GAIL FARBER, Director

ADDRESS ALL CORRESPONDENCE TO:
P.O. BOX 1460
ALHAMBRA, CALIFORNIA 91802-1460

June 01, 2010

The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

ADOPTED

BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES

#45 JUNE 1, 2010

Sachi A. Hamai
SACHI A. HAMAI
EXECUTIVE OFFICER

FEDERAL TRANSIT ADMINISTRATION
AUTHORIZING RESOLUTION FOR THE FEDERAL TRANSIT ADMINISTRATION SECTION 5311
GRANT PROGRAM
WITH THE CALIFORNIA DEPARTMENT OF TRANSPORTATION
FOR TRANSIT SERVICES IN THE UNINCORPORATED
RURAL AREAS OF THE ANTELOPE VALLEY
FOR FISCAL YEARS 2010-11 - 2012-13
SUPERVISORIAL DISTRICT 5
(3 VOTES)

SUBJECT

This action is to adopt the enclosed resolution approving application for and authorizing the Director of Public Works or her designee to accept the Federal Transit Administration Section 5311 Grant and take appropriate actions, as necessary, in administering the Federal Transit Administration Section 5311 Grant for transit services in the unincorporated rural areas of the Antelope Valley.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that approval of the recommended action does not constitute a project and therefore is not subject to the requirements of the California Environmental Quality Act.
2. Adopt the resolution approving the County of Los Angeles Department of Public Works' applications for approximately \$1,500,000 in grant funds over a three-year period from July 1, 2010, to June 30, 2013, from the Federal Transit Administration Section 5311 Grant Program as administered by the State of California Department of Transportation for transit services in the unincorporated rural areas of the Antelope Valley.

3. Approve an exception to the County of Los Angeles' Grant Policy for this program by authorizing the Director of Public Works or her designee to accept the Federal Transit Administration Section 5311 Grant funds over a three-year period from July 1, 2010, to June 30, 2013, from the State of California Department of Transportation for transit services.

4. Authorize the Director of Public Works or her designee to file the resolution with State of California Department of Transportation and to take appropriate actions, as necessary, including submitting and processing the applications under the Federal Transit Administration Section 5311 Grant Program, issuing certifications and assurances, executing grant agreements and any necessary amendments, and approving and submitting requests for reimbursement.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of this action is to delegate authority to the Director of Public Works or her designee (Director) to file applications for the Federal Transit Administration (FTA) Section 5311 Grant Program and issue certifications, assurances, and other documents required by the FTA pertaining to this program. The grant funds will be used to fund transit services in the unincorporated rural areas of the Antelope Valley.

Delegating authority to the Director to accept the FTA Section 5311 Grant funds and to act as agent when conducting business with the State of California Department of Transportation (Caltrans) on any and all matters related to this grant will help streamline the grant funding administration process, which is received on an annual basis.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan directs the provisions of Operational Effectiveness (Goal 1) and Community and Municipal Services (Goal 3). This action enables the County to accept and utilize FTA Section 5311 Grant funds, thereby maximizing available resources to provide quality transit service to residents of the rural community.

FISCAL IMPACT/FINANCING

There will be no impact to the County General Fund.

Adoption of the enclosed resolution and approval of subsequent agreements with Caltrans will make available to the County of Los Angeles (County) approximately \$1.5 million in grant funds over the three-year period. The County's jurisdictional share of the cost for transit services in the Antelope Valley, less other grants and farebox revenue received is estimated at \$3.4 million over the three-year period, of which \$1.5 million will be offset by the FTA Section 5311 grant. The County will fund the remaining portion of the Antelope Valley transit service cost using funds available in the Fifth Supervisorial District's Proposition A Local Return Transit Program. Public Works will return to the Board at the appropriate time to request approval to fund the County's jurisdictional share of the transit service cost in unincorporated rural areas of the Antelope Valley.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The FTA's Non-Urbanized Area Formula Program, commonly known as the Section 5311 Grant Program, provides funds for public transportation projects and intercity bus projects serving residents

living in rural areas with a population of 50,000 or less. With these funds, the mobility needs of transit users residing in these areas can be both supported and enhanced. Section 5311 Grant Program funds are intended to provide access to employment, education, healthcare, shopping, and recreation.

The Department of Public Works (Public Works) routinely applies to Caltrans for FTA Section 5311 funds to provide transit services to residents in the unincorporated rural areas of the Antelope Valley. The regional apportionment is allocated to the County based on the population of the rural area. With these funds, the mobility needs of rural transit users can be both supported and enhanced. The FTA requires grant applications for Section 5311 funds to be submitted to Caltrans, the State department responsible for administering the grant program.

It is required that the Board adopt the enclosed resolution to apply for the grant funds. Board adoption of the resolution will authorize the Director to file and execute applications, certifications and assurances, agreements, amendments, or any other required documents on behalf of the County for the subject grant program with Caltrans. Board adoption will also authorize the Director to provide additional information as Caltrans may require and to approve and submit requests for reimbursement from Caltrans for the Section 5311 projects.

On July 11, 2000, the Board approved guidelines to be followed when accepting grants of \$100,000 or more. These guidelines include a requirement that County departments prepare a Grant Management Statement for your review prior to carrying out the activities covered under this grant. Accordingly, the Grant Management Statement for this grant is enclosed for your review.

Caltrans will issue a standard agreement for signature each year; therefore, Public Works is recommending that the Board approve an exception to the County's Grant Policy requiring all grants be accepted by the Board. If adopted, this recommendation would authorize the Director to execute a new agreement each year on behalf of the County, after approval as to form by County Counsel. Caltrans will execute the agreements and return a copy to the County.

ENVIRONMENTAL DOCUMENTATION

In accordance with Section 15378 of the California Environmental Quality Act Guidelines (CEQA), approval of the recommended action does not constitute a project and therefore is not subject to the requirements of CEQA. This action will not cause a physical change to the environment.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

This action will have no impact on current services or projects.

The Section 5311 Grant Program will have a positive impact on the County since the funds will reimburse the County for a portion of the cost incurred to provide needed transit services for the residents of the unincorporated rural areas of the Antelope Valley.

CONCLUSION

Please return one adopted copy of this letter and resolution to the Department of Public Works,
Programs Development Division.

Respectfully submitted,

A handwritten signature in cursive script that reads "Gail Farber".

RESOLUTION AUTHORIZING THE FEDERAL FUNDING UNDER
FEDERAL TRANSIT ADMINISTRATION SECTION 5311
(49 U.S.C. SECTION 5311) WITH CALIFORNIA DEPARTMENT OF
TRANSPORTATION

WHEREAS, the U.S. Department of Transportation is authorized to make grants to states through the Federal Transit Administration to support capital and operating assistance projects for nonurbanized public transportation systems under Section 5311 of the Federal Transit Act; and

WHEREAS, the California Department of Transportation (Caltrans) has been designated by the Governor of the State of California to administer Section 5311 grants for public transportation projects; and

WHEREAS, the County of Los Angeles (County) desires to apply for said financial assistance to permit operation of transit services for residents in the rural areas of the Antelope Valley; and

WHEREAS, the County has, to the maximum extent feasible, coordinated with other transportation providers and users in the region (including social service agencies).

NOW, THEREFORE, BE IT RESOLVED AND ORDERED that the County of Los Angeles does hereby:

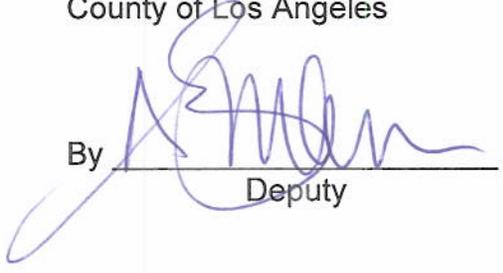

1. Authorize the Director of Public Works, Chief Deputy Director, Assistant Director, Deputy Director, or Assistant Deputy Director, to file and execute applications, certifications and assurances, agreements, amendments, or any other required document on behalf of the County with Caltrans to aid in the financing of operating or capital assistance projects pursuant to Section 5311 of the Federal Transit Act of 1964, as amended.
2. Authorizes the Director of Public Works, Chief Deputy Director, Assistant Director, Deputy Director, or Assistant Deputy Director, to provide additional information as Caltrans may require in connection with the application for Section 5311 projects.
3. Authorize the Director of Public Works, Chief Deputy Director, Assistant Director, Deputy Director, or Assistant Deputy Director, to submit and approve requests for reimbursement of funds from Caltrans for the Section 5311 projects.
