Los Angeles, CA 90012

Dear Supervisors:

RESOLUTION OF SUMMARY VACATION OF SANITARY SEWER AND QUITCLAIM OF COUNTY EASEMENT
NORTHWEST OF UNIVERSITY DRIVE - CITY TERRACE
SUPERVISORIAL DISTRICT 1
3 VOTES

IT IS RECOMMENDED THAT YOUR BOARD:

1. Find this action categorically exempt from the provisions of the California Environmental Quality Act (CEQA).

2. Find that the public service easements for sanitary sewer purposes are no longer required for public use and that the easements may be vacated under the authority of Section 5400 of the California Health and Safety Code.

3. Find, pursuant to Section 8333 (a) of the California Streets and Highways Code, that the easements have not been used for the purpose for which they were dedicated or acquired for five consecutive years immediately preceding the proposed vacation.

4. Find the easements for sewer purposes to be vacated are no longer needed for present or prospective public use.

5. Declare the County's easement rights and interests (other than sewer easement) within the University's property, as described in the enclosed Quitclaim Deed, to be unnecessary for present and prospective County use/need.

6. Authorize the quitclaim of the County's right and interest to the underlying fee owner.

7. Instruct the Chair to sign the enclosed Quitclaim Deed and authorize delivery to the Grantee.

8. Adopt the enclosed Resolution of Summary Vacation to Vacate Sanitary Sewer Easement northwest of University Drive, described in Exhibit "A" and as shown in Exhibit "B" of the Resolution.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The California State University has requested adoption of the enclosed Resolution of Summary Vacation to Vacate Sanitary Sewer Easement and execution of the Quitclaim Deed to remove from the record excess County interests and rights within the State University's properties.

The easements are located in an area the State of California acquired in the 1960s. After the acquisition of the property by the University, the University removed the existing residential structures to provide school parking. Recently, the State authorized the construction of the Los Angeles Regional Crime Laboratory Facility, encompassing a portion of the parking area. The construction of these improvements will be funded by the issuance of bonds. The removal of all unnecessary encumbrances from the project area must be completed prior to the bond sale. Adoption by your Board of our recommendations will terminate and abandon all easement rights and interests of the County.

It is in the County's interest to vacate and quitclaim its easement rights and interests since they no longer serve the purpose for which they were acquired.

Implementation of Strategic Plan Goals

This action is consistent with the County Strategic Plan Goal of Fiscal Responsibility as the vacation of the sanitary sewers and quitclaim of County nonpublic easements will eliminate unnecessary maintenance cost and remove possible County exposure to liability.

FISCAL IMPACT/FINANCING

The quitclaim and vacation of the easements will not have a negative fiscal impact on the County's budget. The California State University, as a public entity, is not required to pay fees to defray the expenses of investigation. The waiver of vacation fee is provided for in a Resolution adopted by your Board on May 4, 1982, Synopsis 62 (Fee Schedule).

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The area to be vacated contains approximately 4,990 square feet and is shown on the map attached to the Resolution.

The County's interest and easements for sanitary sewer purposes were acquired in 1944 in various documents, listed in Exhibit "A" attached to the Resolution. The easements to be quitclaimed were made in various reservations and assignments in favor of the County of Los Angeles.

The California Health and Safety Code and the Public Streets, Highways, and Service Easement Vacation Law allow your Board to voluntarily relinquish the County's interest and terminate the right of the public to the vacated areas and dispose of excess County rights of way. Your action on the Resolution and the execution of the Quitclaim Deed will also result in the property being unencumbered of the public and nonpublic easements, thereby allowing the underlying fee owners to exercise their reversionary rights over the areas vacated and quitclaimed.

ENVIRONMENTAL DOCUMENTATION

With respect to requirements of CEQA, this proposed vacation is categorically exempt as specified in Class 21(a) of the Environmental Document Reporting Procedures and Guidelines adopted by your Board on November 17, 1987, Synopsis 57, and Section 15321 of State CEQA Statutes and Guidelines.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The County of Los Angeles Regional Planning Commission has determined that the proposed vacation and quitclaim of County easements do not conflict with the County-adopted General Plan.

CONCLUSION

This action is in the County's best interest. Enclosed is a Resolution of Summary Vacation to Vacate Sanitary Sewer Easement, approved as to form by County Counsel. Upon adoption of the Resolution, please return the executed original and a copy to Public Works for further processing. Public Works will record the Resolution and return the executed original Resolution to your Board when recorded. In the interim, please retain one executed copy for your files.

Also enclosed are an original and two duplicates of the Quitclaim Deed. Please have the original and duplicates signed by the Chair and acknowledged by the Executive Officer of the Board of Supervisors. Please return the executed original and one duplicate to Public Works, retaining one duplicate for your files.

One approved copy of this letter is requested.

Respectfully submitted,

JAMES A. NOYES
Director of Public Works

RESOLUTION OF SUMMARY VACATION TO VACATE SANITARY SEWER EASEMENT

BE IT RESOLVED by the Board of Supervisors of the County of Los Angeles that it is hereby found and determined that the portions of real properties dedicated to the County of Los Angeles as easement for sanitary sewer purposes, legally described in Exhibit "A" and as shown by the map in Exhibit "B" attached hereto and incorporated herein by this reference, which rights of way are located partly in the unincorporated County area, vicinity of City Terrace and in the City of Los Angeles, in the County of Los Angeles, State of California, are no longer needed for present or prospective public use based upon the following facts: that the easements have not been used for the purpose for which they were dedicated or acquired for five consecutive years immediately preceding the proposed vacation and there are no other public facilities located within those easements.

BE IT FURTHER RESOLVED that the public service easement for sanitary sewer purposes in, over, and across the rights of way legally described in Exhibit "A" attached are hereby vacated pursuant to Section 5400 of the Health and Safety Code of the State of California and Chapter 4, Part 3, Division 9, of the Streets and Highways Code, State of California, commencing with Section 8330.

AND BE IT FURTHER RESOLVED that the Department of Public Works be authorized to record the certified original Resolution in the Office of the Recorder of the County of Los Angeles, at which time the areas vacated will no longer be public service easement.

The foregoing Resolution was on the _____day of_____, 20 , adopted by the Board of Supervisors of the County of Los Angeles, and ex-officio the governing body of all other special assessment and taxing districts for which said Board so acts.
