Dear Supervisors:

ACCEPT TWELFTH YEAR GRANT FUNDS UNDER THE JUVENILE ACCOUNTABILITY BLOCK GRANT PROGRAM – FISCAL YEAR 2010-11 (ALL DISTRICTS AFFECTED) (3 VOTES)

SUBJECT

This Board letter requests authority for the District Attorney and Public Defender to accept grant funds under the Juvenile Accountability Block Grant (JABG) Program for Fiscal Year (FY) 2010-11.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Adopt the attached Resolution authorizing the District Attorney and Public Defender to accept grant funds, on behalf of the County, allocated by the California Department of Corrections and Rehabilitation Corrections Standards Authority (CSA) under JABG in the amount of \$801,000, of which \$337,000 will be allocated to the District Attorney and \$464,000 to the Public Defender. A ten percent match of the direct allocation, or \$80,000, is required.
2. Authorize the District Attorney and Public Defender, or their respective designees, to serve as Project Director for their respective programs and to execute, on behalf of the County, the grant award agreement and any required extensions, revisions, or amendments.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the program is to promote greater accountability of juveniles in the juvenile justice system and to hold juvenile offenders accountable for their criminal activities. CSA supports this ongoing effort by coordinating JABG grant funds for State and local

government agencies. This is the twelfth year of the JABG program. The current grant will fund programs from July 1, 2010 through June 30, 2011. A Board approved Resolution authorizing acceptance of the grant funds is required by CSA in order for the funds to be released to the County.

In accordance with the granting agency requirements, the Chief Executive Office (CEO) convened a meeting on May 12, 2010, of the JABG Advisory Board, comprised of representatives from various agencies, to consider and recommend allocation of the \$801,000 JABG funds allocated to the County. The JABG Advisory Board voted to recommend allocation of \$337,000, or approximately 42 percent of the funds, to the District Attorney Juvenile Offender Intervention Network (JOIN) program and \$464,000, or approximately 58 percent, to the Public Defender Client Assessment Recommendation Evaluation (CARE) project.

Implementation of Strategic Plan Goals

These JABG programs are consistent with the County's Strategic Plan Goal No. 1: Operational Effectiveness - To maximize the effectiveness of the County's processes, structure, and operations to support timely delivery of customer-oriented and efficient public services; Goal No. 2: Children, Family and Adult Well Being - To enrich lives through integrated, cost effective, and client-centered supportive services; and Goal No. 5: Public Safety - To ensure that the committed efforts of the public safety partners continue to maintain and improve the safety and security of the people of Los Angeles County.

FISCAL IMPACT/FINANCING

Los Angeles County's 2010-11 JABG allocation is \$801,000, or 90 percent of the total program cost of \$881,000. JABG guidelines require a ten percent match of the direct allocation, or \$80,000. An allocation of \$337,000 and \$464,000 will be included in the District Attorney and Public Defender's 2010-11 budgets, respectively. The departments will use existing resources to absorb the required match.

Should funding for these programs be terminated, an evaluation will be conducted to determine if the programs would be discontinued with the reallocation of staff to vacant budgeted positions.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The JABG program remains under Title II of the Federal Omnibus Crime Control and Safe Streets Act. CSA recently published the 2010 JABG funding award amounts designated by Congress. The amount allocated for eligible counties in California is \$2,536,000, which is the same amount as last year. Of the State award, \$801,000 is allocated to Los Angeles County.

The JABG Advisory Board membership consists of the Presiding Judge of the Juvenile Court, City of Monterey Park Chief of Police, and representatives from the following agencies: Sheriff's Department, District Attorney's Office, Probation Department, Public Defender's Office, Department of Children and Family Services, Los Angeles County Office of Education, Children's Advocacy Center, and the Los Angeles Boys and Girls Club.

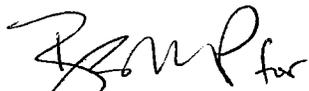

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The District Attorney's JOIN program will receive \$337,000 and the Public Defender's CARE project will receive \$464,000. Unfunded program components will be absorbed by each department or reduced as necessary. The funding allocation was recommended by the JABG Advisory Board and has been reviewed and cleared by the affected County departments regarding service level impact.

CONCLUSION

Upon approval by the Board of Supervisors, it is requested that the Executive Officer-Clerk of the Board return three original signature copies of the adopted Resolution to this office.

Respectfully submitted,

WILLIAM T FUJIOKA

COUNTY JABG FUNDS

The District Attorney and Public Defender are the County agencies participating in JABG for FY 2010-11. Each of the participating County agencies will use the grant funds for the following programs:

District Attorney

\$337,000

- The Juvenile Offender Intervention Network (JOIN) program diverts first-time serious offenders ages 10-17 into a voluntary one-year program that offers immediate intervention and accountability without formal prosecution. Under the supervision of a Hearing Officer, JOIN youth and their parents promptly take responsibility for their actions, make restitution and apologize to their victim(s), perform community service, attend school regularly, and participate in counseling and parenting programs. JOIN cases are resolved without a court appearance at approximately 12 percent of the cost of court processing. JOIN's success rate exceeds 72 percent, making it one of the most effective juvenile diversion programs in California. JOIN has received numerous awards, including the LA County Stars Organizational Effectiveness Award in January 2007, which recognized the program as an outstanding service delivery system that is efficient, effective and goal-oriented.

Public Defender

\$464,000

- The Client Assessment Recommendation Evaluation (CARE) project strategically integrates psychiatric social workers and resource attorneys into defense teams at the 10 Juvenile Courts to assess, identify, and make disposition recommendations to the Juvenile Court to address children's mental health, special education, and psycho-social needs. CARE project services include conducting psycho-social assessments, identifying services and programs to meet the child's needs, assisting in initiating early intervention of needed services, providing client and family support during the court process, and developing recommendations for effective disposition plans. CARE serves approximately 1,300 juvenile clients annually. In a recent case review, 72% of CARE youth had no new criminal charges filed in either the juvenile or adult court within one year of the youth's disposition in juvenile court. In March, 2008, CARE received the California Council on Mentally Ill Offenders "Best Practices" award for its approach in effectively serving the needs of the mentally ill offender. In November, 2008 CARE was recognized by the Juvenile Justice Delinquency Prevention State Advisory Group for its dedication and significant contributions to the juvenile justice field.
