MASTER AGREEMENT FOR OCCUPATIONAL HEALTH MOBILE MEDICAL EXAMINATIONS (ALL DISTRICTS – 3 VOTES)

SUBJECT

Request Board approval of a Master Agreement for Occupational Health Mobile Medical Examinations to be executed with pre-qualified mobile medical clinics for Occupational Health Mobile Medical Examination services based on needs of the County of Los Angeles (County).

IT IS RECOMMENDED THAT THE BOARD:

1. Approve and authorize the Chief Executive Officer (CEO), or designee, to finalize and execute the Master Agreement for Occupational Health Medical Examinations, substantially similar to the sample Master Agreement attached, for the provision of County mobile medical examination and evaluation services, effective January 1, 2013 or the date of any Master Agreement execution, whichever occurs later, and continuing for up to five (5) years, including two optional one-year extensions through no later than December 31, 2017, with Glendale Adventist Occupational Medicine Center.
2. Authorize the CEO, or designee, to approve and execute all renewal options, extensions, and change notices, pursuant to the provisions of the Master Agreement and to add new or updated medical evaluation services and testing protocols that may arise during the term of the Master Agreement, in order to keep pace with medical progress and to timely respond to employee health exposures that may arise from contagious diseases or emergency response situations.

IT IS RECOMMENDED THAT THE BOARD: (Continued)

3. Authorize the CEO, or designee, to enter into Master Agreements with additional vendors throughout the term of the Master Agreement, provided vendors meet all minimum requirements and qualifications outlined in the initial Request for Proposals (RFP) dated August 15, 2012, in order to meet the needs of the departments.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of this recommendation is to replace the existing Master Agreement scheduled to expire on December 31, 2012.

In April 1988, the Board approved medical services agreement for County employee mobile medical examinations and evaluation services. This agreement provided periodic employee medical examinations as required by the State of California Occupational Safety and Health Administration (Cal/OSHA) and the Department of Motor Vehicles (DMV), and other periodic occupational health examinations on-site via a fully staffed mobile medical unit(s).

Approval of this Master Agreement will ensure continuation of occupational health mobile medical examination services to County departments on an as-needed basis.

Implementation of Strategic Plan Goals

This recommendation supports the County's Strategic Plan Goal One, Operational Effectiveness, by assuring the availability of required employee medical examinations and evaluation services on-site to maximize the effectiveness of the County's operations, employment processes, and employees' wellness.

FISCAL IMPACT/FINANCING

Expenditures under this Master Agreement will vary annually. Funds will only be expended when occupational health mobile medical examinations are requested by County departments. Departments are responsible for ensuring the availability of adequate funding prior to requesting mobile medical examinations under the Master Agreement.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Services provided under this Master Agreement will be provided on an as-needed basis, depending on the needs and requirements of each County department. Consequently, the vendors have been advised that operating departments have sole discretion in selecting the vendor most appropriate for their needs. No minimum amount of work has been guaranteed.

Throughout the term of the Master Agreement, the vendors' performance will be evaluated for quality assurance. Any failure by a vendor to comply with the terms of the Master Agreement and to meet performance measurement standards may result in the County's termination of services under the Master Agreement or in provider's placement on "Hold, Do Not Refer," or "Do Not Use" status. Performance measurement standards are based upon updated medical testing protocols for each type of medical test and service provided. The performance measures include the accuracy of tests, timeliness and quality of medical reports, records and forms submitted, and availability for appointments.

The Master Agreement contains all of the latest Board required and policy provisions, including Consideration of GAIN/GROW Program Participants for Employment, Compliance with Jury Service Program, Safely Surrendered Baby Law, Assignment and Delegation, and Budget Reductions.

In November 2004, CEO conducted an analysis of contracting for Occupational Health Mobile Medical Examinations and determined that because the examinations are needed on a part-time and intermittent basis, this is not a "Proposition A" contract; therefore, it is not subject to the Living Wage Program. The terms and conditions of the Master Agreement have been approved as to form by County Counsel.

CONTRACTING PROCESS

On August 15, 2012, the CEO released an RFP for Occupational Health Mobile Medical Examinations. The RFP was posted on the County's "Doing Business With Us" website and notice of the RFP's release was directly sent to 23 vendors on the CEO's medical providers mailing list.

One proposal was submitted by Glendale Adventist Occupational Medicine Center. The proposer met the minimum requirements of the RFP and accepted all County standard terms and conditions as specified in the Master Agreement. Upon Board approval, the CEO intends to execute the Master Agreement with Glendale Adventist Occupational Medicine Center.

IMPACT ON CURRENT SERVICES

Approval and award of this Master Agreement will allow County departments to continue obtaining required occupational health medical examination services on site, which is critical to performing periodic medical examinations to County employees and maintaining a healthy workforce.

CONCLUSION

Upon approval by the Board, please return two (2) adopted copies of the Board letter to the CEO Risk Management Branch, attention Steven E. NyBlom, Acting Risk Manager.

Respectfully submitted,

WILLIAM T FUJIOKA
Chief Executive Officer

- 3.4.3 Work Orders must be inserted into individual medical records prior to shipment to the OHP.

4. TERM OF MASTER AGREEMENT

- 4.1 The term of this Master Agreement shall commence upon the Effective Date and shall continue for three (3) years thereafter, unless sooner terminated or extended, in whole or in part, as provided in this Master Agreement (hereinafter "Initial Term").
- 4.2 At the end of the Initial Term, County may, at its sole option, extend this Master Agreement for up to two (2) additional one-year periods (hereinafter "Extended Term"); provided, however, that if County elects not to exercise its option to extend at the end of the Initial Term, the remaining option shall lapse. County shall be deemed to have exercised its extension option automatically, without further act, unless, no later than thirty (30) days prior to the expiration of the Initial Term, the Director, in his/her sole discretion, notifies Contractor in writing that County elects not to extend the Master Agreement pursuant to this Paragraph 4.2. The Extended Term shall be subject to all terms and conditions and rates quoted for each year of the term of this Master Agreement, as set forth in Exhibit B (Pricing Schedule).
- 4.3 As used throughout this Master Agreement, the word "term" shall include the Initial Term and the Extended Term, to the extent County exercises its option under this Paragraph 4.

Upon expiration or termination of this Master Agreement, Contractor shall fully cooperate with County to provide for the transition to whatever Service replacement method County determines to be in its best interest.

- 4.4 Contractor shall notify County when this Master Agreement is within six (6) months from the expiration of the term as provided for hereinabove. Upon occurrence of this event, Contractor

shall send written notification to County's Project Director, with a copy to County's Project Manager, at the address set forth in Exhibit E (County's Administration).

County maintains databases that track/monitor Contractor performance history. Information entered into such databases may be used for a variety of purposes, including determining whether County will exercise a Master Agreement term extension option.

5. CONTRACT SUM

5.1 Contractor shall not be entitled to any payment by County under this Master Agreement except pursuant to validly executed and satisfactorily performed Work Orders pursuant to the provisions of Paragraph 3 (Work).

5.2 Contractor shall not be entitled to payment or reimbursement for any tasks or services performed, nor for any incidental or administrative expenses whatsoever incurred in or incidental to performance hereunder, except as specified herein. Assumption or takeover of any of Contractor's duties, responsibilities or obligations, or performance of same by any entity other than Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever, shall occur only with County's express prior written consent witnessed by a written Amendment to the Master Agreement, which is formally approved and executed by the parties.

5.3 NO PAYMENT FOR SERVICES PROVIDED FOLLOWING EXPIRATION/ TERMINATION OF CONTRACT

Contractor shall have no claim against County for payment of any money or reimbursement, of any kind whatsoever, for any service provided by Contractor after the expiration or other termination of this Master Agreement. Should Contractor receive any such payment, it shall immediately notify County and shall immediately repay all such funds to County. Payment by County for services rendered after expiration/termination of this Master Agreement shall not constitute a waiver of County's right to recover such payment from Contractor. This provision shall survive the expiration or other termination of this Master Agreement.

5.4 INVOICES AND PAYMENTS

5.4.1 Contractor shall invoice County only for providing the tasks, deliverables, services and other work specified in Exhibit A (Statement of Work) and elsewhere hereunder, including any applicable Work Order. Contractor shall prepare invoices, which shall include the charges owed to Contractor by County under the terms of this Master Agreement and any applicable Work Orders for the work provided on a fixed price per deliverable basis in accordance with Exhibit B (Pricing Schedule) and any penalties and charges assessed as provided in this Paragraph 5.4 (Invoices and Payments).

5.4.2 County shall not pay Contractor for any overtime premiums, staff time mandated by legal or civil proceedings including those related to County's Civil Service Commission, travel expenses, parking, meals, lodging, holidays, vacation, sick leave, per diem or miscellaneous expenses, etc.

5.4.3 In order to be paid, monthly invoices under this Master Agreement must be submitted via e-mail to County's Project Manager no later than 5:00 p.m. on the 30th day of the month following the month in which the Services were provided. For example, County must receive the invoice for exams conducted in February no later than March 30th.

5.4.4 All invoices submitted by Contractor for payment must have the written approval of County's Project Manager prior to any payment thereof. In no event shall County be liable or responsible for any payment prior to such written approval. Prior to approval, County's Project Manager will

reconcile the information contained in the invoice with the medical records received for each examinee. County's Project Manager may adjust or correct invoice prices and will subsequently notify Contractor of such adjustments if any one of the following occurs:

1. Overcharge. If a Service is priced above the scheduled amount listed in Exhibit B (Pricing Schedule), County's Project Manager shall reduce the invoice price to comport with the Pricing Schedule and then approve payment for the Service.
2. Undercharge. If a Service is priced below the scheduled amount listed in Exhibit B (Rate Forms), County's Project Manager may increase the invoice price to comport with the Pricing Schedule and approve payment for the Service.
3. Service Not Performed. County's Project Manager cannot authorize payment for services that were not performed or for which medical records have not been delivered to the OHP. In either case, County's Project Manager will strike the related charges from the invoice and approve payment for an invoice total that has been reduced pro rata.
4. Gratuitous Service. County's Project Manager cannot authorize payment for gratuitous services as defined in Paragraph 3.3 (Gratuitous Services). County's Project Manager will strike any charges related to the performance of gratuitous services from the invoice, and approve payment for an invoice total that has been reduced pro rata.
5. Late Charge. County's Project Manager will reduce the invoiced amount by 10% (rounded to the nearest dollar) when medical records for a Service performed were not received or postmarked within the time limits specified in Subsection 4.3.1 under Section 4.3 (Delivery to OHP) of Exhibit A (Statement of Work). If a component of a Package is received late, the 10% discount will be applied to the amount charged for the entire Package.

5.4.5 Services listed in the monthly invoice shall be limited to those provided in a single calendar month. Billing for Services in prior months requires the submission of a Supplemental Invoice pursuant to Paragraph 5.5 (Supplemental Invoices).

5.4.6 County will accept only one Monthly Invoice per month.

5.4.7 MONTHLY INVOICE FORMAT

Each Monthly Invoice must contain the following two (2) reports:

1. Invoice Summary. This report lists the invoice sub-totals for each department. An example of this report is shown in Exhibit J (Sample Invoice Format). Contractors must either use this format or one that is similar and includes at a minimum the following fields:
 - i. Invoice Number
 - ii. Service Month
 - iii. Department Number
 - iv. Department Name
 - v. Sub-total Amount for Each Department
 - vi. Total Amount
 - vii. Tax ID Number

viii. Contractor's Name and Address

2. Department Invoice. This report itemizes all Services provided for each department, displays pricing and sub-totals. An example of this report is shown in Exhibit J (Sample Invoice Format). Contractors must initially obtain an Excel spreadsheet version of this report from County's Project Manager. To prevent pricing errors, this will be pre-programmed with the pricing from Exhibit B (Pricing Schedule). Contractors must complete and submit an unabridged version for each billing month. Contractors may not delete fields, add fields or modify formulae.

5.5 SUPPLEMENTAL INVOICES

If services are omitted from a Monthly Invoice, a Supplemental Invoice must be submitted for payment.

5.5.1 FORMAT

An example of a Supplemental Invoice is shown in Exhibit J (Sample Invoice Format). Prior to each submission, Contractors must request and obtain a pre-populated Excel spreadsheet version from County's Project Manager. Contractors must assign a unique invoice number and sign and return an otherwise unabridged version for approval.

5.5.2 PENALTIES

County Project Manager will deduct a penalty of 25% (rounded to the nearest dollar) for each Service listed in a Supplemental Invoice.

5.5.3 DEADLINE FOR RECEIPT

Supplemental Invoices must be received by County's Project Manager within 120 calendar days from the date the Service was performed. Services not invoiced within this time frame will not be approved for payment per 3.3 (Gratuitous Services).

7.4.5 County has the absolute right to bar individual staff members from performing work hereunder for the reasons listed in Section 8.4 (Prohibition From Performing Further Services) of Exhibit A (Statement of Work).

7.5 BACKGROUND AND SECURITY INVESTIGATIONS

7.5.1 At any time prior to or during term of this Master Agreement, County may require that any member Contractor’s staff performing Services under this Master Agreement who is in a designated sensitive position, as determined by County in its sole discretion, undergo and pass, to the satisfaction of County, a background investigation, as a condition of beginning and continuing to perform Services under this Master Agreement. County shall use its discretion in

determining the method of background clearance to be used, up to and including a County performed fingerprint security clearance. The fees associated with obtaining the background information shall be at the expense of Contractor, regardless of whether Contractor's staff passes or fails the background clearance investigation.

- 7.5.2 If a member of Contractor's staff does not pass the background investigation, County may request that such Contractor's staff be immediately removed from performing Services under the Master Agreement. County will not provide to Contractor nor to Contractor's staff any information obtained through County conducted background clearance.
- 7.5.3 County may immediately, at its sole discretion, deny or terminate facility access to any of Contractor's staff who does not pass such investigation(s) to the satisfaction of County whose background or conduct is incompatible with County facility access.
- 7.5.4 Disqualification, if any, of Contractor's staff pursuant to this Paragraph 7.5 shall not relieve Contractor of its obligation to complete all Services and other work in accordance with the terms and conditions of this Master Agreement.

7.6 CONTRACTOR'S STAFF IDENTIFICATION

Contractor shall, at its sole expense, furnish and require every on-duty employee providing services under this Master Agreement at a County facility to wear a visible photo identification badge identifying employee by name, physical description and company. Any legal defense pursuant to Contractor's indemnification obligations under this Paragraph 8 shall be conducted by Contractor and performed by counsel selected by Contractor and approved by County. Notwithstanding the preceding sentence, County shall have the right to participate in any such defense at its sole cost and expense, except that in the event Contractor fails to provide County with a full and adequate defense, as determined by County in its sole judgment, County shall be entitled to retain its own counsel, including, without limitation, County Counsel, and reimbursement from Contractor for all such costs and expenses incurred by County in doing so. Contractor shall not have the right to enter into any settlement, agree to any injunction, or make any admission, in each case, on behalf of County without County's prior written approval.
- 8.3 Contractor shall inform all of its officers, employees, agents and subcontractors providing Services hereunder of the confidentiality provisions of this Master Agreement. Contractor shall ensure that all of its officers, employees, agents and subcontractors performing Services for or on

behalf of Contractor under the Master Agreement, including any Work Orders, have entered into confidentiality agreements no less protective of County than the terms of this Master Agreement, including this Paragraph 8 (Confidentiality) and Exhibit C (Confidentiality) prior to commencing any Services hereunder.

9. CHANGE NOTICES AND AMENDMENTS

9.1 GENERAL

No representative of either County or Contractor, including those named in this Master Agreement, is authorized to make any changes in any of the terms, obligations or conditions of this Master Agreement, except through the procedures set forth in this Paragraph 9. County reserves the right to change any portion of the work required under this Master Agreement or to amend such other terms and conditions, which may become necessary. Any such revisions shall be accomplished only as provided in this Paragraph 9.

9.2 CHANGE NOTICES

For any change which does not materially affect the scope of work or any other term or condition included under this Master Agreement, a Change Notice may be prepared in writing and signed by County's Project Director, or designee, and Contractor's Project Manager. Consistent with the foregoing, County's Project Director is specifically authorized to execute Work Orders under the Master Agreement.

9.3 AMENDMENTS

Except as otherwise provided in this Master Agreement, for any change which materially affects the scope of work or any term or condition included in this Master Agreement, a negotiated Amendment to this Master Agreement shall be required to be executed in writing by County's Board of Supervisors and Contractor's authorized representative(s).

9.4 REQUIRED CHANGES TO MASTER AGREEMENT

County's Board of Supervisors, Chief Executive Officer or designee may require the addition and/or change of certain terms and conditions in the Master Agreement during the term of this Master Agreement. County reserves the right to add and/or change such provisions as required by County's Board of Supervisors or Chief Executive Officer. To implement such changes, an Amendment to the Master Agreement shall be prepared and executed by Contractor's authorized representative(s) and the Director or designee.

9.5 ADDITIONAL CONTRACTORS

Notwithstanding anything to the contrary in this Master Agreement, including this Paragraph 9 (Change Notices and Amendments), the Director is specifically authorized to execute this Master Agreement on behalf of County with any Contractor other than the Contractor whose proposal in response to the RFP was ranked the highest, provided that such proposal meets all requirements of the RFP, including all Minimum Mandatory Requirements set forth therein.

9.6 EXTENSIONS OF TIME

The Chief Executive Officer, or his/her designee, may, at his/her sole discretion, authorize extensions of time specified in Paragraph 4 (Term of Master Agreement). Contractor agrees that such extensions of time shall not change any other term or condition of this Master Agreement during the period of such extensions. To implement an extension of time, an Amendment to the Master Agreement shall be prepared and executed by Contractor and the Director or designee.

10. ASSIGNMENT AND DELEGATION

- 10.1 Contractor shall not assign its rights or delegate its duties under this Master Agreement, or both, whether in whole or in part, without the prior written consent of County, in its discretion, and any attempted assignment or delegation without such consent shall be null and void. For purposes of this Paragraph 10.1, County consent shall require a written Amendment to the Master Agreement, which is formally approved and executed by the parties. Any payments by County to any approved delegate or assignee on any claim under this Master Agreement shall be deductible, at County's sole discretion, against the claims, which Contractor may have against County.
- 10.2 Shareholders, partners, members, or other equity holders of Contractor may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of Contractor to any person(s), corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of the Master Agreement, such disposition is an assignment requiring the prior written consent of County in the form of an Amendment in accordance with applicable provisions of this Master Agreement, including the need for an Amendment.
- 10.3 Any assumption, assignment, delegation, or takeover of any of Contractor's duties, responsibilities, obligations, or performance of same by any entity other than Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without County's express prior written approval, shall be a material breach of the Master Agreement which may result in the termination of this Master Agreement. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.
- 10.4 For any change affecting Contractor's Administration or Contractor's project personnel, Contractor shall submit to County's Project Director, with a copy to County's Project Manager, written notification and request to effect the requested change. County's Project Director or designee may accept or reject such notification and request.

11. AUTHORIZATION WARRANTY

Contractor represents and warrants that the person executing this Master Agreement for Contractor is an authorized agent who has actual authority to bind Contractor to each and every term, condition and obligation of this Master Agreement and that all requirements of Contractor have been fulfilled to provide such actual authority.

12. BUDGET REDUCTIONS

In the event that County's Board of Supervisors adopts, in any Fiscal Year, a County Budget which provides for reductions in the salaries and benefits paid to the majority of County employees and imposes similar reductions with respect to County contracts, County reserves the right to reduce its payment obligation under this Master Agreement correspondingly for that Fiscal Year and any subsequent Fiscal Year during the term of this Master Agreement (including any extensions), and the Services and other work to be provided by Contractor under this Master Agreement shall also be reduced correspondingly. County's notice to Contractor regarding said reduction in payment obligation shall be provided within thirty (30) calendar days of the Board's approval of such actions. Except as set forth in the preceding sentence, Contractor shall continue to provide all of the Services and other work set forth in this Master Agreement.

13. COMPLAINTS

Contractor shall develop, maintain and operate procedures for receiving, investigating and responding to complaints.

- 13.1 Within fifteen (15) Business Days after the Master Agreement Effective Date, Contractor shall provide County with Contractor's policy for receiving, investigating and responding to user complaints.
- 13.2 County will review Contractor's policy and provide Contractor with approval of said plan or with requested changes.
- 13.3 If County requests changes in Contractor's policy, Contractor shall make such changes and resubmit the plan within ten (10) Business Days for County approval.
- 13.4 If, at any time, Contractor wishes to change Contractor's policy, Contractor shall submit the proposed changes to County for approval before implementation.
- 13.5 Contractor shall preliminarily investigate all complaints and notify County's Project Manager of the status of the investigation within five (5) Business Days of receiving the complaint.
- 13.6 When complaints cannot be resolved informally, a system of follow-through shall be instituted which adheres to formal plans for specific actions and strict time deadlines.
- 13.7 Copies of all written responses shall be sent to County's Project Manager within three (3) Business Days of mailing to the complainant.

14. COMPLIANCE WITH APPLICABLE LAW

- 14.1 In the performance of this Master Agreement, Contractor shall comply with all applicable Federal, State and local laws, rules, regulations, ordinances, directives, guidelines, policies and procedures, and all provisions required thereby to be included in this Master Agreement are hereby incorporated herein by reference.
- 14.2 Contractor shall indemnify, defend, and hold harmless County, its officers, employees, and agents, from and against any and all claims, demands, damages, liabilities, losses, costs, and expenses, including, without limitation, defense costs and legal, accounting and other expert, consulting or professional fees, arising from, connected with, or related to any failure by Contractor, its officers, employees, agents, or subcontractors, to comply with any such laws, rules, regulations, ordinances, directives, guidelines, policies, or procedures, as determined by County in its sole judgment. Any legal defense pursuant to Contractor's indemnification obligations under this Paragraph 14 shall be conducted by Contractor and performed by counsel selected by Contractor and approved by County. Notwithstanding the preceding sentence, County shall have the right to participate in any such defense at its sole cost and expense, except that in the event Contractor fails to provide County with a full and adequate defense, as determined by County in its sole judgment, County shall be entitled to retain its own counsel, including, without limitation, County Counsel, and reimbursement from Contractor for all such costs and expenses incurred by County in doing so. Contractor shall not have the right to enter into any settlement, agree to any injunction or other equitable relief, or make any admission, in each case, on behalf of County without County's prior written approval.

15. COMPLIANCE WITH CIVIL RIGHTS LAWS

Contractor hereby assures that it will comply with Subchapter VI of the Civil Rights Act of 1964, 42 USC Sections 2000 (e) (1) through 2000 (e) (17), to the end that no person shall, on the grounds of race, creed, color, sex, religion, ancestry, age, condition of physical handicap, marital

status, political affiliation, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Master Agreement or under any project, program, or activity supported by this Master Agreement. Contractor shall comply with Exhibit D (Contractor's EEO Certification).

16. COMPLIANCE WITH COUNTY'S JURY SERVICE PROGRAM

16.1 JURY SERVICE PROGRAM

This Master Agreement is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code, a copy of which is attached hereto as Exhibit H (Jury Service Ordinance) and incorporated herein by reference.

16.2 WRITTEN EMPLOYEE JURY SERVICE POLICY

- 16.2.1 Unless Contractor has demonstrated to County's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), Contractor shall have and adhere to a written policy that provides that its Employees shall receive from Contractor, on an annual basis, no less than five (5) days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with Contractor or that Contractor deduct from the Employee's regular pay the fees received for jury service.
- 16.2.2 For purposes of this Paragraph 16, "Contractor" means a person, partnership, corporation or other entity which has a contract with County or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts. "Employee" means any California resident who is a full-time employee of Contractor. "Full-time" means 40 hours or more worked per week, or a lesser number of hours if: (1) the lesser number is a recognized industry standard as determined by the County, or (2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any subcontractor to perform services for County under the Master Agreement, the subcontractor shall also be subject to the provisions of this Paragraph 16. The provisions of this Paragraph 16 shall be inserted into any such subcontract agreement, and a copy of the Jury Service Program shall be attached to the agreement.
- 16.2.3 If Contractor is not required to comply with the Jury Service Program when the Master Agreement commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Jury Service Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. County may also require, at any time during the Master Agreement and at its sole discretion, that Contractor demonstrate to County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.
- 16.2.4 Contractor's violation of this Paragraph 16 of the Master Agreement may constitute a material breach of the Master Agreement. In the event of such material breach, County may, in its sole

discretion, terminate the Master Agreement and/or bar Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

17. CONFLICT OF INTEREST

17.1 No County employee whose position with County enables such employee to influence the award of this Master Agreement or any competing Master Agreement, and no spouse or economic dependent of such employee, shall be employed in any capacity by Contractor or have any other direct or indirect financial interest in this Master Agreement. No officer or employee of Contractor who may financially benefit from the performance of work hereunder shall in any way participate in County's approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence County's approval or ongoing evaluation of such work.

17.2 Contractor shall comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Master Agreement. Contractor warrants that it is not now aware of any facts that create a conflict of interest. If Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it shall immediately make full written disclosure of such facts to County. Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this Paragraph 17 shall be a material breach of this Master Agreement.

18. CONSIDERATION OF HIRING COUNTY EMPLOYEES TARGETED FOR LAYOFF/OR RE-EMPLOYMENT LIST

Should Contractor require additional or replacement personnel after the Effective Date to perform the Services set forth herein, Contractor shall give first consideration for such employment openings to qualified, permanent County employees who are targeted for layoff or qualified, former County employees who are on a re-employment list during the term of this Master Agreement.

19. CONSIDERATION OF HIRING GAIN/GROW PROGRAM PARTICIPANTS

19.1 Should Contractor require additional or replacement personnel after the Effective Date, Contractor shall give consideration for any such employment openings to participants in County's Department of Public Social Services Greater Avenues for Independence (GAIN) Program or General Relief Opportunity for Work (GROW) Program who meet Contractor's minimum qualifications for the open position. For this purpose, consideration shall mean that Contractor will interview qualified candidates. County will refer GAIN/GROW participants by job category to Contractor.

19.2 In the event that both the laid-off County employees and the GAIN/GROW participants are available for hiring, County employees shall be given first priority.

20. CONTRACTOR RESPONSIBILITY AND DEBARMENT

20.1 RESPONSIBLE CONTRACTOR

A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the Master Agreement. It is County's policy to conduct business only with responsible contractors.

20.2 CHAPTER 2.202 OF THE COUNTY CODE

Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if County acquires information concerning the performance of Contractor on this or other contracts

which indicates that Contractor is not responsible, County may, in addition to other remedies provided in the Master Agreement, debar Contractor from bidding or proposing on, or being awarded, and/or performing work on County contracts for a specified period of time, which generally will not exceed five years but may exceed five years or be permanent if warranted by the circumstances, and terminate any or all existing contracts Contractor may have with County.

20.3 NON-RESPONSIBLE CONTRACTOR

County may debar a Contractor if the Board of Supervisors finds, in its discretion, that Contractor has done any of the following: (1) violated a term of a contract with County or a nonprofit corporation created by County, (2) committed an act or omission which negatively reflects on Contractor's quality, fitness or capacity to perform a contract with County, any other public entity, or a nonprofit corporation created by County, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against County or any other public entity.

20.4 CONTRACTOR HEARING BOARD

- 20.4.1 If there is evidence that Contractor may be subject to debarment, the Department will notify Contractor in writing of the evidence which is the basis for the proposed debarment and will advise Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.

Contractor and/or Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether Contractor should be debarred, and, if so, the appropriate length of time of the debarment. Contractor and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.
- 20.4.3 After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that Contractor has adequately demonstrated one or more of the following: (i) elimination of the grounds for which the debarment was imposed; (ii) a bona fide change in ownership or management; (iii) material evidence discovered after debarment was imposed; or (iv) any other reason that is in the best interests of County.

- 28.2 Notwithstanding the foregoing, a default by a subcontractor of Contractor shall not constitute a force majeure event, unless such default arises out of causes beyond the control of both Contractor and such subcontractor, and without any fault or negligence of either of them. In such case, Contractor shall not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet the required performance schedule. As used in this Paragraph 28, the term "subcontractor" and "subcontractors" mean subcontractors at any tier.
- 28.3 In the event Contractor's failure to perform arises out of a force majeure event, Contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

32.2.4 Neither County's failure to obtain, nor County's receipt of, or failure to object to a non-complying insurance certificate or endorsement, or any other insurance documentation or information provided by Contractor, its insurance broker(s) and/or insurer(s), shall be construed as a waiver of any of the Required Insurance provisions.

Certificates and copies of any required endorsements shall be sent to the person listed under CEO/Risk Management Branch in Exhibit E (County's Administration).

Contractor also shall promptly report to County any injury or property damage accident or incident, including any injury to a Contractor employee occurring on County property, and any loss, disappearance, destruction, misuse, or theft of County property, monies or securities entrusted to Contractor. 32.3.2 FAILURE TO MAINTAIN INSURANCE

Contractor's failure to maintain or to provide acceptable evidence that it maintains the Required Insurance shall constitute a material breach of the Master Agreement, upon which County immediately may withhold payments due to Contractor and/or suspend or terminate this Master Agreement. County, at its sole discretion, may obtain damages from Contractor resulting from said breach. Alternatively, County may purchase the Required Insurance and, without further notice to Contractor, deduct the premium cost from sums due to Contractor or pursue Contractor reimbursement.

To the fullest extent permitted by law, Contractor hereby waives its rights and its insurer(s)' rights of recovery against County under all the Required Insurance for any loss arising from or relating to this Master Agreement. Contractor shall require its insurers to execute any waiver of subrogation endorsements which may be necessary to effect such waiver.

32.3.6 SUBCONTRACTOR INSURANCE COVERAGE REQUIREMENTS

Contractor shall include all subcontractors as insureds under Contractor's own policies, or shall provide County with each subcontractor's separate evidence of insurance coverage. Contractor shall obtain County's prior review and approval of any subcontractor request for modification of the Required Insurance.

32.3.7 DEDUCTIBLES AND SELF-INSURED RETENTIONS (SIRs)

Contractor's policies shall not obligate County to pay any portion of any Contractor deductible or SIR. County retains the right to require Contractor to reduce or eliminate policy deductibles and SIRs as respects County, or to provide a bond guaranteeing Contractor's payment of all deductibles and SIRs, including all related claims investigation, administration and defense expenses. Such bond shall be executed by a corporate surety licensed to transact business in the State of California.

32.3.8 CLAIMS MADE COVERAGE

45.2 Failure on the part of Contractor to comply with any of the provisions of this Paragraph 45 shall constitute a material breach of this Master Agreement upon which County may terminate or suspend this Master Agreement.

45.3 If, at any time during the term of this Master Agreement or within five (5) years after the expiration or termination of this Master Agreement, representatives of County conduct an audit

of Contractor regarding the work performed under this Master Agreement, and if such audit finds that County's dollar liability for any such work is less than payments made by County to Contractor, then the difference shall be either (a) repaid by Contractor to County by cash payment upon demand or (b) at the sole option of County's Auditor-Controller, deducted from any amounts due to Contractor from County, whether under this Master Agreement, Work Order or otherwise. If such audit finds that County's dollar liability for such work is more than the payments made by County to Contractor, then the difference shall be paid to Contractor by County by cash payment, provided that in no event shall County's maximum obligation for this Master Agreement exceed the funds appropriated by County for the purpose of this Master Agreement.

46. RECYCLED BOND PAPER

Consistent with the Board of Supervisors' policy to reduce the amount of solid waste deposited at County landfills, Contractor agrees to use recycled-content paper to the maximum extent possible on this Master Agreement.

47. SUBCONTRACTING

- 47.1 The requirements of this Master Agreement may not be subcontracted by Contractor without the advance approval of County. Any attempt by Contractor to subcontract without the prior consent of County may be deemed a material breach of this Master Agreement.
- 47.2 If Contractor desires to subcontract, Contractor shall provide the following information promptly upon County's request:
1. A description of the work to be performed by the subcontractor;
 2. A draft copy of the proposed subcontract; and
 3. Other pertinent information and/or certifications requested by County.
- 47.3 Contractor shall indemnify and hold County harmless with respect to the activities of each and every subcontractor in the same manner and to the same degree as if such subcontractor(s) were Contractor employees.
- 47.4 Contractor shall remain fully responsible for all performances required of it under this Master Agreement, including those that Contractor has determined to subcontract, notwithstanding County's approval of Contractor's proposed subcontract.
- 47.5 County's consent to subcontract shall not waive County's right to prior and continuing approval of any and all personnel, including subcontractor employees, providing services under this Master Agreement. Contractor is responsible to notify its subcontractors of this County right.
- 47.6 County's Project Director is authorized to act for and on behalf of County with respect to approval of any subcontract and subcontractor employees. After approval of the subcontract by County, Contractor shall forward a fully executed subcontract to County for its files.
- 47.7 Contractor shall be solely liable and responsible for all payments or other compensation to all subcontractors and their officers, employees, agents, and successors in interest arising through services performed hereunder, notwithstanding County's consent to subcontract.
- 47.8 Contractor shall obtain certificates of insurance, which establish that the subcontractor maintains all the programs of insurance required by County from each approved subcontractor. Contractor shall ensure delivery of all such documents to the person listed under CEO/Risk Management

Branch in Exhibit E (County's Administration), before any subcontractor employee may perform any work hereunder.

48. TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM

Failure of Contractor to maintain compliance with the requirements set forth in Paragraph 22 (Contractor's Warranty of Adherence to County's Child Support Compliance Program), shall constitute default under this Master Agreement. Without limiting the rights and remedies available to County under any other provision of this Master Agreement, failure of Contractor to cure such default within ninety (90) calendar days of written notice shall be grounds upon which County may terminate this Master Agreement pursuant to Paragraph 50 (Termination for Default) and pursue debarment of Contractor pursuant to County Code Chapter 2.202.

49. TERMINATION FOR CONVENIENCE

49.1 County may terminate Master Agreement and any Work Order issued hereunder, in whole or in part, from time to time or permanently, when such action is deemed by County, in its sole discretion, to be in its best interest. Termination of work hereunder shall be effected by notice of termination to Contractor specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective shall be no less than ten (10) days after the notice is sent.

49.2 After receipt of a notice of termination and except as otherwise directed by County, Contractor shall immediately:

1. Stop work under this Master Agreement and any applicable Work Order(s) on the date and to the extent specified in such notice, and
2. Complete performance of such part of the work as shall not have been terminated by such notice.

49.3 After receipt of the Notice of Termination, Contractor shall submit to County, in the form and with the certifications as may be prescribed by County, its termination claim and invoice. Such claim and invoice shall be submitted promptly, but not later than one (1) month from the effective date of termination. Upon failure of Contractor to submit its termination claim and invoice within the time allowed, County may determine, on the basis of information available to County, the amount, if any, due to Contractor in respect to the termination and such determination shall be final. After such determination is made, County shall pay Contractor the amount so determined.

49.4 Subject to the provisions of Paragraphs 49.1 and 49.2 above, County and Contractor shall negotiate an equitable amount to be paid to Contractor by reason of the total or partial termination of work pursuant to this Paragraph 49. Said amount may include a reasonable allowance for profit on work done but shall not include an allowance on work terminated. County shall pay the agreed amount; subject to other limitations and provided that such amount shall not exceed the total funding obligated under this Master Agreement as reduced by the amount of payments otherwise made and as further reduced by the contract price of work not terminated.

49.5 All material including books, records, documents, or other evidence bearing on the costs and expenses of Contractor under this Master Agreement and all Work Order(s) shall be maintained by Contractor in accordance with Paragraph 45 (Record Retention and Inspection/Audit Settlement).

50. TERMINATION FOR DEFAULT

- 50.1 County may, by written notice to Contractor, terminate the whole or any part of this Master Agreement, if, in the judgment of County:
1. Contractor has materially breached this Contract; or
 2. Contractor fails to timely provide and/or satisfactorily perform any task, deliverable, service or other work required either under this Contract; or
 3. Contractor fails to demonstrate a high probability of (i) timely fulfillment of performance requirements or (ii) any obligations under this Master Agreement or any Work Order, and in either case, fails to demonstrate convincing progress toward a cure within five (5) Business Days (or such longer period as County may authorize in writing) after receipt of written notice from County specifying such failure.
- 50.2 In the event that County terminates this Master Agreement, including any Work Order, in whole or in part as provided in Paragraph 50.1, County may procure, upon such terms and in such manner as County may deem appropriate, goods and services similar to those so terminated. Contractor shall be liable to County for any and all excess costs incurred by County, as determined by County, for such similar goods and services. Contractor shall continue the performance of this Master Agreement to the extent not terminated under the provisions of this Paragraph 50.2.
- 50.3 Except with respect to defaults of any subcontractor, Contractor shall not be liable for any such excess costs of the type identified in Paragraph 50.2 if its failure to perform this Master Agreement or any Work Order arises out of causes beyond the control and without the fault or negligence of Contractor. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of County in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of Contractor. If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both Contractor and subcontractor, and without the fault or negligence of either of them, Contractor shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet the required performance schedule. As used in this Paragraph 51.3, the terms "subcontractor" and "subcontractors" mean subcontractor(s) at any tier.
- 50.4 If, after County has given notice of termination under the provisions of this Paragraph 50, it is determined by County that Contractor was not in default under the provisions of this Paragraph 50, or that the default was excusable under the provisions of Paragraph 50.3, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Paragraph 49 (Termination for Convenience).
- 50.5 The rights and remedies of County provided in this Paragraph 50 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Master Agreement.

51. TERMINATION FOR IMPROPER CONSIDERATION

- 51.1 County may, by written notice to Contractor, immediately terminate the right of Contractor to proceed under this Master Agreement if it is found that consideration, in any form, was offered or given by Contractor, either directly or through an intermediary, to any County officer,

employee, or agent with the intent of (i) securing this Master Agreement or any Work Order or (ii) securing favorable treatment with respect to the award, amendment or extension of this Master Agreement or Work Order or (iii) the making of any determinations with respect to Contractor's performance pursuant to this Master Agreement or any Work Order. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.

- 51.2 Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.
- 51.3 Among other items, such improper consideration may take the form of cash, discounts, services, the provision of travel or entertainment, or tangible gifts.

52. TERMINATION FOR INSOLVENCY

- 52.1 County may terminate this Master Agreement forthwith in the event of the occurrence of any of the following:
1. Insolvency of Contractor. Contractor shall be deemed to be insolvent if it has ceased to pay its debts for at least sixty (60) days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the Federal Bankruptcy Code and whether or not Contractor is insolvent within the meaning of the Federal Bankruptcy Code;
 2. The filing of a voluntary or involuntary petition regarding Contractor under the Federal Bankruptcy Code;
 3. The appointment of a Receiver or Trustee for Contractor; or
 4. The execution by Contractor of a general assignment for the benefit of creditors.

52.2 The rights and remedies of County provided in this Paragraph 52 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Master Agreement.

53. TERMINATION FOR NON-ADHERENCE TO COUNTY LOBBYIST ORDINANCE

Contractor, and each County Lobbyist or County Lobbying firm as defined in County Code Section 2.160.010 retained by Contractor, shall fully comply with County's Lobbyist Ordinance, County Code Chapter 2.160. Failure on the part of Contractor or any County Lobbyist or County Lobbying firm retained by Contractor to fully comply with County's Lobbyist Ordinance shall constitute a material breach of this Master Agreement, upon which County may in its sole discretion, immediately terminate or suspend this Master Agreement.

54. TERMINATION FOR NON-APPROPRIATION OF FUNDS

Notwithstanding any other provision of this Master Agreement, County shall not be obligated for Contractor's performance hereunder or by any provision of this Master Agreement during any of County's future Fiscal Years unless and until the Board of Supervisors appropriates funds for this Master Agreement in County's budget for each such future Fiscal Year. In the event that funds are not appropriated for this Master Agreement, then this Master Agreement shall terminate as of June 30 of the last Fiscal Year for which funds were appropriated. County shall notify Contractor in writing of any such non-allocation of funds at the earliest possible date.

55. VALIDITY

If any provision of this Master Agreement or the application thereof to any person or circumstance is held invalid, the remainder of this Master Agreement and the application of such provision to other persons or circumstances shall not be affected thereby.

56. WAIVER

No waiver by County of any breach of any provision of this Master Agreement shall constitute a waiver of any other breach or of such provision. Failure of County to enforce at any time, or from time to time, any provision of this Master Agreement shall not be construed as a waiver thereof. The rights and remedies set forth in this Paragraph 57 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Master Agreement.

57. WARRANTY AGAINST CONTINGENT FEES

57.1 Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Master Agreement upon any Master Agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by Contractor for the purpose of securing business.

57.2 For breach of this warranty, County shall have the right to terminate this Master Agreement and, at its sole discretion, deduct from the Master Agreement price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage or contingent fee.

58. CONTRACTOR'S WARRANTY OF COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM

Contractor acknowledges that County has established a goal of ensuring that all individuals and businesses that benefit financially from County through contract are current in paying their property tax obligations (secured and unsecured roll) in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.

Unless Contractor qualifies for an exemption or exclusion, Contractor warrants and certifies that to the best of its knowledge it is now in compliance, and during the term of this Master Agreement will maintain compliance, with Los Angeles County Code Chapter 2.206.

59. TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX PROGRAM

Failure of Contractor to maintain compliance with the requirements set forth in Paragraph 58 (Contractor's Warranty of Compliance with County's Defaulted Property Tax Reduction Program), shall constitute default under this Master Agreement. Without limiting the rights and remedies available to County under any other provision of this Master Agreement, failure of Contractor to cure such default within ten (10) days of notice shall be grounds upon which County may terminate this Master Agreement and/or pursue debarment of Contractor pursuant to County Code Chapter 2.206.

60. COUNTY LOBBYISTS

Each County lobbyist as defined in Los Angeles County Code Section 2.160.010, retained by Contractor, shall fully comply with the County Lobbyist Ordinance, Los Angeles County Code Chapter 2.160. Failure on the part of any County lobbyist retained by Contractor to fully comply with the County Lobbyist Ordinance shall constitute a material breach of this Master Agreement upon which County may immediately terminate or suspend this Master Agreement. Contractor shall comply with all conflict of interest laws, ordinances and regulations now in effect or

hereafter to be enacted during the term of this Master Agreement. Contractor warrants that it is not now aware of any facts which do or could create a conflict of interest. If Contractor hereafter becomes aware of any facts which might reasonably be expected to create a conflict of interest, it shall immediately make full written disclosure of such facts to County. Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances.

61. PROHIBITION FROM INVOLVEMENT IN THE BIDDING PROCESS OF FUTURE RFPS

Contractor understands and agrees that neither Contractor nor its subsidiaries shall be involved in any way in the bidding process on any Request for Proposals developed or prepared by or with the assistance of Contractor's services rendered pursuant to this Master Agreement, whether as a prime contractor or subcontractor, or as a contractor to any other prime contractor or subcontractor. Any such involvement by Contractor shall result in the rejection by County of the bid or proposal by the prime contractor in question.

62. LICENSES, PERMITS, REGISTRATIONS AND CERTIFICATES

Contractor shall obtain and maintain in effect during the term of this Master Agreement all licenses, permits, registrations, accreditations and certificates, if any, required by all Federal, State, and local laws, ordinances, rules, and regulations, which are applicable to the performance of this Master Agreement and any and all Work Orders, and shall further ensure that all of its officers, employees and agents who perform Services and other work hereunder shall obtain and maintain in effect during the term of this Master Agreement all licenses, permits, registrations, accreditations and certificates which are applicable to their performance of Services and other work hereunder. A copy of each such license, permit, registration, accreditation and certificate required by law shall be provided to County's Project Director, with a copy to County's Project Manager, at the address set forth in Exhibit E (County's Administration) upon request.

- 63.3 Contractor shall not willfully and knowingly make a false statement with the intent to defraud, whether by affidavit, report, or other representation, to a County official or employee for the purpose of influencing the certification or denial of certification of any entity as a Local Small Business Enterprise.
- 63.4 If Contractor has obtained certification as a Local Small Business Enterprise by reason of having furnished incorrect supporting information or by reason of having withheld information, and which knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded this Master Agreement/Work Order to which it would not otherwise have been entitled, shall:
 - 1. Pay to County any difference between the work order amount and what County's costs would have been if the work order had been properly awarded;

2. In addition to the amount described in subdivision (1), be assessed a penalty in an amount of not more than ten percent (10%) of the amount of the Work Order; and
3. Be subject to the provisions of Chapter 2.202 of the Los Angeles County Code (Determinations of Contractor Non-responsibility and Contractor Debarment).

The above penalties shall also apply to any business that has previously obtained proper certification, however, as a result of a change in their status would no longer be eligible for certification, and fails to notify the State and the County Office of Small Business of this information prior to responding to a solicitation or accepting a contract award.

64. TRANSITIONAL JOB OPPORTUNITIES PREFERENCE PROGRAM (IF APPLICABLE)

- 64.1 This Master Agreement is subject to the provisions of County's ordinance entitled Transitional Job Opportunities Preference Program, as codified in Chapter 2.205 of the Los Angeles County Code.

- 64.4 If Contractor has obtained County certification as a Transitional Job Opportunity vendor by reason of having furnished incorrect supporting information or by reason of having withheld information, and which knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded this work order to which it would not otherwise have been entitled, shall:
 1. Pay to County any difference between the work order amount and what County's costs would have been if the work order had been properly awarded;
 2. In addition to the amount described in subdivision (1), be assessed a penalty in an amount of not more than ten percent (10%) of the amount of the Work Order; and
 3. Be subject to the provisions of Chapter 2.202 of the Los Angeles County Code (Determinations of Contractor Non-responsibility and Contractor Debarment).

The above penalties shall also apply to any entity that has previously obtained proper certification, however, as a result of a change in their status would no longer be eligible for certification, and fails to notify the certifying department of this information prior to responding to a solicitation or accepting a Work Order award.

6.1 INTERNAL MONITORING

Methods used to ensure that all terms, specifications and requirements found within the Master Agreement and this SOW, and all directives found in County's CPG's

are met. Particular attention should be made to the establishment of procedures to reduce the frequency of common errors.

Plan must specify what monitoring activities will be done, when these will occur, and who specifically will perform them (include name and title of responsible staff).

6.2 RESPONSE TO NOTIFICATION OF DEFICIENCIES

Procedures for review and correction of deficiencies following notification from County. The Plan must specify what actions will be taken and by whom.

6.3 EQUIPMENT MAINTENANCE

6.3.1 Methods used and schedule (including month and year when applicable) for the maintenance, accuracy testing, and calibration of equipment as specified in Section 3.2 (Equipment Calibration and Maintenance). Plan must also identify the staff members who will be responsible for daily checks, as well as the vendor(s) who will provide required annual maintenance and reports.

6.3.2 Provisions for retention of maintenance, accuracy testing, and calibration records for at least five (5) years.

7.0 COUNTY'S QUALITY ASSURANCE PROGRAM

7.1 REVIEW OF RECORDS

To ensure a high standard of performance under this Master Agreement, the County employs a very active program of quality assurance. This begins with a multi-step process to detect deficiencies:

- County's Project Monitors inspect records upon receipt to ensure completeness and timeliness.
- County's Project Physicians review records for legibility and compliance with applicable medical protocols (Protocol Sheets) and CPG's.
- County's Project Manager reviews invoices for accuracy, completeness, and timeliness.

Deficiencies are entered into a "QA" spreadsheet. Each entry includes the client's name, date of service, the name of the Contractor's staff person responsible for the deficiency, the nature of the deficiency, and the name of the service performed.

Every 2-4 weeks, QA spreadsheets are emailed to Contractor. Contractors may contest a deficiency by emailing either County's Project Manager or County's Project Medical Director.

Every quarter, County's Project Manager sends each Contractor a quarterly QA summary which presents the frequency of deficiencies and a ratio of deficiencies to the number of Packages performed (QA Ratio). This summary includes a comparison to the competing contractors who provide the same or similar service.

7.2 SITE INSPECTIONS

County personnel or designees may conduct site visits to observe performance, and activities, and review documents relevant to this Master Agreement at any time during normal Business Hours. However, these personnel may not unreasonably interfere with Contractor's performance.

8.0 REMEDIES FOR NON-PERFORMANCE

8.1 POSTING OF QA RATIOS TO THE OHP'S WEBSITE

County routinely posts QA Ratios to OHP's website. Operating departments are encouraged to consider these quality measurements when they are choosing which Contractor to utilize for their examinations.

8.2 FINANCIAL PENALTIES

Financial penalties may be assessed on Contractor by County's Project Manager in accordance with Paragraphs 5.4.4.5 (Late Charge) and 5.5.2 (Penalties) of the Master Agreement.

8.3 ISSUANCE OF A CONTRACT DISCREPANCY REPORT (CDR)

When Contractor's performance demonstrates either a continual inability to conform to the requirements of the Master Agreement, SOW, or County's CPGs, or an isolated incident occurs which demonstrates egregious disregard thereof, County may issue a CDR requiring Contractor to implement a formal corrective action plan subject to approval by County. The plan must include reasons for the unacceptable performance, specific steps to return performance to an acceptable level, and monitoring methods to prevent recurrence.

8.4 PROHIBITION FROM PERFORMING FURTHER SERVICES

County may bar any Contractor's staff member from performing any further Services under the Master Agreement under the following circumstances:

8.4.1 In County's judgment, the poor performance of a staff member is responsible for a disproportionate number of errors over a six-month period.

8.4.2 County becomes aware of reasonably founded allegations of unprofessional conduct.

8.4.3 A staff member has repeatedly violated the federal Genetic Information Nondiscrimination Act by obtaining genetic information from participants in

County-sponsored wellness programs without a specific written notice that is compliant with the Act. Genetic information includes family medical histories.

8.5 PROHIBIT A CLINIC FROM PERFORMING FURTHER SERVICES

If a clinic has a QA Ratio that is significantly above average over a six-month period, then County may remove this clinic from the OHP's listing of recommended clinics.

8.6 TERMINATE THE MASTER AGREEMENT

County may also terminate the Master Agreement or impose other penalties as provided in Paragraph 23 (County's Quality Assurance Plan) of the Master Agreement.

JURY SERVICE ORDINANCE

Title 2 ADMINISTRATION
Chapter 2.203.010 through 2.203.090
CONTRACTOR EMPLOYEE JURY SERVICE

2.203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002)

2.203.020 Definitions.

The following definitions shall be applicable to this chapter:

- A. “Contractor” means a person, partnership, corporation or other entity which has a contract with the county or a subcontract with a county contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more such contracts or subcontracts.
- B. “Employee” means any California resident who is a full-time employee of a contractor under the laws of California.
- C. “Contract” means any agreement to provide goods to, or perform services for or on behalf of, the county but does not include:
 - 1. A contract where the board finds that special circumstances exist that justify a waiver of the requirements of this chapter; or
 - 2. A contract where federal or state law or a condition of a federal or state program mandates the use of a particular contractor; or
 - 3. A purchase made through a state or federal contract; or
 - 4. A monopoly purchase that is exclusive and proprietary to a specific manufacturer, distributor, or reseller, and must match and inter-member with existing supplies, equipment or systems maintained by the county pursuant to the Los Angeles County Purchasing Policy and Procedures Manual, Section P-3700 or a successor provision; or
 - 5. A revolving fund (petty cash) purchase pursuant to the Los Angeles County Fiscal Manual, Section 4.4.0 or a successor provision; or

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazaletes y el padre/madre o el adulto que lo entregue recibirá un brazaletes igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Ángeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California? ?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazaletes con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.
