

MOTION BY MAYOR MICHAEL D. ANTONOVICH

APRIL 26, 2011

The intersections of Swan Lane and Cardinal Drive, Toucan Place and Cardinal Way and Lark Way and Oakdale Canyon are all part of a winding master planned street network in the Canyon Country area of Santa Clarita.

The master planned community is developed with Fair Oaks Ranch Community School and Golden Oaks Community School. Both locations have seen an increase in student enrollment with a majority of those students walking to and from school. The increase in foot traffic and lack of official crossings has created a hazardous condition for people navigating their neighborhood. Despite signage alerting motorists of a 25-mph zone when children are present, there continues to be a problem with speeding motorists and pedestrian exposure.

I, THEREFORE, MOVE that the Board of Supervisors direct the Director of Public Works to install stop signs at the intersections of Swan Lane and Cardinal Drive, Toucan Place and Cardinal Way and Lark Way and Oakdale Canyon.
