## COUNTY OF LOS ANGELES FISH AND GAME COMMISSION

July 21, 2003

The Honorable Board of Supervisors  
County of Los Angeles  
383 Kenneth Hahn Hall of Administration  
500 West Temple Street  
Los Angeles, CA 90012

Dear Supervisors:

### **Fish and Game Propagation Fund Grant Awards (All Supervisorial Districts) (3-Votes)**

**IT IS RECOMMENDED THAT YOUR BOARD** approve the following Fish and Game Propagation Fund grant requests totaling \$5,000 for:

1. The August 8, 2003 "Fishing in the City" event to fund the stocking of catfish in the lake at Kenneth Hahn Regional Park for Second District foster youth -- \$2,500 payable to Fish Producers.
2. The September 27, 2003 Free Fishing Day at Hollenbeck Recreation Center to fund the stocking of catfish to stock Hollenbeck Lake for free fishing day -- \$2,500 payable to Fish Producers.

### **PURPOSE OF RECOMMENDED ACTION**

The Commission has determined that the grant requests will promote the propagation of fish and game thus benefiting Los Angeles County and the State of California.

### **JUSTIFICATION**

The Los Angeles County Fish and Game Commission, at its July 10, 2003 meeting, recommended that your Honorable Board approve these grants from the Fish and Game Propagation Fund. Since 1952, the Commission has supported activities and projects overseeing the propagation and protection of fish and game. The Commission continues to promote the best methods for the propagation and protection of fish and game in the state of California and Los Angeles County.

### **FINANCING/FISCAL IMPACT**

There is no impact on the General Fund. The approved expenditure will be charged to the

Fish and Game Propagation Fund, which has sufficient funds to cover these costs.

The Los Angeles County Fish and Game Propagation Fund is financed from a percentage of penalty assessments collected relating to Fish and Game Code violations in Los Angeles County.

**FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

Section 13100 of the Fish and Game Code establishes guidelines for the expenditure of fines levied for fish and game code violations. It includes public education relating to the scientific principles of fish and wildlife conservation, consisting of supervised formal instruction carried out pursuant to a planned curriculum and aids to education such as literature, audio and video recordings, training models, and nature study facilities.

**IMPACT ON CURRENT SERVICES (OR PROJECTS)**

None.

Very truly yours,

BRADLEY NUREMBERG  
Chairman
