Attention: Treasurer Tax Collector

Yellow Cab Co. of San Gabriel would like to propose an acceptance for approval for a business license in order to serve the County of Los Angeles unincorporated areas. By giving us the opportunity, we would be servicing the public with low fare rates and excellent customer service. We service the public on a day to day basis with trips to work, doctor appointments, taking children to school, helping the El Monte and La Puente School District children with special needs, senior citizen communities, law firms, government agencies and many more. Without the county license we have had to refer these calls to the competition, since many of the calls are in the unincorporated areas. Having more calls in those areas would help to support our families; it would be an improvement to our business and the growth of Yellow Cab Co. As well as servicing the community.

We also provide wheelchair service for the elderly and students who need to attend special needs programs. Many of these trips come from our medical accounts. We have several medical accounts that are covered by insurance companies. These are some of the accounts that we service. Central Health, San Gabriel/Pomona Regional Center, Access Services, Garfield Medical, Kaiser Permanente, Latino Eyes Study, Center for Outpatient Surgery and many more. Some of these accounts we have been servicing for over 15 years. Besides the medical accounts, we have clients that are long time customers of ours that we transport on a daily basis. Our drivers are well equipped and have gone through sensitivity training and behind the wheel training, to better assist our clients and the public. We instruct our drivers to assist the client as they enter and exit the vehicle and if they need assistant with the seat belts. Many of our clients are elderly and have medical conditions. When they come out from the doctor the client may have had surgery or a treatment. They may not be feeling so well, so our driver's take the extra time to make sure the client feel comfortable and safe.

Southern California Transportation

dba Yellow Cab Co. of San Gabriel Valley

14920 E. Clark Avenue, Hacienda Heights, CA 91745

Even though our fleet is not big we have remained very competitive. We have bilingual call takers available 24 hour a day. We offer special services to several senior centers in several areas. Some of these cities provide vouchers for them. We have discount coupons for the public and 10% discount to senior citizens. We also service restaurants and bars for those patrons that are under the influence. If a client is not completely satisfied we offer a voucher to use at another time for the same value.

Having our business located in the city of Hacienda Heights we have seen the need for a better transportation service to better serve the needs of the community. We understand that the economy times are tough, but giving the public the option of a fare that is reasonable assures them that they can get where they need to go safe and in a safe and timely manner. In comparison to other cab companies rates of almost \$3.00 flag drop plus \$3.00 per mile in the city and county of Los Angeles our rates are extremely affordable. Our rates are \$1.50 flag drop plus \$2.40 per mile giving the community additional savings. Even if the gas prices are high we plan to maintain our rates in order to remain competitive to help our local communities.

Yellow Cab Co. of San Gabriel Valley would benefit with having the county of Los Angeles license. It would help the growth of the business. It would provide more jobs to the community and we would continue to service the public. We would like to thank you in advance for the opportunity to apply for the business license for the unincorporated areas of Los Angeles County. (Attached you will find our logs)

Sincerely,

Helen Garcia
