(3 VOTES)**

SUBJECT

This action is to initiate the proceedings for the annexation of territories located within the unincorporated areas of Valinda, Avocado Heights, North Whittier, Los Nietos, Hacienda Heights, and La Rambla, and in the City of Palmdale to the County Lighting Maintenance Districts 1687 and 1616, and County Lighting District LLA-1, (Unincorporated and Palmdale Zones), respectively; formation of Improvement Zone 554 for Petition No. 57-1010; and order the preparation and filing of an Engineer's Report for each petition area

IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that the following actions are categorically exempt from the provisions of the California Environmental Quality Act for the reasons stated in this letter and in the record of the project.
2. Approve and file Petition Nos. 146-907, 15-309, 20-410, 28-510, 57-1010, and 70-1110 to annex

territories located within the unincorporated County areas to County Lighting Maintenance District 1687, and County Lighting District LLA-1 (Unincorporated Zone), and form Improvement Zone 554 for Petition No. 57-1010.

3. Approve and file Petition No. 51-810 to annex territory located in the City of Palmdale to County Lighting Maintenance District 1616 and County Lighting District LLA-1 (Palmdale Zone).

4. Adopt the Resolution initiating proceedings for the annexation of territories to County Lighting Maintenance Districts 1687 and 1616 and County Lighting District LLA-1 (unincorporated and Palmdale Zones) and formation of Improvement Zone 554.

5. Order the Department of Public Works to prepare and file an Engineer's Report for each petition area.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended action is to find that the project is categorically exempt from the California Environmental Quality Act (CEQA) for your Board to initiate proceedings for the annexation of territories to County Lighting Maintenance Districts (CLMDs) 1687 and 1616 and County Lighting District (CLD) LLA-1 (Unincorporated and Palmdale Zones) (collectively, CLDs) and order the preparation and filing of an Engineer's Report (Report) for each petition area, pursuant to section 22585(d) of the California Streets and Highways Code. Each Report will include, but not be limited to, the plans for improvements, the estimated cost of the improvements, a diagram showing the area to be annexed, and the annual assessment that will be applicable.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan directs the provision of Operational Effectiveness (Goal 1). The Department of Public Works (Public Works) ensures the fiscal sustainability of street lighting services by performing the annexation, formation, levying of assessments, and property tax transfer to provide the funding necessary for the installation, operation, and maintenance of new street lighting facilities within the annexed territories. In addition, this action is consistent with Community and Municipal Services (Goal 3) since street lighting services provides for the delivery of a customer-oriented municipal service that improves the quality of life for residents in the area.

FISCAL IMPACT/FINANCING

There will be no impact to the County General Fund.

The fiscal impact to the County Lighting Districts will be assessed once the Reports for the petition areas are complete.

Sufficient funds are included in the Fiscal Year 2011-12 County Lighting Districts Budget to finance the cost of the Reports.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Petition Nos. 146-907 (Aldgate Avenue, et al.), 15-309 (Pellissier Road), 20-410 (Cliota Street), 28-510 (Norwalk Boulevard, et al.), and 70-1110 (Bellmarin Drive, et al.) all located within the unincorporated County area, favoring the annexation of territories and installation of street lights, were signed by property owners or representatives representing 61, 98, 64, 100, and 64 percent, respectively, of each area proposed for annexation to CLMD 1687 and CLD LLA-1 (Unincorporated Zone).

Petition No. 57-1010 (New Hampton Street, et al.) favoring the annexation of territory and formation of Improvement Zone 554 to finance the installation of street lights on concrete poles with overhead wiring was signed by property owners representing 61 percent of the area proposed for annexation to CLMD 1687 and CLD LLA-1 (Unincorporated Zone).

Petition No. 51-810 (Arrowhead Court) located within the City of Palmdale, favoring the annexation of territory and continued operation of existing street lights located therein, were signed by property owners representing 65 percent of the areas proposed for annexation to CLMD 1616 and CLD LLA-1 (Palmdale Zone).

These petitions comply with 60 percent or more requirements in a policy adopted by your Board on March 11, 1980. The enclosed petitions indicate the approximate assessment for the installation, operation, and maintenance of the street lights to be paid by the property owners within the territories to be annexed. The proposed annexation areas are shown on the maps attached to the enclosed petitions.

These proceedings are governed by the Landscaping and Lighting Act of 1972 (section 22500 et seq. of the California Streets and Highways Code). Public Works will prepare a Report for each petition area that complies with section 22565 et seq. of the California Streets and Highways Code and Article XIII D, Section 4(b), of the California Constitution.

After your Board adopts the enclosed Resolution initiating proceedings, a separate Resolution of Intention to Annex Territory to CLMDs 1687 and 1616 and CLD LLA-1 (Unincorporated and Palmdale Zones) and form Improvement Zone 554 will be prepared and submitted for your Board's consideration and adoption. The Report for each petition area will also be filed at that time.

The Resolution initiating proceedings has been approved as to form by County Counsel.

ENVIRONMENTAL DOCUMENTATION

The proposed project is categorically exempt from the provisions of CEQA. The project to annex territories to CLMDs 1687 and 1616, and CLD LLA-1 (Unincorporated and Palmdale Zones) and form Improvement Zone 554 for the purpose of enhancing street lighting is within a class of projects that have been determined not to have a significant effect on the environment in that it meets the criteria set forth in Section 15301(c) of the CEQA Guidelines and Class 1(x)(27) of the County's Environmental Document Reporting Procedures and Guidelines, Appendix G, which specifically include annexations to street lighting districts and installation of street lights and involves no expansion of use. In addition, there are no cumulative impacts, unusual circumstances, or other limiting factors that would make the exemption inapplicable based on the project records.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Preparing the Reports is consistent with the current services regularly conducted by Public Works.

CONCLUSION

Please return one adopted copy of this letter and the signed Resolution initiating proceedings to the Department of Public Works, Traffic and Lighting Division. Also, please forward one adopted copy of the letter to the County Assessor, Ownership Services Section (Attention Angela Gadsden) and one to the Auditor-Controller, Tax Division (Attention Kelvin Aikens).

Respectfully submitted,
