Los Angeles, California 90012

Dear Commissioners:

**APPROVE THE ANNUAL PLAN FOR THE HOUSING AUTHORITY OF THE COUNTY
OF LOS ANGELES
(ALL DISTRICTS) (3 VOTE)**

SUBJECT

This letter recommends approval of the Housing Authority's Annual Plan for Fiscal Year 2012-2013. The Annual Plan updates the Housing Authority's program goals, major policies, and financial resources. Submission of the Annual Plan is also required by the U.S. Department of Housing and Urban Development (HUD) for receipt of Capital Fund Program (CFP) funds, operating funds for the Public Housing Program and administrative fees for the Section 8 Program.

**IT IS RECOMMENDED THAT YOUR BOARD, AT THE CONCLUSION OF THE
PUBLIC HEARING:**

1. Find that the activities in the attached Annual Plan for Fiscal Year 2012-2013, as described herein, are not subject to the provisions of the California Environmental Quality Act (CEQA), because they will not have the potential for causing a significant effect on the environment.
2. Approve the attached Annual Plan, as required by the U.S. Department of Housing and Urban Development (HUD), to update the Housing Authority's program goals, major policies and financial resources, including the Capital Fund Program (CFP) Annual Statement and Five-Year Action Plan, the Admissions and Continued Occupancy Policy for the Public Housing Program, the

Public Housing Lease Agreement, and the Housing Choice Voucher (Section 8) Program Administrative Plan.

3. Adopt and instruct the Chairman to sign the attached Resolution approving the Annual Plan for submission to HUD, and authorizing the Executive Director to take all actions required for implementation of the Annual Plan.
4. Authorize the Executive Director to execute all documents required to receive approximately \$4,800,000 in CFP funds from HUD for management improvements, administrative costs, and the rehabilitation of 1,143 housing units at seven Public Housing Program developments throughout Los Angeles County, as described in the Annual Plan.
5. Authorize the Executive Director to incorporate into the Annual Plan all public comments received and approved for inclusion by your Board; and authorize the Executive Director to submit the Annual Plan to HUD by April 17, 2012.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Section 511 of the Quality Housing and Work Responsibility Act of 1998 (QHWRA) mandates that the Housing Authority submit an Annual Plan to update the Five-Year Plan program goals and objectives each year, as well as major program policies and financial resources.

FISCAL IMPACT/FINANCING

There is no impact on the County general fund. Upon approval of the Annual Plan, the Housing Authority will receive approximately \$4,800,000 in CFP funds from HUD for management improvements, administrative costs and housing rehabilitation for the Public Housing Program. Operating funds for the Public Housing Program and administrative fees for the Section 8 Program will be approved through the annual budget process.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

On October 21, 1998, the QHWRA mandated that all housing authorities submit an Annual Plan to HUD. The Annual Plan identifies goals, major program policies, and financial resources for both the Public Housing Program and the Section 8 Program.

The Annual Plan identifies major program policies and financial resources. It updates information on housing needs, waiting lists, housing strategies, deconcentration and income mixing plans, income analyses, and other program and management data. The

Annual Plan must be updated each year and was last approved by your Board on March 22, 2011.

Also included as part of the Annual Plan are the updated CFP Annual Statement and Five-Year Action Plan, the Admissions and Continued Occupancy Policy for the Public Housing Program, the Public Housing Lease Agreement, and the Section 8 Program Administrative Plan. Significant changes to these documents are discussed below.

Annual Plan Major Changes

The Housing Authority will pursue the disposition of some or all of the 38 public housing sites located in the South Los Angeles County area. The 409 units would continue to serve extremely low and low income people. The majority of the 38 South Los Angeles County sites are very small and scattered. Additionally, the distance between sites poses a distinct challenge to manage and operate efficiently. Moreover, most of the South Los Angeles County sites are located in high crime neighborhoods, and contracting for supplemental law enforcement/community policing for these scattered sites is cost prohibitive.

As a result, the Housing Authority is considering several disposition options, and will evaluate each individual property to determine the most appropriate course of action. The Housing Authority expects to submit disposition or other appropriate applications to HUD to pursue the changes discussed below in Fiscal Year 2012-2013.

The Housing Authority will consider selling some of the South Los Angeles County sites and using disposition proceeds to replace these scattered sites with a more manageable multi-family model. Disposition would allow the Housing Authority to acquire or develop other properties that could be more efficiently and effectively operated as low-income housing.

The Housing Authority is also submitting an application to designate 13 public housing senior/disabled developments as housing for elderly households only, and the Housing Authority will include some or all of the 1282 public housing senior/disabled units in the disposition application. The U.S. Census Bureau projects that the elderly in California will have an overall increase of 112 percent from 1990 to 2020. Los Angeles County mirrors this trend. Through senior designation, the Housing Authority will be able to address the specific and growing housing needs of the elderly. Additional revenue from the disposition will enable the Housing Authority to provide senior support services, such as the Assisted Living Waiver Pilot Program (ALWPP) currently at South Bay Gardens and Orchard Arms senior housing developments. Near elderly and disabled currently in senior housing will be given the option of remaining in their existing unit or relocating to comparable family housing provided by the Housing Authority, where case management services are currently in place.

The Housing Authority will also consider utilizing the sale of low-income housing tax credits as a funding mechanism to complete construction and/or rehabilitation of housing sites. This would require disposition to a limited partnership that could use the tax credits. The Housing Authority or a related corporation could be a general partner in the limited partnership. As an additional option, units may be converted into project-based and/or tenant-based Section 8 vouchers, and as part of such initiatives, title may be transferred to a Housing Authority non-profit organization for ownership and/or management of these properties. Transferring title to a Housing Authority non-profit would allow access to funding sources not currently available under the public housing program and would increase the opportunity to manage the properties with a "private industry"/asset management model.

The Housing Authority will also pursue the disposition of the property located at 4800 East Cesar E. Chavez in unincorporated East Los Angeles County. This administrative building is currently occupied by the Community Development Commission/Housing Authority and the University of California Cooperative Extension Program. The Housing Authority is exploring the possibility of selling the property to a community resource provider. This administrative building is not needed for the continued operation of public housing.

The disposition of some or all of these properties is in the best interest of the residents and the Housing Authority, and is consistent with the Housing Authority's goals, the Housing Authority's Annual Plan, and with the 1937 Housing Act. Given evolving HUD policies, the Housing Authority may also consider alternatives to disposition such as voluntary conversion and the Rental Assistance Demonstration (RAD) program. In all cases, current residents' subsidies would be protected through use of voucher, public housing or other assisted housing subsidies.

Finally, depending on legislation and the opportunity, the Housing Authority will pursue Moving to Work (MTW) designation. MTW is a demonstration program for Public Housing Authorities (PHAs) that provides them the opportunity to design and test innovative, locally-designed strategies that use federal dollars more efficiently, help residents find employment and become self-sufficient, and increase housing choices for low-income families. MTW gives PHAs exemptions from many existing public housing rules and more flexibility with how they use their federal funds.

Capital Fund Annual Statement

During Fiscal Year 2010-2011, a total of 2,345 housing units were rehabilitated at 14 Public Housing Program developments throughout Los Angeles County.

The Fiscal Year 2012-2013 Capital Fund Annual Statement summarizes the Housing Authority's plan to use modernization funds for management improvements, administrative costs and to rehabilitate 1,143 housing units at seven Public Housing

Program developments throughout Los Angeles County. Included are proposed work items, estimated costs, and an implementation schedule for the work to be completed.

As authorized by HUD, the Executive Director may amend the CFP Annual Statement as necessary to respond to needs such as housing emergencies, to safeguard property or protect health and safety, or to implement other changes that are in the interests of the Housing Authority and public housing residents. The Executive Director may also implement changes to the CFP Annual Statement in response to changes in federal funding.

Admissions and Continued Occupancy Policy and Lease Agreement for the Public Housing Program

The purpose of the Admissions and Continued Occupancy Policy and Lease Agreement for the Public Housing Program is to set guidelines to determine eligibility for admission and continued occupancy. The revised Public Housing Program Admissions and Continued Occupancy Policy and Lease Agreement reflect the following five changes:

First, Chapter 19 of the current Admissions and Continued Occupancy Policy contains policies to ensure that Limited English Proficient (LEP) individuals have meaningful access to the Housing Authority's Public Housing Program. However, to ensure comprehensive language services to LEP individuals, the Housing Authority collaborated with Neighborhood Legal Services (NLS) to clarify current policy language and four additional policies.

The Housing Authority will now:

- Ask at the time of application and annual reexamination for designation of primary language and language services needs.
- Provide oral translation of documents not translated.
- Require LEP individuals to sign a waiver of language services if they wish to use their own interpreter.
- Include requests for informal interpreters used in the annual four-factor analysis.

Second, currently a family must obtain approval of any additional family member before the person occupies the unit, except for additions by birth, adoption, or court-awarded custody. The Housing Authority only specifies two types of household additions that require Housing Authority approval. Upon approval by the Housing Authority, families may add the following persons but are not limited to the following:

- A resident plans to marry and add his or her spouse to the lease.
- A resident desires to add a new family member to the lease, and/or employ a Live-in Aide.

In order to provide a stable environment to children during the custodial process and to clarify the Housing Authority's policies on allowable family additions, the Housing Authority will now allow the following family additions:

Families may add a child to the household without Housing Authority approval through birth, adoption, court-awarded custody **or if a social service agency (i.e. DPSS, DCFS, etc.) has approved the addition of the minor child to the household.** Upon approval by the Housing Authority, families may add only the following persons:

- Spouse or marital-type partner
- Minor child of the head of household, co-head, spouse or marital-type partner who has been living elsewhere
- Live-in Aide
- Adult child due to recent discharge from the military
- A disabled adult who requires disability-related care

Third, for applicants who have previous outstanding debts incurred by any adult member of an applicant household to this Housing Authority, any other Housing Authority or any other governmental agency, the applicant must pay the debt in full prior to admission.

Fourth, in order to expedite and increase accuracy of rent payment credit to the tenant's account, the Housing Authority will provide a resident the additional options of submitting rent payments online and/or through automatic debit from the resident's bank account. Currently, residents can pay their rent by mailing a check or money order to a bank Postal Office Box.

Fifth, the Housing Authority will not accept rent payments in any form if a resident is served with a Notice of Termination and is not in the grievance hearing process. Currently the Admissions and Continued Occupancy Policy and Lease Agreement do not specify this policy.

Housing Choice Voucher (Section 8) Program Administrative Plan

The purpose of the Section 8 Program Administrative Plan is to set forth the policies and procedures that govern the Housing Authority's administration of rental assistance under this program. The revised Section 8 Program Administrative Plan reflects the following nine changes:

First, Chapter 1 of the current Administrative Plan contains policies to ensure that Limited English Proficient (LEP) individuals have meaningful access to the Housing Authority's rental assistance programs. However, to ensure comprehensive language services to LEP individuals, the Housing Authority collaborated with Neighborhood Legal Services (NLS) to clarify current policy language and four additional policies.

The Housing Authority will now:

- Ask at the time of application and annual reexamination for designation of primary language and language services needs.
- Provide oral translation of documents not translated.
- Require LEP individuals to sign a waiver of language services if they wish to use their own interpreter.
- Include requests for informal interpreters used in the annual four-factor analysis.

Second, families receiving rental assistance under the Veterans Affairs Supportive Housing (VASH) program are required to receive case management services through the Veterans Affairs Medical Center (VAMC). If a VASH voucher holder no longer requires case management services, the family currently continues to receive assistance under the VASH program and is excused from the case management requirement.

VASH families who no longer require case management services will now be given a regular Section 8 voucher in order to free the VASH voucher for another homeless veteran in need of case management services.

Third, the Housing Authority is proposing the following changes to its Compliance Check Inspections policy:

- The Housing Authority will now conduct compliance check inspections Monday through Friday, 7:30 a.m. to 6:30 p.m. If advance notice is given to the family, the Housing Authority may continue to conduct compliance check inspections on Saturdays between 9:00 a.m. and 5:00 p.m.
- For all compliance check inspections, the Housing Authority will be the lead agency.
- An investigator must now obtain written consent from the adult in control of the home in order to use an audio or visual recording device to record a compliance check inspection.

Fourth, annual reexaminations that result in tenant rent decreases are currently effective on either the anniversary date or the first of the month following the completion of the reexamination, whichever is later.

The Housing Authority is now proposing to make all annual reexaminations that result in tenant rent decreases effective on the anniversary date. However, all reported income decreases will still be processed immediately as an interim reexamination.

Fifth, the Housing Authority currently reviews criminal history from the date the applicant family is selected from the Active Waiting List and determined eligible. While current policy does not mandate a specific date from which to begin the criminal history review for incoming portable families, it has been the Housing Authority's practice to begin on

the date the Request for Transfer is received from the initial public housing agency (PHA).

Therefore, the Housing Authority will now clarify its policy to state that the date from which the criminal history review will begin for incoming portable families is the date the Request to Transfer is received from the initial PHA.

Sixth, when only minors are left in the household and a caretaker must enter the household to care for the children, the Housing Authority currently allows the caretaker to remain in the unit for up to 12 months as a "visitor" until they can be approved as a permanent guardian by the courts and the Housing Authority.

To help stabilize the children's living environment and allow proper reporting to HUD of the current family composition and income, the Housing Authority will now add the caretaker to the household composition immediately while pending eligibility review, including criminal background check.

Seventh, the current Administrative Plan states that if the family is contributing 60% or more of their adjusted family income toward rent, they are required to attend a counseling session. If the family discloses they are concerned about their ability to pay their rent, trained staff will help them find an affordable unit.

This policy is not a HUD requirement and is administratively burdensome. Therefore, the Housing Authority is removing this policy to accommodate the decrease in administrative funding and the resulting elimination of staff positions.

Eighth, the Housing Authority is proposing to change its current family additions policy in order to provide a stable environment to children during the custodial process. The new policy will read as follows:

Families may add a child to the household without Housing Authority approval through birth, adoption, court-awarded custody, ***or if a social service agency (i.e. DPSS, DCFS, etc.) has approved the addition of the minor child to the household.***

Ninth, the Housing Authority supports the County's recent initiatives to end chronic homelessness. In order to ensure the most underserved homeless families obtain housing assistance, the Housing Authority will now reduce the following eligibility criteria only for homeless applicants referred through community-based organizations with agreements with the Housing Authority:

1. The Housing Authority will reduce the criminal history review period for drug-related or violent crime from three years to two years.
2. The Housing Authority will waive the prohibition against applicants on parole or probation.

As required by Section 24 of the Code of Federal Regulations, Part 903.17, a public hearing to approve the Annual Plan was conducted. Copies of the Annual Plan were made available for review and comment during a public comment period from December 27, 2011 to February 9, 2012 at nine public libraries, 11 housing developments, the South Whittier Community Resource Center, Housing Authority administrative offices, and the Housing Authority website. Notices of the availability of the documents and the public hearing were also published in newspapers of general circulation during the public comment period. On February 22, 2012, the Housing Commission recommended approval of the Annual Plan.

The Summary of Public Outreach regarding the Annual Plan, a list of the seven Public Housing Program developments in the Capital Fund Annual Statement for Fiscal Year 2012-2013, and the Annual Plan, are provided as Attachments, A, B, and C, respectively.

The Resolution approving the Annual Plan for submission to HUD, provided as Attachment D, has been approved as to form by County Counsel. At the conclusion of the Public Review and Comment period, the Housing Authority will provide to your Board all public comments pertaining to the Annual Plan. At the conclusion of the public hearing, public comments approved by your Board will be incorporated into the Annual Plan and submitted to HUD.

ENVIRONMENTAL DOCUMENTATION

These activities are exempt from the provisions of the National Environmental Policy Act (NEPA) pursuant to 24 Code of Federal Regulations, Part 58, Section 58.34 (a)(1), because they involve planning activities that will not have a physical impact on or result in any physical changes to the environment. The activities are also not subject to the provisions of CEQA pursuant to State CEQA Guidelines 15060(c)(3) and 15378, because they are not defined as a project under CEQA and do not have the potential for causing a significant effect on the environment.

Prior to implementation of any particular project, an Environmental Service Request will be submitted to the Community Development Commission's Environmental Services Unit for review. Each project will receive an environmental clearance in accordance with CEQA Guidelines and NEPA regulations before proceeding with the project.

All ROSS Family Grants are now officially closed and expended. HUD has not offered ROSS Family Grants since 2008. The HA currently administers a recently awarded Public Housing Family Self-Sufficiency (PH-FSS) program exclusively for public conventional housing residents. Disposition would allow the Housing Authority to acquire or develop other properties that could be more efficiently and effectively operated as low-income housing. The Housing Authority will also consider utilizing sale of low-income housing tax credits as a funding mechanism to complete construction and/or rehabilitation of housing sites. This would require disposition to a limited partnership that could use the tax credits. The Housing Authority or a related corporation could be a general partner in the limited partnership. As an additional option, units may be converted into project-based and/or tenant-based Section 8 vouchers and as part of such initiatives title may be transferred to a Housing Authority non-profit organization for ownership and/or management of these properties. Transferring title to a Housing Authority non-profit would allow the Housing Authority to access funding sources not currently available under the public housing program and would increase the opportunity to manage the properties with a "private industry"/asset management model. The Housing Authority is also submitting an application to designate 13 public housing senior developments as housing for elderly families only and will include some or all of the 1282 public housing senior units in the disposition application. The U.S. Census Bureau projects that the elderly in California will have an overall increase of 112 percent from 1990 to				

2020. Los Angeles County mirrors this trend. Through senior designation, the Housing Authority will address the specific and growing housing needs of the elderly. Additional revenue from the disposition will enable the Housing Authority to provide senior support services, such as, the Assisted Living Waiver Pilot Program (ALWPP) currently at South Bay Gardens and Orchard Arms senior housing developments. Near elderly and disabled currently in senior housing will be given the option to remain in their existing unit or they can choose to relocate to comparable family housing provided by the Housing Authority where case management services are currently in place.

Finally, the Housing Authority will pursue the disposition of the property located at 4800 East Cesar E. Chavez located in unincorporated East Los Angeles County. This administrative building is currently occupied by the Community Development Commission/Housing Authority and the University of California Cooperative Extension Program. The Housing Authority is exploring the possibility of selling the property to a community resource provider. This administrative building is not needed for the continued operation of public housing.

The disposition of some or all of these properties is in the best interest of the residents and the Housing Authority and is consistent with the Housing Authority's goals, the Housing Authority's Annual Plan and with the 1937 Housing Act. Given evolving HUD policies, the Housing Authority may also consider alternatives to disposition such as voluntary conversion and the Rental Assistance Demonstration (RAD) program. In all cases, current residents' subsidies would be protected through use of voucher, public housing or other assisted housing subsidies.

The Housing Authority expects to submit disposition or other appropriate applications to pursue the changes discussed above in Fiscal Year 2012-2013.

Executive Summary

The HA administers the Housing Choice Voucher and Conventional Public Housing programs for residents in Los Angeles County. The contents of the Annual Plan reflect the current state of operations and management of the affordable housing programs.

The HA is proposing the following major changes for the Section 8 Programs:

1. **COMPLIANCE CHECK INSPECTIONS – CONSENT TO RECORD**

Currently, there is no policy governing the use of audio or visual recordings of compliance check inspections. Now, the HA will require investigators to obtain written consent from the adult present before an audio or visual recording can be made of the compliance check inspection.

2. **COMPLIANCE CHECK INSPECTIONS – BUSINESS HOURS**

The HA currently allows compliance check inspections to occur Monday through Friday, 7:30 a.m. to 6:30 p.m. If the family is given advance notice of the visit, the compliance check may occur Monday through Friday from 7:30 a.m. to 7:30 p.m. and Saturday from 9:00 a.m. to 5:00 p.m. If the HA is not the lead agency to approach the assisted unit, these hours do not apply.

The HA will now conduct compliance check inspections Monday through Friday from 7:30 a.m. to 6:30 p.m. If the family is given advance notice, the HA may also conduct the inspection on Saturday from 9:00 a.m. to 5:00 p.m. The stated business hours will apply, regardless of who is the lead agency to approach the assisted unit.

3. **VASH TERMINATIONS**

Participants of the Veterans Affairs Supportive Housing (VASH) program must participate in case management services through the VA Medical Center. The HA currently allows VASH voucher holders to continue receiving housing assistance under VASH when the VA determines they no longer need case management services.

The HA will now transfer the VASH family to a regular Housing Choice Voucher when they no longer require case management services. This approach will allow additional VASH vouchers to be used for homeless veterans in need of case management services.

4. **LIMITED ENGLISH PROFICIENCY (LEP)**

The HA maintains a policy for serving LEP individuals that is in compliance with federal requirements. However, the HA recently collaborated with Neighborhood Legal Services to clarify the LEP policy.

In addition, the HA will now do the following to ensure LEP individuals are ensured meaningful access to HA programs:

- Ask at the time of application and reexamination to designate primary language and state any language service needs;
- Provide oral translation of documents not translated into the appropriate language;
- Require LEP individuals to sign a waiver of language services if they wish to use their own interpreter; and
- Include requests for informal interpreters in the annual four-factor analysis.

5. **CRIMINAL BACKGROUND CHECKS FOR PORTABILITY**

The HA conducts criminal background screenings of families who port from another housing authority. The HA will now clarify that its

criminal history review period begins on the date the Request to Transfer is received from the initial housing authority.

6. CRIMINAL HISTORY STANDARDS FOR HOMELESS APPLICANTS

The HA currently reviews criminal history for all applicants, using the same eligibility standards.

HACoLA supports the County's recent initiatives to end chronic homelessness. In order to ensure the most underserved homeless families obtain housing assistance, the HA will now reduce the following eligibility criteria only for homeless applicants referred through community-based organizations with agreements with the Housing Authority:

1. HACoLA will reduce the criminal history review period for drug-related or violent crime from three years to two years.
2. HACoLA will waive the prohibition against applicants on parole or probation.

7. TENANT RENT DECREASES

If a participant's rent decreases as a result of an annual reexamination, the HA sets the effective date as the later of the anniversary date or the first day of the month after the reexamination is processed.

Now, tenant rent decreases determined by an annual reexamination will be effective on the anniversary date. However, reported income decreases will still be processed immediately as an interim reexamination.

8. FAMILY ADDITIONS

Currently, families may add a child to the household without Housing Authority approval through birth, adoption or court-awarded custody.

Now, families may add a child to the household without Housing Authority approval through birth, adoption, court-awarded custody, **or if a social service agency (i.e. DPSS, DCFS, etc.) has approved the addition of the minor child to the household.**

The HA is proposing the following major changes for the Conventional Public Housing Program:

1. FAMILY ADDITIONS

Currently, a family must obtain approval of any additional family member before the person occupies the unit except for additions by birth, adoption, or court-awarded custody. Upon approval by the HA, families may add the following persons but are not limited to the following:

- A resident plans to marry and add his or her spouse to the lease
- A resident desires to add a new family member to the lease, and/or employ a Live-in Aide

Families will now be able to add a child to the household without Housing Authority approval through birth, adoption, court-awarded custody **or if a social service agency (i.e. DPSS, DCFS, etc.) has approved the addition of the minor child to the household.**

The public housing program will also change allowable family additions to the following:

- Spouse or marital-type partner
- Minor child of the head of household, co-head, spouse or marital-type partner who has been living elsewhere
- Live-in Aide
- Adult child due to recent discharge from the military
- A disabled adult who requires disability-related care

2. APPLICANT DEBT

For applicants that have previous outstanding debts incurred by any adult member of an applicant household to this HA, any other HA or any other governmental agency, the applicant must pay the debt in full prior to admission.

3. LIMITED ENGLISH PROFICIENCY (LEP)

The HA maintains a policy for serving LEP individuals that is in compliance with federal requirements. However, the HA recently collaborated with Neighborhood Legal Services to clarify the LEP policy.

In addition, the HA will now do the following to ensure LEP individuals are ensured meaningful access to HA programs:

- Ask at the time of application and reexamination to designate primary language and state any language service needs;
- Provide oral translation of documents not translated into the appropriate language;
- Require LEP individuals to sign a waiver of language services if they wish to use their own interpreter; and
- Include requests for informal interpreters in the annual four-factor analysis.

4. RENT PAYMENTS

The HA will provide the additional options of online rent payments and/or automatic debit from the resident's bank account.

5. NOTICE OF TERMINATION

The Admissions and Continued Occupancy Policy and Lease Agreement will now specify that if a resident is issued a Notice of Termination, the Housing Authority will not accept rent payments in any form unless the resident is in the grievance hearing process.

Additionally, the HA will be implementing the following for the Conventional Public Housing Program:

1. The Housing Authority will pursue the disposition of some or all of the 38 public housing sites located in the South Los Angeles County area. The 409 units would continue to serve extremely low and low income people. The majority of the 38 South Los Angeles County sites are very small and scattered. Additionally, the distance between sites poses a distinct challenge to manage and operate efficiently. Moreover, most of the South Los Angeles County sites are located in high crime neighborhoods and contracting for supplemental law enforcement/community policing for these scattered sites is cost prohibitive.

As a result, the Housing Authority will consider selling some of these properties and using disposition proceeds to replace these scattered sites with a more manageable multi-family model. Disposition would allow the Housing Authority to acquire or develop other properties that could be more efficiently and effectively operated as low-income housing.

The Housing Authority will also consider utilizing sale of low-income housing tax credits as a funding mechanism to complete construction and/or rehabilitation of housing sites. This would require disposition to a limited partnership that could use the tax credits. The Housing Authority or a related corporation could be a general partner in the limited partnership. As an additional option, units may be converted into project-based and/or tenant-based Section 8 vouchers and as part of such initiatives title may be transferred to a Housing Authority non-profit organization for ownership and/or management of these properties. Transferring title to a Housing Authority non-profit would allow the Housing Authority to access funding sources not currently available under the public housing program and would increase the opportunity to manage the properties with a "private industry"/asset management model.

The Housing Authority is also submitting an application to designate 13 public housing senior developments as housing for elderly families only and will include some or all of the 1282 public housing senior units in the disposition application. The U.S. Census Bureau projects that the elderly in California will have an overall increase of 112 percent from 1990 to 2020. Los Angeles County mirrors this trend. Through senior designation, the Housing Authority will address the specific and growing housing needs of the elderly. Additional revenue from the disposition will enable the Housing Authority to provide senior support services, such as, the Assisted Living Waiver Pilot Program (ALWPP) currently at South Bay Gardens and Orchard Arms senior housing developments. Near elderly and disabled currently in senior housing will be given the option to remain in their existing unit or they can choose to relocate to comparable family housing provided by the Housing Authority where case management services are currently in place.

Finally, the Housing Authority will pursue the disposition of the property located at 4800 East Cesar E. Chavez located in unincorporated East Los Angeles County. This administrative building is currently occupied by the Community Development Commission/Housing Authority and the University of California Cooperative Extension Program. The Housing Authority is exploring the possibility of selling the property to a community resource provider. This administrative building is not needed for the continued operation of public housing.

The disposition of some or all of these properties is in the best interest of the residents and the Housing Authority and is consistent with the Housing Authority's goals, the Housing Authority's Annual Plan and with the 1937 Housing Act. Given evolving HUD policies, the Housing Authority may also consider alternatives to disposition such as voluntary conversion and the Rental Assistance Demonstration (RAD) program. In all cases, current residents' subsidies would be protected through use of voucher, public housing or other assisted housing subsidies.

The Housing Authority expects to submit disposition or other appropriate applications to pursue the changes discussed above in Fiscal Year 2012-2013.

2. Depending on legislation and opportunity, the HA will pursue a Moving to Work (MTW) designation in Fiscal Year 2012-2013. MTW is a demonstration program for Public Housing Authorities (PHAs) that provides them the opportunity to design and test innovative, locally-designed strategies that use federal dollars more efficiently, help residents find employment and become self-sufficient, and increase housing choices for low-income families. MTW gives PHAs exemptions from many existing public housing rules and more flexibility with how they use their Federal funds.

Tenant Commissioner Requirement

QHWRA requires that a PHA include, in its governing body, at least one member who is directly assisted by the housing authority. The intent of this requirement is to provide for more resident involvement on HA matters.

The governing body of the HA is the Board of Commissioners. The Commissioners are the five, full-time, salaried Supervisors who sit on the Los Angeles County Board of Supervisors. Additionally, in accordance with State law, effective February 1, 1982, the HA's Housing Commission was created as an advisory body to review all HA policy and program matters and make recommendations to the Board of Commissioners for approval.

Although the Board of Commissioners and the Housing Commission have functioned effectively for over twenty years and provide for greater tenant participation than required by both State and Federal law, they do not fulfill the requirement that the membership of the governing body contain not less than one member who is directly assisted by the PHA. Therefore, the HA requests on an annual basis an exemption to this requirement because the HA far exceeds the intent of the California State law through its Housing Commission. Included in the Federal Fiscal Year 2012 HUD Appropriations Act is a provision that exempts the HA from the requirement (2)(b) of the United States Housing Act of 1937. As a requirement to the exemption, the HA is required to expand the membership of the Housing Advisory Commission from four to six tenant commissioners.

Currently, the HA's Housing Commission is comprised of 8 members – five non-tenant members and two tenant commissioners. There is currently one conventional public housing program resident and one Section 8 formally homeless Tenant Commissioners.

Tenant Commissioner applications are screened by the HA, with successful applicants recommended to the Board of Commissioners. The Board of Commissioners may appoint recommended applicants for two-year terms. Terms may be extended for another two years at the discretion of the Executive Director. The HA has selected an additional Section 8 Tenant Commissioner with Board of Commissioners' approval scheduled in January of 2012. The HA is still actively recruiting additional tenant commissioners and is reviewing additional tenant commissioner applications.

Violence Against Women Act (VAWA)

In accordance with the Violence Against Women and Department of Justice Reauthorization Act of 2005 ("Act"), the HA developed and implemented policies and procedures protecting victims of domestic violence, dating violence, and stalking from discrimination in 2007. The HA will not deny admission to an applicant who is, or has been, a victim of domestic violence, dating violence, or stalking, if the person otherwise qualifies for assistance. Additionally, the HA will not evict a current tenant or terminate the assistance of a current participant solely because the tenant or participant is, or has been, a victim of domestic violence, dating violence, or stalking.

The following is a summary of implementation activities carried out by the Section 8 Housing Choice Voucher Program and the Public Housing Program.

Section 8

To comply with the Violence Against Women and Department of Justice Reauthorization Act of 2005, the HA has implemented policies protecting victims of domestic violence from discrimination. Owners may bifurcate the lease of those in a violent relationship, allowing the victim of violence to remain in the unit. The HA will not deny admission to an applicant or terminate the assistance of a participant based solely on incidences of domestic violence, dating violence, sexual assault or stalking. Participants may be issued a voucher and move in violation of their lease or move under portability without having lived in the jurisdiction for twelve months to escape a life-threatening situation. All policies related to VAWA may be found throughout the Section 8 Administrative Plan.

The Section 8 Program gives admissions preference to victims of domestic violence, dating violence and stalking through set-asides and law enforcement referrals.

The Section 8 Program maintains a homeless set-aside program under which vouchers have been allocated to homeless individuals seeking assistance from the County Department of Public and Social Services (DPSS). The HA has expanded the definition of homelessness under the contract with DPSS to include victims of domestic violence, whether they are currently housed or not, to assist victims who flee from an abusive living environment. We do not require the police reports to verify the domestic violence; however, we do require the applicant sign a certified statement regarding the domestic violence.

The Section 8 Shelter Plus Care (S+C) program maintains several grants; one of them being Antelope Valley Domestic Violence Council (ADVDC). This particular grant targets domestic violence (DV) victims, who must be low income and disabled. We do not require the police reports to verify the domestic violence; however, we do require the applicant sign a certified statement regarding the domestic violence, and a trained professional sign the Certificate of Disability prior to submitting the pre-application to the HA for review/approval.

Public Housing Program

To comply with the Violence Against Women and Department of Justice Reauthorization Act of 2005, the HA has implemented policies protecting victims of domestic violence from discrimination. The Public Housing Program will continue to provide an admissions preference to victims of domestic violence, dating violence, or stalking and has provided applicants with a notice advising them of their rights under VAWA. Additionally, the HA amended its screening criteria for admission to the public housing program to state that an applicant who is victim of domestic violence, dating violence, and stalking will generally not be denied admission if the applicant otherwise qualifies for admission.

With respect to its policies governing continued occupancy, the HA enacted revisions to state that criminal activity directly relating to domestic violence, dating violence, or stalking, engaged in by a member of a tenant's household or any guest or other person under the tenant's control, shall not be cause for termination of tenancy if the tenant or an immediate member of the tenant's family is the victim or threatened victim of that abuse. Moreover, the HA will not consider an incident or incidents of actual or threatened domestic violence, dating violence, or stalking as a serious or repeated violation of the Lease Agreement by the victim or threatened victim of that violence and will not consider such incidents as "good cause" for termination of tenancy. Additionally, the HA currently provides case management and clinical services to any resident seeking assistance due to domestic violence. Moreover, law enforcement partners provide referral services to all domestic violence victims.

Clarifying language was also added to the HA's existing policy regarding Emergency Transfers and Grievance. In addition, the HA added glossary of all relevant terms to VAWA in the ACOP. The HA notified tenants of their rights under VAWA in a November 2007 notice. Applicants are

	<p>advised separately at the commencement of the eligibility and suitability review. Additionally, the HA currently provides case management and clinical services to any resident seeking assistance due to domestic violence. Moreover, law enforcement partners provide referral services to all domestic violence victims.</p> <p>(b) Identify the specific location(s) where the public may obtain copies of the 5-Year and Annual PHA Plan. Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location.</p> <p>The table below demonstrates the high demand for housing in Los Angeles County:</p> <table border="1" data-bbox="272 779 1503 1094"> <thead> <tr> <th colspan="8">Housing Needs of Families in the Jurisdiction by Family Type</th> </tr> <tr> <th>Family Type</th> <th>Overall</th> <th>Afford-ability</th> <th>Supply</th> <th>Quality</th> <th>Accessibility</th> <th>Size</th> <th>Location</th> </tr> </thead> <tbody> <tr> <td>Income <= 30% of AMI</td> <td>272,956</td> <td>5</td> <td>5</td> <td>5</td> <td>5</td> <td>5</td> <td>5</td> </tr> <tr> <td>Income >30% but <=50% of AMI</td> <td>238,389</td> <td>5</td> <td>5</td> <td>5</td> <td>5</td> <td>5</td> <td>5</td> </tr> <tr> <td>Income >50% but <80% of AMI</td> <td>246,832</td> <td>4</td> <td>4</td> <td>4</td> <td>4</td> <td>4</td> <td>4</td> </tr> <tr> <td>Elderly</td> <td>113,187</td> <td>5</td> <td>5</td> <td>5</td> <td>5</td> <td>5</td> <td>5</td> </tr> <tr> <td>Families with Disabilities</td> <td>180,263</td> <td>5</td> <td>5</td> <td>5</td> <td>5</td> <td>5</td> <td>5</td> </tr> <tr> <td>Hispanic:</td> <td>483,350</td> <td>5</td> <td>5</td> <td>5</td> <td>5</td> <td>5</td> <td>5</td> </tr> <tr> <td>White Non-Hispanic</td> <td>246,539</td> <td>4</td> <td>4</td> <td>4</td> <td>4</td> <td>4</td> <td>4</td> </tr> <tr> <td>African American</td> <td>121,141</td> <td>4</td> <td>4</td> <td>4</td> <td>4</td> <td>4</td> <td>4</td> </tr> </tbody> </table> <p>Since the demand for housing assistance often exceeds the limited resources available, long waiting periods are common for both Section 8 and Public Housing. Twenty-seven percent of applicants reported Hispanic ethnicity and 25 percent did not disclose an ethnicity. About 19 percent of those on the waiting list are elderly and 19 percent are disabled. The HA communicates the status of housing availability to other service providers in the community. The HA will seek to achieve an overall PHAS score of 90% or higher and maintain its 'High Performer' status.</p> <p>Concentrate on efforts to improve specific management functions:</p> <p>During Fiscal Year 2010-2011, the HA initiated 133 unlawful detainer cases, 96 were for non-payment of rent, 16 were three-day notices for drug and/or violent criminal activity, 13 were 30-day material breaches related to other crime-related activity or fraud, and 8 were 10-day notices pursuant to breached settlement agreements.</p> <p>During Fiscal Year 2010-2011, the HA continued to increase the level of resources committed to its Fraud Program, including the detection of fraud, the pursuit of lease termination remedies against residents who commit fraud and the collection of reimbursements relating to fraud.</p> <p>During Fiscal Year 2010-2011, the Fraud Analyst worked on 52 active cases and entered into 26 repayment agreements totaling \$147,899 with \$55,915 collected and returned to the sites. There are currently over 88 move-out/uncollected cases totaling \$699,532. The HA continues to send move-out uncollected cases to the Los Angeles County Treasurer Tax Collector office.</p> <p>Renovate or modernize public housing units:</p> <p>The HA modernized 32 Conventional Public Housing Program developments throughout Los Angeles County benefitting a total of 2,454 housing units and closed two Capital Fund programs during Fiscal Year 2011-2012.</p> <p>Additionally, the HA modernized 9 Conventional Public Housing Program developments through the American Recovery and Reinvestment Act (ARRA) funds benefitting a total of 1947 units and closed the ARRA program during Fiscal Year 2011-2012.</p> <p>Demolish or dispose of obsolete public housing:</p> <p>On February 6, 2007, the Board of Commissioners adopted a Resolution approving the submission of an application for the disposition of the</p>

vacant land. The Disposition Application was submitted to HUD on June 5, 2007, and was approved October 31, 2008. The HA transferred title to the CDC for the provision of affordable housing and CDC is still in the process of building affordable units in that location.

The Housing Authority will pursue the disposition of some or all of the 38 public housing sites located in the South Los Angeles County area. The 409 units would continue to serve extremely low and low income people. The majority of the 38 South Los Angeles County sites are very small and scattered. Additionally, the distance between sites poses a distinct challenge to manage and operate efficiently. Moreover, most of the South Los Angeles County sites are located in high crime neighborhoods and contracting for supplemental law enforcement/community policing for these scattered sites is cost prohibitive.

As a result, the Housing Authority will consider selling some of these properties and using disposition proceeds to replace these scattered sites with a more manageable multi-family model. Disposition would allow the Housing Authority to acquire or develop other properties that could be more efficiently and effectively operated as low-income housing.

The Housing Authority will also consider utilizing sale of low-income housing tax credits as a funding mechanism to complete construction and/or rehabilitation of housing sites. This would require disposition to a limited partnership that could use the tax credits. The Housing Authority or a related corporation could be a general partner in the limited partnership. As an additional option, units may be converted into project-based and/or tenant-based Section 8 vouchers and as part of such initiatives title may be transferred to a Housing Authority non-profit organization for ownership and/or management of these properties. Transferring title to a Housing Authority non-profit would allow the Housing Authority to access funding sources not currently available under the public housing program and would increase the opportunity to manage the properties with a "private industry"/asset management model.

The Housing Authority is also submitting an application to designate 13 public housing senior developments as housing for elderly families only and will include some or all of the 1282 public housing senior units in the disposition application. The U.S. Census Bureau projects that the elderly in California will have an overall increase of 112 percent from 1990 to 2020. Los Angeles County mirrors this trend. Through senior designation, the Housing Authority will address the specific and growing housing needs of the elderly. Additional revenue from the disposition will enable the Housing Authority to provide senior support services, such as, the Assisted Living Waiver Pilot Program (ALWPP) currently at South Bay Gardens and Orchard Arms senior housing developments. Near elderly and disabled currently in senior housing will be given the option to remain in their existing unit or they can choose to relocate to comparable family housing provided by the Housing Authority where case management services are currently in place.

Finally, the Housing Authority will pursue the disposition of the property located at 4800 East Cesar E. Chavez located in unincorporated East Los Angeles County. This administrative building is currently occupied by the Community Development Commission/Housing Authority and the University of California Cooperative Extension Program. The Housing Authority is exploring the possibility of selling the property to a community resource provider. This administrative building is not needed for the continued operation of public housing.

The disposition of some or all of these properties is in the best interest of the residents and the Housing Authority and is consistent with the Housing Authority's goals, the Housing Authority's Annual Plan and with the 1937 Housing Act. Given evolving HUD policies, the Housing Authority may also consider alternatives to disposition such as voluntary conversion and the Rental Assistance Demonstration (RAD) program. In all cases, current residents' subsidies would be protected through use of voucher, public housing or other assisted housing subsidies.

The Housing Authority expects to submit disposition or other appropriate applications to pursue the changes discussed above in Fiscal Year 2012-2013.

Improve voucher management (SEMAP score):

During Fiscal Year 2010-2011, the HA was rated a High Performer. The HA is focused on maintaining its SEMAP score in all areas in order to maintain High Performer status.

Increase customer satisfaction:

Online registration services allow applicants to check their status and submit changes for both Public Housing and Section 8 waiting lists. An online property listing service allows Section 8 owners to list their properties online without charge and voucher holders to search properties throughout the County. In October 2008, Section 8 owners and participants could begin checking their inspection results online immediately after the inspection was conducted. In December 2010, the HA consolidated this function in an online portal where owners could access their payments history and inspection results, as well as submit address changes, direct deposit registration and rent increases. In January 2010, participants could reschedule inspections by email, fax or telephone. In September 2011, participants could access their inspection records and necessary forms, check the status of their submitted reexaminations and changes, as well as fully complete a reexamination online.

The Section 8 offices implemented a case management approach for each participant family, allowing them to contact the same person for nearly all program-related functions. Additionally, each case manager now has a direct telephone number, allowing participants to contact them without going through the main telephone number, thereby reducing their waiting time on the telephone.

The HA also maintains a full service office to serve over 3,000 participant families in the Antelope Valley. This office provides greater convenience to residents to attend appointments and submit documents.

3. PHA Goal: Increase assisted housing choices

Objectives:

Provide voucher mobility counseling:

The HA enhances available resources for program applicants and participants through its briefing sessions with clients. In addition to the information provided in the voucher briefing packets, a binder of information and resources relating to neighborhoods is available in the main

lobby. A listing of cities not impacted by poverty or minority concentration is also included in the Administrative Plan.

Information to voucher holders is also provided on the HA website regarding the Section 8 program and the areas in which the HA operates.

The HA also utilizes Socialserve.com, an affordable housing property listing service that encourages owner participation, reduces the difficulty of locating housing for voucher holders and encourages deconcentration among assisted families. The HA contracted Socialserve.com to place a low-poverty indicator on rental search results to assist families with finding units located outside areas of poverty concentration.

Conduct outreach efforts to potential voucher landlords:

The HA's Public Liaison Unit conducted two workshops with Section 8 landlords to explain various aspects of the program, including new policies and program changes. Additionally, the HA participated in seven outreach events throughout the year.

The HA also publishes House Notes newsletters containing program updates and useful information for landlords and owners. The newsletters are published at least three times annually. Information promoting the program to potential owners, such as access to the free, internet-based property listing service, is provided on the HA website.

Increase voucher payment standards:

The HA sets the payment standard at a level that is high enough to ensure that families are able to afford quality housing while also balancing the need to provide assistance to as many families as possible. The HA's payment standards have generally reflected annual increases in HUD's Fair Market Rent (FMR), however due to budget shortfalls, increased FMRs and the increasing need to house as many families as possible, the HA has maintained its payment standards at 91% of the FMR.

4. PHA Goal: Provide an improved living environment

Objectives:

Implement public housing security improvements:

Incidents of violent and/or drug-related crime occur in some of the HA's housing developments. The HA utilizes resources such as safety and security surveys of residents, analysis of crime statistics, resident reports, HA staff reports and police reports to determine what actions the HA needs to undertake to ensure the safety of the HA's residents. The larger developments; Carmelitos, Harbor Hills, Nueva Maravilla, and South Scattered Sites are the most affected by criminal activity.

The HA created the Crime and Safety Unit (CSU) in 1997 to create and sustain safe communities for residents in and around public housing. The foundation of the CSU's efforts is the comprehensive HA model that involves site management, residents, law enforcement and social services partners working together. The CSU staff includes a manager, crime analyst, legal consultant, paralegal, one fraud analyst, one program specialist, a part-time ADA analyst, one clinician, four case managers and four youth service specialists. The CSU is responsible for implementing a variety of crime reduction programs for the HA and the CDC.

The HA continues its public housing security efforts by expanding its use of surveillance cameras at public housing developments and further institutionalizing its use of Crime Prevention Through Environmental Design (CPTED) principles. CPTED is based on the premise that the built environment influences criminal behavior. CPTED principles include natural surveillance, natural territorial reinforcement, access control, and activity support. Many of the HA public housing sites have been modernized using CPTED design guidelines.

Based on the success of its previous efforts, the HA received a HUD Emergency Safety and Security grant for Fiscal Year 2010-2011 for five additional sites. The Closed Circuit Television (CCTV) program operates a total of 32 sites. The CCTV recordings have been used in a variety of civil, criminal and risk management cases.

The HA has further institutionalized its use of CPTED principles by requiring that a CPTED trained staff member attend monthly Capital Fund meetings to answer CPTED related questions and make recommendations. The CPTED recommendations are integrated into the Capital Fund 5-Year Plan and security changes at specified CDC office locations.

The above-mentioned efforts are in addition to the continued use of Community Policing Teams throughout the County of Los Angeles. A fulltime Los Angeles Sheriff Department Sergeant, 6 Deputies, and a part-time Operations Assistant implement the community policing program at all HA sites, along with two fulltime Long Beach Police Department officers. The Community Policing Teams reported 46 arrests, completed over 390 housing violation forms, and conducted 281 field interviews. The result was a 74% reduction in crime at the sites and an increase in the quality of life for public housing residents, since program inception. The Community Policing Teams work in partnership with the HA's legal consultant who processed over 278 legal cases in Fiscal Year 2010-2011.

The Juvenile Justice Crime Prevention Act (JJCPA) program continues to provide prevention and intervention services for 225 at-risk youth and their families at 4 housing sites. Funding was continued for the Fiscal Year 2010-2011 for the amount of \$480,793, but was reduced to \$398,099 in May 2011 due to the State budget crisis. All JJCPA housing developments conducted summer programs and back-to-school events for the 2010 school year. Youth from Carmelitos, Nueva Maravilla, Harbor Hills, and South Scattered Sites participated in camping, other outdoor adventures, and a summer reading program. All the JJCPA participants at all the sites have taken educational trips to local museums and colleges as well as enjoyed incentive activities such as attending sporting events. Gang intervention, parenting, substance abuse prevention, and gender-specific programs are also provided by JJCPA non-profit partners.

Over 200 residents received direct clinical/case management services from the Family Resource Center clinician and four case managers. Frequent problems at the sites include domestic violence, child abuse, mental illness, aging-related issues, and general crisis intervention. Special support is provided for the homeless and emancipated youth housed at the sites and the clinician is on-call to conduct emergency mental health assessments.

Partner with community-based organizations and local colleges and universities to provide core prevention and intervention programs and enhance program capacity for housing residents:

Recognizing the need for innovative ways to meet the needs of the HA public housing residents, the Housing Management Division created two core programs: Resident Services Programs and Educational Partnerships Programs (EP). The HA continues to partner with community-based organizations, local colleges, and universities to provide core prevention and intervention programs that enhance program capacity for housing residents.

Resident Services Programs focus on four core program areas: after school programs, adult education and workforce development, the arts, and senior and disabled services. After school programs provide a combination of evidence based curriculum, experiential education and recreational activities for resident school-age youth and are designed to support self-esteem, self-expression, teambuilding, and create positive social interaction. The programs include: grade appropriate curriculum, homework assistance, educational field trips, the arts and sports. The Youth in Focus Program has been in existence for over ten years. The Program gives youth an avenue for creative expression, taught by professional photographers the youth gain real-world experience, as well as complete a Calendar project each year. Senior and disabled services are provided through community partnerships which support the residents' ability to age in place with a better quality of life.

EP is designed to build bridges and support productive partnerships between the HA and universities and colleges. Services are provided through academic internships, service-learning, practicums, graduate research projects, civic engagement and viable partnerships designed to be mutually beneficial. Students receive real-life training in a variety of fields including: after school education, social services, criminal justice, workforce development, art, sports, community development and various areas of research. The HA has worked with several universities and colleges. This year's current partnerships include: CSU Dominguez Hills, CSU Long Beach, CSU Los Angeles, CSU Fullerton, UCLA, USC, Occidental College, Marymount College, East Los Angeles College, and Long Beach City College.

5. PHA Goal: Promote self-sufficiency and asset development of assisted households

Objectives:

Provide or attract supportive services to improve assistance to recipients' employability:

All our ROSS Family grants are now officially closed and all funds have been expended. Since 2008, HUD has ceased offering ROSS Family grants to HAs. However, in 2008 HUD shifted its vision and did offer HA's the opportunity to apply for funding under a new ROSS grant program, the ROSS Service Coordinators (ROSS-SC) grant. In June of 2009 HUD awarded the HA a ROSS-SC grant in the amount of \$720,000 dollars for a term of three years. These funds have allowed the HA to hire staff to coordinate and expand social and human services to all public housing residents residing at various conventional public housing sites. To date, the grant has been in full implementation, and all annual funds have been expended in a timely manner and the HA will meet the grant performance goals as the HA nears the end date of June 2012. Since the HA was awarded funding under the 2008 SuperNOFA funding cycle, HUD regulations precluded 2008 awardees from re-applying for this grant once again until 2011. To that effect, in 2011 the HA re-applied for this grant and were once again funded a grant in the amount of \$720,000 dollars for another three year term commencing July of 2012 through June of 2015.

In 2010, the HA also applied for the ROSS – Public Housing Family Self Sufficiency (PH-FSS) and in May 2011 was funded a grant in the amount of \$69,000 dollars for a one year term which has been in full implementation since July 2011 and to end in June 2012. The ROSS PH-FSS program is a HUD mandated program that requires PHAs to develop strategies, such as job training, homeownership programs, scholarships, tuition reimbursement, childcare and transportation, to help public housing residents obtain employment that will lead to economic independence and self-sufficiency. The ROSS PH-FSS escrow is a unique feature of the program whereby an interest-bearing FSS escrow account is established by the PHA for each participating family. Upon becoming employed, FSS participants continue to pay rent in accordance with the HA's rent determination policies. An escrow deposit, based on increases in earned income of the family, is credited to the escrow account utilizing HUD funds during the term of the FSS contract. If the family successfully completes the program, the family can apply to graduate from the program and receive the accrued portion of their escrow account. The PH –FSS program currently has 100 mandatory slots and since its program inception in August 2012, there are 20 enrolled participants. To support this effort, marketing materials are currently being developed to outreach and further promote the program's requirements and benefits to all public housing residents. For families that are eligible to participate, a Contract of Participation (COP) is prepared to govern the terms and conditions of their participation and an Individual Training Service Plan (ITSP) is created that outlines the following: supportive services to be provided, activities to be completed by the participant, and agreed upon completion dates for the services and activities. The COP is valid for five years and may be extended to allow the family to meet their ITSP goals.

In 2011 the HA was also awarded another PH-FSS grant in the amount of \$69,000 dollars for a one year term which will be in full implementation from July 2012 through June 2013.

Finally, depending on legislation and opportunity, the HA will pursue a Moving to Work (MTW) designation in Fiscal Year 2012-2013. An MTW designation will provide the HA the opportunity to design and test innovative, locally-designed strategies that use federal dollars more efficiently, help residents find employment and become self-sufficient, and increase housing choices for low-income families.

Provide or attract supportive services to increase independence for the elderly or families with disabilities:

Since 2004, HUD has awarded the HA five Resident Opportunity and Self Sufficiency (ROSS) Elderly and Persons with Disability grants totaling \$1,950,000.

In 2004, HUD awarded the HA their first (1st) ROSS Elderly Grant in the amount of \$300,000 to provide supportive services that increase independence, improve the quality of life, and promote aging in place for approximately 1,500 elderly and persons with disabilities residing in public conventional housing. Moreover, these grants provided an array of supportive services which included but was not limited to the following activities: assistance with daily living, meal services, transportation services, housekeeping assistance, telephone check in, home visits, translations services, cultural activities, health and nutrition classes, case management, and medical referral services. In addition following 2004, HUD awarded us four consecutive annual grants as follows: in November 2005, a grant for \$400,000 dollars; in September 2006, a grant for \$450,000 dollars; in May 2007, a grant for \$350,000 dollars; and a final grant in June 2008 for \$450,000 dollars. To date, the HA has exhausted funds for all five grants and have met all grant performance goals. As of December 2011, the 2008 ROSS Elderly grant which is also the HA's fifth grant funding opportunity has now expired and supportive services to residents have now ceased.

Resident Council Forums were thus far held on April 5, July 5 and October 4, 2011. Presentations were made to the residents and topics included the ACOP and Conventional Public Housing Lease Agreement policy changes and Annual Plan information, Medical/Medicaid updates, Robert's Rules of Order, elderly fraud prevention, SNAP emergency preparedness program, Los Angeles County Home Health Care, Safe sleeping babies, the annual budget process, Risk Management, prevention and treatment of bed bugs, Easy and Practical Budgeting, 411 Info Line Program, Consumer Protection and Identity Theft, Formation of Non-profit Organizations, "Holiday Shopping Tips" and the American Heart Association presentations.

The Resident Councils at the HA's housing developments continue to conduct food giveaways, participate in the Annual Plan process, conduct social activities for residents, and work with university partners through the educational partnership programs.

The HA has implemented the Assisted Living Waiver Project (ALWP) at South Bay Gardens (SBG), a 100-unit senior/disabled public housing development. The ALWP provides 24 hour nursing care and other supportive services on-site for MediCal eligible seniors and/or disabled persons. The HA is currently working with Alternative Home Care, the agency providing the ALWP services at SBG and Jewish Family Services of Los Angeles as the Care Coordinating Agency. Currently there are 9 SBG residents enrolled in the program. The HA has also implemented the ALWP at Orchard Arms. Currently there are 10 Orchard Arms residents receiving ALWP services with 4 applications in process. In Fiscal Year 2012-2013 the HA will pursue adding more sites to receive ALWP services.

6. PHA Goal: Ensure equal opportunity and affirmatively further fair housing

Objectives:

Undertake affirmative measures to ensure access to assisted housing regardless of race, color, religion national origin, sex, familial status, and disability:

The HA continues to conduct outreach activities to those communities with disproportionate housing needs. The HA will continue to provide timely information regarding housing opportunities through its website and other printed materials (i.e. brochures), as well as at community forums. The briefing packet for Section 8 households is regularly updated to include the most current federal and state information on fair housing and equal opportunity.

Undertake affirmative measures to provide a suitable living environment for families living in assisted housing, regardless of race, color, religion national origin, sex, familial status, and disability:

The HA will continue to undertake affirmative measures to ensure access to housing to persons of all varieties of disabilities.

Undertake affirmative measures to ensure accessible housing to persons with all varieties of disabilities regardless of unit size required:

Section 8

The HA has a Section 504 Coordinator who provides technical assistance to Managers and Supervisors who make reasonable accommodation determinations. The 504 Coordinator also reviews and makes determinations on disputes of initial reasonable accommodation determinations.

Additionally, the HA regularly reviews its policies and procedures to ensure equal access to disabled individuals and provides regular fair housing training to Managers, Supervisors and staff.

In the Project-Based Voucher program, the HA ensures that the sites and housing units comply with ADA and Section 504 requirements.

Public Housing

The HA will continue to undertake affirmative measures to ensure access to housing to persons of all varieties of disabilities.

The HA has an ADA Coordinator to handle all ADA matters relating to applicants and residents. This individual has direct responsibility for the processing of ADA related requests and implementation of the Division's Internal Protocol procedures that became effective in January of 2006. During Fiscal Year 2010-2011, the Division's ADA Coordinator processed 223 requests for accommodation. During the past Fiscal Year, HA staff has attended Fair Housing trainings provided by HUD.

The database established during Fiscal Year 07-08 to track and monitor all ADA related requests continues to be effective.

In Fiscal Year 2010-2011, a 504 Self-Assessment Compliance Evaluation Report was completed for the four largest public housing Senior/Disabled developments; Carmelitos, Harbor Hills, Nueva Maravilla and Southbay Gardens. HA maintenance staff has completed 90% of the recommendations in the Fiscal Year 2010-2011 504 Compliance Reports such as the installation of guardrails, installation of ramps in parking lots and ADA units, replacement of door handles, new signage etc. The remaining ADA modifications will be completed under the Capital Fund Program in Fiscal Year 2011-2012.

Thus far in Fiscal Year 2011-2012, the elevators at Herbert, Nueva Maravilla, and Foothill Villa were replaced. The parking lots at Nueva Maravilla and Harbor Hills were replaced to meet accessibility codes and to provide additional accessible parking. The kitchens in the ADA units

at Harbor Hills were also remodeled in Fiscal Year 2011-2012.

Undertake affirmative measures to ensure accessible housing to victims of domestic violence, dating violence, or stalking.

In accordance with the Violence Against Women and Department of Justice Reauthorization Act of 2005 (“Act”), the HA has developed and implemented policies and procedures protecting victims of domestic violence, dating violence, and stalking from discrimination. The HA will not deny admission to an applicant who is, or has been, a victim of domestic violence, dating violence, or stalking, if the person otherwise qualifies for assistance. Additionally, the HA will not evict a current tenant or terminate the assistance of a current participant solely because the tenant or participant is, or has been, a victim of domestic violence, dating violence, or stalking.

The following is a summary of implementation activities carried out by the Section 8 Housing Choice Voucher Program and the Public Housing Program.

Section 8

The Section 8 Housing Choice Voucher (HCV) Program has implemented policies permitting owners to bifurcate the lease of those in a violent relationship, which allows the victim of violence to remain in the unit. The HA will not deny or terminate the assistance of an applicant or participant based on any incidence of abuse or stalking. The HA will also allow a victim of domestic violence, dating violence, sexual assault or stalking to move during the initial 12-month lease period in order to escape a life-threatening situation. Additionally, the HA may request that a participant certify their statement of being a victim of domestic violence, dating violence, sexual assault, or stalking and that the incident or incidents in question are bona fide incidents of actual or threatened abuse.

The HA will accept the following forms of verification:

- The Certification of Domestic Violence, Dating Violence or Stalking form (HUD-50066); or
- Documentation from courts, or
- Police agency report; or
- Other professional from whom the victim sought assistance in addressing the abuse or stalking (the professional must attest under penalty of perjury that the incidents are bona fide and the victim has signed or attested to the documentation).

In addition, the HA has also added a glossary of all relevant terms to VAWA in the Administrative Plan.

The Section 8 Program maintains a homeless set-aside program under which vouchers have been allocated to homeless individuals seeking assistance from the County Department of Public and Social Services (DPSS). The HA has expanded the definition of homelessness under the contract with DPSS to include victims of domestic violence, whether they are currently housed or not, to assist victims who flee from an abusive living environment. We do not require the police reports to verify the domestic violence; however, we do require the applicant sign a certified statement regarding the domestic violence.

The Section 8 Shelter Plus Care (S+C) Program maintains several grants; one of which funds the Antelope Valley Domestic Violence Council (ADVDC). This particular grant targets domestic violence (DV) victims, who must be low income and disabled. We do not demand the police reports to verify the domestic violence; however, we do require that DC/applicant sign a certified statement regarding the domestic violence, and a trained profession sign the Certificate of Disability prior to submitting the pre-application to the HA for review/approval.

The Section 8 Program gives admissions preference to victims of domestic violence, dating violence and stalking through set-asides and law enforcement referrals.

Public Housing Program

The Public Housing Program will continue to provide an admissions preference to victims of domestic violence, dating violence, or stalking and has provided applicants with a notice advising them of their rights under VAWA. Additionally, the HA amended its screening criteria for admission to the public housing program to state that an applicant who is victim of domestic violence, dating violence, and stalking will generally not be denied admission if the applicant otherwise qualifies for admission.

With respect to its policies governing continued occupancy, the HA enacted revisions to state that criminal activity directly relating to domestic violence, dating violence, or stalking, engaged in by a member of a tenant’s household or any guest or other person under the tenant’s control, shall not be cause for termination of tenancy if the tenant or an immediate member of the tenant’s family is the victim or threatened victim of that abuse. Moreover, the HA will not consider an incident or incidents of actual or threatened domestic violence, dating violence, or stalking as a serious or repeated violation of the Lease Agreement by the victim or threatened victim of that violence and will not consider such incidents as “good cause” for termination of tenancy. Additionally, the HA currently provides case management and clinical services to any resident seeking assistance due to domestic violence. Moreover, law enforcement partners provide referral services to all domestic violence victims.

Clarifying language was also added to the HA’s existing policy regarding Emergency Transfers and Grievance. In addition, the HA has also added a glossary of all relevant terms to VAWA in the ACOP.

The HA will accept the following forms of verification:

- The Certification of Domestic Violence, Dating Violence or Stalking form (HUD-50066); or
- Documentation from courts, or
- Police agency report; or
- Other professional from whom the victim sought assistance in addressing the abuse or stalking (the professional must attest under penalty of perjury that the incidents are bona fide and the victim has signed or attested to the documentation).

The HA initially notified tenants of their rights under VAWA in a November 2007 notice. Tenants are also advised of their rights at each recertification. Applicants are advised separately at the commencement of the eligibility and suitability review. The HA has posted the notices at all site management offices, administrative office, and on its website www.hacola.org.

7. Other PHA Goals

Program integrity for the Section 8 and conventional public housing programs:

The HA continues to strengthen program integrity by emphasizing the importance of proper verification procedures in order to prevent overpayment/underpayment of subsidy.

Additionally, the HA conducts upfront income verification (UIV) for applicants, participants and residents who receive earned income, unemployment, public assistance and social security. The HA continues to use HUD's Enterprise Income Verification (EIV) system to look at reported and unreported income from Section 8 participants and to ensure the HA does not pay duplicate subsidies or house individuals that owe money to other housing authorities or who are deceased. The HA reports all families to the EIV System who were terminated for adverse actions or who left the program owing money to the HA.

Fraud investigations for the Section 8 Program yielded a return of over \$36,656 in Fiscal Year 2010-2011. Fraud investigations for the Public Housing Program yielded a return of over \$55,915 in Fiscal Year 2010-2011.

Strengthen communication with Section 8 participants:

The HA's Public Liaison Unit has continued to handle inquiries for Section 8 applicants and participants. A special online inquiry portal was implemented to provide more access to information without the need to call the HA.

The Public Liaison Unit also conducted four tenant workshops in 2011 to educate participants on program rules and regulations, and to provide a forum for discussion of new policies and program changes. The HA continues to publish Tenant Talk newsletters at least three times annually that contain program updates and useful information for tenants. Additionally, families may reschedule inspection appointments by phone, fax or email.

(b) Significant Amendment and Substantial Deviation/Modification. Provide the PHA's definition of "significant amendment" and "substantial deviation/modification"

Substantial Deviation from the 5-year Plan

It is the intent of the HA to adhere to the goals and objectives outlined in the Five-Year Strategic Plan. However, the plan will be modified and re-submitted to HUD if a significant deviation from program goals and objectives occurs. Significant deviation is defined by the HA as follows:

- A change in Program Administration
- A significant increase or decrease in program funding
- A significant change in the local economy, i.e., economic recession
- A need to respond to events beyond the HA's control such as an earthquake, civil unrest or other unforeseen events.
- A mandate from local government officials, specifically the HA's governing body, to change the direction (goals and objectives) of the program.

Significant Amendment or Modification to the Annual Plan

A significant amendment to the PHA Annual Plan is defined as a change in program policy including changes to rent, admissions policies, or organization of the waiting list; additions of non-emergency work items (items not included in the current Capital Fund Annual Statement or Five-Year Action Plan), or a change in the use of replacement reserve funds under the Capital Fund Program; and any change with regard to demolition or disposition, designation, homeownership programs, or conversion activities. An exception to this definition will be made for any of the above that are adopted to reflect changes in HUD regulatory requirements; as such changes are not considered significant amendments by HUD.

(c) Memorandum of Agreement with HUD or plan to improve performance

The HA is not currently subject to any memorandum of Agreement with HUD or plan to improve performance.

Demolition and Disposition

The Housing Authority will pursue the disposition of some or all of the 38 public housing sites located in the South Los Angeles County area. The 409 units would continue to serve extremely low and low income people. The majority of the 38 South Los Angeles County sites are very small and scattered. Additionally, the distance between sites poses a distinct challenge to manage and operate efficiently. Moreover, most of the South Los Angeles County sites are located in high crime neighborhoods and contracting for supplemental law enforcement/community policing for these scattered sites is cost prohibitive.

As a result, the Housing Authority will consider selling some of these properties and using disposition proceeds to replace these scattered sites with

a more manageable multi-family model. Disposition would allow the Housing Authority to acquire or develop other properties that could be more efficiently and effectively operated as low-income housing.

The Housing Authority will also consider utilizing sale of low-income housing tax credits as a funding mechanism to complete construction and/or rehabilitation of housing sites. This would require disposition to a limited partnership that could use the tax credits. The Housing Authority or a related corporation could be a general partner in the limited partnership. As an additional option, units may be converted into project-based and/or tenant-based Section 8 vouchers and as part of such initiatives title may be transferred to a Housing Authority non-profit organization for ownership and/or management of these properties. Transferring title to a Housing Authority non-profit would allow the Housing Authority to access funding sources not currently available under the public housing program and would increase the opportunity to manage the properties with a "private industry"/asset management model.

The Housing Authority is also submitting an application to designate 13 public housing senior developments as housing for elderly families only and will include some or all of the 1282 public housing senior units in the disposition application. The U.S. Census Bureau projects that the elderly in California will have an overall increase of 112 percent from 1990 to 2020. Los Angeles County mirrors this trend. Through senior designation, the Housing Authority will address the specific and growing housing needs of the elderly. Additional revenue from the disposition will enable the Housing Authority to provide senior support services, such as, the Assisted Living Waiver Pilot Program (ALWPP) currently at South Bay Gardens and Orchard Arms senior housing developments. Near elderly and disabled currently in senior housing will be given the option to remain in their existing unit or they can choose to relocate to comparable family housing provided by the Housing Authority where case management services are currently in place.

Finally, the Housing Authority will pursue the disposition of the property located at 4800 East Cesar E. Chavez located in unincorporated East Los Angeles County. This administrative building is currently occupied by the Community Development Commission/Housing Authority and the University of California Cooperative Extension Program. The Housing Authority is exploring the possibility of selling the property to a community resource provider. This administrative building is not needed for the continued operation of public housing.

The disposition of some or all of these properties is in the best interest of the residents and the Housing Authority and is consistent with the Housing Authority's goals, the Housing Authority's Annual Plan and with the 1937 Housing Act. Given evolving HUD policies, the Housing Authority may also consider alternatives to disposition such as voluntary conversion and the Rental Assistance Demonstration (RAD) program. In all cases, current residents' subsidies would be protected through use of voucher, public housing or other assisted housing subsidies.

The Housing Authority expects to submit disposition or other appropriate applications to pursue the changes discussed above in Fiscal Year 2012-2013.

SECTION 8

Compliance Checks

Comment/Question: Will the lawsuit pending against the Cities of Lancaster and Palmdale affect the new Compliance Check policies?

At this point, the pending lawsuit will not affect HA policies.

Comment/Question: Will the PHA obtain written permission to record Compliance Checks using a standard form?

Yes, a form is being developed for this purpose.

Comment/Question: I believe Compliance Checks are a necessity but I am split as to whether I agree they should be done.

Comment/Question: I am 100% against Compliance Checks.

Comment/Question: How are Compliance Checks executed? How are families selected?

Primarily, Investigators execute a Compliance Check when they receive a credible tip of fraud or other criminal activity occurring in the assisted unit.

Comment/Question: Are Investigators trained to follow a certain protocol when conducting Compliance Checks? Are they allowed to open closets and drawers and interrogate family members?

Given permission, Investigators can inspect your unit as any other HQS Inspector can. They are not allowed to go through personal belongings or any other items that are out of sight. Investigators may question family members who are present to gather information regarding any complaints they may have received, etc.

Comment/Question: Is the Compliance Check just the Housing Authority or do they bring law enforcement?

The HA primarily conducts the Compliance Checks, however an Investigator may bring law enforcement along if they are concerned for their safety or they may go with law enforcement as the lead agency.

Comment/Question: I agree with the policy to obtain written permission to record Compliance Checks. It affords greater protection for the families.

Comment/Question: The policy to keep business hours for Compliance Checks when law enforcement is the lead agency is a good change and may help improve the Housing Authority's image.

Proposed Policies

Comment/Question: Moving Vets to the HCV program from VASH when they don't need case management shouldn't impact a large number of families on the waiting list. It's a good idea.

Comment/Question: It's a mistake to remove the policy of assisting families find affordable units.

Comment/Question: What happens when a caretaker is added to the household for children who have lost their parents and then they fail the criminal background check?

At that point, the HA will inquire if the social service agency will appoint another caretaker. If not, assistance will be terminated.

Comment/Question: What happens when a caretaker is added to the household for children who have lost their parents and then they remove the children from the unit?

The HA would terminate assistance unless the new Head of Household requested a voucher and followed our allowable moves policy.

General

Comment/Question: Can a city refuse to have Section 8? Can the Housing Authority refuse to allow voucher holders in certain areas?

All areas of Los Angeles County is served by a housing authority. A city cannot refuse to allow Section 8 housing, especially when already served by a housing authority. The HA cannot steer participants away from areas of its jurisdiction.

Comment/Question: I am assisted with a Project-Based Voucher. Can I transfer units because of a disability?

Possibly. You must request a reasonable accommodation and then have a qualified professional attest to the need for that particular unit.

Comment/Question: How do neighbors know you are on Section 8?

It is possible they assume because the inspections cars are identified with the County seal.

PUBLIC HOUSING

Comment/Question: My mom is looking for housing. She is 60. The waiting list for this HA is currently closed. She would need to apply for housing with another HA in her jurisdiction.

Comment/Question: The seniors that have been at the site the longest feel like they own the site. If you have a problem at the site, please contact the management office.

Comment/Question: There are young disabled in the senior properties. This is disruptive. Please contact the management office when this occurs. HA staff will handle accordingly.

Comment/Question: We think senior designation would be good.

Comment/Question: It is important that residents do not let people they do not know into the sites. It is the responsibility of the residents to ensure that they do leave entrances open for non-residents.

Comment/Question: Can a resident transfer from a three to a four bedroom. If a resident is under housed according to the Admissions and Continued Occupancy Policy unit occupancy standards, a resident should request a transfer immediately.

Comment/Question: Can we have a presentation on ROSS and/or FSS? Yes, the presentation will be made at the meeting of December 15, 2011.

Carmelitos:

Comment/Question: The HA should get rid of the gates on the senior side. People leave them open all the time. The gates cannot be removed. These gates keep the senior side at Carmelitos secure. Residents need to ensure that they do not leave the gates open.

Comment/Question: At the senior side, we need the gates we have for safety.

Comment/Question: Most of the balconies on the senior side have been closed off for over a year and a half with caution tape. Why has it taken so long? We need our balconies. Our units are small. There have been delays because the structural engineer had to design the project. The project will be put out to bid in January of 2012.

Comment/Question: Maybe in the senior side the HA can do metal balconies. The balconies will be metal.

Comment/Question: We need to do preventive care with the termite issues. If there is termites on the balconies, what about the units? Please contact the maintenance department if you have termites.

Comment/Question: There are drainage issues in the kitchens and bathrooms (761 side). The hot water heater has flooded units in the third floor. Please contact the maintenance department.

Comment/Question: Roots of trees are getting into the piping and blocking the plumbing. Please contact the maintenance department.

Comment/Question: When is the HA finishing the parking lots on the family side? When is the senior side parking lot getting done? The senior parking lots will be addressed in Fiscal Year 2012-2013.

Comment/Question: In the new parking lots on the family side, the bumps in the entrances to the parking lots vary in size. Some are too big and dangerous for a resident in a wheelchair. Currently the speed bumps are being fixed.

Comment/Question: The new sidewalks looks great, what about the ones near the streets? Can the HA evaluate the sidewalks? There are owned by the City of Long Beach.

Comment/Question: No one is supervising the contractors as they do their work. There is always a construction superintendent on site during each project. If there is a specific issue, please contact the maintenance department and report it.

Comment/Question: Some residents on the senior side cannot utilize the keys because they have had strokes or use a wheelchair. Some doors open in and some out. The doors that open "in" are very difficult to handle for these residents. Additionally, the doors are heavy. Please contact the maintenance department to report this problem.

Comment/Question: Will the HA be installing automatic doors at the entrance and back exit of the senior side? Yes, in Fiscal Year 2012-2013 automatic doors at the entrance and back exits will be installed.

Comment/Question: The new elevators at the senior side are different. Both elevators jerk when first moving. Also, the elevators will say you are going up when you are going down and vice versa.

Finally, on the 761 side, when going to the third floor, the elevator stays on the third floor until a resident presses the elevator from the first or second floor. The other elevator goes to the third floor and immediately returns to the first floor. The HA will consult with the Construction Management Division and work with the elevator company to fix these issues.

Comment/Question: The fire extinguishers were taken from the hallways because someone kept on stealing them. Isn't this a fire hazard? There is no hose in the hallways. Please contact your management office and report this problem.

Comment/Question: How are we going to bring a wheelchair bound resident from the third to the first floor? Can't we move them to the first floor? Please contact your management office to have your Property Manager work with residents.

Comment/Question: The main room at Carmelitos senior side is nice. But the surrounding rooms and the hallways are hot. CDC's IT department has informed the Senior Complex Board that their office is too hot for a computer. Please report this problem to the management office.

Southbay Gardens:

Comment/Question: The entrance call box on the street side and the lobby are not working. Also, the key does not work as well. Please contact your maintenance department.

Comment/Question: Everything at SBG is so nice. We have a very good maintenance guy.

Harbor Hills:

Comment/Question: We do not have screen doors in the back or the back entrances of our units. We want them. The HA will include this in the Capital Fund Program Five-Year Plan.

Comment/Question: When is the fencing at each unit going to be finished? What about the sidewalks? This is scheduled to be completed by June 2012.

Comment/Question: There are people partying at night. Please speak to the management office when this occurs. HA staff will handle accordingly.

Comment/Question: The lighting at Harbor Hills at night is not good. Please contact the maintenance department.

Comment/Question: The lighting in the new kitchens is too low. Please contact your maintenance department if you still have issues. The lighting is being changed.

Comment/Question: There are many electrical outlets with no coverings and screws missing. Please contact your maintenance department.

Comment/Question: The thermostats do not work. There are no knobs. Please contact your maintenance department.

Comment/Question: There are many cracks on sidewalks. This is not safe. This problem is currently being addressed.

Comment/Question: Some of the window screens are too small. So they blow out with the wind. Maintenance charges the resident to replace these screens. Please contact your maintenance department.

Marina Manor:

Comment/Question: The recreation room flooring and ceiling needs to be replaced. There is mildew and it is cracking. The HA will include this in the Capital Fund Program Five-Year Plan.

Comment/Question: The elevator problem is the same as in Carmelitos. The HA will consult with the Construction Management Division and work with the elevator company to fix these issues.

Comment/Question: There was new tile installed approximately 7 months ago. At the entrance near the elevators, the tile is already being undone. The HA will consult with the Construction Management Division and fix the problem.

Comment/Question: When contractors do their job, their music is too loud. The HA will advise the Construction Management Division of this problem. Additionally, when this occurs, please report the problem to the management office.

Comment/Question: With the CCTV cameras, you need a monitor on site. Law Enforcement and the Crime and Safety Unit monitor the CCTV cameras when necessary. Due to security reasons, only those two parties have access to footage.

Comment/Question: The boilers at Marina Manor, make the housing development really hot (hallways etc.). Please contact your maintenance department.

Comment/Question: Through the hallways, you can see through the front door of the resident's units. The doors are uneven. The doors are being replaced this Fiscal Year.

Comment/Question: Overall, Marina Manor looks good.

Comment/Question: The vents in the units, maintenance keeps on painting and the vents keep on peeling. Please contact the maintenance department.

Comment/Question: The unit keys open up each other's doors. Please contact the maintenance department.

Comment/Question: The units' windows and doors need to be sealed better. Too much air comes into the units. Please contact the maintenance department.

CHAPTER 1: POLICIES AND OBJECTIVES

1.1 INTRODUCTION

The Los Angeles County Community Development Commission (CDC) was created in 1982 by the County's Board of Supervisors. The CDC aims to build better lives and better neighborhoods, by providing services to improve the quality of life in low- and moderate-income neighborhoods. The CDC manages programs in public and assisted housing, community development, economic development, and housing development and preservation.

The Housing Authority of the County of Los Angeles (Housing Authority) was created in 1938 to manage and develop affordable housing. Since 1938, the Housing Authority has administered federally funded public housing, rental assistance programs, and services and special programs for residents of public and assisted housing.

In an effort to streamline Los Angeles County's housing and community development programs and services, the County Board of Supervisors combined the Housing Authority with the CDC in 1982. The Housing Authority is comprised of two divisions of the CDC. The Housing Management Division manages public housing and related programs and services. The Assisted Housing Division administers rental assistance programs.

1.2 PURPOSE OF THE PLAN **[24 CFR §982.54(a) – §982.54(c)]**

The purpose of the Administrative Plan is to clearly outline the policies and procedures that govern the Housing Authority's administration of rental assistance programs. The plan includes program requirements established by the U.S. Department of Housing and Urban Development (HUD), as well as the discretionary policies established by the Housing Authority.

The policies and procedures in this Administrative Plan comply with applicable local, State, and HUD and other Federal regulations, relevant memos, notices and guidelines, including fair housing and equal opportunity requirements. If applicable regulatory changes conflict with this plan, regulations will have precedence.

The Housing Authority adheres to the Administrative Plan in administering all rental assistance programs. The original plan and any changes must be approved by the Board of Commissioners of the agency (the Los Angeles County Board of Supervisors), and a copy of the plan must be provided to HUD.

As much as possible, revisions and additions are published to coincide with published changes in the Housing Authority's Agency Plan. Interim changes, including Board mandates and administrative updates reflecting changes in law or regulatory requirements, will be made effective by memo from the Executive Director or designee.

1.3 LOCAL OBJECTIVES **[24 CFR §982.1(a)]**

The Housing Authority's rental assistance programs are designed to achieve three major objectives:

1. To provide improved living conditions and decent, safe, and sanitary housing for very low-income families while maintaining their rent payments at an affordable level;
2. To provide an incentive to private property owners to rent to lower income families by offering timely assistance payments; and
3. To promote freedom of housing choice and spatial deconcentration of lower income and minority families.

Additionally, the Housing Authority has adopted the following mission statement:

- To promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination.

1.4 JURISDICTION **[24 CFR §982.51 and 24 CFR §982.4(b)]**

HUD has authorized the Housing Authority to administer rental assistance programs within the corporate boundaries of Los Angeles County. The Housing Authority's jurisdiction includes:

1. The unincorporated areas of the County, and
2. Participating cities within the County. Participating small cities are defined as cities in the Los Angeles County area that have authorized the Housing Authority to administer rental assistance programs within their city limits.

1.5 RENTAL ASSISTANCE PROGRAMS

Section 8 of the Housing and Community Development Act of 1974 established the "Section 8 Program," the first permanent Federal program for rental assistance. The program authorized a basic certificate program, as well as targeted subprograms. As rental assistance programs developed, Congress authorized additional Section 8 programs, including a voucher program in 1987.

In 1998, the Quality Housing and Work Responsibility Act (QHWRA) required housing authorities to convert their certificates into vouchers and establish the Housing Choice Voucher Program as the primary rental assistance program. As a result of this conversion, the Housing Choice Voucher Program now encompasses all Housing Authority rental assistance except for existing certificates under the previously offered Moderate Rehabilitation Program.

- **Moderate Rehabilitation Program:** A certificate-based rental assistance program incorporating financial options for owners doing moderate levels of rehab and upkeep to affordable housing rental units. Administration involves

closing or extending expiring contracts. Chapter 20 (Moderate Rehabilitation Program) covers the details of this program.

- **Section 8 Pre-Pay/Preservation Program**: A voucher-based rental assistance program that enables existing participants, living in units in which owners have prepaid a HUD-insured mortgage loan, to remain in affordable housing. Chapter 19 (Pre-Pay/Preservation Program) covers the details of this program.
- **Project-Based Voucher Program**: The Housing Authority will utilize Project-Based vouchers to prevent the displacement of families and preserve affordable rents in the case of an unforeseen event.
- **Housing Choice Voucher Program**: The major rental assistance program administered by the Housing Authority.
 - **Note**: Unless otherwise noted, the procedures in this Administrative Plan are for the general Housing Choice Voucher Program.

As required by HUD regulations, the Housing Authority administers the Family Self-Sufficiency Program as a special program option for participants in the Housing Choice Voucher Program. See Chapter 18 (Special Programs) for details.

1.5.1 Set-Aside, Targeted and Special Programs

The Housing Authority may use the Housing Choice Voucher Program budget to fund set-aside programs, which are detailed in Chapter 18 (Special Programs). All set-aside programs are subject to the availability of funding. The Executive Director has the discretion to approve allocations beyond the existing program size for all set-aside programs.

- **Housing Choice Voucher Homeless Program**: This program targets families throughout Los Angeles County. All eligible families are referred to the Housing Authority by pre-selected service providers.
- **Housing Choice Voucher Long-Term Family Self-Sufficiency Homeless Program**: This program targets homeless families who are eligible for CalWORKs and are employed or have an offer of employment (either subsidized or unsubsidized).
- **Housing Choice Voucher Family Unification Set-Aside Program**: This program provides assistance to families who are in imminent danger of losing or who cannot regain custody of their minor children due to lack of adequate housing.

Periodically, the Housing Authority applies for special funding from HUD to administer vouchers to targeted populations, within the Housing Choice Voucher Program. The Housing Authority administers vouchers through the following targeted programs:

- **Housing Choice Voucher Welfare to Work Program**: This program provides assistance to families who are eligible for CalWORKs benefits, are in good standing with the employment/job training program offered by the Los Angeles County Department of Public and Social Services

(DPSS) and are in need of housing in order to obtain or retain employment. See Chapter 18 (Special Programs) for details.

- **Housing Choice Voucher Mainstream Program**: This program assists very-low income, disabled families who need rental assistance. As authorized by HUD regulations, the Housing Authority administers this program independently and does not rely on joint ventures with community partners. Eligible families are identified from the regular housing choice voucher waiting list and are admitted on a first come, first served basis.

Families admitted into a targeted program must meet all regular admission requirements with the exception of the residency requirement. Since the Housing Authority is required to work closely with other County departments that provide services through all of Los Angeles County, families residing outside of the Housing Authority's jurisdiction are allowed to participate in targeted programs. However, families may be required to move within the Housing Authority's jurisdiction for at least one year.

The Housing Authority also receives non-Housing Choice Voucher Program funding to administer the following special programs. See Chapter 18 (Special Programs) for details:

- **Shelter Plus Care Program**
- **Housing Opportunities for Persons with AIDS (HOPWA) Program**

1.6 FAIR HOUSING AND EQUAL OPPORTUNITY POLICY **[24 CFR §982.53]**

It is the policy of the Housing Authority to comply fully with all Federal, State and local nondiscrimination laws and with the rules and regulations governing fair housing and equal opportunity in housing and employment.

The Housing Authority shall not deny any family or individual the opportunity to apply for or receive assistance under its rental assistance programs on the basis of race, color, sex, religion, creed, national or ethnic origin, age, family status, handicap or disability.

The Housing Authority will provide Federal, State, and local information to voucher holders during the family briefing session regarding discrimination, and the recourse available to them if they are victims of discrimination. Applicants and other voucher holders will be informed that they may file a fair housing complaint using the toll-free hotline at 1-800-669-9777 and that persons with hearing or speech impairments may access this number via TTY by calling the Federal Information Relay Service at 1-800-887-8339. All fair housing information and discrimination complaint forms will be included in the voucher holder's briefing packet.

Except as otherwise provided in 24 CFR §8.21(c)(1), §8.24(a), §8.25 and §8.31, no individual with disabilities shall be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination because the Housing Authority's facilities are inaccessible to or unusable by persons with disabilities.

1.7 OPERATING RESERVES

The Board of Commissioners shall establish the permitted uses of earned administrative fees at the time of the Annual Consolidated Operating Budget approval. The approval shall consist of the use of administrative fees for the Housing Choice Voucher Program (Section 8) administration.

The Board of Commissioners must approve the expenditure of Section 8 operating reserves in excess of \$50,000. The Executive Director may authorize allowable use of Section 8 operating reserve funds not in excess of \$49,999. The Assistant Executive Director may authorize allowable use of Section 8 operating reserve funds not in excess of \$30,000.

1.8 SERVICE POLICY **[24 CFR §8.24]**

This policy is applicable to all situations described in this Administrative Plan when a family initiates contact with the Housing Authority, when the Housing Authority initiates contact with a family including when a family applies, and when the Housing Authority schedules or reschedules any kind of appointments.

It is the policy of the Housing Authority to be service-directed in the administration of its rental assistance programs, and to exercise and demonstrate a high level of professionalism while providing housing services to all families.

The Housing Authority's policies and practices are designed to provide assurances that all persons with disabilities will be provided reasonable accommodation so that they may fully access and utilize the housing program and related services.

1.8.1 Providing Greater Accessibility to Persons with Disabilities

The Housing Authority provides reasonable accommodations to persons with disabilities. The following is a non-exhaustive list of reasonable accommodations that may be available to a disabled person:

1. Providing office facilities which meet the requirements of Federal, State and local law with regard to accommodations for persons with disabilities;
2. Providing notice to applicants and participants that they may request reasonable accommodation of the Housing Authority if a family member is a person with a disability;
3. Allowing the assistance of mechanical or electronic devices by applicants and participants as may be needed to facilitate communication at appointments;
4. Providing assistance in completing forms and other documents which are required by program regulations;
5. Encouraging families to seek assistance from outside agencies in the completion of forms and documents required by the program;

6. Providing reasonable extensions of time for the completion of program requirements to the extent not prohibited by HUD regulations;
7. Providing extensions to the amount of time a family has to search for a unit with their voucher (see section 8.7.3);
8. Conducting in-home visits (or, where appropriate, telephone interviews) for persons who are unable to travel to Housing Authority offices due to medical conditions;
9. Maintaining Telecommunication Devices for the Deaf (TDD) phone services and publicizing their availability;
10. Providing an American Sign Language interpreter at the request of clients with a hearing impairment;
11. Providing documents in Braille, upon request;
12. Providing program documents in large font sizes upon request and/or an appropriate meeting or conference room to accommodate a service animal for persons with visual impairments;
13. Requesting HUD approval of an exception to the Fair Market Rent (FMR) or the Voucher Payment Standard, at the family's request, if a family contains a member with a disability and has a verifiable need to rent an accessible or otherwise appropriate specific unit in a specific area, but only if the unit meets the rent reasonableness requirements of the program;
14. Allow advocates to provide information as needed, but only with the permission of the person with the disability.

The following is a list of actions Housing Authority will take to affirmatively further fair housing for disabled persons. The Housing Authority is not limited only to those actions listed below to affirmatively further fair housing and may take other actions when deemed necessary and reasonable:

1. Actively and consistently examining the Housing Authority's programs, and proposed programs to identify any impediments to fair housing choice within the programs;
2. Resolving impediments to fair housing choice in a reasonable and timely fashion given resources available;
3. Soliciting information on the accessibility of owners' units to persons with disabilities and providing information on amenities the unit may provide persons with disabilities;
4. Providing a free internet-based housing search that lists available, accessible units;
5. Soliciting the assistance of outside agencies to provide services to persons with disabilities and to assist persons with disabilities in meeting the requirements of the Section 8 and other assisted housing programs;

6. Actively working with the County and participating cities to implement any initiatives to affirmatively further fair housing where involvement by the Housing Authority is necessary;
7. Providing to its Section 8 landlords information concerning their legal obligations to permit “reasonable modifications” to a rental unit at the participant’s expense if the family has a member with a disability and if the modification is necessary for the person with a disability to fully enjoy the unit;
8. Requiring all outside agencies who have agreements or contracts with the Housing Authority to abide by Federal, State and local laws and ordinances which require accommodation for persons with disabilities and not to reject any applicant or participant on the basis of a disability;
9. Providing training to all employees on how to accommodate applicants and participants with disabilities.

The Housing Authority will maintain documentation of all efforts to affirmatively further fair housing.

1.8.2 Requests for Reasonable Accommodation
[24 CFR §8.28]

The Housing Authority is required to make reasonable adjustments to rules, policies, practices and procedures of its programs, in order to enable a disabled applicant or participant to have an equal opportunity to use and enjoy their unit, including common areas, and to comply with program obligations.

The Housing Authority approves reasonable accommodation requests on a case-by-case basis, upon determination that:

- The requested accommodation is reasonable (i.e., it does not result in a fundamental alteration in the nature of the program or an undue financial and administrative burden), and
- There is an identifiable relationship between the requested accommodation and the individual’s disability.

Requests for reasonable accommodation do not have to be made in writing, however it is preferred if the request is in writing to ensure the request is understood by all parties. Most requests for accommodation are verified with a reliable, knowledgeable professional so that the Housing Authority can properly accommodate the need presented by the disability (see Chapter 7 for Verification of Reasonable Accommodations). Families requesting a reasonable accommodation will be notified in writing of the decision.

1.8.3 Persons with an Obvious and/or Visible Disability

Most reasonable accommodation requests are considered in accordance with the policies found in section 7.11.10. However, in accordance with the Joint Statement of the Department of Housing and Urban Development and the Department of Justice regarding Reasonable Accommodations under the Fair Housing Act, dated May 17, 2004 an Assistant Manager, Manager, Director or

the ADA/504 Coordinator in the Assisted Housing Division may approve a family member's self-certification of a need for a reasonable accommodation but only if:

- 1) The individual has an obvious and/or visible disability (such as an individual who regularly uses a wheelchair or an individual with a hearing or visual impairment);
- 2) The accommodation requested is clearly related to the individual's disability (for example, a hearing-impaired person requests a sign language interpreter).

If the supervisor cannot determine whether there is a clear relationship (nexus) between the obvious disability and the need for an accommodation, the relationship (nexus) and need for the accommodation must be verified by a health care or service provider.

Supervisory staff must document the file with facts and reasoning to support acceptance of the family member's self-certification. The supervisor's approval of the self-certification takes the place of a third party verification of need for the accommodation.

1.8.4 General Guidelines for Exception Rents in Excess of the Regular Housing Authority Payment Standard

Under no circumstances may a family initially rent a unit if the family share will exceed the affordability limits stipulated by HUD. A family may rent a unit with a lower payment standard amount while its request for an exception rent or payment standard is pending so long as the family share does not exceed the affordability limitation. If approval for an exception payment standard is provided after the start date of the HAP Contract, the payment standard is revised effective the first of the month following the date of the final written approval.

1.8.5 Exceptions Payment Standard (110% of the FMR or Less):

These exceptions may be granted only by a Manager or the Director of the Assisted Housing Division.

The rent for the unit must be reasonable. The family must have at least one member who qualifies as a person with a disability for the purpose of reasonable accommodation. The unit must in some specific way accommodate the disability, such as the unit's physical amenities (grab-bars, ramps, special features for the blind), structure (elevator building, ground floor unit), location (near a medical facility, place of treatment, school providing special education, close location to bus lines or other facilities) or because of other circumstances or needs attested to by the health care or service provider.

The need for the accommodation must be verified in accordance with section 7.11.10 of this Plan.

1.8.6 Exceptions in Excess of 110% of the FMR

All requests for exceptions to the payment standard which exceed 110 % of the Fair Market Rent must be reviewed and approved by the Director. The HUD Los Angeles Field Office must authorize all such exceptions in writing.

Approval of exception payment standards may occur only if the family share will exceed 40% of the family's Adjusted Monthly Income (AMI), and the resulting exception payment standard will be premised on the family continuing to pay 40% of AMI as the family share. The exception payment standards remain in effect until and unless a higher exception payment standard is warranted, requested and subsequently approved.

Requests above 120% of the FMR will require a HUD Headquarters waiver of 24 CFR 982.505 (d).

1.8.7 Payment Standard Exceptions During the Contract Term

During the term of a HAP Contract, the Housing Authority may provide an exception to the payment standard to allow the unit to remain affordable to the family so long as the unit provides an accommodation for the disability. The exception cannot be retroactive and cannot take effect until after the date of the Housing Authority's (or HUD's) written approval.

1.8.8 Denials & Terminations - Discretion to Consider Circumstances

In determining whether to deny admission or terminate assistance because of action or failure to act by members of the family, the Housing Authority may consider mitigating circumstances relating to the disability of a family member and the effects of denial or termination of assistance on other family members who were not involved in the action or failure to act.

If the family includes a person with a disability, the Housing Authority's decision concerning termination or denial is subject to consideration of reasonable accommodation in accordance with 24 CFR Part 8.

1.8.9 Re-verifying the Need for Reasonable Accommodations

Once the need for a reasonable accommodation has been verified, staff does not re-verify the need for reasonable accommodation except when there is another change in circumstances.

Examples:

- A live-in aide leaves the household,
- A disabled person leaves the household,
- A family member listed as disabled can no longer verify s/he is disabled,
- At inspection no medical equipment is observed in an additional room granted as an accommodation to store or use the equipment,

- The health care or service provider approving a need for a live-in aide or other reasonable accommodation has indicated that the need or the disability will be of short duration,
- The family member loses his/her disabled status, for example when a person on State disability returns to work.

1.8.10 Resolving Complaints Regarding Reasonable Accommodation

Complaints or issues regarding the provision of reasonable accommodation for a person with a disability which are not resolved by the case manager are referred to the Assisted Housing Division ADA/Section 504 Coordinator who provides a preliminary review, conducts investigations, and resolves complaints and issues determinations.

1.9 LIMITED ENGLISH PROFICIENCY

In accordance with federal, state and local law, specifically Executive Order 13166, HUD LEP Guidance and Sections 7290 et seq. of the California Government Codes (“Dymally-Alatore Act”) the Housing Authority will provide meaningful access to its programs and activities by persons with Limited English Proficiency (LEP) and undertake reasonable efforts to provide or arrange free language assistance for LEP applicants or participants of the Housing Choice Voucher program and all other rental assistance programs administered by the Assisted Housing Division.

1.10 MEANINGFUL ACCESS: FOUR-FACTOR ANALYSIS

Meaningful access is free language assistance in accordance with federal guidelines. The Housing Authority is required to provide LEP services based on the balancing of the following four-factor analysis:

1. The number or proportion of LEP persons served or likely to be encountered by the Housing Authority.
2. The frequency with which with LEP persons using a particular language come into contact with the Housing Authority.
3. The nature and importance of the Housing Authority program, activity or service to the person’s life.
4. The Housing Authority’s resources and the cost of providing meaningful access.

The Housing Authority will annually assess and update the four-factor analysis in accordance with Section 1.13 Monitoring.

1.11 DEFINITIONS

1. “Applicant” includes applicants for any program administered by the Assisted Housing Division.

2. "Competent" refers to a person who is proficient and has knowledge of program terminology in both the English language and the non-English language being used.
3. "Interpretation" is competently taking oral or spoken information provided in one language and accurately communicating that information orally in another language.
4. "Interpreter" is a person (not a minor) able to speak fluently and read with full understanding both in the English language and the language of the LEP applicant or participant.
5. "Language services" or "Language Assistance" is the provision of free, competent language interpretation (oral) or translation services (written).
6. "LEP Individual" is a person who identifies as a LEP person, does not speak English as a primary language, and who has a limited ability to read, write, speak or understand English.
7. "Oral Translation" means the oral translation of a document from English into a second language. Oral translation involves the translation of every word, not summarization. However, in oral translation, because of cultural and technical issues, further explanation may also be required and is encouraged.
8. "Participant" includes persons receiving assistance under any rental assistance program administered by the Assisted Housing Division.
9. "Threshold Language" is a language spoken by 5% or 1,000, whichever is less, of the population of persons eligible to be served or likely to be affected or encountered to determine the need for bilingual staff and translation of documents.
10. "Translation" means converting written material from one language to another in written form.
11. "Vital documents" are those that are critical for ensuring meaningful access by LEP persons to the rental assistance programs administered by the Housing Authority.

1.12 LANGUAGE ASSISTANCE

A Limited English Proficient (LEP) applicant or participant is entitled to language assistance with respect to the programs and activities of the Housing Authority.

Housing Authority staff will provide language assistance to LEP applicants and participants who have difficulty communicating in English, who identify themselves as LEP or who request language assistance.

Applicants will be asked at the time of application and participants will be asked at the time of annual reexamination to designate their primary language for both oral and written services and whether LEP services are needed. This information will be recorded in the electronic case file.

1.13 INTERPRETIVE (ORAL) SERVICES

LEP applicants and participants have the right to free interpreter services when the individual states a need or staff observes difficulty in communicating in English, whether or not the language they speak is considered a threshold

language. Once a person is identified as LEP, interpreter services will be made available in all communication with or from the Housing Authority.

1.13.1 Formal Interpreters

To provide meaningful access for LEP applicants and participants, the Housing Authority will provide qualified interpreters, including agency bilingual staff and outside vendors to all identified LEP individuals or upon request.

The Housing Authority may require an interpreter to certify that he/she understood the matter communicated and rendered a competent interpretation.

- Only formal interpreters will be used at Voucher issuance briefings; and
- Informal hearings.

Informal interpreters will not be used in lieu of formal interpreters provided by the Housing Authority.

For informal hearings, a Housing Authority staff interpreter may not be a subordinate to the person making the decision.

The Housing Authority maintains a list of qualified, bilingual employees who have applied for, and tested for proficiency in interpreting and/or translating languages from English into a language other than English. Those employees receive additional compensation for demonstrating non-English language proficiency and can provide assistance to Housing Authority staff and LEP clients as part of their regular job duties.

1.13.2 Informal Interpreters

Informal interpreters may include the family members, friends, legal guardians, service representatives or advocates of the LEP individual. The use of informal interpreters is strongly discouraged. Minor children may not act as informal interpreters.

If the LEP individual wishes to rely solely on an informal interpreter, Housing Authority staff will determine whether it is appropriate, depending upon the circumstances and subject matter of the communication. However, in many circumstances, informal interpreters may not be an appropriate option to provide accurate interpretations. There may be issues of confidentiality, competency or conflict of interest. In those cases, the Housing Authority may require the use of a formal interpreter despite the wish of the LEP individual to rely solely on his or her informal interpreter.

The Housing Authority will always offer a free interpreter. A LEP person may use an informal interpreter of his/her own choosing and at his/her expense, either in place of or as a supplement to the free language assistance offered by the Housing Authority. If possible, the Housing Authority will accommodate a LEP individual's request to use an informal interpreter in place of a formal interpreter.

If a LEP individual prefers an informal interpreter, after the Housing Authority has offered free interpreter services, the informal interpreter may interpret. In these cases, the LEP individual and interpreter will be asked to sign a waiver, in the LEP individual's preferred language or through oral translation, refusing interpreter services.

If a LEP individual wants to use his/her own informal interpreter, the Housing Authority reserves the right to also have a formal interpreter present.

1.13.3 Outside Resources

Outside resources may include competent community volunteers or competent Housing Choice Voucher participants.

Outside resources may be used for interpreting services at public or informal meetings or events if a timely request has been made.

The Housing Authority will establish and maintain relationships with organizations that assist specific cultural and ethnic groups living in Los Angeles County. To help their clients obtain or keep housing assistance through the Housing Authority, these organizations may provide qualified interpreters for LEP persons.

1.14 TRANSLATION OF DOCUMENTS

The Housing Authority will consider the following factors in determining whether a document requires translation:

- a. The document meets the threshold of a "vital document". Per the HUD guidance, "vital documents" are those that are critical for ensuring meaningful access by beneficiaries or potential beneficiaries generally and LEP persons specifically.
- b. The costs and benefits of translating documents for potential LEP groups, the barriers to meaningful translation or interpretation of technical housing information, the likelihood of frequent changes in documents, the existence of multiple dialects within a single language group, the literacy rate in an LEP group and other relevant factors. The Housing Authority will undertake this examination when an eligible LEP group constitutes 5 percent of an eligible group of beneficiaries or potential beneficiaries (for example, 5 percent of households receiving Section 8 assistance) or 1,000 persons, whichever is less.

Documents deemed "vital" by the Housing Authority will be translated in to threshold languages.

In consideration of the above, the Housing Authority will annually assess its documents to identify any additional vital documents that need to be translated. The Housing Authority will then translate a portion of those documents identified every year as financially feasible. If the vital document has not been translated, HACoLA will provide the applicant or participant with oral translation.

As opportunities arise, the Housing Authority may work with other local public housing authorities (PHAs) to share the costs of translating common documents.

As HUD continues to translate standard housing documents in multiple languages, the Housing Authority will replace its translated versions with the official HUD versions.

1.14.1 Audiovisual Materials

The Housing Authority will make reasonable efforts to produce multiple translations of audiovisual materials it may use to inform or educate applicants, participants and other client groups. For example, the Housing Authority will translate material to be presented at voucher issuance briefings into the threshold languages.

1.15 MONITORING

The Housing Authority will review and revise this LEP policy annually. The review will include:

- a. Reports from the Housing Authority's software system on the number of LEP clients. Such reports may be supplemented by staff observations.
- b. A determination as to whether 5 percent or 1,000 participants from Housing Authority-administered programs or persons from the waiting list speak a specific language, which triggers consideration of document translation needs as described above.
- c. Review of demographic data that indicates prevalent languages in Los Angeles County.
- d. Analysis of staff requests for formal interpreters: the number of requests, the languages requested, the costs, etc.

1.16 LEP PLAN DISTRIBUTION AND TRAINING

The Housing Authority will ensure the LEP policy is distributed to the public and complied with by all staff by:

1. Distributing to all Housing Authority staff.
2. Posting on the Housing Authority's website at www.hacola.org.

1.17 FAMILY OUTREACH

Each time the Housing Authority enters into an Annual Contributions Contract (ACC) with HUD for new Section 8 existing units, it will be publicized in accordance with the specification in the criteria of the Equal Opportunity Housing Plan. The Housing Authority's waiting list will remain open on a continuous basis for the foreseeable future.

The Housing Authority will communicate the status of housing availability to other service providers in the community; advise them of housing eligibility factors and guidelines in order that they can make proper referrals for housing assistance.

Information regarding the program directed at prospective applicants/tenants will be disseminated in accordance with Equal Opportunity Housing Plan and HUD guidelines for fair housing.

1.18 OWNER OUTREACH **[24 CFR §982.54(d)(5)]**

The Housing Authority encourages owners of decent, safe and sanitary housing units to lease to families participating in its rental assistance programs. The Housing Authority maintains and regularly updates a list of interested landlords and available units for its rental assistance programs. When listings from owners are received, they are compiled by Housing Authority staff and made available through the phone hotline, by mail, or by Internet at www.hacola.org.

Ongoing marketing efforts to recruit suburban owners for participation include, but are not limited to:

1. Brochures for owners;
2. Realty Board presentations;
3. Apartment Owner Association presentations;
4. Community Center presentations; and
5. Presentation to organizations serving the disabled and other similar organizations.

The Housing Authority periodically evaluates the distribution of assisted families to identify areas within the jurisdiction where owner outreach should be targeted. Special outreach efforts will be used in order to encourage participation of those groups who would not normally apply or participate.

1.19 PRIVACY RIGHTS **[24 CFR §5.212]**

Applicants and participants, including all adults in each household, are required to sign the HUD-9886 Form (Authorization for the Release of Information). This document incorporates the Federal Privacy Act Statement and describes the conditions under which HUD will release family information.

A statement of the Housing Authority's policy on release of information to prospective landlords will be included in the briefing packet that is provided to the family.

The Housing Authority's practices and procedures are designed to safeguard the privacy of applicants and program participants. All applicant and participant files are stored in a secure location that is only to be accessed by authorized staff.

Housing Authority staff will not discuss family information contained in files unless there is a business or legal reason to do so. Inappropriate discussion of family information or improper disclosure of family information will result in disciplinary action.

1.20 MONITORING PROGRAM PERFORMANCE **[24 CFR §985]**

In order to ensure quality control, supervisory staff will review the following functions:

1. 10 percent of all work completed by their staff, and
2. 100 percent of work completed by new staff for a minimum of 30 calendar days.

The Housing Authority's Quality Assurance Unit conducts audits of:

1. 5 percent of annual re-examinations/interim re-examinations, and
2. Minimum Housing Quality Standards (HQS) quality control inspections as dictated by Section 8 Management Assessment Program (SEMAP) Indicator #5.

The Housing Authority's Program Enforcement/Investigations Unit uses credit checks, and other similar tools to ensure program integrity, on a case-by-case basis.

CHAPTER 2: ADMISSION ELIGIBILITY FACTORS AND APPLICANT REQUIREMENTS

2.1 INTRODUCTION [24 CFR §982.54(d)]

This chapter defines the criteria used by the Housing Authority to determine program eligibility, and the requirements that families and family members must meet in order to receive assistance under the program. This chapter also clarifies the circumstances that may lead to a denial of admission, and the process for notifying families if they are denied admission.

Family members being added to households that are currently receiving assistance are considered new applicants and are subject to the Housing Authority's admission and eligibility requirements.

The intent of these policies is to maintain consistency and objectivity in evaluating the eligibility of families who apply for the programs. The criteria listed in this chapter are the only factors used to review eligibility, to minimize the possibility of bias or discrimination. Selection shall be made without regard to race, color, creed, religion, sex, national origin, familial status, source of income, or disability/handicap.

2.2 ELIGIBILITY FACTORS AND REQUIREMENTS [24 CFR §982.201 and 24 CFR §982.552]

In accordance with HUD regulations, the Housing Authority has established the following eligibility criteria, which are detailed throughout this chapter. To be eligible for admission, an applicant family must:

1. Meet the definition of a "family;"
2. Be within the appropriate income limits;
3. Be a citizen, or a non-citizen with eligible immigration status [24 CFR §5.508]; and
4. Furnish and verify valid Social Security numbers for all family members [24 CFR §5.216].

The Housing Authority will also deny admission as follows:

1. If applicant fails to meet specified criteria regarding drug abuse and other criminal activity;
2. If applicant fails to submit required consent forms, or any other Housing Authority-required information to verify family eligibility, composition, or income (including birth certificates and valid state identification);
3. If applicant is in violation of other criteria listed in Section 2.8 of this chapter;
4. If the applicant is a member, officer or employee of the Housing Authority who formulates policy or influences decisions with respect to federally

funded rental assistance programs or a public official or a member of the local governing body or member of Congress; or

5. If applicant is a student enrolled in an institution of higher learning and meets all the criteria listed in Section 2.5 of this chapter.

The Housing Authority's procedures regarding notification and informal reviews for applicants who are denied assistance can be found at the end of this chapter.

2.3 FAMILY COMPOSITION **[24 CFR §982.201(c)]**

The applicant must qualify as a family. The Housing Authority defines a family as a single person or a group of persons as follows, regardless of actual or perceived sexual orientation, gender identity, or marital status.

1. **An elderly family:** A family whose head, co-head, spouse, or sole member is a person who is at least 62 years of age. It may include two or more persons who are at least 62 years of age living together, or one or more persons who are at least 62 years of age living with one or more live-in aides.
2. **A disabled family:** A family whose head, co-head, spouse, or sole member is a person with disabilities. It may include two or more persons with disabilities living together, or one or more persons with disabilities living with one or more live-in aides.
3. **The remaining member of a tenant family:** The remaining member of a tenant family will be reassigned another bedroom size voucher, provided there is funding available.

The remaining member of a tenant family does not include a live-in aide of the former family whose service was necessary to care for the well being of an elderly, disabled or handicapped head of household, co-head, or spouse and whose income was not included for eligibility purposes.

4. **A group of persons:** Two or more persons sharing residency, who are not categorized as an elderly or disabled family, whose income and resources are available to meet family needs. There must be a relation by blood, marriage or operation of law, or the group must provide evidence of a significant relationship determined to be stable by the Housing Authority.

The following is to be considered as relation by blood: mother, father, children, sibling, cousin, niece, nephew, aunt, uncle, grandfather and grandmother. A group of two could also be a single person who is pregnant or in the process of adopting or securing legal custody of any individual under the age of 18.

5. **A single person:** A person who lives alone, or intends to live alone, who is not categorized as elderly, disabled, or the remaining member of a tenant family.

A child who is temporarily away from home due to placement in foster care is considered a member of the family.

2.3.1 Stable Relationship

When the applicant group is not related by blood, marriage, or operation of law, the Housing Authority will require that the applicant group provide evidence of a stable relationship.

The Housing Authority defines a stable relationship as:

1. A relationship that has been in existence for a minimum of 6 months, and
2. The parties provide financial support for each other.

Acceptable documentation of a stable relationship includes lease agreements indicating that the parties have lived together for at least 6 months, utility bills, other joint bills and/or bank account(s) (need to provide for a 6-month period), and, on a case-by-case basis, letters from a social service provider or religious organization confirming the relationship.

2.3.2 Head of Household **[24 CFR §5.504]**

The head of household is considered to be the adult member of the household who is designated by the family or the Housing Authority as head, is wholly or partly responsible for paying the rent, to sign program-related documents, and has the legal capacity to enter into a lease under State/local law. However, since rental assistance is provided to the entire family, it is expected that every family member will uphold the Housing Authority's rules and regulations. Emancipated minors who qualify under State law will be recognized as head of household.

2.3.3 Spouse of Head

Spouse means the husband or wife of the head of household. The marriage partner who, in order to dissolve the relationship would have to be divorced. It includes the partner in a common law marriage. The term "spouse" does not apply to boyfriends, girlfriends, significant others, or co-heads.

2.3.4 Co-Head

A co-head is an individual in the household who is equally responsible for the lease with the head of household. A family may have a spouse or co-head, but not both. A co-head never qualifies as a dependent.

2.3.5 Live-In Aides **[24 CFR §982.316 and 24 CFR §5.403]**

A family may include a live-in aide if the live-in aide meets the following stipulations. The live-in aide:

1. Is determined by the Housing Authority to be essential to the care and well being of an elderly person or a person with a disability;
2. Is not obligated for the support of the person(s);
3. Would not be living in the unit except to provide care for the person(s);
and

4. Must submit a signed Criminal Background Consent Form.

Note: Occasional, intermittent, multiple or rotating care givers do not meet the definition of a live-in aide. Live-in aides must reside with a family permanently for the family unit size to be adjusted in accordance with the subsidy standards. An additional bedroom should not be approved for these caregivers, except when the family's composition or circumstances warrant the provision of an extra bedroom to permit disability-related overnight care and allow the family equal use and enjoyment of the unit.

A live-in aide is different from a family member in the following:

1. An aide's income will not be used to determine eligibility of family;
2. An aide is not subject to citizenship/eligible immigrant requirements;
3. An aide is not considered a remaining member of the tenant family, which means that they are not entitled to retain the voucher if the eligible family member(s) voluntarily leave the program, are terminated from the program, or have a voucher that expires.

Relatives are not automatically excluded from being live-in aides, but they must meet all the stipulations in the live-in aide definition described above to qualify for the income exclusion as a live-in aide.

A relative who does not qualify for income exclusion as a live-in aide may qualify for other exclusions, including if a family receives income from a state agency to offset the cost of services and equipment needed to keep a developmentally disabled family member at home. For a complete list of income exclusions, refer to Section 6.4 (Income Inclusions and Exclusions).

A live-in aide may only reside in the unit with the approval of the Housing Authority. The Housing Authority will require written verification from a reliable, knowledgeable professional, such as a doctor, social worker, or caseworker. The verification provider must certify that a live-in aide is needed for the care of the family member who is elderly, and/or disabled. The verification must include the hours of care that will be provided.

The live-in aide will be subject to a criminal background check and must meet the same standard as an applicant. Please see Section 2.8 (Screening for Drug Abuse and Other Criminal Activity) for more information.

With authorization from the assisted family, the landlord and the Housing Authority, a live-in aide may have a family member live in the assisted unit as long as it does not create overcrowding in the unit. The Housing Authority will not increase the family's subsidy to accommodate the family of a live-in aide.

2.3.6 Split Households Before Voucher Issuance

When a family breakup occurs while a family is on the waiting list due to divorce or legal separation, it is the responsibility of the two families to decide which will take the placement on the waiting list. If no decision or court determination is made, the Housing Authority will make the decision, taking into consideration the following:

1. Which family member applied as head of household;

2. Which family member retains the children or any disabled or elderly members;
3. Any restrictions that were in place at the time the family applied;
4. Role of domestic violence or any other infraction; and
5. Recommendation of social service agencies or qualified professionals.

2.3.7 Multiple Families in the Same Household

When families consisting of two families living together, (such as a mother and father, and a daughter with her own husband or children), apply together as a family, they will be treated as one-family unit.

2.3.8 Joint Custody of Children

Children who are subject to a joint custody agreement but live with one parent at least 51 percent of the time will be considered members of that household. If both parents on the waiting list are trying to claim the child, the parent whose address is listed in the school records will be allowed to claim the school-age child as a dependent.

Where court orders exist and provide guidance on custody issues, the Housing Authority will follow the directives outline in the court documents.

2.4 INCOME LIMITATIONS **[24 CFR §982.201(b) and 24 CFR §5.603(b)]**

In order to be eligible for assistance, an applicant must be:

1. An extremely low-income family (a family whose gross annual income does not exceed 30 percent of the HUD-established median income for the Los Angeles-Long Beach Primary Metropolitan Statistical Area); **or**
2. A very low-income family (a family whose gross annual income does not exceed 50 percent of the median income for the Los Angeles-Long Beach Primary Metropolitan Statistical Area).
3. A low-income family (a family whose gross annual income does not exceed 80 percent of the median income for the Los Angeles-Long Beach Primary Metropolitan Statistical Area) who meets at least one of the following criteria:
 - i. Is “continuously assisted” (meaning the applicant has been receiving assistance under a program covered by the 1937 Housing Act, i.e. public housing); or
 - ii. Is displaced as a result of the prepayment of the mortgage or voluntary termination of an insurance contract on eligible low-income housing; or
 - iii. Qualifies for assistance as a non-purchasing family residing in a HOPE 1 or HOPE 2 project; or

- iv. Qualifies for assistance as a non-purchasing family residing in a project subject to a resident homeownership program under 24 CFR §248.101.

As required by HUD regulations, 75 percent of all new admissions will be required to meet the definition of an extremely low-income family. To achieve the required balance, it may be necessary to skip over an otherwise eligible family. If this occurs, families that have been skipped over will retain the time and date of application and will be admitted as soon as an appropriate opening becomes available.

Families whose annual incomes exceed the income limit will be denied admission and offered an informal review.

2.4.1 Income Limits for Other Programs

Periodically, HUD has provided funding to the Housing Authority for projects involving preservation opt-outs and/or the expiration of a project based Section 8 contract. HUD provides the income limits applicable to those projects through specific regulation. The Housing Authority will follow HUD directives in determining admissions for such programs.

2.5 ELIGIBILITY OF STUDENTS **[24 CFR §5.612]**

The student rule applies to all individuals enrolled as a full or part-time student at an institution of higher education for the purpose of obtaining a degree, certificate, or other program leading to a recognized educational credential, except for a student who is living with his/her parents who are applying for or receiving section 8 assistance.

No assistance shall be provided to any individual that meets the following criteria:

- Is enrolled as a student at an institution of higher education, as defined under section 102 of the Higher Education Act of 1965 (20 U.S.C. 1002);
- Is under 24 years of age;
- Is not a veteran of the United States military;
- Is unmarried;
- Does not have a dependent child;
- Is not a person with disabilities, as such term is defined in section 3(b)(3)(F) of the United States Housing Act of 1937 and was not receiving assistance under such section 8 as of November 30, 2005; and
- Is not otherwise individually eligible (determined independent from his or her parents. See section 1.13 Terminology), or has parents, who individually or jointly, are not eligible on the basis of income to receive assistance.

Unless the student is determined independent from his or her parents, the eligibility of a student seeking assistance will be based on both the

student and the parents being determined income eligible for assistance or whether the student's parents, individually or jointly, are income eligible for assistance. Both the student's income and the parents' income must be separately assessed for income eligibility.

2.6 CITIZENSHIP/ELIGIBLE IMMIGRATION STATUS
[24 CFR §982.201(a) and §982.203(b)(4) and §5.508]

Eligibility for assistance is contingent upon a family's submission of evidence of citizenship or eligible immigration status. In order to receive assistance, a family member must be a U.S. citizen or eligible immigrant. Each family member, regardless of age, must submit a signed declaration of U.S. citizenship or eligible immigration status. The Housing Authority may request verification of the declaration according to verification guidelines detailed in Chapter 7.

The citizenship/eligible immigration status of each member of the family is considered individually before the family's status is defined.

This requirement does not apply to foster children or live-in aides.

2.6.1 Mixed Families
[24 CFR §5.504]

An applicant family is eligible for assistance as long as at least one member is a citizen or eligible immigrant. A family that includes eligible and ineligible individuals is called a "mixed family." Mixed family applicants will be given notice that their assistance will be prorated and that they may request a hearing if they contest this determination.

2.6.2 No Eligible Members
[24 CFR §982.552(b)(4)]

The Housing Authority is required to deny admission if no member of the family is a U.S. citizen or eligible immigrant. Families will be provided the opportunity to appeal the decision in an informal review.

2.7 SOCIAL SECURITY NUMBER REQUIREMENTS
[24 CFR §5.216(a)]

Applicant families are required to provide verification of Social Security numbers for all family members prior to admission.. This requirement also applies to persons joining the family after the admission to the program. Individuals who were 62 years of age as of January 31, 2010 and who were determined eligible for the program on or before that date are exempt from this requirement. Individuals not contending eligible immigration status are also exempt from this requirement.

If the family is unable to comply with this requirement, they may retain their position on the waiting list. Families who refuse to furnish verification of Social Security numbers will be denied admission to the program.

2.8 SCREENING FOR DRUG ABUSE AND OTHER CRIMINAL ACTIVITY **[24 CFR §982.552 – §982.553]**

This section describes the guidelines the Housing Authority has established for screening applicants for drug abuse and other criminal activity. The section includes HUD-required screening standards, as well as discretionary standards allowed by HUD. The Housing Authority will deny program admission if there is reasonable cause to believe that an applicant family has engaged in activity prohibited by these guidelines.

These guidelines apply to applicant families, and any new members being added to the household of a family currently participating in a rental assistance program administered by the Housing Authority. The Housing Authority also screens families transferring into its jurisdiction from other housing authorities, as authorized at 24 CFR §982.355(c)(9) and §982.355(c)(10).

2.8.1 Drug Abuse and Criminal History Screening Standards **[24 CFR §982.552(i) and §982.553(a)]**

The Housing Authority will prohibit program admission to households if any household member is found to have engaged in activities listed in this screening standards section. Applicants convicted of an act listed in this section are ineligible to receive assistance. However, the Housing Authority will consider the household eligible for rental assistance if the household member who committed the criminal act will not be a part of the assisted household; as long as all other admission requirements are met. The family may be required to submit written certification that the ineligible family member(s) will not reside in the household.

1. Applicant(s) previously evicted from federally assisted housing for drug-related criminal activity.

The Housing Authority is required to deny admission to the applicant or any household member evicted from public housing, Indian housing, Section 23, or any federally assisted housing program because of a drug-related criminal activity for a 3-year period beginning on the date of such eviction. However, the Housing Authority may waive the 3-year probation period if the person who committed the drug-related crime has successfully completed an approved supervised drug rehabilitation program after the date of the eviction or if the circumstances leading to the eviction no longer exist (i.e. the individual responsible for the original eviction is imprisoned or is deceased).

2. Applicant(s) convicted for the manufacture of methamphetamine on the premises of federally assisted housing.

The Housing Authority is required to deny admission if the applicant or any household member has ever been convicted of drug-related criminal activity for manufacture or production of methamphetamine on the premises of federally assisted housing.

3. Applicant(s) currently engaging in the illegal use of a drug.

The Housing Authority is required to deny admission to an applicant or any household member who the Housing Authority determines is currently engaging in illegal use of a drug.

The Housing Authority is required to deny admission if the Housing Authority has reasonable cause to believe that there is a pattern of illegal use of a drug by the applicant or any household member and that this pattern may threaten the health, safety, or right to peaceful enjoyment of the premises by others, regardless of whether the household member has been arrested or convicted.

The Housing Authority may approve admission if the person provides sufficient evidence that they are no longer engaging in illegal drug use and have successfully completed a supervised drug rehabilitation program.

4. Applicant(s) subject to a lifetime sex offender registration requirement.

The Housing Authority is required to deny admission if the applicant or any household member is subject to lifetime registration as a sex offender under a state registration program, regardless of longevity of conviction or completion of any rehabilitative program.

5. Applicant(s) with a pattern of alcohol abuse.

The Housing Authority is required to deny admission if the Housing Authority has reasonable cause to believe that there is a pattern of abuse of alcohol by the applicant or any household member and this pattern may threaten the health, safety, or peaceful enjoyment of the premises.

The Housing Authority may approve admission if the person provides sufficient evidence that they are no longer engaging in the abuse of alcohol and has successfully completed a supervised alcohol rehabilitation program.

6. Applicant(s) currently engaging in, or who have engaged in criminal activities.

The Housing Authority shall deny admission, if within three years prior to the date upon which the applicant is selected from the Active Waiting List and eligibility is determined, the applicant or any household member has been convicted or incarcerated for a conviction for any of the following activities:

1. Drug-related criminal activity;
2. Violent criminal activity;
3. Other criminal activity which may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents or persons residing in the immediate vicinity; and
4. Other criminal activity which may threaten the health or safety of the owner or Housing Authority staff, contractor or subcontractors or vendors.

The Housing Authority may waive the 3-year period for drug-related criminal activity if the person provides sufficient evidence that they are no longer engaging in the illegal use of a controlled substance and have successfully completed a supervised drug rehabilitation program.

7. Applicant(s) engaging in fraud or bribery associated with any federal housing program.

The Housing Authority shall deny admission if the applicant or any household member has committed fraud, bribery, or any other corrupt or criminal act in connection with any Federal housing program. The Housing Authority may make an exception in determining admission if the family member(s) who participated or were culpable for the action do not reside in the assisted unit.

8. Applicant(s) have not completed parole or probation.

The Housing Authority shall deny admission if the applicant or any household member has not completed parole or probation, including summary probation.

**2.8.2 Criminal Background Checks
[24 CFR §982.552 – §982.553, §5.903 – §5.905]**

The Housing Authority requests a criminal background check for all applicant household members (including live-in aides) 18 years of age and older. The criminal background check is used as a factor in screening applicants for criminal activities that would prohibit admission to the Housing Authority's Section 8 rental assistance programs.

All adult members of an applicant household must submit a signed Criminal Background Consent Form [24 CFR §5.903(b)], authorizing the release of criminal conviction records from law enforcement agencies. Failure to sign the consent form will result in the denial of assistance.

A criminal conviction alone may or may not result in the denial of assistance. Factors such as disclosure, completion of a drug or alcohol rehabilitative treatment program, type and longevity of the conviction may also be taken into consideration.

The Housing Authority is additionally authorized by HUD to obtain access to sex offender registration information, in order to prevent program admission to any household member (including live-in aides and minors) subject to a lifetime sex offender registration under a State sex offender registration program.

**2.8.3 Requests for Criminal Records by Owners of Covered Housing for the Purposes of Screening
[24 CFR §5.903(d)]**

Owners of covered housing may request that the Housing Authority obtain criminal records, on their behalf, for the purpose of screening applicants. The Housing Authority will charge a fee in order to cover costs associated with the review of criminal records. These costs could include fees charged to the

Housing Authority by the law enforcement agency and the Housing Authority's own related staff and administrative cost.

Owners must submit the following items in order for the Housing Authority to process criminal records. Owner requests must include:

1. A copy of a signed consent form from each adult household members, age 18 years and older. Included in the consent form must be a legible name, the date of birth, a California Identification Number, and a Social Security number. This information will be used for the sole purpose of distinguishing persons with similar names or birth dates.
2. An owner's criteria or standards for prohibiting admission of drug criminals in accordance with HUD regulations (§ 5.854 of 24 CFR Parts 5 et al.), and for prohibiting admission of other criminals (§ 5.855 of 24 CFR Parts 5 et al.).

Once the Housing Authority obtains criminal records, a determination will be made as to whether a criminal act, as shown by a criminal record, can be used as a basis for applicant screening. The Housing Authority will base its determination in accordance with HUD regulations and the owner criteria. If the owner's criteria conflicts with HUD regulations, the regulations will have precedence.

It is important to note that the Housing Authority will not disclose the applicant's criminal conviction record or the content of that record to the owner.

2.8.4 Request for Criminal Records by Section 8 Project-Based Owners for the Purposes of Lease Enforcement or Eviction

Section 8 project-based owners may request that the public housing agency in the location of the project obtain criminal conviction records of a household member on behalf of the owner for the purpose of lease enforcement or eviction. The owner's request must include the following:

1. A copy of the consent form, signed by the household member, and
2. The owner's standards for lease enforcement and evicting due to criminal activity by members of a household.

2.8.5 Confidentiality of Criminal Records [24 CFR §5.903(g)]

Criminal records received by the Housing Authority are maintained confidentially, not misused, nor improperly disseminated and kept locked during non-business hours. All criminal records will be destroyed no later than 30 calendar days after a final determination is made.

2.8.6 Disclosure of Criminal Records to Family

The applicant or family member requesting to be added to the household will be provided with a copy of the criminal record upon request and an opportunity to dispute the record. Applicants will be provided an opportunity to dispute the

record at an informal review. Participants may contest such records at an informal hearing [24 CFR §982.553(d)].

2.8.7 Explanations and Terms **[24 CFR §5.100]**

The following terms are used to determine eligibility when an applicant or a family member is added to an already assisted household and is undergoing a criminal background check.

- **“Covered housing”** includes public housing, project-based assistance under Section 8 (including new construction and substantial rehabilitation projects), and tenant-based assistance under Section 8.
- **“Drug”** means a controlled substance as defined in Section 102 of the Controlled Substance Act (21 U.S.C. 802).
- **“Drug-related criminal activity”** means the illegal manufacture, dispensation, distribution, sale, use or possession of illegal drugs, with the intent to manufacture, dispense, distribute, sell or use the drug.
- **“Pattern”** is defined as the use of a controlled substance or alcohol if there is more than one incident during the previous 12 months. “Incident” includes but is not limited to arrests, convictions, no contest pleas, fines, and city ordinance violations.
- **“Premises”** is the building or complex or development in which the public or assisted housing dwelling unit is located, including common areas and grounds.
- **“Sufficient evidence”** may include all or a number of personal certification along with supporting documentation from the following sources 1) probation officer; 2) landlord; 3) neighbors; 4) social service workers; 5) review of verified criminal records.
- **“Violent criminal activity”** means any criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force substantial enough to cause, or be reasonably likely to cause, serious bodily injury or property damage. Violent criminal activity also includes activity within the family, such as during domestic disputes.

2.9 OTHER CRITERIA FOR ADMISSION **[24 CFR §982.552(c)]**

The Housing Authority is authorized to apply the following criteria, in addition to the HUD eligibility criteria, as grounds for denial of admission to the program.

1. The family, or any household member, must not have violated any family obligations during a previous participation in a federally assisted housing program. The Housing Authority will review situations, on a case-by-case basis, for violations that are more than 5 years old.
2. The family, or any household member, must not have engaged in serious lease violations while a resident of federally assisted housing or within the past 5 years had been evicted from a federally assisted housing program.

3. The family, or any household member, must not be a past participant of any Section 8 or public housing program who has failed to satisfy liability for rent, damages or other amounts to the Housing Authority or another public housing agency, including amounts paid under a HAP contract to an owner for rent, damages, or other amounts owed by the family under the lease.
 - On a case-by-case basis, the Housing Authority may provide the applicant the opportunity to repay any such debt in full as a condition of admissions. The Housing Authority will not enter into a repayment agreement for this purpose.
4. No family household member may have engaged in or threaten abusive or violent behavior toward Housing Authority personnel.
 - **“Abusive or violent behavior”** includes verbal as well as physical abuse or violence. Use of expletives that are generally considered insulting, racial epithets, or other language, written or oral, that is customarily used to insult or intimidate, may be cause for denial of admission.
 - **“Threatening”** refers to oral or written threats or physical gestures that communicate intent to abuse or commit violence.
 - Actual physical abuse or violence will always be cause for denial.
5. The family, or any household member, must not supply false, inaccurate or incomplete information on any application for federal housing programs, including public housing and Section 8. The family may be denied for a period not to exceed 2 years from the date of such a determination by the Housing Authority that information which was provided was false, inaccurate or incomplete, provided that no further cause for denial exists [24 CFR §982.552(c)(2)(i)].

2.10 SUITABILITY OF FAMILY **[24 CFR §982.307(a)(2)]**

The Housing Authority may take into consideration any admission criteria listed in this chapter in order to screen applicants for program eligibility; however, it is the owner’s responsibility to screen applicants for family behavior and suitability for tenancy.

The Housing Authority will assist and advise applicants on how to file a complaint if they have been discriminated against by an owner.

2.11 DENYING ADMISSION TO INELIGIBLE FAMILIES **[24 CFR §982.201(f)(1) AND §982.552(A)(2)]**

Denial of assistance for an applicant family may include denying placement on the waiting list; denying or withdrawing a voucher; refusing to enter into a HAP contract or approve a lease; and refusing to process or provide assistance under portability procedures.

Families from the waiting list who are determined to be ineligible will be notified in writing of the reason for denial and given an opportunity to request an informal review if they do not agree with the decision. This policy also applies to incoming families from other housing authorities that have not yet received assistance in the Housing Authority's jurisdiction. Please refer to Chapter 16 for more information on the informal review process.

CHAPTER 3: ADMINISTRATION OF THE WAITING LIST

3.1 INTRODUCTION **[24 CFR §982.54(d)(1)]**

This chapter describes the policies and procedures that govern the initial application, placement and denial of placement on the Housing Authority's waiting list. It is the Housing Authority's objective to ensure that the families are placed on the waiting list in the proper order so that an offer of assistance is not delayed to any family, or made to any family prematurely.

By maintaining an accurate waiting list, the Housing Authority will be able to perform the activities, which ensure that an adequate pool of qualified applicants will be available so that program funds are used in a timely manner.

3.2 HOW TO REGISTER

Interested persons may apply online at www.hacola.org, or by calling the Housing Authority at (562) 347-4663 or (800) 731-4663.

3.2.1 Preliminary Registration Waiting List **[24 CFR §982.204(b)]**

All families wishing to receive rental assistance through a Housing Authority rental assistance program are initially placed on the Preliminary Registration Waiting List. This is essentially an interest list. Families are placed on the Preliminary Registration Waiting List according to the Housing Authority's local preferences and then by date and time of registration. Preliminary information regarding the family's address, income, family composition, and disability status is collected. However, this information is not verified until the family is placed on the Active Waiting List. Applicants receive a confirmation letter that their name has been placed on the Preliminary Registration Waiting List.

3.2.2 Active Waiting List

When the Housing Authority determines that there is sufficient funding to issue additional vouchers, a pool of potential new applicants is drawn from the Preliminary Registration Waiting List. Families move onto the Active Waiting List according to the Housing Authority's admission policies. Once a family has been placed on the Active Waiting List, they will be asked to complete an application and provide all the necessary income and eligibility forms. At this point, all information will be confirmed through a third-party. Families must meet all admissions requirements to be issued a voucher.

3.2.3 Change in Circumstances **[24 CFR §982.204(b)]**

Applicants are required to notify the Housing Authority in writing, within 30 calendar days, when their circumstances change, including any change of address, income or family composition.

3.3 APPLYING FOR SPECIAL PROGRAMS AND NON-HOUSING CHOICE VOUCHER PROGRAMS

To see a list of special programs, other non-Housing Choice Voucher Programs and the eligibility process, please refer to Chapter 18 (Special Programs).

3.4 SPECIAL ADMISSIONS

Applicants admitted under special admissions, rather than from the waiting list, are identified by codes in the automated system and are not maintained on separate lists.

Applicants who are admitted under targeted funding which are not identified as a Special Admission are identified by codes in the automated system and are not maintained on separate waiting lists.

3.4.1 Exceptions for Special Admissions **[24 CFR §982.203]**

If HUD awards the Housing Authority program funding that is targeted for specifically named families, the Housing Authority will admit these families under a special admission procedure. Special admissions families will be admitted outside of the regular waiting list process. They do not have to qualify for any preferences, nor are they required to be on the program waiting list. They are not counted in the limit on non-Federal preference admissions. The Housing Authority maintains separate records of these admissions. The following are examples of types of program funding that may be designated by HUD for families living in a specified unit:

1. A family displaced because of demolition or disposition of a public or Indian housing project;
2. A family residing in a multifamily rental housing project when HUD sells forecloses or demolishes the project;
3. For housing covered by the Low Income Housing Preservation and Resident Homeownership Act of 1990;
4. A family residing in a project covered by a project-based Section 8 HAP contract at or near the end of the contract term; and
5. A non-purchasing family residing in a HOPE 1 or HOPE 2 project.

3.4.2 Criminal Background Checks

Program applicants for all voluntary set-aside programs will require criminal background checks. Applicants for the Shelter Plus Care program will not be required to undergo criminal background checks. For more specific information on the applicant screening standards used by the Housing Authority when reviewing criminal records, please refer to Section 2.8 (Screening for Drug Abuse and Other Criminal Activity).

3.4.3 Opening the Waiting List
[24 CFR §982.206(a)]

When the Housing Authority opens its waiting list, it will give public notice by advertising in one or more of the following newspapers, minority publications, and media entities.

- Los Angeles Times
- La Opinion
- The Daily News
- International Daily News
- L.A. Sentinel
- Long Beach Press Telegram
- Eastern Group Publications
- The Wave
- The Daily Breeze

The Housing Authority's public notice will contain:

- The dates, times, and locations where families may apply;
- The programs for which applications will be taken;
- A brief description of the program(s);
- A statement that public housing residents must submit a separate application if they want to apply to a rental assistance program;
- Any limitations on who may apply; and
- The Fair Housing Logo.

The notice will provide potential applicants with information that includes the Housing Authority's telephone number, website address, location address, information on eligibility requirements, and the availability of local preferences, if applicable. The notice will be made in an accessible format to persons with disabilities if requested.

Additional time for submission of an application after the stated deadline will be given as a reasonable accommodation at the request of a person with a disability.

3.4.4 Criteria Defining Who May Apply
[24 CFR §982.206(b)(1)]

Upon opening the waiting list, the Housing Authority will disclose the criteria defining what families may apply for assistance under a public notice.

3.4.5 Closing the Waiting List
[24 CFR §982.206(c)]

When the Housing Authority closes the waiting list, the same advertising methods described above will be used.

Notification of impending closure will be provided to the public for a minimum of 30 calendar days.

3.5 TIME OF SELECTION
[24 CFR §982.204(d)]

When funding is available, families will be selected from the waiting list based on the Housing Authority's admission policies.

If the Housing Authority ever has insufficient funds to subsidize the unit size of the family at the top of the waiting list, the Housing Authority will not admit any other applicant until funding is available for the first applicant.

However, families may be skipped over to meet HUD-mandated income targeting requirements [24 CFR §982.201(b)]. See Section 2.4 (Income Limitations) for details.

3.6 CROSS-LISTING OF PUBLIC HOUSING AND SECTION 8 WAITING
LISTS
[24 CFR §982.205(a)]

The Housing Authority does not merge the waiting lists for public housing and Section 8. However, if the Section 8 waiting list is open when the applicant is placed on the public housing list, the Housing Authority must offer to place the family on the Section 8 waiting list. If the public housing waiting list is open at the time an applicant applies for Section 8 rental assistance, the Housing Authority must offer to place the family on the public housing waiting list.

3.7 REMOVING APPLICANTS FROM THE WAITING LIST AND PURGING
[24 CFR §982.204(c) and §982.201(f)(1)]

The Housing Authority is authorized to remove names of applicants who do not respond to requests for information or updates. An applicant who fails to respond to a Housing Authority mailing within the time frame indicated will be removed from the waiting list. An extension may be granted as a reasonable accommodation if requested by a person with a disability.

If a letter is returned by the Post Office, the applicant will be removed without further notice. The envelope and letter will be maintained in the file.

This policy applies to purging, in which a request for current information and confirmation of continued interest is mailed to all applicants, to ensure that the waiting list is current and accurate.

Notices will be made available in accessible format upon the request of a person with a disability.

Applicants who are removed from the waiting list for failure to respond are not entitled to reinstatement on the waiting list, unless:

- The Housing Authority verifies a family/health/work emergency, or
- The applicant failed to respond because of a family member's disability, or
- The applicant can provide verification or attest they were homeless at the time of the mailing.

Periodically, applicants will call to check their status on the waiting list and learn that they have been cancelled because mail was returned undeliverable. In extenuating circumstances, such as those listed above, the applicant may be reinstated. However, the applicant must be able to provide documentation of the circumstances. Such requests will be reviewed and decided on a case-by-case basis by the Applications and Eligibility Unit Supervisor.

3.8 APPLICATION POOL

The waiting list will be maintained in accordance with the following guidelines:

1. The application will be a permanent file;
2. Applications equal in preference will be maintained by date and time; and
3. All applicants must meet eligibility requirements outlined in Chapter 2 (Admission Eligibility Factors and Applicant Requirements).

CHAPTER 4: ADMISSION PROCESS

4.1 INTRODUCTION

The policies outlined in this chapter are intended to ensure that all families who express an interest in housing assistance are given an equal opportunity to apply. The primary purpose of the intake function is to gather information about the family so that an accurate, fair, and timely decision relative to the family's eligibility may be made. As such, applicants are placed on the waiting list in accordance with this plan.

4.2 APPLICATION PROCEDURES **[24 CFR §982.204(c)]**

Once the applicant is transferred from the Preliminary Registration Waiting List to the Active Waiting List, an application will be mailed to the applicant. The application is due back within 15 calendar days from the date it was mailed. If the application is returned undeliverable, the applicant will be cancelled from the waiting list (see section 3.7 for examples of exceptions to this rule).

Once an application is returned, the information provided by the applicant will be used to determine if the applicant is eligible for the program and any admissions preferences claimed.

If an applicant is ineligible based on the information provided on the application, or because they fail to return the documents by the due date, the applicant will be provided written notice of the reason for their disqualification and of their right to appeal the decision by requesting an informal review.

The application may capture the following information:

- Name of adult members and age of all members;
- Sex and relationship of all members;
- Street address and phone number;
- Mailing address;
- Amount(s) and source(s) of income received by household members;
- Information regarding disabilities relating to program requirements;
- Information related to qualification for preference(s);
- Social Security numbers;
- Race/ethnicity;
- Citizenship/eligible immigration status;
- Convictions for drug-related or violent criminal activity;
- Request for specific reasonable accommodation(s) needed to fully utilize program and services;
- Previous address;

- Current and previous landlords' names and addresses;
- Emergency contact person and address; and
- Program integrity questions regarding previous participation in HUD programs.

Applicants are required to inform the Housing Authority in writing within 30 calendar days of effective date of any changes in family composition, income, and address, as well as any changes in their preference status. Applicants must also comply with requests from the Housing Authority to update information. However, exceptions to this requirement may be found in section 3.8.

4.2.1 Interview Sessions/Mailings

The Housing Authority may use both mailing and interview sessions to obtain income, asset and family composition information from applicants.

4.2.2 Request for Information via Mail

During times of high activity, the Housing Authority will mail income and asset forms or an application to applicants. Applicants will be given 15 calendar days to complete and return all required forms. If forms are not returned in a timely manner, the applicant will receive a final notice. The final notice will provide an additional 15-day grace period. If the required forms are not returned, as specified, the application will be cancelled. The Housing Authority will provide additional time as a reasonable accommodation and in special circumstances such as an illness and/or death in the family.

4.2.3 Application Interview Process

During times for regular activity (average volume), the Housing Authority utilizes a full application interview to discuss the family's circumstances in greater detail, to clarify information that has been provided by the applicant, and to ensure that the information is complete.

Applicants are given two opportunities to attend an interview session. If the applicant does not respond to the second invitation, the application is cancelled. Housing Authority will allow for a third interview appointment as a reasonable accommodation and in special circumstances such as illness. An applicant may also request that the Housing Authority assign someone to conduct the interview at the applicant's home, as a reasonable accommodation.

All applicants must complete the following requirements [24 CFR §982.551(b)(1)(iii)].

1. At minimum, the head of household must attend the interview. The Housing Authority requests that all adult members of the applicant family attend when possible. This assures that all members receive information regarding their obligations and allows the Housing Authority to obtain signatures on critical documents quicker.

2. All adult members of the applicant family must sign the HUD-9886 Form (Authorization for the Release of Information), and all supplemental forms required by Housing Authority.
3. Citizen declaration forms must be completed for all applicant family members, regardless of age.
4. All adult members of the applicant family must complete and sign a Criminal Background Consent/Acknowledgment Form.
5. Identification information for all members of the applicant family such as birth certificates, valid driver's licenses or State (Department of Motor Vehicles) ID cards, whichever is applicable based on the age of the family member, must be submitted for all members of the household regardless of age.

Information provided by the applicant will be verified, including citizenship status, full-time student status and other factors related to preferences, eligibility and rent calculation. Verifications must be received no more than 60 calendar days before the time of issuance.

If they are requested, exceptions for any of the above listed items will be reviewed on a case-by-case basis. Exceptions will be granted based upon hardship. Reasonable accommodations will be made for persons with disabilities. In these cases, a designee will be allowed to provide some information, but only with permission of the person with a disability.

Under both processes, all local preferences claimed on the application while the family is on the waiting list will be verified. Preference is based on current status, so the qualifications for preference must exist at the time the preference is verified, regardless of the length of time an applicant has been on the waiting list.

4.2.4 Secondary Reviews/Credit Reports **[24 CFR §982.551(b)(1)]**

The Housing Authority may retrieve credit reports for applicants and participants on a case-by-case basis. The information contained in the credit report will be used to confirm the information provided by the family. Specifically, the credit report will be used to confirm:

- **Employment**: A credit report will list any employers that the applicant has listed in any recent credit applications. If the credit report reveals employment, for any adult household member, within the last 12 months that was not disclosed, the family will be asked to provide additional documents to clear up the discrepancy. Failure to disclose current employment may result in cancellation of the family's application.
- **Aliases**: A credit report can provide information on other names that have been used for the purposes of obtaining credit. Common reasons for use of other names include a recent marriage or a divorce. If an alias has not been disclosed to the Housing Authority, the family will be asked to provide additional evidence of the legal identity of adult family members.
- **Current and previous addresses**: A credit report can provide a history of where the family has lived. This is particularly important because the

Housing Authority provides a residency preference. If the family has provided one address to the Housing Authority and the credit report indicates a different address, the family will be asked to provide additional proof of residency. This may include a history of utility bills, bank statements, school enrollment records for children, credit card statements or other relevant documents. Failure to provide adequate proof will result in the denial of a residency preference.

- **Credit card and loan payments**: A credit report will usually include a list of the family's financial obligations. Examples of the items that may show up include car loans, mortgage loans, student loans and credit card payments. The Housing Authority will review this information to confirm the income and asset information provided by the family. If the family's current financial obligations (total amount of current monthly payments) exceed the amount of income reported by the family, the Housing Authority will ask the family to disclose how they are currently meeting their financial obligations. Accounts that have been charged off or significantly delinquent are not included in this calculation. Failure to provide adequate proof of income will result in termination of the application.
- **Multiple Social Security numbers**: A credit report may list multiple Social Security numbers if an adult family member has used different Social Security numbers to obtain credit. If the credit report information does not match the information provided by an adult member of the family, the family member will be required to obtain written confirmation of the Social Security number that was issued to him/her from the Social Security Administration.

A family will not be issued a voucher until all discrepancies between the information provided by the applicant family, and the information contained in the credit report have been cleared by the applicant family.

When discrepancies are found, the family will be contacted by telephone or by mail. In most cases, the family will be allowed a maximum of 15 calendar days to provide the additional documentation. On a case-by-case basis, as a reasonable accommodation, the family may be granted additional time. If additional time is granted, the family will receive a letter confirming the new deadline. No additional extension will be granted thereafter.

When the credit report reveals multiple discrepancies that are not easily communicated over the telephone, the Housing Authority will set up a face-to-face interview with the applicant. The Housing Authority will schedule up to two interview appointments. An additional interview may be scheduled as a reasonable accommodation. Failure to appear at the interview session will result in cancellation of the application.

Additionally, failure to provide the necessary information will result in cancellation of the application.

4.3 LOCAL PREFERENCES **[24 CFR §982.207]**

The Housing Authority will apply a system of local preferences in determining admissions for the program. All preferences will be subject to the availability of

funds and all applicants will be required to meet all eligibility requirements. In accordance with California Health and Safety Code §34322.2, the Housing Authority will give priority to families of veterans and members of the armed forces in each of the categories below. Local preferences are weighted highest to lowest, in the following order:

1. **Set-Aside, Targeted, and Special Programs** : Families who qualify for Set-Aside, Targeted, or Special Programs administered by the Housing Authority will be admitted before all other eligible applicants or applicants on the waiting list. Referral may be made by County agencies with a contract or Memorandum of Understanding in place, or by contracted CBO's up to and not to exceed the number of vouchers specified in the contract.
2. Families previously assisted by the Housing Authority whose assistance was terminated due to insufficient funding.
3. Families who live or work in the jurisdiction in the following categories that are subject to the approval by the Executive Director:
 - **Victims of Declared Disasters**: An admissions preference may be given to bona fide victims of declared disasters, whether due to natural calamity (e.g. earthquake), civil disturbance, or other causes recognized by the federal government. Victims must provide documentation to receive an admissions preference. Admissions preference may only be given within the allotted timeframe established by the federal government. If HUD provides specific funding, the Housing Authority will not exceed the allocated amount.
 - **Displacement Due to Government Actions**: Families or individuals who are certified as displaced due to the action of a federal government agency or local government agencies may be given an admissions preference.
 - **Referrals from law enforcement agencies**: The Housing Authority may distribute application forms and may issue a voucher to families or single persons that are referred by law enforcement agencies. The types of referrals that will be considered include, but are not limited to:
 - Victims of domestic violence,
 - Involuntarily displaced to avoid reprisals, or
 - Displaced due to being a victim of a hate crime.Law enforcement referrals must be made in writing, on law enforcement agency letterhead, and signed by the requesting officer and his or her immediate supervisor. Eligibility, including background checks will be confirmed for all members.
4. **Jurisdictional Preference**: Families who live and/or work in the Housing Authority's jurisdiction will be admitted before families outside of the Housing Authority's jurisdiction.

Date and Time of Registration: Families will be selected from the waiting list based on the preferences for which they qualify, and then by date and time.

4.3.1 Verification of Preferences
[24 CFR §982.207(e)]

Residency Preference: For families who are residing in the Housing Authority's jurisdiction at the time of selection from the waiting list, or have at least one adult member who works or has been hired to work in the Housing Authority's jurisdiction.

- In order to verify that an applicant is a resident, the Housing Authority will require documentation of residency as shown by the following documents: current rent receipts, leases, utility bills, employer or agency records, school records, driver's licenses, state identification or credit reports.
- In cases where an adult member of the household works or has been hired to work in the Housing Authority's jurisdiction, a statement from the employer will be required.

Veteran's Preference: Acceptable documentation regarding veteran's status will include a DD-214 (discharge documents), proof of receipt of veteran's benefits, or documentation from the Veteran's Administration.

4.3.2 Final Verification of Preferences
[24 CFR §982.207(e)]

Preference information on applications will be updated as applicants are selected from the waiting list. At that time, the Housing Authority will obtain necessary verifications of preference at the interview and by third-party verification.

4.3.3 Preference Denial

If the Housing Authority denies a preference, the Housing Authority will notify the applicant in writing of the reasons why the preference was denied and offer the applicant an opportunity for an informal review. The applicant must request for an informal review in writing within 15 calendar days from the date of the notification. The request should also provide all information and documents supporting the applicant's request. If the preference denial is upheld as a result of the informal review, the applicant will be placed on the waiting list without benefit of the preference. Applicants may exercise other rights if they believe they have been discriminated against.

If the applicant falsifies documents or makes false statements in order to qualify for any preference, or for any other reason, they will be removed from the waiting list.

4.4 DENIAL OF ASSISTANCE
[24 CFR §982.204(c)(1) and §982.204(f)(1) §982.552]

If an application is denied due to failure to attend the initial and final interviews, or for failure to provide eligibility related information, the applicant family will be notified in writing and offered an opportunity to request an informal review. If the applicant misses two scheduled meetings, the Housing Authority will cancel the application and remove the applicant's name from the waiting list.

The Housing Authority may at any time deny program assistance to an applicant family because of actions or failure to act by members of the family such as any member of the family to sign and submit consent forms for obtaining information.

The Housing Authority will not deny admission of an applicant who is or has been a victim of domestic violence, dating violence, sexual assault, or stalking, if the applicant otherwise qualifies for admission.

4.5 FINAL DETERMINATION AND NOTIFICATION OF ELIGIBILITY
[24 CFR §982.301]

If the applicant family is determined to be eligible after all applicable paperwork has been reviewed, they will be invited to attend a briefing session at which time they will receive information regarding their rights and responsibilities and they will be issued a voucher. See Chapter 8 (Voucher Issuance and Briefings) for more detail information.

CHAPTER 5: SUBSIDY STANDARDS

5.1 INTRODUCTION **[24 CFR §982.402(a)]**

Program regulations require that the Housing Authority establish subsidy standards that determine the number of bedrooms needed for families of different sizes and compositions. Such standards must provide for a minimum commitment of subsidy while avoiding overcrowding. The standards in determining the voucher size must be within the minimum unit size requirements of HUD's Housing Quality Standards (HQS).

This chapter lays out the factors used in determining the voucher size issued to a family initially and when there is a move to a new unit, as well as the Housing Authority's procedures for handling changes in family size, selection of unit size that are different from the voucher size and requests for waivers.

5.2 DETERMINATION OF VOUCHER SIZE **[24 CFR §982.402]**

Subsidy standards and determination of voucher bedroom size are based upon the number of family members who will reside in the assisted dwelling unit. All standards in this section relate to the number of bedrooms on the voucher, not the family's actual living arrangements.

The unit size on the voucher remains the same as long as the family composition remains the same.

As required by HUD, the Housing Authority's subsidy standards for determining voucher size shall provide for the smallest number of bedrooms needed to house a family without overcrowding. They will be applied consistently for all families of like size and composition, in a manner consistent with fair housing guidelines and HQS.

In accordance with HUD regulations, the unit size designated on the voucher should be assigned using the following Housing Authority subsidy standards, which are based on two persons per bedroom:

<u>Number of Household Members</u>	<u>Number of Bedrooms</u>
1-2	1- bedroom
3-4	2- bedroom
5-6	3- bedroom
7-8	4- bedroom
9-10	5- bedroom
11-12	6- bedroom

1. At issuance, the bedroom size assigned should not require more than two persons to occupy the same bedroom. The family may choose and live within a suitable unit in any grouping that is acceptable to the family, including using the living room for sleeping purposes.
2. Every household member is to be counted as a person in determining the family unit size [24 CFR §982.402(a)(4)-(6)]. Under this definition, household members include the unborn child of a pregnant woman; any live-in aides (approved by the Housing Authority to reside in the unit to care for a family member who is disabled or is at least 50 years of age); a full-time student who is away from the home attending school but who spends school recess in the unit, and a child who is temporarily away from the home because of placement in foster care. A family that consists of a pregnant woman (with no other persons) must be treated as a two-person family.

Note: An approved live-in aide is counted in determining the voucher size. Occasional, intermittent, multiple, or rotating care givers typically do not meet the definition of a live-in aide. A live-in aide must reside with a family permanently for the family unit size to be adjusted in accordance with the subsidy standards [24 CFR 982.402(7)]. For exceptions to this policy, please see Section 5.3 below.
3. An additional bedroom may be assigned if approved under a waiver by the Housing Authority (see Section 5.3 below).
4. If the family decides to move, the Housing Authority will issue a voucher based on the family's current composition.

5.2.1 Maximum Unit Occupancy

In cases where an additional person(s) joins the family and the family will continue to occupy the same rental unit, i.e. no move is involved; the Housing Authority may require the family to use the living room for sleeping purposes for no more than one person provided that the unit meets other HQS.

Changes to household composition must be made according to Housing Authority policy detailed in Section 12.5 (Changes in Family Composition).

The maximum occupancy as determined by the Housing Authority is as follows:

<u>Number of Bedrooms</u>	<u>Maximum Occupancy</u>
1- bedroom	3
2- bedroom	5
3- bedroom	7
4- bedroom	9
5- bedroom	11
6- bedroom	13

The Housing Authority will not increase the family's voucher size due to additions where the family will continue to occupy the same unit, unless the family was residing in a unit larger than the voucher size. The appropriate voucher size will be applied no later than the annual reexamination.

The family may be required to move into a larger size dwelling unit if the Housing Authority determines that the family is overcrowded and a larger voucher will be issued to the family.

5.3 OCCUPANCY STANDARDS WAIVER **[24 CFR §982.402(b)(8)]**

The standards discussed above should apply to the vast majority of assisted families. However, in some cases, the Housing Authority may grant exceptions to the subsidy standards. Examples of possible exceptions that may be justified include but are not limited to:

1. The health of a family member.
2. A reasonable accommodation to a disability.

For households that receive approval for a live-in aide, an extra bedroom will be added to the voucher size the family qualifies for without the live-in aide.

Occasional, intermittent, multiple or rotating care givers typically do not meet the definition of a live-in aide and usually do not justify any exceptions to the subsidy standards. However, a family's composition or circumstances may warrant the provision of an extra bedroom to permit disability-related overnight care and allow the family equal use and enjoyment of the unit. The Housing Authority will consider these requests on a case-by-case basis.

Requests based on health-related reasons must be verified, in writing, by a doctor or other medical professional. The request must specify the reason for the request and how providing a larger bedroom size would improve or accommodate the medical condition.

A Unit Supervisor who has not been involved in the initial determination will review the request, any prior determination and make a decision based on the specifics of the individual case (on a case-by-case basis). After the decision is made, a letter notifying the applicant or participant of the decision regarding the waiver will be sent by the reviewing supervisor.

Requests made as a reasonable accommodation will follow the reasonable accommodation policy as outlined in sections 1.8.2 and 7.11.10.

To request a larger voucher size than indicated by the subsidy standards for any other reason, the family must submit a written request within 15 calendar days of the Housing Authority's determination of bedroom size. The request must explain the need or justification for a larger bedroom size.

5.4 EXCEPTIONS FOR FOSTER CHILDREN
[24 CFR §982.402(b)(8)]

Exceptions will be made to accommodate foster children. The Los Angeles County Department of Family and Children Services (DCFS) has very specific housing guidelines that must be met by foster families. In order to assure that foster children are able to remain with designated Section 8 foster families, the Housing Authority will utilize the guidelines published by the Los Angeles County DCFS, or specified in a court order, in situations involving foster children.

5.5 FLEXIBILITY OF UNIT SIZE ACTUALLY SELECTED
[24 CFR §982.402(d)]

The family may select a dwelling unit with a different size than that listed on the voucher:

- Larger than the voucher size: The Housing Authority shall not prohibit a family from renting an otherwise acceptable unit because it is too large for the family, provided that the rent for the unit is comparable and the family's total rent contribution (rent to the owner plus any applicable utility costs) does not exceed 40 percent of the family's adjusted monthly income (applies only if the gross rent for the unit exceeds the payment standard).
- Smaller than the voucher size: The Housing Authority will allow families to request a waiver to rent an otherwise acceptable unit with fewer bedrooms than the voucher size, if the unit does not exceed maximum unit occupancy requirements.

5.5.1 Calculating Assistance for a Different Unit Size

To determine the family's maximum rent subsidy, the Housing Authority uses the payment standard for the voucher size or the selected unit size, whichever is lower [24 CFR §982.402(c)].

The utility allowance used to calculate the gross rent is based on the actual size of the unit the family selects, regardless of the size authorized on the family's voucher [24 CFR § 982.517(d)]. The Housing Authority may grant a higher utility allowance as a reasonable accommodation for a disabled family member, following the policies and procedures referenced in sections 1.8.1, 1.8.2 and 7.11.10.

CHAPTER 6: DETERMINING THE TOTAL TENANT PAYMENT AND HOUSING AUTHORITY ABSENCE POLICY

6.1 INTRODUCTION

This chapter explains how the Total Tenant Payment (TTP) is calculated at admission and during annual re-examinations. It covers Housing Authority and HUD standards used to calculate income inclusions and deductions.

This chapter also provides the Housing Authority's definition of absence of household members and explains how the presence or absence of household members can affect the TTP.

The policies outlined in this chapter address those areas, which allow the Housing Authority discretion to define terms and to develop standards in order to assure consistent application of the various factors that relate to the determination of TTP.

6.2 INCOME DEFINITIONS

- **Total Tenant Payment (TTP)**: represents the minimum amount a family must contribute toward rent and utilities regardless of the unit selected. The TTP is the greater of:
 - 30 percent of monthly adjusted income;
 - 10 percent of monthly gross income; or
 - The Housing Authority's minimum rent of \$50.
- **Income**: The Housing Authority will include income from all sources, unless otherwise specifically exempted [24 CFR §5.609(c)] through program regulations, for the purposes of calculating the TTP. In accordance with this definition, income from all sources of each member of the household is counted.
- **Annual Income [24 CFR §5.609(a)]**: The gross amount of income anticipated to be received by the family during the 12 months after certification or re-examination. Gross income is the amount of income prior to any HUD allowable expenses or deductions, and does not include income that has been excluded by HUD. Annual income is used to determine whether or not applicants are within the applicable income limits.
- **Adjusted Income [24 CFR §5.611]**: The annual income minus any HUD allowable deductions.

6.3 INCOME DEDUCTIONS [24 CFR §5.611(a)]

The following deductions will be applied in the TTP calculation:

- **Dependent Allowance**: \$480 each for family members (other than the head, co-head, or spouse), who are minors, and for family members who are 18 and older who are full-time students or who are disabled. This allowance does not apply to foster children.
- **Elderly Family or Disabled Family Allowance**: \$400 for families whose head, co-head, or spouse is 62 or over or disabled.
- **Childcare Expenses**: Deducted for children under 13, including foster children, when childcare is necessary to allow an adult member to work, search for work, or attend school (see below for details).
- **Allowable Medical Expenses**: Deducted for unreimbursed medical expenses for members of any elderly family or disabled family.
- **Disability Assistance Expenses**: Deducted for persons with disabilities if needed to enable the individual or an adult family member to work.

6.3.1 **Childcare Expenses** **[24 CFR §5.603(b) and 24 CFR §5.611(a)]**

Childcare expenses for children under 13 years of age may be deducted from annual income if they enable an adult to work, search for work, or attend school full time.

In the case of a child attending school, only care during non-school hours can be counted as childcare expenses.

Families will be given a childcare allowance based on the following guidelines:

1. **Childcare to Work**: The maximum childcare expense allowed must be less than the amount earned by the person enabled to work. The "person enabled to work" will be the adult member of the household who earns the least amount of income from working.
2. **Childcare to Search for Work**: Childcare expenses cannot exceed the current amount of income received.
3. **Childcare for School**: The number of hours claimed for childcare may not exceed the number of hours the family member is attending school (including one hour travel time to and from school).
4. **Amount of Expense**: The Housing Authority will determine local average costs as a guideline. If the hourly rate materially exceeds the guideline, the Housing Authority may calculate the allowance using the guideline.

6.3.2 **Medical Expenses** **[24 CFR §5.611(a)(3)(i)]**

When it is unclear in the HUD rules as to whether or not to allow an item as a medical expense, IRS Publication 502 will be used as a guide.

The Housing Authority will allow as medical expense the actual out-of-pocket amounts which are owed and anticipated to be paid by the family during the re-examination period. Expenses from the previous year may be analyzed to determine the amount to anticipate when other verification is not available.

Nonprescription medicines will be counted toward medical expenses for families who qualify if the family furnishes legible receipts.

Acupressure, acupuncture and related herbal medicines, and chiropractic services will be considered allowable medical expenses.

6.4 INCOME INCLUSIONS AND EXCLUSIONS

6.4.1 Income Inclusions **[24 CFR §5.609(b)]**

The Housing Authority considers the following to be included in the family's annual income, as required by HUD:

- (1) The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services;
- (2) The net income from operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested in the operation by the family;
- (3) Interest, dividends, and other net income of any kind from real or personal property. Expenditures for amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for depreciation is permitted only as authorized in paragraph (2) of this section. Any withdrawal of cash or assets from an investment will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested by the family. Where the family has net family assets in excess of \$5,000, annual income shall include the greater of the actual income derived from net family assets or a percentage of the value of such assets based on the current passbook savings rate, as determined by HUD;
- (4) The full amount of periodic payments received from Social Security, annuities, insurance policies, retirement funds, pensions, lotteries, disability or death benefits, and other similar types of periodic receipts, including a lump-sum payment for the delayed start of a periodic payment (but see paragraph (13) under Income Exclusions);
- (5) Payments in lieu of earnings, such as unemployment, worker's compensation, and severance pay (but see paragraph (3) under Income Exclusions);
- (6) Welfare Assistance.
 - a. Welfare assistance received by the household.

- b. The amount of reduced welfare income that is disregarded specifically because the family engaged in fraud or failed to comply with an economic self-sufficiency or work activities requirement.
 - c. If the welfare assistance payment includes an amount specifically designated for shelter and utilities that is subject to adjustments by the welfare assistance agency in accordance with the actual cost of shelter and utilities, the amount of welfare income to be included as income shall consist of:
 - (i) The amount of the allowance or grant exclusive of the amount specifically designated for shelter or utilities; plus
 - (ii) The maximum amount that the welfare assistance agency could in fact allow the family for shelter and utilities. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this paragraph shall be the amount resulting from one application of the percentage;
- (7) Periodic and determinable allowances, such as alimony and child support payments, and regular contributions or gifts received from persons not residing in the dwelling;

Regular Contributions and Gifts [24 CFR §5.609(b)(7)]

Any contribution or gift received every 3 months or more frequently will be considered a "regular" contribution or gift from the same source. This includes payments made on behalf of the family such as payments for a car, credit card bills, rent and/or utility bills and other cash or non-cash contributions provided on a regular basis. It does not include casual contributions or sporadic gifts.

If the family's expenses exceed its known income, the Housing Authority will question the family about contributions and gifts. If the family indicated that it is able to meet the extra expenses due to gifts or contributions from persons outside the household, the amount provided will be included in the family's TTP.

Alimony and Child Support [24 CFR §5.609(b)(7)]

If the amount of child support or alimony received is less than the amount awarded by the court, the Housing Authority must use the amount awarded by the court unless the family can verify that they are not receiving the full amount. Acceptable verification in such cases may include:

1. Verification from the agency responsible for enforcement or collection, and
2. Documentation of child support or alimony collection action filed through a child support enforcement/collection agency, or has filed an enforcement or collection action through an attorney.

It is the family's responsibility to supply a certified copy of the divorce decree.

- (8) All regular pay, special pay, and allowances of a member of the Armed Forces (whether or not living in the dwelling) who is head of the family, co-head, spouse, or other person whose dependents are residing in the unit (but see paragraph (7) under Income Exclusions).
- (9) Any financial assistance, in excess of amounts received for tuition, that an individual received for tuition, that an individual receives under the Higher Education Act of 1965 (20 U.S.C. 1001 *et seq.*), from private sources, or from an institution of higher education (as defined under the Higher Education Act of 1965 (20 U.S.C. 1002)), shall be considered income to that individual, except that financial assistance described in this paragraph is not considered annual income for students who are living with their parents who are applying for or receiving assistance or persons over the age of 23 with dependent children. For the purpose of determining income, loan proceeds are not considered "financial assistance".
- (10) Any part of an athletic scholarship that can be used to cover housing costs must be included in the family's income.
- (11) The gross amount of Social Security (SS) and Supplemental Security Income (SSI) benefits.

6.4.2 Income Exclusions
[24 CFR §5.609(c)]

The Housing Authority considers the following to be excluded from the family's annual income, as required by HUD:

- (1) Income from employment of children (including foster children) under the age of 18 years;
- (2) Payments received for the care of foster children or foster adults (usually individuals with disabilities, unrelated to the tenant family, who are unable to live alone);

Benefits received through the Kin GAP program, a California program designed specifically for foster children who have been placed in the home of a relative are considered foster care and should be excluded.

- (3) Lump-sum additions to family assets, such as inheritances, insurance payments (including payments under health and accident insurance and worker's compensation), capital gains, and settlement for personal or property losses (but see paragraph (5) under Income Inclusions);
- (4) Amounts received by the family that are specifically for, or in reimbursement of, the cost of medical expenses for any family member;
- (5) Income of a live-in aide (as defined by regulation);
- (6) Subject to paragraph (9) in Income Inclusions, the full amount of student financial assistance paid directly to the student or to the educational institution;

- (7) The special pay to a family member serving in the Armed Forces who is exposed to hostile fire;
- (8) (a) Amounts received under training programs funded by HUD;
- (b) Amounts received by a person with disabilities that are disregarded for a limited time for purposes of Supplemental Security Income eligibility and benefits because they are set aside for use under a Plan to Attain Self-Sufficiency (PASS);
- (c) Amounts received by a participant in other publicly assisted programs which are specifically for or in reimbursement of out-of-pocket expenses incurred (special equipment, clothing, transportation, child care, etc.) and which are made solely to allow participation in a specific program;
- (d) A resident service stipend. This is a modest amount (not to exceed \$200 per month) received by a resident for performing a service for the owner, on a part-time basis, that enhances the quality of life in the development. This may include, but is not limited to fire patrol, hall monitoring, lawn maintenance, and resident initiatives coordination and serving as a member of the PHA's governing board. No resident may receive more than one such stipend during the same period of time; or
- (e) Incremental earnings and benefits resulting to any family member from participation in qualifying state or local employment training programs (including training programs not affiliated with a local government) and training of a family member as resident management staff. Amounts excluded by this provision must be received under employment training programs with clearly defined goals and objectives, and are excluded only for the period during which the family member participates in the employment training program.
- (9) Temporary, nonrecurring, or sporadic income (including gifts). For example, amounts earned by temporary census employees whose terms of employment do not exceed 180 days (Notice PIH 2000-1).
- (10) Reparations payments paid by a foreign government pursuant to claims filed under the laws of that government by persons who were persecuted during the Nazi era;
- (11) Earnings in excess of \$480 for each full-time student 18 years or older (excluding the head of household, co-head, and spouse);
- (12) Adoption assistance payments in excess of \$480 per adopted child;
- (13) Deferred periodic payments of supplemental security income and social security benefits that are received in a lump-sum payment or in prospective monthly payments;
- (14) Amounts received by the family in the form of refunds or rebates under state or local law for property taxes paid on the dwelling unit;
- (15) Amounts paid by a state agency to a family with a developmentally disabled family member living at home to offset the cost of services and equipment needed to keep the developmentally disabled family member at home; and

- (16) Amounts specifically excluded by any other federal statute from consideration as income for purposes of determining eligibility or benefits under a category of assistance programs that includes assistance under the 1937 Act. A notice will be published in the Federal Register and distributed to PHAs identifying the benefits that qualify for this exclusion. Updates will be distributed when necessary. The following is a list of income sources that qualify for that exclusion:
- a) The value of the allotment provided to an eligible household under the Food Stamp Act of 1977 (7 U.S.C. 2017 (b));
 - b) Payments to Volunteers under the Domestic Volunteer Services Act of 1973 (42 U.S.C. 5044(g), 5058);

 - (19) The payment amount of Social Security (SS) and Supplemental Security Income (SSI) benefits that are reduced due to prior overpayments.
 - (20) Lump sum payments of veteran's disability benefits.

6.4.3 Earned Income Disallowance
[24 CFR §5.617]

When determining the annual income of a participant family that includes persons with disabilities, the determination must exclude an increase in annual income due to any of the following events:

1. Employment by a family member who is a person with disabilities and who was previously unemployed for one or more years prior to employment.
 - A previously unemployed person is defined as a person who in the 12 months prior to employment has earned no more than would be received

for 10 hours of work per week for 50 weeks at the established minimum wage.

2. An increase in income by a family member who is a person with disabilities and whose earnings increase during participation in an economic self-sufficiency program or other job-training program.
 - An economic self-sufficiency program is any program designed to encourage, assist, train, or facilitate the economic independence of HUD-assisted families or to provide work for such families.
3. New employment or increased earnings by a family member who is a person with disabilities and who has received TANF benefits or services within the past 6 months.
 - If TANF is received in the form of monthly monetary maintenance, there is no minimum amount that must be received to be considered a participant in TANF.
 - If TANF is received in the form of one-time payments, wage subsidies and transportation assistance that add up to at least \$500 over a 6-month period, they would meet this requirement.

6.4.4 Earned Income Disallowance Exclusion Time Periods **[24 CFR §5.617(c)]**

1. **Initial 12-Month Exclusion**: During the initial 12-month exclusion period, the full amount of the increase in income due to employment or increase earnings is excluded. This exclusion extends for 12 cumulative months and the months do not have to be consecutive.
2. **Second 12-Cumulative Months**: During the second 12-month exclusion and phase-in period, the exclusion is reduced to half, or 50 percent, of the increase in income due to employment or increased earnings. This second 12-month exclusion period begins after the full 12 months of the full exclusion has been used and the months do not have to be consecutive.
3. **4-Year Lifetime Limit**: A participant has a total lifetime limit of 48 consecutive months that begins once the initial exclusion is given after the qualifying event. No exclusion should be given after the lifetime limit has been reached.

6.5 FAMILY ASSETS **[24 CFR §5.603(b)]**

6.5.1 Included Assets

- (1) Amounts in savings and checking accounts.
- (2) Stocks, bonds, savings certificates, money market funds and other investment accounts.
- (3) Equity in real property or other capital investments. Equity is the estimated current market value of the asset less the unpaid balance on all loans

secured by the assets and reasonable costs (such as broker fees) that would be incurred in selling the assets.

In the absence of an estimate of liquidation costs or verification of actual liquidation costs from a real estate agent or broker, the Housing Authority will use a standard 8% of market value to determine such costs.

- (4) The cash value of trusts that may be withdrawn by the family.
- (5) IRA, Keogh and similar retirement savings accounts, even though withdrawal would result in a penalty.
- (6) Some contributions to company retirement/pension funds.

Contributions to company retirement/pension funds are handled as follows:

1. While an individual is employed, include as assets only amounts the family can withdraw without retiring or terminating employment.
2. After retirement or termination of employment, include any amount the individual elects to receive as a lump sum.

- (7) Assets, which although owned by more than one person, allow unrestricted access by the applicant.
- (8) Lump sum receipts such as inheritances, capital gains, lottery winnings, insurance settlements, and other claims.

Lump-sum additions to family assets, such as inheritances, insurance payments (including lump-sum payments under health and accident insurance and worker's compensation), capital gains, and settlement for personal or property losses, are not included as income but may be included in assets.

Lump-sum payments caused by delays in processing periodic payments (unemployment or welfare assistance) are counted as income. Lump sum payments from Social Security or SSI are excluded from income, but any amount remaining will be considered an asset. Deferred periodic payments which have accumulated due to a dispute will be treated the same as periodic payments which are deferred due to delays in processing.

The family's attorney fees may be deducted from lump-sum payments when computing annual income if the attorney's efforts have recovered a lump-sum compensation, and the recovery paid to the family does not include an additional amount in full satisfaction of the attorney fees.

- (9) Personal property held as an investment such as gems, jewelry, coin collections, antique cars, etc.
- (10) Cash value of life insurance policies.
- (11) Assets disposed of for less than fair market value during the two years preceding certification or re-certification.

The Housing Authority must count assets disposed of for less than fair market value during the 2 years preceding certification or re-examination. The Housing Authority will count the difference between the market value and the actual payment received in calculating total assets.

Assets disposed of as a result of foreclosure or bankruptcy, separation or divorce are not considered to be assets disposed of for less than fair market value.

The Housing Authority's minimum threshold for counting assets disposed of for less than Fair Market Value is \$5,000. If the total value of assets disposed of within a 1-year period is less than \$5,000, they will not be considered an asset.

6.5.2 Excluded Assets

- (1) Necessary personal property, except as noted in #9 above at Section 6.5.1.
- (2) Interest in Indian trust lands.
- (3) Assets that are part of an active business or farming operation.

If a household member's main occupation is the business from his/her rental property, the rental property is considered a business asset and therefore excluded. If a household member's rental property is considered a personal asset and held as an investment, it is considered an included asset.

- (4) Assets not controlled by or accessible to the family and which provide no income for the family.
- (5) Vehicles especially equipped for the disabled.
- (6) Equity in owner-occupied cooperatives and manufactured homes in which the family lives.

6.6 CALCULATING INCOME AND FAMILY CONTRIBUTION

6.6.1 "Minimum Rent" and Minimum Family Contribution **[24 CFR §5.630(a)(2)]**

Minimum family contribution in the Housing Authority's rental assistance programs is \$50 for all new contracts, including moves.

The Housing Authority will waive the minimum rent requirement in cases where the family documents that they do not currently have any source of income such as in the case of some homeless families. In such cases, the family will be re-evaluated in 6 months. All families are required to report changes in income within 30 calendar days.

6.6.2 Minimum Income

There is no minimum income requirement. Families who report zero income may be required to complete an interim re-examination periodically, up to once a quarter, at the Housing Authority's discretion.

**6.6.3 Averaging Income
[24 CFR §982.516(b)(2) and 24 CFR §5.609(d)]**

When annual income cannot be anticipated for a full 12 months, the Housing Authority may annualize current income and conduct an interim re-examination if income changes.

If there are bonuses or overtime which the employer cannot anticipate for the next 12 months, bonuses and overtime received the previous year may be used.

Income from the previous year may be analyzed to determine the amount to anticipate when third-party or check-stub verification is not available.

If by averaging, an estimate can be made for those families whose income fluctuates from month to month, this estimate will be used so that the housing payment will not change from month to month.

The method used depends on the regularity, source and type of income.

**6.6.4 Utility Allowance and Utility Reimbursement Payments
[24 CFR §982.517]**

The utility allowance is intended to help defray the cost of utilities not included in the rent and is subtracted from TTP to establish the family's rent to the owner. The allowances are based on rates and average consumption studies, not on a family's actual consumption. The Housing Authority will review the Utility Allowance Schedule on an annual basis and revise it if needed (10 percent increase or decrease).

The approved utility allowance schedule is given to families along with the voucher. The utility allowance is based on the actual unit size selected.

Where families provide their own range and refrigerator, the Housing Authority will establish an allowance adequate for the family to purchase or rent a range or refrigerator, even if the family already owns either appliance. Allowances for ranges and refrigerators will be based on the lesser of the cost of leasing or purchasing the appropriate appliance over a 12-month period.

If the utility allowance exceeds the family's TTP, the Housing Authority will provide a utility reimbursement payment for the family each month. The check will be made out directly to the family's head of household on record.

**6.6.5 Reduction in Welfare Assistance
[24 CFR §5.615]**

The Housing Authority will impute (count) welfare income not received by the family, if the welfare assistance was reduced specifically because of:

- Fraud;

- Failure to participate in an economic self-sufficiency programs; or
- Noncompliance with a work activities requirement.

Imputed welfare income is the amount that welfare benefits are reduced.

Imputed welfare income is not included in the family's annual income, if the family was not assisted at the time of the welfare sanction.

The Housing Authority will include in the family's annual income the amount of the imputed welfare income plus the total amount of other annual income and the family's rent will not be reduced.

However, the Housing Authority will reduce the rent if the welfare assistance reduction is a result of any of the following:

- The expiration of a lifetime time limit on receiving benefits;
- The family has complied with welfare program requirements but cannot obtain employment; or
- The family member has not complied with other welfare agency requirements.

A family's request for rent reduction shall be denied upon the Housing Authority obtaining written verification from the welfare agency stating that the family's benefits have been reduced for fraud or noncompliance.

6.6.6 Offsets

The amount of the imputed income is offset by the amount of additional income the family begins to receive after the sanction is imposed. The new income would be subtracted from the imputed welfare income. When the additional income equals or exceeds the imputed welfare income, the imputed income is reduced to zero.

6.6.7 Prior Overpayment of Social Security (SS) and Supplemental Security Income (SSI)

When there is a payment reduction due to prior overpayments, staff will use the net amount of the SS/SSI benefit to calculate annual income only for that period of time for which the reduction occurs.

6.7 PRORATION OF ASSISTANCE FOR "MIXED" FAMILIES

6.7.1 Applicability [24 CFR §5.520(a)]

Proration of assistance must be offered to any "mixed" applicant or participant family. A "mixed" family is one that includes at least one U.S. citizen or eligible immigrant and any number of ineligible members.

"Mixed" families that were participants on June 19, 1995, and that do not qualify for continued assistance must be offered prorated assistance. Mixed family applicants are entitled to prorated assistance. Families that become mixed after

June 19, 1995 by addition of an ineligible member are entitled to prorated assistance.

6.7.2 Prorated Assistance Calculation
[24 CFR §5.520(c)]

Prorated assistance is calculated by determining the amount of assistance payable if all family members were eligible and multiplying by the percent of the family members who actually are eligible.

6.8 ABSENCE POLICY

The Housing Authority must compute all applicable income of every family member who is on the lease, including those who are temporarily absent. In addition, the Housing Authority must count the income of the spouse or the head of household if that person is temporarily absent, even if that person is not on the lease.

Income of persons permanently absent will not be counted. If the head of household or spouse is temporarily absent and in the military, all military pay and allowances (except hazardous duty pay when exposed to hostile fire and any other exceptions to military pay HUD may define) is counted as income.

It is the responsibility of the household to report absences and changes in family composition. The Housing Authority will evaluate absences from the unit using this policy [24 CFR §982.551(i)].

6.8.1 Absence of Entire Family
[24 CFR §982.312]

These policy guidelines address situations when the family is absent from the unit, but has not moved out of the unit. In cases where the family has moved out of the unit, the Housing Authority will terminate assistance in accordance with appropriate termination procedures contained in this plan.

Families are required both to notify the Housing Authority before they move out of a unit and to give the Housing Authority information about any family absence from the unit.

Families must notify the Housing Authority if they are going to be absent from the unit for more than 30 consecutive calendar days.

If the family fails to notify the Housing Authority of an absence of longer than 30 consecutive calendar days, or if the entire family is absent from the unit for more than 60 consecutive calendar days, the unit will be considered to be vacated and the assistance will be terminated. The Housing Authority at all times shall reserve the right to exercise its judgment regarding extensions on family absence from the unit on a case-by-case basis. However, HUD regulations require the Housing Authority to terminate assistance if the entire family is absent from the unit for a period of more than 180 consecutive calendar days.

"Absence of entire family" means that no family member is residing in the unit, and the unit has not been vacated. In order to determine if the family is absent from the unit, the Housing Authority may:

- Write letters to the family at the unit
- Telephone the family at the unit
- Interview the owner
- Interview neighbors
- Verify if utilities are in service
- Conduct an interim HQS Inspection

If the absence which resulted in termination of assistance was due to a person's disability, and the Housing Authority can verify that the person was unable to notify Housing Authority in accordance with the family's responsibilities, and if funding is available, the Housing Authority may reinstate the family as a reasonable accommodation if requested by the family.

6.8.2 Absence of Any Member
[24 CFR §982.312(a)]

Any member of the household will be considered permanently absent if s/he is away from the unit for 180 consecutive calendar days except as otherwise provided in this chapter.

6.8.3 Absence Due to Medical Reasons
[24 CFR §982.312(e)(1)]

If any family member leaves the household to enter a facility such as a hospital, nursing home, or rehabilitation center, the Housing Authority will seek advice from a reliable qualified source as to the likelihood and timing of their return. If the verification indicates that the family member will return in less than 180 calendar days, the family member will not be considered permanently absent.

If the verification indicates that the family member will be permanently confined to a nursing home, the family member will be considered to be permanently absent, out of the home and removed from the family composition.

If the person who is determined to be permanently absent is the sole member of the household, assistance will be terminated in accordance with the Housing Authority's "Absence of Entire Family" policy.

6.8.4 Absence Due to Incarceration
[24 CFR §982.312(e)(1)]

If the sole member of the household is incarcerated for more than 30 calendar days, s/he will be considered permanently absent and the Housing Authority will initiate proposed termination procedures to terminate assistance.

Any member of the household, other than the sole member, will be considered permanently absent if s/he is incarcerated for 60 calendar days. Once a family member is removed from the family composition, the family must seek Housing

Authority approval prior to allowing the family member to re-join the assisted household. Failure to adhere to this policy can result in termination of assistance.

The Housing Authority will determine if the reason for any family member's incarceration is for drug-related or violent criminal activity and, if appropriate, will pursue termination of assistance for the family if deemed appropriate.

6.8.5 Foster Care and Absences of Children
[24 CFR §982.551(h)(4)]

If the family includes a child or children temporarily absent from the home due to placement in foster care, the Housing Authority will request information from the appropriate agency to determine when the child/children will be returned to the home.

If the time period is to be greater than 180 calendar days from the date of removal of the child/children, the voucher size may be temporarily reduced. If children are removed from the home permanently, the voucher size will be permanently reduced in accordance with the Housing Authority's subsidy standards.

6.8.6 Absence of Adult
[24 CFR §982.312(e)]

If neither parent remains in the household and the appropriate agency has determined that another adult is to be brought into the assisted unit to care for the children for an indefinite period, the Housing Authority will immediately add the new caretaker to the household composition while eligibility is reviewed, including criminal background checks.

If the caretaker identified by the appropriate agency does not pass any portion of the Housing Authority's eligibility screening, including criminal background check, the caretaker will be removed from the voucher. If no other caretaker is identified and the ineligible individual remains the caretaker for the children, the assistance will be terminated .

When the Housing Authority approves a person to reside in the unit as caretaker for the children, this person's income will be counted in the TTP for the family pending a final disposition. The Housing Authority will work with the appropriate service agencies and the owner to provide a smooth transition in these cases.

If a member of the household is subject to a court order that restricts him/her from the home for more than 180 calendar days, the person will be considered permanently absent.

If an adult family member leaves the household for any reason, the family must report the change in family composition to the Housing Authority within 30 calendar days.

The family will be required to notify the Housing Authority in writing within 30 calendar days when a family member leaves the household for any reason or moves out. The notice must contain a certification by the family as to whether the member is temporarily or permanently absent. The family member will be determined permanently absent if verification is provided.

If an adult child goes into the military and leaves the household, they will be considered permanently absent.

Time extensions may be granted as a reasonable accommodation upon request by a person with a disability.

6.8.7 Students
[24 CFR §982.312(e)]

Full time students who attend school away from the home and live with the family during school recess will be considered temporarily absent from the household. These family members will continue to be counted for the purpose of determining the family's appropriate voucher size.

6.8.8 Visitors
[24 CFR §982.312(e)]

Any person not included on the HUD-50058 who has been in the unit more than 30 calendar days, or a total of 60 calendar days in a 12-month period, will be considered to be living in the unit as an unauthorized household member.

Absence of evidence of any other address will be considered verification that the visitor is a family member.

Statements from neighbors and/or the owner will be considered in making the determination.

Use of the unit address as the visitor's current residence for any purpose that is not explicitly temporary shall be construed as permanent residence.

The burden of proof that the individual is a visitor rests on the family. In the absence of such proof, the individual will be considered an unauthorized member of the family and the Housing Authority will terminate assistance since prior approval was not requested for the addition.

In a joint custody arrangement, if the minor is in the household less than 180 calendar days per year, the minor will be considered to be an eligible visitor and not a family member.

6.8.9 Reporting Absences to the Housing Authority
[24 CFR §982.551(h)(3) and §982.551(i)]

If a family member leaves the household, the family must report this change to the Housing Authority, in writing, within 30 calendar days of the change and certify as to whether the member is temporarily absent or permanently absent. When available to do so, an adult family member who is leaving the household should remove him/herself in writing from the lease and voucher family composition.

The Housing Authority will conduct an interim re-examination for changes, which may affect the TTP in accordance with the interim policy. See Section 12.5 (Changes in Family Composition) for more information.

6.8.10 Verification of Absence

Please refer to Section 7.11.4 (Verification of Permanent Absence of Adult Member).

CHAPTER 7: VERIFICATION PROCEDURES

7.1 INTRODUCTION

[24 CFR §5.240(c), 24 CFR §5.210, 24 CFR §982.551(b)]

HUD regulations require the Housing Authority to verify factors of eligibility. Applicants and program participants must furnish proof of their statements whenever required by the Housing Authority, and the information they provide must be true and complete. The Housing Authority's verification requirements are designed to maintain program integrity. This chapter explains the Housing Authority's procedures and standards for verification of preferences, income, assets, allowable deductions, family status, and changes in household composition. The Housing Authority will ensure that proper authorization from the family is always obtained before making verification inquiries.

7.2 METHODS OF VERIFICATION AND TIME ALLOWED

The Housing Authority will use six levels of verification methods acceptable to HUD in the following order:

Level Six: Up-Front Income Verification (UIV) using EIV (highest priority): This level is mandatory and will be used when available

Level Five: Up-Front Income Verification (UIV) using a non-HUD system (highest priority): In cases where EIV is not available, this level will be used when possible.

Level Four: Third-party written verification (high priority): This verification level is defined as tenant-provided documents obtained from a third-party source. The documents must be authentic, original and computer-generated. Level Four is used:

- To support the information reported through EIV/UIV,
- When there is a discrepancy between EIV/UIV and tenant-reported income,
- When EIV or other forms of UIV are not available, the Housing Authority will accept authentic, original, computer-generated documents as verification of income, assets or other family circumstances.

Level Three: Third-party written verification form (medium-low priority). The Housing Authority will send verification forms to third party sources when:

- There is a discrepancy between EIV/UIV and tenant-reported income and the tenant disputes the information in EIV, or
- Verification levels six through four are unavailable.

Level Two: Third-party oral verification (low priority). This level will be used when sending verification forms to third-party sources under Level Three is not possible or the forms are not returned in a timely manner.

Level One: Self-Declaration (low priority). Certification/self-declaration verification will be the last level used if verification is not possible or able to be obtained using the higher levels of verification, the Housing Authority may allow up to 10 calendar days for the return of third-party verification forms before using the next verification level.

7.3 TIMELINESS OF VERIFICATIONS

Verifications may not be received more than 60 calendar days before voucher issuance for applicants [24 CFR §982.201(e)]. However, a voucher may be issued to a participant family without updating verifications if the annual reexamination is current (within the last 12 months). Any reported changes that require an interim reexamination will be verified and processed before a voucher is issued.

All tenant-provided documents are current if dated within 60 days of the date of receipt. Please see section 7.9 for asset verification documents exceptions.

Exception for averaging income: When using consecutive verification documents to average income, such as consecutive pay stubs, only one of the documents must be dated within 60 days of the date of receipt if the documents are also the most recent received by the family.

7.3.1 Up-Front Income Verification (UIV)

The Housing Authority will utilize up-front income verification tools. The use of the Enterprise Income Verification (EIV) system is mandatory and will be used whenever possible. Other UIV systems, such as the LEADER system for the Temporary Assistance of Needy Families (TANF) and Work Number, will be used whenever possible when EIV is unavailable.

If there is a difference in source of income or a substantial difference (\$2400 annually or \$200 monthly) in reported income between EIV verification and family-provided documents and the tenant disputes the discrepancy or cannot provide adequate documentation to validate the discrepancy, the Housing Authority shall follow the guidelines below:

- The Housing Authority will send written third-party verification forms to the discrepant income source.
- The Housing Authority may review historical income data for patterns of employment, paid benefits, and/or receipt of other income, when the Housing Authority can not readily anticipate income, such as in cases of seasonal employment, unstable working hours, and suspected fraud.
- The Housing Authority will analyze all data (UIV data, third-party verification documents provided by the family and verification forms returned by the discrepant income source) and attempt to resolve the income discrepancy.
- The Housing Authority will use the most current information available to calculate the anticipated annual income.

In cases where UIV income data is different than tenant-reported income and the tenant does not dispute the discrepancy and can provide adequate

documentation to validate the discrepancy, the Housing Authority will use the written third-party documents provided by the family to calculate the anticipated annual income.

7.3.2 Third-Party Written Verification

Third-party written verification is defined as original, authentic, computer-generated documents from a third-party source, but obtained from the family. All documents will be photocopied and retained in the family file. The Housing Authority will accept the following documents, among others, from the family, provided that the document is such that tampering would be easily noted:

- Printed wage stubs
- Computer print-outs from the employer
- Letters printed on official letterhead

Third-party written verification documents will be used to support the information reported through the UIV source or as primary verification when UIV is not available.

The Housing Authority will accept faxed documents, however a hard copy may be requested for verification

If at least two check stubs cannot be obtained to verify employment income, the Housing Authority will request third party verification directly from the source to support EIV data or as primary verification.

7.3.3 Third-Party Written Verification Forms

Third-party verification forms will be sent directly to the source when a participant disputes a discrepancy on the UIV or cannot provide adequate documentation to validate the discrepancy, or when the Housing Authority rejects third-party written verification documents provided by the family.

Third-party written verification forms will be sent and returned via first class mail. The family will be required to sign an authorization for the information source to release the specified information.

Verifications received electronically directly from the source are acceptable. Written letters obtained from the source are acceptable under this level.

7.3.4 Third-Party Oral Verification

Oral third-party verification will be used when written third-party verification forms are not possible or are delayed.. When third-party oral verification is used, staff will be required to document the file, noting with whom they spoke, the date of the conversation, and the facts provided.

7.3.5 Self-Certification/Self-Declaration

When verification cannot be made by UIV, third-party verification documents, forms or third-party oral verification, families will be required to submit a self-

certification or a notarized statement. Self-certification means a signed statement/affidavit/certification under penalty of perjury.

This level may be used when:

1. UIV is unavailable; and
2. Third-party written documents cannot be provided by the family, and
3. Staff has made at least two documented efforts (mail, fax, telephone call, or email) to obtain third-party verification from the source and no response is received; or
4. An independent source does not have the capability of sending written third-party verification directly to the Housing Authority or does not facilitate oral third-party verification.

7.4 RELEASE OF INFORMATION **[24 CFR §5.230]**

The family will be required to sign specific authorization forms when information is needed that is not covered by the HUD-9886 Form (Authorization for the Release of Information).

Each member requested to consent to the release of information will be provided with a copy of the appropriate forms for their review and signature.

Family refusal to cooperate with the HUD prescribed verification system will result in denial of admission or termination of assistance because it is a family obligation to supply any information requested by the Housing Authority or HUD.

7.5 COMPUTER MATCHING **[24 CFR §5.210(a)]**

Where allowed by HUD and/or other State or local agencies, computer matching will be done.

7.5.1 Data Sharing **[State of California Health and Safety Code, §34217]**

The Housing Authority will share applicant and participant information that is necessary to determine eligibility for County welfare department programs or services for which the client has applied or is receiving.

7.6 ITEMS TO BE VERIFIED **[24 CFR §982.551(b)]**

- Zero-income status of household.
- Full-time student status including high school students who are age 18 or over.

The Housing Authority may request that an applicant/participant certify their statement of being a victim of domestic violence, dating violence, sexual assault, or stalking and that the incident or incidents in question are bona fide incidents of actual or threatened abuse. Certification must be received within fourteen (14) business days after the applicant/participant receives the request for certification. The Housing Authority will accept the following forms of verification:

- ❑ Certification of Domestic Violence, Dating Violence or Stalking (HUD-50066 Form)
- ❑ Documentation signed by an employee, agent, or volunteer of a victim service provider, an attorney, or a medical professional, from whom the victim has sought assistance in addressing domestic violence, dating violence, sexual assault, or stalking, or the effect of the abuse in which the professional attests under penalty of perjury to the professional's belief that the incident or incidents in question are bona fide incidents of abuse, and that the victim of domestic violence, dating violence, sexual assault, or stalking has signed or attested to the documentation, or

7.7.2 Social Security, Pensions, Disability, Supplementary Security Income

[24 CFR §5.609(b)(4)]

Acceptable methods of verification include, but are not limited to the following:

1. Enterprise Income Verification (EIV) system.

7.7.6 Net Income from a Business **[24 CFR §5.609(b)(2)]**

4. Third-party verification forms for each customer/contract indicating the amounts of income received in a specified time period.

Expenses for rent and utilities will not be allowed for operations or businesses based in the subsidized unit, as these expenses are a required family contribution in the Housing Choice Voucher Program and are calculated based upon the family's income.

7.7.7 Child Care Business

If a family is operating a licensed day care business, income and expenses will be verified as with any other business.

If the family is operating a cash and carry operation (which may or may not be licensed), the Housing Authority will require that the family complete a form for each customer which indicates: name of person(s) whose child/children is/are

being cared for, phone number, number of hours child is being cared for, method of payment (check/cash), amount paid, and signature of person.

If childcare services were terminated, third-party verification will be sent to the parent whose child was receiving childcare.

The family must furnish a self-certification containing the following information:

- The person who provides the gifts
- The value of the gifts
- The regularity (dates) of the gifts
- The purpose of the gifts

7.7.9 Zero-Income Status

Families claiming to have no income may undergo a credit review. The information contained in the credit report will be used to confirm the information provided by the family. The Housing Authority will utilize records provided by the Department of Public Social Services (DPSS), and may check records of other departments in the jurisdiction that have information about income sources of customers, to confirm information provided by a family claiming to have zero income.

7.7.10 Full-Time Student Status
[24 CFR §5.609(c)(11)]

Only the first \$480 of the earned income of full-time students 18 years or older (including those who are temporarily absent), other than head of household, co-head, or spouse, will be counted towards family income.

Verification of full-time student status includes:

1. School records indicating enrollment for sufficient number of credits to be considered a full-time student by the educational institution;
2. A copy of final grades; or
3. Written verification from the registrar's office or other school official.
4. For 18 year-old high school students, verification of enrollment for the current academic year may include, but is not limited to a progress report, an attendance report or an enrollment letter from the school.

Due to administrative cost burden, the Housing Authority may no longer attempt to verify student enrollment in any educational institution that participates in the National Student Clearinghouse using written third party verification forms or oral third-party verification methods.

Families must provide the Housing Authority with acceptable, written third-party documents to verify the value of or income from an asset. A written third-party verification document for an asset is considered current if at the time of receipt the document is:

- The most recent quarterly statement, or
- A savings passbook that has been updated by the financial institution within the last 60 days, or
- The most recent annual statement, or
- The most recent document or statement issued to the family, including but not limited to a closing escrow statement or closing bank statement.

This includes assets disposed of during 2 years preceding effective date of certification or re-examination:

1. For all certifications and re-examinations, the Housing Authority will obtain the family's certification as to whether any member has disposed of assets for less than fair market value during the 2 years preceding the effective date of the certification or re-examination.
2. If the family certifies that they have disposed of assets for less than fair market value, verification [or certification] is required that shows:
 - All assets disposed of for less than FMV;
 - The date they were disposed of;
 - The amount the family received; and

- The market value of the assets at the time of disposition. Third-party verification will be obtained wherever possible.

7.10 VERIFICATION OF ALLOWABLE DEDUCTIONS FROM INCOME **[24 CFR §5.11]**

Acceptable documents for verification include, but are not limited to the following:

1. 3. Family's certification as to whether any of those payments have been or will be paid or reimbursed by outside sources.

7.10.2 Medical Expenses **[24 CFR §5.611(a)(3)]**

4. For attendant care:
 - A reliable, knowledgeable professional's certification that the assistance of an attendant is necessary as a medical expense and a projection of the number of hours the care is needed for calculation purposes.

- Attendant's written confirmation of hours of care provided and amount and frequency of payments received from the family or agency (or copies of canceled checks the family used to make those payments) or stubs from the agency providing the services.
- 5. Receipts, canceled checks, or pay stubs that verify medical costs and insurance expenses likely to be incurred in the next 12 months.
- 6. Copies of payment agreements or most recent invoice that verify payments made on outstanding medical bills that will continue over all or part of the next 12 months.
- 7. Receipts or other record of medical expenses incurred during the past 12 months that can be used to anticipate future medical expenses. The Housing Authority may use this approach for general medical expenses such as non-prescription drugs and regular visits to doctors or dentists, but not for one-time, nonrecurring expenses from the previous year.
- 8. The Housing Authority will use mileage at the IRS rate, or cab, bus fare, or other public transportation cost for verification of the cost of transportation directly related to medical treatment.

Medical expenses may not be verified through third party verification from Walgreen's Pharmacy [see memo dated 04/16/09].

7.10.3 Assistance to Persons with Disabilities

[24 CFR §5.611(a)(3)(ii)]

1. The Housing Authority may require:
 - Written certification from a reliable, knowledgeable professional that the person with disabilities requires the services of an attendant and/or the use of auxiliary apparatus to permit him/her to be employed or to function sufficiently independently to enable another family member to be employed.
 - Family's certification as to whether they receive reimbursement for any of the expenses of disability assistance and the amount of any reimbursement received.
2. Attendant Care:
 - If the family pays for any portion of the attendant care expense, the attendant's written certification of amount received from the family, frequency of receipt, and hours of care provided.
 - Certification of family and attendant and/or copies of canceled checks family used to make payments.
3. Auxiliary Apparatus:
 - Receipts for purchases or proof of monthly payments and maintenance expenses for auxiliary apparatus.
 - In the case where the person with disabilities is employed, a statement from the employer that the auxiliary apparatus is necessary for employment.

4. Proof of another home address, such as utility bills, canceled checks for rent, driver's license, or lease or rental agreement, if available.

The Housing Authority may verify changes in family composition (either reported or unreported) through letters, telephone calls, utility records, inspections, owners, neighbors, credit data, school or DMV records, and other sources.

7.11.6 Verification of Disability

Developmental Disabilities Assistance and Bill of Rights Act (42 U.S.C. 6001(7) or written verification by the appropriate diagnostician such as physician, psychiatrist, psychologist, therapist, rehabilitation specialist, or licensed social worker, using the HUD language as the verification format.

7.11.7 Verification of Citizenship/Eligible Immigrant Status **[24 CFR Part 5, Subpart E]**

To be eligible for assistance, individuals must be U.S. citizens, or non-citizens with eligible immigrant status based on the eligible categories specified by regulations. Individuals who are neither may elect not to contend their status. Each family member must declare their status once. Assistance cannot be delayed, denied, or terminated while verification of status is pending except that assistance to applicants may be delayed while the Housing Authority hearing is pending.

1. Citizens or Nationals of the United States: Required to sign a declaration under penalty of perjury [24 CFR §5.508(b)(1)].
2. Eligible Immigrants Age 62 and Over: Required to sign a declaration of eligible immigration status and provide proof of age [24 CFR §5.508(b)(2)].
3. All Other Eligible Immigrants: Required to sign a declaration of status and verification consent form, and to provide an acceptable document of eligible immigration as follows:
 - Resident Alien Card (I-551)
 - Alien Registration Receipt Card (I-151) (With receipt for application of I-551)
 - Foreign Passport with I-551 stamp
 - Arrival-Departure Record (I-94) with no annotation accompanied by:
 - A final court decision granting asylum (if no appeal is taken);

- Employment Authorization Document (I-766) annotated “Provision of Law 274a. 12(11)” or “Provision of Law 274a.12”
- Any official revision of the acceptable documents listed above
- Receipt issued by the United States Citizenship and Immigration Service (USCIS) for issuance of replacement of any of the above documents that shows individual’s entitlement has been verified

The document is copied front and back and returned to the family. A birth certificate is not acceptable verification of eligible immigrant status. All documents in connection with U.S. citizenship/eligible immigrant status must be kept 5 years.

Eligible immigrants must have their status verified by USCIS. The Housing Authority verifies the status through the USCIS SAVE system. If this primary verification fails to verify status, the Housing Authority must request within 10 calendar days that the USCIS conduct a manual search [24 CFR §5.512(c)].

4. **Ineligible Family Members:** Family members who do not claim to be citizens or eligible immigrants must be listed on a statement of ineligible family members signed by the head of household, co-head, or spouse [24 CFR §5.508(e)].
5. **Non-Citizen Students on Student Visas:** Ineligible, even though they are in the country lawfully. They must provide their student visa but their status will not be verified and they do not sign a declaration but are listed on the statement of ineligible members [24 CFR §5.522].
 - **Failure to Provide:** If an applicant or participant family member fails to sign required declarations and consent forms or provide documents, as required, they must be listed as an ineligible member. If the entire family fails to provide and sign as required, the family may be denied or terminated for failure to provide required information [24 CFR §5.508(i)].
 - **Time of Verification:** For applicants, verification of U.S. citizenship/eligible immigrant status occurs at the same time as verification of other factors of eligibility for final eligibility determination. For family members added after other members have been verified, the verification occurs at the first interim or annual re-examination after the new member moves in. Once verification has been completed for any covered program, it need not be repeated except that, in the case of port-in families, if the initial public housing agency does not supply the documents, the Housing Authority must conduct the determination [24 CFR §5.508(g)]. The Housing Authority

will also request new immigration documents for those individuals whose immigration documents that prove eligibility have expired.

- **Extensions of Time to Provide Documents:** Extensions must be given for persons who declare their eligible immigration status but need time to obtain the required documents. The length of the extension shall be based on individual circumstances. The Housing Authority will generally allow up to 30 calendar days to provide the document or a receipt issued by the USCIS for issuance of replacement documents [24 CFR §5.508(h)].
- **Determination of Ineligibility:** After the Housing Authority has made a determination of ineligibility, the family will be notified of the determination and the reasons and informed of the option for prorated assistance (if applicable).

7.11.8 Verification of Social Security Numbers **[24 CFR §5.216**

Social Security numbers must be provided as a condition of eligibility for all family members, except for family members who were determined eligible on or before January 31, 2010 and were at least 62 years old on that date, and family members who are not eligible to obtain a Social Security number. Social Security numbers will be verified through a Social Security card issued by the Social Security Administration. If a family member cannot produce a Social Security card, only the documents listed below may be used for verification. [24 CFR §5.216(g)(1)]:

- A document issued by the Social Security Administration that contains the name and Social Security Number of the individual; or
- A document issued by a Federal, state or local government agency that includes the name, Social Security Number and other identifying information about the individual.

All new family members, except children age 5 and under, who have not been assigned a number, will be required to produce their Social Security card or provide the substitute documentation described above. This information is to be provided at the time the change in family composition is reported to the Housing Authority and the family member will not be added to the household composition until it is provided [24 CFR §5.216(e)(2)(i)].

A child age 5 or under who has not been assigned a Social Security Number may be added to the household before providing a Social Security number. However, the parent or guardian will be required to sign a form attesting that the child was never issued a Social Security Number. The family must disclose the child's Social Security Number within 90 days of being added to the household composition.

If a participant was never assigned a Social Security Number the individual will be required to sign a form attesting to the fact. The family member will be required to provide proof of the Social Security Number before the current annual reexamination is processed [24 CFR §5.216(e)(2)(ii)].

A 90-day extension may be granted by a Housing Authority Supervisor if the family was unable to provide the information due to good cause and there is a reasonable likelihood they will be able to provide the information during the extended time period. If the family fails to provide the information within the approved time period, the family's assistance will be terminated. .

If the family fails to provide required documentation of a member's Social Security Number, the family's assistance will be terminated [24 CFR §5.216(g)].

7.11.9 Medical Need for Larger Unit

A written certification that a larger unit is medically necessary must be obtained from a reliable, knowledgeable medical professional. If the request is a reasonable accommodation for a disabled family member, the following policy will be followed.

7.11.10 Reasonable Accommodation

In order to verify the necessity for a reasonable accommodation, the Housing Authority will usually require the disabled individual or a third party acting on their behalf, to return the Reasonable Accommodation Request form, or other written documentation, completed by a qualified professional with direct experience with the individual's disability. Qualified professionals may include, but are not limited to:

- A medical doctor
- A psychiatrist
- A social worker
- Other unlicensed care providers

If the need for the requested accommodation is visibly apparent, the Housing Authority may grant the request immediately without requiring further verification. If the disabled individual is unable to return a written request due to their disability, the Housing Authority will work with the individual to ascertain the specific accommodation being requested and whether it conforms to the requirements stated in section 1.8.2.

7.11.11 Secondary Review/Credit Checks

The Housing Authority may use credit reports obtained from reliable sources to conduct secondary verifications on a case-by-case basis.

The methodology used to evaluate the information obtained from the credit report in relation to new applicants is outlined in Chapter 4 (Establishing Preferences and Maintaining the Waiting List).

The secondary review includes a comparison between the information contained in the credit report, for each adult household member, and the information provided by the family to the Housing Authority for eligibility purposes. Specifically, the Housing Authority reviews the credit report to verify:

Employment: If the credit report reveals employment during the subsidized period that was not disclosed to the Housing Authority, the family will be required

to provide documentation that the employment did not occur or provide information regarding the amount of earnings received during the employment period.

If the family contends that the employment was made up for the purposes of obtaining credit or was erroneously placed on the credit report, the family must supply a letter from the employers listed confirming such information. On a case-by-case basis, the Housing Authority may accept a certified statement from the family.

If the family failed to disclose employment for a period longer than 6 months, the Housing Authority will propose termination of the family's assistance and seek repayment of any overpayment. On a case-by-case basis the Housing Authority may counsel the family before proposing termination and seeking repayment of any overpayment.

If the family failed to disclose employment for less than 6 months, the family will be required to attend a counseling interview and re-sign all program documents re-enforcing the family's obligations. The family will also be required to repay any overpayment amount. A second violation of this nature will result in a proposed termination.

Assets: The credit report information will be used to verify assets, particularly, large items such as real estate property. If the credit report reveals that the family owns property, the family will be required to provide the appropriate documentation regarding the property.

If all documentation confirms that the family (any family member) owns real estate property that was purposely concealed, the Housing Authority will propose termination of assistance and seek repayment of any overpayment amount.

Aliases: A credit report can provide information on other names that have been used for the purposes of obtaining credit. Common reasons for use of other names include a recent marriage or a divorce. If an alias has not been disclosed to the Housing Authority, the family will be asked to provide additional evidence of the legal identity of adult family members.

Current and Previous Addresses: For a continuously assisted family, it is assumed that the family's primary residence is the assisted address. If the credit report indicates the continuous use of an address, other than that of the assisted unit during the subsidized period, the family will be asked to provide documentation that the assisted address is being used as the family's primary residence. This may include a history of utility bills, bank statements, school enrollment record for children, credit card statements or other relevant documents. Failure to provide adequate proof may result in termination of assistance.

If the family is not using the subsidized unit as their primary residency and/or is subletting the assisted unit, the file will be referred for proposed termination and the Housing Authority will seek full repayment of any overpayment amount.

Credit Card and Loan Payments: A credit report will usually include a list of the family's financial obligations. Examples of the items that may show up include car loans, mortgage loans, student loans and credit card payments. The Housing Authority will review this information to confirm the income and asset

information provided by the family. If the family's current financial obligations (total amount of current monthly payments) exceed the amount of income reported by the family, the Housing Authority will ask the family to disclose how they are currently meeting their financial obligations. Accounts that have been charged off or significantly delinquent are not included in this calculation. Failure to provide adequate proof of income will result in the file being referred for proposed termination. Additionally, the Housing Authority will seek full repayment of any overpayment amount.

Multiple Social Security Numbers: A credit report may list multiple Social Security numbers if an adult family member has used different Social Security numbers to obtain credit. If the credit report information does not match the information provided by an adult member of the family, the family member will be required to obtain written confirmation of the Social Security number that was issued to him/her from the Social Security Administration.

Whenever a violation results in a proposed termination, the family is entitled to request an informal hearing. Procedures governing the informal hearing process are outlined in Chapter 16 (Informal Hearings and Complaints).

CHAPTER 8: VOUCHER ISSUANCE AND BRIEFINGS

8.1 INTRODUCTION

This chapter covers the Housing Authority's process for issuing vouchers, including the contents of the briefing that is conducted for families receiving a voucher. It also includes policies on the term of the voucher.

8.2 ISSUANCE OF HOUSING CHOICE VOUCHERS

When funding is available, the Housing Authority will issue vouchers to applicants whose eligibility has been determined.

The number of vouchers issued must ensure that the Housing Authority stays as close as possible to 100 percent lease-up. The Housing Authority performs a calculation to determine whether applications can be processed, the number of vouchers that can be issued, and to what extent the Housing Authority can over-issue.

The Housing Authority may over-issue vouchers only to the extent necessary to meet leasing goals. All vouchers that are over-issued will be honored, as long as there is funding to support the over-issued vouchers. If the Housing Authority finds it is over-leased, and a voucher holder has found an approvable unit, the Housing Authority is under no obligation to the family, to the owner, or to any other person, to approve a tenancy. As the Housing Authority nears 100 percent lease up, vouchers will be honored in the order they were issued. All voucher holders whose vouchers are not honored due to over-leasing will be placed back on the waiting list.

8.3 BRIEFING TYPES AND REQUIRED ATTENDANCE

8.3.1 Initial Applicant Briefing **[24 CFR §982.301(a)]**

When the family is initially issued a voucher, the Housing Authority conducts a briefing session, as required by HUD. The briefing session is mandatory.

Briefing sessions will be conducted in groups or individual meetings.

The Housing Authority will not issue a voucher to a family unless the household representative has attended a briefing and signed the voucher. Applicants who provide prior notice of inability to attend a briefing will automatically be scheduled for the next briefing. Applicants who fail to attend scheduled briefings, without prior notification and approval of the Housing Authority, may be denied admission based on failure to supply information needed for certification. The Housing Authority will conduct individual briefings for families with disabilities at their home, upon request by the family, if required for reasonable accommodation.

Families who attend group briefings and still have the need for individual assistance will be referred to the appropriate staff person.

8.3.2 Re-Issuance Briefing

A briefing will be held for participants who will be re-issued vouchers to move. This briefing may include incoming and outgoing portable families. Families failing to attend a scheduled briefing twice will be denied a new voucher based on failure to provide required information.

8.3.3 Owner Briefing

Briefings are held for owners at least annually. Invitations are mailed to all owners. Prospective owners are also welcome. The purpose of the briefing is to assure successful owner participation in the program.

8.4 INFORMATION PROVIDED AT THE BRIEFING SESSION

The Housing Authority's objectives are to assure that families selected to participate are successful in obtaining an acceptable housing unit and that they have sufficient knowledge to derive maximum benefit from the program and to comply with program requirements.

The purpose of the briefing session is to provide information on the Housing Authority's process for voucher holders who intend to lease a unit. This will enable families to utilize the program to their advantage, and prepare them to discuss it with potential owners and property manager.

When the family is selected to participate, the briefing session includes information as follows.

8.4.1 Topics Covered in the Briefing Session **[24 CFR §982.301(a)]**

The person conducting the briefing will describe how the program works and include information on the following subjects:

- A description of how the program works, including reasonable accommodation policies and procedures;
- Family and owner responsibilities;
- Where a family may lease a unit inside and outside the Housing Authority's jurisdiction;
- How portability works for families eligible to exercise portability; and
- Advantages of moving to an area that does not have a high concentration of poor families, for families living in high poverty census tracts in the Housing Authority's jurisdiction.

If the family includes a person with disabilities, the Housing Authority will ensure compliance with 24 CFR §8.6 to ensure effective communication.

8.4.2 Briefing Packet
[24 CFR §982.301(b)]

The Housing Authority provides families with a briefing packet that contains more detailed information about the program. The packet includes forms and information required by HUD, as well as additional resources. The person conducting the briefing session will explain the documents in the briefing packet.

1. Instructions: This explains the term of the voucher, the Housing Authority's policies on extensions and suspensions, and how families may request tenancy approval.
2. Subsidy Estimation: A worksheet on rent calculations, including a description of the method used to calculate the assistance payment, how the minimum and maximum allowable rent is determined, how the payment standard is determined, and a calculation of the estimated maximum rent to suit the tenant's budget.
3. Utility Allowance Schedule: Utility allowance amounts for rental units, by unit size and utility type, for cities and unincorporated areas within the Housing Authority's jurisdiction.
4. Information on where the family can lease a unit, including portability procedures, a list of area housing authorities, and a form for participants who are requesting to transfer.
5. Form HUD-52641-A: The HUD-required "tenancy addendum" that must be included in the lease.
6. Request for Tenancy Approval (RTA): Families request Housing Authority approval of the assisted tenancy with this form. The RTA includes a statement of Housing Authority policy on providing family information to prospective owners.
7. Subsidy Standards and Requests for Waivers: Explains how the number of bedrooms (unit size) relates to family composition, and when and how exceptions are made in regards to requests for additional bedrooms.
8. A Good Place to Live: HUD's brochure on selecting a unit that complies with HQS.
9. Are You A Victim of Housing Discrimination: HUD's pamphlet on fair housing, which contains the complaint form. The Housing Authority also includes available State and local information on equal opportunity laws.
10. Marketing List of Available Properties: The Housing Authority has contracted with Socialserve.com to provide an internet-based property listing and search service for owners and participants. The Housing Authority includes an information sheet on how to access Socialserve.com.

12. Informal Hearing Information: Includes procedures and explanations of when participant families have the opportunity for an informal hearing, and how to request a hearing.

13. Compliance Check/Home Inspections: Includes procedures and explanations of when Compliance Checks/Home Visits will take place and the family's right to refuse consent to the Housing Authority to enter the unit. The voucher holder will sign the notice to acknowledge the Compliance Check/Home Visit program.

The packet may also include the following materials:

- Three Way Partnership: Explains the relationship between owners, participants and the Housing Authority.
- Protect Your Family From Lead In Your Home: Federal brochure on the hazards of lead-based paint and resources for additional information.
- Searching for a Rental Home: Guidance on finding a unit and submitting a successful rental application.
- Additional Standards for HQS Inspections and inspections process details.
- Owner materials including information on the New Contracts Process and the Benefits of Participation.
- Owner forms including IRS W-9, Letter of Authorization, Authorization Agreement for Direct Deposit, and a sample Lead-Based Paint Disclosure.
- Request for Voucher Extension form
- What You Should Know About EIV: A Federal brochure describing the Enterprise Income Verification (EIV) System, how it is used and from where the information is generated.

8.5 ENCOURAGING PARTICIPATION IN AREAS WITHOUT LOW INCOME OR MINORITY CONCENTRATION **[24 CFR §982.301(a)(3)**

At the briefing, families are encouraged to search for housing in non-impacted areas. The Housing Authority provides assistance to families who wish to do so.

The assistance provided to such families includes:

- Direct contact with owners;
- Counseling with the family;
- Providing information about services in various non-impacted areas;
- Meeting with neighborhood groups to promote understanding;
- Formal or informal discussions with owner groups;
- Formal or informal discussions with social service agencies;
- Meeting with rental referral companies or agencies; and
- Meeting with fair housing groups or agencies.

The Housing Authority currently contracts with Socialserve.com, an internet-based housing search service. This service, part of the LA County Housing Resource Center, lists properties submitted by owners within its jurisdiction to

ensure greater mobility and housing choice to very low-income households. Each property listed indicates if it is in an area of low poverty concentration.

The Housing Authority also maintains a listing of job, education, transportation and other information for cities not impacted by poverty or minority concentration. The cities for which the Housing Authority maintains this information are:

- Alhambra
- Azusa
- Bellflower
- Covina
- Downey
- Lakewood
- Lawndale
- Lomita
- Paramount
- Santa Fe Springs
- West Covina
- West Hollywood
- Whittier

This information may be obtained at the Section 8 Administrative Office.

8.6 SECURITY DEPOSIT REQUIREMENTS

[24 CFR §982.313]

Security deposits charged by owners may not exceed those charged to unassisted families (nor the maximum prescribed by State or local law.)

For lease-in-place families, responsibility for first and last month's rent is not considered a security deposit issue. In these cases, the owner should settle the issue with the family prior to the beginning of assistance.

8.7 TERM OF VOUCHER

[24 CFR §982.301(b)(1)]

During the briefing session, each family is issued a voucher, which represents a contractual agreement between the Housing Authority and the family, specifying the rights and responsibilities of each party. It does not constitute admission to the program, which occurs when the lease and contract become effective.

8.7.1 Expirations
[24 CFR §982.303(a)]

The voucher is valid for a period of 60 calendar days from the date of issuance. The family must submit a Request for Tenancy Approval and lease within the 60 calendar-day period, unless an extension has been granted by the Housing Authority.

If the voucher has expired, and has not been extended by the Housing Authority or expires after an extension, the family will be denied assistance. The family will not be entitled to a review or hearing. If the family is currently assisted, they may remain as a participant in their unit if there is an assisted lease/contract in effect.

8.7.2 Policy on Suspensions (Tolling)
[24 CFR 982.303(c)]

When a Request for Tenancy Approval is received, the Housing Authority will not deduct the number of calendar days required to process the request from the term of the voucher.

8.7.3 Extensions
[24 CFR §982.303(b)]

The Housing Authority may grant extensions to vouchers.

A family may request an extension of the voucher time period. All requests for extensions must be received prior to the expiration date of the voucher.

Extensions may be granted in 30, 60, or 120-day increments, up to a maximum term of 180 calendar days, if necessary for the tenant to locate a unit.

Supervisors may authorize extensions up to a maximum term of 270 calendar days for extenuating circumstances. Such matters will be considered on an individual basis and must be supported by verifiable third-party documentation. Supervisors may extend the term of the voucher longer than 270 days as necessary as a reasonable accommodation. In such cases, the policy and procedure in section 7.11.10 will be followed.

8.7.4 Assistance to Voucher Holders
[24 CFR §982.301(b)]

The Housing Authority has contracted with Socialserve.com to provide an internet-based property listing and search service for owners and participants. The Housing Authority includes in the briefing packet an information sheet on how to access Socialserve.com. Information regarding the Socialserve.com will be presented at the briefing session.

8.8 VOUCHER ISSUANCE DETERMINATION FOR SPLIT HOUSEHOLDS
[24 CFR §982.315]

In those instances when a family assisted under the Housing Choice Voucher Program becomes divided into two otherwise eligible families due to divorce, legal separation, or the division of the family, and the new families cannot agree

as to which new family unit should continue to receive the assistance, and there is no determination by a court, the Housing Authority shall consider the following factors to determine which of the families will continue to be assisted:

1. Which of the two new family units has custody of dependent children.
2. Which family member was the head of household when the voucher was initially issued (listed on the initial application).
3. The composition of the new family units, and which unit contains elderly or disabled members.
4. Whether domestic violence was involved in the breakup.
5. Which family members remain in the unit.
6. Recommendations of social service professionals.

Documentation of these factors will be the responsibility of the requesting parties.

If documentation is not provided, the Housing Authority will terminate assistance on the basis of failure to provide information necessary to complete the annual re-examination.

Where the breakup of the family also results in a reduction of the size of the voucher, the family will be required to move to a smaller unit if the current owner is unwilling to accept the rent level of the smaller sized certificate.

8.9 REMAINING MEMBER OF FAMILY – RETENTION OF VOUCHER

To be considered the remaining member of the family, the person must have been previously approved by the Housing Authority to be living in the unit.

A live-in aide, by definition, is not a member of the family and will not be considered a remaining member of the family.

In order for a minor child to continue to receive assistance as a remaining family member:

1. The court has to have awarded emancipated minor status to the minor, or
2. The Housing Authority has to have verified that social services and/or the Juvenile Court has arranged for another adult to be brought into the assisted unit to care for the child/children for an indefinite period.

A reduction in family size may require a reduction in the voucher size.

8.10 FAMILY VOLUNTARILY RELINQUISHES HOUSING CHOICE VOUCHER

The family may voluntarily relinquish their voucher at any time. In such cases, the Housing Authority will provide the owner of the property with a 30 calendar days notice indicating that rental assistance will terminate based on the family's request. The family will become fully liable for the contract rent after 30 calendar days.

Generally, the Housing Authority will not reinstate a family once a request for voluntary termination has been received. However, as a reasonable accommodation, the Housing Authority will review requests for reinstatements received within 6 months and make a determination on a case-by-case basis.

If a family voluntarily relinquishes their voucher in lieu of facing termination, the Housing Authority will continue to seek to recover any monies that may be due to the Housing Authority as a result of misrepresentation or other breach of program regulations and will report the amount of debt owed to EIV.

CHAPTER 9: THE NEW CONTRACT PROCESS - REQUEST FOR TENANCY APPROVAL AND CONTRACT EXECUTION

9.1 INTRODUCTION **[24 CFR §982.302(b) and 24 CFR §982.353(b)]**

After families are issued a voucher, they may search for a unit anywhere within the Housing Authority's jurisdiction, or outside of the Housing Authority's jurisdiction if they qualify for portability. The family must find an eligible unit under the program rules, with an owner who is willing to enter into a Housing Assistance Payments (HAP) contract with the Housing Authority. This chapter defines the types of eligible housing, the Housing Authority's policies which pertain to lease requirements, owner disapproval, and the processing of Requests for Tenancy Approval (RTA).

9.2 REQUEST FOR TENANCY APPROVAL **[24 CFR §982.302(c) and §982.305]**

The family must submit the RTA and a copy of the proposed lease during the term of the voucher. For current participants submitting an RTA, the family must also submit a copy of their lease termination notice along with the RTA, unless the notice was previously submitted. No RTA for a current participant will be processed unless there is a copy of the lease termination notice for the currently assisted unit either attached to the RTA or in the family's file.

Both the owner and the voucher holder must sign the RTA.

The Housing Authority will not permit the family to submit more than one RTA at a time.

The RTA will be approved if [24 CFR §982.302(d)]:

1. The unit is an eligible type of housing;
2. The unit passes an inspection (based on HUD's Housing Quality Standards and the Housing Authority's requirements, detailed in Chapter 10);
3. The rent is reasonable and affordable to the voucher holder;
4. The security deposit amount is approvable;
5. The proposed lease complies with HUD and Housing Authority requirements, and State and local law;
6. The owner is approvable, and there are no conflicts of interest; and
7. All applicable lead-based paint disclosure requirements have been met. See Section 10.4 (Lead-Based Paint) for additional policies.

9.2.1 Disapproval of RTA
[24 CFR §982.302(d) and §982.305]

If the Housing Authority determines that the RTA cannot be approved for any reason, the owner and the family will be notified in writing. The Housing Authority will instruct the owner and family of the steps that are necessary to approve the Request.

The owner will be given 5 calendar days to submit an approvable RTA from the date of disapproval unless the reason for the disapproval is the result of multiple failed inspections (three or more failed HQS inspections).

When, for any reason, an RTA is not approved, the Housing Authority will furnish another RTA form to the family along with the notice of disapproval so that the family can continue to search for eligible housing.

The Housing Authority will suspend the term of the voucher while the RTA is being processed. Therefore, the length of time allotted to a family for the purpose of locating another unit will be based on the number of days left on the term of the voucher at the time the RTA was submitted to the Housing Authority [24 CFR §982.303(b)].

9.3 ELIGIBLE TYPES OF HOUSING
[24 CFR §982.352]

The Housing Authority will approve the following types of housing in the voucher program:

- Single-family dwellings, including condos and townhouses.
- Manufactured homes where the family leases the mobile home and the pad [24 CFR §982.620(a)(2)].
- Manufactured homes where the family owns the mobile home and leases the pad [24 CFR §982.620(a)(3)].
- Multifamily dwellings (apartment buildings).
- Units owned but not subsidized by the Housing Authority (HUD-prescribed requirement).

A family can own a rental unit but cannot reside in it while being assisted, except in the cases involving manufactured homes when the family owns the mobile home and leases the pad. A family may lease in and have an interest in a cooperative housing development.

The Housing Authority may not permit a voucher holder to lease a unit that is receiving project-based Section 8 assistance or any duplicative rental subsidies.

9.3.1 Special Housing Types
[24 CFR §982.601]

The Housing Authority must permit use of all special housing type listed below, if needed as a reasonable accommodation so the program is readily accessible to and usable by persons with disabilities in accordance with 24 CFR Part 8.

- Congregate housing
- Group home
- Shared housing
- Cooperative housing (excluding families that are not cooperative members)
- Homeownership (if homeownership program is available)
- Single Room Occupancy (SRO)

9.3.2 Ineligible Housing Types
[24 CFR §982.352(a)]

The Housing Authority will not approve:

- A unit occupied by the owner or by any person with an interest in the unit, other than manufactured homes described above.
- Nursing homes or other institutions that provide care.
- School dormitories and institutional housing.
- Structures that have not been properly converted. Owners will be required to provide finalized permits for all conversion work when the integrity and/or soundness of a structure is in question.
- Converted garages or other structures not intended to be living areas.
- Any other types of housing prohibited by HUD.

9.4 RESTRICTIONS ON RENTING TO RELATIVES
[24 CFR §982.306(d)]

In accordance with HUD policy, the family will not be allowed to rent a unit from an owner (including a principal or other interested party) who is the spouse, parent, child, grandparent, grandchild, and sister or brother of any member of the family. This restriction applies to all new contracts entered into after June 16, 1998.

Exceptions may be made to this policy as a reasonable accommodation for persons with a disability. The Housing Authority will review all such requests on a case-by-case basis. The family will be required to provide documentation of disability and how the particular unit, owned by the relative, could benefit the disabled person. Owners must provide the current address of their residence (not a Post Office box). If families lease properties owned by relatives, the owner's current address will be compared to the subsidized unit's address.

Owners must provide an Employer Identification Number or Social Security number, and may also be required to provide a copy of their driver's license or other photo identification. In addition, the Housing Authority may request a copy of the owner's current utility bills and bank statement.

Failure to provide adequate documentation, within the specified time period (2 weeks), will be grounds for denial of such request.

In all cases, the owner of the assisted unit may not reside in the unit with the assisted household at any time during the term of the Housing Assistance Payment (HAP) Contract between the Housing Authority and the owner.

9.5 LEASE AGREEMENTS
[24 CFR §982.308 - §982.309]

The tenant and the owner must enter a written lease for the unit. If the owner uses a standard lease form for rental to unassisted tenants in the locality or the premises, the lease must be in such standard form, plus the required HUD Tenancy Addendum, which the Housing Authority will provide to the owner.

The Housing Authority will review the lease for compliance with regulations. At minimum, the lease must specify the following information:

- The names of the owner and tenant;
- The address of the unit rented;
- The term of the lease including the initial term and any provisions for renewal;
- The amount of the monthly rent to owner; and
- A specification of which utilities and appliances will be supplied by the owner, and which by the family.

The lease must provide the following are grounds for the owner to terminate tenancy [24 CFR §982.310(c)]:

- Drug- related criminal activity engaged in, on or near the premises by any tenant, household member, or guest, or such activity engaged in on the premises by any other person under the tenant's control. In addition, the lease must provide that the owner may evict a family when the owner determines that a household member is illegally using a drug or when the owner determines that a pattern of illegal use of a drug interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents.
- Any of the following types of criminal activity by a covered person:
 - Any criminal activity that threatens the health, safety, or right to peaceful enjoyment of the premises by other residents (including property management staff residing on the premises);
 - Any criminal activity that threatens the health, safety, or right to peaceful enjoyment of their residences by persons residing in the immediate vicinity of the premises; or
 - Any violent criminal activity on or near the premises by a tenant, household member, or guest, or any such activity on the premises by any other person under the tenant's control.
- If a tenant is:
 - Fleeing to avoid prosecution, or custody or confinement after conviction, for a crime, or attempt to commit a crime, that is a felony under the laws of the place from which the individual flees, or

- Violating a condition of probation or parole imposed under Federal or State law.

When needed, the Housing Authority may require the owner and family to execute a lease rider to include changes to the rent amount, changes to utility responsibilities and/or effective date on the owner's original lease.

The effective date of the lease and the HAP contract will be based on the date the unit passed inspection or the family took possession of the unit, whichever is later. For this purpose, the family is considered to be in possession of the unit when the family has a key to the unit and the unit is fully available for the family's exclusive use [24 CFR §982.305(b)].

9.5.1 Separate Agreements **[24 CFR §982.510(c)]**

Separate agreements are not necessarily prohibited. Families and owners will be advised of the prohibition of illegal side payments for additional rent, or for items normally included in the rent of unassisted families, or for items not shown on the approved lease.

Owners and families may execute separate agreements for services (parking space), appliances (other than range and refrigerator) and other items that are not included in the lease if the agreement is in writing and approved by the Housing Authority.

Any appliances, services or other items which are routinely provided to unassisted families as part of the lease (such as air conditioning, dishwasher or garage) or are permanently installed in the unit, cannot be put under separate agreement and must be included in the lease. For there to be a separate agreement, the family must have the option of not utilizing the service, appliance or other item.

The Housing Authority is not liable for unpaid charges for items covered by separate agreements and nonpayment of these agreements cannot be cause for eviction.

If the family and owner have come to a written agreement on the amount of allowable charges for a specific item, so long as those charges are reasonable and not a substitute for higher rent, they will be allowed.

All agreements for special items or services must be attached to the lease approved by the Housing Authority. If agreements are entered into at a later date, they must be approved by the Housing Authority and attached to the lease.

9.6 INITIAL INSPECTIONS

See Chapter 10 (Housing Quality Standards and Inspections).

9.7 RENT LIMITATIONS **[24 CFR §982.508]**

In accordance with HUD regulations, at the time the family initially receives assistance for a new unit, the family's share of the rent for the unit (includes

utilities and the rent to the owner) may not exceed more than 40 percent of the family's adjusted monthly income if the gross rent for the unit exceeds the payment standard.

9.8 RENT REASONABLENESS

[24 CFR §982.507(a)(1)]

A rent reasonable test will be used to determine if the rent amount request by the owner can be approved. The Housing Authority's rent reasonableness policy is covered in Chapter 11 (Setting Payment Standards and Determining Rent Reasonableness).

9.9 WHEN A NEW CONTRACT IS REQUIRED FOR AN EXISTING TENANCY

A new tenancy must be approved and a new contract must be executed for an existing tenancy only under the following circumstances:

- If the owner or family request a new lease;
- If there are any changes in lease requirements governing tenant or owner responsibilities for utilities or appliances; or
- If there are changes to provisions governing the terms of the lease.

9.10 INFORMATION TO OWNERS

[24 CFR §982.307(b)]

The Housing Authority is required to provide prospective owners with the address of the applicant and the names and addresses of the current and previous owner if known. The Housing Authority will make an exception to this requirement if the family's whereabouts must be protected due to domestic abuse or witness protection. The Housing Authority will not release any other information regarding the family.

The Housing Authority will inform owners that it is the responsibility of the owner to determine the suitability of prospective tenants. Owners will be encouraged to screen applicants for rent payment history, eviction history, damage to units, and other factors related to the family's suitability as a tenant [24 CFR §982.307(a)].

Information regarding the Housing Authority's policy on this subject is included in the briefing packet and as an attachment to the Request for Tenancy Approval. This policy will apply uniformly to all families and owners.

In addition to the information listed above, the Housing Authority provides owner workshops at least twice a year. At the workshops, current and prospective owners are given an overview of the program and information about any significant program changes. There is also ample time for a question and answer session.

9.11 OWNER DISAPPROVAL
[24 CFR §982.306(a) - §982.306(c)(4)]

For purposes of this section, “owner” includes a principal or other interested party, and to disapprove an owner means to prevent the participation of an owner in Housing Authority programs.

The Housing Authority is required to disapprove an owner for the following reasons:

- HUD has informed the Housing Authority that the owner has been debarred, suspended, or subject to a limited denial of participation under 24 CFR Part 24.
- HUD has informed the Housing Authority that the federal government has instituted an administrative or judicial action against the owner for violation of the Fair Housing Act or other federal equal opportunity requirements and such action is pending.
- HUD has informed the Housing Authority that a court or administrative agency has determined that the owner violated the Fair Housing Act or other Federal equal opportunity requirements.
- If the owner is the spouse, parent, child, grandparent, grandchild, sister, or brother of any member of the family.

The Housing Authority also maintains the discretion to disapprove an owner for the reasons listed below. The Housing Authority may disapprove an owner for a period of 1 year for the following reasons:

- The owner has violated obligations under a housing assistance payments contract under Section 8 of the 1937 Act (42 U.S.C. 1437f).
- The owner has a history or practice of non-compliance with the HQS for units leased under the tenant-based programs or with applicable housing standards for units leased with project-based Section 8 assistance or leased under any other Federal housing program.
- The owner has a history or practice of renting units that fail to meet State or local housing codes;
- The owner has not obtained a business license for rental property for the assisted unit, where required by local ordinance; or
- The owner has not paid State or local real estate taxes, fines or assessments.

An owner may be disapproved for a period of up to 5 years for the following reasons:

- The owner has committed fraud, bribery or any other corrupt or criminal act in connection with any Federal housing program.
- The owner has a history or practice of failing to terminate tenancy of Section 8-assisted tenants, or tenants assisted under any other federally-assisted housing program, for activity engaged in by the tenant, any member of the

household, guest or another person under the control of any member of the household that:

- Threatens the right to peaceful enjoyment of the premises by other residents;
- Threatens the health or safety of other residents, of employees of the Housing Authority, or of owner employees or other persons engaged in management of the housing;
- Threatens the health or safety of, or the right to peaceful enjoyment of their residences, by persons residing in the immediate vicinity of the premises; or commits drug related criminal activity or violent criminal activity.

An owner may be disapproved for a period of up to 10 years for the following reason:

- The owner has engaged in any drug-related criminal activity or any violent criminal activity.

If an owner disagrees with the Housing Authority's disapproval, the owner may appeal the decision in writing within 10 calendar days from receiving the Housing Authority's decision. A supervisor will review the appeal and prepare a written decision within 30 calendar days after receiving the request. The decision of the supervisor is final.

9.12 CHANGE IN TOTAL TENANT PAYMENT (TTP) PRIOR TO HAP EFFECTIVE DATE

When the family reports changes in factors that will affect the Total Tenant Payment (TTP) prior to the effective date of the HAP contract, the information will be verified and the TTP will be recalculated. If the family does not report any change, the Housing Authority need not obtain new verifications before the HAP contract becomes effective.

If the contract is for a participant move and is processed as an annual reexamination, the family's income and other circumstances will be re-verified.

9.13 CONTRACT EXECUTION PROCESS [24 CFR §982.305(c)]

Provided that the unit passes inspection, the Housing Authority will prepare the HAP contract for execution. The family and the owner will execute the lease agreement, and the owner and the Housing Authority will execute the HAP contract. Copies of the documents will be furnished to the parties who signed the respective documents.

The Housing Authority makes every effort to execute the HAP contract before the commencement of the lease term. The HAP contract may not be executed more than 60 calendar days after commencement of the lease term and no payments will be made until the contract is executed.

The following Housing Authority representatives are authorized to execute a contract on behalf of the Housing Authority: Assisted Housing's Division Director, Assistant Director, Managers, Assistant Managers and Supervisors.

Owners must provide the current address of their residence (not a Post Office box). If families lease properties owned by relatives, the owner's current address will be compared to the subsidized unit's address.

Owners must provide an Employer Identification Number or Social Security number, and may also be required to provide a copy of their driver's license or other photo identification.

9.13.1 Determining the Contract Effective Date

The effective date and the amount of the rental payment is communicated in writing to both the owner and family.

If the owner and the family have entered into a lease and provide a copy of the lease with the RTA, the effective date of the contract will be either:

1. The date the unit passed inspection (for families residing in the unit prior to the inspection date), or
2. The date that the Housing Authority authorized the owner to allow the family to take possession of the unit.

The contract effective date will be based on the later of these two dates. If the owner and the family have not executed a lease prior to the HAP contract negotiation process, then the HAP contract will become effective once the lease has been properly executed by both parties.

9.13.2 Prorating First Month's Rent

When the effective date of a new contract begins on a day other than the first of the month, the Housing Authority will determine a prorated contract rent amount. For consistency with rental industry standards, prorated amounts will be calculated by using 30 days to establish a daily rate (refer to 3/3/05 memo).

9.13.3 Proof Of Ownership

The Housing Authority will use property profile information obtained from a private vendor to confirm ownership of the assisted unit. If third party information cannot confirm ownership of the unit, the Housing Authority may also request a recorded deed or closing escrow statement to prove ownership.

Owners may also be required to provide a copy of a business rental license if the assisted unit is in a city where one is required.

Any requested information must be provided prior to execution of the HAP contract. Failure to provide the requested information within a reasonable period of time, generally not more than 30 calendar days, will result in a cancellation of the RTA.

9.13.4 Establishing Eligibility To Execute HAP Contract and Related Documents

In cases involving multiple owners, the Housing Authority will accept the signature of a designee on all contracts and related paperwork if all the legal owners have jointly agreed on the person/persons who may act on their behalf.

In cases involving multiple owners, the Housing Authority requires that all persons who have interest in the property sign or provide a letter of authorization, giving one or more parties the right to sign contracts and other program documents.

In cases involving a partnership or corporation, the Housing Authority may request the partnership agreement or incorporation documents to determine who is designated to act on the group's behalf. In cases involving a trust, the Housing Authority may request a copy of the trust in order to verify the names of the trustees.

The Housing Authority will not execute a HAP Contract until all proper authorization, from all appropriate parties, has been provided. Failure to provide information needed to establish authority to execute the HAP contract within a reasonable time, generally 30 calendar days, may result in a cancellation of the RTA.

Once the Housing Authority has established proper authorization, the letter of authorization will remain in effect until superseded by another authorization or the HAP contract is terminated. All changes or modification to the instructions provided in the current letter of authorization must be provided in writing.

**9.13.5 Payment To The Owner
[24 CFR §982.311(a)]**

Once the HAP Contract is executed, the Housing Authority begins processing payments to the owner. Because the Housing Authority's sole method of payment to owners is direct deposit, new and existing owners must provide the necessary information for enrollment in the Housing Authority's direct deposit program. Payments will be made via direct deposit by the first of each month. Owners must notify the Housing Authority of any missing payments as soon as possible. The Housing Authority will accept report of missing payment both via a telephone call and/or in writing.

9.14 CHANGE IN OWNERSHIP

A change in ownership does not require execution of a new contract.

The Housing Authority will process a change of ownership only upon the written request of the previous or new owner and only if accompanied by a copy of the escrow statement or other document showing the transfer of title and the Employee Identification Number or Social Security number of the new owner.

In order to complete a change of ownership, the new owner must complete an Assumptions of Obligations and Benefits contract. This form obligates the new owner to the HAP contract. The Housing Authority will provide this document once a written request for a change is received.

When the assumption contract has been executed, the Housing Authority will send a copy of it, along with a copy of the original HAP contract and lease, to the new owner.

If a change in ownership occurs due to a foreclosure, the new owner automatically assumes the obligations of the HAP contract. The Housing Authority will make every attempt to ascertain the identity of the new owner and obtain any documents necessary to release payments to the appropriate party.

New owners are subject to the Housing Authority's owner disapproval policy as detailed in Section 9.11 of this chapter.

CHAPTER 10: HOUSING QUALITY STANDARDS AND INSPECTIONS

10.1 INTRODUCTION

This chapter describes the Housing Authority's procedures for implementing Housing Quality Standards (HQS), conducting different inspections, and setting standards for the timeliness of repairs. It also explains the responsibilities of the owner and family, and the consequences for noncompliance with HQS by the owner and family.

10.2 TYPES OF INSPECTIONS **[24 CFR §982.405]**

The Housing Authority conducts the following inspections, which will be explained in greater detail throughout the chapter:

- **New Contracts Inspection:** A unit must pass this HQS inspection before the Housing Authority enters into a HAP Contract with the owner.
- **Inspections at Other Times as Needed:**
 - **Interim Inspection:** HQS inspection conducted upon request of the owner, family or agency.
 - **Emergency Inspection:** HQS inspection conducted for life-threatening violations.
 - **Compliance Check/Home Visit Inspections:** An inspection conducted, without notice, to verify compliance with the Section 8 Program.
- **Annual Inspection:** A unit must pass its annual HQS inspection.
- **Quality Control Inspection:** The Housing Authority is required to conduct supervisor quality control HQS inspections.
- **Move-Out Inspection:** For its Moderate Rehabilitation Program, the Housing Authority may conduct a move-out inspection for contracts effective before October 2, 1995, at an owner's request, if a damage claim is to be submitted (see Section 20.9 for details on these inspections).

10.3 HOUSING QUALITY STANDARDS (HQS) **[24 CFR §982.401]**

HQS is the minimum quality standards set forth by HUD for tenant-based programs. These standards are in place to ensure that assisted housing is decent, safe and sanitary. All program housing must meet the HQS performance requirements both at commencement of assisted occupancy, and throughout the assisted tenancy.

Efforts will be made at all times to encourage owners to provide housing above the HQS minimum standards.

HQS applies to the building and premises, as well as the unit. In order for a unit to pass an HQS inspection, the following standards must be met.

10.3.1 Unit Space and Size

[24 CFR §982.401(d)(2)(i)]

At minimum, a living room, kitchen area, and bathroom must be located in the unit.

10.3.2 Living Room / Sleeping Room

[24 CFR §982.401(d)(2)(ii)], [24 CFR §982.401(h)(2)(iv)], [24 CFR §982.401(f)]

- The dwelling unit must have at least one bedroom or living/sleeping room for each two persons. Children of opposite sex, other than very young children, may not be required to occupy the same bedroom or living/sleeping room.
- There must be at least one window in the living room and in each sleeping room. If the window is designed to be openable, the window must open and close properly, and be large enough to provide emergency egress.
- The living room and each bedroom must have at least two electrical outlets in proper operating condition. Permanent overhead or wall-mounted light fixtures may count as one of the required electrical outlets.
- Bedrooms must also have a built-in closet or wardrobe, be located within the unit (e.g., no garages), and be private (have a closing door separating it from the rest of the unit). Bedrooms should also be finished in a quality similar to other bedrooms in the home.
- In cases where an owner has modified the rental unit without obtaining the proper city and/or County building permits, the Housing Authority may rely on the legal property description for the purposes of negotiating the rent and determining how many actual sleeping rooms are in the rental unit.

10.3.3 Sanitary Facilities (Bathroom)

[24 CFR §982.401(b)], [24 CFR §982.401(h)(2)(iii)], [24 CFR §982.401(f)(2)(ii)]

- The bathroom must be located in a separate private room and contain a working flush toilet.
- Bathroom areas must have one openable window or other adequate exhaust ventilation.
- The unit must have a fixed sink. The bathroom sink may be located separately from other bathroom facilities, but the kitchen sink may not also be used for the bathroom sink.
- The unit must have a shower or tub in proper operating condition, with hot and cold running water. The shower or tub need not be in the same room with other bathroom facilities, but they must be private.
- All walls in a tub or shower area must be covered with ceramic tile or other material that is impervious to water to prevent water damage and deterioration.

- Sinks and commode water lines must have shut off valves, unless faucets are wall-mounted. All sinks in the unit must have functioning stoppers.
- The bathroom must have a permanent ceiling or wall light fixture in proper operating condition.
- All bathrooms in the unit must be in proper operating condition.

10.3.4 Food Preparation (Kitchen)

[24 CFR §982.401(c)], [24 CFR §982.401(f)(2)(ii)]

- The dwelling unit must have suitable space and equipment to store, prepare, and serve foods in a sanitary manner (i.e., kitchen).
- The dwelling unit must have an oven, and a stove or range, and a refrigerator of appropriate size for the family. All of the equipment must be in proper operating condition. The stove and oven must be properly hooked up to the gas, with no hazards present. The refrigerator must be able to maintain a temperature sufficient to keep food from spoiling over a reasonable period of time. The equipment may be supplied by either the owner or the family.
- A microwave oven may be substituted for a tenant-supplied oven and stove or range. A microwave oven may be substituted for an owner-supplied oven and stove or range if the tenant agrees and microwave ovens are furnished instead of an oven and stove or range to both subsidized and unsubsidized tenants in the building or premises.
- The kitchen area must have a permanent ceiling or wall light fixture in proper operating condition, and at least one electrical outlet in proper operating condition.
- The dwelling unit must have a permanently attached kitchen sink in proper operating condition, with a sink trap and hot and cold running water. The sink must have a shut off valve, unless faucets are wall-mounted, and must drain into an approvable public or private system. All sinks in the unit must have functioning stoppers.
- There must be facilities and services for the sanitary disposal of food waste and refuse, including temporary storage facilities where necessary (e.g., garbage cans).

10.3.5 Ceilings, Walls, Floors and Building Exterior

[24 CFR §982.401(g)]

- The unit must be structurally sound. The structure must not present any threat to the health and safety of the occupants and must protect the occupants from the environment.
- Ceilings, walls, floors and fences must not have any serious defects such as severe bulging or leaning, large holes, loose surface materials, severe buckling, missing parts, or other serious damage.
- Wood floors must be sanded to a smooth surface and sealed. Any loose or warped boards must be re-secured and made level. If the boards cannot be leveled, they must be replaced.

- The exterior wall structure and surface must not have any serious defects such as serious leaning, buckling, sagging, large holes, or defects that may result in air infiltration or vermin infestation.
- In areas where plaster or drywall is sagging, severely cracked, bulging or leaning, or has large holes, it must be repaired or replaced.
- The condition and equipment of interior and exterior stairs, halls, porches, walkways, etc., must not present a danger of tripping and falling. For example, broken or missing steps or loose boards are unacceptable. Stairs with four or more steps must have a secure handrail.
- A porch or balcony at least 30 inches or more from the ground must have secure railings.
- The roof must be structurally sound and weather tight and must not have any serious defects, such as buckling or sagging. Gutters, downspouts and soffits must not show signs of serious decay and must not allow entry of significant air or water into the interior of the structure.
- The chimney must not be seriously leaning or showing evidence of significant disintegration.
- Building foundations must not have any severe structural defects that may create a hazardous condition, including allowing significant entry of ground water.

10.3.6 Windows

[24 CFR §982.401(f)(1)(ii)], [24 CFR §982.401(d)(2)(iii)]

- All window sashes must be in good condition, solid, intact, and fit properly in the window frame. Damaged or deteriorated sashes must be replaced.
- Windows must be weather-stripped as needed to ensure a weather tight seal.
- Windows must not have missing or broken-out panes, or panes that are dangerously loose or have large cracks.
- If window security bars or security screens are present on emergency exit windows, they must be equipped with a quick release system. The owner is responsible for ensuring that the family is instructed on the use of the system.
- Dwelling unit windows that are accessible from the outside, such as basement, first floor, and fire escape windows, must be lockable (such as window units with sash pins or sash locks, and combination windows with latches).
- Windows that are nailed shut are acceptable only if these windows are not needed for ventilation or as an alternate exit in case of fire.

10.3.7 Doors and Unit Access

[24 CFR §982.401(d)(2)(iv)], [24 CFR §982.401(k)]

- All exterior doors must be solid core and weather tight to avoid any air or water infiltration, have no holes, and have all trim intact.

- All interior doors must have no holes, have all trim intact, and be openable without the use of a key.
- All exterior doors must have dead bolt locks.
- The unit must be able to be used and maintained without unauthorized use of other private properties. The building must provide an alternate means of exit in case of fire (such as fire stairs or egress through windows).

10.3.8 Thermal Environment
[24 CFR §982.401(e)]

There must be a safe system for heating the unit, in proper operating condition. The heating unit must be affixed to the unit and be able to provide adequate heat, either directly or indirectly, to each room. The dwelling unit must not contain unvented room heaters that burn gas, oil, or kerosene. Electric heaters are acceptable. Portable heaters are not acceptable. Heating equipment also must not pose other unsafe conditions, such as improper flue connection or installation of equipment.

10.3.9 Electricity
[24 CFR §982.401(f)]

The unit must not contain any electrical hazards, such as exposed electrical connections; broken, non-insulated or frayed wiring; improper types of wiring, connections or insulation, or wires lying in or near standing water or other hazardous locations.

The improper installation of a three-pronged outlet is considered an electrical hazard. All three-pronged outlets must be properly grounded or protected by a ground fault circuit interrupter (GFCI) outlet. An outlet is considered protected by a GFCI outlet if:

- The outlet is a GFCI outlet; or
- A GFCI outlet is located up stream on the circuit from the ungrounded, three-pronged outlet and will shut off current to the ungrounded outlet in case of a surge in the electrical current; or
- The ungrounded, three-pronged outlet is located on a GFCI circuit.

10.3.10 Smoke Detectors
[24 CFR §982.401(n)]

- Each assisted unit must be equipped with at least one properly working battery-operated or hard-wired smoke detector on each level of the unit.
- Whenever possible, smoke detectors should be installed in a hallway adjacent to a bedroom.
- If an assisted unit is occupied by a household with hearing-impaired persons, a permanently installed smoke detector designed for people with hearing-impaired persons must be located in each bedroom that is occupied by a hearing-impaired person.

10.3.11 Neighborhood and Site Conditions; Sanitation and Environment
[24 CFR §982.401(l)], [24 CFR §982.401(m)]

- The site and neighborhood may not be subject to serious adverse environmental conditions, natural or manmade. These can include dangerous walks or steps; instability; flooding, poor drainage, septic tank back-ups or sewage hazards; mudslides; abnormal air pollution, smoke or dust; excessive noise, vibration or vehicular traffic; excessive accumulations of trash; vermin or rodent infestation; or fire hazards.
- Adequate covered facilities for the disposal of rubbish must be present at the site, such as covered dumpsters and other covered refuse containers approvable by the local health and sanitation department.
- The unit and its equipment must be in sanitary condition, and free from vermin and rodent infestation.

10.3.12 Elevators
[24 CFR §982.401 (g)(2)(v)]

All elevators in a building must be operating safely. The Housing Authority requires all elevators to have a current permit issued by the State of California. If the permit is expired and the owner can provide documentation from the State of California that the application is being processed, the Housing Authority will pass the elevator in accordance with Section 7302 of the Labor Code as long as there are no obvious safety concerns present.

10.3.13 Manufactured Homes/Mobile Homes HQS Requirements
[24 CFR 982.621]

In addition to meeting all other HQS requirements, a mobile home must meet the following requirements:

- It must be situated on a site that is stable and free from hazards such as sliding or wind damage.
- Must be appropriately anchored by a tie down device that distributes and transfers the load imposed by the unit to appropriate ground anchors to resist wind overturning and sliding. Alternative types of anchors, beams and foundation bolts are permissible if they meet manufacturer's specifications.
- One operable smoke detector is required.

10.3.14 Additional Housing Quality Standards
[24 CFR §982.401(a)(4)]

The Housing Authority is authorized to enhance HQS, provided that by doing so the Housing Authority does not overly restrict the number of units available for leasing. The enhancements adopted by the Housing Authority are meant to ensure that assisted units are safe in relation to other units rented throughout Los Angeles County.

In addition to the HQS identified by HUD, all assisted units must also be in compliance with the following items derived from California and Los Angeles County Code, in order to pass an HQS inspection.

- **Double Cylinder Locks:** Double-keyed deadbolts, or any other lock requiring special knowledge or a tool to open, are prohibited in a residential unit. All doors that provide an exit from the residence must be openable from the inside without the need of a key or any other special knowledge, effort or tool.
- **Swimming Pools:** Swimming pools in multifamily structures must be enclosed by a gate from 48 inches to 60 inches tall. The gate must be self-closing with a self-closing latch and a protected panel must surround the latch.
- **Hot Water Heater:** Water heaters must have a temperature-pressure relief valve and discharge line (directed toward the floor or outside of the living area) as a safeguard against build up of steam if the water heater malfunctions. Gas or oil-fired water heaters must be vented into a properly installed chimney or flue leading outside. Electric water heaters do not require venting. A gas water heater must have a safety divider or shield if it is located in a bedroom or other living area.

If the water heater is located in a large apartment building (at least 25 units) and the unit is inaccessible, staff must check inconclusive on the inspection report. The item may be cleared if the owner or manager can provide documentation to show it has passed a local inspection.

- **Earthquake Straps for Water Heaters:** Must be secured for seismic stability. All water heaters must be braced, anchored or strapped to prevent falling or movement during an earthquake.
- **Garages:** Garages, whether attached or detached, must be accessible. Garages are not to be used as a living space.

10.3.15 Single Room Occupancy (SRO) HQS Requirements **[24 CFR §982.605]**

The HQS requirements outline in the above sections apply to SRO housing along with some additional requirements for access, fire safety, sanitary facilities, and space and security. The additional requirements are as follows:

- ❑ **Access:** Access doors to the SRO unit must have working locks for privacy. The occupant must be able to access the unit without going through any other unit. Each unit must have immediate access to two or more approved means of exit for the building, appropriately marked and leading to a safe and open space at ground level.
- ❑ **Fire Safety:** All SRO facilities must have a sprinkler system that protects major spaces. "Major spaces" are defined as hallways and common areas. SROs must also have hard-wired smoke detectors.
- ❑ **Sanitary Facilities:** At least one flush toilet that can be used in privacy, a lavatory basin, a bathtub or shower in proper operating condition must be provided for each six persons (or fewer) residing in the SRO facility. If

the SRO units are leased only to men, flush urinals may be substituted for up to one half of the required number of toilets.

Sanitary facilities must be reasonable accessible from a common hall or passageway, and may not be located more than one floor above the SRO unit. They may not be located below grade unless the SRO units are located on that level.

- **Space and Security:** A SRO unit must contain at least 110 square feet of floor space, and at least four square feet of closet space with an unobstructed height of at least five feet, for use by the occupant. If the closet space is less than four square feet, the habitable floor space in the SRO unit must be increased by the amount of the deficiency. Exterior doors and windows accessible from the outside the SRO unit must be lockable.

Because no children live in SRO housing, the housing quality standards applicable to lead-based paint do not apply.

10.3.16 Serious Deficiencies

Assisted units must meet all HQS performance requirements in order to pass an inspection. The Housing Authority has compiled the following list of specific conditions that are considered serious deficiencies that may cause a unit to fail an inspection. This list assists inspectors in making a determination regarding the condition of an assisted unit; however, deficiencies are not limited to this list:

1. No TPR/Drainpipe on water heater
2. Clogged toilets/sinks/wash basins/bathtubs
3. Severely worn or torn floor coverings posing a tripping hazard
4. Evidence of vermin infestation (fleas, roaches, termites, mice, and rats) in and around assisted unit
5. Excessive rubbish or debris in or around the assisted unit
6. Heavy accumulation of brush, weeds or tree branches near or extending over the assisted unit or in the power lines
7. Uneven, broken or lifting exterior walkways or driveways that pose a tripping hazard
8. Missing, loose or broken handrails, guardrails or balusters
9. Lack of windows in living or sleeping rooms
10. Lack of exterior ventilation (window or exhaust fan) in bathroom
11. Flammable or combustible materials stored near water heater or furnace
12. Missing or inoperable security bar release mechanism on bedroom windows
13. Evidence of sewage in or around assisted unit
14. Exterior doors or windows that do not open, close or lock properly

15. Exterior doors or windows that do not close and form a reasonably weather tight seal
16. Inoperable refrigerator or stove/range/oven
17. Hot water heaters not seismically restrained

10.4 LEAD-BASED PAINT **[24 CFR §982.401(i)]**

The Housing Authority's rental assistance programs are subject to the requirements of the Lead-Based Paint Poisoning Prevention Act and the Residential Lead-Based Paint Hazard Reduction Act of 1992. Applicable regulations are detailed in 24 CFR §35.

The Housing Authority will be responsible for the collection of LBP disclosure information; conducting Visual Assessment inspections; assuring that Clearance Examinations are conducted; collect data regarding Elevated Intervention Blood Lead Level (EIBLL) cases, and informing owners of their responsibilities.

10.4.1 Disclosure **[24 CFR §35(Subpart A)]**

Owners of units built before 1978 are required to disclose to lessees all available information about the presence of lead-based paint or lead-based paint hazards and provide any available record or reports pertaining to the presence of lead-based paint or lead-based paint hazards, before the lease is enacted.

Lessees must also receive a copy of the lead hazard information pamphlet, "Protect Your Family From Lead in Your Home."

For all new contracts, the Housing Authority will require owners to certify on the RTA that they have met all applicable lead-based paint disclosure requirements. If applicable, the Housing Authority will require owners to submit a copy of the lead-based paint disclosure statement, and any inspection reports.

The Housing Authority will include a sample lead-based paint disclosure form and a lead hazard information pamphlet in voucher issuance packets for participants. Materials will be made available directly to owners upon request.

For units built before 1978, the Housing Authority will not approve an owner lease without receiving all applicable lead-based paint disclosure information.

10.4.2 Lead-Based Paint Visual Assessment **[24 CFR §35.1215]**

The Housing Authority is required to conduct lead-based paint visual assessments for all units built prior to 1978 that house or will house a child or children under 6 years of age, at the time of the new contract inspection and at annual inspections.

The Housing Authority inspectors conducting lead-based paint visual assessments will be trained according to HUD requirements.

The purpose of the visual assessment is to identify any deteriorated paint. Deteriorated paint is paint that is peeling, chipping, chalking or cracking, or any paint or coating located on an interior or exterior surface or fixture that is otherwise damaged or separated from the substrate. Inspectors will check the condition of painted surfaces. If any deteriorated paint is found in the course of the inspection, the unit will fail the lead-based paint visual assessment. Owners must perform paint stabilization on all deteriorated paint surfaces regardless of the size of the deteriorated surface. If the amount of deteriorated paint is below the de minimis level, the owner must perform paint stabilization, but is not required to perform lead-safe work practices and clearance. The de minimis thresholds are defined as 20 sq. ft. (2 sq. meters) on exterior surfaces; 2 sq. ft. (0.2 sq. meters) in any one interior room or space; or 10% of the total surface area on an interior or exterior type of component with a small surface area (such as window sills, baseboards, and trim).

If deteriorated paint exceeds the de minimis thresholds as defined by HUD, the unit will fail the lead-based paint visual assessment and require stabilization and a clearance report

10.4.3 Stabilization and Clearance **[24 CFR §35.1215]**

Owners of units that fail the lead-based paint visual assessment above de minimis levels will be required to stabilize deteriorated paint in order for the unit to pass, using lead-safe work practices.

The Housing Authority will send a letter to owners of failed units that provides guidance on stabilizing paint and other required activities. Owners will have 30 calendar days from the letter date to complete the following:

- **Repair the deteriorated paint.** Work must be performed by certified lead workers using lead-safe work practices. The Housing Authority will provide owners with resources and information on meeting these guidelines.
- **Obtain a Clearance Report.** A contractor certified by the Environmental Protection Agency (EPA) must inspect the unit and prepare a Clearance Report summarizing the work completed and the inspection results.
- **Complete the Housing Authority's Lead-Based Paint Owner Certification form.** The owner must certify that all applicable requirements have been met.
- **Submit Clearance Report and Certification to the Housing Authority.** The Housing Authority will accept paperwork by mail, fax, and hand delivery.

The owner is responsible for informing tenants of all lead hazard reduction work and evaluations, in a manner consistent with HUD regulations.

If the unit has been previously certified free of lead-based paint by a certified inspector, the owner may submit a copy of the inspector's report, along with the certification form, to the Housing Authority.

The Housing Authority will review the Clearance Report and certification form for completeness. The Clearance Report must contain all information required by HUD. If the Clearance Report passes, the unit will receive a pass on the visual assessment; no further inspection visit is required.

On new contracts inspections, the passing Clearance Report and valid certification form must be received by the Housing Authority before the Housing Authority can enter into a HAP Contract with the owner. If this does not take place within 30 calendar days, the Housing Authority will cancel the RTA.

For annual inspections, if the owner fails to submit the passing Clearance Report and valid certification form within 30 calendar days, the Housing Assistance Payments (HAP) will be placed on hold (abated) for the unit and the participant will be issued a voucher. The owner will have an additional 60 calendar days to obtain and submit a valid Clearance Report before the HAP Contract is terminated. See Section 10.11.1 for details on abatement.

Assisted Housing's Director will review reasonable cause requests for extension. Extension requests must be submitted in writing within the first 30 calendar days of the failed lead-based paint visual assessment. An extension shall not extend beyond 90 days after the date of notification to the owner of the results of the visual assessment. If an extension is approved, the HAP will not be abated during this extension period. Reasonable cause circumstances include prohibitive weather conditions, financial hardship, and rehabilitation in progress.

10.4.4 Children with Environmental Intervention Blood Lead Levels **[24 CFR §35.1225]**

On a quarterly basis, the Division will send the Los Angeles County Department of Health Services Childhood Lead Poisoning Prevention (CLPP) Program the addresses of assisted families with children under the age of 6. CLPP Program staff will check the addresses for matches with cases of identified Environmental Intervention Blood Lead Levels (EIBLL). If a match is found, CLPP Program staff will conduct a Risk Assessment of the occupied unit and forward a report to the Division. A Risk Assessment is a comprehensive evaluation for LBP hazards that goes beyond the Visual Assessment component including paint testing, and dust and soil sampling. The Risk Assessment Report identifies lead hazards and appropriate lead hazard reduction methods.

A copy of the Risk Assessment Report must immediately be forwarded to the participating owner once received by the Division. The owner must post a Notice of Lead Hazard Evaluation within 15 calendar days and complete lead hazard reduction and clearance activities as advised in the Report within 30 calendar days. The Housing Authority is not allowed to assist any other participant in the unit until the owner complies with the Report.

If informed about an EIBLL case from a source other than the CLPP Program, the Division must submit the information to the CLPP Program within 5 calendar days. The CLPP Program will conduct a Risk Assessment of the occupied unit if required.

10.5 INSPECTIONS SCHEDULE

Inspections are conducted on business days between the hours of 7:00 a.m. and 5:00 p.m. An individual over 18 years of age must be present to allow entry for the inspector.

Please see section 10.7.3 for the inspections schedule for Compliance Checks/Home Visit Inspections.

10.6 NEW CONTRACT INSPECTIONS

[24 CFR §982.305(b)(2)(i)(B)]

Under normal circumstances, new contract (initial) inspections are conducted within 15 calendar days following the receipt of a Request for Tenancy Approval. The new contract inspection is conducted in order to:

1. Determine if the unit, including common areas, meets housing quality standards.
2. Document the current condition of the unit. This will serve as the basis to evaluate the future condition of the unit, i.e. excessive wear and tear.

10.6.1 When HQS Deficiencies Must Be Corrected

If the unit fails the initial inspection, the unit will be scheduled for a follow-up inspection within 10 calendar days. The owner will be given 30 calendar days to correct the deficiencies. The owner can request an inspection sooner if repairs have been made prior to the scheduled follow-up inspection date.

If the time period given by the Housing Authority to correct the deficiencies has lapsed, or the maximum of three failed inspections has occurred, the family must select another unit.

The Housing Authority will not enter into a HAP Contract with the owner until the unit passes the inspection. However, the family may already be in the unit when the new contract inspection is conducted. If the family lives in the unit at the time of the new contract inspection, they are responsible for meeting their HQS obligations. See Section 10.8 for details of the family's HQS obligations.

10.7 ANNUAL AND INTERIM INSPECTIONS

[24 CFR §982.405]

10.7.1 Annual Inspections

In order to assure that units meet housing quality standards throughout the assisted tenancy, the Housing Authority conducts inspections at least annually.

As stated in the family obligations, the family must allow the Housing Authority to inspect the unit at reasonable times and after reasonable notice. The Housing Authority will notify the family and/or owner of the date and time of the scheduled inspection appointment in writing at least 15 calendar days prior to the inspection.

Appointments may be rescheduled before the scheduled inspection as long as the new inspection date allows the Housing Authority to remain in compliance with HUD HQS requirements. Inspections may be rescheduled by phone, fax or email. If the family misses the inspection appointment and fails to contact the Housing Authority to reschedule the inspection beforehand, the Housing Authority will consider the family to be in violation of the Certified Statement of Family Obligation agreement and will initiate termination procedures in accordance with the Housing Authority's policy for proposed termination. If the family missed the inspection appointment for good cause, including but not limited to, illness, injury, or hospitalization, the Housing Authority may consider, on a case by case basis, evidence to support the reason for the missed appointment before proposing termination. If it is the first time the family missed an inspection appointment without good cause, a one-time counseling session will be conducted with the family in lieu of proposing termination.

10.7.2 Interim Inspections

Interim inspections are conducted at the request of the owner, family, or agency (usually as a result of a violation of HQS or violation of the lease). Interim inspections may be scheduled and conducted at any time of the year.

10.7.3 Compliance Check/Home Visit Inspections

The Compliance Check/Home Visit Inspections are used to verify the household and owner's compliance with the Housing Choice Voucher and other similarly administered housing assistance programs. These inspections are conducted without prior notice to the family or owner.

These inspections will occur between the hours of 7:30 a.m. and 6:30 p.m. on Monday through Friday. However, if circumstances require a visit outside this timeframe (for instance, because the household members work outside the home during those hours), then a notice of weekend visit shall be given to the tenant, either by mail or by leaving such a notice at the residence. The notice may state that the Housing Authority will return to conduct an inspection within the next thirty (30) days. No specific day or time need be given on the notice. If notice is provided by the Housing Authority of a future visit, then a Housing Authority investigator may conduct their investigation from 7:30 a.m. to 6:30 p.m. on Monday through Friday and 9:00 a.m. to 5:00 p.m. on Saturdays.

The Housing Authority investigators must request consent from someone they reasonably believe is:

1. Eighteen (18) years of age or older; and
2. A person in control of the home.

Housing Authority investigators may, for their personal safety, have law enforcement present during the Compliance Check/Home Visit Inspection. The person(s) present at the residence may refuse to provide the Housing Authority investigator and/or law enforcement personnel consent to enter the residence. The refusal to provide consent will not jeopardize the household's housing assistance benefits.

If the household refuses to provide Housing Authority investigators consent to enter, the Housing Authority may schedule an appointment to address the investigators' concerns that must be attended by the head of household. Failure to appear is cause for termination. The participant family may reschedule the appointment for good cause such as, but not limited to, illness, injury or hospitalization.

The Compliance Check/Home Visit inspection may be recorded using an audio and/or visual recording device. However, the investigator must obtain the written consent of the person in control of the home who is at least 18 years of age before any recording may be made.

Housing Authority investigators may conduct a Compliance Check/Home Visit as the lead agency outside the above-stated business hours only with the written approval of the Executive Director.

10.8 FAILED INSPECTIONS: DETERMINATION OF RESPONSIBILITY **[24 CFR §982.404(b)]**

If deficiencies cause an assisted unit to fail an inspection, Housing Authority inspectors will determine who is responsible at the time of inspection.

In accordance with family obligations, the following deficiencies are considered the responsibility of the family:

- Family-paid utilities not in service;
- Failure to provide or maintain family-supplied appliances; and
- Damages to the unit or premises caused by a household member or guest beyond normal wear and tear.
 - "Normal wear and tear" is defined as items that could be charged against the family's security deposit under state law or court practice.

The owner is responsible for all other HQS violations. In cases such as vermin infestation, where burden of responsibility is not immediately clear, Housing Authority inspector will determine the responsible party.

HQS deficiencies that cause a unit to fail must be corrected by the owner, unless the family is responsible for the deficiencies.

10.9 FAILED INSPECTIONS: WHEN DEFICIENCIES MUST BE CORRECTED **[24 CFR §982.404(a)(3)]**

10.9.1 Emergency Fail Deficiencies

Items that endanger the family's health or safety are considered emergency fails. These deficiencies must be corrected within 24 hours of inspection. The following deficiencies are considered life-threatening, emergency fails, and will cause a unit to be labeled uninhabitable:

- Gas leaks

- Major plumbing problems
- No running water
- No functioning toilet
- Unstable roof/structure

In cases where the unit is deemed uninhabitable, the family will be issued a voucher within 24 hours so that they can make arrangements to secure another residence if necessary.

If an emergency fail deficiency is not corrected in the time period required by the Housing Authority, and the owner is responsible, the housing assistance payment will be abated immediately and the contract will be terminated.

If repairs are completed and the family wishes to move back into the unit, a new RTA will need to be submitted for that unit and the New Contract Process will need to be completed again.

If the emergency fail deficiency is not corrected in the time period required by the Housing Authority, and the family is responsible, the Housing Authority will terminate the family's assistance for violating family obligations (see Chapter 15: Family Obligations), but will not abate the payment to owner for that month.

10.9.2 Non-Emergency Fail Deficiencies

Non-emergency deficiencies that cause a unit to fail the inspection must be corrected within 30 calendar-days. The family and owner will be notified of the failed items in writing and must make the appropriate corrections. The family and owner must then notify the Housing Authority so that a follow-up inspection can be scheduled.

If the necessary repairs have been completed prior to the next scheduled inspection, the owner or tenant may request an earlier inspection date. Requests for earlier repair dates will be reviewed and accommodated in a case-by-case basis.

For major repairs, the Inspections Housing Unit Supervisor or Manager may approve an extension beyond 30 calendar days. However, this extension cannot exceed 60 calendar days.

If the family is not at home for the follow-up inspection appointment, a card will be left at the unit with instructions. A second follow-up inspection will be scheduled automatically and the owner and family will be notified by mail.

If owner-caused deficiencies are not corrected in the time period required by the Housing Authority, housing assistance payments will be abated and the contract may be terminated. If family-caused deficiencies are not corrected in the time period required by the Housing Authority, housing assistance may be terminated. See Sections 10.10 and 10.11 below for more information.

10.9.3 Non-Emergency Fail Deficiencies Not Requiring Follow-up Inspection

The following deficiencies will not require a follow-up inspection if cleared by proper owner certification:

- Inoperable gas wall or floor heater
- Damaged (not missing) outlet covers
- Inoperable secondary smoke detectors
- Presence of vermin/roaches (not infestation)
- Minor faucet and/or plumbing leaks

These deficiencies must be cleared by a certification signed by owner and participant. Appropriate third-party documentation must also be supplied where appropriate, including a utility receipt, invoice, or Gas Company tag. If the certification is not approved by a supervisor, a follow-up inspection must be performed.

10.10 CONSEQUENCES OF VERIFIED FAMILY-CAUSED DEFICIENCIES **[24 CFR §982.552(a)]**

The family has a responsibility to maintain the assisted unit in good condition and to notify the owner of needed repairs. If non-emergency violations of HQS are determined to be the responsibility of the family, the Housing Authority will require the family to make any repair(s) or corrections within the 30 calendar-day cycle. Housing assistance will be terminated if an assisted unit continues to fail housing inspections for family-caused deficiencies or the family fails to keep scheduled appointment(s). See Chapter 15 (Family Obligations) for more information.

Extensions will be granted on a case-by-case basis and must be approved by the Unit Supervisor. Extensions may be granted as a reasonable accommodation in accordance with sections 1.8.2 and 7.11.10.

If it has been concluded that all deficiencies are family-caused, the owner's rent will not be abated for such items.

10.11 CONSEQUENCES OF VERIFIED OWNER-RELATED DEFICIENCIES **[24 CFR §982.404(a), 24 CFR §982.452 and 24 CFR §982.453]**

The owner is responsible for maintaining the unit in accordance with HQS. When it has been determined that an assisted unit fails to meet HQS, the owner of that unit is responsible for completing the necessary repair(s) in the time period specified by the Housing Authority. If the owner fails to correct deficiencies within the specified time period, the Housing Authority is obligated to withhold (abate) housing assistance payments.

10.11.1 Abatement **[24 CFR §982.453(b) and 24 CFR §982.404(a)(3)]**

Abatement is defined as withholding Housing Assistance Payments (HAP) to the owner for the period of time the unit is out of compliance with HQS requirements.

HAP will be abated if:

1. The assisted unit fails the first and second housing inspections due to owner-related deficiencies.

If a unit fails the first inspection due to owner-related deficiencies, the notice sent to the owner stating the deficiencies, repairs that need to be made, and the date of the next inspection will also serve as notice that HAP will be abated if the unit fails a second inspection due to owner-related deficiencies.

If, after the 30-day correction period, the unit then fails the second inspection due to owner-related deficiencies, the Housing Authority will stop payment on the first day of the month following the expiration of the 30-day correction period.

The owner will be notified of the date of a final inspection. Under normal circumstances, the Housing Authority will inspect an abated unit within 30 calendar days after the abatement notification has been issued.

If the owner makes repairs during the abatement period, HAP payments will resume on the day the Housing Authority's inspector has verified the corrections and the unit passes inspection.

A 30-day calculation standard will be used to reconcile abatement payments. Please refer to memo dated 3/3/05.

No retroactive payments will be made to the owner for the period of time the rent was abated and the unit did not comply with HQS. The notice of abatement states that the family is not responsible for the Housing Authority's portion of rent that is abated. However, the family is responsible to pay its portion of the rent while abatement is in effect.

If an assisted unit fails the third and final housing inspection for owner-caused deficiencies, the Housing Authority will terminate the HAP Contract. The Housing Authority will notify the owner of the termination in writing 30 calendar days before it becomes effective. Abatement will remain in effect until the effective date of the termination.

The Housing Authority is prohibited from implementing rent abatement for family-caused deficiencies. However, abatement will apply if family-caused and owner-related deficiencies exist together.

2. The Housing Authority has verified that the assisted unit has emergency fail deficiencies, and the owner did not complete the necessary repairs within the required timeframe.

3. A unit built before 1978 that houses or will house a child under 6 years of age fails the lead-based paint visual assessment, and the owner fails to submit a complete, passing clearance report and certification within 30 calendar days. Owners will receive notice by mail if a unit fails the lead-based paint visual assessment. They will have 30 calendar days from the date of the notice to perform clearance and submit passing paperwork. If the owner fails to meet these requirements (see Section 10.4 for more information on lead-based paint), HAP will be abated and the Housing Authority will stop payment on the first day of the month following. The participant will be issued a voucher. The owner will have an

additional 60 calendar days to obtain and submit a valid Clearance Report before the HAP Contract is terminated.

Families that reside in units that have been abated will be issued a voucher and will have the option to move even if the assisted unit passes inspection at the third and final inspection (this excludes participants of the Moderate Rehabilitation Program).

10.11.2 Termination of Contract
[24 CFR §982.453(b)]

When the HAP Contract has been terminated, the family will be required to move in order to continue receiving rental assistance.

RTA submitted for units that have been terminated due to abatement will be reviewed on a case-by-case basis. In cases where the RTA is accepted, the family will be brought in for counseling on their situation.

10.12 QUALITY CONTROL INSPECTIONS
[24 CFR §982.405(b)]

To ensure efficient program operations, it is essential for management to apply sound quality control practices. The purpose of quality control inspections is to objectively ascertain that each inspector is conducting accurate and complete inspections, and to ensure that there is consistency among inspectors in application of HQS.

Quality control inspections will be performed by a Quality Assurance Representative according to SEMAP Indicator #5 which meets the minimum quality control sample size for the number of units under HAP contract during the last completed Housing Authority fiscal year for SEMAP.

CHAPTER 11: SETTING PAYMENT STANDARDS AND DETERMINING RENT REASONABLENESS

11.1 INTRODUCTION [24 CFR §982.503]

The Housing Authority is responsible for ensuring that the rents charged by owners are reasonable based upon objective comparables in the rental market. When the Housing Authority has determined that the unit meets the minimum HQS, that the lease is approvable, and that the rent is reasonable, it will make timely payments to the owner and notify the owner of the procedures for rent adjustments in the rental assistance programs. This chapter explains the Housing Authority's procedures for setting and adjusting the payment standards and performing rent reasonableness analysis.

11.2 PAYMENT STANDARDS FOR THE VOUCHER PROGRAM [24 CFR §982.503(b)(1)]

HUD regulations allow the Housing Authority to set Payment Standards at a level that is between 90 percent and 110 percent of the Fair Market Rent for Los Angeles County. The Housing Authority must set the payment standard at a level that is high enough to ensure that families are able to afford quality housing while also balancing the need to provide assistance to as many families on the waiting list as possible.

The Housing Authority will review the payment standards at least annually to determine whether an adjustment should be made for some or all unit sizes. The following provides a list of the factors that will be used to evaluate the adequacy of the payment standard and/or be used to make a determination to adjust standards, as appropriate.

As a reasonable accommodation, a family may request a higher payment standard. The Housing Authority may, at its discretion and in accordance with sections 1.8.5, approve a higher payment standard to 110% of the prevailing Fair Market Rent (FMR). In accordance with section 1.8.6, if the payment standard requested is between 111% and 120% of the FMR, the Housing Authority will submit a request to the local HUD office to approve the higher payment standard. If the requested payment standard is over 120% of the FMR, the request must be submitted to HUD Headquarters in Washington D.C. for final approval. Under these circumstances the Housing Authority may not approve the reasonable accommodation until it is approved by HUD.

11.2.1 Assisted Families' Rent Burdens

The Housing Authority will review reports showing the percent of income used for rent by voucher families to determine the extent to which the rent burden is more than 50 percent of income.

If more than 40 percent of program families in the overall program, or for a specific unit size, are contributing in excess of 50 percent of their adjusted

monthly income towards rent, the Housing Authority will consider increasing the voucher payment standards. The payment standard will not be raised if:

- The payment is already at the maximum level HUD will allow (110%).
- The Housing Authority would have to reduce the number of new admissions by 20 percent or more for the upcoming year in order to fund the increase.

11.2.2 Success Rate of Voucher Holders

The Housing Authority will periodically review the success rate of voucher holders. If 25 percent or more of new admissions and/or families wishing to move are unable to use the vouchers due to current rental rates in Los Angeles County, the Housing Authority will consider increasing the payment standard for particular unit sizes and/or the entire program, as appropriate.

The payment standard will not be increased if:

- The payment is already at the maximum HUD will allow (110%)
- The Housing Authority would have to reduce the number of new admissions by 20 percent or more for the upcoming year in order to fund the increase

11.2.3 Rent Reasonableness Database

The Housing Authority will review the rent information in the rent reasonableness data bank and compare it to the payment standards established for the Housing Choice Voucher Program. If the rent reasonableness review indicated that the payment standards are higher than the average rental unit in Los Angeles County, the payment standard for the specific unit size, or all payment standards, will be lowered to reflect the current market rents.

11.2.4 Quality of Units Selected

The Housing Authority will review the quality of units selected by participant families before determining any change to the Payment Standard to ensure that Payment Standard increases are only made when needed to reach the mid-range of the market.

11.2.5 File Documentation

A file will be retained in the Housing Authority's Administrative Support Unit for at least 3 years to document the analysis and findings to justify whether or not the Payment Standard was changed.

11.3 RENT REASONABLENESS DETERMINATIONS **[24 CFR §982.507]**

Rent reasonableness determinations are made when units are placed under HAP contract for the first time, when an owner requests a rent increase, and at the HAP contract anniversary if there is a 5 percent decrease in the published fair market rent (FMR) in effect 60 days before the HAP contract anniversary. The

Housing Authority will determine and document on a case-by-case basis that the approved rent [24 CFR §982.507(b) and §982.507 (c)]:

1. Does not exceed rents currently charged on new leases by the same owner for an equivalent unassisted unit in the same building or complex, and
2. Is reasonable in relation to current asking rents and existing rents charged by other owners for comparable units in the unassisted market.

The Housing Authority contracts with an outside agency to provide the Rent Comparable System, *RENTELLECT*. This system considers a variety of criteria to provide rent comparable information, including:

- Unit location
- Quality
- Size
- Type
- Age of the contract unit
- Amenities
- Housing services
- Maintenance; and
- Utilities provided by the landlord.

RENTELLECT applies a statistical methodology to calculate a predicted or probable market rent for the unit and a reasonable range of market rent. In cases where there are insufficient data records in a given area to establish comparables for a given unit, *RENTELLECT* groups and utilizes similar unit profiles from adjacent census tracts to determine a reasonable market range. The median amount is used, unless an exception is approved by a Division Manager.

11.3.1 Rent Determination for units with Low Income Housing Tax Credits (LIHTC) or HOME-funded subsidies

Rent reasonableness does not need to be determined when an owner's proposed rent for a LIHTC or HOME unit is at or below the rent for similarly assisted units, in the same building, not occupied by voucher holders. The proposed rent will be deemed reasonable.

The Housing Authority will not approve rents in LIHTC funded units that exceed the higher of the voucher payment standard, as set by the Housing Authority, and the maximum rents under the tax credit program.

For HOME-funded units, the Housing Authority will not approve rents higher than the maximum HOME program rent for that unit size and designated affordability level.

11.4 RENT INCREASES
[24 CFR §982.519]

The Housing Authority will process rent increases at the time of the participant's annual reexamination. As stated in the HUD Tenancy Addendum, the owner must notify the Housing Authority at least 60 days before the proposed effective date of the intended rent increase. The tenant must be notified in writing, and the written notice must be submitted to the Housing Authority.

As authorized by the HAP contract, the Housing Authority will not approve a rent increase if the HAP contract is in abatement for owner-related HQS deficiencies. In accordance with the HUD Tenancy Addendum, the Housing Authority will disapprove requests made during the initial term (first 12 months) of a lease.

The Housing Authority will use the same criteria defined above to determine if a request for a rent increase meets the rent comparability requirement. If the new rent is not rent comparable, the Housing Authority will advise both the owner and the family that the increase cannot be approved. If a partial rent increase can be approved, the Housing Authority will notify the owner, and process the partial increase upon owner approval.

An owner who disagrees with the determination may exercise any of the following options:

- Adjust his/her request for a rent increase.
- Serve the family with a proper termination notice.

CHAPTER 12: RE-EXAMINATION

12.1 INTRODUCTION **[24 CFR §982.516(a)]**

To assure that tenancy is restricted to participants meeting the eligibility requirements for continued occupancy and are charged appropriate rents; the eligibility status of each participant is re-examined at least annually, based on the anniversary date, per HUD requirements. The initial contract establishes the anniversary date for all new admissions. For continuing participants, the anniversary date established as of November 1, 2010 will remain unchanged.

The effective date of an annual reexamination may be no more than twelve months from the effective date of the previous year's annual reexamination, or the anniversary date of the HAP contract if within the first year of the contract.

12.1.1 Procedure

To maintain program efficiency and integrity, the Housing Authority at its own discretion may conduct re-examination interviews by mail or in-person. The Housing Authority will attempt to conduct all annual re-examinations interviews through the mail. Annual re-examinations not completed through the mail process will be conducted in person.

12.2 RE-EXAMINATION NOTIFICATION TO THE FAMILY

Participating families are advised of the annual re-examination requirement and the importance of reporting income and family composition changes as they occur during the initial re-examination.

12.2.1 Persons with Disabilities **[24 CFR §8.24(a)]**

Persons with disabilities who are unable to come in to the Housing Authority's office will be granted a reasonable accommodation of conducting the interview at the person's home or by mail, upon verification that the accommodation requested meets the need presented by the disability.

12.2.2 Requirements to Attend

If it is determined that a participant (family) will need to come to the Housing Authority's office then all adult household members 18 years and older will be required to attend the re-examination interview.

12.2.3 Failure to Respond

If a family fails to complete or return the required re-examination documents within the specified timeframe, the Housing Authority will schedule the family for a mandatory appointment. The appointment letter will provide the date and time of the appointment and a list of items that family will need to bring.

If the family fails to attend the appointment or fails to bring all the required information, the Housing Authority may proceed to propose termination of the family's assistance.

If the family is able to provide documentation of an emergency situation that prevented them from completing the required re-examination documents or attending the mandatory appointment, the Unit Supervisor at his/her own discretion may, on a case-by-case basis reschedule the appointment. The Housing Authority may also grant an exception to this policy as a reasonable accommodation.

12.2.4 Documents Required from the Family

The re-examination documents will include instructions and appropriate forms that need to be submitted to complete the re-examination. The required forms and documentation are the following:

1. Documentation of income for all family members;
2. Documentation of assets;
3. Documentation of medical or child care expenses;
4. Certified statement of family obligations;
5. Consent for Release of Information (signed by all household members over 18 years of age); and
6. Compliance Check/Home Visit form.

Verification of these documents will be conducted in accordance with Housing Authority procedures and guidelines described in this plan.

12.2.5 Tenant Rent Increases

If the tenant rent increases, a 30-day notice of increase in rent is mailed to the family before the anniversary date.

If less than 30 calendar days are remaining before the anniversary date, the new tenant rent will be effective on the first of the month following the 30-day notice, but the reexamination will be effective no more than 12 months from the effective date of the last annual reexamination. If the Housing Authority was unable to process the re-examination on a timely basis due to the family's failure to provide re-examination documents, then the rent increase will be effective retroactive to the appropriate anniversary date.

If the family causes a delay in the re-examination processing, there will be a retroactive increase in rent to the anniversary date. In this particular case, the owner will receive a retroactive HAP payment and every effort will be made to recover lost rent from the tenant.

12.2.6 Tenant Rent Decreases

If the tenant rent decreases, it will be effective on the anniversary date.

Changes in family income or composition reported during an annual reexamination that result in a decrease of tenant rent will be processed as an interim reexamination in accordance with sections 12.3 and 12.3.1.

12.3 INTERIM RE-EXAMINATION

[24 CFR §982.516(b)(3)]

No TTP adjustments will be affected between dates of periodic re-examination or pre-scheduled re-examinations except as noted below:

Tenants are required to submit information affecting eligibility income at all re-examinations. Additionally, tenants are required to report the following changes in family circumstances:

1. Changes in family composition, including loss or addition of one or more family members through death, divorce, birth, or adoption [24 CFR §982.516(c)], and
2. Decreases in income received by the family

A family is required to report these changes to the Housing Authority within 30 calendar days after the change has occurred. The Housing Authority will verify all reported information that will result in an interim reexamination. No action will be taken if a family reports changes it is not required to report.

If, during the course of an interim reexamination conducted for a reported decrease in income, it is discovered that a family member is no longer eligible for an allowance (i.e. a minor has turned 18 and is no longer a full-time student), the case worker will determine how the loss of allowance will affect the TTP. If the loss of allowance results in an increase to the TTP, even though the family's income has decreased, the Housing Authority will not complete the interim reexamination unless requested by the family to do so.

If, during the course of an interim reexamination conducted for a reported change in family composition, it is discovered that a family member is no longer eligible for an allowance, the Housing Authority will continue to process the interim reexamination regardless of the affect on the TTP.

The U.S. citizenship/eligible immigrant status of additional family members must be declared and verified as required at the first interim or regular re-examination after moving into the unit. See Section 7.10.7 (Verification of Citizenship/Eligible Immigration Status) for details.

12.3.1 Interim Changes in Income

- **Decreases**: If the information provided results in a decrease in tenant rent, a modification to the HAP Contract is executed to be effective the first of the month following the month in which the required documentation is supplied by the participant.
- **Increases**: If the information provided results in an increase in tenant rent, the Housing Authority will not conduct an interim reexamination, unless specifically requested by the family to do so. This policy does not apply to reported changes in family composition. All income for a new family member

will be counted and used to calculate the family's TTP. If this information results in an increase in tenant rent, the family will be given a 30-day notice before the new rent amount is effective.

- **No Action:** The Housing Authority will not process an interim reexamination if the family reports a loss of welfare benefits due to fraud, failure to participate in economic self-sufficiency programs, or noncompliance with a work activities requirement.
- **Social Security Overpayments:** If the family has experienced a decrease in Social Security or SSI income due to an overpayment, the Housing Authority will calculate income based on the net amount only for the specific period of the decrease. Once the overpayment period is over, the Housing Authority will process an interim reexamination using the gross amount of Social Security or SSI.

12.4 SPECIAL ADJUSTMENTS

If, at the time of re-examination, a family is clearly of low-income, and it is not possible to make an estimate of the family's income for the next 12-month period, a special re-examination will be scheduled to accommodate the family's circumstances. This includes cases where:

1. A tenant is unemployed and there are no anticipated prospects of employment, or
2. The conditions of employment and/or receipt of income are too unstable to validate usual and normal standards for determination. An interim re-examination will be scheduled for families with zero or unstable income every 3 months.

Families whose past employment has been sporadic or who are on welfare, become employed, then are unemployed, or are self-employed, will not be given special re-examination. If such an income pattern has been established and is expected to continue, then a reasonable 12-month estimate of the income may be based upon past income and present rate of income.

Furthermore, special re-examinations must be clearly set for a definite time to assure compliance.

12.5 CHANGES IN FAMILY COMPOSITION **[24 CFR §982.516(c) and 24 CFR §982.551(h)(2)]**

The composition of the assisted family residing in the unit must be approved by the Housing Authority. An interim re-examination will be conducted for any changes in family composition.

The Housing Authority may verify changes in family composition as detailed in Section 7.10.5.

12.5.1 Allowable Family Additions **[24 CFR §982.551(h)(2)]**

Allowable family additions are the following:

1. Addition due to birth, adoption or court awarded custody.
 - Must be reported to the Housing Authority, in writing, within 30 calendar days of the occurrence. Families should notify the owner and comply with any lease requirements to obtain owner approval.
2. Other allowable persons:
 - Addition of marriage/or marital type relation (i.e., couples that certify that they intend to live in the same principal residence indefinitely and/ or register in California as domestic partners) and any minor children of that individual;
 - Addition of a minor who is a child of the head of household, co-head, spouse or marital-type partner, who have been living elsewhere;
 - Addition of a minor if a social service agency, such as the Department of Children and Family Services (DCFS) or the Department of Public and Social Services (DPSS), previously approved the addition;
 - Addition of a Housing Authority-approved live-in aide;
 - Addition of an adult child due to recent discharge from the military;
 - Addition of a disabled adult who requires disability-related care.

The family must request approval from the owner and the Housing Authority before the person is added. Anyone who moves into the unit without written owner and Housing Authority approval is considered an unauthorized person.

As part of the approval process, the Housing Authority conducts a criminal background check, and may also conduct a credit review, on all new potential family members, 18 years of age and older. Criminal records will only be used to screen new household members. They will not be used for lease enforcement or eviction of residents already receiving tenant-based rental assistance.

If an approved change requires a larger size unit due to overcrowding, the change in voucher size will be made effective immediately (see Chapter 5). The Housing Authority will determine the assistance, based on funding availability.

12.5.2 Decreases in Family Size

When a family member leaves the household, the absence must be reported to the Housing Authority, in writing, within 30 calendar days of the occurrence, as detailed in Section 6.8.9 (Reporting Absences to the Housing Authority). The change in family composition may impact the voucher size, as explained in Chapter 5 (Subsidy Standards).

If a decrease in family size results in a decrease of the voucher size, the Housing Authority may exercise the option to downsize the family's voucher to the appropriate size at the family's next annual review following the reduction in household size.

The Housing Authority may make an exception as a reasonable accommodation for a person with a disability.

12.6 CONTINUATION OF ASSISTANCE FOR “MIXED” FAMILIES
[24 CFR §5.504(b)]

Families that include at least one citizen or eligible immigrant, and any number of ineligible members, are considered “mixed” families.

“Mixed” families that were participants on or before June 19, 1995, shall continue full assistance if they meet the following criteria:

1. The head of household, co-head, or spouse is a U.S. citizen or has eligible immigrant status, **and**
2. All members of the family other than head, co-head, spouse, parents of head, parents of co-head, parents of spouse, children of head, co-head, or spouse are citizens or eligible immigrants. The family may change the head of household designation to another adult member of the family to qualify under this provision.

If they do not qualify for continued assistance, the member(s) that cause the family to be ineligible for continued assistance may move, or the family may choose prorated assistance.

CHAPTER 13: ALLOWABLE MOVES/PORTABILITY

13.1 INTRODUCTION

This chapter defines the procedures, restrictions and limitations for moving, for new applicants and current participants.

As stated in HUD regulations, eligible families participating in the Housing Choice Voucher Program have the right to receive tenant-based voucher assistance anywhere in the United States, in the jurisdiction of a public housing agency (PHA) administering a Housing Choice Voucher program. This program feature is called “portability.” This chapter includes the Housing Authority’s procedures for new applicants and current participants that “port out” of the Housing Authority’s jurisdiction.

Additionally, this chapter specifies the Housing Authority’s policies for receiving “incoming ports” from other public housing agencies.

The option of portability does not apply to families assisted under the Moderate Rehabilitation Program.

13.2 ALLOWABLE MOVES AND RESTRICTIONS

13.2.1 Restrictions on Moves

The Housing Authority may deny families permission to move if:

- There is insufficient funding for continued assistance;
- The family has violated a family obligation;
- The family is in the initial term of the lease (see 13.2.4 for exceptions);
- The family has already moved within the one-year period;
- The family owes money to this Housing Authority or another PHA. See Section 17.2 (Repayment Agreements for Families) for more information on allowable moves for families with repayment agreements; or
- There is insufficient funding to support a move with continued assistance.

In the event of insufficient funding, the Housing Authority may only deny a move to a higher cost area if the Housing Authority would not be unable to avoid termination of housing choice voucher assistance for current participants during the calendar year in order to remain within budgetary allocation (including any available HAP reserve). If the receiving PHA is willing to absorb the voucher, the Housing Authority may not deny the move to the higher cost area due to insufficient funding.

13.2.2 Allowable Moves for New Applicants**[24 CFR §982.353]**

A family who lives and/or works in the Housing Authority's jurisdiction at the time they are admitted to the Housing Choice Voucher Program may choose, as their initial housing:

- To remain in their current unit (this is referred to as leasing-in-place);
- A unit anywhere within this Housing Authority's jurisdiction; or
- A unit outside of this Housing Authority's jurisdiction. For more information, see the Outgoing Portability section of this chapter.

A family who does not live or work in this Housing Authority's jurisdiction at the time they are admitted to the Housing Choice Voucher Program must initially locate a unit within this Housing Authority's jurisdiction in order to receive assistance. The family does not have any right to portability until they have resided in this Housing Authority's jurisdiction for at least 12 months [24 CFR §982.353(c)].

- Under limited conditions, the Housing Authority may waive this requirement. Examples of situations that may warrant an exception to this rule include life-threatening situations or as a reasonable accommodation. However, in all cases both the Housing Authority and the receiving jurisdiction must agree to allow the move. If the receiving public housing agency does not agree, the Housing Authority will not approve a transfer [24 CFR §982.353(c)(3)].

13.2.3 Allowable Moves for Current Participants**[24 CFR §982.314]**

A family that initially receives assistance for a unit leased in this Housing Authority's jurisdiction may request to move to another unit and receive continued assistance. Families in good standing may move with continued assistance if:

1. The assisted lease for the old unit has ended because the Housing Authority has terminated the HAP contract for owner breach [24 CFR §982.314(b)(1)(i)];
2. The lease was terminated by mutual agreement of the owner and the family [24 CFR §982.314(b)(1)(ii)]. The Housing Authority must receive a copy of this notice. The Housing Authority will not approve the mutual lease termination during the first year of the lease;
3. The owner has given the family a notice to vacate for reasons other than a lease violation [24 CFR §982.314(b)(2)]. The Housing Authority must receive a copy of this notice; or
4. The family has given proper written notice of lease termination after the initial lease term and in accordance with State law. This generally requires a 30-day notice. The Housing Authority must receive a copy of this notice.

A family is considered to be in good standing if they have not violated the terms of the lease, any program regulations and do not owe any money to this Housing Authority or another public housing agency.

Families that are eligible to move with continued assistance may choose to move to a unit that is:

- **Within this Housing Authority's jurisdiction.** This type of a move is called a "reserve vacate." This means that the family is moving from a unit, which could result in a temporary vacancy in the program until another unit is secured; however, the slot remains reserved for the family until the time they lease another unit.
- **Outside Housing Authority's jurisdiction.** See the Outgoing Portability section of this chapter for more information.

13.2.4 Restrictions on Moves During the Initial Lease **[24 CFR §982.314(c) and §982.314(e)]**

Generally, families will not be permitted to move during the initial lease (12 months), or more than once in any 12-month period except as noted below:

1. **Life-Threatening Situations** (witness to or victim of a crime, victims of domestic violence, dating violence, and stalking; HQS emergency items, natural disaster, unsafe environment, etc.)
2. **Reasonable Accommodation:** A family may request to move to accommodate a disability. The Housing Authority may approve the move as a reasonable accommodation and grant the request to move. However, the owner of the property must agree to release the tenant from the lease.

13.3 PROCEDURES FOR MOVES FOR CURRENT PARTICIPANTS **[24 CFR §982.314(d)]**

Eligible families who wish to move must first provide the Housing Authority a written request for a voucher or a copy of the lease termination notice provided to the owner. Once the Housing Authority has received either the request for a voucher or a copy of the lease termination notice, the family will be issued a new voucher. If the reexamination is current (within 12 months) the Housing Authority will not conduct a reexamination before issuing the voucher unless there are reported changes to income or the family composition that would require an interim reexamination. At the same time the voucher is issued, the family will receive a Request for Tenancy Approval (RTA). The family should begin looking for housing immediately in order to ensure a smooth transition to the new unit.

Requests to move for families wishing to port to another jurisdiction must be submitted in writing.

To initiate the lease termination, the family must send a written notice to the owner and the Housing Authority no less than 30 calendar days before the vacate date. No RTA or request to transfer (port) will be processed without the proper notice to move.

13.4 OUTGOING PORTABILITY PROCEDURES **[24 CFR §982.355(c)]**

Both new applicants and current participant families must first identify the new jurisdiction where they will be moving. Once the Housing Authority has received this information, the Housing Authority will:

1. Notify the receiving public housing agency (PHA) that the family wishes to relocate into its jurisdiction [24 CFR §982.355(c)(3)];
2. Advise the family how to contact and request assistance from the receiving PHA [24 CFR §982.355(c)(2)]; and
3. Provide the following documents and information to the receiving PHA [24 CFR §982.355(c)(4)]:
 - A copy of the family's voucher, with issue and expiration dates, formally acknowledging the family's ability to move under portability.
 - The most recent HUD 50058 form and verifications.
 - The Family Portability form (HUD-52665).

New applicant families will be subject to the income eligibility requirements of the jurisdiction in which they will be receiving assistance [24 CFR §982.353(d)].

13.4.1 Briefing for Families Wishing to Exercise Portability

Since families wishing to move to another jurisdiction must understand that the policies and procedures of the receiving PHA prevail, the Housing Authority will provide counseling for those families who express an interest in portability. This will include a discussion of difference in payment standards, subsidy standards, and income limits, if applicable.

13.4.2 Payment to the Receiving PHA **[24 CFR §982.355(d) and §982.355(e)]**

If the receiving PHA chooses to administer and bill assistance on the Housing Authority's behalf, the Housing Authority will reimburse the receiving PHA for costs associated with administering the voucher, as specified in HUD regulations.

The receiving PHA must submit to the Housing Authority the initial billing no later than 60 days following the expiration date of the family voucher issued or within 10 days of an executed contract.

The Housing Authority will ensure that the receiving PHA receives all subsequent monthly payments no later than the fifth working day of each month.

13.5 INCOMING PORTABILITY PROCEDURES **[24 CFR §982.355]**

Eligible participants in the Housing Choice Voucher Program in other public housing agencies may be assisted in the Housing Authority's jurisdiction.

For a family to port in to the Housing Authority's jurisdiction, the Housing Authority must receive, from the initial PHA:

- The Family Portability form (HUD-52665) with Part I completed.
- A copy of the family's voucher with a valid expiration date.
- The most recent HUD 50058 form and required income verifications supporting the form.

13.5.1 Policies on Absorption and Administration
[24 CFR §982.355(d) and §982.355(e)]

For incoming ports, the Housing Authority may, if funding permits, accept a family with a valid voucher from another jurisdiction and absorb the voucher. The Housing Authority may also exercise the option to administer the initial public housing agency's voucher and bill the initial PHA as authorized in the regulations.

If the Housing Authority chooses to administer:

- An initial billing will be submitted to the initial PHA within 10 days of an executed contract to ensure timely receipt of payment, but no later than 60 days following the expiration date of the family voucher issued by the initial PHA.
- The Housing Authority's policy on tolling in Section 8.7.2 of this Plan will not apply.
- The Housing Authority will not extend the term of the voucher unless there is enough time to process the new contract and meet the billing deadline or unless the initial PHA extends the family's voucher. The Housing Authority will notify the initial PHA if such an extension is granted [24 CFR §982.355(c)(6)].

All subsequent monthly billing payments are to be received by the Housing Authority no later than the fifth working day of each month.

If the Housing Authority chooses to absorb, the Housing Authority may apply its policies on voucher tolling and extensions as stated in Sections 8.7.2 and 8.7.3 of this Plan.

13.5.2 Income and Total Tenant Payment Review
[24 CFR §982.355(c)]

The Housing Authority will conduct an initial review of all incoming port families. The Housing Authority will:

- Conduct criminal background and registered sex offender registration checks of family members (see Section 13.5.3 below).
- Verify identifying documents, family income and composition.
- As necessary, the Housing Authority will change the bedroom size of a family's voucher to comply with the Housing Authority's subsidy standards. If this occurs, the family will be notified in writing of the change.

- If family income documents are missing or there has been a change in the family's circumstances, the Housing Authority may re-determine the family's TTP.
- For incoming port families who have not yet leased a unit under the Housing Choice Voucher Program (initial applicants), the Housing Authority must verify that the family meets the Housing Authority's income limits.

If a re-determination is necessary, the Housing Authority will not delay issuing the family a voucher or otherwise delay approval of a unit unless the re-determination reveals that the family is not eligible for assistance in the Housing Authority's jurisdiction. In such cases, the family will be referred to the initial PHA for further assistance [24 CFR §982.355(c)(4)].

In general, all families porting into the Housing Authority's jurisdiction will be issued a Housing Authority voucher. The term of the voucher may not expire before the expiration date noted on the voucher issued by the initial public housing agency. The Housing Authority will determine whether to extend the voucher term, if necessary, based on the Housing Authority's policy in Section 13.5.1 of this Plan.

If a family that has ported into the Housing Authority's jurisdiction is unable to locate a unit within the allotted time authorized on the voucher, the Housing Authority will notify the issuing PHA that the voucher did not result in a HAP contract.

Approval of any unit is subject to rent reasonableness and a passed inspection [24 CFR §982.401(a)(3)].

13.5.3 Criminal Background Checks for Incoming Portability **[24 CFR §982.355(c)(9) – (10) and PIH Notice 2004-12]**

5. The Housing Authority will conduct criminal background and sex offender registration checks for all incoming portability families. To establish eligibility under section 2.8.1 of this Plan, the Housing Authority will review criminal history within three years from the date a Request to Transfer is received from the originating PHA.

While criminal background and sex offender registration checks are conducted, the Housing Authority will not delay issuing the family a voucher but will take subsequent necessary action, including up to termination of a family's assistance (see Section 2.8 for details on screening).

The Housing Authority will take the following steps to minimize the number of terminations for families that are porting into its jurisdiction:

- At voucher issuance, families will be informed of the Housing Authority's criminal background policies and that they will undergo a background check. The family will be offered an opportunity to return to their originating PHA.
- If it is determined before a contract is effective that a family member is unsuitable due to a criminal background check the family will be given the

options of returning to the originating PHA or excluding the culpable family member.

- If it is determined after a contract is effective that a family member is unsuitable and the Housing Authority is billing the originating PHA, the family will have the option of returning to the originating PHA or exclude the culpable household member.
- If it is determined after the contract is effective that a family member is unsuitable and the Housing Authority has absorbed the contract, the family will only have the option of excluding the culpable household member and will not be allowed to return to the originating PHA.

The contract will be terminated if it has been absorbed and if the family chooses not to exclude the culpable household member or there are no other adult eligible household members.

13.5.4 Terminations

In cases where the Housing Authority is administering a contract on behalf of another PHA, the Housing Authority will notify the initial PHA in writing of any termination of assistance within 30 calendar days of the termination.

13.5.5 Informal Hearings/Reviews **[24 CFR §982.555]**

If an informal hearing is required and requested by the family, the Housing Authority will conduct the hearing only if the participant has been assisted within the Housing Authority's jurisdiction. Such hearings will be conducted using the regular hearing procedures included in this plan. Families who have not yet received assistance in the Housing Authority's jurisdiction are eligible for informal reviews, as detailed elsewhere in this administrative plan.

The initial PHA will be responsible for collecting amounts owed to that public housing agency by the family for claims paid and for monitoring repayment. If the initial PHA notifies the Housing Authority that the family is in arrears or the family has refused to sign a Repayment Agreement, the Housing Authority will terminate assistance to the family.

CHAPTER 14: CONTRACT TERMINATIONS

14.1 INTRODUCTION

The chapter identifies the key documents/contracts that set forth the responsibilities of each party involved in the rental assistance relationship and outlines the policies and procedures under which these contracts can be terminated.

14.2 DESCRIPTION OF DOCUMENTS

There are three parties involved in the rental relationship: the assisted family, the owner and the Housing Authority.

The rights and responsibilities of the assisted family are defined in the voucher or certificate and the Certified Statement of Family Obligations. A copy of the voucher or certificate is provided to the family at admission and each time a new voucher is issued. The family signs the Certified Statement of Family Obligations annually.

The relationship between the family and the owner is outlined in the rental lease. Generally, the term of the lease is for one year. Although the Housing Authority is not a part of the lease, HUD regulations allow public housing agencies to act against the family for serious or repeated violations of the lease.

The terms of the relationship between the owner and the Housing Authority are outlined in the Housing Assistance Payments (HAP) contract. The term of the HAP contract is the same as the term of the lease.

14.3 TERMINATION OF THE LEASE BY THE FAMILY: MOVES **[24 CFR §982.309(c)]**

For continued tenant assistance, the family cannot terminate the lease until after a one-year period or the initial term of the lease, except for material breach of the lease by the owner, cases of foreclosure, or life threatening situations (as defined in Chapter 13). The lease determines the notice period for termination to the owner. Most leases require, at minimum, a 30-day notification. However, the Housing Authority recommends that families provide a minimum of a 60-day notice in order to allow enough time for a smooth transition of assistance from the old unit to the new unit. To initiate the lease termination, the family must send a written notice to the owner and the Housing Authority no less than 30 calendar days before the vacate date.

14.4 TERMINATION OF THE LEASE BY THE OWNER: DOMESTIC ABUSE

An owner or manager may bifurcate (separate) a lease in order to evict, remove, or terminate assistance to any individual who is a tenant or lawful occupant and who engages in criminal acts of physical violence against family members or others, without evicting, removing, or terminating assistance, or otherwise penalizing the victim of such violence which is also a tenant or lawful occupant.

14.4.1 Terminating the Lease During the Initial Term of the Lease**[24 CFR §982.310(a)]**

During the term of the lease, the owner may not terminate the tenancy except for good cause, which includes serious or repeated violations of the lease and/or violations of federal, state or local law that imposes obligations on the family in connection with the use of the unit.

Under such conditions, the owner must provide both the family and the Housing Authority with a copy of any notice to move or eviction action. An eviction action is defined as a notice to vacate, or a complaint, or other initial pleading used under State or local law to commence an eviction action. Any eviction notice served to a family must specify the grounds for the termination of the tenancy.

An owner may commence termination of a tenancy for good cause by serving a legal notice of termination on the family for the following reasons:

1. Serious or repeated violation of the terms and conditions of the lease [24 CFR §982.310(a)(1)];
2. Violation of federal, state or local law that imposes obligations on the tenant in connection with the occupancy or use of the premises [24 CFR §982.310(a)(2)]; and
3. Other good cause, [24 CFR §982.310(a)(3)] including:
 - Criminal activity by the tenant, any member of the household, a guest or another person under the tenant's control that threatens the health, safety or right to peaceful enjoyment of the premises by the other residents, or persons residing in the immediate vicinity of the premises [24 CFR §982.310(d)];
 - Any drug-related criminal activity on or near the premises; or
 - Tenant disturbance of neighbors, destruction of property, or behavior resulting in damage to the premises.

14.4.2 Terminating the Lease After the Initial Term of the Lease

After the initial term of the lease, the owner may terminate the lease for other good cause. Examples of other good cause include:

- Business or economic reason for regaining possession of the unit;
- Owner's desire to repossess the unit for personal or family use or for a purpose other than residential property;

When terminating the lease for business or economic reasons, the owner is required to provide a 90-day notice to both the family and the Housing Authority.

14.4.3 Requests for Criminal Records by Project-Based Section 8 Owners**[24 CFR §5.903(d)(3)]**

Project-based Section 8 owners (excludes housing choice voucher owners), that have contracts with the Housing Authority, may request that the Housing Authority obtain criminal records, on their behalf, for the purpose of eviction or

lease enforcement. The Housing Authority will, however, charge a fee in order to cover costs associated with the review of criminal records.

Project-based owners must submit the following items in order for the Housing Authority to process criminal records. Owner requests must include:

1. A copy of a signed consent form from each adult household members, age 18 years and older. Included in the consent form must be a legible name, the date of birth, a California Identification Number, and a Social Security number. This information will be used for the sole purpose of distinguishing persons with similar names or birth dates.
2. An owner's criteria or standards for evicting drug criminals in accordance with HUD regulations (§ 5.857 of 24 CFR Parts 5 et al.); or criteria for evicting other criminals (§ 5.858 of 24 CFR Parts 5 et al.); or criteria for lease enforcement.

Once the Housing Authority obtains the criminal records, a determination will be made as to whether a criminal act, as shown by a criminal record, can be used as a basis for eviction or lease enforcement. The Housing Authority will base its determination in accordance with HUD regulations and the owner criteria.

It is important to note that the Housing Authority will not disclose the participant's criminal conviction record, nor the content of that record to the owner unless the owner is proceeding with a judicial eviction process. In the case of a judicial eviction, the owner must provide the Housing Authority with a certification that the criminal records are necessary to proceed with the eviction.

14.5 MUTUAL TERMINATION OF THE LEASE

In cases where the owner and the family agree to terminate the lease, both parties have an obligation to notify the Housing Authority in writing at least 30 calendar days in advance of the vacate date in order that Housing Authority may avoid overpayment to the owner. A mutual termination of the lease will not be accepted if it is within a one-year period of the participant's last move or within the initial term of the lease.

14.6 TERMINATION OF THE HAP CONTRACT BY HOUSING AUTHORITY **[24 CFR §982.453 – §982.454]**

The Housing Authority will terminate the HAP contract as follows:

1. When the Housing Authority terminates program assistance for the family.
2. When the owner has breached the HAP contract.

Any of the following actions will be considered a breach of the HAP contract by the owner:

- The owner has violated any obligation under the HAP contract for the dwelling unit, including the owner's obligation to maintain the unit according to housing quality standards, including any standards the Housing Authority has adopted in this policy [24 CFR §982.453(a)(1)].

- The owner has violated any obligation under any other HAP contract under Section 8 of the 1937 Act (42 U.S.C. 1437f) [24 CFR §982.453(a)(2)].
 - The owner has committed fraud, bribery or any other corrupt or criminal act in connection with any federal housing program [24 CFR §982.453(a)(3)].
 - The owner has failed to comply with regulations, the mortgage or note, or the regulatory agreement for projects with mortgages insured by HUD or loans made by HUD [24 CFR §982.453(a)(4)].
 - The owner has engaged in drug-related criminal activity [24 CFR §982.453(a)(5)].
 - The owner has committed any violent criminal activity [24 CFR §982.453(a)(6)].
3. If the family is required to move from a unit which is overcrowded based on the Housing Authority's current subsidy standards [24 CFR §982.403(a)].
4. If funding is no longer available under the ACC [24 CFR §982.454].
- Before terminating HAP contracts on the basis of insufficient funding, the Housing Authority is required to ensure that the determination of insufficient funding is documented. The Housing Authority will consider funding insufficient if it is determined that the projected year-end subsidy falls short of the authorized budget amount.
 - The Housing Authority will determine the number of families that must be terminated, and will present the Board of Commissioners with a recommended method for terminating HAP contracts. Following Board of Commissioner and HUD notification, the Housing Authority will terminate HAP contracts.
 - Contracts of elderly and disabled families will not be subject to termination.
 - Terminated families will be placed on the waiting list and will receive a preference for assistance from the waiting list.

The Housing Authority may terminate the HAP contract if the owner has violated any obligation under any other HAP contract under Section 8 of the 1937 Act (42 U.S.C. 1437f) [24 CFR §982.453(a)(2)]. The Housing Authority will consider the following list of factors in determining whether to terminate the HAP contract for a violation of another HAP contract:

- The nature of the breach
- The location of the other units under contract compared to the subject unit
- The impacts on participants in other the units

Additionally, an owner who breaches a HAP contract may be disapproved to participate in Housing Authority programs, as detailed in Section 9.11 (Owner Disapproval). The Housing Authority's rights and remedies against the owner under the HAP contract include recovery of overpayments, abatement or other

reduction of housing assistance payments, termination of housing assistance payments, and termination of the HAP contracts.

Request for reasonable accommodations relating to termination of HAP contracts will be reviewed on a case-by-case basis.

14.7 HAP PAYMENTS AND CONTRACT TERMINATIONS
[24 CFR §982.311]

When a HAP contract terminates, the Housing Authority will make payments in accordance with the HAP contract and depending on the reason for the contract termination.

In cases involving a tenant notice to move or a mutual termination, not involving an eviction action, the Housing Authority will pay the owner for the entire last month that the family was in the unit regardless of the actual day of the month that the family moved out. The Housing Authority may also pay HAP on behalf of the family for the new unit in the same month. However, while the Housing Authority can pay a subsidy for two units in a given month under these conditions, the family may only have physical possession of one unit at a time. A family will be considered to have physical possession of a unit if they still have belongings in the unit and the key to the unit. Under such cases, the family will be required to pay the full rent for one of the units in its possession and the family's portion for the other unit [24 CFR §982.311(d)].

In cases involving evictions, the Housing Authority will continue to pay the HAP until the day the family moves out or is evicted [24 CFR §982.311(b)].

In cases involving termination of assistance due to insufficient funding, families will receive a minimum of 30 days notice of termination of assistance.

In cases involving termination of assistance for reasons other than insufficient funding, the Housing Authority will notify the owner and the family of the proposed termination date. If the family does not request a hearing or the hearing is decided in the Housing Authority's favor, the HAP payments will terminate in accordance with the notification. If a family continues to occupy the unit after assistance is terminated, the family is responsible for the total amount of rent due to the owner.

If HAP payments are released to the owner for periods of time beyond the dates set forth above, the owner will be required to return all monies to the Housing Authority within 30 calendar days or within the time specified in any approved repayment agreement. The Housing Authority also reserves the right to deduct any monies from other HAP payments being made to the owner by the Housing Authority. If the owner fails to repay the HAP, the account will be forwarded for further action.

CHAPTER 15: FAMILY OBLIGATIONS

15.1 INTRODUCTION **[24 CFR §982.552(a)]**

The Housing Authority may terminate assistance for a family because of the family's action or failure to act. The Housing Authority will provide families with a written description of the family obligations under the program, the grounds under which the Housing Authority can terminate assistance, and the Housing Authority's informal hearing procedures. This chapter describes when the Housing Authority is required to terminate assistance, and the Housing Authority's policies for the termination of assistance.

15.2 SPECIAL CIRCUMSTANCE TERMINATIONS **[24 CFR §982.552(c)(2)(iv)]**

The Housing Authority will not terminate assistance of a participant based solely upon incidences of domestic violence, dating violence, sexual assault, or stalking.

If termination is based upon behavior resulting from a disability, the Housing Authority will delay the termination in order to determine if there is a reasonable accommodation, pursuant to law, that would cure the grounds for the termination.

15.2.1 Form of Termination

Termination of assistance for a participant may include any or all of the following [24 CFR §982.552(a)(3)]:

1. Refusal to enter into a HAP contract or approve a lease
2. Termination of HAP under an outstanding HAP contract
3. Refusal to process or provide assistance under portability procedures

15.2.2 Mandatory Termination

The Housing Authority must terminate assistance for participants under the following conditions:

1. If any member of the family fails to sign and submit to HUD or Housing Authority required consent forms for obtaining information [24 CFR §982.552(b)(3)].
2. If no member of the family is an U.S. citizen or eligible immigrant [24 CFR §982.552(b)(4)].
3. If 180 calendar days have elapsed since the Housing Authority's last housing assistance payment was made.
4. If any family member fails to meet the eligibility requirements concerning individuals enrolled at an institution of higher education as specified in Section 2.5 [24 CFR §5.612].

15.2.3 Grounds for Termination of Assistance**[24 CFR §982.552(c)(1)]**

The Housing Authority may at any time terminate program assistance to a participant, for any of the following reasons:

1. The family violates any family obligation under the program as listed in 24 CFR 982.551 [24 CFR §982.552(c)(1)(i)].
2. Any member of the family has ever engaged in serious lease violations while a resident of federally assisted housing or within the past 5 years has been evicted from a federally assisted housing program [24 CFR §982.552(c)(1)(ii)].
3. Any family member, their guest or invitee (covered person), engages in drug-related or violent criminal activity [24 CFR §982.553(a) and §982.551(k)-(l)].
4. The family currently owes rent or other amounts to the Housing Authority or to another housing agency in connection with Section 8 or public housing assistance under the 1937 Act [24 CFR §982.552(c)(1)(v)].
5. The family has not reimbursed the Housing Authority or any housing agency for amounts paid under a HAP contract to an owner for rent, damages to the unit, or other amounts owed by the family under the lease [24 CFR §982.552(c)(1)(vi)].
6. The family breaches an agreement with any housing agency to pay amounts owed to any housing agency, or amounts paid to an owner by any housing agency [24 CFR §982.552(c)(1)(vii)].
7. A family participating in the family self-sufficiency (FSS) program fails to comply, without good cause, with the family's FSS contract of participation (COP) [24 CFR §982.552(c)(1)(viii)].
8. The family has engaged in or threatened abusive or violent behavior toward Housing Authority personnel [24 CFR §982.552(c)(1)(ix)].
 - "Abusive or violent behavior" includes verbal as well as physical abuse or violence. Use of expletives that are generally considered insulting, racial epithets, or other language, written or oral, that is customarily used to insult or intimidate, may be cause for termination.
 - "Threatening" refers to oral or written threats or physical gestures that communicate intent to abuse or commit violence.
 - Actual physical abuse or violence will always be cause for termination.

15.2.4 Welfare to Work Program**[24 CFR §982.552(c)(1)(x)]**

Failure to fulfill the obligations and conditions of the Welfare to Work program is grounds for termination of assistance.

Specifically, the Housing Authority will terminate assistance for Welfare-to-Work families if the family fails to comply with GAIN requirements, the FSS Contract of

Participation (CoP) and/or other required Family Self-Sufficiency requirements without good cause.

15.2.5 Registered Sex Offenders

If it is brought to the attention of the Housing Authority that a current program participant is on the sex offender registration list, the Housing Authority will review on a case-by-case basis. The Housing Authority will consult with law enforcement and legal counsel and take appropriate actions based on findings.

15.3 FAMILY OBLIGATIONS **[24 CFR §982.551]**

Failure to abide by any of the family obligations is grounds for termination.

1. The family must supply any information that the Housing Authority or HUD determines is necessary in the administration of the program [24 CFR §982.551(b)]. Information includes any requested certification, release or other documentation. Requirements include:
 - Submission of required evidence of citizenship or eligible immigration status (as provided by 24 CFR part 5);
 - Disclosure and verification of social security numbers (as provided by 24 CFR part 5);
 - Providing any information requested by the Housing Authority or HUD for use in a regularly scheduled or interim determination of family income and composition, including income, assets, and accurate family composition.
2. The family must report all changes in family composition and decreases of income in writing immediately as they occur. The owner of the unit and the Housing Authority must approve changes in composition of the assisted family [24 CFR §982.551(b) and §982.551(h)(2)]. The family must:
 - Report the birth, adoption or court-awarded custody of a child;
 - Request Housing Authority approval to add any other family member;
 - Notify the Housing Authority when a family member no longer lives in the unit.

If the Housing Authority gives approval, a live-in aide or a foster child may live in the unit. Failure to report changes, making false reports and/or allowing unauthorized people in the unit is cause for termination from the program.

3. All information supplied by the family must be true and complete [24 CFR §982.551(b)].
4. Maintain the rental unit [24 CFR §982.551(c)]. The family is responsible for any violation of Housing Quality Standards resulting from:
 - Failure to pay for tenant-paid utilities;

- Failure to furnish required stove and or refrigerator if to be provided by family; or
 - Damage to the unit or grounds by the family or its guests beyond normal wear and tear.
5. The family must allow the Housing Authority to inspect the unit at reasonable times and after reasonable notice [24 CFR §982.551(d)].
 6. The family may not commit any serious or repeated violation of the lease [24 CFR §982.551(e)].
 7. The family must notify the owner and, at the same time, notify the Housing Authority before the family moves out of the unit or terminates the lease on notice to the owner. The family must promptly give the Housing Authority a copy of any owner eviction notice [24 CFR §982.551(f) – (g)].
 8. The family must use the assisted unit for residence by the family. The unit must be the family's only residence. The family must not sublease or let the unit [24 CFR §982.551(h)(1), (6)].
 9. The family must not assign the lease or transfer the unit. In cases where there is a change in the head of household, the lease may be transferred to the new Head but only with the consent of the owner of the property and the Housing Authority [24 CFR §982.551(h)(7)].
 10. Members of the household may engage in legal profit-making activities in the unit, but only if such activities are incidental to primary use of the unit as a residence by members of the family [24 CFR §982.551(h)(5)].
 11. The family must supply any information or certification requested by the Housing Authority to verify that the family is living in the unit, or relating to family absence from the unit, including any Housing Authority-requested information or certification on the purposes of family absences. The family must cooperate with the Housing Authority for this purpose. The family must promptly notify the Housing Authority of absence from the unit [24 CFR §982.551(i)].
 12. The family must not own or have any interest in the unit [24 CFR §982.551(j)].
 13. The members of the family must not commit fraud, bribery or any other corrupt or criminal act in connection with the programs [24 CFR §982.551(k)].
 14. The members of the family, their guests or invitees, may not engage in drug-related criminal activity or violent criminal activity, or other criminal activity that threatens the health, safety or right to peaceful enjoyment of other residents and persons residing in the immediate vicinity of the premises.
 15. The members of the family, their guests or invitees, must not abuse alcohol in a way that threatens the health, safety or right to peaceful enjoyment of other residents and persons residing in the immediate vicinity of the premises.

16. An assisted family, or members of the family, may not receive Section 8 tenant-based assistance while receiving another housing subsidy, for the same unit or for a different unit, under any duplicative (as determined by HUD or in accordance with HUD requirements) federal, State or local housing assistance program [24 CFR §982.551(n)].
17. The family must pay only the amount authorized by the Housing Authority on the approved lease. Any amount paid by the family other than the authorized amount is considered an illegal side payment and is cause for termination of the housing assistance subsidy. The Housing Authority may authorize additional payments for other amenities [24 CFR §982.451(b)(4)(ii)].
18. The family must not receive housing choice voucher program housing assistance while residing in a unit owned by a spouse, parent, child, grandparent, grandchild, sister or brother of any member of the family, unless the Housing Authority has determined (and has notified the owner and the family of such determination) that approving rental of the unit, notwithstanding such relationship, would provide reasonable accommodation for a family member who is a person with disabilities (See Section 9.4 for more information).
19. The family must not have a member that has committed a crime that subjects them to a lifetime sex offender registration requirement imposed by any State sex offender registration program reside in the unit. This is to ensure that no household member or guest is creating or maintaining a threat to the health and safety of other residents or the public.

15.3.1 Housing Authority Discretion
[24 CFR §982.552(c)(2)]

In deciding whether to terminate assistance because of action or failure to act by members of the family, the Housing Authority has discretion to consider all of the circumstances in each case, including:

- The seriousness of the case,
- The extent of participation or culpability of individual family members,
- The length of time since the violation occurred and more recent record of compliance, and the effects of denial or termination of assistance on other family members who were not involved in the action or failure to act, and
- Requests for reasonable accommodation

On a case by case basis the Housing Authority may counsel the family before proposing termination.

The Housing Authority may impose, as a condition of continued assistance for other family members, a requirement that family members who participated in or were culpable for the action or failure will not reside in the unit. The Housing Authority may permit the other members of a family to continue in the program.

15.3.2 Enforcing Family Obligations

Explanations and Terms

- **HQS Breach**: The inspector will determine if an HQS breach as identified in 24 CFR §982.404(b) is the responsibility of the family. Families may be given extensions to correct HQS breaches as explained in Chapter 10.
- **Lease Violations**: The following criteria will be used to decide if a serious or repeated violation of the lease will cause a termination of assistance [24 CFR §982.310]:
 - If the owner terminates tenancy through court action for serious or repeated violation of the lease.
 - If the owner notifies the family of intention to terminate tenancy for serious or repeated lease violations, and the family moves from the unit prior to the completion of court action, and the Housing Authority determines that the cause is a serious or repeated violation of the lease based on available evidence.
 - If there are police reports, neighborhood complaints or other third-party information, and the Housing Authority has verified the information. Lack of receipts or other proof of rent payments by the family may also be considered verification of lease violations.
- **Family Member Moves Out**: Families are required to notify the Housing Authority within 30 calendar days if any family member leaves the assisted household [24 CFR §982.551(h)(3)]. When the family notifies the Housing Authority, they must furnish the following information:
 - The date the family member moved out.
 - The new address, if known, of the family member.
 - A statement as to whether the family member is temporarily or permanently absent.
 - Related income, asset or deduction changes resulting from the member moving.
- **Limitation on Profit-making Activity in Unit [24 CFR §982.551(h)(5)]**: If the business activity area results in the inability of the family to use any of the critical living areas, such as a bedroom utilized for a business which is not available for sleeping, it will be considered a violation.

If the Housing Authority determines that the use of the unit as a business is not incidental to its use as a dwelling unit, it will be considered a violation of family obligations.
- **Interest in Unit [24 CFR §982.551(i)]**: The owner may not reside in the assisted unit, under any circumstances, including as a live-in aide, regardless of whether the owner is a member of the assisted family, unless assistance is being provided for a mobile home and the family owns the mobile home and rents the pad under the Certificate or Housing Choice Voucher Program.

- **Fraud [24 CFR §982.551(k)]**: In each case, the Housing Authority will consider which family members were involved, the circumstances, and any hardship that might be caused to innocent members.

15.3.3 Drug-Related Criminal Activity
[24 CFR §982.553(a)(1) and (b)(1)]

Drug-related criminal activity includes the manufacture, dispensation, distribution, sale, use or possession of illegal drugs. An “illegal drug” is defined as any controlled substance, in any amount, as defined by the United States Code, Title 21, section 802, including but not limited to narcotics, amphetamines, hallucinogens, cocaine, marijuana, designer drugs, or other intoxicants. This definition also specifically includes over the counter medications used in the manufacture of illegal drugs or for the purposes of becoming intoxicated, and pharmaceutical medications which are used either without being prescribed by a licensed physician or in excess of the amount prescribed by a physician for the purposes of becoming intoxicated.

Drug-related criminal activity does not include the prior use or possession of a controlled substance if the family member had an addiction to the substance and has recovered, or is recovering from the addiction and does not currently use or possess the substance and has demonstrated successful completion of a rehabilitation program [24 CFR §982.553(b)].

The Housing Authority maintains a zero tolerance policy regarding drug-related criminal activity and:

- May propose termination against the family for drug-related criminal activity that occurs on or off the premises of the assisted unit, or drug-related criminal activity committed by a guest or invitee of any family member on the premises of the assisted unit. An arrest or conviction is not required to deny or terminate assistance.
- May terminate a participant’s assistance if they have been arrested, convicted or whose tenancy is being terminated due to drug-related criminal activity or whose activities, including the activities of their guests or invitees, have created a disturbance in the building or neighborhood.
- Will terminate assistance if the family violates the lease for drug-related criminal activity.

In appropriate cases, the Housing Authority may permit the family to continue receiving assistance provided that family members determined to have engaged in the prescribed activities will not reside and/or visit in the unit.

15.3.4 Violent Criminal Activity
[24 CFR §982.553(a)(2) and (b)(2)]

Violent criminal activity includes any criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force against a person or property, and the activity is being engaged in by any family member, their guests or invitees. Violent criminal activity also includes activity which occurs within the family, such as during domestic disputes.

The Housing Authority maintains a zero tolerance policy regarding violent criminal activity and:

- May propose termination against the family for violent criminal activity that occurs on or off the premises of the assisted unit. An arrest or conviction is not required to deny or terminate assistance.
- May terminate a participant's assistance if they have been arrested, convicted or whose tenancy is being terminated due to violent criminal activity or whose activities, including those of their guests and invitees, have created a disturbance in the building or neighborhood.
- Will terminate assistance if the family violates the lease for violent criminal activity.

Incidents or threats of abuse, or criminal activity related to abuse engaged in by a member or guest of the participant's household, will not be grounds for termination of the victim or threatened victim of the abuse.

In appropriate cases, the Housing Authority may permit the family to continue receiving assistance provided that family members determined to have engaged in the prescribed activities will not reside in the unit.

15.3.5 Required Evidence **[24 CFR §982.553(c)]**

In determining whether to terminate assistance based on criminal activity, the Housing Authority may terminate assistance if the preponderance of evidence indicates that a family member has engaged in such activity, regardless of whether the family member has been arrested or convicted.

The Housing Authority may consider arrests, convictions, no contest pleas, fines, city ordinance violations or other credible preponderance of evidence in determining if a violation has occurred.

The Housing Authority does not use records for juvenile offenses to terminate assistance to the family, except as may be authorized by State or federal law. The Housing Authority may consider as evidence criminal records of a minor tried and convicted as an adult in criminal court for such offenses as murder, sex offenses, robbery and arson.

Preponderance of evidence: evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence which as a whole shows that the fact sought to be proved is more probable than not. The intent is not to prove criminal liability, but to establish that the act(s) occurred. Preponderance of evidence may not be determined by the number of witnesses, but by the greater weight of all evidence.

15.3.6 Confidentiality of Criminal Records **[24 CFR §5.903(g)]**

Criminal records received by the Housing Authority shall be maintained confidential, not misused, nor improperly disseminated and kept locked during non-business hours. Also, all criminal records will be destroyed no later than 30 calendar days after a final determination is made.

15.3.7 Disclosure of Criminal Records to Family
[24 CFR §5.903(f) and §982.553(d)]

The applicant or household member requesting to be added to the lease will be provided with a copy of the criminal record upon request and an opportunity to dispute the record. Applicants will be provided with the opportunity to dispute the record at an informal review. Participants may contest such records at an informal hearing.

15.4 NOTICE OF TERMINATION OF ASSISTANCE

In any instance where the Housing Authority decides to terminate assistance to the family, the Housing Authority must give the family a written notice that includes:

1. The reason(s) for the proposed termination;
2. The effective date of the proposed termination;
3. Information regarding the family's right to request an Informal Hearing to be held before termination of assistance; and
4. The date by which a request for an informal hearing must be received by the Housing Authority.

A final notice of determination and date of termination will then be sent to the participant if no hearing is requested within the allowable time or if the Informal Hearing confirms the termination.

The Housing Authority will simultaneously provide written notice of the contract termination to the owner so that it will coincide with the termination of assistance. The notice to the owner will not include any details regarding the reason for termination of assistance.

15.5 PROCEDURES FOR NON-CITIZENS
[24 CFR §982.552(b)(4) and 24 CFR §5.514]

The Housing Authority is required to terminate assistance for participant families in which no members are U.S. citizens or eligible immigrants. If a family member does not establish citizenship or eligible immigration status as required, the Housing Authority will prorate the assistance, or if there are no eligible family members remaining, the Housing Authority will propose program termination and provide the opportunity for an informal hearing, as explained in Chapter 16.

15.5.1 False or Incomplete Information (No Eligible Members)

Families are required to submit evidence and sign declarations of their citizenship or eligible immigration status. If the Housing Authority obtains substantive documentation (such as a permanent resident card or information from another agency) that contradicts a family member's declaration of citizenship, an investigation will be conducted and the individual given an opportunity to present relevant information.

- If the family (or any member) claimed eligible immigrant status and the USCIS primary and secondary verifications failed to document the status, the family may make an appeal to the USCIS and request a hearing with the Housing Authority either after the USCIS appeal or in lieu of the USCIS appeal.
- If the family member is unable to verify their citizenship, the Housing Authority may give the individual an opportunity to provide a new declaration as an eligible immigrant or to elect not to contend their status. The Housing Authority will then verify eligible status, and terminate, or prorate as applicable.
- Assistance may not be terminated while verification of the participant family's eligible immigration status is pending.

After the Housing Authority has made a determination of ineligibility, the family will be notified of the determination and the reasons, and informed of the option for prorated assistance (if applicable) or the proposed termination.

The Housing Authority will terminate assistance for misrepresentations or submission of false information.

15.6 ZERO ASSISTANCE (END OF PARTICIPATION) **[24 CFR §982.455]**

The Housing Authority is required to automatically terminate the HAP contract 180 calendar days after the last housing assistance payment is made to the owner. A family receiving no assistance may remain in the unit for up to 180 calendar days after the last HAP payment. If the family is still in the unit after 180 calendar days, assistance is terminated. If within the 180-day period, an owner rent increase or a decrease in the TTP causes the family to be eligible for a housing assistance payment, the Housing Authority will resume assistance payments for the family.

In order for a family to move to another unit during the 180 calendar days, the rent for the new unit would have to be high enough to necessitate a housing assistance payment.

15.7 OPTION NOT TO TERMINATE FOR MISREPRESENTATION OF INCOME

If the family has misrepresented any facts that caused Housing Authority to overpay assistance, the Housing Authority may choose not to terminate and may offer to continue assistance provided that the family agrees to pay the Housing Authority the amount owed and either pays the Housing Authority in full or executes a Repayment Agreement and makes payments in accordance with the agreement.

15.8 MISREPRESENTATION IN COLLUSION WITH OWNER

If the family willingly and knowingly commits fraud or is involved in any other illegal scheme with the owner, the Housing Authority will deny or terminate assistance.

15.9 MISSED APPOINTMENTS AND DEADLINES [24 CFR §982.551]

It is a family obligation to supply information, documentation, and certifications as needed for the Housing Authority to complete required processes. The Housing Authority schedules appointments and sets deadlines in order to obtain the required information. Failure to supply requested information can result in termination of assistance. Examples of failing to supply requested information can include: failing to sign necessary documents, failing to return documents or returning incomplete or altered documents, failing to complete all information requested on documents, etc.

The obligations also require that the family keep all appointments and allow the Housing Authority to inspect the assisted unit. All scheduled inspections are considered “appointments.”

The family will receive information about the requirement to keep appointments, and the number of times that appointments are rescheduled as specified below. Appointments are scheduled and time requirements imposed for the following events and circumstances:

1. Eligibility for Admissions;
2. Verification Procedures;
3. Voucher Issuance and Briefings;
4. HQS Inspections;
5. Re-examinations; and
6. Appeals (Informal Hearing/Reviews).

Examples of good cause for missing appointments or failing to provide information by deadlines are medical and/or family emergencies. In such cases, the family may be requested to provide verification of such circumstances.

An applicant or participant who fails to keep appointments, or to supply information required by a deadline without notifying the Housing Authority may be sent a notice of termination of assistance for failure to comply with program regulations.

The family may be granted up to two opportunities before they receive a notice of denial or termination for breach of a family obligation. After issuance of the denial or termination notice, if the family offers to correct the breach within the time allowed to request a review or hearing, the notice may be rescinded after the family corrects the breach, if the family does not have a history of non-compliance. For families with a history of non-compliance, the Housing Authority may elect to hold the review or hearing.

The Housing Authority may grant exceptions to this policy as a reasonable accommodation, in accordance with section 1.8.2 and 7.11.10.

15.10 REPORTING TERMINATED FAMILIES TO ENTERPRISE INCOME VERIFICATION SYSTEM (EIV)

If a family is terminated due to an adverse action or leaves the program owing money to the Housing Authority, the family will be reported to EIV. Additionally, if any debt is owed, the amount of the debt will be recorded in EIV.

CHAPTER 16: INFORMAL REVIEWS/HEARINGS

16.1 INTRODUCTION

This chapter covers the Housing Authority's policy and procedures for informal reviews and informal hearings. This chapter defines the Housing Authority's responsibilities to applicants and participants.

16.2 REASONABLE ACCOMMODATION

All requests for accommodation will be verified with a reliable, knowledgeable professional so that the Housing Authority can properly accommodate the need presented by the disability.

Requests for accommodation from persons with disabilities will be granted upon verification that they are reasonable, and they meet the need presented by the disability.

Reasonable accommodation will be made for persons with disabilities that require an advocate or accessible offices. A designee will be allowed to provide information as needed, but only with the permission of the person with the disability.

16.3 INFORMAL REVIEW PROCEDURES FOR APPLICANTS [24 CFR §982.554(a)]

Under certain circumstances, the Housing Authority offers informal reviews for applicants. Applicants are defined as families who are on the Section 8 waiting list and are awaiting the issuance of a voucher or families who have been issued a voucher but have not yet been assisted under a Housing Assistance Payment (HAP) Contract.

When the Housing Authority denies assistance to an applicant, the family is notified in writing. The notice contains:

- The reason(s) for the decision;
- The procedure for requesting an informal review if the applicant does not agree with the decision; and
- The time limit for requesting a review.

The Housing Authority must provide applicants with the opportunity for an Informal Review of Decisions denying issuance of a voucher or participation in the program.

Applicants who are denied assistance based on ineligible immigration status are entitled to an informal hearing (rather than an informal review).

16.3.1 When an Informal Review is Not Required

[24 CFR §982.554(c)]

Informal reviews are not required for established policies, procedures, and Housing Authority determinations such as:

1. Discretionary administrative determinations by the Housing Authority;
2. General policy issues or class grievances;
3. A determination of the family unit size under the Housing Authority subsidy standards;
4. Refusal to extend or suspend a certificate or voucher;
5. Disapproval of lease;
6. Determination that the unit is not in compliance with HQS; or
7. Determination that the unit is not in accordance with HQS due to family size or composition.

16.3.2 Procedure for Review

[24 CFR §982.554(b)]

Informal Reviews will be conducted via mail. Applicants will be required to submit written objections to the Housing Authority by the close of business day, no later than 15 calendar days from the date of the Housing Authority's notification of "Notice of Cancellation of Application." The informal review will be conducted within 30 calendar days from the date the request is received.

The informal review will not be conducted by the person who made or approved the decision under review, nor a subordinate of such person. The review may be conducted by:

- A staff person who is not the person who made the decision or his/her subordinate, or
- An individual from outside the Housing Authority.

A Notice of the Review decision will be provided in writing to the applicant within 30 calendar days after the review. It shall include the decision of the review officer, and an explanation of the reasons for the decision.

All requests for a review, supporting documentation, and a copy of the final decision will be retained in the applicant's file.

Requests for accommodations from persons with disabilities will be granted upon verification that the request is reasonable, and they meet the need presented by the disability on a case-by-case basis.

16.4 INFORMAL HEARING FOR PARTICIPANTS

[24 CFR §982.555]

16.4.1 When an Informal Hearing May Be Requested

[24 CFR §982.555(a)(1)]

A participant family must be given an opportunity for an informal hearing to consider whether certain Housing Authority decisions are in accordance with the law, HUD regulations and Housing Authority policies.

In the following cases, the Housing Authority must give the participant an opportunity for an informal hearing before the Housing Authority terminates HAP for the family under an existing HAP contract:

1. A determination of the family's annual or adjusted income, and the use of the income to compute the housing assistance payment.
2. A determination of the appropriate utility allowance (if any) for tenant-paid utilities from the Housing Authority utility allowance schedule.
3. A determination of the family unit size under the Housing Authority's subsidy standards.
4. A determination that a certificate program family is residing in a unit with a larger number of bedrooms than appropriate for the family unit size under the Housing Authority's subsidy standards, or a Housing Authority determination to deny the family request for a waiver from the standards.
5. A determination to terminate assistance for a participant family because of the family's action or failure to act.
6. A determination to terminate assistance because the participant family has been absent from the assisted unit for longer than the maximum period permitted under Housing Authority policy and HUD rules.

16.4.2 Notification

[24 CFR §982.555(c)]

- When the matter in question is:
 1. The determination of the family's annual or adjusted income or computation of the housing assistance payment;
 2. Appropriate utility allowance (if any) for tenant-paid utilities; or
 3. Family unit size,

The Housing Authority must notify the family that they may ask for an explanation of the basis of the Housing Authority's determination. The family must also be notified that if the family does not agree with the explanation, the family may request in writing an informal hearing on the decision.

- When the matter in question is:
 1. Certificate family residing in too large a unit, or the Housing Authority's refusal to issue a waiver to subsidy standards;
 2. Termination due to the family's action or failure to act; or

3. Absence from the assisted unit for longer than the maximum period permitted,

The Housing Authority must give the family prompt written notice that the family may request in writing an informal hearing on the decision.

- When the Housing Authority has made a decision to:
 1. Terminate HAP on behalf of a participant under an active contract;
 2. Refuse to re-issue a voucher; or
 3. Refuse to execute a new contract with a program participant,

The family must be given written notice of the opportunity for an informal hearing before the termination of Housing Assistance Payments.

- The notice must:
 1. Contain a brief statement of reasons for the decision;
 2. Inform the participant regarding his/her right to an informal hearing;
 3. Advise the participant that a request for an informal hearing must be in writing;
 4. Advise the participant that the Housing Authority must receive the request within 15 calendar days of the date of the letter; and
 5. Explain the basic elements of the informal hearing, i.e., right of the participant to present evidence, question witnesses, to have representation, the Housing Authority-designated impartial hearing officer written decision.

16.4.3 Prior to Hearing **[24 CFR §982.555(e)(2)]**

Before the informal hearing, the family may request an appointment to examine any documents in the family's portion of the file that are directly relevant to the hearing. The family must be allowed to copy any such document at the family's expense. If the Housing Authority does not make the document in the family's file available for examination on request of the family, the Housing Authority may not use the document at the hearing.

The Housing Authority may also provide information to participants on relevant documents in the possession of other public agencies in order for the participant to contact the agency and obtain a copy of the document. The Housing Authority may then reference the contents of the document at the hearing through witness testimony.

The Housing Authority requires that the family submit any documents that are directly relevant to the hearing either before or at the time of the hearing. The Housing Authority must be allowed to copy any such documents at the Housing Authority's expense. If the family does not make the document available for examination on request of the Housing Authority, the family may not rely on the document at the hearing.

During the course of the hearing, if the family offers to submit evidence, the Hearing Officer is not required to, but may exercise the discretion to allow the family to submit a document within a specified period.

16.4.4 Hearing Process
[24 CFR §982.555(d)]

When a participant family has timely requested a hearing, the Housing Authority will proceed within 15 calendar days of receipt of the request to notify the participant of the date, time and location of the hearing.

- There may be one postponement of the hearing date by the participant. A request to reschedule must be requested before the scheduled date and may not extend beyond the proposed termination date.
- Any additional postponements may only be for good cause such as, but not limited to hospitalization, illness or injury. Second postponement requests must be supported by verification of the cause.

16.4.5 Hearing Officer
[24 CFR §982.555(e)(4)]

The Hearing Officer may be either a Housing Authority employee or an outside third party contracted by the Housing Authority. The Hearing Officer must not have made or approved the decision under review nor be a subordinate of the person who made the decision. The Hearing Officer controls the informal hearing and may:

- Control the scope and method of direct and cross examination of witnesses;
- Control the admission and determine relevancy of offered evidence;
- Question witnesses and set time limitations for any portion of the informal hearing process.
- May consider evidence without regard to admissibility under the rules of evidence applicable to judicial proceedings.

The Hearing Officer will audio record the hearing and follow the format set forth below.

16.4.6 Opening

The Hearing Officer will convene the informal hearing with both parties and their representatives present. (If the participant is represented, the participant will have provided the Housing Authority written authorization for the representative to do so.)

The Hearing Officer will explain the informal hearing procedures, state the purpose of the hearing, and inform the participant that the hearing will be recorded. The Hearing Officer may request clarification or ask questions of either side or witnesses at anytime during the Informal Hearing. Each person present will introduce himself or herself.

16.4.7 Presentations

Each side will have an opportunity to present its case and be allowed to present witnesses and submit relevant evidence as determined by the Informal Hearing Officer. (Witnesses may be cross-examined at this time.) The Housing Authority begins the hearing by presenting the Notice of Hearing. The Housing Authority will then present a copy of the original notification to the participant regarding the matter, followed by the evidence, including testimony of witnesses, which supports the allegations in the notification.

16.4.8 Rebuttals

Each side will have an opportunity to present rebuttal to the evidence presented.

16.4.9 Final Summary

Each side is then allowed to summarize its arguments.

16.4.10 Conclusion of Hearing

The Hearing Officer may continue a hearing if additional information from either party is requested. Otherwise, the Hearing Officer will advise each side that the testimony and evidence will be reviewed, a final decision made and a determination letter issued stating the decision and the reasons for the decision within 10 calendar days. The decision of the Hearing Officer is final.

The Hearing Officer will use the following principles for the Informal Hearings and decisions:

1. Evidence may be considered without regard to admissibility under the rules of evidence applicable to judicial proceedings.
2. Determinations on the matter being reviewed shall be based on the evidence presented at the hearing.
3. If the issues and differences can properly be resolved at the hearing, the Hearing Officer should attempt to resolve them through mutual consent as long as the resolution is not contrary to applicable law, HUD regulations and/or Housing Authority's policies.
4. The purpose of the hearing is to determine if the original decision made in the case is in accordance with the law, HUD regulations and Housing Authority policies.
5. The Hearing Officer may not make a finding contrary to HUD regulations or requirements, contrary to federal, state or local law or exceeding the authority of the Hearing Officer.

16.5 WHEN AN INFORMAL HEARING IS NOT REQUIRED **[24 CFR §982.555(b)]**

The Housing Authority is not required to provide a participant family an opportunity for an informal hearing for the following:

1. To review discretionary administrative determinations by the Housing Authority, or to consider general policy issues or class grievances;
2. To review the Housing Authority's determination that a unit does not comply with HQS, **except** when the breach of HQS was determined to be tenant-caused;
3. To review decision by the Housing Authority to exercise or not exercise any remedy against the owner under an outstanding Contract, including the termination of HAP to the owner;
4. To review the Housing Authority's decision not to approve a family's request for an extension or suspension of the term of the voucher;
5. Determination that the unit is not accordance with HQS due to family size;
6. Establishment of the Housing Authority's schedule of utility allowances for families in the program; or
7. A Housing Authority determination not to approve a unit or lease.

CHAPTER 17: OWNER OR FAMILY DEBTS TO HOUSING AUTHORITY

17.1 INTRODUCTION **[24 CFR §982.163 AND §792]**

This chapter describes the Housing Authority's policies and guidelines for the recovery of debts and the use of repayment agreements. Before a debt is assessed against a family or owner, the file must contain documentation to support the Housing Authority's claim that the debt is owed. The file must further contain written documentation of the method of calculation, in a clear format for review by the owner or the family, as appropriate.

When families or owners owe money to the Housing Authority, every effort will be made to collect the debt. A variety of collection tools to recover debts may be used including, but not limited to:

- Requests for lump sum payments
- Repayment agreements
- Abatements
- Deductions
- Collection agencies
- Credit bureaus
- Civil suits

17.2 REPAYMENT AGREEMENTS FOR FAMILIES **[24 CFR §792.103]**

A Repayment Agreement as used in this plan is a document entered into between the Housing Authority and the person who owes a debt to the Housing Authority. The Repayment Agreement contains:

- Reference to the paragraphs in the family obligations whereby the person is in non-compliance and may be subject to termination of assistance; and
- A statement that the monthly retroactive rent repayment amount is in addition to the family's regular rent contribution and is payable to the Housing Authority; and
- The terms of the agreement may be renegotiated if there is a decrease or increase in the family's income; and
- Late and missed payments constitute default of the repayment agreement and may result in termination of assistance; and
- An acknowledgment by the person of the debt in a specific amount; and
- The terms of repayment; and
- Any special provisions of the agreement.

17.2.1 Late Payments

A payment will be considered to be in arrears if the payment has not been received by the close of the business day on which the payment was due.

- If the due date is on a weekend or holiday, the due date will be at the close of the next business day.

If the family's repayment agreement is in arrears, the Housing Authority may do one or more of the following:

- Require the family to pay the entire arrearage plus current month's payment in order avoid loss of assistance;
- Require the family to pay the balance in full in order to avoid losing assistance;
- Pursue civil collection of the balance due; or
- Terminate the housing assistance.

17.2.2 Requests To Move

If the family requests to move to another unit and has a repayment agreement in place, the family will be required to pay the balance in full prior to the issuance of a voucher, regardless of whether or not the family is current with its payments.

Under special circumstances indicated below, the Housing Authority may make an exception and allow a family to move without paying the entire balance of the debt if the family is current or can become current with its payments:

- HAP contract is terminated due to owner non-compliance
- A natural disaster
- The unit is uninhabitable or has major HQS deficiencies that are not the result of a family action or inaction.
- A life-threatening situation such as the family is a witness to or a victim of a crime and must move for safety reasons. The family will be required to provide proof in such cases.

17.2.3 Guidelines for Repayment Agreements

The Housing Authority, at its sole discretion, will determine on a case-by-case basis whether or not to offer a family a repayment agreement for monies owed to the Housing Authority. The offer of a repayment agreement does not constitute an agreement to continue the family's assistance. However, the Housing Authority will propose termination of the family's assistance upon refusal by the family to enter into a repayment agreement.

Repayment Agreements will be executed between the Housing Authority and the head of household or other adult family member.

Monthly payments may be decreased in cases of hardship with the prior notice of the family, verification of hardship, and the approval of a Housing Authority Manager.

If the Housing Authority offers a repayment agreement, the family has the option to repay retroactive rent balances as follows:

1. In a lump sum amount; or
2. A monthly payment; or
3. A combination of a lump sum and monthly payment.

The Housing Authority will usually ask that the family pay an initial lump sum (in an amount determined by the Housing Authority) with the remaining balance to be paid in equal payments over a period of time not to exceed 12 months for amounts under \$2,400 or 24 months for any amount in excess of \$2,400.

In determining the initial lump sum, the Housing Authority will consider the total amount owed, the ability of the person to make the remaining payments and the percentage of the total sum owed. In most cases, the Housing Authority will ask the family to pay a significant initial lump sum as part of entering into a Repayment Agreement to help ensure full payment to the Housing Authority and to reduce the monthly payment. These terms will be negotiated with the tenant.

Additional Debt Incurred: If the family has a Repayment Agreement in place and incurs an additional debt to the Housing Authority:

- The Housing Authority may choose, at its discretion, to agree to more than one Repayment Agreement at a time with the same family.
- If a Repayment Agreement is in arrears more than 30 calendar days, any new debts must be paid in full.

17.3 FAMILY DEBTS OWED FOR UTILITY REIMBURSEMENT PAYMENTS

Families must repay Utility Reimbursement Payments (URP) made by the Housing Authority for periods in which the family was not entitled to the URP.

If the amount of the URP owed to the Housing Authority is \$50 or less, the tenant will be required to pay the debt in full.

17.4 FAMILY DEBTS DUE TO FRAUD/NON-REPORTING OF INFORMATION **[24 CFR §792.103]**

HUD's Definition of Program Fraud and Abuse: A single act or pattern of actions that constitutes false statement, omission, or concealment of a substantive fact, made with intent to deceive or mislead, and that results in payment of Housing Choice Voucher Program funds in violation of Housing Choice Voucher Program requirements.

17.4.1 Family Error/Late Reporting

Families who owe money to the Housing Authority due to the family's failure to report income or change in allowances or deductions will be required to repay in accordance with the guidelines set forth in 17.2 (Repayment Agreements for Families) of this chapter.

17.4.2 Program Fraud

At the Housing Authority's discretion, families who owe money to the Housing Authority due to program fraud will be required to repay the debt, and may be required to accept a repayment agreement in accordance with the guidelines set forth in Section 17.2 (Repayment Agreements for Families) of this chapter.

In addition, the case may be referred to the Inspector General and/or the Housing Authority may refer the case for criminal prosecution.

17.5 FAMILY DEBTS PAID IN FULL

If the Housing Authority determines not to enter into a Repayment Agreement, or if the Repayment Agreement is breached and the Housing Authority demands payment of the balance in full, the family must pay the full amount due and owing in one lump sum. If the family fails to pay, the Housing Authority will terminate the family's assistance and may pursue collection through a collection agency or a civil action and may notify credit agencies of the debt. Whether or not the amount is paid, the Housing Authority does not waive its right to take other action including termination of assistance or referral for criminal prosecution in appropriate cases.

17.6 OWNER DEBTS TO HOUSING AUTHORITY

If the Housing Authority determines that the owner has retained Housing Assistance or Claim Payments the owner is not entitled to, the Housing Authority may deduct the amounts owed from future Housing Assistance or Claim Payments owed the owner for any units under contract.

If future Housing Assistance or Claim Payments are insufficient to reclaim the amounts owed, Housing Authority may do one or more of the following:

- Require the owner to pay the amount in full within 30 calendar days;
- Agree to a repayment agreement with the owner for the amount owed. Repayment period may not exceed 12 months;
- Pursue collections through the local court system;
- Pursue collections through a collection agency; or
- Restrict the owner from future participation;
- Agree to a repayment agreement with the owner for the amount owed. Repayment period may not exceed 2 months; however an owner may appeal to the Executive Director in writing for additional time.

17.6.1 Owner Debts Due to Fraud

If the landlord has been overpaid because of fraud, misrepresentation or violation of the contract, the Housing Authority may terminate the contract and arrange for restitution to the Housing Authority and/or family as appropriate.

The Housing Authority will make every effort to recover any overpayments made as a result of landlord fraud or abuse. Possible remedies available to the

Housing Authority include: recovering monies owed from payments otherwise due to the owner, setting up a repayment agreement, referring the debt to a collection agency, or pursuing the matter in a civil court. A determination on the course of action to be taken will be based on the nature of the violation and the amount of the money owed. Generally, if the owner is cooperative, is willing to pay back all monies owed, and all monies will be repaid within 2 months, the Housing Authority will offer the owner a chance to enter into a Repayment Agreement. However, in cases where the owner knowingly and willfully violated program rules, the Housing Authority may seek full repayment in one lump sum.

17.7 WRITING OFF DEBTS

Debts may be written off if:

- The debtor's whereabouts are unknown and the debt is more than 3 years old.
- A determination is made that the debtor is judgment proof.
- The debtor is deceased and has an insufficient estate.
- The debtor is confined to an institution indefinitely or for more than 3 years.
- The amount is less than \$100 and the debtor cannot be located.
- If a family defaults on a repayment agreement for an amount less than \$50.

CHAPTER 18: SPECIAL PROGRAMS

18.1 INTRODUCTION

The Housing Authority periodically has the opportunity to apply for targeted funding for special populations. The Housing Authority often enters into collaborative agreements with other agencies or County departments to qualify for and/or administer these funds. **Special Program policies and procedures are the same as that of the Housing Choice Voucher program except as otherwise noted. If there is a conflict between program regulations and the Admin Plan, the program regulations have precedence.**

Currently, The Housing Authority's Special Needs Housing and Special Program Units administer the following targeted programs:

- Family Unification Set-Aside Program (Family UP);
- Welfare-to-Work Program (WtW);
- Homeless Set-Aside Program;
- Shelter Plus Care Program (S+C);
- Housing Opportunities for Persons with AIDS Program (HOPWA);
- Veterans Affairs Supportive Housing (VASH) Program, and
- The Family Self-Sufficiency Program (FSS).

This chapter provides details on the special programs currently administered by the Housing Authority. This section is divided into two main parts:

- Housing Assistance Programs, and
- Family Self-Sufficiency Program.

Housing Choice Voucher Welfare-to-Work Program (WtW) Program This program originally provided assistance to families who were eligible for CalWORKs benefits, were in good standing with the employment/job training program offered by the Los Angeles County Department of Public and Social Services (DPSS) and were in need of housing in order to obtain or retain employment. The Housing Authority no longer accepts applicants for the Welfare to Work program, however original participants still receive assistance with a Welfare to Work voucher. The Housing Authority maintains these contracts in accordance with the policies found throughout this Plan for traditional Housing Choice Vouchers.

18.2 VETERANS AFFAIRS SUPPORTIVE HOUSING (VASH) PROGRAM

This program provides rental assistance to homeless veterans and their families in combination with case management and clinical services through the Department of Veterans Affairs at Veterans Affairs Medical Center (VAMC) supportive service sites.

18.2.1 Referral Process/Waiting List

The Housing Authority does not maintain a waiting list for the VASH Program. VASH families are not admitted through a waiting list but are referred by the VAMC.

18.2.2 Eligibility

To qualify for VASH rental assistance, applicants must meet HUD's income eligibility requirements. In order to determine final eligibility, the Housing Authority may verify all information submitted by applicants.

VASH applicants are not subject to a criminal background check, except to determine if any member of the family aged 13 and older is subject to a lifetime sex offender registration requirement.

For more specific information on eligibility requirements, please see Chapter 2 (Admission Eligibility Factors and Applicant Requirements).

18.2.3 Income Targeting

VASH applicants are not subject to income targeting. The Housing Authority may include the admission of an extremely low-income VASH applicant in its income targeting numbers for the fiscal year in which the family was admitted.

18.2.4 Denial of Participation

VASH applicants may not be denied assistance except for failure to meet income eligibility or subjection to a state lifetime sex offender registration requirement. If a VASH applicant is denied assistance, the Housing Authority will send a copy of the denial notice to HUD Headquarters, Office of Public and Indian Housing, as specified in PIH Notice 2008-37.

18.2.5 Verification Procedures

Since HUD requires that factors of eligibility must be verified, applicants and program participants are required to provide proof of their statements whenever required by the Housing Authority.

The Homeless Condition Form is not required for VASH participants as the VAMC will verify if the participant is homeless.

18.2.6 Briefing Sessions and Voucher Issuance

Briefing sessions are conducted for all eligible VASH applicants. Families are issued a Housing Choice Voucher with an initial search time of a minimum of 120 days.

See Chapter 3 for policies regarding voucher extensions.

18.2.7 Contracts/Tenant Payments

Like other Housing Choice Voucher Special Programs, VASH families are contracted based on the payment standards, and participants may pay up to 40% of their adjusted monthly income for the initial lease of a unit.

Unlike other Housing Choice Voucher programs, VASH participants may enter into an initial lease of less than 12 months [FR-5213-N-01].

For more specific information on determining total tenant payment, please refer to Chapter 6. For more specific information on the new contract process, request for tenancy approval and contract execution, please refer to Chapter 9.

18.2.8 Eligible Housing Types

Along with other eligible housing types listed in Chapter 9 of this Plan, VASH families may also use the voucher in a unit owned by the VA on the grounds of the VAMC.

18.2.9 Re-Examinations

The Housing Authority is required to process annual re-examinations. In cases where a family experiences a change in household composition and/or income between annual re-examinations, the Housing Authority may process an interim re-examination. The family is required to report all changes in household composition and decreases in income to the Housing Authority within 30 calendar days of occurrence.

For more specific information regarding causes for processing annual/interim re-examinations and the requirements for completing annual/interim re-examinations, please refer to Chapter 12 (Re-Examination).

18.2.10 Terminations

VASH families are required to participate in case management services provided by the VAMC. In cases where the VASH family fails to comply with this requirement, the VA may request termination of housing assistance. However, the VA does not have to make the request for the Housing Authority to proceed with a proposed termination if the VAMC has verified the family's failure to comply.

A VAMC determination that the family no longer requires case management is not grounds for termination.

VASH participants are subject to the Housing Choice Voucher program rules under the family obligations. For more specific information on family obligations, please see Chapter 15 (Family Obligations).

18.2.11 Program Transition

If the VAMC determines the family no longer requires case management services, the Housing Authority will issue the family a regular Housing Choice Voucher in order to retain the VASH vouchers for homeless veterans in need of case management services.

18.2.12 Portability

VASH families may port before initial lease up, even when they did not reside in the Housing Authority's jurisdiction at the time of application.

If a VASH family ports to a housing authority where they can be served by the VAMC that services the Housing Authority's jurisdiction, the receiving housing authority must bill the Housing Authority. If a VASH family ports to another housing authority with an available VASH voucher and where the family will be served by the VAMC in that area, the receiving housing authority must absorb the family.

A VASH family may not port to another housing authority where there is no VAMC that can serve them. They also may not port where the family will receive case management through the receiving housing authority's VAMC and the receiving housing authority does not have an available VASH voucher.

For more specific information on allowable moves and eligibility for portability, please refer to Chapter 13 (Allowable Moves/ Portability).

18.6 HOUSING CHOICE VOUCHER FAMILY UNIFICATION (FAMILY UP) SET-ASIDE PROGRAM:

This program provides assistance to families who are in imminent danger of losing or who cannot regain custody of their minor children due to lack of adequate housing. This program is a collaborative effort between the Housing Authority and the Los Angeles Department of Children and Family Services (DCFS). Eligible families are identified by DCFS through their Family Preservation Unit and referred to the Housing Authority for rental assistance. The Housing Authority may also refer eligible families from the Housing Authority waiting list to DCFS.

This program is funded from the Housing Authority's regular turnover, i.e. vouchers that are vacated throughout the year because families are terminated from the program or voluntarily leave are used to provide assistance to special needs families.

For the purpose of the Family-Up Program, the Housing Authority will not require that a family qualify for a residential preference since most families are homeless and are unable to provide information about their last known permanent address. However, families must agree to reside in the Housing Authority's jurisdiction for the first year of assistance.

18.6.1 Referral Process/Waiting List

The Housing Authority does not maintain a waiting list for the Family-Up Program. Eligible families are identified to apply for these programs by DCFS and are referred to the Housing Authority.

18.6.2 Eligibility

Applicants must meet HUD's eligibility requirements for the Family-Up Program to qualify for rental assistance. In order to determine final eligibility, the Housing Authority may verify all information submitted by applicants.

18.7 FAMILY SELF-SUFFICIENCY PROGRAM **[24 CFR §984.101(a)]**

Family Self-Sufficiency promotes the development of local strategies to enable families to achieve economic independence and self-sufficiency. The program is designed to provide supportive services for families who are residents within the Housing Authority's jurisdiction. Supportive services include but are not limited to childcare, education, transportation, counseling, job preparation, vocational training and home ownership workshops.

Upon becoming employed, FSS participants continue to pay rent in accordance with the Housing Authority's housing choice voucher procedures. Whenever the participant's rent increases, the Housing Authority establishes an interest bearing Escrow Account in their name. If the family successfully completes the contract obligations within 5 years, the family can apply to graduate from the program and receive the accrued portion of their escrow account.

New admissions to the Family Self-Sufficiency program will be limited to the level of available funding.

18.7.1 FSS Application Process

An application is mailed to the applicant and is due back within 10 calendar days from the date it was mailed. If the application is returned undeliverable, the

Housing Authority will make one more attempt to contact the applicant by mail. If the second application is returned undeliverable, the file will be documented as such. Tenants will not be penalized for not participating in the FSS Program since it is a voluntary program for voucher holders with the exception of the Welfare-To-Work (WTW) participants.

The FSS application process for WTW participants is handled in the same manner as stated in the preceding paragraph, however if the participant fails to return the application, the Housing Authority would propose termination on the grounds of non-compliance with program mandate.

Once an application is returned to the FSS office, eligibility is determined. If accepted, a Contract of Participation (CoP) is developed and an Individual Training and Services Plan (ITSP) is created. Following the CoP and ITSP being executed, participants are referred to an FSS case manager or to a contracted Community-Based Organization (CBO) to administer the case. If the application is not accepted, the tenant will be notified in writing within 5 calendar days. This applies to housing choice voucher applications only. All Welfare-To-Work applications are accepted.

18.7.2 FSS Eligible Families
[24 CFR §984.103]

FSS eligible families are housing choice voucher holders and/or residents of County Public Housing.

- “FSS family” or “participating family” means a family that receives assistance under Public Housing or the Housing Choice Voucher Program and elects to participate in the FSS Program and whose designated head of FSS family has signed the Contract of Participation.
- “Head of the FSS family” means the adult member of the FSS family who is the head of household for purposes of determining income eligibility and rent.

18.7.3 Denial of Participation
[24 CFR §984.302]

If a family previously participated in the FSS Program but did not meet its obligations and was terminated, the family may be denied future participation.

Families may be denied participation in the program if they owe the Housing Authority or any other housing agency money in connection with the Housing Choice Voucher Program or Public Housing assistance.

18.7.4 FSS Contract of Participation (COP)
[24 CFR §984.303]

Upon receipt of the application, the Housing Authority will prepare a Contract of Participation within 5 to 10 calendar days. The contract will contain the effective date as well as the expiration date. It will execute the resources and supportive service and outline the starting base for determining the escrow account. In addition, the contract will outline the guidelines for administering and disbursing the escrow funds [24 CFR §984.303(b)(1)].

Each family participating in FSS must execute a Contract of Participation with Housing Authority. The effective date of the contract will be the first of the month after the contract is executed. The limited term is 5 years. The contract may be extended in writing and at the family's request, for up to 2 years for good cause [24 CFR §984.303(c)].

The Housing Authority will only grant an extension in rare circumstances that are beyond the control of the family, and which prevent completion of the training and services plan [24 CFR §984.304(d)].

Termination of employment for nonperformance by the FSS head is not justification for a contract extension.

The Housing Authority may extend the CoP to allow families to meet the interim goal of being welfare-free at least 12 consecutive months prior to the expiration of the contract.

During an extension to the contract, the family continues to have FSS amounts credited to the escrow account.

The Housing Authority may set milestones for employment and other activities leading to self-sufficiency early in the 5-year contract term in accordance with the family's abilities.

The family's obligations may terminate before the end of the 5-year contract term, and the family's participation in FSS and entitlement to the escrow may be less than 5 years.

Three items of information must be entered into the contract to be valid:

- Gross Annual Income
- The amount of earned income in the gross annual income
- Family Rent (TTP or 30 percent of Monthly Adjusted Income for vouchers)

The CoP establishes an agreement between the family and the Housing Authority as to the responsibilities of each party. The contract is to be signed by the head of the FSS family, which is the head of household for purposes of determining eligibility. Copies of the documents will be furnished to the head of household.

The CoP may be modified in the following areas, if the Housing Authority and the family mutually agree [24 CFR §984.303(f)]:

- Individual Training and Services Plan
- The contract term (extension)
- Designation of the FSS head of the family in cases where the FSS head is deceased or becomes unassisted

A change in the designated FSS head must be included as an attachment to the Contract. It must contain the following:

- Name of new designated FSS head

- The signatures of the new FSS head and a Housing Authority representative
- The date signed

18.7.5 Compliance With The Lease
[24 CFR §984.303(b)(3)]

The Contract provides that the family must comply with the assisted lease. Therefore, noncompliance with County Housing Development lease, or the lease with the owner in the Housing Choice Voucher Program, is grounds for termination of the FSS Contract of Participation.

In the Housing Choice Voucher Program, if the violation of the lease is “serious or repeated,” the housing authority may also terminate program assistance.

The following representative(s) is/are authorized to execute a contract on behalf of the Housing Authority: Special Programs Administrator, FSS Coordinator, and FSS Program Specialist.

18.7.6 Individual Training and Service Plan (ITSP)
[24 CFR §984.303(b)(2)]

The contract must contain an ITSP for the FSS head of household. Other adult family members who wish to receive services must also have an individual training and services plan to participate in the FSS program. The resources and services to be provided must be contained in the plan. It must contain the milestones, interim goals and final goal for suitable employment.

18.7.6.1 Needs Assessment

The Housing Authority will perform a needs assessment with the family using various needs assessment tools. Upon completion of the assessment, FSS will be able to establish the milestones, and short- and long-term goals designated for the head of household on the ITSP and any other participating family members with an executed ITSP.

18.7.6.2 The Individual Training and Services Plan (ITSP)
[24 CFR §984.303]

Each individual FSS contract must contain an ITSP for the FSS head of household and any participating family member. The items included on the ITSP will include:

- The resources and services to be provided by the Housing Authority and contracted supportive services provider;
- The individual milestones, interim goals and final goal for suitable employment;
- Completion dates for each individual interim goals will be included on or before the contract expiration date;
- A mandatory interim goal for families receiving welfare is that all family members must be free of welfare assistance for 12 consecutive months

prior to the expiration of the contract (including extensions) [24 CFR §982.306(b)(2)];

- The requirement for the head of the FSS family to seek and maintain suitable employment throughout the term of the contract; and
- Each ITSP plan must be signed by the participant and a Housing Authority representative.

Any changes to the ITSP must be included as a revision to the original plan. The revision may be based on the following reasons: factors keeping the client from effectively becoming suitably employed, lack of supportive services, and unforeseen circumstances/barriers. The revision must include:

- The item changed;
- Signature of the participant and a Housing Authority representative; and
- The date signed.

18.7.7 Escrow Accounts **[24 CFR §984.305]**

The general concept of the escrow account is that FSS families continue to pay rent in accordance with their incomes (even as their incomes increase due to employment income). As a rule, the amount of the increase in earned income is escrowed. Because there are other factors that affect the family rent, it will not necessarily be dollar for dollar. The amount escrowed for the family will depend on whether the family is considered a very low- or low-income family.

- **Disbursing the FSS Escrow Account:** The amount in an FSS account, in excess of any amount owed to the Housing Authority by the FSS family, is paid to the head or designated remaining family member of the FSS family [24 CFR §984.305(c)(1)]:
 - When the contract of participation has been completed; and
 - When, at contract completion, the head of the family certifies that no family member receives Federal or state welfare assistance.
- **Interim Disbursement:** The Housing Authority may, at its sole option, disburse a portion of the funds from the family's escrow account during the contract period for contract-related expenses if the family has fulfilled certain interim goals and needs a portion of the FSS account funds for purposes consistent with contract such as [24 CFR §984.305(c)(2)]:
 - School tuition;
 - Business start-up expenses;
 - Car when public transportation is unavailable or inaccessible to the family; or
 - Job training expenses.

The family may use the final disbursement of escrow account funds without restriction.

The Housing Authority cannot restrict a family's use of FSS escrow account funds withdrawn by the family unless the funds are withdrawn to aid in the completion of an interim goal.

- If a family receives an advance payment from their escrow account prior to completing the Contract, the advance payment does not have to be repaid to the Housing Authority if the family drops out of the FSS program, unless the payment was due to fraud or misinformation by the family.

If the family moves outside of the Housing Authority's jurisdiction under the Housing Choice Voucher Program portability procedures, the Housing Authority may transfer the balance of the family's FSS escrow account to another public housing agency [24 CFR §984.306(e)].

18.7.7.1 Forfeiting the FSS Escrow Account [24 CFR §984.305(f)]

Amounts in the FSS escrow account will be forfeited if:

- The Contract of Participation is terminated;
- The Contract of Participation is completed but the family is receiving welfare assistance when the contract expires, including extensions; or
- The head of the family dies and the remaining members of the family choose not to continue participating in the program, and the contract obligations have not been met.

If families do not pay their rent to the owner, the funds may be forfeited because:

- Compliance with the applicable housing choice voucher or Public Housing lease is a family obligation under the Contract, and
- Nonpayment of rent is grounds for terminating a family's FSS participation and forfeiture of the escrow.

In the housing choice voucher program, FSS account funds forfeited by the family will be treated as program receipts for payment of program expenses under the Housing Authority's Housing Choice Voucher Program budget. Escrow funds may be used by the Housing Authority for HUD-approved expenses; such expenses may include rental assistance payments.

In Public Housing, the forfeited account will be credited to the Housing Authority's operating reserves and counted as other income in the calculation of the PFS operating subsidy eligibility for the next budget year. The escrow funds may be used by the Housing Authority for HUD-approved expenses such as Public Housing maintenance costs.

18.7.8 Change in Family Composition

If the head of the FSS family no longer resides with other family members in the assisted unit, the remaining family members of the family will have the right to designate another family member to receive the funds. The Housing Authority must be consulted and must approve this change.

If a family with two adults splits up, the Housing Authority will determine if the escrow should be paid. The family may be paid if the family member that continues to reside in a Housing Development and/or retains the rental assistance through the Housing Choice Voucher Program:

- Is already head of the FSS family, or
- Was not designated as head of the FSS family but now designates himself or herself to receive the escrow account.

18.7.9 FSS Termination/Cancellation/Portability
[24 CFR §984.303(h)]

The Housing Authority is responsible for determining whether the family has violated the FSS contract and whether the family's rental assistance should be terminated.

18.7.9.1 FSS Termination Due To Portability
[24 CFR §984.306(f)]

Where the family is relocating and is not absorbed by the receiving housing authority under the portability regulations, and is participating in the receiving housing authority's FSS Program, the Housing Authority must abide by the termination decision of the receiving housing authority.

If a relocating FSS family is unable to fulfill its obligation under the FSS contract, the Housing Authority or the receiving public housing agency, whoever is party to the FSS Contract of Participation may:

- Terminate the family from the FSS Program and the family's FSS account will be forfeited, and
- Terminate the family's rental assistance since the family failed to meet its obligations under the FSS contract. This is applicable to Welfare-to-Work participants only.

If the family's FSS account is forfeited, the funds in the account will revert to the housing authority maintaining the FSS account for the family and will be treated as program receipts.

**CHAPTER 19:
ENHANCED HOUSING CHOICE VOUCHER ASSISTANCE
[24 CFR §886 & §882]**

19.1 INTRODUCTION

Enhanced voucher assistance will be offered to eligible residents under the following categories of Housing conversion actions - owner opt-outs and preservation prepayments, who are residing in the property on the date of the eligibility event (the contract expiration or the effective date of the prepayment).

In addition, although families affected by Section 8 moderate rehabilitation opt-outs are eligible for enhanced vouchers which are subject to the policies described by this section, these opt-outs are not considered a housing conversion action because the expiring contract is between the owner and the Housing Authority.

Families residing in eligible project-based developments on the date of the owner's prepayment/termination/opt-out will be offered a subsidy (enhanced voucher) if they meet other eligibility criteria. A family will be required to contribute a minimum amount toward rent.

Unlike a regular voucher, the subsidy is "enhanced" to cover the difference between the normally applicable payment standard and the possibly higher proposed rent of the unit that is going through the housing conversion action and Moderate Rehabilitation program opt-outs.

19.2 TERMS/PROVISIONS

The residents of the project-based program under the HUD Section 8 Contract are eligible to receive an Enhance Housing Choice Voucher if the participant eligibility screening is approved, including the criminal background check requirement.

The Housing Authority issues a family an enhanced voucher based on the number of bedrooms the family qualifies for under the current subsidy standards, not actual size of the unit the family is occupying. If the bedroom size of the family's unit exceeds the number of bedrooms the family qualifies for under the current subsidy standards the family is *over-housed*.

19.2.1 Characteristics of Enhanced Voucher Assistance

Enhanced vouchers have several special requirements but in all other respects are subject to normal housing choice voucher program rules.

1. Payment standard where the family chooses to stay in the same project.

For families who choose to remain in place, the payment standard equals the new proposed gross rent. The payment standard equals the new gross rent for the unit after the opt-out or prepayment (provided the gross rent is reasonable based on comparable units).

If the Total Tenant Payment (TTP) exceeds the applicable payment standard at conversion, then the tenant is not eligible for assistance.

2. Payment standard where the family chooses to move.

In all cases where the family decides to move from the development, HCV rules apply. (The payment standard equals the lesser of the new gross rent or payment standard).

This payment standard includes situations where the family must move in order to receive assistance because the proposed new rent for the family's current unit in the preservation/opt-out development is reasonable in relation to comparable units.

3. Rent Reasonableness

When an in-place family receives an enhanced voucher, the Housing Authority ensures the rent reasonableness of the proposed gross rent for the family.

4. Minimum Rent Requirement

All families who stay in their current unit or move to an appropriate size unit within the same development and receive assistance with an enhanced voucher (whether previously assisted or non-assisted) are subject to a statutory minimum rent. The minimum rent is the amount of rent the family was paying on the date of the conversion action or Section 8 Moderate Rehabilitation owner opt-out. The minimum rent represents the lowest amount the family may pay as their family contribution. Depending on the circumstances, the family may have to pay more than the minimum rent.

5. Calculating HAP Payments

When a family with an enhanced voucher remains in-place (or moves to an appropriate size unit within the development) AND the new gross rent exceeds the applicable payment standard and is rent reasonable; the HAP equals the new gross rent for the unit minus the GREATER of:

- 30% of the monthly adjusted family income, or
- 10% of the family gross income, or
- The gross rent (TTP or family contribution for an assisted family) that the family was paying on the date of the prepayment/termination; i.e. minimum tenant rent.

19.2.2 Availability of Appropriate Size Units in the Project

The over-housed family must move to an appropriate size unit in the project if one is available in order to receive enhanced voucher assistance. The enhanced voucher housing assistance payment calculation is based on the gross rent of the appropriate size unit.

19.2.3 No Appropriate Size Units Currently Available in the Project

If there is no appropriate size unit current available for the family in the project, the Housing Authority executes a HAP contract on behalf of the family for the oversized unit, provided the rent is reasonable and the unit complies with all other program requirements such as the housing quality standards.

The enhanced voucher housing subsidy calculation is based on the gross rent for the oversized unit. The subsidy calculation will continue to be based on the gross rent (including subsequent rent increases) for the oversized unit until an appropriate size unit in the project becomes available for occupancy for the family.

19.2.4 Actions when Appropriate Size Units Later Become Available in the Project

The owner must immediately inform the Housing Authority and the family when an appropriate size unit will become available in the project. When an appropriate size unit becomes available, the family residing in the oversized unit must move to the appropriate size unit within 60 days to continue to receive enhanced voucher assistance. Extensions may be authorized as a reasonable accommodation. Such matters will be considered on an individual basis and must be supported by verifiable third-party documentation from a qualified professional with direct experience with the individual's disability.

The family and owner will enter into a new lease and the Housing Authority will execute a new HAP contract with the owner for the appropriate size unit. The enhanced voucher subsidy calculation is based on the gross rent for the appropriate size unit.

If an over-housed enhanced voucher family refuses to move to the appropriate size unit, staff will calculate the family's housing assistance payment (HAP) for the oversized unit based on the current applicable voucher subsidy formula using the applicable payment standard. The family will be responsible for any amount of the gross rent not covered by the housing assistance payment.

19.2.5 Decrease in Family Size or Change in Family Composition

If, as a result of a decrease in family size or change in family composition, an enhanced voucher family later becomes over-housed, the same policy regarding over-housed enhanced voucher families would apply. The family would continue to receive enhanced voucher assistance in the oversized unit until such time that an appropriate size unit becomes available for occupancy by the family in the project.

If an over-housed enhanced voucher family refuses to move to the appropriate size unit, staff will calculate the family's housing assistance payment (HAP) for the oversized unit based on the current applicable voucher subsidy formula using the applicable payment standard. The family will be responsible for any amount of the gross rent not covered by the housing assistance payment.

If there are more over-housed families than the number of available appropriate size units at any given time, the Housing Authority will require families to move to the appropriate size unit according to the date of their initial lease. If the family is

unable to move due to a disability and a reasonable accommodation has been approved, we will move to the next household by date of their initial lease.

Families who choose to vacate, the enhance voucher becomes regular housing choice voucher and the eligibility requirements policy is the same as for screening regular admissions for the Housing Choice Voucher Program. Families are also eligible for portability and the minimum rent requirement is no longer applicable.

19.3 COVERED HOUSING CONVERSION ACTIONS

There are two types of housing conversion actions that the property owners can choose: preservation pre-payment or opt-out.

1. Pre-payment date is the date the owner officially “pays off” their HUD-insured mortgage. The property is no longer considered a Project-Based or Affordable Development, and the owner is free to increase rents to market levels. As early as 60 days after this “pre-payment date,” the residents are no longer protected by the subsidy or affordable rents.
2. Opt-out is where owners elect to discontinue the existing contract with HUD and no longer desire to participate in any subsidy program. In cases when owners pre-pay either their mortgage loan or opt-out of the Section 8 Housing Assistance, federal law requires that owners provide the tenants with a 1-year notification before the expiration of the Section 8 Contract. The owners are required to give proper notice of intent to pre-pay or opt-out to HUD, a notice of intent to pre-pay loan to California Housing Partnership Office, the Participant City, the local Housing Authority, and the Legal Aid Foundation. These notifications must be sent at least 1 year in advance, along with the notice of intent to increase the rent with a minimum of 60-day notice to the tenants of such a rent increase.

19.3.1 Family Eligibility for Enhanced Vouchers

Preservation Prepayment: A family/individual is eligible to receive an enhanced voucher subsidy due to a preservation prepayment in an eligible development on the effective date of prepayment or voluntary termination of mortgage insurance and is income-eligible on that effective date:

- The family is an elderly or disabled moderate-income family; (at least 80% but does not exceed 95% of area median income); or
- The family annual income is low (at or below 80% of area median income) or very low-income (at or below 50% of area median income); or
- A moderate-income family residing in a low vacancy area (3% or less vacancy rate) as determined by the local HUD office; and
- The family resides in the development on the conversion date; and
- The unit is an appropriate size; and passes HQS.

A family not qualified in one of the categories on the effective date of the prepayment/termination is not eligible, regardless of whether the family's income situation changes during the next 12 months.

Unassisted and Assisted Families: Both unassisted and assisted families may be eligible for the enhanced voucher subsidy.

- Assisted Families are families residing in the development at the time of the prepayment/termination who currently receive tenant-based rental assistance from a local PHA. These participants must abide by the special provisions of the enhanced vouchers if the family chooses to remain in the unit. Continued residency at the development invokes minimum rent requirements.
- Unassisted Families are families residing in the development at the time of the prepayment/termination and are not current tenant-based voucher recipients.

Opt-Out: A family is eligible to receive an enhanced voucher subsidy due to an owner electing not to renew an expiring Section 8 project-based contract (Opt-Out) if:

- The family has an annual income that is at or below 80% of area median income, and
- The family resides in a unit covered by the expiring contract on the date of the expiration, and
- The amount the family pays for gross rent exceeds 30% of their adjusted monthly income as a result of the owner's rent increase, and
- The unit the family presently occupies or chooses to occupy is an appropriate sized unit and passes an HQS inspection.

19.4 DENIAL OF ENHANCED VOUCHER SUBSIDY

The Housing Authority may deny a family an enhanced voucher for the same reasons listed for denial of rental assistance in the regular HCV program, including income ineligibility, delinquencies, classification as a lifetime sex offender, or for other criminal activity.

The Housing Authority must provide a family that is denied assistance an opportunity for an informal review according to Section 2.11.

CHAPTER 20: MODERATE REHABILITATION PROGRAM [24 CFR §882]

20.1 INTRODUCTION

The Moderate Rehabilitation (Mod Rehab) Program was designed in 1978 to be an expansion of the rental certificate program. The rental certificate program was initially amended to permit moderate levels of rehabilitation to upgrade and preserve the housing stock. The rental certificate program required a minimum expenditure of \$1,500 in repairs to meet the program housing quality standards.

After the work was completed, owners entered into a 15-year Housing Assistance Contract with the local housing authority. Using this 15-year rental certificate contract, the housing authority helped the owner repay the loan by subsidizing the rents of low-income participants at a higher-than-fair market rate. The contract tied rental subsidies to the building not the participant. Although funding is no longer available for new participants, the Assisted Housing Division continues to administer existing contracts under this program. **Mod Rehab policies and procedures are the same as those of the Housing Choice Voucher program except as otherwise noted. If there is a conflict between program regulations and the Admin Plan, the program regulations have precedence.** For the re-examination process for the participant, see Chapter 12 (Re-Examination). On family obligations, see Chapter 15 (Family Obligations). These rulings apply to the Section 8 Certificate Program and the Housing Choice Voucher Program.

20.2 THE EXPIRED 15-YEAR CONTRACTS

To date, many of the 15-year contracts have now expired. HUD has authorized housing authorities to extend expiring Moderate Rehabilitation Contracts under certain conditions. These conditions are as follows:

- The project must have five or more units. If a building has five or more units, but only one of the units is under Moderate Rehabilitation Program then the unit is covered under the contract. The building still qualifies for an extension because the requirement is tied to the project not the contract.
- The owner must be in good standing with the current contract. Examples of non-compliance: on-going non-compliance with the Housing Quality Standard inspections.

20.3 REQUESTING AN EXTENSION

The Housing Authority closely monitors the expiration dates for all Moderate Rehabilitation contracts and mails the owners a letter asking owners if they would like to request an extension. Owners need to reply immediately to this letter if they wish to extend another year. The extension of the contract is a 1-year extension. HUD has allowed the Housing Authority to continue to extend the “extension” contract for another year. This has been the practice since 1996.

However, there is no guarantee that the contracts will continue to be extended in the future.

If an owner does not wish to extend the Mod Rehab Contract for their building, they are under no obligation to extend the contract. Rules governing the Moderate Rehabilitation program require that the owners give their tenants 1-year notice in advance of the expiration of the contract and their intent to opt-out of the program. The families will receive enhanced vouchers and have the right to remain in the units as long as the units are used for rental housing. If the family chooses to vacate the Mod Rehab unit, then the family will be given a Housing Choice Voucher.

If an owner does not provide a family with the required notice, the family is protected as if they were under an assisted tenancy until 1 year from the time the owner actually provides the notice. This means that if the owner elects not to renew the contract and the family chooses to remain in the unit as an unassisted tenant, the owner will be required to accept the family portion of the rent as full payment until he/she has complied with the notification requirement.

20.4 ANNUAL INCREASE FOR THE EXPIRED 15-YEAR CONTRACTS

The Housing Authority will mail the owner a letter regarding their upcoming expiration date and advise them of their annual increase that may be granted to them providing that they choose to extend their contract. The owner must respond immediately for an extension so that the Housing Authority can expedite the process to secure funding for the new coming year.

The methodology used to calculate the rent that an owner may be eligible to receive under the renewal contract is different. To determine the rent under the extension contract the Housing Authority must compare the following three rent analyses:

- Existing contract rents multiplied by the Operating Cost Adjustment Factors (OCAF);
- The Mod Rehab FMR (120% of the existing Fair Market Rents) minus the Utility allowance; and
- Comparable market rents

The rent under the extension contract is based on the lowest of the above three figures. The Housing Authority will complete this analysis for the building and provide the owner with a copy.

For the participant's re-examination process, see Chapter 12 (Re-Examination). For family obligations, see Chapter 15 (Family Obligations). These two rulings apply to the Section 8 Certificate Program and the Housing Choice Voucher Program.

20.5 NON-EXPIRED MOD REHAB CONTRACTS

For those Mod Rehab contracts that have not reached their 15-year contract, the annual increases may be granted providing:

- The owner submits a proper 60-day notice, prior to the anniversary date, of their rent increase amount to the Housing Authority.
- The new rent increase does not exceed the annual adjustment factor and comparables justify the increase.
- The unit has passed the annual inspection.

20.6 REQUEST TO MOVE

Since the assistance is attached to the unit and not the participant, assistance will be terminated for participants who relocate from their Mod Rehab unit. Participants who were selected from the Housing Choice Voucher waitlist and have been issued a voucher must submit their proper 30 day notice to their owner and mail a copy to the Housing Authority prior to vacating their unit. At the time of vacate an owner may claim vacancy loss (see Owner Claims 20.14) waiting lists.

20.7 WAITING LIST **[24 CFR §882.513]**

The Housing Authority will use a separate waiting list for each project under the Mod Rehab program. Applicants currently on the tenant-based assistance waiting list will be given an opportunity to place their name on a Mod Rehab waiting list, with their original date and time intact. If a new applicant applies to the tenant-based waiting list, the applicant will be given the opportunity to also place their name on any open Mod Rehab waiting list.

If a Mod Rehab waiting list is opened to the public, it will be advertised on the Housing Authority's website, along with its admissions preferences, in accordance with HUD fair housing guidelines and using the equal housing opportunity logotype, statement and slogan.

20.8 REFERRALS **[24 CFR §882.514]**

All assisted units must be leased to families found eligible and referred to the owner by the Housing Authority from the Housing Authority's waiting list. Admissions procedures will follow those outlined in Chapter Four of this Plan.

When vacancies occur, the Housing Authority will refer to the owner one or more appropriate size families on its waiting list.

If the Housing Authority is unable to refer a sufficient number of interested applicants on the waiting list to the owner within 30 days of the owner's notification to the Housing Authority of a vacancy, the owner may advertise or solicit applications from income-eligible families and refer them to the Housing Authority to determine eligibility.

Since the owner is responsible for tenant selection, the owner may refuse any family provided that the owner does not unlawfully discriminate. Should the owner reject a family and should the family believe that the owner's rejection was the result of unlawful discrimination; the family may request the assistance of the

Housing Authority in resolving the issue. If the issue cannot be resolved promptly, the family may file a complaint with HUD, and the Housing Authority may refer the family to the next available Moderate Rehabilitation unit.

20.9 NEW LEASE PROCESS

Once the applicant has been determined eligible by the Housing Authority for the Mod Rehab program, the Housing Authority will contact the applicant and schedule them for a briefing. After the briefing the applicant will then be referred to the owner for tenancy approval (this includes the owner selection process in section 20.8 Referrals). Once the tenant is approved by the owner, the Housing Authority will contact the owner/manager to schedule a new lease inspection. The unit is subject to lead-based paint requirements specified at 24 CFR §882.404(d). Chapter 10 (Housing Quality Standards and Inspections) contains details on inspections.

Upon passing of the initial inspection, the Housing Authority will contact the owner to obtain the new lease which will include the effective date and security deposit information.

Upon receipt of the signed lease, the Housing Authority will release the HAP payment to the owner.

20.10 SECURITY DEPOSITS **[24 CFR §882.414]**

If at the time of the initial execution of the lease the owner wishes to collect a security deposit, the maximum amount shall be the greater of one month's Total Tenant Payment or \$50. For units leased in place, security deposits collected prior to the execution of a Contract which are in excess of this maximum amount do not have to be refunded until the family vacates the unit subject to the lease terms. The family is expected to pay security deposits and utility deposits from its resources and/or other public or private sources.

20.11 OVERHOUSED AND UNDERHOUSED TENANTS **[24 CFR §882.509]**

If the Housing Authority determines that a unit is not decent, safe, and sanitary by reason of an increase in family size or that a unit is larger than appropriate for the size of the family according to the Housing Authority's occupancy standards, housing assistance payments with respect to the unit will not be abated.

The owner must offer the family an appropriate size unit should one be available and the family will be required to move. If the owner does not have a suitable available unit, the Housing Authority will assist the family in locating other standard housing in the area within the Family's ability to pay. The family will be required to move to such a unit as soon as possible.

In no case will a family be forced to move nor will housing assistance payments under the Contract be terminated unless the family rejects, without good reason, the offer of a unit which the Housing Authority judges to be acceptable.

20.12 TERMINATION OF TENANCY
[24 CFR §882.511]

The owner must not terminate or refuse to renew a family's lease, except on the following grounds:

- (1) Serious or repeated violation of the terms and conditions of the lease.
- (2) Violation of applicable Federal, State or local law.
- (3) Other good cause.

20.12.1 Notice of Termination of Tenancy

The Owner must serve a written notice of termination of tenancy on the family which states the date the tenancy shall terminate. Such date must be in accordance with the following:

- (i) When termination is based on failure to pay rent, the date of termination must be not less than five working days after the family's receipt of the notice.
- (ii) When termination is based on serious or repeated violation of the terms and conditions of the lease or on violation of applicable Federal, State or local law, the date of termination must be in accordance with State and local law.
- (iii) When termination is based on other good cause, the date of termination must be no earlier than 30 days after the notice is served on the family.

The notice of termination must:

- (i) State the reasons for such termination with enough specificity to enable the family to prepare a defense.
- (ii) Advise the family that if a judicial proceeding for eviction is instituted, the tenant may present a defense in that proceeding.
- (iii) Be served on the family by sending a prepaid first class properly addressed letter (return receipt requested) to the tenant at the dwelling unit or by delivering a copy of the notice to the dwelling unit.

20.12.2 Continuation of Housing Assistance Payments

A family's eligibility for Housing Assistance Payments shall continue until the Total Tenant Payment equals the gross rent. The termination of eligibility for HAP at such point will not affect the family's other rights under its lease, nor will such termination preclude the resumption of payments as a result of later changes in income, rents or other relevant circumstances during the term of the Contract.

20.13 OWNER CLAIMS

Under the Moderate Rehabilitation Program, owners may make a special claim for damages, unpaid rent, and vacancy loss after the tenant has vacated the unit. Owner claims for payment for unpaid rent, damages, or vacancy loss will be reviewed for accuracy and completeness and compared with records in the file. The Housing Authority establishes standards by which to evaluate claims, but the burden of proof rests with the owner.

If vacancy loss is claimed, the Housing Authority will ascertain whether the family gave proper notice of its intent to move. The file will also be reviewed to verify owner compliance at the time the contract was terminated.

The Housing Authority will pay properly filed claims to the owner as a function of the contract; however, any amount paid to the owner by the tenant will be reimbursed to the Housing Authority from the owner.

20.13.1 Unpaid Rent **[24 CFR §882.414 (d)]**

Unpaid rent only applies to the tenant's portion of rent while the tenant is in residence under the assisted lease and only until the termination date of the HAP contract.

Separate agreements are not considered a tenant obligation under the lease and the Housing Authority will not reimburse the owner for any claims under these agreements.

20.13.2 Vacancy Loss **[24 CFR §882.411]**

Vacancy loss under the Mod Rehab Program is paid if an eligible family moves from the assisted unit, unless the move was a consequence owner action in violation of the lease or contract..

In order to claim vacancy loss, the unit must be available for lease and the landlord must:

1. Notify the Housing Authority within 72 hours upon learning of the vacancy, or prospective vacancy, and
2. The Housing Authority will require documentation from the owner that the owner pursued all possible activities to fill the vacancy, including, but not limited to:
 - Not rejecting potentially eligible applicants except for good cause acceptable to the Housing Authority; or
 - Providing a list of income-qualified applicants to the Housing Authority in the case where the Housing Authority's waiting list cannot provide sufficient eligible applicants for the unit. The owner must document that attempts to find eligible applicants, such as:
 1. Contacting applicants on the owner's waiting list, if any;
 2. Advertising the availability of the unit.

When a tenant moves, the landlord may claim vacancy loss for the amount of Housing Assistance Payment (HAP) the owner was entitled to for the rest of the month in which the tenant vacated. Additionally, the owner may receive HAP in an amount not to exceed 80% of the contract rent for an additional month. However, if the owner collects any of the family's share of the rent for this period, the payment must be reduced to an amount which, when added to the family's payment, does not exceed 80 percent of the Contract Rent. Any such excess must be reimbursed by the owner to the Housing Authority.

In the event that a unit becomes vacant because of death, the Housing Authority will permit the owner to keep the HAP for the month in which the tenant died, but will pay no further HAP.

20.13.3 Damage Claims

To ensure valid claim processing, the Housing Authority will conduct a thorough move-in inspection noting conditions as well as HQS deficiencies, take pictures of questionable items, and send a report of all items to the owner and tenant.

The owner must be present during the move-out inspection and only damages claimed by the owner are reimbursable.

All claims for damages must be supported by the actual bills for materials and labor and a copy of the canceled checks or other receipts documenting payment. Estimates are accepted at the discretion of the Housing Authority depending upon the nature of the work to be done.

Bills from individuals providing labor must include their name, Social Security number, address and phone number. The owner may not bill himself/herself for labor since that is not considered by the Housing Authority to be an "actual cost". However, the actual cost of the owner's employees' labor, such as the resident manager, to make repairs may be included.

Persons making repairs or replacements must be licensed to do business in Los Angeles County.

Reasonableness of costs will be based on practices consistent with industry standard.

The Housing Authority may require verification of purchase date, quality, and price of replaced items in order to calculate depreciation.

Claims for unpaid utility bills cannot be approved as part of a claim.

Claims for normal wear and tear, previously existing conditions, routine turnover preparation, and cyclical interior painting are not paid.

The Housing Authority will inspect the unit to verify that repairs were made.

20.13.4 Move-Out and Close-Out Inspections

Move-out (vacate) inspections are performed for the Mod Rehab Program after the tenant has vacated the unit. These inspections are performed by Program Specialists/Inspectors to assess the condition of the unit, not to evaluate the HQS.

The owner must notify the Housing Authority of the move-out and request an inspection within 5 calendar days of learning of the move-out, or contract termination, whichever is first, in order to submit a claim for damages.

If the contract was terminated due to owner breach, or the owner was in violation of the contract at the time that it was terminated, there will be no entitlement to claims and therefore no inspection.

The owner and tenant will be notified of the date and time of the inspection. If the owner is not present, the move-out inspection will not be rescheduled.

The Housing Authority will conduct a move-out inspection on the tenant's request.

In the event that the Housing Authority is unable to inspect within 10 calendar days, the owner will be permitted to use date-stamped photographs to substantiate the claim.

20.13.5 Processing Claims **[24 CFR §882.414]**

Any amount owed by the tenant to the owner for unpaid rent or damages will first be deducted from the maximum security deposit that the owner could have collected under the program rules. If the maximum allowable security deposit is insufficient to reimburse the owner for the unpaid tenant rent or other amounts which the family owes under the lease, the owner may request reimbursement from the Housing Authority for the lesser of:

1. The remainder of the amount owed to the owner; or
2. Two months' contract rent minus the greater of the actual amount of the security deposit collected or the maximum amount of security deposit that could have been collected. However, no reimbursement may be requested for unpaid rent after the period in which the family vacates the unit.

20.13.6 Other Requirements for Claims Processing

- The Housing Authority will require proof that the owner has complied with State and local laws applicable to security deposits before making payment on any claim.
- All notices to tenants during the processing of a claim must include proof of mailing or of personal delivery.
- Costs of filing eviction to remove the tenant or any other legal fees, shall not be reimbursed.

All unpaid rent, damage, and vacancy loss claim forms must be fully complete when they are submitted, and they must be submitted within 30 calendar days of the date the owner learned of the move-out.

CHAPTER 21: PROJECT-BASED VOUCHERS

21.1 INTRODUCTION **[24 CFR 983.5]**

The Project-Based Voucher (PBV) program is administered by Public Housing Authorities who also administer the tenant-based Housing Choice Voucher program, or Section 8. PBV is assistance that is tied directly to a unit in an approved project, unlike HCV, where assistance is tied to the participant. The policies regarding the Housing Choice Voucher program apply to the PBV program, except where they are specifically altered in this chapter.

In administering the Project-Based Voucher program, the goals of this Housing Authority are to:

- Attract more affordable developments to the Housing Authority's jurisdiction;
- Preserve affordable units that might otherwise become market-rate units;
- Increase affordability of housing for families making below 30% of the area median income; and
- Further HUD and Housing Authority goals of deconcentration.

The Housing Authority may enter into contracts for Project-Based Vouchers based on the policies outlined in this chapter.

21.2 LEVEL OF ASSISTANCE **[24 CFR 983.6]**

The Housing Authority will appropriate no more than 20% of the Section 8 budget authority for Project-Based Vouchers.

21.3 OWNER PROPOSAL SELECTION PROCEDURE **[24 CFR 983.51]**

The Housing Authority may use one of the following methods to select owner proposals:

1. Request for Proposal (RFP): The Housing Authority may issue a competitive request for PBV proposals. An RFP may not be limited to a single site and may not impose restrictions that practically preclude owner submission of proposals for PBV on different sites.

The Housing Authority will publish an RFP in at least one newspaper of general circulation, as well as post the RFP on the Housing Authority website. The submission deadline will be included in the RFP and a detailed application and selection criteria will be provided to all interested parties.

2. At the discretion of the Housing Authority, projects may be selected for PBV assistance using proposals for housing developed using federal,

state, or local government housing assistance, community development, or a supportive services program that requires competitive selection of proposals (e.g., HOME, competitively-awarded Low-Income Housing Tax Credit, City of Industry Funds), where the proposal has already been selected in accordance with such program's competitive selection requirements within three years of the Housing Authority's PBV selection date, and the earlier selection proposal did not involve any consideration that the project would receive Housing Authority PBV assistance.

Once a project is selected to receive PBV assistance, the Housing Authority will give public notice of its selection on its website at www.hacola.org.

21.4 HOUSING ELIGIBLE FOR ASSISTANCE **[24 CFR 983.52 AND 983.53]**

The Housing Authority will consider proposals for existing and newly constructed and rehabilitated housing.

The following types of housing are ineligible under the Project-Based Voucher Program:

- Shared housing;
- Units on the grounds of a penal, reformatory, medical, mental, or similar public or private institution;
- Facilities providing continuous medical or related care, except an assisted-living facility that provides home health care services;
- Units owned by an educational institution that are designated for occupancy by students of the institution;
- Manufactured homes;
- Transitional housing;
- Units occupied by owners; and
- Units occupied by ineligible families.

21.5 LIMITS ON ASSISTANCE **[24 CFR 983.56]**

The Housing Authority may only provide Project-Based Voucher assistance to up to 25% of the units in a selected project.

Units excepted from this rule are:

- Units that house elderly or disabled families; and
- Families receiving qualified supportive services.

More than 25% of the units in a single-family building (a building with no more than 4 dwelling units) may be assisted with PBV.

21.5.1 Qualified Supportive Services

Units occupied by families receiving qualified supportive services are excepted from the 25% cap on PBV assistance within a single development. Examples of supportive services that qualify for an exception include, but are not limited to:

- Family Self-Sufficiency (FSS) program;
- Welfare-to-Work
- Psychological or medical services
- Drug or alcohol rehabilitative treatment
- Job training or placement services
- Education program where there is a reasonable expectation of leading to self-sufficiency

21.5.2 Qualifications for Supportive Services

It is not necessary that the supportive services be provided at or by the project.

At least one member of the family must be receiving the supportive service for the unit to remain excepted from the 25% cap.

Participation in medical- or disability-related services is not required as a condition of living in an excepted unit, other than a drug and alcohol treatment program for current abusers, although such services may be offered.

21.5.3 Supportive Services Monitoring

Participant compliance with a supportive service contract will be monitored at least annually. The Housing Authority will request a status update for the participant's supportive service contract at the anniversary of said contract. The Housing Authority may request a status update on the supportive service contract more frequently, at its discretion.

Providers of supportive services must provide the Housing Authority any changes to the program within thirty days of when those changes occur. Providers must also immediately report to the Housing Authority when a family fails to meet the supportive service contract requirements.

21.5.4 Failure to Meet Supportive Service Requirements

When a family living in an excepted unit fails to meet the requirements of a supportive service contract, and is living in the excepted unit because of the supportive services received, the Housing Authority will propose termination of the contract. The family will not be issued a voucher to move.

The owner and participant will be given a sixty-day notice of the proposed termination of the HAP contract. The owner may at that time terminate the lease and issue an order to vacate by the HAP contract termination date.

If a family fails to meet the requirements of the supportive service contract for good cause, as determined by the Housing Authority, and is qualified to become reinstated in the supportive service program within a reasonable time period, the

Housing Authority may counsel the family on its obligations and allow reinstatement of the supportive service contract.

21.6 PROJECT SELECTION CRITERIA
[24 CFR 983.57]

The following criteria will be considered when evaluating proposals for Project-Based Voucher assistance:

1. Housing that serves homeless families;
2. Housing that serves disabled families or individuals;
3. Housing that serves elderly families or individuals;
4. Housing that serves families with children, consistent with the needs indicated by HACoLA's waiting list; and/or
5. Other documented needs
6. Serving very low-income families in mixed-income projects;
7. Other appropriate criteria consistent with regulation.
8. Housing that provides an appropriate level of supportive services to residents;
9. Housing that serves low- to extremely low-income families for the life of the project;
10. Other criteria consistent with regulation.

21.6.1 Selection Requirements for All Housing Types

A project may be selected to receive PBV assistance only if it is or will be located in a census tract that meets one of the following criteria:

- (i) A HUD-designated Enterprise Zone, Economic Community or Renewal Community;
- (ii) The concentration of assisted units will be or has decreased as a result of public housing demolition;
- (iii) Is undergoing significant revitalization;
- (iv) State, local, or federal dollars have been invested in the area that has assisted in the achievement of the statutory requirement;
- (v) New market rate units are being developed that will positively impact the poverty rate in the area;
- (vi) Meaningful opportunities for educational and economic advancement exist.

Additionally, the site must be suitable in terms of furthering and facilitating all Fair Housing requirements.

The site must also meet the HQS site and neighborhood standards found in section 10.3.11 of this Plan.

**21.6.2 Requirements For Selecting Existing and Rehabilitated Housing
[24 CFR 983.151]**

The Housing Authority will select only existing and rehabilitated housing projects that meet the following criteria:

- (1) The site is adequate in size, exposure, and contour to accommodate the number and type of units proposed, and adequate utilities and streets must be available to service the site. (The existence of a private disposal system and private sanitary water supply for the site, approved in accordance with law, may be considered adequate utilities.)
- (2) Promote greater choice of housing opportunities and avoid undue concentration of assisted persons in areas containing a high proportion of low-income persons.
- (3) Be accessible to social, recreational, educational, commercial, and health facilities and services and other municipal facilities and services that are at least equivalent to those typically found in neighborhoods consisting largely of unassisted, standard housing of similar market rents.
- (4) Be so located that travel time and cost via public transportation or private automobile from the neighborhood to places of employment providing a range of jobs for lower-income workers is not excessive. This requirement does not apply to senior projects.

21.6.3 Requirements for New Construction Housing

The Housing Authority will select only new construction housing projects that meet the following criteria:

- (1) The site must be adequate in size, exposure, and contour to accommodate the number and type of units proposed, and adequate utilities (water, sewer, gas, and electricity) and streets must be available to service the site.
- (2) The site must not be located in an area of minority concentration, except as permitted under number (3) of this section.
- (3) A project may be located in an area of minority concentration only if:
 - (i) Sufficient, comparable opportunities exist for housing for minority families in the income range to be served by the proposed project outside areas of minority concentration;
 - a. Application of this sufficient, comparable opportunities standard involves assessing the following factors:
 - i. Significant number of assisted housing units is available outside areas of minority concentration.
 - ii. There is significant integration of assisted housing projects constructed or rehabilitated in the past 10 years, relative to the racial mix of the eligible population.

- iii. There are racially integrated neighborhoods in the surrounding area.
 - iv. Minority families have benefited from local activities (e.g., acquisition and write-down of sites, tax relief programs for homeowners, acquisitions of units for use as assisted housing units) undertaken to expand choice for minority families outside of areas of minority concentration.
 - (v) Comparable housing opportunities have been made available outside areas of minority concentration through other programs.
 - (vi) The project is necessary to meet overriding housing needs that cannot be met in that housing market area.
 - 1. Application of the “overriding housing needs” criterion may permit approval of sites that are an integral part of an overall local strategy for the preservation or restoration of the immediate neighborhood and of sites in a neighborhood experiencing significant private investment that is demonstrably improving the economic character of the area (a “revitalizing area”).
 - 2. An “overriding housing need,” may not serve as the basis for determining that a site is acceptable, if the basis for the decision is that discrimination related to race, color, religion, sex, national origin, age, familial status, or disability renders sites outside areas of minority concentration unavailable or if the use of this standard in recent years has had the effect of circumventing the obligation to provide housing choice.
- (4) The site must promote greater choice of housing opportunities and avoid undue concentration of assisted persons in areas poverty concentration.
- (5) The neighborhood must not be seriously detrimental to family life or one in which substandard dwellings or other undesirable conditions predominate, unless there is actively in progress a concerted program to remedy the undesirable conditions.
- (6) The housing must be accessible to social, recreational, educational, commercial, and health facilities and services and other municipal facilities and services that are at least equivalent to those typically found in neighborhoods consisting largely of unassisted, standard housing of similar market rents.
- (7) Except for new construction housing designed for elderly persons, travel time, and cost via public transportation or private automobile from the neighborhood to places of employment providing a range of jobs for lower-income workers, must not be excessive.

21.7 AGREEMENT TO ENTER INTO THE HAP CONTRACT

[24 CFR 983.152]

If a rehabilitated or newly constructed project, as defined by regulation, is selected by the Housing Authority to receive Project-Based Vouchers, the Housing Authority will enter into an Agreement (AHAP) with the owner in the form required by HUD.

In the AHAP the owner agrees to develop the contract units to comply with HQS, and the Housing Authority agrees that, upon timely completion of the development in accordance with the terms of the AHAP, the Housing Authority will enter into a HAP contract with the owner for the contract units.

21.7.1 Subsidy Layering Review (SLR)

[24 CFR 983.55]

The Housing Authority may only provide assistance in accordance with HUD subsidy layering regulations and other requirements.

A subsidy layering review will not be required to enter into an agreement or to execute a contract between the Housing Authority and the owner when a project has not received any form of government housing assistance, other than the PBV assistance.

A subsidy layering review is required for any new construction or rehabilitation project receiving a form of government housing assistance in addition to project-based vouchers. The Housing Authority will not enter into an AHAP with the owner until the project has successfully passed a subsidy layering review by HUD or other HUD-approved agency

The owner must certify in the HAP contract that the project has not received and will not receive any other form of public assistance during the life of the HAP contract other than that disclosed in the subsidy layering review.

21.7.2 Environmental Review

[24 CFR 983.58]

The Project Based Voucher program is subject to National Environmental Policy Act environmental review pursuant to the requirements at 24 CFR Part 983.58 and 24 CFR Part 58.

If it is determined that an environmental review is required for new construction or rehabilitation projects, the Housing Authority will not commit any funds under PBV assistance nor enter into an AHAP with the owner until HUD approves a release of funds.

21.7.3 Housing Authority – Owned Units

[24 CFR 983.59]

Units where a direct or indirect interest is held by any officer or employee of the Housing Authority are considered Housing Authority-owned units. Project-based vouchers may not be used for public housing units.

Selection of a project owned by the Housing Authority must be consistent with the process outlined in section 21.3 of this chapter.

Rent to owner must be determined in accordance with the same requirements for other units, except that the initial contract rent must be determined by an independent entity, approved by HUD, based on an appraisal by a licensed, state-certified appraiser.

A HUD-approved, independent entity must also perform all HQS inspections as required by regulation.

21.8 SELECTION OF PARTICIPANTS **[24 CFR 983.251]**

The Housing Authority will only provide PBV assistance to families determined eligible, consistent with Chapter Two of this Plan.

The following exceptions to the criminal history standards in Chapter Two will be made for homeless applicants referred by a community-based organization with which the Housing Authority has entered into an agreement for a project-based voucher site:

1. Two years of criminal history is reviewed for those criminal screening standards stated in section 2.8.1 (6).
2. Prohibition against applicants on parole or probation is waived.

21.8.1 Waiting List

The Housing Authority will use a separate waiting list for each project receiving Project-Based Voucher assistance or sets of units within a project if there are multiple eligibility restrictions for special needs populations. Applicants currently on the tenant-based assistance waiting list will be given an opportunity to place their name on a PBV waiting list, with their original date and time intact. If a new applicant applies to the tenant-based waiting list, the applicant will be given the opportunity to also place their name on any open PBV waiting list.

21.8.2 Protection of In-Place Families

Families who reside in units selected to receive PBV assistance on the proposal selection date and who are also eligible in accordance with Section 2.2 of this Plan, will be given the opportunity to place their name on the appropriate PBV site-based waiting list. An absolute preference will be given to that family to be selected from the waiting list. If the family is then determined fully eligible for the PBV program under all Housing Authority eligibility criteria, the family will then be referred to the owner for an appropriately-sized unit in the project.

21.8.3 Local Preferences

Applicants on any PBV waiting list are subject to the system of local preferences as it pertains to that particular waiting list. PBV site-based waiting lists will have admissions preferences that reflect the target population of each project.

When PBV buildings are selected, the Housing Authority will publicly notice the selection, as well as the target population of each project. As new waiting lists are opened, a notice will be sent to the Housing Choice Voucher (Section 8) tenant-based waiting list identifying available site-based PBV lists and their respective admissions preferences. If a site-based waiting list is opened to the public, it will be advertised on the Housing Authority's website, along with its admissions preferences.

Disabled families who need an available accessible unit at a particular project may be awarded first preference from the waiting list.

Disabled families may not be required to accept the supportive services offered nor can a preference be granted for those with a particular disability.

21.8.4 Refusal of Assistance

If a family refuses an offer of PBV assistance or the owner rejects a family for admission to the owner's PBV units, the Housing Authority may remove the family from the site-based waiting list from which they were selected. Such refusal will not affect the family's position on the tenant-based waiting list or any other PBV site-based waiting list, nor affect any admissions preference for which the family qualifies.

21.9 INFORMATION FOR ACCEPTED FAMILIES **[24 CFR 983.252]**

When a family accepts an offer of PBV assistance, the Housing Authority will provide the family an oral briefing. Attendance at this briefing is mandatory. The briefing will include:

- A description of how the program works;
- Family and owner responsibilities.

A briefing packet will be provided with information regarding:

1. How the Housing Authority determines total tenant payment;
2. Family obligations; and
3. Applicable fair housing information.

21.10 LEASING OF CONTRACT UNITS **[24 CFR 983.253]**

Owners must lease contract units only to eligible families, selected and referred by the Housing Authority from the waiting list, during the term of the HAP contract.

Owners must develop written tenant selection procedures consistent with the purpose of improving housing opportunities for very low-income families, related to program eligibility and an applicant's ability to perform lease obligations.

An owner must promptly notify, in writing, any rejected applicant of the grounds for rejection.

Owners must follow the Housing Authority's subsidy standards when leasing units to referred families.

21.11 VACANCIES
[24 CFR 983.254]

The owner must promptly notify the Housing Authority of any current or expected vacancy in a contract unit. After owner notice, the Housing Authority will promptly refer a sufficient number of families to the owner to fill the vacancy.

If any contract unit has been vacant for at least 120 days since the owner notice of vacancy, the Housing Authority may give notice to the owner amending the HAP contract to reduce the number of contract units by the number of units that have been vacant for that period.

21.12 TENANT SCREENING
[24 CFR 983.255]

The Housing Authority may take into consideration any admission criteria outlined in Chapter Two of this Plan in order to screen applicants for eligibility; however, it is the responsibility of the owner to screen applicants for behavior and suitability for tenancy.

The Housing Authority will provide the owner with the tenant's current and former address, as well as the name and address of the current and/or former landlord, if known. This policy is consistent with information provided to owners under the Housing Choice Voucher program.

21.13 HOUSING ASSISTANCE PAYMENTS CONTRACT

The Housing Authority must enter into a Housing Assistance Payments (HAP) contract with the owner in order to provide housing assistance payments for eligible families. The Housing Authority will make housing assistance payments to the owner in accordance with the HAP contract, for contract units leased and occupied by eligible families during the term of the HAP contract.

The Housing Authority will use the most recent HUD-approved form of the HAP contract.

21.13.1 Execution of the HAP Contract
[24 CFR 983.204, 24 CFR 983.209]

Before the HAP contract may be executed, the Housing Authority will inspect each contract unit in accordance with section 21.14 of this chapter and Chapter Ten of this Plan.

For existing housing, the HAP contract must be executed promptly after selection of the owner proposal and inspection.

For new construction or rehabilitated housing, the HAP contract is executed after the Housing Authority has inspected the completed units and is satisfied that said units are completed in accordance with the AHAP and the owner has furnished the required evidence of completion.

By execution of the HAP contract, the owner certifies:

- The owner is and will maintain all contract units in accordance with HQS;
- The owner is providing all services, maintenance, equipment and utilities as agreed to under the HAP contract and in the leases with assisted families;
- Each contract unit is leased to an eligible family and the lease complies with the HAP contract and HUD requirements;
- Members of the assisted family reside in the contract unit and it is their only residence;
- The owner is not a relative of any member of the assisted family by blood or operation of law;
- The amount of the housing assistance payment is the correct amount due under the HAP contract;
- The rent to owner for each contract unit does not exceed the rent due to owner for any comparable, unassisted unit;
- The owner will not receive any other payments beyond the tenant rent and housing assistance payments for the contract unit; and
- The family does not own or have any interest in the contract unit.

21.13.2 Term of the HAP Contract
[24 CFR 983.205]

The Housing Authority may enter into a HAP contract with an owner for an initial term of not less than one year and not more than fifteen years for each contract unit.

The Housing Authority and owner may agree at any time, including during the initial contract term, to extend the term of the HAP contract for up to fifteen years at each expiration.

The HAP contract may be terminated by the Housing Authority for insufficient funds. If it is determined there are insufficient funds available to continue to assist all contract units for the full term, the Housing Authority may give notice to the owner for all or any of the contract units, in accordance with HUD instructions.

21.13.3 Amendments to the HAP Contract
[24 CFR 983.206]

Amendment to Substitute Contract Units – The Housing Authority may amend the HAP contract to substitute a different unit with the same number of bedrooms in the same building for the previously assisted unit. Prior to the substitution, the Housing Authority will inspect the proposed substitution unit and determine reasonable rent.

Amendment to Add Contract Units – At the discretion of the Housing Authority and provided the number of PBV-assisted units in a project will not exceed the

25% cap or the 20% budget authority, a HAP contract may be amended during the three-year period immediately following the execution date of the HAP contract to add additional PBV units to a building. The anniversary and expiration date for the added units will be the same as for the existing units under the HAP contract.

21.14 INSPECTIONS
[24 CFR 983.103]

HQS inspections will be conducted in accordance with Chapter Ten of this Plan. The Housing Authority may not perform inspections on units where there is a direct or indirect interest by any of its employees or officers.

The Housing Authority will inspect PBV units at the following times:

1. Pre-selection – the Housing Authority will inspect the proposed site before the proposal selection date. For existing units, units must substantially comply with HQS before the proposal selection date. Units must fully comply before the HAP contract may be executed;
2. Pre-HAP contract;
3. Turnover – the Housing Authority must inspect a unit before a new family moves in. The unit must fully comply with HQS before a family may receive assistance in that unit;
4. Annual – The Housing Authority will conduct inspections on a random sample of at least 20% of contract units in a building annually. Turnover inspections are not counted toward annual inspections.

If more than 20% of the annual sample fails the HQS inspections, 100% of the contract units in the building must be inspected.

5. Other times – the Housing Authority will inspect PBV units at other times as necessary to insure the contract units are in compliance with HQS and that the owner is providing utilities, maintenance and other services in accordance with the HAP contract.

21.14.1 HQS Violation
[24 CFR 983.207]

The Housing Authority may make no HAP payments to the owner during any period in which the contract unit does not comply with HQS or any other HAP contract requirement.

Remedies for HQS violation include abatement or reduction in HAP payments, reduction of contract units, and termination of the HAP contract.

21.15 LEASE
[24 CFR 983.256]

Owners must use the same lease for contract units as for unassisted units, with the lease being in accordance with state law.

The lease must include the HUD tenancy addendum. All provisions in the tenancy addendum must be included in the lease. Provisions in the addendum shall prevail over provisions in the lease.

The initial term of the lease must be for at least one year.

The lease must specify:

- Names of the owner and tenant;
- Identifying information of the unit rented;
- Term of the lease and any provision for renewal;
- The amount of tenant rent to owner;
- Specification of services, maintenance, equipment, and utilities to be provided by the owner;
- The amount of any charges for food, furniture, or supportive services.

21.15.1 Changes in the Lease

If the tenant and owner agree to any changes in the lease, the change must be in writing and must be submitted to the Housing Authority immediately.

The owner must notify the Housing Authority of any proposed change in the lease regarding responsibility for utilities. Such changes may only be made with approval of the Housing Authority. If the Housing Authority approves a change in responsibilities for utilities, rent reasonableness must then be re-determined. The rent to owner will be re-re-calculated from the effective date of the change.

21.15.2 Absence from the Unit

The Housing Authority's absence policies found in Chapter Six of this Plan will apply to the PBV program. The lease may specify a maximum period of family absence from the unit that is shorter than that specified by the Housing Authority.

The HAP contract will not be terminated if the family is absent for longer than the maximum period permitted by the Housing Authority.

21.15.3 Owner Termination of Tenancy and Eviction

Grounds for owner termination and eviction reflect the policies outlined in Chapter Fourteen of this Plan, except that an owner may not terminate tenancy after the initial term of the lease for business or economic reasons, or to repossess the unit for personal, family, or nonresidential use.

If an owner refuses to renew the lease without good cause, the family will be issued a tenant-based voucher and the unit will be removed from the HAP contract.

21.15.4 Security Deposits

[24 CFR 983.258]

The owner may collect a security deposit from the tenant. The amount may not exceed that allowed by state and local law or that charged to unassisted units in the same building.

When the tenant moves out, the owner may use the amount of the deposit, in accordance with the lease and state and local law, as reimbursement for any unpaid tenant rent, damage to the unit, or any other amount the tenant owes under the lease.

The owner must give the tenant a written list of all items charged against the security deposit and the amount of each item. After deducting the amount used to reimburse the owner, the owner must promptly refund the full amount of the balance to the tenant.

If the balance is not sufficient to cover amounts the tenant may owe under the lease, the owner may seek the remainder from the tenant. The Housing Authority has no liability or responsibility for payment of any amount owed by the family to the owner.

21.16 FAMILY OCCUPANCY OF WRONG-SIZE OR ACCESSIBLE UNIT

[24 CFR 983.259]

If the Housing Authority determines that a family is occupying the wrong-size unit, or a unit with accessibility features the family does not require, and is needed by a family that requires the accessibility features, the Housing Authority will offer the family continued assistance in another unit and will notify the family and owner immediately of its offer of continued assistance and determination.

The Housing Authority may offer continued assistance either in another PBV unit or a tenant-based voucher. If appropriate, the Housing Authority may refer the family to an available public housing unit or other public or private tenant-based assistance (e.g. HOME).

If the family is given a tenant-based voucher, policies under the Housing Choice Voucher program regarding voucher issuance and expiration will apply. If a family fails to lease a unit with the tenant-based voucher, assistance will be terminated upon expiration of the voucher (and any subsequent extensions granted by the Housing Authority)

Upon determination that the family is occupying a wrong-size unit or a unit with accessibility features not required by the family and continued assistance is offered in the form of a project-based voucher, the family will have ninety days in which to move to another unit. If the family fails to move or refuses the offer of continued assistance in another unit, assistance to the family will be terminated.

21.17 DETERMINING RENT TO OWNER
[24 CFR 983.301]

The amount of estimated rent to owner must be included in the Agreement for rehabilitated or newly constructed housing. The actual rent to owner must be determined at the beginning of the HAP contract term for all types of housing.

The amount of rent to owner is redetermined at the owner's request for a rent increase and when there is a 5% or greater decrease in the published FMR.

Except for certain tax credit units specified below, the amount of rent to owner must not exceed the lowest of:

- An amount determined by the PHA that does not exceed 110% of the FMR (or any exception payment standard approved by HUD), minus the utility allowance;
- The reasonable rent; or
- The rent requested by the owner.

21.17.1 Housing Authority – Owned Units

For any units in which any officer or employee has a direct or indirect interest, the initial determination of rent to owner and the annual redetermination of rent to owner will be made by an independent entity, approved by HUD.

21.17.2 Redetermination of Rent to Owner
[24 CFR 983.302]

The Housing Authority will only redetermine rent to the owner when the owner requests an increase at the annual anniversary of the HAP contract or when there is at least a 5% decrease in the published FMR. Notice of rent increase and other limitations on rent adjustments must conform to the above stated policies and section 11.3 of this Plan.

If there is a decrease in rent due to a 5% or greater decrease in the published FMR, the rent to owner must be decreased, whether or not the owner requested a rent adjustment.

The notice of rent adjustment from the Housing Authority constitutes an amendment of rent to owner specified in the HAP contract.

Rent reasonableness will be determined by a HUD-approved, independent entity for units owned by the Housing Authority. The entity will provide a copy of the determination to the Housing Authority and the HUD Los Angeles field office.

21.17.3 Rent Determination for Projects with Other Subsidies
[24 CFR 983.304]

Rents may not exceed rent limits as established by the applicable federal program for units subsidized under the following programs:

1. HOME;
2. Insured or non-insured Section 236 project;

3. Formerly insured or non-insured Section 236 project that continues to receive Interest Reduction Payment following a decoupling action;
4. Section 221(d)(3) below market interest rate (BMIR) project;
5. Section 515 project of the Rural Housing Service;
6. Any other type of federally subsidized project specified by HUD.

The Housing Authority may set reasonable rents up to 110 percent of the HUD Market Rent in projects receiving Low-Income Housing Tax Credits (LIHTC), even if the rent level exceeds the maximum rent under the LIHTC program.

The Housing Authority may, at its discretion include provisions in the HAP contract to reduce the initial amount of rent to the owner because of other governmental subsidies.

21.17.4 Rent Control and Other Rent Limitations
[24 CFR 983.305]

Rent control and other rent limitations under local, state or federal law will apply.

21.18 PAYMENT TO OWNER
[24 CFR 983.351]

The Housing Authority will make HAP payments to the owner in accordance with the HAP contract for the months in which the contracted unit is leased to and occupied by an eligible family. Except for discretionary vacancy payments described in section 21.18.1 of this chapter, the Housing Authority will not make any payments for any month after the month in which the family moves out of the unit. In order to continue receiving HAP payments, the owner must comply with all provisions of the HAP contract, including HQS.

21.18.1 Vacancy Payments
[24 CFR 983.352]

If a family moves out of a contract unit, the owner may keep the payment for the full calendar month in which the family moves out. The owner may not keep the payment if the Housing Authority determines that the vacancy is the owner's fault.

The Housing Authority may provide for vacancy payments to the owner not to exceed two months following move out. The vacancy payment may not exceed the amount of monthly rent under the assisted lease, minus any rent received by the owner, including any available amount from the tenant's security deposit.

Vacancy payments may only cover periods the unit is actually vacant.

The Housing Authority will only make vacancy payments to the owner if:

- The owner gives prompt, written notice to the Housing Authority certifying that the family vacated the unit, including the date the family moved out, and certifies:
 - The vacancy is not the fault of the owner and the unit was vacant during the period claimed;

- The owner has taken every reasonable step to minimize the likelihood and length of the vacancy.

The owner must then submit a form requesting vacancy payments and provide the amount of the tenant's security deposit with any amount available to reimburse unpaid rent. The form must accompany receipts substantiating any damages the owner claims from the security deposit. The owner must certify on this form that no other payments were received for the unit during the period vacancy claimed.

21.18.2 Other Charges and Fees
[24 CFR 983.354]

The owner may not require the family to pay charges for any meals or supportive services unless the project is an assisted living development, in which case owners may charge tenants, family members, or both for meals and supportive services. These charges may not be included in the rent to owner and may not be used to calculate rent reasonableness. Nonpayment of such charges is grounds for termination under the lease only in an assisted living development.

The owner may not charge tenants or family members extra amounts for items customarily included in the rent in Los Angeles County, or provided at no additional cost for unsubsidized tenants on the premises.

Chapter 1

STATEMENT OF POLICIES AND OBJECTIVES

INTRODUCTION

The Housing Authority of the County of Los Angeles (herein referred to as HA) is responsible for public and affordable housing stock located throughout Los Angeles County. Through our efforts to provide and maintain housing that is decent, safe, and sanitary, the HA strives for a high standard of property management. In addition, the HA believes that residents of public housing deserve a living environment that promotes individual achievement and empowers families.

The administration of the public housing program and the functions and responsibilities of the HA shall be in compliance with the Annual Contributions Contract (ACC), and this Admissions and Continued Occupancy Policy (herein referred as ACOP). The administration of the HA's housing program will also meet the requirements set forth by the U.S. Department of Housing and Urban Development (HUD). Such requirements include any Public Housing Regulations, Handbooks, and applicable Notices. All applicable Federal, State and local laws, including Fair Housing Laws and regulations also apply. Changes in applicable federal laws or regulations shall supersede provisions in conflict with this policy. Federal regulations shall include those found in Volume 24 Code of Federal Regulations (CFR), Parts V, VII and IX.

A. LOCAL OBJECTIVES

The ACOP demonstrates that the HA manages its program in a manner that reflects its commitment to improving the quality of housing available to the public, and its capacity to manage that housing in a manner that demonstrates its responsibility to the public trust. In addition, the ACOP is designed to achieve the following objectives:

To provide improved living conditions for very-low and low-income families while maintaining their rent payments at an affordable level.

To operate a public housing authority that provides decent, safe, and sanitary housing within a suitable living environment for residents and their families.

To provide opportunities for upward mobility for families who desire to achieve self-sufficiency.

B. PURPOSE OF THE POLICY

The purpose of the ACOP is to establish guidelines for the Housing Authority staff to follow in determining eligibility for admission and continued occupancy. These guidelines are governed by the requirements set forth by HUD with latitude for local policies and procedures. These policies and procedures for admissions and continued occupancy are binding upon applicants, residents, and the HA.

The HA Board of Commissioners must approve the original policy and any changes. Required portions of the ACOP will be provided to HUD.

C. FAIR HOUSING POLICY

It is the policy of the HA to comply fully with all Federal, State, and local nondiscrimination laws and with rules and regulations governing Fair Housing and Equal Opportunity in housing and employment. The HA will comply with all laws relating to Civil Rights, including:

Title VI of the Civil Rights Act of 1964

Title VIII of the Civil Rights Act of 1968 (as amended by the Community Development Act of 1974 and the Fair Housing Amendments Act of 1988)

Executive Order 11063

Executive Order 13166

Section 504 of the Rehabilitation Act of 1973

The Age Discrimination Act of 1975

Title II of the Americans with Disabilities Act (to the extent that it applies, otherwise Section 504 and the Fair Housing Amendments govern)

Any applicable State laws or local ordinances and any legislation protecting individual rights of residents, applicants or staff that may subsequently be enacted.

The HA shall not discriminate on the basis of race, color, sexual orientation, sex, gender identity, religion, familial status, disability, national origin, marital status, in the leasing, rental, or other disposition of housing or related facilities, including land, that is part of any development or developments under the HA's jurisdiction covered by a contract for annual contributions under the United States Housing Act of 1937, as amended, or in the use or occupancy thereof.

Posters and housing information are displayed in locations throughout the HA's office in such a manner as to be easily readable from a wheelchair.

The HA's facilities are accessible to persons with disabilities. Accessibility for the hearing impaired is provided by the TDD telephone service provider.

The HA shall not, on account of race, color, sexual orientation, sex, gender identity, religion, familial status, disability, national origin, marital status:

Deny to any family the opportunity to apply for housing, nor deny to any qualified applicant the opportunity to lease housing suitable to its needs;

Provide housing that is different from that provided to others;

Subject a person to segregation or disparate treatment;

Restrict a person's access to any benefit enjoyed by others in connection with the housing program;

Treat a person differently in determining eligibility or other requirements for admission; or

Deny a person access to the same level of services.

The HA shall not automatically deny admission to a particular group or category of otherwise qualified applicants (e.g., families with children born to unmarried parents, elderly families with pets).

Service and Accommodations Policy

The HA's policies and practices will be designed to provide assurances that all persons with disabilities will be provided reasonable accommodation so that they may fully access and utilize the housing program and related services. All requests for a reasonable accommodation will be verified so that the HA can properly accommodate the need presented by the disability.

This policy is applicable to all situations described in the ACOP when a family initiates contact with the HA, when the HA initiates contact with a family including when a family applies, and when the HA schedules or reschedules appointments of any kind.

Federal Americans with Disabilities Act of 1990

With respect to an individual, the term "disability," as defined by the 1990 Act means:

A physical or mental impairment that substantially limits one or more of the major life activities of an individual;

A record of such impairment; or

Being regarded as having such impairment.

Undue Hardship

Requests for reasonable accommodation from persons with disabilities will be granted upon verification that they meet the need presented by the disability and they do not create an "undue financial and administrative burden" for the HA, meaning an action requiring "significant difficulty or expense."

In determining whether accommodation would create an undue hardship, the following

guidelines will apply:

The nature and cost of the accommodation needed;

The overall financial resources of the facility or facilities involved in the provision of the reasonable accommodation; and

The number of persons employed at such facility, the number of families likely to need such accommodation, the effect on expenses and resources, or the likely impact on the operation of the facility as a result of the accommodation.

Posting of Required Information

The HA will maintain a bulletin board in a conspicuous area of the management offices which will contain:

Current schedule of routine maintenance charges

A Fair Housing Poster

An Equal Opportunity in Employment poster

Current Resident Notices

Required public notices

Utility Allowance Survey Results

A VAWA Poster

Reasonable Accommodations

A person who has a disability, under HUD regulations, as defined in 42 U.S.C. 423, has a physical, mental, or emotional impairment that is expected to be of long-continued and indefinite duration, substantially impedes the ability to live independently, and is of such a nature that the ability to live independently could be improved by more suitable housing conditions.

A resident with a disability as defined above, may ask for:

A modification to our rules or policies;

A change in the way we communicate with you or give you information;

An alteration or change in your unit;

An accessible unit; or

An alteration or change to some other part of a HA owned property.

Verification of a Request for a Reasonable Accommodation

A request for an accommodation can be made at any time.

Any resident that requests an accommodation will be given a packet that contains the following:

Form 1: Notice of the Right to Reasonable Accommodation

Form 2: Request for a Reasonable Accommodation

Form 3: Verification of Need for Reasonable Accommodation

All requests for an accommodation must be in writing. A resident may request an accommodation for this requirement.

All residents that request a reasonable accommodation must submit Forms 2 and 3 to the management office.

The management office has a Reasonable Accommodation binder that includes the Reasonable Accommodation Log and all supporting documentation.

The housing development management staff will forward the reasonable accommodation request to the ADA compliance officer at the HA's administrative office for processing.

The ADA compliance officer will evaluate the request and forward a recommendation to the Area Manager.

The Area Manager will send a decision to the resident on the Reasonable Accommodation Request form within 60 working days of receiving the request.

The Reasonable Accommodation Request form will include an approval or a denial of the request. If denied, the form will include reasons for denial and possible alternative accommodations.

Copies of the Decision on Reasonable Accommodation Request will be sent to the housing development site to be placed in the Reasonable Accommodation binder.

D. VIOLENCE AGAINST WOMEN ACT

The HA's policy is to comply with the 2005 Violence Against Women Act (VAWA) Pub. L. 109-162; Stat.2960 signed into law on January 5, 2005. The HA shall not discriminate against an applicant, or public housing resident on the basis of the rights or privileges provided under the VAWA.

On an annual basis, the HA will notify residents of their rights under VAWA during the annual re-certification process. Additionally, the HA will enclose in each application packet a notice advising applicants of their rights under VAWA.

E. FAMILY OUTREACH

The HA will publicize and disseminate information to make known the availability of housing units and housing-related services for very low-income families on a regular basis.

The HA will communicate the status of housing availability to other service providers in the community. The PHA will advise them of housing eligibility factors and guidelines in order that they can make proper referrals for those who seek housing.

F. PRIVACY STATEMENT

Applicants and participants, including all adults in their households, are required to sign the form HUD-9886, "Authorization for Release of Information and Privacy Act Notice." This document incorporates the Federal Privacy Act Statement and describes the conditions under which HUD will release family information.

The HA's policy regarding release of information is in accordance with State and local laws which may restrict the release of family information.

Any and all information, which would lead one to determine the nature and/or severity of a person's disability, must be kept in a separate folder and marked "confidential." The personal information in this folder must not be released except on an "as needed" basis in cases where an accommodation is under consideration.

G. CONFIDENTIALITY

It is the policy of the HA to comply fully with all Federal, State, and local laws and with rules and regulations governing Confidentiality in housing. Each HA staff signs a "Confidentiality Agreement" at the commencement of their employment and participates in an annual Confidentiality training. Each HA staff agrees not to disclose any applicant/resident information, directly or indirectly, that is of a personal, private, and confidential nature, to any person or use such information in any way, either during the term of their employment or at any other time thereafter, except as follows:

To an officer, employee, or authorized representative of the HA who has a job related need to have access to the information in connection with admission of applicants, eviction of tenants, or termination of assistance;

If the tenant/applicant (or tenant's/applicant's parent/guardian, if tenant is a minor) consents in writing;

If disclosure is allowed by Court Order;

If disclosure is made to medical personnel in a medical emergency;

To the duly appointed guardian or conservator of the individual;

To a law enforcement or regulatory agency, if the use of the information requested is in an investigation of unlawful activity under the jurisdiction of the requesting agency or for

Licensing, certification, or regulatory purposes by that agency;

To any person pursuant to a subpoena, court order, or other compulsory legal process if, before the disclosure, the HA reasonably attempts to notify the individual to whom the record pertains, and if the notification is not prohibited by law;

Disclosure of any information about suspected child or elder abuse and/or neglect reported to appropriate state local authorities pursuant to state law.

To share resident information that is necessary to determine eligibility for County welfare department programs or services for which the client has applied or is receiving, as authorized by the State of California Health and Safety Code, section 34217.

To report all families to the EIV System who were terminated for adverse actions or who left the program owing money to the HA.

To any individual or organization provided by the applicant/resident on Form HUD-92006 to the HA. Information shared with the individual or organization is limited to the reason(s) the individual may be contacted, as provided by Form HUD-92006.

By signing the “Confidentiality Agreement”, the HA staff agrees that all files, records, documents and similar items relating to their employment, whomever prepared by, are and shall remain exclusively the property of the HA and that said files shall be removed from the premises only with the express prior written consent of the Executive Director or his/her designee. A violation of the “Confidentiality Agreement” may result in disciplinary action up to and including termination of employment. The unauthorized release of information may subject the HA and the HA staff to civil action under the Quality Housing and Work Responsibility Act of 1998.

H. VAWA CONFIDENTIALITY

All VAWA information provided to the HA, including the fact that an individual is a victim of domestic violence, dating violence, or stalking, shall be retained in confidence, and will not be entered into any shared database or provided to any related entity, except to the extent that disclosure is-

1. Requested or consented to by the individual in writing;
2. Required for use in an eviction proceeding under subsection (1)(5) or (6) of Public Law 109-162 referencing amendments made to Section 6 of the United States Housing Act of 1937 (42 U.S.C. 1437d); or
3. Otherwise required by applicable law.

Chapter 2

ELIGIBILITY AND SUITABILITY FOR ADMISSION TO PUBLIC HOUSING

[24 CFR Part 960, Subpart B]

INTRODUCTION

This chapter describes the eligibility and suitability criteria for admission to the public housing program. The policy of the HA is to apply these criteria to evaluate the qualifications of families who apply. The HA will review all information provided by the family carefully and without regard to factors other than those defined in this chapter. Families will be provided the opportunity to explain their circumstances, to furnish additional information, if needed, and to receive an explanation of the basis for any decision made by the HA pertaining to their eligibility and suitability.

PART I: ELIGIBILITY

A. QUALIFICATION FOR ADMISSION

In order to be deemed eligible for admission to public housing, an applicant must meet the following criteria:

Meets the definition of a family as defined by HUD and the HA

Heads a household where at least one member of the household is either a citizen or eligible non-citizen. (24 CFR Part 5, Subpart E)

Has an annual income at the time of admission that does not exceed the low-income limits for occupancy established by HUD and posted separately at the HA

Provides a Social Security number for all family members or will provide written certification that they legally cannot obtain Social Security numbers at this time and will notify the HA upon receipt of a Social Security number

Meets the Suitability Criteria as set forth in this chapter

Have no outstanding debts to this HA, any other HA or any other governmental agency

Has no current debt to a Utility Company or has entered into a repayment agreement with the Utility Company for outstanding debts

The HA shall permanently deny admission to public housing units to persons convicted of manufacturing or producing methamphetamine on the premises of assisted housing.

The HA shall deny admission to sex offenders who are subject to a lifetime registration requirement under a State sex offenders registration program.

Timing for the Verification of Qualifying Factors

The HA shall not verify eligibility factors until the HA “batches” applicant files from the waiting list after determining that a sufficient number of vacancies warrant a pool of eligible applicants.

B. DEFINITION OF FAMILY

Definition of Family

The term “family” includes, but is not limited to the following, regardless of actual or perceived sexual orientation, gender identity, or marital status:

A single person, who is an elderly person, displaced person, a person with disabilities, near-elderly person, or any other single person; or

A group of persons residing together and such group include, but is not limited to:

- (1) A family with or without children (a child who is temporarily away from the home because of placement in foster care is considered a member of the family);
- (2) An elderly family;
- (3) A near-elderly family;
- (4) A disabled family;
- (5) A displaced family;
- (6) The remaining member of a tenant family;
- (7) A foster care arrangement, or a kinship care arrangement;
- (8) Other persons, including members temporarily absent (e.g. a child temporarily placed in foster care or a student temporarily away at college), may be considered a part of the applicant family’s household if they are living or will live regularly with the family;
- (9) Live-In Aides may also be considered part of the applicant family’s household. However, live-in aides are not family members and have no right of tenancy or continued occupancy; and
- (10) Foster Care Arrangements include situations in which the family is caring for a foster adult, child or children in their home who have been placed there by a public child placement agency, or a foster adult or adults placed in the home by a public adult placement agency. For purposes of continued occupancy; the term family also includes the remaining member of a resident family with the capacity to execute a lease.

Elderly, disabled, and displaced families as defined by HUD in CFR 5.403.

Other families are defined by the HA as follows:

A family, other than an elderly, disabled, or displaced family, is defined by the HA as two or more persons who intend to share residency in the public housing unit, and whose income and resources are available to meet the family's needs.

Head of Household

The head of household is the adult member of the household who is designated by the family as head, is wholly or partly responsible for paying the rent, and has the legal capacity to enter into a lease under State/local law.

Spouse of Head

“Spouse” means the husband or wife of the head.

For proper application of the Noncitizens Rule, the definition of “spouse” is the marriage partner who, in order to dissolve the relationship, would have to be divorced. It includes the partner in a common-law marriage. The term “spouse” does not apply to boyfriends, girlfriends, significant others, or co-heads.

Co-Head

An individual in the household who is equally responsible for the lease with the Head of Household. A household may have either a spouse or co-head, but not both. A co-head never qualifies as a dependent.

Live-In Attendants

A family may include a live-in aide provided that such live-in aide:

Is determined by the HA to be essential to the care and well being of an elderly person, a near-elderly person, or a person with disabilities,

Is not obligated for the support of the person(s), and

Would not be living in the unit except to provide care for the person(s).

A live-in aide is not considered to be an assisted family member and has no rights or benefits under the program.

Income of the live-in aide will not be counted for purposes of determining eligibility or level of benefits.

Live-in aides are not subject to Non-Citizen Rule requirements.

Live-in aides may not be considered as a remaining member of the resident family.

Relatives are not automatically excluded from being live-in aides, but they must meet all of the elements in the live-in aide definition described above.

Family members of a live-in attendant may also reside in the unit, providing that doing so does not increase the subsidy by the cost of an additional bedroom and that the presence of the family member(s) does not overcrowd the unit.

A live-in aide may only reside in the unit with the approval of the HA. Written verification will be required from a reliable, knowledgeable professional, such as a doctor, social worker, or caseworker. The verification provider must certify that a live-in aide is needed for the care of the family member who is elderly, near-elderly (50–61) or disabled.

Verification of the need for a live-in aide must include the hours the care will be provided.

The HA has the right to disapprove a request for a live-in aide based on the “Other Eligibility Criteria” described in this chapter.

The family is responsible for the actions of the live-in aide. The live-in aide must comply with obligations of the family to maintain the unit and premises in a decent, safe and sanitary manner and not to disturb the peaceful enjoyment of the premises.

C. MANDATORY SOCIAL SECURITY NUMBERS [24 CFR 5.216]

Families are required to provide verification of Social Security Numbers for all family members prior to admission, or written certification that they legally cannot obtain Social Security numbers at this time and will notify the HA upon receipt of a Social Security number. This requirement also applies to persons joining the family after admission to the program.

Failure to furnish verification of Social Security Numbers is grounds for denial of admission or termination of tenancy.

If a member legally cannot obtain a Social Security Number, he/she must sign a certification stating that he/she does not have one. The certification shall:

State the individual’s name, state that the individual has not been issued a Social Security Number;

State that the individual will disclose the Social Security Number to the HA, if he/she obtains one at a later date;

Be signed and dated.

D. CITIZENSHIP/ELIGIBLE IMMIGRATION STATUS

In order to receive assistance, a family member must be a U.S. citizen, a citizen of the Freely Associated States of the Marshall Islands, the Federated States of Micronesia, and Palau, or an eligible immigrant. Individuals who are neither may elect not to contend their status. Eligible immigrants are persons who are in one of the six immigrant categories as specified by HUD.

For the Citizenship/Eligible Immigration requirement, the status of each member of the family is

considered individually before the family's status is defined.

Mixed Families: A family is eligible for assistance as long as at least one member is a citizen or eligible immigrant. Families that include eligible and ineligible individuals are called "mixed." Such applicant families will be given notice that their assistance will be pro-rated and that they may request a hearing if they contest this determination.

Non-eligible members: Applicant families that include only non-eligible members will be ineligible for assistance. Such families will be denied admission and offered an opportunity for a hearing.

Non-citizen students: As defined by HUD in the non-citizen regulations, non-citizen students are not eligible for assistance.

The HA will establish and verify eligibility no later than the date of the family's first annual reexamination.

E. DENIAL OF ADMISSION FOR PREVIOUS DEBTS TO THIS HA, ANY OTHER HA OR ANY OTHER GOVERNMENTAL AGENCY

Previous outstanding debts incurred by all adult members of an applicant household to this HA, any other HA or any other governmental agency must be paid in full prior to admission.

F. INCOME LIMITS

Income eligibility for the public housing program is based on the total anticipated income from all sources received by any family member 18 years of age or older. Income limits are determined by HUD and subject to periodic change. The HA shall use income guidelines provided by HUD to determine program eligibility for the public housing program. These income guidelines will be posted at all times at the HA's site management offices.

PART II: SCREENING FOR SUITABILITY [24 CFR 960.204, 960.205]

A. SUITABILITY CRITERIA

All applicants will be processed in accordance with HUD's regulations (24 CFR Part 960) and sound management practices. Applicants will be required to demonstrate ability to comply with essential provisions of the lease as summarized below.

All applicants must demonstrate through an assessment of current and past behavior the ability:

To pay rent and other charges as required by the lease in a timely manner;

To care for and avoid damaging the unit and common areas;

To use facilities, appliances and equipment in a reasonable way;

To create no health or safety hazards, and to report maintenance needs in a timely manner;

Not to interfere with the rights and peaceful enjoyment of others and to avoid damaging the property of others;

Not to engage in criminal activity or alcohol abuse that threatens the health, safety or right to peaceful enjoyment of other residents or staff and not to engage in drug-related criminal activity on or off the HA premises;

Not to have ever been convicted of manufacturing or producing methamphetamine, also known as "speed," on the premises of assisted housing;

Not to be subject to sex offender lifetime registration under a State sex offender registration program. *

To comply with necessary and reasonable rules and program requirements of HUD and the HA; and

To comply with local health and safety codes.

* This requirement includes minors from 13 to 17 years of age.

In developing its admission policies, the aim of the HA is to attain a resident body composed of families with a broad range of incomes and to avoid concentrations of the most economically deprived families and families with serious social problems. Therefore, it is the policy of the HA to deny admission to applicants whose habits and practices may reasonably be expected to have a detrimental effect on the operations of the development or neighborhood, or on the quality of life for its residents.

The HA will conduct a detailed interview of all applicants designed to evaluate the qualifications of applicants to meet the essential requirements of tenancy. Answers may be subject to third party verification.

An applicant's misrepresentation of any information related to eligibility, award of preference for admission, housing history, allowances, family composition, criminal history, or rent may result in denial of admission. If the HA discovers that an applicant misrepresented such information and that such misrepresentation led to the applicant's admission, the applicant shall be deemed not eligible for admission and shall be subject to termination.

Applicants must be able to demonstrate the ability and willingness to comply with the terms of the lease. Should the applicant require assistance in order to comply with the terms of the lease, the applicant must notify the HA that the assistance will be available at the time of admission. (24 CFR 8.2 Definition: Qualified Individual with Disabilities) The availability of assistance is subject to verification by the HA.

The HA's minimum age for admission as head of household is 18, so that the HA will avoid entering into leases that would not be valid or enforceable under applicable law.*

As a part of the final suitability determination, the HA will screen each applicant household to assess their suitability as renters.

The HA will complete a credit check or rental history check on all applicants.

The HA may complete a home visit at the current residence of all applicants who:

- Have had landlords refuse to sign their Resident Reference Form;

- Stated information on their application that is inconsistent with information on the credit and unlawful detainer report;

- Do not have an established residence at the time of their suitability review (e.g., state they live "here and there with friends");

- Have landlords raise suitability issues on the Resident Reference Forms;

- Have a criminal history that raises suitability concerns;

- Claim to have zero income (to establish how they are meeting their needs);

- Were interviewed by HA staff who has found the applicant's statement or behavior to raise concerns regarding suitability.

* The HA shall make an exception for emancipated minors upon completion of verifying their legal status as such.

The HA's examination of relevant information pertaining to past and current habits or practices will include, but is not limited to, an assessment of:

The applicant's past performance in meeting financial obligations, especially rent;

Eviction or records of disturbance of neighbors sufficient to warrant a police call, destruction of property, or living or housekeeping habits at present or prior residences, which may adversely affect the health, safety, or welfare of other residents or neighbors;

Any history of criminal activity on the part of any applicant family member, involving criminal acts, including drug-related criminal activity;

Any history or evidence of repeated acts of violence on the part of an individual, or a pattern of conduct constituting a danger to peaceful occupancy by neighbors;

Any history of initiating threats or behaving in a manner that indicates intent to assault employees or other residents;

Any history of alcohol or substance abuse that would threaten the health, welfare, or right to peaceful enjoyment of the premises by other residents.

Any evidence of housing assistance termination for adverse actions or who left the program owing money to a HA.

The ability and willingness of an applicant to comply with the essential lease requirements will be verified and documented by the HA. The information to be considered in the screening process shall be reasonably related to assessing the conduct of the applicant and other family members listed on the application in present and prior housing.

The history of applicant conduct and behavior must demonstrate that the applicant family can reasonably be expected not to:

Interfere with other residents in such a manner as to diminish their peaceful enjoyment of the premises by adversely affecting their health, safety, or welfare [24CFR 960.205(b)];

Adversely affect the physical environment or financial stability of the development [24CFR 960.205(b)];

Violate the terms and conditions of the lease [24CFR 8.3];

Require services from HA staff that would alter the fundamental nature of the HA's program [24 CFR 8.3].

B. SCREENING FOR DRUG-RELATED AND/OR CRIMINAL ACTIVITY

It is the intention of the Housing Authority to administer a policy that maintains decent, safe, and sanitary public housing. All screening procedures shall be administered fairly and in such a way as to not discriminate on the basis of race, color, nationality, religion, sexual orientation, sex, gender identity, familial status, marital status, disability or against other legally protected groups as well as not in violation of the right to privacy.

The HA will obtain and take into consideration criminal summary history information from State and/or local law enforcement agencies, and the FBI on all applicants over the age of eighteen for the purpose of determining resident suitability. The HA may also obtain and take into consideration public records of past or current criminal history of the applicant or proposed member of the applicant's household.

All applicants to the public housing program will be screened for drug-related, violent- and any other criminal activity involving the applicant or proposed member of the applicant's household during the suitability review process. The HA defines criminal activity in the following manner:

Drug-Related Criminal Activity: the illegal manufacture, sale, distribution, use or possession with intent to manufacture, sell, distribute, or use a controlled substance (as defined in Section 102 of the Controlled Substances Act (21 U.S.C. 802)).

Violent Criminal Activity: any criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force against a person or property.

Sex Offense Related Criminal Activity: Any criminal activity that subjects a member of the applicant's household, which includes minors 13 to 17 years of age, to be subject to sex offender lifetime registration under a State sex offender registration program.

Other Criminal Activity: any criminal activity including, but not limited to, violent criminal activity which would adversely affect the health, safety, or right to peaceful enjoyment of the public housing premises by other residents or employees of the HA.

Denial of Admission for Drug-Related Criminal Activity:

The HA shall permanently deny admission to any applicant if any household member has ever been convicted of drug-related criminal activity for the manufacture or production of methamphetamine on the premises of Federally assisted housing, in accordance with HUD regulations.

The HA may deny admission of any applicant evicted from federally assisted housing by reason of drug-related criminal activity within the previous three-year period shall be denied admission, unless the evicted resident successfully completed a rehabilitation program approved by the HA and is willing to continue with counseling and support activities.

The HA will deny admission to applicants where it is determined that there is a pattern of illegal use of a controlled substance or abuse of alcohol by the applicant. The HA will consider the illegal use of a controlled substance or abuse of alcohol a "pattern" where there are three or more incidents during the previous twelve months.

In determining whether to deny admission to public housing based on a pattern of illegal use of a controlled substance or abuse of alcohol by an applicant, and/or prior eviction from federally assisted housing by reason of drug-related criminal activity, the HA may consider the following mitigating factors:

Has successfully completed a supervised drug or alcohol rehabilitation program (as applicable) and is willing to continue with counseling and support activities and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol (as applicable);

Has otherwise been rehabilitated successfully and is willing to continue with counseling and support activities and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol (as applicable); or

Is participating in a supervised drug or alcohol rehabilitation program (as applicable) and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol (as applicable).

Notwithstanding Sections a, b, and c, the HA reserves the right to deny admission to applicants who have engaged in any drug-related criminal activity within a previous three-year period. In such a determination, the HA will take into account the above-listed mitigating factors.

Denial of Admission of Persons Engaged in Violent Criminal Activity

In accordance with Section 576 (C) of the Quality Housing and Work Responsibility Act of 1998, the HA shall deny admission to public housing for any applicant who has engaged in violent criminal activity within the last three years. In accordance with 24 CFR section 960.203 (c)(3), the HA may deny the admission of persons who have a history of criminal activity involving crimes of physical violence to persons or property.

Denial of Admission of Persons Engaged in Other Criminal Activity

In accordance with 24 CFR section 960.203 (c)(3), the HA may deny the admission of persons who have a history of criminal activity involving criminal acts which would adversely affect the health, safety or welfare of other tenants.

Denial of Admission for Lifetime Sex Offender Registrants

In accordance with 24 CFR 960.204 (a)(4), the HA shall permanently deny admission to any applicant, which includes minors 13 to 17 years of age, who is subject to a sex offender lifetime registration under a State sex offender registration program. Other Criminal Activity

The HA will consider “other criminal activity” engaged in by an applicant in determination of suitability for public housing.

Right to Informal Hearing

Applicants denied admission to public housing based on drug-related, violent or other criminal activity may dispute the information revealed in the criminal summary history information or the determination made by the HA and request an informal hearing in accordance with the HA’s

grievance policy.

C. OTHER SUITABILITY FACTORS

Rent-Paying Habits

The HA will examine any HA records from a prior tenancy, and will request written references from the applicant's current landlord and may request written references from current and former landlords for up to the past three years.

Based upon these verifications, the HA will determine if the applicant was chronically late with rent payments, has been evicted for nonpayment of rent, or had other legal action initiated against him/her for debts owed. Any of these circumstances could be grounds for an ineligibility determination, depending on the amount of control the applicant had over the situation.

Screening Applicants Who Claim Mitigating Circumstances

Mitigating circumstances are facts relating to the applicant's record of unsuitable history or behavior, which, when verified, would indicate both: (1) what the reason for the unsuitable history and/or behavior is; and (2) that the reason for the unsuitable history and behavior is no longer in effect or is under control, and the applicant's prospect for lease compliance is an acceptable one, justifying admission.

If unfavorable information is received about an applicant, consideration shall be given to the time, nature, and extent of the applicant's conduct and to factors that might indicate a reasonable probability of favorable future conduct. In order to be factored into the HA's screening assessment of the applicant, mitigating circumstances must be verifiable.

If the mitigating circumstances claimed by the applicant relate to a change in disability, medical condition or course of treatment, the HA shall have the right to refer such information to persons who are qualified and knowledgeable to evaluate the evidence and to verify the mitigating circumstance. The HA shall also have the right to request further information reasonably needed to verify the mitigating circumstance, even if such information is of a medically confidential nature. Such inquiries will be limited to the information necessary to verify the mitigating circumstances or, in the case of a person with disabilities, to verify a reasonable accommodation.

Examples of mitigating circumstances:

Evidence of successful rehabilitation;

Evidence of the applicant family's participation in and completion of social service or other appropriate counseling service approved by the HA;

Evidence of successful and sustained modification of previous disqualifying behavior.

Consideration of mitigating circumstances does not guarantee that the applicant will qualify for admission. The HA will consider such circumstances in light of:

The applicant's ability to substantiate through verification the claim of mitigating circumstances and his/her prospects for improved future behavior; and the applicant's

overall performance with respect to all the screening requirements.

D. QUALIFIED AND UNQUALIFIED APPLICANTS

Information which has been verified by the HA will be analyzed and a determination will be made with respect to:

The eligibility of the applicant as a family;

The eligibility of the applicant with respect to income limits for admission; and

The eligibility of the applicant with respect to citizenship or eligible immigration status.

Assistance to a family may not be delayed, denied or terminated on the basis of the family's ineligible immigration status unless and until the family completes all the verification and appeals processes to which they are entitled under both INS and HA procedures, except for a pending HA hearing.

Applicants who are determined to be unqualified for admission will be promptly notified with a Notice of Denial of Admission stating the reason for the denial. The HA shall provide applicants the opportunity for an informal hearing (see chapter titled "Complaints, Grievances, and Appeals").

The HA will make every effort to accurately estimate an approximate date of occupancy. However, the date given by the HA does not mean that applicants should expect to be housed by that date. The availability of a suitable unit to offer a family is contingent upon factors not directly controlled by the HA, such as turnover rates, and market demands as they affect bedroom sizes and development location.

E. DOCUMENTATION OF FINDINGS

An authorized representative of the HA shall document any pertinent information received relative to the following:

Criminal Activity—includes the activities listed in the definition of criminal activity in this chapter.

Pattern of Violent Behavior—includes evidence of repeated acts of violence on the part of an individual, or a pattern of conduct constituting a danger to peaceful occupancy of neighbors.

Pattern of Drug Use—includes a determination by the HA that the applicant has exhibited a pattern of illegal use of a controlled substance which might interfere with the health, safety, or right to peaceful enjoyment of the premises by other residents.

Drug-Related Criminal Activity—includes a determination by the HA that the applicant has been involved in the illegal manufacture, sale, distribution, use or possession of a controlled substance.

Pattern of Alcohol Abuse—includes a determination by the HA that the applicant's

pattern of alcohol abuse might interfere with the health, safety or right to peaceful enjoyment of the premises by other residents.

Initiating Threats—or behaving in a manner indicating an intent to assault employees or other residents.

Abandonment of a Public Housing Unit without advising HA officials so that staff may secure the unit and protect its property from vandalism.

Non-Payment of Rightful Obligations—including rent and/or utilities and other charges owed to the HA or any other HA.

Falsifying an Application for Leasing—providing false information about family income and size, using an alias on the application for housing, or making any other material false statement or omission intended to mislead.

Record of Serious Disturbances of Neighbors, Destruction of Property or Other Disruptive or Dangerous Behavior—consists of patterns of behavior that endanger the life, safety, or welfare of other persons by physical violence, gross negligence or irresponsibility; that damage the equipment or premises in which the applicant resides; or that are seriously disturbing to neighbors or disrupt sound family and community life, indicating the applicant's inability to adapt to living in a multi-family setting. Includes judicial termination of tenancy in previous housing on the grounds of nuisance or objectionable conduct, or frequent loud parties that have resulted in serious disturbances of neighbors.

Grossly Unsanitary or Hazardous Housekeeping—includes the creation of a fire hazard through acts such as hoarding rags, papers, or other materials; severe damages to premises and equipment, if it is established that the family is responsible for the condition; seriously affecting neighbors by causing infestation, foul odors, depositing garbage in halls; or serious neglect of the premises. This category does not include families whose housekeeping is found to be superficially unclean or due to lack of orderliness, where such conditions do not create a problem for neighbors.

Destruction of Property from previous rentals.

Whether Applicant or Resident Is Capable of Maintaining the Responsibilities of Tenancy In the case of applicants for admission, the person's present living arrangements and a statement obtained from applicant's physician, social worker, or other health professional will be among factors considered in making this determination. The availability of a live-in attendant will be considered in making this determination.

In the event of the receipt of unfavorable information with respect to an applicant, consideration shall be given to the time, nature, and extent of the applicant's conduct and to factors that might indicate a reasonable probability of favorable future conduct or financial prospects. However, this does not preclude the HA from rescinding a determination of an applicant's eligibility and suitability should the receipt of unfavorable information, and/or the discovery of falsified information, occur after the HA has concluded its screening process.

F. PROHIBITED CRITERIA FOR DENIAL OF ADMISSION

The HA shall not reject an applicant on the basis that such applicant:

Has no income;

Is not employed;

Does not participate in a job-training program;

Will not apply for public assistance or benefit programs;

Has a child (or children);

Has children born out of wedlock;

Is on welfare;

Is a student;

On the basis of their sexual orientation, gender identity or marital status/marital-type relation

Is or had been a victim of domestic violence, dating violence, or stalking if the applicant otherwise qualifies for assistance or admission, and that nothing in this section shall be construed to supersede any provision of any Federal, State, or local law that provide greater protection than this section for victims of domestic violence, dating violence, or stalking.

Chapter 3

APPLICATIONS AND MANAGEMENT OF THE WAITING LIST

[24 CFR 5.400, 5.600, 960.201 through 960.208]

INTRODUCTION

The policy of the HA is to ensure that all families who express an interest in public housing assistance are given an equal opportunity to apply and are treated in a fair and consistent manner. This chapter describes the policies and procedures for entering new applications on the waiting list, opening and closing the waiting list, determining essential applicant information for waiting list placement, administering preferences, and removing applicants from the waiting list.

A. ENTERING NEW APPLICANTS ON THE WAITING LIST

Applicants interested in public housing may call the HA's application phone line to submit an application for the waiting list or apply online at www.hacola.org. Upon a request from a person with a disability, the HA will make the waiting list application available in an accessible format.

B. PROCEDURES FOR INITIAL APPLICATION TO THE WAITING LIST

The purpose of the initial application is to permit the HA to determine placement on the waiting list.

At the time of the application intake, whether through the application line or website, the HA will obtain the following information:

- Name and social security number of head of household;
- Address of head of household;
- Date and time of application;
- Number of household members;
- Amount and source of annual income;
- Information regarding request for reasonable accommodation or accessible unit.

The HA requires that applicants inform the HA of changes in family composition and address. The HA also requires that applicants respond to requests from the HA to update information on their application, or to determine their continued interest for assistance.

Multiple families in same household

When families apply that consist of two families living together, (such as a mother and father, and a daughter with the own husband or children), if they apply as a family unit, they will be treated as a family unit.

C. NOTIFICATION OF APPLICANT STATUS

Upon submission of the initial application, the HA will post on the online waiting list registration

page the applicant's eligibility and waiting list status.

Should the family be determined as ineligible, based on the information provided during the initial application, the HA will notify the family in writing (or in an accessible format upon request as a reasonable accommodation), state the reason(s), and inform them of their right to an informal hearing. Persons with disabilities may request to have an advocate attend the informal hearing as an accommodation. Refer to the chapter "Complaints, Grievances, and Appeals."

D. OPENING AND CLOSING THE WAITING LIST

The HA, at its discretion, may restrict application intake, suspend application intake, and close waiting lists in whole or in part. The decision to close the waiting list will be based on the number of applications available for a particular size and type of unit, and the ability of the HA to house an applicant in an appropriate units within a reasonable period of time.

The HA will publicly announce the decision to close the waiting list and/or restrict intake through public notice in local newspaper publications, media entities, and social service agencies. The public notice will contain the date and time when the HA will close the waiting list. Generally, the HA will give at least ten days' notice prior to closing the list. Furthermore, during the period when the waiting list is closed, the HA will not maintain a list of individuals who wish to be notified when the waiting list is open.

Upon request from a person with a disability, additional time will be given as an accommodation for submission of an application after the closing deadline. This accommodation is to allow persons with disabilities the opportunity to submit an application in cases when a social service organization provides inaccurate or untimely information about the closing date.

Opening of the waiting list will be announced in the same manner as closing the waiting list. This notice will be made in an accessible format if requested. It will provide potential applicants with information that includes the HA address and telephone number, how to submit an application, and information on eligibility requirements.

Unless the waiting list is closed, the HA will accept an application, even if the HA believes that the applicant is probably not eligible.

E. REMOVAL FROM THE WAITING LIST AND PURGING

Purging of the waiting list

The waiting list may be purged at least once a year by a mailing to all applicants to ensure that the waiting list is current and accurate. The mailing will ask for current information and confirmation of continued interest in the program. Notices will be made available in an accessible format upon the request of the person with a disability.

Should an applicant fail to respond within ten calendar days s/he will be removed from the waiting list. If a letter is returned by the Post Office with a forwarding address, it will be considered as 'returned undeliverable' and the applicant will be subject to removal from the waiting list. An extension to reply to the purge notification will be considered as an

accommodation if requested by a person with a disability. The HA will also consider as an accommodation the reinstatement of an applicant who did not respond in the timeframe described above because of a verified reason connected to a disability.

Granting a request for re-instatement by applicants removed from the waiting list due to their failure to respond will be at the discretion of the HA in consideration of factors such as: verified mail delivery problem, applicant did not respond due to hospitalization or due to the applicant's status as a Victim of Domestic Violence.

In addition, the HA will remove applicants from the public housing waiting list once they have been housed, have requested in writing that their names be removed, have not responded to the HA's request for information, have not met the eligibility/suitability screening criteria, or they have refused an offer of housing without good cause (24 CFR 960.206).

Applicants who are denied (because the HA determined they were ineligible/unsuitable) are entitled to an informal hearing. Please refer to chapter 13 "Grievances and Appeals."

F. WAITING LIST PREFERENCES

A preference is not an automatic guarantee of admission to the program. Preferences are used to establish the order of placement on the waiting list. Every applicant must meet the HA's Selection Criteria as defined in this policy.

The HA's preference system will work in combination with requirements to match the characteristics of the family to the type of unit available, including units with targeted populations, and further de-concentration of poverty in public housing. When such matching is required or permitted by current law, the HA will give preference to qualified families.

Families who reach the top of the waiting list will be contacted by the HA to verify their preference and, if verified, the HA will complete a full application for occupancy. Applicants may not retain their preference status on the waiting list if they refuse to provide verification of their preference and will be cancelled if they fail to complete the application process.

Among applicants with equal preference status, the waiting list will be organized according to date and time of application.

Local Preferences

Local preferences will be used to select among applicants on the waiting list. A public notice with opportunity for public comment will be held before the HA adopts or changes any local preference.

The notice will be distributed following the same guidelines as those used for opening or closing the waiting list.

General Occupancy Developments

The HA has established the following local admissions preferences for general occupancy developments:

First Preference: Homeless

Homeless families must be referred to the HA by a homeless service provider currently under contract with the HA. The family must consist of two (2) or more persons with one (1) member being under the age of 18 or be a single elderly and/or disabled person:

This preference is limited to 30% of the number of vacant general occupancy units available on July 1 of each fiscal year. Furthermore, the HA will consider victims of domestic violence and emancipated youth aging out of Foster Care as part of the definition of homeless families. Victims of domestic violence and emancipated youth aging out of Foster Care will receive the same admissions preference as homeless families. In order to qualify for the domestic violence preference, the applicant must be referred to the HA by a homeless service provider currently under contract with the HA. In order to qualify for the emancipated youth aging out of Foster Care preference, the applicant must be referred to the HA by the Department of Children and Family Services (DCFS).

Second Preference: Families that have been displaced by a natural disaster declared by the President of the United States or through a governmental action.

Third Preference: Families who live and/or work in unincorporated Los Angeles County.

Fourth Preference: Families that do not live or work in unincorporated Los Angeles County.

In accordance with the State of California Health and Safety Code, section 34322.2, the Housing Authority gives priority to families of veterans and servicepersons within each of the above admissions preference categories.

Treatment of Single Applicants

All families with children, elderly families, and disabled families will have an admission preference over “Other Singles.”

Mixed Population Developments

The HA has established the following local admissions preferences for mixed population developments:

First Preference: Families that live and/or work in unincorporated Los Angeles County, who are Elderly Families (head, spouse or sole member is 62 years of age or older) or Disabled Families (head, spouse or sole member meets the HUD/Social Security definition of disability).

Second Preference: Families who do not live and/or work in unincorporated Los Angeles County and who are Elderly Families or Disabled Families.

In accordance with the State of California Health and Safety Code section 34322.2, the Housing Authority gives priority to families of veterans and servicepersons within each of the above admissions preference categories.

G. FACTORS OTHER THAN PREFERENCES THAT AFFECT SELECTION OF APPLICANTS

Before applying its preference system, the HA will first match the characteristics of the available unit to the applicants available on the waiting lists. Factors such as unit size, accessible features, de-concentration or income mixing, income targeting, or units in housing designated for the elderly and/or disabled limit the admission of families to those characteristics that match the characteristics and features of the vacant unit available.

By matching unit and family characteristics, it is possible that families who are lower on the waiting list may receive an offer of housing ahead of families with an earlier date and time of application.

H. INCOME TARGETING

The HA will monitor its admissions to ensure that at least 40% of families admitted to public housing in each fiscal year shall have incomes that do not exceed 30% of area median income of the HA's jurisdiction.

The HA shall, at its discretion, at least annually, exercise the "fungibility" provision of QHWRA by admitting less than 40% of "extremely low income families" to public housing in a fiscal year, to the extent that the HA has provided more than 75% of newly available Section 8 Housing Choice Vouchers to "extremely low income families." This fungibility provision discretion by the HA is also reflected in the HA's Section 8 Administrative Plan.

The fungibility credits will be used to drop the annual requirement below 40% of admissions to public housing for extremely low income families by the lowest of the following amounts:

The number of units equal to 10% of the number of newly available vouchers in the fiscal year; or

The number of public housing units that 1) are in public housing developments located in census tracts having a poverty rate of 30% or more, and 2) are made available for occupancy by and actually occupied in that year by, families other than extremely low-income families.

The Fungibility Floor: Regardless of the above two amounts, in a fiscal year, at least 30% of the HA's admissions to public housing will be for extremely low-income families. The fungibility floor is the number of units that cause the HA's overall requirement for housing extremely low-income families to drop to 30% of its newly available units.

I. UNITS DESIGNATED FOR THE ELDERLY

The HA may elect at some future time to submit an Allocation Plan as required by the 1992 Housing Act to designate specific units or sites for elderly applicants only. In accordance with

the 1992 Housing Act, elderly families with a head, spouse or sole member at least 62 years of age would receive a preference for admission to such units or buildings covered by a HUD-approved Allocation Plan, except for the units which are accessible, which may be offered to persons with disabilities.

J. UNITS DESIGNATED FOR THE DISABLED

The HA may elect at some future time to submit an Allocation Plan as required by the 1992 Housing Act to designate specific units or sites for disabled applicants only. In accordance with the 1992 Housing Act, disabled families with a head, spouse or sole member who qualifies as a person with disabilities as defined in 24 CFR 945.105 will receive a preference for admission to units that are covered by a HUD-approved Allocation Plan.

K. MIXED POPULATION UNITS

A mixed population development is a public housing development, or portion of a development that was reserved for elderly families and disabled families at its inception (and has retained that character).

In accordance with the 1992 Housing Act, elderly families whose head spouse or sole member is at least 62 years of age, and disabled families whose head, co-head or spouse or sole member is a person with disabilities, will receive equal preference to such units.

No limit will be established on the number of elderly or disabled families that may occupy a mixed population property. All other HA preferences will be applied.

L. GENERAL OCCUPANCY UNITS

General occupancy units are designed to house all populations of eligible families. In accordance with the HA's occupancy standards, eligible families not needing units designed with special features or units designed for special populations will be admitted to the HA's general occupancy units.

The HA will use its local preference system as stated in this chapter for admission of eligible families to its general occupancy units.

M. DECONCENTRATION OF POVERTY AND INCOME MIXING

The HA's admission policy is designed to provide for de-concentration of poverty and income-mixing by bringing higher income residents into lower income developments and lower income residents into higher income developments.

A resident's gross annual income is used to determine income limits at admission and for income-mixing purposes.

De-concentration and Income-Mixing Goals

The HA's de-concentration and income-mixing goal, in conjunction with the requirement to target at least 40 percent of new admissions to public housing in each fiscal year to "extremely

low-income families,” will be to admit higher income families to lower income developments, and lower income families to higher income developments.

De-concentration will apply to transfer families as well as applicant families.

Development Designation Methodology

Annually, the HA will determine on an annual basis the average income of all families residing in general occupancy developments.

The HA will then determine the average income of all families residing in each general occupancy development.

The HA will then determine whether each general occupancy development falls above, within, or below the Established Income Range (EIR).

The EIR is 85 percent to 115 percent (inclusive of 85 percent and 115 percent) of the HA-wide average income for general occupancy developments.

The HA will then determine whether or not developments outside the EIR are consistent with local goals and strategies in PHA Agency Plan.

The HA may explain or justify the income profile for these developments as being consistent with and furthering two sets of goals:

1. Goals of de-concentration of poverty and income mixing (bringing higher income residents into lower income developments and vice versa); and
2. Local goals and strategies contained in the PHA Annual Plan.

De-concentration Policy

If, at annual review, there are found to be development(s) with average income above or below the EIR, and where the income profile for a general occupancy development above or below the EIR is not explained or justified in the PHA Plan, the HA shall adhere to the following policy for de-concentration of poverty and income mixing in applicable developments.

Skipping a family on the waiting list to reach another family in an effort to further the goals of the HA’s de-concentration policy:

If a unit becomes available at a development below the EIR, the first eligible family on the waiting list with income above the EIR will be offered the unit. If that family refuses the unit, the next eligible family on the waiting list with income above the EIR will be offered the unit. The process will continue in this order. For the available unit at the development below the EIR, if there is no family on the waiting list with income above the EIR, or no family with income above the EIR accepts the offer, then the unit will be offered to the next family regardless of income.

If a unit becomes available at a development above the EIR, the first eligible

family on the waiting list with income below the EIR will be offered the unit. If that family refuses the unit, the next eligible family on the waiting list with income below the EIR will be offered the unit. The process will continue in this order. For the available unit at the development above the EIR, if there is no family on the waiting list with income below the EIR, or no family with income below the EIR accepts the offer, then the unit will be offered to the next family regardless of income.

Skipping of families for de-concentration purposes will be applied uniformly to all families.

A family has the sole discretion whether to accept an offer of a unit made under the HA's de-concentration policy. The HA shall not take any adverse action toward any eligible family for choosing not to accept an offer of a unit under this de-concentration policy. However, the HA shall uniformly limit the number of offers received by applicants, described in this Chapter.

The HA provides a waiting list preference to homeless families referred by the agencies listed in this Chapter. Only the homeless preference can override de-concentration and income mixing policies.

If the average incomes of all general occupancy developments are within the Established Income Range, the HA will be considered to be in compliance with the de-concentration agreement.

Nothing in the de-concentration policy relieves the HA of the obligation to meet the income targeting requirements.

HA Incentives for Higher Income Families

The HA may offer certain incentives to families with incomes above the EIR willing to move into a development with average income below the EIR.

N. PROMOTION OF INTEGRATION

Beyond the basic requirement of nondiscrimination, HA shall affirmatively further fair housing to reduce racial and national origin concentrations.

The HA shall not require any specific income or racial quotas for any development or developments.

The HA shall not assign persons to a particular section of a community or to a development or building based on race, color, religion, sexual orientation, sex, gender identity, disability, familial status, marital status or national origin for purposes of segregating populations.

O. VERIFICATION OF PREFERENCE QUALIFICATION

A family's placement on the waiting list is based upon whether the family qualifies for an admissions preference. When a family is selected from the waiting list during the final determination of eligibility, the HA shall verify the preference.

If the preference verification indicates that the family does not qualify for an admissions preference, the family will be returned to the waiting list and ranked without regard for a local

preference and given an opportunity for a review.

Change in Circumstances

Changes in applicant's circumstances while on the waiting list may affect the family's entitlement to a preference. Applicants are required to notify the HA in writing when their circumstances change. When an applicant claims an additional preference, s/he will be placed on the waiting list in the proper order of their newly claimed preference.

P. PREFERENCE DENIAL

If the HA denies a preference, the HA will notify the applicant in writing of the reasons why the preference was denied and offer the applicant an opportunity for an informal meeting. The applicant will have ten calendar days to request the meeting in writing. If the preference denial is upheld as a result of the meeting, or the applicant does not request a meeting, the applicant will be placed on the waiting list without benefit of the preference. Applicants may exercise other rights if they believe they have been discriminated against by the HA.

Q. COMPLETION OF A FULL APPLICATION

The HA utilizes the full application form to obtain information related to applicant's eligibility, preferences, and tenant history. Applicants who fail to complete the full application will be cancelled from the jurisdiction-wide waiting list.

Reasonable accommodation(s) will be made for persons with a disability that may include: providing materials in formats requested by applicants, allowing applicants to be represented by a family member, advocate, or case worker designated by the applicant, completing paperwork at a site other than the HA administrative office for applicants who cannot come to the office for a reason connected to their disability, granting extended time for responses to persons who cannot respond within the established timeframes because of a disability and reinstating applicants who do not respond within established timeframes due to a verified reason connected to a disability.

Preferences are based on an applicant's current status and shall be verified during the eligibility review, regardless of the length of time an applicant may have been on the waiting list. The preference must exist at the time the HA initiates verification of applicant information. The HA shall conduct Third Party Verification (TPV) of eligibility and preference at the time the HA initiates the eligibility review.

Additionally, the HA shall provide the applicant with the opportunity to complete information on Form HUD-92006, Supplement to Application for Federally Assisted Housing. The forms gives applicants the option to identify an individual or organization that the HA may contact and the reason(s) the individual may be contacted. The applicant must sign and date Form HUD-92006, if the applicant elects to provide the additional contact information. The HA shall not require any individual or family applying for occupancy to provide the contact information as providing contact information is optional on the part of the individual or family. The HA shall also provide applicants the opportunity at the time of admission to update, remove or change contact information provided at the time of application. An applicant may provide Form HUD-92006 for each contact, indicating the reason the HA may contact the individual or organization. Those applicants who choose not to provide the contact information must check the box indicating that

they “choose not to provide the contact information” and sign and date the form.

R. PROCESSING FULL APPLICATIONS

The HA will verify for the following items to determine qualification for admission to the HA’s public housing program:

- Preference(s)
- Family composition and type (elderly/non-elderly)
- Annual income
- Assets and Asset Income
- Deductions from Annual Income
- Social Security Numbers for all family members
- Information used in applicant screening
- Citizenship or eligible immigration status
- Criminal history
- Rental history
- School enrollment (for all household members attending school)

If the HA determines that additional information or document(s) are needed, the HA will request the document(s) or information in writing. The applicant will be given ten calendar days to supply the information. Should this information not be supplied within the timeframe, the HA will provide the applicant a notification of cancellation for assistance.

S. FINAL DETERMINATION AND NOTIFICATION OF ELIGIBILITY

After the verification process is completed, the HA will make a final determination of eligibility based upon information provided by the family, the verification conducted by the HA, and determination of resident suitability (refer to chapter on Eligibility for Admission).

As the rules and regulations governing the housing program are subject to change by HUD and/or applicants may have experienced a change in circumstance(s) during the review process that may affect their eligibility, it is necessary to make final eligibility determination.

The applicant is not actually eligible for a unit offer until this final determination has been made, even though they may have been preliminarily determined eligible and have been placed on the waiting list. Additionally, applicants have a continuing obligation to provide material information to the Housing Authority.

T. PLAN FOR UNIT OFFERS

The HA plan for selection of applicants and assignment of dwelling units will assure equal opportunity and non-discrimination on grounds of race, color, sexual orientation, sex, gender identity, religion, or national origin. The HA plan for selection is based on how many locations within its jurisdiction have available units of suitable size and type in the appropriate type of development. This plan is also based on the distribution of vacancies.

The applicant will be offered a unit in the location with the oldest vacancy. If the offer is rejected, a final offer will be made in the location with the second oldest vacancy. Therefore, the HA will make two unit offers before cancelling an applicant.

When an applicant rejects the second and final unit offer, the HA will remove the applicant's name from the waiting list. Removal from the waiting list means the applicant must reapply.

If more than one unit of the appropriate type and size is available, the first unit to be offered will be the first unit that is ready for occupancy.

For elderly/disabled applicants on elderly/disabled housing development waiting lists, applicants will also be cancelled after two unit offers.

The HA will maintain a record of units offered, including location, date and circumstances of each offer, each acceptance or rejection, including the reason for the rejection.

U. CHANGES PRIOR TO UNIT OFFER

Changes that occur during the period between removal from the waiting list and an offer of a suitable unit may affect the family's eligibility or Total Resident Payment. The family will be notified in writing of changes in their eligibility or level of benefits and offered their right to an informal hearing when applicable. (See chapter on Complaints, Grievances, and Appeals.)

V. OFFER OF ACCESSIBLE UNITS

The HA has units designed for persons with mobility, sight and hearing impairments, referred to as accessible units.

No non-mobility impaired families will be offered these units until all eligible mobility-impaired applicants have been considered.

Before offering a vacant accessible unit to a non-disabled applicant, the HA will offer such units:

First, to a current occupant of another unit of the same development, or other public housing developments under the HA's control, who has a disability that requires the special features of the vacant unit.

Second, to an eligible qualified applicant on the waiting list having a disability that requires the special features of the vacant unit.

When offering an accessible/adaptable unit to a non-disabled applicant, the HA will require the applicant to sign a certified statement agreeing that the applicant will relocate within 30 days to the first available vacant unit of appropriate size, at the same or comparable housing development site, should the modified unit be required for an eligible disabled family. This requirement will be a provision of the lease agreement.

W. TIME LIMIT FOR ACCEPTANCE OF UNIT

Applicants must accept a unit offer within three calendar days of the date the offer is made. At

the HA's discretion or for ADA accommodations, the HA may extend the timeframe to accept or reject a unit offer. Offers made over the telephone will be confirmed in writing by the HA. If the HA is unable to contact an applicant by telephone, the HA will write to the applicant to inform him/her of the unit offer.

X. APPLICANT STATUS AFTER FINAL UNIT OFFER

When an applicant rejects the final unit offer, the HA will remove the applicants name from the waiting list.

Y. REQUIREMENT TO ATTEND INTERVIEW

The HA utilizes the interview session to discuss the family's circumstances in greater detail, to clarify information which has been provided by the family, and to ensure such information is complete. Families are also given information on HA services or programs that may be available.

All adult family members must attend the interview. Exceptions may be made for adult students attending school out of state or for members for whom attendance would be a hardship.

It is the applicant's responsibility to reschedule the interview if s/he misses the appointment. If the applicant does not reschedule or misses three scheduled meeting(s), the HA will not provide housing.

Reasonable accommodation will be made for persons with a disability that requires an advocate or accessible offices. A designee will be allowed to provide some information, but only with permission of the person with a disability.

At the time of the interview, all adult members will be required to sign the House Rules, Lease Agreement and other documents required by the HA. Failure to sign any required documents will be cause for denial of housing.

If the HA determines at or after the interview that additional information or document(s) are needed, the HA will request the document(s) or information in writing. The family will be given ten calendar days to supply the information.

If the information is not supplied in this time period, the HA will provide the family a notification of denial for assistance. (See Chapter on Complaints, Grievances and Appeals.)

Z. APPLICANTS UNABLE TO TAKE OCCUPANCY

If an applicant is willing to accept the unit offered, but is unable to take occupancy at the time of the offer for "good cause," the applicant will not be removed from the waiting list.

Examples of "good cause" reasons for the refusal to take occupancy of a housing unit include, but are not limited to:

Unit is not of the proper size and type, and the applicant would be able to reside there only temporarily;

Unit contains lead-based paint, and accepting the offer could result in subjecting the applicant's children under seven (7) years of age to lead-based paint poisoning;

An elderly or disabled family makes the decision not to occupy or accept occupancy in designated housing; [24 CFR 945.303(d)];

A qualified, knowledgeable, health professional verifies the temporary hospitalization or recovery from illness of the principal household member, other household members, or a live-in aide necessary to care for the principal household member;

The unit is inappropriate for the applicant's disabilities.

AA. ELDERLY/DISABLED HOUSING DEVELOPMENT WAITING LIST

The HA offers elderly and single disabled applicants who have determined eligible and suitable the opportunity to take the first available vacant unit offer or place their name on a maximum of two elderly/disabled housing development waiting lists.

Applicants may select from the following list of elderly/disabled housing developments:

Carmelitos (senior)	Herbert Avenue
Colonia de las Rosas (Nueva Maravilla)	Southbay Gardens
Whittier Manor	Orchard Arms
Foothill Villa	Ocean Park
Marina Manor I & II	Westknoll Apartments
Palm Apartments	Carmelita
Francisquito Villa	Triggs Street

If an applicant, who selects the option of placing their name on an elderly/disabled housing development waiting list(s), and refuses all two units selected at the time the HA makes the unit offer, will be cancelled and their name will be removed from the jurisdiction-wide waiting list.

Every reasonable accommodation will be taken by the HA to ensure that applicants can make informed choices regarding the development(s) in which they wish to reside. The HA will disclose information to applicants regarding the location of available sites, occupancy number and size of accessible units. The HA will also include basic information relative to amenities such as security, programs and services, transportation, and the estimated waiting period for admittance to unit of different types.

Chapter 4

DWELLING UNIT OCCUPANCY STANDARDS

INTRODUCTION

This Chapter states the HA Occupancy Standards used to determine the appropriate type development and unit size for families, based on the following guidelines.

A. DETERMINING UNIT SIZE

GUIDELINES FOR DETERMINING BEDROOM SIZE

Bedroom Size	Persons in Household: Minimum #	Persons in Household: Maximum #
0 Bedroom	1	1
1 Bedroom	1	2
2 Bedrooms	2	4
3 Bedrooms	3	6
4 Bedrooms	4	8
5 Bedrooms	5	10

All guidelines in this section relate to the number of bedrooms in the unit. Dwelling units will be so assigned that:

Generally the HA will assign one bedroom to two people within the following guidelines:

A minimum of one person per bedroom.

Adults of different generations, persons of the opposite sex (other than spouses and significant others), and unrelated adults will not be required to share a bedroom.

Foster children will be included in determining unit size.

Live-in attendants will generally be provided a separate bedroom. No additional bedrooms are provided for the attendant's family.

Space may be provided for a child who is away at school but who lives with the family during school recesses.

The living room may be used as a bedroom at the request of the family and the approval of the HA.

The HA may offer a family a unit that is larger than required by HA's occupancy standards.

All members of the family residing in the unit must be approved by the HA. The family must obtain approval of any additional family member before the person occupies the unit except for

additions by birth, adoption, or court-awarded custody, in which case the family must inform the HA within ten calendar days.

The temporary absence of a child from the home due to placement in foster care may be considered in determining family composition and family size, which will be considered in determining bedroom size.

B. EXCEPTIONS TO OCCUPANCY STANDARDS

Person with Disability

The HA will grant an exception upon request as a reasonable accommodation for persons with disabilities if the need is appropriately verified [* and meets requirements in the "Service and Accommodations Policy" section of Chapter 1].

Accessible units will be offered to non-mobility impaired applicants only with the understanding that such applicants must accept a transfer to a non-accessible unit at a later date if a person with a mobility impairment requiring the unit applies for housing and is determined eligible.

Zero Bedroom Units

For units with zero bedrooms and that are more than 510 square feet in size, two persons may occupy that unit.

Other Circumstances

Circumstances may dictate a larger size than the occupancy standards permit when:

Persons cannot share a bedroom because of a need for medical equipment due to its size and/or function. Verification from a doctor must accompany requests for a larger bedroom to accommodate medical equipment.

Requests based on health related reasons must be verified by a doctor.

The HA will grant exceptions from the guidelines in cases where it is the family's request or the HA determines the exceptions are justified by the relationship, age, sex, health or disability of family members, or other individual circumstances, and there is a vacant unit available. If an applicant requests to be listed on a smaller or larger bedroom size waiting list, the following guidelines will apply.

Applicants may request to be placed on the waiting list for a unit size smaller than designated by the occupancy guidelines, (as long as the unit is not overcrowded according to local codes). The family must agree not to request a transfer until they have been admitted and have occupied the unit for 18 months.

The family may request to be placed on a larger bedroom size waiting list than indicated by the HA's occupancy guidelines. The request must explain the need or justification for a larger bedroom size, and must be verified by the HA before the family is placed on the larger bedroom size list.

In all cases, where the family requests an exception to the general occupancy standards, the HA will evaluate the relationship and ages of all family members and the overall size of the unit.

C. OCCUPANCY STANDARDS ARE APPLICABLE TO TRANSFERS

When a change in the circumstances of a resident family requires another unit size, if the unit is not available at the time it is requested, the family will be placed on the Transfer List.

The unit considerations in this section should be used as a guide to determine whether and when the bedroom size should be changed. If an unusual situation occurs, which is not currently covered in this policy, the case should be taken to the manager who will make determination after review of the situation, the individual circumstances, and the verification provided.

D. OCCUPANCY BY POLICE OFFICERS

In order to provide an increased sense of security for public housing residents the HA will allow one public housing unit located at the Carmelitos housing development to be occupied by a police officer.

Police officers will not be required to be income eligible to qualify for admission to the HA's public housing program.

Chapter 5

DETERMINATION OF TOTAL TENANT PAYMENT AND FAMILY CHOICE IN RENTS

[24 CFR 5.609, 5.611, 5.613, 5.615]

PART I: DETERMINATION OF TOTAL TENANT PAYMENT (TTP)

INTRODUCTION

The accurate calculation of Annual Income and Adjusted Income ensures that families are not paying more or less money for rent than their obligation under the regulations.

This chapter defines the allowable deductions from gross Annual Income and how the presence or absence of household members may affect the Total Tenant Payment (TTP). Income and TTP are calculated in accordance with 24 CFR Part 5, Subpart F and further instructions set forth in HUD Notices, Memoranda and Addenda. However, the QHWRA now gives HAs broader flexibility to define terms and to develop standards in order to assure consistent application of the various factors that relate to the determination of TTP.

A. MINIMUM RENT

The minimum rent for the HA is \$50. The minimum rent refers to a minimum total tenant payment and not a minimum tenant rent.

The Total Tenant Payment is the greater of:

30% of the adjusted monthly income

10% of the monthly gross income

The minimum rent as established by the HA

HA Procedures for Notification to Families of Hardship Exceptions

The HA will notify those participant families subject to a minimum rent of their right to request a minimum rent hardship exception under the law.

The HA will notify all families at the annual recertification appointment of their right to request a minimum rent hardship exception.

The HA notification will advise the family that hardship exception determinations are subject to HA grievance procedures.

The HA will review all resident requests for exception from the minimum rent due to financial hardships.

All requests for minimum rent exception are required to be in writing.

Requests for minimum rent exception must state the family circumstances that qualify the family for an exception.

Exceptions to Minimum Rent

The HA will immediately grant the minimum rent exception to all families who request it.

The minimum rent will be suspended until the HA determines whether the hardship is:

Covered by statute

Temporary or long-term

If the HA determines that the minimum rent is not covered by statute, the HA will impose a minimum rent including payment for minimum rent from the time of suspension.

HUD Criteria for Hardship Exception

In order for a family to qualify for a hardship exception the family's circumstances must fall into one of the following criteria:

The family has lost eligibility (for reasons other than failure to comply with program requirements and/or committing program fraud) or is awaiting an eligibility determination for Federal, State, or local assistance.

The family would be evicted as a result of the imposition of the minimum rent requirement.

The income of the family has decreased because of changed circumstances, including:

Loss of employment as defined whereby an individual is out of work due to no fault of their own;

Death of the Resident or other member of the Resident's household;

Other circumstances as determined by the HA or HUD

Temporary Hardship

If the HA determines that the hardship is temporary, a minimum rent will be imposed, including back payment from time of suspension, but the family will not be evicted for nonpayment of rent during the 90 day period commencing on the date of the family's request for exemption.

The HA defines temporary as less than 90 days.

Repayment Agreements for Temporary Hardship

The HA will offer a repayment agreement to the family for any such rent not paid during the

temporary hardship period.

If the family owes the HA money for rent arrears incurred during the minimum rent period, the HA will require that the family pay an initial lump sum (in an amount determined by the HA) with the remaining balance to be paid equal payments over a period of time not to exceed 12 months under \$2400 or 24 months for any amount in excess of \$2400.

Minimum rent arrears that are less than \$50 will be required to be paid in full the first month following the end of the minimum rent period.

The HA's policies regarding repayment agreements are further discussed in the chapter entitled "Family Debts to the HA."

B. INCOME AND ALLOWANCES

The HA shall define income and allowances as the following:

"Income": The types of money that are to be used as income for the purposes of calculating the TTP are defined by HUD in federal regulations. In accordance with this definition, income from all sources of each member of the household is documented. (See Income Inclusions and Income Exclusions in the Glossary of Terms of this policy.)

"Annual income" is defined as the gross amount of income anticipated to be received by the family during the 12 months after certification or recertification. "Gross income" is the amount of income prior to any HUD allowable expenses or deductions, and does not include income that has been excluded by HUD. Annual income is used to determine whether or not applicants are within the applicable income limits. (24 CFR 5.607)

"Adjusted income" is defined as the annual income minus any HUD allowable deductions.

Allowable Deductions

HUD has five allowable deductions from Annual Income:

1. Dependent allowance: \$480 each for family members (other than the head or spouse), who are minors, and for family members who are 18 and older who are full-time students or who are disabled.

A. When more than one family residing in public housing shares custody of a child, only one family can claim the dependent deduction for that child. The family with primary custody or with custody at the time of the initial certification or annual recertification, receives the deduction. If there is a dispute regarding which family should claim the dependent deduction, the HA will refer to available documents such as copies of court orders or an IRS tax return verifying which family has claimed the child for income tax purposes.

B. Should a family member claiming the \$480 full-time student deduction not report to the HA a change in the student's full-time status prior to the annual recertification, the HA shall require verification of full-time enrollment status for the prior year to ensure

that there was no underpayment of rent.

2. “Elderly” allowance: \$400 per household for families whose head or spouse is 62 or over or disabled.
3. Allowable medical expenses for all family members are deducted for elderly and disabled families.
4. Childcare expenses for children under 13 are deducted when child-care is necessary to allow an adult member to work or attend school (including vocational training). This amount cannot exceed the income a family receives from working. It also cannot exceed the market rate for a day care provider in the area.
5. Expenses for attendant care or auxiliary apparatus for persons with disabilities if needed to enable the individual or an adult family member to work.

C. MEDICARE PRESCRIPTION DRUG PLAN- PART D PROGRAM (PIH 2005-37)

1. In calculating annual income for a family, the low-income subsidy received to assist low-income persons in paying for their Medicare prescription drug plan costs will be excluded as annual income for the purpose of calculating rent.
2. The Housing Authority will include as a medical expense for the medical expenses deduction, the out-of-pocket expenses incurred for prescription drugs and premiums.

A family does not have to report they have enrolled in a Medicare prescription drug plan until the time of their next recertification.

D. DISALLOWANCE OF EARNED INCOME FROM RENT DETERMINATIONS

The rent for qualified families may not be increased as a result of the increased income due to such employment during the 12-month period beginning on the first day of the month following the effective date of employment. Only family members 18 years of age or older can qualify for the earned income disallowance.

A family qualified for the earned income exclusion is a family that occupies a dwelling unit in a public housing development, is paying income-based rent; and

1. Whose income increases as a result of employment of a member of the family who was previously unemployed for one or more years previous to employment;

The HUD definition of “previously unemployed” includes a person who has earned in the previous 12 months no more than the equivalent earnings for working 10 hours per week for 50 weeks at the minimum wage. Minimum wage is the prevailing minimum wage in the State or locality.

2. Whose earned income increases as a result of increased earnings by a family member during participation in any family self-sufficiency or other job training program; or

The HUD definition of economic self-sufficiency program is: any program designed to

encourage, assist, train or facilitate economic independence of assisted families or to provide work for such families. Such programs may include job training, employment counseling, work placement, basic skills training, education, English proficiency, workfare, financial or household management, apprenticeship, or any other program necessary to ready a participant to work (such as substance abuse or mental health treatment).

Amounts to be excluded are any earned income increases of a family member during the self-sufficiency or job training program and not increases that occur after participation, unless the training provides assistance, training or mentoring after employment. The amount of TANF received in the six-month period includes monthly income and such benefits and services as one-time payments, wage subsidies and transportation assistance.

3. Who is or was, within six months, assisted under any State program for TANF and whose earned income increases, if the amount received under TANF was at least \$500 for the six-month period.

The amount that is subject to the disallowance is the amount of incremental increase in income. The incremental increase in income is calculated by comparing the amount of the family member's income before the beginning of qualifying employment to the amount of such income after the beginning of employment.

Initial Twelve-Month Exclusion:

During the cumulative 12-month period beginning on the first day of the month following the effective date of employment, the HA will exclude from annual income any increase in income of the family member as a result of employment over the prior income of that family member.

Second Twelve-Month Exclusion:

Upon the expiration of the 12-month period referred to above, the rent payable by a family may be increased due to the continued employment of the family member above, except that during the 12-month period beginning upon such expiration the amount of the increase may not be greater than 50 percent of the amount of the total rent increase that would be applicable except for this exclusion.

Maximum Four-Year Disallowance:

The earned income disallowance is limited to a lifetime 48-month period for each family member. For each family member, the disallowance only applies for a maximum of 12 months total exclusion of incremental increase, and a maximum of 12-month phase in exclusion during the 48-month period starting from the date of the initial exclusion.

If the period of increased income does not last for 12 consecutive months, the disallowance period may be resumed at any time within the 48-month period, and continued until the disallowance has been applied for a total of 12 months of each disallowance (the initial 12-month total exclusion and the second 12-month Housing phase in exclusion).

No earned income disallowance will be applied after the 48-month period following the initial

date the exclusion was applied.

Tracking the Earned Income Exclusion

The earned income exclusion will be reported on the HUD 50058 form. Documentation will be included in the family's file to show the reason for the reduced increase in rent.

Such documentation will include:

Date the increase in earned income was reported by the family

Name of the family member whose earned income increased

Reason (new employment, participation in job training program, within 6 months after receiving TANF) for the increase in earned income

Amount of the increase in earned income (amount to be excluded)

Date the increase in income is first excluded from annual income

Date(s) earned income ended and resumed during the initial cumulative 12-month period of exclusion (if any)

Date the family member received the total 12-month of the initial exclusion

Date the 12-month 50% disregard of the incremental increase began

Date(s) earned income ended and resumed during the second cumulative 12-month period phase-in exclusion period

Date the family member received the total 12-month of the phase-in exclusion period

Ending date of the maximum 48-month (four year) disallowance period (48 months from the date of the initial earned income disallowance)

The HA will maintain a tracking system to ensure correct application of the earned income disallowance.

Family's Responsibility to Report Changes

Changes in Family Composition

The HA's policy is not to alter rent amounts between annual re-certifications, except in the case of a change in family composition. Residents must report all changes in the household composition.

Changes in Income

The HA's policy is not to alter rent amounts between annual re-certifications, except in the case of a change in family composition and/ or source of income and/or an increase of \$200/month or more. If the HA determines that the family is a qualified family for Earned Income

Disallowance, the 12-month exclusion will begin on the first day of the month after the family becomes eligible. At annual recertification, the remainder of the 12-month full exclusion will be applied. After the 12-month full exclusion ends, the 12-month phase-in exclusion will begin. The family will be required to report any change in income or family composition during this period (while full or housing phase in exclusion is applied).

Inapplicability to Admission

The earned income disallowance is only applied to determine the annual income of families residing in public housing, and is not used in determining the annual income of applicants for purposes of eligibility or income targeting for admission.

E. TRAINING PROGRAMS FUNDED BY HUD

All training income from a HUD sponsored or funded training program, whether incremental or not, is excluded from the resident's annual income while the resident is in training. Income from a Resident Services training program, which is funded by HUD, is excluded.

Upon employment with the HA, the full amount of employment income received by the person is counted. There is no 18-month exclusion of income for wages funded under the 1937 Housing Act Programs, which includes public housing and Section 8.

F. AVERAGING INCOME

Income from the previous year may be analyzed to determine the amount to anticipate when third party or check-stub verification is not available.

When Annual Income cannot be anticipated for a full twelve months, the HA will average known sources of income that vary to compute an annual income.

If there are bonuses or overtime, which the employer cannot anticipate for the next twelve months, bonuses and overtime received the previous year, will be used.

If by averaging, an estimate can be made for those families whose income fluctuates from month to month, this estimate will be used so that the housing payment will not change from month to month.

The method used depends on the regularity, source and type of income.

G. INCOME OF PERSON PERMANENTLY CONFINED TO NURSING HOME

If a family member is permanently confined to a hospital or nursing home and there is a family member left in the household, the HA will calculate the Total Tenant Payment by excluding the income of the person permanently confined to the nursing home and not giving the family deductions for medical expenses of the confined family member.

H. REGULAR CONTRIBUTIONS AND GIFTS [24 CFR 5.609(a)(7)]

Regular contributions and gifts received from persons outside the household are counted as

income for calculation of the Total Tenant Payment.

Any contribution or gift received on a regular basis regardless of frequency will be considered a “regular” contribution or gift. This includes rent and utility payments made on behalf of the family and other cash or non-cash contributions provided on a regular basis. This information will be requested from the family and will be averaged over a twelve-month period and included in the calculation of Total Tenant Payment. It does not include casual contributions or sporadic gifts. (See chapter on “Verification Procedures,” for further definition.)

I. ALIMONY AND CHILD SUPPORT [24 CFR 5.609(a)(7)]

Regular alimony and child support payments are counted as income for calculation of Total Tenant Payment.

If the amount of child support or alimony received is less than the amount awarded by the court, the HA must use the amount awarded by the court unless the family can verify that they are not receiving the full amount.

J. LUMP-SUM RECEIPTS [24 CFR 5.609(b)(5), (c)]

Lump-sum additions to Family assets, such as inheritances, insurance payments (including payments under health and accident insurance and worker’s compensation), capital gains, and settlement for personal or property losses, are not included in income but may be included in assets.

Lump-sum payments caused by delays in processing periodic payments (unemployment or welfare assistance) are counted as income. Lump sum payments from Social Security or SSI are excluded from income, but any amount remaining will be considered an asset. Deferred periodic payments which have accumulated due to a dispute will be treated the same as periodic payments which are deferred due to delays in processing.

In order to determine amount of retroactive resident rent that the family owes as a result of the lump sum receipt the HA will always calculate retroactively to date of receipt.

Retroactive Calculation Methodology

The HA will go back to the date the lump-sum payment was received, or to the date of admission, whichever is closer.

The HA will determine the amount of income for each certification period, including the lump sum, and recalculate the resident rent for each certification period to determine the amount due the HA.

At the HA’s option, the HA may enter into a Repayment Agreement with the family. The HA will only enter into a Repayment Agreement with the family if they are in good standing (no unpaid rent or other charges, no disturbance complaints). The family will be required to pay fifty percent (50%) of the retroactive amount due at the time of calculation and the balance of the amount over a six-month period.

The amount owed by the family is a collectible debt even if the family becomes unassisted.

Attorney Fees

The family's attorney fees may be deducted from lump-sum payments when computing annual income if the attorney's efforts have recovered a lump-sum compensation, and the recovery paid to the family does not include an additional amount in full satisfaction of the attorney fees.

K. CONTRIBUTIONS TO RETIREMENT FUNDS—ASSETS

Contributions to company retirement/pension funds are handled as follows:

While an individual is employed, count as assets only amounts the family can withdraw without retiring or terminating employment.

After retirement or termination of employment, count any amount the employee elects to receive as a lump sum.

L. ASSETS DISPOSED OF FOR LESS THAN FAIR MARKET VALUE

The HA must count assets disposed of for less than fair market value during the two years preceding certification or recertification. The HA will count the difference between the market value and the actual payment received in calculating total assets.

Assets disposed of as a result of foreclosure or bankruptcy is not considered to be assets disposed of for less than fair market value. Assets disposed of as a result of a divorce or separation is not considered to be assets disposed of for less than fair market value.

M. CHILD CARE EXPENSES

Un-reimbursable child care expenses for children under 13 may be deducted from annual income if they enable an adult to work, attend school full time, or attend full-time vocational training.

In the case of a child attending private school, only before or after-hours care can be counted as child-care expenses.

Child-care expenses must be reasonable. Reasonable is determined by what the average child care rates are in the HA's jurisdiction.

Allowable deductions for child-care expenses are based on the following guidelines:

Child care to work: The maximum child care expense allowed must be less than the amount earned by the person enabled to work. The "person enabled to work" will be the adult member of the household who earns the least amount of income from working.

Child care for school: The number of hours claimed for childcare may not exceed the number of hours the family member is attending school (including one hour travel time to and from school).

Amount of Expense: Each site management office will survey the local care providers in the surrounding community to determine what is reasonable. The site management office will use the collected data as a guideline. If the hourly rate materially exceeds the guideline, the HA may calculate the allowance using the guideline.

N. MEDICAL EXPENSES [24 CFR 5.603]

When it is unclear in the HUD rules as to whether or not to allow an item as a medical expense, IRS Publication 502 will be used as a guide.

Over-the-counter medication must be doctor-prescribed in order to be considered a medical expense and will be counted toward medical expenses for families who qualify if the family furnishes legible receipts with identification of the type of purchase.

Acupressure, acupuncture, physical therapy including exercise and chiropractic services may be considered allowable medical expenses if these services are recommended as a specific treatment by the family's primary physician.

The cost of transportation to and from medical appointments and treatments will be an allowable medical expense and will be calculated at the current IRS rate.

O. PRORATION OF ASSISTANCE FOR "MIXED" FAMILIES [24 CFR 5.520]

Applicability

Proration of assistance must be offered to any "mixed" applicant or participant family. A "mixed" family is one that includes at least one U.S. citizen or eligible immigrant and any number of ineligible members.

"Mixed" families that were participants on June 19, 1995, and that do not qualify for continued assistance must be offered prorated assistance. (See chapter titled "Recertifications.") Applicant mixed families are entitled to prorated assistance. Families that become mixed after June 19, 1995, by addition of an ineligible member are entitled to prorated assistance.

Prorated Assistance Calculation

Prorated assistance will be calculated by subtracting the Total Tenant Payment from the applicable Maximum Rent for the unit the family occupies to determine the Family Maximum Subsidy. The family's TTP will be calculated by:

Dividing the Family Maximum Subsidy by the number of persons in the family to determine Member Maximum Subsidy.

Multiplying the Member Maximum Subsidy by the number of eligible family members to determine Eligible Subsidy.

Subtracting the amount of Eligible Subsidy from the applicable Maximum Rent for the unit the family occupies to get the family's Revised Total Tenant Payment.

P. INCOME CHANGES RESULTING FROM WELFARE PROGRAM REQUIREMENTS

The HA will not reduce the public housing rent for families whose welfare assistance is reduced specifically because of:

Fraud; or

Failure to participate in an economic self-sufficiency program; or

Noncompliance with a work activities requirement.

However, the HA will reduce the rent if the welfare assistance reduction is a result of:

The expiration of a lifetime time limit on receiving benefits; or

A situation where the family has complied with welfare program requirements but cannot or has not obtained employment, such as:

The family has complied with welfare program requirements, but the durational time limit, such as a cap on the length of time a family can receive benefits, causes the family to lose their welfare benefits.

Verification Before Denying a Request to Reduce Rent

A family's request for rent reduction shall be denied upon the HA obtaining written verification from the welfare agency stating that the family's benefits have been reduced for fraud or noncompliance.

Cooperation Agreements

The HA has taken a proactive approach to culminating an effective working relationship between the HA and the local welfare agency for the purpose of targeting economic self sufficiency programs throughout the community that are available to public housing residents.

Q. UTILITY ALLOWANCE AND UTILITY REIMBURSEMENT PAYMENTS

If the cost of utilities (excluding telephone) is not included in the Resident Rent, a utility allowance will be deducted from the total tenant payment. The Utility allowance is intended to help defray the cost of utilities not included in the rent. The allowances are based on the monthly cost of reasonable consumption utilities in an energy conservative household, *not* on a family's actual consumption.

When the Utility Allowance exceeds the family's Total Tenant Payment, the HA will mail a Utility Reimbursement Payment for the family each month.

Resident-Paid Utilities

The following requirements apply to residents living in developments with resident-paid utilities or applicants being admitted to such developments:

Paying the utility bill is the resident's obligation under the lease. Failure to pay utilities is grounds for eviction.

Resident Responsibility for Appliances

Residents who are responsible for providing one or more appliance(s) are also responsible for the maintenance and upkeep of such appliance(s). Failure to maintain such appliance(s), as specified in the Lease Agreement, is grounds for termination of tenancy.

R. EXCESS UTILITY PAYMENTS

Residents in units where the HA pays the utilities may be charged for excess utilities if additional appliances or equipment are used in the unit. This charge shall be applied as specified in the lease. [24CFR 966.4(b)(2)]

PART II: FAMILY CHOICE IN RENTS

A. FAMILY RENT CHOICE

The HA shall provide information to enable each family residing in a public housing unit to elect annually whether the rent paid by such family shall be 1) determined based on family income; or 2) the flat rent. The HA may not at any time fail to provide both such rent options for any public housing unit owned, assisted or operated by the HA.

B. FLAT RENTS

The HA has established, for each dwelling unit in public housing, a flat rental amount for the dwelling unit, which:

Is based on the rental value of the unit, as determined by the HA; and

Is designed so that the rent structures do not create a disincentive for continued residency in public housing by families who are attempting to become economically self-sufficient through employment or who have attained a level of self-sufficiency through their own efforts.

The HA shall review the income of families paying flat rent not less than once every three years.

C. INCOME-BASED RENTS

The monthly Total Tenant Payment amount for a family shall be an amount, as verified by the HA, that does not exceed the greatest of the following amounts:

30 percent of the family's monthly adjusted income;

10 percent of the family's monthly gross income; or

The HA's Minimum TTP of \$50.

D. SWITCHING RENT DETERMINATION METHODS BECAUSE OF HARDSHIP CIRCUMSTANCES

In the case of a family that has elected to pay the HA's flat rent, the HA shall, no later than the first of the month following the month the family reported the hardship, provide for the family to pay rent in the amount determined under income-based rent, during the period for which such choice was made for the following hardship circumstances:

Situations in which the income of the family has decreased because of changed circumstances, loss of or reduction of employment through no fault of the individual, death in the family, and reduction in or loss of income or other assistance;

An increase, because of changed circumstances, in the family's expenses for medical costs, child care, transportation, education, or similar items; and

Such other situations as may be determined by the HA.

All hardship situations must be verified. If a family has switched from flat rent to income-based rent because of hardship, the family shall remain on income-based rent until the next scheduled annual recertification, at which time the Housing Authority shall allow the family to elect whether to pay flat rent or income-based rent.

E. HA'S FLAT RENT METHODOLOGY

The HA has set a flat rent for each public housing unit, based on the reasonable market value of the unit. The HA's methodology is also described in the HA Agency Plan.

The HA will obtain three rent comparables for each bedroom size from unsubsidized units in the surrounding area. The rent comparable information includes factors such as age of the building, location, physical condition, amenities and design. Once three rent comparables are obtained, an average of the three rents is calculated to obtain the flat rent. Rent comparables shall be calculated not less than once each year.

The rent comparable analysis is kept at each site, including documentation as to how the flat rent was determined.

F. ANNUAL RECERTIFICATION

During the annual recertification process, the family will be provided a form from the HA, on which the family will indicate whether they choose flat rent or income-based rent. The HA form will state what the flat rent would be, and an estimate, based on current information, what the family's income-based rent would be. This form will be retained in the resident's file.

Chapter 6

VERIFICATION PROCEDURES

[24 CFR Part 5, Subpart B; 24 CFR 960.259]

INTRODUCTION

This chapter explains the HA's procedures and standards for verification of preferences, income, assets, allowable deductions, family status, and changes in household composition. The HA's verification procedures are designed to meet HUD's requirements that the factors of eligibility and Total Tenant Payment be verified and that the HA maintain program integrity. Applicants and program residents must furnish proof of their statements whenever required by the HA, and the information they provide must be true and complete. The HA will ensure that proper authorization for release of information is always obtained from the family before making verification inquiries.

A. METHODS OF INCOME VERIFICATION AND TIME ALLOWED

The HA will use six levels of verification methods acceptable to HUD in the following order:

Level Six: Up-Front Income Verification (UIV) using EIV (highest priority). This level is mandatory and will be used when available.

Level Five: Up-Front Income Verification (UIV) using a non-HUD system (highest priority). In cases where EIV is not available, this level will be used when possible.

Level Four: Third-Party written verification (high priority). This verification level is defined as tenant-provided documents obtained from a third-party source. The documents must be authentic, original and computer-generated. Level Four is used:

- * To support the information reported through EIV/UIV,

- * When there is a discrepancy between EIV/UIV and tenant-reported income,

- * When EIV or other forms of UIV are not available, the Housing Authority will accept authentic, original, computer-generated documents as verification of income, assets or other family circumstances.

Level Three: Third-party written verification form (medium-low priority). The Housing Authority will send verification forms to third party sources when:

- * There is a discrepancy between EIV/UIV and tenant-reported income and the tenant disputes the information in EIV, or

- * Verification levels six through four are unavailable.

Level Two: Third-Party oral verification (low-priority). This level will be used when sending verification forms to third-party sources under Level Three is not possible or the forms are not returned in a timely manner.

Level One: Self-Declaration (low priority). Certification/self-declaration verification will be the last level used if verification is not possible or able to be obtained using the higher levels of verification, the Housing Authority may allow up to 10 calendar days for the return of third-party verification forms before using the next verification level.

At all times, should the HA not obtain Levels 6, 5 4 or 3 of the verification hierarchy, the HA staff must document why such verifications were not obtained and the verification method utilized to substantiate the information.

Verifications for applicants may not be more than 60 days old at the time of the unit offer. All tenant-provided documents are current if dated within 60 days of the date of receipt.

Up-Front Income Verification (UIV)

The Housing Authority will utilize up-front income verification tools. The use of the EIV system is mandatory and will be used whenever possible. Other UIV systems, such as the DPSS LEADER system for the verification of DPSS benefits and the Work Number, will be used whenever possible when EIV is unavailable.

If there is a difference in source of income or a substantial difference (\$2,400 annually or \$200 monthly) in reported income between EIV verification and family-provided documents and the tenant disputes the discrepancy or cannot provide adequate documentation to validate the discrepancy, the HA shall follow the guidelines below:

- The HA will send written third party verification forms to the disputed income source.
- The HA may review historical income data for patterns of employment, paid benefits, and/or receipt of other income, when the HA can not readily anticipate income, such as in the cases of seasonal employment, unstable working hours, and suspected fraud.
- The HA will analyze all data (UIV data, third party verification documents provided by the family and verification forms returned by the disputed income source) and attempt to resolve the income discrepancy.
- The HA will use the most current information available to calculate the anticipated annual income.

In cases where UIV income data is different than tenant-reported income and the tenant does not dispute the discrepancy and can provide adequate documentation to validate the discrepancy, the HA will use the written third party documents provided by the family to calculate the anticipated annual income.

B. RELEASE OF INFORMATION

Applicants and residents are required to sign specific authorization forms when information is needed that is not covered by the HUD Form 9886, Authorization for Release of Information.

Each family member requested to consent to the release of information will be provided with a

copy of the appropriate forms for their review and signature. Family refusal to cooperate with the HUD prescribed verification procedure will result in denial of admission or termination of tenancy in accordance with the family's obligation to provide information requested by the HA.

C. ITEMS TO BE VERIFIED

1. All income not specifically excluded by the regulations.

Zero-income applicants and residents will be required to complete a family expense form at each certification or recertification interview.
2. Full-time student status including high school students who are 18 or over.
3. Current assets including assets disposed of for less than fair market value in preceding two years.
4. Child-care expense where it allows an adult family member to be employed, seek employment or to further his/her education.
5. Total medical expenses of all family members in households whose head or spouse is elderly or disabled.
6. Disability assistance expenses to include only those costs associated with attendant care or auxiliary apparatus that allow an adult family member to be employed.
7. Legal identity.
8. U.S. citizenship/eligible immigrant status.
9. Social Security Numbers for all family members
10. Preference status, based upon HA preferences.

Acceptable methods of verification include, but are not limited to the following:

1. Enterprise Income Verification (EIV) system, or if EIV is unavailable, other Up-Front Income Verification (UIV) tools, such as the Work Number.
2. Check stubs or earning statements, which indicate the employee's gross pay, frequency of pay or year to date earnings. This may be requested, along with W-2 forms, to supplement EIV data or a primary verification in the event EIV or other UIV tools are unavailable. Residents are required to provide the HA with two current and consecutive pay stubs for determining annual income from wages. For new income sources or when two pay stubs are not available, the HA will project income based on the information from traditional written third party verification form or other acceptable verification method.
3. Employment verification form completed by the employer.
4. Income tax returns signed by the family may be used for verifying self-employment income, or income from tips and other gratuities.

Verification forms request the employer to specify the:

Dates of employment

Amount and frequency of pay

Date of the last pay increase

Likelihood of change of employment status and effective date of any known salary increase during the next 12 months

Year-to-date earnings

Estimated income from overtime, tips, bonus pay expected during next 12 months

Applicants and program residents may be requested to sign an authorization for release of information from the Internal Revenue Service for further verification of income.

In cases where there are questions about the validity of information provided by the family, the HA will require the most recent federal income tax statements.

Social Security, Pensions, Supplementary Security Income (SSI), Disability Income

Acceptable methods of verification include, but are not limited to the following:

1. Enterprise Income Verification (EIV) system
2. Computer report electronically obtained or in hard copy.

4. HA verification form completed by payment provider.
5. Family's self-certification of amount received and of the likelihood of support payments being received in the future, or that support payments are not being received.
6. If payments are irregular, the family must provide appropriate court or welfare agency documents supporting the family's claim that the amount they are actually receiving is less child support/alimony than was ordered.

The County of Los Angeles Child Support Services Department no longer responds to written or

oral third-party verification requests by the HA.

Net Income from a Business

In order to verify the net income from a business, the HA will view IRS and financial documents from prior years and use this information to anticipate the income for the next 12 months.

Acceptable methods of verification include, but are not limited to the following:

1. IRS Form 1040, including:

Schedule C (Small Business)

Schedule E (Rental Property Income)

Schedule F (Farm Income)

2. Audited or unaudited financial statement(s) of the business.
3. Documents such as cash-books, bank statements, and receipts will be used as a guide for the prior six months (or lesser period if not in business for six months) to project income for the next 12 months. The family will be advised to maintain these documents in the future if they are not available.

Child Care Business

If an applicant/resident is operating a licensed day care business, income will be verified as with any other business.

If the applicant/resident is operating a "cash and carry" operation (licensed or not), the HA will require the applicant/resident to complete a form for each customer giving: name of person(s) whose child(ren) is/are being cared for, phone number, number of hours child is being cared for, method of payment (check/cash), amount paid, and signature of person.

If the family has filed a tax return, the family will be required to provide it to the site management office.

The family must furnish a Notarized Statement, which contains the following information:

The person who provides the gifts

The value of the gifts

The estimated frequency of the gifts

Zero-Income Status

Families claiming to have no income will be required to execute verification forms to determine that forms of income such as unemployment benefits, TANF, SSI, etc. are not being received by the household.

Families must also provide a written statement as to how they meet living expenses, such as utilities, food, clothing, and other incidentals, when they claim a zero income.

Full-Time Student Status

Only the first \$480 of the earned income of full time students 18 years of age or older (including those who are temporarily absent), other than head or spouse, will be counted towards family income.

Financial aid, scholarships and grants received by full time students is not counted towards family income.

- Verification of full time student status includes: Written verification from the registrar's office or other school official.
- School records indicating enrollment for sufficient number of credits to be considered a full-time student by the education institution.
- A copy of student's transcript or grade report.

E. INCOME FROM ASSETS

Acceptable methods of verification include, but are not limited to the following:

Savings Account Interest Income and Dividends

Will be verified by:

1. Account statements, passbooks, certificates of deposit, or HA verification forms completed by the financial institution.
2. Broker's statements showing value of stocks or bonds and the earnings credited the family. Earnings can be obtained from current newspaper quotations or oral broker's verification.
3. IRS Form 1099 from the financial institution, provided that the HA must adjust the information to project earnings expected for the next 12 months.

Interest Income from Mortgages or Similar Arrangements

Acceptable documents for verification include, but are not limited to the following:

1. A letter from an accountant, attorney, real estate broker, the buyer, or a financial institution stating interest due for next 12 months. (A copy of the check paid by the buyer

to the family is not sufficient unless a breakdown of interest and principal is shown.)

2. Amortization schedule showing interest for the 12 months following the effective date of the certification or recertification.

Net Rental Income from Property Owned by Family

Acceptable documents for verification include, but are not limited to the following:

The HA will require the necessary information to determine the current cash value, (the net amount the family would receive if the asset were converted to cash).

Verification forms, letters, or documents from a financial institution or broker.

Passbooks, a 3-month checking account average and a 3-month average of savings account funds, certificates of deposit, bonds, or financial statements completed by a financial institution or broker.

Quotes from a stock broker or realty agent as to net amount family would receive if they liquidated securities or real estate.

Financial statements for business assets.

Copies of closing documents showing the selling price and the distribution of the sales proceeds.

Appraisals of personal property held as an investment.

Verification forms from a financial institution or broker.

Families must provide the HA with acceptable, written third-party verification documents to verify the value of or income from an asset. A written third-party verification document is considered current if at the time of receipt of the document is:

- A monthly statement not more than 60 days old, or

- The most recent quarterly statement, or
- A savings passbook that has been updated by the financial institution within the last 60 days, or
- The most recent annual statement, or
- The most recent document or statement issued to the family, including but not limited to a closing escrow statement or closing bank statement.

Assets Disposed of for Less than Fair Market Value (FMV)

1. For all certifications and re-certifications, the family will certify as to whether any member has disposed of assets for less than fair market value during the two years preceding the effective date of the certification or recertification.
2. If the family certifies that they have disposed of assets for less than fair market value, verification [or certification] is required that shows:
 - (a) All assets disposed of for less than FMV;
 - (b) The date they were disposed of;
 - (c) The amount the family received; and
 - (d) The market value of the assets at the time of disposition. Third party verification will be obtained wherever possible.

G. VERIFICATION OF ALLOWABLE DEDUCTIONS FROM INCOME

Child Care Expenses

Acceptable documents for verification include, but are not limited to the following:

- Verification documents the family obtained from the childcare provider that specify the child care provider's name, address, telephone number, the names of the children cared for, the number of hours the child care occurs, the rate of pay, and typical yearly amount paid, including school and vacation periods.
- Written verification form returned by the person or the agency who receives the payments. If the child care provider is an individual, s/he must provide a statement of the amount they are charging the family for their services.
- Family's certification as to whether any of those payments have been or will be paid or reimbursed by outside sources.
- In all instances, the HA may also request income tax records, money orders to the childcare provider and/or cancelled checks.

Medical and Disabled Assistance Expenses

Families who claim medical expenses or expenses to assist a person(s) with disability will be required to submit a certification as to whether or not any expense payments have been, or will be, reimbursed by an outside source. All expense claims will be verified by one or more of the methods listed below:

1. Written verification by a doctor, hospital or clinic personnel, dentist, pharmacist, of
 - (a) The anticipated medical costs to be incurred by the family and regular payments due on medical bills; and
 - (b) Extent to which those expenses will be reimbursed by insurance or a government agency.
2. Written confirmation by the insurance company or employer of health insurance premiums to be paid by the family.
3. Written confirmation from the Social Security Administration's of Medicare premiums to be paid by the family over the next 12 months. A computer printout will be accepted.
4. For attendant care:
 - * A reliable, knowledgeable professional's certification that the assistance of an attendant is necessary as a medical expense and a projection of the number of hours the care is needed for calculation purposes.
 - * Attendant's written confirmation of hours of care provided and amount and frequency of payments received from the family or agency (or copies of canceled checks the family used to make those payments) or stubs from the agency providing the services.
5. Receipts, canceled checks, or pay stubs that verify medical costs and insurance expenses likely to be incurred in the next 12 months.
6. Copies of payment agreements or most recent invoice that verify payments made on outstanding medical bills that will continue over all or part of the next 12 months.
7. Receipts or other record of medical expenses incurred during the past 12 months that can be used to anticipate future medical expenses. HA may use this approach for "general medical expenses" such as non-prescription drugs and regular visits to doctors or dentists, but not for one-time, nonrecurring expenses from the previous year.
8. The HA will use mileage at the IRS's rate, or cab, bus fare, or other public transportation cost for verification of the cost of transportation directly related to medical treatment.

1. Assistance to Persons with Disabilities: In all cases the HA may require:

Written certification from a reliable, knowledgeable professional that the person with disabilities requires the services of an attendant and/or the use of auxiliary apparatus to permit him/her to be employed or to function sufficiently independently to enable another family member to be employed.

Family's certification as to whether they receive reimbursement for any of the expenses of disability assistance and the amount of any reimbursement received.

2. Attendant Care:

If the family pays for any portion of the attendant care expenses, the attendant's written certification of amount received from the family, frequency of receipt, and hours of care provided.

Certification of family and attendant and/or copies of canceled checks family used to make payments.

3. Auxiliary Apparatus:

Receipts for purchases or proof of monthly payments and maintenance expenses for auxiliary apparatus.

In the case where the person with disabilities is employed, a statement from the employer that the auxiliary apparatus is necessary for employment.

NOTE: Disability expenses are allowable deductions only if the expenses enable a member of the household age 18 and over (including the disabled member) to go to work.

H. VERIFYING NON-FINANCIAL FACTORS

Verification of Legal Identity

In order to prevent program abuse, the HA will require applicants to furnish verification of legal identity for all family members.

The documents listed below will be considered acceptable verification of legal identity for adults. If a document submitted by a family is illegible or otherwise questionable, more than one of these documents may be required.

Certificate of birth, naturalization papers

Current, valid Driver's license

Department of Motor Vehicles Identification Card

U.S. military discharge (DD 214)

U.S. passport

Foreign Consulate Identification Cards (FCICs) approved by the Los Angeles County Board of Supervisors for the purpose of verifying identity.

Documents considered acceptable for the verification of legal identity for minors may be one or more of the following:

Certificate of birth

Adoption papers

Custody agreement

Verification of Marital Status

Verification of divorce status will be a certified copy of the divorce decree, signed by a Court Officer.

Verification of a separation may be a copy of court-ordered maintenance or other records.

Verification of marriage status is a marriage certificate.

Familial Relationships

Certification will normally be considered sufficient verification of family relationships. In cases where reasonable doubt exists, the family may be asked to provide verification.

The following verifications will be required if certification is insufficient:

Verification of relationship:

Official identification showing names

Birth certificates

Verification of guardianship:

Court-ordered assignment

Affidavit of parent

Verification from social services agency

School records

Evidence of an established family relationship:

Joint bank accounts or other shared financial transactions

Leases or other evidence of prior cohabitation

Credit reports showing relationship

Verification of Permanent Absence of Adult Member

If an adult member who was formerly a member of the household is reported permanently absent by the family, the HA will consider any of the following as verification:

Husband or wife institutes divorce action.

Husband or wife institutes legal separation.

Order of protection/restraining order obtained by one family member against another.

Proof of another home address, such as utility bills, canceled checks for rent, driver's license, or lease or rental agreement, if available.

Statements from other agencies such as social services that the adult family member is no longer living at that location.

If the adult family member is incarcerated, a document from the Court or prison should be obtained stating how long they will be incarcerated.

Verification of Change in Family Composition

The HA may verify changes in family composition (either reported or unreported) through letters, telephone calls, leases, utility records, inspections, landlords, neighbors, credit data, school or DMV records, and other sources. Verification of legal custody must be a court-ordered assignment or verification from a social service agency.

Verification of Disability

Verification of disability must be receipt of SSI or SSA disability payments under Section 223 of the Social Security Act or 102(7) of the Developmental Disabilities Assistance and Bill of Rights Act (42 U.S.C. 6001(7) or verified by appropriate diagnostician such as physician, psychiatrist, psychologist, therapist, rehabilitation specialist, or licensed social worker, using the HUD language as the verification format.

Verification of Citizenship/Eligible Immigrant Status

To be eligible for assistance, individuals must be U.S. citizens or non-citizens with eligible immigrant status. Individuals who are neither may elect not to contend their status. Eligible immigrants must fall into one of the categories specified by the regulations and must have their status verified by Immigration and Naturalization Service (INS). Each family member must declare his or her status once. Assistance cannot be delayed, denied, or terminated while verification of status is pending except that assistance to applicants may be delayed while the HA hearing is pending.

Citizens or Nationals of the United States required to sign a declaration under penalty of perjury.

Eligible Immigrants who were residents and 62 or over on June 19, 1995, required to sign a declaration of eligible immigration status and provide proof of age.

Non-citizens with eligible immigration status must sign a declaration of status and verification consent form and provide their original immigration documents which are copied front and back and returned to the family. The HA verifies the status through the USCIS SAVE system. If this primary verification fails to verify status, the HA must request within ten days that the USCIS conduct a manual search.

Family members who do not claim to be citizens or eligible immigrants must be listed on a statement of non-contending family members signed by the head of household or spouse.

Non-citizen students on student visas are ineligible members even though they are in the country lawfully. They must provide their student visa but their status will not be verified and they do not sign a declaration but are listed on the statement of non-contending members.

Failure to Provide. If an applicant or resident family member fails to sign required declarations and consent forms or provide documents, as required, they must be listed as an ineligible member. If the entire family fails to provide and sign as required, the family may be denied or terminated for failure to provide required information.

Time of Verification. For applicants, verification of U.S. citizenship/eligible immigrant status occurs at the same time as verification of other factors of eligibility for final eligibility determination. For family members added after other members have been verified, the verification occurs prior to the new member moving in. Once verification has been completed for any covered program, it need not be repeated. The Housing Authority will also request new immigration documents for those individuals whose immigration documents that prove eligibility has expired.

Extensions of Time to Provide Documents. The HA will grant an extension of 30 days for families to submit evidence of eligible immigrant status or a receipt issued by the United States Citizenship and Immigration Service (USCIS) for issuance of replacement documents.

Acceptable Documents of Eligible Immigration. The regulations stipulate that only the following documents are acceptable unless changes are published in the Federal Register.

Resident Alien Card (I-551)

Alien Registration Receipt Card (I-151)

Foreign Passport with I-551 stamp

Any official revision of the acceptable documents listed above

Receipt issued by the USCIS for issuance of replacement of any of the above documents that shows individual’s entitlement has been verified

A birth certificate is not acceptable verification of status. All documents in connection with U.S. citizenship/eligible immigrant status must be kept five years.

Determination of Ineligibility. After the HA has made a determination of ineligibility, the family will be notified of the determination and the reasons and informed of the option for prorated assistance (if applicable).

Verification of Social Security Numbers

Social Security numbers must be provided as a condition of eligibility for all family members, except for family members who were determined eligible on or before January 31, 2010 and were at least 62 years old on that date, and family members who are not eligible to obtain a Social Security number. Verification of Social Security numbers will be done through a Social Security Card issued by the Social Security Administration.

If a family member cannot produce a Social Security Card, only the documents listed below showing his/her Social Security Number may be used for verification. The family is also required to certify in writing that the document(s) submitted in lieu of the Social Security Card information provided is/are complete and accurate:

- * A document issued by the Social Security Administration that contains the name and Social Security number of the individual; or
- * A document issued by a Federal, state or local government agency that includes the name, Social Security Number and other identifying information about the individual.

All new family members, except children age 5 and under, who have not been assigned a number, will be required to produce their Social Security Card or provide the substitute documentation described above together with their certification that the substitute information provided is complete and accurate. This information is to be provided at the time the change in family composition is reported to the HA.

A child age 5 or under who has not been assigned a number, will be required to produce their Social Security card or provide the substitute documentation described above. This information is to be provided at the time the change in family composition is reported to the HA and the family member will not be added to the household composition until it is provided.

If an applicant or resident is able to disclose the Social Security Number but cannot meet the documentation requirements, the applicant or resident must sign a certification to that effect provided by the HA. The applicant/resident or family member will have an additional 60 days to provide proof of the Social Security Number. If they fail to provide this documentation, the family member must be removed from the household or the family's tenancy will be terminated.

In the case of an individual at least 62 years of age, the HA may grant an extension for an additional 60 days to a total of 120 days. If, at the end of this time, the elderly individual has not provided documentation, the family member must be removed from the household or the family's tenancy will be terminated.

If the family member states they cannot legally obtain a Social Security number, the family member will be required to sign a certification to this effect.

I. VERIFICATION OF SUITABILITY FOR ADMISSION

Sources to be used to determine suitability include but are not limited to:

Criminal History Reports

Prior landlord references

Physicians, social workers, and other health professionals

HA of the County of Los Angeles and Other HAs (to whom the family may owe debt)

(See Chapter 2 on eligibility.)

Ability to Meet Financial Obligations Under the Lease

All applicants may be subject to the following procedures to ensure their ability to meet financial obligations under the lease:

All applicants may be interviewed and asked questions about the basic elements of tenancy.

The HA may access a Credit Report on all applicants prior to selection.

The HA may independently verify the rent-paying history of all applicants directly from previous landlord(s).

Drug-Related or Violent Criminal Activity

The HA will complete a criminal background check of all adult members of the household.

Housekeeping

The HA will obtain references from prior landlords to determine acceptable housekeeping standards.

The HA may conduct a home visit prior to admission.

J. VERIFICATION OF WAITING LIST PREFERENCES [24 CFR 5.410, 5.415, 5.430]

Local Preferences

1. Homeless families: This preference requires written certification by an agency with whom the HA has a cooperation agreement.
2. Residency preference: For families who live, work or have been hired to work in the jurisdiction of the HA. Families who are unable to work due to age or disability automatically qualify for this preference.

In order to verify that an applicant is a resident, the HA will require any of the following documents: rent receipts, leases, utility bills, employer or agency records, school records, drivers licenses, voters registration records, credit reports, statement from household with whom the family is residing.

3. Veterans preference: This preference is available to current members of the U.S. Armed Forces, veterans, or surviving spouses of veterans.

The HA will require U.S. government documents that indicate that the applicant qualifies under the above definition.

K. VERIFICATION OF VAWA STATUS

The HA will request that an individual certify via HUD Form 50066, "Certification of Domestic Violence, Dating Violence, or Stalking", that the individual is a victim of domestic violence, dating violence, or stalking, and that the incident or incidents in question are bona fide incidents of such actual or threatened abuse and meet the requirements set forth in Public Law 109-162 referencing amendments made to Section 6 of the United States Housing Act of 1937 (42 U.S.C. 1437d); Such certification shall include the name of the perpetrator. The HA will request the certification in writing and require that the resident come into the management office to pick up HUD Form 50066 "Certification of Domestic Violence, Dating Violence, or Stalking". In those cases where the victim of domestic violence, dating violence, or stalking is unable to pick up the form due to imminent danger by the perpetrator, the HA will arrange to safely provide the form to the victim. The individual shall provide such certification within 14 business days after the individual receives HUD Form 50066, "Certification of Domestic Violence, Dating Violence, or Stalking". If the individual does not provide the certification within 14 days of receiving the form, nothing in this subsection, or in paragraphs (5) or (6) of subsection (1) in Public Law 109-162, may be construed to limit the authority of the HA to evict any tenant that commits violations of the Public Housing Lease Agreement. At the discretion of the HA, the 14-day deadline may be extended.

An individual may also satisfy the certification requirement by producing a Federal, State, tribal, territorial, or local police or court record or providing the HA with documentation signed by an employee, agent, or volunteer of a victim service provider, an attorney, or a medical professional from whom the victim has sought assistance in addressing domestic violence, dating violence, or stalking, or the effects of the abuse. The professional must attest under penalty of perjury (28 U.S.C. 1746) to the professional's belief that the incident or incidents in question are bona fide incidents of abuse, and the victim of domestic violence, dating violence, or stalking has signed or attested to the documentation.

The HA will not demand that an individual produce official documentation or physical proof of the individual's status as a victim of domestic violence, dating violence, or stalking in order to receive any of the benefits provided in this section. At the discretion of the HA, an individual may be provided benefits based solely on the individual's statement or other corroborating evidence.

In the case where the HA receives conflicting certification documents from two or more members of the household each claiming to be a victim and naming one or more of the other petitioning household members as the perpetrator, the HA will determine which is the true victim by requiring third-party documentation. Additionally, the HA will honor any court orders addressing rights of access or control of the property, including civil protection orders issued to protect the victim and to address the distribution or possession of property among the household.

Chapter 7

TRANSFER POLICY

INTRODUCTION

It is the policy of the HA to permit a resident to transfer within or between housing developments under certain conditions (i.e., to be in closer proximity to work or school); when it is necessary to comply with occupancy standards; or when it will help accomplish the affirmative housing goals of the HA.

The HA will always consider transfer requests as a reasonable accommodation for a person with a disability.

Transfers will be made without regard to race, color, national origin, sexual orientation, sex, gender identity, religion, marital status or familial status. Residents can be transferred to accommodate a disability¹.

Residents will receive one unit offer for a transfer, whether for HA-initiated transfers or resident-initiated transfer requests approved by the HA. Refusal of that offer without good cause will result in lease termination for mandatory transfers or the removal of the household from the transfer list for voluntary transfers.

The HA Executive Director shall retain discretionary authority to approve/disapprove all transfers.

A. HA-INITIATED TRANSFER CATEGORIES

The HA may require that a family transfer to another unit at the same housing development or to another housing development under the following hierarchy:

1. Emergency Transfers:

Emergency transfers are mandatory when the HA determines that conditions pose an immediate threat to resident life, health or safety. Emergency transfers may be made to: permit repair of unit defects hazardous to life, health, or safety²; alleviate verified disability problems of a life threatening nature; or to protect residents due to a reasonable fear of direct violence³.

These transfers shall take priority over new admissions.

2. Category 1

Category 1 Administrative transfers include mandatory transfers to remove residents who are witnesses to crimes and may face reprisals; provide housing options to residents who are victims of hate crimes or extreme harassment; alleviate verified medical problems of a serious (but not life-threatening) nature; permit modernization or demolition of units;

perform work (e.g., repair, modernization, or lead hazard reduction work) above a specified scale and duration that disturbs lead-based paint or controls lead-based paint hazards; or permit a family that requires a unit with accessible features to occupy such a unit.

These transfers shall take priority over new admissions.

Requests for these transfers will be made to the HA Administrative Office with the necessary documentation to substantiate the need for such transfers. Transfers may also be initiated by the HA (e.g., moving a person with mobility problems to a unit with accessible features or temporarily moving residents to a unit free of lead-based paint hazards).

3. Category 2 correct serious occupancy standards problems.

These transfers will take priority over new admissions.

Category 2 transfers will only be made if the family size is so small that it includes fewer persons than the number of sleeping areas, or so large that the number of household members would equal more than two persons per sleeping area. These transfers are mandatory.

If the family's size is between the smallest and largest size permissible for the unit, the family may request a transfer, but it shall be considered a Category 3 transfer.

4. Category 3 transfers may be made to avoid concentration of the most economically and socially deprived families, correct occupancy standards⁴, or address situations that interfere with peaceful enjoyment of the premises.

These transfers will not take priority over new admissions.

B. PROCESSING TRANSFERS

1. Transfers will be sorted into their appropriate categories by the Property Manager for their respective sites. Transfers will be made in the following order:

First: Emergency transfers;
Second: Category 1;
Third: Category 2;
Fourth: Resident initiated transfer requests and,
Fifth: Category 3

Within each category, transfer requests will be sorted by the date the completed request (including any verification needed) is received from the Program Specialist or Resident Manager.

2. Category 2 transfers to correct occupancy standards may be recommended at time of re-examination or interim re-examination.
3. Residents in Category 2 over/under housed status will be advised by the HA that a transfer is recommended and that the family has been placed on the transfer list.
4. When a HOH, originally housed in a bedroom by him/herself, has or adopts a child, the family will not be approved for a Category 2 transfer until the child is four (4) years of age. Exceptions: spouse or partner is added to the Lease Agreement, or family decides to remain in the unit and the unit is large enough (using the smallest-unit standard) to accommodate the number of persons now in the household.

C. TRANSFERS AT THE REQUEST OF THE RESIDENT

1. A resident shall have resided in their unit for a minimum of 24 months before being eligible for a transfer to another housing development. Each resident may not request more than one transfer every four years. (Exceptions to this standard will be made for medical or other emergency situations.)
2. Furthermore, the HA will consider approving transfer requests, other than those for health and safety reasons, by taking into account whether the resident is in good standing with the HA. Please see Section D below, “Good Record Requirement for Transfers”.
3. New applicants shall have priority over transfers except for Emergency and Category 1 and Category 2 transfers and other Administrative reasons as determined by the HA.
4. Residents requesting to transfer to another unit or development are required to submit a Resident Request to Transfer Form to the site management office. Within ten calendar days, the Property Manager will review the request and determine if the resident is in good standing with the HA, has met the 24 month residency requirement, and has not transferred from another site within the last four years.
5. Upon determination by the Property Manager that the resident has met the transfer eligibility criteria, the Resident Request to Transfer Form (RRTF) will be submitted to the Area Manager for review and approval.
6. Should the request be approved, the Property Manager will request that the Eligibility and Suitability Supervisor, or his/her designee, to review the list of available units to determine if a vacant unit, of the appropriate size, is available. The HA will inform the resident of the unit location and allow the resident an opportunity to view and/or accept the unit. Upon acceptance of the unit by the resident, the HA will notice the resident of the date of their lease termination for their old unit and the move-in date for the new unit.
7. Should a unit not be available, HA will notify the resident that their name has been placed on the transfer list for the location and/or bedroom size desired. If the request is denied, the family will be sent a letter stating the reason for denial, and offering the family an opportunity for an informal conference.
8. Requests to transfer to another unit within the same development, generally for medical reasons or to accommodate a smaller/larger family composition, will be reviewed and approved by the Property Manager. As units become vacant, the Property Manager will review the transfer list to determine if a request has been

approved for a unit of a particular bedroom size and/or accessibility features. The Property Manager will advise the Eligibility/Suitability Unit Supervisor that the unit has been flagged for an intra-development transfer. In cases where the Property Manager denies the transfer request, the resident will be notified in writing of the decision and offered an opportunity for an informal conference.

D. UNIT OFFERS

1. With the exception of Emergency, Category 1, and Category 2 Transfers, the HA will make a maximum of one unit offer to residents. A resident must accept or reject the unit offered within three calendar days of the date the offer is made and move into the unit within ten calendar days of the date the offer is made. Residents are entitled to reject transfer offers for a “good cause”.
2. Examples of “good cause” reasons for the refusal to take a housing unit offered include, but are not limited to:
 - i. Unit is not of the proper size and type, and the applicant would be able to reside there only temporarily;
 - ii. Unit contains lead-based paint, and accepting the offer could result in subjecting the applicant’s children under seven (7) years of age to lead-based paint poisoning;
 - iii. An elderly or disabled family makes the decision not to occupy or accept occupancy in designated housing; (24 CFR 945.303(d));
 - iv. A qualified, knowledgeable, health professional verifies the temporary hospitalization or recovery from illness of the principal household member, other household members, or a live-in aide necessary to care for the principal household member;
 - v. The unit is inappropriate for the applicant’s disabilities.

E. GOOD RECORD REQUIREMENT FOR TRANSFERS

1. In general, and in all cases of all resident-requested transfers, residents will be considered for transfers only if the head of household and any other family members for the past 24 months:
 - i. have not engaged in criminal activity that threatens the health and safety of residents and staff;
 - ii. do not owe back rent or other charges, or evidence a pattern of late payment;
 - iii. meet reasonable housekeeping standards and have no housekeeping lease citations; and
 - iv. can get utilities turned on in the name of the head of household (applicable only to properties with tenant-paid utilities).
2. Exceptions to the good record requirements may be made for emergency transfers as deemed necessary by the HA.

3. Absent a determination of exception, the following policy applies to transfers:

- i. If back rent is owed, the resident will not be transferred until the total amount of back rent is paid in full.
- ii. A resident with housekeeping standards citations will not be transferred until he/she passes a follow-up housekeeping inspection.

F. SECURITY DEPOSITS

1. The HA will charge the family for any damages to the previous unit that exceed that unit's security deposit. If there is a balance left on the original security deposit, it will be refunded. The family must pay a new security deposit to the receiving development. Any charges due prior to move out (i.e., delinquent maintenance charges, late rent fee, etc.) will be billed by the sending development to the resident. Moreover, any charges incurred after the resident vacates the unit (i.e., maintenance charges) which exceed the security deposit will also be billed to the resident.
2. In the case of HA initiated transfers, the inability to pay the security deposit should not delay the transfer and will be handled on a case-by-case basis.

G. RESIDENT'S RESPONSIBILITY

Residents are responsible for all moving costs related to their transfer. The HA will only incur the reasonable cost of transfers initiated by the HA due to demolition, disposition, revitalization, rehabilitation, and/or a reasonable accommodation for a resident with a disability.

Residents must return the keys to their old unit no later than one day prior to the Lease Agreement ending date. Should the resident not return the keys to their old unit, the sending development, in addition to billing the resident, will also notify the receiving development of the resident's outstanding balance. Failure to pay outstanding charges to the HA is a material breach of the Lease Agreement and the resident will be subject to termination of their tenancy.

H. RECERTIFICATION

The date of annual recertification will change upon the completion of the transfer. A resident may have more than one annual recertification as a result of their transfer in accordance with the HA policy.

¹ 24 CFR 100.5

² If a unit become uninhabitable due to conditions caused by the resident, any member of the resident household, or the resident's guests, will be addressed through the lease violation process and the resident shall not have the rights set forth above, or if the cause for the conditions is determined after the transfer, the HA may still terminate tenancy.

³ Such transfers may be initiated after the HA receives input from local law enforcement. In considering whether to initiate such transfers, the HA will take account the circumstances creating the risk of violence and make a determination in the best interest of the resident and the HA.

⁴ Voluntary if the family is between the minimum and maximum occupancy standard but the family requests a transfer, e.g. to permit older children of opposite sexes to have separate bedrooms.

Chapter 8

LEASE AGREEMENT

[24 CFR 966.4]

INTRODUCTION

All units must be occupied pursuant to a dwelling Lease Agreement that complies with HUD's regulations [24 CFR Part 966]. This chapter describes the HA's policies pertaining to lease execution, terms of Lease Agreement, security deposits, rent payments, inspection of units, and additions to the lease.

A. LEASE ORIENTATION

Upon execution of the lease, the HA will conduct a lease orientation for all adult members of the household. The family must attend an orientation before taking occupancy of the unit.

Families will be provided with the following information during the lease orientation:

- A copy of the Lease Agreement
- A copy of the HA's lease and grievance procedure
- A copy of the House Rules
- A copy of the full application and signed release forms
- A copy of Parking Policy
- Information on the Privacy Act
- Lead Based Paint Information
- Fair Housing Booklet
- A copy of the HA's Pet Policy
- A schedule of HA maintenance charges

Topics to be discussed will include, but are not limited to:

- Applicable deposits and other charges
- Provisions of the Lease
- Orientation to the community
- Unit maintenance and work orders

B. TERM OF LEASE AGREEMENT

The initial term of the lease will be for 12 months. The lease will renew for a 12-month term unless good cause exists not to renew the lease.

See Chapter 11 for further detail regarding the date of annual re-examination and the Lease Agreement anniversary date.

C. EXECUTION OF LEASE

The lease shall be executed by the head of household, spouse, and all other adult members of the household, and by an authorized representative of the HA, prior to admission.

The head of household is the person who assumes legal and financial responsibility for the household and is listed on the application as head.

An appointment will be scheduled for the parties to execute the lease. One executed copy of the lease will be given to the resident, and the HA will retain one in the resident's file. The lease is incorporated into this policy by reference. The lease document will reflect current HA policies as well as applicable Federal, State and Local law.

The following provisions govern lease execution and amendments:

A lease is executed at the time of admission for all new residents.

A new lease is executed at the time of the transfer of a resident from one HA unit to another with a change in recertification date.

If, for any reason, any signer of the lease ceases to be a member of the household, the lease will be amended by drawing a line through the party's name and both parties will be required to initial and date the change.

The names and date of birth of all household members are listed on the lease at initial occupancy and on the Application for Continued Occupancy each subsequent year. Only those persons listed on the most recent certification shall be permitted to occupy a dwelling unit.

Changes to resident rents are made upon the preparation and execution of a "Notice of Rent Adjustment" by the HA, which becomes an attachment to the lease. Documentation will be included in the resident file to support proper notice.

Households that include a live-in attendant are required to execute a lease addendum authorizing the arrangement and describing the status of the attendant.

D. MODIFICATIONS TO THE LEASE

The HA may modify its form of lease from time to time, giving residents 30 days for an opportunity to comment on proposed changes and advance notice of the implementation of any changes.

Schedules of special charges and rules and regulations are subject to modification or revision. Residents will be provided at least thirty days written notice of the reason(s) for any proposed

modifications or revisions, and they will be given an opportunity to present written comments. Comments will be taken into consideration before any proposed modifications or revisions become effective.

A copy of such notice shall be posted in the central office, and at site management offices.

Any modifications of the lease must be accomplished by a written addendum to the lease and signed by both parties.

A resident's refusal to execute HA approved lease modifications, or those modifications required by HUD, is a material breach of the Lease Agreement and grounds for termination of tenancy.

E. ADDITIONS TO THE LEASE

Requests for the addition of a new member to the household must first be approved by the HA, prior to the actual move-in by the proposed new member.

Following receipt of a family's request to add a new member, the HA will conduct a pre-admission suitability review for those proposed household members over the age of 18 and conduct a screening for sex offender status for proposed members between the ages of 13 to 17 years of age. Only those members approved by the HA will be added to the lease. Furthermore, the HA will consider whether the resident request to add a member(s) will exceed the occupancy limit for the unit as a factor determining whether to approve the request.

Families may add a child to the household without Housing Authority approval through birth, adoption, court-awarded custody **or if a social service agency (i.e. DPSS, DCFS, etc.) has approved the addition of the minor child to the household.** Upon approval by the Housing Authority, families may add only the following persons:

- Spouse or marital-type partner
- Minor child of the head of household, co-head, spouse or marital-type partner who has been living elsewhere
- Live-in Aide
- Adult child due to recent discharge from the military
- A disabled adult who requires disability-related care

Children born to a family member are not subject to screening for purposes of determining household additions.

Residents who fail to notify the HA of additions to the household, or who permit persons to join the household (includes permitting non-tenants to utilize a resident's address), without undergoing screening are considered to have unauthorized occupants by the HA, and are in violation of the lease and subject to termination of tenancy [24 CFR 966.4(f)(3)].

Upon approval of the additional household members, the HA will amend the Form 50058 to reflect the change in household composition and income. In cases where the new household member is over the age of 18, the HA will execute a new Lease Agreement with the family and amend the anniversary date. In such cases, the HA will conduct an annual reexamination. However, in cases where the new household member is under the age of 18, the HA will process

an interim re-examination and the Lease anniversary date will remain the same.

F. LEASING UNITS WITH ACCESSIBLE OR ADAPTABLE FEATURES
[24 CFR 8.27(a)(1)(2) and (b)]

Before offering a vacant accessible unit to a non-disabled applicant, the HA shall offer such units:

First, to a current occupant of another unit of the same development, or other public housing developments under the HA's control, who has a disability that requires the special features of the vacant unit.

Second, to an eligible qualified applicant on the waiting list having a disability that requires the special features of the vacant unit.

Third, to an eligible qualified applicant on the waiting list who does not require the special features of the vacant unit.

The HA may require such applicant to agree to move to an available non-accessible unit within 30 days when either a current resident or an applicant needs the features of the unit and there is another unit available for the applicant. This requirement will be a provision of the lease agreement.

G. UTILITY SERVICES

Residents are responsible for direct payment of utilities. Residents must abide by any and all regulations of the specific utility company, including regulations pertaining to advance payments of deposits. Failure to maintain utility services during tenancy is a lease violation and grounds for termination of tenancy.

If there is a utility reimbursement payment, the HA shall pay the utility reimbursement payment directly to the resident.

H. SECURITY DEPOSITS

New residents must pay a security deposit to the HA at the time of admission.

Mixed Population (elderly/disabled) Developments:

The Security Deposit is the greater of the applicant's TTP or \$75 for mixed population (elderly/disabled) developments.

General Occupancy Developments:

The Security Deposit is the greater of the applicant's TTP or \$125 for general occupancy developments.

The HA will hold the security deposit for the period the resident occupies the unit.

The HA will refund to the resident the amount of the security deposit, less any amount needed to

pay the cost of:

Unpaid Rent;

Damages listed on the Move-Out Inspection Report that exceed normal wear and tear;

Other charges under the Lease.

The HA will refund the Security Deposit less any amounts owed, as required by California State Law, within 21 days, following move out.

The HA will provide the resident or designee identified above with a written list of any charges against the security deposit. If the resident disagrees with the amount charged to the security deposit, the HA will provide a meeting to discuss the charges.

The resident must leave the dwelling unit in a clean and undamaged (beyond normal wear and tear) condition and must furnish a forwarding address to the HA. All keys to the unit must be returned to the Management upon vacating the unit.

The HA will not use the security deposit for payment of rent or other charges while the resident is living in the unit.

If the resident transfers to another unit, the HA will refund the security deposit, less damages, and collect a new deposit, using the current information regarding Total Tenant Payment. If applicable, the resident will be informed of the new deposit amount.

I. RENT PAYMENTS

The tenant rent is due and payable to a specified Bank of America (BoFA) Post Office Box on the first day of every month. If the first day falls on a weekend or holiday, the rent is due and payable on the first business day thereafter.

If BoFA does not receive a payment by the fifth business day of the month, a notice to pay rent or quit will be served on the resident. Residents shall make all payments by check or money order payable to THE HOUSING AUTHORITY OF THE COUNTY OF LOS ANGELES (HACoLA). The HA shall collect a fee in the amount charged the HA by the bank anytime a check is not honored for payment. Residents who submit more than two (2) checks that are not honored for payment will be required to make rent payments by money order only.

If a resident is issued a Notice of Termination, the Housing Authority will not accept rent payments in any form unless the resident is in the grievance hearing process.

J. FEES AND LOCKBOX SYSTEM

The following is the LOCKBOX procedure for paying rent:

All rent payments are mailed to a Bank of America (BoFA) Postal Office Box;

BoFA scans the front of the money order/check, envelope and statement;

All scanned documents and payment information is inputted and batched by BofA;

BofA uploads all payment information to a secure web site;

The HA accesses the secure BofA web site and import rent payment data into the Yardi Voyager housing software.

K. NONPAYMENT PENALTIES

If BofA does not receive the resident's rent payment by the fifth day of the month, a late fee as set forth in the lease will be charged.

L. SCHEDULES OF MAINTENANCE CHARGES

A schedule of charges for maintenance services and repairs which is incorporated into the lease by reference shall be publicly posted in a conspicuous manner in the management office.

M. INSPECTIONS OF PUBLIC HOUSING UNITS

Move-In Inspections

The HA and the family will inspect the premises prior to occupancy of the unit in order to determine the condition of the unit and equipment in the unit. A copy of the initial inspection, signed by the HA and the resident, will be kept in the resident file.

Annual Inspections

The HA will inspect all units annually in accordance with the HUD Uniform Physical Condition Standards (UPCS).

The HA Inspection report will indicate whether required corrections are to be charged to the resident or covered by the HA.

All inspections will include a check of all smoke alarms to ensure proper working order.

Quality Control Inspections

The HA will conduct periodic quality control inspections to determine the condition of the unit and to identify problems or issues in which the HA can be of service to the family and to assure that repairs were completed at an acceptable level of craftsmanship and within an acceptable time frame.

The HA will conduct quality control inspections of not less than 5% of all units.

Special Inspections

The HA may conduct a special inspection for housekeeping, unit condition, or suspected lease violation every 30 days for one year. Tenants will have 30 days to correct any deficiencies noted by the HA and may be subject to one or more follow-up inspections.

HUD representatives or local government officials may review HA operations periodically and as a part of their monitoring may inspect a sampling of the HA's inventory.

Move-Out Inspections

The purpose of these inspections is to determine necessary maintenance and whether there are damages that exceed normal wear and tear. The HA will determine if there are resident caused damages to the unit. Resident caused damages may affect part or all of the family's security deposit.

In accordance with Section 1950.5(f) of the California Civil Code, the HA will abide by the following Move-Out Inspection procedures when the resident submits a 30-day Notice of Intent to Vacate or the HA issues a 30-day Notice to Vacate or a 14-Day Notice to Pay Rent or Quit or a 30-Day Notice to Cure or Quit, to the resident.

These procedures do not apply to residents who receive a Three-Day Notice to Quit due to a lack of time to provide an initial Move-Out inspection.

The HA shall notify the resident in writing of their option to request an initial Move-Out inspection and their right to be present at the inspection.

At the time the resident submits a 30-Day Notice of Intent to Vacate or the HA issues a 30-Day or 14-Day Notice, the residents will be informed that the request for the initial inspection must be in writing and delivered to the Management office during normal business hours within three (3) days of the date of service of the Notice. Should the resident fail to request an initial inspection, the HA will be discharged of its duty.

After the resident submits a request for an initial inspection, the HA and the resident will schedule said inspection at a mutually agreed upon date and time. The inspection should be scheduled no earlier than two weeks before the termination of the Lease Agreement.

The HA will give the resident 48 hour prior written notice of the mutually agreed upon date and time. However, the HA and the resident may forego the 48 hour written notice by executing a written waiver. The HA will then proceed with the inspection whether the resident is present or not in the unit.

Upon the completion of the inspection, the HA will give the resident an itemized statement specifying the items that are in need of repair and/or cleaning which will be the basis for deductions from the security deposit. This itemized statement will be handed to the resident at the conclusion of the inspection or placed inside the unit (should the tenant not be present).

The resident will have the opportunity during the period from the completion of the initial inspection until termination of the Lease Agreement to remedy the deficiencies.

Following the final inspection, the HA may deduct from the security deposit items not cured, items which occurred after the initial inspection, or items not identified during the initial inspection due to the presence of the resident's possessions.

Emergency Inspections

The HA may initiate an emergency inspection report to generate a work order if they believe that an emergency exists in the unit. In addition, the HA may conduct an emergency inspection without a work order and generate a work order after the inspection has been conducted (see Entry of Premises Notice in this chapter.) Repairs are to be completed within 24 hours from the time the work order is issued.

Entry of Premises Notices

The HA will give 48 hour advance written notice prior to entering the unit for non-emergency inspections or repairs. Non-emergency entries to the unit will be made during reasonable hours of the day. For emergency inspections or repairs, no advance notice is required for the HA to enter the unit. Furthermore, the HA will consider tenant maintenance service requests as constituting permission for the HA to enter the unit to conduct repairs.

An adult family member must be present in the unit during the inspection or repair if there are children present in the unit.

If no person is at home, the HA will enter the unit and conduct the inspection or repairs and will leave a written notice to the resident explaining the reason the unit was entered and the date and time.

Where the HA is conducting regular annual examinations of its housing units, the family will receive at least thirty days advance notice of the inspection to allow the family to prepare and be able to pass the inspection.

The HA reserves the right to enter a unit, subject to the applicable notice, under the following conditions:

- Inspections and maintenance
- To make improvements and repairs
- To show the premises for leasing
- In cases of emergency

Non-Inspection Emergency Entry

The HA staff will allow access to the unit to proper authorities when issues of health or safety of the resident are concerned.

Family Responsibility to Allow Inspection

It is a violation of the Lease Agreement for the resident to refuse to allow entry to the unit for the reasons set forth in this ACOP.

Housekeeping Citations

Should the HA observe housekeeping deficiencies in the course of conducting an annual unit inspection, the Property Manager will issue a Housekeeping Citation to the resident, and schedule a housekeeping inspection. Should the resident “fail” the housekeeping inspection, the HA will conduct such inspections every thirty (30) days for a twelve (12) month period.

Serious housekeeping deficiencies which pose a health and safety risk to the resident and/or neighbors and/or the development can be considered a material breach of the Lease and grounds for termination of tenancy.

More than one citation issued to a family who has purposely and for convenience disengaged the unit’s smoke detector will also be considered a violation of the Lease.

Resident Damages

Repeated failed inspections or damages to the unit beyond normal wear and tear may constitute serious or repeated lease violations.

“Beyond normal wear and tear” is defined as items that could be charged against the resident’s security deposit under state law.

N. GUEST POLICY

Residents shall obtain HA management written approval for the presence of any person not identified in the lease as a member of the resident’s household who occupies the unit for over ten consecutive days or a total of 14 days within a twelve month period. The Executive Director or his/her designee has discretionary authority to approve the occupation of a unit beyond 14 days.

Absence of evidence of any other address will be considered verification that the visitor is an unauthorized household member.

The HA will consider:

Statements from neighbors and/or HA staff

Vehicle license plate verification

Post Office records

Driver’s license verification

Law enforcement reports

Credit reports

Use of the unit address as the non-household member’s current residence for any purpose is not authorized and is considered a breach of the Lease Agreement.

INTRODUCTION

This policy sets forth the Housing Authority's policies and procedures for the ownership and care of common household pets in general occupancy public housing developments owned and or managed by the Housing Authority. It also establishes reasonable rules governing the keeping of common household pets.

Nothing in this policy or the dwelling lease limits or impairs the right of persons with disabilities to own animals that are used to assist them.

Animals That Assist Persons with Disabilities

This Pet Policy does **not** apply to assistive (service) animals or their owners. Nothing in this policy or the dwelling lease limits or impairs the right of persons with disabilities to own animals that are used to assist them. There is reliable objective evidence that the animal poses a direct threat to the health or safety of others that cannot be reduced or eliminated by a reasonable accommodation;

There is reliable objective evidence that the animal would cause substantial physical damage to the property of others;

The presence of the assistance animal would pose an undue financial and administrative burden to the provider; or

The presence of the assistance animal would fundamentally alter the nature of the provider's services.

2. No animals may be tethered or chained inside the dwelling unit.
3. When outside the dwelling unit, all pets must be on a leash or in an animal transport enclosure and under the control of a responsible individual.
4. All fecal matter deposited by the pet(s) must be promptly and completely removed from any common area. Failure to do so will result in a Pet Waste Removal charge of \$50. All animal waste or the litter from litter boxes shall be picked up immediately by the pet owner, disposed of in sealed plastic trash bags, and placed in a trash bin. Litter shall not be disposed of by being flushed through a toilet.
5. Litter boxes shall be stored inside the resident's dwelling unit or in animal enclosures maintained within dwelling units AND must be removed and/or replaced regularly. Failure to do so will result in a Pet Waste Removal charge.
6. Mandatory implementation of effective flea control by measures that produce no toxic hazard to children who may come into contact with treated animals.
7. All complaints of cruelty and all mammalian bites will be referred to animal control of applicable policy agency for investigation and enforcement.
8. Deceased pets shall be properly disposed by Los Angeles County Animal Control Services where applicable and shall not be disposed on Housing Authority property.
9. The right of management to enter dwelling unit upon receipt of notice from the HA.
10. The right of management to enter dwelling unit when there is evidence that an animal left alone is in danger or distress, or is creating a nuisance.
11. The right of management to seek impoundment and sheltering of any animal found to be maintained in violation of housing rules, pending resolution of any dispute regarding such violation, at owner's expense. The resident shall be responsible for any impoundment fees, and the HA accepts no responsibility for pets so removed.
12. That failure to abide by any animal-related requirement or restriction constitutes a

violation of the “Resident Obligations” in the resident’s Lease Agreement.

E. DESIGNATION OF PET/NO-PET AREAS

The following areas are designated no-pet areas: HA playgrounds, management offices, community centers, and recreation center areas.

F. FEES AND DEPOSITS FOR PETS

The resident/pet owner shall be required to pay a refundable deposit of \$200.00 per unit for the purpose of defraying all reasonable costs directly attributable to the presence of a pet. The deposit fee shall not apply to birds and fish.

The HA will refund the Pet Deposit to the resident, less any damage caused by the pet to the dwelling unit, upon removal of the pet or the owner from the unit.

The HA will provide the resident or designee identified above with a written list of any charges against the pet deposit. If the resident disagrees with the amount charged to the pet deposit, the HA will provide a meeting to discuss the charges.

All reasonable expenses incurred by the HA as a result of damages directly attributable to the presence of the pet in the dwelling unit will be the responsibility of the resident, including:

The cost of repairs and replacements to the resident’s dwelling unit;

Fumigation of the dwelling unit;

Common areas of the development if applicable.

G. ALTERATIONS TO UNIT

Residents/pet owners shall not alter their unit, patio, premises or common areas to create an enclosure for any animal. Installation of pet doors is prohibited.

Single bedroom dwelling units are limited to no more than one pet of any kind.

H. ADDITIONAL REQUIREMENTS

Pet owners must take precautions to eliminate pet odors.

Residents will prevent disturbances by their pets that interfere with the quiet enjoyment of the premises of other residents in their units or in common areas. This includes, but is not limited to loud or continuous barking, howling, whining, biting, scratching, chirping, or other such activities.

Residents shall not feed stray animals; doing so, or keeping stray or unregistered animals will be considered having a pet without permission.

I. PET WASTE REMOVAL CHARGE

A separate pet waste removal charge of \$50 per occurrence will be assessed against the resident for violations of the pet policy.

Pet deposit and pet waste removal charges are not part of rent payable by the resident.

J. PET CARE

No pet (excluding fish) shall be left unattended in any apartment for a period in excess of 24 hours.

All residents/pet owners shall be responsible for adequate care, nutrition, exercise and medical attention for his/her pet.

In the event the resident relocates to non-HA owned property (such as privately-owned apartment complex or hotel) at the request of the HA to complete emergency repairs to the resident's unit and/or to complete modernization and/or rehabilitation activities, the resident shall have the responsibility for the board and care of their pet during the duration of the resident's relocation to non-HA owned property.

K. RESPONSIBLE PARTIES

The resident will provide the following information when registering their pet: Name, address and telephone number of the veterinarian who will be providing regular care for the pet; name of the adult household member who will be primarily responsible for animal care; name and contact information for a household member who will return home in the event an animal experiences distress or causes a disturbance when left alone; contact information for a non household member who will respond to emergency situations regarding the pet in question.

L. PET RULE VIOLATION NOTICE

If a determination is made on objective facts supported by written statements that a resident/pet owner has violated the Pet Rule Policy, the HA will serve a 30-Day Notice to Cure or Quit.

M. NOTICE FOR PET REMOVAL

If the resident/pet owner and the HA are unable to resolve the violation at the meeting or the pet owner fails to correct the violation in the time period allotted by the HA, the HA may serve notice to remove the pet. The Notice shall contain:

A brief statement of the factual basis for the HA's determination of the Pet Rule that has been violated; and

A statement that failure to remove the pet may result in the initiation of termination of tenancy procedures.

N. TERMINATION OF TENANCY

The HA may initiate procedure for termination of tenancy based on a pet rule violation if:

The pet owner has failed to remove the pet or correct a pet rule violation within the time period specified; and

The pet rule violation is sufficient to begin procedures to terminate tenancy under terms of the lease.

O. PET REMOVAL

If the death or incapacity of the pet owner threatens the health or safety of the pet, or other factors occur that render the owner unable to care for the pet, the situation will be reported to the Responsible Party designated by the resident/pet owner. Includes pets who are poorly cared for or have been left unattended for over 24 hours.

If the responsible party is unwilling or unable to care for the pet, or if the HA after reasonable efforts cannot contact the responsible party, the HA may contact the appropriate State or local agency and request the removal of the pet.

P. EMERGENCIES

The HA will take all necessary steps to insure that pets which become vicious, display symptoms of severe illness, or demonstrate behavior that constitutes an immediate threat to the health or safety of others, are referred to the appropriate State or local entity authorized to remove such animals.

If it is necessary for the HA to place the pet in a shelter facility, the cost will be the responsibility of the resident/pet owner.

Chapter 11

STANDARDS FOR CONTINUED OCCUPANCY AND RECERTIFICATIONS

[24 CFR 5.613, 24 CFR 5.61524; 24 CFR Part 960, Subpart C]

INTRODUCTION

This chapter defines the HA's policy for conducting annual re-certifications. It also explains the interim reporting requirements for families, and the standards for continued occupancy.

A. ELIGIBILITY FOR CONTINUED OCCUPANCY

Residents who meet the following criteria will be eligible for continued occupancy:

Qualify as a family as defined in this policy;

Are in full compliance and able to abide with all the obligations and responsibilities described in the Lease Agreement;

For family members who have submitted their Social Security numbers (or have certifications on file that they do not have a Social Security number);

For family members who have submitted required citizenship/eligible immigration status/non-contending documents.

Are not subject to sex offender lifetime registration under a State sex offender registration program. *

* If the HA discovers that a current public housing resident is subject to sex offender lifetime registration under a State sex offender registration program, the HA will proceed with eviction of the resident. Families who fail to remove any household member(s), which includes minors 13 to 17 years of age, that are subject to a sex offender lifetime registration under a State sex offender registration program, will be evicted.

B. ANNUAL RECERTIFICATION

In order to be recertified, families are required to provide current and accurate information on income, assets, allowances and deductions, and family composition. Families are required to report and certify this information by completing a Personal Declaration with the HA. Additionally, families must complete an Emergency Notification card annually at recertification.

Timing of the Annual Recertification

Families who choose flat rent are to be recertified every three years. For families who move in on the first of the month, the annual re-certifications will be completed within 12 months of the anniversary of the move-in date. (Example: If family moves in August 1, the annual recertification will be conducted to be effective on August 1, the following year.)

For families who move after the first of the month, the annual recertification will be completed no later than the first of the month in which the family moved in, the following year. (Example: If family moves in August 15, the effective date of the next annual recertification is August 1.)

When families transfer to another property (i.e., OPT transfer), an annual recertification may be conducted and a new Lease Agreement shall be executed, but under no circumstances shall the annual recertification take place later than twelve months. For unit-to-unit transfers within the same property, an annual recertification may take place depending upon the circumstances of the transfer (i.e., change in family composition) and the proximity to the Lease anniversary date.

Lease Anniversary Date and the Annual Recertification

In order to have consistency between the Lease Anniversary and the Annual Recertification, the HA will adhere to the following:

Upon move-in, the date the resident and the HA execute the Lease Agreement will be the same effective date as the HUD Form 50058 (for example, the resident signs the Lease Agreement on November 1st, which will be the same date on the 50058 effective date).

The terms of the Lease Agreement, as stated previously, will be for a 12-month period (i.e., November 1st through October 31st of the following year) and the 50058 will be completed to coincide with the anniversary date (for Lease Agreements executed on the first of the month).

However, for Lease Agreements executed after the 1st of the month (i.e., November 15th), the recertification date for the following year will take place on the first of the month in which the family moved in (i.e., November 1st of the following year). Under this scenario, the term of the Lease shall be for 12 months (i.e., November 15th through November 14th of the following year). At the next annual recertification date, the HA will amend the Lease term to coincide with the annual recertification date (i.e., November 1st).

Recertification Notice to the Family

All families will be notified of their obligation to recertify by first class mail. The notification shall be sent at least 120 days in advance of the anniversary date. If requested as an accommodation by a person with a disability, the HA will provide the notice in an accessible format. The HA will also mail the notice to a third party, if requested as reasonable accommodation for a person with disabilities. These accommodations will be granted upon verification that they meet the need presented by the disability.

Persons with Disabilities

Persons with disabilities, who are unable to come to the HA's office will be granted an accommodation of conducting the interview at the person's home/by mail/hospital, upon verification that the accommodation requested meets the need presented by the disability.

Collection of Information

The family is required to complete the Personal Declaration form and an Emergency Notification card.

Form HUD-92006

Tenants may request to update, remove or change the contact information provided in Form HUD-92006 at any time, including at recertification.

Requirements to Attend

All adult family members will be required to attend the recertification interview and sign the Personal Declaration for continued occupancy.

If the head of household is unable to attend the interview the appointment will be rescheduled.

Failure to Respond to Notification to Recertify

The written notification will explain which family members are required to attend the recertification interview. The family may call to request another appointment date up to five calendar days prior to the interview.

If the family does not appear for the recertification interview, and has not rescheduled or made prior arrangements with the HA, the HA will reschedule a second appointment.

Exceptions to these policies may be made by the Property Manager if the family is able to document an emergency situation that prevented them from canceling or attending the appointment.

Documents Required from the Family

In the notification letter to the family, the HA will include instructions for the family to bring the following:

- Documentation of income for all family members

- Documentation of liquid and non-liquid assets

- Documentation to substantiate any deductions or allowances

- Personal Declaration Form completed and signed by all adult family members

- Completed Emergency Notification card

Verification of Information

All information which affects the family's continued eligibility for the program, and the family's Total Tenant Payment (TTP) will be verified in accordance with the verification procedures and guidelines described in this ACOP. Verifications used for recertification must be less than 120 days old. All verifications will be placed in the file, which has been established for the family.

When the information has been verified, it will be analyzed to determine:

- The continued eligibility of the resident as a *family* or as the *remaining member* of a family;

The unit size required by the family;

The amount of rent the family should pay.

Changes in the Tenant Rent

If there is any change in rent, including change in family's choice in rent, the lease will be amended, or a new lease will be executed, and a Notice of Rent Adjustment will be issued [24 CFR 966.4(c)].

Tenant Rent Increases

If tenant rent increases, a thirty-day notice will be mailed to the family prior to the anniversary date.

If less than thirty days are remaining before the anniversary date, the tenant rent increase will be effective on the first of the second month following the thirty-day notice.

If there has been a misrepresentation or a material omission by the family, or if the family causes a delay in the recertification processing, there will be a retroactive increase in rent to the anniversary date.

Tenant Rent Decreases

If tenant rent decreases, it will be effective on the anniversary date.

If the family causes a delay so that the processing of the recertification is not complete by the anniversary date, rent change will be effective on the first day of the month following completion of the recertification processing by the HA.

C. REPORTING INTERIM CHANGES

Families must report within ten calendar days all changes in household composition to the HA between annual re-certifications. This includes additions due to birth, adoption and court-awarded custody. The family must obtain HA approval prior to all other additions to the household.

The U.S. citizenship/eligible immigrant status of additional family members must be declared and verified prior to the approval by the HA of the family member being added to the lease.

D. INTERIM RECERTIFICATION POLICY

Increases in Income to Be Reported

Families that select to pay flat rent are not required to report increases in income or assets.

If families elect to pay income-based rent, the family must report any of the following factors which could result in an increase in rent to management within ten calendar days of their occurrence:

- Receipt of a deferred payment in a lump sum which represents the delayed start of a periodic payment such as unemployment or social security benefits.
- Change in family (which could either provide additional income to the household or reduce the deductions and allowances for which the family qualifies).
- A change of source of income, such as moving from welfare benefits to employment income.
- An increase in income of \$200/month or more.

Any other changes reported by residents electing to pay income-based rent, other than those list above, will not be processed between regularly scheduled annual re-certifications.

Increases in Income and Rent Adjustments

The HA's policy is not to raise rent between annual re-certifications, except in the case of a change in family composition and/ or source of income and/or an increase of \$200/month or more.

Decreases in Income and Rent Adjustments

Residents may report a decrease in income and other changes, such as an increase in allowances or deductions, which would reduce the amount of the total tenant payment.

The HA will initiate third-party verification of the decrease in income no later than five (5) days after the resident reports the change to the HA. Upon completion of the third-party verification, the HA will process a rent adjustment to be effective the first day of the month following the month in which the HA completes the verification. If the reduction in income is reported after the HA's cut-off date for the following months rent set-up, Management will charge the resident the former, higher rent, subject to a credit when the circumstances of reduction are verified.

E. INCOME CHANGES RESULTING FROM WELFARE PROGRAM REQUIREMENTS

The HA will not reduce the public housing rent for families whose welfare assistance is reduced due to a "specified welfare benefit reduction," which is a reduction in welfare benefits due to:

Fraud by a family member in connection with the welfare program; or

Noncompliance with a welfare agency requirement to participate in an economic self-sufficiency program.

A "specified welfare benefit reduction" does not include a reduction of welfare benefits due to:

The expiration of a lifetime time limit on receiving benefits; or

A situation where the family has complied with welfare program requirements but cannot or has not obtained employment, such as:

The family has complied with welfare program requirements, but the durational

time limit, such as a cap on the length of time a family can receive benefits, causes the family to lose their welfare benefits.

Noncompliance with other welfare agency requirements.

Definition of “Covered Family”

A household that receives benefits for welfare or public assistance from a State or public agency program which requires, as a condition of eligibility to receive assistance, the participation of a family member in an economic self-sufficiency program.

Definition of “Imputed Welfare Income”

The amount of annual income, not actually received by a family, as a result of a specified welfare benefit reduction, that is included in the family’s income for purposes of determining rent.

The amount of imputed welfare income is determined by the HA, based on written information supplied to the HA by the welfare agency, including:

The amount of the benefit reduction

The term of the benefit reduction

The reason for the reduction

Subsequent changes in the term or amount of benefit reduction

Imputed welfare income will be included at annual and interim recertifications during the term of reduction of welfare benefits.

The amount of imputed welfare income will be offset by the amount of additional income a family receives that begins after the sanction was imposed. When additional income is at least equal to the imputed welfare income, the imputed income will be reduced to zero.

If the family was not an assisted resident of public housing when the welfare sanction began, imputed welfare income will not be included in annual income.

Verification Before Denying a Request to Reduce Rent

The HA will obtain written verification from the welfare agency stating that the family’s benefits have been reduced for fraud or noncompliance before denying the family’s request for rent reduction.

The HA will rely on the welfare agency’s written notice to the HA regarding welfare sanctions.

Cooperation Agreements

The HA has an unwritten cooperation agreement in place with the local welfare agency which assists the HA in obtaining the necessary information regarding welfare sanctions.

The HA has taken a proactive approach to culminating an effective working relationship between the HA and the local welfare agency for the purpose of targeting economic self-sufficiency programs throughout the community that are available to public housing residents.

The HA and the local welfare agency have mutually agreed to notify each other of any economic self-sufficiency and/or other appropriate programs or services that would benefit public housing residents.

Family Dispute of Amount of Imputed Welfare Income

If the family disputes the amount of imputed income and the HA denies the family's request to modify the amount, the HA will provide the resident with a notice of denial, which will include:

An explanation for the HA's determination of the amount of imputed welfare income

A statement that the resident may request a grievance hearing

If the resident requests a grievance hearing, the resident is not required to pay an escrow deposit pursuant to 966.55(e) for the portion of tenant rent attributable to the imputed welfare income.

F. OTHER INTERIM REPORTING ISSUES

An interim recertification will be scheduled for families with zero income every 90 days.

Any changes reported by residents other than those listed in this section will not be processed between regularly scheduled annual re-certifications.

HA Errors

If the HA makes a calculation error at admission to the program or at an annual recertification, an interim recertification will be conducted to correct the error. If the family had been undercharged as a result of the calculation error, the family will not be charged retroactively. If the family had been overcharged as a result of the calculation error, the family will receive a rent credit retroactively.

G. TIMELY REPORTING OF CHANGES IN INCOME (AND ASSETS)

Standard for Timely Reporting of Changes for Reexaminations and Interims

The HA requires that families report changes, such as change in family composition, to the HA within ten calendar days of when the change occurs. Any information, document or signature needed from the family needed to verify the change must be provided within three calendar days of the reported change.

If the change is not reported within the required time period, or if the family fails to provide signatures, certifications or documentation, (in the time period requested by the HA), it will be considered untimely reporting.

Procedures When the Change Is Reported in a Timely Manner

The HA will notify the family of any changes in Tenant Rent to be effective according to the following guidelines:

Increases in the Tenant Rent is effective on the first of the month following at least thirty days' notice. It is the HA's policy to not process interim increases in Tenant Rent between regular annual re-certifications except for a receipt of a deferred payment in a lump sum which represents the delayed start of a periodic payment, change in family (which could either provide additional income to the household or reduce the deductions and allowances for which the family qualifies), a change of source of income and/or an increase in income of \$200/month or more. The family must report any of the above factors which could result in an increase in rent to management within ten calendar days of their occurrence.

Decreases in the Tenant Rent are effective the first of the month following the month in which the change is reported.

Procedures When the Change Is Not Reported by the Tenant in a Timely Manner

If the family does not report the change as described under Timely Reporting, the family will have caused an unreasonable delay in the interim or annual recertification processing and the following guidelines will apply:

Increase in Tenant Rent will be effective retroactive to the date the increase in income became effective. The family will be liable for any underpaid rent, and may be required to sign a Repayment Agreement. The Repayment Agreement will require that the family pay an initial lump sum (in an amount determined by the HA) with the remaining balance to be paid in equal payments over a period of time not to exceed 12 months for amounts under \$2400 or 24 months for any amount in excess of \$2400.

Decrease in Tenant Rent will be effective on the first of the month following completion of processing by the HA and not retroactively.

Procedures When the Change Is Not Processed by the HA in a Timely Manner

“Processed in a timely manner” means that the change goes into effect on the date it should when the family reports the change and provides all information, documents and signatures in a timely manner. If the change cannot be made effective on that date, the change is not processed by the HA in a timely manner.

Therefore, an increase will be effective after the required thirty days' notice prior to the first of the month after completion of processing by the HA.

If the change resulted in a decrease, the overpayment by the family will be calculated retroactively to the date it should have been effective, and the family will be credited for the amount.

H. REPORTING OF CHANGES IN FAMILY COMPOSITION

The members of the family residing in the unit must be approved by the HA. The family must inform the HA and request approval of additional family members other than additions due to birth, adoption, court-awarded custody before the new member occupies the unit.

All changes in family composition must be reported within ten calendar days of the occurrence in writing.

If an adult family member is declared permanently absent by the head of household, the notice must contain a certification by the head of household [or spouse] that the member (who may be the head of household) removed is permanently absent.

Increase in Family Size

The HA will consider a unit transfer (if needed under the Occupancy Guidelines) for additions to the family in the following cases:

Addition by marriage/or marital-type relation and the minor children of that person

Addition of a minor child of the head of household, co-head, spouse or marital-type partner who had been living elsewhere

Addition of a HA-approved live-in attendant

Addition of any relation of the Head or Spouse

Addition of an adult child due to recent discharge from the military

Addition of an adult who is not a marital-type relation, due to a disability

Addition due to birth, adoption or court-awarded custody

If addition(s) to the family require a larger size unit due to overcrowding, the change in unit size shall be made effective upon availability of an appropriately sized unit.

Definition of Temporarily/Permanently Absent

The HA must compute all applicable income of every family member who is on the lease, including those who are temporarily absent.

Income of persons permanently absent will not be counted. If the spouse is temporarily absent and in the military, all military pay and allowances (except hazardous duty pay when exposed to hostile fire and any other exceptions to military pay HUD may define) is counted as income.

It is the responsibility of the head of household to report changes in family composition. The HA will evaluate absences from the unit in accordance with this policy.

Absence of Entire Family

These policy guidelines address situations when the family is absent from the unit, but has not

moved out of the unit. In cases where the family has moved out of the unit, the HA will terminate tenancy in accordance with the appropriate lease termination procedures contained in this Policy.

Families are required to notify the HA before they move out of a unit in accordance with the lease and to give the HA information about any family absence from the unit.

“Absence” means that no family member is residing in the unit.

In order to determine if the family is absent from the unit, the HA may:

- Conduct a home visit
- Write letters to the family at the unit
- Post letters on exterior door
- Telephone the family at the unit
- Interview neighbors
- Verify if utilities are in service
- Check with Post Office for forwarding address
- Contact emergency contact

If the entire family is absent from the unit for more than 30 consecutive days, whether or not rent has been paid, the unit will be considered to be abandoned and the HA will terminate the Lease Agreement.

As a reasonable accommodation for a person with a disability, the HA may approve an extension. (See Absence Due to Medical Reasons for other reasons to approve an extension.) During the period of absence, the rent and other charges must remain current.

Absence of Any Member

Any member of the household will be considered permanently absent and removed from the lease if s/he is away from the unit for 90 days in a 12-month period except as otherwise provided in this chapter.

The HA, at its discretion, may initiate a transfer of the remaining household members to an appropriately-sized unit in accordance with the Occupancy standards (see Chapter 4).

Absence Due to Medical Reasons

If any family member leaves the household to enter a facility such as hospital, nursing home, or rehabilitation center, the HA will seek advice from a reliable qualified source as to the likelihood and timing of their return. If the verification indicates that the family member will be permanently confined to a nursing home, the family member will be considered permanently absent. If the verification indicates that the family member will return in less than 120

consecutive days, the family member will not be considered permanently absent, as long as rent and other charges remains current. A resident may request a reasonable accommodation to have a longer absence approved. The HA has full discretion of approval, and will make determinations on a case by case basis.

If the person who is determined to be permanently absent is the sole member of the household, assistance will be terminated in accordance with the HA's "Absence of Entire Family" policy.

Absence Due to Incarceration

If the sole member is incarcerated for more than 90 consecutive days, s/he will be considered permanently absent. Any member of the household, other than the sole member, will be considered permanently absent if s/he is incarcerated for 90 consecutive days. The rent and other charges must remain current during this period.

Foster Care and Absences of Children

If the family includes a child or children temporarily absent from the home due to placement in foster care, the HA will determine from the appropriate agency when the child/children will be returned to the home.

If the time period is to be greater than 180 days from the date of removal of the child(ren), the family will be required to move to a smaller size unit. If all children are removed from the home permanently, the unit size will be reduced in accordance with the HA's occupancy guidelines.

Absence of Adult

If neither parent remains in the household, and the appropriate agency has determined that another adult is to be brought into the assisted unit to care for the children for an indefinite period, the HA will treat that adult as a visitor for the first 90 calendar days. This will be noted as an exception to the HA's Visitor Policy.

If by the end of that period, court-awarded custody or legal guardianship has been awarded to the caretaker, and the caretaker qualifies under Tenant Suitability criteria, the lease will be transferred to the caretaker.

If the court has not awarded custody or legal guardianship, but the action is in process, the HA will secure verification from social services staff or the attorney as to the status.

The HA will transfer the lease to the caretaker, in the absence of a court order, if the caretaker qualifies under the Tenant Suitability criteria and has been in the unit for more than 90 days and it is reasonable to expect that custody will be granted.

When the HA approves a person to reside in the unit as caretaker for the child(ren), the income of the caretaker should be counted pending a final disposition. The HA will work with the appropriate service agencies to provide a smooth transition in these cases.

If a member of the household is subject to a court order that restricts him/her from the home for more than 90 days, the person will be considered permanently absent.

If an adult child goes into the military and leaves the household, they will be considered

permanently absent.

Full time students who attend school away from the home and live with the family during school recess will be considered temporarily absent from the household.

I. REMAINING MEMBER OF RESIDENT FAMILY—RETENTION OF UNIT

Under certain circumstances, an existing member of a household has the right to remain in the unit following the death or departure of the head of household to non-subsidized housing. This section is not intended to apply to circumstances where the household is the subject of a pending eviction, lease enforcement action or where the household is not in good standing. For purposes of this section, an existing member of the household may be considered a “remaining member of the resident family” under the following circumstances:

(a) To be considered the “remaining member of the resident family”, the person must be an adult previously approved by the HA to be living in the unit and must have signed the lease in his or her capacity as an adult occupant. Prior to being approved as a “remaining member of the resident family”, the person must successfully undergo criminal screening and be deemed eligible and suitable under Chapter 2 of the ACOP.

(b) A minor, who was part of the household, can also qualify as a “remaining member of the resident family”. A minor will be authorized to remain in the unit by establishing emancipation or by adding another adult, who has been determined eligible and suitable by the HA, to the Lease. The added adult will become the new head of household. When such situations arise, the HA will work with the minor’s advocate, which may be another adult relative or DCFS caseworker, to determine the appropriate course of action and time necessary for the minor to meet one of the two criteria to remain in the unit.

A live-in attendant or a care-giver, by definition, are not members of the household and will not be considered a “remaining member of the resident family”.

A reduction in family size shall require a transfer to an appropriate unit size per the Occupancy Standards.

J. CHANGES IN UNIT SIZE

The HA shall grant exceptions from the occupancy standards if the family requests and the HA determines the exceptions are justified according to this policy.

The HA will consider the size of the unit and the size of the bedrooms, as well as the number of bedrooms, when an exception is requested.

(Refer to chapter on Occupancy Standards.)

K. CONTINUANCE OF ASSISTANCE FOR “MIXED” FAMILIES

Under the Non-Citizens Rule, “mixed” families are families that include at least one citizen or eligible immigrant and any number of ineligible members.

“Mixed” families who were participants on June 19, 1995, shall continue receiving full assistance if they meet the following criteria:

The head of household, co-head or spouse is a U.S. citizen or has eligible immigrant

status; AND

The family does not include any ineligible immigrants other than the head or spouse, or parents or children of the head, co-head or spouse.

Mixed families who qualify for continued assistance after 11/29/96 may receive prorated assistance only.

If the mixed families do not qualify for continued assistance, the member(s) that cause the family to be ineligible for continued assistance may move, or the family may choose prorated assistance (See chapter titled "Factors Related to Total Tenant Payment Determination"). The HA may no longer offer temporary deferral of termination (see chapter on Lease Terminations).

Chapter 12

LEASE TERMINATIONS

[24 CFR 966.4]

INTRODUCTION

The HA may terminate tenancy for a family based on the resident's action(s) or failure to act in accordance with HUD regulations [24 CFR 966.4 (1)(2)], and the terms of the Lease Agreement. This chapter describes the HA's policies for notification of lease termination and provisions of the Lease Agreement.

A. TERMINATION BY RESIDENT

The resident may terminate their Lease Agreement by providing the HA with a written thirty-day advance notice as defined in the Lease Agreement. The HA in its sole discretion, may reinstate the tenancy of a family 120 days after move-out. The resident must have been in good standing with the HA. Good standing means the resident has demonstrated prompt rent paying habits; the resident has demonstrated and maintained adequate housekeeping standards; the resident has a good overall record since living in public housing. Once the HA has approved the former resident's request for re-instatement, the HA will conduct an annual re-exam and enter into a new Lease Agreement with the family.

B. TERMINATION BY HA

The lease may be terminated at any time by the HA who shall give written notice for serious or repeated violation of the terms of the lease, such as, but not limited to:

Nonpayment of rent or other charges due under the Lease, or chronic late payment of rent (3 times in 12 months is considered chronic)

Failure to provide timely and accurate statements of income, assets, expenses and family composition at Admission, Interim, Special or Annual Rent Re-certifications

Assignment or subleasing of the premises or providing accommodation for boarders or lodgers

Use of the premises for purposes other than solely as a dwelling unit for the Resident and Resident's household as identified in this Lease, except as approved by the HA for a home based occupation

Failure to abide by reasonable rules made by the HA for the benefit and well being of the housing development and the Residents

Failure to abide by applicable building and housing codes materially affecting health or safety

Failure to dispose of garbage waste and rubbish in a safe and sanitary manner

Failure to use electrical, plumbing, sanitary, heating, ventilating, air conditioning and other equipment, including elevators, in a safe manner

Acts of destruction, defacement or removal of any part of the premises, or failure to cause guests to refrain from such acts

Failure to pay reasonable charges (other than for normal wear and tear) for the repair of damages to the premises, development buildings, facilities, equipment, or common areas

Sex offender lifetime registrants

Being subject to sex offender lifetime registration under a State sex offender registration program will be grounds for eviction. For families, failure to remove any household member(s), which includes minors 13 to 17 years of age, that are subject to a sex offender lifetime registration under a State sex offender registration program will result in eviction of the family.

Criminal activity

Residents must refrain from and ensure that household members and guests refrain from engaging in drug-related and/or violent criminal activity on or off the housing development premises. The illegal manufacture, sale, distribution or use of, or possession with the intent to manufacture, sell, distribute or use, a controlled substance constitutes a drug-related criminal activity. Residents on or off the housing development premises and having a controlled substance in his/her system are in violation of the lease. Committing of any of the above acts is a material breach of the lease and may result in termination of tenancy on three days' notice.

Alcohol abuse that the HA determines interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents

Non-compliance with Non-Citizen requirements

Physically or verbally abusive behavior toward residents and/or HA staff

Other good cause

C. NOTIFICATION REQUIREMENTS

The HA's written notice of lease termination will state the reason for the proposed termination, the date of termination, and the rights and protections afforded the resident by the regulations and this policy. (See chapter on Grievances and Hearings.)

Notices of lease termination shall be in writing and delivered to resident or adult member of the household or posted on the unit; and in all cases sent by first class mail addressed to the resident at the unit.

Timing of the Notice

If the HA terminates the lease, written notice will be given as follows:

Fourteen (14) calendar days in the case of failure to pay rent;

Three (3) calendar days for drug-related criminal activity, or criminal activity when the health or safety of other residents or HA employees is threatened;

Thirty (30) calendar days in all other cases.

Following the eviction for drug-related criminal activity, the HA shall notify the Post Office that mail should no longer be delivered to the person who was evicted for drug-related criminal activity.

D. CRIMINAL ACTIVITY

The HA shall terminate the lease if any family member is convicted of manufacturing or producing methamphetamine on the premises of the housing development in violation of any Federal or State law. "Premises" is defined as the building or complex in which the dwelling unit is located, including common areas and grounds.

The HA may terminate the lease in cases where the HA determines there is reasonable cause to believe that a family member, or a guest of a family member, is illegally using a controlled substance or engages in drug-related criminal or violent criminal activity. The same will apply if it is determined that a family member, or a guest of a family member, abuses alcohol in a way that interferes with the health, safety or right to peaceful enjoyment of the premises by other residents. This includes cases where the HA determines that there is a pattern of illegal use of controlled substances or a pattern of alcohol abuse.

The HA will consider the use of a controlled substance or alcohol to be a "pattern" if there is three or more incidents in the previous 12-month period.

"Engages in" drug related criminal or violent criminal activity means any act by a family member, or guest of a family member, which involved drug-related criminal or violent criminal activity which may or may not have resulted in the arrest and/or conviction of the family member, or guest of a family member.

In evaluating whether to terminate the lease, the HA will give fair consideration to the seriousness of the activity, and/or likelihood of favorable conduct in the future (including evidence of rehabilitation).

The HA will also consider whether:

The person demonstrates successful completion of a credible rehabilitation program approved by the HA, and is willing to continue in a supportive program approved by the HA; or

The individual involved in drug-related criminal activity is no longer in the household due to incarceration.

If the HA determines not to terminate the lease, and permit continued occupancy, the HA may require the family accept imposed conditions such as that the involved family member(s) does not reside in or visit the unit. The HA will consider evidence that the person is no longer in the household such as a divorce decree/incarceration/ death/ copy of a new lease for the person including the owner's telephone number and address/ or other substantiating evidence.

E. VAWA

An incident or incidents of actual or threatened domestic violence, dating violence, or stalking will not be construed as a serious or repeated violation of the lease by the victim or threatened victim of that violence and will not be good cause for terminating the tenancy rights of the victim of such violence.

Criminal activity directly relating to domestic violence, dating violence, or stalking, engaged in by a member of a tenant's household or any guest or other person under the tenant's control, shall not be cause for termination of the tenancy, if the tenant, or immediate member of the tenant's family is a victim of that domestic violence, dating violence, or stalking.

The HA retains the authority to terminate the tenancy of a victim under either of the following conditions:

The termination is for a lease violation not premised on the act or acts of domestic violence, dating violence, or stalking against the tenant or a member of the tenant's household, and the HA does not subject an individual who is or has been a victim of domestic violence, dating violence, or stalking to a more demanding standard than other tenants in determining whether to evict.

The HA can demonstrate an actual and imminent threat to other tenants or those employed at or providing services to the property if the tenancy of the victim is not terminated.

F. TERMINATIONS DUE TO INELIGIBLE IMMIGRATION STATUS [24 CFR 5.514]

Families who were participants on June 19, 1995, but are ineligible for continued assistance due to the ineligible immigration status of all members of the family, or because a "mixed" family chooses not to accept proration of assistance, were eligible for temporary deferral of termination of assistance to permit the family additional time for transition to affordable housing.

Deferrals may have been granted for intervals not to exceed six months, up to an aggregate maximum of three years for deferrals granted prior to 11/29/96 or up to 18 months if granted after 11/29/96.

However, due to the timeframe applicable to the deferral period, current families are no longer eligible for deferral of termination of assistance.

If the HA determines that a family member has knowingly permitted an ineligible individual to reside in the family's unit on a permanent basis, the family's assistance will be terminated for 24 months. This provision does not apply to a family if the eligibility of the ineligible individual was considered in calculating any proration of assistance provided for the family.

Chapter 13
FRAUD POLICY

INTRODUCTION

Fraud is defined as the intentional, false representation or concealment of a material fact for the purpose of inducing another to act upon it to his or her injury. Fraud and abuse by a tenant or applicant therefore, may constitute an intentional misrepresentation of income, assets, and allowances, or intentional misrepresentation of family composition or initiating and participating in bribes or other illegal activities. Intentional may mean a claim that a tenant or applicant *knows or has reason to know* is false, fictitious, or fraudulent. Knows or has reason to know may mean a person acts in deliberate ignorance of the truth or acts in reckless disregard of the truth or falsity of the claim or statement.

A. CRITERIA FOR INVESTIGATION OF SUSPECTED ABUSE AND FRAUD

The HA does not intend to undertake an inquiry or an audit of a tenant family arbitrarily. The HA's expectation is that tenant families will comply with HUD requirements, provisions of the lease, and other program rules. The HA staff will make an effort (formally and informally) to orient and educate all families in order to avoid unintentional violations. However, the HA has a responsibility to HUD, to the community, and to eligible families in need of housing assistance, to monitor tenants' lease obligations for compliance and, when indicators of possible abuse come to the HA's attention, to investigate such claims.

The HA may initiate an investigation of a tenant family in the event of one or more of the following circumstances:

Referrals, Complaints, or Tips: Referrals from other agencies, companies or persons which are received by mail, by telephone or in person, which allege that a tenant family is in noncompliance with, or otherwise violating the lease or the program rules. Such follow-up will be made providing that the referral contains at least one item of information that is independently verifiable. A notation of the allegation will be retained in the tenant file.

Internal File Review: If the HA staff discovers (as a function of a (re)certification, an interim redetermination, or a quality control review), information or facts which conflict with previous file data, the HA's knowledge of the family, or is discrepant with statements made by the family.

Verification or Documentation: If the HA receives independent verification or documentation, which conflicts with representations in the tenant file (such as public record information, credit bureau reports, or reports from other agencies).

B. STEPS TO HELP PREVENT PROGRAM ABUSE AND FRAUD

Management and program staff utilizes various methods and practices (listed below) to help prevent program abuse, noncompliance, and willful violations of program rules by applicants and tenant families. This policy objective is to establish confidence and trust in the management by emphasizing education as the primary means to obtain compliance by tenant families.

Things You Should Know (HUD-1140-OIG): This program integrity bulletin (created by HUD's Inspector General) will be furnished and explained to all tenants/ applicants to promote understanding of program rules, and to clarify the HA's expectations for cooperation and compliance.

Program Orientation Session: Mandatory orientation sessions will be conducted by HA staff for all prospective tenants either prior to or upon execution of the lease. At the conclusion of all Program Orientation Sessions, the family representative will be required to sign a "Things You Should Know" (HUD-1140-OIG) form to confirm that all rules and pertinent regulations were explained to him/her regarding fraud and abuse.

Resident Counseling: HA staff will routinely provide tenant counseling as a part of the recertification interview in order to clarify any confusion pertaining to program rules and requirements.

Use of Instructive Sign and Warnings: Instructive signs will be conspicuously posted in common areas and interview areas to reinforce compliance with program rules and to warn about penalties for fraud and abuse.

Review and Explanation of Forms: Staff will explain all required forms and review the contents of all (re)certification documents prior to signature.

C. STEPS TO DETECT PROGRAM ABUSE AND FRAUD

HA staff training to maintain a high level of alertness to indicators of possible abuse and fraud by assisted families.

Quality Control File Reviews. Prior to initial certification, and at the completion of all subsequent re-certifications, each tenant file will be reviewed. Such reviews may include, but are not limited to:

1. Changes in reported Social Security Numbers or dates of birth.
2. Authenticity of file documents.
3. Ratio between reported income and expenditures.

4. Review of signatures for consistency with previously signed file documents.
5. Assurance that verification of all income and deduction is present.

Observation. Management and Program Staff (to include maintenance personnel and policing authorities) training to maintain high awareness of circumstances which may indicate program abuse or fraud, such as unauthorized persons residing in the household and unreported income and assets, including personnel and real property.

Public Record Bulletins. Reviewed by management and staff.

State Wage Data Record Keepers. Inquiries to State Wage and Employment record keeping agencies as authorized under Public Law 100-628, the Stewart B. McKinley Homeless Assistance Amendments Act of 1988, may be made annually in order to detect unreported wages or unemployment compensation benefits.

Credit Bureau Inquiries. Credit Bureau inquiries may be made in the following circumstances:

1. Application Process.
2. Annual Re-certification.
3. When an allegation is received by the HA wherein unreported income sources are disclosed.
4. When a tenant's expenditures exceed his/her reported income, and no plausible explanation is given.

Enterprise Income Verification (EIV) Inquiries. Enterprise Income Verification is a system that enables PHAs to verify participant reported income and identified households that may have under reported their households annual income. EIV inquiries may be made in the following circumstances:

1. Annual Re-certification.
2. When an allegation is received by the HA wherein unreported income sources are disclosed.
3. When a tenant's expenditures exceed his/her reported income, and no plausible explanation is given.

D. THE HA'S HANDLING OF ALLEGATIONS OF POSSIBLE ABUSE AND FRAUD

HA staff will encourage all tenant families to report suspected abuse to the Property Manager. All allegations, complaints and tips will be carefully evaluated in order to determine if they warrant follow-up. The HA will not follow up on allegations which are vague or otherwise nonspecific. They will only review allegations, which contain one or more independently verifiable facts.

Preliminary File Review

An internal file review will be conducted to determine:

1. If the subject of the allegation is a tenant of a project based Housing Development and, if so, to determine whether or not the information reported has been previously disclosed by the family.
2. It will then be determined if the HA is the most appropriate authority to do a follow-up (more so than police or social services). Any file documentation of past behavior as well as corroborating complaints will be evaluated.

Conclusion of Preliminary Review

If, at the conclusion of the preliminary file review, there is/are fact(s) contained in the allegation which conflict with file data, and the fact(s) are independently verifiable, the Fraud Analyst will initiate an investigation to determine if the allegation is true or false.

E. HOW THE HA REVIEWS ALLEGATIONS OF ABUSE AND FRAUD

If the HA determines that an allegation or referral warrants follow-up, the Fraud Analyst will conduct the review. The steps taken will depend upon the nature of the allegation and may include, but are not limited to, the items listed below. In all cases, the HA will ensure, where required, that a written authorization from the program participant for the release of information has been obtained.

Credit Bureau Inquiries (CBIs). In cases involving previously unreported income sources, a CBI inquiry may be made to determine if there is financial activity which conflicts with the reported income of the family.

IRS. Request for IRS Returns or W-2's may be required.

Verification of Credit. In cases where the financial activity conflicts with file data, a Verification of Credit form may be mailed to the creditor in order to determine the unreported income source.

Employers and Ex-Employers. Employers or ex-employers may be contacted to verify wages, which may have been previously undisclosed or misreported.

Neighbors/Witnesses. Neighbors and/or other witnesses may be interviewed who are believed to have direct or indirect knowledge of facts pertaining to the HA's review.

Field Investigation: Field Investigators may be utilized to gather additional information as determined by the HA.

Other Agencies. Investigators, caseworkers or representatives of other benefit agencies may be contacted.

Public Records. If relevant, the HA will review public records kept in any jurisdictional courthouse or county recorder's office. Examples of public records which may be checked

are: real estate, marriage, divorce, uniform commercial code financing statements, voter registration, judgments, court or police records, state wage records, utility records and postal records.

Interviews with Head of Household or Family Members. The HA will discuss the allegation (or details thereof) with the head of household or family member by scheduling an appointment at the site office with the Property Manager and the Fraud Analyst. The HA intends to conduct such interviews with a high standard of courtesy and professionalism, avoiding inflammatory language, accusations, or unprofessional conduct or language. If necessary, an additional staff person may attend such interviews.

Enterprise Income Verification (EIV) Inquiries. The HA will conduct Enterprise Income Verification inquiries to identify households that may have under reported their households annual income.

F. PLACEMENT OF DOCUMENTS, EVIDENCE AND STATEMENTS OBTAINED BY THE HA

Documents and other evidence obtained by the HA during the course of an investigation will be considered “work product” and will be kept in a separate “work file.” The work file will be kept locked and under the control of the Fraud Analyst and Assistant Director. Such cases under review will not be discussed among the HA staff unless they are involved in the process, or have information, which may assist in the investigation.

The Fraud Analyst will maintain a Fraud Data Base System (FDBS), which will document the status of the cases and additional information in order to provide a tracking devise for all fraud cases. The FDBS will be maintained by the Fraud Analyst. Assess of the FDBS will be limited to the HA Director, the HA Assistant Director, the PHA Executive Director and Assistant Executive Director and HA legal counsel.

G. CONCLUSION OF THE HA’S INVESTIGATIVE REVIEW

At the conclusion of the fraud review, the Fraud Analyst will report the findings to the HA Director, Assistant Executive Director, Assistant Director or designee, Property Manager or Area Manager. It will then be determined whether a violation has occurred, a violation has not occurred, or if the facts are inconclusive. In any event, the Fraud Analyst will document the file of his/her fraud investigation by providing a Fraud Findings memorandum including proposed course of action.

H. EVAULATION OF THE FINDINGS

If it is determined that a program violation has occurred, the Fraud Analyst will review the facts to determine:

1. The type of violation (noncompliance, fraud).
2. Whether the violation was intentional or unintentional.
3. What amount of money (if any) is owed by the tenant.
4. If the family is eligible for continued occupancy.

I. PROCEDURES FOR VIOLATIONS WHICH HAVE BEEN DOCUMENTED

Once a program violation has been documented, the Fraud Analyst will propose the most appropriate remedy based upon the type and severity of the violation.

Procedural Noncompliance - Retroactive Rent

When the tenant owes money for failure to report changes in income or assets, a Notification of Underpaid Rent may be issued. This Notice will contain the following:

1. A description of the violation and the date(s).
2. Any amounts owed to the HA .
3. A 10-day response period.
4. The right to disagree and to request an informal conference with instructions for the request of such conference in compliance with the grievance policy established in the ACOP.
 - a. Tenant Fails to Comply with the Notice. If the tenant fails to comply with the notice, and a material provision of the lease has been violated, termination of tenancy may be initiated.
 - b. Tenant Complies with the Notice. When a tenant complies with the notice, the Property Manager responsible will meet with him/her to discuss and explain the obligation or lease provision which was violated. The Property Manager will complete a Tenant Counseling Report, give one copy to the family and retain a copy in the tenant file.

A Tenant Conference may be scheduled by the Property Manager to discuss any procedural noncompliance issues and to provide the Tenant with the *Things You Should Know* Program Integrity Bulletin, to promote understanding of the Program Rules and to clarify the expectation for cooperation and compliance. The Property Manager may enlist the assistance of the Fraud Analyst.

Intentional Misrepresentations

When a tenant falsifies, misstates, omits or otherwise misrepresents a material fact which results (or would have resulted) in an underpayment of rent by the tenant, an evaluation will determine whether or not:

1. The tenant had knowledge that his/her actions were wrong, and
2. That the tenant willfully violated the lease or the law.

Knowledge that the action or inaction was wrong. This will be evaluated by determining if the tenant was made aware of program requirements and prohibitions. The tenant's signature on various certification, briefing certificate, Personal Declaration and *Things You Should Know* are

adequate to establish knowledge of wrongdoing.

The tenant willfully violated the law. Any of the following circumstances will be considered adequate to demonstrate willful intent:

1. An admission by the tenant of the misrepresentation.
2. That the act was done repeatedly.
3. If a false name or Social Security Number was used.
4. If there were admissions to others of the illegal action or omission.
5. That the tenant omitted material facts, which were known to them (e.g., employment of self or other household member).
6. That the tenant falsified, forged or altered documents.
7. That the tenant uttered and certified to statements at a rent (re)determination which were later independently verified to be false.

The Tenant Conference for Serious Violations and Misrepresentations

When the HA has established that material misrepresentation(s) have occurred, a Tenant Conference may be scheduled with the family representative, the Fraud Analyst, the Property Manager and/or the staff person most knowledgeable about the circumstances of the case. In the event that a conference is scheduled, an appointment letter confirming the Tenant Conference date may include a checklist of documents and/or information for the resident to bring to the meeting.

The purpose of such conference is to review the information and evidence obtained with the tenant, and to provide the tenant an opportunity to explain any document findings which conflict with representations in the tenant file. Any documents or mitigating circumstances presented by the tenant will be taken into consideration by the HA . The tenant will be given 10 working days commencing from the conclusion of the Tenant Conference to furnish any mitigating evidence.

A secondary purpose of the Tenant Conference is to assist the HA in determining the course of action most appropriate for the case. Prior to the final determination of the proposed action, the following will be considered:

1. The duration of the violation and number of false statements.
2. The tenant's ability to understand the rules.
3. The tenant's willingness to cooperate and to accept responsibility for his/her actions.
4. The amount of money involved.
5. The tenant's past history.
6. The number of false statements.

Notification to Tenant of Proposed Action

The tenant will be notified by mail of the proposed action no later than fifteen (15) business days after the conclusion of the Tenant Conference.

Dispositions of Cases Involving Misrepresentations

In all cases of misrepresentations involving efforts to recover monies owed, the HA may pursue, depending upon its evaluation of the criteria stated above, one or more of the following actions:

Civil Remedies: The HA may:

1. Terminate tenancy and demand payment of restitution in full.
2. Terminate assistance and execute an administrative repayment agreement in accordance with the HA's Repayment Policy.
3. Terminate assistance and/or pursue restitution through civil litigation.
4. Terminate assistance and seek recovery through tax refunds and/or garnishment of wages or other forms of collection.
5. Continue assistance at the correct level upon repayment of restitution in 30 days.
6. Permit continued assistance at the correct level and execute an administrative repayment agreement in accordance with the HA's repayment policy.

Criminal Referral: If the HA believes that the case meets the criteria established by the HA for prosecution, the HA may refer the case to other enforcement agencies.

Termination by the HA:

In any event, and at the sole discretion of the HA, the HA may terminate a public housing tenancy for a material breach of the lease for discovery of material false statements or fraud, including but not limited to misrepresentation of facts, omitted pertinent information, or failure to inform Management of information it requires for an annual re-certification or interim adjustments, by the tenant or family member in connection with an application for assistance, with re-certification, or reexamination of income.

Chapter 14

GRIEVANCES AND APPEALS

[24 CFR 966.50–966.57]

INTRODUCTION

This chapter describes the policies to be used when applicants or residents disagree with a HA decision. It is the policy of the HA that all applicants and residents have the benefit of all appeal/grievance rights due to them under the law.

PART I: APPEALS

A. APPEALS BY APPLICANTS

Applicants who are determined ineligible because they do not meet the HA's admission standards, will be given prompt written notification stating reason for the determination and the procedure for requesting an informal hearing. Applicants must submit their request for an informal hearing in writing to the HA within ten days from the date of the notification of their ineligibility.

Except for an applicant caused delay(s), if an applicant requests an informal hearing, the HA will schedule the hearing to be held within ten calendar days of receiving the request. The HA will notify the applicant of the time, date, and location.

An impartial hearing officer will conduct informal hearings. The person who is designated as the hearing officer cannot be the person who made the determination of ineligibility or a subordinate of such person.

The hearing officer will consider documentation or evidence provided by the applicant and data compiled by the HA. The hearing officer will make a determination based upon the merits of the evidence presented by both sides. Within ten calendar days of the date of the hearing, the hearing officer will mail a written decision to the applicant and place a copy of the decision in the applicant's file.

The grievance procedure for public housing residents is not applicable to applicants, and applicants have no rights under the HA's grievance procedures.

B. HEARING AND APPEAL PROVISIONS FOR "RESTRICTIONS ON ASSISTANCE TO NON-CITIZENS"

Assistance to the family in a HA unit pursuant to a lease may not be delayed, denied or terminated on the basis of immigration status at any time prior to the receipt of the decision on the INS appeal.

Assistance to a family may not be terminated or denied while the HA hearing is pending but assistance to an applicant may be delayed pending the HA hearing.

INS Determination of Ineligibility

If a family member or applicant claims to be an eligible immigrant and the INS SAVE system and manual search do not verify the claim, the HA notifies the applicant or resident within ten days of their right to appeal to the INS within thirty days or to request an informal hearing with the HA either in lieu of or subsequent to the INS appeal.

If the family or applicant appeals to the INS, they must give the HA a copy of the appeal and proof of mailing or the HA may proceed to deny or terminate. The time period to request an appeal may be extended by the HA for good cause.

The request for a HA hearing must be made within fourteen days of receipt of the notice offering the hearing or, if an appeal was made to the INS, within fourteen days of receipt of the INS decision.

After receipt of a request for an informal hearing, the hearing is conducted as described in the “Grievance Procedures” section of this chapter for both applicants and residents. If the hearing officer decides that the individual is not eligible, and there are no other eligible family members the HA will deny the applicant family.

If there are eligible members in the family, the HA will offer to prorate assistance or give the family the option to remove the ineligible members.

All other complaints related to eligible citizen/immigrant status:

If any family member fails to provide documentation or certification as required by the regulation, that member is treated as ineligible. If all family members fail to provide, the family will be denied assistance.

Participants whose assistance is pro-rated (either based on their statement that some members are ineligible or due to failure to verify eligible immigration status for some members after exercising their appeal and hearing rights described above) are entitled to a hearing based on the right to a hearing regarding determinations of Resident Rent and Total Resident Payment.

Families denied or terminated for fraud in connection with the non-citizens rule are entitled to a review or hearing in the same way as terminations for any other type of fraud.

PART II: GRIEVANCE PROCEDURES

A. DEFINITIONS

Grievance

Any dispute that a resident may have with respect to an HA action or failure to act in accordance with the individual resident’s lease or HA regulations that adversely affects the individual resident’s rights, duties, welfare, or status. Grievance does not include disputes between residents not involving the HA; to class grievances such as rent strikes; as a forum for initiating

or renegotiating policy changes between groups of residents and the HA Board of Commissioners; nor to an eviction based upon violent criminal activity or drug-related criminal activity.

Complainant

Any resident whose grievance is presented to the HA at the site/management office.

Hearing Officer

A person selected in accordance with this grievance procedure to hear grievances and render a decision with respect thereto.

VAWA

An incident or incidents of actual or threatened domestic violence, dating violence, or stalking will not be construed as a serious or repeated violation of the lease by the victim or threatened victim of that violence and will not be good cause for terminating the tenancy rights of the victim of such violence.

Criminal activity directly relating to domestic violence, dating violence, or stalking, engaged in by a member of a tenant's household or any guest or other person under the tenant's control, shall not be cause for termination of the tenancy, if the tenant, or immediate member of the tenant's family is a victim of that domestic violence, dating violence, or stalking.

B. APPLICABILITY

This Grievance Procedure applies to all individual grievances, except any grievance concerning a termination of tenancy or eviction that involves:

Any activity, not just criminal activity, that threatens the health, safety, or right to peaceful enjoyment of the premises of other residents or HA employees, or

Any drug-related criminal activity on or off such premises.

C. INFORMAL CONFERENCE

Any grievance shall be presented in writing through a "Grievance Request Form" submitted to the HA office or to the housing management office who sent the notice on which the grievance is based. Written grievances must be signed by the resident/applicant. Except for resident/applicant caused delay(s), the grievance must be presented within ten (10) calendar days after receipt of the notice on which the grievance is based. It may be simply stated, but shall specify:

The particular grounds upon which it is based,

The action requested; and

The name, address, and telephone number of the complainant, and similar information about the complainant's representative, if any.

The HA will provide reasonable accommodation for persons with disabilities to participate in the informal conference. The HA must be notified within three days of the scheduled time if special accommodations are required.

The purpose of the initial discussion is to discuss and to resolve the grievance without the necessity of a formal hearing. A formal hearing is only for current residents.

A designated HA representative shall hold an informal conference with the resident/applicant within ten (10) calendar days of receipt of the grievance. At the informal conference, the resident will present their grievance and the HA representative will attempt to settle the grievance.

If the complainant fails to appear within 30 minutes of the scheduled time, the HA representative may determine that the complainant has waived their right to an informal conference.

When the informal conference is completed the HA representative will provide the resident with a written summary of the informal conference. The summary of the informal conference shall be prepared within a reasonable time and one copy shall be given to the tenant and one retained in the HA's tenant file. The summary will specify the date of the informal conference, names of participants, nature of the disposition of the complaint and supporting reasons, as well as specifying the procedures by which a formal hearing may be obtained if the grievance has not been resolved at this level. A receipt signed by the resident or a return receipt for delivery of certified mail, whether or not signed, will be sufficient proof of time of delivery for the summary of the informal conference.

1. Dissatisfaction with Informal Conference

If the resident, also known as the complainant, is dissatisfied with the results of the informal conference, s/he shall submit a "Grievance Request Form" requesting a formal hearing within ten (10) calendar days of the date of service of the informal conference summary.

The request must specify the reason for the grievance request and the relief sought.

2. Failure to Request a Formal Hearing

If the complainant does not request a formal hearing within ten (10) calendar days of the date of service of the informal conference summary, s/he waives his/her right to a hearing, and the HA's proposed disposition of the grievance will become final. This section in no way constitutes a waiver of the complainant's right to contest the HA's disposition in an appropriate judicial proceeding.

D. FORMAL HEARING

After exhausting the informal conference procedures outlined above, a complainant shall be entitled to a formal hearing before a hearing officer.

The head of household must attend the formal hearing.

If the complainant fails to appear within 30 minutes of the scheduled time, the hearing officer may determine that the complainant has waived their right to a hearing.

The HA will provide reasonable accommodation for persons with disabilities to participate in the hearing. The HA must be notified within three days of the scheduled time if special accommodations are required.

1. Formal Hearing Officer

A grievance hearing shall be conducted by an impartial person appointed by the HA other than the person who made or approved the HA action under review, or a subordinate of such person.

Hearing Officer shall be appointed by the Housing Authority through an approved list of hearing officers or through an organization approved by the Executive Director of the Housing Authority.

Each party may challenge the hearing officer for good cause and must file an objection stating reason prior to start of hearing.

2. Notifying Hearing Officer to Administer Hearing Proceedings

The designated HA representative will send written notification to the hearing officer with a copy of the grievance/complaint form, the informal conference summary, and a copy of the request for formal hearing.

The designated HA representative advises the hearing officer of name(s) and address(es) of all participants.

The hearing officer notifies all parties as to date, time and place of hearing.

E. PROCEDURES TO OBTAIN A HEARING

Informal Conference Prerequisite

All grievances must be presented pursuant to the informal conference procedure as a prerequisite to a formal hearing.

The hearing officer may waive the prerequisite informal conference if, and only if, the complainant can show good cause why s/he failed to proceed informally.

Escrow Deposit

Before a hearing is scheduled in any grievance involving an amount of rent the HA claims is due, the complainant shall pay to the HA all rent due and payable as of the month preceding the month in which the act or failure to act took place.

The complainant shall thereafter give the HA their monthly rent and the HA will deposit the monthly rent into an escrow account each month until the complaint is resolved by decision of the hearing officer.

The HA will waive these escrow requirements if the complainant is paying minimum rent and the grievance is based on a request for hardship exemption or imputed welfare income.

Unless so waived, failure to make the required escrow payments shall result in termination of the grievance procedure.

Failure to make such payments does not constitute a waiver of any right the complainant may have to contest the HA's disposition of the grievance in any appropriate judicial proceeding.

Scheduling

If the complainant complies with the procedures outlined above, a hearing shall be scheduled promptly by the HA.

A written notification of the date, time, place, and procedures governing the hearing shall be delivered to the complainant and the appropriate HA official.

The HA will provide reasonable accommodation for persons with disabilities to participate in the hearing. The HA must be notified within three days of the scheduled time if special accommodations are required.

F. HEARING PROCEDURES

The hearing shall be held before a hearing officer.

The complainant shall be afforded a fair hearing and be provided the basic safeguards of due process to include:

The opportunity to examine and to copy before the hearing, at the expense of the complainant (\$.10 per copy), all documents, records and regulations of the HA that are relevant to the hearing with at least a 24 hour notice prior to the hearing. Any document not so made available after request by the complainant may not be relied upon by the HA at the hearing.

The HA shall also have the opportunity to examine and to copy at the expense of the HA all documents, records and statements that the resident plans to submit during the hearing to refute the HA's inaction or proposed action. Any documents not so made available to the HA may not be relied upon at the hearing.

The right to a private hearing unless otherwise requested by the complainant.

The right to be represented by counsel or other person chosen as a representative.

The right to present evidence and arguments in support of the complaint, to controvert evidence presented by the HA, and to confront and cross-examine all witnesses upon whose testimony or information the HA relies, limited to the issues for which the complainant has received the opportunity for a formal hearing; and

The right to a decision based solely and exclusively upon the facts presented at the hearing.

If the hearing officer determines that the issue has been previously decided in another proceeding, a decision may be rendered without proceeding with the hearing.

If the complainant fails to appear within 30 minutes of the scheduled time, the hearing officer may determine that the complainant has waived their right to a hearing.

Such a determination in no way waives the complainant's right to appropriate judicial proceedings in another forum.

At the hearing, the complainant must first make a showing of an entitlement to the relief sought and thereafter the HA must sustain the burden of justifying the HA action or failure to act against which the complaint is directed.

The hearing shall be conducted by the hearing officer as follows:

Oral and documentary evidence pertinent to the facts and issues raised by the complaint may be received without regard to admissibility under the rules of evidence applicable to judicial proceedings.

The hearing officer shall require the HA, complainant, counsel, and other participants and spectators to conduct themselves in an orderly manner. The failure to comply with the directions of the hearing officer to maintain order will result in the exclusion from the proceedings, or a decision adverse to the interests of the disorderly party and granting or denial of the relief sought, as appropriate.

Either party may request a tape recording of the hearing. The HA shall provide equipment and an operator for the purpose of recording the hearing. The complainant may secure a duplicate at his/her expense.

G. DECISIONS OF THE HEARING OFFICER

The hearing officer shall mail to the HA and the complainant a written decision, including the reasons for the decision, within 10 calendar days for public housing following the hearing. The HA will place one copy in the resident files. The written decision will be sent to the address provided at the hearing.

The decision of the hearing officer shall be binding on the HA which shall take all actions necessary to carry out the decision, unless the Board of Commissioners intervene in the matter. The Board of Commissioners may overturn a hearing officer's decision in either of the following two situations:

The grievance does not concern the HA action or failure to act in accordance with or involving the complainant's lease or HA regulations that adversely affect the complainant's rights, duties, welfare or status.

The decision of the hearing officer is contrary to applicable Federal, State, or local law, HUD regulations or requirements of the Annual Contributions Contract between HUD and the HA.

A decision by the hearing officer or Board of Commissioners in favor of the HA or which denies the relief requested by the complainant in whole or part shall not constitute a waiver of, nor affect in any manner whatever, the rights of the complainant to a trial or judicial review in any proceedings which may thereafter be brought in the matter.

Any grievance in which the Resident claims a right under VAWA, a hearing officer will not issue a decision and instead will postpone the hearing until such time as a decision on the VAWA request has been made in compliance with all VAWA references made in this ACOP.

H. HA EVICTION ACTIONS

A notice of termination tolls pending the grievance process. As the notice of termination tolls, rent shall continue to be due and owing during and pending the grievance hearing procedures. The failure to pay rent pending the grievance process will result in a waiver of the grievance. If a resident has requested a hearing in accordance with these duly adopted Grievance Procedures on a complaint involving a HA notice of termination of tenancy, and the hearing officer upholds the HA action, the HA shall not commence an eviction action until the notice of termination of tenancy expires.

Chapter 15

FAMILY DEBTS TO THE HOUSING AUTHORITY

INTRODUCTION

This chapter describes the HA's policies and guidelines for the recovery of debts and the use of repayment agreements. Before a debt is assessed against a family, the file must contain documentation to support the HA's claim that the debt is owed. The file must further contain written documentation of the method of calculation, in a clear format for review by the family, as appropriate.

When families owe money to the HA, every effort will be made to collect the debt. A variety of collection tools to recover debts may be used including, but not limited to:

Requests for lump sum payments

Repayment agreements

Abatements

Deductions

Collection agencies

Credit bureaus

Civil suits

A. REPAYMENT AGREEMENT FOR FAMILIES

A Repayment Agreement is a document entered into between the HA and the resident who owes a debt to the HA. The Repayment Agreement contains an acknowledgment by the person of the debt in a specific amount, the terms of repayment, any special provisions of the agreement, and the remedies available to the HA upon default of the agreement.

If a repayment agreement is to be entered into, the HA will require that the family pay an initial 50% lump sum with the remaining balance to be paid in equal payments over a period of time not to exceed 12 months. In the discretion of the HA, a repayment agreement can provide that the remaining balance be paid in equal payments over a period of time not to exceed 24 months if the debt is for an amount in excess of \$2,400.

Late Payments

A payment will be considered to be in arrears if:

The payment has not been received by the close of the business day on which the payment was due. If the due date is on a weekend or holiday, the due date will be at the close of the next business day.

If the family's repayment agreement is in arrears, the HA may do one or more of the following:

Require the family to pay the entire amount that has not been paid timely plus the current month's payment in order to avoid termination of tenancy, or

Require the family to pay the balance in full in order to avoid termination of tenancy, or

Pursue civil collection of the balance due, or

Terminate the tenancy.

Requests to Move

If the family requests a move to another unit and has a repayment agreement in place and the repayment agreement is not in arrears, the family may be required to pay the balance in full prior to moving to the new unit.

If the family requests a move to another unit and is in arrears on a repayment agreement, unless they pay the balance in full, the request will be denied.

Under special circumstances, the HA may make an exception and allow a family to move without paying the entire balance of the debt if the family is current with its payments. The HA may also allow a family who is in arrears to become current in order to process a move if the move is for one of the following reasons:

A natural disaster.

The unit is uninhabitable or has major UPCS deficiencies that are not the result of a family action or inaction.

A life-threatening situation, such as the family is a witness to or a victim of a crime and must move for safety reasons. The family will be required to provide proof in such cases.

Guidelines for Repayment Agreements

The HA may not agree to a repayment agreement if the family already has a Repayment Agreement in place, or if the family has breached previous Repayment Agreements.

The HA, at its sole discretion, will determine on a case-by-case basis whether or not to offer a family a repayment agreement for monies owed to the HA. All Repayment Agreements must be approved by a HA Manager.

Repayment Agreements will be executed between the HA and the head of household or other adult family member.

The HA may approve in writing a decrease in the monthly payments, either temporary or permanent, in cases of hardship after receiving from the family a written request for a decrease and verification of hardship.

B. FAMILY DEBTS DUE TO FRAUD/NON-REPORTING OF INFORMATION

HUD's definition of program fraud and abuse is a single act or pattern of actions that:

Constitutes a false statement, omission, or concealment of a substantive fact, made with intent to deceive or mislead the Housing Authority.

Immediate Payment of Retroactive Rent Where Debt is the Result of Resident Misrepresentation or Failure to Disclose Material Information

If the Resident submits false information on any application, Personal Declaration, certification documents or request for interim adjustment or does not report interim changes in family income or other factors as required by his/her Lease Agreement, and as a result, is charged a rent less than the amount required by HUD's rent formulas, the Resident agrees to reimburse the HA for the difference between the rent he/she should have paid and the rent he/she was charged. The HA, in its sole discretion, may terminate the Lease for a material breach and/or may make the rent increase retroactive to the date the income increased. If the HA determines that a Resident is liable for the payment of Retroactive Rent, the resulting retroactive rent amount, shall be paid immediately by the Resident.

A decision by the HA to accept the payment of Retroactive Rent from a Resident, shall not constitute a waiver of its right to either terminate the Lease or otherwise pursue any additional actions allowable under Federal, State or local law.

Payment of Retroactive Rent Where Debt Is Not the Result of Resident Misrepresentation or Failure to Disclose Material Information

The HA, in its sole discretion, may enter into a Repayment Agreement for a debt to the HA that did not result from the Resident's submission of false information on any application, Personal Declaration, certification documents or request for interim adjustment or from a failure to report interim changes in family income or other factors as required by his/her Lease Agreement.

C. REPAYMENT AGREEMENTS AT CONCLUSION OF TENANCY OR RESOLUTION OF EVICTION PROCEEDINGS

The HA may enter into a repayment agreement in resolution of a debt incurred by a Resident during the course of his or her tenancy where the Resident has indicated his or her intent to voluntarily vacate. The HA may also enter into a repayment agreement in resolution of either a notice to terminate or not renew a tenancy. The terms of such agreements shall be determined at the discretion of the HA.

D. FAMILY DEBTS PAID IN FULL

If the HA determines not to enter into a repayment agreement, or if the repayment agreement is breached and the HA demands payment of the balance in full, the family must pay the full amount due and owing in one lump sum. If the family fails to pay, the HA may pursue collection through a collection agency or a civil action and may notify credit agencies of the debt. Whether or not the amount is paid, the HA does not waive its right to take other action including termination of tenancy or referral for criminal prosecution in appropriate cases.

Chapter 16

COMMUNITY SERVICE REQUIREMENT

[24 CFR Part 960 Subpart F and 24 CFR 903.7]

The Housing Authority will re-verify exemption status at the annual recertification except for adult residents who are 62 years of age or older.

At any time shall an adult resident experience a change in status that would make such individual exempt from the community service requirement, he/she must report the change in status within five (5) working days to the site management office. The HOUSING AUTHORITY will verify the exemption status of the requesting adult resident before authorizing non-exemption from the community service requirement.

At any time shall an adult resident experience a change in status that would make such individual non-exempt from the community service requirement, he/she must report the change in status within five (5) working days to the site management office. The non-exempt adult resident shall only be responsible for the balance of community service hours to be completed before the annual recertification.

C. SATISFYING THE COMMUNITY SERVICE REQUIREMENT

Activities that satisfy the Community Service Requirement include, but are not limited to, the following:

HUD defines economic self-sufficiency as: any program designed to encourage, assist, train, or facilitate economic independence of assisted families or to provide work for such families.

Economic self-sufficiency programs include: job training, employment counseling, work placement, basic skills training, education, English proficiency, workfare, financial or household management skills training, apprenticeship, or any other program necessary to ready a participant for employment.

The HOUSING AUTHORITY will ensure that all community service activities which take place on HOUSING AUTHORITY property are accessible for persons with disabilities.

D. ANNUAL COMPLIANCE CERTIFICATION

For each adult resident subject to the community service requirement, the HOUSING AUTHORITY shall, 30 days before the expiration of the Lease Agreement, review and determine compliance with the community service requirement.

Such determinations shall be made in accordance the principles of due process and on a non-discriminatory basis.

If community service activities are administered by an organization other than the HOUSING AUTHORITY, the HOUSING AUTHORITY will obtain third-party verification.

Adult residents will not be permitted to self-certify their compliance with the community service requirement.

E. NONCOMPLIANCE

If the HOUSING AUTHORITY determines that an adult resident subject to the community service requirement has not complied with the requirement, the HOUSING AUTHORITY shall

1. Notify the adult resident of such noncompliance;
2. Include in the notification that the determination of noncompliance is subject to the administrative grievance procedure under the HOUSING AUTHORITY's Grievance Procedures; and
3. Unless the resident enters into an agreement to comply with the community service requirement, the adult resident's Lease Agreement will not be renewed; and

The HOUSING AUTHORITY may not renew or extend the resident's Lease Agreement upon expiration of the lease term and shall take such action as is necessary to terminate the tenancy of the household, unless the HOUSING AUTHORITY enters into an agreement, before the expiration of the lease term, with the resident providing for the resident to cure any noncompliance with the community service requirement, by participating in an economic self-sufficiency program or contributing to community service as many additional hours as the resident needs to comply in the aggregate with such requirement over the 12-month term of the lease.

F. INELIGIBILITY FOR OCCUPANCY FOR NONCOMPLIANCE

The HOUSING AUTHORITY shall not renew or extend any Lease Agreement, or provide any

new Lease Agreement, for a dwelling unit for any household that includes an adult resident who was subject to the community service requirement and failed to comply with the requirement.

INTRODUCTION

The following are the policies and procedures governing the implementation, administration, and enforcement of the HA Curfew and Loitering Regulations.

A parent, guardian or other person having the legal care, custody or control of any minor (under the age of 18 years) shall not knowingly permit or by ineffective control allow the minor to violate this curfew regulation. The term “knowingly” includes knowledge that a parent or guardian should reasonably be expected to have concerning the whereabouts of a minor in that person’s legal custody. This requirement is intended to hold a neglectful or careless parent or guardian up to a reasonable community standard of parental responsibility.

It shall be no defense that a parent or guardian was indifferent to the activities or conduct or whereabouts of such minor.

The following shall constitute valid exceptions to the regulation:

1. When the minor is accompanied by his or her parent or parents, legal guardian or other person having the legal care or custody of the minor, or by his or her spouse 18 years of age or older; or

2. When the minor is on an errand or other legitimate business or activity directed by his or her parent or parents or legal guardian or other adult person having the legal care or custody of the minor, or by his or her spouse 18 years of age or older; or

6. When minor is exercising First Amendment rights protected by the United States or California Constitution; or
7. When the minor is involved in an emergency or seeking medical assistance; or
8. When the minor is emancipated pursuant to law.

C. DAYTIME CURFEW

No minor (under the age of 18 years) who is subject to compulsory education or to compulsory continuing education shall remain in or upon any common area of the HA or within any HA community including, but not limited to, a road curb area, sidewalk, parking lot, alley, park grounds, playground, basketball court, hallway, stairway, laundry or recreational room, community center, or other common area grounds, place or building, vacant lot or parking lot, between the hours of 8:30 a.m. and 1:30 p.m. on days when school is in session. The following shall constitute valid exceptions to this regulation:

1. When the minor is accompanied by his or her parent or parents, legal guardian or other adult person having the legal care or custody of the minor, or by his or her spouse 18 years of age or older; or
2. When the minor is upon an emergency errand directed by his or her parent or parents, legal guardian or other adult person having the legal care or custody of the minor, or by his or her spouse 18 years of age or older; or
3. When the minor is going directly to or returning directly home from, without any unnecessary detour or stop, his or her place of gainful employment or a medical, dental, optometry, or chiropractic appointment; or
4. When the minor has permission to leave school campus for lunch or school related activity and has in his or her possession a valid, school issued, off-campus permit; or
5. When the minor has in his or her possession a written excuse from the minors parent(s),

legal guardian, or other adult person having the legal care or custody of the minor; or

6. When the minor is receiving instruction by a qualified tutor pursuant to Education Code Section 48224; or
7. When the minor is going to or returning directly from, without unnecessary detour or stop, a public meeting, or place of public entertainment, such as a movie, play, sporting event, dance or school activity, provided such meeting, event or activity is a school-approved activity for the minor or is otherwise supervised by school personnel of the minors school; or
8. When the minor is going to or returning directly from, without unnecessary detour or stop, an appearance in court, attendance at a funeral service, observance of a holiday or ceremony of his or her religion, attendance at religious retreats, or attendance at an employment conference; or
9. When the minor is emancipated pursuant to law.

A common area includes, but is not limited to a road, curb area, sidewalk, fire lane, parking lot, alley, park grounds, playground, basketball court, hallway, stairway, laundry, or recreational room, community center, or other common area grounds, place, building or vacant lot. This pertains to adults and minors.

“Loitering” is defined as when a person delays, lingers, idles or remains in an area and does not have a lawful purpose for being there.

E. BREACH OF THE LEASE

One violation of the Curfew Regulation by any household member of a unit shall constitute a minor breach of the Lease Agreement. Three or more violations of the Curfew Regulation within a 12-month period of time by any household member (in any combination) shall constitute a material breach of the Lease Agreement, and shall be sufficient grounds for termination of the Lease Agreement.

One violation of the Loitering Regulation by any household member of a unit or guest of the unit, shall constitute a minor breach of the Lease Agreement. Two or more violations of the Loitering Regulation within a 12-month period of time by any household member or guest (in any combination) shall constitute a material breach of the Lease Agreement, and shall be sufficient grounds for termination of the Lease Agreement.

G. REMEDIES

Review of Resident File

Violation Recognition: Should security/law enforcement officers observe a minor or minors in or about any common area of the HA developments between the hours of 10:00 p.m. and 6:00 a.m., said officers shall have the authority to inquire of the minor(s) as to their identity, whether they are residents of the housing development, and their reason(s) for being out during curfew hours. Chapter 18

BANNING POLICIES AND PROCEDURES

INTRODUCTION

The following are the policies and procedures governing the implementation, administration, and enforcement of the HA banning regulation.

A. DUTIES AND RESPONSIBILITIES

At the discretion of the Director of the Housing Management Division, the Property Manager shall have the primary responsibility for the implementation, administration and enforcement of the Banning Regulation as it pertains to their respective assigned housing development and scattered sites. Property Managers shall be responsible for notifying residents of persons banned from HA property.

Security personnel and law enforcement personnel contracted to provide services at the various housing developments shall participate in the enforcement of the Banning Regulation. Such enforcement may include properly identifying trespassers, issuing citations, and notifying the respective Property Manager of such violation.

Resident Managers shall, upon approval by the Director of the Housing Management Division, and at the discretion of the Property Manager, be responsible for identifying Banning violators, documenting violations by both residents and non-residents, and notifying the appropriate Property Manager of such violations.

B. BANNING REGULATION

A non-resident, including, but not limited to, a guest or visitor of a resident, may be banned for twelve (12) consecutive months if they commit two or more of the following acts in or upon any area of the HA development within a twelve (12) month period.

Any misdemeanor or infraction that disturbs the peaceful enjoyment of the development, including, without limitation, illegal drug activity or violent criminal activity;

Destruction of either HA property or private property;

After warning, continuing to interfere with the job responsibilities of a HA employee or vendor; and/or

After warning, continuing to disturb other residents' peaceful enjoyment of the complex.

The non-resident may be banned if they commit one misdemeanor or infraction involving possession of a controlled substance or one felony under state or federal law in or upon any area of the HA development including without limitation, illegal drug activity or violent criminal activity.

The HA development includes, but is not limited to, a private road or curb area, sidewalk,

parking lot, alley, park grounds, playground, basketball court, hallway, stairway, laundry or recreational room, community center, or other common area grounds, place, building or vacant lot on HA property.

If a non-resident violates paragraph 1 above, he or she can be served with a banning notice excluding the non-resident from the HA development for twelve (12) consecutive months. At the time the non-resident is served, he or she will be requested to sign a form acknowledging receipt of the banning notice. A proof of service form indicating service of the banning notice on the non-resident shall be completed. A form documenting the incidents leading to the service of the banning notice shall also be completed.

Residents known to associate with the banned non-resident shall receive notice of the person banned from HA property in the form of a letter from the HA. The letter will also state that pursuant to the resident's Lease Agreement, the resident, or member of the resident's household, shall not allow the person who has been excluded to be a guest of the resident in the HA development.

A list of banned non-residents will be distributed to HA management and staff, security personnel and law enforcement, as appropriate.

If a banned non-resident comes on the HA development, he or she may be cited for trespass.

If the banned non-resident comes on the HA development with a resident who has received notice of the person's banned status, the resident will receive a lease violation. If the resident has not received notice, the resident will be provided notice and warned about future activities with the banned non-resident.

Pursuant to the Banning Policies and Procedures, a resident receiving a lease violation for violating this regulation will have his or her historical file reviewed to determine the subsequent course of action.

C. BREACH OF THE LEASE

One violation of the Banning Regulation by any household member of a unit shall constitute a minor breach of the Lease Agreement. Three or more violations of the Banning Regulation within a 12-month period of time by any household member (in any combination) shall constitute a material breach of the Lease Agreement, and shall be sufficient grounds for termination of the Lease Agreement.

D. NOTICES AND RECOMMENDATIONS

Once a resident is notified, in writing, of a non-resident being banned from the HA's property, the resident is deemed to have been put on notice that pursuant to their Lease Agreement they are prohibited from allowing a person who has been banned from HA property to be a guest of the resident at the housing development. If a resident is observed associating with a banned non-resident on the housing development, he or she will be cited for a lease violation.

First Violation: Written notice shall be served on the head of household, by the HA, advising of the lease violation. The notice shall constitute a WARNING to the head of

household that subsequent violations may result in termination of the Lease Agreement.

Second Violation: Written notice of a second lease violation shall be served on the head of household and shall provide an opportunity for counseling for the head of household and household members. The Property Manager shall schedule an appointment for said counseling with ten (10) days of the second violation notice.

Third Violation: Written notice of a third lease violation shall be served on the head of household and the appropriate remedy shall be enforced as set forth below.

More Than Three Violations: A Thirty-Day Notice to Quit will be served on the head of household if more than three violations are issued within a twelve (12) month period.

E. REMEDIES

Review of the Resident File

When a household member or members have been cited three times within a 12-month period for violating the Banning Regulation, the Property Manager shall conduct a review of the resident's file to determine the overall resident record. Based on such review, one of the following actions shall be taken:

1. Recommendation for Referral: The Property Manager shall offer a referral to counseling, if available, to a family in lieu of an eviction notice. Such option is available only if within the last 12 months preceding the third violation, the resident or household members have not received three (3) or more of any combination of the following:

14-Day Notice

Notice to Comply

Notice to Pay Maintenance Charges

Counseling for Disturbing Neighbors

Counseling for any lease violation(s)

30-Day Notice to Cure or Quit

2. Thirty-Day Notice to Quit: If the head of household and/or members of household should fail to complete counseling sessions, or have received three (3) or more of the aforementioned notices, the Property Manager shall serve a Thirty-Day Notice to Quit based on the violations and if appropriate, other violations of the lease.

F. ENFORCEMENT

Security Personnel/Law Enforcement

Security personnel and law enforcement personnel contracted to provide services at the various

housing developments shall participate in the enforcement of the Banning Regulation. Such enforcement shall include:

1. Violation Recognition: Should security/law enforcement officers observe a non-resident banned from the housing development in or about the HA complex, said officers shall have the authority to inquire of the individual(s) as to their identity, whether they are guest(s) of a resident, and their reason(s) for being on the property. The purpose of this inquiry is to determine whether a resident is subject to a lease violation, or a non-resident is subject to a trespass citation.
2. Citing Violations: Upon determining that an individual or individuals is in violation of the Banning Regulation, the security/law enforcement officer may so inform the resident and/or non-resident of the violation. The officer may then issue a written citation. One copy of the citation shall be filed with the Property Manager for the development, and the security/law enforcement officer shall maintain a copy.

G. ENFORCEMENT BY RESIDENT MANAGERS

Resident Managers shall participate in the enforcement of the Banning Regulation by observing and reporting. Chapter 19

LIMITED ENGLISH PROFICIENCY (LEP)

INTRODUCTION

In accordance with federal, state, and local law, specifically Executive Order 13166, HUD LEP Guidance, the HA will provide meaningful access to its programs and activities by persons with Limited English Proficiency (LEP). This chapter describes how the HA will undertake reasonable efforts to provide or arrange free language assistance for its LEP public housing applicants or residents as well as the general public.

A. MEANINGFUL ACCESS; FOUR-FACTOR ANALYSIS

Meaningful access is free language assistance in accordance with federal guidelines. The HA is required to provide LEP services based on the balancing of the following four-factor analysis:

1. The number or proportion of LEP persons served or likely to be encountered by the HA.
2. The frequency with which with LEP persons using a particular language come into contact with the HA.
3. The nature and importance of the HA program, activity or service to the person's life.
4. The HA's resources available and the cost of providing meaningful access.

The Housing Authority will annually assess and update the four-factor analysis in accordance with Section C "Monitoring".

B. LANGUAGE ASSISTANCE

1. An LEP applicant or resident is entitled to language assistance with respect to HA programs and activities.
2. HA staff will provide language assistance to LEP applicants and residents who have difficulty communicating in English, identify themselves as LEP, or who request language assistance.

Applicants will be asked at the time of application and residents will be asked at the time of annual reexamination to designate their primary language for both oral and written services and whether LEP services are needed.

3. Interpretive (Oral) Services

LEP applicants and residents have the right to free interpreter services when the individual states a need or staff observes difficulty in communicating in English, whether or not the language they speak is considered a threshold language. Once a person is identified as LEP, interpreter services will be made available in all communication with or from the HA.

4. Translation of Documents

- a. The HA will consider the following factors in determining whether a document requires translation:
 1. The document meets the threshold of a “vital document”. Per the HUD guidance, “vital documents” are those that are critical for ensuring meaningful access by beneficiaries or potential beneficiaries generally and LEP persons specifically.
 2. The costs and benefits of translating documents for potential LEP groups, the barriers to meaningful translation or interpretation of technical housing information, the likelihood of frequent changes in documents, the existence of multiple dialects within a single language group, the literacy rate in an LEP group and other relevant factors. The HA will undertake this examination when an eligible LEP group constitutes 5 percent of an eligible group of beneficiaries or potential beneficiaries (for example, 5 percent of households living in HA housing developments) or 1,000 persons, whichever is less.

Documents deemed “vital” by the Housing Authority will be translated into threshold languages.

- b. In consideration of the above, the HA will annually assess its documents to identify any vital documents that need to be translated (please refer to Appendix A for the list of currently translated “vital documents”). As the HA continues to translate further public housing “vital documents”, Appendix A will be updated on an annual basis. The HA will then translate a portion of those documents identified every year as financially feasible. If the vital document has not been translated, the HA will provide the applicant or resident with oral translation.
- c. As opportunities arise, the HA may work with other local Public Housing Authorities (PHAs) to share the costs of translating common documents.
- d. As HUD continues to translate standard housing documents in multiple languages, the HA will replace its translated versions with the official HUD versions. The HA encourages HUD to provide this service to PHAs and other federally funded agencies whose limited resources hinder their LEP efforts.

5. Audiovisual Materials

The HA will make reasonable efforts to produce multiple translations of audiovisual materials it may use to inform or educate applicants, residents and other client groups. For example, the HA will translate material to be presented at community or other meetings into threshold languages. If this is not possible, interpreters will be used to provide simultaneous interpretation/translation.

6. Formal Interpreters

- a. To provide meaningful access for LEP applicants or residents, the HA will provide qualified interpreters, including agency bilingual staff and outside vendors to all identified LEP individuals or upon request.
- b. The HA may require an interpreter to certify that he/she understood the matter communicated and rendered is a competent interpretation.
- c. Only Formal Interpreters will be used at :
 - i. Informal hearing(s) for denial of admission to public housing;
 - ii. Informal conferences and formal hearings.

Informal interpreters will not be used in lieu of formal interpreters provided by the Housing Authority.
- d. A HA staff interpreter may not be a subordinate to the person making the decision and will not be an HA staff person participating in the informal conference or formal hearing.
- e. The HA maintains a list of qualified, bilingual employees who have applied for, and tested for proficiency in interpreting and/or translating language from English into a language other than English. Those employees receive additional compensation for demonstrating non-English language proficiency and can provide assistance to HA staff and LEP clients as part of their regular job duties.

7. Informal Interpreters

Informal interpreters may include the family members, friends, legal guardians, service representatives or advocates of the LEP individual. The use of informal interpreters is strongly discouraged. Minor children may not act as informal interpreters. If the LEP individual wishes to rely solely on an informal interpreter, HA staff will determine whether it is appropriate depending upon the circumstances and subject matter of the communication. However, in many circumstances, informal interpreters may not be an appropriate option to provide accurate interpretations. There may be issues of confidentiality, competency or conflict of interest. In these cases, the HA may require the use of a formal interpreter despite the wish of the LEP individual to rely solely on his or her informal interpreter.

- a. The HA will always offer a free interpreter. An LEP person may use an informal interpreter of his/her own choosing and at his/her expense, either in place of or as a supplement to the free language assistance offered by the HA. If possible, the HA will accommodate an LEP client's request to use an informal interpreter in place of a formal interpreter.
- b. If an LEP client prefers an informal interpreter, after the HA has offered free interpreter services, the informal interpreter may interpret. In these cases the client and interpreter will be asked to sign a waiver refusing interpreter services.
- c. If an LEP client wants to use his/her own informal interpreter, the HA reserves the right to also have a formal interpreter present.

8. Outside Resources

- a. Outside resources may include competent community volunteers, competent HA residents or competent Housing Choice Voucher/Section 8 participants.
- b. Outside resources may be used for interpreting services at public or informal meetings or events if a timely request has been made.
- c. The HA will establish and maintain relationships with organizations that assist specific cultural and ethnic groups living in Los Angeles County. To help their clients obtain or keep housing assistance through the HA, these organizations may provide qualified interpreters for LEP persons.

C. MONITORING

1. The HA will review and revise this LEP Policy annually. The review will include:
 - a. Reports from the HA's software system on the number of LEP clients. Such reports may be supplemented by staff observations.
 - b. A determination as to whether 5 percent or 1,000 public housing residents or persons from the public housing waiting list speak a specific language, which triggers consideration of document translation needs as described above.
 - c. Review of demographic data that indicates prevalent languages in Los Angeles County.
 - d. Analysis of staff requests for formal interpreters: the number of requests, the languages requested, the costs, etc.
 - e. Analysis of the frequency in which informal interpreters are used over formal interpreters.

D. LEP PLAN DISTRIBUTION AND TRAINING

The HA will ensure the LEP policy is distributed to the public and complied with by all staff by:

1. Distributing to all HA staff.
2. Posting on HA's website at www.hacola.org.
3. Posting at the site Management Offices and at the HA Administrative Offices in appropriate threshold languages.
4. Available at the site Management Offices and at the HA Administrative Office. Including notices summarizing the rights of LEP individuals under this policy in application and reexamination packets.

5. Conducting in-depth training for staff that interacts directly with applicants and residents. All other staff will receive at least a condensed training on LEP policies and procedures.

LEP Definitions:

1. "Applicant" includes applicants for any program administered by the Public Housing Division.
2. "Competent" refers to a person who is proficient and has knowledge of program terminology in both the English language and the non-English language being used.
3. "Interpretation" is competently taking oral or spoken information provided in one language and accurately communicating that information orally in another language.
4. "Interpreter" is a person (not a minor) able to speak fluently and read with full understanding both in the English language and the LEP applicant or resident.
5. "Language services" or "Language Assistance" is the provision of free, competent language interpretation (oral) or translation services (written).
6. "LEP Individual" is a person who identifies as a LEP person, does not speak English as a primary language, and who has a limited ability to read, write, speak or understand English.
7. "Oral Translation" means the oral translation of a document from English into a second language. Oral translation involves the translation of every word, not summarization. However, in oral translation, because of cultural and technical issues, further explanation may also be required and is encouraged.
8. "Resident" includes persons receiving assistance under the Public Housing Program.
9. "Threshold Language" is a language spoken by 5% or 1,000, whichever is less, of the population of persons eligible to be served or likely to be affected or encountered to determine the need for bilingual staff and translation of documents.
10. "Translation" means converting written material from one language to another in written form.
11. "Vital documents" are those that are critical for ensuring meaningful access by LEP persons to the rental assistance programs administered by the HA.

- Stocks and bonds (mutual funds, corporate bonds, savings bonds)

Net cash value is determined by subtracting the reasonable costs likely to be incurred in selling or disposing of an asset from the market value of the asset. Examples of such costs are: brokerage or legal fees, settlement costs for real property, or penalties for withdrawing saving funds before maturity.

Net Family assets also include the amount in excess of any consideration received for assets disposed of by an applicant or resident for less than fair market value during the two years preceding the date of the application or annual reexamination. This does not apply to assets transferred as the result of a foreclosure or bankruptcy sale.

Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairman or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the ___ 5-Year and/or X Annual PHA Plan for the PHA fiscal year beginning 7/1/2012, hereinafter referred to as "the Plan", of which this document is a part and make the following certifications and agreements with the Department of Housing and Urban Development (HUD) in connection with the submission of the Plan and implementation thereof:

1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located.
2. The Plan contains a certification by the appropriate State or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments to Fair Housing Choice, for the PHA's jurisdiction and a description of the manner in which the PHA Plan is consistent with the applicable Consolidated Plan.
3. The PHA certifies that there has been no change, significant or otherwise, to the Capital Fund Program (and Capital Fund Program/Replacement Housing Factor) Annual Statement(s), since submission of its last approved Annual Plan. The Capital Fund Program Annual Statement/Annual Statement/Performance and Evaluation Report must be submitted annually even if there is no change.
4. The PHA has established a Resident Advisory Board or Boards, the membership of which represents the residents assisted by the PHA, consulted with this Board or Boards in developing the Plan, and considered the recommendations of the Board or Boards (24 CFR 903.13). The PHA has included in the Plan submission a copy of the recommendations made by the Resident Advisory Board or Boards and a description of the manner in which the Plan addresses these recommendations.
5. The PHA made the proposed Plan and all information relevant to the public hearing available for public inspection at least 45 days before the hearing, published a notice that a hearing would be held and conducted a hearing to discuss the Plan and invited public comment.
6. The PHA certifies that it will carry out the Plan in conformity with Title VI of the Civil Rights Act of 1964, the Fair Housing Act, section 504 of the Rehabilitation Act of 1973, and title II of the Americans with Disabilities Act of 1990.
7. The PHA will affirmatively further fair housing by examining their programs or proposed programs, identify any impediments to fair housing choice within those programs, address those impediments in a reasonable fashion in view of the resources available and work with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement and maintain records reflecting these analyses and actions.
8. For PHA Plan that includes a policy for site based waiting lists:
 - The PHA regularly submits required data to HUD's 50058 PIC/IMS Module in an accurate, complete and timely manner (as specified in PIH Notice 2006-24);
 - The system of site-based waiting lists provides for full disclosure to each applicant in the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
 - Adoption of site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
 - The PHA shall take reasonable measures to assure that such waiting list is consistent with affirmatively furthering fair housing;
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR part 903.7(c)(1).
9. The PHA will comply with the prohibitions against discrimination on the basis of age pursuant to the Age Discrimination Act of 1975.
10. The PHA will comply with the Architectural Barriers Act of 1968 and 24 CFR Part 41, Policies and Procedures for the Enforcement of Standards and Requirements for Accessibility by the Physically Handicapped.
11. The PHA will comply with the requirements of section 3 of the Housing and Urban Development Act of 1968, Employment Opportunities for Low-or Very-Low Income Persons, and with its implementing regulation at 24 CFR Part 135.
12. The PHA will comply with acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and implementing regulations at 49 CFR Part 24 as applicable.
