

MOTION BY SUPERVISOR GLORIA MOLINA

March 2, 2010

Family Reunification Week is a week-long celebration that honors families who, despite court-ordered out of home care placement for their children, successfully complied with specific court requirement and reunified with their children in their family home. These individuals that successfully navigated the Dependency Court system emerged as healthier, stronger and intact families.

I, Therefore, move that the Los Angeles County Board of Supervisors proclaim the week of March 1 through March 7, 2010 as "Family Reunification Week" in recognition of the importance of family reunification.
