certificates and Tax Credit Certificates. Upon the recombination, if any, of a Qualified School Construction Bond, the Qualified School Construction Bond shall be delivered by the Paying Agent as a fully registered Qualified School Construction Bond, in a face amount corresponding to Authorized Denominations with the CUSIP number for the original combined Qualified School Construction Bond; provided, however, that the Paying Agent may request a new CUSIP number that is distinct from the CUSIP number for the original combined Qualified School Construction Bond.

Section 6. Conversion of Qualified School Construction Bonds into Interest Bearing Bonds; Conversion of Tax Credit Certificates into Cash Interest Certificates; Disallowed Tax Credits. (a) Upon (i) the Date of Determination of Loss of Qualified School Construction Bond Status, or (ii) the receipt by the Paying Agent of a written notice from the District of its election to convert the Qualified School Construction Bonds to Interest Bearing Bonds, the Qualified School Construction Bonds shall be converted into Interest Bearing Bonds requiring the District to make cash payments of interest thereon to the Owners thereof as provided in this Section 6. If the Qualified School Construction Bonds are converted into Interest Bearing Bonds as provided in the preceding sentence, from and after the Prior Tax Credit Allowance Date, the Qualified School Construction Bonds shall (1) automatically be converted into Interest Bearing Bonds without the need for any further action or proceeding by the District or the Paying Agent or exchange, by the Owners thereof, of the Qualified School Construction Bonds for Interest Bearing Bonds, (2) be Interest Bearing Bonds for all purposes of the Resolutions and this Tax Credits Separation Certificate, (3) cease to be Qualified School Construction Bonds under Section 54F of the Code; and (4) the Owner of the Principal Strip Certificate related thereto shall be entitled to the Supplemental Coupon, if any, related to such Qualified School Construction Bond or Interest Bearing Bond, as applicable.

(b) In the event the Qualified School Construction Bonds cease to be Qualified School Construction Bonds under Section 54F of the Code pursuant to subsection (a) of this Section, the Qualified School Construction Bonds shall, in addition to any Supplemental Coupon, bear interest from the Prior Tax Credit Allowance Date (with appropriate adjustment for any Tax Credits that in fact will be allowed to the Owner by the IRS subsequent to such Prior Tax Credit Allowance Date) to maturity at an interest rate per annum equal to the Tax Credit Rate, payable quarterly on each Tax Credit Allowance Date commencing on the January 15 following the next succeeding August 1 after a Determination of Loss of Qualified School Construction Bond Status or the date that the Paying Agent receives written notice from the District of its election to convert the Qualified School Construction Bonds to Interest Bearing Bonds.

(c) Upon a conversion of the Qualified School Construction Bonds into Interest Bearing Bonds in accordance with this Section 6, the Paying Agent shall send a written notice to the Owners of the Qualified School Construction Bonds, Principal Strip Certificates and Tax Credit Certificates, stating that (i) as of the Tax Credit Conversion Date, the Qualified School Construction Bonds have been converted into Interest Bearing Bonds for all purposes of the Resolutions and this Tax Credit Separation Certificate, and (ii) such Owners are required to deliver their Qualified School Construction Bonds and Tax Credit Certificates to the Paying

Agent in exchange for an Interest Bearing Bond or Bonds and Cash Interest Certificates in Authorized Denominations in the same respective face amount as the Qualified School Construction Bond or Bonds and Tax Credit Certificates so delivered by such Owners. Upon the conversion of the Qualified School Construction Bonds into Interest Bearing Bonds and Tax Credit Certificates into Cash Interest Certificates, the District and the County shall execute, and the Paying Agent shall authenticate and deliver, to the Owners of the Qualified School Construction Bonds and Tax Credit Certificates entitled thereto, fully registered Interest Bearing Bonds and Cash Interest Certificates in substantially the forms authorized in the County Resolution.

(d) In addition, in the event that any Tax Credits that have been recognized prior to the Date of Determination of Loss of Qualified School Construction Bond Status are determined to be ineligible as Tax Credits as a result of the Determination of Loss of Qualified School Construction Bond Status, the District shall pay to the Owners (as of the applicable Tax Credit Allowance Dates for such disallowed Tax Credits) of the Qualified School Construction Bonds or Tax Credit Certificates, as appropriate, an amount equal to the amount of such disallowed Tax Credits, plus interest thereon from the applicable Tax Credit Allowance Date to the date of payment, compounded quarterly at the rates equal to the large corporate underpayment rates determined from time to time by the IRS during such interest compounding period to be paid on or before the January 15th following the next succeeding August 1 after the Date of Determination of Loss of Qualified School Construction Bond Status.

(e) Upon a conversion of the Qualified School Construction Bonds into Interest Bearing Bonds in accordance with this Section 6, any Tax Credit Certificates representing Tax Credits shall automatically be converted into Cash Interest Certificates (1) without the need for any further action or proceeding by the District or the Paying Agent or exchange, by the Owner, of such Tax Credit Certificate for a Cash Interest Certificate, (2) be Cash Interest Certificates for all purposes of the Resolutions and this Tax Credits Separation Certificate and (3) pay, in cash, to the Owners thereof on the respective Tax Credit Allowance Date an amount equal to the Tax Credit on such Tax Credit Allowance Date.

Section 7. Stripping of Cash Interest Payments. (a) Pursuant to the Resolutions and this Tax Credits Separation Certificate, the District and the County have caused the Qualified School Construction Bonds to be issued in a form that permits the separation of the ownership of the Principal Component of an Interest Bearing Bond from the entitlement of the Owner thereof to the related cash interest payments. At any time, by written request to the Paying Agent in the form attached hereto as Attachment I-B, the Owner of an Interest Bearing Bond may, upon presentation of such Interest Bearing Bond, direct the Paying Agent to authenticate and deliver (i) Principal Strip Certificates in a face amount equal to the principal amount of the Interest Bearing Bonds to be so separated and (ii) Cash Interest Certificates representing the entitlement to the cash interest payments with respect to such Interest Bearing Bonds to be converted. The form of such cash interest strip request may be modified or amended in the sole discretion of the Paying Agent, upon consultation with the District and the County.

(b) Upon the receipt of a request and the presentation of an Interest Bearing Bond pursuant to subsection (a) of this Section, the Paying Agent shall: (i) authenticate and deliver to or upon the order of the Owner so requesting, Principal Strip Certificates in a face amount equal

to the principal amount of the related Interest Bearing Bond so surrendered; (ii) authenticate and deliver to or upon the order of the Owner so requesting, Cash Interest Certificates for each remaining Tax Credit Allowance Date in accordance with this Tax Credits Separation Certificate, in a face amount equal to the principal amount of the related Interest Bearing Bond so surrendered, multiplied by the Tax Credit Rate, and divided by four (4); and (iii) contemporaneously with the delivery thereof, reduce, by the amount so converted the number of Interest Bearing Bonds that have not been stripped.

(c) The Principal Strip Certificates shall be executed and delivered as fully registered Principal Strip Certificates, in face amounts corresponding to Authorized Denominations and in an aggregate face amount equal to the principal amount of the related Interest Bearing Bond so surrendered.

(d) The Cash Interest Certificates shall be executed and delivered as fully registered Cash Interest Certificates, in [face amounts] corresponding to Authorized Denominations and in an aggregate face amount equal to the principal amount of the related Interest Bearing Bonds so surrendered, multiplied by the Tax Credit Rate, and divided by four (4). To the extent required by DTC, new CUSIP numbers shall be obtained for each Cash Interest Certificate.

(e) Notwithstanding the separation, if any, of the ownership of the Principal Component of an Interest Bearing Bond from the entitlement of the Owner thereof to the related cash interest payments, the previously combined Interest Bearing Bond shall remain outstanding and the ownership of Principal Strip Certificates evidencing the rights to the related Principal Components and any Supplemental Coupon related thereto and the ownership of the Cash Interest Certificates evidencing the rights to such cash interest payments related thereto shall constitute such outstanding Interest Bearing Bond and the ownership of Principal Strip Certificates evidencing the rights to the related Principal Components and the ownership of the Cash Interest Certificates related thereto shall be treated as one and the same with such outstanding Interest Bearing Bond.

Section 8. Recombining Principal Components and Cash Interest Payments.

(a) Pursuant to the Resolutions and this Tax Credits Separation Certificate, the District and the County have caused the Interest Bearing Bonds to be issued in a form that permits the recombination of Principal Strip Certificates and Cash Interest Certificates into unstripped Interest Bearing Bonds. At any time, by written request to the Paying Agent in the form attached hereto as Attachment I-D, the Owner of (i) a Principal Strip Certificate and (ii) sufficient Cash Interest Certificates having payment dates corresponding to each and every Tax Credit Allowance Date that would remain with respect to an Interest Bearing Bond, and having a [face amount] with respect to each such interest payment date equal to the amount of interest that would be paid on an Interest Bearing Bond with a principal amount equal to the Principal Strip Certificates to be recombined, may, upon presentation of such Principal Strip Certificates and Cash Interest Certificates, direct the Paying Agent to authenticate and deliver (1) an Interest Bearing Bond in a principal amount equal to the face amount of the Principal Strip Certificates to be so converted, and (2) reducing by the amount so converted, the number of Principal Strip Certificates and Cash Interest Certificates. The form of such recombination request may be modified or amended in the sole discretion of the Paying Agent, upon consultation with the District and the County.

(b) Upon the receipt of a request and the presentation pursuant to subsection (a) of this Section, the Paying Agent shall authenticate and deliver an unstripped Interest Bearing Bond in a principal amount equal to the face amount of the Principal Strip Certificates to be so converted, and reduce, by the amount so converted, the number of separate Principal Strip Certificates and Cash Interest Certificates. Upon the recombination, if any, of Principal Strip Certificates and the Cash Interest Certificates, Interest Bearing Bonds shall be delivered by the Paying Agent as fully registered Interest Bearing Bonds, in face amounts corresponding to Authorized Denominations with the CUSIP number for the original combined Qualified School Construction Bond; provided, however, that the Paying Agent may request a new CUSIP number that is distinct from the CUSIP number for the original combined Qualified School Construction Bond.

Section 9. Rights and Remedies of Separate Principal Strip Certificates, Tax Credit Certificates and Cash Interest Certificates. For purposes of the Resolutions, if and to the extent that any Qualified School Construction Bonds or Interest Bearing Bonds are separated into Principal Strip Certificates, Tax Credit Certificates or Cash Interest Certificates, the Owners of the Principal Strip Certificates, Tax Credit Certificates or Cash Interest Certificates shall have the same rights and remedies granted to the Owners of Qualified School Construction Bonds or Interest Bearing Bonds and shall receive all notices required to be sent to Owners of the Qualified School Construction Bonds or Interest Bearing Bonds. For purposes of determining if there is 60% in aggregate principal amount of the Outstanding Bonds affected by a proposed action, consent, or direction, if the proposed action, consent, or direction would affect the Owners of Qualified School Construction Bonds or Interest Bearing Bonds, the Owners of the Principal Strips Certificates, Tax Credit Certificates and Cash Interest Certificates shall be entitled to collective voting rights equal to the [face amount] of the Principal Strips Certificates, and such voting rights shall be further allocated to the Owners of the Principal Strip Certificates, Tax Credit Certificates, and Cash Interest Certificates in proportion to the values set forth in Attachment III to this Tax Credits Separation Certificate.

In the event of a mandatory redemption of Qualified School Construction Bonds from unexpended Bond Proceeds and in the event that Qualified School Construction Bonds have been exchanged for Principal Strip Certificates and Tax Credit Certificates (in whole or in part) and registered separately pursuant to Section 4 of this Tax Credits Separation Certificate, the amount of unexpended Bond Proceeds shall be allocated, as nearly as reasonably possible, pro rata between (i) Qualified School Construction Bonds and (ii) an amount of (a) Principal Strip Certificates and (b) Tax Credit Certificates that would relate to such principal amount of Principal Strip Certificates, based upon the relative par amounts of the outstanding Qualified School Construction Bonds and the outstanding Principal Strip Certificates. Any Principal Strip Certificates and Tax Credit Certificates to be so redeemed shall also be called for redemption on the same terms and conditions and in the same manner as the Qualified School Construction Bonds pursuant to the County Resolution and the Bond Purchase Agreement, and the price for redemption to be paid by the District and used to redeem Principal Strip Certificates and Tax Credit Certificates so redeemed shall be allocated to the Qualified School Construction Bonds, Principal Strip Certificates and the Tax Credit Certificates in the proportions and values set forth in the allocable value tables attached as Attachment III to this Tax Credits Separation Certificate.

Section 10. Forms of Interest Bearing Bonds, Principal Strip Certificates, Tax Credit Certificates Cash Interest Certificates. The Interest Bearing Bonds, Principal Strip Certificates, Tax Credit Certificates and Cash Interest Certificates, including the Paying Agent's Certificate of Authentication and Registration thereon, shall be in substantially the form as Appendix I to the form of Qualified School Construction Bond set forth in Exhibit D to the County Resolution, with appropriate or necessary insertions, omissions and variations as permitted or required in the County Resolution or this Tax Credits Separation Certificate.

Section 11. Execution of Principal Strip Certificates, Tax Credit Certificates and Cash Interest Certificates. The Principal Strip Certificates, Tax Credit Certificates and Cash Interest Certificates shall be signed by the manual or facsimile signature of the Chairman of the Board of Supervisors and the County Treasurer and countersigned by the Clerk and by the manual or facsimile signature of an Authorized District Officer and countersigned by the Executive Officer-Clerk of the Board of Supervisors pursuant to the County Resolution. The Principal Strip Certificates, Tax Credit Certificates and Tax Credit Certificates shall then be delivered to the Paying Agent for authentication by it.

Section 12. Authentication of Principal Strip Certificates, Tax Credit Certificates and Cash Interest Certificates. Only such of the Principal Strip Certificates, Tax Credit Certificates and Cash Interest Certificates as shall bear thereon a Certificate of Authentication and Registration as described in Section 10, executed by the Paying Agent, shall be valid or obligatory for any purpose or entitled to the benefits of the Resolutions and this Tax Credits Separation Certificate, and such certificate of the Paying Agent shall be conclusive evidence that the Principal Strip Certificates, Tax Credit Certificates and Cash Interest Certificates so authenticated have been duly authenticated and delivered as set forth hereunder and in the Principal Strip Certificate, Tax Credit Certificates and Cash Interest Certificates and are entitled to the benefits of the Resolutions and the Tax Credits Separation Certificate.

Section 13. Registration Books. The Paying Agent will keep or cause to be kept at its principal corporate trust office sufficient books for the registration and transfer of ownership of the Principal Strip Certificates, Tax Credit Certificates and Cash Interest Certificates which shall at all times be open to inspection by the District and the County and, upon presentation for such purpose, the Paying Agent shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered, transferred or exchanged the Principal Strip Certificate, Tax Credit Certificates, and Cash Interest Certificates as provided in Sections 14 and 15 hereof.

The District shall assign each Qualified School Construction Bond, Interest Bearing Bond, Principal Strip Certificate, Tax Credit Certificate or Cash Interest Certificate authenticated and registered by it a distinctive letter or number, or letter and number.

Section 14. Transfer and Exchange of Principal Strip Certificates, Tax Credit Certificates and Cash Interest Certificates. Any Principal Strip Certificate, Tax Credit Certificate and Cash Interest Certificate may, in accordance with its terms and the Tax Credits Separation Certificate, be transferred, [in whole but not in part], upon the Registration Books by the Person in whose name it is registered, in person or by such Person's duly authorized attorney, upon surrender of such Principal Strip Certificate, Tax Credit Certificate or Cash Interest

Certificate, as applicable, for cancellation, accompanied by delivery of a written instrument of transfer, duly executed in a form acceptable to the Paying Agent. Whenever any Principal Strip Certificate, Tax Credit Certificate or Cash Interest Certificate shall be surrendered for transfer, the District and the County shall execute and the Paying Agent shall authenticate and shall deliver a new Principal Strip Certificate, Tax Credit Certificate or Cash Interest Certificate, as applicable, [in an Authorized Denomination][of the same tenor], maturity and interest rate, if any. The Paying Agent shall require the Owner requesting such transfer to pay any tax or other governmental charge required to be paid with respect to such transfer.

Any Principal Strip Certificate, Tax Credit Certificate and Cash Interest Certificate may be exchanged at the Office of the Paying Agent for a like Authorized Denomination of Principal Strip Certificates, Tax Credit Certificates or Cash Interest Certificates, as applicable, of the same tenor, maturity and interest rate, if any, of other Authorized Denominations. The Paying Agent shall require the payment by the Owner requesting such exchange of any tax or other governmental charge required to be paid with respect to such exchange.

The Paying Agent shall not be obligated to make any transfer or exchange of Principal Strip Certificates, Tax Credit Certificates or Cash Interest Certificates pursuant to this Section during the period established by the Paying Agent for the selection of Principal Strip Certificates, Tax Credit Certificates, Cash Interest Certificates or related Qualified School Construction Bonds or Interest Bearing Bonds, as applicable, for redemption, or with respect to any Principal Strip Certificates, Tax Credit Certificates or Cash Interest Certificates selected for redemption.

Section 15. Book-Entry System. (a) Upon the separation of the ownership of the Qualified School Construction Bonds from the entitlement of the Owner thereof to the related Tax Credits or the separation of the ownership of the Interest Bearing Bonds from the entitlement of the Owner thereof to the related interest payments, the ownership of Principal Strip Certificates evidencing the rights to the related Principal Components and the ownership of the Tax Credit Certificates evidencing the rights to such Tax Credits or the ownership of the Cash Interest Certificates evidencing the rights to such cash interest payments, as applicable, shall be registered in the Registration Books in the name of Cede & Co., as nominee of DTC, except as provided in subsection (c) of this Section. The Paying Agent, the County and the District may treat DTC (or its nominee) as the sole and exclusive Owner of the Principal Strip Certificates, Tax Credit Certificates or Cash Interest Certificates, as applicable, registered in its name for the purposes of payment of amounts, if any, with respect to the Principal Strip Certificates, Tax Credit Certificates or Cash Interest Certificates, as applicable, selecting the Principal Strip Certificates, Tax Credit Certificates or Cash Interest Certificates or portions thereof, as applicable, to be redeemed, giving any notice permitted or required to be given to Owners of Principal Strip Certificates, Tax Credit Certificates or Cash Interest Certificates, as applicable, under this Tax Credits Separation Certificate, registering the transfer of Principal Strip Certificates, Tax Credit Certificates or Cash Interest Certificates, as applicable, obtaining any consent or other action to be taken by Owners of Principal Strip Certificates, Tax Credit Certificates or Cash Interest Certificates, as applicable, and for all other purposes whatsoever, and the Paying Agent, the County and the District shall not be affected by any notice to the contrary. The Paying Agent, the County and the District shall not have any responsibility or obligation to any DTC Participant, any person claiming a beneficial ownership interest in the Principal Strip Certificates, Tax Credit Certificates and Cash Interest Certificates under or

through DTC or any DTC Participant, or any other person which is not shown on the Registration Books as being an Owner, with respect to the accuracy of any records maintained by DTC or any DTC Participant; the payment by DTC or any DTC Participant of any amount in respect of the Principal Strip Certificates, Tax Credit Certificates or Cash Interest Certificates; any notice which is permitted or required to be given to Owners of Principal Strip Certificates, Tax Credit Certificates or Cash Interest Certificates under this Tax Credits Separation Certificate; the selection by DTC or any DTC Participant of any person to receive payment in the event of a partial redemption of the Principal Strip Certificates, Tax Credit Certificates or Cash Interest Certificates; or any consent given or other action taken by DTC as Owner of Principal Strip Certificates, Tax Credit Certificates and Cash Interest Certificates. The Paying Agent shall pay all amounts, if any, with respect to the Principal Strip Certificates and Cash Interest Certificates, as applicable, only to DTC, and all such payments shall be valid and effective to fully satisfy and discharge the County and the District's obligations with respect to any such amounts with respect to the Principal Strip Certificates, Tax Credit Certificates or Cash Interest Certificates, as applicable, to the extent of the sum or sums so paid. Except under the conditions of subsection (c) of this Section, no person other than DTC shall receive an executed Principal Strip Certificate, Tax Credit Certificate or Cash Interest Certificate. Upon delivery by DTC to the Paying Agent of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions herein with respect to record dates, the term "Cede & Co." in this Tax Credits Separation Certificate shall refer to such new nominee of DTC.

(b) Notwithstanding anything to the contrary contained in this Tax Credits Separation Certificate, so long as the Principal Strip Certificates, Tax Credit Certificates and Cash Interest Certificates, as applicable, are registered in the name of Cede & Co., or its registered assigns, the County, the District and the Paying Agent shall cooperate with Cede & Co., as sole holder, or its registered assigns, in effecting payment of the redemption price, if any, of the Principal Strip Certificates, Tax Credit Certificates and Cash Interest Certificates by arranging for payment in such manner that funds for such payments are properly identified and are made by wire transfer of same-day funds on the date they are due.

(c) In the event (i) DTC, including any successor as securities depository for the Principal Strip Certificates, Tax Credit Certificates or Cash Interest Certificates, determines not to continue to act as securities depository for the Principal Strip Certificates, Tax Credit Certificates or Cash Interest Certificates; or (ii) the County (upon consultation with the District) determines that the incumbent securities depository shall no longer so act, and delivers a written certificate to the Paying Agent to that effect, then the County will discontinue the book-entry system with the incumbent securities depository for the Principal Strip Certificates, Tax Credit Certificates or Cash Interest Certificates. If the County (upon consultation with the District) determines to replace the incumbent securities depository for the Principal Strip Certificates, Tax Credit Certificates or Cash Interest Certificates with another qualified securities depository, subject to the applicable procedures of the then-current securities depository, the County shall prepare or direct the preparation of a new single, separate fully registered Principal Strip Certificate, a new single, separate fully registered Tax Credit Certificate for the aggregate outstanding [face amount] of Tax Credits that have been separated from the ownership of the related Qualified School Construction Bonds and a new single, separate fully registered Cash Interest Certificate, as applicable, or, as authorized herein, portion thereof, registered in the name

of such successor or substitute qualified securities depository, or its nominee, or make such other arrangement acceptable to the County, the District, the Paying Agent and the successor securities depository for the Principal Strip Certificates, Tax Credit Certificates or Cash Interest Certificates as are not inconsistent with the terms of this Tax Credits Separation Certificate. If the County fails to identify another qualified successor securities depository of the Principal Strip Certificates, Tax Credit Certificates or Cash Interest Certificates to replace the incumbent securities depository, then the Principal Strip Certificates, Tax Credit Certificates or Cash Interest Certificates shall no longer be restricted to being registered in the Registration Books in the name of the incumbent securities depository or its nominee, but shall be registered in whatever name or names the incumbent securities depository for the Principal Strip Certificates, Tax Credit Certificates or Cash Interest Certificates, as applicable, or its nominee, shall designate. In such event the Paying Agent shall authenticate and deliver a sufficient quantity of the Principal Strip Certificates, Tax Credit Certificates or Cash Interest Certificates as necessary to carry out the transfers and exchanges provided in the County Resolution and Section 14 hereof.

(d) So long as the Tax Credit Certificates are registered in the name of Cede & Co. or its registered assigns, the Paying Agent shall provide notice to DTC of the expiration of each Tax Credit Certificate, not less than forty-five (45) days prior to the Tax Credit Allowance Date for such Tax Credit Certificate, in the form included as Attachment II hereto.

Section 16. Defeasance of the Qualified School Construction Bonds. Notwithstanding anything in the Resolutions to the contrary, the District shall not cause all or a portion of the Qualified School Construction Bonds to be defeased and deemed paid unless, prior thereto, the District shall have either (i) obtained a ruling from the IRS to the effect that such defeasance of the Qualified School Construction Bonds will not cause a loss of the associated Tax Credits, or (ii) elected to convert the Qualified School Construction Bonds into Interest Bearing Bonds as provided in Section 6 of this Tax Credits Separation Certificate.

Section 17. Purchase of the Qualified School Construction Bonds or Principal Strip Certificates. Notwithstanding anything in the Resolutions to the contrary, the District may not purchase and hold any Qualified School Construction Bonds or Principal Strip Certificates on its own behalf unless the District shall have obtained, prior to any such purchase, a ruling from the IRS to the effect that such purchase of the Qualified School Construction Bonds or Principal Strip Certificates will not cause a loss of the associated Tax Credits.

Section 18. Amendment; Waiver. This Tax Credits Separation Certificate may be amended, by written agreement of the parties, and any provision of this Tax Credits Separation Certificate may be waived, each without the consent of the holders of the Qualified School Construction Bonds, Interest Bearing Bonds, Principal Strip Certificates, Tax Credit Certificates and Cash Interest Certificates, if (i)(a) an amendment to Section 54A or 54F of the Code is adopted, or a new or modified official interpretation of Section 54A or 54F of the Code is issued, after the effective date of this Tax Credits Separation Certificate which is applicable to this Tax Credits Separation Certificate and the transactions contemplated hereby; (b) legislation shall have been enacted by the United States or the State, or a decision shall have been rendered by a court of the United States or the Tax Court of the United States, or a ruling shall have been made or a regulation, proposed regulation or a temporary regulation or an official statement shall have

been published in the Federal Register or any other release or announcement shall have been made by or on behalf of the Treasury Department of the United States, U.S. Securities and Exchange Commission or the Internal Revenue Service with respect to the stripping of Principal Strip Certificates, Tax Credit Certificates or Cash Interest Certificates from the related Qualified School Construction Bonds or Interest Bearing Bonds, as applicable, or (c) rules, procedures or guidance shall have been adopted by DTC with respect to the stripping of Principal Strip Certificates, Tax Credit Certificates or Cash Interest Certificates from the related Qualified School Construction Bonds or Interest Bearing Bonds, as applicable and (ii) the District shall have delivered to the Paying Agent an opinion of counsel addressed to the District, the County and the Paying Agent to the effect that performance by the District, the County and Paying Agent under this Tax Credits Separation Agreement as so amended or giving effect to such waiver, as the case may be, will not result in a violation of Sections 54A or 54F of the Code. The District shall cause to be given to the Owners prompt notice of any such amendment to or waiver of any provision of this Tax Credits Separation Certificate.

Section 19. Beneficiaries. This Tax Credits Separation Certificate shall inure solely to the benefit of the District, the County and Owners from time to time of the Qualified School Construction Bonds, Interest Bearing Bonds, Principal Strip Certificates, Tax Credit Certificates and Cash Interest Certificates, and shall create no rights in any other person or entity.

A. EXECUTIVE SUMMARY

Action Proposed: The Board is requested to (1) approve the attached Resolution (Attachment A) and the attached Reimbursement Resolution (Attachment B) and forms of legal documents regarding the issuance of up to \$1.9 billion of general obligation bonds (the “2009 Bonds”); (2) review the information to be disclosed to it pursuant to AB 1482; (3) authorize the sale of the 2009 Bonds by negotiated sale; (4) direct the Chief Financial Officer and other Officers of the District to assemble the financing team; and (5) authorize the Budget Services and Financial Planning Division to make the necessary budget adjustments to reflect the anticipated bond receipts.

Staff Recommendation and Rationale: Approval of (1) the Resolution, the Reimbursement Resolution and the forms of legal documents regarding the issuance of up to \$1.9 billion of general obligation bonds; (2) the sale of the 2009 Bonds by negotiated sale; (3) the proposed financing team; and (4) the authorization of the Budget Services and Financial Planning Division to make the necessary budget adjustments; and the review of (5) information to be disclosed to it pursuant to AB 1482. Without these approvals and review, the Chief Financial Officer cannot execute the necessary actions to assure the ongoing funding of Bond Program projects. Timing is critical as Fiscal Year 2009-10 expenditure projections provided by Facilities indicate that new bond proceeds are needed to supplement funds on hand to complete critical projects. The District may take advantage of certain bond structures permitted under the American Recovery and Reinvestment Act (“ARRA”), specifically, Qualified School Construction Bonds (“QSCB”) and Build America Bonds (“BABs”), both of which may offer lower financing cost than traditional bonds.

Background: On November 5, 2002, voters approved a \$3.35 billion local Measure K

LOS ANGELES UNIFIED SCHOOL DISTRICT Board of Education Report

bond authorization. On March 2, 2004, voters approved a \$3.87 billion local Measure R bond authorization. On November 8, 2005, voters approved a \$3.985 billion local Measure Y bond authorization. The three authorizations provide funds to repair and modernize existing District schools, build new schools to relieve overcrowding and fund additional capital projects. The District has issued \$3.0 billion of Measure K bonds, \$2.6 billion of Measure R bonds, and \$844.4 million of Measure Y bonds to date.

This Board Report and the attached Resolution (Attachment A) and Reimbursement Resolution (Attachment B) provide for approval of the forms of one or more Preliminary Official Statements, Bond Purchase Agreements, and Continuing Disclosure Certificates for the issuance in one or more series of up to \$350 million in general obligation bonds under the Measure K authorization, \$400 million under the Measure R authorization, and \$1.3 billion under the Measure Y authorization, (collectively, the "2009 Bonds").

Effective January 1, 2007, AB 1482 applies to all new money general obligation bonds issued by school and community college districts in California. The intent of AB 1482 is to provide transparency in the bond issuance process, namely, by requiring a school district to publicly identify the names of the Financial Advisor, Bond Counsel, Disclosure Counsel, and Underwriter(s) and the detailed, estimated costs of issuance for the bonds. See "Issues and Analysis" for a discussion of the District's compliance with these requirements in connection with the 2009 Bonds.

Policy Implications: This action is in compliance with the relevant criteria set forth in Article 1 and Sections 3.02, 4.12, and 4.13 of the Debt Management Policy.

Budget Impact: No Impact. The 2009-10 budget will need to be adjusted to reflect the anticipated proceeds from the issuance of the 2009 Bonds, but the debt service payments attributable to these issuances will be supported by tax levies imposed on the District's taxpayers and not by the District's General Fund.

Issues/Considerations: Timing is critical. The longer the District waits to take action, the more the risk that current funds on hand for the Bond Program will be expended, resulting in possible disruption of Bond Program projects that need funding.

Effect of "yes" vote: Will allow the 2009 Bonds to be executed as quickly as possible and ensure ongoing funding of Bond Program projects.

LOS ANGELES UNIFIED SCHOOL DISTRICT Board of Education Report

Effect of “no” vote: Will leave the District exposed to the risk that current funds on hand for the Bond Program will be expended, resulting in possible disruption of Bond Program projects that need funding.

B. BOARD REPORT

Action Proposed: The Board is requested to (1) approve the attached Resolution (Attachment A) approving the forms of one or more Preliminary Official Statements, Bond Purchase Agreements and Continuing Disclosure Certificates for the issuance in one or more series or subseries of up to \$350 million in general obligation bonds of the District under the Measure K authorization, \$400 million under the Measure R authorization and \$1.3 billion under the Measure Y authorization, (collectively, the "2009 Bonds"); (2) approve the attached Reimbursement Resolution (Attachment B) pertaining to the QSCBs; (3) review the information to be disclosed to it pursuant to AB 1482; (4) authorize the sale of the 2009 Bonds by negotiated sale; (5) direct the Chief Financial Officer and other Officers of the District to assemble the financing team for the upcoming transaction to be comprised of Tamalpais Advisors, Inc. – Kelling, Northcross & Nobriga, A Joint Venture, as Financial Advisor; Hawkins Delafield & Wood LLP as Bond Counsel and Disclosure Counsel, Sidley Austin LLP as Special Tax Counsel, U.S. Bank National Association as Paying Agent, Citigroup Global Markets, Inc. and Goldman Sachs & Co., as Senior Managing Underwriters and (6) authorize the Budget Services and Financial Planning Division to make the necessary budget adjustments to reflect the anticipated bond receipts.

Expected Outcomes: Will provide timely receipt of bond proceeds to ensure that funding of Bond Program projects is not disrupted.

Board Options and Consequences: The Board may approve the Resolution, the Reimbursement Resolution, the forms of legal documents and Preliminary Official Statements, Bond Purchase Agreements and continuing Disclosure Certificates, the financing team, and the sale of the 2009 Bonds on a negotiated basis so that the sale can be executed as timely as possible.

The Board may prefer to wait for further information and details on the specific action to be taken. This option, however, may risk disruption of Bond program projects that need funding.

Policy Implications: This action is in compliance with the relevant criteria set forth in Article 1 and Sections 3.02, 4.12, and 4.13 of the Debt Management Policy.

Budget Impact: No Impact. The 2009-10 budget will need to be adjusted to reflect the anticipated proceeds from the issuance of the 2009 Bonds, but the debt service payments attributable to these issuances will be supported by tax levies imposed on the District's taxpayers and not by the District's

General Fund.

Issues and Analysis: On November 5, 2002, voters approved a \$3.35 billion local Measure K bond authorization. On March 2, 2004, voters approved a \$3.87 billion local Measure R bond authorization. On November 8, 2005, voters approved a \$3.985 billion local Measure Y bond authorization. The District has issued \$3.0 billion of Measure K bonds, \$2.6 billion of Measure R bonds and \$844.4 million of Measure Y bonds to date.

Legal informative attached

This Board Report and the attached Resolution (Attachment A) provide for approval of the forms of Preliminary Official Statements, Bond Purchase Agreements, and Continuing Disclosure Certificate for the issuance in one or more series of up to \$350 million in general obligation bonds of the District under the Measure K authorization, \$400 million under the Measure R authorization, and \$1.3 billion under the Measure Y authorization, (collectively, the "2009 Bonds").

The District may issue portions of the 2009 Bonds as (a) QSCBs, which do not require interest to be paid; the District received an allocation of \$318 million of QSCBs as part of the ARRA signed by President Obama in February, 2009, and (b) BABs, a taxable bond structure which permits the District to receive a cash subsidy from the U.S. Treasury to offset taxable interest on the 2009 Bonds issued as BABs. Both the QSCB and BABs programs last only two years, so the District wants to take full advantage of the programs while it can.

The attached Reimbursement Resolution (Attachment B) provides for proceeds of any QSCBs to be used to reimburse Measure K, R and or Y, as the case may be, for any expenditures on QSCB-eligible projects beginning on the adoption date of said Reimbursement Resolution. Internal Revenue Services guidelines require such a Reimbursement Resolution to be in place in order to facilitate any reimbursements. Finance and Facilities expect to identify QSCB-eligible projects that would be treated as reimbursements. The Board has previously adopted similar reimbursement resolutions for Proposition BB and Measures K, R and Y in the past.

Effective January 1, 2007, AB 1482 applies to all new money general obligation bonds issued by school and community college districts in California. The intent of AB 1482 is to provide transparency in the bond

LOS ANGELES UNIFIED SCHOOL DISTRICT Board of Education Report

issuance process, namely, by requiring a school district to publicly identify the names of the Financial Advisor, Bond Counsel, Disclosure Counsel, and Underwriter(s) and the detailed, estimated costs of issuance for the bonds. Finance hereby provides the names of the Financial Advisor, Bond Counsel, Disclosure Counsel and Underwriters below, with Section [18] of the Resolution containing this information as well. In addition, the estimated costs of issuance of the 2009 Bonds are presented as Attachment C. A detailed summary of the actual final costs of issuance will be provided to the Board and the public once the 2009 Bonds have been sold.

AB 1482 also requires the governing body to declare the method of sale of the bonds and the reason(s) for the selected method of sale. Because (a) the District hopes to take advantage of certain bond structures permitted under ARRA and such structures (QSCBs and BABs) are not entirely conducive to a competitive sale format, and (b) the overall issuance of the 2009 Bonds will benefit from extensive pre-marketing efforts not available with a competitive sale, a negotiated sale format best addresses the District's objective to minimize taxpayer cost on the 2009 Bonds. In addition, a negotiated sale format allows the District to access the widest possible range of investors and the most efficient couponing and bond structure, as overseen by the District's Financial Advisor.

The District has successfully used the competitive sale format for prior general obligation bond issues as well as TRANs issues. In addition, the District has successfully used the negotiated sale format on prior general obligation bond, COPs, and TRANs issues. Thus, the District has successfully used both sale formats from time to time when circumstances favor one method over the other.

The Chief Financial Officer recommends the following team of firms from the financial advisor, bond counsel and underwriter benches to execute the 2009 Bonds financing: Tamalpais Advisors, Inc. – Kelling, Northcross & Nobriga, A Joint Venture, as Financial Advisor; Hawkins Delafield & Wood LLP, as Bond and Disclosure Counsel; Sidley Austin LLP, as Special Tax Counsel; and Citigroup Global Markets, Inc. and Goldman Sachs & Co., as Senior Managing Underwriters. The Chief Financial Officer will recommend additional firms from the underwriting bench to serve as co-senior and/or co-managers via an Informative to the Board prior to the sale of the 2009 Bonds, expected to occur in early October. The Chief Financial Officer also recommends U.S. Bank National Association, to serve as Paying Agent for the 2009 Bonds.

LOS ANGELES UNIFIED SCHOOL DISTRICT Board of Education Report

Finally, the Chief Financial Officer recommends that the Board approve the forms of the legal documents and Preliminary Official Statements that are needed in order to execute the transaction and market the 2009 Bonds to investors.
