

MOTION BY SUPERVISOR DON KNABE

November 17, 2009

AMENDMENT TO ITEM 3

The motion before the Board seeks to promote policies on health, nutrition and physical activity. However, the Board should reaffirm its action taken on August 18, 2009 regarding the healthy food and beverage options at County facilities and furthermore, initiate due diligence in determining whether the proposed recommendations have any unintended consequences to the County and public at large.

**I THEREFORE MOVE**, that the Board of Supervisors delete recommendation one a and b and instruct the Chief Executive Office, in conjunction with County Counsel and all affected County departments, to conduct an analysis of the remaining recommendations with a report back to the Board within 90 days on the fiscal, legal, operational, and practical impact of each recommendation. The analysis should include any alternatives and options that could be considered.
