Dear Supervisors:

**ADOPTED**

BOARD OF SUPERVISORS  
COUNTY OF LOS ANGELES

#35 APRIL 20, 2010

*Sachi A. Hamai*  
SACHI A. HAMAI  
EXECUTIVE OFFICER

**SECOND SUPERVISORIAL DISTRICT  
PARATRANSIT PROGRAM FUNDING FOR FISCAL YEAR 2010-11  
(SUPERVISORIAL DISTRICT 2)  
(3 VOTES)**

**SUBJECT**

This action is to approve funding for the Paratransit Program for Fiscal Year 2010-11 in the Second Supervisorial District and to authorize the Director of Public Works to negotiate and execute agreements to deliver paratransit services.

**IT IS RECOMMENDED THAT YOUR BOARD:**

1. Find that the proposed Paratransit Program is statutorily exempt from the provisions of the California Environmental Quality Act.
2. Approve the disbursement of \$618,000 from the Second Supervisorial District's Proposition A Local Return Transit Program for the continuation of paratransit services for eligible patrons in the unincorporated County of Los Angeles areas of the Second Supervisorial District for Fiscal Year 2010-11. The Second Supervisorial District's Paratransit Program includes the following services: Alondra Park/Del Aire; Carson; Ladera Heights/Windsor Hills; Lennox; Rancho Los Amigos; and Willowbrook, et al.
3. Authorize the Director of Public Works or her designee to negotiate and execute the following agreements for paratransit services in the Second Supervisorial District with the costs and terms as indicated: Lennox Paratransit Service, provided by the City of Inglewood, at a cost to the Second Supervisorial District of \$111,000 for Fiscal Year 2010-11 (County of Los Angeles' total cost for

paratransit services in the Second Supervisorial District under this four-year agreement is \$405,000); and the Rancho Los Amigos Paratransit Service provided by the Los Amigos Research Education Institute, Inc., at a cost to the Second Supervisorial District of \$34,000 for Fiscal Year 2010-11 (County of Los Angeles' total cost for paratransit services in Supervisorial Districts 1 through 5 under this two-year agreement is \$660,000).

### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

The purpose of the recommended action is to approve the continuation of paratransit services for eligible patrons of the unincorporated County of Los Angeles (County) areas of the Second Supervisorial District and to authorize the Director of Public Works or her designee to negotiate and enter into new paratransit agreements with the City of Inglewood and Los Amigos Research and Education Institute, Inc., for the provision of services.

### **Implementation of Strategic Plan Goals**

The Countywide Strategic Plan directs the provisions of Operational Effectiveness (Goal 1) and Community and Municipal Services (Goal 3). This action provides services to the public in a responsive manner. These services improve the mobility of transit-dependent patrons.

### **FISCAL IMPACT/FINANCING**

There will be no impact to the County General Fund.

This action authorizes the disbursement of \$618,000 for the continuation of paratransit services for eligible patrons in the unincorporated County areas of the Second Supervisorial District for Fiscal Year 2010-11. This Paratransit Program contains agreements with multiple-year terms; the costs for each fiscal year within each agreement will be submitted for your approval as part of future paratransit programs. Each agreement includes a 30-day, no fault clause for termination.

Two existing agreements will expire on June 30, 2010. This action authorizes the Director of Public Works or her designee to negotiate and enter into multiple-year agreements to continue these services for a combined Second Supervisorial District Fiscal Year 2010-11 expenditure of \$145,000. The two agreements are for the following paratransit services: the Lennox Paratransit Service, provided by the City of Inglewood, at a cost to the Second Supervisorial District of \$111,000 (which includes a one-time disbursement of \$16,000 toward the cost of replacement paratransit vehicles) and the Rancho Los Amigos Paratransit Service, provided by the Los Amigos Research Education Institute, Inc., at a cost to the Second Supervisorial District of \$34,000.

Four paratransit services have agreements previously executed: The Alondra Park/Del Aire Paratransit Service; the Carson Paratransit Service; the Ladera Heights Paratransit Service; and the Willowbrook, et al., Paratransit Service are provided under existing agreements for a combined Second Supervisorial District Fiscal Year 2010-11 disbursement of \$473,000.

The Fiscal Year 2010-11 Paratransit Program Budget for the Second Supervisorial District totals \$618,000, which includes service authorized by this Board action for \$145,000 and the previously executed service agreements for \$473,000. The enclosure lists these services with providers, terms, and the Second Supervisorial District's contract amounts.

The necessary funds are available in the Second Supervisorial District's Proposition A Local Return Transit Program included in the proposed Fiscal Year 2010-11 Transit Enterprise Fund Budget.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

On January 4, 1983, the Board directed that funds for paratransit services should be provided from each supervisorial district's allocation of the County's Proposition A Local Return Transit Program at the discretion of each supervisor. In Fiscal Year 1983-84 and in subsequent fiscal years, the Board approved paratransit services providing transportation opportunities for eligible patrons of the unincorporated County areas.

The agreements for the paratransit services are in compliance with the mandatory jury service requirements as set forth in the Los Angeles County Code, Chapters 2.203.010 through 2.203.090, Jury Service Program. The agreements are approved as to form by County Counsel prior to execution.

### **ENVIRONMENTAL DOCUMENTATION**

The proposed activity is statutorily exempt from the provisions of the California Environmental Quality Act pursuant to Section 21080(b)(10) of the Public Resources Code. This exemption provides for the implementation of passenger or commuter transit services.

### **CONTRACTING PROCESS**

The paratransit services for eligible patrons of the unincorporated County areas are provided primarily through participation in joint paratransit services with cities and other governmental agencies adjacent to the unincorporated County areas and less frequently through contracts the County enters into with private (for-profit or nonprofit) transportation service providers.

Through participation in joint paratransit services, the County benefits by a lower service cost due to economies of scale, better service to residents because of service coordination, and subsidies provided through grants, when available, from the Los Angeles County Metropolitan Transportation Authority Proposition A Discretionary Incentive Grant Program (Incentive Grant Program). The Incentive Grant Program provides financial assistance to agencies that coordinate paratransit services across jurisdictional boundaries.

Most of the cities and other governmental agencies that allow the County to partner with them contract with private transportation service providers through a competitive selection and procurement process. The County's share of the cost of the service is proportionately based on the number of unincorporated County residents who use the service. When the County contracts directly with a transportation service provider, a competitive procurement process is used.

### **IMPACT ON CURRENT SERVICES (OR PROJECTS)**

This action provides for the continuation of the current services. The approval of this action will not result in the displacement of any County employees.

The Honorable Board of Supervisors
