April 20, 2010

The Week of the Young Child recognizes the needs of young children and thanks adults involved in their education and care. Parents, teachers, caregivers and other adults play important roles in the lives of young children and the Week of The Young Child celebrates their efforts.

I THEREFORE MOVE THAT the Board of Supervisors declare the week of April 18-24 the "Week of the Young Child" to show support for early learning in our community, to thank teachers who care for our children and ensure that our public policies support early learning for all young children.
