

MOTION BY SUPERVISOR GLORIA MOLINA

November 30, 2010

AMENDMENT TO ITEM NO. 68

Beyond the annual and quarterly reporting of judgments, settlements, fees, and costs, a key responsibility of the Litigation Cost Manager is to provide analysis, insight, and recommendations to this Board, the Chief Executive Officer, and County Departmental leadership on litigation trends, areas of concern, and strategies for reducing our legal exposure.

In his FY 2009-10 Annual Litigation Report, the Litigation Cost Manager has made a number of important confidential findings and recommendations regarding our legal exposure that deserve careful review and prompt implementation.

I, THEREFORE, MOVE, that this Board adopt the Litigation Cost Manager's proposed recommendations and direct the CEO, Risk Management, County Counsel and the relevant Department Directors and entities identified in the recommendations to review and implement these recommendations as appropriate and prepare a confidential report back to this Board within 45 days on the status of each recommendation.
