

MINUTES OF THE BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES, STATE OF CALIFORNIA

Violet Varona-Lukens, Executive Officer
Clerk of the Board of Supervisors
383 Kenneth Hahn Hall of Administration
Los Angeles, California 90012

County Counsel
Director of Public Works

At its meeting held May 20, 2003, the Board took the following action:

104-A

Supervisor Antonovich made the following statement:

“It has recently come to my attention that the California Highway Patrol is having difficulty enforcing traffic regulations on a number of streets in the unincorporated area of the Santa Clarita Valley. This problem has arisen due to the fact that the County has been unable to accept these streets for maintenance due to remaining roadwork.

“While it is important to ensure that developers complete all road improvements before the County accepts maintenance and liability, it is also vital that our law enforcement agencies be able to enforce traffic regulations.”

Therefore, on motion of Supervisor Antonovich, seconded by Supervisor Molina, unanimously carried, the Director of Public Works was instructed, in conjunction with County Counsel, to report back to the Board within 30 days with a plan that allows the California Highway Patrol to lawfully enforce traffic regulations on streets in the unincorporated area of the Santa Clarita Valley that have not yet been accepted for maintenance by the County.
