Honorable Board of Commissioners
Housing Authority of the
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Commissioners:

**CONSTRUCTION CONTRACT FOR ROOFING REPLACEMENT AT THREE
HOUSING DEVELOPMENTS IN THE CITY OF SANTA MONICA (4
(3 Vote)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that the roof replacement at three family housing developments, located at 1855 9th Street, 1450 14th Street, and 2006 20th Street in the City of Santa Monica, is exempt from the California Environmental Quality Act (CEQA), as described herein, because the proposed work, with mitigation measures, will not have the potential for causing a significant effect on the environment, because it involves negligible or no expansion of use beyond what currently exists.
2. Approve and authorize the Executive Director of the Housing Authority to execute a Construction Contract with Cooper Roofing Services, Inc., presented in substantially final form, in the amount of \$158,643, to remove and replace the roofing at the above sites, as described herein, to be effective after issuance of the Notice to Proceed, which will not exceed 30 days following the date of Board approval.
3. Authorize the Executive Director to use \$137,538 in Rental Housing Construction Program (RHCP) Replacement Reserves allocated by the State of California, and \$21,105 in Dwelling Rental Funds for the purposes described herein.

4. Authorize the Executive Director to approve contract change orders for unforeseen project costs, and to use for this purpose a maximum of \$15,864 in Dwelling Rental Funds.
5. Authorize the Executive Director to incorporate \$137,538 in RHCP Replacement Reserves and \$36,969 in Dwelling Rental Funds into the Housing Authority's Fiscal Year 2003-2004 approved budget, for the purposes described above.

PURPOSE/ JUSTIFICATION OF RECOMMENDED ACTION:

The purpose of this action is to award a Construction Contract that provides for a construction period of 60 days to remove and replace roofs at three housing developments.

FISCAL IMPACT/ FINANACING:

There is no impact on the County general fund. The Housing Authority will fund the improvements with \$137,538 in RHCP Replacement Reserves allocated by the State of California and \$21,105 in Dwelling Rental Funds. A 10 percent contingency, in the amount of \$15,864, is also being set aside for unforeseen project costs using Dwelling Rental Funds.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS:

Each year the Housing Authority submits to the State of California a budget for management of state-owned RHCP sites operated by the Housing Authority, including the subject housing developments. The developments were constructed in 1983 and consist of 11 units at 1855 9th Street, 19 units at 1450 14th Street, and 11 units at 2006 20th Street. On December 20, 2002, the State of California authorized the Housing Authority to use the RHCP Replacement Reserves to replace roofing at the subject properties. Replacement Reserves are a portion of the annual Annuity Funds received by the Housing Authority from the State of California to be used for maintenance and major repairs. The Housing Authority is also using Dwelling Rental Funds, which are generated by tenant rent payments.

The Housing Authority wishes to award the attached Construction Contract to Cooper Roofing Services, Inc. to remove and replace the original deteriorated roofs, perform minor asbestos abatement, and complete other incidental work.

Should Cooper Roofing Services, Inc. require additional or replacement personnel after the effective date of this Contract, it will give consideration for such employment openings to participants in the County's Department of Public Social Services Greater Avenues for Independence (GAIN) Program or General Relief Opportunity for Work (GROW) program who meet the firm's minimum qualifications for the open position.

For this purpose, consideration shall mean that the firm will interview qualified candidates. The County will refer GAIN/GROW participants by job category to the Contractor.

In the event that both laid-off County employees and GAIN/GROW participants are available for hiring, County employees shall be given first priority.

The Construction Contract will be effective after approval as to form by County Counsel and issuance of the Notice to Proceed, which will not exceed 30 days following the date of Board approval.

ENVIRONMENTAL DOCUMENTATION:

The contractor must comply with all Technical Specifications referenced in the attached Construction Contract (Section 1.1, Part B-2), which sets forth required asbestos abatement measures for the project. The project is exempt from the provisions of CEQA, pursuant to State CEQA Guidelines 15301, because it involves negligible or no expansion of use beyond what currently exists and does not have the potential for causing a significant effect on the environment.

The environmental review record for this project is available for viewing by the public during regular business hours at the Housing Authority's main office located at 2 Coral Circle, Monterey Park.

CONTRACTING PROCESS:

On March 28, 2003, the Housing Authority initiated an outreach to identify a contractor to complete the roofing project. Invitations for Bids were mailed to 115 roofing contractors identified from the Housing Authority's vendor list. Advertisements also appeared in eight newspapers and on the County Web Site. A total of seven bid packages were requested and distributed.

On April 23, 2003, three bids were received and formally opened. The bid submitted by Cooper Roofing Services, Inc., was the lowest responsive bid and is being recommended for the contract award.

The Summary of Outreach Activities is provided as Attachment A.

IMPACT ON CURRENT PROJECT:

The removal and replacement of the roofs will help ensure the long-term durability of the housing developments.

Respectfully submitted,

CARLOS JACKSON
Executive Director

- B. The term "Work" includes performance, as set forth in the Contract Documents by the Contractor, for all improvement work on, in and about the Properties.
- C. Owner desires the Contractor to perform the Work on the terms and conditions hereinafter set forth, and Contractor agrees to perform said Work on terms and conditions set forth below.

ARTICLE 1
THE CONSTRUCTION CONTRACT

1.1 The Construction Contract means and includes all of the "Contract Documents". The Contract Documents which form the Construction Contract are incorporated herein by this reference and are made a part of this Construction Contract as if fully set forth herein. The Contract Documents consist of the following component parts:

PART A	Instructions to Bidders and General Conditions

PART B-2	Abatement Specifications
PART C	Bidder's Documents, Representations, Certifications, Bid, and Other Statements of Bidder

ALL ADDENDA TO THE ABOVE CONTRACT DOCUMENTS.

ARTICLE 2

- 2.2 The Contractor shall furnish all labor, material, equipment and services and perform and complete all Work required for the project identified as Bid No. CM-03-072 for the Authority.

All such Work shall be in strict accordance with the Specifications and Drawings, identified as Part B, all as prepared by the Authority.

- 2.3 Data provided in the Specifications and Drawings are believed to actually depict the conditions to be encountered by the Contractor, but Owner does not guarantee such data as being all-inclusive or complete in any respect. Nothing contained herein shall relieve Contractor from making any and all investigations through non-destructive observations of the Property which are reasonably necessary to apprise him/herself of the condition of the Property. Contractor hereby accepts the project in an "as is" condition and herein warrants that all such investigations have been performed by him/her, and hereby expressly waives any and all rights under this Construction Contract, or in law, to additional compensation and/or time adjustments for alleged unknown subsurface and/or latent conditions that could be reasonably discovered or inferred based upon standard industry construction practices and techniques.

ARTICLE 3
TIME OF COMMENCEMENT AND COMPLETION

- 3.1 The Work to be performed under this Construction Contract shall be commenced within ten (10) days after a Notice to Proceed is received by the Contractor, or on the date specified in the Notice, whichever is later, and shall be completed within Sixty (60) calendar days following the required commencement date.
- 3.2 The Contractor and the Owner agree that, since the determination of actual damages for any delay in completion would be extremely difficult or impracticable to determine in the event of breach of contract, the Contractor and his/her sureties shall be liable for, and shall pay to the Owner the sum of Four Hundred Dollars (\$400.00) as liquidated damages for each calendar day of delay, until the Work is accepted by the Owner. The Contractor shall not be charged with liquidated damages because of any delay in the completion of the Work due to unforeseeable causes beyond the control and without the fault or negligence of the Contractor.

The Owner may withhold, or cause to be withheld, from any monies payable on account of Work performed by the Contractor or subcontractor any accrued liquidated damages, amounts necessary to cover stop notices or alleged labor under payments.

ARTICLE 4

CONTRACT SUM

- 4.1 The Owner shall pay the Contractor for the performance of the Construction Contract subject to additions and deductions by Change Order(s) as provided in the Contract Documents, in current funds, the sum of ONE HUNDRED FIFTY-EIGHT THOUSAND SIX HUNDRED AND FORTY-THREE DOLLARS (\$158,643.00). The Contractor represents and warrants that he/she shall pay his/her employees, and all individuals performing Work, not less than the prescribed minimum wages in accordance with the current Prevailing Wage Determination published by the Department of Industrial Relations DIR, Division of Labor Statistics, of the State of California, as such wage rates are amended from time to time from commencement of the Construction Contract through completion of the Work.
- 4.2 The Contract Sum set forth herein includes the payment by Contractor of all sales and use taxes required by any local codes, or any law existing or which may hereafter be adopted by federal, state or governmental authority, taxing the materials, services required or labor furnished, and of any other tax levied by reason of the Work to be performed hereunder.
- 4.2 The Contract Sum is not subject to escalation, the Contractor having satisfied himself with said Contract Price, which includes all labor and material increases anticipated throughout the duration of this Construction Contract.
- 4.3 The Owner's obligation is payable only and solely from Rental Housing Construction Program (RHCP) funds and Housing Authority operating funds appropriated from the State of California and for the purpose of this Contract. All funds are appropriated every fiscal year beginning July 1.
- 4.4 In the event this Contract extends into the succeeding fiscal year and funds have not been appropriated, this Contract will automatically terminate as of June 30 of the current fiscal year. The Owner will notify the Contractor in writing in ten (10) days of receipt of the non-appropriation notice.

ARTICLE 5 PROGRESS PAYMENTS

- 5.1 Based upon applications for payment submitted by the Contractor to the Owner, and after approval by the Construction Management Division, the Owner shall make progress payments on account of the Contract Sum to the Contractor, as provided in the Instruction to Bidders of the Construction Contract.
- 5.2 Approved applications for progress payments will be paid by the thirtieth day of each month, provided that application for payment has been submitted to the Owner on or before the first working day of the month. Payment shall be subject to all provisions of Section 01003 paragraphs 3.03.A. and B. of the Instructions to Bidders incorporated by reference into the Contract.
- 5.3 The Contractor and each Subcontractor shall submit all required Labor Compliance forms to the Housing Authority before the start of construction. The Contractor shall also collect, review and submit to the Housing Authority all of its

subcontractors' payrolls for each pay period within seven (7) days after the pay period has ended. Repeated, ongoing or flagrant failures by the contractor to submit the required forms, its payrolls or the payrolls of its subcontractors in a timely manner and in accordance with this provision constitutes a material breach of this contract which may result in the Housing Authority terminating the contract for default.

ARTICLE 6
PROJECT CLOSEOUT

- 6.1 Prior to occupancy of any dwelling unit, building, or other portion of the project, the Owner shall receive a certificate from the Contractor that such portion of the project is ready for occupancy, and shall cause a Notice of Completion to be issued. A Notice of Completion shall be issued only when the Work, including all phases thereof, is finally completed, and all requirements of this Construction Contract have been satisfied. The Owner shall cause the Notice of Completion to be recorded with the County Recorder.
- 6.2 Upon Issuance of a Notice of Completion, final payment shall be made to the Contractor of the entire unpaid balance of the Contract Sum, including any sums due to the Contractor for changes in the Work approved by the Owner pursuant to Section 01003 paragraph 3.03.E. of the Instruction to Bidders, less any amounts which Owner is entitled to receive from the Contractor under the terms of this Contract or amounts necessary to cover stop notices or alleged labor under payments, and less the ten percent (10%) retention withheld, pursuant to Section 01003 paragraph 3.03.F. of the Instruction to Bidders.
- 6.3 In addition to all other requirements, a Notice of Completion shall be issued only when Owner has received the following:
- A. A Certificate of Completion, executed by Owner.
 - B. All guarantees and warranties issued by the manufacturers or installers of equipment or other component parts of the project. Contractor guarantees that the equipment, materials, and workmanship, not otherwise covered by a guarantee or warranty, will be free from defects in materials and workmanship for a period of one (1) year following date of final acceptance of the project.
 - C. The waiver and release of all liens, claims of liens, or stop notice rights of the Contractor and all sub-contractors, and the Contractor's Certificate and Release.
 - D. Verification from the Architect that Contractor has removed all waste materials, rubbish, tools, construction equipment, machinery, and surplus materials from the project site. If the Contractor has failed to remove any of such items, the Owner may remove such items, and the Contractor shall pay the Owner for all cost incurred in connection with such removal.
- 6.4 After recordation of the Notice of Completion, and expiration of the thirty-day period for filing of stop notices, the Owner shall use reasonable efforts to settle all claims and disputes, notify the

Contractor of final acceptance of the project, and make final payment of the entire unpaid balance of the Contract Sum, including the ten percent (10%) retention, less any amounts which the Owner is entitled to receive from the Contractor under the terms of this Construction Contract, including liquidated damages, and less amounts necessary to cover stop notices or alleged labor underpayments.

ARTICLE 7
BREACH AND TERMINATION

- 7.1 Waiver by the Owner of any breach of this Construction Contract shall not constitute a waiver of any other breach or of any future breach. No payment made hereunder shall be construed to be an acceptance of defective work or improper materials.
- 7.2 In addition to any right of termination reserved to the Owner by Section 01003 paragraph 3.10.A. of the Instruction to Bidders of the Construction Contract, the Owner may terminate this Construction Contract or performance under this Construction Contract, if the Contractor is adjudged bankrupt, a receiver is appointed because of the Contractor's insolvency, or the Contractor makes a general assignment for the benefit of its creditors, fails to make prompt payment to subcontractor(s), or for material or labor, persistently disregards laws, ordinances, rules, regulations or orders of any public authority having jurisdiction, fails to construct the project in accordance with the Drawings and Specifications, or otherwise substantially violates any provision of the Contract Documents.
- 7.3 The Owner shall give the Contractor and his surety written notice prior to terminating this Construction Contract or performance under this Construction Contract, pursuant to Section 01003 paragraph 3.10.A. of the Instruction to Bidders, provided that the Contractor shall, upon receipt of such notice, immediately stop the installation of improvements, or other permanent construction work encompassing part of the project. Upon termination, the Owner may take possession of the project and all materials, equipment, tools, and construction equipment and machinery owned by the Contractor and located at the project site, and may finish the project by whatever method it may deem expedient. In such case, the Contractor shall not be entitled to receive any further payment under this Construction Contract.
- 7.4 The Owner shall not be deemed to have waived any of its other rights or remedies against the Contractor by exercising its right of termination under this Article.
- 7.5 Termination for Cause: This Contract may be terminated by the Authority upon written notice to the Contractor for cause (failure to perform satisfactorily any of the Contract terms, conditions, and work items) with no penalties upon termination or upon the occurrence of any of the following events:
- A. Continuing failure of the Contractor to perform any work required to be performed hereunder in a timely and professional manner, or Contractor is not properly carrying out the provisions of the Contract in their true intent and meaning, then in such case, notice thereof in writing will be served upon the Contractor; and should the Contractor neglect or refuse to provide a means for a satisfactory compliance with this Contract and with the direction of the Authority within the time specified in such notices, the Authority shall have the power to suspend the performance of this Contract by Contractor in whole or in part.

- B. Failure on the part of the Contractor to procure or maintain insurance required by this Contract shall constitute a material breach of contract upon which the Authority may immediately terminate this Contract.
- C. Should the Contractor fail within five (5) days to perform in a satisfactory manner, in accordance with the provisions of this Contract, or if the work to be done under said Contract is abandoned for more than three (3) days by the Contractor, then notice of deficiency thereof in writing will be served upon the Contractor. Should the Contractor fail to comply with the terms of said Contract within five (5) days, upon receipt of said written notice of deficiency, the Executive Director of the Authority shall have the power to suspend or terminate the operations of the Contractor in whole or in part.
- D. In the event that a petition of bankruptcy shall be filed by or against the Contractor.
- E. If, through any cause, the Contractor shall fail to fulfill, in a timely and proper manner, the obligations under this Contract, or if the Contractor shall violate any of the covenants, agreements, or stipulations of this Contract, the Authority shall thereupon have the right to terminate this Contract by giving written notice to the Contractor of such termination and specifying the effective date thereof, at least five (5) days before the effective date of such termination. In such event, all finished or unfinished documents, data, studies, surveys, drawings, maps, models, photographs and reports prepared by the Contractor under this Contract shall, at the option of the Authority become its property and the Contractor shall be entitled to receive just and equitable compensation for any work satisfactorily completed.

7.6 Termination for Improper Consideration: The Authority may, by written notice to the Contractor, immediately terminate the right of the Contractor, to proceed under this Construction Contract if it is found that consideration, in any form, was offered or given by the Contractor, either directly or through an intermediary, to any Authority officer, employee or agent with the intent of securing the Contract or securing favorable treatment with respect to the award, amendment or extension of the Contract or the making of any determinations with respect to the Contractor's performance pursuant to the Contract. In the event of such termination, the Authority shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.

The Contractor shall immediately report any attempt by the Authority officer or employee to solicit such improper consideration. The Report shall be made to the Authority's Executive Director or designee.

Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment, or tangible gifts.

7.7 Termination for Convenience: The Authority reserves the right to cancel this Contract for any reason at all upon thirty (30) days prior written notice to Contractor. In the event of such termination, Contractor shall be entitled to a prorated portion paid for all satisfactory work unless such termination is made for cause, in which event, compensation if any, shall be adjusted in such termination.

- 7.8 The Authority's Quality Assurance Plan: The Authority will evaluate Contractor's performance under this Contract on not less than a quarterly basis. Such evaluation will include assessing Contractor's compliance with all Contract terms and performance standards. Contractor deficiencies which the Authority determines are severe or continuing and that may place performance of the Contract in jeopardy if not corrected will be reported to the Board of Commissioners. The report will include improvement/corrective action measures taken by the Authority and the Contractor. If improvement does not occur consistent with the corrective action measures, the Authority may terminate this Contract or pursue other penalties as specified in this Contract.
- 7.9 Non-payment after expiration or termination: Contractor shall have no claim against the Authority for payment of any money or reimbursement, of any kind whatsoever, for any service provided by Contractor after the expiration or other termination of this Agreement. Should Contractor receive any such payment, it shall immediately notify the Authority and shall immediately repay all such funds to the Authority. Payment by the Authority for services rendered after expiration/termination of this Agreement shall not constitute a waiver of the Authority's right to recover such payment from Contractor. This provision shall survive the expiration or other termination of this Agreement.

ARTICLE 8 MISCELLANEOUS PROVISIONS

- 8.1 Contractor shall give all notices and comply with all laws, rules, regulations, ordinances and orders of any governmental entity relating to the Work. Should Contractor become aware that any provision of the Construction Contract is at variance with any such rule, law, regulation, ordinance or order, he shall promptly give notice in writing to the Owner of such variance.
- 8.2 It is hereby declared to be the intention of the parties that the sections, paragraphs, sentences, clauses and phrases of this Construction Contract are severable, and if any phrase, clause, sentence, paragraph or section of this Construction Contract shall be declared unconstitutional, invalid or unenforceable by the valid judgment or decree of a court of competent jurisdiction, such unconstitutionality, invalidity or un-enforceability shall not affect any of the remaining phrases, clauses, sentences, paragraphs and sections of this Construction Contract.

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents to give up their baby confidentially. As long as the baby has not been abused or neglected, parents may give up their newborn without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially and safely give up a baby within three days of birth. The baby must be handed to an employee at a Los Angeles County emergency room or fire station. As long as the child shows no signs of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, workers will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their newborns within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

In most cases, a parent will bring in the baby. The law allows other people to bring in the baby if they have legal custody.

Does the parent have to call before bringing in the baby?

No. A parent can bring in a baby anytime, 24 hours a day, 7 days a week so long as the parent gives the baby to someone who works at the hospital or fire station.

Does a parent have to tell anything to the people taking the baby?

No. However, hospital personnel will ask the parent to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the child. Although encouraged, filling out the questionnaire is not required.

What happens to the baby?

The baby will be examined and given medical treatment, if needed. Then the baby will be placed in a pre-adoptive home.

What happens to the parent?

Once the parent(s) has safely turned over the baby, they are free to go.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned by their parents and potentially being hurt or killed. You may have heard tragic stories of babies left in dumpsters or public bathrooms. The parents who committed these acts may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had nowhere to turn for help, they abandoned their infants. Abandoning a baby puts the child in extreme danger. It is also illegal. Too often, it results in the baby's death. Because of the Safely Surrendered Baby Law, this tragedy doesn't ever have to happen in California again.

A baby's story

At 8:30 a.m. on Thursday, July 25, 2002, a healthy newborn baby was brought to St. Bernardine Medical Center in San Bernardino under the provisions of the California Safely Surrendered Baby Law. As the law states, the baby's mother did not have to identify herself. When the baby was brought to the emergency room, he was examined by a pediatrician, who determined that the baby was healthy and doing fine. He was placed with a loving family while the adoption process was started.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a newborn, let her know there are other options.

It is best that women seek help to receive proper medical care and counseling while they are pregnant. But at the same time, we want to assure parents who choose not to keep their baby that they will not go to jail if they deliver their babies to safe hands in any Los Angeles County hospital ER or fire station.

Sin pena. Sin culpa. Sin peligro.

¿Qué es la Ley de Entrega de Bebés Sin Peligro?

La Ley de Entrega de Bebés Sin Peligro de California permite a los padres entregar a su recién nacido confidencialmente. Siempre que el bebé no haya sufrido abuso ni negligencia, padres pueden entregar a su recién nacido sin temor a ser arrestados o procesados.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura, dentro de los tres días del nacimiento. El bebé debe ser entregado a un empleado de una sala de emergencias o de un cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden empezar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles, al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

En la mayoría de los casos, los padres son los que llevan al bebé. La ley permite que otras personas lleven al bebé si tienen la custodia legal del menor.

¿Los padres deben llamar antes de llevar al bebé?

No. El padre/madre puede llevar a su bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, mientras que entregue a su bebé a un empleado del hospital o de un cuartel de bomberos.

¿Es necesario que el padre/madre diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital le pedirá que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para los cuidados que recibirá el bebé. Es recomendado llenar este cuestionario, pero no es obligatorio hacerlo.

¿Qué ocurrirá con el bebé?

El bebé será examinado y, de ser necesario, recibirá tratamiento médico. Luego el bebé se entregará a un hogar preadoptivo.

¿Qué pasará con el padre/madre?

Una vez que los padres hayan entregado a su bebé en forma segura, serán libres de irse.

¿Por qué California hace esto?

La finalidad de la Ley de Entrega de Bebés Sin Peligro es proteger a los bebés del abandono por parte de sus padres y de la posibilidad de que mueran o sufran daños. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Es posible que los padres que cometieron estos actos hayan estado atravesando dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus recién nacidos porque tenían miedo y no tenían adonde recurrir para obtener ayuda. El abandono de un recién nacido lo pone en una situación de peligro extremo. Además es ilegal. Muy a menudo el abandono provoca la muerte del bebé. Ahora, gracias a la Ley de Entrega de Bebés Sin Peligro, esta tragedia ya no debe suceder nunca más en California.

Historia de un bebé

A las 8:30 a.m. del jueves 25 de julio de 2002, se entregó un bebé recién nacido saludable en el St. Bernardine Medical Center en San Bernardino, en virtud de las disposiciones de la Ley de Entrega de Bebés Sin Peligro. Como lo establece la ley, la madre del bebé no se tuvo que identificar. Cuando el bebé llegó a la sala de emergencias, un pediatra lo revisó y determinó que el bebé estaba saludable y no tenía problemas. El bebé fue ubicado con una buena familia, mientras se iniciaban los trámites de adopción.

**Cada recién nacido merece una
oportunidad de tener una vida saludable.
Si alguien que usted conoce está pensando
en abandonar a un recién nacido, infórmele
qué otras opciones tiene.**

Es mejor que las mujeres busquen ayuda para recibir atención médica y asesoramiento adecuado durante el embarazo. Pero al mismo tiempo, queremos asegurarles a los padres que optan por no quedarse con su bebé que no irán a la cárcel si dejan a sus bebés en buenas manos en cualquier sala de emergencia de un hospital o en un cuartel de bomberos del Condado de Los Angeles.
